The SDN Column

Like Hal Boyle, the Associated Press Columnist, we get a lot of mail at our office. Some of it is interesting, some is not, but nearly all is aimed at getting publicity plugs for products, politicians, etc.

These missives literally cover the field, and there is little left to "invent" or discover if you take them seriously across the board.

There are literally scores of companies who work directly opposite others. There are firms trying to develop more users of tobacco and others trying to peddle methods of breaking the nicotine habit.

At this time, the most widespread activity is aimed at weight-losing. But there is an industry that makes a business of promoting weight-gaining.

And it was a publicity message from one of the latter that attracted the attention of the female personnel here at the office the other day. It warned that thin people may be undernourished and that "underweight" can cause as much concern as "overweight."

But what really caught the eyes of the girls was a quotation attributed to an executive of a big business who volunteered, "I hate to see a scrawny, skinny woman in the office. It's kind of unfeminine. We prefer to hire attractive secretaries and receptionists."

I am passing this along on the chance that other women and girls will be as interested in this information as the girls at the office were.

★ ★ ★

I thought I recognized the voice speaking into a public telephone at a local eating establishment Friday, and sure enough, it was Oscar Fowler, former agricultural agent here. He was "just passing through on my way west."

Fowler and his wife, Evelyn, who taught in Snyder Schools, moved to Seminole several years ago. They are still there, although Oscar confided that Evelyn spends quite a bit of time in Fort Worth, because "that's where the grandchildren are now."

Today In History

Today is Sunday, March 24, the 84th day of 1968. There are 282 days left in the year.

Today's highlight in history:

On this date in 1603, the crowns of England and Scotland were joined under James the Sixth of Scotland. He began his reign as James the First.

On this date:

In 1683, Rhode Island was purchased from the Indians.

In 1783, Spain recognized the independence of the United States.

In 1882, German bacteriologist Robert Kovh announced the isolation of the bacillus of tuberculosis.

In 1934, President Franklin Roosevelt signed a bill granting future independence to the Philippines.

In 1945, British and U. S. troops crossed the Rhine River in World War I.

In 1965, some 250,000 Negroes and white sympathizers converged on the Alabama State capitol at Montgomery after a five - day march from Selma, Alabama.

RONALD THOMASON

Judge Named For Art Show

Ronald Thomason, known as "one of the Southwest's leading realists," will judge entries in the Snyder Art Show scheduled to open March 31 at the Scurry County Coliseum under sponsorship of the Diamond M Foundation.

Thomason, whose credentials are impressive, is known for his distinctive style, although he has been trained "in the Wyeth tradition as well as National Academy standards."

A native of Oklahoma, he moved to Texas at an early age and began his art studies with the Fort Worth Art Center and John Chumley. He was awarded a fellowship to the Pennsylvania Academy of Fine Arts in 1963-64 and also had the privilege of a year of private instruction with National Academician John McCoy. He chose to return to the Southwest to apply his eastern training and now lives at Weatherford.

Thomason has exhibited at the Pennsylvania Academy of the Fine Arts, National Academy of Design, Columbus Museum of Arts and Crafts, Everhart Museum of Natural Sciences and Art, Woodmere Art Museum, Smithsonian Institution's Traveling Drawing Exhibition, Witte Memorial Museum, American Drawing Biennial, Texas Watercolor Society Annual, Tarrant County Annual Exhibition, Butler Institute of American Art, Juried Arts National Exhibition and Baker Collector Gallery at Lubbock.

Entries in the art show here are to be delivered to the Scurry County Coliseum on Thursday, March 28. The show is open to all artists who live within a 125-mile radius of Snyder.

The entries will be judged in three divisions — oils, watercolors and all other media. A purchase prize of $300 will be awarded for the best entry in the show, while first, second and third prizes of $100, $50 and $25 will be awarded in each division.

The paintings will remain on display at the coliseum for a week.

Each artist is limited to two entries, and the entry fee is $2 per painting.

Tow Service Set Monday

Funeral service is set for 3 p.m. Monday at the Bell-Seale Chapel for Leroy J. Tow, 85, who died at 4:45 p.m. Friday in Cogdell Memorial Hospital.

Mr. Tow, who lived at 2103 Peyton Street, had been a resident of Scurry County most of his life. He was a native of Llano County. He was married April 24, 1915, to Clara Harrison in Snyder. She preceded him in death in 1936.

The Rev. Jack Riley will officiate at the funeral service. He will be assisted by the Rev. Charlie Berryhill. Burial will be in the Ira Cemetery, under direction of Bell - Seale. Grandsons will be pallbearers.

Surviving are six daughters, Mrs. Mae Tranthem of Lake Wood, Calif., Mrs. Tommy McMillan of Andrews, Mrs. Ruby Gibbs of Riverton, Wyo., Mrs. Earlene Payne of Ira, Mrs. Ann Chaney of Snyder, and Miss Pauline Tow of Snyder; a son, John H. Tow of Houston; two sisters, Mrs. Ethel Key of Lovington, N. M., and Mrs. Bertha Fryer of Roswell, N.M. two brothers, Leonard Tow of Roswell and Cecil Tow of Silver City, N. M.; 20 grandchildren, 29 great - grandchildren and two great - great - grandchildren.

Adam Powell Ends Exile In Bahamas

NEW YORK (AP) — Harlem's best known itinerant Baptist preacher, Adam Clayton Powell, came home Friday night, staging a typically sudden and flamboyant entrance to a city he had avoided for a year and a half.

The former congressman, still buoyant and irrepressible more than a year after the House denied him his congressional seat, returned to face the legal problems that kept him in self-imposed exile on the island of Bimini in the Bahamas.

But to his supporters, the only thing that mattered was "Big Daddy" was back. And Powell, considerably grayer than Harlem last saw him, played his obviously enjoyable, preacher-politician role to the hilt.

Screaming with joy, well wishers mobbed the 59-year-old Democrat as he was first spotted crossing a street near his Abysinnian Baptist Church.

"Keep the faith, sweetheart," he shouted as one woman leaped and landed with her arms around his neck.

"Daddy's Home," the crowd shouted.

"Sock it to 'em, dad," Powell shouted in return.

Powell, who has faced the threat of arrest here for criminal contempt since December 1966, flew in to Newark, N.J. He surrendered to a sheriff in Manhattan and was released in parole by State Supreme Court Justice Arthur Markewich.

Powell went to Harlem where he is seeking re-election to the 18th congressional district seat he held for 22 years. He made his way through his milling supporters to the Renaissance Ballroom where a crowd had been building for hours.

NAVY RAIDERS' NEW TARGET

Red Chemical Plant Hit

By ROBERT TUCKMAN
Associated Press Writer

SAIGON (AP) — U.S. Navy planes raided a North Vietnamese chemical plant for the first time in the war Friday and the U.S. Marine base at Khe Sanh came under the heaviest enemy bombardment in recent days.

Military communiques shared the spotlight with news that the more than half million U.S. troops in Vietnam will have a new commander in July when Gen. William C. Westmoreland returns to Washington to become Army chief of staff.

The chemical and fertilizer plant which came off the Pentagon's restricted list was the Haip Duong facility 21 miles northwest of Haiphong. Navy pilots flying all-weather A6 Intruders, said their bombs touched off several secondary explosions.

Air Force fighter-bombers flew within 18 miles of Red China and hit the Lang Giai railroad yard, on the main northeast rail link between China and Hanoi, for the third time this month.

Other Air Force pilots reported destroying six North Vietnamese tanks or armored personnel carriers moving in a convoy toward the Mu Gia Pass into the Laotian infiltration trail.

In all, American pilots flew 87 missions over the North Friday despite continuing monsoon weather.

At Khe Sanh, the northwest frontier outpost under siege by enemy troops since January, North Vietnamese gunners fired in some 650 rocket, mortar and artillery rounds Friday. U.S. officers said Marine casualties were light.

Otherwise, today's communiques listed only small scale skirmishes in scattered parts of South Vietnam.

After four years commanding U.S. troops in Vietnam, Westmoreland said he regrets leaving before "the battle is over" but is proud to be named chief of staff.

"I shall continue to support our objective (in Vietnam) to the best of my ability," he said.

In announcing Westmoreland's new assignment in Washington, President Johnson did not name a successor.

Speculation arose that Westmoreland would be followed here by his West Point classmate, close friend and current deputy, Gen. Creighton W. Abrams.

"I would hope so," Westmoreland told a newsman. "I have absolute confidence in the ability and leadership of Gen. Abrams."

Speaking of his regret at leaving, Westmoreland said, "This feeling is particularly true in my case since I am leaving before the battle is over and peace is restored to the people of this beautiful land which has been so torn by Communist aggression. The Vietnamese people will remain in my heart . . . "

RECEIVES SWORD — Mayor M. L. Broman (center) receives a sword from Mrs. Catherine Dodson and Keith Pitner, officials in the local chapter of the American Cancer Society, shortly before he declared April as "Cancer Control Month" in Snyder. The Society begins its annual fund drive April 1, which has been designated "Cancer Control Day."

BLAMED FOR DEATHS

Snow Strangles S'east States

MEMPHIS, Tenn. (AP) — A record spring snowfall of up to 16 inches covered the central South Friday, stranding motorists, causing deaths and closing businesses.

The Tennessee Highway Patrol said wrecker crews worked overnight to assist stranded motorists in northern, middle and west Tennessee. Numerous roads were impassable.

The U.S. Weather Bureau blamed the unusually heavy accumulations on the slow eastward movement of the storm, which began in this area early Friday.

The forecaster said cold temperatures met "what would normally be heavy rain."

Particularly hard hit were west and middle Tennessee, western Kentucky and northern Mississippi. In all, 15 states from Louisiana to Michigan were affected.

The total snowfall here was 16.1 inches, second heaviest since weather records began nearly 100 years ago. The St. Patrick's Day snow of 1892 totaled 18 inches.

Elsewhere, there were 13 inches at Louisville, Ky.; 12 inches at Clarksdale and Oxford, Miss.; 13 inches at Dyersburg and Jackson, Tenn.; 12 inches at Hopkinsville, Ky.; and 8 inches at Nashville.

Five deaths in Kentucky and three in Tennessee were attributed to slippery road conditions.

At Dyersburg, the roof of a furniture warehouse collapsed under the weight of snow, and police here reported that roofs of several carports and garages fell.

Most downtown Memphis stores closed Friday and suburban businesses shut their doors early because of a lack of customers. Some plants halted manufacturing operations and absenteeism was high at other industries.

As the storm moved eastward Friday, the temperature dropped 26 degrees in an hour at Knoxville, Tenn.—from 72 at 3 p.m. to 46 at 4 p.m.

Travelers warnings also were issued for northern Alabama were the snowfall amounted to as much as four inches. There were no significant accumulations south of Birmingham.

Strong winds and thunderstorms swept most of Georgia and southern Alabama, downing power lines, damaging roofs and smashing windows in many areas. One person was injured when his house trailer was blown off its foundation in Buchanan, Ga.

Veracruz Hit By 120-Mile Wind Gusts

VERACRUZ, Mexico (AP) — High winds hit this port city Friday, uprooting trees, unroofing houses and knocking out communications. One death was reported.

Authorities said a man was killed when a one-ton iron door was blown off its hinges and fell on him. They said gusts of wind reached speeds of 120 miles per hour.

Report Pair In Robbery From Snyder

WICHITA FALLS — Charges of armed robbery were filed against a man and a woman, both identified by Wichita Falls Police as residents of Snyder, following a bank holdup here Friday.

Police said a gunman entered the Texas Bank and Trust Co. Friday and, with putty on his face for a disguise, demanded money and fled with $12,000.

His woman companion was waiting in a car outside the bank and the pair speeded away.

The car lurched the wrong way down a one-way street but kept going.

Police Sgt. Mike Hickman spotted the car three miles from the bank and gave chase for 16 minutes. In the car with him were three youths from the local Demolay chapter.

Hickman finally got the couple to stop.

The woman got out but the man wouldn't. Then Hickman fired a shot through the rear window of the car. The man got out with his hands up.

Hickman said he got close enough during the chase to see the man in the back seat "bobbing up and down, taking the stuff off his face."

He said the woman first gave her name as "Calamity Jane," and said she was 13.

The pair being held were identified as Peggy Davis Clinkinbeard, 208 Chestnut Street, Snyder, and Jerry Eugene Golden, 717 Willis, Snyder.

OBSERVANCE BEGINS MONDAY

History Week Program Set

A series of events will be held by the Scurry County Historical Survey Committee, in cooperation with several other community organizations, during observance of "History Appreciation Week," which begins Monday.

The historical committee has announced that daily attractions have been arranged in cooperation with schools, churches, the archaeological society, barbed wire collectors and art groups.

There will be displays throughout the week in the county courthouse, the county library and in the schools, and a special activity has been planned for each day of the week.

On Monday, Dedication Day will be observed, with historical markers around the courthouse in the spotlight. These markers will be dedicated: J. Wright Mooar marker, first courthouse marker, Canyon Reef Oilfield marker, MacKenzie Trail marker, Pete Snyder's Store marker and the Roscoe, Snyder and Pacific Railway marker. The ceremonies are set for 3 p.m.

Exhibits will include barb wire in schools, archaeological artifacts at the county library and old records of the county and its schools at the courthouse.

On Tuesday, dedication of the Camp Springs marker is set for 10 a.m. at the Camp Springs crossroads 12 miles east of Snyder.

History and tour day for schools will be observed on Wednesday, with schools at Fluvanna, Hermleigh, Ira and Snyder participating.

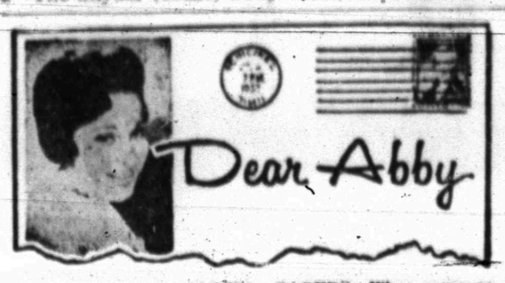
Thursday will be history and tour day for youth groups, including Boy Scouts, Girl Scouts, Boys' Club members, FFA and FTA and other groups.

The Pete Snyder portrait will be unveiled at 10 a.m. Friday at the Scurry County Library.

A general tour day has been scheduled for Saturday, with visits to medallion homes, historical markers and sites.

The week will close next Sunday, March 31, with dedication of the Knapp Post Office marker and the Marcy Expedition marker. The closing day of the special week also will mark the opening of the Diamond M Art Show in the Scurry County Coliseum.

Ernest Sears is chairman of the sub-committee planning the special week's activities. History appreciation Week has been designated by proclamations issued by Gov. John Connally for state - wide observance, and by County Judge Sterling Taylor for local observance.



By ABIGAIL VAN BUREN

DEAR ABBY: I have read your column for many years and I agree with you on almost everything, but there is one point on which I think you are wrong.

You always take the position that if a man cheats on his wife, the wife's friends should NOT tell her. Well, in my experience, I have had THREE very good friends whose husbands were cheating on them. Everyone in town knew it, except the wives who were the laughing stock of the community, until I did the friendly thing and told them.

All three thanked me for telling them. If my husband ever cheated on me, I would certainly want my friends to tell me about it.

REALISTIC

DEAR REALISTIC: Don't worry. They will.

* * *

DEAR ABBY: I have a five-year-old daughter I'll call Sally. My neighbor has a five-year-old daughter I'll call Patty. Well, we took our daughters to the doctor for their shots.

First my neighbor took Patty in, and she screamed and hollered like the doctor was cutting her arm off, so Patty's mother said, "I won't let that mean old doctor hurt you. If you stop crying I will buy you a new doll on the way home." So Patty turned off the tears like you would turn off a faucet.

When it was my daughter's turn for her shot I took her in and she started yelling and carrying on just like Patty did. I said, "Wait a minute, Doctor." Then I took Sally and tore up her little bottom. Then I said, "You let the doctor give you the shot so you won't get sick and die, and I don't want to see any more scenes." After that she behaved herself and didn't shed a tear.

When we got home, Sally said, "Mamma, don't you love me?" And I said, "Sure I do, with all my heart." And then she said, "How come you didn't get me a doll like Patty?"

Abby, should I have gotten my little girl a doll, too?

MIXED UP MOTHER

DEAR MOTHER: No. If you had, you would have taught her two things: (1) If she wants something, all she has to do is scream for it. (2) A child is entitled to something just because a friend has one.

* * *

DEAR ABBY: One woman with whom I play cards quite regularly never accepts an invitation for a sociable game of cards until she has asked, "Who else is playing?"

This irritates me no end. Am I overly-sensitive? Or is this woman overly-gutsy? My friends are divided in their opinions, and I'd like yours.

CARD PLAYER

DEAR CARD PLAYER: A "sociable" game of cards is not always as sociable for some as it is for others. I see nothing "gutsy" about a woman who wants to know who else in the game. She may have her reasons.

* * *

CONFIDENTIAL TO "ENGAGED": When someone asks you how many carats your diamond is, they are really interested in how much lettuce is involved.

Everybody has a problem. What's yours? For a personal reply write to Abby, Box 69700, Los Angeles, Cal., 90069 and enclose a stamped, self-addressed envelope.

Hate to write letters? Send $1 to Abby, Box 69700, Los Angeles, Cal., 90069, for Abby's booklet, "How to Write Letters for All Occasions."

Rotary Club Near 21st Birthday

A committee under the chairmanship of Bentley Baize held a memorial program for the Snyder Rotary Club at its weekly luncheon meeting Thursday in the Fellowship Hall of the First Methodist Church.

The program commemorated the organization of the Snyder Rotary Club in 1947 under the sponsorship of the Sweetwater Club. The Snyder Club will observe its 21st birthday in June.

The first president of the local group, Skeet Schooling, was present for the program along with senior active Rotarian Hugh Taylor, and Herman Doak, Alfred Lieb and Mrs. Annie Mae Sears. Taylor, Doak and Lieb are charter members. Mrs. Sears' husband, the late Forrest Sears, was a longtime member of the Club. Other charter members are Rex Miller and Bentley Baize.

Other guests included Jim Kincaid and Frank Taylor of Snyder, Moe Reich and Hez Hawley of Sweetwater, and Warrant Officer Brewer of Webb AFB.

John Thomas, the president, presided over the meeting.

HOSPITAL NOTES

Chaplain: Rev. Jim Mosley

ADMISSIONS: Jim Dela'O, Rt. 3; Chester Bilbo, 2101 Ave. S; Hiram Lomax, 2605 Ave. 0; Melba Sturdivant, Hermleigh; Nikkie Foree, Clairemont Rt.; Ruby Hart, Rt. 1; Earl Robertson, 1200 Twenty - sixth; Willie King, 712 Twenty - sixth.

DISMISSALS: Mrs. Larry McNair and baby girl, Tommy Johnston, Connie Knight, Rufus Braziel, Nora Clark, Hazel Berry, Ola Stavely, Orion Piekert, Luther Fargason, Bessie Larimer.

2 Vehicles In Mishap

Minor damage resulted from a two-car mishap in the 3300 block of Avenue S at 5:04 p.m. Friday.

Involved were the 1962 Model Oldsmobile of Nancy Lee Weyel, 3734 Highland Drive, and the 1963 Model Chevrolet of Gary Daniel Foster, 3716 Avenue U.

Damage to Foster's car was placed at $45, and damage to the other vehicle was estimated at $250.

Police Patrolman Ben McNulty investigated the collision.

Texans Tell Kennedy To Drop Race

By PEGGY SIMPSON

WASHINGTON (AP) — Sen. Robert (Bobby) Kennedy, who asked their advice, has been told by two Texas congressmen to quit the race for president and support President Johnson who "supported your late brother."

The letters went to the New York Democrat Friday from Rep. W. R. Poage of Waco, chairman of the powerful House Agriculture Committee, and Rep. John Young of Corpus Christi. Both are Democrats.

Kennedy told all congressmen last Saturday he would challenge Johnson and asked "your thoughtful consideration, counsel and support."

Poage wrote to Kennedy:

"I am now accepting your invitation to counsel you and I suggest your immediate withdrawal from this race."

"I counsel you to support the President just as Lyndon Johnson and the nation supported your late brother," wrote Young.

Poage took two pages to spell out his support of Johnson's Vietnam policy and his opposition to Kennedy.

"Without passing upon anyone's motives, I think it is fair to suggest that right now the Viet Cong are receiving more effective support from those in Washington who question our determination than they are from those in Moscow who are supplying rockets," Poage said.

Saying he didn't expect a perfect president, Poage said he did want a person in the top office "to be willing to commit himself without asking someone else to step out on the thin ice to see if it will support him. If he is lacking in political courage, I fear he will be found lacking in administrative determination."

"Finally, I want my president to look like the leader of a great modern nation," Poage said. "I don't want him to be continually surrounded by a group of long-haired, unwashed beatniks."

Young's reply, although much shorter, was equally blunt.

"You purport to offer the Democratic party and the nation decision and direction and at a time when your public thoughts, words and deeds are most indecisive, inconsistent and confusing," he wrote Kennedy. "You write of hope and reconciliation when your efforts can but engender divisions, doubt and despair.

"At a time when the nation faces the greatest peril since the Cuban missile crisis, I counsel you to support the President just as Lyndon Johnson and the nation supported your late brother."

Six Wildcats Are Drilled

AUSTIN (AP) — Six wildcat oil wells, including five in the Corpus Christi District, were drilled during the past week, the Railroad Commission reported Saturday.

The other one was in the Houston District.

There have been 58 wildcat oil wells drilled this year, compared to 46 years ago.

Also, the commission reported, seven wildcat gas wells were drilled during the past week, including six in San Antonio's District and one in Kilgore's District. That raised the year total to 107, compared to 101 a year ago.

The commission said 99 oil wells and 26 gas wells were completed during the past week, hiking the totals for the year, respectively, to 1,106 and 500. Last year at this time, 1,514 oil wells and 656 gas wells had been completed.

The agency said 95 holes were plugged during the week, including 47 dry holes.

BIRTHS

Mr. and Mrs. Billy Foree, Clairemont Rt. are the parents of an 8 lb. baby girl born March 22 at 4:30 p.m.

Theft Reported

Thieves forced entry into Bill Wright's Sign shop at 1503 Avenue S between midnight Friday and 1 o'clock Saturday morning. They stole a pair of vice grips and two pair of lineman's pliers.

DR. C. L. KAY

Dr. Kay To Speak Apr. 1 At Knapp

The public is invited to hear an adress, "Life in The 60s," by Dr. C. L. Kay, vice president of public affairs at Lubbock Christian College, at 7:30 p.m. April 1 at Knapp Community Center.

Dr. Kay is a popular public speaker; a member of numerous civic organizations including Lubbock Project Alert, West Texas Chamber of Commerce, Lubbock Chamber of Commerce, Texas Junior Chamber of Commerce and New Mexico Model Legislators. Among his awards is a special citation received in 1964, presented by Dwight D. Eisenhower, for the Freedoms Foundation reading: "For outstanding service to the nation in propagation of the American Credo."

There will be no admission charge for Dr. Kay's address.

First Lady To Dedicate Padre Area

CORPUS CHRISTI (AP) — Mrs. Lyndon Johnson will give the dedication address April 8 marking creation of a National Seashore Area on Padre Island.

The Department of the Interior said Friday the ceremony will be held about 20 miles south of Corpus Christi on the north end of the 80.5 mile long island recreation area.

Interior Secretary Stewart Udall will be master of ceremonies.

Traffic Deaths Up

AUSTIN (AP) — Traffic accidents have killed 587 persons in Texas this year, a four per cent increase over the 565 fatalities recorded by this time in 1967, the Department of Public Safety said Saturday.

Council Of Churches To Be Discussed

The National Council of Churches and its activities and objectives will be discussed here at 2:30 p.m. today (Sunday) at the First Presbyterian Church.

Guest speaker at the meeting, to which ministers and church leaders from all faiths are invited, will be John O. Lewis of Borger, who is a member of the National Council of Churches General Board.

Lewis is yard division superintendent at the Phillips Petroleum Co. Borger Refinery. A native of Danville, Ill, Lewis graduated from the University of Illinois in 1948, receiving the bachelor of science degree in civil engineering.

A Presbyterian since 1948, Lewis has served as deacon, elder and clerk of the Session of his church and also teaches an adult Sunday School Class. He was elected to the National Council of Churches General Assembly in the spring of 1966 and is now serving a three - year term on the general board in December of that year.

The Rev. John Gordon, pastor of First Presbyterian Church here, said that men of the church would be hosts for coffee following the meeting.

Casualties Identified

WASHINGTON (AP) — Seven Texas servicemen who died in the Vietnam War were identified Friday by the Defense Department.

Killed in action were Army Cpl. Monte R. Cooley, son of Mr. and Mrs. Forrest E. Cooley, 930 S. Pine, Kermit; Army Pfc. Michael D. Carroll, son of Mrs. Vada L. Beavis, 1545 Peach, Apartment 61-W, Houston; and Marine Cpl. Jerry W. Fraze, husband of Mrs. Jerry W. Fraze, 14504 Dennis Rd., Dallas.

Changed from missing to dead-hostile were Marine Pfc. Michael D. Gray, son of Mr. and Mrs. William L. Gray Jr., 2806 N. Main, Temple, and Air Force Maj. Joseph H. Bryne, husband of Mrs. Genevieve C. Byrne, 4704 29th St., Lubbock.

Died not as a result of hostile action was Army Sgt. 1.C. Woodrow Wilson, husband of Mrs. Ruth H. Wilson, 2506 Meadow Lane, Copperas Cove.

Changed from missing to dead-non hostile was Marine 1st Lt. Leonard E. Dornak, husband of Mrs. Janet S. Dornak, 5838 Southford, Houston.

FIRST TASTE OF FAMILY life is had by Will Penny (Charlton Heston) when Catherine Allen (Joan Hackett) and son come under his care. Forced to stay for the winter in Penny's line shack, Will realizes that there is more to life than cowpunching. "Will Penny" opens Sunday, March 31 at the Ritz Theatre. A Paramount Picture in Technicolor.

Armed Clash Near Galilee

TEL AVIV, (AP) — An Israeli army patrol clashed briefly Friday night with Arab guerrillas south of the Sea of Galilee, the army announced.

Gun positions on the east bank of the Jordan River opened covering fire to permit the guerrillas to escape, the Israelis said.

Later light mortar fire was aimed near Kfar Ruppin and Maoz Haim further south of the Beisan valley.

No Israeli injuries were reported.

The Israelis had been expecting a resumption of Arab sabotage attempts despite Thursday's thrust across the Jordan aimed as destroying Arab guerrilla bases.

In Cairo authoritative sources said the governemnt has initiated a worldwide campaign to rally the maximum backing for the Arab demand that Israeli forces get out of Arab territory

Scientists Accept

FORT WORTH (AP) — Texas Christian University announced Saturday that 13 scientists have accepted appointments to the TCU Research Foundation Scientific Advisory Council.

The council will meet April 25-27.

Rally Is Slated At Church Today

Norris Chapel Church of God in Christ, Avenue H and Thirty-fifth Street, is having a "rally" at 3 p.m. today (Sunday) to raise money for burial expenses for the late Rev. H. Norris.

It will be conducted by Rev. D. L. Nipp under the sponsorship of the "White Saints."

Jaycees Are In Session

President Dave Harlin Jr. read a letter of appreciation from the West Texas Tuberculosis Association at the regular weekly luncheon meeting of the Snyder Jaycees, Friday at the Steak House.

The Snyder Jaycees sponsored the mobile X-Ray unit here last week.

Jaycee Herb Reed urged all members to attend the Area II winter meeting to be held in Ft. Stockton next weekend.

The program was on parliamentary procedure.

Harlin presided over the meeting, and invocation was given by Max von Roeder. David Burkett led the Pledge of Allegiance, and Bob Harlin led in the Creed.

Creamed Chicken With Broccoli

2 tablespoons butter
2 tablespoons flour
½ cup clear chicken broth (from a 13¾ ounce can)
½ cup light cream
1 cup diced cooked chicken
Salt to taste
4 servings hot cooked broccoli
Grated Parmesan cheese

In a 1-quart saucepan over low heat melt the butter; stir in the flour. Remove from heat. Gradually add the chicken broth and the cream, stirring until smooth after each addition. Cook over moderate heat, stirring constantly, until thickened and bubbly; add chicken and salt and reheat. Spoon over broccoli; sprinkle with Parmesan. Makes 4 servings.

Friday duplicate bridge at Country Club, 9:30 a.m. Open.

SUNDAY

Duplicate bridge at Snyder Country Club, 1:30 p.m. Open.

Easy Home Baked Bread Will Get Family Praise

Home - baked bread, one of the oldest foods known to man, never fails to make a welcome entry everytime you add a bit of creativity to its preparation. And no other food is so adaptable to new ideas since the ingredient additions can be made both in the dough preparation and during the shaping steps.

To take advantage of these circumstances, add a different flavor like sweet lemon to an old shape such as crescents to bake Sweet Lemony Crescents. With equal success, reverse your tactics by using flavor favorites — strawberry preserves, pecans and raisins — in a uniquely shaped coffee cake.

The light, rich yeast dough is a breeze to prepare because hot roll mix is its base. You can add different amounts of butter and sugar to add variety to your baked products. But best of all you avoid time consuming measuring steps and have the guarantee of success.

Sweet Lemony Crescents

CRESCENTS
2-3 cup warm (not hot) water
1 egg
3 tablespoons sugar
3 tablespoons soft butter
1 package hot roll mix
FILLING
2 tablespoons soft butter
½ cup firmly packed brown sugar
1 tablespoon lemon rind
GLAZE
1 cup sifted confectioners' sugar
4 teaspoons lemon juice
2 teaspoons grated lemon rind
water
oven 375 degrees 24 crescents

CRESCENTS: Soften yeast in warm water. Stir in egg and sugar. Add soft butter and half of flour mixture. Beat until smooth. Stir in remaining flour mixture until smooth. Cover bowl with aluminum foil. Let rise in warm, moist place until doubled in size.

Punch down. Divide dough in half. Roll out each half to a 10-inch circle and brush each with 1 tablespoon soft butter. Spread each circle with half of filling. Cut each circle in 12 wedges. Roll up wedges starting with wide end and rolling to point. Place point side down on greased cookie sheets, turning ends to form a crescent. Let rise until doubled in size, 30 to 45 minutes. Bake at 375 degrees for 12 to 15 minutes or until golden brown. Cool slightly. Brush with glaze.

FILLING: Combine brown sugar and rind. Mix well. Spread half of filling on 10-inch circle. Repeat.

GLAZE: Combine confectioners' sugar, lemon juice and rind. Mix until smooth. Spread on tops of slightly cool crescents. If glaze becomes too thick, add a few drops of water.

Jet-Age Strawberry Danish Coffee Cake

COFFEE CAKE
1 package hot roll mix
2 tablespoons sugar
½ cup hard butter
1 egg, slightly beaten
2-3 cup warm (not hot) water
FILLING
¾ cup strawberry preserves
½ cup ground pecans
½ cup chopped golden raisins
GLAZE
1 cup sifted confectioners' sugar
4 to 5 teaspoons milk
oven 375 degrees 2 coffee cakes

COFFEE CAKE: Combine flour mixture and sugar in 3-quart mixing bowl. Cut in hard butter until mixture has particles the size of peas. Soften yeast in warm water. Stir in egg. Add to dry mixture. Beat until smooth. Cover bowl with aluminum foil. Let rise in warm, moist place until doubled in size. Punch down. Divide in half.

Roll half of dough on floured surface to a 15x8-inch rectangle. Spread with half of filling (2-3 cup). Roll as for jelly roll, starting with 15-inch side. Place on ungreased cookie sheet. Fold half the roll on top of other half, sealing ends together. Starting at folded end, cut with a scissors down center of roll to within 1 inch of other end. Turn cut halves flat on side, cut side up, to form a V-shape. Repeat for remaining dough. Let rise until doubled in size, 45 to 60 minutes. Bake at 375 degrees for 25 to 30 minutes or until golden brown. Remove from cookie sheet. Cool slightly. Drizzle with glaze.

FILLING: Combine preserves, pecans and raisins. Spread on dough.

GLAZE: Combine confectioners' sugar and milk. Drizzle over baked coffee cake.

Old With New

Pleasant, comfortable and attractive rooms very often blend the old and the new, and ceramic tile is an ancient surfacing material that has a multitude of modern and traditional faces that can help to balance the decor of any room.

UNION NEWS

By MRS. J. B. ADAMS

Tuesday visitors with Rev. and Mrs. Jim Mosley were Mr. and Mrs. Homer Ethredge of Lamesa and Mr. and Mrs. Wray Huckabee of Snyder.

Steve Floyd was honored Saturday with a birthday party in the home of his parents, Mr. and Mrs. Thermon Floyd. Refreshments of cake and punch were served to 20.

Mr. and Mrs. Ernest Hall and Mr. and Mrs. J. J. Hall, Jerry and Jim attended the funeral of an uncle in Ballinger Sunday.

Mr. and Mrs. A. W. Page of Big Spring visited Sunday with Mr. and Mrs. W. R. Pate.

Mr. and Mrs. Tommy Clements visited Tuesday morning with her parents, Mr. and Mrs. L. E. Robison in Colorado City.

The Homemakers Sunday School Class of the Baptist Church met Tuesday night in fellowship hall for their monthly business meeting. Thirteen were present.

Mr. and Mrs. John Langford and Robert Langford were in Abilene Tuesday.

Mrs. Donna Roberts, Ross and Gena of Welch visited Tuesday with Mrs. J. B. Adams.

Mrs. Ruby Eades returned to her home in Denton after spending the week with her mother, Mrs. H. G. Moore.

Mrs. L. R. Stuckey of San Angelo spent the weekend with her daughter, Carolyn Stuckey.

Mr. and Mrs. Roy Rogers and girls visited recently with relatives in Arkansas.

Mr. and Mrs. Thayne Mebane attended the commissioners convention in El Paso this week.

Mr. and Mrs. Frank McClure of Floydada visited this week with her sister, Mrs. Ophel Woodson.

The foreign exchange student in Snyder was at the Union Methodist Church on Wednesday evening showing slides of her country.

Miss Thomas, Mr. McCravey To Repeat Vows In Houston

Mrs. William Thomas and the late Mr. Thomas of 909 McDaniel, Houston, have announced wedding plans for her daughter, Carolyn Gayle, and Kirby Lee McCravey, son of Mr. and Mrs. L. B. McCravey, 3741 Avenue V, Snyder.

Miss Thomas graduated from Bethany Lutheran High School, and is employed in the accounting department of Southwestern Bell Telephone Co.

McCravey attended Snyder High School and McMurry College, Abilene. He was a member of Alpha Sigma Chi Social Club and is employed by the Department of Public Safety, a patrolman in Houston.

The wedding has been set for April 6 in Bethany Lutheran Church, Houston at 7:30 p.m.

ENGAGEMENT — Mr. and Mrs. V. V. Hill of Duncan, Okla., announce the engagement of their daugher, Lynda Gaye, to Bobby Glenn Koonce, son of Mr. and Mrs. Glenn H. Koonce, 1315 Mulberry, Duncan, Okla. formerly of Snyder, Tex. The couple will exchange vows in the First Christian Church of Duncan, Okla., on June 8. The prospective groom attended North Elementary, Travis Junior High, and Snyder High School.

Stewart, Adams Wedding Held In San Antonio

DUNN (Spl.) — Miss Phyllis Jane Stewart, daughter of Mr. and Mrs. Leslie M. Stewart of San Antonio, became the bride of Peter Joseph Adams, son of Mr. and Mrs. Herbert F. Adams of San Antonio, in ceremonies held Feb. 24 at 5:30 p.m. in Our Lady of Guadalupe Catholic Church, Helotes. Rev. Louis A. Trawalter officiated.

Given in marriage by her father, the bride wore a traditional wedding gown and carried a white Eastern Star Bible that belonged to her great grandmother, the late Mrs. N. B. Moore of Snyder. She carried a bouquet of white orchids.

Baskets of gladiolus adorned the church setting.

Miss Gladys Pavelka of Corpus Christi was maid of honor and wore a floor-length gown of avacado peau de soie and Chantilly lace.

Charles Fillinger of San Antonio was best man. Larry Smith of Devine and Tom Stewart of San Antonio seated guests.

After the reception in Strange's Party House, the couple left for a short honeymoon. They are at home in San Antonio.

The bridegroom is employed at Kelly Field, San Antonio.

Out-of-town guests included the bride's grandmother, Mrs. Faye Rogers of Snyder and Mrs. James Stewart, Jacque and Susan of Dunn.

Women Show Handiwork

MOUNT PLEASANT, Pa. (AP) — Mennonite women in southeastern Pennsylvania have quilted their way through another winter.

The products of their nimble fingers will be auctioned April 20 at the annual Tri-County Relief Sale in Morgantown, Pa.

About 200 quilts will be auctioned, all made by Mennonite women who spent several hours each month through the winter at a quilting circle. Last year, quilts at the auction averaged $65 each, so the women are expecting to raise about $13,000 from their quilts for relief work.

The quilts are made entirely by hand, with good stitchers going as fast as 1,200 stitches an hour.

THIRTY-FIVE YEARS WITH SHELL — A. F. Hughes, tank farm foreman for Shell Pipe Line Corporation's Hendrick Station observes 35 years service with the firm today (March 24). Hughes began his career with Shell Pipe Line in 1933 as a station engineer near Archer City. In 1943 he transferred to Scurry Station, near Hermleigh, and five years later moved to Hendrick Station near Kermit. He was appointed Station Foreman in 1958 and was named to his present position in 1961.

FARMERS NEED DRY SKIES

Will Spring Bring Change?

COLLEGE STATION, Tex (AP) — Texas farmers hope spring will change the weather, even if it arrived with some of the worst of the season.

John Hutchison, director of the Texas Agricultural Extension Service, said more moisture would delay further outdoor activities and keep planting and field work at the prevailing slow rate.

Hutchison noted that the pressing need is for open, drying weather. Only limited acreages of corn and grain sorghum have been planted and about the time fields begin to dry, Texas gets more rain. Western and northwestern areas, where planting is done later, are not yet hurting so badly.

Ranges would make rapid improvement and grazing would soon become very good, he said, with good growing weather.

District agents gave Hutchison these reports:

Snows and rains in the Panhandle have brought moisture to the adequate level. Grains are making little growth due to cold.

In the South Plains, more snow and rain fell last week and dry, open weather is needed. Wheat is making excellent growth and above average yields are in prospect. Most cattle have been removed from wheat fields. Some potatoes and onions are being planted.

Moisture is adequate all through the Rolling Plains (Vernon). Grain growth showed some improvement but warmer weather is needed. Greenbug damage is occurring. Wet fields are limiting farming and livestock feeding is necessary.

Rains kept farmers out of the fields in North Central Texas. Farmers face an urgent need for a break in the weather.

Moisture in Northeast Texas generally is adequate and wet soils are delaying all work. Peaches and plums have started to bloom; cattle are in fair condition; and farm labor is short.

More rains in Far West Texas have brought moisture to the adequate stage. Irrigated alfalfa, grains and vegetables are making good growth and range vegetation is greening. Livestock conditions are good, but there is still some feeding. Sheep shearing is under way and goat shearing is near completion, good labor is short.

Moisture is adequate in West Central Texas and wet fields continue to keep farming activities at a slow pace. The need is for open and warmer weather, not only to dry fields, but to promote growth of small grains and range and pasture vegetation.

Surplus moisture continues to keep Central Texas activities at a standstill. Small grain growth is slow and insects and diseases still cause concern. No crops have been planted and the need for sunshine is urgent. Peaches and plums are blooming and some damage from the recent frosts and freeze has been reported. Ranges and pastures are improving but feeding is still necessary. Goat shearing has been stopped by the weather and some kids and lambs were lost.

Land preparation for vegetables in East Texas is slow due to the weather, and livestock are showing the effects of the winter. Moisture is adequate to surplus; peaches and plums are in full bloom and hay supplies are short.

Some field work started in South Central Texas but warm, open weather is needed. Some corn and grain sorghums are being planted; fruit trees are blooming and livestock conditions are improving. Moisture is adequate to surplus.

In Southeast and the Upper Gulf Coast area, 14 counties reported adequate moisture while five have a surplus. Oats are making good growth but some freeze damage was reported in Harris County. From two to 30 per cent of the corn acreage has been planted and some rice has been planted in Galveston County. Clovers are providing grazing and ryegrass is starting to produce. Livestock are in poor to good condition depending upon the amount of feed they have received.

Agricultural activities were picking up in South Texas. Drying conditions prevailed over the past few days. The vegetable harvest is moving well and considerable grain sorghum and cotton have been planted. Peaches in the Winter Garden and citrus in the Valley are in heavy bloom and overall conditions are much improved.

Mass Death Of Sheep Investigated

SALT LAKE CITY (AP) — Western Utah's Skull Valley was closed to outsiders today as investigation intensified into the mysterious deaths of some 6,400 sheep near the Army's top-secret chemical and biological test center.

Army investigators from Washington, D.C. are here to probe the deaths which Gov. Calvin L. Rampton has blamed on Army-chemical warfare tests conducted at the nearby Dugway Proving Grounds.

"These sheep were injured by some sort of toxic substance that was airborne and came from the Dugway Proving Grounds," Rampton said after an emergency meeting Friday at the Utah capitol with Army officials, state and federal agriculture experts and livestock owners.

Meanwhile, the U.S. Public Health Service said Friday the deaths may have been caused by a pesticide used on feed grain, similar to that which killed sheep in Turkey several years ago.

Those sheep died after eating feed grain treated with a chemical pesticide that affected red blood cells, said B.J. Osheroff, deputy director of the service's Office of Program planning.

Utah congressmen have called for a full Army report on tests at the sprawling proving grounds.

Sen. Wallace F. Bennett, R-Utah, said an informal hearing will be held in his office Monday attended by officials of the Army, the health service and the Agriculture Department.

Heading the Army's investigation in Utah is Brig. Gen. William Stone, deputy director of research and laboratories of the Army Material Command. Four other officials from the Army's Edgewood Arsenal in Maryland are assisting.

A Dugway spokesman said they were to be joined today by five senior public health officials from the Communicable Disease Center in Atlanta, Ga.

The Army has denied any connection with the deaths, but Thursday said tests of lethal nerve gas had been conducted at Dugway March 13, the day before the sheep began dying. All affected sheep were downwind from the test area, within a range of some 30 miles.

Policemen Move In On 'Yippies'

NEW YORK (AP) — Police using nightsticks broke up a milling, shouting crowd of some 3,000 hippies jammed into Grand Central Station today for a "yip-in"—a combination salute to spring and antiwar demonstrations.

More than 50 persons were arrested, and several were injured.

The young people, call themselves, "Yippies"—members of the Youth International Party, an antiwar group—moved into the high-domed main waiting room at midnight proclaiming a "yip-in."

Singing and chanting "Hell, no, we won't go!" they marched back and forth bouncing balloons into the air and climbing atop the circular information booth in the center of the main rotunda. Some wore colorful costumes.

Police moved in after the youngsters started hurling firecrackers and other objects into the main waiting room. About 100 patrolmen, members of the tactical patrol force, were on hand. Aided by terminal guards, they closed the main exits and pushed the crowd out side doors.

Several of the long-haired youths were seen bleeding about the face but the extent of the injuries was not known.

A police spokesman said officers went into action after demonstrators climbed on the information booth canopy and ripped the hands off the clock.

WILDLIFE HABITAT DEVELOPMENT — Rocky outcrops such as shown in the above picture in the edges of cropland and old fields make an excellent spot to plantn food and cover plants for wildlife such as quail and dove.

Wildlife Development Gains Farmer-Rancher Interest

There has been in the last few years an interest by farmers ranchers in the development of land specifically for use by wildlife, especially dove and quail. This is happening because farmers and ranchers are realizing that wildlife is another crop on their land that can be harvested, and can be another source of income. Many farmers and ranchers are now leasing their land during the dove and quail seasons by the day and season.

Wildlife habitat development is the establishing of perennial, biennial or annual plants on land for wildlife food or cover by planting, mowing, burning or by other means.

The development of a habitat for wildlife can be accomplished whenever a kind of wildlife is desired in greater numbers or better conditions than nature alone would support.

Small areas of open rangeland or abandoned cropland may be disked annually to provide more ot the better food plants for game birds. Ground disturbance encourages such plants as crotton, sunflowers, ragweed, annual legumes and annual grasses which are a good source of feed for birds. One-third of the area should be disked each year or all the area every two or three years.

Some of the recommended food and cover plants for dove and quail in this area are sorghum almun, grain sorghum, Johnsongrass, and Switchgrass. Plantings for food and cover may vary, but they should consist of tracts not larger than three acres, and not more than one planting for each 20 to 30 acres.

In addition to game birds, wildlife areas also attract small game such as rabbits and fox.

Vehicles Called In

DETROIT (AP) — The auto industry's Big Three manufacturers are calling 117,000 cars and trucks back to the repair shop to be checked for possible dangerous defects.

The recalls were announced by Ford Motor Co., Chrysler Corp. and General Motors Corp. within a day.

Biggest recall was by Ford which sent certified letters to owners of 82,000 trucks and buses and 314 Econoline vans in the United States and to 28,000 other owners in Canada and overseas.

Chrysler said it was recalling 1,245 cars and 223 trucks. Earlier, Chevrolet Division of General Motors recalled 5,900 police and taxicab vehicles for possible steering column replacement.

ANTHROPOLOGY IS ACTION — ORIENTED!

Q — "With technical and engineering jobs making the scene more and more, are 'people jobs' — like ANTHROPOLOGIST — going out?" — B. K., Flagstaff, Ariz.

A. — It's true that some occupations here today won't be around tomorrow. However, anthropology—the scientific study of man and his culture — looks like a winner.

I'm not suggesting you'll have to hire Brinks to take home the money you might earn in anthropology. You probably won't.

But on the other hand, the rewards are many. Anthropologists are action - oriented. They teach, work in museums, carry on absorbing, stimulating research projects. Job security is excellent.

Anthropologists may go to exotic places around the globe and meet interesting members of both "primitive" and modern industrial societies. Suppose for a moment that, as an anthropologist, you were digging for a Mayan City in Mexico. Can you imagine your tremendous sense of achievement should you make a major discovery?

NEW TREND: Anthropologists are not limiting their interest to information to be learned from the past but are increasingly turning their professional attention to the study of complex contemporary societies — including our own.

SCOPE: Anthropology examines man's origins, physical form, social behavior, languages, traditions, beliefs, possessions, religions, and in general, man's ways of doing and making things.

TWO MAIN DIVISIONS: (1) CULTURAL ANTHROPOLOGY. This includes archeology, the reconstructing of man's past, usually from evidence found in excavations. . ethnology, the first - hand study of the culture of living peoples made by dwelling among them. . . and linguistics, the study of languages and historical relationships between languages.

(2) PHYSICAL ANTHROPOLOGY which focuses on the biology of human groups, evolutions, genetics, etc.

WHERE EMPLOYED: Colleges, universities, museums, the federal government and in field research around the world. Anthropologists usually choose one or two large geographical areas for career concentration.

BOOST TO HUMAN UNDERSTANDING: Anthropology makes a valuable contribution to harmony among peoples because it helps us learn more about others' values, and in so doing, increases tolerance of foreign customs and attitudes. This aspect should appeal to those with strong humanitarian interests.

EDUCATION: Plan to get a Ph.D. You'll need it. In high school take English composition, mathematics through algebra, geography and history. Helpful too is typing, photography, sketching and simple surveying.

HEADSTART: In your spare time, learn how to camp, join amateur archeological societies, haunt museums with anthropological collections and even offer your services as a volunteer.

* * *

NEXT: MEDICAL TECHNOLOGIST

Tour Plans Of Candidates

AUSTIN (AP) — Here are where statewide candidates say they will be the coming week:

Governor

Waggoner Carr—Monday and Tuesday, Dallas. Wednesday, Goliad. Thursday, Dallas. Friday, Hearne and Fort Worth. Saturday, Beaumont.

Don Yarborough — Sunday, opening Houston headquarters. Monday, Austin, United Steel Workers state meeting. Tuesday, Houston and San Antonio.

Dolph Briscoe—Monday, San Antonio. Tuesday and Wednesday, El Paso. Thursday, Seguin, Gonzalez, Weimar. Friday, Houston area. Saturday, Rosenburg and Poteet.

John Hill — Sunday through Thursday, Houston. Friday, Fort Worth. Saturday, Austin.

Lieutenant Governor

Gene Smith—Monday, Austin and San Antonio. Tuesday, San Antonio. Wednesday, Killeen, Belton and Temple. Thursday, Waco. Friday, Dallas and Fort Worth.

Tractor Firm Host To 200

Snyder Truck and Tractor Company sponsored a barbecue and tractor display at Scurry County Coliseum Thursday night for the benefit of about 200 guests.

The program also included the showing of two films. One told of the research being done in the cotton industry by the Massey Company, various Departments of Agriculture and agriculture schools. The other film was of a technical nature and told of the development of a new hydrostatic transmission for tractors.

The average American ate 176.6 pounds of meat last year, a 4 per cent increase over the previous year's consumption.

Whole City For Sale

DAVIE, Fla. (AP) — A town complete with steamboat, train, stage coach and live buffalo is for sale. Officials of Pioneer City Inc., say the price will be somewhat under the $2 million it cost to build the two-year-old amusement center, which has had troubles at the box office.

WIN 7 BLUE RIBBONS

'B' Track Team Is Champ At Andrews

ANDREWS — The Snyder High School "B" team track unit performed like veterans here Friday, sweeping to victory in their first Meet of the year with everyone on the team racking up points.

Snyder won the team trophy with 193 points. Host Andrews was second with 148 points, and Pecos was third with 107 points.

The young Tigers grabbed seven first place ribbons with the sprint relay unit charging to victory with a 46.6 clocking. Members of the unit are Willis Harrison, Tommy Hollis, Rickey Arnold and Phillip Hill.

Ray Ellis copped two first place ribbons with a winning 132-2 heave in the discus and a winning 43-6 effort in the shot put. The Bengals were surprisingly strong in the field events as Mark Gilstrap vaulted 11 feet to claim another blue ribbon.

The Tigers also took first in the 70 yard high hurdles, the 220 yard dash and the mile run. Dewey Grinslade led the field in the hurdles event with a 10.7 clocking while Willis Harrison sped to glory in the dash with a time of 24.9. Harvey Browning circled the oval four times in 5:00.9 to sack up the distance event.

Coach Roy Carter, who went with the "B" team to Andrews, said he was pleased with the fine showing of the Snyder boys. They grabbed several second and third places as everyone on the team compiled points. Sometime in the future this team is going to be hard to beat.

Other results:

220 yard dash — Tommy Hollis, 2nd, 25.1; Rickey Arnold, 3rd, 25.5.

330 yard intermediate hurdles — Larry Allen, 2nd, 30.0; Dewey Grinslade, 4th, 32.2.

mile run — Ray Ellis, 4th, 6:05.8.

mile relay — (Willis Harrison, Tommy Hollis, Phillip Hill and Barry Park), 2nd, 3:49.2.

880 yard run—Steve Burney, 4th, 2:21.6; Willie Wemken, 5th; Joe Woods, 6th.

70 yard high hurdles — Larry Allen, 2nd, 11.0; Ray Ellis, 5th.

100 yard dash — Rickey Arnold, 3rd, 11.0; Phillip Hill, 5th.

440 yard dash — Barry Park, 4th, 56.0.

high jump — Dewey Grinslade, 2nd, 5-4; Harvey Browning, 4th.

broad jump — Willis Harrison, 2nd, 18-0; Dewey Grinslade, 3rd, 17-11½; Barry Park, 5th, 17-4.

shot put — Herbert Hodges, 5th, 35-5¾.

pole vault — Steve Burney, 2nd, 10-0.

SPORTS

Dapper Doug Is Taking It Easy

By RON SPEER
Associated Press Sports Writer

PENSACOLA, Fla. (AP) — Dapper Doug Sanders is saving his brightest threads and best shots for pro golf's major tournaments this year.

The 34-year-old swinger, who has won as much fame for his colorful clothes as he has for his golf, has toned down his attire and slowed up his game this season.

"I'm saving my strength for the big tournaments," said Sanders, eight strokes back going into today's second round of the Pensacola Open after heavy rain washed out Friday's play.

Final round of the $80,000 event will be played Monday, marking the second time in three years that rain added an extra day to the tournament. Sanders didn't mind, because he is in no hurry this year and he still hasn't received the new clothes he plans to bring out later in the season.

"I can't keep coming out with the same colors," said Sanders, who in past years has worn outfits of orange described as early Halloween, pastel plum, pink and raspberry.

"I've got some good colors coming and I'll have them on later in the big meets," he said. "I can't keep wearing my old pinks and blues and reds every day." Sanders, off to his slowest start in recent years, has favored beige colors so far. Occasionally he has donned an orange sweater or slipped into a pair of tight purple pants.

The former Cedartown, Ga., caddy who now plays out of Tulsa, Okla., and has business ventures in various big cities, said he doesn't have to worry about picking up pay checks during the weekly tournaments.

"Golf has been pretty good to me," he said. "I don't have to worry about winning money.

Sanders has pocketed only $4,877 so far this year. He opened with a 71 in Thursday's opening round of the Pensacola Open, eight strokes back of pace setter Tom Shaw.

Sanders matched par for nine holes before heavy rain washed out play Friday before any of the golfers had finished the round. The second round of the 1966 tourney also was rained out.

Horned Frogs Go Out Front

BY THE ASSOCIATED PRESS

Texas Christian whipped Southern Methodist twice and Texas Tech failed in its first attempt so the Horned Frogs ride today on top of the Southwest Conference baseball race.

Texas Christian brought its record to 4-2 when it beat Southern Methodist 5-4, 4-0 and Tech missed the opportunity to take the lead by dropping a 7-5 decision to Texas in the first conference baseball game ever played by the Red Raiders.

Rice could have gone into a tie for the lead had it been able to beat Baylor in a double-header, but the Owls not only couldn't accomplish the feat, they didn't even score. Baylor won both games by a 3-0 count.

Texas A&M got in a needed couple of licks for the conference when it swept a double-header with Minnesota in intersectional play. The Aggies won 3-0 and 1-0.

Single games are scheduled today between Rice and Baylor at Waco and Southern Methodist and Texas Christian at Fort Worth, while Texas vs. Texas Tech at Lubbock is a double-header.

Texas A&M hosts Oklahoma State in an intersectional double-header today.

Jeff Newman hit a three-run homer, a two-run homer and a triple to lead Texas Christian to its double victory over Southern Methodist.

Tech rallied while seven runs behind to make it a ball game with Texas but with the bases loaded in the ninth, Dennis Enderlin, Texas pitcher, fanned pinch-hitter Lonnie Whitfield to end the game.

John Bevil pitched a three-hitter and Rick Dusek a two-hitter as Baylor strapped Rice twice.

Johnny Walker pitched four-hit ball in A&M's opening victory over Minnesota. A wild pitch set up the lone Aggie run in the nightcap.

White In New Development Job

FAYETTEVILLE, Ark. (AP)—Steed White, for 11 years assistant football coach of Arkansas, has resigned to join a real estate development firm at Bentonville, Ark.

He helped develop the offensive lines that led Arkansas to Southwest Conference championships in 1960 and 1961. For the last two years he served as the year-round recruiting coordinator.

Coach Frank Broyles praised White's contribution to Razorback football.

North Dakota State has won the North Central Conference football title the last four years. Ron Erhardt has coached the team the last two seasons.

Colonels Win With Dampier

BY THE ASSOCIATED PRESS

Louie Dampier set a league record of 54 points and kept alive the hopes of the Kentucky Colonels for a spot in the American Basketball Association playoffs.

Showing the form that made him an All-American for the University of Kentucky in 1966, Dampier got his single-game ABA record in leading the Colonels to a 119-106 victory over Indiana at Louisville Friday night.

The victory tied the Colonels with New Jersey for fourth place in the Eastern Division. The Colonels and the Americans will meet tonight for the playoff spot at Commack, N.Y. The winner will oppose Minnesota on Sunday in the opening of a best-of-five series.

Dampier, a 6-footer from Indianapolis, got his record 54 points on 23 field goals and four of five free throws. Four of his 23 FGs were three-pointers from beyond the 25-foot circle.

The previous ABA high for one game was 52 points by Denver's Larry Jones.

New Orleans, also playing at home, overpowered Houston 114-88 and wrapped up the Western Division crown. Denver similarly scored a home court victory, downing Dallas 110-92 in the other ABA game scheduled.

Jesse Branson led New Orleans with 22 points. Wayne Hightower paced Denver with 20.

Although Oakland and Anaheim still have a regular season game left to play Sunday, the ABA playoffs start tonight with Houston at Dallas.

The National Basketball Association playoffs opened Friday night with Philadelphia beating New York 118-110 and San Francisco defeating St. Louis 111-106.

John D. Wilson, defensive halfback on Michigan State's national championship football team of 1952, is MUS's assistant provost and director of undergraduate education.

Three Texans In Semifinals

SALT LAKE CITY, Utah (AP) —Texas had three fighters in the semifinals of the National Golden Gloves tournament today and having compiled 15 points was in a good position to capture the team championship.

Rudy Barrientes of Fort Worth reached the semifinals in the 112-pound class when he beat Darrell Benedict of Springfield, Ill., Friday night.

Lorenzo Trujillo of Corpus Christi took out Bobby Brouss of Lafayette, La., to reach the penultimate round in the 125-pound division.

Zeke Sanchez of Odessa beat Samuel Maul of Columbus, Ohio, to advance in the 147-pound class.

Gus Macias of Houston lost in the 118-pound division, James Sullivan of Austin in the 165-pound class and Terry Daniel of Dallas in the heavyweight class.

Both semifinals and finals will be held tonight.

Zarazua Pases Net Tournament

HOUSTON (AP)—Top seeded Vicente Zarazua of the University of Corpus Christi heads a field of 16 players today in the fourth round of the Rice University Intercollegiate Invitational Tennis Tournament.

Zarazua, defending singles champion, and seven other seeded players came through as expected Friday.

Corpus Christi is the defending team champion but Rice is in a good position to challenge for the title as all six Rice players made it to the fourth round. Corpus Christi placed four.

Lamar Tech placed three and Oklahoma and Oklahoma City each had one.

The fourth round matches could go a long way in determining the team champion as two of the matches involve Rice and Corpus Christi players.

Fourth-seeded John Pickens of Rice meets Ramiro Benavides Corpus Christi and second-seeded Zan Guerry of Rice was to play Humphry Hose of Corpus Christi.

Other fourth round action has Zarazua meeting Lamar Roemer of Oklahoma; fifth-seeded Frank Conner of Trinity meeting Gerry Perry of Oklahoma; fifth-seeded Butch Seewagen of Rice meeting Pedro Langre of Corpus Christi; sixth-ranked Mike Estep of Rice matched with Colin Robertson of Oklahoma City; seventh-seeded Sherwood Stewart of Trinity meeting Rico Carrego of Rice; and eighth-seeded Dan O'bryant of Trinity meeting Fritz Schunck of Rice.

Only three seeded players were extended to three sets in the two rounds each played Friday.

Zarazua defeated Dick Gilky of Oklahoma 6-3, 6-2 and John Phelps of Baylor 6-1, 6-1. Guerry beat Tim Smith of Southern Methodist 6-3, 6-3 and Karl Coombs of Oklahoma City 6-4, 6-2. Conner defeated Joe Williams of Texas Tech 6-4, 8-6, and Ed Livsey of Houston 6-4, 6-2.

Two Ejected As Red Sox Fall To Detroit

By HAL BOCK
Associated Press Sports Writer

Dennis Ribant's manners keep getting him into hot water in baseball's spring training exhibition season.

Ribant may have set an exhibition season record Friday when he was tossed out of a game for the second time this spring as the Detroit Tigers downed Boston 8-6.

Two weeks ago Ribant was thumbed out for throwing spitballs and Friday he got an early shower for getting into a fist fight with Red Sox utilityman George Thomas.

In other Friday action, Minnesota pounded Cincinnati 11-1, Los Angeles nipped St. Louis 3-2 Washington slammed Pittsburgh 8-2, Atlanta trimmed the New York Mets 5-1, the Chicago Cubs bombed California 10-0, Philadelphia outlasted Oakland 9-8, San Francisco edged Cleveland 5-4 and Baltimore battered the New York Yankees 7-3.

Ribant and Thomas clashed in the sixth inning when the Boston player asked Umpire Joe O'Donnell to examine the baseball.

"He threw me a couple of spitters," Thomas said later, "and I asked the umpire to look at the ball."

Ribant tossed the ball in to be examined and it sailed in the vicinity of Thomas' skull. That's when the Boston outfielder charged the mound. "He threw the ball right at me and I didn't want him to get away with it."

Ed Mathews, Detroit's first baseman, wrestled Thomas to the ground and both dugouts emptied. Tempers quickly cooled and Thomas and Ribant were ejected.

As for the game, rookie catcher Arlo Brunsberg hit two home runs and Mathews tagged one against Boston's Dave Morehead. Mike Andrews smacked a home run and two doubles for the Red Sox.

Frank Quilici walloped a grand slam homer—one of three hits he collected in the game—as Minnesota whacked Cincinnati. Bob Allison had four hits for the Twins.

Los Angeles rallied for a pair of runs in the ninth inning and edged St. Louis. Jim Lefebvre opened with a single and with one out, Len Gabrielson's bouncer took a bad hop and skipped past second baseman Ed Spiezio for a hit. Pinch hitter Tom Hutton singled home the tying run and when Dick Simpson's throw bounced away, Gabrielson scored the winner.

Frank Howard cracked a 400-foot homer and drove in three runs, helping Washington drop Pittsburgh. Frank Bertaina and Barry Moore combined for a five-hitter.

Hank Aaron drove in three runs with a pair of singles and Atlanta combed the New York Mets for 13 hits and executed five double plays. Phil Niekro worked seven innings, allowing six hits for the Braves.

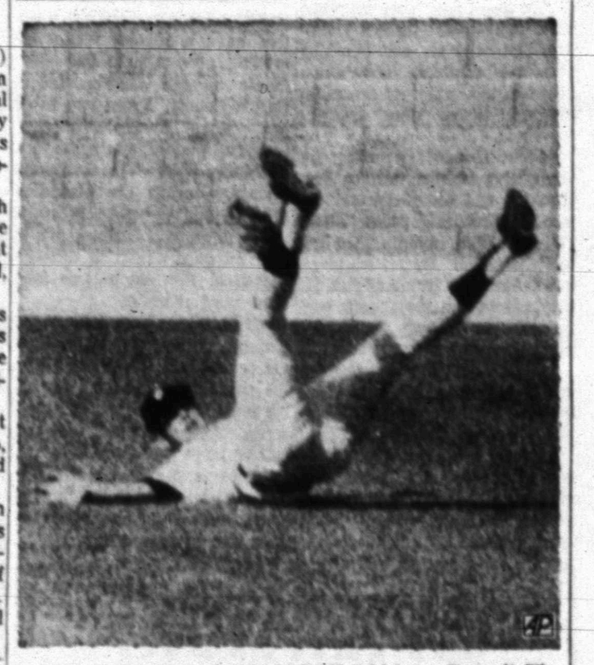
The Cubs shelled California's Sammy Ellis for 13 hits and nine runs in less than three innings and walloped the Angels. Chicago pitchers Joe Niekro and Ramon Hernandez faced the minimum 27 batters. Jimmie Hall got both California hits, but was erased on double plays both times.

Tony Taylor's ninth inning single drove in Philadelphia's winning run as the Phillies ended a seven-game losing streak by topping Oakland. Early homers by Cookie Rojas, Johnny Callison, Rich Allen and Mike Ryan lifted the Phils to a 7-0 edge.

Willie McCovey tagged his first homer of the spring, helping the Giants nip Cleveland. Relief pitcher Bill Henry drove in the winning run with a sacrifice fly in the seventh inning.

Bruce Howard worked five shutout innings and Boog Powell and Dave Johnson hammered consecutive pitch home runs as the Orioles beat the Yankees.

Michigan State football coach Duffy Daugherty coached the North to a 50-6 victory over the South in the 1968 Hula Bowl game. Jimmy Raye of Fayetteville, N. C., and Bob Apisa of Honolulu played for Duffy's team. They are MS seniors.



GOOD SPRING CATCH, GREAT FALL — Detroit Tigers center fielder Mickey Stanley has the ball in his glove as he rolls over after a spectacular catch of drive by Rusty Staub of Houston Astros in Lakeland, Fla. (AP Wirephoto)

Nancy Is Impressive!

SUN VALLEY, Idaho (AP) — Gerhard Nenning of Austria led his team to a first day lead in the American International Team Ski meet but Canada's Nancy Greene turned in the most impressive individual performance.

Miss Green won the women's downhill Friday with a time of 1:43.67 for the approximately 1½-mile course. She was almost three seconds ahead of France's Isabelle Mir, clocked in 1:46.64. Olympic downhill gold medalist Olga Pall of Austria was third in 1:46.71.

It was the fourth straight victory for the 24-year old Canadian girl, who swept the downhill, slalom and giant slalom in World's Cup competition last week at Aspen, Colo.

Miss Greene was top seeded for the women's slalom today while Jean-Claude Killy of France was favored in the men's slalom.

Nenning flashed through the two-mile men's downhill in 2:02.81 Friday, ahead of Killy, timed in 2:03.16. Austrian Karl Schranz was third in 2:03.36.

UP AND OVER! Mina Emerson (13) knocks the volleyball over the net during the thrilling District 3-AAA encounter between Snyder and Lamesa here Saturday morning. Ready to lend a helping hand is Vera Newsome (6) in the Background. The Lamesa player on the other side of the net is unidentified.

Volleyball Girls Put Down Lamesa

Snyder High School's Volleyball Team took a hard - fought decision from Lamesa to advance Saturday morning to the finals of the district tournament in Tiger Gym.

The Snyder girls were to face the winner of the Littlefield - Sweetwater match Saturday afternoon for the district title.

In their opening match, Coach Kay Echols' Snyder team staved off a stiff challenge by the Lamesa team. Snyder emerged victorious in the three-game set, 15-12, 8-15, 15-13.

RoAnn Cobb was the top server for Snyder, accounting for 11 points.

After American University coach Al Kyber complained that his basketball team wasn't working hard enough in practice, his players presented him with a bullwhip "to use as he sees fit."

FOR FINALS SPOT

Perfect Bruins Rip Cougars 101 To 69

By JACK STEVENSON
Associated Press Sports Writer

LOS ANGELES (AP) — A sparkling "diamond and one" defense sends UCLA's Bruins after their second straight National Collegiate basketball title tonight against North Carolina.

They designed the strategy strictly for Houston's All-American Elvin Hayes and the Bruins worked it to perfection. They limited the "Big E" to 10 points in whipping the Cougars 101-69, Houston's first loss of the year after 32 straight victories, 31 this season.

North Carolina won its way into the NCAA finals with a convincing 80-66 triumph over Ohio State. Larry Miller, another All-American, paced the attack with 20 points, most for any player in the semifinals.

The Bruin-Tar Heel nationally televised finals is scheduled for 7 p.m. PST, following the 5 p.m. consolation between Houston and Ohio State.

Coach John Wooden said the special defense placed Lynn Shackelford on the 6-foot-9½ Hayes while the rest of the team formed a diamond with 7-foot Lew Alcindor under the basket.

"It was designed to keep Hayes from getting the ball, and if he got it, it would be outside," Wooden explained.

When he did get it outside, Mike Lynn usually had a hand right in front of his face.

Shackelford scored 17 points, second only to the 19 each by Lynn, Alcindor and Lucius Allen as all five starting Bruins hit in double figures. Playmaker Mike Warren contributed 14.

Hayes made only three field goals and four free throws for his 10 points and the Uclans collected equally as many points on five goal-tending calls against the Houston ace.

Coach Guy Lewis of Houston commented, "No basketball team in the world could have beaten UCLA."

Alcindor grabbed 18 rebounds in a game which saw UCLA grab a commanding 53-31 halftime lead as Shackelford and Allen bombed from outside to the delight of the Los Angeles Sports Arena crowd of 15,742.

That big lead ruined the Houston game plan and the pressing defense not only throttled Hayes, who had averaged 37.7 points a game during the season, but held the Houston team to a 28.2 shooting percentage.

UCLA hit 43 out of 83 for 51.8 per cent and gained revenge for the 71-69 loss to Houston in January, which left the Cougars rated No. 1 nationally and the Bruins second.

After beating Ohio State, Coach Dean Smith of North Carolina commented, "Bill Bunting played the greatest game of his career."

Bunting, a 6-9 junior, guarded Ohio State star Bill Hosket and did it well, in addition to scoring 17 points. Hosket, after scoring 14, fouled out with 9½ minutes left.

Tigers Qualify 2 At San Angelo

SAN ANGELO — Snyder High Schools track and field squad qualified two boys for the finals at the San Angelo Relays Friday.

Tommy Bullard pushed Dunbar's Wayne Davis to a 42.1 clocking in the 330 yard intermediate hurdles for the runner-up spot in the prelims. The little senior was clocked in 42.6.

Lanky John Schiebel, another senior, took second place in the 120 yard high hurdles with a time of 15.6. Winner of the prelim event was Gusti Junker of Ector with a 15.2 clocking.

Final events in both events in which the Tigers are qualified were to be unreeled Saturday.

Odessa Ector took the opening day lead Friday with 12 points while Andrews was in second place with seven points. Lubbock Dunbar, the division favorite, and Seminole each had six points going into the final round.

Three points prevented Coach Joe Paterno's Penn State football team from compiling an unbeaten 1967 season. The Lions lost by one point to Navy, by two to UCLA and tied Florida State.

WITH BETTER PITCHING

Astros Hope To Move Up Several Notches

By DICK COUCH

COCOA, Fla. (AP) — Grady Hatton thinks the Houston Astros' 1968 pitching staff could be the best in baseball.

If he's not whistling in the dark, opposing National League hitters will be going from feast to famine in the Astrodome.

Houston pitching was the worst, on paper, in the majors last season. But Manager Hatton counts on a stockpile of strong, young arms to thrust the Astros out of a six-year second division rut this year. They finished ninth in 1967—32½ games off the pace.

"Pitching looks like our strength," said Hatton, pointing out that 22 hurlers with prior big league experience were battling for 11 jobs with the club. "Last year the pitching looked bad after the defense collapsed and got the pitchers in hot water."

Denny Lemaster, acquired in a winter trade with Atlanta, 16-game winner Mike Cuellar and hard-throwing youngesters Don Wilson, a10-9 including a no-hitter and Larry Dierker, 6-5 in half a season, form the nucleus of the staff. The bullpen has been bolstered by the addition of veteran Fred Gladding, obtained from Detroit to complete the Ed Mathews deal.

To plug a gap in their defense, also the poorest in the league last year, the Astros plan to go with rookie Hector Torres at shortstop. Torres, a fancy fielder, hit only .214 in the Pacific Coast League.

Denis Menke, obtained with Lemaster from the Braves for shortstop Sonny Jackson and first baseman Chuck Harrison, can step in at short if Torres falters. Menke batted .227 and Lemaster had a 9-9 pitching record for Atlanta.

Another tentative defensive move could switch left fielder Ron Davis to center and station slugger Jim Wynn in left. Wynn ripped 37 homers and knocked in 107 runs last year, but hit only .249.

Davis, who batted .256, Wynn and right fielder Rusty Staub, the NL's fifth leading batter at .333, give Houston one of the league's finest outfield trios.

The rest of the infield also appears set, with Bob Aspromonte, .294, at third, Joe Morgan, .275, at second and young Doug Rader, .333 in 47 games, at first.

Rookie catcher Hal King, who hit .288 and rapped 30 homers in the minors last season, could wrest the starting job from John Bateman, who's trying to rebound off a dismal .190 season.

"Our run production was greater than ever last year—fourth in the league," Hatton said. "But our defense was miserable.

"If we get enough pitching and tighten our defense we can be real tough. We aim to move up several notches."

WITH 1-HITTER

Patrick, Tigers Stop Artesia 5-0

ANDREWS — Big Sophomore Jim Patrick twirled a sparkling game for Snyder's Tigers in the opening tilt of the Andrews Baseball Tournament Friday. His 1-hit mound performance combined with some timely hitting by the Tigers and some costly errors by Artesia gave the Bengals a 5-0 triumph.

Snyder was to meet Big Spring at 2:30 p.m. Saturday in the second round with the winner to advance to the finals at 9 p.m.

Big Spring trounced Dumas 10-1. In other first round tilts, Andrews quashed Lamesa 6-1 while Eunice bested San Angelo 7-1.

The hustling Tigers pushed across three runs in the first inning against Artesia to grab an early lead. A single by Ramdy Levens, two errors and a walk accounted for the early margin.

Ronnie Lewis, Tiger outfielder, boomed a triple to begin action in the bottom of the third. He scored when David McGinnis cracked a grounder and the infielder elected to go to first with the ball.

The final run came in the fourth frame as Steve Moffett reached first on a fielder's choice, stole second, went to third on another fielder's choice and scored on a past ball.

Patrick, the winning pitcher, was working on a no-hitter going into the fourth when one of the Artesia batters managed to get a scratch single to spoil his bid for a no - hitter.

Big Mat Match Set

By RALPH BERNSTEIN
Associated Press Sports Writer

UNIVERSITY PARK, Pa. (AP)—Rick Sanders and Dan Gable have something in common. All they do is win.

Sanders, a social psychology major at Portland (Ore.) State College, and Gable, a physical education student at Iowa State, have won 161 college wrestling matches between them, against only one defeat.

They place their spectacular records on the line tonight in the finals of the 38th annual NCAA Wrestling Championships at Penn State.

The pair of little guys share the final session's spotlight of this three-day competition with a fight for the team title.

Oklahoma's Sooners are on top with 65 points, and four men in the 11 weight division finals. Gable's Iowa State Cyclones hold second with 57 and three in the final, while the Oklahoma State Cowboys trail in third with 36. Defending champion Michigan State is fourth with 30.

Sanders meets Dwayne Keller, Oklahoma State's only finalist.

Gable faces Dave McGuire, of Oklahoma, the defending national champion and his victim in the final of the recent Big Eight tournament.

Player To Houston

HOUSTON (AP) — Gary Player of South Africa, one of golf's top stars, has joined the field for the May 2-5 $100,000 Houston Champions International Golf Tournament.

It will be Player's first appearance in the tournament and he will join Arnold Palmer, Jack Nicklaus, Ben Hogan, Billy Casper and the rest of the field that appears certain to include virtually all of the top 60 money winners of last season.

BATTLE TO SAVE LIVES

The Other War In Vietnam

By JOHN WHEELER
Associated Press Writer

WITH THE MARINES IN VIETNAM (AP) — Between shell explosions, the pounding of GI jungle boots could be heard clearly on the boardwalk outside the battered sandbag bunker.

A corpsman whipped aside the blanket over the doorway.

"Doc, doc. There's more wounded coming in. Lots more."

Sitting around a makeshift table in blood-stained fatigues and flak vests, the four doctors looked up from their C-ration lunch, squared the steel helmets and raced through the door. They appeared oblivious to nearby exploding mortar shells.

It was a 60-yard dash to the underground bunker of Charlie Med. And if the sprint wasn't up to cinder track standards, it wasn't far off.

At the door of the bunker near the center of a heavily shelled area held by the Marines, the doctors had to stop and then merge with the stream of stretchers and walking wounded flowing into the underground room.

Once below, they quickly plunged into the second battle of the war in Vietnam, the battle to save lives.

Charlie Med is C Company, 3rd Marine Medical Battalion. More than 1,000 men destined to be evacuated to rear area hospitals have flowed through Charlie Med's rustic facilities in six weeks.

Inside the bunker, broken and ripped Marine bodies filled the room. The most critical were on stretchers atop metal saw horses. Corpsmen moved across the floor like broken-field runners.

Some dropped to the floor and scrambled on hands and knees when something was needed in the raised stretcher area. The roof was too cramped to go around the stretchers.

"Get I-V (intravenous fluid) going on that man immediately," said Dr. (Lt.) James O. Finnegan, 29, of Philadelphia, Pa. "He'll need blood as soon as possible.

"No morphine for this man. Not with that wound," said Dr. (Lt.) Edward M. Feldman, 27, of Fores Hills, N.Y., noting that morphine lowers the blood pressure.

The faces of many of the wounded registered the shock that at last it was their turn to catch the steel fragments.

A Marine aircraft control operator with part of his jaw blasted away by a shell fragment looked up from his stretcher and said: "I'm so scared, sir. Is it all right if I cry?".

Dr. (Lt.) Don Magillian, 28, of Brooklyn, N.Y., looked at the badly wounded man and said: "I don't have any medicine to stop it. Go right ahead."

At another litter, Dr. (Lt.) Joseph W. Wolfe, 26, of Rutledge, Tenn., pushed a plastic breathing tube down the throat of a man in danger of drowning in his own blood. Wolfe snapped at a corpsman to start up the suction machine which would clear the man's mouth of blood. The corpsman was already ahead of the order, scooting across the dusty floor for the machine and its electric plug.

Charlie Med's bunker is the equivalent of a hospital's emergency ward. "But it's like working in a city where a jet airliner crashes into a bus day after day after day. We have to sort out the pieces," Wolfe said.

Sorting is one of Charlie Med's major chores, deciding how badly a man is hurt. If he is critical he gets priority treatment and evacuation while the others wait.

The medical unit's main job is to stabilize the wounded, get them ready and strong enough for evacuation to rear area hospitals where surgeons and doctors can make permanent patches. Charlie Med is just a way station.

Thanks to helicopters, U.S. troops in Vietnam enjoy a far better chance of surviving than men hit in any previous war.

"Strangely enough, when the weather is good and choppers are available, they get to the operating room as fast or faster than if they were coming out of a stateside emergency room," Wolfe said.

"If we get them alive, and they don't have a serious head or heart wound, we can usually save them," Finnegan said.

Civilian doctors used to shiny chrome and spotless white surroundings might be startled if they were suddenly thrust into life inside Charlie Med's bunker.

Even underground, all the men wear flak vests and helmets against the chance that a shell may penetrate the bunker and explode. Most of the doctors and medics wear pistols while they work.

Their clothes are filthy and splotched with dried blood. Finnegan's ripped fatigue pants were held together with surgical tape turned black and gray by dirt.

No attempt is made to scrub the floor or stretchers. Many of the latter had large reddish brown circles of dried blood on them. Some of Charlie Med's men don't shave for days at a time because of the shortage of water.

Instruments and some medicines are stored in empty howitzer shell cases.

Resting between shellings and casualties, Finnegan said:

"At this stage the dirt isn't all that important. The medics that bandaged the wound originally often covered muddy and dirt-caked wounds. We clean them out a little bit while we stabilize them, but the real cleaning like the real surgery is one at the rear. Our biggest job is to get them to the rear alive."

A muscular Marine with part of one leg gone and the foot of his other badly mangled talked quietly from his stretcher.

"Yeah, I'm an athlete, doc. Had a wrestling scholarship to Maryland."

The scholarship will never be exercised.

While raising the stump to bandage it, one corpsman tried to shield the sight from the wounded man.

"Aw, I've already seen my leg, so don't worry about that. I know it's gone."

By now the crunch is on again at Charlie Med. There is scant room to move.

"Doc, doc. There's more coming on the helicopters. Lots more," comes the call from the doorway.

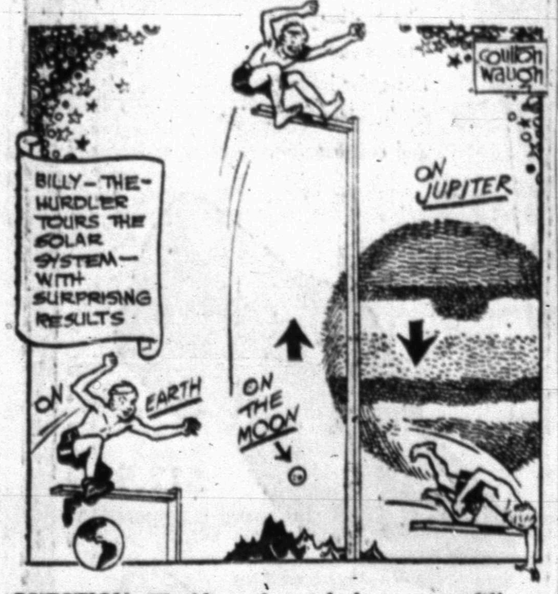
Seymour Firm Gets Cattle Guard Contract

SEYMOUR, Tex. (AP)—Profitline Manufacturing Co. of Seymour has been awarded a contract to provide cattle guards for federal agencies in 11 western states.

Company officials said this represented perhaps 95 per cent of the total cattleguard requirements of the federal government.

The government last year spent more than $300,000 on cattle guards in the zones Profitline will be supplying.

Junior Editors Quiz on PLANETS



QUESTION: *Would people weigh the same on different planets and satellites?*

* * * *

ANSWER: The nine planets of our solar system are oddly assorted. Earth, lower left, is a small planet, but is made of solid material, like rock and iron. Jupiter, right, is huge by comparison, with a diameter 11 times that of earth. But Jupiter is made of material that is much lighter. The weight of a person on a planet's surface is caused by gravitation connected with the mass of the planet. Naturally, his weight is greater if the planet under him is larger and made of denser material. Billy, on the earth, is taking an easy jump over a low hurdle, about 2 feet, 6 inches high. If the moon had air and you could put Billy and his hurdles on it, the case would be startlingly different. On earth, Billy weighs 100 lbs. But on the much smaller moon, Billy would weigh very much less. This would allow him to make the fantastically high leap our artist has shown. Move Billy to Jupiter. Even if made of such light stuff, Jupiter is so big it would give poor Billy such a heavy weight that he would be barely able to jump over a hurdle set a couple of feet above the ground.

INTERIOR IMPROVEMENTS — The auditorium at Fluvanna Baptist Church has been remodeled. Improvements include new pews, wood paneling, a new baptistry and a fresh coat of paint. Completed last week, the improvement project was the first one carried out at the church since 1956 when an educational wing was constructed. Rev. Thomas Hall stands in front of the new baptistry.

Building Is Improved By Fluvanna Baptist Church

FLUVANNA — Fluvanna Baptist Church completed a building improvement program last week. It was the first such improvement since 1956 when the educational wing was constructed.

Recent improvements included remodeling throughout the interior. New red oak pews with upholstery were installed in the auditorium, and the auditorium floor was covered with a new carpet. Ash paneling was put in the auditorium and vestibule area.

There also is a new baptistry behind the choir area, and all of the walls on the inside received a new coat of paint. In addition, a new coat of paint went on the outside trim.

Interior improvements were made in two Sunday School rooms at either side of the choir area, in another Sunday School room leading off the entrance to the south and in the pastor's study to the right of the entrance, in addition to the auditorium.

Dedication of the auditorium will be held April 21, according to the Rev. Thomas Hall, pastor of the church for the past 5½ years.

Rev. Hall said that previous improvements included the installation of central heating and air conditioning and a new asbestos shingle roof.

Originally called the Missionary Baptist Church of Christ at Shiloh, the Baptist Church at Fluvanna was organized June 5, 1898 at Light.

In 1908, a split in the church caused the present Fluvanna Baptist Church to be formed as well as a First Baptist Church. The First Baptist Church disbanded several years ago and the building was torn down.

The present building of Fluvanna Baptist Church was constructed in 1926, and two front rooms were added in 1942. Then, in 1946, the church added two back rooms. The educational wing, consisting of four rooms, an assembly room and two bath rooms, was built in 1956.

I. L. Hicks was the first Baptist preacher at Fluvanna, and there have been 27 since then, including the present pastor, Rev. Hall, who has served the church there longer than any of the previous ministers.

There were 13 charter members in the church organized in 1896, and there were 14 charter members in Fluvanna Baptist after the split. One of the original charter members — Miss Nealy Squyres — still is a member of the church.

Present membership of the church is 117. There will be a "homecoming celebration" June 9 when the church observes its 70th anniversary.

Total cost of recent improvements is about $13,000. Members of the building committee are Mr. and Mrs. Glenn Toombs, Mr. and Mrs. R. L. Drum and Mr. and Mrs. Frank Beaver.

VIRGINIA GROVE

3 Snyderites In Key Posts For TSTA

A Snyder High School teacher and two administrators will hold key offices in District 14, newly - created Texas State Teachers Association district, during the 1968 - 69 school year.

Virginia Grove, mathematics teacher, is president - elect. Ben Brock, high school principal, is TSTA membership chairman, and Horrace Bostick, vice principal, is president - elect of the secondary school principals.

Miss Grove has served as president of the Scurry County Unit and treasurer of Snyder CTA. A past president of Zeta Lambda Chapter of Delta Kappa Gamma, international society for women teachers, she presently serves as state area director of Delta Kappa Gamma.

Brock, immediate past chairman of District IV senior high school principals, served as treasurer of District IV in 1966-67. A past president of the Sweetwater Classroom Teachers Association and Nolan County Teachers, he was active in District VII activities before moving to Snyder as principal in 1964.

Bostick was head coach and athletic director before becoming vice principal in 1966. He has been active in various professional organizations.

Bill J. Hood, Snyder Public Schools superintendent, will serve on the executive committee as immediate past president of District IV.

Gray Matter And Gams Related?

By LOUISE COOK
Associated Press Writer

NEW YORK (AP) — American women apparently don't think a beautiful brain and lovely limbs go together—even if a British researcher does say the more intelligent the girl, the shapelier the legs.

"Insane," said one woman about the suggestion. "Perfectly ridiculous," agreed another. "A bunch of baloney," concluded a third.

The suggestion came from Dr. Elizabeth Coope as she talked about her plan to photograph 1,000 pairs of female legs to try to prove that a girl's personality and background are revealed by the shape of her stems.

The remark was greeted with disbelief by Heler Gurley Brown, author of "Sex and the Single Girl." "I think girls with unattractive legs are frequently smart because they use their brains to call attention away from their legs," she said.

In the minority, taking a wait-and-see attitude, was modeling director Eileen Ford. "If it's true," she said, "it will be reassuring for a lot of men who have been judging women by the shape of their legs for years and years."

Most women, however, felt there was no relation between gray matter and gams.

"It's a bunch of baloney," said Mary Ellen Myrene, a single girl from Seattle. "I would much rather have someone look at my mind when they want to judge it and look at my legs when they want to judge them. Mixing the two seems an extraordinarily complicated way of finding out what is so apparent."

Mrs. George Sanders, a state senator from Denver, said Dr. Coope's idea was "perfectly ridiculous," and added, "I've known beautiful girls with beautiful legs who weren't intelligent at all."

Plugging for brainy beauties was Mrs. Jane Byrne, Chicago's newly appointed commissioner of consumer sales, weights and measures.

"I'm for that if it turns out to be true," she said of the idea. "I like to believe that a woman can be attractive, including nice legs, and still have a brain."

Westmoreland To Top Pentagon Job

WASHINGTON (AP) — President Johnson has announced the shifting of Gen. William C. Westmoreland from Vietnam to a top Pentagon job and made his first evaluation,—"many good recommendations"—of the report by his commission on urban riots.

Westmoreland, the 53-year-old four-star general who has been U.S. commander in Vietnam for four years, will become Army chief of staff in July, the President told a news conference Friday.

Johnson also disclosed two other major personnel changes in the administration:

—Sargent Shriver, director of the Office of Economic Opportunity, will leave the antipoverty post to become ambassador to France.

—Wilbur Cohen, whose career as an administrator dates back to the New Deal days of Franklin D. Roosevelt, is being promoted from undersecretary to secretary of Health, Education and Welfare.

The President also commented wryly, when asked how he viewed the decision of Sen. Robert F. Kennedy to seek the Democratic presidential nomination that he was "not surprised," then added:

"I could have made this statement to you this time last year."

The President named no replacement for Westmoreland, but many observers consider his deputy, Gen. Creighton Abrams, the most likely candidate.

Johnson said he has asked Gen. Wheeler to serve an extra year as chairman of the Joint Chiefs. Wheeler's term had been due to end July 2.

In moving up to the top job at HEW, Cohen succeeds John W. Gardner, who left March 1 to become head of Urban Coalition, an organization attempting to focus the energies of both the private and governmental sectors on the problems of the cities.

No replacement was named for Cohen as No. 2 man in the sprawling department, second in size only to the Department of Defense. Bert Harding, Shriver's deputy, was designated acting director of the Office of Economic Opportunity.

Johnson's comments on the report of the Kerner Commission seemed to bear out speculation that he was less than fully enthusiastic about the riot panel's findings.

"We felt that over-all the commission wanted to be and was constructive and helpful," he said.

The report, Johnson said, was "a very thorough one, very comprehensive and made many good recommendations. We did not agree with all of the recommendations, as certain statements have indicated."

The report is being analyzed by the various departments and "there is a general 'simpatico' of views, I think, between the cabinet officers who handle these programs and the recommendations of the commission," the President said.

"We think it was a good report made by good men of good will that will have a good influence," he said. "We hope that every person in the country can read it and try to take such action as they can to implement it."

Ex-Agent Works For Distributor

AUSTIN (AP)—The man who has headed the Texas Liquor Control Board's San Antonio district office for five years has retired to work for a beer distributor, the LCB's acting administrator says.

O. N. Humphreys Jr. refused to comment on a report in the Dallas Times Herald that Loy Jones, a veteran of more than 20 years with the agency, quit under pressure from the administrator.

Humpherys also revealed that he summoned all district supervisors to his office for a meeting Friday and issued some policy guidelines.

Asked what the guidelines were, Humphreys said, "I'm not going to tell you what we discussed at the meeting."

Humphreys said he talked with Jones Monday but said he would not reveal what was discussed nor would he comment on the quality of Jones' work.

The board's annual report for 1967 showed the San Antonio office, in the state's third largest city, filed only 409 criminal actions for liquor law violatinn—second smallest number of all the board's district offices.

John Crank, former undercover chief of the LCB, said former administrator Coke Stevenson Jr. ignored a report that San Antonio was "running wide ope in 1966.

Humphreys was named acting administrator after Sevenson resigned last month.

Witness To Theft

PONTIAC, Mich. (AP) — Workers at General Motors Corp.'s truck and coach division watched as $27,500 in parts were loaded aboard a truck. Later they learned they had been witnesses to a theft. Police found the truck abandoned and empty and informed company officials, who were unaware the goods had been stolen.

Wanted: A Mate For Mr. Skunk

FORT WORTH (AP) — "Male skunk wants to meet female skunk, object matrimony. Call 738-5254 mornings."

Such was the advertisement placed in the Star-Telegram personal column by Mrs. Jan Killian, who wants to mate her 2-year-old skunk, Sweitz.

There seems to have been some misunderstanding.

A number of callers, mostly young females figured it possibly could be a plea from a lonely bachelor who has little self esteem, Mrs. Killian said.

These calls, she said were typical:

"Hello, Mrs. Killian speaking."

Female voice at the other end, "May I talk to Mr. Skunk, please?"

"Pardon? Mr. er, ah Skunk can't talk, he's a skunk."

"That's okay, so am I."

But he's the four-legged kind. He's an animal."

Pause.

"Oh!" click.

"Hello. I want to meet Mr. Skunk. I always did want to meet a man who 'objected' to marriage!"

Except for two persons who owned female skunks, the callers were either women, with marriage on their minds, or curious man, Mrs. Killian said.

One woman, she said, got upset when Mrs. Killian explained that the skunk was a skunk.

"What do you mean putting an ad in the paper if you don't have a man there?" she demanded.

At first, Mrs. Killian said, she wanted to mate Sweitz, a two-striped skunk, with another two-striped skunk. Now, she said, she will settle for a zebra.

The Children of Ler were said to be three sons and a daughter of the Irish Sea god Ler, who were turned into swans.

Build Machine To Dig Pocket Gophers

PADUCAH, Tex. (AP)—A machine that digs for pocket gophers and puts out poison maize seed has been built by two farmers of the Cee Vee community in Cottle County.

Jack and Tommy Isbell built the machine from some old machinery in their farm shop.

They want to control the pocket gophers that are doing considerable damage to their 50 acres of alfalfa along the Pease River.
