14-Inch Deluge Floods Alice; Big Drouth Ends

ALICE, Sept. 14. (AP)—This South Texas town was virtually isolated and hundreds were homeless today after 14.21 inches of rain.

Water up to five-feet deep surged through the streets. Amphibious trucks and boats evacuated flood victims.

R. E. Horine, chairman of the Red Cross chapter, said the worst appeared to be over.

Only light mist fell today following a flood crest at dawn by the rampaiging San Diego creek. Horine said he expected the creek to go down during the day, barring no more rain.

"It looks like all we can do is wait until time for mopping up operations," he said.

No casualties were reported among the 21,000 residents. Editor Curtis Vinson of the Alice Echo said property damages would be "tremendous." He said the loss in dollars and cents would be greater than that in the $1 million flood of 1949 here.

VOLUNTEERS HELP NAVY

Volunteers from surrounding towns and the Corpus Christi Naval Base helped evacuate residents. About 300 spent the night in the courthouse and another 50 in the high school gymnasium and Baptist church.

The Texas Mexican Railroad tracks were washed out 3½ miles east of Alice, and all roads were impassable.

John Sullivan, city manager, said no city utility had been affected by the swift, muddy waters.

A deluge of telephone calls resulted in only emergency messages being accepted for long distance.

Two amphibious trucks from the Corpus Christi Naval base worked alongside small boats in removing flooded-out residents. The Rev. Christian Kehl, rector of the Episcopal Church, who broke one of his legs several weeks ago, was taken from his rectory by stretcher and through a window.

GUARDSMEN PITCH IN

Mrs. Dorothy Wofford, president of the Veterans of Foreign Wars Auxiliary, handled telephone communications at the Red Cross disaster headquarters. National guardsmen and members of the Texas State Guard, a home defense group, also helped.

The current of flood waters remained rather strong. Water from a depth of few inches to five feet covered the city.

"This town is sitting on a lake," he said.

K. Salley, trucking operator, directed a sand-bagging crew keeping water from buildings and stores.

A proposal to blow up a portion of the Alice-Corpus Christi highway to permit the flood waters to recede faster was made to the highway department, but rejected.

A newly-married couple, Mr. and Mrs. Travis Thodes of McAllen, were trapped by flood waters east of here as they were returning home from their honeymoon. Their car was swept off the highway, along with their suit cases.

FLOODS SHOWROOMS

In Alice, water entered showrooms of automobile firms in the western portion, and ran curb to curb in the downtown business district.

No casualties were reported here or at Agua Dulce, a little town 10 miles to the east. There water stood a food deep in the streets, stores and a number of homes from 11.1 inches of rain.

The rest of Texas relished the end of a long and deadly drouth.

Over most of the state, drenching rains tumbled temperatures, filled dry stock ponds, and replinished dangerously low water supplies. The drouth and heat had killed approximately 50 persons, caused millions in damage, and in many cities set a record for the number of consecutive days with 100 degree plus temperatures.

The steady, pounding rains were general over parched South Texas, lighter in West Texas. They were the first real break in a summer of historic heat and drouth in the state.

They figured to help pasture lands, but many were gloomy that they were too late for most crops.

RELIEF AT TEMPLE

A total of 4.77 inches of rain since Sunday night had city officiasl at Temple, which has been on a drastic curtailment of the use of water, jubilant.

Heavy rain at Laredo was expected to help the tomato crop.

Cattlemen were pleased with prospects of full stock ponds.

But, generally, the rains came to late to help Texas farmers. The puniest wheat crop since 1936 has been harvested. The cotton crop was hurt by the rain because it is just being picked.

San Antonio and Vernon lifted bans on lawn sprinkling and car washing.

DEWEY REPORTS TO TRUMAN

Gov. Thomas E. Dewey of New York talks with President Truman who beat him in the 1948 election, at the White House in Washington. Dewey called on the chief executive to tell about his recent trip to the Far East.

Ask More Specific Report From Dewey

By MARVIN L. ARROWSMITH

Gov. Thomas E. Dewey's Republican running mate in the 1944 presidential election suggested today that the New Yorker "be more definite" regarding his call for stronger Pacific defenses.

Senator Bricker (R-Ohio), the GOP candidate for vice president seven years ago, told a reporter Dewey "hasn't made it clear just what else he wants us to do" toward bolstering the strength of free nations in the Far East.

After a conference with President Truman Thursday, Dewey called for "much closer political and military alliances" among those nations. He declared that having launched a "great program" for defense of Europe, "our own defenses require that we develop a similar program in Southeast Asia."

Bricker's request that Dewey be more specific came after the New York governor had reiterated at the Capitol that he is "all for" Gen. Dwight D. Eisenhower as the 1952 Republican presidential nominee. Dewey, who won the nomination in 1948 as well as four years earlier, has said he will not make another try next year.

TRUMAN BACKS ACHESON

Dewey's boosting of Eisenhower came about the same time Mr. Truman was telling his news conference that as long as he is President Dean Acheson will be Secretary of State. That may be a good while, the President said.

When a reporter asked whether the secretary's departure in the next four or five months might be anticipated, the President replied:

"As long as I am President of the United States he'll be Secretary of State."

Dewey also bracketed four Republican senators as Eisenhower backers, after a conference with them. He listed them as Senators Duff (Pa), Ives (NY), Carleson (Kan), and Saltonstall (Mass).

DEWEY ANSWERS YES

A terse "yes" was Dewey's reply when newsmen asked whether he believes Eisenhower will be nominated.

Bricker kept mum regarding Dewey's new plug for Eisenhower. Bricker is regarded as squarely behind his Ohio colleague, Senator Taft, for the 1952 GOP nomination.

Taft has not bid formally for it but an early official move in that direction would take scarcely anyone by suprise.

Dewey and Taft conferred for 15 minutes on the Senate floor. Afterwards Dewey said they talked about legislation and foreign affairs. Grinning, the governor said Eisenhower wasn't mentioned.

He said there was no discussion of politics or the General at his meeting with Mr. Truman.

Dewey planned to remain in before flying back to Albany.

GOP REACTION VARY

Republicans who for months have been clamoring for Mr. Truman to fire Acheson reacted variously to the new pledge of support for the Secretary.

"I recall," said Senator Hickenlooper (R-Iowa), "that Mr. Truman said the same thing last year about Louis Johnson — that he could remain as Secretary of Defense as long as Mr. Truman was in the White House. Maybe this latest remark about Acheson staying amounts to a prediction that he is about to be fired."

It was on Aug. 31, 1950, that Mr. Truman told a news conference he contemplated no change in Johnson's status. Less than two weeks later, on Sept. 12, the President fired him.

Senator Jenner (R-Ind), a bitter critic of Acheson, said the President's renewed backing of Acheson means: "God help America!"

Kent Stepout Being Washed In At 6,436

Charles B. Wrightsman No. 1 Frank Stewart, Northwest Kent County exploration, three - quarters of a mile north of the Salt Creek Canyon field, is at total depth of 6,436 feet in the Pennsylvanian reef, being washed in.

Operator drilled plug on five and one-half inch casing which was set at 6,325 feet.

Electric log survey to total depth of 6,436 feet showed 100 feet permeability.

Reef was topped at 6,248 feet. Elevation is 2,066 feet. Location is 1,300 feet from the south and 1,680 feet from the west lines of section 5 John Rodman survey, and 10 miles northwest of Clairemont.

DAWSON COMPLETION

Chicago Corp. Has completed its No 1 Huddleston, north offset to production in the Smith - Spraberry field of Central - North Dawson County, for 138.35 barrels of 39.8 gravity oil and no water.

The well pumped 24 hours.

Top of the pay is 7,930 feet and total depth is 7,964 feet. Seven-inch casing is set at 7,914 feet. Open hole section was shot with 110 quarts of nitroglycerin.

Locations is 660 feet from the south and west lines of section 35½-C-31, psl, and 13 miles northeast of Lamesa.

The Smith - Spraberry pool was opened by Standard Oil Co. of Texas No. 1 Mrs. M. V. A. Smith, up to now the only producer in the field.

DAWSON LOCATION

The Devonian Oil Co is to drill its No. 1 McBride as a Pennsylvanian lime wildcat in Central-East Dawson County, one and one-half miles northwest of the Spraberry field.

Locations for the new test is in the southwest quarter of the southwest quarter of section 34-34-t5n-T&P.

Operations are to start at once. Forrest Oil Corp. is contributing to the drilling of the wildcat.

WILL PERFORATE

El Tee Oil Co. No. 1-96 Briley, prospective Pennsylvanian lime discovery in Northwest Dawson County, has recovered junk from the hole and is now preparing to perforate and test at 8,575-90 feet in the top of the lime section.

Total depth of the wildcat is 8,641 feet. The 7-inch casing is cemented on bottom. Operations at this prospector have been delayed for more than two weeks while operator fished out the junk in the bottom of the pipe.

This exploration showed a large amount of free oil and some gas on a drillstem test at 8,602-41 feet.

NO SEEDS IN YOUR WATERMELONS

LAFAYETTE, Ind., Sept. 14. (AP)—There's a nearly seedless watermelon on the way.

Purdue University has developed one with only two or three seeds. Commercial seedsmen will have it next year. It's round and weighs only eight to ten pounds, too — just right for keeping in the refrigerator. Purdue says the quality is high.

A chemical called colchicine did the trick by changing the internal structure of the fruit.

Nothing has been done yet about the juice that gets in your ears, though.

Absentee Vote For Tuesday's Election Ends

With only a few hours remaining before the deadline on casting absentee ballots for Tuesday's city election, no one has voted. The deadline is midnight tonight for voting absentee in the city charter and alderman elections.

The polls will open at the city hall at 8 o'clock Tuesday morning and remain open until 7 Tuesday night.

Voters residing in Ward No. 3, all of the city south of Twenty-fifth Street but east of Avenue S, will have the opportunity of voting for an alderman. Candidates whose names will appear on the ballots are C. L. Wiliamson and J. Elmo Crowder. Voters will scratch out the name of the candidate they do not wat for the office.

All city residents who are qualified voters may vote on the city charter issue. The ballot reads: "Shall a commission be chosen to frame a city charter?" The words "Yes" and "No" are printed beneath the question, and voters shall scratch out the one they do not wish to be their answer.

On the city charter ballot, there also appear the names of 15 persons proposed to form the commission. Beside each name, however, is a blank in which a voter may write in the name of his choice if he choses to scratch out the name of any one of the 15, or he may scratch as many as he chooses and write the name of another in the opposite blanks.

The names of proposed commissioners for the charter are printed in the following order:

Renal Rosson, Dr. D. R. Ratliff, W. H. Cargile, George Frazier, Herman Doak, Wayne Boren G. B. Clark, John Sentell, Joe Graham, Harry Holbrook, Russell Yorgeson, Jim Mixon, Harry Reed B. C Drinkard, and Malven Stevenson.

Auction Set Tomorrow For First Bale

The county's first bale of cotton, grown by P. A. Ware, east of Snyder, will be sold at aucton at the northwest corner of the square.

Harold Bennett, manager of the Chamber of Commerce, said merchants, firms, and institutions had pledged a total of $250 as a premium to Ware by noon today. Soliciting has not been completed, he said.

Ware will receive the premium in addition to the sale price of the Bennett said he would be the auctioneer. He added that many merchants an officers of firms and institutions had indicated they would bid.

Former Actor Injured In Traffic Accident

GLENDALE, Calif., Sept. 14. (AP)—Harrison Ford, veteran stage and screen actor, was in critical condition today because of injuries suffered in a traffic accident Thursday.

Ford has not regained consciousness since he was struck by a car driven by Mrs. Margaret S. Chachner, 33, of Glendale. He suffered head and body injuries.

Heavy Penalty Is Assessed In Liquor Case

Anderson Davis Jr., 29, Negro, yesterday was given one year in county jail, fined $1,000 and assessed $23.50 costs for violation of the state liquor law. A jury in county court deliberated only 10 minutes before returning its verdict.

The penalty was the heaviest meted out in a violator of the state liquor law during the past 20 years, according to Keith L. Merrick, county attorney, who prosecuted the case. Judge Ben F. Thorpe said it was the heaviest he could remember in his long years in court circles.

Davis was charged with posession of 44 cases of beer, 16 pints of gin, and 16½ pints of whisky, which had been concealed in a parked 1946 Ford panel truck behind 2811 Avenue V, the home of Hilton Lambert on Sept. 3.

The testimony showed that Mr. and Mrs Lambert were in Dallas at the time Lloyd Merritt, sheriff, seized the truck and arrested Davis, and that they knew nothing about the liquor.

Mack Duce of the Duce Music Co. of Sweetwater, testified that he had known Davis for a long time, and had previously sold Davis records from his music store. Duce testified he had owned the panel truck in question but had sold it to Davis through a used car dealer in Sweetwater; that he lent Davis the money to purcase the current license tags, but had not been repaid by Davis.

Mr. and Mrs. W. W. Headstream, 2900 Avenue V, both testified about the truck seen parked behind the Lambert property, and Mrs. Headstream told the jury that she had seen a number of Negroes going to and from the truck prior to the seizure.

Robert R. Patterson, special judge, presided.

Davis was represented by law firm of Ash and Dulaney.

Reds Refuse To Move Truce Parley Site

TOKYO, Sept. 14. (AP)—Korean armistice talks remained ruptured for the 23rd day as the U. N. command and the Communists today awaited answers to their latest notes to each other.

The Allied board of strategy wants the Red reaction to the U. N. apology for the strafing of the Kaesong conference site early Monday morning.

The Reds want Gen Matthew B. Ridgway's reply to their rejection of his suggestion that the truce talks be moved to another site.

Ridgway's headquarters disclosed for the first time today the Communist high command's refusal to meet in a new place.

The message from North Korean Gen. Kim Il Sung and Chinese Gen. Peng Teh-huai was delivered to a U. N. command liaison officer at 8 a.m. Wednesday at Panmunjom, Communist outpost southeast of Kaesong.

There was no explanation from the supreme Allied commander's office why the U. N. command waited more than two days before disclosing the contents of the Communist note.

The Communist high command has been adamant in its stand against moving the talks from Kaesong. It told Ridgway his plan was "completely unsatisfactory and unacceptable."

It said the only way the conferences can be resumed "on a normal and equal basis" is for the U. N command to "put an end at once to the incessant acts of violations of the agreement and deal with the numerous provocations against whch our side has lodged protests."

The Communists have claimed numerous air and ground violations of the five-mile neutral zone around Kaesong by the U. N. allies. The U. N. command has admitted only one of them — the strafing early last Monday.

Peiping radio said Thursday night the armistice negotiations "could start again immediaely" and quick agreement could be reached if the Allies would admit Communist accusations of neutrality violations.

Pact Nations Start Meeting

By JOHN M. HIGHTOWER

OTTAWA, Sept. 14. (AP) — A determined effort to strengthen the economic underpinning of Western Europe's rearmament program is expected to be made here during the next week by the 12 nations composing the North Atlantic alliance.

A meeting of deputies of the North Atlantic Treaty Organization (NATO), Ambassador Charles M. Spofford of the United States as chairman, was scheduled for this afternoon to complete a report on joint defense problems.

The report will form the basis of much of the work to be done by the council. A week of sessions of the council will be opened Saturday by Chairman Paul Van Zeeland, Belgian foreign minister.

Critical defense economic problems, for which the meeting here is due to seek solutions, include inflation in the rearming countries of Western Europe. Expanded plans for allocation of raw materials to keep prices down and means of easing the impact of European civilian economies.

Lester B. Pearson, Canadian minister for external affairs, told a news conference Thursday the prime business of the conference would be to define the relationship between rearmament and economic programs in the free nations.

Pearson also said he believed the council, consisting primarily of foreign ministers, would adopt a resolution reaffirming its faith in creation of a full-fledged Atlantic community out of the present, essentially military alliance.

The chief political problem on which the council is expected to take some at least preliminary action here is an American proposal for admission of Greece and Turkey to membership. Britain, France and Canada are backing the United States plan for extension of the North Atlantic treaty's security commitments into the Middle East.

While other countries may go along in the end, some of the smaller Western European members of the pact are expected to voice their objections.

Metals Leading On Higher Stock Market

NEW YORK, Sept. 14. (AP)—The stock market was higher today at the opening.

Aluminum Ltd. opened up 1¼ at 104. Other metals added fractions. Higher were Anacanda, Kennecott, Armour and Radio.

U. S. Steel and Bethlehem Steel were off a small fraction.

Production Test In Scurry Fields Ordered

AUSTIN, Sept. 14 — The Railroad Commission wants to hurry up installation of a pool-wide pressure maintenance system for the Canyon lime and Kelley-Snyder Fields of Scurry County.

It ordered production tests Thursday in those fields before Oct. 20.

Peace Contract With Germany Being Sought

WASHINGTON, Sept. 14. (AP)—The Western occupation powers will open negotiations with the Bonn government possibly next week on a "peace contract" for West Germany. Speedy acceptance is expected.

Main terms were agreed on by the Big Three foreign ministers Thursday night for a partnership deal which would allow the Germans to contribute forces to the European defense lineup against Communist aggression.

American, British and French high commissioners who helped wrap up details are due to leave for Bonn this week end for the final negotiations with West German Chancellor Konrad Adenauer and other leaders. Diplomats hope the Bonn parliament will accept the plan by the time the North Atlantic Council meets late next month in Rome.

Thursday night's meeting was the sixth roundtable session of Secretary of State Acheson, British Foreign Secretary Herbert Morrison, French Foreign Minister Robert Schuman and their advisers.

Another forenoon meeting was scheduled today to take up a handful of remaining issues, with heavy emphasis on the inflationary effects of the Western defense buildup.

Saturday, Morrison, Schuman and the American delegation including Acheson, Secretary of the Treasury Snyder, ECA administrator William C. Foser and Secretary of the Army Pace will leave by plane for the Ottawa meeting of the 12-nation north Atlantic treaty organization (NATO).

The German peace contract as it was finally worked out was understood to call for an end to the postwar occupation, independent statehood for Bonn, abolition of the Allied High Commissin in favor of ambassadors, and changing the status of U. S., British and French occupation armies to defense forces. Berlin would continue in its special status.

Grill Suspect In Bank Robbery

LUBBOCK, Sept. 14. (AP)—Police grilled a 27-year-old suspect today in the $12,000 Boyd bank robbery.

The man was arrested as he walked into a Lubbock store Thursday. Police found seven 100 bills and several fives on him.

A lone gunman held up the Continental State Bank at Boyd Tuesday and fled in a car driven by a companion.

In Fort Worth, U. S. District Attorney Frank Potter filed "suspicion of bank robbery" charges against Carl William Powers, 27, and Pete Vardis, 19.

Fort Worth city detective A. C. Howerton said officers had been looking for the man arrested here sinee Wednesday, when he bought a 1950 model automobile for $1,750 cash from a used car dealer.

The car was purchased with $10, $20 and $1 bills.

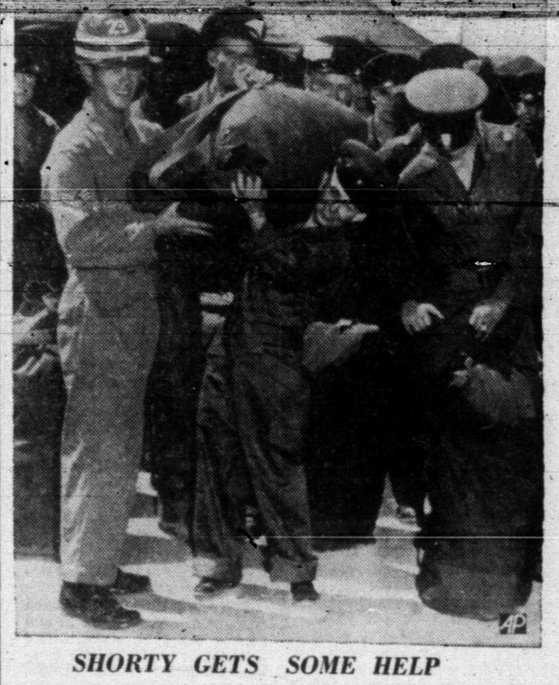

Railroad Commission Considers Plea For Emergency Feed Rates

AUSTIN, Sept. 14. (AP) — The Railroad Commission had under study today voluminous testimony taken at a 10-hour public hearing Thursday on requested emergency reduction in livestock feed freight rates.

The commissioners indicated it would be several days, possibly a week, to reach a decision.

The reduction was asked by stockmen and agricultural agents for more than 150 Texas counties Generally, the area included all counties east and south of Scurry County.

Railroad attorneys protested that it was unfair to single out the railroads for reduced rates without putting truckers under the same notice.

SHORTY GETS SOME HELP

Big Arms Spending Bill Passes Senate

WASHINGTON, Sept. 14. (AP) — A gigantic military spending bill carrying $59,508,009,630 — nearly two billions more than President Truman asked — won unopposed Senate approval late Thursday.

After four days of warm debate, the Senate passed the biggest single military money bill in history, 79 to 0, and sent it back to the House, which voted $3,473,292,430 less.

Senator O'Mahoney (D-Who), who steered the measure through the Senate, said a Senate-House conference committee probably would begin attempts at ironing out scores of differences early next week.

Biggest of these is an extra $5 billion the Senate added to beef up U. S. airpower and carry on work on new secret weapons.

After beating down efforts to slash five or six billion dollars out of the measure, O'Mahoney agreed to a cut of $1,575,846,400 just before passage.

O'Mahoney suggested holding the cut to 2½ per cent. Sponsors agreed and this went through on a voice vote.

As the reduction provision is worded, the Secretary of Defense could make this cut on selected items in the bill, or on all of them.

Earlier, Senator Douglas (D-Ill) won approval of an amendment designed to reduce sharply the number of men and officers who receive extra flying pay.

Douglas' amendment, which would limit the premium pay to men in actual combat or who flew 20 hours or more a month, was approved 49 to 31.

Before passage of the bill, Senator Taft, chairman of the Senate Republican Policy Committee, suggested a commission should be set up to survey the military policy of the United States.

It should decide "what we will do and what we won't do if war starts," Taft said, cautioning that government spending could undermine the nation's economy.

Subject to the 2½ per cent reductions, the Senate bill carries more than $20 billion each for the Army and Air Force, and more than $15.5 billion for the Navy.

Harvick Will Head New Liquified Gas Division

AUSTIN, Sept. 14. — A Hill County native will head the newly-created Liquefied Petroleum Gas Division of the Railroad Commission.

He is F. E. Harvick of Austin. Harvick was one of the first petroleum analysts employed by the commission.

Urges Japanese To Stay With West Nations

TOKYO, Sept. 14. (AP)—Prime Minister Shigeru Yoshida, the little, cigar "smoking statesman who guided Japan along the road to independence, told the Japanese people today he would refuse to rearm this vanquished nation.

The 72-year-old Yoshida's stand was viewed in some quarters as indicating that he would step out of office just as soon as the historic U. S.-Japan security pact is ratified and becomes law.

He instructed his countrymen to keep faith with the western world.

Yoshida made his remarks at a news conference only three hours after he returned from San Francisco where he saw Japan once again take its place among the nations of the world.

He spoke in the beautiful prime minister's residence behind the Diet (parliament) building.

Yoshida answered in almost inaudible tones.

An Associated Press Japanese reporter said he heard Yoshida say:

"That's up to Japan. But as far as I am concerned I won't carry it (the rearmament program) out."

The Japanese News Agency Kyodo quoted Yoshida as saying, "I am not thinking to rearm."

Other translations varied. But the inference was clear: the tough, sauve Yoshida would not personally see to it that guns were put back into the hands of his fellow countrymen.

Political observers have predicted for some time that Yoshida will resign in favor of Ichiro Hatoyamal founder of the Liberal Party who was depurged recently.

Film on John Tarleton Will Be Shown Here

Alumni here of John Tarleton have been notified that a motion picture "short" on the college will be shown at the Palace theater tomorrow through Monday.

52 Degrees Early Today

The maximum temperature for Snyder yesterday was a low for the season as the mercury reached only 80, according to Mrs. D. P. Strayhorn, official weather observer. She reported a minimum of 52 last night and the reading at 7:30 o'clock this morning was 55 degrees.

Opposition To Iran's Premier Grows In Conservative Party

TEHRAN, Iran., Sept. 14. — A campaign to unseat Premier Mohammed Mossadegh in the fight over Iran's oil nationalization policy was gathering momentum both inside and outside the country today.

Said Zia Ed-din, a former conservative premier and pro-British head of the inactive National Will Party, reopened his party headquarters and rallied supporters last night in a speech denoucing the premier.

Zia Ed-din, a favorite of the Shah Mohammed Reza Pahlevi, is the man considered most likely to succeed Mossadegh if a fight led by 14 opposition deputies in the majlis, lower house of parliament, succeeds in unseating the premier.

The British, hopeful that Mossadegh can be ousted, twisted an economic noose tighter about Iran by ordering ships already at sea with cargoes of "certain scarce materials" to change course and head for other ports. These included sugar, rails and railroad ties. Most of the ships were told to unload at Basra, Iraq.

A board of trade spokesman said the order was in line with the British government's decision to suspend the financial and trade benefits it gave Iran before Mossadegh won an oil property nationalization program that has closed down the Anglo-Iranian Oil Company operations at Abadan.

The British treasury earlier in the week cut off its guarantee of dollars to Iran The move will make it difficult for Iran to get raw materials from other sources.

Loss of oil royalties and British payrolls for refinery workers contribute to making Iran's financial position shaky.

Higher Draft Quota

The Scurry - Nolan - Fisher draft board in Sweetwater has received orders to increase from eight to 13 the men to be sent for induction on Oct. 10, but the calls have not been mailed out yet and will not be announced until later.

Sweetwater Lawyer Is Speaker at Meeting Of Baptist Brotherhood

The Men's Brotherhood of the First Baptist Church met in the church basement Tuesday night for a covered dish supper, after which R. E. Ponder, Sweetwater lawyer and Sunday school superintendent, was guest speaker.

"Know Thyself, Control Thyself, and Deny Thyself" was the title of the address by Ponder. In his speech, he used incidents in the life of Simon Peter to show that many christians deny God because of failing to deny themselves. This, he explained, often resulted in wasting many years out of service for God.

Election of officers was also held in connection with the supper. C. K. Purtle was chosen president for the coming year, and other officers elected were Murrel Rose, Ralph Wesson, and Renal Rosson.

The brotherhood will sponsor a laymen's revival meeting beginning Oct. 14 here and continuing one week. Joe Evans, layman evangelist from El Paso, will lead in the meeting.

Another project of the brotherhood is the painting of the church basement, scheduled to start Sept 18 with I. S. Cross and other volunteering members.

Presbyterian Pastor Will Lead School For Youth Organization

The Rev. Ronald E. Hubbard, pastor of the First Presbyterian Church, and Miss Elizabeth Dabbs, of Abilene, will attend and lead in a school for officers of Westminster Fellowship, the church youth organization, at Albany, Tex Sunday afternoon.

Miss Dabbs is permanent clerk of the Youth Presbytery of Abilene, associational organization of Westminster Fellowship groups, and Mr. Hubbard is adviser to the presbytery. The meeting Sunday is for the officers of groups in the eastern half of the presbytery district.

One week later, they will lead in a similar school for the western half of the presbytery district at Post. Both schools will begin at 3 o'clock.

In Mr. Hubbard's absence this Sunday, the Rev. Gerald Blackburn, pastor of the First Presbyterian Church of Post, will speak in the evening service here.

Pictures on History Of Bible to Be Shown

A film strip of still pictures on the history of the Bible will be shown in the Sunday night service of the First Christian Church, the Rev. Clifford Taylor, pastor, announced today.

The pictures will show various manuscripts of the Bible books, early Bibles, etc., he said.

In the Sunday morning service, Mr. Taylor will speak on "When the Scriptures Are Silent."

Circle Meeting Monday For Christian Women

Circle No. 2 of the First Christian Church will hold its next meeting at 8 0'clock Monday night at the home of Miss Bess Johnston, 2107 Twenty - seventh Street, Mrs. Malven Stevenson, president, said.

The devotional will be under the direction of Mrs. Hilton McCrary, and the program leader will be Mrs. Maxine Cannon.

The program will be entitled "Carrier of the Faith."

PERMIAN OIL NEWS

Wildcat Near Big Spring Finds Slight Show of Oil in Core

Deep Rock Oil Corp. No. 1 J. O. McCrary, North - Central Howard County wildcat, six miles north of Big Spring, is coring from 9,109 feet to 9,139 feet. After that core is cut and pulled operator probably will run a drillstem test.

This prospect cored at 9,089-9,109 feet. Recovery was 20 feet of shale and lime with scattered slight shows of oil and with some indications of water.

The prospector had indicated a Pennsylvanian lime discovery from the section at 9,038-64 feet. It sprayed oil and gas for a considerable period and recovered 720 feet of clean oil, 360 feet of mud cut oil and 90 feet of gas cut mud. There was no show of formation water in that test.

It then cored ahead to 9,089 feet and ran a one-hour drillstem test with the packer at 9,068-89 feet. Gas surfaced in eight minutes. No fluid came to the top while the tool was open.

Recovery was the 575 - foot water blanket, which was cut with oil and gas, 295 feet of free oil 355 feet of oil and gas cut drilling mud and 115 feet of salt water.

Open flowing bottom hole pressure was from 315 pounds to 450 pounds. Shutin bottom hole pressure, after 20 minutes was 2,650 pounds.

Gulf Project in Pecos County Becomes Deepest Oil Well in West Texas

Gulf Oil Corp. has set a new depth record for oil and gas explorations for West Texas.

That concern's No. 1 Theo Winfield, et al, Central Pecos County wildcat nine miles southeast of Fort Stockton, had reached 15,315 feet in shale and was coring ahead from that point.

At 15,315 feet it was 36 feet deeper than the previous depth record.

That distinction had heretofore been held by Phillips Petroleum Co. No. 1 Ada C. Price, another Pecos County wildcat.

The Phillips project drilled to a bottom of 15,279 feet in barren Ellenburger and was abandoned there in 1944.

Phillips No. 1 Price was 12 miles southeast of the location of Gulf No. 1 Winfield.

The core on which Gulf No. 1 Winfield is cutting at 15,315 feet was started at 15,270 feet. Operators planned to core to 15,320 feet and then come out.

It was hoped that the present core in No. 1 Winfield would find the top of the Ellenburger.

So far the Gulf deep wildcat has not found any shows of commercial production.

Location is 660 feet from north and 1,980 feet from west lines of the south half of section 3-12, T&STL survey.

Phillips No. 1 Price was in section 11-101, TC survey.

East Vealmoor Field Location Is Spotted

Skelly Oil Co. has filed application to drill its No. 18 Frances Gunn in the East Vealmoor field of Howard County.

Location will be 120 feet from the north and 995 feet from the east lines of section 21-27-H&TC, and seven miles west of Vincent. It will be drilled with rotary tools to a depth of 7,600 feet.

4 Shallow Wells Will Be Drilled Near Ira

Four locations have been staked by the Leman Oil Co. in the Sharon Ridge 1700 field in Southwest Scurry County. They are the Nos. 10, 12, 13, and 14 A. C. Mills estate. They will be about three miles south of Ira.

No. 10 is 330 feet from the north and 600 feet from the east lines of the lease; No. 12 is 990 feet from the north and east lines; No. 13 is 990 feet from the south and 985 feet from the west lines of the lease; and No. 14 is 990 feet from the south and 330 feet from the west lines of the lease, which is Lot 5, O'Keefe subdivision, Section 1-1-J. P. Smith survey.

They will be drilled with cable tools to 1800.

Pumper in Sharon Ridge

Leo D. Ellis has completed his No. 3-B Jackson Ellis as a pumper in the Sharon Ridge 1700 field of Soothwest Scurry County. The field well pumped for a 24-hour producton of 74.8 barrels of 28-gravity oil and no water after being treated with 8,000 gallons of acid. Top of the pay was 1,690 feet, and total depth is 1,745 feet.

Allies Capture Mountain From Die-hard Communist Defenders

EIGHTH ARMY, Korea, Sept. 14. (AP) — United Nations troops wrested a towering peak today from bitterly resisting Reds north of Yanggu as the bloody "Battle of the Hills" ground on in Eastern Korea.

On the other end of the peninsula six Russian-type T-34 tanks and two self-propelled guns were spotted west of Yonchon. They were attacked by artillery, planes and tanks.

An Allied briefing officer said they were dug in, apparently for defensive purposes.

Planes roared through Korean skies on close support missions for the infantry and slashing attacks at Red supply lines.

One Marine corsair fighter was downed by Communist ground fire For the first time in six days there were no reports of jet battles.

Ground action was concentrated along the spiny ridges of Korea's Eastern Front.

TAKE MOUNTAIN PEAK

Troops captured a towering mountain peak there after getting reports it was thinly defended.

North Koreans repulsed a U. N. attack on another mountain to the west. Allied troops on one mountain slope received "an unusually large amount" of Red mortar fire.

The Red tanks in the West, were about seven miles north of Parallel 38, on the main north-south road from Seoul to Chorwon.

Planes roared down in screaming dives attacking the tanks. Air observers made no immediate claims. One report said that after the first air strike, the tank crews broke from cover to replace camouflage knocked off by the blast of explosions.

The Marines in the East apparently were reaching the main Red defense lines. Dense fields of anti-personnel mines were reported.

The Communists, both Chinese and North Korean, defended their positions to the last. Hundreds were killed by bullet, bomb and jellied gasoline.

The fighting was concentrated at several points from the Kumsong sector of East-Central Kora to the higher hills near Kansong on the East Coast

The toughest going was generally north of the "Punchbowl," an egg-shaped valley in the tall hills north of Inje. This was the scene of the Marine advance.

Other fighting flared near Kumsong and in a semi-circular area north of Yanggu.

West of the Upper Pukhan River the enemy was Chinese. The North Korean Reds were east of the mountain river.

The Marine advance was slow, painful and incredibly difficult. But it was moving steadily in the United Nations' favor.

TALK OF THE TOWN

By SUE HOLMES

WILD BILL ELLIOTT, cowpoke supreme, has come and gone without fanfare or publicity. Snyder fans of the radio and motion picture cowboy, who think nothing of driving miles to pick up his autograph when he visits in some other West Texas town, were unaware Tuesday night that he was at the Sunset Courts here. HARRY HOLBROOK, Sunset owner, said the professional cowboy was on his way to New Mexico.

• • •

An American high up in music circles has suggested that we broadcast music behind the Iron Curtain to give Russians a taste of our civilization.

One Columnist doubts the advisability of this, and points to such tunes as "Why Did You Believe Me When I Told You I Loved You When You Know I've Been A Liar All My Life," "Zing, Zing, Boom Boom," and even older melodies such as "Yes, We Have No Bananas."

Such propaganda doesn't sound so effective when you think of some of our other present day music. It is doubtful that repeated performances of "Chickery Chick" or "I Have Tears In My Ears From Lying On My Back Crying Over You" would raise us in the esteem of the Russians.

• • •

Then too, the columnist was a bit cynical about the effectiveness of sharing music to further peace. He pointed to such German tunes as "Ach Lieber Augustin," which nursery - age children have sung multitudes of verses to, and other much-used German songs. He contended that borrowing foreign music didn't prevent our having wars with Germany.

• • •

Speaking of music, we decided to conduct a highly informal poll to see what tunes are topping Snyder's hit parade.

A check with the record and sheet music salesmen reveals (if you are around any jukeboxes you can guess this one) that Del Woods' recording of "Down Yonder" is taking the lead.

That plaintive ballad, "Too Young," by Nat King Cole is still a top seller. MRS. E. W. BABB says. And "Bell, Bell My Liberty Bell" recorded by Bobby Wayne is almost as popular as "My Truly, Truly Fair," by the same composer.

"Anything sung by Mario Lanza sells," Mrs. Babb added. Lanza's recent appearance in "The Great Caruso" probably sparked his local popularity, in spite of the panning given the pudgy actor by Time magazine.

Lefty Frizzell's nasal dronings of "Always Late" and "Mom and Dad's Waltz" are popular platters, Mrs. GAITHER BELL, another record seller, reports.

Interpretations of "It Is No Secret" and "Peace in the Valley" by Red Foley are local favorites. And did you know that "It Is No Secret" was written by the brother of local dentist, Dr. JOHN HAMBLEN?

Eddy Arnold's rendition of "Someting Old, Something New," along with "Sweet Violets" by Dinah Shore, Les Paul's "All the World Is Waiting For the Sunrise," and Tony Bennett's "Because of You" just about competes the Snyder version of the hit parade.

But we're not forgetting to mention the calypso styling of William Saroyan's words into "Come-on-a My House". Local diskeries report Rosemary Clooney is the favorite singer of this, and Kay Starr is not far behind.

Wonder what the folk in the land of the star and sickle would think of this last - mentioned tune plus its sequel, "Where's Your House?" by Robert Q Lewis?

Sheet music sales reflect the best - liked records listed above, with local musicians adding "I Wanta Play House With You" and "Hey, Good Looking" to their purchases.

(Recipe for Starred Dish Follows)

TOMATO NOODLE CASSEROLE

INGREDIENTS: One 8-ounce package noodles (about 3 cups broken), ¼ cup diced luncheon meat, a tablespoon shortening, 1 can (1¼ cups) condensed tomato soup, ¼ cup water, 1 cup (4 ounces) grated Cheddar cheese.

METHOD: Cook noodles according to directions on package; drain. Meanwhile fry diced meat in hot melted shortening. When browned, remove meat from skillet and make sauce: Stir tomato soup, water, constantly until blended. Put noodles into 1½-quart casserole; mix and ¾ cup cheese into shortening in skillet; heat slowly and stir in meat and pour sauce over all, stirring it through noodles. Top with remaining cheese. Place under broiler just long enough to lightly brown cheese. Maks 6 generous servings.

Someone has recommended to me that I use two layers of wallboard on interior walls of my home. What is the advantage?

The superintendent of the U. S. Gypsum plant in Sweetwater advises that two layers of wall board give a practically crack - proof wall. Another advantage is that the second layer is glued to the first, and has no nail holes in it nor does it show any nail heads.

THE STARS

By BOB THOMAS

HOLLYWOOD, Sept. 14. (AP)—Victor Mature, who thought he had escaped the title, again finds himself in the "Beautiful Hunk of Man" category.

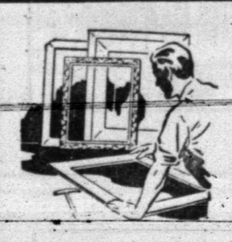

Thanks to chest-baring roles such as the cave man in "One Million B. C." Mature got stuck with that tag in the pre - war years. It didn't seem to do him any harm. He worked regularly and was well known to a large segment of movie goers, largely female.

Returning from the war, an older and a wiser man, he sought to make his mark as an actor, wearing shirts, coats and other adornments which normal folks wear. He accomplished that in "Kiss of Death," a crime subject with himself as a hunted man.

"Even the critics who hated my guts liked me in that one," he admits. "I was less repulsive than usual."

But then he played Sampson, the biceps-bender who was taken for the big haircut by Delilah in the Biblical epic. He was back in the loin-cloth league again. Now he's again in the ancient times, portraying a Roman soldier in "Androcles and the Lion."

Mature is reconciled to his fate. "Samson wasn't exactly bad for me," he remarked indicating this was an understatement. "How can you go wrong in a picture that is going to pull in 17 million dollars, that is) and maybe as high as 20? Why, I'm getting fan mail from places all over the world that I've never heard of before."

Extension Work From Hardin-Simmons Is To Be Organized Here

A meeting to organize and plan extension courses of Hardin - Simmons University will be held Monday night at 7 o'clock in the home economics room of the high school Mrs. Mable Brock announced yesterday.

W. T. Walton, vice president of Hardin - Simmons, will be at the meeting. All teachers interested in this work are urged to attend the meeting.

Gypsum Plant Head Is Speaker at Rotary

Tom Kassner, superintendent of the U. S. Gypsum Co. plant at Sweetwater and a past president of the Rotary Club, spoke on the history of gypsum and its modern uses at the Rotary Club luncheon here yesterday.

Tracing the gypsum industry from the days when Egyptians used it to plaster the interior of the pyramids until modern times, he said that gypsum first was used as wallboard on a big scale during World War I. Since then its use as wallboard and for other purposes has grown, he said.

L. W. Dumas was welcomed into the club as a new member.

James Rosser urged all members to vote in the city election Tuesday when it will be decided whether a new charter shall be drawn up for Snyder and if so, who will form the commission.

Polio Breaks Football Game for Alamo Heights

SAN ANTONIO, Sept. 14. (AP)—Alamo Heights school officials cancelled today the scheduled football game betwen their school and Austin scheduled for tonight.

The game was called off after one of the Heights players, Donald Wine, 17, died of polio this morning.

Kemper (Buddy) McHaney, Jr., 17, was admitted to the hospital at midnight Thursday. His family said he was "a little better" at 6 a.m.

Wine, stricken early this week, was placed in an iron lung. The attack came suddenly Tuesday night in a mild form, and became progressivley worse.

Youth Waives Hearing On Car Theft Charge

Bobby Eugene High, 17, San Francisco, waived preliminary hearing yesterday when arraigned on a car theft charge before W. C. Davidson, justice of the peace, and was bound over to await action of the grand jury. His bond was set at $750 by the court.

High is charged with the theft of a 1942 Ford from the Hewett Used Car lot on East highway on Sept. 8

College Students Get Chance At Plumbing Engineering Course

LOS ANGELES, Sept. 14. (AP)—Tomorrow's plumber most likely will be a college graduate who was given a pipe wrench at commencement exercises.

Los Angeles City and state colleges are offering four-year courses in plumbing enginnering this fall. The course will enable graduates to consult with builders, contractors and others on difficult jobs, such as cross-connection hazards where contimated water may get into fresh water lines, sewage disposal, rat-proffing and other factors.

15,310-Foot Oil Well Drilled By Gulf Co.

ODESSA, Sept. 14. (AP)—Gulf Oil has set a record depth for oil wells in West Texas with its Theo Winfield No. 1 wildcat in Central Pecos County.

The well reached 15,310 feet Thursday almost three miles, to best by 13 feet the previous mark set by a Phillips Petroleum dry hole in Southern Pecos County.

South Texas Put Into Emergency Rubber Plan

WASHINGTON, Sept. 14. (AP)—The Agriculture Department has picked South Texas for proposed future large-scale guayule plantings under the emergency rubber program.

Rep. Bentsen of Texas said Thursday officials told him if Congress provides funds, guayule seedlings will be planted this fall on about 12,000 acres.

A presidential request for $2,307,000 to carry on the guayule program is before the House Appropriations Committee.

The seedlings would be planted in La Salle and Frio Counties. They are being grown on about 550 acres in Maverick and Zavala Counties.

Approval Given On Texas Aluminum Plant

WASHINGTON, Sept. 14. (AP)—The Aluminum Company of America (ALCOA) had the "go ahead" today to build a 100-million dollar alyminum plant in Central Texas.

Permission was given Thursday by the National Production Authority.

The plant will be built near Rockdale, about 60 miles south of Waco. It would use vast lignite deposits in the area for power.

CLOSE-UP OF FAITH

You have to come very close to Faith in order to discover just what it is!

You see, Faith isn't a set of theological books, as some folks may think.

And it isn't just "the religious point-of-view," as others sometimes infer.

And certainly it doesn't take years to gain, as popular fiction occasionally suggests.

No! Faith is the simple trust of a child in God . . . the certainty that He cares . . . that He loves . . . that He helps.

Faith, after all, is believing! And for a little girl, or a full-grown man, the place to learn to believe is the Church.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

TEXAS BRANDS

BY JOHN M. HENDRIX

B. F. Crow started the Weed Hoe brand in Ochiltree County in 1901. He needed a brand and wanted one that had not heretofore been seen. Insofar as this writer can discern Mr. Crow was imminently correct in this choice.

BY JOHN M. HENDRIX

In 1881 D. H. McNairy had a range and cattle on the Colorado River in Mitchell and Sterling Counties. He gave as his brand the Booger Y, which was worn on some 500 head of cattle on a ranch of about 100 sections.

Fall Victim Moved To Wichita Falls

Thomas B. Watkins, 44, of 1317 Eleventh Street, was transferred from the Snyder Hospital to a Wichita Falls hospital Wednesday afternoon for treatment of a broken right hip.

Watkins was taken to Wichita Falls in a Bolger - Barnes ambulance for treatment of the injury suffered Tuesday afternoon when he fell from an oil field tank 12 miles east of here. He is employed by the Oven Jackson Equipment Co., Wichita Falls, as a tank setter.

He said his left hip was broken in a similar accident 10 months ago.

Notorious Hitler Guard Finds Leader for German Comeback

FRANKFURT, Germany, Sept. 14. (AP)—A new career as political spellbinder may be dawning for Otto Skorzeny, the scarfaced Nazi whose exploits shook the Allies in wartime.

Two hundred thousand former comrades of Skorzeny in the SS, Hitler's elite guard, are getting restive in West Germany over alleged wrongs.

They are brooding particularly over their failure to be awarded pensions like the government now pays old officers of the Army, Navy and Air Force.

Most politicians at Bonn, the federal capital, still shun open contact with SS elements. The Allies have barred them from the force of 100,000 German auxiliary troops who serve in "Labor Service Units."

STILL IN PRISON

Many SS men are still serving prison terms in France and Germany for war crimes. The Allied judgment at Nuenberg continues to stand: the SS was a criminal organization, but, strange is it may seem, Hitler's cabinet, general staff, and brownshirt storm troopers were not.

So bitter complaints are growing in SS ranks. Otto Skorzeny is listening.

With the demeanor of Superman, dropping down from Mars, the 242-pound, 6-foot-four adventurer bounced out of a Swiss airliner at Stuttgart recently. Instead of a uniform, he had a double-breasted flannel suit from one of Madrid's best custom tailors.

Identified by his Spanish passport as stateless and a writer, Skorzeny kept mum on rumors that he had been hired by Generalissimo Franco to organize an elite armed force, the Blue Corps, from the flabby political bulk of the Falange. Presumably, it would be instilled with oldtime SS efficiency.

With utmost discretion, Skorzeny said he had come to Germany to visit friends, and let it go at that. Police breathed easier. Searching through their files, they confirmed that Skorzeny was entitled to treatment as a respectable foreign tourist, because they didn't want him any more.

THE LAW WAS SATISFIED

This removed the tag, "wanted by the law," which had been pinned on him when he escaped from a Darmstadt internment camp in 1948 while awaiting a denazification trial.

Just a year before that, Skorzeny won acquittal of war crimes charges by the U. S. Army. It had been claimed that the sabotage spearhead which he led in the Ardennes counter-offensive had killed American soldier prisoners.

But tough American investigators never got the time of day out of Skorzeny. In another case, the "Malmedy massacre," it was finally admitted that they extracted confessions from SS men with beatings, mock trials, and pretended executions. Skorzeny confessed nothing.

When Skorzeny decided to leave the barbed wire fastnesses of Darmstadt, several conspirators dressed up in American uniforms and called for him. The German guards saluted. The prisoner climbed into a car and was driven away.

Acquaintances proudly argue that no SS veteran except Skorzeny is likely to capture public fancy in the future. He thus appears a logical choice to lead a "crusade" to whitewash the SS in general.

Wildcat Northeast Of Big Spring Temporarily Abandoned in Permian

Cosden Petroleum Corp. No. 1 F. W. White, wildcat in Central Howard County, has been temporarily abandoned at total depth of 5,609 feet in Permian lime and shale.

A one-hour drillstem test from 5,463 to 5,609 feet recovered 15 feet of mud with no shows.

Location of No. 1 White was 467 feet from south and 1,980 feet from east lines of section 36-32-t1n-T&P survey and four miles east and one mile north of Big Spring. That made it one and one-half miles north of U. S. Highway 80.

Pecos County Failure

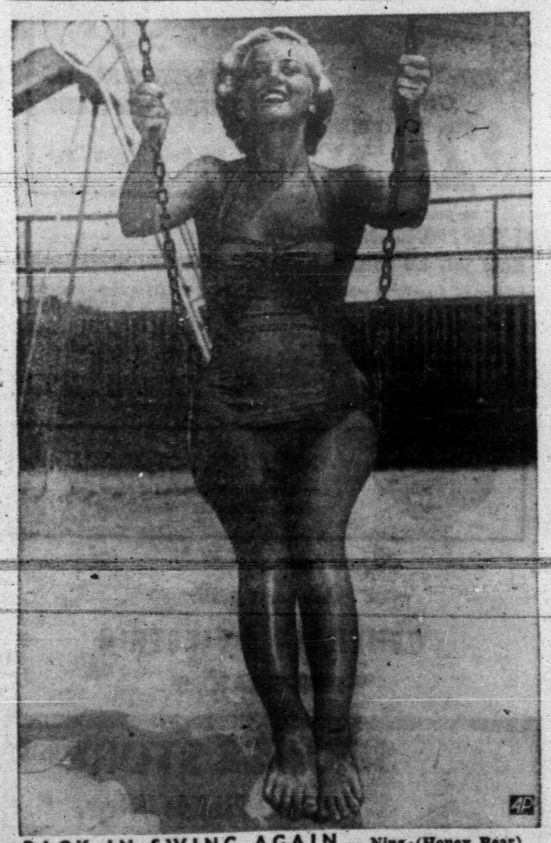

J. E. Smith of Houston has plugged and abandoned his No. 1 M.M. Holmes, wildcat in extreme East Pecos County, at 2,404 feet in Permian lime.

It was 660 feet from south and 1,500 feet from east lines of section 48-1-H&GN survey and seven miles south of Iraan.

Plug Ward Failure

Shell Oil Co. has plugged and abandoned the No. 3-B J. Edwards, wildcat in Northeast Ward County four miles east of Monahans.

The failure is 662 feet from west and 661 feet from north lines of section 7-B-18, psl.

FOXHOLES IN YOUR OWN FRONT YARD

WASHINGTON, Sept. 14. (AP)—"I want to tell you something about a war.

Thus a wounded Korean veteran, in a hospital here, started writing just to get something off his chest. He didn't think people back home understood what was going on in Korea.

The veteran pictured a shivering, hungry, lonesome soldier in a foxhole — right in your front yard, protecting your home from danger. If you visualize a lot of these soldiers in front of a lot of homes, you understand the war, the soldier said.

The Richmond (Va.) News-Leader, which received the letter, printed it in full, other newspapers picked it up. Then the National Cartoonists Society used it as the basis for a 16-page booklet, entitled "Foxhole On Your Front Lawn."

The Treasury Department announced today it will distribute hundreds of thousands of copies of the booklet across the nation, in its newly opened drive to sell more defense bonds. Copies will go to 27,000 defense plants.

The soldier, First Lieutenant Robert T. Fallon, 24, of Washington, said "I am proud to be of any help I can in the serous situation we face."

Green Wants One Big Union

SAN FRANCISCO, Sept. 14. (AP)—William Green, 78-year-old president of the mammoth American Federation of Labor, says he wants to see all United States labor unions joined in one big organization.

Green, in San Francisco for the AFL national convention which opens Monday, told newsmen Thursday that the drive for labor amalgamation will start "at the earliest possible moment."

He said it was reasonable to assume his 8,000,000-man union would seek its first talks with the CIO and subsequently with the independent railroad brotherhoods.

Green refused to comment on rumors that John L. Lewis and his United Mine Workers might ask for readmission to the AFL. Lewis and the UMW bolted the AFL four years ago in a dispute over political issues with the fiery mine workers' chief berating the larger union as "lions led by fat and stately asses."

Green also refused to say whether the AFL will again support President Truman if the latter runs for re-election in 1952.

Any such statement would be partisan and the AFL's political policy will be nonpartisan, he said, and added:

"We will hold to our traditional policy — defeat our enemies and support our friends."

But later in the day, Green told the AFL's Building Trades Union that the U. S. Government is now controlled by a coalition of Southern Dixiecrats and x x x Republicans from the North."

"The AFL is going to drive with all its power to have this corrected," he asserted.

Green, president of the AFL since 1924, said he expected to be renominated. He also minimized rumors that Philip Murray intends to quit as president of the rival CIO.

"So far as I can see the situation," Green said, "Mr. Murray will continue to serve as president of the CIO for some time to come."

Tom Green Wildcat

Fullerton Oil Co. spotted a 5,800-foot wildcat in Central South Tom Green County, nine miles southeast of Christoval.

No. 1 J. L. Harris is to be drilled 1,980 feet from south and 660 feet from west lines of section 64-25-H&TC survey and 11 miles southwest of the Susan Peak pool.

Steamer Pulls Into Lead In Old Car Race

BUFFALO, N. Y., Sept. 14 (AP)—If he can get enough water Jack Brause expects to win the battle of the ancient autos.

The 76-year-old automotive expert chugged into Buffalo in his 1913 Stanley Steamer Thursday night during a driving rainstorm a full 2½ hours ahead of his 70-year-old buddy.

Rube DeLaunty and his 1911 Stoddard-Dayton came in at the end of a tow rope.

Quipped Brause:

"I guess Rube's at the end of his rope."

DeLaunty said the rain had conked out his motor twice. The last time was just outside Buffalo and it refused to start.

Brause and DeLaunty will leave Buffalo today on the fifth day of their Chicago-to-New York race. They hope to make Syracuse by tonight.

Brause picked up an elapsed time lead of an hour and 45 (eq) minutes on the 190-mile run between Cleveland and Buffalo. He was 45 minutes behind at Cleveland.

He said the only trouble he had was getting enough water.

"Most of the filling stations aren't equipped to handle the amount I need," he said.

The first thing he did when he arrived in Buffalo was to load up with 40 gallons. "If I didn't now, I'd have to the first thing in the morning."

The rain storm hit De Launty and Bruase as they left Erie, Pa., about 90 miles southwest of Buffalo.

Brause said the rain didn't slow him down too much. "We got as high as 55 miles an hour," he boasted.

As he poked his head out of the uncurtained car when he arrived, he said, "Sure, I've got a windshield wiper. My handkerchief."

Requests Mac As Ambassador

WASHINGTON, Sept. 14. (AP)—Senator Brewster (R-Me) said today President Truman ought to name Gen. Douglas MacArthur ambassador to Japan when the peace treaty is ratified.

Mr. Truman told his news conference Thursday that as soon as it is ready, he will send the treaty to the Senate and ask quick approval.

Brewster said Mr. Truman fired MacArthur from his Far Eastern commands, including chief of occupation forces in Japan, because of differences over military policy in the Korean War.

"No matter how sharp that controversy may have been, I don't believe it ever has been disputed that MacArthur did a splendid job as head of the occupation program," Brewster told a reporter.

Brewster said he is not too hopeful Mr. Truman will follow his suggestion.

He added:

"But I have great confidence that MacArthur will get the assignment under the next Republican administration."

Winkler Venture Set

B. H. Grube of Midland will drill a 4,050 foot wildcat in Northwest Winkler County, two and one-half miles west of the shallow Eaves pool.

No. 1 Tubb is located 661 feet from north and west lines of section 11-C-23-psl.

There are 50,000 Indians in New Mexico.

NEWS FROM IRA

BY MRS. MABEL WEBB

The Ira community reports rain both Friday and Saturday nights.

The Rev. Nathan Pipkin of Abilene filled the pulpit at the Methodist Church Sunday morning and night in the absence of the regular pastor, the Rev. Deon Martin, who is in a revival meeting. The visiting minister and his wife were Sunday dinner guests of the F. L. Gulletts.

Poles Salvage German Battleship For Scrap

WARSAW, Poland, Sept. 14. (AP)—Polish salvage crews have raised the German battleship Gneisenau, scuttled by fleeing Nazis at the mouth of Gdynia Harbor in 1945, and will get 20,000 tons of high quality steel scrap for use in factory production, newspapers here report.

British planes pounded the Gneisenau and the Scharnhorst in 1942 while they lay in Brest Harbor but they slipped through the channel to Kiel where there were bombed again. The British finally sank the Scharnhorst when it attacked an Allied convoy to Murmansk in 1943 and bombed the Gneisenau later at Ddynia.

New Twist In Peace Treaties Results From That Of Japs

By JAMES MARLOW

WASHINGTON, Sept. 14. (AP)—Out of necessity in the cold war with Communism a new kind of peace treaty is being born — a treaty with long strings attached.

It was shown in the treaty this country signed with Japan. And it appears in the treaty being discussed for Germany. The latter hasn't reached the signing stage yet.

The treaty with the Japanese not only said they were free agents — free to re-arm and trade and deal with other countries — but it also said Japan could agree with any foreign power to keep troops in Japan.

This meant no one but the United States. And almost simultaneously with signing the peace treaty, we signed the military agreement with Japan, letting us keep American forces there indefinitely.

There could hardly have been any treaty in the first place if the Japanese hadn't agreed to let American troops stay. For one thing, the treaty still isn't final and can't be until the Senate approves.

American troops in Japan are pretty good insurance against any Japanese Communist seizure of power by a coup, or Communist attack from the outside. And a rearmed Japan will be tied in with American defense plans.

Of course, an unpleasant question arises here: what happens if American-Japanese relations deteriorate and the day comes when a Japanese government asks us, or tells us, to get our troops out?

For the past week the foreign ministers of the United States, Britain and France — Dean Acheson, Herbert Morrison and Robert Schuman — have been meeting here in Washington, discussing a number of their mutual problems. None was more important than Germany.

TREATY IMPOSSIBLE

It's been impossible to make a treaty with all Germany. The Russians occupy the Eastern part. And the Allies and Russia haven't been able to agree on a single treaty or single government for all Germany.

Meanwhile, the West Germans are restless under the six-year occupation. If the Allies want to bind her to them as an ally, they must make a bargain with her. The best bargain is a peace treaty.

But the Allies, because of the uncertain future and the unpredictable moves of Communism, don't feel ready for a full treaty. The three foreign ministers here talked all week about a "contractual agreement."

This would be a kind of peace treaty with Germany, including a big "if": If the Allies see any danger of Communism taking over — internally or by outside attack — they reserve the right to step in.

That's the way the thinking has been going.

Greeks Talking Of Another Election

ATHENS, Greece, Sept. 14. (AP)—Talk of a new election in Greece has sprung up in the wake of the failure of the Greek rally party of Field Marshal Alexander Papagos to get the absolute parliament control it sought in last Sunday's voting.

Papagos has announced he will not join any coalition cabinet. A combine of the second-place National Progressive Party of General Nicholas Plastiras and the third-place Liberal Party of former Premier Sophocles Venizelos lacks strength.

Papagos would get 107 of parliament's 250 seats under the latest unofficial allocation, the Progressives 72, the Liberals 58, and extreme left-wing groups only a scattering.

Veteran Re-Enlists

FORT JACKSON, S. C. Sept. 14. (AP)—"It sure feels good to be back," said 17-year-old Bobby Gene Willis of Poulan, Ga., after a one-day absence from the Army.

Bobby joined the Army when he was fifteen. After going through the rigors of last winter's fighting in Korea, his age was discovered. A minority discharge was ordered.

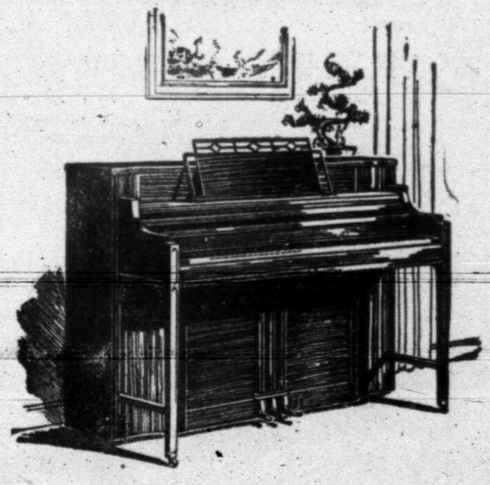

The discharge came through Tuesday.

But Bobby, now old enough for service, went back Thursday with the consent of his mother, Mrs. Mae Willis, and re-enlisted.

Yanks, Tribe Both Go Down Thursday

(By The Associated Press)

New York's prospects of a ten-cent world series are not so bright today.

The Brooklyn Dodgers, streaking six games ahead in the National League, are just about "in," but the New York Yankees are showing signs of cracking up in the American League scramble.

The Yanks have played horrible baseball of late. It began on Tuesday when they dropped a double header to the tail-end St. Louis Browns. The Yanks rested Wednesday, but the layoff did them no good.

Virgil Trucks and the Detroit Tigers turned back the bombers, 9-2, Thursday. However, the Yanks remained just one back of the frosh-running Cleveland Indians, who dropped a 1-0 decision to the Senators in a night game at Washington. The third-place Boston Red Sox took advantage of the Yankee and Indian defeats, beating St. Louis, 5-4, in 10 innings to climb within 3½ games of the top.

BROOKLYN PULLS AWAY

Brooklyn pulled six games ahead of second-place New York without lifting a bat. The Giants dropped a 6-4 decision to the St. Louis Cardinals in a unique day-night double header. The Cards lost the night portion of twin-bill to Warren Spahn and the Boston Braves, 2-0. Spahn allowed only one hit — Al Brazle's sixth inning single, in posting his 20th victory.

Mickey Mantle started the Yanks on their way in grand style by belting Black's first pitch for a home run. But the Tigers, aided by shoddy fielding, nicked Ed Lopan for single runs in the third and fourth innings and sewed the game up with seven runs in the fifth.

Bob Porterfield, a former Yankee, shut out the Indians on three-hits in out-pitching Bob Lemon at Washington. The Senators scored the only run of the game in the third inning on a two-base error by Bob Avila and Mickey Vernon's single.

KINDER GETS WIN

Dom DiMaggo tripled with two out and scored the Red Sox' winning run in the 10th against St. Louis on an infield hit by Johnny Pesky. Ned Garver was the loser and Ellis Kinder the winner. Kinder relieved Mel Parnell in the eighth after a two-run homer by Ken Wood tied the score at 4-4.

The odd twin bill came about when the Cards' game with the Giants was rained out Wednesday. In order to get the game in, the Cards scheduled it for Thursday afternoon as they previously had arranged to meet the Braves at night in a playoff of another postponement. The three-team attraction was the first in the majors since the 1880s.

All other National League clubs were idle.

Dark Horse In Tourney Lead

BETHLEHEM, Pa., Sept. 14. (AP)—Week end golfers except those in Texas must be pulling for Jack Benson of Pittsburgh to win the National Amateur championship. He's the "fat man's choice."

Benson is a 40-year-old real estate man, the father of four children, stands six feet two and weighs 228 pounds.

To look at him you'd think he should be playing fifty-cent Nassau instead of shooting for the finalist berth against young Billy Maxwell of Odessa, Texas, today at the Saucon Valley Country Club.

Benson is not much different from the fellow you see at the club every Saturday shooting half-a-dollar scats.

He has ulcers and drinks nothing harder than milk. He is wearing two pair of thin socks to protect tender feet that hurt him fearfully.

Benson didn't come to Saucon Valley to win the amateur championship "I just came to get away from the kids," he said good naturedly. His oldest is a boy 15, his youngest is five months.

He didn't think enough of his chances to reserve a hotel room. He's staying in a dormitory at Moravian College.

He's the least concerned of all about this semi-final business. If he wins o.k. If he doesn't ditto.

"I just like to hit 'em," he said, and he hits 'em a mile. "How I got this far heaven only knows."

Texans Leading In Women's Tournament

ATLANTA, Sept. 14. (AP)—Three Texans are sitting comfortably in the one-two-three spots of the women's National Golf Tournament today.

Babe Zaharias edged out in front with an opening round 70 Thursday, two under par and a record in feminime competition at the Druid Hills course. One strock back was pretty 18-year-old Marlene Bauer of Midland.

Low amateur and third in the field was another Texan, Polly Riley from Fort Worth. She had a 72.

In a tie for fourth are two others from the Lone Star State — Betsy Rawls of Austin and Pat Garner. They carded 73s.

This tournament, biggest in women's golf, ends Sunday with 17 pros divvying up $7,500 in prize money.

Marlene and her sister, Alice, are the gallery favorites.

B Squad Schedules Hobbs Game Tomorrow

The Tiger Cubs, B squad high school football team, will play Hobbs high school tomorrow night there at 8 o'clock.

About 40 boys have come out for the B team this year since school began Monday, Hal Battles, coach, said.

Coaches for the Cubs are Battles and Jack Blanchard.

Jr. Colleges Play Yesterday

(By The Associated Press)

Texas junior college football pushed open the season Thursday night with Tarleton State, Ranger and Kilgore scoring victories.

Tarlton, of the Pioneer Conference, beat Cisco of the Texas Junior College Conference, 13-0.

Ranger of the Pioneer Conference whipped Decatur Baptist College of the Texas Junior College Conference, 32-0.

Paris of the Big Sox Conference bowed to the East Texas State College B team, 18-7.

Wharton, Blinn and Henderson County open the season Friday night. Wharton plays Southern State College at Magnolia, Ark.; Blinn meets University of Houston B at Brenham, and Henderson County engages Northeastern Oklahoma State at Tahlequah, Okla.

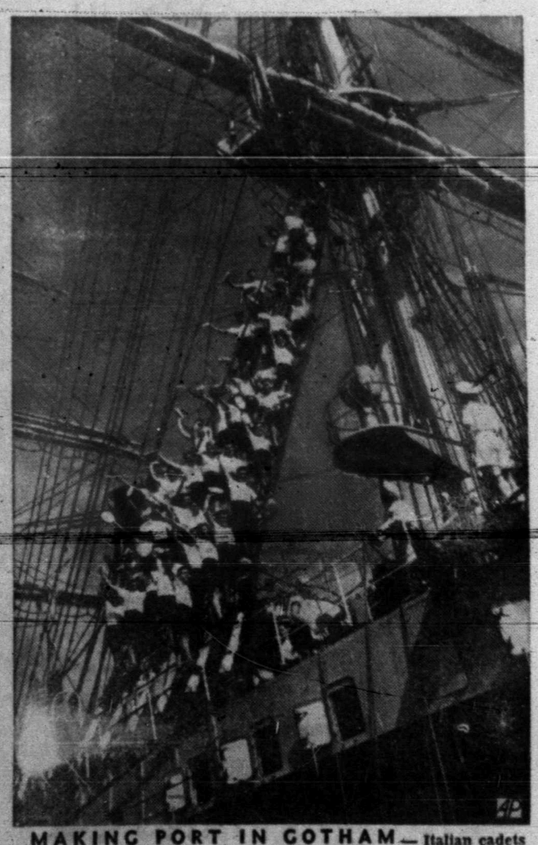

Rain Halts Playoffs In Gulf Coast League

BROWNSVILLE, Sept. 14. (AP)—The weatherman and football are making it hard for the Gulf Coast League to get to its championship series. The final round of the playoff was to begin Wednesday but the first game hasn't been played yet.

Rain and wet grounds forced postponement of games Wednesday and Thursday night at Brownsville. The league declared an open date tonight to clear for high school football action.

They'll try again Saturday night — but this time in Corpus Christi. Three games will be played in Corpus Christi then the clubs will try again in Brownsville where the series will be completed.

Arkansas Has Great Hopes Of Extra Good Season This Fall

FAYETTEVILLE, Ark., Sept. 14. (AP)—Hopes bloom in the Ozarks that Arkansas will rise from the ashes of its worst season to a place of respect in Southwest Conference football.

It is only reasonable to expect a better team. The Swine lost eight of ten games last year and that's about rock bottom for a major college eleven.

Only 16 lettermen are at Arkansas — none at guard — but the team will have greater speed, improved passing and a better idea of what Otis Douglas wants to do with his pro-styled system.

It is conceivable that at least six of the defeats of 1950 can be turned into victories this time. Those losses were by margins ranging from one to seven points. Any one could have been turned into a victory with a little more speed, a little better passing and more accurate knowledge of Douglas' plans.

Arkansas will be thin in experienced men at guard and tackle. Dave Hanner, All-Southwest Conference, is one of the finest tackles in the country. All the other men at those posts are sophomores.

Fred Williams, a tackle for two seasons of varsity play, has been shifted to guard. Sophomores also will furnish the others to play the guard positions.

Otherwise Arkansas has a fine array of proven material. Pat Summerall and Bill Jurney are the best offensive wingmen the team has had in years: Frank Fischel is a stalwart on defense.

Centers are excellent with veterans Bob Griffin and Jim Smith, both first stringers in any league.

Two-year lettermen Jim Rinehart heads the quarterbacks. An excellent prospect, Ralph Troillett, is a talented passer and likely to push in ahead of Rinehart.

Douglas is pleased with his halfbacks. Dean Pryor and Buddy Suttn, bellwethers on defense last year, will be the bread and butter ball-luggers. They are fast and can hit hard. Murray Elton, might beat somebody out of a first string job. Douglas likes his breakaway runner — sophomore Jack Troxell. Joe Dugan and Jiggs Phillips, lettermen, can carry the mail, too, and speedy Johnny Cole is one of the finest defensive backs in the league — a star at running back punts.

At fullback, Arkansas has experience and power in Lew Carpenter and Larry Hogue, lettermen. Both are capable blockers. Sophomore Floyd Sagely is expected to make up for the loss of Louis Schauffele on defense. Hogue was a quarterback last season.

Douglas works many of his men for more than one position — a system he started last season.

Arkansas should be much better this season but, as Douglas says, it all narrows down to whether the opposition will improve as much as the Razorbacks.

Port Arthur In For New Test

(By The Associated Press)

Texarkana tests Port Arthur at Port Arthur tonight in the headline game of Texas AAA schoolboy football. Port Arthur crushed Denison, 48-0, last week.

Waco of Class AAAA rolls against Temple, one of the rated teams of AAA. Lamar of Houston plays highly-ranked Baytown in a struggle between AAAA powers.

A smattering of games were played Thursday night.

Borger of AAAA crushed Dalhart of AA, 32-0.

Northside (Fort Wroth) of AAA whipped Weatherford of AAA 18-9.

Irving of AAA surprised by tying Sunset (Dallas), an AAAA power, 7-7.

Thomas Jefferson (San Antonio) of AAAA whipped Kerrville of AAA, 25-7.

Millef (Corpus Christi) of AAAA defeated Alive of AAA, 12-0.

San Jacinto (Houston) of AAAA downed independent St. Thomas (Houston), 26-14.

In AA, Hooks played Texarkana B to a 13-13 tie. Independent Kirwin (Galveston) edged Nederland, 12-6.

In A, Sudan romped on Boys Ranch 45-12.

Hull-Daisetta and Winnie Stovall of Class A played to a 7-7 tie.

John Reagan B of Houston won over Sweeny, 21-0.

Big Wells defeated San Felipe (Del Rio), 20-6.

Edcouch-Elsa beat LaJoya, 15-0.

Finalists Set In Longhorn

ROSWELL, N. M., Sept. 14. (AP)—Roswell and Odessa fought their way to a meeting for the Longhorn League championship Thursday night. Roswell eliminated second-place Big Spring and Odessa disposed of the leaders, San Angelo. Roswell finished the season third, Odessa fourth.

Odessa beat San Angelo four games to one with a 5-4 decision. Roswell edged Big Spring, 2-1, to win that series, four games to two.

The two clubs will rest tonight while clearing the deci for football but will open the championship round Saturday night in Roswell.

Lubbock Ahead In Playoffs

ALBUQUERQUE, Sept. 14. (AP)—The West Texas - New Mexico League playoffs take time out for high school football tonight, with Lubbock ahead of Abilene 3-1 and Albuquerque tied up with Lamesa, 2-2.

Lubbock pushed ahead again Thursday night, downing the Blue Sox, 7-2, to force the Sox to win Saturday night or call it quits.

Albuquerque started out to do the same thing, pounding out seven runs to take a shutout lead in the third. But the Dukes stopped there, and the Lobos came back to win, 18-7.

The Hubbers sent Art Hamilton to the showers in the first by getting off to a 5-0 start at Lubbock.

The series resumes Saturday additional games to be played in Albuquerque and Abilene.

Abilene Skipper Hack Miller will send Fred Schmidt (22-6) against Lubbock and Ray Faust (21-12). Jesse Priest (19-3) will start for Albuquerque at Lamesa against Herb Damico (9-2).

Big State League In Attendance Decrease

FORT WORTH, Sept. 14. (AP)—Attendance in the Big State Baseball League dropped 45,964, president Howard Green reported.

Attendance was 650,401 last year and 604,437 this season.

Three of the league's first division teams — Austin, Sherman-Denison and Temple showed increases.

Austin led the league with 147,361. Temple drew 114,329. Sherman-Denison had 57,292.

Other totals were Wichita Falls, 73,414; Waco, 61,371; Texarkana 56,671; Ginesville, 50,771 and Tyler, 43,197.

Business Showing Normal Hike For Beginning Of Fall Season

By SAM DAWSON

NEW YORK, Sept. 14. (AP) — Retail trade figures should make pleasanter reading from now on. Business shows signs of picking up. Figures may not lie but they often give the wrong impression.

Merchants say that, in spite of all the tears, business hasn't been really bad. Store sales this summer did look a little sorry for a while when compared with last summer's war-scare buying. This was to be expected. And sales looked particularly sad to merchants who had overstocked last winter and spring, when they guessed wrong.

But this October should look much better. Here is why: Last year the summer boom was followed, naturally, by a drop in sales in late September and October, when a public which had bought more than it should changed to buying less than it should.

This year the situation is reversed. Buying is picking up a little now, in most lines, although unfortunately not in all. This is as it should be in September.

By October, many in the trade believe, the comparison with last year's slow sales will put this year's figures at least 10 per cent ahead.

For many stores, the pick-up started in August. Store chain variety age for 44 chains show August sales volume this year nearly four per cent ahead of August, 1950, and well ahead of the 1949 month.

Best gains were turned in by chain groceries, women's apparel, variety, drug, shoe and general merchandise chains. Auto appliance stores fared worse this year than last year. So did the first three mail order houses to report. But one of them, Sears, Roebuck, topped the year ago figure. August sales this year set a record for the month. Heavy advertising and special sales helped, and credit is also given to increased payrolls in industrial areas the mail order house serves.

Department stores report the pick-up in trade started in soft goods.

Gainesville In Good Position

SHERMAN, Sept. 14. (AP)—Gainesville took another step toward the Big State League crown they have tried to win for five years. The Owls beat the Sherman - Denison Twins Thursday night, 3-2, to take a one-game lead in the championship playoff.

Gainesville garnered two runs in the second inning on two hits and a base on balls. They got the other in the third on two singles and a walk.

The clubs will rest tonight and resume play Saturday night with Gainesville leading in the series two games to one. Bud Lievely has been chosen to pitch for Sherman-Denison. Bob Upton will be the Owl choice.

New Poll Shows Baylor High

FORT WORTH, Sept. 14. (AP)—Sport writers pick Baylor to win the Southwest Conference football championship.

The poll conducted by the TCU sports news picked Texas A&M second and the Texas third.

TCU finished fourth, SMU fifth, Arkansas sixth and Rice last. Neither Rice nor Arkansas received a first-place vote, but all other teams did. Baylor got 19, A&M 18, and Texas 14.

Walks Off And Leaves House

MIAMI, Fla., Sept. 14. (AP)—Seven years ago Mrs. Isabelle McLean Herman left her home in suburban Coral Gables when her husband died, and never returned.

She left without locking the doors, or closing windows, or putting the car in the garage.

The house soon became a "ghost house." Vandals and prowling youngsters met there; others used it for trysts and love-making.

Mrs. Herman was traced to Washington, D. C., but real estate men were told she is not well enough to enter into negotiations to sell the property.

City attorney Edward Semple of Coral Gables Thursday filed suit in circuit court asking that the two-story house and garage be declarde a public nuisance.

The city wants to tear the old house down.

Slow Progress In Texas Loop

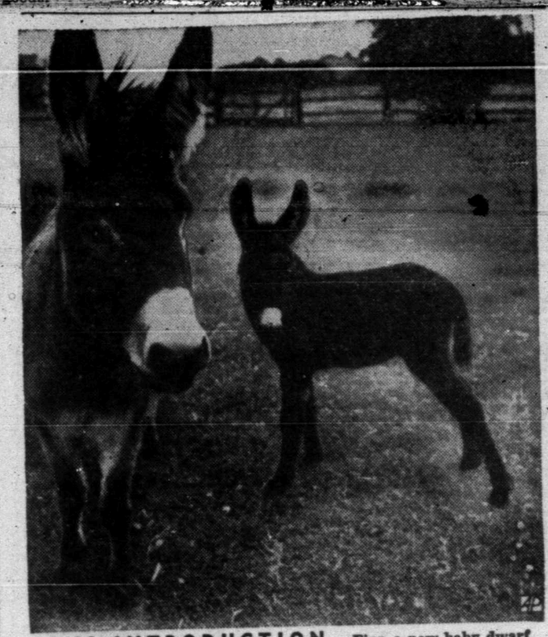

DALLAS, Sept. 14. (AP)—Dallas and San Antonio are being haunted by two's and three's as they battle for a spot in the final round of the Texas League playoffs. Three games have been decided by 3-2 scores.

Dallas went 12 innings before winning Thursday night, 3-2, after San Antonio had won the first two games.

Houston and Beaumont, tied at one game each, were rained out at Beaumont.
