Quisenberry Buys Crutcher Saddlery

Chester Quisenberry, recently discharged veteran, has purchased from W. E. Crutcher the Crutcher Saddle Shop located next door to Piggly Wiggly. The deal became effective on Tuesday of this week.

At the time of his discharge from service, Quisenberry had completed three and one-half years of service. He was stationed in the European Theater of Operations for many moths with the Eighth Air Force.

The shop is to be operated under the name of Quisenberry Saddlery.

Hub Hale and S. R. Hull are fishing this week at Don Martin Lake.

Local Horses Win Few Places In Angelo Meet

Sutton County horses won several races at the King Downs meet held in San Angelo last Friday, Saturday, and Sunday, although in the opinion of several witnesses, poor judging of fouls cost several local horses victories.

Most notable example of the quality of the judging was in the fifth race Sunday for 550 yards between Mecat (G. Barker) and Bounding Maine (D. Breeding). Bounding Maine ran in front of Mecat throwing the Barker horse off pace, but was never penalized. The judges stated that they did not see the infraction take place.

In the other Sunday races, Texas Star (W. L. Miers) won first in the second race for a quarter mile, and Little Red (Bryan Hunt) took third. In the fourth race for five-eighths of a mile, Bar Tender (C. D. Crumley) won third.

Broncos Trim Eldorado In Double Header

WIN 15-12, 14-12; SMITH AND BOUGHTON PITCHERS

The Sonora Broncos defeated the Eldorado Eagles in a double header hardball game Tuesday afternoon, winning the first game 15-12, and the second 14-12. There was heavy hitting on both sides, but the clutch hitting of the Broncos was the deciding factor in both contests.

Pitching for the locals were Al Boughton, tall right hander, and Johnny Smith, who received credit for the wins. Both boys turned in a creditable performance for an early season game.

The Broncos go into action again this afternoon at 4 o'clock at the High School, when they play a group of local businessmen in a seven inning hardball game. Lineups for this game are to be found in another story in this issue.

COUNCIL MEETS MONDAY

The public is cordially invited to attend the regular meeting of the City Council to be held Monday night, May 6, at 8 o'clock at the City Hall.

Million and Half Pounds Of Wool Shipped To Brady

The Sonora Wool and Mohair Company last week shipped 50 carloads of 1943, 1944, and 1945 wool to Brady for storage. The total amount was about 1,500,000 pounds, according to George D. Chalk, warehouseman for the company.

The wool has been bought by the government, but has yet to be sold to an individual firm.

Neill To Attend Bankers' Meeting

George H. Neill, acting vice-president of the First National Bank of Sonora, plans to attend the Hill Country Bankers' Association meeting in Kerrville tomorrow (Saturday), when a banquet will be held in the Blue Bonnet Hotel in honor of the members and guests. B. H. Wooten, vice-president of the Republic National Bank in Dallas, will be the speaker.

Wooten has chosen, "Business Looks Ahead", as his topic for the address. A social hour, beginning at 6:30 o'clock Saturday evening, will be held, and the Charles Schreiner and the First State Bank of Kerrville will be hosts to the party and the dinner.

Bandera, Blanco, Boerne, Brady, Comfort, Fredericksburg, Harper, Hondo, Junction, Kerrville, Johnson City, Mason, Melvin, Rocksprings and Sonora banking institutions are members of the association and each will probably be represented at the meeting. Banks in San Antonio, Galveston, Dallas, Austin, Fort Worth and San Angelo are associate members.

Sutton County Asked For $184 For Legion Fund

WILL BE USED TO FUTHER PATRIOTISM, AMERICANISM

Sutton County was asked for contributions totaling $184 this week by George H. Neill, recently appointed Sutton County chairman for the American Legion Endowment Fund. This fund which will be used for the furthering of patriotism and Americanism, will be administered by the National American Legion and will amount to $15,000,000 when the national drive closes. The Legion proposes to spend much of this money in the schools where historical and patriotic programs will be given, and studies in American history and heritages will be sponsored.

TRAILER CAMP OPENED HERE THIS WEEK

The opening of Smith's Trailer Camp, located one block south of the City Park on the Del Rio highway, was announced this week by George E. Smith. Equipped with individual electric hook-ups, and with all sanitary facilities including hot water, the camp is now able to handle fifteen trailers. Smith said that in a few weeks, he would be able to take care of twice that number.

WATCH REPAIRMAN HERE

E. W. Keef, watch repairman employed by the Barrow Jewelry Store, arrived in Sonora Tuesday, and is now taking watch and clock repair work. Keef, whose home is in New Orleans, was accompanied here by Mrs. Keef, and has moved into the apartment owned by Mrs. Maysie Brown.

Steve Stumberg of Sanderson, president of the Texas Sheep and Goat Raisers Association, was in Sonora Thursday on business.

Fisher Announces For Re-election In 21st District

O. C. Fisher, Congressman from the 21st District of Texas, this week announced that he will be candidate for re-election this year, and his name has already been certiffied to each of the County Chairmen in the district.

Fisher has been Congressman from this district since 1942, when he defeated the incumbent, Charles L. South, from Coleman. Two years ago, when he asked re-election for a second term, he was unopposed.

He was several months ago injured in a car accident, but has recently returned to Washington.

Before being elected to Congress, Fisher was district attorney and resided in San Angelo.

Scouts Win Third At Camporee

SECOND CAMP TRIP PLANNED FOR MAY 11

Sonora's Boy Scout Troop 119 took third place in the Ranch District Scout Camporee held last Friday and Saturday at the Scout grounds at Junction. Contests were held in knot tying, bugling and tent pitching and towns represented were Sonora, Junction, Menard and Ozona, the latter being represented by two troops.

Scoutmaster J. V. Bishop and Clarence Valliant went with the boys on the trip.

At the end of the contests, the troops were entertained with a barbecue dinner by the Junction citizens.

Another camporee, for the Concho Valley Council, is to be held at Camp Sol Mayer on May 11, and the Sonora troop will attend.

AAA Discusses Deferred Grazing

A called meeting of the AAA County Committee and other soil conservation specialists was held at the AAA office Tuesday afternoon to discuss the 1947 conservation program. A round-table discussion was held, and the 1946 handbook was used as a guide to recommending changes in the conservation practices for 1947.

Most of the meeting was spent in discussing the deferred grazing program and the scrub oak eradication program.

Those present were Lea Allison, Dan Cauthorn, Edwin Sawyer, E. B. Keng, R. E. Shaver and A. E. Prugel.

Western Union To Move Agency To News Office

Clay Puckett, publisher of the News, last week signed a contract with the Western Union Telegraph Co., making him that company's agent in Sutton County. The deal is to become effective on June 1, and at that time the Western Union office will be moved from the Santa Fe Railroad depot to the News office.

As agent for the telegraph company, Puckett will offer the usual services for radiograms, telegrams, cablegrams, money orders, news service and time service. All business will be transacted on a cash basis.

An instructor from the San Angelo office of the Western Union will be in Sonora to train two operators within the near future. Operator, when the service opens in the News building, will be Mrs. James Wilson.

"Aida" Presented To Lions Club

One of the best programs presented before the Lions Club was given Tuesday when a group of school children under the direction of Miss Helen Boyd presented "Aida" in play form.

Business transacted included the appointement of Hillman Brown, Pat Lyles, and Carl Peeples on the program committee for May, and the naming of the comittees for the Ninth Annual Wool and Mohair Show and Sale to be held June 20 and 21.

A. E. Wells reported on the trip made last Thursday by the Speech Class to Del Rio, where the students entertained the Del Rio Lions Club and the students at the San Felipe High School. After the program, the group made a sightseeing trip to Villa Acuna.

Sonora School Again Member Of Southern Ass'n

Sonora High School again has met or exceeded every standard of excellence and has been again re-elected to membership in the Southern Association of Secondary Schools and Colleges "without reservation", according to a letter of notification from the State Department of Education at Austin, received this week by Superintendent A. E. Wells.

"I am pleased to inform you that the Central Reviewing Committee of the Commission on Secondary Schools for the Southern Association in its recent meeting in Memphis, Tenn., approved without reservation your application for renewal of membership," said a letter written by Gordon Worley of the State Department of Education, addressed to Wells and Principal M. G. Alexander.

"About the only changes of consequence in the standards that will become effective next year are (1) increased average salary of teachers and (2) the inclusion of some type of program for the improvement of instruction," Worley's letter continued.

Cooperation of schools is sought by the State Department in carrying out a program for the improvement of instruction next year, and a plan for dividing the state into groups and assigning better schools to leadership among high schools about them for good high school bulletins to be printed and used throughout the state, has been suggested.

Broncos Tackle Old Men Today

HARDBALL GAME SET FOR 4 P. M. AT SCHOOL

The Sonora Bronco hardball team will play a seven inning game against a local aggregation of broken down old men Friday afternoon at 4 o'clock. Umpire will be Tom Ratliff. The Bronco pitching berth will go to either Al Boughton or Johnny Smith. The remainder of the lineups follows:

BRONCOS	Pos.	Old Men
George Hamilton	C	Pat Lyles
Boughton or Smith	P	Bud Smith
Cleve Nance	1b	Clay Puckett
Clayton Hamilton	2b	Sally Chalk
Frankie Bond	3b	Shelby Kerbow
Dickie Street	ss	Lee Patrick
Leonard Gibbs	rf	Cash Taylor
Scott Wolters	cf	Jack Rape
Leray White	lf	Gomer Minnick

In the absence of Coach Mack Alexander, who is in Austin attending the Interscholastic League Meet, A. E. Wells, will coach the Broncos. The Old Men will have Pat Lyles as team captain.

Land Owners To Receive Questionaire

USDA MAKING REPORT TO STUDY OWNERS PROBLEMS

Sametime around May 15th, about one out of every ten Texas landowners will receive a USDA Bureau of Agricultural Economics land ownership questionaire.

This form, will be the basis on which up-to-date information as to opportunities on the land will be provided for veterans and for studies on various farm ownership problems.

It will be the first survey on this subject since immediately after World War I, according to Dr. L. P. Gabbard of the Texas Agricultural Experiment Station's Division of Farm and Ranch Economics, who is representing Texas A. and M. College on the project.

Individual replies will be held in strict confidence, he said. All land owners who fill out and return the questionaire will receive a copy of the final report.

County agricultural agents will receive information copies of the survey form through the Texas extension service and may be consulted on points arising in filling out the questionaire.

Ranchers Advised On Restocking Of Game Fish

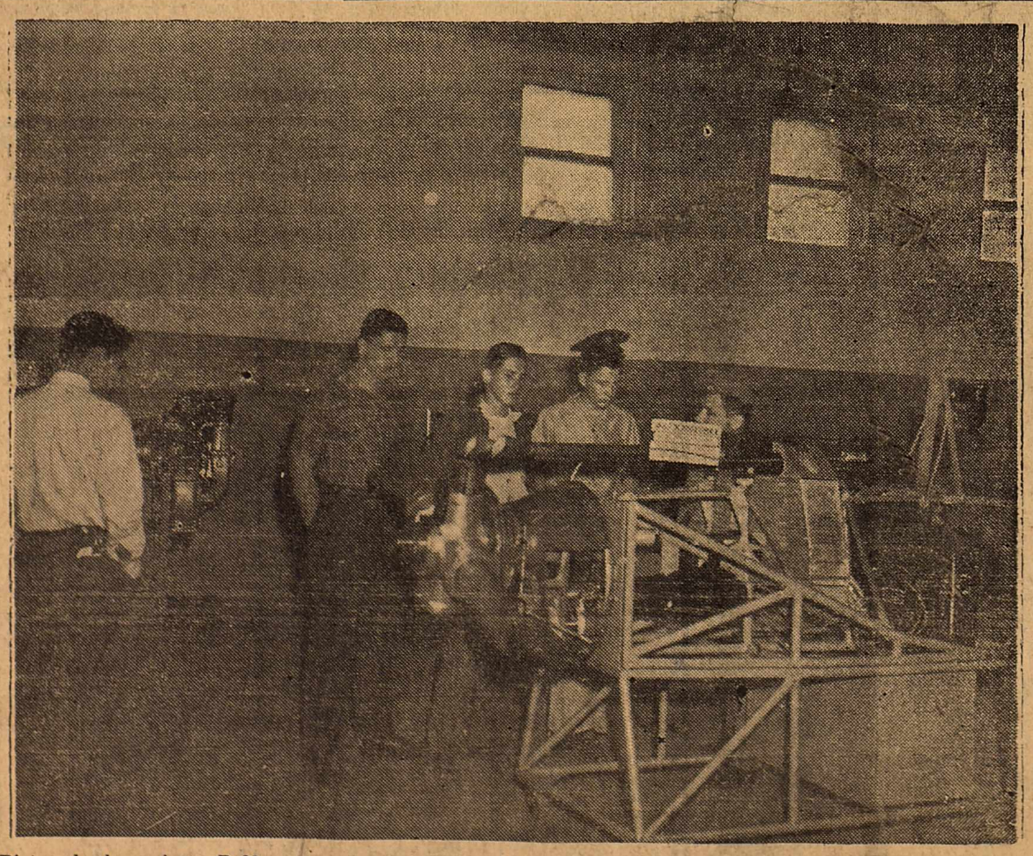

ASKED TO APPLY DIRECT TO GAME COMMISSION

Ranchers who depend upon the state fish hatcheries for supplies to restock their home waters should place their applications direct with headquarters. The procedure, says R. E. Callender, game management specialist for A. and M. College Extension Service, is for the applicant to write to Marion Toole, Chief Aquatic Biologist, Game, Fish and Oyster Commission, Austin, for standard application forms. After filling out the forms they should be returned to the office of the comission. As a rule, Callender says, forms are not available at the offices of county agricultural agents, although it now is permissible for agents to submit names of those desiring fish. In that case the game commission will send forms to individuals named, provided accurate mailing addresses are given.

Callender also announces that a limited quantity of game preserve protective signs now are available.

SAWYER'S NAME ENTERED

The name of Edwin Sawyer, Sutton County ranchman, was entered this week by friends in the Democratic Primary for County Commissioner, Precinct No. 2.

Pictured above is a P-63 nose section with a 37 millimeter cannon and a 50 caliber machine gun synchronized for action. These are part of the Randolph Field demonstration which will be here from 11:30 Friday morning May 10 to 9:00 Saturday morning May 11, 1946. At the extreme left of the picture is a P-63 auxilliary supercharger. Many other interesting exhibits will also be shown.

CITIZENSHIP
Its Privileges and Responsibilities

by JOAN FRENZEL

What is America to you? A country? A map? A name? It is the town that you live in. It is the place where you work, the worker by your side, the little corner news stand, a wedding, with its laughter and tears. It is the children in the playground; it is the church, the schoolhouse and clubhouse. It is the places you pass while on your way home, the faces you meet and see, and a dream that has been growing for one hundred and fifty years.

But let's get out of this dream and make it realistic. Have you ever thouht about your privileges as an American citizen? You have not? Then here is something to think about. Not every person is born with such great privileges as you have been.

In America you have the privilege of living under a constitution which assures you of a democratic country. That Constitution was made for your sake and mine; let's not forget it.

America offers you more than any other country or any person She offers you an education and churches, she offers you a trial by court and a country, which has a grand history, and she offers you lasting freedom.

Fear and force controlled Italy, Germany, Japan, Austria, and many other countries. But our government is a democracy which assures us of a free country. Our government is run by us. It is your privilege as an American citizen to vote; to vote for the president of your country; to vote for your rulers. Dictators may not rule America or her people.

In America you have the privilege of living under five main freedoms: Freedom of Speech, Freedom of Worship, Freedom of the Press, Freedom from Want, and Freedom from Fear.

But with privilges come duties. It is your duty to take advantage of those privileges. You must use those privileges and keep them for the on-coming generations. We must remember it is our duty to keep that government "of the people, by the people, and for the people".

Democracy is not a large word or a new one. Every child reared in America has known it from an early age. In Hitler's book, "Mien Kampf", a rash sentence was written. Listen to what he said, "Democracy in the West today is a monstrosity of filth". But you do not believe that and neither did one hundred and thirty-five million other Americans.

Those Americans fought to keep their dream and their democracy. You must remember that because there must always be an America. Remember also these words from Francis Scott Key's "Star Spangled Banner":

"And conquer we must
When our cause it is just
And this be our motto
In God is our trust
And the Star Spangled Banner
In triumph shall wave
O'er the land of the free
And the home of the Brave!"

I Give You Texas

by BOYCE HOUSE

The only sea voyage I ever took was to Catalina Island, off the coast from Los Angles. True, the distance was only 25 miles but the ship's deck developed quite an angle at times and walking wasn't easy.

The craggy island rises high from the sea, presenting a sight familiar to movie-goers for it has furnished the background of many a saga of the ocean—shipwrecks marooning of sailors and hunts for pirate treasure; and it has been the locale for many an idyl of a South Sea isle.

On the way. you see flying-fish

There are many beautiful homes—including the one that belonged to Novelist Zane Gray—esconced on the preciptious slopes, which are clad in shaggy, green bushes. Then there is a drive over the island and, from the crest, you look down upon what seeme a toy village, and creamy waves, incredibly little, break against a miniature shore.

But none of these constituted the most memorable feature of Catalina Island, which by the way is owned by William Wrigley, the Chewing gum magnate, and he spent millions of dollars in the original purchase and in its beautification.

Nor was the most vivid experience the ride in the glass-bottomed boat, though you saw many marvelous ferns and flowers growing in the water and fish of many kinds glided at your very feet and stared at you with their big eyes; and, as the climax, the diver went overboard and you beheld him far below, on the bed of the sea, and after what seemed a minute, he started back to the surface with a big shell in his haand.

No, the most remarkable thing about the island, and it was liceral-ly "about" the island, was the water that lapped its shores, water not blue but actually purple—so rich in hue that it looked as though it had been dyed; but of course that could not be for it stretched far out to meet at last the baby-blue of the arching sky, which was dimpled with clouds.

You'd like Catalina Island.

From where I sit ... by Joe Marsh

Willie Lives in an "Almost" Home

Willie Wells is one of many G.I.'s stationed overseas to keep the Peace. Not to forget them, let me describe a snapshot that he sent.

It's the inside of a house where Willie's quartered . . . except the boys have fixed it up as much as possible to look like a typical American home. They've hung up pictures of their families, cultivated a stray puppy for a house pet.

And the snapshot shows Willie and his buddies sitting by their hearth, drinking friendly American beer and reading the home-town paper. "*Almost* like being back in Clover Corners," says the caption.

From where I sit, that "almost" packs a lot of meaning. Thousands of our boys are still overseas, trying to make their quarters homelike, even to the pet dog and the friendly glass of beer. Let's not forget to write them often—remind them that home is waiting—and it's not an "almost" home either.

CHALK WAR

The other day there was a regular "war" staged in the school building. The students who were engaged in this "war" thought that it was fun, but if they had stopped to think, theye would hav found out that throwing chalk was damaging property.

For one thing, chalk costs the school money. Another thing, if the chalk hits a window or bookcase glass, one of the two is going to break and it will probably be the glass, and another danger is that of injuring someone. There is the possibility of putting out someone's eye or injuring them in some other way.

We all know that this "war" was fought before those who fought it stopped to think about it, and we also know that another war of this kind will not be fought.

Sonny, this old stuff, being late to class, that is the first period class, because of the hall restrictions has got to stop. That also means sitting on the front steps of the school with a certain freshman girl who loves to act or try to act.

School Board Purchases New School Equipment

The students of S.H.S. have the following improvements for which to thank the school board and the superintendent of their schools: a juke box for their dances and parties, a piano for band purposes, five divans for stage and dance use, an oak setee, chair, and coffee table for stage use, a mahogany coffee table for the homemaking department, new equipment for the cafeteria consisting of chairs, tables, trays, orage-juicer, and glasses, tennis rackets for P. E. use, ping pong paddles and nets for gym entertainment, a cash register and typewriter for the cafeteria, and that is not all!

The students next year will have the benefit of a school bus for their transportation purposes. The students are very proud and thankful for all of this equipment and we will try to make everyone as proud of us as we are of our school.

This equipment was purchased from Concho Field by our superintendent, Mr. Wells, and Artie Joy, our former janitor.

Joan to Charlie—"For a Little While"

Bronco Delegates To Go To Austin May 2 and 3

"This is to certify that THE BRONCO of Sonora High School, has been placed in the highest rank of Texas high school papers of its class and district in this school year and is thereby entitled to enter two contestants in the Sate Journalism Contest". so reads THE BRONCO'S award of Distinguished Merit from Dr. DeWitt Reddick.

After much rejoicing, we elected our two contestants. They are Polly Allen and Billie Dee Drennan.

The ones representing us must have knowledge of how to copy read, write news stories, count headlines, write feature stories, and write editorials.

Polly and Billy left Wednesday with J. V. Bishop, their sponsor. They are due in Austin May 2 and 3.

MAY BRONCO

The literary issue of the BRONCO is to be published about May 17th. All contributions will be appreciated. These contributions may be poetry, stories, drawings, jokes or anything you think the rest of the students will enjoy. Start bringing in your material now for the deadline on Friday May 10. Turn in your material to Billie Dee before May 10. Try to bring enough material to make this a good issue.

Sonora Wins Two First Places At Area Meet April 16

Sonora had five entries in the Brownwood Area meet.

In the one-act play division Sonora was represented by Joan Frenzel, Betty Spoon, Nina Smith, Gilbert Teagarden, Billy Joe Nance and James Hunt. The three from Sonora getting on the all-star cast were Joan Frenzel, Billy Nance, and Gilbert Teagarden. The play won first place.

Kathryn Ross represented us in ready-writing.

Winning second in Senior doubles in tennis were Clayton Hamilton and Dickie Street.

Sue Frenzel and Kathryn Ross won second place in debate.

Winning first in extemporaneous speaking was Sonny Shurley.

Polly Allen entered in typing.

If you study them you will never hear two words out of them that make sense. In the first act they are considerably well off in the world; and being spared the necessity of working, they take out their lunacy in inventing complicated methods of suicide or in taking impusive journeys.

But suddenly they find themselves penniless. Mrs. Rimplegar, having sold out the family fourtune to a mortgage broker, puts on her wrapper, does up her hair in a Turkish towel and meanders dizzily around the house. That is the time the Rimplgar children go to work at starvation wages and become a clan with a cause.

But idle or industrious, a Rimplegar is always the same.. From one day to another he never tampers with logic.

"Three Cornered Moon" is a comedy in three acts. It's fast moving action will keep you amused.

The curtain will rise at 8:15 on May10. The Seniors cordially invite you to attend this performance.

Seniors Honored By Nance With Mexican Supper

The Senior Class was honored with a Mexican supper Friday night. Cleveland Nance and Mrs. R. G. Nance were host and hostess.

Those enjoying the supper and dancing were: Helen Martin, Dickie Street, Jane Neill, John Allen Ward, Joyce Johnson, W. K. Regeon, Jackie Sharp, Carolyn Johnson, Bubby Chalk, Charlene Hull, Al Boughton, Mildred Yancy, Frankie Bond, Ada Ruth Martin and Miss Palmer.

Juniors Honor Seniors With Annual Banquet

The annual Junior-Senior banquet was held in the Baptist Church basement Tuesday evening, April 16, at 7:30 o'clock.

The theme of airplanes was used in the decorations. The banquet table was in shape of an airplane with a white runway and blue candles as landing flares. Red lillies, yellow poppies and white candy tuff were used about the rooms carrying out the class colors. Centered above the head table was a huge gold plane.

The menu consisted of golden salad, barbecued chicken, buttered asparagus, corn, spiced beets, ghergins, rolls, angel cake and ice cream, and iced tea.

The Dispatcher, Bubby Chalk, acted as toastmaster for the trip. Flight Commander, Kathryn Ross, welcomed the group on the flight. Lieutenant in Charge of Rookies, Al Boughton, expressed the wishes of all passengers in his respone. The ground crewners, Tina Ann Taylor, Frances Drennan, Helen and Ada Ruth Martin, aided by the Technician, Miss Helen Boyd, rendered excellent service in the way of "Silver Wings In The Moonlight". Showing the group how to take advantage of the flight was the test pilot, Mr. Wells.

Class Will

Friends and heirs of the class of 1946. I have called you together on this occasion to listen to the formal reading of the last will and testament of the class of 1946.

It was my sad duty when the decedent in question felt that it was time to set her house in order to be called to her assistance as a duly authorized attorney of the bar of Sonora High School, and I am here to inform you that this will was properly signed and witnessed in my presence, and that in compliance with all forms of the laws of this state this testament is absolutely and unalterably perfect and impeccable.

I, the class of 1946, of the High School of Sonora, Texas, having come to the end of my long life in a peaceful and undisturbed state of what I have always been pleased to call, my mind, in accordance with the laws of this state do hereby give and bequeath and devise all my worldly goods and possessions with all the appurteenances and hereditaments thereunto belonging, as seemth wise and fitting, in my judgement, without taking advice or counsel from anyone, and without being influenced in the least by past favors or disfavors, past kindness or unkindness. I may say that in making these bequests I have been said to possess, in a remarkable degree, common sense.

ITEM 1

To Billie Dee Drennan, I, Alain George Boughton, will all my height and weight.

ITEM 2

I, Ada Ruth Martin, will to Vernon James Lucky, my ability to add, subtract, multiply, and divide; and to Hazel Payton Caldwell, my position as star volley ball player.

ITEM 3

I, John Allen Ward, III, will my ability to steal, beg, borrow, but never buy paper to Leonard Nolen Gibbs.

ITEM 4

To Tina Ann Taylor, I Wilma Lea Pearl, give my talented singing in P. E. class.

ITEM 5

To Norbert D. McIntyre, I, Gilbert Darwood Teagarden, give my curly hair; and to George D. (Bubby) Chalk, I will my civilian clothes..

ITEM 6

I, Charlene Hull (McDonald) give, bequeath, and devise all the mistakes I have ever made in English to Ella Kathryn Ross, and to Frences Jane Drennan, I will my sweetest disposition and personality.

ITEM 7

I, Cleveland Gates (Red) Nance, give to Helen Willie Martin, my short red hair and red freckles.

ITEM 8

To Billie Wright Taylor, I. Lois Pauline Allen, devise my position as editor of the BRONCO and to Amelis Colleen Aderholt, the right to be his able bodied, as well as able minded, secretary.

ITEM 9

I, Francis Clayton Hamilton, give my ability to make love, pitch woo, and catch women to David Derry Shurley.

ITEM 10

I, Ethel Mae Alley, give my legacy to Frank Luce Bond, the power of seeing through a stone wall, that power which, in time past, has made my course in life so spectacular and the lack of which had brought my career to an ignominious failure in Spanish II.

ITEM 11

To Frank Leslie Moore, I, Richard Louis (Dickie) Street, bequeath all my well known tact and my powers of saying the right things in the right places.

MISS deBERRY SINGS IN SYMPHONY CHORUS

Miss Anne L. deBerry

Miss Anne Longfellow deBerry, daughter of Dr. E. M. deBerry of Sonora and now a freshman at Radcliffe College, Cambridge, Mass., was one of the members of the Radcliffe Choral Society chosen to sing Beethoven's Ninth Symphony at the Pension Fund Concert of the Boston Symphony Orchestra on Sunday, April 28.

Together with the Harvard Glee Club, members of this Choral Society have sung annually with the Boston Symphony Orchestra since 1924. As these concerts are the high point in the year's study of choral music, students look forward each year to the privilege of singing with this famous orchestra.

Yes, there's Electricity in your Electric outlets READY to go to work for you the instant you "plug-in" or flip a switch.

A wonderful thing—this Electricity!

You don't have to go out of the house to buy it, or even phone to have it delivered. It's just there—being delivered constantly in whatever quantity you need.

Electricity is made fresh every second and there's plenty on tap all the time.

And as for price—that's been coming down steadily through the years. What's more, it has stayed low, while practically all other living costs went up with the war.

You can depend on Reddy Kilowatt delivering all the low-priced Electricity you'll ever need for all post-war appliances and the service will be kept friendly.

High score for members was won by Mr. and Mrs. E. B. Keng, and Mr. and Mrs. Hillman Brown won high guest award. Mrs. Edwin Sawyer won the bingo prize.

Dinner was served the guests from the buffet, which was covered with a lace runner and centered with a bowl of pink roses. Arrangements of the roses were also used throughout the dining and living rooms.

Those present were Messrs. and Mmes. Keng, Sawyer, Rip Ward, Brown and Dewitt Lancaster; also A. E. Prugel and Mrs. E. D. Shurley.

Army Sending Air Force Show Here Next Week

CUTAWAY B-29 ENGINE, MOVIES, AMONG EXHIBITS

The largest Air Force caravan sent out from any Air Field to date, carrying an interesting and extensive exhibit from Randolph Field will arrive in Sonora at 11:30 Friday morning May 10 and remain here until 9:00 Saturday morning May 11, 1946 according to word received today from Colonel Jean Edens, San Antonio procurement officer.

The caravan is composed of three large tractor trailers, a 2½ ton truck, sound truck, jeep and staff car. The tractor trailers will bring, an operating link trainer, a cutaway B-29 engine showing moving parts, a complete operating compass, panel of instruments in plexiglass showing how it works, a P-63 nose section with 37mm cannon and electrical oxygen system, and 50 caliber machine gun synchronized with the propellor; an auxilliary supercharger, a B-24 instrument panel, bomb racks and instrument panel and mock-up fuel system; personal equipment including a desert and tropical subsistance kit, an artic kit, ocean and jungle kits showing items such as water distilling bags, food, blankets, jungle knives, flares and tec. The 2½ ton truck carries a complete mobile Air Force recruiting station.

In charge of the caravan will be Major John R. Pennington who successfully completed 54 combat missions in B-24s in the southwest Pacific and returned each time with all engines running and not a single wounded man, an outstanding record.

Major Pennington extended a cordial invitation to everyone "to drop by and inspect the exhibit and take a flight in the link trainer."

M/Sgt. Roland L. Conner from the San Antonio Main Recruiting Station, 3rd floor, Bedell Bldg., will accompany the unit to supply information on all branches of the Army.

Movies will be shown each night, including the following: "Target Tokyo", "Target For Tonight", "Memphis Bell", "Battle of Midway", a captured German film and a War Department news release.

Real Estate Sales Show Increase

NINE LOTS, FOUR HOMES BOUGHT HERE IN APRIL

Trading and real estate sales flourished in Sonora during April, with six transactions recorded in the County Clerk's office.

Earl Smith bought lot 6, Block 22-A and the house on the lot from Cal Ory. Smith also bought lot 5, Block 22-A from Mrs. Winnie Aldwell.

W. R. Barnes bought the house and lot on the north side of the Pete Cook home.

R. D. Trainer and George E. Smith bought the old Decker home and lot across from the Methodist Church from Henry Decker et al.

Louis Spraggins bought lot 1, Block W-36 and the house on the lot from Earl Merck for $1050. This lot is located in southwest Sonora.

A. B. Hightower bought from Mrs. Mae B. Sawyer lots 3, 4, 5, and 6 in Block 15-A located on the Del Rio highway near the Duke Wilson residence.

No sales or leases of ranch land in Sutton County were reported during April. Concerning local real estate sales, H. C. Kirby stated that they showed an increase over April, 1945.

Senior Girls Lead In Tourney

The seniors are leading with 102 points in the tournament the girls P. E. class is having. The events the girls are competing in are washers, tennis, track, baseball throw, and volleyball.

The eighth grade girls and the sophomores are combined in the same class and are coming in second with 83 points. The juniors have 79 points, and the freshmen have 65.

Each class gets 1 point for every entry in an event. They get 3 points for every game won and 10 points for each first place in an event.

The tournament is not yet completed. It is still anybody's tournament.

COLT GOSSIP

Anne, we wonder if you still dream of Jim Baldwin.

We notice Geraldine has taken a sudden like to Francis Reed. Better watch out Doris.

Jackie Wardlaw, we wonder why you look so sad sometimes. Is it spring fever?

Marie, where did David go? Why don't you say more about him?

Doris, who is it, Jim or Jinks?

Flora Dell, is Joe Neil going out with other girls, or do you really know?

Pat, are those notes from Darlene B. sweet

Carlene, don't you and Jack Ivy click?

Anne, who is your new flame?

Helen, I did not think you liked Chuffy C.

Why did Elton move over in front of Berverly?

Peggy Ann, what was Philip trying to do in the show Sunday?

"Foozy" please write me a long note and tell me what a fool I have been for liking Earl. Please do that, will you?" Who could this be to???

Who caused that trouble between Bitsy and Charles Lee? Was it Hayden?

Why couldn't Raymie Jo be pleased with one boy like all the other girls?

Frankie is trying to make up his mind whether it will be Nina or a certain Grammar School girl. Will somebody please make up his mind?

Black Owl To Present Program May 8 At 2 p. m.

Black Owl and Company will present a show, "The American Indian", consisting of songs, dances, and folk tales, Wednesday, May 8 at 2:00 o'clock in the High School Auditorium.

Black Owl was born a Cheyenne Indian, but is called a Commanche since his marriage to Faith Attachnie of that tribe.

He has achieved renoun as an Indian artist and was commissioned to cover the walls of the ball room of Chicago's famous Palmer Houses. Some of his paintings have been exhibited in Europe and Asia. where they have been acclaimed.

Black Owl is three times winner of the National Indian War Dancing honors and is the last man of the Cheyenne tribe to go through the sun dance ceremonial. He knows and loves the traditions of his race from first-hand experience.

He will be supported by another Indian in presenting a program that features the songs, dances and folk tales of the Great Plains Indians. The costumes are authentic and beautiful. The songs are ancient tribal chants sung to the accompaniment of rhythmic drums. The rances are of war, hunting and love. Some of the age old legends of the nomadic tribes will be told.

This is an Indian program presented by Indians who know the white man's way of life and yet sense something timeless in the heritage of their own race.

SENIOR MIRROR

JOHN ALLEN WARD

John Allen Ward III was born in San Angelo, August 27, 1929. He has always lived in Sutton County.

Johnny's favorite sport is football, his favorite movie star is Margaret O'Brien, and beef steak, biscuits and beans are his favorite foods. He likes his beef steak very rare.

John Allen, whose ambition is to do nothing but hunt, fish, and eat, has lettered two years in football.

John Allen has black wavy hair, gray eyes, he is six feet 2½ inches tall and weighs 165 pounds. In "The Whole Town's Talking" Johnny was Mr. Simmons and in the senior play, "Three Cornered Moon", John will be Dr. Stephens.

And John Allen has a dream girl. He wants one that is not bashful—the type that will ask a boy for a date—six feet tall, good looking, brunette—but a blonde would do—good figure, and not too dumb.

Until Next Year

by DICKIE STREET

Spring trainiing is over and Coach Mack is very well pleased with the results. The boys showed up well and made this Spring training a success.

Among the 40 boys out for spring training many of them were eighth graders. Coach had nine lettermen and a few that were not eligible last season. The positions were all filled but Coach wanted a few more experienced backs and ends. The boys are going to do their best next year and the whole support of the town would do them more good than any thing else.

Our first four games are at home and we are expecting a large crowd for the games. Our first game in the district play is with Big Lake who has just come into this district and are doped to be plenty tough. We assure you that you will be satisfied with the results. So the football team says, "So long 'til next year".

Charley and Hayden are fighting it out for a certain freshman girl and she won't make up her mind, that is, not yet.

SO LONG FOR AWHILE

This is our last issue of the BRONCO to be printed in the Devil's River News this year. There will be only one more issue of our school paper and it will be mimeographed by the staff.

The staff has received excellent support from the student body and we wish to take this opportunity to express our appreciation. Also we wounld like to thank the Devil's River News for their cooperation.

As editor, I want to express my special gratitude to the members of the staff for their faithful and hard work. They have worked to give you a good school paper and deserve a hand of appreciation.

We, the staff, thank J. V. Bishop for his work with us as sponsor.

We hope you have enjoyed your school paper, and we hope to serve you again next year. Here's to a better BRONCO next year.

Rollin' 'em faster
on the Santa Fe

Santa Fe serves the Southwest with two main lines.

The northern route runs across the plains of Kansas, southeastern Colorado, and goes over the mountains at Raton Pass.

The southern route leans south in eastern Kansas, runs through Oklahoma, the Texas Panhandle (where it is joined by other Santa Fe lines serving Texas), crosses central New Mexico, and joins the northern route again near Albuquerque.

Along these main lines Santa Fe has increased its yard facilities, straightened out curves and lengthened sidings to handle more freight trains.

Centralized Traffic Control systems have been installed, virtually adding another "main line" to important parts of the Santa Fe.

A great new double-track steel bridge across the Colorado River removes the "bottleneck" created by the old single track bridge it replaces.

80 giant 5400-horsepower Diesel locomotives—the most powerful freight Diesels in the world—are pulling heavy freights over our steepest mountain grades.

These increased facilities on the Santa Fe are ready to "roll 'em faster" for shippers even more efficiently than before.

We have heard of people catching fish by hundreds of different methods. In the movies heroes dive beneath the sea and knife sharks to death. Chinese fishermen train Cormorants to dive for fish and bring them back to the boat. But perhaps the strangest method of all was used at the upper lake last Saturday, when Jack McDermott, fishing with Sam and Lea Allison, kicked a six pound bass to death.

Fishing from the bank, McDermott hooked the fish on a weedless brush tail and had about reeled it in when his reel allowed too much slack in the line. He jerked the pole up and fouled the line in a low, overhanging branch. When he grabbed for the branch he slipped on a rock and as his feet shot out from under him, he kicked the bass, now almost out of the water, squarely in the head, killing it. The fish measuring 23 inches in length, proved to be one of the largest caught this year at the lake.

At a meeting of the County Agricultural Council last Friday at the courthouse, it was decided to work out a program whereby citizens would better be able to cooperate with the food conservation program. The program will include continued gardening, saving fats, and wheat products. Those attending were A. E. Prugel, chairman, Ray Shaver, secretary, Edwin Sawyer, W. H. Dameron, and E. B. Keng. Sawyer was appointed chairman of the Food Conservation Program.

M. H. Kaufman, piano tuner for Geo. Allen of San Angelo, was in Sonora last week and tuned nearly every piano in town. As he has to return here about the 1st of June, people living in the country ought to leave orders at the Decker Hotel, if they wish any work done. If your piano needs tuning see any musician in Sonora and they will tell you all about it.

Columnist To Speak At School

COMING HERE TO GET DATA FOR BOOK

Boyce House of Fort Worth, author of "I Give You Texas" and well-known newspaper-radio columnist, will speak in Sonora at the High School Auditorium this morning at 9 o'clock. No admission is to be charged for the program, and everyone is invited to attend.

House's books about Texas set a Texas record of 215,00 copies sold, many going to Texans in the armed forces all over the world. He talks to an estimated 300,000 each Sunday at noon over KGKO (Fort Worth), KTSA (San Antonio) and other stations, His column appears in 200 weekly papers, with 1,000,000 readers. He has made 700 addresses in the past four years.

House attended schools in Brownwood, Uvalde and Alpine; He edited newspapers in Brady, Olney, Eastland, Ranger and Cisco. When 11 years old, he and his invalid father set out in a covered wagon over southwest Texas to "rough it". The father died when Boyce was 12, and the lad, the oldest child and only son, aided his widowed mother in providing for two little sisters.

House's trip out here is being made to gather historical data.

Private Richard Sellman was in Sonora Sunday for a visit with his mother, Mrs. J. T. Sellman. He is stationed at Fort Sam Houston.

HOW TO WIN FRIENDS—AND KEEP THEM

Making friends is important. Keeping friends is even more important. The telephone party line where everyone uses the telephone sharingly is a sure sign of folks who know how to make friends and keep them. So use your party line sharingly. It's the easiest way in the world to remain friends with your neighbors. Means better telephone service for everyone, too.
