# New Tests Expand Oil Operations For County's Albaugh Field Area

## Wildcat Pair Spotted Near County Line

Drilling operations continue to increase in the expanding Albaugh (Yates) Field of southwest Mitchell County.

Two new tests are scheduled for 1,250 feet at separate sites nine miles northeast of Chalk and 12 miles southeast of Coahoma.

In the same area, but across the county line in southwestern Howard County where new drilling activity is scheduled deeper than the original Albaugh Field pay, operators have spotted two wildcats.

• • •

The pair of Mitchell County projects are Olds & Associates No. 3 Otis Chalk and Ray Albaugh No. 1 Hyman.

No. 3 Chalk is 990 feet from north and 1,650 feet from east lines, Section 91, Block 29, W&NW Survey. No. 1 Hyman is 330 feet from north and west lines, Section 10, Block 27, SPRR Survey.

Wildcats spotted across the county line are C. W. Guthrie No. 1 Sarah Hyman, 1.5 miles northeast of Howard-Glasscock Field, and C. W. Guthrie No. 1 Anna Bowen, 10 miles southeast of Coahoma.

Both of the prospectors are scheduled to drill to 3,500 feet.

No. 1 Hyman, south offset to Guthrie No. 1 Bowen, is 330 feet from north and east lines of Section 98, Block 29, W&NW Survey.

No. 1 Bowen is 330 feet from south and east lines, Section 64, Block 29, W&NW Survey.

• • •

A new location and another producer have been logged in Mitchell County's Sharon Ridge-1700 Field.

Spotted 15 miles northwest of Colorado City is Preston No. 2, C. C. Berry. It is scheduled to drill to 1,800 feet at a site 330 feet from north and 660 feet from east lines of southeast quarter, Section 83, Block 97, H&TC Survey.

Finaled as a new producer was Melton-Krug No. 5-B Mills, located in Section 196, Block 3, H&GN Survey.

Daily potential was 96.48 barrels of 28.5 gravity oil, plus 10 per cent water. Production was from perforations between 1,562 and 1,578 feet over total depth of 1,635 feet.

• • •

Adding to Jameson West (Strawn) Field in Sterling County, near Mitchell County line, is John J. Eisner of Abilene No. 1-A H. M. Knight (formerly No.1).

It was completed for daily potential of 341.9 barrels of 43.1 gravity oil from perforations between 7,110 and 7,117 feet, 7,314 and 7,140 feet, 7,150 and 7,153 feet.

Location of the Jameson oiler is in Section 117, Block 2, H&TC Survey, 12 miles northeast of Sterling City.

The producer was one of few wells finaled this year in the huge Jameson field.

HOLIDAY FOR MANY

## Vet Day Program Planned by Legion

Memorial service and an all-day program is planned by the local American Legion at its post.

Closed will be City National Bank, Post Office, City Hall, Courthouse office, government offices and various businesses.

Public school students, though, will be in classes as usual while grocery and drug stores will be among firms open for business.

Although city and county offices will be closed in observance of Veterans Day, Commissioners Court and City Council will meet in regular sessions—the court Monday morning and the council that night.

Legionnaires will begin their Veterans Day program at 7 a.m. with a special memorial service honoring servicemen killed in defense of their nation. Directing the service will be Dr. Harry A. Logsdon.

The city's fire alarm will be sounded at 6:30 a. m. prior to the service, according to Howard Bynum, post commander.

Coffee and doughnuts will be served all day at the Legion post.

Veterans Day program will be concluded at the post with a 6 p. m. barbecue for all veterans.

Bynum emphasized Saturday that Veterans Day, formerly Armistice Day of World War I, honors all veterans. He asked the public to cooperate with the holiday program here by displaying U. S. flags in front of business firms.

Veterans Day is the first of two November holidays approved last spring by majority of merchants in a special poll. The second holiday is scheduled for Nov. 22, Thanksgiving Day.

Merchants committee of the Chamber of Commerce in a meeting Wednesday reaffirmed its decision to promote the two holi-

## Cole to Speak At Chamber Banquet Here

Dr. Martin L. Cole, prominent educator, writer and speaker, will address Colorado City's annual Chamber of Commerce banquet.

The banquet is scheduled for night of Jan. 24 in Civic House.

Date and principal speaker for the annual event was announced Saturday by the banquet planning committee—J. S. (Jay) Craddock Jr., Pat Bullock and Joe Bell.

Dr. Cole is academic dean of Eastern New Mexico University in Portales, N. M., a position he has held since 1948.

He was acclaimed here four years ago when he spoke at the city's Distinguished Service Award dinner.

Dr. Cole, whose career began as a high school athletic coach in 1924 in Minnesota, is the author of books and articles and widely known for his ability as a lecturer, speaker and toastmaster.

He has received numerous teaching fellowships at universities and colleges in addition to serving as guest lecturer. The New Mexico dean also has received recognition as foremost speaker for a five-state area in the Toastmaster's International Speech Contest.

Cole held associate professorships at Augusta College and University of South Dakota before becoming dean at Augusta in 1932.

MILLION DOLLAR LINK OPENED

## Three More Mitchell Freeway Projects Near Contract Dates

Mitchell County's newest Highway 80 freeway link—a $1,015,282 project across eastern half of the county—has been opened to traffic.

And almost $4,000,000 more in freeway projects is expected to be under construction within the county before next summer.

State Highway Deparment Wednesday accepted the 9.5-mile completed link extending from a point 1.5 miles east of Colorado City to the Nolan County line.

The $1,015,282 link to Nolan County line required more than a year of construction work by the contractors, B. G. Brown Company, J. A. Pruitt and T. M. Brown and Son Inc. of Abilene.

Included in the construction was a huge overpass across FM Highway 644 and T&P Railroad tracts just north of Loraine. Actual construction on the freeway segment started Oct. 25, 1955.

Ben Wilkinson, Texas Highway Department resident engineer here for Mitchell and Howard counties, listed three more Highway 80 freeway projects that are nearing construction stage.

Dec. 12 has been set as tentative date, Wilkinson said, for letting of contract for construction of freeway segment from a point west of Colorado City to Westbrook.

The Colorado-Westbrook link is expected to cost approximately $1,900,000 and will be the first Highway 80 freeway construction within the county to meet new interstate specifications.

Included in the project will be four-lane divided main freeway, grade separations, across roads and bridges. Three bridges will be built across Morgan Creek—one main bridge for the divided freeway lanes and two for the bordering access roads.

Mid-January is the tentative target for letting contract on additional freeway construction on Highway 80 west from Westbrook to Howard County line.

The new work, estimated to cost $900,000, will improve the link to current interstate design specifications by building new west-to-east traffic lanes, grade separations for all lanes, and service roads.

A third project, tagged with a $1,043,000 cost estimate, will improve the just-now-conmpletd link from Colorado to Nolan County.

Wilkinson said the highway department hopes to have the third project ready for contract next spring.

The Colorado-to-Nolan County link will include a new west-to-east lane (now the old highway road), building of new grade separations. That will raise the link to interstate design specifications.

Wilkinson's staff here in Colorado City is rushing planning for two more Highway freeway projects, both in Howard County.

One will be a $2,200,000 project to bring up to interstate standard the just-completed link east from Big Spring to Mitchell County line. Contract is expected to be let on it next summer.

The other—also to provide interstate standard—is planned for contract letting in March. It will be a $1,300,000 project from Big Spring west to Howard-Martin County line.

## Mrs. Pruden Is Winner at Cash Drawing

Mrs. Herb Pruden of 1220 Oak was the lucky person in the crowd Thursday at Colorado City's Cash & Car Days drawing. She won the top prize of $100 cash.

Another housewife, Mrs. Curtis Carpenter, 1405 Waco, won the next highest prize, $50.

Pocketing the $25 cash prize was J. B. Pritchett, 142 West Eighth.

Grand prize of the Cash & Car Days drawings—1957 air-conditioned Chevrolet Bel Air sedan—was placed on public display Thursday for the first time.

The automobile, which will be given away free to the lucky ticket holder in a Christmas Eve drawing, will be displayed on a trailer during remaining weeks of Cash & Car Days.

FOR AMENDMENT NO. 9

## Voters Return to Balloting Tuesday

Mitchell County voters go to the polls again Tuesday for the second time within a week.

They will join the rest of Texas in deciding whether to approve proposed State Constitutional Amendment No. 9, which is aimed at providing financial assistance for permanently and totally disabled Texans.

Turnout for the balloting is expected to be light—a farcry from the 3,178 who voted last Tuesday when Mitchell County backed away from the national trend and favored Stevenson over Eisenhower, 1,911 to 1,095.

However, voting will be conducted all-day Tuesday until 7 p. m. at every one of the county's regular voting precincts.

The election especially for Amendment No. 9 is necessitated because of a technical slip-up within the Legislature that designated separate dates for Amendment No. 9 and the eight other proposed amendments that were approved overwhelmingly by Texas voters last week on the same ballot with the presidential tickets.

The amendment is designed to aid men and women who have crippling conditions between the ages of 25 and 60 years — the bracket for which present state aid programs, dependent children and old-age assistance, do not include.

Amendment No. 9 will enable the Texas Legislature to draft legislation to take advantage of federal assistance available under Social Security Act of 1950.

The proposal limits to $20 per month the maximum amount that can be paid to any disabled person from state funds. It also bars from its aid anyone who receives other forms of assistance, such as aid to the needy blind, old-age assistance, aid to dependent children, or any resident in completely state-supported institution.

Federal funds would increase the maximum amount of assistance to approximately $55 per month.

## Managers Will Hear Quimby, C. C. Thompson

Two Colorado City citizens are included on the program of Chamber of Commerce Managers Association of West Texas which meets Sunday, Monday and Tuesday in Sweetwater.

Charles C. Thompson, president of City National Bank, will be a principal speaker of the association's Monday sessions.

Bill Quimby, local chamber manager and a director of the West Texas association, will be coordinator for a panel discussion Tuesday. The discussion will concern the correction of faults in chamber management.

FOR TREES AND BRUSH

## Chemical Control Demonstration Set

Range specialist from College Station will demonstrate new chemical controls for fence row brush and trees Thursday afternoon.

The Mitchell County demonstration is scheduled at 2 p. m. on the farm of Glenn Thomas, seven miles east of Colorado City on U. S. Highway 80.

Conducting the demonstration will be G. O. Huffman, range specialist for Texas A&M Extension Service, according to County Agent Jack Burkhalter.

Target in the Thursday field demonstration will be worthless brush and trees in fence rows that cut crop yields and make cultivation difficult.

Huffman will use five different chemicals in the demonstration. Those chemicals are 2,4,5-T; 2,4-D and 2,4,5-T mixture, TBA CMU pellets and power.

TBA is a promising new brush killer, according to Burkhalter.

The county agent said that about 300 feet of fence row will be treated with the various chemicals. Each separate chemical treatment will be staked off during the demonstration.

"We are interested in using this project as both a method and result demonstration," the county agent said, "and we will compare the results and cost of the chemicals used.

"By having this demonstration now we hope to encourage Mitchell County farmers to do fence row treatment during the winter months when they will get good results and, also, when susceptible crops will not be a problem."

Burkhalter said that farmers are aware of the problem of worthless brush and trees along fence rows robbing crop fields of cultivation area and crop yields.

"But there has been need for practical, economical method for controling those brush and trees.

"This demonstration Thursday should be a big assist for farmers here to find a practical control method."

Burkhalter said all farmers interested in brush and tree control are invited to witness the demonstration.

## Lake's Crappie Are Biting, Ducks Increase

Fishermen have been few in recent days at Lake Colorado City.

But crappie are biting good in deep water, according to Lake Patrolman Howard Bynum.

And plenty of ducks are moving onto the lake.

Bynum said mallard and pintail ducks are increasing every day at the lake.

The patrolman emphasized, though, that duck hunters at the lake must have lake permits, state hunting licenses and duck stamps.

Largest fish catch recently was the 25.5 pound yellow cat nabbed on a trotline by Carter Hite of Midland. The line was baited with perch.

Postmaster Sims A. Palmer and John Williams caught two good strings of crappie fishing south of Lake Colorado City Park.

### Primary School PTA

Parent Teacher Association of Primary School will meet Tuesday at 3 p. m. in the school auditorium, according to Mrs. Bill Carter.

Program for the meeting will be presented by first grade students.

AT MONDAY NIGHT MEETING

## Council to Consider Purchase Of Park Land, Drink Ordinance

City Council Monday night will consider an expansion of Ruddick Park.

Purchase of additional park property will be one of the main items of business on the council agenda.

Also up for consideration before council will be a strict ordinance against drinking intoxicating beverages on public streets.

Chamber of Commerce merchants committee has gone on record asking the city consider an ordinance regulating peddlers within the city, but that is scheduled for legal and administrative study before moving to the council table.

City Manager Rollin K. Snethen said the park expansion project before councilmen Monday night will be for 35 acres at the park's northeast corner.

Details for purchase of the Iglehart property are reported to have been worked out with only council's "yes or no" lacking.

Snethen has discussed possible enlarging of the Ruddick Park area at various times with councilmen since becoming city manager here. He has favored the expansion as means of providing more ample park facilities and for beautifying the area.

The ordinance against drinking on public streets will be submitted to council as the outgrowth of a legal study requested by police.

Police have asked for an ordinance that will provide more strict regulation around dance halls and public facilities. Lack of stringent regulations have resulted in disturbances, fights and injuries to individuals in the past, police report.

City Manager Snethen met this week with the chamber's merchant's committee, on invitation of the committee, and heard the group emphasize he need for an ordinance regulating peddling.

The city manager outlined problems involved in regulating peddling and told the committee that a proper ordinance would be studied.

DIRECTORS ELECTION

## Chamber Selects Eight for Ballot

Eight business men have been named as nominees in Chamber of Commerce's annual election for directors.

The group was announced Saturday by M. N. (Nap) Caddell, chairman of the chamber's nominating committee.

Listed as nominees are Carl Gary, owner of Piggly-Wiggly grocery; Luke Thomas, partner in Thomas Bros. tire and appliance business; G. O. Thrower, comptroller for Caddell Transit Corporation; Ed E. Williams, superintendent of public schools; Jeff Taylor, city councilman and manager of Rockwell Bros.; J. C. Costin, partner in Costin Bros. implement firm; A. D. Myers, owner of Myers Auto Parts, and R. B. Baker, city councilman and manager of Sweetwater Production Credit Association.

Four of the eight nominees will be elected to three-year terms succeeding four retiring members of the chamber's board of directors.

Retiring this winter will be, Caddell, J. S. (Jay) Craddock Jr., Walter Rogers and Joe Bell.

Holdover directors will be J.W. Randle, Pat Bullock, Raymond Perdue, Dr. R. D. Bridgford, Sam L. (Buzz) Majors Jr., Gus Chesney, Dr. W. S. (Bill) Rhode, G.D. Foster and H. I. Berman.

Ballots listing the eight nominees will be mailed to all Chamber of Commerce members by Dec. 1. Chamber members will be instructed to mark their choice of four from the eight nominees and return the ballots to the chamber office.

Serving with Caddell on the nominating committee were Frank Massad, Ira Uttz, Ralph Lee and Bell.

LAST NINE MONTHS IN TEXAS

# Decline in Residential Building, Durable Goods Sales Holding Down Business Level

Declines in residential building and consumer spending for durable goods are the principal factors holding down the 1956 level of business, the University of Texas Bureau of Business Research reports.

Dr. John R. Stockton, Bureau director, gives the analysis in his monthly "Business Situation in Texas" survey in the current issue of Texas Business Review.

"Sales of nondurable-goods stores have remained at the at the same average level in 1956 as in 1955, but durable-goods store sales during the first nine months of 1956 have averaged 15 per cent lower than in 1955," Dr. Stockton reports.

"The greatest decline has been reported by automobile dealers, but furniture and appliance stores and building material stores also have registered a decline in volume of business," he continues.

"Much consumer income has been taken to repay the extremely large volume of installment credit extended during 1955, particularly for the purchase of automobiles.

"The decline in durable-goods sales during 1956 is without much doubt related to the over-expansion of sales of durable goods last year," Dr. Stockton says.

He sees no likelihood of change in the prospects for residential building for the remainder of 1956.

"In spite of the high level of consumer income, many consumers already have extensive commitments that prevent their buying the houses now being constructed except on extremely liberal credit terms," he says.

The incoming Governor has been called on to set up a commission to deal with the increasing problem of elderly Texans.

It was further suggested that a coordinator on the governor's staff might profitably pull together the efforts of several agencies now handling some phase of help for aged indigents.

The advisory committee to the Board for Texas State Hospitals and Special Schools offered the suggestions in a meeting at the San Antonio State Hospital.

With Dr. Robert L. Sutherland of Austin as chairman, the citizens advisory group took up two major problems confronting the board:

1. Mounting population of aged patients in state hospitals;

2. Treatment for emotionally disturbed children.

They recommended that the board ask the next Legislature to clarify and possibly enlarge financial responsibility for persons in state mental hospitals and define the obligation of the hospital system toward senile patients whose disabilities are due more to age than to mental illness.

Dr. James A. Bethea, executive director, and Dr. Rayley E. Chambers, psychiatric director for the hospitals, told the committee these aged patients present a steadily increasing problem in state mental institutions.

The committee asked further study of methods to give psychiatric care to disturbed children and gave the assignment to Dr. Ivan Bruce of Galveston and Raymond W. Vowell, superintendent of Austin State School.

A seasonal tidbit for a select few of Texas quail hunters will be provided in the harvest of some 600 surplus bobwhites on the Gene Howe wildlife management area in the Panhandle, according to the assistant director of wildlife restoration for the Game and Fish Commission.

A public drawing will be held at the Commission's headquarters in Austin to determine the approximately 60 fortunate participants in the conducted hunts which will be patterned after the original shoot held last year when a similar number of excess quail were taken.

The assistant director said interested gunners should write the Commission for formal application literature. He added that hunting pairs—that is two persons—are more desirable since field men escort the sportsmen into the hunting area and accommodating individuals would require more personnel that is available.

Each person whose name is drawn will be permitted to hunt one day and will be entitled to a maximum of one day's limit of 10 quail. Successful permit holders should bring their own bird dogs.

Eight pairs of hunters will hunt Dec. 1, when the regular Panhandle quail season opens, and a similar number on both Dec. 15 and Dec. 29. Another eight pairs will be drawn for possible hunting on Jan. 12 should current field census counts and results of the three shoots indicate that the extra day is desirable to take up the quail population slack.

The assistant director explained that the Howe area quail harvest is another of a series of public hunts designed to harvest surplus game on the Commission's experimental-demonstration tracts.

A select forty-five hundred Texas waterfowl hunters have been mailed a sample questionnaire concerning their individual luck during the current duck and goose season.

The approach is designed to help the Game and Fish Commission determine the annual harvest, said Wildlife Biologist J.R. Singleton. He said the same method has been successfully used in recent years to fairly accurately estimate the combined over all bag in Texas.

"Results of past quesionnaires," Singleton wrote the hunters selected to provide the data, "has been partially responsible for the increasing hunting privilege. The Texas season on ducks was lengthened from 60 to 77 days last year. The same increase was allowed for this season."

Hunters receiving the sample questionnaire were requested to use it's box score form as a guide in compiling their own individual reports. A similar form for return to Commission headquarters will be sent the same hunters at the end of the hunting season.

AT HIGH SCHOOL

# 23 Students Make 90-Grade Average

Twenty-three Colorado High students earned places on the school's honor roll of distinction for the first six weeks of the fall semester.

To be eligible for the honor roll of distinction students must compile a grade average of 90 or above in all subjects.

Largest group was from the Junior Class, which placed nine students on the roll.

Seven students were listed each from the Senior Class and the Sophomore Class.

Compiling the highest average of the entire student body was Melvyn Berman, junior whose grades averaged 97 for the first six weeks.

Two juniors, Bob Aycock and Rayvel Moseley, and sophomore, Ann Lewallen, compiled 96 averages.

Five other students in the three grades had averages of 95.

The complete roll of distinction, as announced by Principal J. F. Jones, follows:

Seniors—Bertie Lou Dorn, 93; Daniella Porter, 95; Joyce Rogers, 93; Nelda Thurman, 94; Nell Webb, 93; Laverne Williams, 95; and Janet Yost, 93.

Juniors—Bob Aycock, 96; Cynthia Aycock, 94.5; Melvyn Berman, 97; Larry Boren, 93; Iva Helen Gross, 94; Jane Merritt, 95; Rayvel Moseley, 96; Kaye Treadaway, 95; and Joe Windham, 94.

Sophomores — Dorothy Blair, 94; Judy Dixon, 95; Michael Dorn 93; Ann Lewallen, 96; Kaye McKinnon, 94; Carolyn Shimer, 93; and Kenny Simmons, 93.

Our present calendar was brought into use by Pope Gregory XIII in 1582.

What puts the Mark of Tomorrow in the new kind of FORD?

Here's what puts the Mark of Tomorrow in the new kind of Ford!

"Six or V-8, the going is great!"

It's the sculptured look. You'll see it the moment you let your eyes wander over this fine car. In a '57 Ford you belong . . . anywhere.

It's the long, lean lines. There's a greyhound grace to the new Ford. No useless "fat," no showy "padding." Ford is as trim as a jet fighter.

It's the hardtop styling. Fairlane sedans have the hardtop look of Victorias! Superthin center pillars are smartly concealed to give hardtop beauty when doors are closed.

It's the freedom of choice. Colors? Fabrics? Accessories? Far more! Ford gives you a choice of two new, bigger sizes . . . longer, lower, roomier!

It's the ride that stays gentle. With a new frame that rides sweeter and lower, new springs, new suspension all around, even the rudest roads can't ruffle the poise of the new Ford.

It's the Thunderbird power. Ford celebrates its Silver Anniversary of V-8 leadership with the biggest selection of V-8's in Ford history.* In addition to all this Thunderbird GO, there's a new and more powerful Mileage Maker Six.

Just looking at this Fairlane Club Sedan is a special kind of *fun!*

It's the record-breaking performance. On the Salt Flats at Bonneville, Utah, a '57 Ford traveled 50,000 miles in less than 20 days . . . an average speed of 108.16 mph, *including all pit stops!* Another Ford averaged over 107 mph. Altogether, 458 national and international performance records were smashed as Ford rewrote the record book.

It's the big dollar value that lasts and lasts. Styled for tomorrow, a new Ford keeps its value longer. And wonder of wonders, all this extra strength, extra beauty, extra length is yours at low Ford prices!

*Included is a special 270-hp Thunderbird 312 Super V-8 engine available at extra cost. Also, an extra-high-performance Thunderbird 312 Super V-8 delivering up to 285 hp.

Wise man say: "Don't wait for TOMORROW when you can get it today!"

AT SPECIAL MEET

## Mrs. White Named President of United Council of Church Women

Mrs. J. D. White is president of the recently organized United Council of Church Women of Colorado City.

Mrs. White was elected Wednesday afternoon during a special observance of World Community Day in First Christian Church.

Mrs. Kenneth W. Cowan was named as first vice president. Mrs. Don Albright was elected second vice president. Other officers include Mrs. Bob Reily, secetary, and Mrs. D. H. Davis, treasurer.

The afternoon meeting was opened with a song, directed by Mrs. White and accompanied by Mrs. V. R. Trulock. Mrs. C. E. Cogswell spoke the opening prayer.

Mrs. J. T. Pritchett was chairman of the nominating committee. Others on the committee were Mrs. Willis Jones and Mrs. P. H. Pace.

Following the election of new officers, Mrs. White outlined a schedule for forthcoming meetings. Programs scheduled include a board meeting Wednesday morning at 9:30 o'clock in Mrs. White's home at Morgan Creek Village, a council meeting Jan. 28 in the All Saints' Episcopal Church, a World Day of Prayer Program March 8 at First Methodist Church and a meeting April 29 at St. Luke Methodist Church.

Mrs. John Dorsett was in charge of the afternoon program. She spoke briefly on World Community Day, relating scriptures from the fifth chapter of Galatians.

Guest speaker for the special observance was Mrs. G. M. Boswell of San Angelo.

Mrs. Boswell, who has recently returned from two months visit in the Middle East, discussed her travels in Europe, the Holy Land and Switzerland.

Following her talk, she displayed souvenirs of her tour.

Rev. Jack Ellzey said the benediction.

Mrs. Boswell was accompanied to Colorado City by Mrs. B. W. Winn of San Angelo.

After the program spiced tea and cookies were served in the church dining hall. Mrs. Albright presided at the refreshment table which was laid with a lace cloth and marked with a basked of flowers. Gold sprayed leaves were scattered on the table.

Approximately 45 persons attended the affair.

IN DOUBLE RING RITES

# Miss Geraldene Conaway Becomes Bride of Robert K. Johnson

Miss Geraldene Conaway became the bride of Robert Keith Johnson Saturday evening in the First Baptist Church.

Miss Conaway is the daughter of Mr. and Mrs. Thomas Edgar Conaway of 721 Hickory Street. Johnson is the son of Mr. and Mrs. R. C. Johnson of Mart.

Rev. Jack F. Selcraig, church pastor, read the double ring vows at 7:30 o'clock.

White tapers in candelabra lighted the altar, which was centered with a large basket of white chrysanthemums. Additional baskets of chrysanthemums and emerald palm trees completed the altar decor.

Baptistry was marked by burning tapers. Church pews were accented by green foliage tied with white satin bows.

The bride, given in marriage by her father, wore a gown of Chantilly lace and tulle over white slipper satin. The moulded lace bodice was fashioned with a tulle yoke and a Mandarin collar. The fitted sleeves tapered to points over her hands. The skirt, styled with a scalloped lace overskirt and two pleated tulle ruffles, featured tiers of lace flowing into a back-sweep.

Her finger-tip veil of illusion was attached to a seed pearl tiera. She carried a cascading bouquet of white feathered carnations and lilies-of-the-valley centered with a white orchid.

For the traditional "something old", the bride carried a white silk handkerchief belonging to her grandmother, the late Mrs. Mintie Walker. Her wedding attire served as something new. Her veil was borrowed from Mrs. John Biggs of Lake Jackson. She wore a blue garter and had a penny in her shoe for good luck.

Mrs. Curtis Baker was organist. She presented prelude music and accompanied Miss Sandra Bobo as she sang "Because" and "Walk Hand in Hand".

"Clair de lune" by Debussey was played softly during the ceremony by Mrs. Baker.

Miss La Juan Johnson of Mart, sister of the bridegroom, was maid of honor.

She wore a waltz-length dress of turquoise velveteen fashioned with a portrait neckline and full skirt. Completing her attire were matching satin shoes, elbow-length white gloves and a headpiece of matching net and velvet.

She carried a cascading bouquet of baby chrysanthemums.

Bridesmatron was Mrs. Jack Daniels of Rice. Bridesmaids were Miss Jean Northen of Shreveport, La., and Miss La Vonne Rice of Midland. They were dressed identical to the maid of honor.

Candles were lighted by John Beattie of Beaumont and Phillip Conaway of Abilene.

Ronald Johnson of Mart, brother of the groom, was best man. John Beattie, Jerry Johnson of Mart and John Conaway were groomsmen.

Serving as ushers were John Beattie, Jerry Johnson, Phillip Conaway and John Conaway.

The Bridal couple was honored at a reception in the church banquet hall immediately following the ceremony.

Registry was marked with a bride's miniature cascading bouquet tied with turquoise streamers.

Bridal table was accented by white tapers in crystal candelabra, the wedding cake and punch service.

Members of the houseparty included Miss Mary Ann Johnson, of Austin, Miss Barbara Kelley, Miss Orene Mohr of Abilene, Mrs. Ronald Johnson of Mart, Miss Darlene Bobo, and Miss Mary Sue Dillard.

For travel the bride changed to a champagne colored suit accented by a turquoise scarf at her neck. Her costume was completed by white gloves, white hat, black purse and shoes.

Her orchid corsage was taken from her bridal bouquet.

Following their wedding trip they will reside in Houston where the groom is employed by Shell Oil Company as an exploitation engineer.

The bride attended Baylor University in Waco for two years and was formerly employed by Shell Pipe Line Company in Midland and the Miami Operating Company in Abilene.

Johnson received his bachelor of art and bachelor of science degrees from Rice Institute in Houston.

. . .nce Geraldene Conaway.

## Rehearsal Dinner Fetes Bridal Couple

Miss Geraldene Conaway and Robert K. Johnson of Wichita Falls, who were married Saturday evening in First Baptist Church, were honored Friday evening at a rehearsal dinner in Civic House.

The dinner was hosted by the bridegroom parents, Mr. and Mrs. R. C. Johnson of Mart.

The bridal couple presented gifts to those in the wedding party.

Those attending were the honored couple, Mrs. R. C. Johnson, Mr. and Mrs. Thomas Edgar Conaway, the bride's parents; Rev. and Mrs. J. F. Selcraig, Mr. and Mrs. Ronald Johnson of Mart.

Mrs. Curtis Baker, Miss Sandra Bobo, Miss Jean Northen of Shreveport, La., Miss LaVonne Rice of Midland.

Miss Mary Ann Johnson of Austin, Miss La Juan Johnson of Mart, John Conaway and Phillip Conaway of Abilene.

SECOND DISTRICT 3-AAA LOSS

# Sweetwater's Fast Touchdowns Hand Wolf Pack 34-7 Defeat

A cocky herd of Sweetwater Mustangs capitalized on Colorado High mistakes to take a 34-7 victory Friday night in Wolf Stadium.

The defeat marked Colorado High's eighth consecutive set back this season and the second loss in District 3-AAA.

The loss followed the same pattern as previous defeats for the Wolves.

The line held the Sweetwater runners with fine defensive play—but when the backs got past the line of scrimmage, it was Katy bar the door.

A weak secondary defense allowed Sweetwater to score on runs of 12, 20, 35 and a 25-yard pass play. A blocked punt accounted for the other TD.

Sweetwater actually had only two touchdown drives, one for 52 yards and the other for 81 yards.

The other scores were set up by Wolves' mistakes.

* * *

The worst, and probably the back-breaker, was TD No. 3 for Sweetwater.

Following Sweetwater's drive for 52 yards and a touchdown, the Ponies kicked off to the Wolves with the ball slanting toward the sidelines.

A Wolf player touched the ball as it neared the sidelines and allowed a Sweetwater lineman to come in and pounced on the pigskin at the Wolves' 21-yard line.

Taylor Daniel pounded the line for one yard and then Pony quarterback Gardis Gaither rolled out to the left, lateraled to halfback Eddie Scott with Scott slicing into the end zone near the red flag.

That put 14 points on the Sweetwater scoreboard in a space of less than one minute.

But the Wolves, showing amazing spirit for a team 21 points behind in the score, rallied after the third touchdown with 1½ minutes left in the half.

Troy Maples took the kickoff back to the 35, quarterback Richard Compton who played an outstanding game, ripped off five yards on a keeper to the 40.

Compton connected to end Jimmy Richardson for five yards and a first down on the 45.

Compton hit Roy Maples with a five-yarder to the midfield stripe and Bancker Cade hit the line for one yard.

The Ponies were found roughing and the ball moved to the 34 with all time gone on the clock.

The Wolves were given one more play and they almost hit the jackpot with Compton flinging to Richardson on the 10 where the junior wingman snagged it and rambled goalward only to be knocked out of bounds on the two-yard line as the half ended.

* * *

Wolves came back from halftime with fire in their eyes.

Wolves kicked off, Sweetwater fumbled on the second play and Richardson recovered on the Pony 33.

Don Black, the 136-pounder who improves with every game started around right end on the first play, found the way blocked, came to a complete stop, reversed his field and gained 11 yards to the 22.

Wolves were penalized five yards but Roy Maples made it up with a fun to the 21.

Sweetwater was penalized for clipping to the 13, but the yardage was still shy of a first down and the Ponies took over.

But the determined Wolves kept the ball in Sweetwater's end of the field with Black intercepting a pass on the first play of the series on the Pony 34.

Black hammered at the line twice and then Compton hit Marion Flippin with a first down pass on the 22.

Two running plays gained nothing and Compton fired to wingback Don Powell on the Pony 14.

Compton sneaked to the 13 on fourth down but the ball was about one foot shy of a first down.

Sweetwater was'nt able to gain against the agressive Wolf line and Jimmy Feagan punted to Black on the midfield stripe.

The Wolves again carried the ball into Ponyland with Richardson snagging a pass on the 40 for a first.

Compton and Black worked the ball to the 28 but Donny McNeal picked off a Compton aerial on the 22 to stop the drive again.

* * *

The third quarter ended two plays later without the Ponies able to get out of their end of the field the entire 12 minutes.

On Sweetwater's first play of the fourth quarter, Black pounced on a Pony fumble on the Sweetwater 40.

Cade gained five yards and Compton fired a pass to Richardson on the Pony 28 for a first down.

Compton, who completed 12 of 26 for the night, hit Richardson again on the 15-yard line with the lanky end dragging two Sweetwater boys to the 5-yard line for a first down.

Black hammered to the 3, Compton sneaked to the 1 and Maples romped over right tackle into the end zone standing up for the Wolves' lone score.

Joe Maddox converted and the score read 21-7 with only nine minutes left in the game.

Three minutes later, the Wolves owned the ball again on their 23.

Compton fired to Maples for a seven-yard gain but John Bryant pulled in a Compton pass the next play on the Wolves' 35.

Gaither on the first play circled left end for 35 yards and TD.

Feagan converted his fourth successive point-after for a 28-7 advantage.

* * *

Wolves took the kickoff on the 30 and aided by two Pony penalties for 20 yards, marched to the Pony 27.

Flippin grabbed a pass on the 19 but a fourth down pass failed and Sweetwater took over.

In eight plays, the Ponies marched 81 yards for the final score.

Quarterback Gaither was the big hoss in the drive, ripping off runs of 24 and 17 before halfback Glenn Reed tossed a 25-yard aerial to end Johnny Wilkinson all alone in the end zone, with one minute left in the game.

Only action in the final minute was a rubarb between Black and Pony Donny McNeal as they squared off for a fist fight before being separated by the players.

* * *

Wolves got in a hole from the first minute of play in the game.

Jim Windham fumbled an attempted kick on a low pass from center in the opening minutes and Sweetwater took over on the Wolves' 24.

Wolves held and took over, but were unable to gain and Windham tried his second punt.

But Pony tackle Sammy Glass burst through, blocked the punt and covered the ball in the end zone for a 7-0 lead with only 3½ minutes gone.

The teams waltzed back and forth in the first quarter with Sweetwater going to the Wolves' 15 before being stopped and the Wolves marching 46 yards to the Pony 24 before being halted.

Early in the second quarter, Gaither tossed to Feagan for 21 yards to the Wolves' 26 but the Wolves held and took over on 12.

Wolves kicked out and Sweetwater marched 52 yards for the second score.

A 15-yard penalty for Wolves' roughness set the ball on the 26.

Daniel tossed to the Scott on the Wolf 12 and then Scott circled left end for the 14-0 lead.

Sweetwater kicked off, covered the ball and struck quickly for the before-mentioned back-breaking touchdown one minute before the half.

* * *

Heads-up playing by Black, plus the passing and running of Compton and the catching of Richardson were the bright spots in the Wolves' offense.

Of course, big Jim Windham, Dru Vowell and Maddox were pillars of strength in the Wolf defense, not to mention Don Powell and Richardson out wide.

Black paced the Wolves in ground gaining with 49 yards in 22 carries. Roy Maples netted 29 yards on nine while Compton kept the defense honest with 32 yards on 10 keeper plays.

Daniel gained 71 yards for the Ponies on 11 tries while Gaither came up with the best average, 62 yards on six tries.

It was Richardson, the lanky junior end who hogged the pass-grabbing honors, snagging five of Compton's tosses for 79 yards.

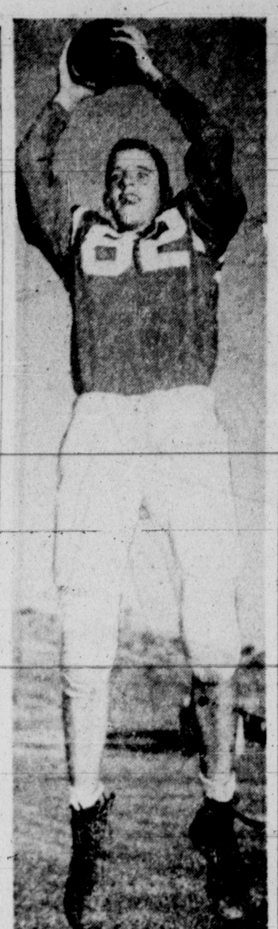

Roy Maples, Flippin and Black each caught two passes while Powell caught the other.

Sweetwater's rowdy-playing cost them 90 yards in penalties.

Jimmy Hardin, who was hurt last week in the Pony's loss to Snyder, was hurt again Friday night and rushed to Sweetwater in a Kiker and Son ambulance.

Doyle Kiker said Hardin regained consciousness as they entered Sweetwater but he was taken to the hospital for treatment.

It marked the third time this season that Hardin has been in the hospital with the head injury. Doctors had ordered him not to play, according to reports.

TOP CATCHER — Jimmy Richardson, Wolf end, grabbed five passes from Richard Compton Friday night for a total of 79 yards in the Wolves' 34-7 loss to Sweetwater.

# Junior Gridmen Lost Three to Sweetwater

Colorado Junior High football teams took it on the chin Thursday with the opponents scoring 183 points to their 6.

All three defeats were at the hands of Sweetwater teams.

Worst defeat was the ninth grade affair played at Sweetwater.

In that game the Sweetwater ninth graders walloped the local ninth grade Jackrabbits, 82-6.

In games at Wolf Stadium Thursday, Sweetwater seventh and eighth graders won by scores of 56-0 and 41, respectively.

According to Jackrabbit coach Bill Everett, the Sweetwater team was determined to make a 100 points with the first team playing practically the entire game.

And the Sweetwater team took its toll of Rabbit players, putting at least seven out of the game with injuries.

When the game ended, Coach Everett had three subs on the bench.

Hurt worst was probably 200-pound tackle Jerry Cain, who is hospitalized with a knee injury. He will be out the remainder of the season.

End Billy Bobo received a nose injury, back Dickie Richardson was kicked in the stomach, in addition to Shorty Thomason, Hunter Mann, Dewitt Hadin and Robert Boney.

Richardson scored the Rabbit's lone touchdown in the second period to make the score 27-6 before he left the game via the injury route.

Coach Everett's team goes to Hermleigh Thursday to play a game at 7:30 p. m.

The Rabbits close the season here Wednesday, Nov. 21, 2:30 p. m. against Lamesa ninth graders.

The seventh graders close their season Thursday when they journey to Lamesa with the eighth graders for games.

The eighth grade team plays its final game Tuesday, Nov. 20 at Silver, meeting the Silver Junior High grid squad.

# Father's Visit Ends in Fatal Heart Attack

Final rites for Thomas Henry Purvis of Cisco were conducted Wednesday afternoon in the First Baptist Church in Cisco.

Purvis, father of Mrs. G. B. Bowers of 1014 East 10th Street, died in the local hospital Monday after suffering a heart attack at his daughter's home.

Rev. Charles Wood, pastor of the Cisco Baptist Church, officiated in Funeral services. Burial was in the Oakwood Cemetery in Cisco under the direction of Kiker and Son Funeral Home.

Pallbearers were members of the Woodman of the World Lodge.

Purvis, 70, was born June 23, 1886, in Callahan County. He married Ollie Edwina Griffin Dec. 25, 1911, in Putman. They had lived in Cisco since 1920.

He was a member of the Methodist church and Woodman of World Lodge.

Survivors in addition to his wife of Cisco and Mrs. Bowers include two sisters, Mrs. Lida Robbins and Mrs. Cora Howland of Cross Plains; four brothers—A. D. Purvis of Fort Worth, John Purvis of Oklahoma, Fred Purvis and Perry Purvis of Cross Plains; and two grandchildren.

# Negro Grid Teams Play Here Nov. 22

Two outstanding Negro high school football teams meet here Thanksgiving Day, Nov. 22, 2 p. m. in a game sponsored by the Colorado City Quarterback Club.

Club President Joe Salter announced Saturday that Carver High of Lamesa and Washington High of Vernon have been signed to play here in a turkey day tilt.

Advance ticket sales will begin Tuesday with tickets on sale at Hickory St. Drug and Landau's Mens Store.

There will be no reserve seats. Admission prices are $1.00 for adults and 50c for students.

Quarterback Club members will have charge of ticket sales, concessions and other arrangements for the game.

Members of the local coaching staff will officiate in the game.

The two West Texas teams are considered among the most colorful of the state's Negro High School teams.

Proceeds from the sale of tickets will go toward a banquet for the Colorado High football team.

Salter expressed hope that every fan in the area would attend the game.
