

# Morton Dedicates New High School Buildings Monday Night

FIRST PLACE WINNER AS BEST ALL AROUND WEEKLY IN WEST TEXAS PRESS ASSOCIATION CONTEST.

## Morton Tribune

"TEXAS' LAST FRONTIER"

MORTON, COCHRAN COUNTY, TEXAS, THURSDAY, OCTOBER 26, 1950.

NUMBER 35

### Legion and Auxiliary To Stage First Annual Old-Fashioned Barn Dance

The first annual old-fashioned barn dance, sponsored by the American Legion and Auxiliary, will be staged Friday night, November 10 at Veterans Hall.

Members of Morton's Square Dance Club have been invited to participate in an exhibition dance during the program for entertainment of guests.

Square and round dancing, and intermission an olio singing, under direction of Mrs. Bill Proctor, constitutes the evening's program. Western costume will be in order of the evening; that is, jeans and gingham.

Auxiliary members in charge of the celebration are: Mrs. Bill Proctor, program and music chairman; Mrs. H. B. Barker, sponsor, assisted by Mrs.

### United Nations Week Concluded Here Tuesday

A week of world-wide significance was terminated Tuesday in Cochran County and over most of the United States with the flying side by side of the flags of the United States and United Nations from atop the county courthouse.

Members of home demonstration clubs have recently made United Nations Flags and have held local observances in club meetings.

The Lehman H. D. Club observed UN day on Wednesday afternoon, October 18, with appropriate ceremonies, including a talk on "Message of the Flags," and to the flags in unison by members and concluded with an expressive "Prayer for Peace."

The UN flag made by Lehman was presented to Cochran County. Whiteface observed UN week in conjunction with a PTA meeting at the school in Whiteface Tuesday night. The flags of the United States and United Nations flanked the speaker's stand. The UN flag made by Progress H. D. Club was offered to Bledsoe School to be used in ceremonies at Bledsoe. The flags of the United States and United Nations are to be displayed on separate poles, flags being of equal size and poles of same height, according to information from county home demonstration agent's office.

### Joe Ed Sullivan Elected To Two College Offices

Joe Ed Sullivan of Morton was recently elected to two campus offices here at Sam Houston State College.

He is the son of Mr. and Mrs. E. Sullivan. Sullivan was chosen president of Jackson Shaver halls, the boys' dormitories, and vice-president of the Future Teachers of America.

The local IFA chapter was organized last year as the most active in the United States, and due to keep its reputation.

### Wildlife Committee Conservation Meeting Tuesday Night

The Wildlife Conservation Committee is meeting at Buckley's to draw up temporary rules and regulations for Cochran County Game Association.

Directors are: Willard Cox, Tye Williamson, Slim Rogers, Buckley and Butch Baker.

A future meeting to be called by this committee of directors, the plans will be submitted to the board of directors in the county for adoption or for changes to be made. The date of the future meeting will be announced later.

Similar associations are working very nicely in other portions of the state and there seem to be no reasons why one can't do here very effectively with the efforts of those supporting

### C. of C. Directors Make Plans to Enlist Members

Chamber of Commerce Directors in a noon business session and luncheon Tuesday at the Steak House passed a resolution asking each member present to exert further effort to induce more Chamber members and especially directors to attend the luncheon meetings.

Members present at Tuesday's meeting agreed to bring one guest to next week's meeting. The program will be under the direction of R. C. Strickland.

J. B. Knox had charge of Tuesday's program; at which time he called on J. W. McDermott, president, for a report on the Chamber of Commerce meeting held last week in Mineral Wells. Mr. McDermott was unable to attend the meeting but responded with a very humorous and entirely fictitious report of the meeting.

Adequate maintenance of Morton Cemetery was also discussed but no action taken on the matter.

Albert Morrow, secretary, read letters from the Texas State Railroad Commission and manager of Texas, Oklahoma, New Mexico Coaches, regarding the establishment of a bus line from Morton to points in New Mexico.

Members present were Willard B. Cox, M. Turner Beard, Neal H. Rose, Albert Morrow, J. B. Knox, J. W. McDermott, R. C. Strickland and Hume Russell.

Mrs. Carl England was the only guest.

### MRS. CHAPMAN RETURNS FROM CAMP HOOD

Mrs. Curtis Chapman has returned from a visit with her husband at Camp Hood, Texas. Mr. Chapman who left here in September for the Army has been ordered to California, Mrs. Chapman said.

### Three New Producers, Four New Locations Reported This Past Week

The Levelland area reported four new completions and four new locations according to reports submitted to the Midland district office of the Oil and Gas Division of the Railroad Commission of Texas this past week.

The Cochran County field claimed three of the new producers and the Slaughter field of Hockley County had the remaining new well.

Applications were filed for four new explorations in Cochran County. Two amended applications were also filed in that county.

**Completions in Cochran County**

United Development Company No. 6 Tide Water-Beasley, 440 feet from south and west lines of labor 21, league 62, Midland CSL survey pumped 24 hours to make an initial production of 66.24 barrels of 29-gravity oil. No water was present. There was no gas-oil ratio.

The pay zone at 4,855-4,893 feet was treated with 20,000 gallons of acid.

Skelly No. 2 W. B. Cook, 440 feet from east and 1,650 feet from north lines of lease in labors 3, 4, 7, 8, 24 and 23, league 131, Carson CSL survey flowed six hours through a 20/64th-inch choke to produce a daily calculated potential of 162.84 barrels of oil. Gravity of the petroleum was 32.6 degrees. Gas-oil ratio was 30.1. No water was present.

The pay formation at 4,956-4,988 feet was acidized with 9,000 gallons.

United Development Company No. 2 Catto-Wright, 440 feet from west and south lines of labor 6, league 59, Martin CSL survey pumped 24 hours to make an initial production of 49.68 barrels of 30.1 gravity oil. No water was present. There was no gas-oil ratio.

The pay section at 4,861-4,979 feet was acidized with 18,000 gallons.

**Location in Cochran County**

Amended: Magnolia No. 20-DD F. L. Woodley 3,836 feet from west and 2,546 feet from north lines of labor 7, league 57, Oldham CSL survey, rotary, 5,100

foot depth, Slaughter field, starting at once to deepen.

Cascade Petroleum Company (Fort Worth) No. 1 Slaughter Hill, 6,500 feet from east and 2,340 feet from south lines of league 113, Potter CSL survey, A-102, rotary, 5,300 feet depth, Levelland field, starting immediately.

Amended: Magnolia No. 15-DD F. K. Woodley, 510 feet from south and west lines of labor 7, league 51, Oldham CSL survey, rotary, 5,100 feet depth, Slaughter field, starting at once. Changed location and to deepen.

J. A. Humphrey, et al (Dallas) No. 10 Carrie S. Dean, 2218.3 feet from south and 5,234.6 feet from east lines of league 91, Lipscomb CSL survey, A-80, rotary, 5,000 feet depth, Slaughter field, starting at once.

W. L. Willie No. 1 Masten, 660 feet from north and west lines of labor 18, league 135, Armstrong CSL survey, cable, 5,000 feet depth, Levelland field, starting at once.

Hanlon-Boyle Inc., Agent No. 3-A Masten, 440 feet from south and east lines of inside corner of labor 9, league 134, rotary, 5,000 feet depth, Levelland field, starting soon.

### HERE LAST WEEK-END

Mr. and Mrs. L. R. Dick, 108 Pierce Street, were at home last week-end. They are presently located in Post, Texas.

Mr. Dick is associated with Western Drilling Company.

### WEEK-END VISITORS IN ALLUP HOME

Week-end guests in the home of Mr. and Mrs. Roy Allsup included her mother and brother, Mrs. F. B. Reed, Yuba City, Calif.; Mr. and Mrs. U. M. Reed of Elk City, Oklahoma; and two grandchildren of the Allsups, Nadine and Neal Perry of Lubbock; also their son Lonnie and Mrs. Allsup of Abilene; Lloyd and Mrs. Allsup and two children of Denver City; Mr. and Mrs. Don Allsup and daughter who live in Morton and the younger of the Allsup children, Linda.

### Red Cross Home Nursing Course Gets Underway November 1, 1950

A Red Cross Home Nursing Course for instructors will get underway at 9 a.m. in Lamb County on November 1, it has been announced by Mrs. Hume Russell, chairman of Cochran County Home Nursing.

The course was originally planned for Levelland but due to illness of Red Cross executive secretary of Hockley County the classes will be held in Amherst at Amherst Hotel, the chairman said.

Mrs. Fred Collins, Cochran County School Nurse, and Mrs. C. D. Arnold of Whiteface, are planning to take the course. Other ladies from the various County H. D. Clubs are expected to enroll.

Classes start Wednesday, November 1, continuing through Thursday, Friday and the following Monday and Tuesday.

Ladies desiring to take the

course are asked to notify either Mrs. Collins or Miss Mabel Ann Manley, in order that suitable arrangements for transportation and class affiliation may be made as quickly as possible.

Mrs. Russell, who is attending Grand Chapter of Eastern Star, in Galveston this week, passed along this message before leaving.

"Today when more sick persons are being cared for in the home than ever before, and hospital patients are being released soon after surgical operations, there is great need for at least one person in every family to know simple home nursing skills."

"A Red Cross Home Nursing Instructor Training Course prepares individuals to teach homemakers, young people, and others how to take care of the sick at home simpler, safer, easier, and more effective."

In 30 hours of classroom work taught by a specially trained registered professional nurse you will hear explanations of principles underlying home nursing methods and skills.

"You will see the instructor demonstrate the safe and easy way to give home care to the sick. You will practice these skills yourself and discover how much time and effort can be saved by these methods and you will be able to teach others with ease and skill. Too, you will discover that what you have learned will serve you daily in many ways and give you confidence in your ability to teach others how to learn by doing."

Goodmans ATTEND CONCERT Mr. and Mrs. Paul Goodman were among those from Morton who attended the concert in Levelland Tuesday night.

GLENN REEVES and a group of Morton High School students attended the concert in Levelland Tuesday night.

Reminders For All Taxpayers Taxpayers are being reminded by Herman Crockett, Cochran County Tax Assessor-Collector, that taxes paid during the month of October will receive a 3% discount. Taxes paid during November will receive a 2% discount and if paid in December a 1% discount.

After January 31, according to Mr. Crockett, taxes become delinquent and a penalty is added.

MRS. RAMBY, MRS. RUSSELL ATTEND STATE OES MEET Mrs. P. B. Ramby, worthy matron and Mrs. Hume Russell, Morton Chapter of Order of Eastern Star, attended a state meeting of Eastern Star in Galveston this week.

They made the trip by commercial airliner, leaving Lubbock Sunday morning.

Safety Signs Sold; Will Be Installed By Morton Lions The Lion's Safety campaign to have safety signs installed throughout the city of Morton was being rushed to completion this week according to Don Allsup, committee chairman.

All of the signs have been sold to businessmen in the city and these and the larger signs will be shipped soon. The signs will be installed by a Lions committee in school, hospital and business areas.

Mr. Allsup commended the Morton businessmen on their splendid cooperation which has made the campaign a success. A total of 20 smaller 18x24 inch signs and 4 of the larger four foot square size will be installed.

ATTEND MUTUAL CONCERT IN LEVELLAND Mr. and Mrs. Carl England, Mrs. Bill Proctor, Miss Janelle Jones, Luther Buchanan, Jack Russell and Van Greene attended the Clayton-Jarrett Concert in Levelland School Auditorium Tuesday night.

### Dr. J. W. Edgar to Deliver Address; Public Cordially Invited to Attend

Dedication ceremonies for the Morton High School Building and the brand new \$100,000 gymnasium will be held Monday evening at the new gymnasium at 8 p.m. in conjunction with an open house.

Dr. J. W. Edgar, State Commissioner of Education will deliver the main address and the Morton band and Choral club will also be featured on the program.

Carl Macon, Morton Schools superintendent, issued an invitation to all patrons of the school, all mothers and fathers of school children, and all persons in the area interested in higher standards of education to attend the program.

Patrons will also be invited to view the new high school building and go through the rooms in an open house immediately after the evening's ceremonies.

The program has been arranged in the following order.

Prelude, Morton High School Band.

Invocation, C. Stephens, pastor of First Methodist Church.

"Lead Me, Lord", Choral Club, Fred Danforth, directing.

Expression of Appreciation by president of the school board, Raymond C. Ross, senior girl, Peggy Lilljedahl, and senior boy, Johnny Green.

Special Music, Choral Club.

### Appreciative Audience Hears First Concert

Morton was well represented among the more than 900 patrons of the Arts who attended the initial concert presented by Levelland Mutual Concert Association in the high school auditorium, Levelland, Tuesday night.

The program as presented by Miss Helen Clayton, soprano, Howard Jarrett, tenor, and Miss Moreland Kortkamp, pianist, included a scene from act 1 of "La Boheme." This beautiful scene from one of the world's most popular operas was well received as were the other numbers. Songs from "The Merry Widow," probably brought the most enthusiastic response of the evening's performance.

Dates for forthcoming concerts will be released immediately after January 1. All members of the concert association are reminded to keep tickets as the same tickets are used for each performance.

Four girls from the Morton Band and Choral Club will serve as ushers for the next concert, which is scheduled for January.

### Export Limitations On Cotton Hit By Cochran Farmers

Cochran County farmers are critical of the 2,000,000 bale export limitation of cotton produced in U. S. in 1950 advises County Agent Homer E. Thompson.

After a farmer's delegated group of four men went to Washington last week, it was learned today that Secretary of Agriculture Brannan raised the export limit to 2,146,000 bales. The increased raise would not amount to as much as Lubbock County produces in an average year.

Again today Tuesday, October 24th, the farmers of the South Plains are holding another meeting at Lubbock, Texas, to continue this fight against cotton export curtailment, because cotton prices have declined as much as \$20.00 a bale since curtailments went into effect.

The meeting today is again sponsored by the Farm Bureau. Last night on the radio your county agent heard a CIO representative condoning the farmers for their attitude in trying to get the Secretary of Agriculture to lift this curb on cotton.

He said "The farmers should willingly take a little drop in cotton prices to prevent a U. S. inflation."

The agent said, "The CIO representative did not say anything about wage rises for labor, nor condoned strikes for gaining wage hikes even in these critical times of inflation at the cost of our National defense."

Your congressman wants the farmers to organize and advise him of your desired legislation, to stay in the fight against organizations which are looking most certainly after their interests," Thompson concluded.

CARL ENGLAND made a business trip to Lubbock last Friday.

Address, Dr. J. W. Edgar, State Commissioner of Education. Special Music, Choral Club. Benediction, R. W. Harris, pastor, Enoch Baptist Church.

### Teachers Banquet Slated to Precede School Dedication

A county-wide teachers meeting has been called for 6 p.m. Monday evening in the Morton school cafeteria according to Carl Macon, Morton School Superintendent.

The banquet will precede the dedication ceremonies for the high school buildings at Morton and all County Teachers are invited to attend both the meeting and the dedication ceremonies.

### It Is Time For Overseas Mailing Of Xmas Presents

Mailing of overseas Christmas packages for members of the armed forces and civilian foreign employment groups should be completed by November 15, relatives were warned this week.

A nationwide advertising campaign to speed up the mailing of packages so that arrival at their destination within a reasonable time limit is insured, was set in motion by the Post Office Department with a poster campaign.

October 15 to November 15 was designated as the best time to get packages for foreign delivery in the mail. The Post Office Department urges that all packages be packed securely, mailed early, addressed correctly, and that no perishable goods be shipped.

### Cochran County T. S. T. A. Meets In Whiteface

On Tuesday evening, October 17, the Whiteface School Auditorium served as a meeting place for the Cochran Co. Unit of the Texas State Teachers Association. The meeting was called to order by the new president, Mr. Lindsey of Whiteface, who introduced Miss Martha Grandstaff, Music Director of the host school, presenting the School Chorus in four numbers.

Mr. Noah Cunningham, Supt. of the Whiteface Schools gave a brief welcome address, in which he urged closer cooperation among teachers and a program designed to make the most progress possible each day. During the business session which followed, the association was invited by Mr. Carl Macon, Supt. of Morton Schools, to Morton for the Annual Fall Dinner.

Messrs. Cobert of Bledsoe, Smith of Morton, and Cunningham of Whiteface were elected delegates to the District Meeting of the TSTA which will be held in Lubbock in March. Mr. Reeves of Morton is to be alternate.

After the election of Mr. Cobert as treasurer and Mrs. Ermon Miller as reporter, the meeting was adjourned and the group retired to the cafeteria where pie and coffee was served and a get-acquainted hour enjoyed by all.

### Grain Elevator At Whiteface Burns Tuesday

A devastating midnight fire at the Frank Bailey Grain Elevator in Whiteface almost completely gutted the elevator it was reported Wednesday morning.

The fire broke out at about 11 p.m. and burned fiercely until 2:45 a.m. and only a small portion of the elevator was saved. It was estimated that between 6 and 7 carloads of grain burned but no monetary estimate was made.

Fire trucks from Levelland and Whiteface joined in the fight to get the fire under control with several Bruce Burney trucks carrying water to the scene.

Most of Whiteface was alerted for the fire. The elevator is located next to the Santa Fe Railroad tracks just east of the depot. Other cars loaded with grain were rolled away from the scene of the fire before they could catch fire.

Hugh Knox, Deputy Sheriff at Whiteface, told a Tribune reporter that as of Wednesday morning, no cause of the fire had been determined.

# EDITORIAL

## Salute To Our Industries

"We hear a great deal these days about the American way of life, and it is all to the good. It would be difficult indeed to think of another subject so infinitely varied or so richly rewarding. Yet it is not enough simply to go on talking about it. If the American way is to have any valid meaning, we must live it. Before we can live it, we must understand it."

This was the opening paragraph of an editorial welcoming the arrival of Oil Progress Week. This week is National Automobile Dealer Week, a few weeks ago it was National Newspaper Week.

We sometimes think that we are sick of hearing about this week and that week but how often do we stop and think that it's for our benefit as well as their own, that the men and women of oil, and automobile, and newspaper, and medicine and all the other industries and professions take this opportunity to inform us of their progress. Who but the people in the oil industry are qualified to give us the inside story of what they are doing? Who but the automobile dealers can know the improvements in their industry as compared to the customer's reaction?

Both the oil and the automotive industries started less than a century ago. Both have made tremendous progress, and, what is more important, it has been a hand in hand progress for these two industries. They have done so much to transform the existence of yesterday into the luxuries of today.

However, Oil Progress Week and Automobile Dealers Week designated not only to remind us of what these industries have produced, but what has produced them. Their improvements are simply the evidence of a deeper, driving force—the force that has made possible our whole industrial structure. This is the American way—the determination, the initiative, the opportunity to create more and better things for all of our people. This is freedom.

These people are simply reminding the American public of the value of their service. By listening to their stories, we once again realize how the cooperation between the vast industries that make up our economic structure, has fostered our freedom.

## For The Nation

The American Legion Auxiliary is composed of women who have sent sons, husbands, fathers and brothers to defend freedom and democracy in war, or who themselves have served. The Auxiliary naturally is dedicated to the defense of America's freedom and democracy against peacetime encroachment. Vigorous opposition is given to all movements endangering the individual freedom of American citizens. A continuous educational program is carried out to help develop the type citizenship necessary to make democracy a success under the rapidly changing conditions of modern life. To protect America from foreign tyranny, the Auxiliary advocates adequate preparations for the Nation's defense.

The local American Legion Auxiliary is now conducting a county wide membership drive. You are asked to remember when invited to join, that in "Unity there is strength." If there are any questions you'd like to ask about the Auxiliary and its functions do so when your membership is solicited; the solicitor has the answers and will be happy to explain.

Women have many faults, but men have only two — everything they say and everything they do.

The installment plan is the only method so far discovered that will induce some people to do thing on time.

## LOOKING AHEAD

By George S. Benson, President, Harding College, Searcy, Ark.

America's most strategic communities, in which large concentrations of people or important groupings of industries are centered, have begun to organize for the eventuality of an atom bomb attack and other forms of airborne invasion, such as, for instance, paratroop raiders. If the day comes when Soviet military power strikes boldly at the heart of our nation's strength, the population in these strategic communities will be alerted by radio and other means, setting into motion intricately worked-out mass evacuation and defense plans.

For successful execution of such emergency plans, the whole population must spring into action within the space of a few minutes. Sirens, mill whistles and other signals will set plans in motion and summon the population to radio sets, telephones and public loud speakers for detailed instructions. Thus the mass communication facilities become the very heart of our civilian defense—and also the No. 1 objectives for invading forces and their fifth columnists.

### The Technique

Hitler's tacticians found it of great strategic importance to send squads of parachuting raiders into cities in the pathway of the Wehrmacht and seize the radio stations. In some countries, Nazi fifth columnists who had been posing as loyal citizens suddenly produced machine guns and seized the stations. Then an unsuspecting French or Belgian or Dutch announced: "Emergency orders! All citizens remain indoors with blinds drawn!" The civilian population was thus perfectly controlled by the invaders.

The Communist Red Army and its farflung fifth column, highly organized in every nation in the civilized world, have perfected this Nazi total war strategy and added the diabolical infiltration technique. They used it with decisive effect in Korea. In the United States where virtually every family has a radio, radio stations would be invaluable. In fact, our radio industry long has been one of the high priority objectives of infiltrating Communists.

### "One Voice . . ."

In a recent issue of the RADIO TELEVISION DAILY important publication of the industry, the danger of American fifth column Communists and fellow travelers was recognized in the following terse warning: "In an emergency (at any given time) it would require only three persons (Communists or sympathizers) TO REACH 90 MILLION PEOPLE WITH A MESSAGE! One engineer in master control at a radio network. One director in a radio studio. One voice before a microphone."

The popular magazine BROADCASTING, also warned: "Can you conceive of anyone more potent when an emergency strikes than the man at the network mike? That should be sufficient to guide broadcast management in the screening of personnel." And last June, J. Edgar Hoover, FBI chief, who will have the responsibility of "neutralizing" the fifth column in any emergency, told a Congressional Committee: "Communist efforts toward infiltration have been intensified in . . . the communications industry."

### Red Influence

In view of these facts, the recent publications of a report by a group of former high placed FBI men would be of interest to the American public. The report said, in part: "With radios in most American homes and with approximately 5 million TV sets in use, the Cominform and the Communist Party USA now rely more on radio and TV than on press and motion pictures as 'belts' to transmit pro-Sovietism to the American public." Substantial funds earned by Communists and sympathizers employed in the industry find their way to the Party through contributions to "fronts," the former FBI men said.

The 215-page report, entitled "Red Channels," lists approximately 150 actors, directors, commentators, writers, technicians, announcers, musicians and producers of radio and TV and gives the Communist or Communist front organization to which they reportedly have belonged, affiliated with, or in whose activities they've participated. The former FBI men responsible for this report are not "witch hunters." They have a genuine concern for the safety of our nation. They say Communism has gained powerful influence in the strategic communications field. They want the public to know the facts. They are putting their finger on a real danger—when the time is not yet "too late."

## THE LAW AND YOU

by Robt. (Bob) Kirk

County Attorney  
Lamb County, Texas

Do You Know what "bail" is? Generally bail or bail bond refers to criminal matters.

Bail is the security given by the accused that he will appear and answer before the proper Court the accusation brought against him. Bail Bond is an instrument which evidences this security.

In all cases, except two or three extreme situations, when a person has been arrested for violation of the criminal laws, he is entitled to make a bail bond, and be released from jail until his trial is held. This bond must be signed by the Defendant, and usually two other persons, who will guarantee that the Defendant will be present for his trial, or that they will pay into the Court the amount of the bond. When this bond is approved by the Sheriff, the Defendant is released. Before approving the bond, the Sheriff must be satisfied that the parties signing the

bond have sufficient property, over and above their exempt property to pay the bond.

If at any time the bondsmen get uneasy that the Defendant may be about to leave the country and not be present for trial, they may deliver him to the Sheriff, and be relieved of their liability under the bond.

## Mrs. J. S. Harrison Is Honoree At Farewell Party

Mrs. J. S. Harrison, who leaves soon to join her husband in Bryan where he is city engineer, was feted Saturday night by Mrs. Lloyd C. Miller, Mrs. Roy Hickman Jr., and Mrs. Carl England, at the latter's home, "Vagabond House", with a Mexican dinner and bridge party.  
Colorful pottery, imported table covers and tally cards, augmented with floral arrangements of deep purple iris; nasturtiums in rich hues of orange and scarlet and yellow chrysanthemums carried out the decorative theme.  
The guest list was composed of intimate friends of the honoree and Morton Bridge Club, of which she is a member and included: Mesdames Hume Russell, J. W. McDermott, Fred Stockdale, Neal H. Rose, Courtney Sanders, Willard B. Cox, J. D. Hawthorne, P. B. Ramby, Raymond C. Ross, Joe Nicewarner, W. W. Williams and Scott Hawkins.

## JUNIOR AND PRIMARY SUNDAY SCHOOL CLASSES ENTERTAINED BY TEACHERS

Primary and Junior Sunday School classes of The Methodist Church were entertained with a wiener roast at the Elra Oden home Thursday night, October 19.  
Mrs. V. L. Lawson and Mrs. Fred Stockdale, teachers for the two groups were hostess. Twenty youngsters attended.

**MERRITS VISIT IN KANSAS**  
Mrs. and Mrs. Ralph Merritt, their son, Duke, and Miss Glenna Kennedy, visited B. Merritt in Kansas last week-end. B. is in the Army and is being transferred to California.

## -- annegrams --

-- by ann england --

Only 50 shopping days till Christmas. AND have you done or even started your Christmas shopping? Now, it seems, would be an excellent time, as stores are not crowded, stocks are fresh and one can take his time looking.

As usual when school gets well underway Mrs. J. A. Gowdy begins ransacking the town for magazines. Knowing this was coming we'd saved ours for some time back. Mrs. J. W. Alford and four boys from Junior High came by a few days ago to pick them up.

Dr. Lawson didn't break his arm after all. We had accused him of same after he stopped writing the Country Club news. It seems he got real involved (who doesn't) in construction of his new home; too golfing has slowed down a bit so he just dropped the column for the time being.

The Methodist parsonage is looking real fine—but completion is being held up on account of some orangeburg tile needed to finish sewer connections. Anyone have any they don't need?

The Gene Benhams are moving in with their parents. Marie's father, Mr. Doran, has been seriously ill for a year, requiring constant attention. Running back and forth from the two establishments has proven too much for Marie.

We were all sort of worried for awhile thinking Bill Proctor would probably be called back into service. Isabel was already making plans to go to work etc.

What a relief when she announced that it is pretty definitely settled that he won't.

Isabel is a wonderful worker in the American Legion Auxiliary and we are just selfish enough to be glad she will have more time to devote to it. She has a grand program outlined for the year.

Jaunita McBee challenged Merle Ensor (Legion Commander) to a membership contest at the last meeting; so we should really be able to see some results in both organizations now.

As most of you know we were in the hospital a few days last week. The bad part is that just when we got to where we could breathe comfortably, loll around and enjoy all the lovely flowers, listen to radio, read and EAT, the doctor up and sends us home.

Get our insurance company has a fit when they get claim on this latest illness as we had everything in the book including x-ray; blood count and all the various medicines available.

Tom McAllister told us he thought last week's as the best he'd read in some time. Imagine a lot of folks enjoyed Mr. Jackson's column—we always do.

Some very thoughtful person has been sending us the "Pronghorn." This is the Whiteface School's publication and a very fine mimeographed paper we must say. We enjoy reading of the school activities and appreciate receiving the paper.

If we do save so ourself, we had the nicest party Saturday night. Of course all we had to do was enjoy the good food and lovely ladies as Katherine M and Cricket H made all the preparations; that is cooked the food, made up the guest list and saw that everything went off smoothly. Nobody'd let us do anything on account of we've been puny lately.

When we got home from office Saturday afternoon we found beautiful flowers all ready for arranging; they had been brought by Eltha Russell; iris, the deepest purple we ever saw and nasturtiums that are simply out of this world. Cricket too had cut flowers from her yard for us and Dorothy Rose telephoned to offer flowers.

And everyone looked so pretty. Mattie Ramby wore a very becoming red dress; Katie Lee Ross was wearing a cinnamon skirt with harmonizing velveteen jacket.

Mrs. Harrison, whom we all love had on a red and black print with corsage of American Beauty roses. Cricket's dress of soft brown had a most gorgeous orange-red velvet belt with cluster of poppies.

Doc Cox, just barely out of hospital following major surgery, was wearing a black sheath with scarlet corsage at the waist line.

Geneva Nicewarner looked unusually attractive in a grey suit, trimmed lavishly in buttons. Lillian Williamson's dress was black with rhinestone clips and necklace, which showed off her pretty complexion to advantage.

Katherine Miller also wore black, her dress was velvet trimmed and she looked very cool and collected despite the fact she'd been over the hot stove all day cooking up stuff for the party.

We were amused when she told of a conversation she'd overheard between her daughter, Tooter (Mary Katherine) and Mr. Miller; which ran something like this, "Daddy did you know you were going to be a baby sitter Saturday night, well you are because Mommy is going over to Ann England's to have a party."

Speaking of small fry brings to mind a tale that is being told on David Ross. He was a luncheon guest recently of Willard Cox Jr., and when Doc realized she hadn't prepared a dessert she asked David if his mother permitted him to eat ice cream, candy, lollipops and the like and suggested phoning when David said, "let's get the candy and eat it and then phone."

Oh, we almost left out what Mrs. E was wearing at her own party; might say she was dressed up like Mrs. Asterbilt's pet pup in a velvet dress of the latest fashion (1948 that is.) And as soon as all the guests arrived she took off her shoes mainly because her feet hurt.

The rooms was gone Sat. p.m. and Sunday, so we had a field day; cleaned the ash trays and they stayed that way; ditto bath tub; no shoes in middle of floor and no dirty sox hidden under the bed and nobody to yell "what did you do with my tie clasp, my other shirt, where's the hammer that shutter needs nailing on again; etcetera." But it sure was lonesome.  
Everyone attending party was complimentary of a fruit and vegetable arrangement we had on kitchen table. It wasn't a thing but a bowl of apples, lemons, pears, pepper, squash, egg plant, pomegranate, green and purple grapes on bed of green leaves, all highly polished with generous application of mineral oil, which we will now have to eat to save.

The spouse says, "A lot of people are like buttons, always popping off at the wrong time."

## Marines To Give Reserve Officers Advance Notice of Mobilization

The Marine Corps expects to notify by the first of the year practically all remaining volunteer reserve officers who will be mobilized by next June 30. Each officer notified is to be told, if possible, the month in which he can expect to report for extended active duty.

Marine Corps Headquarters said that by November 30, all enlisted volunteer reserves below the rank of sergeant and all those above the rank who have been alerted under the present program will be mobilized. Certain staff non-commissioned of the volunteer reserve may be ordered up later to fill billets in critical fields.

Headquarters said that captain of the volunteer reserve would not be mobilized except for a few needed specialists. First lieutenants of the volunteer re-

serve having dates of initial appointment as second lieutenants on June 7, 1944 or earlier, and who have continuous service in the Marine Corps Reserve, will not be called, with the exception of a few needed specialists.

The reduction of officers to be called is a result of the larger than expected number of officers of the organized reserve who answered the initial call to duty. More than 90 per cent of all organized reserve officers in units called up came to active duty after a screening for physical and industrial deferments, and individual hardship cases.

The Marine Corps said every effort was being made to give as much advance notice as possible to reservists yet to be called so they could plan their affairs accordingly.

## Health Dept. Dept. Registers All Births

It is the statutory duty of the Texas State Department of Health, through its Bureau of Vital Statistics, to provide for the registration of the births and deaths occurring in Texas.

On the statistics made from the vital records much of the planning for the welfare of the people of Texas is done. The number of births credited to the county or city of the residence of the mother can be used in planning hospitals and medical care. The medical certification of the birth record furnishes the Division of Maternal and Child Health, with a list of children who may need additional care, because of prematurity, congenital malformations or birth injuries. The birth certificates are used in establishing dependency benefits for veterans or members of the armed forces. They are also used in proving relationship in settlement of insurance claims and inheritance matters.

The statistics made from causes of death as gathered from medical certifications on death records are used in the prevention of disease, for control of epidemics, and immunization programs for children of pre-school and school ages. Leading causes of death statistics furnish data for study and research which will lengthen life expectancy and improve health during the expected time.

Mortality statistics and the expected length of life are considered when determining insurance premium rates.

A rise in the number of deaths from diseases bred of filth can institute immediate action by the Bureau of Sanitary Engineers. Nutritional diseases can indicate a needed improvement in diet, and school lunch programs can help guard the health of Texas' school children.

## US College With UN Flavor

Students from some of the 17 countries represented at Marygrove College leave in native dress to promote Detroit's observance of United Nations Week. They are (rear row, l. to r.) Chris Wang, China; Marileen Lardie, Detroit, daughter of a UNESCO delegate; Eladia Chiari, Panama; Altita Martellino, Philippines; front: Irene Arzoumanian, Iran; Celine Castellino, Pakistan.

## Department of Health Prepares For Possible Atom Bomb Emergency

A new service has been established within the Bureau of Sanitary Engineering at the State Department of Health to handle the thousands of radiation hazards, an atomic bomb burst would bring, State Health Officer Geo. W. Cox has disclosed.

It will perform six vital functions, all dealing with finding and decontaminating dangerous radio active areas, Dr. Cox said. He listed those functions as:

1. Pre-disaster training program. Men and women will have to be trained in the use and interpretation of radioactivity detection instruments. Of course the training program will have to be started immediately, so they will be ready to handle their jobs if and when an atomic bomb is dropped anywhere in Texas.

2. Detection device distribution. Those men and women will naturally need instruments to detect radioactivity and to protect themselves. Getting such items as geiger counters, ionization chambers, pocket chambers, and film badges—all radioactivity instruments—will be the job.

3. Monitoring crews, rescue workers, doctors, and nurses will have to have protective clothing such as hoods, gloves, respirators, and coveralls before they can safely go into contaminated areas. Clothing for this work must be secured.

4. Field monitoring. Teams of radiation experts will locate areas of residual radioactivity. Geiger counters and the other detection devices can seek out the odorless, tasteless, and colorless radioactive particles that can burn and destroy human tissue and cause changes in body cell structure. Experts will check buildings, streams, medical supplies, food and so forth, that might have been contaminated. Danger zones will be marked so that people can keep out of them.

MRS. J. S. HARRISON was a guest of Mrs. Roy Hickman for the Clayton-Jarratt concert in Levelland Tuesday night.

MISSSES MABEL ANN MANLEY and Lonora Jackson attended the concert in Levelland Tuesday night.

## Joe Bill Gipson Reenters Service

Joe Bill Gipson, son of Mr. and Mrs. Joe Gipson, has been called back into service and will report to Tacoma, Washington, November 7.

Joe Bill served in War II with the armed forces as Technical Sergeant in the Medical Corps.

He is a Morton High School and Texas Tech graduate and at present is employed by Lubbock Post Office. His wife is the former, Ann Stryghley.

## MORTONITES VISIT PALO DURO CANYON

A group of Mortonites visited Palo Duro Canyon Sunday. They took a picnic lunch and enjoyed an all day outing in the colorful park.

Making the trip were Mr. and Mrs. R. D. Butts and daughter, Helen; the Charley Phillips and Eustace Nation families.

## Allegro Club Plans White Elephant Sale

The L'Allegro Jr. Study Club will hold a White Elephant Sale on October 19, 1950, at 7:30 p.m. in the home of Mrs. Dorothy Ormand. The Club voted to donate 100% to The Texas Woman Magazine.

The Club voted unanimously to accept Martha Masterson as newest member. Plans were made for the White Elephant Sale to be held November 2, 1950, at 8:00 p.m. in the home of Mrs. Roy Tarver, with daughter, Dorothy Barker as guest. The 1936 Study Club are the guests of the L'Allegro's for the evening.

The president appointed a committee composed of Mary Ormand, Eva Rowden and Nelma Ormand to check with the principal of the Colored Schools to discuss their immediate needs. The Club plans to buy books and needed equipment for the Colored School as part of its project for the year.

Dorothy Ormand introduced guest speaker, Mrs. Fred Ormand, who gave a most educational talk on "Are you eating your way to Arteriosclerosis?"

The hostess served a refreshment plate to the guest, Mrs. Ormand, and the following members: Anna Faye Watson, Hettie Ormand, LaVena Goodman, Eva Ormand, Mildred McDermott, Nettie Dunham, Blackie Reynolds, Shirley Strickland, Nelma Ormand and Mary Raphael.

MR. AND MRS. JOHN CROWLEY and children, Betsy and Alan, of Sweetwater, were weekend guests of Mrs. Crowley's parents, Mr. and Mrs. W. G. Crowley.

MR. AND MRS. TURNER were among those from Levelland attending the concert in Levelland Tuesday night.

Miss Charlotte Lindsey, last year's Band Sweetheart, will take part in the crowning of this year's Sweetheart, in ceremonies scheduled for Friday night at Indian Stadium.

## Garden Club Entertained By Miss Manley

Cochran County Garden Club met Tuesday evening with Miss Mabel Ann Manley as hostess. Mrs. C. W. Davis, president, was in charge of the meeting.

A Halloween arrangement of autumn foliage and cane stalks was displayed by the hostess.

A discussion on the Date Calendars and their sale occupied most of the business session. Miss Manley explained that the books are suitable for gifts and contain much information for gardeners as well as beautifully illustrated flower arrangements and space for a day by day diary.

The meeting was called for six o'clock instead of the regular meeting time of eight in order that members so desiring might attend the Levelland Concert.

Miss Nell Brown, will be crowned Band Sweetheart during half-time activities, at the Littlefield-Morton football game, Friday night, October 27.

## Miss Nell Brown Selected as Band Sweetheart

By Waydelle Hill

Miss Nell Brown will be crowned as Band Sweetheart during half-time activities at the Littlefield-Morton football game Friday night, October 27, it has been announced by Fred Danforth, band director.

Miss Brown was elected by popular vote of the band at a meeting recently. She is drum major this year and has been majorette for the past two years. The Band Sweetheart is selected on a basis of cooperation, attitude, effort and friendliness; Nell meets all the requirements.

Nell will be escorted by Jimmy Coats through an arrow formed by the pep squad which pierces the huge heart formed by the band. Miss Charlotte Lindsey, 1949-50 Band Sweetheart will present the crown to Coats who will in turn crown the "Band Sweetheart," as Darryl and Tommy Bowman, Jimmy Robertson, Evelyn Culpepper and Bobbie Gast play "Let Me Call You Sweetheart" and the band and pep squad sing.

This Coronation of the Band Sweetheart is an activity performed by the band at one of the home games for the past three years. The first year Glenda Evans, now of Throckmorton, Texas, was Band Sweetheart.

Pictured above is Jimmy Coats, who will escort the Band Sweetheart during Friday night's football program.

## Mrs. P. B. Ramby Honored By Mrs. C. M. Cravy

Mrs. P. B. Ramby, Worthy Matron, Order of Eastern Star, was honored Thursday night, October 19, by Mrs. C. M. Cravy, associate worthy matron, with a gift shower and tea.

The Cravy home, scene of the party, was beautifully decorated with autumn flowers. The lace covered refreshment table held a reflector surrounded with nosegays entwined with ribbon bearing the inscription, "Mattie." Mrs. Jesse Lindsey served date nut cake and coffee to about thirty guests.

Gifts of the honoree's sterling silver, and personal items from members were presented by Mrs. Fred Morrison and Mrs. Roy Weekes.

Mrs. Ermon Miller, Mrs. J. B. Knox, Mrs. James St. Clair and Mrs. M. C. Ledbetter, alternated at the piano during the evening. They presented a variety of musical selections.

The honoree left Sunday to attend Grand Chapter in Galveston. She was accompanied by Mrs. Hume Russell. The trip to and from Lubbock was made by plane.

## VAN GREENE TO WACO

Van Greene and friends in Fort Worth attended the Tech and Baylor football game in Waco Saturday. Mr. Greene made the trip in his plane. He was accompanied to Fort Worth by Carl England.

## Former Resident Loses Father

R. C. Marshall, Sr., of Crosbyton, Texas, passed away Saturday, October 14th, 1950. Funeral services were held in Hillsboro, Texas, October 16, 1950 at 3:00 p.m. at the Marshall and Marshall Funeral Home, and the interment was in Ridge Park Cemetery, Hillsboro, Texas. Mr. Marshall was survived by his wife, two sons, James Gray Marshall, Crosbyton, Texas; and R. C. Marshall, Jr., Borger, Texas; one grandson, Robert Wylie Marshall, Borger, Texas, one brother, Gilbert Marshall, Hillsboro, Texas, and two sisters, Mrs. Kenney Harmon, St. Petersburg, Florida, and Margaret Marshall of Frankfurt, Germany.

The deceased had spent most of his life in Hillsboro in the automobile business. He had been a member of the masonic lodge, the Methodist Church, Lions Club and other civic organizations. Lubbock and Crosbyton had been the family residence from 1938 to 1949, at which time he moved to Crosbyton, Texas, where he resided until his death.

RAY GRIFFITH visited last week-end in Brady, Texas, with his brother Jerry. Ray flew the Cochran Club plane to Brady and back.

## ENMU Celebration Saturday, Nov. 4

Homecoming at Eastern New Mexico University will be Nov. 4, announces G. Walter Scott, chairman of the Homecoming executive committee. Alumni headed by Jean Stone, Artesia, will have a full day of activities highlighted with a football game between the University Greyhounds and the St. Michael's Knights of Santa Fe.

Events of the day will include a parade at 10:30 a.m., a barbecue luncheon at 11:30 a.m., football game 2 p.m., banquet 7 p.m., and the Homecoming ball 9 p.m.

Preliminary events get underway Thursday morning, Nov. 2, when the Homecoming queen will be crowned in a special Homecoming assembly in the University theatre. On Friday evening, the annual Homecoming bonfire and pep rally will take place.

Registration and alumni get-togethers of campus organizations will be scheduled Saturday morning before the 10:30 parade.

Other officers of the alumni association of the University who will be on hand to head returning alumni are Ralph Neely, Carlsbad, vice-president, and Paul Jones, Roswell, secretary.

# Indians Close Out Home Season Against Littlefield Wildcats Friday

## Class "A" State Champions Feature Devastating Running, Blocking

If an extra slice of pie or another helping of potatoes can make any appreciable difference, the Morton Indians may pull the upset of the year out of the bag Friday against the Littlefield Wildcats.

The Indians, after racking up a conference win last weekend with their 14 to 6 victory over Muleshoe, sat down to a fine steak dinner after the game thanks to the generosity of three citizens. If they can muster the same amount of courage and determination Friday, and Littlefield finds their pluckiness as confusing as Slaton's, we may see something for the books.

Make no mistakes, the Indians are going into the Littlefield game with the knowledge that they are facing one of Texas' top, 1950, high school teams. They go into the game knowing that there is only one solution to whipping a team of Littlefield's calibre. They'll rely on all the fight they can get together plus plenty of breaks.

Littlefield will be in a better mental condition this week than they were last weekend. That may hurt our cause. The only way to explain the stiff fight Slaton gave the Wildcats last weekend before bowing, was the Tigers were up and the Wildcats were up in the clouds somewhere. This week, Littlefield won't be likely to take the game so lightly. Their coach will have explained why you shouldn't underestimate the "little fellow."

Littlefield wound up 21 to 13 victors over Slaton on the running of their flashy sophomore halfback, Northam. But for Northam's three breakaway runs it could have been a different story with Slaton exhibiting the same fight that enabled them to defeat Morton two weeks ago.

In addition to Northam, the Wildcats have another star in the piledriving fullback, Gene Renfro. Both men have averaged well over 5 yards per try from the line of scrimmage this season and the Littlefield machine seems to roll equally well with either handling the ball toting.

### Probably starting lineups are:

### Littlefield Team Continues to Pace District Conference

After barely squeaking by with a 21 to 13 victory over Slaton last week, the Littlefield Wildcats continued to roll toward their District 4-A conference championship.

| District Standings |    |    |          |
|--------------------|----|----|----------|
|                    | W. | L. | Pts. Op. |
| Littlefield        | 4  | 0  | 117 51   |
| Tahoka             | 3  | 2  | 50 67    |

## Indian's Homecoming Spills Muleshoe, 14 to 6

### Two Quick Touchdowns Weather Storm of Mules 2nd Half Comeback

Morton fans were wondering this week whether it was Muleshoe or homecoming that was responsible for the District 4-A upset of the week pulled by the Indians last Friday as they drew first blood and went on to a 14 to 6 victory over the Mules.

But for the fact that it was homecoming, many would swear that the Indians just have it in for Muleshoe. It marked the second year in a row that a supposedly superior Muleshoe eleven has been humiliated by Morton.

Others say that the boys were "up" for the homecoming battle. From this corner it didn't look like any upset at all. It just marked the first time this season that the Indians have taken advantage of the potential power that lies in their backfield. If ever any triumph was a team triumph, this was it. Backs Kirby Lackey, Lanar Burns, and Don Baldwin all ran splendidly. Line-men Bob Polvador, David Stephens, Harold Aston and Jim Dewbre opened the holes. Kenneth Wynn, Johnny Green, Polvador and Waydell Hill supplied a fighting defense. It took every bit of this to grind down the Mules who themselves gave no quarter and went down fighting to the end.

From the statistical standpoint it looked like two ball games Friday. The first half was completely and overwhelmingly dominated by Morton. They struck early, the first time they laid their hands on the ball, to score with just four minutes of the first quarter elapsed. Burns grabbed a first down on the third play from scrimmage with a 14-yard jaunt on a fake hand-off that had the Mules completely baffled. After Lackey and Baldwin had acquired 7 yards through the middle, it was Burns again who on the same play gained 3 yards and another 1st down on the Mules 36 yard line. Then Kirby Lackey uncorked the run of the night for Morton. He took a shovel pass around right end for ten yards. On the 25 yard line Lackey met three would be tacklers. When he was off balance and almost down he suddenly squirmed loose and that was it; no other man even challenged him as he romped the rest of the 36 yards for the tally. Hill's conversion was perfect.

A bad pass from center on an attempted punt caught Muleshoe late in the first quarter. The punter did a beautiful job of getting the kick away but Baldwin ran it back to midfield where Morton took over. In just 8 plays Morton scored again with passes of 20 and 18 yards, Burns to Hill, garnering two important first downs. An off tackle 5 yard slice by Baldwin tallied and again Hill booted the point.

At the half Morton had garnered 148 yards and 7 first downs to Muleshoe's 72 yards and 4 first downs. They completed their domination with 3 completions in 6 pass attempts while holding the Mules to a single completion in 8 tries.

The second half was another story. The Mules roared 67 yards to a score as soon as they got possession of the ball. It became evident that Morton was playing defensive ball, intending to make their 14 points stand up as enough for a win. The Mules score was every bit as explosive as the first Morton tally. Roald Johnson earned it on a 43-yard dash that was almost a carbon copy of Lackey's earlier trip. Johnson was twice almost halted only to break loose. An attempted run for the point failed.

Morton roared back for what should have been an equalizing tally, but a great, determined, Mule goaline stand halted the Indians after four straight first downs had carried them to the Mules 6 yard line. A fourth down

end sweep by Lackey wound up a foot shy of a first down and the Mules took over.

It was late in the 4th quarter that the Mules gave Morton its most anxious moments. Taking the ball on their own 10 yard line with 5 minutes to play, the Mules rolled up 5 straight first downs completed 5 of 10 passes, and had the ball on the Morton 17 yard line when the game ended. With Ed Nickels throwing and Johnson, Chuck Mayhugh, Jim Prather and Benny Bickel on the receiving end, the Mules put forth a devastating passing attack. On each of the last 11 plays, Bickel took the ball for a pass. Nine times he got the pass away, twice he ran for 15 yards.

Elma Seaney, Sonny Dewbre and Maurice Lewallen took over when the game ended and fed the entire team steak dinners. Seaney furnished the steaks, Dewbre the drinks, and Lewallen the rest, including the labor. That provided a fitting climax to a glorious victory.

### Grader's 4th Quarter Score Defeats Sundown, 6 to 0

Capping a hard fought game with a fourth down, fourth quarter drive from the one foot line, Morton's 7th and 8th grade football team came up with their first victory in three tries over Sundown by a 6 to 0 margin.

The triumph stretched their victory skein to two straight and was accomplished through a hard fighting, determined, Roughneck team that had virtually every break of the game go against them.

The Indians and Roughnecks played on even terms during the first half garnering 4 first downs each. But as the second half began, penalties plagued the Sundown boys. A 3rd quarter punt put Morton back to its own 29 yard line but the next two plays pulled them out of the hole into scoring territory. Harvey Winder's 32-yard dash around right end put the ball on Sundown's 30 yard line. Two plays later Burleson plowed to the 19 for a 1st down as the 3rd quarter ended.

Winder picked up 5, Greer another 3, and then Harvey bulled to the 5 yard line for a first down and goal to go.

Phone 328 Littlefield

It was here that the Roughnecks put on a terrific goalline stand to hold Morton on the 1 yard line as the ball went over to them on downs. They punted and Morton fumbled on the 25. After holding Sundown, a blocked punt gave Morton the ball on the Roughneck 25 yard line. A pass moved the ball to the 16 yard line where the Roughnecks were guilty of piling on and put the ball on the 2 yard line caught a 15-yard penalty. That Mills fumbled on the first play but recovered on the 6. Greer lost

2 to the 8 yard line. Then the break of the game occurred. Sundown was penalized to the 1 yard line for offsides. It was second down and 2 to go for the score.

Winder drove to the 1 foot line. Burleson knifed to the 6 yard line. Then Harvey barely sneaked across by two inches for the games' only score.

Don Macon, Gerald Ramey and Clyde Lindsey shone for the graders in addition to the carriers, Winder, Burleson, Jerry Don Mills and Dick Greer.

From where I sit... by Joe Marsh

### You Can't Build A Better Mousetrap!

"They're not the best-looking boards a man ever had," Hack Turner said one day, "and they've got awful tempers. But I've found it pays to have 'em around."

Hack was talking about a family of barn owls, nesting in his silo this year. Some folks believe those little white-faced screechers kill chickens—and ought to be shot on sight. But Hack disagrees.

"Up at State University they've studied barn owls for years—and never known one to eat a chicken. On the other hand, a daddy owl will clean up around 300 mice a

month. Farmers that kill barn owls are throwing away the best mousetraps known to man!"

From where I sit, when someone shows a prejudice against any group of animals or humans—it's usually just based on misunderstanding. For instance, some folks are plumb intolerant about those of us who enjoy an occasional quiet glass of beer. Get to really know us and you're liable to find we're pretty good birds at that!

Joe Marsh

## Mrs. C. A. Baird Entertains Happy Hour Sewing Club

Mrs. C. A. Baird was hostess to the Happy Hour Sewing Club at her country home Thursday afternoon, October 19.

Attractive arrangements of roses, chrysanthemums and other fall flowers were used in decorating entertaining rooms.

An elaborate refreshment plate of individual chicken pie, congealed salad, hot rolls, devil's food cake and coffee was served by the hostess to the following guests: Mesdames R. E. Burns, J. S. Harrison, C. A. Moore, J. H. Andrews, J. B. Knox and these members: Mesdames Jesse Paulk, T. L. McAllister, Dona Doughty, L. A. Cochran, Virgil Riley, L. M. Baldwin, A. A. Fralin, H. B. Bedwell, Gage Knox and L. E. Hug-gins.

### LAMESANS VISIT HERE

Mr. and Mrs. Charles De Vore and daughters, Carolyn and Betty of Lamesa were week-end guests here in the home of her parents, sister and brother, Mr. and Mrs. Earl Brownlow, Bonnie and Clyde Brownlow.

## American Legion Auxiliary Meeting Held Thursday Night, October 19

American Legion Auxiliary met Thursday night, October 19 in Auxiliary room at Veterans Hall for regular business session.

Plans for a membership contest between Auxiliary and American Legion was outlined by Mrs. J. A. McBee, membership chairman. The contest started Friday October 20 and will terminate December first.

The side turning in most 1951 memberships by December first will be treated to an entertainment of their choice according to an agreement made by the two organizations.

Mrs. Bill Proctor, program chairman, announced that an orchestra had been secured for the November 10 dance. She also named committees for the event; they are Mrs. H. B. Barker, decorations, assisted by Mrs. Robert Cross and Mrs. John L. McGee. Refreshments will be in charge of Mrs. Jim Gast and Mrs. J. M. Waller.

No advance tickets will be sold, it was decided during the business session.

### New WAC Commission Program Forthcoming

For the first time since World War II women who have never been in uniform will be eligible for WAC Reserve commissions in the very near future, Major Helen K. Cooper, WAC Reserve advisor from Washington, announced today.

Details of the new program are not yet available. They will be released to the public upon publication of new regulations on Reserve officer procurement scheduled for November, Major Cooper said.

## Double Ring Wedding Ceremony Unites Miss Willis and Clifford Wall

Miss Martha Willis, daughter of Mr. and Mrs. Boyd Willis, and Clifford Wall were united in marriage in a double ring service performed by Rev. B. B. Huckaby of Littlefield, Saturday morning, October 14, at the home of the bride-groom's parents, Mr. and Mrs. O. C. Wall, Clovis, New Mexico.

The bride, given in marriage by her father, was attired in a rust brown suit with harmonizing accessories and a veiled halo hat. Her bridal corsage was a shoulder arrangement of pink sweetheart rosebuds.

Miss Peggy Lilljedahl, school mate of the bride, was maid of honor. She wore a palomina crepe with black accessories and a corsage of pink carnations. Ted Wood served as best man.

Traditional wedding music was furnished by Miss Connie Huckaby of Littlefield, pianist, and Mrs. Carlene Moore, vocalist, who sang, "Because," and "At the End of a Perfect Day."

A reception was held immediately following the ceremony with members of the wedding party assisting with hospitalities. The lace covered bride's table featured a center arrangement of

pastel mums and sweet peas. The white tiered cake was topped with a miniature bride and groom. Coffee and cake was served to guests from Ranchvale, St. Vrain, Clovis and Fort Sumner, New Mexico; Morton, Abilene and Littlefield, Texas.

## Mrs. J. St. Clair Entertains the 1936 Study Club

Mrs. James St. Clair was hostess to the 1936 Study Club, October 18, 1950 at 4:15 p.m. A refreshment plate was given each guest upon arrival.

Mrs. Scott Hawkins conducted a business meeting following which Mrs. M. C. Ledbetter was the leader of a forum discussion of three comedies by Aristophanes, Lysistrata, The Birds and The Clouds.

These plays were political and social satires in which Aristophanes satirized women in politics, the desire of some for learning that they might know how to escape their just debts and the age-old longing for an Utopia where death and taxes may be avoided.

The members of the forum were Mrs. Charles Cravy, Mrs. Hume Russell, Mrs. R. C. Strickland and Mrs. J. A. Gowdy. Other members present were: Mrs. Joe Gipson, Mrs. Scott Hawkins, Mrs. J. D. Hawthorne, Mrs. Gage Knox, Mrs. J. B. Knox, Mrs. Ermon Miller, Mrs. Lloyd Miller, Mrs. J. B. Nicewarner, Mrs. P. B. Ramby, Mrs. Neal Rose, Mrs. R. C. Ross and Mrs. Fred Stockdale.

## H. S. Hawkins Children Here Over Week-End

Children and grandchildren of Mr. and Mrs. H. S. Hawkins were here this week-end visiting with their parents who had just returned from Mayo Clinic in Rochester, Minnesota.

Rev. and Mrs. Burgin Watkins and son, Jimmy, of Lubbock were here Saturday evening but returned to their home that night.

The Ford and Scott Hawkins families also visited during the evening Saturday. Remaining over night and Sunday were Mr. and Mrs. E. E. Wright and son of Lamesa; Mr. and Mrs. Jim Warden and Grace Ann Hawkins, and Bill Bridge all of Lubbock.

### NEW CLERK AT MINNIES

Mrs. Earl Brownlow is the new clerk at Minnie's Shop. She replaces Mrs. Elsie Gates who has returned to her home in Gorman, Texas.

FORREST WEIMHOLD, of Levelland, visited in Morton last Friday.

## Roy Dean Seaney Member of ENMU Honorary Group

Thirteen Eastern New Mexico University juniors and seniors have received membership in Pioneer-Cacique, campus honorary service organization. Selection is based on leadership, contributions to the University, scholarship, and character.

New members of the Pioneer—the women's group—are Jimmie Fern Fenn, Clovis; Betty June Langley, Tucumcari; Sue Warren, Floyd; Joyce Creamer, Portales; Loleet Speegle, Portales; and Helen Shipp, Rogers.

Cacique—the men's organization—selected Wayne Calhoun, Mattoon, Ill.; Charlie Painter, Roswell; Rex Ormon, Borger, Texas; Harry Appton, Clovis; Roy Dean Seaney, Morton, Texas; Mickey McGuire, Hope; and Ross Lowry, Shamrock, Texas.

Roy Dean, a ministerial student, is the son of Mr. and Mrs. Elma Seaney.

## MRS. MORROW ATTENDED NEW MEXICO GARDEN CLUB CONVENTION

Mrs. Albert Morrow attended a state meeting of New Mexico Garden Clubs in Roswell last week. This is a new organization as New Mexico Garden Clubs were until recently affiliated with Texas Garden Clubs, Inc.

Mrs. Morrow, councilor of District 1 Garden Clubs, has been instrumental in the organization of the New Mexico State organization.

## KIDS HAVE RAINY DAYS TOO! JUVENILE SAVINGS PLAN

Our kiddies cannot provide for themselves until they grow almost to maturity. Why not provide them with a rainy day fund—for college, or to start a business of their own. This plan helps teach children—and parents alike—the value of saving. Plans for any budget. Talk this over with...

### DON'T BE DISCOURAGED

The idea of higher taxes and restrictions because of the war should not be distasteful to those who remain at home while others have to go to battle. Equitable division of the load will only come about when the sacrifices of those who remain at home equal the sacrifices of those in the armed forces. Democracy means that we all share alike. It means that those who remain at home measure up in efforts, sacrifice and giving to those who don their country's uniform, shoulder a rifle, and march away to foreign battle fields to fight in mud and filth, to preserve a theory of government that we call democracy. — Foard County News.

### LET FOLKS KNOW YOU'RE STILL IN BUSINESS

Consistent advertising each week, backed up by good merchandise and modern merchandising methods and intelligent buying, constitute the simple formula upon which nine-tenths of mercantile successes of the country are built.

The small town dollars that go to the city get lost and never find their way back home. The dollar we spend at home stays at home and circulates in the community, buying food and clothing.—Foard County News.

### SOLICITORS REQUIRED TO CLEAR THROUGH C. of C.

The local Chamber of Commerce is now requiring all salesmen and persons soliciting donations to clear through the chamber headquarters before approaching merchants.

The action was requested by a large number of business men. Posters have been placed in each business house in town to inform solicitors that only those who have satisfied the chamber manager as to the value of their requests will be given hearings by merchants.

"Adherence to such a policy," said Ivan Sebastian, manager, "will enable us to weed out the phonies and save the business man time. A card is given to those solicitors whose project is worthwhile.—Williamson County Sun.

### FRED STOCKDALE

Lawyer

Morton, Texas

### REMINISCING

When I sit back and think of the good old days when Hoover was President and there were hunger strikes, the good old days when the banks closed, and almost did not open again, the good old days when every freight train was loaded with bums, it is mighty hard for me to get to feeling too badly about today when everybody is employed, when the Unions can afford to strike time after time for higher wages, and when manufacturers can raise prices time after time and not lose business.

I know folks who have recently paid \$3,000 for medium size vacant lots in Slaton, who could not and would not have given \$200 for the same lot eight years ago. They are the guys who are howling the loudest. I'll go along and worry with you folks about it all, but please, please, don't let have any more times like the good old days. I like to see money in the till and to have a little jingle in my pocket that does not have a hole in it.—A. M. J.—Slaton Slatonite.

### NEW FAIR BUILDING TO BE DISCUSSED

A new industrial and home-making exhibit building for the Hockley County fairground will be the topic for discussion Monday morning at 9 o'clock when the Commissioners' court and directors of the Hockley County Fair association meet in the county courtroom.

All directors of the association have been urged to attend the call meeting.—Sun-News, Levelland.

### COMMITTEES TO MAP PLANS FOR XMAS SEASON

Two committees representing the Chamber of Commerce and the Jaycees will hold a joint meeting Mon. morning at Hays Coffee shop to map plans for observance of the Christmas season in Littlefield.

The committee representing the senior chamber is composed of Frank Anzeline, chairman, Clarence Lewis, Bill Smith and Vernon Hofack.

Members of the Jaycee committee are Ernest Connell, chairman, Fritz Diersing, Billy Holder and Jud Walker. Dr. B. W. Armistead, Chamber of Commerce president, and "Skipper" Smith, president of the Jaycees, will meet with the committees.—County Wide News, Littlefield.

Adding Machine Paper at the Tribune Office Supply Dept.

## Whiteface P.T.A. Meeting Feature Men's Acts

Feature of the meeting of the Whiteface P.T.A. Monday night, Oct. 23, was a program presented by the men of the organization. The meeting was opened by Mrs. A. N. Wall, president, and during the brief business meeting it was decided that Mrs. Wall and Mrs. Charles Coffman, vice-president, would attend the state meeting in Mineral Wells next month.

A short one-act play, representing the customers and interior of a ladies' clothing store, began the entertainment part of the program. The "ladies" were Mr. A. N. Wall, Mr. Edwin Stokes, Mr. Bob Ford, Mr. E. L. Patterson, and Mr. Sam Rankin. Next came a reading and several guitar numbers. Mrs. G. C. Keith announced United Nations Day for October 24 and gave a history of that organization. Mr. A. N. Wall was leader of the entire program.

The group adjourned in order to visit the newly completed Agriculture department of the school. Hosts were Dean Reynolds, president, and thirty-six members of the F.F.A. chapter. Mr. E. N. Higgins is faculty sponsor of the group. Coffee and doughnuts were served to approximately 120 members of the P.T.A. who were present.

## Quarterback Club Views Films of Morton-Slaton Tilt

Slaton head coach, Tony Poulos was the toast of the Morton Quarterback Club this week as he appeared at the local high school gymnasium Monday night to show films of the Morton-Slaton game held two weeks ago. Fresh from a Friday night battle with Littlefield in which Poulos' charges almost pulled the upset of the week, the coach made an impressive speech on how he prepared for a game.

Poulos told Quarterback members that he studies the films of a team many, many times before he completes his study and decides just what type of defense is designed to stop their offense. He gave all the credit of stopping Littlefield's famed fullback, Gene Renfro, to the studying of last year's films on the Littlefield style of offense.

Quarterback club members enjoyed thoroughly the films of the Slaton-Morton game which was hard fought all the way. They also saw films of the 1949 Morton-Muleshoe game and the 1949 Morton-Sudan battle.

## Lions International President Herbert Petry Scheduled For Lubbock Visit

The Lions Club of Lubbock, largest in the nation and fourth in size in Lions International, is preparing for the October 26 visit of the Lions International President, Herbert C. Petry Jr., of Carrizo Springs, Texas. The regular Tuesday luncheon meeting of the club has been changed to Thursday, October 26, in order to conform to Mr. Petry's busy schedule.

In connection with his visit to Lubbock and Lions International District 2T-1 of the Panhandle and South Plains, Mr. Petry will speak Thursday evening at the Silver Anniversary Banquet of the South Plains Council of the Boy Scouts of America. This event will be held in the First Christian Church of Lubbock. More than one-third of the 80 Lions clubs in District 2T-1 now sponsor Boy Scout troops and Cub Scout packs.

Dr. Marshall Harvey of Lubbock, Governor of District 2T-1, who has headed the arrangements for Mr. Petry's visit, states that this will probably be the only visit of the International President to the district during his term of office. Extensive commitments clear around the world must be met by Mr. Petry during his year as International President.

In view of the significance of this visit from the International President, and because he is a Texan, a large crowd of Lions and guests are expected at the Hilton Hotel, at noon on Thursday, October 26, for this occasion. The 80 Lions club presidents of

District 2T-1 have been invited to attend, along with the presidents of local civic clubs.

Born in Carrizo Springs, Texas, President Petry is a graduate of Westmoreland College of San Antonio, and the University of Texas at Austin, where he received his Law degree. He is a member of the Delta Theta Phi Law Fraternity, and is now a successful businessman and attorney, having his own law firm of Petry and Dean. He is President of the Dimmit County Bar Association and is a member of the State Bar Association of Texas and the American Bar Association. He is a Director of the Union State Bank of Carrizo Springs.

Recognized as one of the most fluent and dynamic speakers in the Association, President Petry is in constant demand as a speaker. His forensic ability, ready wit, combined with an excellent vocabulary and resourceful, yet most pleasant delivery of speech, an assiduous reader and student of world affairs, having travelled extensively and possessing an extraordinary background of enthusiasm and effective service to the principles of Lions International, is uniquely qualified to serve as the highest office of the world's largest and most active service club organization.

CARROLL SMYERS of Veterans Administration, Lubbock, was visitor in Morton Wednesday.
