NEW DIRECTORS for Farmland Industries include one from Olton--Dan Quigley, center. Quigley is currently serving as president of Olton Grain Co-op.

Of Farmland Industries

Local Farmer Elected To Board

Farmland Industries elected three new directors at the closing business session of its 1974 annual meeting held in Kansas City, Mo. early in December.

The new directors are Dan Quigley, Frank W. Lightner of Garden City, Kan., and Doyle N. Smith of Fruita, Colo.

Quigley, 40, farms 1,130 acres of irrigated land and is president of the Olton Grain Coop. He succeeds Arthur Yeager of Bryan, who reached the board's mandatory retirement age.

Lightner, 58, is president of the Garden City, Kan., Cooperative Equity Exchange and a board member of Farmland Foods, Inc., a food marketing subsidiary of Farmland Industries. He farms 2,000 acres. Lightner succeeds Howard Young, Dodge City, Kan., who chose not to seek re-election to the Farmland board.

Smith, 32, is general manager of the Fruita, Colo., Consumers Cooperative Association. He succeeds Loren Garretson, Haxtun, Colo., who did not seek re-election.

Farmland Industries is one of the world's largest regional farm supply cooperatives. It's headquarters are in Kansas City. It serves the petroleum, feed, fertilizer, and farm supply needs of some 2,000 local cooperative associations in 15 midwest states.

At its annual meeting, which ended Dec. 13, Farmland reported sales of $1.2 billion and savings of $104 million. Of this amount, a record $43.5 million was refunded in cash at the end of the meeting to member associations on the basis of patronage with Farmland this past fiscal year.

Lewis McNeely's Last Rites Held Dec. 26 In Emma

Last rites were conducted Dec. 26 in Emma Church of Christ for Lewis Wayne McNeely, 35, a resident of Olton for a little over one year.

Officiating were Milton Caraway and Creed Mullins of Ralls. Burial was in Ralls Cemetery under the direction of Carter Funeral Home of Ralls.

A native of Mena, Ark., McNeely died about 11 p.m. Dec. 23 in a one-vehicle accident north of Olton on FM 168.

McNeely grew up in Ralls and had lived in Lubbock and Amarillo before moving here. He was a veteran, having served with the U.S. Navy. He was married July 7, 1962 in Nazareth to Marilyn Braddock.

Survivors include his wife; three daughters, Kelli, Kristi and Kim, all of the home; his parents, Mr. and Mrs. Bud McNeely of Ralls; two brothers, two stepbrothers and a half sister.

Orian Hackler Elected VP Of Caprock Water Ass'n.

Orian Hackler was named first vice-president of Caprock Water Utility Association Thursday evening at that organization's monthly meeting.

"We are proud to have a man of Orian's calibre working with our organization as an officer and want to commend the City of Olton for allowing him to work with the Association," said Nathan Hopson of Abernathy, newly elected president of the organization.

Hackler, water superintendent for the City, was named as a Man of the Month by CWUA during 1974. The organization meets once each month and is a part of the Texas Water Utilities Association.

Caprock Association includes an area from White River to Farwell, Abernathy to Tulia, Hopson said.

Purpose of the organization, Hopson said, was to train and educate water operators to do better jobs from the standpoints of economy, engineering, sanitation, disinfection of water and other areas.

CWUA sponsors, in connection with the extension service of Texas A & M University, short schools for training and education.

JOHNNIE LEE WOZENCRAFT

Wozencraft Rites Conducted Monday In Sweetwater

Funeral services for Johnnie Lee Wozencraft, 52, of Route 1, Sweetwater were held Monday morning in McCoy Funeral Home Chapel, Sweetwater, with Rev. Charles Reece and Rev. Orval Brantley officiating. Graveside services were in Olton Cemetery at 3 p.m. Monday.

Coming to Olton with his parents when he was about eight years old, Wozencraft attended Olton schools and made his home here until after he entered the service in World War II.

A disabled veteran, he served in Guam during World War II. He had been living in Sweetwater four years moving there from Abilene.

"Typical of so many recovered alcoholics," Wozencraft was described by an official of Alcoholics Anonymous of Abilene "he wants so much to help others that are living in a world he has come from."

"He is almost brutally honest in dealing with alcoholics and has a touch with people that we find remarkable."

"He never gets recognition for the work he does, and doesn't expect any. He visits the jail, helps keep people sober, and is working with local efforts in Sweetwater to deal with the disease called alcoholism."

By entering Parish House three years ago, the official said, Wozencraft took the lead in reconstructing his own life. "His recent marriage (in November, 1974) is a major milestone in his efforts to escape the bonds of alcohol."

"Bud works strictly in a volunteer capacity," said Cox of AA in Abilene. "He drives people to Big Spring, volunteering his time and fuel. He spends many hours of his own time reassuring other alcoholics that they can make the rough grade back."

"For one man (Wozencraft) the payoff came after he was taken to a state hospital for help, rather than resting in perhaps a pauper's grave."

"Bud has a unique way of looking at his recovery," said Cox. "He says that one of the best ways to keep it is to give it away--something he does every day of his life."

He was born at Margaret in Foard County and died Saturday at 1 p.m. in Simmons Memorial Hospital, Sweetwater.

He was married to the former Patricia Louise Williams Nov. 19, 1974.

He is survived by his wife, one son, Johnnie Lee Jr. of Clarendon, three daughters, Betty Joyce Shelton of Oregon, Mrs. Sue Tucker of Austin and Mrs. Mary Ruth Braddock of Clarendon. Three brothers, Melvin of Las Vegas, N.M., W.T. of Dimmitt, Ivin of Olton and one sister, Mrs. Tom Sluder of Olton.

SWPS Announces Plans For Major Improvements

More than $345,000,000 will be invested in new equipment and improvements during the next five years by Southwestern Public Service Company, Roy Tolk, chairman and president of the electric company, announced today.

The investment for 1975, 62.4 million dollars, will be the largest annual amount ever budgeted for the company, but the record will be short-lived. The projected investment for 1976 is more than 65 million dollars, more than 76 million dollars in 1977, and in 1979, the company expects to spend more than 77 million dollars for the improvements and equipment necessary to continue providing electric service for this growing area.

Three new generating facilities to be installed during this five year period will increase the capability of the SPS system by more than 1 million kilowatts, bringing the total capability to approximately 3½ million kilowatts.

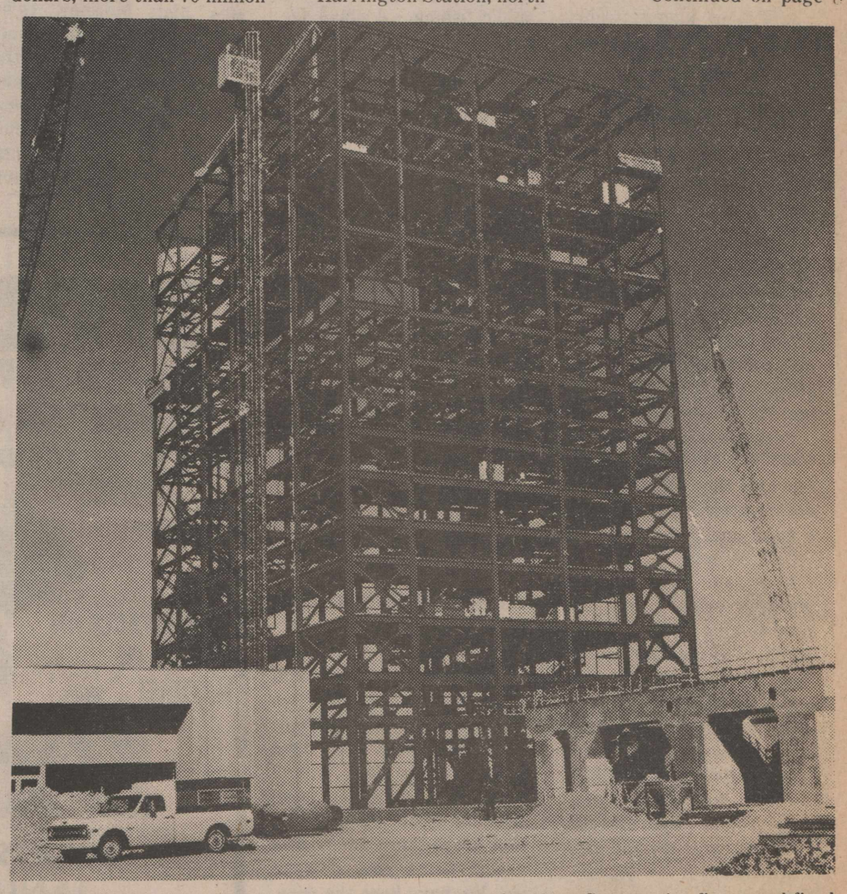

Harrington Station, northeast of Amarillo, will be the site for the first two additional generating units. The first is now under construction and is scheduled for completion in mid 1976 and completion of the second unit is planned for 1978. These two generators will each have a capability of 350,000 kilowatts and will use coal as their primary fuel.

"Construction of the third generating unit will start during the latter part of the

TRAFFIC SAFETY PROJECT--Eighty-seven pupils in Mrs. Pearl Moore's fourth grade health classes are competing in state Traffic Safety Ranger Program. Originating in the Governor's office of traffic safety, the program is designed to teach basic safety and to instill in fourth grade level attitudes toward safe behavior that will be retained into adulthood. The class winning in state competition will receive a "Drive Friendly" T-shirt for each member of the class and a film strip projector with built-in cassette player for their school. Exhibiting some work from the classes are Pete Jiminez, Kregg Hukill, Delores Johnson and Rodney Ruthart. (staff photo)

HARRINGTON STATION, Southwestern Public Service Company's first coal-fired generating station, northeast of Amarillo, is scheduled for completion in mid-1976. The new 350,000 kilowatt generating facility is a part of the $345 million expansion and improvement program projected for SPS over the next 5 years. The investment for 1975, $62.4 million, will be the largest annual amount ever budgeted for SPS, but the record will be short-lived, as the projected budget for 1979 will exceed $77 million.

Dear Editor

(Editor's note: The letter of Dorothy Rodriquez was selected as first place winner from a large number of letters submitted the week of Dec. 15. Judges, in selecting her letter, cited its choice "because she seemed to have all the improvements for Olton wrapped up in one theme."

Judges also chose letters of Roy Lopez and Melanie Witten for honorable mention because of "unique approach to their letter presentation."

These three are printed this week. Others will be printed later.

FIRST PLACE - DEC. 15

Dear Sirs:

We can make Olton a better town to live in by changing some things like the empty buildings. We can tear them down or make stores out of them. Old houses can be remodeled into new ones.

The park should have a little sand box of some kind. And maybe you could add more things to play with like seasaws, climbing bars, and better swings. The trees that look old and should be replaced with new ones.

The junk yards should be fenced so people can't see all the dirty stuff while passing by. Old cars behind houses can be taken to the junkyards.

The sewer should be movedto another place because the people that live there probably get sick of smelling it everyday. When the wind blows the smell comes to town and spoils your plans. Or if you can't move it you might put some kind of germ killer on it. What we really need is a community center. Everybody can have fun. Dances and parties instead of some old place where they get drunk and sell grass and acid.

There are other ways we can keep the streets clean.

1. Like throwing your trash in cans when near by or wait until you get home.
2. Clean your yards and not throw trash on the roads.
3. Put pavement on dirt roads instead of having mudy roads.

Sincerely yours,
Dorothy Rodriquez

HONORABLE MENTION

Dear Citizen:

As your fair city of OLTON I'm tired of your constant bickering as to how I can be improved.

You made me, you shaped me, and I may die for your complete lack of interest in me!

Stand on my corner at Main any Saturday night. See kids that should have a decent place to go and have a good time raise pure hell on my streets!

Look out your window when it rains. See the good-looking West Texas MUD. Why am I not paved? See all the papers blow about when the wind picks up. See my vacant lots covered with weeds and trash. Don't you care!!!

I can't do it alone, I need you, Stand up and be counted, Show me you care. PLEASE!!

Sincerely,
Your Town
By Ray Lopez

HONORABLE MENTION

Dear Humans:

Man, I see a lot of things that need cleaning up. You see from where I live everything is huge because I am an ant. To you a can is pretty small compared to a house. Well a can to me is huge and a house is very huge. It would be like a human trying to move a mountain when we ants try to move bottles and cans out of our way. The vacant lots are full of bottles and stuff like that so we ants must either climb the object or go around it.

Ants love to eat, (or at least I do), and many times our ant beds are very full of food that some human being left. To tell the truth there is more than enough for us ants. So instead of so much food could you clear our paths of trash?

I wish I was big enough to plant flowers and trees. Our park is pretty but it can be improved by not throwing trash on the ground and not letting the lake become too dirty.

Thank you.
Yours truly,
Melanie Witten or the "Ant"

FIRST PLACE - DEC. 22

Dear Editor,

In my opinion I think that Olton could be improved and beautified by first of all cleaning up the Olton Sewer lake. (The water could be used for irrigation.) Some days it can be smelled all over town. In fact that part of town desperately needs to be renovated.

Second, during cotton ginning season the burr trucks should be made to go around town instead of through town because they scatter lint and burrs all over town and it looks terrible!

I also think all the vacant lots should be kept clean and mowed. Not only do they look awful but they are also a fire hazard--especially in the winter.

Last but not least the lakes in the low lying areas behind the Olton body shop, in particular, needs to be cleaned up, dug out, and a large, deep lake made out of it. It would help beautify it to set trees around it and stock it with good fish for public fishing. A small fee could be charged for license to fish in it. That would pay for the up keeping of it.

If all the city residents would pitch in and work together on these projects either money or labor it could be accomplished without too much of a burden on anyone!

I can think of many more things that would greatly improve Olton, but I cannot list them in 250 words. Olton Grain Coop has beautified and improved this city greatly! Let's all follow them.

Sincerely,
Carolyn Smith

FIRST PLACE - DEC. 29

SATISFIED WITH OUR TOWN?

We must be pretty well satisfied here or we would have moved the last two opportunities we have had.

To help keep our town clean we feel that we all must do a little bit more than our share. For the past four years there has been a vacant house next door to us. We have kept the cans, paper and weeds off the land simply because it makes our own place look bad. This has not taken a great deal of time and a clean area near you lifts your spirits. You know the old adage "down in the dumps."

Another way we might improve our town is to place larger trash containers on the street corners and keep them empty. A huge wire basket could be placed on the square to hold aluminum cans for the scouts or Little League. Have two and let them compete to see who can collect the most in a given time.

We would also like to see our doctor receive any help he may need to furnish the Clinic. We are so thankful to have him in Olton.

Sincerely,
Winnie and Loyd Sweatt

'Wonder Of It All' To Be Shown At Roxy

More than just another wildlife documentary, "Wonder Of It All" is a worldwide search for new exciting elements of nature rarely seen and some never before photographed by man. This beautiful new motion picture was seven years in the making and captures the beauty of all seven continents and the world's rarest, funniest and most amazing animals.

To be shown at the Roxy Theatre Friday, Jan. 10, "Wonder Of It All" is one of he few films of this genre shot in brilliant 35 MM. The sweeping color photography captures a spectacular world of nature.

"Wonder Of It All" demonstrates how Nature has equipped even the smallest creatures to defend themselves agains their natural predators. A badger defends himself against a wolf and a beaver staves off a pair of hungry cougars. In other sequences, caribou, wild mustangs, and bison thunder across the Great Plains of North America. Gibbons in Southeast Asia frolic, Australia's Lyre bird shows its exquisite plummage, and baby animals from all over the World are filmed at play, all making this movie the most delightful of the year.

The Los Angeles Times called "Wonder Of It All", "One of the best ever made". The San Francisco Chronicle said it was, "Spellbinding!" Other critics and moviegoers have unanimously agreed, paying it the highest compliment of all...taking the entire family to see it.

MRS. MARLIN EDWARDS

Cook Of The Week

A housewife and mother until her children were both in school, Mrs. Marlin Edwards, went "back to school" and completed a beauty course at Lubbock. She as her own shop, Carma's Trim 'N Kurl, located by her home on East Seventh.

Carma and Marlin have a son, Lyndell, of Golden City, Mo. and a daughter, Quilla, a senior at OHS.

The Edwardses met at the Assembly of God Church. Marlin came with his parents from East Texas in September and the two were married in December. Olton has been home ever since their marriage.

Carma admits there's very little time for hobbies after combining part time work with making a home but she loves to sew and likes to crochet, a handcraft she only learned this year. She completed a "broomstick lace" afghan in time to give it as a Christmas gift to her sister.

Reading is another favorite pastime which she enjoys when she can find the time.

Carma says she is a "retired" Sunday School teacher, no longer teaching a children's class.

CHOCOLATE ICE CREAM CAKE

1 cake mix
3 c ice cream (chocolate or vanilla)
3 eggs
⅔ c. water

Mix together and bake in greased pans in 325° oven

FROSTING

Mix together: 3 - 4 c powdered sugar
⅓ c cocoa
¼ t salt
⅓ c milk

Add: ¼ c MELTED Crisco
1½ t vanilla. Mix well and frost cake.

CARAMEL PECAN PIE

1 c sugar
½ c boiling water
1 c sugar
½ c flour
¼ t salt
3 c milk
4 egg yolks, beaten
4 T butter
2 t vanilla
1 c nuts

In saucepan mix 1 c sugar, flour and salt. Add milk and stir over low heat. In a heavy skillet put 1 c sugar and stir until it is melted. Slowly add boiling water. Stir 2 minutes. Add this mixture to above mixture and add beaten egg yolks and cook until thickened. Add nuts, butter and vanilla. Pour into baked pie shell.

PUMPKIN BREAD

Cards Of Thanks

Hi Good People:

After 40 days in the hospital, it's sure good to be back home. Jesus said, "It is more blessed to give than receive," but to have been on the receiving end, is a blessing and a debt of love, we can never find words to express. For your concern in prayers, visits, phone calls, flowers, cards and gifts to each of you who took time out from your busy days to lend a hand in gathering our milo, soy beans and cotton, to send food and help serve it, we can only say "thank you" most sincerely. May God bless each of you! And had you heard? (author unknown) "Croesus had more pounds and pence than I shall ever own; And Solomon had a lot more sense if all the truth were known; But when I think of you, I'm glad to testify, that neither of them ever had better friends than I.

Hurshell and LaVernia Curtis

I'm so thankful for the prayers, visits, cards and thoughts at the time of my accident. It's just another plus added to the list of advantages of living in this community. It sure makes it easier to fill our niche in the race of life living and being a recipient of you good folks' thoughts and actions. May I join your list in trying to help others.

Calvin Graham

To our many friends who remembered us on our golden wedding anniversary, we wish to express our sincere thanks. For our many cards and letters and especially those who drove all the way down here, you've certainly had a big part in making our weekend a happy one.

Sincerely,
Fred 'N' Ted Cooper

I want especially to thank members of Olton Volunteer Fire Department for prompt and effective action New Year's Day as they answered my call for help and hastily cleared up an emergency situation. I am most appreciative.

Helen Locke

FROM AUSTIN

LT. AND MRS. MIKE PHILLIPS

Lt. Phillips, Miss Shipley Exchange Wedding Vows

All Faiths Chapel in College Station was the setting Sunday, Dec. 15 for the marriage of Miss Jane Ann Shipley of Crandall and Mike Phillips. The Rev. John F. Allen of Kaufman directed the double ring vows.

The bride is daughter of Mr. and Mrs. Thomas A. Shipley Jr., of Crandall. Mr. and Mrs. Glenn Phillips are parents of the groom.

An arched candelabra, fitted with white tapers, stood above the fern covered altar featuring an open Bible and golden cross. Flanking candelabra and baskets of gladoli and tropical greenery completed the altar setting.

Jim Miller, organist, presented traditional nuptial selections and accompanied Burt Owens, soloist, as he sang "The Wedding Song" and "Lady, My Sweet Lady."

Presented in marriage by her father, the bride wore a formal wedding gown of heavy ivory satin styled with a high waist line. An insert of heavy Old English lace in the bodice front continued into a high Victorian neckline. The short puff sleeves of ivory satin were extended by heavy Old English lace fashioned in tight fitting lines to the wrist. The slightly A-line skirt swept to back fullness and was tapered to form a full length train. The heavy lace accent completed the hemline. The fingertip veil of illusion fell from a close fitting caplet in three tiers, each edged in matching lace. She carried a cascade arrangement of white roses, gypsophila and spider mums entwined with Old English ivy.

Miss Glenda Phillips, sister of the groom, served as maid of honor. Bridesmaids were Misses Kathy Thornton and Janice Hunter of Longview. Feminine attendants wore identical formal length gowns styled along the lines of the bride's dress. Made of wine satin they were accented with Old English lace and featured the Victorian neckline. Each carried variegated nosegays of red roses, white carnations tipped with wine, and tied with wine satin streamers.

Pat Phillips served as his brother's best man. Groomsmen were Dean Kyle Madisonville, and Gordon Kohutek of Temple. Guests were seated by Steve Lott of Kaufman, Steve Moore of Bryan and Richard Sanders of Kaufman. Candles were lighted by Jon Bullock of Houston, and Brad Harrison of Sanderson.

Forming the saber arch were David Wilde of Lyford, Charles Meyer of Spring, Choya Walling of Reagan, Ray Bennett of Lufkin, Kenneth Walters of Pharr, Phil Jordan and John Powell, both of Lamesa, Harrison and Bullock.

For her daughter's wedding Mrs. Shipley chose a carpet length gown of bright pink polyester jersey with coordinated accessories. The mother of the groom wore a carpet length gown of light blue floral chiffon. Both added double orchid corsages.

Immediately following the ceremony a reception was held in Memorial Student Center on the University campus. The registration table featured an arrangement of white carnations, the bridal bouquet, bride's book and rice bag tree.

The bride's table was centered by an arrangement of white carnations, red roses and gypsophila. The four-tiered wedding cake marked with cupids, doves and wedding bells, featured accents of maroon in the white frosting. Finger sandwiches were served along with the cake and fruit punch.

The groom's table, centered with an arrangement of candles and white flowers, was completed with silver appointments. The red velvet cake was iced in maroon. Its decor, white music notes and treble clef, signified four years in the Aggie Band.

Members of the hous party included Mrs. Denn Gronewald of Longvie Mrs. Gary Johnson Dallas, Mrs. Will Day ar Mrs. Danny Gear both San Antonio, Mrs. Gordc Kohutek of Temple, Mr Kim Kinkins of Colleg Station, and Misses Ka Seidel, Brenham, and Cyn Morris, Houston.

For a wedding trip t Houston, the bride selecte a four-piece pantsuit in pin and maroon. Underneath it plaid jacket she wore a ves of maroon velour. Her sof pull down hat was o matching maroon velou She added a corsage lifte from her bridal bouquet.

The bride attended Kauf man High School, Texa Christian University, Eas Texas State University and is a May 1974 graduate o Texas A & M University She is presently employec by Texas Agricultural Extension Service.

Phillips, graduate of Olton High School, is 1974 graduate of Texas A & M, Distinguished Military Student, Ross Volunteer, Member and Commander of Aggie Band and Distinguished Student. Graduating Magna Cum Laude, he is a Second Lieutenant in the United States Army.

Party Fetes Mrs. Turner

Mrs. C.B. Turner was feted Wednesday, Jan. 1, as she celebrated her ninety fourth birthday.

MRS. ROBERT LEE COOPER

Mr. Cooper, Miss Merritt Pledge Wedding Vows

In a mid-morning ceremony Saturday, Dec. 21, wedding vows were solemnized for Miss Deborah Kaye Merritt and Robert Lee Cooper.

Milton Caraway, minister, officiated the double ring ceremony held in Main Street Church of Christ.

Parents of the couple are Mr. and Mrs. Carl Merritt of Amarillo and Mr. and Mrs. Raymond Cooper.

Miss Kathy McNeil of Amarillo, soloist, sang "Whither Thou Goest" and "The Lord's Prayer."

Presented in marriage by her father, the bride wore a formal length gown of candlelight jersey. Styled along Empire lines, the high rise waist featured a wedding ring neckline and deep yoke outlined with Victorian lace. Long full sleeves terminated in soft ruffles at the wrist, repeating the lace trim. The straight line skirt was softly gathered at the waistline.

Her bouffant veil of net fell from a headdress of baby red rosebuds and daisies. The bridal bouquet was a cascade arrangement of white roses, baby roses and gypsophila.

For "something new" the bride wore a pearl necklace, a gift of the groom; "borrowed" was a linen-lace handkerchief belonging to the mother of the bride; in her shoe she carried pennies minted in the dates of birth of both bride and groom.

Attending her sister-in-law as matron of honor was Mrs. Kern Merritt of Lubbock. She wore a formal gown of mint green and carried a nosegay of red and white carnations.

Serving as best man was J.O. Bass III. Guests were seated by Gary Cooper, brother of the groom, and Gary Best of Grandberry, classmate of the groom at Tarleton State University.

Guests were registered by Miss Wanda Hudges of Amarillo.

For her daughter's wedding Mrs. Merritt wore a costume dress of yellow knit and added black accessories. The mother of the groom wore a blue-green knit two piece dress with brown accessories.

Immediately following the ceremony, a wedding brunch was served in Fellowship Hall of the church. Smoked ham and turkey, blueberry muffins, cheese spreads and relishes were served. The table featured a three tiered wedding cake accented with white roses and mint green leaves. Red reception punch was served from a crystal bowl sitting in a ring of holly. Presiding at the table were Mrs. Gary Cooper and Miss Kathy McNeil. Members of the houseparty were Mmes. Angus Davis and George Redinger.

Out of town guests included Mrs. Susie Studer, Mr. and Mrs. J.B. Hudges, and Mr. and Mrs. James Pope, all of Amarillo; Bill Merritt and Tynetta of Lubbock, brother and niece of the bride.

For her wedding trip, the bride donned a green and white knit jumper with white blouse. She added black accessories and a Christmas corsage of red carnations.

Upon their return the young couple will be at home in Stephenville, where she is a senior home economics major at Tarleton State University.

The groom is a junior working toward a degree in agriculture-education.

John McLains To Be Honored

Mr. and Mrs. John McLain of Hart will be honorees Sunday, Jan. 12, at a reception in observance of their fiftieth wedding anniversary.

Friends and relatives are invited to call at the home of the couple, 210 Broadway, Hart, between the hours of 2 and 5 p.m. The couple requests no gifts, please.

Letters To Santa

Belated

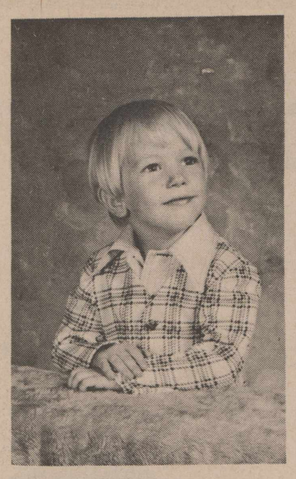

Dear Santa,
I want a Tape player, a camra, a bottle of purfume, and a stocking full of goodies for Christmas.
Sincerely,
Donna Griffin

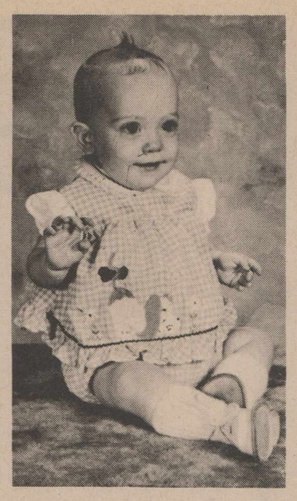

Dear Santa,
I want a Merry Christmas, so please bring me an inchworm, a big cattle truck, a gun and gun holster and a stocking full of goodies. Santa, don't forget my brothers and sisters and other boys and girls.
I love you,
Flint Griffin

Dear Santa,
Please bring me a Betty Wetty doll so it can wet on my brother. Also I would like to have a big mean dog so that neighbor boy will quit playing in my back yard. He climbs over my fence and my big mean dog will help him get over the fence a little faster.
Also I would like to have a magic trick set to make my sister and her ugly boy-friend disappear. I don't like him. He calls me a brat.
I have been a good little girl and I never do anything mean to anyone.
Love,
A Little Girl

Dear Santa Claus and Mrs. Santa,
I am going to be nice. I am 4 years old. Please bring me a Rub-A-Dub doll, and a diaper bag, and a ballerina dress, and shoes. Leave me and Bubba some candy canes in our stocking. I think thats all.
I love you,
Kamber Carson

Dear Santa Claus,
How are you doing at the North Pole. I hope you do not get a flat runer. I hope it is a clear day on Christmas for you to come to town. We do not have a chimey so come through the front door. I want a doll a barbie quick curl, and a play doctor set to check my lungs, pulse. Bring a Big Jim sports camper for Roger. For Lonnie her a bike with training wheels. Sandra want a barbie Beach bus.
Yours Love,
Mary Hernandez

Kwahadi Dancers Slate Winter Ceremonial Shows

The 1975 winter night ceremonials of the Kwahadi Dancers, Explorer Post 80 of Boy Scouts of America, will be Jan. 17, 18, 24, 25, 31, and Feb. 1 at 8 p.m. at the Kwahadi Kiva at Plains and Bellaire in Amarillo.

This year's show will be almost an entirely new show. New dances, costumes, backdrops, stage arrangements, and of course, a new bunch of boys. This ceremonial is inspired by our 1976 Bicentennial Pageant Project and will be very different from past winter shows. Winter ceremonials are always what we feel are our greatest efforts in capturing the beatuy of native American folkart and this year is no exception. In fact, we believe this year's show and the following Bicentennial pageant mark the beginning of a new era of Kwahadi performances.

The show this year will be amphitheater style as in our Pioneer Amphitheater in Palo Duro Canyon. The inside of our theatre will be built into a pueblo village plaza with three stages. The audience will be seated in and among the show just as if visiting an actual Pueblo Village.

The Kiowa clan is preparing the Deer-Katchina dance, the Butterfly dance of the Hopi and their new Kiowa attack dance.

The Sioux clan will present the new home dance of the Katchina's and the old-time crow war dance.

The Chippewas, newer member of the club, will present the rainbow dance, deer-buffalo dance, and the horsetail dance of Taos.

Old-time favorites of our audiences such as the eagle dance, hoop dance, and Pueblo Camanche war dance will be a part of the show.

In 1968 the Kwahadi dancers began the winter show as an attempt to build a show around only the beautiful folkart of the Pueblos of New Mexico and Arizona. The Pueblos have retained much of their old way of life and a visit to their village is like a trip back in time. The Kwahadis have often sat in the ancient village plazas and watched the people dance. The smell of pinon fires and baking bread fill the air while dancers move as one to the majestic sound of the drums and singing. In the winter show we try to capture this atmosphere of beauty and sincerity to share with our audience.

In all, fourteen dances, 50 performers, and a new theatre set will make up the 1975 winter night ceremonial.

Attention Youth Leaders! Bring your group to the 1975 Kwahadi Winter Ceremonials, held on the last three weekends of January. Performances start at 8 p.m. at the Kwahadi Kiva, Plains and Bellaire, in Amarillo. Youth groups receive a special discount of $1 each. Please send this information, along with $1 holding fee as soon as possible to assure your group a seat.

five year period and will also use a coal fired boiler," Tolk said.

In September of this year, SPS announced its interest in taking a lead role in the construction of the nation's first nuclear power plant using a gas-cooled fast breeder reactor. The company signed a letter of intent with the General Atomic Company of San Diego, California indicating that SPS would contribute $100 million to such a project.

Transmission lines and transmissions substations to be built during the five year program will represent an expenditure of more than $50 million. The lines will be 115,000 and 230,000 volt and will serve the major load areas in Southwestern's system.

Construction will start in the near future on a 115,000 volt transmission line from Cunningham Station, near Hobbs, New Mexico, to Carlsbad, New Mexico. This new line will provide additional power for new and existing industrial loads.

"This region can avoid the recession which is gripping much of the nation if the people of the area will continue the planned development program for growth which utilizes all of our assets. Planning is the key word and our area development people are dedicated to helping every community that wants to work at planned progress. Finally, the whole region can count on adequate electric power being one of the assets at work", Tolk concluded.
