HOTEL BEAUTY SHOP UNDER NEW OWNER

Mrs. Alma Quinn and Mrs. Otis Coleman have announced the new ownership of the Hotel Beauty Shop, formerly Alma's Beauty Shop. The shop is in the Village Hotel and is open Monday through Saturday by appointment.

The new owner, Jean Coleman, has lived in Eastland since 1950. Her husband Otis is employed with Horton Tire Company. They have two children, Susan and Jill.

Mrs. Quinn will continue her job as beauty operator in the shop. She lives in the Village Hotel. She has two

daughters, Mrs. Edwin Aaron of Wichita Falls and Mrs. Jim W. VanSickle, III of Fort Worth, and three grandchildren. Mrs. Quinn has been a beauty operator since 1950 and has worked in Eastland and Midland. She is a graduate of Scroggins Beauty College of Abilene.

Graduating from Scroggins with Alma was Mary Clark. Mary lives in Ranger with her husband and two children, Paula and Billy. Mr. Clark is a lab technician with Lone Star Producing Company. Mary has worked in beauty shops here and in Cisco.

Two new operators at Hotel Beauty Shop are Mrs. Larry Copen and Mrs. Art Fambro, recent graduates of Glen and Lott's School of Beauty in Abilene.

Mrs. Copen, her husband Larry, and their two year old son, Kevin, live at 1001 South Bassett. Larry is with Lone Star Producing.

The Fambros live at 205 North Green Street. Mrs. Coleman says, "Each of these girls will try hard to please each individual customer. We'd like for you to stop by and get to know them."

QUARTERBACK CLUB TO SEE 'JIM BROWN' IN BOWL GAME

Quarterback Club President Robert Lawson has announced that the club meetings will be held at the Elementary School Cafeteria at 7:30 each Monday night.

Monday, Oct. 3, club members will see a film of the Maverick - De Leon game and a film of the 1958 Cotton Bowl game between Syracuse and TCU. Lawson stated that this Bowl game was the last college game Jim Brown played.

The club serves free coffee at each meeting and all members are invited to attend, enjoy the coffee and fellowship, and see the films.

The club has a 153 members at this time, toward a goal

of 200. If you have not yet joined, you may pay the \$5 annual dues to any member. All money will be used to aid the local athletic program.

Don Massingill Is President of Young Farmers

The Eastland County Farmers Chapter held its regular monthly meeting Monday night at Olden, and elected new officers for the coming year.

New officers are: Don Massingill, president; John Kidd, vice-president; Joe Herring, secretary; Fred Brown, treasurer; Charles Veale, reporter.

Advisors for the chapter are Winford Parr, Gilbert Copeland, and B. S. Dudley, vocational agriculture teachers in Eastland, Olden and Ranger.

Recognition was also given Charles Veale, young farmer from Ranger, who was elected Vice-President of Area IV at the Convention held in Abilene on September 24.

The program for the evening was brought by Jim Mitchum of Fort Worth, who discussed farm credit for livestock, and the future of agriculture and the farmer-rancher.

Plans were also discussed for a Swine Production Short Course, sponsored by the Texas Education Agency which will be conducted by the local chapter in November. Everyone interested in feeding, breeding, and management of swine are urged to make plans to attend this four night short course.

Sen. John Tower Headquarters Opens Friday

The Eastland County Headquarters of Senator John G. Tower opened officially at 10 a. m. Friday, September 30. The public was invited to enjoy complimentary coffee and cookies.

Dr. and Mrs. H. J. Bulgerin and Mrs. Virginia Russell, delegates to the State Republican Convention in San Antonio, presented reports on the convention.

The headquarters, located mid-block of the East side of the square, will be open three mornings weekly, Monday, Wednesday, and Friday until further notice.

Workers will be present from 10 a. m. to noon on these mornings to distribute campaign literature, brochures, and bumper stickers. You are invited to stop by the Headquarters any time.

ATTEND CONFERENCE

Mr. and Mrs. Wendell Siebert, Mr. and Mrs. Henry Van Geem, Rev. and Mrs. Lester Davenport, Mrs. Milton Day, Mrs. Joe Stephen, Mrs. Ed Willman, and Charles Marshall attended the Fall Mission Study Conference in Breckenridge on Wednesday evening at St. Paul's Methodist Church. Mr. Siebert reviewed the book, "Keepers of the Poor" which will be the all church mission study for this year.

Mr. and Mrs. James Gilkey, their daughter Lisa, and Debbie Kramer spent the weekend with Mrs. Solora Gilkey. They attended the Peanut Bowl festivities and Lisa and Debbie rode in the parade with Chief Ray Laney.

HORTON Tire Company Presents

BREAD of Life

In returning and rest shall ye be saved; and in quietness and in confidence shall be your strength.— Isaiah 30:15.

Not so quickly, fretted spirit, Lest thy speed but run to waste; He is steadfast who believeth. He who trusteth makes no haste.

Mavericks Gain 3-1 Record

The Eastland Mavericks put together their third victory in Maverick Stadium Friday night by downing the DeLeon Bearcats, 16-12, in an exciting football game sparked by fumbles, penalties and a stiff, cold north wind.

The visitors scored first, with five minutes gone in the first period, and the score served to tighten up the Maverick defense and strengthen the Eastland line for the rest of the game.

Eastland took on the kick-

off, but was unable to gain their first and Punter Tony Lowrance went into the action which proved important for the rest of the game. On their third down, De Leon's Quarterback Kevin Weaver connected with Halfback Kent Boswell for a 25-yard passing gain that set up the score. Two short plunges took the ball to the Maverick six, and Weaver went over on a keeper for the first score. Extra point try failed.

Eastland started a drive

late in the first that netted two first downs on hauls by QB Gene Wilson, Back James Whitehead and it looked promising as they drove to the 29. The quarter ended and a fumble on the first play of the new stanza put the ball into opposing hands.

De Leon had four unsuccessful tries of it, and the Mavs took over again on the 37. On the third down, Greg Emfinger gained a first down and two more short plunges followed.

On the third try, Wilson zeroed in to End Lowrance waiting in the end zone for six points. Big Jim Herridge was waiting in the same corner as Wilson lofted the two-point conversion try. And the score put Eastland ahead 8-6. The remainder of the first half was an exchange with Eastland managing to pickup three more first downs before the half whistle.

Coming into the second half with a new quarterback, De Leon tried a new approach and was advancing until Young Rusty Herridge snagged himself a De Leon pass to give it to the Mavericks on the 25. A 15-yard personal foul penalty hurt, as others did during the night on both sides, and Lowrance went back into action, punting the ball, this time with the North wind, down to the De Leon three-yard line. However, on the second play new QB David Strasner found End Bodie Weaver for a 30 yard pass and moved the ball deep toward mid-field. A 15-yarder moved it back the other way for the Bearcats, but two plays later Scrappy Boswell found a big hole and ran like a race horse for some 72 yards for another 'Cat six-pointer. The extra-point pass was good, but was called back on another 15-yarder and the visitors led, 12-8.

Taking on the 31, Eastland put together two first downs but saw hopes fade on still another 15-yard penalty, before the third period ended.

The third time Eastland had the ball, on the 32, in the last quarter, both sides exchanged 15-yard penalties, and the Black and Reds got down to business. Whitehead picked up a yard, two other tries, one a pass, netted a fourth, and on the fourth situation, Wilson found Jim and a first down. Emfinger picked up four, Wilson, four, and a try to James McKinzie went incomplete. Then Wilson found End Gary Spradling at the goal line, and launched for six more points.

And that could have been the ball game, except Jim Herridge just wouldn't let it end that way and stole himself a De Leon pass, putting the Mavericks back into action as the clock ticked.

Wilson gained 16 himself; Emfinger got 13 more, but three successful tries netted no more firsts and Lowrance booted into the end zone, where it was touched, and pounced upon by an unidentified Maverick for a safety and two more points to literally ICE the game.

Turning in beautiful defensive hustle for the Mavericks were Jay Daniels, Rusty Herridge, Bill Hoffmann, Tommy McCullough, Boyd Porter and Gary Spradling

CHAMBER OF COMMERCE HAS NEW OFFICERS, DIRECTORS

The Chamber of Commerce Directors met at noon Thursday at the White Elephant Restaurant with Jack Arrington, president, presiding. Mrs. Marene Johnson read the minutes of the previous meeting.

Arrington presented the yearly financial report for the Chamber's fiscal year, which ended September 30.

Frank Deaton, chairman of the nominating committee, reported that the return ballots had been tabulated and incoming directors elected by the Chamber membership are Grover Hallmark, Wendell Siebert, Walter Maynard, R. P. Haun and Frank Crowell.

The retiring directors are Don Viergever, Tom Wilson, Bernard Hanna, Charles Frey, and Jim Parks.

Deaton also presented his committee's recommendations for officers to serve this coming year. The board elected the slate of officers unanimously: president, J. A. Staggs; vice president, Clint Bray; and second vice president, Arrington.

Arrington thanked the board for its support and assistance during his term as president.

Staggs asked the retiring directors to meet with the Board on Oct. 27 to welcome the incoming directors. He stated that new committees

would be appointed and new goals set for the coming year.

Present at the meeting were Truett Gregory, Staggs, Everett Plowman, Arrington, Bray, Deaton, Mrs. Johnson, Lewis Tiner, and Tom Wilson, directors; and Mrs. Emma Benton, Chamber secretary.

4 Students At FFA Meeting

Four members of the Eastland F. F. A. Chapter accompanied their advisor, Winford Parr, to Stephenville Monday afternoon for a meeting of Cross Timbers District of the Future Farmers of America. Local members attending were Sam Beggs, Jr., Tommy McCullough, Phil Hunt, and Tony Lowrance.

Phil Hunt, son of Mr. and Mrs. B. L. Hunt of Eastland, was elected as Treasurer of the district, composed of 24 high schools, and will perform his duties at all district meetings throughout the year.

Sam Beggs is currently serving as a vice-president of Area IV F. F. A. composed of some 92 schools.

Mr. and Mrs. Z. O. Mahaffey and Mrs. Lottie Davenport are visiting relatives in Oklahoma City, Okla.

Rev and Mrs. H. M. Tomlinson went to Lubbock Friday to attend a convention of ministers of the Churches of God of Prophecy.

Tree to Be Dedicated To First Administrator

Hospital Ground Committee will dedicate a pin oak tree on the west side of the hospital grounds to the memory of the late Grace R. Reed Hilburn at 11 a. m. Monday, Oct. 3, it has been announced.

All friends of the hospital and of Mrs. Hilburn, first administrator of the hospital, are invited to attend the ser-

vice on the hospital grounds. The Rev. Eugene Surface, pastor of the First Presbyterian Church, will lead in prayer.

Members of the Grounds Committee are Mrs. Samuel Butler, Mrs. Jack Frost, Mrs. Milton Fullen, Mrs. Clyde Grissom and Mrs. Charles E. Terrell.

'2nd Evening of One-Acts' Is Scheduled to Open October 22

Eastland Civic Theater has announced production dates for three one-act plays. "The Second Evening of One-Acts" will begin at 8 p. m. Saturday Oct. 22. There will be a matinee performance Sunday at 2:30 and evening performances on Monday and Tuesday.

The first play will be "The Tenth Word," a comedy composed of two scenes which are separated by several generations. "The Pot Boiler" is the second play and Mrs. Virginia Russell's "Reign of Minnie Belle" will complete the program for each performance.

Mrs. Russell, Theater Director, has a few walk-on speaking parts for women and girls.

Two plays are in rehearsal and one will begin rehearsal Monday night.

TRAINING UNION SCHOOLS ARE PLANNED BY BAPTISTS OF AREA

Cisco Baptist Association will initiate a series of Training Union Leadership schools October 3-6 and October 24-27. First Baptist Church of Eastland and First Baptist Church of Breckenridge will be hosts for the two schools, respectively. A person can choose to attend either October 3-6 at Eastland or October 24-27 at Breckenridge, the schools being the same with the exception of the faculties.
The schools represent the third phase of a comprehensive plan designed to upgrade Training Union. Southern Baptist training program for every church.
Featured at the schools will be five new leadership manuals prepared by Baptist writers for the eight age groups comprising the organization. Representative age group leadership from a majority of the churches in the Cisco Association are expected to attend the area schools.
Local leaders who will serve as conference leaders and the age group involved are the following in the Eastland school: Rev. L. R. Penley, pastor of First, Rising Star, leader of General Officers and Pastors; Rev. Avery Sullivan, pastor of First, Ranger, leader of Adults; Rev. Charlie Cluck, pastor of Okra, leader of Young People and their leaders; Mrs. J. E. Crumbley, leader of Intermediate workers; Mrs. Fred Watkins, leader of Junior leaders; Mrs. Bob Farrell, leader of Primary leaders; Mrs. Moody Smith, leader of Beginner leaders; and Billy King, associate of the Baptist General Convention of Texas Training Union Department, leader of Nursery workers.
The age group leadership trained in this and similar associational schools across the state of Texas will return to their churches to launch the enlarged concept of training, advancing Christian concepts of growth set forth in the new manuals.
First phase of the modern "Relay Training Stations" program of which these schools are a part came in a week-long series of conferences at Glorieta Baptist

Assembly located at Glorieta, New Mexico this summer when authors of the new leadership books taught faculties of Texas Baptists.

These faculties, in turn, returned to the state to "relay" the instruction to area faculties made up of many associations in all parts of the state. This third phase is planned to give to local church leadership the same quality instruction given at the Glorieta sessions.

The current program is under sponsorship of the Training Union Department of the Baptist General Convention of Texas. The convention is made of some 4,000 churches with a membership of 1.8 million persons.

Dr. Reynolds Will Preach Sermon Today

Dr. S. Wayne Reynolds, superintendent of the Cisco District of Methodist Churches, will deliver both sermons at the First Methodist Church Sunday. His morning message will be "God's People Around The World," and his evening sermon will be "Great Gamblers."

Canada and the U.S. are separated by the longest international boundary in the world without fortification.

COUNTY SCHOOLS ARE APPROVED FOR GRANT

All Eastland County schools were notified Friday that the Title I program for the county had been approved for \$104,985.00, effective August 26, 1966.

Schools besides Ranger included Carbon, Cisco, Eastland, Gorman, Olden. The grant is for 15 per cent less than last year.

Money to finance part of the program will be sent within a week it is expected. Ranger got its Title I program under way September 1.

At Hodges on the program is an office aide, remedial and music teacher combined and a half-time librarian.

At Young there is an office aide, remedial reading and music teacher.

At the Junior-Senior High School is an office aide, remedial language arts teacher.

Ranger has requested and been approved for \$36,463 on this Title I program. Last year the school received \$42,000.

The budget for this year calls for \$1,000 for equipment, \$24,550 for instruction salaries, \$6,163 for instructional supplies, plus some administrative cost mainly at the county level.

Ranger Schools is in a County-Co-op program with all other Eastland County Schools.

S. E. WATERS

Area Native With Humble 40 Years

HOUSTON — S. E. Waters, 1414 Wiliston Street, Pampa, Texas, field gauger in Humble Pipe Line Company's Abilene District, recently completed forty years of service with the company.

Mr. Waters was honored at a luncheon in Pampa on September 23 by friends and employees of the Abilene District. D. C. Lamm, operations manager from Houston, presented Mr. Waters with a Forty Year Service award and reviewed his long career with the company.

The veteran pipeliner was born in Cisco, where he attended school.

Mr. Waters joined Humble Pipe Line Company as a laborer at Ranger in 1926. In 1928, he was assigned to McCamey, and later he worked at Station "A" and Station "B". In 1930 he was assigned to Kemper Station and held various jobs to include stock gauger, carpenter, and truck driver. In 1943 he was transferred to Pampa as a field gauger and has remained at this location since that time.

He is married to the former Helen Kirkland of Cisco. They have two sons: Ronald Wayne Waters of Oklahoma City, Oklahoma, and Sam C. Waters, who is attending Tulane University in New Orleans, Louisiana.

MARY ANN LEWIS
of Mr. and Mrs. Clyde Manning, is one of five girls nominated for sophomore queen at Baylor University. Mary Ann is an English and math major at Baylor.

12 Members and Guests At Meeting Morton Valley Demonstration Club

The Morton Valley Home Demonstration Club met Sept. 28 in the club house. There were 12 members and three visitors present for the regular meeting.

Mrs. M. V. Harrison, vice-president, presided in the absence of the president, Mrs. L. E. Orms led the club's motto, pledge and prayer. A devotional was given by Mrs. Joe Bond.

The club selected Mrs. M. V. Harrison as "Woman of the Year."

Those of our ladies who helped with council dinner served to the Bonds on Peanut Bowl day were Mmes. D. J. West, H. N. Sherman, L. W. Leach, and H. C. Pounds. The program consisted of a

SOME CALL IT MASS MURDER —

... while others described it as 'death on the loose' Whatever it is the Department of Public Safety officials predict that more persons will lose their lives in traffic accidents in Texas this year than any previous year on record. More and faster cars on crowded highways spell out trouble for those who use them. What should be done in the face of this warning? For one thing we can all drive carefully and be adequately insured.

Now — U. S. Savings Bonds Pay More Interest

4.15% when held to maturity

Higher interest on the Bonds you already own, too!

U.S. Savings Bonds are a better way to save than ever

Because new all Series E and Series H Bonds bought after December 1, 1965, will earn the new, higher interest rate of 4.15% when held to maturity. That's only 7 years for Series E — 9 months quicker than before. All H Bond interest checks will be larger beginning in June 1966.

And your outstanding Bonds will earn more, too, from now on. So, you don't have to cash in your present Bonds to get the attractive new rate. Ask about buying Bonds where you work or bank. For America's future. And yours.

"Today, none of us can remain aloof on the sidelines."

"Today, above all, is a time for all Americans to rededicate themselves to the spirit that animated the Minutemen of Concord—who serve as a symbol of the Savings Bond program. For today, as at the founding of our nation, it is freedom which is again at stake. Not all of us are called upon to fight in the jungles of Vietnam, but while our men are there, in the front lines of a distant land, none of us can remain aloof on the sidelines. We must all do our share—in every way we can—to support our men in Vietnam. One sure way is open to all Americans through the Savings Bond program."

Jeane Morren and John Muncy Wed In Church Ceremony Friday Night

Miss Jeane Morren, daughter of Mr. and Mrs. Otto Morren of Eastland, and Mr. John Muncy, son of Mr. and Mrs. W. B. Muncy of Fort Worth, were married September 30 in the Eastland Church of Christ.

Gary Adams, minister of the Church of Christ in Cisco, officiated at the double-ring ceremony.

Given in marriage by her father, the bride wore a floor length gown of white linen with a fitted bodice accented by a floral design of white seed pearls. A train formed in the back was set off by a bow at the waistline. Her veil was atop a cluster of lace leaves accented by white seed pearls.

She carried a crescent shaped bouquet of white carnations with English ivy leaves.

Miss JoAnn Morren, sister of the bride, was maid of honor. She wore a street-length dress of red satin with a lace jacket. She carried white carnations, accented by red ribbon and lace.

Robert Muncy of Fort

Worth served as his brother's best man.

The church was decorated with an archway composed of baskets of white gladiolas and fourteen candles.

Mrs. Morren, mother of the bride, wore a beige dress with brown accessories and a red feathered carnation corsage. The groom's mother wore a brown lace dress with matching jacket and a white feathered carnation corsage.

A reception following the ceremony was held in the home of the bride's parents. The centerpiece was an arrangement of white carnations with a red bead in the center of each. Candles were on each side of the centerpiece. Red punch with a white rose floating in it was served.

The bride's going-away costume was a royal blue suit accented by red stitching. She wore blue accessories and a corsage of miniature red roses.

After a wedding trip, the couple will be at home in Eastland.

MUSIC CLUB TO BEGIN YEAR ON WEDNESDAY

Eastland Music Study Club will open its forty-sixth year Wednesday October 5, with a meeting at 9:30 a. m., at Beall Hurst Ranch.

The Music Club is under the able guidance of Mrs. Donald H. Russell, president. She and her roster of efficient officers and committees will present a number of special programs. The study book for the year will be "Great Operas", Volumes 1 and 2, by Ernst Newman.

"Mrs. Russell needs no introduction to the public," says Club reporter Marjorie Van Hoose. "Her talents and artistic ability are well known to everyone. This is her second year to serve as

Visiting German Woman Tells Impressions To Lions Clubs

A 23-year old German agriculture student, Miss Uta Heigl, who has been in the United States for the past several months as a Lions International exchange student, has spoken to area Lions Clubs, including Ranger, Cisco and Eastland groups.

Miss Heigl, who has based her U. S. travels at the home of Mr. and Mrs. Bill Echols of Caddo, will leave the U. S. on October 18. She is a college graduate with an agriculture degree.

A recent talk by Miss Heigl to the Breckenridge Lions Club included the following interesting information about her travels:

"Through the Lions Club, I had a wonderful opportunity to see the United States, and the Lions Club members have made my stay a very wonderful one. Bill and Dusty Echols made me feel so much at home I hate to leave them."

"I stayed three days at a ranch in Montana, and I will never forget the first meeting I had with a wild bear."

"In Los Angeles, I visited

Marineland, Disneyland, and the Hollywood Studios (if you ever like to go to the cinema, don't look at the studios and see how much they cheat you.)

"From El Paso I went to Mexico — to Juarez — and I was really disappointed by the Rio Grande, because it's really just a little ditch. You know I had imagined something bigger than the Danube — very blue — and I was very disappointed."

"Last week I went to St. Louis where Mr. Ratliff of Ranger had arranged for me to visit the interesting Purina factory. I rode a river boat on the Mississippi and thought it was very romantic."

"I went to Chicago last weekend and a young German who has lived there six years took me through the trouble-making city. I cannot imagine how anyone can live in a mess like that. I cannot want to be respected if I still live in the mud and don't work. It just takes a broom to clean a little bit."

"In all the traveling I did I was always so amazed about the American hospitality and friendliness, but let me tell you that the most helpful and friendly crowd live in Texas."

"I learned a lot about agriculture. You have wide open spaces — that's one advantage; we can't have that and your farmers and ranchers are more open minded and take new ideas quicker than perhaps we do in Germany."

"The machinery and equipment is about the same over here. The research people seem to work closer over here with the farmers. I am always amazed at how much freedom you have got, and let me emphasize this: do as much as you can so that your government does not slowly and hardly recognizably take away your freedom, more and more, like they do with us in Germany. Make your freedom an everlasting one and don't be afraid of Communism from the outside, but watch Communism from the inside. That's the more dangerous one because it is hardly recognizable."

"Texas was for me more Texas than I had expected it to be. While I could imagine there were no live Indians living in Breckenridge or Fort Worth, I never thought that you would wear, for example, your Texas hat. I was thrilled when I saw people running around with cowboy hats and I like that. I knew from the TV that Mr. Johnson was wearing the cowboy hat, but I thought he was just showing off."

"When Bill and Charlie Echols took me to gather cattle on horseback and branded them afterwards, I felt like in a movie. Skunks and rattlesnakes awoke me from the movie, but it made the cattle branding quite an event."

"I recognize how much similarity there is between Texans and Bavarians. We wear our green hats and our national costumes still like you wear your Levis and your cowboy hats. We have the Prussians, or the North Germans, to put up with, and you've got the Yankees."

A World of Good Turns

A Good Turn daily, by millions of Boy Scouts of America, adds up to billions yearly. And billions of Good Turns, year in and year out, affect our whole country. Because each friendly act of service, however simple, increases the spirit of helpfulness that boys carry into adult life. A "good turn" is the real mark of a good scout, at any age.

MANY HAVE FOUND 4-LEAF FUN & KNOWLEDGE IN 4-H WORK

"Most people consider it a good fortune to spot a four-leaf clover. But those who find a four-leaf clover with an 'H' on each leaf are even more fortunate," says Assistant County Home Demonstration Agent Mrs. Wanda Chilton.

The well-known symbol of 4-H has served one out of every five adults in the United States. These 23 million 4-H alumni and some 2.2 million 4-H boys and girls currently enrolled, provide strong evidence to back the agent's statement. Here in Eastland County, 200 have discovered the lucky 4-H clover, Mrs. Chilton says.

With these young people, 4-H is a way of life. For boys and girls between the ages of 9 and 19, 4-H offers opportunities to develop wholesome character and leadership. Also they learn to work together and share responsibility.

The 4-H project, a highly successful education method, is made more interesting with complimenting activities. The-

se offer variety to all boys and girls, whether they live in the country, suburbs, or the city. Some of the most popular areas are family living, personal development, home management, conservation, engineering, horse and community beautification.

Boys and girls value their 4-H training as they participate in school, church, and community groups and activities. Their lives are enriched by having found that lucky four-leaf clover with the four 'H's.'

If you are interested in finding out more about the 4-H clover, call your county extension agents, Mrs. Wanda Chilton, MAIn 9-1729 or Mr. Bob Cohen at MAIn 9-2674. They have a head, heart, hands and health clover reserved just for YOU!

Mr. and Mrs. L. S. Waddington are in Dallas for a visit in the home of their daughter, Mrs. Sterling Short and family.

SPECIAL INSTALLATION OFFER ON ELECTRIC CLOTHES DRYERS NOW

Electric appliance dealers in this area in cooperation with Texas Electric Service Co. have launched a two-month Electric Dryer Savings Carnival. During October and November, participating dealers have a special wiring installation offer for purchasers of electric dryers to be served from the lines of Texas Electric Service Company. Dealers also offer a wide selection of models of dryers to fit the needs and pocketbooks of those who want to save time and work in drying the family's clothes.

The electric company's promotion campaign and advertising by local dealers will tie in with advertising in national magazines and on TV by dryer manufacturers and trade association. Dealers are participating in the two-month promotion have been supplied with colorful window banners designed around the carnival theme. Some dealers also will conduct in-store demonstrations of electric dryers. Several makes of dryers also will be displayed in Texas Electric's office for the convenience of those wishing to compare the products of different manufacturers or to get other information about dryers.

Details of the electric company's promotion plan to help increase sales of electric dryers were described to appliance dealers in this area at a recent meeting.

Electric Laundry For New Fabrics

Modern electric laundry equipment is changing the types of fabric in uniforms worn for institutional purposes. The fast washing and drying process now available with modern electric washers and dryers, according to the Live Better Electrically Program of Edison Electric Institute, has affected the selection of uniform fabrics.

With today's flameless electric washers and clothes dryers the new man-made fabrics can be washed easily & emerge practically wrinkle free — or requiring only the minimum amount of ironing. The laundering advantages of these new fibers not only enable quick changes but require less uniform purchases. Many institutions, such as schools, business concerns & hospitals, where uniforms are required, consider the installation of total electric laundry centers a good investment for care of such garments.

NO DRIP ...

Your new automatic washer and dryer represent authentic bargains. Statistics indicate that their prices have decreased about 6 per cent during the past five years, while the cost of living has been increasing more than five per cent.

PermanentPress FACTS For You

Do turn permanent-press with creases or pleats inside out when laundering. This prevents abrasion of sharp edges.

Do remove permanent-press items from the electric dryer as soon as it stops. This prevents wrinkles from the weight of the other clothes. If you forget, cycle them through the dryer again and the wrinkles disappear.

Don't expect no-iron results with permanent-press unless you tumble dry it. Line-drying or drip-drying will yield about the same result as with regular wash-and-wear.

Dewrinkling Tip

Even non-washable fabrics such as dresses, men's suits and slacks which are of suitable synthetics or blends, can be dewrinkled by an electric dryer wash-and-wear cycle. Flameless dryers take the drip out of wash-and-wear.

SOFT TOUCH

Wool or synthetic blankets emerge from the flameless electric dryer amazingly soft and new looking.

Kindergarten Announcements Are Given

Mrs. Fern Green, owner of Green Kindergarten, has regretfully announced that the kindergarten will not be able to accept as many children as she had hoped to have this year.

Her father, Rev. Asa Hoskins, has been a patient in the Eastland Memorial Hospital for six months and his illness prevents her taking more children. She asks that parents call on the telephone and see if their child's name is on the "for sure" list.

Registration for Green Kindergarten will be between 4 and 6 p. m. Monday, October 3 and classes will begin Tuesday, October 4. Kindergarten.
