## Answerline

(Q) Do the reserve police officers in Colorado City need to have any type of training? And if they do how much training is it?

(A) The reserves in Colorado City have to go through the Reserve's Police Academy and complete 80 hours of training, C-City Chief of Police Ed Wheat said.

The academy was set up by the Texas Commission on Law Enforcement Officers' Standards and Education. A regular police officer must go through 400 hours of training, Wheat said. He also added that the number of hours required for a reserve will probably go up in the near future.

In attempted murder case

## Gomez sentenced to 20 years

By LUIS RIOS

A Mitchell County jury convicted Sammy Gomez of attempted murder and sentenced him to 20 years in the Texas Department of Corrections in 32nd District Court Wednesday evening, despite testimony by plaintiff Randy McPhaul where he said he was not sure if the accused Gomez had stabbed him.

Defense attorney Patrick Abeyta from Lubbock said he will appeal the verdict. Prosecuting the case for the state were District attorney

Rusty Carroll and assistant District attorney Ralph Strother.

The verdict was reached after the 7-man, 5-woman all white jury deliberated for two-and-one-half hours during the second day of testimony. The same jury, hours later, sentenced him at approximately 8:35 p.m. Wednesday.

Gomez, 23, was convicted for the attempted murder of McPhaul from an incident that occurred on February 2, 1983. The incident in question occurred on Roger's Road east of

Highway 208.

Gomez was later indicted on the charge of attempted murder by a Mitchell Grand Jury on July 15.

McPhaul was "stabbed" in the lower left back during the fight, according to testimony. The wound resulted in the puncture of the spleen, which was later removed, and the puncture of a lung.

During the cross-examination, Abeyta asked McPhaul, "You cannot unequivocally say that Sam stabbed you?" McPhaul answered,

"No sir." Later on during the testimony, he also said that he asked his friends to ask around to find out if anyone knew if someone else might have stabbed him.

Consequently, an eyewitness to the incident was present at the scene, according to testimony given by state's witness Brenda Feaster. Ms. Feaster reportedly was driving along the Rogers' Road (dump ground road) approximately at 7 p.m. when she saw Gomez and McPhaul fighting.

She testified she had seen two cars and a pick-up truck at the scene of the incident. The truck reportedly belonged to McPhaul and one of the cars belonged to Gomez. The owner of the third vehicle was never known.

Although the weapon or instrument used was never recovered, state's witness Dr. Thomas Noonan testified that the weapon was 8-10 inches in length and two inches in width.

However, the only evidence recovered at the scene for the incident

included a pocket-sized screwdriver, three full rounds of .38 caliber ammunition and one-half side of what appeared to be the handle of a pistol.

A knife was never found by Mitchell County sheriff Wendell Bryant and his department. The Sheriff's department went out to the scene of the incident at approximately 10:14 p.m., Bryant said.

The items recovered at the scene were never submitted for forensic examination and check-See GOMEZ, Page 2

## First National Bank to undergo expansion

The Board of Directors at First National Bank in Colorado City announced Friday morning, plans for the expansion and construction of its new permanent facility to be located adjacent (north) of its existing building.

The new facility will contain 7,000 square foot of floor space.

First National retained the architectural firm of Whitaker, Mc-

Queen and Jones of Lubbock, Texas. Plans should be completed in January with construction beginning in the

spring. The bank is celebrating their first anniversary having opened October 30, 1982. See FNB, Page 2

## First Western sets construction date

Construction on First Western Savings new building at 1927 Hickory

Street will start in 10 to 15 days according to Jack Hollis.

The Board of Directors accepted bids Thursday afternoon at the Civic Center as eight construction companies throughout West Texas submitted their bids.

Mike Klein Incorporated of Lubbock, Texas was awarded the bid. The companies bid of \$1,127,000 was the lowest bid received.

The new facility will also contain office space which can be leased by individuals or companies and according to Savings & Loan officials, the company is in the process of accepting applications.

Recently, First Western Savings was the new name selected for the

## Rader receives 25-year sentence

John Franklin Rader pleaded guilty to a charge of delivery of marijuana and was sentenced to 25 years in the Texas Department of Corrections, Wednesday in the 32nd District Court.

Rader, who reportedly has 13 other cases pending against him in about four counties, was convicted of a swindling charge in Bexar County in 1960. He was later convicted for theft of a Bailee in Harris County on June 6, 1963.

By pleading guilty to the delivery charge, Ra-

der took the minimum sentence. If convicted of the charge in district court, he would have faced up to a life-term sentence considering it was his third felony conviction.

Rader was indicted by a Mitchell County Jury May 1982. He has served 202 days of the 25 years in the Mitchell County jail.

Rader was arrested for the delivery of marijuana of more than four ounces and less than five pounds on December 9, 1981.

VINCE GAONA AND LYDIA VIGIL were crowned King and Queen at Westbrook High School's annual Fall Harvest Festival Friday night. Seated below them are Homer Matlock and Candy Baker.

## Warrant issued for man in connection with robbery

A warrant has been issued for the arrest of Jack Benny Woodson (alias Billy Don Jackson) in connection with the armed robbery of the B&J's liquor store on 405 E. Second St.

The robbery occurred at 8:30 p.m. Monday, according to Colorado City Police Department reports. The robber, who was wearing a red and black ski mask, took an undetermined

amount of money. Woodson, 33, is listed at 5-9, 190 pounds. He is originally from Banning, Calif.

"Through investigation, we were able to obtain information that tied him to the robbery," C-City Police Chief Ed Wheat said.

The information also revealed that Woodson

was staying or seen in Sweetwater two weeks prior to the robbery. The C-City Police Department has been unable to locate Woodson and they are asking for help from local citizens.

## Rural crime seminar slated for Tuesday

Statistics supplied by the Association of Texas County Law Enforcement personnel state that rural crime has increased dramatically in the last few months, according to a letter from County Extension Agent Bob Benson to Mitchell County producers.

Reasons stated are: more working farm wives, the general state of the economy, increased illegal alien traffic and the value of tools and equipment.

A meeting to provide you with information on rural crime and ways you can provide security for your home, barns, tools, machinery and tractors as well as proper identification of farm tractors, machinery and equipment to aid in both deterrence of theft and as an aid in recovery of stolen property has been scheduled.

The meeting will be at the C. C. Thompson Meeting Room, Page 2

See SEMINAR, Page 2

## Stubblefield to attend meeting

David Stubblefield of Colorado City, is one of the Texas Farm Bureau's Resolution Committee, comprised of forty-one farmers and ranchers, which will meet in Waco Nov. 7-9 to prepare a set of policy recommendations from the 1,500 resolutions received from county Farm Bureaus. Those final resolutions will be presented to the voting delegates attending TFB's 50th annual meeting November 27-30 in See MEETING, Page 2

ed for fingerprints, Bryant said.  
McPhaul testified that he was holding Gomez in a headlock and was sitting down on the ground with his legs sticking out. He said he then felt a throb in his back. He then stood up, felt weak and went blank. He said he knew then he had been stabbed.

Gomez testified that he saw McPhaul stand up but did not know that he was hurt. Gomez, who suffered a broken nose during the fight, said he went over to his car to clean off the blood off his face and nose.

While Gomez was bent over, McPhaul ran by him and over to his truck.

"I guess he was looking under the seat; I can't say that he was looking," McPhaul said. "But he was bent over."

car he said I'm going to kill you, you \$!\$."

McPhaul then got into his truck and tried to start it. Gomez by that time had come to the truck and was hitting on the window with an unidentified instrument, according to testimony.

However, McPhaul left the scene and went to Joe Anderson's home which is also located on the same road.

Ironically, the defense argued that the door to the truck was unlocked and Gomez could have easily gotten into the truck.

McPhaul was briefly treated by Dr. Noonan at the Anderson home. Dr. Noonan was the at the Anderson residence on business, Anderson said earlier.

Both the state and the defense rested their examination of the witnesses late Tuesday af-

ternoon. District judge Weldon Kirk then called a recess until 9:30 a.m. Wednesday morning when the arguments by the state and defense would be heard and a verdict reached.

# Seventh graders take Ballinger Bearcats

The Wolves seventh grade footballers kept up their winning ways as they defeated the Ballinger Bearcats 30-0, but the eighth grade Wolves suffered their second loss of the season.

The running of Beau Rees and Jerry Hulme paved the way to victory for the seventh grade. Hulme scored two touchdowns and Rees added a 25 yard run late in the contest.

Hulme got the Wolves started on a four yard run and Rees added the two point conversion. With :10 remaining in the half, Rees threw a 25 yard scoring pass to quarterback Chris Perkin on a "flea-flicker" play. Again Rees got the two point conversion.

Hulme scored again in the third quarter on a three yard run, and Perkin's pass to Paul Ausbie accounted for the two points.

The Wolves final score of the night came in the fourth quarter on Rees' run.

Coaches credited Den-

nis Smith, Michael Morales and Bo Alvarez with having outstanding games.

The Wolves eighth grade fell upon hard times as they fell to the undefeated Bearcats by a count of 28-8.

Ballinger struck on the first play of the game on a 60 yard run. They went on to add another tally to take a 14-0 halftime lead.

The Wolves came back in the second half and engineered a 60 yard scoring drive on their first possession. Israel Davilla scored on a four yard run. He also added the two points to cut the lead to 14-8.

But it would end the scoring for the Wolves as Ballinger protected their winning streak. The 'Cats haven't lost a game in two seasons.

## Marian's Memos

By Marian Morris

Americans will suffer through an estimated 70 million colds this year. This means that we'll be missing work, falling behind in school and—worst of all—spending a lot of time feeling just plain "miserable."

Contrary to popular belief, colds are caused by viruses—not by exposure to rain, cold or drafts—although these lower our resistance and make us more susceptible to viruses. By nature, viruses are highly contagious, and they're spread more rapidly in the fall and winter when people are in closer contact and spend more time indoors.

Here are some ideas to help you survive the

cold season:

—Stay away from cold sufferers and from surfaces they've touched. If a member of your family is sick, let him or her use disposable plates and utensils to prevent the spread of the infection.

—Don't allow the air in your home to become excessively dry. A humidity level of 35 to 40 percent will keep the mucus membranes of the nose and throat moist and thus serve more effectively in trapping germs before they can infect the body.

—If you do come down with a cold, follow the time-honored guidelines of staying in bed, drinking plenty of liquids, and taking medication to

bring down your temperature. This will probably be more effective than any cold remedy you can buy. A study by the Food and Drug Administration reports that cold medicines may temporarily relieve the symptoms of a cold, but none can cure it or alter its course. Even Vitamin C has yet to be proved effective in preventing or curing colds.

—Be patient. A cold needs to run its 7-10 day course, and if you attempt to carry on with business as usual you will probably wear down your strength and prolong the infection. Be good to yourself and remain in bed for at least a day, covering with a warm blanket. By resting and relaxing, your body will have a chance to fight the cold without everyday stress.

## Anderson to present art exhibit

Leola Anderson, an accomplished artist, will hold a graduate art exhibit of paintings and drawings on Tuesday, November 1 with a reception from 7:30 to 9 p.m.

The exhibit will be held at the third floor gallery of the University of Texas at the Permian Basin in Odessa.

Her drawings will be exhibited through November 22.

A West Texas native,

### Playhouse rehearsal underway

Colorado City Playhouse is now in rehearsal for "The Fourposter," a three act comedy that has become a national classic. It is still being presented by both professional and amateur groups throughout America. The comedy is an honestly moving chronicle of a husband and wife from their wedding night in 1890, until they pack and move 35 years later. They fret and quarrel, laugh and cry and make love in the same room in which they began their married life. And throughout the evening, standing center stage, is the old fourposter, scene of all their endearing memories.

"The Fourposter" will star Carl Beery Moore and Sharon Nelms. Moore needs no introduction to Colorado City Playhouse patrons, having delighted audiences in the past with both his superb acting and directing. Sharon Nelms, although a new-comer to the Opera House stage, has a background of participation in a long list of amateur plays and musicals in other theaters.

"The Fourposter" is being directed by Porter Richardson and Tandy Curlee is in charge of set design and construction. Playhouse Vice President David Jones is the producer.

The play is scheduled to be presented on the Colorado Opera House stage early in December.

Mrs. Anderson lives on a cotton farm a few miles east of Colorado City. She received her Associate Art Degree and graduated with honors from Western Texas College in 1974.

She graduated from the University of Texas with her Bachelor of Arts Degree in 1976.

Mrs. Anderson is presently doing graduate work at Texas Tech toward her Masters of Fine Arts Degree.

Her experience in art is well-known. She has taught workshops at the University of Texas at the Permian Basin, in Colorado City and Snyder.

She has explored areas of print making and sculpture and has given painting demonstrations at Midland College.

Her art work has been

exhibited at such places as the Colorado City Civic Center, Scurry Co. Art Club, Lubbock Art Association, Museum of the Southwest in Midland and Western Texas College Art Gallery.

She has received such prestigious awards as senior award for outstanding art work at UTPB in 1976, William King Scholarship Award at UTPB in 1982 and Texas Fine Arts Association Citation Award this year.

Such galleries as Sonja's in Odessa, The Prairie House in Abilene and Eureka Springs, AK and The Galleries in San Angelo have exhibited her work.

Leola's husband, Warren and their four children are very supportive of her endeavors toward making art.

Mrs. Anderson commented about her work.

"If there is any one truth that I have found in my deliberate search for a meaningful direction of art, it is that there has to be an 'honesty' between the artist and his artform. Through my much enjoyed (though many times painful) school years, I have learned many techniques, acquired a lot of technical knowledge, but the hardest lesson of all has been to select, focus in on an image that I truly liked, felt comfortable with and could relate to."

The public is invited to attend Mrs. Anderson's exhibit in Odessa on November 1.

## "The god of Rock" seminar scheduled

Today's rock music is more than just the long hair or the loud beat; it has progressed into an extremely powerful form of communication.

After one and a half years of indepth research Michael K. Haynes, a former professional musician, has completed an analysis of the multi-billion dollar industry known as "rock music."

Mr. Haynes will be featuring "The god of Rock" seminar Sunday, November 6 at 7 p.m. in the CHS Auditorium.

This seminar is a one and a half hour educational presentation with a multi-media demonstration. It is acclaimed to be the most comprehensive and startling information ever presented.

Michael is the founder and president of a publication firm known as Priority Publications, Inc. He is a prolific creative writer with works ranging from music to theology.

He is the author of "A Guide to Knowing God," "How-To's for Christians," "Brother - This Stuff Will Preach" and his latest creation "The god of Rock."

He invested 13 years as the pastor of four Southern Baptist churches as well as doing study and specialized work with youth and their related problems. Having completed a B.A. in Theology, he has done graduate work in Psychology.

Everyone is invited to attend this enlightening seminar.

## Defensive Driving class scheduled at Wallace

A Defensive Driving Course is being offered at the Wallace Center on November 3 and 4. The classes are sponsored through Western Texas College in Snyder.

The classroom sessions offer pointers in preventing accidents in spite of the incorrect actions of others and adverse driving conditions.

The course will have two sessions Thursday and Friday nights from 6-10 p.m. Films and other visual aids will be used to demonstrate how to improve driving skills.

Persons completing this course will be eligible for a reduction in insurance premium rat-

es, also for possible ticket removal. The fee for persons 65 years and over is \$15. Others will pay a fee of \$22.

You may register at the Wallace Center. For more information, phone 728-2392. Pre-registration is required by November 2 at 4 p.m.

## A Whole Family Is Saved

Felix Silva  
Calvary Baptist  
Mission

The jailer called for a light, rushed in, and fell trembling at the feet of Paul and Silas. Then he led them out and asked, "Sirs, what must I do to be saved?"

They answered, "Believe in the Lord Jesus, and you will be saved-you and your family." Then they preached the word of the Lord to him and to all the others in the house. At that very hour of the night the jailer took them and washed their wounds; and he and all his family were baptized as once. Then he took Paul and Silas up into his house and gave them some food to eat. He and his family were filled with joy, because they now believed in God.

Wedding bells rang at Root Lodge Monday evening.

Jeff Wooddell of Lorraine, son of our administrator Mrs. Mary Wooddell was united in Holy wedlock to Miss Myra Burnette in the lobby of Root Lodge.

Their chosen colors of lavender and purple adorned our lobby. Their flowers were pink, orchid and purple.

The bride wore a deep purple suit and carried an orchid bouquet.

The reception was held in the lodge dining room. A white-tiered wedding cake with silver bells and pink punch were served.

Those in attendance were the families of the bride and groom and the staff and residents of the lodge.

All of the residents were excited and pleased to be a part of the wedding.

Some were misty-eyed but all were smiling. It was a lovely event that we will not soon forget.

Billie Norman, our dietitian, who is to be married to Mr. David Woods was honored with a bridal shower in the dining room of the lodge Monday afternoon. The shower was hosted by the employees of Root Hospital and Root Lodge.

It almost seems like spring with weddings, bridal showers and rain showers, but our Halloween carnival this Friday, October 28 keeps reality in the foreground as we make our plans and preparations to host the little ghosts and goblins.

The carnival will start at 6:30 p.m. until 8:30 p.m. and everyone is welcome.

# Wolves break Broncos in squeaker, 21-19

By STEVE BELVIN

The Wolves 21-19 victory over the Sonora Broncos could be looked upon as two games rolled into one.

The first game was the first half and it was great for Wolves fans because the Pack outscored their opponents 21-0. The second half was the second game and the Wolves performance was still great—that is if you were a Sonora fan.

After getting whipped all over the field in the first half, the visitors from Sonora returned the favor to the Pack as they played ball control and field position to march for three scoring drives.

On the last two Sonora tallies, the Wolves defense stiffened and stopped the Broncos, which proved to be the winning margin.

The win sets up C-City's showdown with Crane in the final district game. The Cranes tied Ballinger 14-14 and their district record is 3-0-1. The Pack lost to Ballinger and their record is 3-1. So whoever wins this game, will be assured of a state play-off spot.

For the Wolves, this victory could be chalked up in their "believe it or not category." Who would

believe that one of the finest passing attacks in the area would only throw 10 passes the entire night, and who could ever picture the Wolves not throwing the ball once in an entire half (second half).

And who could ever suspect Doug Chitsey, the third ranked quarterback in West Texas, would complete just as many passes to the other team as he did to his own teammates.

That's right, the golden armed Chitsey completed three of 10 passes for 20 yards. Chitsey suffered three interceptions during the first half. But in the end, it was a scrappy Wolves defense, led by tackles Wylie Stice, Kevin Norman, linebacker Don Randle and end Raymond Bassinger, that prevailed.

The first half or first game was a picture of Wolves dominance. The score could have very easily been 35-0 if not for a Victor Lira interception at the Sonora five on the Wolves first possession and a Jeff Brittain interception at the Sonora two on the Pack's second possession of the game.

Following the two turnovers, the Pack's defense went to work on the ground as tiny running back Larry Hamilton

rushed for 142 yards in the first half alone. The slippery runner finished the night with 155 yards on 29 carries.

Early in the second quarter, the Pack launched their first scoring drive which covered 51 yards. Nine running plays covered the distance. Hamilton got the honors from the two. Dennis Rivera's point after touchdown was good and the Pack led with 11:13 remaining in the half.

On the Wolves next possession, they rambled 65 yards in nine plays. Hamilton and Chitsey ate up the yards provided by holes opened up by a fiery Wolves line.

Hamilton got the score from 22 yards out as

he broke three tackles and headed down the sidelines. Rivera's PAT was good and the Pack led 14-0 with 4:55 remaining.

Late in the half, the Broncos dug their own grave as the snap on a punt was over the punter's head. A host of Wolves blocked the ball at the Sonora 21 and an alert Don Randle picked the loose pigskin up and rambled to the Sonora six.

From there, it took the Wolves four plays as Chitsey kept on the option and scored from the four. Again Rivera's PAT was good and it looked like a Wolves blowout.

But the second chapter of the story unfolded in the second half as the Broncos went to work.

After running only 18 plays the entire first half, the visitors got their running game untracked and kept the ball for 19 minutes and allowed the Wolves only one first down.

The momentum switched to the Broncos when Jesse Guera returned a Troy Williams punt 45 yards to the Wolves 13.

Sonora scored in four plays. The PAT was good and the lead was cut to 21-7.

Early in the fourth quarter, Sonora engineered its second scoring drive of the half, a 37 yard, 12 play drive with backs Lira and Tino

Martinez gaining most of the yards. Lira scored from three yards out.

The try for two was a

dandy if it had worked. Quarterback Jeff Brittain rolled right and passed left across field to a wide open Esau Ramirez, but the receiver failed to get his feet in bounds.

Late in the contest, the Broncos got a 17 yard punt return to the Sonora 45. Again Lira and Martinez gobbled up the yards against the Pack's defense. The 10 play drive was capped off by Martinez's one yard plunge.

Going for the tie, the Broncos elected to try for two. Brittain's keeper around the right end was stopped a yard short by Bassinger and a host of Wolves.

Needing the ball back immediately with only 1:36 remaining, the Broncos decided to go for the onside kick, but it failed preserving the Wolves victory.

The Wolves won the statistics battle 233-187. Hamilton led all ball carriers. Lira and Martinez totaled 59 and 57 yards respectively. The Broncos passed for 37 yards. West Texas leading receiver Dennis Rivera had two catches for 16 yards.

The win leaves the Wolves record at 6-3 for the year while Sonora drops to 5-4 for the season and 1-3 for district.

WOLVES RUNNING BACK Bill Jackson (21) rambles around right end for a gain against Sonora Friday night at Wolf Stadium. The Pack gained their third district win against one defeat as they edged Sonora 21-19.

## After the Victory

Larry Hamilton, running back, "The key to my getting around the corner was fantastic blocking and hitting the right Veer hole and right dive. We worked on it hard all week and it paid off. They hit hard. I got hit so hard one time I couldn't see straight."

Head coach Tom Ramsey, "I'm not sure we let up as much as the bad field position we had in the second half. We broke down on our punt coverage and that enabled them to get a touchdown. The defense

came through and held them on the two point conversion and basically that was the difference in the ball game. If we want the Crane game bad enough, we will go down and get them."

Kevin Norman, defensive tackle, "It was my first start ever at defensive tackle. It can be fun at times but you have to be intense. I was quicker than my man but he was stronger."

Wide receiver Edward Rivera, "We intended to throw but they

had us covered pretty good so we ran the ball. They had a pretty good secondary."

Tight end Charles Iglerhart, "Some of us let up in the second half. We weren't expecting them to come out the way they did. I think they were a little flat in the first half. I doubled team the tackle with the offensive tackle on the outside plays. To beat Crane we have to get after them the first half and finish it up the second half."

## Crane smashes spikers 15-9, 15-13

By STEVE BELVIN  
Crane rallied around the return of star spiker LaWanza Mitchell to soundly defeat the Wolves 15-9, 15-13 and force a playoff game to decide the district 6-3A championship.

Crane's victory in front of their home crowd Tuesday night forces a tie-breaker tilt which will be played Monday at 7:30 p.m. in Crane, by virtue of Crane winning a coin flip.

Mitchell returned after knee surgery and her presence inspired the Cranes to give the Pack a lesson in "power volleyball."

Mitchell, along with sister Jo, Julie Brunson and Teri Grooms, spik-

ed and blocked most Wolves attempted kill shots.

"LaWanza plays a big part to them because she is their leader. We didn't block and made some mental mistakes. They got the ball to their setters and we didn't," said Wolves coach George Martin.

After getting blown out in the first match, the Wolves made a genuine run at victory in the second match.

Trailing 2-0, Sheri Morris got the Pack rolling with three points. Denise Jackson and Laura Baum combined for three points and Lynn Scott added three more tallies and the Pack held a slim 9-8 lead after one

service round.

It looked like the Wolves had the home team on the ropes when Robyn Turner and Jackson's tallies moved the Wolves lead to 13-11. But the Cranes put a stop to their hopes as they went on to score the final four points.

The first match was no contest as Crane jumped out to a commanding 10-2 lead.

After Tuesday's defeat, Martin said that his team will have to play smarter ball Monday. "We have to mix it up with our dinks and spikes. We can't win with straight power. Whoever is ready to play Monday will win," Martin said.

Turner and Scott led a dismal Wolves front line attack with two kills each. Traci Blackwell and Turner scored five and four points respectively. Blackwell and Morris each had 24 sets while Carla Calaway finished the night with five sets.

The loss drops the Wolves district record to 1-1 and season record to 13-6.

In other action, the Wolves junior varsity fell to the Cranes by scores of 15-9, 6-15, 11-15. Coach Linda Mathis was not disappointed in

their performance. "In the first match we really looked well. We spiked good and Sandra Williams got her timing down and got three spikes," said Mathis.

Diane Gregory and Jody Huff led the Pack with six kills each.

The Wolves freshmen also lost by scores of 6-15, 7-15. "We played pretty good. We had some good spiking by Lee Ann Parker, Holly Tarter and Sally Mendoza. I am very proud of all the girls in the improvements they have made," said Mathis.

Parker and Tarter led all spikers with three kills each. Audie Rivera and Kellie Beights scored four and three points respectively.

Mathis also singled out the fine setting of Carmen Reyes and Cynthia Walker.

## Ballinger edges JV, 21-7

By STEVE BELVIN  
The junior varsity Wolves scored the first touchdown of the contest, but that was all they could muster as Ballinger rallied to take a 21-7 victory.

What little offense the Bearcats generated, came in the first half as they scored two TD's on drives of 40 and 42 yards. Their final touchdown came late in the contest after the Wolves had all the air taken out of their sails.

This came late in the fourth quarter with the visitors leading 14-7. Quarterback Mike Ligon and Co. then proceeded to drive from their own 24 for what looked like the tying touchdown.

Ligon promptly kept the option for 10 yards. Next Junior Coronado rambled for 15, then Ligon kept again for 12 more. Coronado kept the ball rolling with a 17 yard run for another first down.

Two handoffs to the hard running Sammy Rivera moved the ball to the Bearcat 24. Rivera again had a brilliant rushing performance as he gained 206 yards on 28 carries.

But on the next play, disaster struck when Ligon never got the snap from center and Ballinger recovered ending the Pack's final scoring threat with less than two minutes remaining. The Bearcats went on to score an insurance touchdown with :8 left.

During that drive, Ballinger made three of their five first downs for the half, indicating the Wolves dominance.

In the opening period, it looked like the contest might turn into a high scoring game when Rivera promptly ripped off a 73 yard scoring run. Heath Blassingame added the point after touchdown, and the Wolves led with 7:00 left.

But Ballinger roared back thanks to a good kick off return down to the Wolves 40. From there it took the visitors only three plays to score thanks to an 18 yard TD pass and the score was tied with 5:35 remaining in the first quarter.

In the second quarter, following a short Wolves punt the Bearcats drove 42 yards on six plays. The touchdown was scored on a four yard run.

Three times during the second half, the Pack got inside the Ballinger 35, but each time they came up empty handed.

THESE BOXERS in the Mitchell County Boxing Club are hard at work in their preparation for their tournament which will be November 4-5 at the Wallace Center. All proceeds from the tournament will go to the boxing club.

## Mitchell County Boxing Club to hold tournament Nov. 4-5

By STEVE BELVIN  
The Mitchell County Boxing Club will have their second tournament of the season November 4-5 when they sponsor a tournament at the Wallace Center.

Price of admission to this two day card will be \$2.50 for adults and \$1.50 for students each night. Bouts will begin each night at 7 p.m., and all proceeds will go to the MCBC which is coached by Vince Gaona, Sr.,

and managed by Johnny Molina.

The matches will be governed by American Boxing Federation rules and several Open Class bouts will be held.

Teams from Odessa, Big Spring, Seminole, Abilene, San Angelo, Lubbock and Sweetwater will be entered. Teams from Del Rio, Olton, Uvalde, Brownwood and Midland will also be participating. Last week a few box-

ers geared up for the bouts with practice matches in Snyder.

Joe "Chico" Flores knocked out an opponent in the first round and Jeremy Strawcuter decided his opponent in a three round bout.

Also this year MCBC has something to offer it has never had in the past—a female boxer.

Eleven-year-old Mary Ellen Beltran won a

unanimous decision over another female boxer from Snyder.

Coach Gaona has been working out his team for about a month and a-half and says the team is progressing along well. So if you are a boxing fan, come on out and see the youngsters in some fast moving action, and support the Mitchell County Boxing Club.

AN UNIDENTIFIED WOLVES Freshmen defensive back puts a tight hold on a Ballinger receiver. Pursuing the play is Terry Jackson 20.

## Bearcats destroy frosh, 46-0

By STEVE BELVIN  
Somebody should tell the Ballinger Bearcats freshmen footballers that track season doesn't start for a few more months.

Because in Thursday's game at Wolf Stadium, the Bearcats ran all over the gridiron as if the state track title was on the line as they sprinted to a 46-0 trouncing of the Wolves.

The game was all Ballinger from the start as the visitors ran and passed their way at will and allowed the Pack's offense to penetrate inside their 20 yard-line only once.

Actually the Wolves didn't play that bad in the first half as they allowed 22 points. But two of the touchdowns came after Wolves turnovers and the Bearcats had to drive only 35 and 30 yards for their opening touchdowns.

Ballinger's final touchdown before the half came with a few minutes remaining. The visitors marched 60 yards in five plays for the tally.

The Pack's only bright moment in the half came when linebacker Michael Swann recovered a Ballinger fumble at the Bearcat 37.

In the second half, the Bearcats were simply awesome. Four times they touched the ball and all four times they reeled off scoring drives of 70, 64, 92 and 53 yards.

The first tally came on a 27 yard run with

8:15 remaining in the third quarter. The second scoring drive took 12 plays and was capped off by a seven yard pass in the third quarter.

The third TD came in the fourth quarter on a 55 yard quarterback sc-

ramble, thanks to no less than six missed tackles. The final drive took only four plays and was capped off by a 27 yard scoring run.

The Wolves only bright spot in the game came in the fourth quar-

ter when the Pack drove 52 yards down to the Bearcat eight. Running back Terry Jackson gained most of the yardage as he ripped off runs of 22 and 15 yards. But the drive was stopped by a fumble.

**Middle School officers elected**

Colorado Middle School recently held Student Council elections for the 1983-84 school year.

Officers elected in-

clude Shelly Bird, 8th grade, president; Christy Mitchell, 8th grade, vice-president and Misty Strain, 8th grade, secretary.

Elections were also held for class representatives. Each grade level elects six students to represent them at Stu-

dent Council meetings. Representatives for the 8th grade include: Naomi Franco, Billie Muncrief, Reese Moore, Michelle Casey, Ricky Arispe and Israel Davila.

Seventh graders include: Kirby Barber, Sylvia Alvarez, Oria Gonzales, Steve Nail, Laura Alvarez and Mikki Sullivan.

Delegates from the 6th grade are Leticia Garcia, Ricky Westbrook, Brittany Bridgford, Jennifer Arispe, Ernie Salgado and Todd McNeal.

According to Student Council sponsor, Tom Kelly, Middle School Student council serves two purposes. "The first and most important is that it gives the kids a voice in how their school is run and lets them help to decide on the various activities we have for the students. Secondly, it prepares them for leadership in high school student government."

COLORADO MIDDLE SCHOOL recently elected their student council officers for 1983-84. They are (left to right) Shelly Bird, 8th grade, president; Christy Mitchell, 8th grade vice-president and Misty Strain, 8th grade secretary.

Special Interest for November, 1983  
Tuesday, Nov. 1, quilting, Thelma Howell has put together another beautiful butterfly quilt top, please come and help on quilting days.  
Wednesday, Nov. 2, special breakfast, we would like to organize a Senior Citizens Council. We will elect officers and plan some new activities. We need all of you here for this. Menu: sausage, eggs, biscuits, juice and coffee. RSVP on Tuesday, November 1.  
Wednesday, Nov. 16, craft day, make items for the Christmas Bazaar. We have fabric, supplies and sewing machines. Finish pillows, all we need is you. Bring your ideas in before the 16th.  
Thank you, to those who helped with the Mitchell County Fair, helping with quilts, the ladies who do the laundry, to those who brought produce, watermelons, cantaloupes, tomatoes, peas, etc. To Maurine Myers for the electric pecan sheller; to Thelma Howell for finishing the beautiful gold satin quilt; to our new hosts and hostesses; to Lillian Myers for her faithfulness in her job; to all of our men and women on he serving line; to our volunteer blood pressure checkers; to all of our great members for supporting us; to Nellie Haley and Rochelle Smith for painting all of the ceramics; to Mary Hackleman for leading the choir.  
Attendance, we have missed some of you lately. Please come back. The larger our crowds, the less donations needed for our meals program. We need you!!!  
Men, we are in need of a wooden sign made (we can do the lettering) and the back walk painted (yellow stripe) to make a special parking place for our van to unload at meal times. If you can help on this, please notify Barbara or Vickie.  
Shut-ins, if you, or someone you know is confined to the home, we want to know!! We can better serve with cards, calls, visits, etc., if you keep us informed.  
Quilting for the public, we have had a lot of requests to quilt for the public—if interested in making some extra money, call and let us know.  
Bridge classes, "Play of the Hand" bridge lessons are held each Wednesday at 1 p.m. Only a basic knowledge of bridge is required. Coleen Palmer teaches the class. The fee is only \$5 which is donated to Wallace Center by the instructor.  
Why not call a friend and invite them to come with you the next time you come out.

### LAURA'S POUND CAKE

Cream together:  
2 cups sugar  
1 cup whole eggs  
1 cup Crisco  
Beat mixture until fluffy.  
Sift Together:

2 cups flour  
¼ teaspoon salt  
1 teaspoon baking powder

Add alternately with two-thirds cup sweet milk to egg mixture. Add 1 teaspoon vanilla; beat with mixer until well blended. Cook in bundt pan for 1 hour and 10 minutes at 325 degrees.

### MICROWAVE FUDGE

1 can Eagle Brand milk  
18 oz. pkg. chocolate chips  
Put into 4 cup measuring cup. Place in micro-

wave on high for 2 minutes.

Add:  
1 cup marshmallow cream; stir until well blended.

Add 1 cup chopped pecans and 1 teaspoon vanilla  
Pour out in a buttered pan and chill.

### MICROWAVE PEANUT BRITTLE

1 cup sugar  
½ cup Karo syrup  
One-eighth teaspoon salt  
1 teaspoon vanilla  
1 tablespoon butter

1 teaspoon baking soda

Stir together peanuts, Karo, sugar and salt in 4-cup measuring cup. Put in microwave on high for 7 minutes. Add butter and vanilla and put in microwave for 2 more minutes on high. Add baking soda and stir until lightly foamy. Pour out into a greased cookie sheet. Let cook and break into pieces.

## INSURANCE TIPS

Randy Phillips

### What Does Your Homeowners Insurance Cover?

There are three types of Homeowners insurance available in The State of Texas. Do you know what they are? Do you know which one you presently carry? Do you know the differences in these three policy forms?

These are questions everyone has asked at one time or another. Is it worth the time to check into these details and decide which of these coverages most fits your needs and your pocketbook.

The three forms in question are the Homeowners A, Homeowners B, and Homeowners C. The Homeowners A is a named perils form for Dwellings and Unscheduled Personal Property (contents). It includes the perils of fire, extended coverage, vandalism and malicious mischief, and theft. The Homeowners B provides All Risks perils (except named exclusions) on the Dwelling, but only Named Perils on Unscheduled Personal Property. This is the most popular form and the one that is used most frequently. The Homeowners C is an all Risk form on both Dwelling and Unscheduled Personal Property. Any loss not specifically excluded is covered; therefore, it is very important that you discuss the exclusions with your agent on this form.

Let's compare these policies and their coverages.

As discussed before, the Homeowners A is a Named Perils form. There are many small differences between this policy and the Homeowners B and Homeowners C; however, there are a few big differences also. These major differences are:

1. SMOKE COVERAGE: The Homeowners A specifically excludes smoke damage from fireplaces and heating or cooling units. The Homeowners B does provide this coverage as does the Homeowners C.

2. WATER: The Homeowners A excludes backing up of sewers or drains and also leakage from plumbing or heating systems. The Homeowners B and Homeowners C forms do provide this coverage.

3. FREEZING OF PLUMBING, HEATING SYSTEMS: Again, the Homeowners A has no coverage for this type of loss while the Homeowners B and Homeowners C do provide this coverage except when the dwelling is left unoccupied and heat is not maintained or the system drained.

4. FALLING OBJECTS: Collapse of building is not covered under the Homeowners A. The Homeowners B and Homeowners C does include this coverage.

5. THEFT: All three forms provide theft on Unscheduled Personal Property; however, mysterious disappearance is included only on the Homeowners C. Theft from an unattended vehicle is included on the Homeowners B and Homeowners C.

6. REPLACEMENT COST ON DWELLING: If the amount of insurance on the dwelling is 80% or more of full replacement cost, coverage is extended to include full cost of repair or replacement (without deduction for depreciation) on forms Homeowners B and Homeowners C.

All three forms provide personal liability, medical payments, physical damage to property of others and fire legal liability.

This is only the high points. If you would like more information pertaining to your Homeowners insurance and which form is best for you, please call us. We will be glad to answer any questions you might have.

## Vicki Ramage's specialties are quick, easy microwave dishes

Vicki Ramage of Colorado City began cooking when she was about 10 years old.

"I cooked a lot with my grandmother and mother. They really taught me the basics."

Vicki is the wife of Alan Ramage and they have two children Coley age 12½ and LeeAnn who is four.

"Alan really helps me a lot. He usually cleans up after meals."

She stated that her favorite things to cook are quick dishes that can be cooked in the

microwave and ice cream.

Today she is sharing three of her favorite recipes for RECORD readers.

# Letter to the Editor

The "Letter to the Editor" published in full below came as a rebuttal to the James Kilpatrick editorial in the October 22, 1983 issue of the Dallas Times Herald. The editorial was entitled "Another abominable tampering with the Bible."

The editorial is protected by copyright law. It is a product of Universal Press Syndicate. The editorial is presented in its entirety.

The enclosed article appeared in the Dallas Times Herald, Saturday, October 22, 1983.

This subject (inclusive language lectionary) is proposed to be used in liturgical lessons—but it is nothing short of blasphemy!!

In the past, we have given the National Council of Churches the benefit of the doubt in some of its questionable activities—but now, for them to even entertain the possibility of accepting such a blatant disregard of the true word of God is more than we can swallow.

Therefore, after much prayer and consideration, we will be compelled in all good conscience, to withdraw our title from the church as long as it is a member of the National Council of Churches.

Sincerely,  
Mr. & Mrs.  
Lloyd Richards  
Colorado City, Texas

It probably is a waste of time, energy and indignation to denounce the latest effort to castrate the Holy Bible, but vandalism of this magnitude ought not to go unremarked. The National Council of Churches is out to take the sex out of Scripture. In the name of God, what is the council up to now?

This particular piece of desecration is a 112-page "Inclusive Language

age Lectionary" intended for use in Episcopal, Methodist, Lutheran, Presbyterian and Roman Catholic churches. A lection is a liturgical lesson for a particular day. Passages come from both the Old and the New Testaments.

The council's purpose is to rewrite these passages so as to eliminate references to gender, or as an alternative, to spread the gender around. Thus Jesus no longer would be identified as the "son" of God, but rather as the "child" of God. In this egalitarian version, it is "God the Father (and Mother)." The word "king" gives way to "ruler," and "kingdom" yields to "realm." No longer is a promise made "to Abraham (and Sarah) and their descendants."

Up to a point, it is possible to be sympathetic toward the aim of these misguided revisers. In recent years most of us in the writing business have become sensitive to feminist complaints against sexism in the English language. There is something to be said for the argument that such terms as "manpower" and "man-hours" tend to denigrate the value of women's role in the marketplace. When it is possible to avoid offense by eliminating pronouns of gender, it is a fair and prudent thing to do so.

But the rewriting urged by the National Council of Churches is indefensible. One example will suffice. In Matthew's account of the Last Supper, Jesus announces that he is about to be betrayed, and the apostles ask, Lord, is it I? The King James version continues: "And he answered and said, 'He

that dippeth his hand with me in the dish, the same shall betray me. The Son of man goeth as it is written of him; but woe unto that man by whom the Son of man is betrayed!'" The Revised Standard Version is virtually the same.

The NCC's new lectionary would put it this way: "Jesus answered, 'The one who has dipped hand in the dish with me, will betray me. The Human One goes as it is written, but woe to that person by whom the Human One is betrayed!'"

The first trouble with that abominable revision may be stated simply: Matthew never wrote it that way. The Gospels were written in Greek. I will not be drawn into an argument about divine inspiration and the word of God; theology is off my beat. But I know something of the art of translation and of the respect that is owed to an original author.

It is patent dishonesty—it is an act of corruption in the most literal sense—to put into the mouth of Matthew words that Matthew did not say. John never wrote that "God so loved the world that God gave God's only Child." The Greek passage cannot possibly be mistranslated by anyone who sets out to do a faithful job. The words are not "only child." The words are "only son."

The council's recasting is not only dishonest; it is the product of an essentially mistaken notion that "man" is invariably a sexist noun. This is nonsense. Only the most wildly militant feminists believe that "Man does not live by bread alone" applies to males only. Who is so blockheaded as to argue that "man-

kind" excludes women? The NCC revisers evidently are that blockheaded. Observe the contrived and clumsy translations they have cooked up in this lectionary.

My guess is that most congregations will reject the council's neutering out of hand. The new

lectionary is only the most recent of a score of well-intended efforts along the same line. None of the predecessors has caught on, and I doubt that English-speaking Christians are yet ready to address their prayers to God the Father (and Mother), or to God the Chairperson either.
