President Takes Oath at Third Inaugural

This soundphoto shows Chief Justice Hughes, extreme left, administering the oath of office to President Franklin Delano Roosevelt as he was inaugurated as the first third-term President of the United States on Monday, January 20. In his inaugural address the President declared that "democracy is not dying" and "cannot die." His speech was marked by constant references to his faith in American democracy.

1941 Cotton Mattress Program to be Opened in Foard County Mon., Jan. 27; Center Will Be Located in Crowell

The 1941 mattress program in Foard County which is sponsored by the Extension Service in cooperation with the Surplus Marketing Association and the Commissioners' Court will be started on Monday, Jan. 27, according to information received from A. V. Sheppard, administrative officer.

The center for the county will be located in the rear part of the Schlager Barber Shop on the west side of the square and Mrs. S. E. Tate and Mrs. C. W. Thompson will be the supervisors.

Each applicant will be mailed a card a week or more in advance of the date they are to report to the center to make mattresses, and it is very important that they call the AAA office in Crowell or let officials know in advance that they can not report on the day assigned them.

If the applicant fails to notify the officials that he can not report on the day and fails to appear at the center at the designated time, then the application is automatically cancelled and the party will be ineligible for a mattress.

The two supervisors named above will be at the mattress center at all times to give instructions and other aid.

Wildcats Play Next Two Games Away from Home

Crowell Boys Go to Vernon and Quanah For "Big Six" Tilts

Bounding right back from their game here last night, the Crowell Wildcats will go to Vernon Friday night for a Northwest Texas Basketball Conference game with the Lions, and then, staying on the road, the locals travel to Quanah on Tuesday night for the first game of the second round of the "Big Six" schedule.

In this last game of the first half of the round-robin schedule, the Wildcats are expected to find plenty of opposition for the Lions have an old score to settle with the locals. It dates back to the Seymour tournament, which Coach Grady Graves and his Wildcats attended, and won. The Lions were doing great in the tourney play and were fast becoming one of the teams picked to win the championship when they met the Crowell boys in the semi-finals and left the tournament by virtue of the Gravesmen 25-24 victory.

Many of the fans are looking forward to one of the hardest fought "Big Six" games of the season in Vernon Friday night.

Also, on Tuesday night the Wildcats will face a team seeking revenge when they meet the Indians in the Quanah gym. In their last meeting, the Crowell lads were edged by the Indians with a narrow-margin victory.

SERIOUSLY ILL

E. A. Burson, father of E. G. Grimsley and E. J. McKinley of Thalia, is seriously ill in the Vernon hospital. He was admitted to the hospital Monday and has shown improvement since that time.

Construction of Wichita River Bridge to Start

Contract Let; WPA Labor to Be Used, Starting Feb. 3rd

Construction of a new bridge over the Wichita River south of Crowell is scheduled to be started on Feb. 3, according to information received here today.

The contract was let to C. H. McClellan of Wichita Falls on Dec. 21, 1940. The sponsor's, or State Highway Department's part of the contract, will be \$26,000.

There will be some WPA labor used on this job and the amount of the WPA's part of the contract has not been released here. The WPA supervision on this project will be Walter Thomson of Crowell.

The old bridge now spanning the river will be widened and a concrete top and hand rails will be constructed, and will have creosoted piles. When completed, it will be similar to the one over Pease River, north of Crowell, and will be as strong as a bridge made entirely of new materials.

Foard Given Extra Quota for February

Two Men to Be Sent For Year's Military Training on Feb. 12

The Foard County Selective Service Board received notice from the U. S. Army that the county had been given a quota of two men to be filled on Feb. 12, according to information released this week by John Long, local board clerk.

Two men have volunteered to the local board during the past few days, but have not yet passed physical examinations. If they pass these examinations, they will be used to fill this third quota for the county and will raise the number of men to be inducted into the army for training to nine.

If the volunteers are rejected, then the first two men placed on the reserve list from the second quota will be called. They are George G. Mills and Thomas E. Owens.

The men accepted will be sent to the Induction Station in Dallas on Feb. 12.

Musical Program to Be Given At Thalia High School Friday Night

A program will be presented in the Thalia High School auditorium Friday night at 7:30 o'clock by the music departments of the school, which include the Rhythm Band, the Intermediate Music Class, and the High School Girls' Chorus.

There will be no admission for this program and the public is cordially invited.

The Rhythm Band is composed of 32 children from the first three grades of the Thalia school, and all will be wearing new uniforms for this occasion. Members of the Intermediate Music Class will also be wearing uniforms, and members of the girls' chorus will be attired in beautiful frocks.

Mrs. P. P. Cooper Sold Ladies Shop Last Thursday

A transaction was completed last Thursday afternoon whereby Mrs. P. P. Cooper sold The Cooper Shop, formerly The Beverly Shop, ladies' ready-to-wear establishment, to Mrs. Alva Spencer and Mrs. Leon Solomon. The shop is located in a Ringgold building on Main Street northwest of the square.

Mrs. Cooper had bought the shop from Mrs. J. R. Beverly on Jan. 1, 1941. The business was established Aug. 22, 1933, by Mrs. J. R. Beverly, who had operated it since that time with Mrs. Cooper being her assistant for the past five years.

Mrs. Solomon has assumed active management of the business and will be assisted by Mrs. Spencer who is assistant postmaster, and who will keep her position at the postoffice.

Mrs. Spencer and Mrs. Solomon left Wednesday for the Dallas markets to buy new spring merchandise.

The name of the ready-to-wear shop under its present ownership will be the "Spencer-Solomon Shop."

Six Men from Foard Accepted for Military Training on Monday

The six men sent to the induction station in Dallas Monday were accepted by the U. S. Army and were sent to Camp Bowie at Brownwood for a year's military training under the Selective Service Act, according to information received by the local board.

Those who filled Foard County's second quota were N. J. Roberts Jr., W. H. Adams, Elmer Nelson, Joe R. Spencer, Vernon R. McClanahan and Claren W. Nichols.

Wife of Elmo Waldrop Killed In Car Wreck At Meridian Sunday

Mrs. Elmo Waldrop, about 30, wife of Elmo Waldrop, former resident of Crowell, was killed in an automobile crash at Meridian which took the lives of two people and injured three others early Sunday morning.

Mrs. Waldrop and Glen Combest, driver of the vehicle, were killed, and Mr. Waldrop and Mrs. Combest of Meridian and Mrs. Glen Grantham of Slaton were seriously injured.

They were returning from a visit in Waco when their car crashed into a liveoak tree three blocks north of the courthouse.

Mr. Waldrop is the president of the Farmers State Bank in Meridian. He is the son of Mrs. R. R. Waldrop and the late R. R. Waldrop, former Crowell banker, and was born in Crowell.

Wheat Performance Check Started Monday

Checking wheat performance under the AAA program started in Foard County Monday morning, according to A. V. Sheppard, administrative officer. Every farm in the county that has a wheat allotment will be checked for any amount of wheat that might be seeded.

Any farm that has been seeded in excess of three acres or three per cent, whichever is the greater, will be out of compliance and it will be impossible for the operator to destroy this amount of wheat to bring the farm into compliance.

If the acreage seeded is not greater than three acres or three per cent, the operator may destroy amount of wheat in excess of allotment to bring the farm into compliance.

Each operator or a representative will be required to assist the men in checking the farms.

The operator will be mailed a card stating the date the checkers will report at his farm to check his wheat.

Thalia Brotherhood Entertains Large Crowd Monday Night

Program for the Men's Brotherhood of the Baptist Church of Thalia at its meeting Monday night was built around the experiences of the early days of men of this community. Henry Ferguson and Boss Roark of Crowell were out-of-town visitors and talked of their experiences in the early days of Foard County. Mr. Ferguson sang a cowboy song.

G. A. Neill, in a short talk, compared early-day church attendance to that of today. G. A. Shultz also made a talk.

Refreshments of Irish stew, pie, cake and coffee were served to fifty-five men.

The Thalia Brotherhood was organized in October. Officers of the organization are Bailey Renels, president; Loyd Fox, vice president, and Morgan Price, secretary-treasurer. Meetings are held once each month in the basement of the Baptist Church, and the membership is made up of men of all denominations in the Thalia community.

Test Located On Land Owned By J. F. Hrabal

A 6,000-foot wildcat oil test was started six miles north of Crowell and three miles west and one mile north of Margaret by the Texas Company Thursday (today) when the No. 1 J. F. Hrabal was spudded in.

The test is being drilled on land owned by J. F. Hrabal, former Foard County resident now living in Bowling Green, Fla., and is located 990 feet from the north and 330 feet from the west line of section 431, block A. H. & T. C. Ry. Co. survey. It is also seven miles northwest of the Gamble-Dickerson oil pool opened in this county last summer, and 20 miles northwest of The Texas Company's field in the west part of Foard County.

Royalty Play Active

Royalty play around the tract of land on which the test is located has been quite active in the past with royalty selling as high as \$50 per acre.

Test Near Crowell

This is the nearest oil test to Crowell that has been drilled within recent years, and with each producing well, it appears that future drilling will also come closer to the city.

The city itself has been circled with tests of which many were abandoned as dry holes, but from these tests there have grown three producing fields. The largest, The Texas Company field, is in the extreme western section of the county, and the second, the new Gamble-Dickerson pool, is about 8 miles east of Crowell. The third field is located north of Thalia about 3 or 4 miles east of the pool opened last summer.

Drilling Crews

Following are the drilling crews for the new test:

In The News

25 YEARS AGO

The following items were taken in whole or in part from the issues of The Foard County News of January 14, 1916:

The following question will be debated at the Rayland school house Friday night, "Resolved, that President Wilson's plan of preparedness is justifiable and necessary. Affirmative: Wm. G. Purdy and Arthur Davis of Rayland school. Negative: R. C. Potteet and Fred Rennels of Antelope school.

T. E. and R. D. Burnside now have their cars running regularly between Crowell and Vernon and Wichita Falls. The cars leave daily from Vernon and the fare each way is \$2.00. This will prove a great convenience to the people of Crowell and there is no doubt that the service will be patronized.

Cotton is still coming to Crowell and to some of the other gins of the county. Up to and including Jan. 10, Foard County had ginned 7,940 bales as compared with 10,678 bales on the same date last year.

In the writup of the Highecockaloren meeting in last week's issue of The News the name of J. H. Olds was in some manner omitted. Rooster Olds is a member in good standing and entitled to all the rights, lights and gizzards of the honorable order.

Mode Haney shipped out 80 bales of cotton this week. Forty of the bales were grown by Mr. Haney last year and the other 40 were grown by him this year. Mr. Haney will receive something like \$5,000 for his 80 bales. He is another Foard County farmer who was able to hold his 1914 cotton for a higher price.

J. A. Stovall and wife and son, Leland, are visiting in Quana this week.

M. S. Henry is at Houston this week attending the state Implement Dealers' Association.

The Ladies of the Cemetery Association are desirous of putting a fence around the Crowell cemetery that will be rabbit proof.

We are delighted to receive the family of Lester Ownbey in our community.—Foard City Items.

Two Minute Sermon
(By Thomas Hastwell)

Let Him Deny Himself and Take Up His Cross: These are the words of Christ spoken to his disciples. Though but a sentence they epitomize the whole course that must be taken by a follower of Christ. He must deny himself and take up his cross. Not another man's cross, not Christ's cross, but his own cross. How definite, how personal this makes it. Christ's cross was the sin of the world and the redemption of mankind. For it he gave his life. This does not mean that anyone today is going to be called to suffer death upon a cross. It does mean, however, that everyone who aspires to be a follower of Christ must deny himself and take up his cross. To do so may mean the giving up of a wrong habit or a wrong practice. It may mean the forming of new and better habits. It may mean putting something in here or taking something out there or yielding our will, whatever it happens to be, in this surrender, and in this yielding we deny ourselves and take up our cross.

Your Horoscope

January 19, 20, 21, 22.—You have an impartial mind, keen reasoning ability and marked executive ability. You spend money carefully and get full value for it. You are firm in your convictions and make your conclusions carefully. You are a persuasive speaker and an equalizer. You would make a fine arbitrator as you are able to see both sides. You meet emergencies well and are trusted by those about you and carry the confidence of the masses.

January 23, 24, 25.—You have a clever and delightfully refreshing mentality. You gain much through experience. All your work is not done openly, but you manage to get by all obstacles. You are loyal to your friends but often neglect them. You have a hard time concentrating and thereby lose much energy. You have a spicy good nature which makes it easy for you to break promises. Nevertheless you are universally liked.

IN THE NEWS...

41 Years Ago

The following items were taken from the issue of The News of Nov. 10, 1899, when the paper was owned and edited by H. W. Norwood:

J. A. Allison is holding the boards as salesman for R. B. Edwards & Co. these days. Jim has been in poor health all fall, but is gradually improving.

Sam Russell has returned from his eastern trip and reports very good success. He took a mixed lot of mules and horses for sale and trade.

J. P. Nowlin and wife were trading in Crowell Tuesday. He has sold out here and says he is going to leave us. We are sorry to lose good citizens like him, but hope he will meet with prosperity wherever he may locate.

Married—On Tuesday, Oct. 31, at the residence of the bride's parents in Knox County, Mr. T. J. Ferguson and Miss Zela E. Myers were united in marriage, Rev. C. E. Lindsey officiating. The groom is one of our most promising young gentlemen and is thoroughly identified with the best interests of our country. The bride was one of Knox County's charming young ladies; good, faithful and loyal. The next day Tom took his bride to his home where his relatives and friends will be with each other at an informal dinner in welcoming the fair bride to Foard County and congratulating the happy couple. Our best wishes go with them, and we hope they will be happy and prosperous.

Born, to Mr. and Mrs. D. M. Ferebee on last Tuesday night, Nov. 7, 1899, a pair of babies, a girl and a boy. The girl baby weighed seven pounds, and the boy baby weighed eight pounds, aggregating fifteen pounds of baby (or babies).

Mr. Had Thomson had the misfortune to lose a mule and a horse in a well last Tuesday. While scraping dirt to fill up an old well, he drove too near the bank which caved off letting the team fall in. James Gafford and Joe Thomson came to Crowell to get a block and tackle, but before they got back both animals were dead. That's hard luck.

Little Josie Wright, who left a couple of months ago for Dallas to consult an oculist, returned home last Saturday. Her sight is

already much improved, and we trust she will fully recover.

Wildcats Win Over Childress In Extra Period

"Big Six" Victory Comes to Locals After 23-20 Battle

Coach Grady Graves' Crowell Wildcats came from behind in the last minute of play to go into the extra period and nose the Childress Bobcats out by three points, 23-20, in their "Big Six" game in the local gymnasium Wednesday night.

Both teams were satisfied to play defensive play and scoring was slow in starting. The Bobcats opened the scoring and had stripped the basket twice before the Wildcats registered their first tally with a gratis shot. Late in the quarter, Crowell overtook the Bobcats and were leading 6-4 at the rest period. The Wildcats continued to hold the lead until the half, but they were never able to pull away from their opponents by 3 points at any time. The score at the half was 10-9 in the Wildcats' favor.

Early in the second half, the visitors took the lead at 12-10 and continued to hold it until the end of the period to be leading 13-11. Both clubs started a desperate drive for points with the honors being about even and 30 seconds from the end of the game time saw Childress still out in front by one point, 20-19. A late foul cost the Bobcats the game as Roark, guard, sunk his free shot to knot the score.

Going into the extra period, Roark found the basket for two points and Hudgens, forward, dropped in a gratis shot to set the victory margin at 23-20 for the Wildcats.

Both fives pitched furious defenses which managed to stall the defenses which at times was ragged due to poor ball handling. Crowell started their victory march about midway of the last quarter when they changed their defensive tactics.

A total of 16 fouls were called, with each team being credited with 8. Waters, guard, who starred for Childress during the greater part of the game with outstanding floor play, fouled out of play late in the fourth period.

Derington—

(Continued from Page One)

26, 1886, in Winder, Ga., the daughter of Mr. and Mrs. H. D. Hughes. She moved to Coleman, Texas, with her family at the age of two, and has for the past 28 years been a resident of Foard and Wilbarger Counties, the Derington family having lived in the Rayland community for many years.

On June 8, 1902, she was married to Robert F. Derington, and to this union were born four daughters and one son. Mrs. Derington had been a member of the Church of Christ since her early girlhood.

Survivors are her husband; four daughters, Mrs. J. A. Young of Quanah, Mrs. G. Harry Davis of Amarillo, Mrs. Oswald B. Haynes of Dallas, and Mrs. A. C. Cole of Lufkin; one son, Robert Lavoy Derington, of Quanah; one sister, Mrs. W. D. Morris, of Haskell; one brother, P. O. Hughes, of Knot, Texas, and seven grandchildren.

Stamp Plan—

(Continued from Page One)

the county, receiving one-fourth of the crops as rent, will be eligible for one-fourth of the stamps, but can not receive more than 250. If the landlord receives one-half of the crops as rent, he will be eligible for one-half of the stamps.

The following is an example of how the new program would operate in the case of a farmer with a 10-acre allotment in 1941, and who planted 10 acres in 1940, and a normal yield of 250 pounds per acre. This farmer, if he planted within his acreage allotment of 10 acres, would receive full conservation and parity payments available under the program, however, if he wishes to participate in the supplementary program, he could reduce his plantings by one acre, or have a total of 9 acres. For the acre reduced he would receive cotton stamps at the rate of 10 cents per pound for the 250 pounds normal yield, or \$25 worth. If the farm with a 10-acre allotment had only 8 acres planted in 1940,

Wildcats Take Close Game from Olney Cage Team

Crowell's Late Rally Brings 25-21 Victory In "Big Six" Battle

The Crowell Wildcats won their second "Big Six" game of the season here Friday night when they won a thrilling game from the stubborn Cubs from Olney with a late rally to put the final score at 25-21.

Coach Grady Graves was forced to change his lineup for the game due to the absence of Ralph Flesher, regular guard, who was ill. Both clubs played a defensive game for the first three minutes to feel the strength of each other and Olney drew first blood only after three minutes had ticked from the clock.

Crowell promptly retaliated to knot the score at 2-2 and then drew ahead at 4-4. After this point, the Wildcats were never behind but the score was tied five times during the game, however, the locals were never able to draw more than three points ahead until the last two minutes of play.

The first quarter ended in a draw with the score at 6-6 and in the second period, the Gravesmen pulled ahead three points to be leading 13-10 at the half. The Cubs returned to the floor for the second half with much spirit and outscored the Wildcats by one point during the eight minutes of play, but were still trailing 16-14 at the rest period.

The Wildcats had trouble with their long shots and missed a majority of their short shots until the final period. The long range firing of Hankins, guard, was consistent and kept the Cubs in the ball game. The Olney cause was also greatly aided by the sniping of Die, guard.

In spite of a furious pace kept up by both clubs, there was very

Thalia All-Star Five Blasts Crowell, 25-11

The Thalia All-Stars reeked revenge on a Crowell five last Friday night at the Thalia High School gymnasium when they sent the locals down in defeat by 25 to 11. Out of three games played by the Crowell and Thalia All-Stars, the Thalia quintet has won two, however, they dropped their game recently played at the local gym.

Thalia surged into the lead during the first minutes of play and held it all the way. The score at the half was 16-6 in Thalia's favor.

D. Adkins, Thalia forward, took scoring honors with 8 points and B. Swan, Thalia center, placed second with 7 points. Kennedy, forward, paced the Crowell scoring with 6 points.

STUDY HALL OBSERVATIONS

The fifth period study hall is really a study hall! Mrs. Lena Davis has been keeping it in the absence of Mr. Foster, who while I was writing this, was away on his honeymoon.

The most romantic couple in the fifth period study hall is Mr. T. L. Owens and Miss Mary B. Curtis. ("Our Love Affair")

According to statistics, Bill Stephens is the noisiest boy in CHS. All during the fifth study hall he goes from student to student asking them what they are doing and why they are doing it.

Heard in the eighth study hall: "Mary, can I write you a note?" "Will you answer it, Mary?"

"Don't you think Mary looks pretty today?" "You silly thing," says Mary to Harry. Miss Yeats says, "Turn around and be quiet, Harry."

Mrs. Sloan in 7th study hall, "I don't want any more of this nonsense, Joe." "Yes, mam, Mrs. Sloan." But Joe continues pestering Doris while she checks the roll.

Sneeze! sneeze! What causes all the sneezing in the 8th study hall?

CAMPUS CHAT

Hi yah, kids! Where yah been keeping yourself? I haven't been able to find yah.

Richard Carroll and Bill Owens are really getting around these days. I'm not saying what they're getting around, but they are really getting around. Wow! Stop me!

It would seem that the entire (practically) student body turned out to see Mr. Foster get married. And all agree that it was too, too scrumptious! In fact, I have heard several girls mourning, "If only I see the day when a man smiles at me like that—yes, like that, as if he really meant it."

I wish that people would quit talking about being in the same boat. It is really boring, especially when the same person says it so much and knows deep down that it is not so.

Bethlehem, because it was the birthplace of the Holy Child.

The history of the world, it is true, is told in movements, but the center and driving force of all movements are personalities and events. The greatest Personality beyond compare ever to set foot on earth was born in Bethlehem over 1900 years ago.

Each passing year since, has seen the world of Christendom turn back in thought and song and worship to the scene of that holy, marvelous birth and to the One who was born there. Was there ever a year when we needed to do that more than in this year of our Lord 1941?

In the words of the shepherds, then, "Let us now go even unto Bethlehem, and see this thing which is come to pass, which the Lord hath made known unto us" (Luke 2:15).

The birth at Bethlehem tells us of God's great good will toward men.

We cannot adequately describe what we cannot fully comprehend, but how little do we comprehend that wonderful event and its significance! How amazing it is that the God of all the universe, the eternal, infinite, almighty, all-holy One should set aside, for a while His inexpressible glory, come to this little speck in the universe, and become truly man as well as truly God, and above all gather up and bear in Himself all the vast sorrows and sins of men and thus save men.

God's will toward men is good will. God is "not willing that any should perish"—only man wills that. "God will have all men to be saved."

When we contemplate God's great good will toward us, how

AN ORDINANCE FIXING RENTALS TO BE PAID BY TELEGRAPH, TELEPHONE, ELECTRIC, AND GAS COMPANIES, FOR THE PRIVILEGE OF USING WITH THEIR POLES, WIRES, CONDUITS, PIPES, AND FIXTURES THE STREETS, EASEMENTS, AND ALLEYS AND OTHER PUBLIC PLACES WITHIN THE CITY OF CROWELL, TEXAS, PROVIDING PENALTIES FOR VIOLATION, AND PROVIDING AN EMERGENCY.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CROWELL, TEXAS:

Section 1. That all persons, associations, organizations, and corporations using or maintaining any telegraph, telephone, electric light or other poles, gas pipe lines, pipes and other fixtures in any of the streets, highways, easements, alleys, parks or other places within the corporate limits of the City of Crowell, Texas, shall on the last day of August of each and every year file with the City Secretary a sworn report showing the gross receipts from the business conducted by such persons, associations, organizations and corporations within the corporate limits of the said City for the preceding year ending June 30th.

Section 2. The City Council may when it may see fit have the books and records of the person, association, organization, or corporation rendering the statement required in Section 1 of this Ordinance, examined by a representative of the City to ascertain whether such statement is accurate, but nothing in this Ordinance shall be construed to prevent the City from ascertaining the facts by any other method.

Section 3. That upon the 1st day of August of each and every year every person, association, organization, or corporation occupying or using the streets, highways, easements, alleys, parks, or other public places in the City of Crowell, Texas, with poles, pipes, and for other fixtures shall as a condition to such further occupancy pay to the City annually for such privileges a rental equal of four (4%) per cent of the gross receipts received by such person, association, organization, or corporation from its business conducted in the corporate limits of the City of Crowell, Texas, for the preceding year which sums shall be paid to the City of Crowell, Texas.

Section 4. That upon receipt of the above rental by the City, the City Secretary shall deliver to the person, association, organization, or corporation paying the same a receipt for such rental, which said receipt shall authorize such person, association, organization, or corporation to use and occupy the streets, highways, easements, alleys, parks and other public places of the City in carrying on its business for twelve (12) months from August 1st of such year.

Section 5. That the rental for the privilege of using the streets, alleys, highways, easements, and public places of the City of Crowell provided for in this Ordinance is not charged as a tax but is made for the privilege now enjoyed and to be enjoyed by such persons, associations, organizations, and corporations of using the streets, easements, alleys, and other public ways of the City in the conduct of their respective businesses; and such charges are additional to all ad valorem and franchise taxes and to all taxes of every nature whatsoever against the persons, associations, organizations, or corporations mentioned herein.

Section 6. That nothing herein is intended to relieve any persons, association, organization, or corporation of any condition, restriction or requirement imposed by any law or Ordinance of the said City of Crowell, Texas.

Section 7. That this Ordinance does not grant a franchise to any utility or person, association, or organization or corporation to use the streets, easements, alleys and other public ways and shall nevertheless be so construed by the courts or otherwise, and the City reserves the right to cancel the privileges granted hereunder and refund the unearned rentals paid to the City.

Section 8. That the City of Crowell hereby reserves the right to put into effect at any time other restrictions and regulations as to the erection and maintenance of poles, wires, pipes, and other appurtenances in the streets, easements, alleys and other public ways of the said City and from time to time to require such poles, pipes, wires and other property equipment and fixtures as it may deem proper to be removed and to require wires to be run in conduits on such terms as the City may deem proper.

Section 9. That every person, association, organization and corporation who shall operate any business without the payment of the rentals provided for herein shall be subject to a penalty of One Hundred (\$100.00) Dollars for each and every day that such persons, association, organization, or corporation shall conduct such business using and occupying the streets, easements, alleys, or other public ways of the City of Crowell without the payment of the said rentals which said sum may be recovered by the City of Crowell in a court of competent jurisdiction by a suit filed therein.

Section 10. That every person, association, organization or corporation and the local manager or agent of every such person, association, organization or corporation failing or refusing to make the report required by Section 1 of this Ordinance, or failing or refusing to allow the examination provided for in Section 2 herein shall upon conviction in the Corporation Court of the City of Crowell, Texas, be fined in any

Crowell Methodist Church
Under the setup of our United Church there are new boards and many new approaches toward the same goals we have always sought. One of these changes is to be found in that the fourth Sunday of each month is designated as Missions Sunday and an educational program throughout the entire church will emphasize the work of Missions on this Sunday each month of the year. It also gives the opportunity of contributing to Benevolences on the "Installation Plan" instead of asking

sum not to exceed One Hundred (\$100.00) Dollars and every day's failure or refusal, as mentioned in this Section, shall be deemed a separate offense.

Section 11. The City fire marshal, building inspector, electrical inspector, City's police officers, and such other persons designated by the City, shall have power, and it shall be their duty, to examine and inspect from time to time all telegraph, telephone, electric light or other poles, gas pipe lines, pipes and other fixtures in the public places within the City for the purpose of seeing that all of same are in a safe and suitable condition, and whenever any such item is found to be unsafe or unsuitable for the purpose for which it is used, the person using, possessing or maintaining same shall be notified and required to place same in a safe and suitable condition.

Section 12. If any section, paragraph, subdivision, clause, phrase or provision of this Ordinance shall be adjudged invalid or held unconstitutional, the same shall not affect the validity of this Ordinance as a whole or any part or provisions thereof other than the part so decided to be invalid or unconstitutional.

Section 13. That the fact that telegraph, telephone, electric, and gas companies have been occupying and using the streets, easements, alleys and other public ways of the City of Crowell, Texas, for many years without the payment of rent for such use creates an emergency, and this Ordinance shall take effect immediately upon its passage, approval and publication required by law.

"Truth" is the subject of the Lesson-Sermon which will be given in all Churches of Christ, 2nd, on Sunday, January 26, 1941. The Golden Text is: "Thou shalt love the Lord thy God with all thy heart, mind, strength, and all thy might; and thou shalt love thy neighbor as thyself" (Matthew 22:37-39).

Among the citations which praise the Lesson-Sermon is following from the Bible: "And truth are met together; righteousness and peace have kissed each other" (Psalm 85:10).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health": "Key to the Scriptures" by Baker Eddy: "The thunder Sinai and the Sermon on Mount are pursuing and will undertake the ages, rebuking in course all error and proclaiming the kingdom of heaven on earth. Truth is revealed. It needs a train to be practised" (page 174).

County Home Demonstration Agent's Report Reviews Work of Women and Girls' Clubs in Foard During 1940

(Continued from Last Week)

In August and September, five home demonstration centers were opened in the communities of the county for the purpose of making two hundred and thirty-four cotton products were prepared, and 3,400 meals were planned and served. Also, 16,400 quarts of fruits, vegetables and meats were canned with 890 containers of jelly, jam and other products.

During the year, the agent devoted 71 days to home food supply; received 105 telephone calls; 231 office calls; wrote 128 individual letters and 7 circular letters; distributed 7,645 bulletins; held 50 method demonstrations with an attendance of 1,212; attended 6 result demonstrations with an attendance of 182; held 3 training schools with an attendance of 45; conducted one other demonstration with an attendance of 10; and made 40 home visits.

Clothing
The clothing demonstration for the 4-H Club girls carried on for the second year in Foard County. During the year at almost every club meeting, and the agent meets the girls twice each month, exercises or something that would improve posture have been practiced.

Since the average age of girls is only 11, rather simple construction problems were attempted. Simple slips, dresses, or gowns were the first problem, and the second was a robe, pajamas, or shorts.

The 133 girls enrolled made 46 dresses and 416 other articles of clothing. A clothing achievement event was held in the home of each of the six clothing demonstrators in the six girls' 4-H Clubs in June. In November, each of the 24 members of the Thalia girls' 4-H Club made some type of toy such as a stuffed rabbit or cat and others for a small brother or sister or a little friend.

During the year, 7 clothes closets were built, fourteen were renovated; 394 hat stands were added; 98 shoe racks were added; 96 girls checked D-105; and 234 toys were made. The amount spent for the individual wardrobes of the 7 demonstrators who reached the status of a demonstration was \$226.48.

The agent devoted 42 days to clothing; received 72 office calls and 22 telephone calls; wrote 64 individual letters and 2 circular letters; distributed 2,498 bulletins; gave 49 method demonstrations with an attendance of 967; attended 6 result demonstrations with an attendance of 144; gave 2 training meetings with an attendance of 16; held one other meeting with an attendance of 34; and made 30 home visits.

Home Poultry
The home poultry demonstration was continued for the third year by the 4-H Club girls of Foard County. Seven thousand, seven hundred and thirty-five chickens were raised by the 84 girls who completed the four or more poultry goals.

In April, the members of the clubs visited the poultry demonstrator. Stress was placed on good types of equipment.

During the year, 30 girls followed an organized improved breeding plan; 60 followed recommendations in purchasing baby chicks; 84 followed recommendations in chick raising; 83 followed recommendations in production-feeding; 41 improved poultry house equipment according to recommendations, and 3,600 pullets were added.

During the year, the agent devoted 27 days to poultry work; received 67 office calls; received 18 telephone calls; wrote 47 individual letters and one circular letter; distributed 1,840 bulletins; gave 33 method demonstrations with an attendance of 812; attended 6 result demonstrations with an attendance of 170; held one meeting with an attendance of 14; and made 26 home visits.

Whole Farm Demonstrations
The three families of whole farm demonstrators who were selected in 1939 are still making improvements on their homes in co-operation with the Extension Service.

In February, the current for REA was turned on in the homes of Mr. and Mrs. Roy Ayers of the Riverside community and Mr. and Mrs. W. F. Hlavaty of the Thalia community. Both families have lights in every room and also convenient outlets in each and both have quite a lot of electrical equipment.

The Roy Ayers have bought new living room furniture and made a number of yard improvements. The Bill Hlavatys have dug a new tank from which water will be piped to the house.

The Egbert Fish family is continuing to improve the home. They have enlarged the dining room and are building a side porch into the dining room. They have just completed a tank from which to supply water for the house. The Fish family has installed butane gas and has purchased a new range.

During the year, the agent devoted sixteen days to the demonstration; received 14 office calls; received 8 telephone calls; wrote 24 individual letters; distributed 104 bulletins; gave 3 method demonstrations with an attendance of 114; and made 38 home visits.

Mattress Demonstration
The first meeting in the county on the Cotton Mattress program was held April 5 with a number of district officers and club women present and the agent lectured on the program in the county.

Two hundred and eighty applications were filed and 240 were certified.

Five centers were established in the county, with five home demonstration club women acting as supervisors of each. Thirty other club women helped with supervising and ten men in the county helped. The Rotary Club loaned the first \$25 to begin the revolving fund, and it was returned at the end of the program in October.

During the making of 234 mattresses, 412 different families worked on them. The program will be continued in 1941 with the making of 960 mattresses which will all be made in one center in Crowell. This program will begin very soon after January 1.

During the program, the agent devoted 21 days to it; received 228 office calls; received 53 telephone calls; wrote 28 individual letters and 3 circular letters; distributed 3,000 bulletins; held 5 method demonstrations with an attendance of 447; attended 40 other meetings with an attendance of 796; and made 13 home visits.

Outlook and Recommendations
The agriculture outlook is rather promising, for the wheat crop in the county is up and the rain has been more abundant than usual during the late fall; therefore more moisture is stored for the wheat than usual.

Late freezes in the spring almost completely demolished the fruit crop, but the fall gardens were excellent, and most of the pantries have a large number of canned vegetables. Feed crops were less than average during the past year due to lack of moisture in the spring. Government checks helped, as well as oil lease money in some sections of the county.

Home demonstration work in the county is carried on through the women's home demonstration clubs and the girls' 4-H clubs of which one or both are in each of the nine communities of the county. Twelve clubs have been functioning during the year, six of which are women's and six are girls'.

The women selected as their demonstrators for 1941 the continuation of Landscape Improvement for the third year, and the Meat Cookery phase of Home Food Supply for the new demonstration.

The girls selected the continuation of the second year of Clothing and the Vegetable Production phase of Home Food Supply for the new demonstration.

Educate, organize, supervise and conquer carelessness.

Horning In
The idea that the prong horn antelope sheds its horns is erroneous. Antelope horns peel off but do not drop off as do the horns of deer or moose.

Duck Speeds
At our salt marsh duck camp we have two points of argument lasting through the season, neither of which are ever settled. One is in regard to the comparative speed of different species of waterfowl flying under normal conditions. The other is to determine who dealt last.

Pheasant Fights Snake
Warren Cody, thirteen year old Kansas fisherman, sends in an account of a fight he witnessed near his home in Decatur County. "While on the way to my old fishing hole, I ran across a rooster pheasant fighting a bull snake three and one-half feet long. The snake would strike at the pheasant, but the bird would fly just high enough over the snake to spur it in the head. I watched for ten minutes before the pheasant saw me and flew away. The snake was so near gone that I finished it. An examination revealed that the pheasant's spurs had penetrated through the head."

Game Plantings Increase
State game departments are finding out that planting game in territories that have been studied carefully and proven adaptable for that particular species is bearing fruit. The Virginia Game Commission has made four plantings of wild turkeys, four quail and six hens to a plant, in the southwestern part of the State. Thirty-four more such plantings are in process and contemplated.

The Wages of Sin
While Texas Game Department wardens have not been able to gather sufficient evidence to prove a case, it is believed a head-lighting deer hunter came to grief recently in East Texas by being shot in the knee by his companion on their illegal hunt. The accident appeared to have happened in this manner: Both the hunters were in the same field. The light carried by one failed to operate properly and he sat down to overhaul it. The other hunter, seeing something reflected in his light and believing it to be a deer's eye, blasted away. His companion went to the hospital with a knee shattered by buckshot.

Double Wedding Ceremony Performed At First Baptist Church Last Sunday Morning United Two Crowell Couples

Shower Given Monday Compliments Mrs. Don Drake of Quanah

Mrs. Don Drake Jr., who was formerly Miss Joyce White, was named honoree at a pretty shower given at the Adelphian club house Monday afternoon with Misses Theda Wright, Bettie Stinebaugh and Thelma Moore as hostesses. They were assisted by the remaining members of the house party for the marriage announcement tea which was recently given.

Miss Wright received at the door and asked the guests to register in the bride's book. She was in charge of an interesting program, the first number of which was a solo, "Beautiful Dreamer," by Mrs. A. F. Wright, accompanied at the piano by Mrs. A. L. Rucker. June Billington read, "Wives." John Thomas Raser and Paula Plunkett sang a duet, "No, John, No." They also were accompanied by Mrs. Rucker. The closing number of the program was a reading, "The Bride's Parable," by Mrs. I. T. Graves.

The guests were invited into the dining room where Mrs. Charles Ferguson poured punch from an attractive table. Pink and white snapdragons were arranged around the punch bowl and a bouquet of the same flowers adorned the buffet. Misses Moore and Stinebaugh served the punch and various kinds of cookies.

The lovely gifts were arranged in a rear room, from which the guests took their leave.

Out-of-town guests were, Mrs. Don Drake Sr., and Mrs. Tom Baker of Quanah, Mrs. J. T. Baker of Goodlett and Mrs. Eli Smith of Chillicothe.

Pre-Nuptial Party Thursday Honors Crowell Couples

A lovely pre-nuptial party to honor Miss Effie Griffin, her fiancé, G. C. Foster, and Miss Ruth Steele and her fiancé, Glen Goodwin, was given Thursday evening by a group of friends at the home of Miss Linda Wehba.

The brides-elect's chosen colors, pink and white, were used in tastefully decorating the home for the occasion. The refreshment table, in the dining room, spread with a pink and white silk linen cloth had pink and white candle holders holding white lighted candles, which gave a soft reflection over a central bouquet of pink and white chrysanthemums. The miniature bride and groom stood amid the pretty scene.

Starting at eight o'clock, games were played until a late hour when the hostesses, Misses Yvonne Weaver, Thelma Moore, Marjorie Bradford and Linda Wehba, served, buffet style, a delicious round of refreshments.

89th Birthday of Mrs. G. W. Wallen Celebrated Saturday

The 89th birthday of Mrs. G. W. Wallen, resident of this county for many years, was celebrated Saturday, Jan. 18, at the home of her daughter, Mrs. J. W. Owens, of Crowell where she makes her home.

A large crowd of relatives and Mrs. L. H. Hayes, close neighbor, were present to enjoy the dinner served at the noon hour, and many other relatives and friends called in the afternoon.

Despite her age Mrs. Wallen is still able to wait on herself, piece quilts and crochet.

HARMONY CLUB

The Crowell Harmony Club met on Friday, Jan. 17, at the home of Mrs. Paul Shirley, with Mrs. J. R. Beverly and Mrs. Shirley as hostesses.

During the business session the following officers were elected for the coming year: Mrs. W. B. Tysinger, president; Mrs. J. R. Beverly, vice president; Mrs. Charles Ferguson, secretary-treasurer; Miss Mary Ragland Thompson, parliamentarian, and Mrs. Ted Burrow, reporter.

Miss Frankie Kirkpatrick was leader for the program and discussed "The Music and Composers of the Romantic Period." She particularly stressed Chopin, Liszt and Greig. She then introduced the following program: Piano solo, Funeral March by Chopin, Mrs. S. T. Crews; cornet duet, Liebestraum by Liszt, Billy Klepper and Ray Burrow, who were accompanied by Mrs. A. L. Rucker; piano solo, Butterfly by Grieg, Mrs. Jno. S. Ray.

The hostesses served a delicious refreshment plate to club members and Mrs. A. F. Wright, Mrs. Crews, Mrs. Ray, Billy Klepper and Ray Burrow.

Ten High School in 1934 and from Tyler Commercial School in 1936. He has been in Crowell since 1938 and has been employed as bookkeeper for Borchardt Chevrolet Co.

The wedding was attended by the following out-of-town relatives: Mrs. Clarence Foster, her son, brother and daughter, Mabel June, mother and brother and sister, Mrs. A. B. Clark, all of Floydada; Thomas Goodwin of Willis Point, brother of Mr. Goodwin, and Tolley and Ray Steele of Dallas.

BOOK REVIEW COMING

The Adelphian Club will sponsor a book review by Mrs. Jno. W. Hampton, of Wichita Falls, well known in Crowell, next Thursday afternoon, Jan. 30, at 3:20 o'clock in the High School auditorium.

The novel, "On the Long Tide," by Laura Krey, deals with the founding of the State of Texas. Texas had a genesis curiously different from most other states in the Union.

Miss Krey's hero, in the book, is a young Virginian, a cousin of Thomas Jefferson. The romance of this young man with a beautiful young Spanish girl in old Bexar, now San Antonio, adds zest and interest to the story.

The book is rich, solid, colorful and authentic and should be of interest to all book lovers, both young and old.

JUNIOR COLUMBIAN CLUB

The Junior Columbian Club met Jan. 15 at the home of Mrs. J. S. Wells with Miss Evelyn Manley as hostess.

Roll call was answered with a famous Italian picture and the artist, Miss Eileen Motley was program leader. Mrs. W. B. Tysinger gave a discussion of Fra Angelico, the painter Monk.

Miss Thelma White gave an interesting talk on the subject, "Are you worrying yourself sick?" She stressed the importance of relaxation, and stated that many people are really ill who have nothing organically wrong.

The hostess, assisted by Mrs. Wells, served a lovely refreshment plate.

CROWELL P. T. A.

The Crowell P. T. A. president, Mrs. Frank Flesher, served as program leader at the regular meeting Tuesday afternoon, in the study hall of the Grammar School.

After the business session, Mrs. Allen Sanders discussed an article, "The Spiritual Significance of Family Life." Billy Scott Bruce, as a representative of the Speech Department, gave a clever reading.

Mrs. T. B. Klepper gave an article from the National Parent-Teacher, "All-American," which treated on the relations existing and that should exist among the nations that fall under the head of "America." Miss Mildred Cogdell, Supt. I. T. Graves and Mrs. R. L. Kincaid assisted with a round-table discussion of the subject.

In the count of mothers, Miss Hill's room ranked first in the primary department, Miss Black's in the intermediate department, and the Junior and Senior classes tied in the High School.

CHRISTIAN SERVICE SOCIETY

The Woman's Society of Christian Service of the Methodist Church met in a social meeting Jan. 13 with Mesdames S. S. Bell, S. E. Tate, Will Erwin, Jim Shook and Geo. Canup as hostesses.

Mrs. T. B. Klepper was leader of an impressive "Pledge Service." After the "Call to Worship," "Faith of Our Fathers," was sung, followed by prayer by the leader.

A special number in song was given by Mrs. Chas. Thompson, accompanied by Mrs. Paul Shirley.

Mrs. H. A. Longino brought an inspiring devotional. After the pledge cards had been collected, the members formed a circle and sang "Blest Be the Tie That Binds." Mrs. Ida Simkins dismissed with prayer.

The hostesses served refreshments to forty members.

FOARD CITY CLUB

"To repair unsightly buildings, broken fences, sagging gates, adds to the appearance of a place," said Mrs. Jim Shook at the meeting of the Foard City Home Demonstration Club at the club house Tuesday.

Various committees for the new year were appointed by the president during the business meeting.

A number of shrubs and trees were brought by members and set out around the club house.

The next meeting will be Feb. 4, with Mrs. J. R. Merriman, yard improvement demonstrator.

ADELPHIAN CLUB

The Adelphian Club met Jan. 15 at the club house with Mrs. M. J. Girsch as hostess.

Mrs. J. A. Stovall was leader for the program and gave interesting highlights from the life of Evelyn Eaton, author of "Quietly My Captain Waits."

Mrs. L. A. Andrews reviewed the book which is historical novel. It is a story of the last eleven years of the French possession of Canada.

The hostess served a refreshment plate to club members and Mrs. Ben Hinds as a guest.

B. & P. W. CLUB

The Business and Professional Women's Club met for a banquet at O'Connell's Tea Room last Thursday evening with Mayme Lee Collins and Alma Walker as hostesses. The mock radio program opened with Alma Walker, announcer for Station B. P. W., commenting on the latest fashions in evening attire worn by the guests.

The Club Collect was read by Blanche Hays. All joined in the singing of "God Bless America." During the meal music by popular orchestras was furnished by the Nickelodeon. Directly following, Mayme Lee Collins, dressed in cap and gown and imitating Kay Kyser, acting as master of ceremonies, began the broadcast with "That's Right, You're Wrong," with a pot of gold to the winning side and double bubble gum to the losing.

Each member of the club broadcasted by mimicking the following radio stars:

Irene O'Connell, Jimmie Fidler; Gussie Todd, Jack Oakie; Louise Fisch, Barbara Brent; Estelle Powers, Tony Wons; Lottie Russell, Walter Winchell; Inez Spencer and Mae Solomon, Arden and Arden; Blanche Hays and Joeline Vannoy, Daddy and Baby Snooks; Lillie Welch, Dr. I. Q.; Sally Archer, Brenda.

At the end of the broadcast a prize for the best performance was awarded to Mayme Lee Collins, as Kay Kyser.

The red and white color scheme predominated with white flowers and red tapers being used.

COUNTY FEDERATION

The Foard County Federation of Women's Clubs will meet next Tuesday, Jan. 28, at the Adelphian club house with the Garden Club members as hostesses.

Mrs. John S. Ray will be program leader and an interesting and instructive program has been prepared.

The election of officers for the ensuing year is scheduled to take place at this meeting.

BAPTIST SOCIETY

Mrs. Frank Long was hostess to the Women's Missionary Society of the First Baptist Church in her home on Monday afternoon, Jan. 20, with Mrs. J. S. Long as co-hostess.

Mrs. C. C. McLaughlin conducted a short business session after which Mrs. Dock Callaway had charge of a "Royal Service" program. Theme for the year is "An Urgent Gospel, the World's Dire Need," and the topic for this month is "An Urgent Gospel Where We Live."

Mrs. Frank Long gave a good Bible study, "Help for the Helpless," reading the 146th Psalm. Mrs. W. B. Fitzgerald made a splendid talk, stressing the needs of this locality.

Mrs. C. C. McLaughlin talked on personal evangelism, or telling the good news.

Following a prayer of dismissal by Mrs. Ida Reavis, the hostesses served refreshments to thirteen members.

FORTY-TWO CLUB

The members of the Forty-two Club and three additional guests were entertained by Mrs. F. C. Brooks in her home on Tuesday last week.

After two hours of the game, the hostess served delicious refreshments. She was assisted by her little daughter, Elaine.

The guests were Mrs. Arnold Rucker, Mrs. John Carter and Mrs. Charles Ferguson.

Calves Fed by F. F. A. Boys Make Gains

Good gains are being made by most of the calves being fed by members of the Crowell F. F. A. Chapter, according to a survey completed this week.

Billy Cox, one of the F. F. A. boys, recently weighed his calf and found that it had gained 250 pounds in 110 days, or an average of 2.27 pounds per day. The calf now weighs 720 pounds and was purchased by Billy from R. H. Cooper Sr.

This calf is being fed a ration consisting of the following feeds which are carefully weighed: 20 parts wheat, 20 parts corn, 50 parts feterita, 20 parts cotton seed meal, 30 parts cane molasses, and 20 parts oats.

J. T. Hughton, another F. F. A. boy, weighed his two calves and found that one of the calves had gained 320 pounds while the other had gained 250 pounds in 132 days for an average of 2.42 pounds and 1.9 pounds per day, respectively. J. T. bought his calves from Lee Shirley, who had previously purchased them from Walter Williams of Quanah.

These calves are being fed the following weighed ration: 30 parts oats, 60 parts milo, 30 parts sorghum hay, and 5 parts cottonseed meal.

Dan Pechnack weighed his calf early in December and found that he had gained 109 pounds in 91 days for an average of 2.09 pounds per day. The calf was purchased from Allen Fish. Dan is feeding his calf $\frac{3}{4}$ gallon milk daily and the following ration: 8 parts milo, $\frac{3}{4}$ parts cottonseed meal, 2 parts cotton seed, 3 parts wheat, and 4 parts sorghum bundles.

Cecil Davidson was the last F. F. A. boy to buy a calf and he weighed his calf after feeding it 26 days to find that it had gained 60 pounds, or a daily gain of 2.31 pounds. This calf weighed 660 pounds and was bought from Arthur Walling. Cecil is feeding his calf the following ration: 12 parts oats, 10 $\frac{1}{2}$ parts corn chops, 2 $\frac{1}{2}$ parts cottonseed meal, 1 ounce bone meal, with access to bundle feed at all times.

Local Boy Lands Post On University of Texas Freshman Cage Squad

Jack Fitzgerald, son of Rev. and Mrs. W. B. Fitzgerald of Crowell and member of the Wildcat basketball and football teams of 1935, is turning in good performances with the Yearling quintet of the University of Texas.

Fitzgerald was one of the starting forwards in the Yearlings' opening game of the season in which they trounced the Rice freshmen, 42-35. He turned in 6 points in this game. In the second game of the season in which the Yearlings' defeated San Angelo Junior College, 58-18, Fitzgerald was a starter and tallied 8 points to land third place scoring honors.

In a story about the Yearling-San Angelo game, Bill Whitmore, of the Austin Texan sports staff, wrote the following: "Most gratifying showing of the starters was that of Fitzgerald, the tall boy from Crowell. Showing improvement with each game, Fitzgerald reached a new peak last night as he played a good floor game and scored 8 points."

CIRCLE UNION

Circle Union of the Epworth League met at the Delwin Methodist Church on Thursday evening, Jan. 16. An interesting program was presented by the Delwin young people. Rev. Crow of Paducah delivered the devotional.

Rev. H. A. Longino of Crowell presided at the business meeting in the absence of Neva Mills of Truscott, president of the Union. Several games were played and refreshments were served to delegates from Paducah, Crowell, Thalia, Dunlap, Dumont and Delwin.
