Telescoped Wreckage of Trains

Firemen probe through telescoped cars of two Long Island Railroad trains which crashed in Kew Gardens sections of Queens County in New York City. Killed and injured were homeward bound Manhattan office workers and Thanksgiving day visitors to Long Island homes.

Shepperd Gets Pledge Of Help In Duval Case

DALLAS, Nov. 24. (AP) — Lawyers in at least three Texas cities are pledging themselves to help Secretary of State John Ben Shepperd if he's sued for refusing to accept write-in votes from Duval County in the 79th District judge's race.

A group of Dallas lawyers started a move yesterday to sign up a thousand attorneys for Shepperd. Lawyers also met at Fort Worth and planned to meet at San Antonio.

TOSSES OUT VOTE

Shepperd last Wednesday threw out a lop-sided write-in vote from Duval County and certified Incumbent Judge Sam G. Reams as winner of the general election. The Duval votes—canvassed and reported by County Judge George Parr on the sixth day after the polls closed—would have given the office to State Rep. A. J. Vale.

After Shepperd refused to accept the Duval County write-in, Daniel said the matter was settled. However, attorneys here said they feared a mandamus suit would be brought against Shepperd.

Just who would file such a suit was not clear, since Vale turned down the judgeship.

MAIL LETTERS

Dallas lawyers mailed letters yesterday to attorneys all over the state asking them to join in Shepperd's defense, if necessary, and to recruit other lawyers.

The letter said:

"Thank God we have a state official with the intestinal fortitude to protect the integrity of the Texas judiciary by refusing to accept the dictatorial hierarchy of Duval County.

"This is the first time anyone or anybody has ever stood up to that bunch.

"A hard fight can be anticipated and Shepperd needs our help."

No. 1 Houston To Complete In Ellenburger

Operator is running five and one-half inch casing and is to attempt a completion at Amerada Petroleum Corp. No. 1 Houston, indicated Ellenburger discovery in South Central Scurry County.

A four-hour drillstem test in the Ellenburger, which was topped at 7,784 feet, minus datum point of 5,556 feet, developed 1,450 feet of clean oil plus 360 feet of heavily oil and gas cut mud. That test was taken over the interval of 7,773 to 7 819 feet.

Operator deepened to 7,845 feet and took another four hour drillstem test. A medium blow of air was to the surface for five minutes. Gas surfaced in five minutes and died in 10 minutes. A medium blow of air was at the top during the rest of the test. Recovery was 180 feet of water cut drilling mud, and 7,360 feet of sulphur water with now shows of oil or gas.

Location of the possible discovery is 509 feet from north and 856 feet from west lines of section 4, block 1, J. P. Smith survey.

T.E.C. Office Here Shelved

Snyder will not get a Texas Employment Commission office now but may get one later, Harold Bennett, chamber of commerce manager, said this week after receiving a letter from W. H. Farmer administrator of the Texas Employment Commission.

Earlier this year an effort was made by the chamber to show the need for such an office here, and the commission in Austin is giving the question considered.

Part of the letter said, "Data and facts now available present a fairly adequate picture of conditions in your city. Much of the information obtained definitely points to the need for a T. E. C. office in Snyder. However, the increasing demands of the War Mobilization Program make it necessary to delay further consideration in this direction at this time."

One of our primary responsibilities of this agency is the staffing of war production plants and military installations in Texas. This activity is increasing daily and absorbing more and more of our personnel time and available operating funds," Farmer said.

"We sincerely regret that we are unable to proceed with operations in Snyder at this time, and wish to assure you that it is our intent to reconsider the matter as soon as conditions permit," he said.

Anderson Says Price Control Mistake Now

(By The Associated Press)

WASHINGTON, Nov. 24. — Sen. Anderson (D-NM) declared today that abundant production — rather than price controls—is the best way to keep prices in line.

The New Mexico lawmaker said it would be a mistake to impose controls now, and he added:

"Abundant production is the best policeman we have to keep prices right. Rigid controls curtail production. They often result in shortages which are the basic cause of price increases."

LOTS OF EXPERIENCE

Anderson had plenty of experience with price controls, on meat and other food during World War II and the immediate postwar period when he was secretary of agriculture.

"I don't say we may not have to resort to price controls again," Anderson told a reporter. "But the time has not arrived. The best way to fight high prices now is to encourage greater production."

Prices have been held down somewhat the Federal Reserve Board said last night, by its restrictions on retail credit.

PRICES FALL

"Prices of used automobiles, which were very high in the summer, have fallen to levels more nearly normal in relation to list prices of new cars."

The board acknowledged, however, that unofficial reports from trade sources and banks have indicated a continued rise in the total volume of installment credit since it imposed tightened controls on Oct. 16, following a one-month trial of milder curbs.

But it said it was clear that the controls have had some braking effect. The curbs apply to autos, furniture, television sets and about 15 other major appliances.

13-Degree Low, Dust in Cold Front Passage

The mercury took a quick tumble to 13 degrees in Snyder early this morning following a blustery norther which swept over the state yesterday.

A maximum temperature recorded here yesterday was 67 degrees, Mrs. D. P. Strayhorn, weather observer reported.

Across the state, the norther swept on into the Gulf of Mexico tumbling temperatures to freezing or below over more than half the state.

The norther was felt even in deep South Texas.

The U. S. Weather Bureau said the chilling weather would last at least through tomorrow.

The only sign of relief was a forecast of "not so cold" for West Texas and the northwest portion of East Texas. Much colder weather was prpedicted for South Texas with temperatures tonight of 24-30 except 32-36 on the coast and in the lower Rio Grande Valley.

The cold wave roared into the Texas Panhandle early yesterday and rode fast across the state on winds reaching as high as 42 miles an hour.

Behind the front in the midwest states, snowfalls as deep as nine inches were reported. But the predicted snow flurries for Texas failed to materialize.

The U. S. Weather Bureau said the only precipitation was a few light showers — at Brownsville, Laredo, Texarkana, Lufkin, Tyler and Marfa.

Temperatures sank to 12 degrees before dawn at Dalhart, in the upper Texas Panhandle.

The freezing temperatures ranged well into Central Texas, with Waco recording a low of 27 degrees. Brownsville, in the most southern tip of Texas, had the warmest minimum—61 degrees.

Yesterday's maximum ranted from 85 degrees at Alice to 39 at Amarillo.

Clouds covered much of the coastal sections this morning, extending inland as far as San Antonio, Laredo and Lufkin. But clearing skies were expected during the day as the frigid air continued to move in.

The forecast called for fair weather over all the state by tomorrow. Temperatures of 15-22 degrees were predicted for the Panhandle 20-32 elsewhere in West Texas, and 18-26 in the north portion of East Texas tonight.

Flood Waters Recede, Rebuilding Begins In Nevada and California

(By the Associated Press)

Rebuilding and rehabilitation were the No. 1 problems in flood-ravaged areas of North-Central California and western Nevada today. Waters were receding everywhere in the areas soaked or inundated by nine days of heavy rain and snow runoff, and three days of high floods.

Fifteen thousand Californians still were homeless. Fields and pastures along water courses still were inundated.

In Nevada, the job is one of cleaning up devastated Reno and Carson Valley areas. Streams that broke their banks early this week are back in their normal courses and residents are clearing debris with bulldozers.

Record Number Killed During The Holidays

(Associated Press Staff)

The nation counted a record breaking number of accidental deaths over the Thanksgiving holiday.

A crash on the Long Island railroad Thanksgiving eve, killing 77 persons, was the main factor in boosting the toll to a new high for the holiday.

A survey showed a death toll of 188, surpassing last year's record high of 181. It also was far ahead of the 114 accidental deaths in 1948; 128 in 1947 and 83 in 1946.

Traffic accidents this year took the lives of 83 persons—as compared to a record 123 on Thanksgiving Day last year. But the collision of two jammed trains on Long Island brought up the toll. In addition, there were 28 other fatalities listed under miscellaneous causes—shootings, fires, drownings and other causes.

The survey covered a period from 6 p.m. Wednesday to midnight Thursday, local time.

The nation's traffic deaths for the first nine months this year totaled 24,580, or 90 every 24 hours.

The toll by states, listing traffic and miscellaneous:

Alabama 2-0, Arizona 3-1; California 1-1; Connecticut 0-2; Florida 2-1; Idaho 0-1; Illinois 9-1; Indiana 1-0; Iowa 2-0; Kentucky 3-1; Maine 0-2; Maryland 2-0; Massachusetts 2-2;

Michigan 5-1; Minnesota 2-0; Mississippi 1-0; Missouri 1-0; Nebraska 1-0; New Hampshire 1-0 New Jersey 2-3; New York 3-78; North Carolina 2-3; Ohio 2-1; Oklahoma 1-0; Oregon 3-0; Pennsylvania 9-0; South Dakota 1-0;

Tennessee 1-0; Texas 8-1; Utah 0-1; Vermont 1-2; Virginia 5-1 Washington 2-1; West Virginia 1-1; Wisconsin 4-0.

Testimony By Attorney For Mrs. Donaldson

Under cross-examination today by the defense, E. L. Klett of Lubbock, attorney for Mrs. Maude Donaldson, said he dictated the deed and will giving part of her property to J. H. Hubbell without a full explanation to Mrs. Donaldson.

The suit, brought by Mrs. Donaldson's heirs to invalidate an earlier deed and will giving half her ranch to the late J. H. Hubbell, was resumed in district court today following a Thanksgiving recess.

The papers were sent to her for signing and were not explained, he told the jury and court in his testimony.

Klett also testified that he made several corrections in the original draft of the papers before the original was signed.

The witness said that he worded the document which would have given the late John Hubbell one-half of 12 sections of land in Scurry and Lynn Counties.

Klett also testified that Hubbell came to his office in Lubbock in 1947 for the first time in regard to the proposed deed and will, which was eventually drawn up, taken to Mrs. Donaldson in a Lubbock hospital for offical signature and notarization there.

When asked by the defense attorney if he had conferred with Mrs. Donaldson about the draft of the instrument Klett said he had not.

"Did she ask you about it?" Klett was asked.

"She may have, but I don't remember if she did," he replied.

Other testimony revolved around the power of attorney given Walter Slayton for supervision of her properties, which is still in effect. Klett stated that after the power of attorney was drawn up Billy Donaldson, adopted son of the Donaldsons, came to him to have the document set aside.

Klett also stated on the stand that Mrs. Donaldson at one time signed a $2,500 gift tax check without it being explained to her.

Klett admitted that he believed Mrs. Donaldson to be sick in mind when the legal papers were being prepared for her signatures.

The plaintiff's attorneys completed their arguments early this afternoon and the defense was expected to put several witnesses on the stand, consuming the balance of the day.

Chinese Communists Arrive; Are Asked To Join UN Debate

(By The Associated Press)

LAKE SUCCESS, Nov. 24. — A nine-member Chinese Communist delegation arrived at Idlewild International Airport today and a few hours later Russia asked that the Chinese Reds participate immediately in a UN political committee debate on Formosa.

The General Assembly's 60-nation political committee now is considering Russian charges of American aggression against China. The charges grew out of President Truman's order sending the U. S. Seventh Fleet into Formosa Strait to prevent a spreading of the Korean war.

MALIK REQUEST

Soviet Deputy Foreign Minister Jacob A. Malik made the request that the Chinese Reds participate in the committee's proceedings. Nationalist China's T. F. Tsiang expressed vigorous opposition. U. S. Delegate John Foster Dulles said: "I have no desire to speak on this question."

Tsiang said "This (Red) regime has not the legal competence to offer a complaint on the part of my country. This is a propaganda trick."

Russia is sponsoring Red China's accusations against the United States by means of the Soviet resolution before the political committee. The Security Council also has this matter before it. The Chinese Communists were invited to Lake Success to participate in the Security Council's discussions.

MET BY MALIK

They were met at the airport by Malik and representatives of other Soviet bloc countries. They refused to speak to reporters as they alighted from a British Overseas Airways plane.

Later in a statement to the press Wu Hsui-Chan, leader of the delegation, said he hoped the UN would give "just treatment" to the Red Chinese charge that the United States has committed "armed aggression" against Formosa.

He said such "just treatment" would "be helpful to peace and security in the Pacific and in Asia."

Wu declared " a profound friendship has always existed between the Chinese people and the American people."

"I wish to avail myself of this opportunity to convey my greetings to peace-loving people in the United States," he said.

Pipeline Blast Rocks Area In Pennsylvania

KING OF PRUSSIA, Pa., Nov. 24. (AP) — A blast, ripping the earth with terrific force, tore up a mile of a Texas-to-New York natural gas pipeline yesterday, rocking this fertile farm area for seven miles in all directions.

Blinding flames shot 300 feet in the air and seared trees and grass. Windows in homes miles from the explosion were shattered.

Two persons were reported injured.

Two outbuildings on the farm of Peter Carmiel, where the blast originated, were destroyed by the searing flames which baked the earth for 150 feet on both sides. The ground turned hard as brick.

Thousands of automobiles clogged roads in Valley Forge Park and all through the area where the blast was heard—and felt—in an effort to find out what happened.

Firemen and police said they had been alerted to watch for trouble on the new section of pipeline by representatives of Transcontinental Pipelines, Inc.

A pressure test was begun Tuesday and firemen were ordered to "stand by" for possible trouble.

Injured slightly in the blast were Edwin Camiel, 27, and his brother, Joseph, 21, who were gunning for their Thanksgiving turkey on the farm owned by their brother Peter.

Both men were hurled into the air by the force of the blast though they were 500 feet away from the pipeline.

Marshall For Germany Aid

DAWSON, Ga., Nov. 24. (AP)—Defense Secretary Marshall today termed German aid in the defense of western Europe a "compelling necessity."

The nation's defense chief spoke at a homecoming celebration for 29-year-old Erle Cocke, Jr., the new national commander of the American Legion.

German rearmament currently is a critical question in German state elections and among Atlantic Pact nations.

Cocke, who arose from a crippled youth here to become the youngest Legion commander in history, after once being machine gunned and left for dead by Nazis, was praised by Marshall as one who:

"More than any of us, and more than all but a very few, has reason to hate and despise the Nazi regime of Germany."

And yet, said Gen. Marshall, Cocke "sinks his personal feelings in recognizing not only the gravity of the present crisis but the compelling necessity it imposes of allowing Germany, we hope a new Germany, we pray a genuinely democratic Germany, to contribute to the defense of western Europe."

Crash Victim Given Plasma

An unidentified physician crawls into the wreckage of two Long Island trains in New York City to provide plasma for a victim pinned in the twisted jumble of steel. Trains bound from Manhattan to Long Island points, crowded with Thanksgiving Eve commuters, crashed in the Kew Gardens section of Queens.

MacArthur Flies Over Enemy Territory to Reach Front

Rumors of Peace Proposals Ended By All-Out Effort to End the War by Christmas

TOKYO, Nov. 24. (AP) — United Nations forces attacked today on all winter fronts in a powerful bid to end the Korean war by Christmas. They advanced as much as eight miles.

The attack began in bitter cold. Like a pair of ice tongs, it was aimed at squeezing the Reds from two widely-separated sides. It cracked unconfirmed peace rumors.

One hundred thousand men were arrayed in the UN surprise offensive on the long-quiet northwest front, 45 to 60 miles south of the Manchurian border.

NEW ARMIES

Gen. MacArthur went to the front to direct the kick-off. Then boldly he flew over Red territory and along the Yalu River border en route to Tokyo. He announced everything was going "according to schedule."

The UN commander said "new Red armies" had joined the estimated 100,000 Chinese and North Korean troops in the mountains of the Northwest. But front line dispatches said they put up little fight along the 80 mile northwest front — or none at all.

MacArthur reported "stubborn but failing resistance." Presumably he referred to the snow-mantled northeast front, the right arm of the giant pincers.

The supreme commander said UN losses in the first day of the massive offensive were "extraordinarily light."

CUT PEACE RUMOR

The roar of warplanes — flying cover for the advancing troops and blasting Red strongholds — drowned out talk of a negotiated peace which had blossomed Thursday. The planes left two key Red cities in flames. MacArthur flew over both — Sinuiju and Kanggye —as fighters flew protective cover for him from the ground up to 35,000 feet.

Before leaving the front MacArthur told his field generals:

"Tell the boys when they reach the Yalu they are going home. I want to make good on my statement that they are going to eat Christmas dinner at home."

He did not elaborate.

It seemed doubtful that many American troops could be moved back to the U. S. by Christmas even if they started now.

MacArthur said the big push began with the morale of troops high — bolstered by "the justice of our cause and promise of early completion of our mission."

Chinese Reds Release Thirty U. S. Wounded

NORTHWEST FRONT, Korea, Nov. 24. (AP)—Thirty wounded American prisoners from the ambushed U. S. Eighth Cavalry Regiment were released today by Chinese Reds.

All but three were litter cases.

The Chinese released 27 others Wednesday.

The 30 included one captain and three lieutenants.

The men were taken to a village near the American lines Thursday night and placed in a Korean house.

A Chinese guard gave two men a letter to be delivered to U. S. lines.

CONTENTS

The letter instructed the American commander to send one litter jeep with a large flag on its right fender and with no arms or escort. The letter said the jeep would be permitted to shuttle the men back to the American lines.

Two prisoners took the letter and walked toward the American lines during the night. An American task force met them on the road.

The task force drove on ahead and found the remaining prisoners in the Korean house.

The liberated doughboys were taken to a clearing station. Reporters were forbidden to see them.

One of the prisoners told officers he was with a group surrounded and captured after a three-day fight with the Red Chinese and North Koreans near Unsan.

PERSISTENT

He said the Reds had kept up persistent attacks day and night.

The Americans set haystacks afire at night with tracer bullets. The burning hay illuminated the attacking Reds and the Americans were able to repulse them.

The following day the Americans got orders to fight their way out the best they could. They tired. The Reds opened up with everything.

The Americans were given good treatment, the best the Chinese could offer, the prisoner said. They also were given some medical aid.

The Chinese told the [illegible] they believed the South had had invaded North Korea [illegible] the Americans intended to cross the Manchurian border.

Paulk Funeral To Be Today

Funeral services were to be held at 3 o'clock this afternoon for Richard L. Paulk, 64 years old, a resident of Scurry County most of his life.

Mr. Paulk died unexpectedly of a heart attack Wednesday in Fort Stockton.

Born in Milam County, he moved with his family to Bell County, and later, in 1903, the family moved to Scurry County.

For most of his life, Mr. Paulk farmed near Lloyd Mountain community in Scurry County.

He leaves a daughter, Mrs. Ava Bessie, Roswell, N. M.; a brother William W. Paulk, Clarksville Fisher County; and a sister, Mrs. Nettie Rodman, Woodsboro, Tex.

Burial will be in the Snyder cemetery under the direction of the Bolger-Barnes funeral home.

Pall bearers will be Alfred Paulk, Jesse Paulk, Bill Paulk, D. G. Hamilton, J. D. Kinciad, and Joe Earl Lapour.

Barkley Celebrating His 73rd Birthday

WASHINGTON, Nov. 24. (AP)—Vice President Barkley is celebrating his 73rd birthday by going home to his apartment from naval hospital for a few hours today, but he won't have a birthday cake.

Barkley was reported "feeling fine" but planned to return to the hospital later in the day.

Yank Casualty List Up 1,115

WASHINGTON, Nov. 24. (AP)—American casualties in the Korean conflict rose today to 29,[illegible], an increase of 1,115 over a week ago.

The new total covers casualties about which next of kin had been notified through Friday, Nov. 17. It does not include all casualties that had occurred up to that time because of the time required to check casualty reports in the Far East, forward them to the Defense Department and notify relatives.

Of the total number of casualties, 4,993 were deaths. The number of non-fatally wounded was 20,568. An additional 4,439 had been reported missing in action. Of the latter, four had subsequently died and are included in both the "dead" and "missing" totals. 528 returned to United Nations military lines and 107 were learned to be in enemy hands. This left the number listed as currently missing on Nov. 17 at 3,800.

By far the largest number of total casualties, 25,677, was reported by the Army. Navy casualties totaled 320, Marine casualties 3,756 and Air Force 243.

Red Collaborators Get Death Sentence

SEOUL, Nov. 24. (AP) — Maj. Gen. Lee Ho said today 877 Red collaborators have been sentenced to death by Republic of Korea military and civil courts.

ASSURED PRODUCER

Honoluiu Oil Corp. and Signal Oil & Gas Co. has been assured a producer at their No. 1 Burleson, one-location northeast offset to their No. 1-13 Underwood, discovery of the Ropes-Pennsylvanian field in Southeast Hockley County.

The indicated extension is at total depth of 9,272 feet and was preparing to complete.

On a two-hour and 16-minute drillstem test from 9,245 to 9,272 feet, gas was to the surface in 35 minutes and oil in one hour and 16 minutes.

It was flowed to tanks for one hour through a choke of unreported size at the rate of 50 barrels per hour. Recovery after the test was not measured.

The No. 1 Burleson topped the reef at 9,243 feet, elevation 3,389 feet. That makes it 119 feet high to the same operators' No. 1 Emmons, a producer which is one location to the south.

It is also 37 feet high to the discovery and 44 feet high to the No. 1 Hopper, which is a producer one location to the west.

Location is 510 feet from west and south lines of labor 9, league 5, Wilbarger County school land survey.

TERRY OFFSET

Amerada Petroleum Corp. has spotted location for a one - half mile south offset to its No. 1 Willard, discovery well of the Adair-Wolfcamp field of extreme Central-South Terry County.

It will be drilled as that concern's No. 1 Elmer Millard, 660 feet from north and east lines of the southwest quarter of section 6, block C-37, psl survey.

The discovery was completed for a calculated 24 - hour flowing potential of 1,246.56 barrels of 43.3-gravity oil. This was based on a 12-hour gauge of 623.38 barrels of oil.

The completion test was made from perforated section at 8,480-8,556 feet.

The No. 1 Elmer Miller is projected to go to around 9,000 feet. Drillsite is 20 miles northeast of Seagraves.

TOM GREEN

Sun Oil Co. and associates No. 3 Linthicum has indicated that it can be completed as the second producer from the Palo Pinto lime in the Pulliam field of West-Central Tom Green County.

This project had flowed to pits at the estimated rate of six barrels of oil per hour naturally, from a pay section at 5,165-81 feet. The flow was through a one-quarter inch choke.

The flow came in two and three-quarter hours after the tool was opened on a hook-wall packer test on the 5,165-81 foot interval. The oil came through perforations in the 5½-inch casing which had been cemented at 5,213 feet.

No water appeared with the oil. The well is now shut-in to connect with storage. When that has been done the well will be completed.

This project is 1,980 feet from north and 5,353 feet from east lines of section 1, block 4, H&TC survey. It is four miles west of San Angelo.

Sun and others No. 3 Linthicum had originally drilled to a bottom of 5,494 feet in the Strawn lime of the lower Pennsylvanian and was plugged and abandoned there after finding no petroleum in that zone.

The Palo Pinto zone was not tested in this exploration as it drilled down.

After the No. 3 Linthicum had been abandoned, Sun and others found commercial production in the Palo Pinto in their No. 4 Linthicum, one location northeast offset to the No. 3 Linthicum.

When that well was completed for the upper pay, after it had also failed in the Strawn, the No. 3 Linthicum was re-entered and drilled out. Pipe was set and perforated, and the flowing oil from the Palo Pinto resulted.

A new location for the Pulliam field is to be Sun and associates No. 3 M. B. Pulliam. It is to be 60 feet from south and west lines of section 2, A. J. Taylor survey.

That makes it 1,320 feet north of the No. 4 Linthicum, the Palo Pinto discovery and the same distance east of the Sun and others No. 2 Pulliam, a pumper from the Strawn which is the first oil well to be completed in the Pulliam field.

COMPLETED IN KNOX

Stanolind Oil & Gas Co. No. 1 Icelena Clonts, Central-South-Central Knox County wildcat has been completed as a flowing discovery from the Palo Pinto lime.

The new field opener flowed 129.72 barrels of 38 gravity oil in 24 hours on the official potential test. The flow was through an 11-64th inch choke. Flowing tubing pressure was 125 pounds. Casing pressure was 225 pounds.

Th production was from pay at 4,175-4,220 feet.

Location is five miles northeast of Knox City and in section 7, D. G. Burnett survey No. A-15.

SHALLOW WELL

BLT Co. No. 1 Madeline C. Goldwin is to be a 2,500-foot wildcat in Southwest Terrell County. It will be eight miles north of Sanderson and 660 feet from west and 1,980 feet from south lines of section 96, block 1, TCRR survey.

It is slated to drill to 2,500 feet using cable tools. Operations are to start at once.

RUNNELS WILDCAT

Wheelock and Strake No. 1 Elo Michaelis is slated to be a 5,400-foot wildcat in Northwest Runnels County.

It is one and one-half miles south of the Fort Chadbourne field and five miles west of Wingate.

Location is 1,683.44 feet from south and 5,295 feet from east lins of the H. Friley survey No. 448.

Sun spotted its No. 11 J. W. Voss 1,980.1 feet from west and tion 203, block 97, H&TC survey and nine miles west of Snyder.

Giant Sloth Fossil 100,000 Years Old Found In Pennsylvania

PHILADELPHIA, Nov. 24. — The Academy of Natural Sciences says fossil remains found near Moorestown, N. J., prove the giant ground sloth — a huge bear-like mammal—made its home in the Philadelphia area 100,000 years ago.

The academy yesterday credited the important fossil discovery to James Ruhle a 14-year-old Moorestown high school student who saw the bones unearthed in an excavation for the New Jersey turnpike on the bank of Pennsauken Creek.

Ruhle took the bones home and reported the find to Dr. Horace G. Richards, the academy's curator of geology and paleontology.

Dr. Richards studied the fossils and then announced they were parts of the vertebra of the large, fur-coated mammal related to the present-day sloths of South America.

Three-County Baptist Brotherhood Meeting Held in Church Here

Approximately 90 members of the Scurry-Mitchell and Big Spring Baptist Brotherhoods attended the barbecue supper and program held at the First Baptist Church here Tuesday night.

The song service was led by Bill Poe, assisted by James Patrick and Ralph Wesson at the piano and organ. Delegations from each of the associations were recognized.

Guest speaker for the evening was L. H. Tapscott, state secretary of the Baptist Brotherhood. He took his topic from a recent publication of the Southern Baptist Convention entitled "The Baptist Brotherhood Guidebook."

The Women's Missionary Union of the Snyder church prepared and served the meal. Members working with Mrs. Wayland G. Holt, president, included Mrs. O. C. Lester, Mrs. Ovid Lawlis, Miss Ruby Bruton, Mrs. E. K. Shepherd and Mrs. Norwood.

The next meeting of the Scurry-Mitchell Association is to be held on Dec. 4, when the program will be devoted to a Foreign Mission Study.

When asked to prepare a statement concerning the proper use of time, a group of young people came up with these words: "Your time is God's time."

Grown-ups may well heed this truth.

One's time is really not one's own. Even though budgeted to include only such things as business, golf, gardening, travel or what not, it is still God's time.

And when we fail to include in our time budget a few hours for the Church and its constructive program, then the One from whom we get all the time we have is being ignored and we are losing priceless returns.

Time given to the Church and the enterprises for which it stands is an investment that pays dividends for all the other worthwhile things we have to do.

Try it. Take an interest in some Church—in the Bible—in an activity on the high level of service to others—and see how much more productive *all* of your time will be.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Big Conference Games To Come

(By the Associated Press)

Arkansas wound up a weary football campaign yesterday by taking a 28-13 licking from Tulsa but all other Southwest Conference teams still have games to play.

Tomorrow Southern Methodist and Baylor clash at Dallas while Rice and Texas Christian battle at Houston.

Next Thursday Texas and Texas A&M play their annual traditional game at Austin and Dec. 2 Baylor and Rice tangle at Houston and Texas Christian and Southern Methodist at Dallas.

That will leave only the Dec. 9 intersectional clash of conference champion Texas and Louisiana State before the regular season is over. Then will come bowl games for Texas A&M, Texas, and probably Southern Methodist, which is being figured for a spot either in the Sugar or Orange Bowls.

Texas meets Tennessee at Dallas Jan. 1 in the Cotton Bowl. Texas A&M plays Georgia at Washington Dec. 9 in the Presidential Cup game.

A crowd of 50,000,000 is due for the Cotton Bowl tomorrow when Baylor and Southern Methodist scrap to see which goes into a tie with Texas A&M for second place. At Houston 25,000 are due to watch Rice and Texas Christian. Rice can make it a three-way tie for second by beating TCU.

Sports Flashback

Snyder Day at Fort Worth Exposition To Be Designated Soon

A day to be designated as "Snyder day" at the Southwestern Exposition and Fat Stock Show in Fort Worth will be accepted by Snyder, according to Harold Bennett, Chamber of Commerce manager.

"Officials of the Fat Stock Show have been notified that Snyder is willing to have a day designated in its honor at the show, and will give all the co-operation possible," Bennett said.

Date for Snyder day will be selected by show officials, and the Chamber of Commerce will be notified in time to make plans for Snyder's participation.

A committee will meet soon after Dec. 1, to make plans for the event.

Snyder has been asked by the show officials to select a Snyder Queen and bring her and the Snyder high school band to the exposition.

The queen will be introduced at one of the performances during Snyder day at the show, and the band would be permitted to give a concert in front of the Will Rogers Memorial Coliseum sometime during the day.

Wharton Expects Bid To Little Rose Bowl

WHARTON, Nov. 24. (AP)—Wharton County Junior College has finished the season undefeated and untied and looks toward the Little Rose Bowl in Pasadena Calif.

The South Texas Junior College Conference kings whipped the University of Houston Freshmen 21-0 last night for their tenth straight victory.

Wharton is considered very much in the running for the Little Rose Bowl Bid. That game will be Dec. 9.

Aggie Freshmen Lose

COLLEGE STATION, Nov. 24. (AP)—A 46-6 walloping yesterday gave the University of Texas freshmen their first football victory over the Texas A&M freshmen in three years—and by the biggest all-time score.

Quarterback Donnie Smith passed for three of the Shorthorns' touchdowns and set up some of the others with slick ball handling.

Johnny Cavileer set up the only score by the Aggie Fish with a 40-yard run.

Abilene Christian Gets Invitation To Refrigerator Bowl

ABILENE, Nov. 24. (AP) — Abilene Christian College, the only undefeated, untied college football team in Texas, will decide today whether to appear in the Refrigerator Bowl at Evansville, Ind., Dec. 2.

ACC was extended the invitation yesterday after beating Howard Payne 27-6 to end the season with 10 straight victories.

The Christians would play either St. Norbert of Wisconsin or Gustavus Adolphus of Minnesota in the Refrigerator Bowl.

2 High Schools In Title Fight

By HAROLD V. RATLIFF
(Associated Press Staff)

Two of the three defending state champions in Texas schoolboy football are in the battle for 1950 titles.

Thomas Jefferson returned to fight for the City Conference crown yesterday as the Jeffs beat Brackenridge 25-21 for the San Antonio District pennant.

Wichita Falls, which got off the floor to roll in with the District 2 championship, is back in the scrap for the Class AA diadem. The Coyotes whipped Vernon 19-6 yesterday for the district title.

The state play-off bracket of the have a new champion. Littlefield was eliminated in the district race.

The state ploy-off bracket of the City Conference was completed last night as Sunset beat Woodrow Wilson 34-13 for the Dallas District title.

Sunset plays Arlington Heights, Fort Worth District king at Dallas Dec. 1. Thomas Jefferson meets John Reagan, Houston District champion at Houston, also Dec. 1. The winners will play the following week for the state championship.

SEVEN CHAMPS

Class AA has determined seven district champions—Wichita Falls, Lubbock, San Angelo, Highland Park (Dallas), Texarkana, Conroe, and Baytown.

Lubbock sewed up the District 3 title yesterday by upsetting Odessa 20-7. San Angelo beat Abilene 20-7 for the District 5 title. Highland Park eased over McKinney 32-0 for the District 8 flag. The other champions had been determined previously.

Titles of at least five districts go on the line today and tonight. Breckenridge will be at Cleburne with District 6 in the balance. This also matches two of the five undefeated, untied teams in Class AA. Temple plays at Waco and can win the district with a tie or victory. Austin will be at Kerrville to decide the title of District 14. Laredo will play at Alice for the District 15 crown. Harlingen entertains Brownsville and can win the District 16 championship with a tie or victory.

CLASS AA

Districts 1, 4, 7 and 11 won't be determined this week. Pampa which beat Plainview 27-12 yesterday, leads District 1. Bowie (El Paso), Austin (El Paso) and El Paso High are in a virtual tie for the lead in District 4. It will require next week's Austin-El Paso game to decide it. In District 7 there is a huge snarl. Sherman beat Denison 14-7 and Paris nipped Greenville 20-16 yesterday so Denison and Sherman are tied for the lead and Paris has only to beat Gainesville next week to make it a three-way affair. In District 11 Port Arthur and Port Neches, the leaders, play next week.

Levelland Coleman, Arlington, Kermit, Athens and La Vega marched into the second round of the Class A state play-off yesterday and last night. Levelland beat Spur 25-21, Coleman downed Ranger 27-0, Arlington whipped Newcastle 19-6, Kermit slammed Colorado City 38-0, Athens humbled Mineola 31-0 and La Vega beat Mexia 27-13 in bi-district games.

Today and tonight Hereford plays Shamrock, Albany clashes with Olney, Mt. Vernon plays Atlanta, Jacksonville engages Huntsville, Georgetown tackles Llano, Brenham plays New Braunfels, Alvin takes on French (Beaumont), Wharton plays Karnes City, Sinton meets Donna and South San Antonio plays Pearsall in bi-district games. This will eliminate the title contenders in Class A to 16.

Tennessee-Kentucky To Be Big Game In Saturday's Battles

NEW YORK, Nov. 24. (AP) — Now that the skimpy Thanksgiving Day program is over college football fans are looking forward to tomorrow's big games headed by the Tennessee-Kentucky clash at Knoxville.

The Knoxville classic between the giants of the deep south lost some of its importance however when Temessee jumped the gun and accepted an invitation to play Texas in the Cotton Bowl.

One of the day's fiercest struggles likely will take place at Norman where the Oklahoma Sooners engage the Nebraska Cornhuskers. The Huskers, by winning, could tie the Sooners for the Big Seven title and become prime bowl material—either Sugar or Orange. The solid vote, however, is for Oklahoma, ranked first nationally in the Associated Press poll.

ILLINI FAVORED

Illinois, which upset Ohio State last week, is favored to close with a victory over Northwestern at Evanston and wrap up the Rose Bowl assignment.

Should the Illini lose, however, thrice-beaten Wisconsin could finish with a better Big Ten percentage by trimming Minnesota at Madison. Michigan also retains a slim outside chance of going to Pasadena as it faces Ohio State at Columbus.

California's all-winning Bears must humble the Stanford Indians at Berkeley to nail down the West Coast crown. In the unlikely event that they fail, and the Washington Huskies down Washington State, it will require a vote of the league membership to select the Rose Bowl host team.

With Texas and the Texas Aggies resting up for their traditional test next week, the top attraction in the Southwest Conference finds Baylor playing SMU at Dallas.

ARMY IS IDLE

In the East, undefeated Princeton figures to make it a perfect season with a decisive win over Dartmouth. Penn, also unbeaten withih the Ivy League, closes against Cornell at Philadelphia. Army will be idle until it engages Navy next week.

The once-tied Miami Hurricanes play Iowa tonight at Miami. They need to lick the Hawkeyes to make certain of the host job in the Orange Bowl. Other major games Saturday include:

Alabama at Florida, Colgate at Rutgers, Colorado at Colorado A&M, Clemson at Auburn, Davidson at Georgia Tech, Duke at North Carolina, Furman at Georgia, Indiana at Purdue, Kansas State at Oklahoma A&M, North Carolina State at William and Mary, Oregon at Oregon State, Penn State at Pittsburgh, Rice at TCU, Southern Calif. at UCLA, Vanderbilt at Tulane, Wake Forest at South Carolina and Yale at Harvard.

Wyoming, Washington and Lee, Tulsa, Missouri and Columbia featured the Turkey Day activities.

Wyoming, ranked 12th in the AP poll, walloped Denver, 42-12, to take the Skyline Six title.

Washington and Lee won its first Southern Conference championship in 16 years by drubbing Richmond 67-7. Tulsa, Missouri Valley conference kings, whipped Arkansas 28-13. Missouri upset Kansas, 20-6 while Columbia closed its season with a 33-0 morning rout of Brown.

Virginia Military blasted Virginia Tech, 27-0; Utah swamped Utah State 46-0; and Trinity drubbed Tufts 48-6.

Sears Foundation Gilt To Hermleigh Youth

Bert Stahl of the Hermleigh chapter of the Future Farmers of America, has been awarded a registered Durcoc-Jersey gilt by the Sears Foundation.

This $50 prize is one of the awards made annually to each F. F. A. District in Texas.

This award is given for promotion of the livestock industry. Each boy who is awarded a pig or pigs, usually buys gilts. These gilts are then bred and anywhere from one to three pigs are given to different boys in the local F.F. A. chapter. This award is for any kind of livestock such as cattle, both beef and dairy, and sheep.

Hermleigh F.F.A. in which there are 44 boys, has held three chapter meetings. Thirty-four are in regular Vocational Agriculture classes and 10 are part-time students.

At the last meeting the chapter voted to sell $180 in subscriptions to the Progressive Farmer for which the chapter will receive a wire recorder and 16 mm movie camera.

The chapter started butchering hogs Tuesday, and will buy equipment for the shop with the money that is earned from that activity.

Seven of the ten football games on the University of Miami's 1950 schedule are intersectional affairs.

Do You Feel Half-Dead
Listless, Worn-out?
Due to a Lack of Vitamins B1, B2, Iron and Niacin!

Are you passing up chances to have fun, letting life pass you by, because you're tired, run-down, under the weather, due to a lack of Vitamins B1, B2, Iron and Niacin? Thousands are getting back on the track by taking Hadacol regularly to relieve the cause of trouble due to such deficiencies, like Mrs. E. A. Dotson, 2121 N. 11 St., Fort Smith, Arkansas, who says:

"I am now on my 8th bottle of Hadacol, which has proven a great help to me. I am 71, will be 72, the sixth of September. I was weak, run-down, could not eat. What I did eat hurt me, especially in the morning. Now, I eat better, am stronger, do work I haven't done for years, feel fine. I recommend Hadacol, a fine thing for elderly people."

Recommended by many doctors. Only Hadacol gives you that "Wonderful Hadacol Feeling!" Trial size bottle only $1.25, large hospital or family size, $3.50. Money-back guarantee.

Seventh Army Is Reactivated

HEIDELBERG, Germany, Nov 24. (AP) — The United States today announced reactivation in Europe of its Seventh Army—the first American "army" on the continent since demobilization after World War II.

Two veteran major tactical units of American forces in Germany—the Fidst U. S. Infantry Division and the U. S. Constabulary—have been assigned to the new unit, the U. S. commander-in-chief in Europe, Gen. Thomas T. Handy, announced.

The Seventh Army will have its headquarters in Stuttgart. Its commander will be Lt. Gen. Manton S. Eddy, commanding general of U. S. ground forces in Europe.

House, One Week Old, Destroyed by Fire Today

Fire this morning destroyed a small one-room house on the Lamesa highway occupied by J. I. Mothershed, who said he was alone when a kerosene cook stove exploded.

Mothershed, who also said he had just built the house a week ago, told firemen of dragging the blazing stove from the room in hopes of preventing the structure from burning. Flames had already spread to the walls and the bed by the time he removed the stove.

Flames from Mothershed's house which burned to the ground, also damaged another house a few feet away, but firemen saved it by keeping a spray of water on it until all flames were extinguished. The fire began about 8:30 o'clock.

Man Claims 151 Years

MOSCOW, Nov. 24. (AP) — An Azerbaijan mountaineer, Ibrahim Gadzhiev, recently celebrated his 151st birthday, a Soviet newspaper reported today. The dispatch said Gadzhiev, "despite his advanced age feels in good health." His family was said to number about 50 persons.

Thirty-two Couples Form Square Dance Club

Jack Riggs has been elected president of a new square dance club, organized by members of Harry King's square dance class.

Other officers of the club will be Ralph Geisenhoner, vice-president, and George E. Frazier secretary-treasurer. Directors will be Marshal Bratton, Lloyd Clark, Mrs. I. S. Dolen and Mrs. Edwin Rhodes.

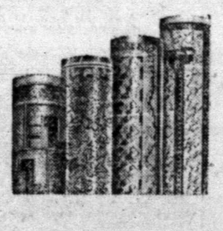

There are at present 32 couples attending the dance sessions, for which King will call. The club is now holding meetings each Monday night.

Eddie Erdelatz, Navy's new head football coach, scouted a game for Earl Blaik of Army when the latter was coach at Dartmouth.

Los Angeles Wilts In Thanksgiving Sun

LOS ANGELES, Nov. 24. (AP) — Know how a turkey feels on Thanksgiving?

Hot. That's the way Los Angeles felt yesterday. The official maximum temperature was only 85 degrees, but 100 high school girls keeled over when the mercury bubbled up to 111 degrees in breezeless Memorial Coliseum. Competing in a drill team contest at a benefit football game, they recovered after first aid.

Thousands deserted oven-hot kitchens for balmy beaches, taking their turkeys with them.

16-Year-Old Kills Brother

CLEVELAND, Miss., Nov. 24. (AP) —A series of bitter arguments led to the slaying of a 17-year-old boy by his younger brother.

County Atty. R. E. Jackson, Jr., said Eugene Adams signed a statement that he shot his brother Alvin with a .22 caliber rifle at their home and then hauled the body to a Mississippi River levee.

Alvin was shot Tuesday while he slept, Jackson said. His body was found on the levee yesterday.

The 16-year-old younger brother was booked on a charge of murder.

Sees Early End To Korean War

TOKYO, Nov. 24. (AP) — Prime Minister Shigeru Yoshida said today Gen. MacArthur's assumption of the personal direction of the fighting in North Korea "gives assurance of an early termination of the war."

He made the statement in his administrative policy speech to the ninth special session of the Japanese Diet (Parliament).

"I hope tranquility will be restored to the (Korean) peninsula soon in the interest of the peace of East Asia and of the world," Yoshida said.

Recent foreign talk concerning an early Japanese peace treaty, the prime minister said, "is good news to us who have been patiently waiting for it these long years, and who desire to conclude the peace as soon as possible and with as many countries as possible."

Weather Plagning Rescue Crews Trying to Reach Crash Scene

MORAN, Wyo., Nov. 24. (AP)—The snow blasted peaks of stark Mount Moran continue to be favored by nature and chance today in the struggle to reach the wreckage of an airliner which rammed the peak Tuesday night.

Paul Judge, acting superintendent at Teton Park said last night that a rescue crew which started up the steep ridges yesterday afternoon will have to return to camp here because it is on the wrong trail.

He said that means that crews probably will not reach until Sunday the scene of the apparent deaths of 13 men and women and eight children of the New Tribes Mission religious organization.

MORE SOUTH

A second crew left last night to overtake the five men in the first party. Planes also were to take off this morning to drop messages to the lead outfit to return to camp and start the tortuous climb again — this time on a ridge a bit south of its present trail.

The crumpled twin-engine liner, a new craft owned by the New Tribes Mission, first was positively located yesterday afternoon about an hour after the first ground crew left here. It was then that it became apparent that the rescue team was climbing the wrong ridge.

SPOT WRECK

Carl J. Peterson of Afton, Wyo., piloting a four-place plane, said he saw the wreckage clearly in what appeared to be a melted spot about 1,100 feet below the summit of the 12,594-foot peak. With Peterson were B. H. Simpson and Dona Leavitt, both of Afton, and Photographer Rex Nield of the Idaho Falls, Idaho Post Register.

Peterson said the plane is resting on the top edge of a jagged ridge, almost perfectly balanced on the hump. He said it appeared that the plane might have cleared the peak if it had been five feet more to the right.

to 13,500 feet to explore the Ellenburger in Central West Midland County.

The prospector will be one and one-half miles west of the same company's No. 2 Roy Parks, the opener of the Parks-Ellenburger field, and four and one quarter miles south and a little west of the Texas Co. No. 1 Scharbauer, the discovery well and up to now the only producer in the Warfield-Ellenburger field.

PECOS LOCATIONS

Locations have been spotted for three wildcat explorations in North Pecos County.

Curtis R. Inman of Midland will drill his No. 2 Unsicker as a 1,475 foot cable tool wildcat 30 feet from northwest and 1 980 feet from north east lines of the east quarter of section 15, block 10, H&GN survey.

That makes drillsite 10 miles southwest of Imperial.

Hal C. Peck of Midland staked location for his No. 1 Colden, which will be drilled as a cable tool test to 2,750 feet.

Location is 380 feet from southwest and southeast lines of section 92, block 10, H&GN survey, and eight miles southeast of Imperial.

T. L. Crandell will spud his No. 2 Iowa Realty Trust 1,880 feet from southwest and 330 feet from northwest lines of the south quarter of section 9, block 10, H&GB survey.

This venture will be drilled to 1,125 feet with cable tools. Drillsite is 20 miles northeast of Fort Stockton.

GLASSCOCK WELL

John Y. Francis of Midland has filed application with the Railroad Commission of Texas to drill his No. 1 W. H. Clark as a 4,000 foot wildcat in West Central Glasscock County, six miles west of Garden City.

The venture will be 330 feet from north and west lines of section 12 block 35, T&P survey, T-4-S.

The projected destination should take the project into the upper Permian.

Car Crash Survivors In Satisfactory Condition

The condition of W. M. Loyd and Mrs. Laura Pippin were reported to be satisfactory today at the Snyder Hospital.

Lloyd and Mrs. Pippin were injured Wednesday night in an automobile accident six miles south of Snyder on Highway 84 in which Lloyd's son, Donald Kenneth Lloyd 12, was killed.

Mrs. Pippin was a passenger in a car driven by Arthur Mathis of Brownwood.

Funeral services for young Lloyd were held yesterday afternoon in the First Baptist Church.

Theft From Telephone Office Is Reported

Theft of property valued at between $140 and $180 was reported to Snyder police by the Southwestern Bell Telephone Co. office 1007 Twenty-fifth Street.

J. B. Patterson, communications engineer for the company, said that a coin case containing two coin boxes and an envelope containing 50-cents was taken.

No evidence of forced entry was shown, according to Patterson's report.

City Detective Toy Gideon is investigating the theft believed to have happened yesterday afternoon.

Week's Schedule At Calvary Baptist Church

The Sunday School of the Calvary Baptist Church Sunday morning will study the first miracle of Jesus related in the second chapter of John, the Rev. T. Gerald Cates pastor, announced today.

The theme of the lesson will be "Jesus Turns the Water Into Wine."

The preaching service Sunday morning will begin at 11 o'clock the sermon subject being "Seven Types of Sinners In the Gospel Recorded by John."

Sunday night the pastor will speak on "Seven Trumpet Judgments of Revelation." Evening services begin at 7:30 o'clock.

Other church services held regularly are: Teachers meeting at 7 o'clock Wednesday night; prayer service Wednesday night at 7:30; and Ladies Bible Study and meditation service Thursday morning at 9:30 o'clock.

Student Survey Provides Data For Expansion

A survey of about 4,500 families in the Snyder school district made by high school civics students was an important factor in the recent decision of the school board to ask a $3,500,000 school bond issue.

These 27 students worked two weeks to make the survey and compile the information for use by the school board in planning expansion of facilities to meet the anticipated demand.

They contacted both families within the city and in the immediate outlying areas to check on the number of pre-school age children who will enter school here soon as well as those now in school.

The work of the class was commended by Arthur L. Maberry school expert for various Texas Oil companies. He pointed out that such a census, if made by a commercial firm, would have cost the district several thousand dollars and would have required months rather than weeks. This would necessarily have delayed any definite building action plans by the school board.

Preliminary tabulations from the survey, which were presented to the board, were plotted on a city and a county map to show where the greatest number of students and prospective students now live and where the greatest number may be when new housing is completed. Colored dots indicated pre-school or school age children as well as whether the student was in elementary school or high school.

Additional survey work will be done soon, Miss Katherine Northcutt, civics instructor, said. It will have particular emphasis on industrial camps near Snyder and other families outside the city. More complete reports will also be made, and drawn on larger city and county maps.

Miss Northcutt said the students reported they had been treated courteously by the persons they contacted, which made their work more pleasant and rapid.

Students who worked on the survey were Merry Bodie, Max Coffee, Louis Franks, Jo Ann Gee Billy Hicks, James Holmes, Dave Houston, Shirley Houston, Billy Huddleston, Billy McCormick, Joyce McCormick, Geraldine McDaniel, Shirley Miller, Lanell Palmer Tommy Pherigo, Tommy Riley Bennie Sims, Bill Smith, Hugh Smith, Martha Stoker, Weldon Swan, S. G. Parbet, Grant Teaff Kenneth Williamson, Betty Lou Wilson and Neal Woods.

Baptist Meeting Monday

The four circles of the Women's Missionary Union of the First Baptist Church will hold their regular meetings in homes of their members Monday afternoon at 3 o'clock.

Circle No. 1 will meet in the home of Mrs. G. B. Clark, Sr., 1700 Twenty-sixth Street; Circle No. 2 will meet in the home of Mrs. Boltz at the Humble Camp; Circle No. 3 with Mrs. A. C. Kincaid, 3108 Avenue T; and the Young Women's Circle will meet with Mrs. Parmley at 905 Thirtieth Street.

Snyder Resident In Garden City Accident Released From Hospital

BIG SPRING, Nov. 24 -(SPL)- Quentin Albert of Snyder, who was injured in a traffic collision that claimed the lives of three persons at Garden City early Thursday, was to be released from Cowper hospital today attending physicians said.

Albert suffered cuts about the head, bruises and abrasions.

Bodies of Levi Roush and Gene Roush, two of the three victims, were carried to Midland late Thursday. Funeral arrangements were pending.

Funeral services for Johnny P. Barton, third victim of the car-pickup collision, will be held at the First Methodist Church in Seminole either Saturday or Sunday.

Barton an oil well driller, is survived by his wife, his father, George W. Barton of Hot Springs, N. M., and a brother, Clyde Barton of Houston.

The collision occurred shortly after 2 a.m. Thursday at the intersection of Farm Road No. 33 and Highway No. 158 in Garden City. The victims were brought to Big Spring in ambulances from the McDaniel-Boullioun Funeral home which went to the scene.

Stores Offer Prizes To Christmas Shoppers

A Treasure Hunt will be in Snyder between Dec. 1, and Dec. 24 it was decided by the Merchants Committee of the Chamber of Commerce this week.

Stores participating in the treasure hunt will give prizes that can be won by anyone who has a lucky ticket. Tickets will be furnished by the Chamber of Commerce and are free to all persons. No one will be limited to a certain amount of tickets, but tickets will be given until are gone, Harold Bennett, manager of the chamber, said.

There are 50,000 tickets available. No purchase is required to obtain a ticket, Bennett said.

Cost of the hunt to the merchants is only the prize they choose to give away. These prizes will be displayed prominently in the stores co-operating in the hunt.

A list of the prizes and the stores in which they are located will be carried in the Snyder Daily News. As the prizes are won the merchant will call the Chamber of Commerce and the winner will be announced each day, along with a list of the prizes not yet won.

400 Attend Union Service

About 400 persons from various churches in Snyder attended a union Thanksgiving service at the First Methodist Church yesterday morning.

The special Thanksgiving sermon was preached by the Rev. T. Gerald Cates, pastor of the Calvary Baptist Church.

Another special feature of the program was rendered by Ralph Wesson, educational director of the First Baptist Church, who played the vibraharp.

Kermit in 38-0 Win Over Colorado City

District 6-A Champs, the Colorado City Wolves, yesterday fell before a scoring onslaught of the Kermit Yellow Jackets that ended 38-0.

The Wolves never got beyond the Kermit 25 yard line, and most of the game was played on their own end of the field.

Fumbles cost the Wolves much yardage and many points in the game, they fumbled and lost the ball six times, compared to one Kermit fumble recovered by the Wolves.

Some 9,000 fans saw not only a complete reversal of the usual Colorado City might, but also saw a complete change in the weather. At opening kickoff time it was a sunny shirt-sleeve day and by mid game the temperature had dropped to 12 below freezing.

Baptist Circles Set Meeting Schedules

The Royal Ambassadors of the First Baptist Church and the Intermediate and Junior Girls Auxiliary of the Women's Missionary Union will meet at 4 o'clock Monday afternoon at the church.

Monday night the department heads of the Sunday School will hold a cabinet meeting at the church at 7:30 o'clock.

Polio Victim Recovers

Famela Jo Gelnar, 18-month-old daughter of Mr. and Mrs. Joe Gelnar, Stafford Trailer Court, was released Wednesday from the polio ward of Hendrick Memorial Hospital, Abilene.

The child was taken to the hospital Oct. 12 after physicians here diagnosed her case as spinal type polio. She was the twenty-first polio victim to be reported from Snyder.

Speaker From Abilene

Curt Steele, Church of Christ minister from Abilene, will speak at the Church of Christ at 1800 Avenue R Wednesday night, it was announced today.

Delegates Plan to Go To Colorado City Meet

Members of the four circles of the Women's Missionary Union of the First Baptist Church have planned to attend an associational W. M. U. meeting at the First Baptist Church of Colorado City Tuesday morning.

The meeting is scheduled to begin at 10 o'clock with representatives of all W.M.U. circles of the churches composing the Mitchell-Scurry County Association. The meeting is for the study of methods and missions.

Training Union Session

The Training Union of the First Baptist Church will hold its monthly business and program planning meeting at the church Tuesday night at 7:30 o'clock, Ralph Wesson, educational director said today.

Young People's Party For Baptist Groups

A combination Thanksgiving and Christmas party will be given tonight for the Young People's Department of the First Baptist Church in the home of Mr. and Mrs. Wayland G. Holt, 1901 Avenue O.

The program will include exchanging of gifts beside a Christmas tree. Miss Mary Belle Weathersbee, associate superintendent of the department, will be in charge of the program.

STOCK MARKET

NEW YORK, Nov. — (AP) — An opening burst of buying swept the stock market to another 20-year peak today.

Leading issues advanced as much as $1.50 or so a share before the most urgent demand was satisfied. Chemical and motor stocks made a better than average showing.

Are You Getting ALL THE FUN OUT OF LIFE?

Or losing out due to a lack of Vitamins B1, B2, Iron and Niacin!

Tired, run-down, below par, getting up each morning dreading the coming day, due to a lack of Vitamins B1, B2, Iron and Niacin? Thousands like Mrs. Clemons, are relieving the real cause of their trouble, due to such deficiencies, with today's great Hadacol.

Mrs. Lenler Clemons, Route 2, Box 169, Williamston, N.C. says: "Before I had taken any Hadacol as had heard of it, no one could have told me that I would be able to work again or take on household duties. I was suffering from aches and pains. I also was unable to attend my church and visit friends because I was always tired and in a run-down condition. But since I have taken several bottles of Hadacol, I can tell you the truth, I am much livelier, my aching has all gone. I can get up early and start on my household duties. Now, I can attend church and feel better. I only wish I had discovered it a year ago. I will certainly pass this on to my friends because I'm proud to be happy again and be a user of Hadacol."

Trial size, bottle, $1.25; family or hospital size, $3.50. Only Hadacol gives you that "Wonderful Hadacol Feeling!"

This Winter

WINTER can upset the performance of your car. Chilling blasts can slow your starts ... cut down your power. Corrosive combustion acids—increased by cold-weather driving—cause *extra* engine wear and so reduce gasoline mileage.

Now ... at last ... you can cushion your engine against winter wear ... by protecting it with the winter grade of new Conoco Super Motor Oil.

get Super Protection!

CHANGE NOW to new Conoco Super Motor Oil ... proved by two winters' testing in the sub-zero cold of the Colorado and Montana mountains ... to be the great new *winter wear-fighter!* Conoco Super Motor Oil safely *gathers up acids and harmful moisture* ... flushes them out of your engine when you drain! New Conoco Super OIL-PLATES your engine ... fights winter-rust, inhibits corrosion, reduces sludge!

Get flying starts ... fast pickup ... full power! *Keep* that new-car gasoline mileage! Drain and refill with the winter grade of new Conoco Super Motor Oil ... at Your Mileage Merchant's ... right away!
