

Earnest Kiker Named Recipient Of National Ag Agents Award

Earnest C. Kiker of Midland, a 16 year veteran with the Texas Agricultural Extension Service and current Midland County Ex-

Earnest Kiker

Kim's Korner By Kim Pease

HOW ABOUT THAT: Just turned off the television from listening to Mike Dukakis accept the Democratic nomination for President of the United States. In his speech he alluded to the farmers by saying something to the effect that "we need to give the farmers the price they need". George Bush was quoted in the Dallas Morning News recently as having the following to say concerning his policy on agriculture. "Mr Bush said current farm policies are producing a decline in subsidies and should be continued, along with pressure for a further opening of world markets and a reduction in world subsidies."

The Associated Press quoted Mike Dukakis on December 24th 1987. "...he suggested Iowa farmers shift from growing soybeans and corn to apples, blueberries, flowers or Belgian endive, a diversification approach that has worked in Massachusetts." - Right, Mike. How about growing cotton in Boston?

At least Gov. Dukakis says: "...I'm not an expert on farming." - Boston Globe, 5-31-87.

I don't know. Is there another candidate beside Dukakis and Bush, without a Russian name, who isn't a kook who will have something intelligent to say about American agriculture?

-KK-

COME ON GOVERNOR: Read what Governor Bill Clements was recently quoted in one of the Dallas papers as having said concerning the Texas Open Meeting Act. "The governor says that all this business of expecting governing bodies to understand the Texas Open Meeting Act is absolute nonsense. The governor says that the act is difficult to follow and really amounts to no more than a pet peeve of the press. As sure as his name is Bill Clements, the governor is wrong. The law is there to help keep government open and above board. Better he would urge compliance than treat it so cavalierly for, to the people, accountability in government deserves more than a shrug."

-KK-

EDUCATION: I must admit that I don't know where Gov. Michael Dukakis stands on education but I did read something recently about George Bush and education that was interesting. I'll know where all the candidates stand on education by November.

George Bush is proposing to spend \$600 million to help local school districts. He has said he will allocate \$500 million to reward outstanding schools and \$100 million for magnet and innovative schools around the country.

Grants averaging \$100,000 would go to "national merit schools" to spend as they please, while \$50 million would be used to expand experimental programs proposed by the Department of Education. Another \$1 million would be assigned to each state to finance new programs, such as merit pay for teachers or year-round schools."

Great George - where are you going to get the 600 million and is any of the money going to find its way to Fisher County Texas?

-KK-

FINALLY: Ol' Whistle Britches from his Shinnery Ridge Ranch at Rough Creek called to give us these few interesting comments.

Schools: The trouble with school dropouts is not that they see the handwriting on the wall, but they can't read it.

Snoring: It's a rare husband who tells everybody that his wife snores but not so with the wife.

Laughter: If you can laugh at it you can live with it.

Defeat: Many things are worse than defeat, and compromise with evil is one of them.

Church Attendance: The great task of the church is not only to get sinners into heaven, but to get saints out of bed.

Jobs: Going to college won't guarantee you a job, but it'll give you four years to worry about getting one.

tension Agent, has been named to receive the Distinguished Service Award, the highest recognition given by the National Association of County Agricultural Agents.

The Award is presented annually to county agents nationwide who have made outstanding contributions to agriculture and related program areas, according to Syd Conner, Garza County Extension Agent and President of the Texas County Agricultural Agents Association.

Kiker is one of eight county agents with the Texas Agricultural Extension Service, Texas A&M University System, to receive the award, which will be presented at the NACAA meeting August 14-18 in Charlotte, North Carolina. He will also be given special recognition during the Texas County Agricultural Agents Association annual meeting August 7-10 in Fredericksburg.

Kiker has conducted effective education programs in cotton, livestock and vegetable production, the result being an increase in management practices and marketing decisions that greatly enhanced the economic stability of producers in Midland County.

For the past four years, Earnest has been an effective leader in organizing and promoting the Permian Basin Farmers Market. This effectiveness is evident not only in Midland County, but throughout the Permian Basin.

A member of TCAAA, Kiker has served as Alternate Director for District 6 and a member of the Extension Programs Committee.

Kiker received the Texas Agricultural Agent Association Achievement Award in 1981. He is a graduate of Texas Tech University with both the Bachelor and Master of Science degrees.

County Clerk Will Open Office For Absentee Voting On Saturday

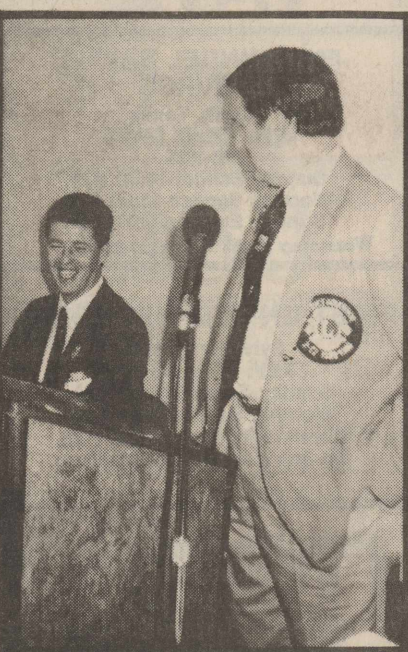

Fisher County Clerk Bettie Rivers indicated last Monday morning that the Fisher County Clerk's office will remain open from 9:00 a.m., until 3:00 p.m., for the purpose of allowing county residents to vote by absentee ballot in the upcoming special election.

The Fisher County Clerk's office will be open from 9:00 a.m., until 3:00 p.m., on Saturday, August 6th. Anyone in Fisher County desiring to vote absentee can do so by personal appearance.

The special election involving Steve Carriker of Fisher County, a candidate for the Texas Senate to fill the seat vacated by Ray Farabee, will be conducted on August 13th. Carriker has a Republican opponent, Bobby Albert.

LIONS CLUB CABINET MEETING: Two members of the Roby Lions Club met with the District Governor recently in Rotan for the Lions Club District 2-T2 Cabinet Meeting. (l to r) Alvin Petty and Dr. David Morris.

If the Harris Football Poll, pre-season picks are accurate, the football fans at Rotan and Roby will be seeing stronger teams in 1988 from both schools.

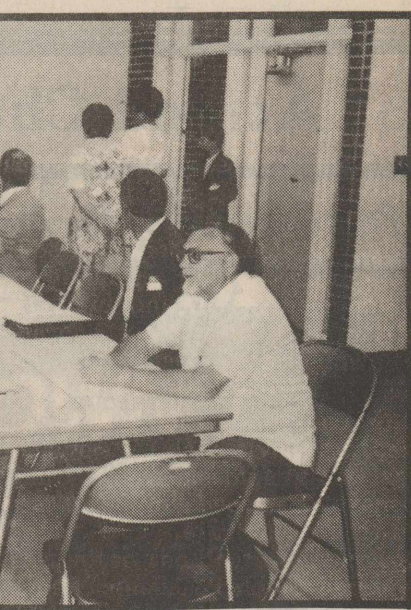

The Harris Poll picks Baird as the solid finisher in the number one position and says the battle for second place narrows down to Rotan and Throckmorton.

BAIRD (8-3) 13 lettermen, 8 offensive, 7 defensive starters. Baird was a sleeping giant last year but didn't become awakened until its eighth outing. Thereafter, the Bears were a very strong outfit. Unquestionably, Coach Quinn Conley's bunch is the team to beat in '88. Little stronger.

ROTAN (5-5) 15 lettermen, 5 offensive, 7 defensive starters. Rotan will not submit a case to a referee since 5 offensive and 7 defensive stalwarts are back from a playoff team that went 5-5. Coach Weldon Nelms says, "If all stays well and healthy, our team could have a good year." The Yellowjackets re-entering the playoffs last season is a definite plus as far as helping the program goes. Stronger.

THROCKMORTON (9-2-1) 9 lettermen, 4 offensive, 4 defensive starters. Since 1984 the system at Throckmorton has taken a turn for the better. The club has been in the big time three consecutive years. Coach Johnnie Dormier has done a good job here and will continue to do so. He says, "If our offensive line comes around, we could be strong". Weaker.

ROSCOE (3-6) 11 lettermen, 5 offensive, 6 defensive starters. Roscoe has had a couple of lean

years in '86 and '87. It was 4-6 in '86 and '87. Now it is up to Frank Young, the new mentor to get the Plowboys back on the winning side of the ledger. But it isn't likely to transpire in '88. Same.

ROBY (3-6) 11 lettermen, 5 offensive, 5 defensive starters. All Roby needs is a few a-stute and

good athletes such as Jay Linn Helm who carries the ball, backs the line and performs the kicking chores. When he is not doing these things he is up in the stands delivering hot dogs! There are some good kids here who are working hard to attain some betterment. Stronger.

ASPERMONT (3-6-1) 12 lettermen, 5 offensive, 5 defensive starters. Aspermont went 3-6-1 in '87 and is looking for a better season for sure. But Coach Ronnie Clifton isn't all that elated that it will be better. The Hornets

Little League Leader Calls Final Work Night Of The Season

Rotan Little League President Mike Hull has called the final worknight of the season for Thursday night, August 4th.

The purpose of the called worknight is to take down the advertising signs and whatever other work needs to be accomplished, said Hull.

The work session will begin at 8:00 p.m.

Rotan Graduating Class Of 1978 Will Meet To Plan Reunion

The Rotan High School graduating class of 1978 is having a meeting Thursday, August 4th, at 7:00 p.m. at the Homestate Savings Building. All class members are encouraged to attend to discuss plans for a class reunion.

Rotan Fitness Trail Exercise Stations Ready In Few Weeks

Within the next 10 days to two weeks the fitness trail that surrounds the Rotan Golf Course should be completed and in full operation, according to Pete Hohon, Fisher County Hospital Administrator.

The fitness trail - jogging trail has been a joint project of the Rotan Chamber of Commerce and the Fisher County Hospital.

The Rotan Chamber has coordinated the actual construction of the trail while the Fisher County Hospital has provided funds for the purchase at a cost of approximately \$2,500.00. The Rotan Chamber of Commerce made a donation of \$1,000.00 toward the exercise stations and the Fisher County Hospital District picked up the remaining cost of \$1,500.00, said Hohon.

"We are in hopes of having all 10 exercise stations installed within the next 10 days to two weeks. The signs explaining each of the ten stations are already up," said Hohon.

The system was purchased from the Southwood Corporation in Charlotte, North Carolina and was guaranteed for ten years.

Jason Moffett In Hardin-Simmons Threshold Program

Jason L. Moffett took part in the Threshold Program at Hardin-Simmons University which took place July 18-29. This special program is designed for gifted students to develop their potentials. Jerry and Donna Moffett of Rotan are the parents.

State Capital Highlights

TEXAS PRESS ASSOCIATION

AUSTIN—Top legislative leaders will soon vote on a Texas first: a state agency needs over \$31 million from next year's budget to meet the payroll for August.

Officials with the Texas Department of Mental Health and Retardation explained that the agency overspent its budget complying with court-ordered reforms from two class-action lawsuits.

The agency has hired 1800 new state school workers since complying with the court agreement last fall.

State leaders have been monitoring the situation since then and were not surprised.

Gov. Bill Clements proposed the transfer using new budget power authorized by the Legislature last session. Monies may also be transferred from agency to agency.

The shortfall makes Clements the first governor to make such a proposal. He and the state's budget council have monitored the potential budget problem since last fall.

First Black Ranger

In another history-making event, a DPS officer was named to the Texas Rangers, becoming the first black ranger in the elite unit's 165-year tenure.

DPS officials said the appointment is not related to an ongoing battle with the NAACP, which for months has leveled allegations of racism against the law enforcement agency.

The appointment has not halted the conflict. While praising the appointment, NAACP officials ripped the promotion of a white officer they allege made a racial comment two years ago.

Slur Brushed Off

She may have called him crazy, but he didn't react like the mad dog he's been made out to be, and it probably won him a few points.

When a journalist claimed he overheard Texas Treasurer Ann Richards call Attorney General Jim Mattox "certifiable" crazy and "unscrupulous," many expected him to retaliate.

Instead, Mattox brushed off the slur and chose not to pursue it publicly.

He did, however, predict he will beat Richards in the 1990 primary, if she runs for governor as expected.

Premier Black Lobbyist

Capitol eyes this summer are on Cal Varner, a former legislative aide who has become the premier black lobbyist in state politics.

Varner has built up an impressive client list which has included such big accounts as AT&T and Pennzoil.

He's also active in political races at all levels, and his win record is accumulating.

Daughter Born To Myra & Kenneth King

Myra and Kenneth King of Roscoe would like to announce the birth of their daughter, Kasey Laniel King. Kasey weighed 7 lbs. 9 oz. She was born July 30, 1988.

Grandparents are Mr. and Mrs. Roy Adams of Rotan, Mr. and Mrs. Pete King of Sweetwater and a great grandfather Mrs. Earl Baker of Sweetwater.

Organizational Meeting Set For Rotan Athletic Booster Club

There will be another organizational meeting of the Yellowhammer Athletic Booster Club on Tuesday evening August 9th, at 7:30 PM in the school cafeteria. Due to a low turnout at the meeting of August 1st, it was impossible to elect officers for the upcoming year, so this meeting is going to be critical to getting the boosters rolling for the 1988-89 year.

Again, the club is for everyone interested in the sports program at Rotan High, not just parents of the athletes. Everyone is urged to attend this very important meeting, so that we can elect officers and start making plans for the upcoming year, which starts with a scrimmage against Jim Ned on August 18th.

Legal Notice

Notice is hereby given that the Board of Education for the Rotan I.S.D. will meet August 19, 1988 at 7:30 P.M. in the High School Library. The purpose of this meeting is to adopt a 1988-89 budget and to adopt a tax rate for 1988-89.

Do you ever pause to listen to the voice of God? We hear it every day, wherever we may be.

In the whispering of tall trees . . . the music of rushing brooks . . . the songs of birds . . . the gay laughter of happy children . . . we hear the voice of the Creator. Through his infinite grace a bird is enabled to serenade his mate, a tiny cricket chirps its faint refrain. God is

the bringer of all blessings to man and beast alike.

Let us give thanks to Him who has so enriched our lives. Open church doors beckon all over our land. Let us seek the House of the Lord, and enter in to pay Him homage. Here through prayer and with humility, let us re-dedicate ourselves to His service and glorification.

Representative Steven Carriker Chosen "Man Of The Year" By Agricultural Agents Association Of Texas

Representative Steven Carriker of Roby in Fisher County, a farmer and current state representative, has been named a "Man Of The Year In Texas Agriculture For 1988" by the Texas County Agricultural Agents Association.

One of seven Texans selected for the honor, Carriker was nominated by county agents in the Rolling Plains District of the Texas Agricultural Extension Service, Texas A&M University System.

The award is presented annually to outstanding leaders in agriculture and related industries who have supported educational programs conducted by the Extension Service, said Syd Conner, Garza County Extension Agent and President of the Texas County Agricultural Agents Association. The award recognizes contributions made by these leaders to improving levels of living and economic growth in their communities, counties, state and nation.

Representative Carriker will receive his award at a special banquet during the TCAAA annual meeting August 7-10 in Fredericksburg, Texas.

In addition to his legislative duties, Representative Carriker is actively involved in farming cotton, wheat, milo and beef cattle on 2,000 acres in Fisher County. He joined the family partnership in this endeavor in 1973. His service to Texas as a legislator began

in 1982 when he was elected to the Texas House of Representatives. Some of his positions include election to the Democratic National Committee; Texas Department of Agriculture Farm Credit Task Force (Chairman); Agricultural Water Subcommittee (Chairman) and subcommittees for budget and oversight for county affairs and elections. In 1985, he was elected House Majority Whip where his efforts and influence were responsible for passage of "Buy Texas First" legislation; Family Farm and Ranch Security Act; relief from taxing board errors and many others. Currently, Representative Carriker serves on the Agriculture and Livestock Committee and the County Affairs Committee.

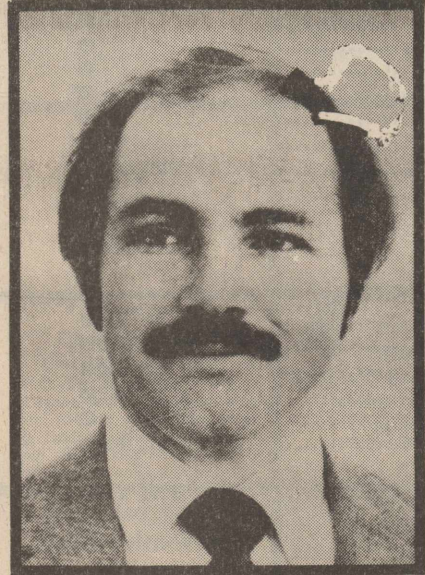

He is a former member of the Board of Rolling Plains Co-op Compress of Sweetwater, Plains Cotton Cooperative of Lubbock and former member of Fisher County Farmers Home Administration Board.

His organizational affiliations include: Member of Texas Farmer's Union, Grain Sorghum Producers Association, Texas Sheriff's Association and National Rifle Association. In 1983, Representative Carriker was recognized as an Outstanding Young Man of America. He received the Outstanding Service to Agriculture Award in 1983 and 1985.

He and his wife, Kathy, are proud parents of three children; Jake, Karen and Stephanie. They live on the family farm near Roby, part of which was settled by his great-grandfather near the turn of the century.

EDUCATION AND TAXES

As back-to-school time approaches, let's review the new tax rules affecting education expenses.

Degree candidates can still exclude from their income any scholarships and grants they receive, but only to the extent the funds are used for tuition and course-related fees, books, supplies and equipment. Any portion of a scholarship or grant used for room and board must be included in taxable income. Non-degree candidates cannot exclude any portion of scholarships or grants from income.

Congress is considering an extension of the exclusion rules for employer's educational assistance plans. If the rules apply this year, individuals receiving plan money for tuition and course-related expenses can exclude these amounts from income (even if they are not candidates for degrees). Employer plans must be nondiscriminatory for these exclusion rules to apply.

An employee may deduct expenses paid for courses taken (1) to maintain or improve the skills required in his or her job or, (2) to meet the requirements of his or her employer as a condition for continued employment. If the expenses qualify the employee for a new trade or business, or if the courses are necessary to meet the minimum requirements of the individual's current job, the educational expenses are not deductible. Tuition, course-related expenses, and travel expenses connected with the educational activities are deductible only if the taxpayer itemizes deductions on his return -- and then only to the extent that they, along with the taxpayer's other miscellaneous itemized deductions, exceed 2% of his adjusted gross income.

Travel as a form of education is no longer deductible, nor is the cost of investment or financial planning seminars taken by investors.

match up about like it did in '87. But you never can tell about this team. It has had upset fever before! Same.

District strength - Very strong. Same in '88.

District outlook - Baird will be untouchable. The battle for second place narrows down to Rotan and Throckmorton. Rotan is the choice here.

Outstanding Players - FB-LB Kenny Warren 195, tackle Lance Ragan 235, TE-LB Gray Fowler 190, DE Brian Sheehan 185 (Rotan); RB-LB-punter Jay Linn Helm 185, guard Jerry Carreon 175, TE David Shipp 185 (Roby); TB Dow Latham 175, FB Cody Carl 170, back Reece Walker 170 (Throckmorton); DE-tackle Britt Etheredge 185, DE Edward Santiago 180, RB Bill Brown 160 (Roscoe); back Joey Parker 155, LB Russell Douglass 170, FB-tackle Tyrone Johnson 215 (Aspermont); QB Kelly Corn 160, tackle Scooter Morrison 235, tackle Taggart Williams 235 (Baird).

A little about Dr. Alice Pangle.....

Dr. Pangle is 41 years old and had a rewarding career before entering medicine at the age of 36. She graduated from college in 1972 with a degree in Business Administration from the Baptist College of Charleston, S.C. and completed Pre-medical requirements in 1982 at Texas Woman's University in Denton, Tx. Dr. Pangle worked at the Denton State School for the Mentally Retarded until entering medical school at the Texas College of Osteopathic Medicine in 1983-1987 which is managed by the University of North Texas (formerly known as North Texas State University). Upon completion of a general rotating internship in medicine, surgery, family practice, obstetrics, dermatology, gynecology, pediatrics, otolaryngology (ear, nose, and throat), bariatrics (weight control), geriatrics, Dr. Pangle has arrived here in Fisher County to serve you.

Dr. Pangle enjoys all peoples and also enjoys delivering babies. She feels it is extremely rewarding and feels so exhilarated when the proud mother and father first see their small one. But because of the trend with attorneys, and people who feel that no matter what they do, they should have a beautiful perfect healthy baby, Dr. Pangle has set firm criteria for the practice and payment of her services where obstetrics are concerned. If this is a concern for you, please call her office at 735-3642 for more information. If you find her criteria unsatisfactory, there are other local physicians performing the same services. Their names will be given on request.

Dr. Pangle is required by the legal standards not only in the State of Texas but in the Entire United States to practice what is called THE STANDARD OF CARE. Even though Dr. Pangle is a General and Family Physician, she must be judged by the same criteria as a Board Certified Obstetrician. Please consider this when judging Dr. Pangle and be assured that you will be treated with THE STANDARD OF CARE no matter what your medical problem might be.

Hustling Around Hobbs

By Joy Walker

Well the rain has really been spotted this time, and some folks got quite a good amount while others just got a light shower. Tuesday here at the house we only got a thunderstorm with just a trace of rain, but west of Hobbs we measured an inch of moisture. Then Saturday and Sunday we just got a light shower, while in some places, the fields have water in them. The cotton is really growing with all this hot sun we have been having, and so are the weeds. My yard was very ragged looking until I mowed it Saturday night and finished it off this morning (Monday) and it was so nice and cool, I even got all the edging done as well.

Mr. and Mrs. Billy Carter from Brownwood came Friday and visited with Mrs. Edd Carter in Roby, and then they came out to Alice and J.C. Caves Saturday evening and spent the night, and went home Sunday.

Mr. and Mrs. Jim Brooks and family from Marble Falls spent Saturday and Sunday visiting with the James Ratliffs. They all visited with Jim Ratliff who is in Humana Hospital in Abilene; he went in Wednesday and got out

Friday, but got sick again and had to go back in Saturday morning. We hope that Jim will soon begin to feel very much better.

Mrs. Opal Phillips is still visiting in Post with Mr. and Mrs. Glenn Phillips. She has been to see the Doctor in Lubbock and seems to be feeling some better. We hope that she will continue to improve.

We heard from Buddy Burnett who is still in Midland, and he seems to be doing pretty good. We hope that he will soon be able to come back home and that his eye will improve. Mrs. Larry McBeth and her daughter, Sarah, from Abilene came Friday and stayed until Sunday with Bea Hardin. Mrs. Joe Hardin and her son, Christopher Baber, and a friend, all from Merkel visited Sunday all day with Bea. Mr. and Mrs. Kenneth Hardin and Wade Hardin, son of Mr. and Mrs. Wesley Hardin of Roby, also visited all day Sunday, so Bea had a houseful and she really enjoyed all her company. Bea and Mrs. Lisa Nowlin attended "Cinderella" Thursday night at Rotan, and Bea said she really enjoyed the play.

I went to Sheila Grubens Tuesday night to a Home Interior Par-

ty; what a lot of lovely things they have for you to buy. Then Thursday night Carye Gruben and I went to see "Cinderella" the Theatre on the Brazos presentation at the Rotan auditorium. It was sure good, and we really enjoyed it. The costumes were beautiful and all the little kids were so good in their salute to Walt Disney and the costumes again were terrific. Friday Mr. and Mrs. Sig Lloyd and Mr. and Mrs. Harold Caraway from San Angelo, and Mrs. Iva Lee Hillis from Sweetwater all visited with us in the afternoon.

Jim is feeling very much better and is getting out to feed his horses in the mornings when it's not so hot. We talked to Melody Sunday and she had run at Mesquite Friday night and was placing 1st there, and she split 2nd and 3rd at Weatherford on Saturday night. Now she and a girl friend are on the way to Kansas where she will be running in several rodeos starting Tuesday and then are moving on to some rodeos in Colorado, so they will be gone for about 2 weeks. They like to drive better than I do, but they are young and the travelling doesn't seem to bother them.

Rotan Nursing Center News

The residents would like to thank Martins Feed Store for the plants he gave to our home. We have all of them planted in our flower beds and hanging baskets.

We would also like to thank Don Dawes for his inservice on Death and Dying he gave to the staff last Thursday. It was very interesting.

The Faith class of the First Baptist Church was here last Tuesday and gave our residents a birthday party for the month of July. We had two residents with birthdays in July. They were Fanny Parker and Helen Warner. The First Baptist Church was also here for our monthly devotional the 27th. We would like to

thank all the people that take time to visit with the residents and for the programs they do for the residents.

Visitors in the home last week were: Myrtle Austin of Lubbock and Fred Austin of Florida, Cheryl and Shannon Bishop of Stamford, Rose Scifers of Anson, Dorothy Scifers of Hamlin and Austin and Empress Bagwell of San Antonio, all visited Nancy Bagwell. Dion, Kim and Johnny Sepeda visited San Juana Sepeda. Mike Fancher of Forney, Texas visited Fanny Parker, Anna Rush and Leland Warren of Gorman visited Minnie Zimmerman. Sonny and Jo Massey of Abilene visited Geraldene Hartsfield and Mary Singley, Shirley Weathersbee, Celia Peace and Mary Ann Able of the First Baptist Church were here to give the residents their birthday party.

We would like to express our sympathy to Nina Soliz in the loss of her father Alfonso Soliz and to Fannie Nowlin and family in the loss of Dwight Nowlin. Lora Cleveland.

News From Down South

By Bertha Warren

We're sorry to learn of Bro. Dutch Parks accident this week. He had a bad fall from his horse and has a broken collar bone and is still very sore and still has a lot of pain. He is in the Fisher County Hospital.

Bro. Orvill Brantly of Sweetwater brought the message Sunday. We enjoyed having him and his wife Marcy. We hope Bro. Dutch gets to feeling better soon.

Richard and Janice Ratliff and children of Monohans stopped by for a short visit with Jewel Ratliff Sunday. They had been to Six Flags and were returning home. Harvie and Cleo Davis and Chris Gee met Kathy and Russel Gee at Junction Thursday and Chris returned home with them.

The children of Doris Cavett gave her an 80th birthday party at Sweetwater Lake at the T.S.T.I. camp grounds. About 50 registered. They had a BBQ and everyone brought a covered dish. Her son Horace Cavett came from El Paso, Lola Foster and Lester Cavett both of Sweetwater along with a lot of nieces and nephews and friends. Her daughter

Catherine Goertez was not able to attend. Happy Birthday Doris.

Rusty and Yvonne Hall and children spent a couple of days with his grandmother Alma Blythe in Sweetwater last week.

The Quilting club will meet Thursday at the Claytonville/Capitol Community Center.

Anson and Dorothy Martin had breakfast with Frances Sawyer, Evelyn Nowlin and Bonnie Todd in Rotan. Also Frances' mother-in-law Mrs. Sawyer was there. Friday they went to Abilene and

had supper at Bonnie Todd's. Monday they had supper with Mike, Sandi Martin and children. It was Mike and Sandi's 8th Wedding Anniversary.

I have been kind of busy the last few days getting things ready for a garage sale out at Joyce Noles and with garden things and first one thing and another and didn't get to talk to everyone. Maybe things will slow down next week and I'll get to talk with more of you.

Call and let us know what's going on in your world.

Western Texas College To Hold Last Summer Success Seminar

Western Texas College will hold the last of three 1988 summer Success Seminars starting at 8:30 a.m. on Aug. 2.

The Success Seminars are designed for students entering WTC as full-time freshman in the fall semester for the first time. They offer students the opportunity to pre-register for the fall semester and learn about financial aids available. There is no

charge for attending the seminar. Students who do not have an ACT or SAT score on file at WTC will take the ASSET test and there is a \$5 fee for that test.

Students planning to attend the seminar are to inform the WTC Admissions Office in advance by calling 915-573-8511. Parents are encouraged to attend the seminar along with the student.

BREAST CANCER DETECTION UNIT AVAILABLE TO AREA WOMEN

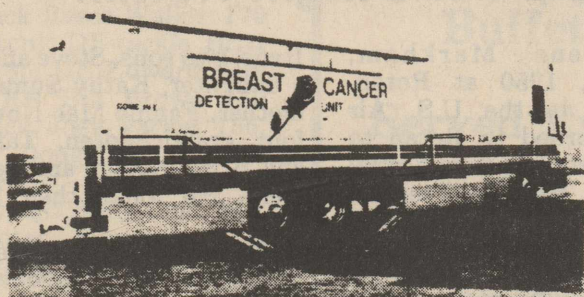

TUESDAY, AUGUST 9, 1988

ROTAN, TEXAS

A Service of

FISHER COUNTY HOSPITAL

CALL 735-2256 FOR APPOINTMENT

According to the American Cancer Society, one out of ten women in the United States will develop breast cancer sometime in her lifetime. It is currently estimated that over 37,000 women die each year as the result of breast cancer.

Ninety percent of breast cancers are diagnosed by women or their physicians finding a lump in the breast. Women who are diagnosed with a lump large enough to feel have a 50 percent five year survival rate. A woman who is diagnosed as having breast cancer by mammography, before a lump can be felt, has a 97% five year survival rate and a 90% 10 year survival rate.

A mammogram can detect a cancer this small, even before it can be felt.

APPOINTMENTS MAY BE MADE BY CALLING 735-2256.

THE MOBILE BREAST CANCER DETECTION UNIT WILL BE IN ROTAN ON TUESDAY, AUGUST 9TH.

The American Cancer Society has established guidelines for mammography in asymptomatic women. (Women who have no symptoms of disease.) Those guidelines have been adopted by the American Academy of Family Physicians, American College of Obstetricians and Gynecologists, and The American College of Radiology. Those guidelines are:

1. 35-40 years of age-One baseline mammogram.
2. 40-50 years of age-A mammogram every 1-2 years depending on breast type and risk factor.
3. 50 years of age and over -An annual physical examination and annual mammogram.
4. Asymptomatic women

under 50 years of age with significant high risk factors should be examined at appropriate intervals. These risk factors include previous breast cancer and family history of cancer.

5. A symptomatic woman should have a mammogram at any age when she experiences a mass, nipple discharge, skin changes or unexplained breast pain.

A screening mammogram is an x-ray of the breast using extremely low dosages of radiation (usually comparable to dental x-rays) and is designed to find very early cancers.

A female technologist who is highly trained in mammography will perform the examination.

The charge for the screening mammogram is \$50.00. The Unit accepts cash, check, Visa, Mastercard and American Express. FOR MORE INFORMATION OR TO MAKE AN APPOINTMENT CALL 735-2256.

Terry's Inc. Softball Team Finishes Fourth

The Terry's Inc. softball team finished in a 4th place tie in the Sweetwater Slow Pitch Softball League for the 1988 season. After losing the first three games the Ladies began to play much better. At the end of the 12 game season the Ladies finished in a three-way tie for third place. The tie was between Terry's Inc., Wall's Ind. of Sweetwater and B Moreno of Merkel. Merkel won a by and

Terry's Inc. and Wall's Ind. played in the first tie breaker game.

Terry's gave up eight runs in the first two innings before beginning to come from behind. Terry's Inc. finally tied the game 9 to 9 in the top half of the last inning. In Wall's Ind. last at bat they scored one run to win 10 to 9. Wall's also beat Merkel 11 to 10 to win third place in the League. Teams finishing in the first four places were United States Gypsum of Sweetwater, Colorado City Warriors, Wall's Ind. of Sweetwater and tied for fourth Terry's Inc. and B. Moreno of Merkel.

Trophies were given for the first three places. Those who

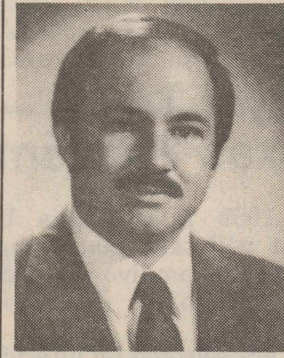

played for Terry's Inc. were Danette Pope, Shana Feagan, Cherie Feagan, Anita (Phiny) Posey, Twyla Hardin, Melanie Ray, Debby Terry and Deena Williamson all of Roby; Debbie Dickson, Lynette McQueen, and Shanna Bennette of Rotan and Fara Scott of Sweetwater.

Terry's Inc. also played well in a softball tournament in Abilene and brought home a fourth place trophy. Those playing on the tournament team were Melanie Ray, Danette Pope, Anita (Phiny) Posey and Twyla Hardin all of Roby; Debbie Dickson of Rotan, Laura James, Fara Scott, Tara Lemmons, Tana Fomby and Lucy Ramirez all of Sweetwater; Judy

Williams of Merkel and Mary Alice Cooper of Abilene.

Coaches this year for Terry's Inc. were Jeff Posey, Tommy LeCroy and Carter Scott.

The players and coaches of Terry's Inc. would like to thank Kermit Terry and the owners of Terry's Gin Inc. for making this season possible.

If your old air conditioner can't beat the heat or won't last the summer, cool off with an electric heat pump.

The heat pump will keep you cool in the summer and warm in the winter. You'll also save money because the heat pump delivers two or more units of heat for every unit of electricity used.

Plus as a WTU customer, installing a heat pump with a seasonal energy efficiency rate of 9.0 or above can qualify you for \$500 when your home meets WTU's Energy Saving Plan requirements.
