Farm Tour Thursday

COTTON VARIETY demonstrations will be among the eight stops that will be made to observe crop demonstrations throughout the county during the annual Mitchell County Farm Tour beginning at 9 a.m. Thursday. Top picture shows some of the cotton in the county. In bottom picture, Whit Holman, Rob Holman and County Agent Bob Benson are pictured discussing crop potential for 1976. See related photos, Page 7.

Break-In At Local Grocery

Colorado City policemen are theorizing that two people broke into Keathley Grocery on South Concho Street in the city sometime in the night last Saturday, August 14.

A rear window of the store was broken and there were pry marks around the frame but another window on the front side of the store was carefully removed, leading police to think that stolen items were handed out through the removed pane.

Items valued at \$109.35 were taken in the break-in, including the following:

- Five boxes of headache tablets, \$6.95.
 - Eight full cartons and 10 assorted packages of cigarettes valued at \$46.
 - 10 cans of baking powder, 1 1/2 lbs. each, \$10.
 - 10 lbs. hamburger, \$10.
 - 10 packages of bacon, \$15.
 - Five lbs. cheese, \$9.45.
 - Five lbs. lunch meat, \$11.95.
 - Total value, \$109.35.
- Investigation in the case is continuing.

Class Starts Monday

Faculties Complete In Three School Systems

All schools in Mitchell County will hold the first day of classes Monday as Colorado City, Loraine and Westbrook students return to school.

Teachers began in-service training last week and late registrations were held for those students who did not pre-register in the spring.

High school students in Colorado City, Loraine and Westbrook will pick up their schedules the first day of classes Monday. General assemblies for the high school students will be held in all the schools and in Westbrook, will include all the students of the school. Parents are also invited to attend the Westbrook assembly in the new auditorium.

Loraine high school students are asked to assemble in the cafeteria when the first bell rings, bringing along their schedules.

Colorado High School students will pick up their schedules when the first bell rings.

Elementary and junior

high students registered last week in Colorado City, receiving their class assignments then.

The first day of classes will also be the first day of bus runs and cafeteria service.

Faculties for all the schools are complete.

Wolves Win Scrimmage

Colorado City's Wolves varsity scored impressive wins in controlled scrimmages here Friday night against the Hamlin Pied Pipers, the No.

3 ranked team in state A football.

The Wolves varsity, ranked in the top 10 in AA football, took the ball on their first possession and marched 70 yards in nine plays to score with Quarterback Ray Torrez going the final five steps for the score.

It was the only score of the night although the Wolves did mount several other drives to get within the Hamlin 30 yardline.

Hamlin never did get close to the Wolves goal line, never even getting inside the Wolves 30.

The Wolves Junior Varsity scored four touchdowns to none for the Hamlin JV.

In the varsity scrimmage, the Wolves amassed 14 first downs to 12 for Hamlin. The Wolves lost four fumbles while Hamlin lost only one. Hamlin intercepted two Wolf passes and Colorado City intercepted one opponent's pass.

The Wolves suffered only one serious injury with sophomore running back Gary Hulme hurting a knee. The extent of the injury was not immediately known as

See WOLVES, Page 7

The Mitchell County Farm Tour gets underway with a coffee and doughnut hour at the Civic Center Thursday morning and then those attending will take a bus tour to see the county's crops this year.

From 8:30 to 9 a.m., the Chamber of Commerce will serve coffee and doughnuts at the Civic Center and then the busses will depart at 9 o'clock as the tour includes the following:

-8-Variety cotton demonstration on the Pete Hester farm.

-8-Variety cotton demonstration and 9-Variety grain sorghum and greenbug resistant demonstration on the Curtis and Don Latimer farm.

-8-Variety cotton demonstration on the Wayne Oliver farm.

-Watermelon break at Custom Ag in Loraine, watermelons furnished by Travis Turner.

College Extension Registration

Registration will be held Tuesday night for classes to be offered in the Colorado City extension campus of Western Texas College during the fall semester.

Students will register in the Colorado Middle School between 6:30-8 p.m., and textbooks are to be available at that time.

WTC personnel will be in the extension center only on Tuesday night and students who cannot register at that time will be required to register on the WTC campus in Snyder.

Jerry Reynolds is coordinator of the Colorado City extension campus and persons who need additional information about classes and schedules may contact him or the office of Dr. Duane Hood, Dean of Student Services and Registrar, at WTC.

Classes will begin Sept. 1.

Officers Elected

In a meeting Thursday of persons interested in the operation of Colorado City Little League for 1977, new officers were elected with Larry Blasingame named to head the slate as president. Buddy Marcom was named vice president; Steve Smith, secretary-treasurer; Leon Light, player agent; and Carol Dakan, equipment manager.

Blasingame said that managers are needed for four Farm League teams for 1977 and anyone interested should contact him or any of the other officers.

Watch Recovered

Shortly after noon last Monday, Larry Blasingame of Western Auto phoned the police dispatcher to report the theft of an \$85 ladies' digital wrist watch from the store by three juveniles from Loraine.

The phone call was reported at 12:21 p.m. and by 12:43 p.m., Loraine-based Sheriff's Deputy Mike Stutts had recovered the watch.

Colorado City Police Chief Jesse Browning and city patrolman Jerry Register aided in the recovery by relaying the message to Stutts.

-Tour of the Custom Ag Research Farm to see 3,000 new progeny plants and okra leaf cotton.

-13-Variety cotton demonstration on the Billy Cornutt farm.

Council Sets Workshop Agenda

The City Council of Colorado City will hold the monthly workshop session at 7 p.m. Tuesday with a short agenda set for the meeting.

Included on the agenda is a closed executive session for discussion of personnel.

Other matters on the agenda include discussion of a lease agreement with West Texas Microwave Co., operator of the cable TV system here; consider estimate of about \$5,000 for a drainage ditch between Marshall and 12th Streets; adopt policy for bank account overdrafts; approve payment of late bills and hear a progress report on street improvements.

The council will also discuss a sidewalk obstruction ordinance.

-14-Variety grain sorghum and greenbug resistant demonstration and 7-Variety cotton demonstration on the Rob and Whit Holman farm.

-Lunch at the Civic Center to be followed by a film by Cotton, Incorporated.

The barbeque luncheon tickets are still available from the Chamber of Commerce for \$2.75 each and deadline to purchase tickets is noon Wednesday.

As those attending the luncheon turn in their tickets, they may write their estimates of the county's cotton bale production on the back. Following the ginning season when all records

Exhibit To Open

A two-week exhibit of paintings and drawings by Mrs. Charlotte Northcutt will be shown in the Hesperian Room of Mitchell County Library starting Monday through Sept. 4.

Mrs. Northcutt will exhibit works in oils, watercolor, pastels, pen and ink, and pencil.

are complete, the person whose estimate is closest to the county's actual bale count will receive a gift certificate from a local store, sponsored by the Chamber of Commerce.

As in the past, the tour has been planned by the Mitchell County Rural Development Committee which includes the following:

-Bob Benson, county extension agent.

-Don Stewart, executive director of the Agriculture Stabilization and Conservation Service.

-Van Mills, district conservationist with the Soil Conservation Service.

-David Marion, county supervisor for the Farmers Home Administration.

-Mitchell Soil and Water Conservation District.

-Crops Subcommittee of the Program Building Committee.

-Agriculture Committee of the Chamber of Commerce, Woody Anderson, chairman.

Special thanks go to Travis Turner for the watermelons and also to the Colorado Independent School District for supplying busses for the tour.

WAITING TO GREET you when Penny Lane, 273 Walnut, Colorado City's newest restaurant, opens at 10 a.m. Monday will be front row left to right, Brenda Hackney, Karen Benson and Annette Smith and back row left to right, Bruce Hackney, "Skeet" Smith and Allen Smith. The Smith brothers point out that Penny Lane will provide family dining at modest prices. It will be open 7 days a week, 10 a.m. to 9 p.m.

Opening Monday

Penny Lane Offers Varied Menu

Penny Lane, a new downtown Colorado City Restaurant featuring seafood, chicken and chicken-fried steaks at 273 Walnut, will open at 10 a.m. Monday.

The new restaurant will be open 7 days a week from 10 a.m. to 9 p.m. and is located in the former Silver Horseshoe location.

Owners and operators of Penny Lane are two young Colorado City natives, "Skeet" and Allen Smith.

The Smith brothers have said that although food preparation will be quick, much like you find in the fast food service chain operations, they do not wish to be classified as a fast-food restaurant.

"We will have a special interest in families, especially children, and will serve food at a price where dad can treat the family without having to spend a whole day's paycheck," the brothers said.

"Convenient carry-out orders will be of a prime concern, also."

"Skeet" and Allen, whose parents, Mr. and Mrs. Lloyd Smith, farm and ranch near Cuthbert, said that they are glad to be back home and are looking forward to renewing old friendships and making many new friends while offering some new and innovative ideas in family dining in the Mitchell County area.

"Skeet" left Colorado City in 1966 and entered the food service industry in Breckenridge and at age 18 became a manager in the Sambo's Restaurant chain. This was a "first" for Sambo's as no one is even considered for management training until age 23.

Later "Skeet" joined another concern and began to improve on recipes that will be used at Penny Lane.

"Skeet" has 10 years of food service experience.

Allen also left Colorado City in 1966. After attending Tarleton State University in Stephenville, where he played football, Allen spent the next five years in food service in Brownwood, gaining experience for entering into this venture with his brother.

Bruce Hackney has moved here from Brownwood to take part in the enterprise. Bruce has been in the business since he was in the 8th grade some 14 years ago. Bruce is also an artist, and some of his artwork will be used as decoration at Penny Lane.

Almost a family venture, Karen Benson and Annette Smith will join their brothers as Penny Lane waitresses as will Mrs. Hackney. All have at least 5 years experience.

WOLF BAND officers look over a check for \$711.60 they received Thursday from Colorado City Record Publisher Mac McKinnon for subscription sales during the 16th annual band drive to sell the subscriptions Monday, Tuesday and Wednesday. In all the band and its members earned a total of \$978.60 during the drive, one of the highest earnings ever in the history of the band drive. Pictured looking at the check are, left to right, Secretary-Treasurer Joni Holder, President Dennis Ledbetter, Vice President Kathy Crockett and Reporter Camille Curlee.

Valerie Jane Bullock, Douglas Lefforge Wed August 13

Miss Valerie Jane Bullock became the bride of Douglas Warren Lefforge in a candle-light ceremony Friday, August 13, in the Immanuel Baptist Church of Duncan.

Dr. Gene Petty, pastor of the church, performed the 7:30 p.m. ceremony.

Parents of the bride are Mr. and Mrs. John W. Bullock of Duncan and the groom's parents are Mr. and Mrs. Don Lefforge of Kansas City, Missouri.

The bride is also the granddaughter of Mrs. Arthur Kelley and Mrs. Sam Bullock, both of Colorado City.

Arrangements of light blue and royal blue carnations and white roses, entwined with boxwood greenery, completed the setting.

The bride, given in marriage by her father, wore a long gown of antique satin styled with a V-neckline, long tapered sleeves and a softly gathered skirt.

Music for the double ring ceremony was provided by Mrs. Allen Smith of Oklahoma City, pianist; Miss Linda Donnell of Midwest City, flutist, and the father of the bride, vocalist.

The church altar was decorated with two seven branch candelabra holding blue and white tapers.

Chantilly lace accented the gown bodice and formed a band around the skirt. Matching lace covered the fitted cap which held her veil of bridal illusion.

She carried a cascading bouquet of royal blue and light blue carnations center-

ed with white roses and tied with royal blue ribbon streamers. She presented each mother with a red rose as she entered and left the altar area.

Mrs. Dwight Hall of Stillwater, sister of the bride, was matron of honor and wore a formal gown of blue and white flowered voile fashioned with a ruffled jacket. She carried a cascading bouquet of light blue carnations tied with royal blue streamers.

David Bullock of Duncan, brother of the bride and Scott Lefforge of Kansas City, brother of the groom served as candlelighters.

Best man was Danny Carlson of Kansas City, Mo. Ushers were Dwight Hall of Stillwater, brother-in-law of the bride, and Steve Lefforge of Edmond, brother of the groom.

ARE YOU MOVING?

SEND US YOUR CHANGE OF ADDRESS SO WE CAN KEEP YOUR RECORD COMING TO YOU CALL 728-3413

The reception was held in the Immanuel Baptist Church parlor following the ceremony. Reception assistants were Miss Laurie Coffman and Miss Rita Brawdy, both of Duncan.

The bride's table was covered with a white lace-trimmed cloth and held a blue and white floral arrangement, crystal punch bowl and a three-tiered wedding cake trimmed with white doves.

The couple will make their home in Edmond.

Out of town guests were Mrs. Arthur Kelley and Mrs. Sam Bullock of Colorado City, grandmothers of the bride; Mr. and Mrs. C. H. Cunningham of Midland, aunt and uncle of the bride and their son, Craig; Mrs. Floyd Leach of Roscoe, aunt of the bride; Mrs. Lawrence Ruddick of Eldorado, Kansas, cousin of the bride; Mr. and Mrs. Don Lefforge of Kansas City, Mo., parents of the groom; Scott Lefforge, also of Kansas City, brother of the groom; and Mr. and Mrs. Hughes, also of Kansas City, aunt and uncle of the groom.

Robertson Family Reunion Held

The children of Mr. and Mrs. L. D. Robertson met for a family reunion Sunday,

August 8 in the Community Center on Oak St.

Present were their child-

ren: Mr. and Mrs. P. H. Pace of Colorado City; Mr. and Mrs. J. P. Robertson of Banning, Calif.; Mr. and Mrs. J. W. Adams of Lake Jackson; Mrs. Ovella McAdams of Midland; Mr. and Mrs. Lester Singleton of Grand Prairie; Mr. and Mrs. L. D. Robertson of Andrews; Claud Robertson of Big Spring; Mr. and Mrs. Roland Dossey of Colorado City and Mr. and Mrs. Buddy Robertson of Big Spring.

Grandchildren attending the reunion were Mr. and Mrs. Norman Morris and Norma Gale of Albuquerque, N.M.; Mr. and Mrs. Jeral Nowell, Scott and Anthony of Midland; Bonnie Robertson of Levelland; Tommy Robertson, Gregg and Stephen of Plano; Mr. and Mrs. Danny Dossey and Rolanda of Odessa; Mr. and Mrs. Jerry Dossey of Colorado City; Mr. and Mrs.ayne Garrett of Colorado City; and Mr. and Mrs. Ronnie Dossey of Colorado City.

Visitors were Mr. and Mrs. Frank Robertson of Colorado City, Mrs. Lizzie Lewis of Colorado City and Mr. and Mrs. Wilford Morris of Cuba, N.M.

Lake Buchanan Was Site Of Gibson Family Reunion Aug. 9-15

Fifty-eight relatives and fourteen visitors attended the annual Gibson family reunion at Lake Buchanan Aug. 9-15. Nine of the eleven brothers and sisters of the late residents of Mitchell County, Mr. and Mrs. F. P. Gibson were present.

Attending from Colorado City were Mr. and Mrs. J. D. Gibson and John Lyndall; Mr. and Mrs. Ken Deatherage and children of Abilene; Mrs. Coy Wooddell of Bronte; James Wooddell of Loraine; Mr. and Mrs. Alton

Liles and daughter of Bronte; Mrs. Tommy Weaver and daughter, and Mr. and Mrs. Dale Wooddell and children of Houston.

Also joining in the festivities were Mr. and Mrs. Worth Gibson of Lamesa; Mr. and Mrs. Morris Gibson of Arlington; Mrs. R. V. Martin, Mr. and Mrs. James Dunn and children of Roscoe; Winford Martin of Snyder; Mr. and Mrs. Martin Gibson of Ackerly; Donald Lee Gibson and children of Lamesa; Mr. and Mrs. Tommy French and children of Corpus Christi and Mr. and Mrs. C. T. Gibson of Houston.

Also attending from Houston were Mr. and Mrs. Morris Gibson; Mr. and Mrs. Gary Stanelee and daughter of Houston. Also in attendance were Mr. and Mrs. Smith Jones, Mrs. Harold Arpe and daughter of Sweetwater; Mr. and Mrs. John Brausell and children of Roscoe; Mr. and Mrs. Frank Gibson; Mr. and Mrs. Gary Lynn Gibson of Big Spring.

Visitors included Yvette Huber of Abilene; Glenda and Emma Nell Liles of Houston; Mr. and Mrs. Jack Weaver of Houston; Karen

Bell of Big Spring; Mr. and Mrs. J. C. Brasuell of Roscoe; Mr. and Mrs. Biel Bolin of Ackerly; Mr. and Mrs. Leo Batson of Burnet.

The group began arriving on Monday, Aug. 9. They participated in recreation of all types, fishing, boating, skiing, dominoes, volleyball, covered dish meals, taking pictures, singing and visiting from early morning till late at night.

All reported a wonderful time but wished for cooler weather. Dale Wooddell and Winford Martin will be co-chairmen for the reunion which is planned for the second weekend in August of 1977 at Lake Buchanan.

Youth To Attend Rally

The young people of the College and Dallas Church of Christ will be going to the Teenage Christian Conference in Denver City Saturday, Aug. 28.

They will be leaving Colorado City at 8:45 a.m. on the Joy Bus and will pick up the young people at the Coahoma Church who plan to go.

In past years there have been from 1,800 to 2,400 young people at this rally. The evening meal will be furnished by the host church.

The local young people will be returning to Colorado City about 9:30 or 10 p.m. that same evening. Those interested in attending this Youth Rally are invited to ride the Joy Bus and meet at the College & Dallas Church of Christ at the mentioned time. Bring a sack lunch.

"ARE YOUR PRAYERS COMING THROUGH?"

Reverend Fred Witta Jr.

Pastor,

First United Methodist Church,
Loraine

An article authored by a priest which appeared in a local paper contained the following statement: "If Heaven had a complaint department the busiest window would be 'The Unanswered Prayer Window.'"

As I reflected on this article I began to see the truth in this statement since many times words uttered in the name of prayer are not really prayers in the true sense of praying. Prayer is mankind's method of communicating with God and many times words uttered as prayers just do not reach God for just as the telephone is certainly not the total of a communicating network, spoken words are not the total of prayer.

Like the thousands of people who have no knowledge of the technology required for one to be able to dial a number and speak to that person, there are thousands who have no knowledge of what constitutes meaningful prayer. We know from experience that when the telephone system is not functioning properly no matter how many times we dial no contact is made. You just sit there with an unresponsive telephone in your hand. This is also true of prayer, for when you are not functioning properly, contact with God through prayer is missing and you just do not communicate. It was in this context that a noted theologian wrote: "We must alter our lives in order to alter our hearts for it is impossible to live one way and pray another."

Saint Augustine, many many years ago, also gave advice as to why many prayers received no attention from God. He said, "Some of us ask for the wrong thing, some ask in the wrong way, and some while kneeling on the very ground of wrong doing attempt prayer." Jesus, as he walked this earth also had a few words to say to us concerning prayer: "And when you pray, you must not be like the hypocrites. They love to stand and pray in the synagogues and at street corners that they may be seen by men. Truly I say to you, they have their reward. And in prayer do not keep up empty phrases as the Gentiles do; for they think that they will be heard for their many words."

Now nobody would pray for what is downright sinful, but often one's faith is so thin he just annoys God as he repeatedly asks for trifles, the small change in temporal things while hardly ever asking for that great goal of grace and salvation itself.

Picture if you will, a woman who has long ago passed the stage of pleasingly plump uttering a petulant prayer that God would rid her of her excess weight while she munched her 5th éclair. The high school student blowing the thick dust off his chemistry book while saying a panicky prayer beseeching the Lord to some how see him through, with flying colors, his chemistry test.

It is perfectly proper to pray for God's help in our particular needs but it is good for us to remember that God is not a super-clerk at a soda fountain with all kinds of labeled taps and levers. One marked jobs-another exams-another boyfriend-another health that he moves or pushes each time our order, disguised as prayer, is voiced.

You see it is far better that our prayers be, not so much for the exception or exemptions to the general rule, but rather for strength to bear the ordeal of things as God established them. The overweight should pray for strength to maintain a proper diet that will in the natural laws of our world being about a weight loss. Those who fail exams should pray for strength to put aside other things, to reserve ample study time and in the natural laws of our world, one who studies passes exams.

It is common knowledge that prayers are answered, and we thank God for that, but we must also remember that all petitions are not prayers. Apostle Paul wrote, "Rejoice in the Lord always, again I say rejoice. Let all men know your forbearance. The Lord is at Home. Have no anxiety about anything but in everything by prayer and supplication with thanksgiving let your request be made known to God. Amen."

Revival Begins At Oak St. Today

The Oak St. Baptist Church Revival begins today (Sunday), Aug. 22 with the Rev. Van Gauthe of Italy, Tex. as evangelist and Danny Meeker of Gordon, Tex. as choir director.

Van Gauthe is pastor of

the Central Baptist Church in Italy and Meeker is the leader of the Meeker Family Singers who will be performing Saturday evening, Aug. 28 and again Sunday morning Aug. 29 during revival services.

Place Your Classified Ad In The Record.

Exam To Be Given

The Graduate Record Examination (GRE) will be offered on the Western Texas College campus in Snyder on October 16.

A minimum of 10 students must register by September 1 in order to have the examination administered at WTC.

Services will begin at 7:30 p.m. each evening with noon services and a meal Monday through Friday.

Rev. Wayne Oglesby is pastor of the church and has extended a special invitation to the community to attend these revival services.

GENERAL REVENUE SHARING

ACTUAL USE REPORT

⑥

GENERAL REVENUE SHARING PROVIDES FEDERAL FUNDS DIRECTLY TO LOCAL AND STATE GOVERNMENTS. YOUR GOVERNMENT MUST PUBLISH THIS REPORT ADVISING YOU HOW THESE FUNDS HAVE BEEN USED OR OBLIGATED DURING THE YEAR FROM JULY 1, 1975, THRU JUNE 30, 1976. Mrs. Gary Smith
...the former Miss Jean Ann Gray

Couple Repeat Vows In Wedding Ceremony

Jean Ann Gray became the bride of Gary Lynn Smith at 7 p.m. August 21, in the First Baptist Church. The Rev. Tommy Culwell of Abilene officiated at the double ring ceremony.

Parents of the bride are Mr. and Mrs. Carroll D. Gray of Colorado City. Parents of the groom are Mr. and Mrs. William N. Smith of Dallas.

The bride, escorted by her father, wore a white polyester gown accented with summer white Cluney lace. The gown featured an old fashioned high neckline dotted with seed pearls, empire waist, and full bishop sleeves with wide ruffled cuffs. The bouffant A-line skirt fell into a chapel train. The skirt was enhanced with seed pearls and appliques of Cluney lace forming an apron effect down the front into rows of lace around the hemline.

The matching full-length veil was of silky illusion net with Juliet cap, dotted with seed pearls.

For something old, the bride wore her baby ring and carried a lace handkerchief which belonged to the groom's great grandmother. For something borrowed, she wore pearls worn by her mother in her wedding. Something new was her dress. Her blue garter was made by Mrs. Wayne Shawn.

Wedding music was provided by Mrs. James Payne, organist, and Miss Allison Welch, pianist, who played music of Bach and Beethoven, including "Für Elise," "Clair De Lune" and "Jesu, Joy of Man's Desiring."

The church was decorated with an oval arch covered with greenery and carnations, flanked on both sides by fifteen and seven branch candelabra entwined with English Ivy, pink and orchid carnations.

Hurricane globes decorated the railing with trailing English Ivy. Ivy and bows decorated the parents' pews.

Mrs. Keith Parker served as matron of honor. Bridesmaids were Connie Spann, Christie Allen and Patty Goodlett, all of Colorado City. The attendants wore floor length dresses of pink and orchid daron and cotton flocked with white flowers, featuring round necklines and short puff sleeves, accented by long sashes. Their hair was adorned

with babies breath. They carried bouquets of carnations, babies breath, and cascading English Ivy.

The bride's bouquet was of pink roses, carnations, babies breath, and English Ivy.

Tracy Winn served as flower girl and Jennifer Smith, niece of the groom, served as ring bearer. They wore identical gowns to the matron of honor, and wore halos of babies breath.

Charles Price of Midland served as best man. Groomsmen were Scott Smith of Boston, brother of the bride, and Steve Gilbert, the groomsmen also served as ushers along with Andy Chalker.

The wedding reception was held in the Fellowship Hall of the church. A three-tiered wedding cake decorated with doves adorned the table. Flowers and silver and crystal appointments completed the table setting.

The groom's table featured fruits and cheeses. A centerpiece of carnations and a large candle highlighted the table which was covered with an orchid denim cloth.

Mrs. Phillip Brannon of Levelland registered guests at the registry table decorated with a memory candle in a centerpiece of greenery and accented by two tapers. The memory candle was lit by the bride and groom during the reception.

Others in the houseparty included Sharon Prince of Snyder, Sheila Hardee, Cathy Leach of Conroe, Mrs. Scott Smith of Boston and Mrs. Steve Gilbert.

For traveling, the bride wore an apricot pantsuit with a print blouse. Following a short wedding trip, the couple will live in Colorado City.

The bride, a 1975 graduate of Colorado High School, is a sophomore at Western Texas College in Snyder.

The groom, a 1974 graduate of Oklahoma State University, is employed by Sun Oil Co. as a Production Engineer.

A rehearsal dinner was given Friday evening by the parents of the groom at the Holiday Inn in Sweetwater.

Out of town guests were from Odessa, Crane, Dallas, Richardson, Conroe, Weatherford, Snyder, Levelland and Boston, Massachusetts.

Methodist Circles Have Salad Supper Aug. 16

A salad supper was sponsored by the United Methodist Women for all the women of the First United Methodist Church on Monday night, August 16, 7:30 in the back yard of the home of Rev. and Mrs. Bob Ford, 1516 Austin Street.

Rev. Ford gave the invocation for the alfresco meal which was enjoyed by an estimated 60 members and guests.

Mrs. Ford and Mrs. L. B. Elliott, President of the United Methodist Women, welcomed the group. Mrs. Elliott stated that the United Methodist Women was made up of three circles, each meeting once each month: The Faith Circle which met in the morning, the Agape Circle which met at night and the Rose Circle which was a new group of younger women, who also met at night. Each quarter the three circles met as one unit for programs and business. "There is a place and need for every woman of the church in one of these circles," Mrs. Elliott said.

Mrs. Bob Ratliff, Mission Coordinator for Christian Global Concerns, introduced Nelda Garrett, Treasurer of the Big Spring District United Methodist Women, who gave a report on the three

day "School of Christian Missions" held July 28-29-30 at McMurry College, Abilene.

Miss Garrett told of the daily program throughout the school, with special sessions for Training of Leadership for officers of the units, and for Program Building. Each person attending had four two-hour classes in two selected studies, those she attended were: "Disciples of the Way," a study of the Book of Mark on Discipleship; and "People and Systems," a study of the United States, China, Tanzania, and Cuba, making a comparison of the countries in areas of Education, Health Care, Religion, Work and the Role of Women.

Literature for the studies and program resources for 1977 were displayed.

There had been attendance of about 150, with six teachers from four states for the studies, it had been an inspirational, educational and worthwhile school. Miss Garrett, concluded, urging others to attend next year.

Benediction for the UMW meeting was given by Rev. John Thornton.

Preview Of Mitchell County Farm Tour

Will Leave From The Civic Center Thursday at 9 a.m.

COUNTY EXTENSION Agent Bob Benson, left and County Entomologist David Kattes, right, discuss Farm Tour agenda for Thursday's Farm Tour with second left to right, County Judge Bill Carter and County Commissioners Mark Vest, Paul Hunter, Johnny Shackelford and Robert Bruce. Agriculture Crop Demonstrations are conducted by the Texas Agricultural Extension Service in cooperation with the County Commissioners

BOB BENSON, Pete Hester, Ricky Hester and David Kattes, left to right, are pictured with an 8-variety cotton demonstration at stop one on the farm tour.

LOOKING at a 9-variety grain sorghum and greenbug resistant demonstration are, left to right, Bob Benson, Don Latimer, Curtis Latimer and David Kattes. This is stop two on Thursday's farm tour where there is also an eight variety cotton demonstration.

STOP THREE features an eight variety cotton demonstration. Pictured here are Bob Benson, left, and Wayne Oliver.

BILLY CORNUTT's 13-variety cotton will be the subject of stop six on the farm tour Thursday. Pictured with Cornutt, right, is County Agent Bob Benson.

STOP SEVEN on the Farm Tour Thursday will see a 14 variety grain sorghum and greenbug resistant demonstration a seven variety cotton demonstration. Pictured here, left to right, are Rob Holman, Bob Benson and Whit Holman.

A&M Develops Early Maturer

For the second straight year and the third time in the last four, the nation's first cotton bale of the new season has been produced from an early-maturing variety developed by a Texas A&M University scientist.

The 498-pound bale was ginned June 22 from a variety called TAMCOT SP-37, developed about five years ago by Dr. Luther Bird, professor of plant pathology and a cotton breeder for the Texas Agricultural Experiment Station.

The producer was Oscar Mayfield & Sons, Cameron County farmers who also grew the first bale in 1963 and 1973.

Roy Heine, foreman of the Mayfield 777 Ranch near Arroyo City, was the man responsible for getting the cotton picked, ginned and

delivered to the Harlingen police station in time to qualify for the \$2,500 premium offered by the Valley Chamber of Commerce.

Dr. Bird's precocious variety was also the first cotton ginned in 1973 and 1975.

The bale's 498 pounds of lint was ginned from 1,580 pounds of SP-37 seed cotton. It was grown dryland and picked from a "hot spot,"

Recuperates In Mexico

Dr. Jan Buettgen is hospitalized in the American-British Hospital in Mexico and waiting for two broken legs to mend before he can be moved.

Dr. Buettgen was injured in a car wreck during the latter part of June on Mexican Highway 180 north of Vera Cruz. Mrs. Buettgen and the three children were also injured and the family was transported from the accident scene to the nearest hospital in Poza Rica.

Mrs. Buettgen and the three children are now in Colorado City and she said that the means of transportation to the Poza Rica hospital was by passenger bus which stopped at the insistence of two nuns who were riding the bus.

From the Poza Rica hospital, Dr. Buettgen was taken to the Mexico City hospital where he was treated first for loss of a large quantity of blood. His left thigh was crushed and the leg put in traction.

A cast was fitted to the broken right leg but later removed when a blood clot developed.

Mrs. Buettgen said that recent X-rays show some healing of the bones but he cannot be moved until the bones have mended.

She said that Dr. Buettgen's patients have been referred to other doctors from his local office and the family is awaiting his return to Colorado City.

They were helped by the nuns who came upon the accident scene and later by Baptist missionaries in the town of Poza Rica.

said Cameron County Extension Agent Don Cowan. Ginning took place 127 days after the Feb. 16 planting date, the agent noted.

The cotton was processed by the Rio Hondo Co-Op Gin.

The prize-winning bale was classified Grade 42. Staple was 34 (1-1/8 inch) and micronaire was 3.1.

Rep. Martin To Support \$398 Million Program

State Rep. Elmer Martin of Colorado City has announced that he will support the \$398 million highway funding program revealed by Governor Dolph Briscoe.

"The Governor has developed a way to improve our highway program without a higher gasoline tax or new taxes of any kind," Martin said.

"It is a sensible program to solve one of our state's most critical problems," the legislator continued.

Martin pointed out that the elements of Briscoe's plan involve increasing the Texas Highway Fund by dedicating present sales taxes on motor vehicles, tires, tubes, auto parts and accessories to this fund and by realigning the priorities and expenditures of the existing highway fund revenues.

"Texans who pay road-use taxes would be able to see those taxes used for better and safer roads and bridges, as they should be," Martin said.

Martin noted that the entire Texas economy depends on a good system of transportation because of the size of the state and the wide dispersal of population.

"Sixty-three per cent of the communities in our state depend entirely on trucks for their commerce," Martin stated.

"As we are all aware," Martin said, "the agricultural industry is a major contributor to our West Texas economy. Therefore, he continued, "if we are to

Wolves From Page 1

he was taken to the hospital for x-rays.

One Hamlin JV player suffered an injured back and had to be carried off the field in a stretcher but was said later to be all right, although sore. One Hamlin varsity player was knocked out but not seriously injured.

The Wolves amassed 196 yards running the ball and 57 yards on four pass completions. The statistics included both first and second string varsity offensive plays.

The junior varsity scored twice on plays that both covered 70 yards, one on a running play through the middle by Joe Franco and then on a pass play from Ricky Sanchez to Jay Feaster. Sanchez, the quarterback, also ran an option play for 19 yards to score and Ruben Garcia intercepted a Hamlin pass and ran it in for a score.

Athletic Director Mike Farda said he was well pleased with the play and thought the team showed a lot of polish for so early in the year.

Both teams were highly excited for the game as both

remember the last varsity game of last year which the Wolves won 18-7 in a hard fought contest. This year Hamlin dropped from AA to A classification.

Hamlin coaches were overheard telling Farda that they were impressed with the size and quickness of the Wolves.

A large crowd was on hand to witness the hard hitting contest.

Next Friday, the Wolves travel to Crane for a scrimmage beginning at 6 p.m. in preparation for the season opener at Wolf Stadium Sept. 3, against Slaton.

NEW EXTENSION AG ENGINEER-Richard E. Withers, Jr., is the newly appointed agricultural engineer for the Texas Agricultural Extension Service. He will give leadership to educational programs related to farm and ranch structures, buildings and processing systems. Withers, native of Beaumont, has been on the staff of the Department of Civil Engineering at Texas A&M University for the past nine years. He also served with the Soil Conservation Service for six years.

Rabies Cases Down In U.S.

Although rabies cases in animals are still numerous, the dreaded disease is generally a thing of the past as far as human infections are concerned.

Some 3,200 cases of rabies were confirmed in animals in the United States in 1974, according to the latest report by the Public Health Service. The total was down almost 500 cases from 1973. Texas was the leading state in 1974 with 396 cases.

However, no human rabies cases were reported during 1974, the first year on record that no human deaths resulted from rabies.

"Rabies cases in humans have been prevented mainly by the vaccination of pet dogs and cats," points out Dr. James Armstrong, veterinarian for the Texas Agricultural Extension Service. "This has protected pet populations, particularly from contacting the disease from wild animals."

In Texas, wild animals accounted for 256 of the 396 cases in 1974.

Almost half of the U.S.

rabies cases reported in 1974 were in skunks while bats accounted for 17 per cent of the cases; foxes, 10 per cent; cattle and dogs, 8 per cent; raccoons, 5 per cent; and cats, 4 per cent. The total number of cases in dogs was up in 1974 due to an outbreak of canine rabies along the U.S.-Mexican border.

Following Texas in the number of confirmed rabies cases in 1974 were California and Minnesota. Hawaii was the only state left unmarked by rabies.

"Since the early 1950's rabies cases have declined sharply," notes Armstrong. "More than 8,000 cases occurred in 1953, with almost 5,700 of these in dogs. Since then, there has been a steady decline in the number of total cases as well as the number of cases in dogs, cats and farm animals. This has been mainly due to vaccination programs."

Human deaths from rabies totaled 14 in 1953 and averaged one to two a year during the 1960's and early 1970's.

keep a growing and healthy economy, we must maintain a good highway transportation system."

BIG BASS-Albert Rich poses with the string of four big bass and a large brim he caught early Saturday morning, along with two fishing buddies, using lures at Lake Colorado City. The stringer was the envy of dedicated fishermen because of the big bass which was in the five-pound range.

Sul Ross Offers Classes By Extension

Registration for Sul Ross extension classes continues through September 1 at the extension center office on the Western Texas College campus. All classes are still open and several students are needed for classes to make.

Classes begin September 7 and continue through December 17 with classes meeting once each week from 6:30-9:30 p.m.

To register for courses students should contact Mrs. Mary Pinkston in the Sul Ross extension office in the administration building at WTC. The Sul Ross extension center telephone number is 573-0012.

Locations Staked

HCT Operations of Denton staked two locations 10 miles northwest of Colorado City in the Sharon Ridge Field.

Both are slated for 1,750 feet.

No. 1 L. A. Strain will be drilled 1,750 feet from the north and 1,000 feet from the west lines of Section 64, Block 97, H&TC Survey.

Site for No. 2 Strain is 2,350 feet from the north and 1,000 feet from the east lines of Section 64.

Stockholders Meeting Set Thursday

The annual stockholders meeting of the Federal Land Bank Association of Colorado City will be held Thursday, Aug. 26 at 7:30 p.m. in the Coliseum in Snyder. The meeting will be in the room just off the South entrance.

Thomas H. Benson, senior vice president of the Federal Land Bank of Houston will be the guest speaker. Following the business session, 15 door prizes will be given away.

All members and their guests are urged to attend. Doughnuts, coffee and soft drinks will be served before the meeting begins.

P&Z Board To Meet

A meeting of the Colorado City planning and zoning board will be held at 7:30 p.m., Monday, Aug. 30 in City Council chambers.

On the agenda for the meeting is selection of a new chairman and a public hearing on two requests for zoning changes.

Both requests have to do with the proposed construction of duplexes.

One request is for property owned by Charles Root on 21st Street west of Chestnut. The other request is for property owned by Dr. Thomas N. Aguilon, along the west side of Sheppard Street between 9th and 10th.

All the efficiencies of local loan service.

What do you expect from an agricultural loan? Long terms? Reasonable charges? These traditional advantages have been offered by the Federal Land Bank for over a half-century. But the Land Bank also provides personal attention and prompt service. We're the local lender who understands local needs. Come to the Land Bank... for many good reasons.

DON WOOD, partner with his father, Bill Wood, in the operation of Wood's Boots. Interstate 20 East Access Road, has established a reputation of being one of the best hat creators and stylists anywhere. Wood's Boots features a large stock of hats and boots.

Largest Selection Of Boots In West Texas

Only a few years ago, Wood's Boots was only a small business.

Now the firm, located on Interstate 20 East Access Road next to Trucktown, is one of the largest boot and cowboy hat dealers in West Texas.

Wood's Boots is owned and operated by Bill Wood and his son, Don.

Bill Wood, a native of Mitchell County, has been in the boot business for the past 12 years.

It was seven years ago that he and his son decided to move the business to Interstate 20 and during

that time, the first building has been expanded seven times.

Wood's Boots features the largest stock of boots in West Texas, as well as an extensive line of hats and belts. They've got boots and hats of all styles and colors for every member of the family.

In addition, Don has established a reputation as one of the finest hat creators and stylists anywhere.

Word of mouth has spread the fame of Wood's Boots low prices, good service and quality products all over the world and the Colorado City

firm does an extensive mail order business to all 50 states. Bill Wood said that only last week he sent a large shipment of boots to Alaska.

Workers at the business in addition to Bill and Don, include Karen King, Sally Camp, Narlene Boyd and part time helpers Willis Taylor, Barbara Oden and Susanne Morgan.

The staff at Wood's Boots enjoys being of service to you. They appreciate your patronage.

Be sure to go by and see them for all your boot and hat needs.

Transportation To Games Provided

The College & Dallas Church of Christ will provide transportation to all out of town football games this year with the use of their Joy Bus.

"In the past there have been a number of young people who wished to go to the out of town games but did not have a way," said Eddie Swinney, pastor of the church. He said the purpose of this program is to help those who could not go otherwise.

Bus capacity is approximately 50 persons and it will be at the high school for boarding prior to each game. Announcement of the departing times will be made before each out of town game.

Former Resident Graduates Magna Cum Laude From Angelo State University Aug. 13

Among the 204 graduates of Angelo State University on Aug. 13, 1976, was a former Colorado City resident Mrs. W. D. (Dub) Sparks of San Angelo.

Mrs. Sparks is the former Kay Dowty, daughter of Mrs. Leona Dowty and the late Tom Dowty, of Colorado City.

She is also the daughter-in-law of Mr. and Mrs. W. D. Sparks, Sr. of Colorado City.

Mrs. Sparks graduated Magna Cum Laude and was among the top ten of her class. She was a member of the Alpha Lambda Delta, Kappa Delta Pi, Sigma Tau Delta and Senior Women

Honor Societies, and she served as vice president of the Alpha Chi in her senior year.

She received her Bachelor of Science degree in Elementary Education.

The Sparks' are parents of two daughters; Shelley, age 14 and Torrey, age 10 and

have resided in San Angelo for the past 16 years.

Solution For Soil Erosion

The solution for safeguarding the soils on slopes where soil erosion by water is the hazard is: to increase the rain-water-in take capacity of the soil by retaining crop litter at the surface, soil improvement, crop rotations, and strip cropping on the contour and to lead away unabsorbed storm waters in channels of broad-base terraces into outlet channels and into natural drainage channels.

These measures have been applied during recent years over millions of acres by the U.S. Department of Agriculture Soil Conservation Service.

Near Temple, in the drainage of North Elm Creek, 174 farmers of bordering farms formed a soil conservation association on a drainage basis, ignoring property and county lines in the same way as runoff water ignores such arbitrary lines.

Terrace-outlet channels were laid out to carry water harmlessly through one farm and another to natural drainage channels.

One terrace-outlet system may serve in this way as many as five farms. By this approach to conservation, it is possible to treat the land in accordance with adaptabilities and to control storm waters according to hydraulic principles.

This is indeed physiographic engineering that builds a lasting basis for a thriving civilization.

Wind erosion is a serious and destructive problem but restricted to a smaller area of the country than water erosion. Wind erosion attacks level as well as sloping cultivated land in semiarid areas of the country.

CRIME SERIES

By Sgt. Sidney Lyle
of the Odessa Police Department

"Back to school" sales are everywhere. Youngsters are excitedly awaiting the annual exodus from the shelter of their home into the environment of the three R's. For many, it will be their first time away from home and familiar surroundings. They will arrive at kindergarten or the first grade hand in hand with their mother wearing their dress-up clothes and negotiating the long halls and corridors echoing with the chatter of children as they meet their friends who are also making their way through the crowd to an assigned classroom.

It would seem unreal that something so harmless and innocent as a small child could become a victim of harassment or even a covert attack. Yet they are sometimes singled out as a target by the mentally deranged or those who are just simply mean. Their action may on the surface appear to be reasonable and justified but that is only an act to gain the attention and co-operation of the child.

We have all heard of cases where a child was removed from the school playground or perhaps was invited to "go for a ride" while in route to school or on the way home from school. Obviously such cases are actually few and far between. But when the crime involves a member of our family, or our neighborhood or our school, it becomes an intolerable situation and demands immediate attention. Because little or nothing can be done to keep the trouble from walking the streets, it becomes imperative that we instruct our children in measures to reduce the likelihood of being victimized.

any suspicious persons or any attempt to pick them up. Records bear witness that most children who are victims of harassment or covert attacks from adults were themselves an unintentional participant because they overlooked one or more of the "rules" of good judgment. As parents, we also have the responsibility to protect our children. We can help protect them by giving them proper instruction and training.

The suggestions included above would be a good start toward that training program. Today isn't too late to sit down with your youngsters and begin the home training program, but tomorrow may be.

Group Visits Six Flags

Twenty-eight persons from the College & Dallas Church of Christ and the Loraine Nursing Home went to Six Flags Over Texas last Monday.

The group left at 4 a.m. and returned at 12:30 a.m. the next morning.

Several other outings are planned by the young people of this local Church of Christ for the coming months.

Descendants Of Ida And Jim Doss Gather For Annual Reunion At Col-Tex Club, Lake Colorado City Aug. 15

The descendants of the late Ida and Jim Doss gathered together Sunday, August 15 at the Col-Tex Club at Lake Colorado City for their annual family reunion.

Ninety-five friends and relatives attended. Card games and dominoes were played throughout the day. Music for the group was provided by Maggie Hamrick, Howard and Claudia

Ussery, Mrs. Earl Hays, Earl Massey, J. M. Casbeer, Will Carpenter, Sophia Oliver, Hoyt Roberts, Brian Proctor and Lloyd Keed.

Those attending were: Mr. and Mrs. Dee Ayers of Snyder; Mack Doss of Colorado City; Jack Doss of Colorado City; Mrs. Earl Hays of Westbrook; Mr. and Mrs. Ben Self of Westbrook; Lona and Dutch Doss of Westbrook and Rogena Costello.

Also attending were: H. S. Connell of Colorado City; J. K., Judy, and Crystal Connell of Westbrook; Porkey, Mary Paul, Ronald, Bubba and Tammy Proctor of Colorado City; Max Connell of Dallas; Weldon, Joan and Linda McCollum of Loraine; Homer and Ollie Deese of

Colorado City; and Fay and Jesse Hutcheson of Austin. Present also at the annual reunion were: Robert, Joan, Pamela and Jeffery Chaney of Austin; Mr. and Mrs. Ronnie Claxton, Ronnie, Sandra and Rhonda of Austin; Basil, Kathy and Amy Staggs of Sweetwater; Larry, Nita and Justin Pilgrim of Snyder; Moody and Sarah Ward and Sue, Julie and Raymond Craighead of Colorado City.

The guest list also included: Rita, Jubal, Amber and Laston Stephens of Colorado City; Sally and Wesley Brown of Colorado City; Mr. and Mrs. J. M. Barr of Colorado City; Gayla, Boye Don and Cade Proctor of Colorado City; Mrs. George Proctor and Brenda of Colo-

rado City; Lloyd and Kathy Keed of Sidney; Mr. and Mrs. George Ward and Amy Lee of Colorado City and Beverly Averitt, Denise and Tracy of Coahoma.

Also Jerry and Jan Hargree, Ashley and Justin of Colorado City; Douglas Stephens of Colorado City; Gertrude White of Abilene; Claudia and Howard Ussery of Colorado City; Earl and Ada Massey of Colorado City; J. M. and Alta Casbeer of Colorado City; Maggie Hamrick of Loraine; A. G. and Minnie Anderson of Westbrook; Audra and Mary Redwine of Colorado City; Shirley, Randy and Julie McPhaul of Colorado City; Will Carpenter of Colorado City; Mr. and Mrs. Alvin Byrd of Westbrook;

and Mrs. Sophia Oliver of Colorado City.

Hoyt Roberts of Westbrook; Ruth Morgan of Colorado City and Tracy Dykes of Coahoma completed the guest list.

Births

Michael Joseph, son of Mr. and Mrs. Michael D. Buckner of Colorado City was born in Root Memorial Hospital August 12 weighing 7 lbs. 14 ozs.

Billy Joe, son of Mr. and Mrs. Daniel Martinez of Colorado City was born in Root Memorial Hospital August 17 weighing 7 lbs. 9 1/2 ozs.

Scouts Plan Second Camping Workshop

Eighteen Girl Scouts of all ages attended the "Down to Earth" primitive camping workshop sponsored by the West Texas Girl Scout Council Program Committee this past weekend. Formal and informal instruction in such skills as fire building, tents, knots, compass, tools, sanitation and first aid was conducted by Volunteer Trainer Elizabeth Smith, and Council Staffer Lynn McKinney, both of Abilene.

After a successful first workshop, the Scouts have laid plans for continued instruction in backpacking skills. The next session is set for September 10th to 12th at Hubbard Creek Lake near Breckenridge at the island home site of Mr. and Mrs. R. B. Akin. Canoeing, swim-

ming and sailing will complement the backpacking instruction.

For information call the Girl Scout Service Center at 698-1738, a participating member of the United Way.

LITTON Microwave Cooking Micromatic 989

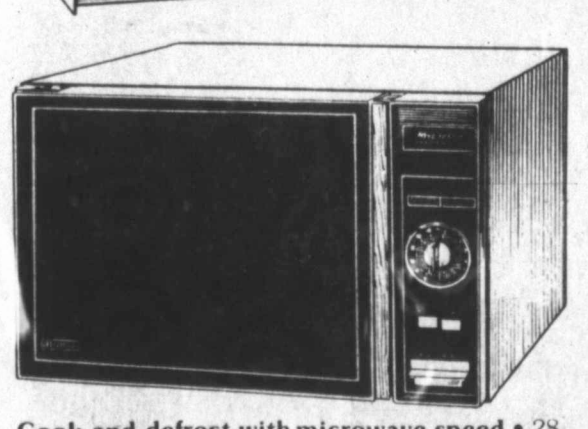

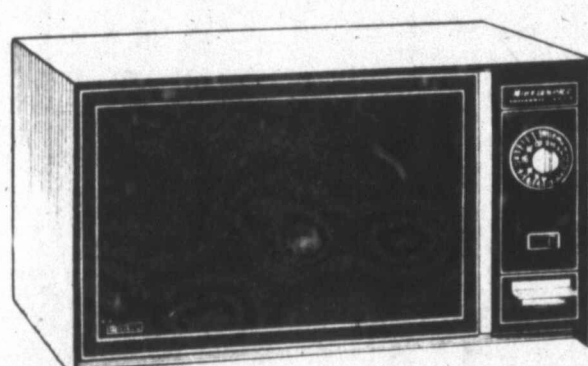

**BARGAIN
PRICED**

The Ultimate Cooking Center: Microwave. Self-cleaning. Smoothtop.

The Micromatic double oven microwave range lets you cook like you never have before — with the most helpful features in one complete cooking center.

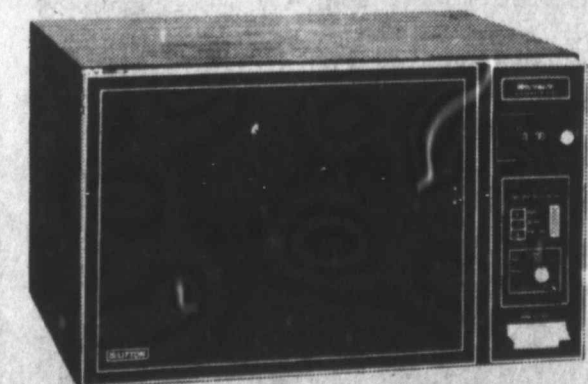

Microwave speed and Vari-Cook* Control. The Litton solid state Vari-Cook oven control lets you vary the microwave cooking speed, enabling you to cook, reheat, roast, simmer, warm and even defrost. Simply dial the cooking speed that will produce the old fashioned slow cooked goodness you desire at microwave speed and with microwave convenience.

Self-cleaning ease. The Micromatic 989 keeps its good looks with a self-cleaning system that removes even the toughest baked-on stains. And a one-piece smoothtop that keeps spills from dripping away.

Cook and defrost with microwave speed • 28-minute 2 speed timer • Automatic Defroster • 1.2 cubic foot usable oven interior • Easy-clean acrylic interior

Save \$40.00 **\$318**

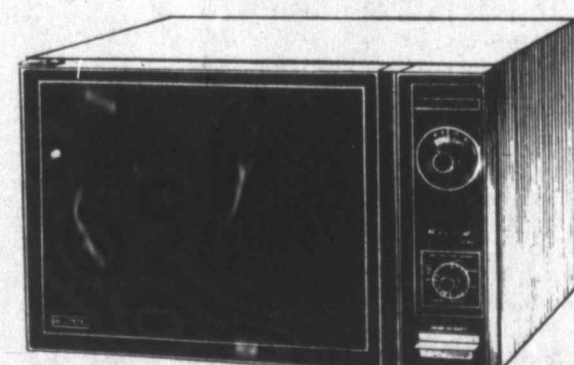

Old-fashioned slow-cooked goodness at microwave speeds • 60-minute Micro-Timer digital control • Vari-Cook oven control • Automatic Defroster • 1.2 cubic foot usable oven interior

Save \$60.00 **\$438**

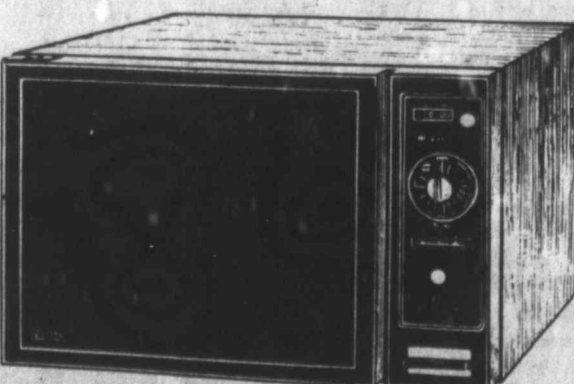

The compact oven that is big on features.
• Large oven cavity • 20-minute dial timer • Automatic Defroster
• Separate "COOK" and "DEFROST" switches • Bright, easy clean acrylic interior • Oven interior light

Save \$30.00 **\$268**

Bring back old-fashioned slow-cooked goodness • 35 minute 2 speed timer • Vari-Cook oven control • 1.2 cubic foot usable oven interior • Easy-clean acrylic interior

Save \$50.00 **\$388**

Takes all the guesswork out of microwave cooking. The most advanced countertop microwave oven available

Save \$80.00 **\$458**

AUG 22 1976

Mourning Dove Season To Start Sept. 1

A five-day white-winged dove season and split mourning dove seasons for both the North and South Zones with full-day hunting during the winter segments have been established by the Texas Parks and Wildlife Commission.

Whitewing season will run September 4, 5, 6, 11 and 12 from noon to sunset in Brewster, Cameron, Culberson, El Paso, Hidalgo, Hudspeth, Jeff Davis, Kinney, Maverick, Presidio, Starr, Terrell, Val Verde, Webb, Willacy and Zapata Counties.

During the concurrent mourning and white-winged dove season one fully feathered wing must remain attached to dressed birds while being transported between the place taken and a commercial processing facility or hunter's home. One fully feathered wing must remain attached to all migratory game birds imported from Mexico.

Daily bag on either mourning or white-winged doves is 10 birds, with possession limit of 20, and applies to all Texas dove seasons.

North Zone dove season is set for Sept. 1-Oct. 14 from noon to sunset, and Jan. 1-16, 1977, 30 minutes before sunrise to sunset, except in those counties west of the Pecos River where the season ends at sunset Jan. 15.

A similar split season is set for South Zone counties: Sept. 25-Nov. 7, noon to sunset, and Jan. 1-16, 30 minutes before sunrise to sunset. However, fall mourning dove hunting in those South Zone counties with a whitewing season will end Nov. 2.

Last year an experimental all-day season was tried in the winter segment of the South Zone with no appreciable change in dove harvest. Hunters contacted by the Parks and Wildlife Department generally were pleased with the additional

hunting opportunity whether they took more doves or not.

The last year of all-day dove hunting was 1950.

All of the new regulations as adopted by the P&W Commission are within frameworks established by the U.S. Fish and Wildlife Service, which released the maximum allowable rules for Texas and the Central Management Unit earlier this month after study of migratory bird population reports and discussion with member states, interested agencies and the public.

Commissioners were told the 1976 white-winged dove breeding population is some 530,000 birds, the third highest population within the last 10 years. Adult mourning doves posted a modest six per cent increase over 1975.

The commission also set seasons and bag limits for other migratory game birds including:

--King and clapper rails: Sept. 1-Nov. 9, Trans-Pecos season ends Oct. 31. Bag limit is 15 in the aggregate and possession is 30 in the aggregate.

--Sora and Virginia rails: Sept. 1-Nov. 9, Trans-Pecos season ends Oct. 31; daily bag and possession limit, 25, singly or in the aggregate.

Shooting hours for all rails are from 30 minutes before sunrise to sunset.

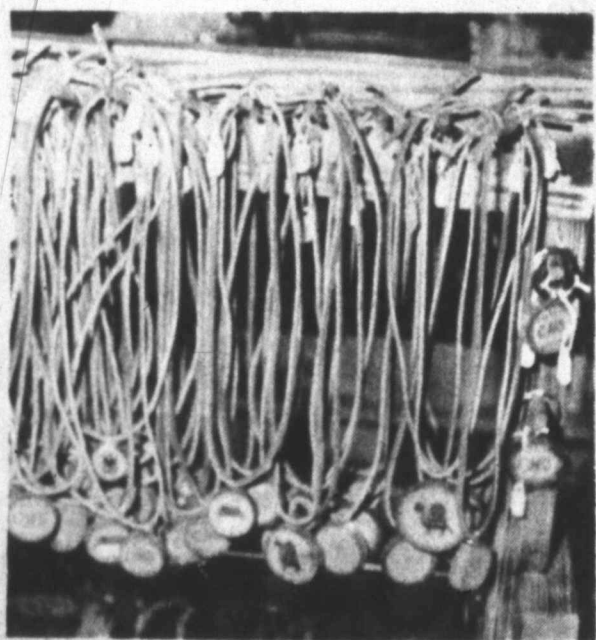

--Gallinules: Sept. 1-Nov. 9, Trans-Pecos season ends Oct. 31; hunting hours are 30 minutes before sunrise to sunset. Daily bag is 15, possession is 30.

In those counties west of
