School Ready For New Year

YA GOTTA HAVE HART—This seems to be the sentiment expressed by the Hart High School cheerleaders as they prepare for the coming fall football season. Left to right are Pam Houston, sophomore, daughter of Mr. and Mrs. A. C. Houston; Martha Sharp, junior, daughter of Mr. and Mrs. Frank Sharp; Rene Brooks, senior and head cheerleader, daughter of Mrs. Geneva Brooks, and Linda Popejoy, sophomore, daughter of Fred Popejoy. The group recently picked up a first place in overall competition for cheerleaders in schools with four cheerleaders at the Texas Tech Cheerleading School.

AT SAM MCGILL HOME

Causes 'Monkey Business'

"Monkey business" is getting to be a regular order of business around the home of Mr. and Mrs. Sam McGill since a new pet became a part of the household.

The pet is a year-old monkey the McGill's acquired two months ago from a pet shop in Plainview.

Named Freddie the Freeloader, the new arrival has already made fast friends with another McGill pet, a Chinese pug called Princess.

When Freddie leaves his cage

at the back of the house, he heads almost immediately for Princess, maybe to get the latest gossip on the other pets in the neighborhood.

Freddie's appetite doesn't play favorites, according to the McGill's two children, Kim, 12, and Roni, 10.

They both agreed Freddie eats almost anything, with canteloupes, grapes and bananas ranking high on his list of favorite fruits.

Freddie is not quite tame enough to have the run of the

neighborhood, but the McGills do take him out regularly to enable him to get enough exercise.

Since Freddie doesn't have his own shower, the McGills plan to bathe him just like any other new arrival. They have not been able to overcome Freddie's aversion to water yet, but as soon as he is a little tamer, a regular bath is on the schedule.

Freddie is still a little wary of strangers, and his favorite in the household seems to be Mrs. McGill. When strangers approach, or the pace gets a little too hectic, Mrs. McGill can expect him to come running.

Like any other male, he seems to prefer feminine company to male, and he still won't have much to do with the male members of the household.

The monkey is a long way from his home, coming originally from Africa. But he seems to be ready to take up permanent residence in Hart with the McGills.

AND I LEFT AFRICA FOR THIS?—Freddie the Freeloader, pet monkey owned by the Sam McGills, seems to have a few second thoughts about his new home out of the jungle.

It's almost time for mothers of school age youngsters to breathe a sigh of relief, because school starts at Hart Aug. 30.

School Supt. Andy Gardenhire has released a list of teachers to be in attendance when the doors open this fall, football coach Jeff Smart is already sending his charges through pre-season workouts, and lunch room employees are making final preparations.

High school registration starts today and will run through tomorrow, between 8 a.m. and 4 p.m.

First graders will register Aug. 26, and parents of beginners are encouraged to have the children at the school at 9 a.m.

First graders will attend classes from 1-3 p.m. the same day and parents are asked to pick them up as soon as classes are over.

Students in grades two through eight will register Aug. 27 from 9 a.m. to noon.

Buses are scheduled to begin their runs Aug. 27.

Classes begin the first day at 8:30 a.m., with first four grades dismissing at 3:15 p.m., the fifth and sixth grades at 3:35 p.m., and junior high and high school at 3:55 p.m.

The lunchroom staff has been set, with Bertie Godfrey acting as supervisor and cook, assisted by cooks Veda McKay, Violet Sharp and Thelma Martin, and cashier, Mrs. Ed Benton.

Included on the high school staff are Supt. Gardenhire; Tom Ed Benton, business manager; Hubert Cheatham, principal; Mrs. Patricia Gardenhire, librarian and English; Mrs. Virginia Williams, commercial studies, and Mrs. Louise Carter, homemaking.

Also listed on the high school staff are R. L. Stockstill, math, and James Turner, history.

In junior high, Jerry Dawson will teach math, while Mrs. Barsha Carter will teach English.

Coaches will be Coach Smart, who will also teach history and driver education; Don Ewing, who will be junior high coach and also teach science, and Haydon Moore, assistant coach, who will teach science.

Eighteen teachers will supervise grade school classes, with Principal G. C. Graves in charge.

Mrs. Mary Reams will be the school nurse, while Neoma Da Berry, Sammie Cooper, Mrs. Ruth Reisdorph and Mrs. Mary Clay will teach first graders.

Mmes. Nellie Gray, Lila Duffy and Fay Walker will be in charge of second grade classes while Mrs. Irene Cheatham and Mrs. Betty Stevens will hold down third grade positions.

Mrs. Hazel Rigdon will teach both third and fourth grades, while Mrs. Lena Nevens and

Mrs. Ann Bell will teach the fourth.

Teaching fifth graders will be J. V. Wescott, Mrs. Veva Moore and Mrs. Carol Rambo. Sixth grade teachers will be L. D. Williams and Tom Duffy.

Long Season Awaits Hart In Football

It may be another long season for football coach Jeff Smart and his assistants, with pre-season workouts for the Hart Longhorns starting this week.

Seventeen players were present for the first day's activities, although several more players are expected to show up during the two weeks remaining before the first game.

Fullback David Smith may already be lost to the slim squad which had its share of injury problems last year.

The returning letterman hurt his back before conditioning practice sessions ever started.

Nine new players showed up for the sessions, with five freshmen, three sophomores and one junior without previous experience attending the initial workout.

Freshmen beginners included Gary Cole, Phil Davis, Richard Murray, Joe Quiroz and Gary Rambo.

Sophomores out were Tommy Gonzales, David Dwayne Harris and Danny Rice. The lone new junior was Larry Parker.

Practice in full pads can't begin until next Monday under a rule limiting class AAAA and B schools' practice sessions until Aug. 23.

Returning lettermen for the squad include tackle Billy Bob Bell, guard George Bennett, guard Larry McKay, quarterback Doug Martin, center David Altarnis, end Larry Huston, and halfback W. A. Hawkins III.

Reserve end Paul Guzman is also returning.

Workouts for the first four days were held at 8 a.m. and 5 p.m., with the schedule to remain the same until school starts.

The Longhorns open their season Sept. 10 with a home game against Silverton at 8 p.m.

First district game for the gridders is Oct. 8 against Nazareth here at 7:30 p.m.

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965.

SENATE JOINT RESOLUTION NO. 27 proposing an Amendment to the Constitution of the State of Texas, amending Article III of the Constitution of the State of Texas by adding a new Section thereto to be designated Section 48b, so as to create as an agency of the State of Texas the Teacher Retirement System of Texas, vesting the general administration and responsibility of the proper operation of said system in a state board of trustees to be known as the State Board of Trustees of the Teacher Retirement System of Texas, authorizing said Board to invest assets of said system in various obligations and subjects of investment, subject to certain restrictions stated therein and such other restrictions as may hereafter be provided by law; providing that such Amendment shall be self-enacting and shall not alter, amend or repeal Section 48a of Article III of the Constitution of Texas or any legislation passed pursuant thereto except insofar as such legislation may limit or restrict the provisions of this Amendment; providing for the necessary election, form of ballot, proclamation, and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be amended by adding Section 48b thereto which shall read as follows:

"Section 48b. There is hereby created as an agency of the State of Texas the Teacher Retirement System of Texas, the rights of membership in which, the retirement privileges and benefits thereunder, and the management and operations of which shall be governed by the provisions herein contained and by present or hereafter enacted Acts of the Legislature not inconsistent herewith. The general

administration and responsibility for the proper operation of said system are hereby vested in a State Board of Trustees, to be known as the State Board of Trustees of the Teacher Retirement System of Texas, which Board shall be constituted and shall serve as may now or hereafter be provided by the Legislature. Said Board shall exercise such powers as are herein provided together with such other powers and duties not inconsistent herewith as may be prescribed by the Legislature. All moneys from whatever source coming into the Fund to provide retirement, disability, and death benefits for persons employed in the public schools, colleges, and universities supported wholly or partly by the state and all other securities, moneys, and assets of the Teacher Retirement System of Texas shall be administered by said Board and said Board shall be the trustees thereof. The Treasurer of the State of Texas shall be custodian of said moneys and securities. Said Board is hereby authorized and empowered to acquire, hold, manage, purchase, sell, assign, trade, transfer, and dispose of any securities, evidences of debt, and other investments in which said securities, moneys, and assets have been or may hereafter be invested by said Board. Said Board is hereby authorized and empowered to invest and reinvest any of said moneys, securities, and assets, as well as the proceeds of any of such investments, in bonds, notes, or other evidences of indebtedness issued, or assumed or guaranteed in whole or in part, by the United States or any agency of the United States, or by the State of Texas, or by any county, city, school district, municipal corporation, or other political subdivision of the State of Texas, both general and special obligations; or in home office facilities to be used in administering the Teacher Retirement System including land,

equipment, and office building; or in such corporation bonds, notes, other evidences of indebtedness, and corporation stocks, including common and preferred stocks, of any corporation created or existing under the laws of the United States or of any of the states of the United States, as said Board may deem to be proper investments; provided that in making each and all of such investments said Board shall exercise the judgment and care under the circumstances then prevailing which men of ordinary prudence, discretion, and intelligence exercise in the management of their own affairs, not in regard to speculation but in regard to the permanent disposition of their funds, considering the probable income therefrom as well as probable safety of their capital; and further provided, that a sufficient sum shall be kept on hand to meet payments as they become due each year under such retirement plan, as may now or hereafter be provided by law. Unless investments authorized herein are hereafter further restricted by an Act of the Legislature, no more than one per cent (1%) of the book value of the total assets of the Teacher Retirement System shall be invested in the stock of any one (1) corporation, nor shall more than five per cent (5%) of the voting stock of any one (1) corporation be owned; and provided further, that stocks eligible for purchase shall be restricted to stocks of companies incorporated within the United States which have paid cash dividends for ten (10) consecutive years or longer immediately prior to the date of purchase and which, except for bank stocks and insurance stocks, are listed upon an exchange registered with the Securities and Exchange Commission or its successors; and provided further, that so long as less than \$500,000,000 of said Fund is invested in the government and municipal securities enumerated above, not more than thirty-three and one-third per cent (33 1/3%) of the Fund shall be invested at any given time in common stocks. This Amendment shall be self-enacting and shall become effective immediately upon its adoption without any

enabling legislation. This Section shall not alter, amend or repeal the first paragraph of Section 48a of Article III of the Constitution of Texas as amended November 6, 1956, or any legislation passed pursuant thereto. This Section shall not alter, amend or repeal the second paragraph of Section 48a of Article III of the Constitution of Texas as amended November 6, 1956, or any legislation passed pursuant thereto, except insofar as the provisions of the second paragraph of Section 48a and any legislation passed pursuant thereto, may limit or restrict the provisions hereof and only to the extent of such limitation or restriction."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on November 2, 1965, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment amending Article III of the Constitution of the State of Texas by adding Section 48b relating to the Teacher Retirement Fund and the Teacher Retirement System of Texas, revising provisions for investment of moneys and other assets of the Fund, and changing other existing provisions and making other new provisions with respect to the administration of the Teacher Retirement System."

"AGAINST the Constitutional Amendment amending Article III of the Constitution of the State of Texas by adding Section 48b relating to the Teacher Retirement Fund and the Teacher Retirement System of Texas, revising provisions for investment of moneys and other assets of the Fund and changing other existing provisions and making other new provisions with respect to the administration of the Teacher Retirement System."

Sec. 3. The Governor of Texas shall issue the necessary Proclamation for the election and this Amendment shall be published in the manner and for the length of time required by the Constitution and laws of this state.

During a week camping, the scouts were working on scout projects and they enjoyed a trout trip to the mountain.

At a campfire ceremony last night, Tony Miller and Deryl Clevenger were tapped into the Order of the Arrow. This is an organization of boys and leaders who are exceptional in camp service to fellow scouts.

The scouts presented Scoutmaster Deryl Clevenger gifts and a dedication of his duties. Making the trip were Deryl, Mike Armstrong, Martinez, Johnny Sanchez, Rogers, Jerry Helms, Rambo, Nick Nelson, Jackson, David Warren, Ike Graves, Harold Lonny Davis. Leader Paul Armstrong.

Proposed CONSTITUTIONAL AMENDMENT NUMBER EIGHT ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965.

HOUSE JOINT RESOLUTION NO. 57 proposing an Amendment to Section 1-a of Article V of the Constitution of the State of Texas, by adding to said Section as presently written, the following provisions: requiring automatic retirement of certain District and Appellate Judges at age seventy-five (75) or such earlier age, not under seventy (70), as may be provided by law; creating a State Judicial Qualifications Commission and providing for its composition and the qualifications, methods of selection and terms of office of its members; defining the functions and procedures of said Commission, including the duty to investigate, and hold hearings in respect of, disability and misconduct of District and Appellate Judges and to make recommendations to the Supreme Court of Texas for involuntary retirement or removal of such Judges; empowering the Supreme Court of Texas, in its discretion, to retire such Judges for disability and to remove them for misconduct, upon recommendation of the aforesaid Commission and consideration of the record made before it; defining misconduct for which said Judges may be so removed; providing that the proceedings of said Commission shall be confidential until filed in the Supreme Court with recommendation for retirement or removal; and providing that the removal provisions hereby established shall be alternative to and cumulative of those provided elsewhere in the Constitution.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 1-a of Article V of the Constitution of the State of Texas be amended so that said Section shall hereafter read as follows:

"Section 1-a. (1) Subject to the further provisions of this Section, the Legislature shall provide for the retirement and compensation of Justices and Judges of the Appellate Courts and District and Criminal District Courts on account of length of service, age and disability, and for their reassignment to active duty where and when needed. The office of every such Justice and Judge shall become vacant when the incumbent reaches the age of seventy-five (75) years or such earlier age, not less than seventy (70) years, as the Legislature may prescribe; but, in the case of an incumbent whose term of office includes the effective date of this Amendment, this provision shall not prevent

him from serving the remainder of said term nor be applicable to him before his period or periods of judicial service shall have reached a total of ten (10) years.

"(2) There is hereby created the State Judicial Qualifications Commission, to consist of nine (9) members, to wit: (i) two (2) Justices of Courts of Civil Appeals; (ii) two (2) District Judges; (iii) two (2) members of the State Bar, who have respectively practiced as such for over ten (10) consecutive years next preceding their selection; (iii) three (3) citizens, at least thirty (30) years of age, not licensed to practice law nor holding any salaried public office or employment; provided that no person shall be or remain a member of the Commission, who does not maintain physical residence within this State, or who resides in, or holds a judgeship within or for, the same Supreme Judicial District as another member of the Commission, or who shall have ceased to retain the qualifications above specified for his respective class of membership. Commissioners of classes (i) and (ii) above shall be chosen by the Supreme Court with advice and consent of the Senate, those of class (iii) by the Board of Directors of the State Bar under regulations to be prescribed by the Supreme Court with advice and consent of the Senate, and those of class (iii) by appointment of the Governor with advice and consent of the Senate.

"(3) The regular term of office of Commissioners shall be six (6) years; but the initial members of each of classes (i), (ii) and (iii) shall respectively be chosen for terms of four (4) and six (6) years, and the initial members of class (iii) for respective terms of two (2), four (4) and six (6) years. Interim vacancies shall be filled in the same manner as vacancies due to expiration of a full term, but only for the unexpired portion of the term in question. Commissioners may succeed themselves in office only if having served less than three (3) consecutive years.

"(4) Commissioners shall receive no compensation for their services as such. The Legislature shall provide for the payment of the necessary expense for the operation of the Commission.

"(5) The Commission may hold its meetings, hearings and other proceedings at such times and places as it shall determine but shall meet at Austin at least once each year. It shall annually select one of its members as Chairman. A quorum shall consist of five (5) members. Proceedings shall be by majority vote

of those present, except that recommendations for retirement or removal of Justices or Judges shall be by affirmative vote of at least five (5) members.

"(6) Any Justice or Judge within the scope of this Section 1-a may, subject to the other provisions hereof, be removed from office for willful or persistent conduct, which is clearly inconsistent with the proper performance of his said duties or casts public discredit upon the judiciary or administration of justice; or any such Justice or Judge may be involuntarily retired for disability seriously interfering with the performance of his duties, which is, or is likely to become, permanent in nature.

"(7) The Commission shall keep itself informed as fully as may be of circumstances relating to misconduct or disability of particular Justices or Judges, receive complaints or reports, formal or informal, from any source in this behalf and make such preliminary investigations as it may determine. Its orders for the attendance or testimony of witnesses or for the production of documents at any hearing or investigation shall be enforceable by contempt proceedings in the District Court.

"(8) The Commission may, after such investigation as it deems necessary, order a hearing to be held before it concerning the removal or retirement of a Justice or Judge, or it may in its discretion request the Supreme Court to appoint an active or retired District Judge or Justice of a Court of Civil Appeals as a Master to hear and take evidence in any such matter, and to report thereon to the Commission. If, after hearing, or after considering the record and report of a Master, the Commission finds good cause therefore, it shall recommend to the Supreme Court the removal or retirement, as the case may be, of the Justice or Judge in question and shall thereupon file with the Clerk of the Supreme Court the entire record before the Commission.

"(9) The Supreme Court shall review the record of the proceedings on the law and facts and in its discretion may, for good cause shown, permit the introduction of additional evidence and shall order removal or retirement, as it finds just and proper, or wholly reject the recommendation. Upon an order for involuntary retirement for disability or an order for removal, the office in question shall become vacant. The rights of an incumbent so retired to retirement benefits shall be the same as if his retirement had been voluntary.

"(10) All papers filed with and proceedings before the Commission or a Master shall be confidential, and the filing of papers with, and the giving

of testimony before, the Commission, Master or the Supreme Court shall be privileged; provided that upon being filed in the Supreme Court the record loses its confidential character.

"(11) The Supreme Court shall by rule provide for the procedure before the Commission, Masters and the Supreme Court. Such rule shall afford to any judge against whom a proceeding is instituted to cause his retirement due process of law for the procedure before the Commission, Masters and the Supreme Court in the same manner that any person whose property rights are in jeopardy in an adjudicatory proceeding is entitled to due process of law, regardless of whether or not the interest of the judge in remaining in active status is considered to be a right or a privilege. Due process shall include the right to notice, counsel, hearing, confrontation of his accusers, and all such other incidents of due process as are ordinarily available in proceedings whether or not misfeasance is charged, upon proof of which a penalty may be imposed.

"(12) No Justice or Judge shall sit as a member of the Commission or Supreme Court in any proceeding involving his own retirement or removal.

"(13) This Section 1-a is alternative to, and cumulative of, the methods of removal of Justices and Judges provided elsewhere in this Constitution."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the State at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment providing for the automatic retirement of District and Appellate Judges for old age, creating the State Judicial Qualifications Commission, defining its functions; and empowering the Supreme Court, upon recommendation of said Commission, to remove District and Appellate Judges for misconduct and to retire such judges in cases of disability.

"AGAINST the Constitutional Amendment providing for the automatic retirement of District and Appellate Judges for old age, creating the State Judicial Qualifications Commission, defining its functions; and empowering the Supreme Court, upon recommendation of said Commission, to remove District and Appellate Judges for misconduct and to retire such judges in cases of disability."

Sec. 3. The Governor shall issue the necessary proclamation for the election, and this Amendment shall be published as required by the Constitution and laws of this State.

KITCHEN KORNER

BY LELA GALLION

So nice to be writing in this korner again. I hope you enjoy reading it just as much as I do writing it.

There are so many melons on the market now to use. They are in season such a short time, we should take advantage of using and enjoying them all we can.

Try putting melon balls in your tossed salads for a different taste treat. Here is a salad recipe with cantaloup.

LIME CANTALOUPE SALAD

1 pkg. lime Jello
1 medium cantaloup

Prepare lime jello and let stand until it starts to congeal. Add balls from medium cantaloup reserving 1 for each serving you plan. Serve on lettuce leaf; top with small spoon salad dressing with cantaloup ball on top. Those of you who do not like lime jello, substitute with orange. If you don't have a melon scoop, use a teaspoon.

The following recipe for Ham Salad, for a cool meal, goes well with the lime cantaloup salad.

A HAM SALAD

1 1/2 c. diced cooked ham
4 hard boiled eggs (diced)
1/4 c. diced celery
1/2 c. sweet pickle (diced)
1/2 c. salad dressing
1 tblsp. lemon juice
2 tblsp. prepared mustard

Combine ham, eggs, celery, and pickles. Blend salad dressing, mustard and lemon juice; add to ham mixture; toss lightly; season to taste with salt and pepper. Chill. Makes six servings.

To peel and slice onions "with out crying", cut off the root end first and peel toward the top. Slice as usual and there will be no tears.

Impossible tasks look easy to some, when others are performing them.

One Year Ago In Hart

The lion's share of the honors at the Pony Show in Dimmitt last week—part of the Castro County Round Up Week—went to entries from Hart. First place in the Shetland division competition went to Dana and Lonnie McLain of Hart.

Longhorn coach Dub Cleveland resigned last week to accept an assistant coaching position at Panhandle. This week Hart school superintendent Paul Kennedy, who has to worry about such things, announced that Jeff Smart would be the new head coach for the football team. Haden Moore, a Texas Tech graduate from Spur, who has coached in Girard, San Antonio and Dell City will work as assistant coach during the football season.

Lanny Tucker of Hart, playing in the Third Flight in the Olton Invitational Golf Tournament this past week, showed that even in the third flight, he could do better than some of the higher ranked area amateurs. After two days of match play, Tucker breezed through Sunday's 18 holes of medal play with a two-over-par 74.

Hart school personnel are working frantically to get high school equipment moved to the new school building and the old high school building completely converted to an elementary school in time for the first day of classes on the last day of this month.

The Old Settlers Reunion Aug. 13 in Dimmitt—a part of Castro County Round Up Week—drew more than 200 people to the County Courthouse Square. Green Henderson of Hart took an engraved trophy for the first place in the frontier costume contest. Percy Estes of Dimmitt was runner-up.
