PERFECT STAND OF COTTON! . . . Buck Hickerson, Floydada trucker and farmer looks at a perfect stand of cotton on his farm southeast of Floydada. The La Park cotton was planted on April 16 and Buck has allowed the sunlight to keep the seed warm.

Beth Pratt Is Crowned Mrs. Floydada For '63

Mrs. A. C. (Beth) Pratt was crowned "Mrs. Floydada" of 1963 at the first annual pageant held Friday night in the High School auditorium. Sponsors of the event was the 1962 Jr. Study Club.

First runner-up in the competition was Mrs. Sammy (Jean) Hale, and second runner-up, Mrs. Carl (Patsy) Brock.

Mrs. Rex Lackey, president of the club, gave the welcome. Cotton John of KGNC was master of ceremonies and crowned "Mrs. Floydada" and also interviewed contestants. Mrs. Betty Holmes was narrator.

Entries were judged on their homemaking ability, personality, character, appearance and grooming, activity in church and community, good citizenship, standing and talent percentage. Judges were Mrs. Bill Hamman and Jack Payne of Plainview and Mrs. Estelle Wallace of Lubbock.

Each contestant wrote essays, prepared their favorite food dish, presented talent, and modeled two ensembles each.

Mrs. Pratt prepared a Round Steak Casserole dish and as her talent showed oil coloring photographs, which is among her hobbies of home decorating, reading, music and writing.

She is a native of Floyd County and is the daughter of Mr. and Mrs. R. H. Crawford of Dougherty. She has two younger brothers, Jerry and David, and is the mother of two sons, Russell Lane, age 5, and Kerry, Daniel who is three. Her husband farms in the Campbell community.

Mrs. Pratt is a member of the First Baptist Church in Floydada where she teaches the Intermediate girls Sunday School class; is Bible reader in Training Union for the Young Adult class; music director for Primary 3; superintendent of the Junior Law Circle and is serving as prayer chairman; director of the Girls Auxiliary and holder of the Leadership card and pianist for the Junior Department in Training Union.

Assiter Sponsors TV Schedule

Beginning with this issue of The Hesperian, Tommy Assiter, local representative of Southwestern Life Insurance Company, will sponsor the week's TV schedule for your convenience.

The schedule will carry both Lubbock TV stations, channels 11 and 13.

May Is School Transfer Month

The month of May is transfer month for school students whose grades are not taught in their home district, according to Clarence Guffee, superintendent of schools.

Guffee reminds all students who will transfer for the ensuing term, there is no such thing as an automatic transfer, thus students must fill out an application transfer blank in his office not later than June 1.

20 Newcomers Last Month

Floydada continues to grow as twenty newcomers moved to town in the month of April.

The offices of the City, Southwestern Public Service, Southwestern Bell Telephone and Pioneer Natural Gas have combined their records to compile the list of new residents.

The problem of enough rent houses continues to plague the new residents. A large influx of construction workers have moved into Floydada in house trailers, others seek small apartments.

Listed as April newcomers are the following:
Walter Cantrell, 602 West Ollie; Raymond Bohler, 626 W. Missouri; B. B. Debusk, 521 South Wall; L. P. Lawlis, 117 W. Marivena; Troy Neff, Ralls Highway; Enoch Fuller, 608 E. Ross; John Delgado, 402 N. 12th; Floyd Starkey, Ralls Highway; Nola L. Abel, 315 W. Missouri; Hilton

TWO PETITIONS IN

House Bill 577 Affects County's Four Common School Districts

House Bill 577 has passed both houses of the state legislature and when the governor signs it, four common school districts in Floyd County will have permission to submit an issue to the people of the district for raising the school tax rate to a maximum of \$2.50, if the voters approve.

At stake is whether or not the four common school districts in the county: South Plains, Lakeview, Dougherty and Providence can raise school taxes beyond the present legal maximum of \$1.50. Senator Andy Rogers and Rep. H. G. Wells pushed the bill through the legislature mainly at the request of former South Plains school board president, H. S. Calahan Jr., Lakeview school board president Earl Edwards Jr., Providence school board president Albert Scheele and Dougherty school board president Henry Hinton, and all the school board members in the respective areas.

If the districts approve by vote the increase of tax rates, it means that consolidation with another school in the county, possibly Floydada will be delayed. Wells is quoted as saying, "These people have a pride in their community schools."

"This bill is leaving it to the local self government idea." "I think eventually, however, the small schools, and this is throughout the state, will be consolidated. I told the school boards of Floyd county that it is probably postponing the inevitable." Wells continued.

County school superintendent Clarence Guffee maintains that facilities are good at all the schools — and reports that five of the 12 teachers have Master's degrees.

Guffee estimates that 80 to 90 percent of the valedictorians at Floydada High School had their early schooling in rural schools.

The House Bill 577 is for counties with a population between 12,300 and 12,400. According to

(See School, Page 6)

Four Seniors In Close Race All Wind Up In The 92's

Floydada High School Principal Charles Tyer had to employ several mathematicians, various calculating machines and figures into the thousandths to determine this week who the top students would be for the senior class of 1963.

When the figures were tallied . . . and re-checked, four students were in the 92's! Mitchell Ableman, whose guardian is Mrs. W. W. Emert was announced valedictorian with a grade of 92.476. Darryl Lindsey, son of Mrs. Virginia Lindsey was in a photo finish as salutatorian with a grade of 92.369!

Just a shade behind in third place was Tommy Watts, son of Mr. and Mrs. H. G. Watts with a grade of 92.150. The girl with the highest score placed fourth with a grade of 92.020. She is Rita Colley, daughter of Mr. and Mrs. Ira Colley.

The next four places were all in the 91's: Linda Robertson, daughter of Mr. and Mrs. M. S. Robertson, fifth; Eileen Thrasher, daughter of Mr. and Mrs. Leo R. Thrasher, sixth; Gregory Williams, Mrs. Fred W. Lloyd guardian; Mrs. Fred W. Lloyd guardian; 7th: Bruce Julian, son of Mr. and Mrs. M. M. Julian, 8th: Joe Lee Dunn, son of Mr. and Mrs. Frank Dunn, 9th: James Elza, son of Mr. and Mrs. J. E. Elza, 10th; and Fred Thayer, son of Mrs. Neida Thayer. Ninth through eleventh were in the 90's. Strangely enough, four of the honor seniors were outstanding football players: Lindsey, Watts, Julian and Dunn.

Graduation day is set for May 24. Tyer said the grade compilations were taken from four years of High School work.

Max Dyess, Jack Williams Win Partnership Tourney

Local golfer Max Dyess teamed with Jack Williams of Plainview to take the championship of the second annual partnership golf tournament at Floydada Country Club last week-end. The winners topped a field of well over a hundred entries and the hard fought competition produced some of the finest golf ever witnessed on the club course.

In the finals Williams and Dyess had to come from behind be-

Cancer Crusade Nets All Time High For County

Workers in Floyd County for the Cancer Crusade have raised in contributions the highest collected for the county since the drives began, topping the all time high of \$4,063.00, according to figures from Mrs. Jack Jordan, city of Floydada chairman.

City's Clean-Up, Fix-Up, Paint-Up Drive June 10-15

Five members of the Chamber of Commerce's Health committee met Tuesday morning and began organizational plans for Floydada's annual "Clean-up, Fix-up, Paint-up" campaign which is scheduled for June 10-15.

Attending the meeting were committee members Wayne Russell, Wayne Brown, Clem McDonald and Claude Weathersbee. Head of the committee is Dr. Tom Theford.

Appointed to head the truck committee is Wayne Bennett, Clem McDonald will head the telephone committee, Mrs. J. G. Wood and Mrs. E. J. Moorehead are in charge of coordinating the project.

Other committee appointments and plans of the campaign will be announced later.

All merchants will be invited to a meeting in the First National Bank's hospitality room on May 17 at 2:30 p. m. to plan their part of the drive.

Friday Night Is Sign-Up Time For Boys Baseball

Friday night May 3 has been set as sign up time for boys league baseball. The announcement came this week from officials of the Junior League had five teams, three from Floydada and two from Matador made up of boys age 13 through 15. There was no Senior League in 1962, but as things now shape up there will probably be one team each from Floydada, Matador, Lockney, and Silverton in this circuit.

Following the registration of interested players the leagues will announce a date for try-outs and then will come a player draft by team coaches and managers.

Claude Estes of the Freshman League said that all members of that loop who sign up to play again this year will return to their same ball clubs and the draft will be for new boys in that league. All other leagues will start from scratch, drafting all club members.

The Floydada summer baseball program is one of the best of the area and will offer recreation for boys from 8 through 18 years of age.

The league requires that a boy must be 8 years of age before August 1 to be old enough for the T-Shirt League. A player cannot be 19 before August 1 if he is to play in the new Senior League. All boys between those two ages who are interested in playing baseball are invited to come out and register.

Last season the T-Shirt League had five teams of boys eight and nine years of age. The Fresh-

PTSA Has Called Meeting Tonight

The Floydada Junior High Parent-Teacher - Student Association will have a called meeting Thursday night, May 2, at 7:30 in the Junior High auditorium.

The nominating committee appointed by the chairman, Tom Snead, has a list of officers to be voted on and installed for the school year 1963 - 64.

Mrs. Kinder Farris will be installing officer.

All interested persons are urged to attend.

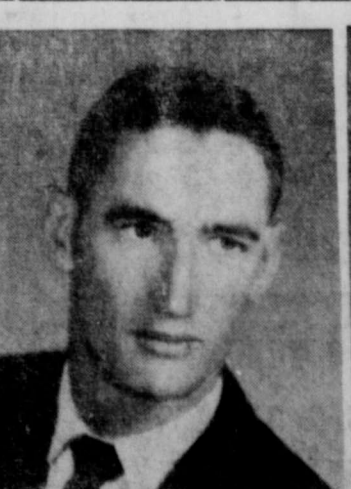

MRS. FLOYDADA FOR 1963 . . . is pictured above standing between her first alternate and second alternate the night of the crowning. She is Mrs. Beth Pratt, holding the trophy presented her by the 1962 Jr. Study Club, sponsors of the contest. Mrs. Pratt will be eligible to compete in the Mrs. America Contest in 1964. To her right is Mrs. Jean Hale, first alternate and Mrs. Patsy Brock, left, second alternate.

GAME COCK... this "game cock" was truly named Monday afternoon as he dodged traffic in the main intersection of Floydada for almost an hour. Finally, in desperation he headed for the shade of the courthouse trees.

Son Of Flubber

Now At Capada

Versatile Fred MacMurray and attractive Nancy Olson, who created the roles of the inventive professor and his fiancée in the hilarious laugh-hit, "The Absent Minded Professor," are re-teamed in Walt Disney's howling successor, SON OF FLUBBER with only one slight change — they now play newlyweds.

This comedy feature starts to night at Capada Theatre in Floydada.

As Professor Brainard, Mac

Murray is up to his old tricks, making scientific discoveries that set the town of Medfield on its provincial ear, while his exasperated bride, played by Miss Olson, tries her level best to keep things on an even keel.

This wacky new comedy is MacMurray's fourth film assignment under the Disney banner. He scored heavily in such recent hits as "The Shaggy Dog," "The Absent Minded Professor" and "Bon Voyage."

Miss Olson came out of semi-retirement to co-star in Disney's "Pollyanna," and returned to the Burbank lot for stellar roles in "The Absent Minded Professor" and "Son of Flubber." The Broadway stage has kept her

seems to be improving today. Mr. and Mrs. O. C. Vinson returned home Monday from a trip to the Rio Grande Valley where they visited their daughters, Mrs. Leo McLeod, Mrs. Howard Anderson, and Mrs. Evelyn Edmonson of Harlingen, and Mrs. Ernest Huckleberry of Stephenville. They also visited Mrs. Vinson's sister, Mrs. Danny Harris of Corpus Christi.

Mr. and Mrs. C. W. Denison visited in Lubbock this Monday with their son, Gilmer Denison and family.

Mr. and Mrs. Elmer Sellars visited in the Doyle Sandifer home Sunday.

Mr. and Mrs. Frizzell spent Monday with their daughter, Jane and family.

We are very happy to hear that J. D. Welborn is home again after spending several days in the hospital with pneumonia.

All the Welborn children visited J. D. Sunday while he was still in the hospital.

Welborn Miller and Larry visited in the Hal Thomas home Saturday evening.

Mr. and Mrs. Hal Thomas and Sue visited with Mrs. Thomas' niece, Mrs. Charlie Ellerd and Linda in Petersburg, Friday evening.

Sue Thomas also attended the Junior Senior banquet Saturday night.

Former Resident Dies In Roswell

Elbert Gaither, son of Mrs. E. B. Mullins of Floydada and the late Ike Gaither, died Wednesday in Roswell, N. Mex., where he had been making his home for the past 28 years. Funeral rites were conducted Friday in the First Baptist Church at Roswell with interment in that city. Drivers for New Mexico Transp. and members of the Chaves Co. Sheriff's posse were honorary pallbearers.

Mr. Gaither was also the brother of Mrs. J. D. Hart and Mrs. R. F. Finley of Floydada and of Edd Gaither of Liberty. His surviving wife, the former Ruth Hale, lives at Roswell. The couple had no children.

The deceased was born in Jack County, Tex., on December 29, 1902. He came to Floyd County with his parents at the age of 14 and attended schools here. He drove a passenger bus from Floyd County to other points and continued his employment at New Mexico Transportation in Roswell for the past 28 years.

He and Mrs. Gaither visited in

FIVE GENERATIONS OF THE THAGARD FAMILY... gathered at Easter time in Floydada and what would be more appropriate than a picture? What makes the generation more unusual, is that each first born in the family were girls. On the left is Mrs. Addie Thagard, next, Mrs. Oliver Allen, Floydada, cengirls. Mrs. Layton Dorrell, seated next to her is her son, Glen Dorrell, who is holder of the fifth generation, his daughter, Connie Lynn Dorrell. The Dorrell's reside in Lubbock but are former residents of Floydada. Mrs. Dorrell's first born was a daughter but the son became a parent first.

Floydada as often as possible with his ailing mother, who was unable to attend the funeral.

Baker News

By Mrs. R. A. Colston

BAKER, April 29 — Mrs. Jerry Leatherman and Stacy visited Tuesday afternoon with her mother, Mrs. Floyd Anderson. Ginger Ogden was a guest Friday night and Saturday of Teresa Colston.

Mrs. Walter Harris of Lake Charles, La., and Mrs. Prudie Mae Wall were Friday morning visitors of Mrs. J. B. Colston and Danny.

Miss Anna Carr County Resident Buried Saturday

Miss Anna B. Carr, long time resident of Floyd County, loved by all who knew her acquaintance, died Thursday afternoon in a Plainview Rest home. She had been in failing health a number of years and was a former resident patient of Peoples Hospital.

Funeral rites were conducted Saturday afternoon in the First Methodist Church in Petersburg, Rev. Eldon Wyatt, pastor, officiated. Interment was in Carr's Chapel cemetery under the direction of Harmon Funeral Home. Pallbearers were Jason Justice, Clarence Thorp, Homer Robertson, Ray Weise, Leonard Fox and Joe Mayo.

Miss Carr was born in Hunt County on October 7, 1873. She came to Floyd County on December 24, 1901 with her parents, Rev. and Mrs. W. H. Carr. The family moved to the Harmony community shortly afterwards, where her father organized the Methodist Church and also assisted in establishing the first school building in April, 1904.

Survivors include one sister, Mrs. Mattie Heard of Petersburg; sister-in-laws, Mrs. John Carr of Floydada and Mrs. Mather Carr of Harmony and several nieces and nephews.

Airman 3-C Bobby Vancleve, son of Mr. and Mrs. Ben Vancleve of Floydada, is home on 30 day leave visiting his parents. Vancleve is stationed at Travis Air Force Base, Calif.

Women's Golf Assoc. To Hold All Day Play

The Floydada Women's Golf Association will meet today, Thursday, at the Country Club to start their summer play. They are to have a covered dish luncheon at the noon hour, according to Mrs. Doyle Moore.

Mrs. Hazel Sherrod of Idalou is president of the Association. Play will start this morning and continue through the afternoon. Plans will also be made to work out several plays through the summer months.

An effort has been made to contact all members to attend the all-day occasion, however some may have been missed, if so, these should feel free to come, Mrs. Moore said.

County Women

Recipe Of The Week

MRS. DON PROBASCO

We are sure housewives have a favorite recipe, one that is quick, appetizing, a fancy dish, a new dessert. Share it with your friends and neighbors. We would like to know about it and so would our readers, so we've begun this column to give you the opportunity to exchange recipes with your friends and neighbors. Each Thursday we will carry a favorite recipe and a picture of the housewife submitting it. Call Peggy Medley at the Hesperian or mail your recipes to Box 848, City. We'll pick one each week, it may be yours. This week we are sharing with you a recipe out of the kitchen of Mrs. Don Probasco.

GREEN BEAN CAESAR SALAD

Fry 3-4 cups of 1/2 inch bread cubes in 2 tbsp. salad oil.
Pour liquid from can of whole green beans and mix with 1 tsp. salad oil with 1 tsp. vinegar, 1 tsp. minced onions and 1-4 tsp. salt.
Turn beans into skillet with bread cubes. Pour oil and vinegar mixture on beans. Stir and heat until piping hot. Sprinkle 2 or 3 tsp. shredded or grated Parmesan cheese over top. Serves about 6.

CHERYL DELIECE GILLY

Gilly - Harrison Vows To Be Read

Mr. and Mrs. Eugene Gilly announce the engagement and approaching marriage of their daughter, Cheryl Deliece to John Thomas Harrison, son of Mr. and Mrs. Jack Harrison of Rayville, La.

The couple have set May 31 as their wedding date. The ceremony will be read in the Cedar Hill Assembly of God Church in the Cedar Hill Community.

The bride-elect is a student in Floydada High School. Her fiancé attended school in Clarksville, Tex.

LINDA LOCKHART

Linda Lockhart -Johnson Vows Planned June 1

WITH PICTURE WITH PIC... Mr. and Mrs. David C. Lewis announce the engagement and approaching marriage of their daughter, Linda Lockhart to Don Creed Johnson, son of Mr. and Mrs. A. W. Johnson of Estalline. The couple will be married in the chapel of the First Methodist Church on June 1.

H. S. Waller, Starkey; and Mrs. Delton Jacks of Sterley, also agents Phyllis Roggenbort and Jean Martin.

Committee reports were given and a report from Mrs. Mayfield on the THDA. The announcement was made of the forthcoming County-wide luncheon which is scheduled to be held on May 10 at 1 p.m. in the Methodist Church.

The District meeting was reported by Mrs. W. J. Ross, Mrs. Leslie Fawver and Mrs. Everett Miller.

56 Club Meets In Tyer Home

The 1956 Study Club met April 23rd in the home of Mrs. Charles Tyer.

The meeting was called to order by the president, Mrs. Don Probasco. Mrs. A. C. Pratt led the invocation. Mrs. Charles Reid was named Chairman of the Club's Health Project. The motion was made that the club send the president-elect, Mrs. Charles Tyer to the State Convention in Dallas.

Reports on the Texas Heritage, council of International Clubs and International Affairs were given by Mrs. Norman Muncy, Mrs. George Spears and Mrs. A. C. Pratt respectively.

Refreshments were served from a lovely table centered with blue and white carnations to the following members: Mmes. Jimmy Collins, Keith Buhrman, Herman Galloway, Mack Hickerson, Gordon Hambright, Charles Reid, Ronnie Evans, Nathan Abbott, George Spears, Thomas Parks, Lewis Reddy, Max Dyess, Norman Muncy, Fred Marble, Roger Poage, A. C. Pratt, Truitt Hartsell, Don Probasco, Bill Hardin and Mrs. Dale Tyer.

PEMBERTON HOSPITALIZED

Don Pemberton, president of the Floydada Chamber of Commerce and manager of Southwestern Public Service, is hospitalized in Plainview Hospital and Clinic. Pemberton will be there for about two weeks under treatment for a slipped disc.

WILLSON LECTURER

Methodism's Roy L. Smith Dies

One of Methodism's greatest preachers, authors and Christians died at the age of 75 last week. He was a personal friend of many preachers and laymen in this area of Texas and had visited in Floydada with the Jim Willsons on several occasions.

He was a lecturer for 13 Willson lectures and had recently dictated a book to Mr. and Mrs. Jim Willson.

Machines In Area Beet Thinning

Five new machines for thinning sugar beets were delivered to the area last week.

The machines were shipped from Denver by Great Western Sugar Co. which is sponsoring a 1,000-acre demonstration sugar beet project in five Plains counties and provided the machines.

Kenny Knous, field representative for Great Western Sugar Co. said the machines will be made available to growers in the five areas in Hale, Swisher, Lamb, Floyd and Lubbock counties where beet acreage is under contract by his company.

Knous said beets are up to beautiful stands and are growing off nicely. The first hurdle in producing the crop has been cleared nicely.

Cone News

By Melba Wideman

CONE, April 29 — Visitors in the home of Mrs. Emma Noble during the week included Mrs. Roxie Travis and Mrs. Dan Flurry on Tuesday and on Thursday Mrs. Russell Noble and Mrs. Tom L. Davis. Ralls and Mrs. Morris Wideman.

Many people from the community have visited D. A. Barnhart in Crosbyton Hospital this week.

Barnhart was taken on Friday to the hospital where he is a medical patient.

Mr. and Mrs. Pat Youkam and Patti and Miss Carla Centerville Sunday dinner guests of Mr. and Mrs. Roy Mann and Mollie.

Elder and Mrs. Joe Jackson visited Mrs. Drusella Spivey in her home in Crosbyton on Sunday afternoon.

Miss Carolyn Martin was a dinner guest in the home of Mr. and Mrs. Bud Cox and family on Sunday. Afternoon callers were Mr. and Mrs. Marvin Little.

Sunday dinner guests in the home of Mr. and Mrs. Bob Wideman, Kenny and Belva were Rev. and Mrs. R. C. Guest, Mr. and Mrs. Haney Wideman, Spike Mark, Mel and Mardiah, Mr. and Mrs. W. T. Center and LARRY, Mr. and Mrs. Thurman Kirby, Carrel, Thurman Ray and Jimmy, and Mr. and Mrs. Joe Thomason, Toyce, Nelda and Mark, Dimmitt. The Thomasons were also guests at the Baptist Church Sunday morning.

Several people from the community attended funeral services for Arthur Campbell held in the First Methodist Church at Crosbyton on Sunday afternoon.

Mr. and Mrs. C. O. Gilbreath and Mrs. Ralph Martin visited Mr. and Mrs. Tom Gosdin Sunday morning. Mr. Gosdin is in the Tahoka hospital recovering from surgery performed on Saturday.

Roland Martin spent Friday night with his grandparents, Mr. and Mrs. Paul Ely at Camp Rio Blanco east of Crosbyton.

Mr. and Mrs. A. O. Little were Sunday afternoon visitors in the home of Mr. and Mrs. Marvin Shew, Mark and Brian.

Elder and Mrs. Joe Jackson, Miss Rachel Nance, Mr. and Mrs. David Stewart, Mrs. Alfred Clark and Jill and Mrs. Fred Clark were among those attending the housewarming for Mr. and Mrs. Marvin Lyle in the McCoy community.

Mr. and Mrs. Owen Gilbreath, Kimberly and Jimmy and Mrs. R. C. Young all of Lubbock visited Sunday afternoon in the home of Mr. and Mrs. C. O. Gilbreath.

The Caprock Association Brotherhood meeting was held in the First Baptist Church at Crosbyton on Monday night. Several men from the Baptist Church here attended the meeting.

Mrs. Ada Walker and Lori Perot visited Mrs. C. O. Gilbreath in her home on Monday.

The annual seventh and eighth grade banquet was held Friday night in Fellowship Hall of the Methodist Church. The theme was Blue Hawaii, the program was presented by Wayne and Ronnie Ogle and the principal speaker was Elder Joe Jackson. Members of the seventh and eighth grades and their parents attending were Lape and Aurora Sanchez and Mr. and Mrs. Andrew

Sanchez. Mr. and Mrs. Luis Cantu and Johnny; Mr. and Mrs. Antonio Castillo and Antonio; Mr. and Mrs. Howard Harris, Jean and George; Mr. and Mrs. R. L. Martin, Jr. and Vicki; Mr. and Mrs. Resino Mata and Melinda; Mr. and Mrs. Brigid DeLeon and Brigid, Jr.; Mr. and Mrs. Wayne Ogle and Jo Ann; and Mr. and Mrs. Madeline Gutierrez and Lupe. Others attending were Mr. and Mrs. W. B. Burton, Mrs. Dorine Holcomb, Mr. and Mrs. Thurman Kirby, Mr. and Mrs. Haney Wideman, Mrs. Irene Stobaugh, Rev. and Mrs. R. C. Guest and Rev. and Mrs. L. D. Cleveland.

Those who helped serve the banquet included Rachel Nance, Ruth Bartley, Mrs. Clinton Denning, Mrs. W. T. Center, Mrs. D. A. Barnhart and Visenta Zuniga.

Mrs. Everett Warren, employee at Arwine Drug, sustained a bad fall in the front of the drugstore yesterday morning. Mrs. Warren had accompanied Mrs. Grady Freeman to work and was getting out of the car when she evidently turned her ankle and fell. She sustained a broken wrist and was bruised and shook up considerably. After having her arm set at Peoples Hospital she was taken home where she is resting fairly well.

Mr. and Mrs. Virgil Shaw left yesterday for Houston where Mr. Shaw will undergo medical attention for several days. He has been in ill health for several months.

Mrs. Ed Johnson, who has been in West Texas Hospital the past week, was brought to her home Tuesday by Harmon ambulance. Mrs. Johnson sustained a broken hip some time back, and has had difficulty in recovering sufficiently. She is reported resting comfortably however.

Texas Farm Bureau President Makes Statement On Wheat

By C. H. DeVaney

Last November in San Antonio delegates to our annual Texas Farm Bureau convention adopted this policy: "Farm B should use every effort to defeat the referendum on the Certificate Plan for Wheat if it is presented to producers for vote."

A portion of this effort involves the Texas Farm Bureau officers and staff in furnishing counties with the real facts on the issues involved in the wheat referendum. The most important part of the effort is the work of county Farm Bureau leaders in taking this information to their neighbors.

I do not believe that it is necessary for anyone to try to tell the farmer how to vote on this issue. I am certain that if he is given the facts on what is involved in the referendum, the certificate plan for wheat will be defeated. Defeat of the proposal will give us the best opportunity we have had in years to enact a sensible solution to the wheat and grain problems.

Wheat producers, both large and small, across the United States, are facing the responsibility for making the most momentous decision ever made by a commodity group with respect to the future direction of American agriculture. They will decide by their vote in the May 21 referendum whether the farmers of America are to be managed by farmers or by a government bureaucracy.

Only wheat is directly involved at the moment, and only wheat producers can vote; but all farmers, consumers and taxpayers will be affected by the outcome. The result will affect our relations with other countries, our taxes, and perhaps even the future direction of government policy toward nonfarm groups.

We have been voting for government programs in a more or less routine fashion for several years. Past programs have carried "controls" of a sort, but there were numerous exceptions and limitations. So we have not really had to face up to the full implications of going down the supply-management road to a licensed and regimented agriculture. But the situation is different this year.

The multiple-price certificate plan being submitted to wheat producers this year includes the tightest, most binding government controls ever seriously considered in a referendum for any farm commodity. In addition to providing much stricter acreage allotments than growers have experienced over recent years, and a new type of marketing quota, the 1962 Wheat Act provides for diverted-acre controls and cross compliance. It also would give the Secretary of Agriculture vast powers to regulate all handlers, processors and distributors of wheat from the farm to the ultimate consumer.

The proposed wheat program was designed to operate in conjunction with a compulsory feed grain program. This has created pressure for new feed grain legislation. If we go the supply management road first with wheat, then with feed grains, we will have taken a long step toward the adoption of compulsory controls for livestock, dairy and poultry products. The alternative available to wheat producers is to vote "no" and move away from programs that fix prices and ration the right to produce.

Every effort is being made to make the 1962 program look attractive and painless, but the goose inevitably will be tightened market.

1. A cropland retirement program similar to that advocated by Farm Bureau in 1956.

2. A special wheat program to permit proper functioning of the market.

3. A special wheat program to permit proper functioning of the market.

4. A special wheat program to permit proper functioning of the market.

5. A special wheat program to permit proper functioning of the market.

6. A special wheat program to permit proper functioning of the market.

28. A special wheat program to permit proper functioning of the market.

29. A special wheat program to permit proper functioning of the market.

Aiken To Speak To Pioneers

According to Maud Hollums of the speaker's committee for the Floyd County Settler's Reunion, auctioneer Raymond Aiken of Plainview will be the 11 a. m. speaker for the occasion on Tuesday, May 28.

Aiken is well known in Floyd County and has been a farmer and auctioneer in the Plainview vicinity for many years.

In the future if wheat producers vote to put their necks in it, the Secretary of Agriculture, who is responsible for the conduct of the referendum, has thrown the full resources of his Department into a massive campaign for a "yes" vote. The Secretary claims that the referendum offers producers a choice between \$1 and \$2 per bushel for their wheat, that defeat of his control scheme would lead to trade wars and chaos in the international market. These claims are serious exaggerations designed to panic wheat producers rather than an objective analysis of the situation.

Many farmers who have been producing small acreages of wheat under the 15-acre marketing quota and the 30-acre feed grain exemption will be voting in this referendum for the first time. The real question before these growers is not whether they should stay out if the program is approved, but whether or not they think the Administration's control scheme should go into effect.

The 1962 Wheat Act is the first step in the supply-management program for agriculture. One phase of it provides for compensatory payments. Proposals for compensatory payments are being made for cotton and other agricultural commodities. Certainly if we use this approach for one commodity, we will have to do so for others. We believe this to be unsound and dangerous to our economic and political system. It would be fantastically expensive and would stimulate production, increase unit costs, depress market prices, lead to tight production controls, and make farmers dependent on Congressional appropriations for a substantial part of their total income.

Limitations on payments to individuals, which is sure to come, would place a ceiling on opportunity and level farm incomes downward.

Payment programs would socialize the production and distribution of food and fiber. It would encourage inefficiency and result in high real costs of food and fiber. We must vigorously oppose any system of compensatory payments for agriculture. If we are to survive and prosper, our policies must be directed toward returning to the market system. Defeat of the Certificate Plan in the referendum will clear the way for Farm Bureau's sound program for new farm legislation embodying the following four-part proposals:

1. A cropland retirement program similar to that advocated by Farm Bureau in 1956.

2. A special wheat program to permit proper functioning of the market.

3. A special wheat program to permit proper functioning of the market.

4. A special wheat program to permit proper functioning of the market.

5. A special wheat program to permit proper functioning of the market.

6. A special wheat program to permit proper functioning of the market.

7. A special wheat program to permit proper functioning of the market.

8. A special wheat program to permit proper functioning of the market.

9. A special wheat program to permit proper functioning of the market.

10. A special wheat program to permit proper functioning of the market.

11. A special wheat program to permit proper functioning of the market.

12. A special wheat program to permit proper functioning of the market.

13. A special wheat program to permit proper functioning of the market.

14. A special wheat program to permit proper functioning of the market.

15. A special wheat program to permit proper functioning of the market.

16. A special wheat program to permit proper functioning of the market.

17. A special wheat program to permit proper functioning of the market.

18. A special wheat program to permit proper functioning of the market.

19. A special wheat program to permit proper functioning of the market.

20. A special wheat program to permit proper functioning of the market.

21. A special wheat program to permit proper functioning of the market.

22. A special wheat program to permit proper functioning of the market.

County Agent Reports On Screw Worms

The first screw worms were confirmed April 20 on the Bredwell Ranch in Crosby County, states H. T. Davison, Co. Agricultural Agent.

Dr. R. M. Zirkle who is in charge of the brucellosis testing and screw worm fly releases in this area was in Floydada at the time of the discovery, and later ordered sterile flies to be distributed over the infested area by airplane.

Davison said that Dr. Zirkle had instructed all of the "Breeders" working Floyd County cattle in the brucellosis program to be on the lookout for worms. These field men are also giving cattle owners sample bottles in which a worm sample can be mailed to the Mission, Texas headquarters. Cattle owners are urged to collect samples. Should worms occur in their herds, since it only takes a few hours after confirmation, that flies will be flown to the reporting area and dropped.

Caprock

(Continued From Page One)

E. J. said his boy had been working on some sort of farm safety project and he told his daddy that he had better heed the message that it illustrated!

HERE'S A good story from the Quannah Tribune-Chief: "Can you top this?"

The vice-president of a big company collected 25 cents from each of 2,000 employees to purchase a gift for the president who was getting married.

With this \$500 he purchased 2,000 packages of Raleigh cigarettes — removed the coupons and traded them for a silver serving set for a gift for the boss.

Then he gave every employee a package of Raleigh cigarettes for the two-bits he had donated, thus no one was out a red cent. When the big boss learned of this satisfactory deal, he wanted to compliment the vice-president but was told he was on a fishing trip — trying out the fishing gear he had received from the trading stamps he got when he purchased the cigarettes!

I'VE SORTA lost contact with wheat farming the past five years, since I lived in a cotton pickin' county that had only 5,000 acres of wheat allotment — but moved out the lots will have a I'm always willing to stick my better appearance — consequent-

neck out and make a wild guess by it will help the looks of Floyd. I told Roe Jones, I figured the dadda.

The old tin building that Bert town around the 29th of May. Roe Massie tore down last month has said it would be a little earlier improved the looks of that lot. than that, so his guess is on the 28th.

It looks like our farmers are really trying to get in an early row crop. I have a small stalk of cotton on my desk that I pulled from Buck Hickerson's cotton patch early Tuesday morning. Think Buck said he planted it on the 16th of April.

If planting early will save us from the boll weevil and the sorghum midge — then we have a good chance to make it.

WE SEE more and more draws and canyons being dammed up in the Quitaque and Silverton areas. All of this adds up to good fishing in the future. If there ever was an area that needs some good fishing spots — it's West Texas.

We lived in Spokane, Washington a couple of years and we realized that people really "live" up that way — they hunt, fish, swim — they enjoy nature to its fullest.

On the other hand, we here in West Texas just sorta "exist" — we're in a continual economic rat race — if we do take off for fishing, we travel hundreds of miles — and then the fish aren't biting at that particular time. When we get back from the trip, rather than being rested — we're shot from all the travel involved.

More and more of these little dammed up lakes will certainly mean more recreation for our area and as they get closer to Floyd county, it will be handy to run out and fish an hour or two after work — and if they aren't biting that day — we'll give it a try the next afternoon!

I VISITED with Lon Davis Wednesday morning and I asked his opinion about when the first load of wheat would come to town and he says around the 27th of May. So, if it happens around the last day of the month — Roe, Lon and I just aren't going to be off very far in our guesses.

DR. TOM Theford has taken on the chairmanship of a very important project for Floydada next month — that of "Fix-up, Paint-up, Clean-up" week and we'll be doing our best to help him and the other committees do a good job.

Many people measure progress by the number of new buildings built in a town — another very good measurement is how many old buildings are torn down.

Duncan Hollums is currently offering for sale some older buildings located pretty near the back of the town — when they're used in the state of Texas, Mrs. Jordan said.

Beth Pratt

(Continued From Page One)

ing Union. She is a member of the 1956 Study Club and has held several offices serving presently as Historian and is chairman of the International Affairs. She is a member of a newly organized art class in Floydada.

Mrs. Pratt and her husband are co-chairman of Floyd County Farm Bureau Young Peoples and Mrs. Pratt has been recently appointed to a two and a half year term of District 2 of State Farm Bureau Young People Committee serving in a nine county area.

The title of Mrs. Pratt's essay was "Success Is An Attitude". Mrs. Hale, first runner-up, gave a reading as her talent and Mrs. Brock modeled an ensemble made by her.

Miss Rita Colley was pianist and also accompanied the Floydada High School Stage Band which consisted of Janet Kay Moore, Mike Carter, Walter Nicholson, Dorothy Edmiston, Kenneth Smith, Pat Ewing, James Elza, Bruce Horton, Jimmy Pritchett, Ronnie Tucker, Don Ramsey, Conley Bradford and Ken Roberts. Dan Whitaker was band director.

Vickie Jarboe, who is also a member of the Stage Band, modeled the wardrobe presented Mrs. Floydada as one of her gifts. The plaque award was presented by Mrs. Rex Lackey and the banner and cash gift by Mrs. Max Harrison. The banner was draped across the winner by Vickie Jarboe, "Miss Floydada".

During intermission Mrs. James Hartline, member of the 62 Jr. Club, gave the reading, "Magnolia Tree".

Cancer

(Continued From Page One)

south of the county, schools and businesses, is \$2,283.68. In deposit in Lockney is \$1,959.25, making a total for the county of \$4,242.93.

Collections in the city of Floydada amounted to \$995.00; for the rural area south, \$637.36; for the schools in Floydada, \$149.07 and for the business district, \$502.25. Workers extend their sincere appreciation to all who made the drive worthwhile. Ninety percent of the total amount will be used in the state of Texas, Mrs. Jordan said.

NOW "GIRLS" HOW DO YOU LIKE THIS FLATTERING LITTLE NUMBER? The Garden Club's talent and style show was a hilarious success Tuesday night as several of the community's men modelled some of the latest in women's attire... some of them really cast some eye catching "figgers"... like Tom Porter at left... J. D. Parks and "daughter" Charles Horton at right. In the background is Shorty Cardinal, Jim Word and Dan Hagood.

Tourney

(Continued From Page One)

Harp and Bill Seal, Matador; runners up Jim Curtsinger and Keith Lowe of Canyon; consolation winners J. R. Anstead, Ralls and Sammy Glibreath, Floydada.

Two Texas Tech golfers, George Glenn and Barry Rogers won medalist honors on Thursday with Glenn shooting a 32 - 38 for 70 and Rogers coming in with 37 - 36 for 73. Carpenter and White were close behind with 71 and 73 score totals for the 18 holes of qualifying.

Most golfers liked the scenic course very much and the green were in excellent condition for the competition. This was the second annual partnership tournament staged by Bobby Westfall who is golf professional at the club. Prizes were sets of matched irons, sets of woods and other merchandise.

School

(Continued From Page One)

the 1960 census Floyd County has a population of 12,369.

At press time Wednesday two of the above schools had already submitted petitions for the Commissioner's Court to set up votes in their respective districts. A petition from Dougherty was signed with 28 names, a petition from South Plains with 23 signatures.

Superintendent Guffee will hold the petitions until the Governor signs the bill.

7th Annual Field Day At Jr. High School Tomorrow

Floydada Junior High School will hold their big event of the year, their 7th Annual Field Day, tomorrow (Friday), starting at 8:45 a. m. and continuing until school is dismissed in the afternoon.

A. W. Coltharp, principal, is extending special invitations to all parents of the school to come and enjoy the day and eat at the concession stand which will be opened all day.

Every child in the school will be entered in at least one or more events which will include track and field events, literary events of all kind, and other events taking in studies of the school.

The time of each event taking place will be posted in the school.

TEL Class Has Luncheon Meet

The TEL Sunday School class of the First Baptist Church met Tuesday in the lovely new home of Mrs. C. O. Spence for a social luncheon and business meeting. Following the noon meal the regular monthly meeting was held presided over by Mrs. C. M. Lyles.

The devotional was given by Mrs. L. E. Kiker and prayer was voiced by Mrs. O. F. Cummings. Piano arrangements were presented by Barbara Hunter.

Present for the meeting were Mrs. C. M. Lyles, L. E. Kiker, O. F. Cummings, D. R. Badgett, J. E. Roy, W. F. Ferguson, R. M. Spence, C. O. Spence, A. W. Anderson, Robert F. Day, Jewel Jackson, W. F. Daniel and three visitors, Mrs. Mable Smith, Mrs. E. W. Thornton and Mrs. Robert Gary.

Mr. and Mrs. Ray Reed were in San Angelo this week for the funeral of Mr. Reed's uncle, Paul Hudman, who died of a heart attack.

Floydada High School students, Dan Whitaker, band director and 24 adults left today by school buses for Enid, Okla., where the band will participate in the 31st Annual Tri-State Music Festival which started yesterday and will climax Saturday.

There will be 196 schools represented at the affair, 202 organizations, 10,875 students involved with 67 quartets, trios, and solos in the contest.

While in Enid the Floydada Band will play in the half-time marching contest and on Friday (tomorrow) will participate in Concert playing and sight reading. On Saturday they will march in the Million Dollar parade, returning home late Saturday night. The band will be in solos, ensembles and twirling on Friday.

Participating band members, E. Neil, Mrs. Neil has been quite directors and others will be guests in private homes in Enid. Upon returning to Floydada the local band will be preparing for their Spring Concert to be presented on Friday night, May 10 in the High School auditorium. Participating will be the high school and Junior High Concert bands and the high school stage band.

On the following Saturday night May 11, the band will hold their annual band banquet.

Visitors Saturday in the home of Mrs. C. N. Battey included Mrs. Henry Amsted and Pat and Mrs. Will Henry of Rails. Callers in the afternoon were Mrs. O. K. Custer, Mrs. Joe Evers and Fred Battey. Visiting on Sunday were Mr. and Mrs. Thomas Warren and family and Mr. and Mrs. Olin Watson and Lu Ann. In the afternoon Mr. and Mrs. J. D. Edmondson of Phillips were visitors.

Mrs. C. N. Battey and Mrs. Joe Evers visited recently in Amarillo with their sister, Mrs. C. E. Neil. Mrs. Neil has been quite ill but is said to be improving. She has been bed-fast the past 6 weeks.

UILDING FLOYDADA, TEXAS

First National Salutes Area Agriculture---

NG ONION CROP... local farmer and trucker Buck Hickerson is shown with his onion crop
st of Floydada. The crop is growing off nicely and new farming methods make weeds almost
tent in this big-money crop.

Farming is big business in the Floyd county trade area... it takes a lot
oney to make a crop with the necessary farming implements and opera-
costs. The folks at the First National in Floydada offer a most complete
of financing for operational costs, automobiles, pickups, trucks, farming
ments... and all at rates way below the high out-of-town finance com-
s. Come in at your earliest convenience and you'll see why area farmers
that's the bank for my money!"

GARDENING TIME IN FLOYDADA... although many gardeners specialize in vegetables, Mrs. Geo. V. Smith displays her talents in flower gardening, here she is seen standing among her lovely garden of Iris, Columbine, evergreens and fruit trees.

Golden Circle SS Has Social Luncheon Meet

The Golden Circle Sunday School class met in the home of Mrs. W. C. Sims for a luncheon and social meeting last week on April 24th. Eleven members, one associate member and six visitors were present.

Mrs. Joe Wilson brought the devotional and members answered roll call by giving the name of a great character of the Bible. The subject of the meeting was "The Life of Dr. Truitt" and was given by Mrs. J. C. Newsom.

Closing prayer was brought by Mrs. R. L. Nichols.

Present for the gathering were Mrs. Lorin Leibfried, Mrs. Troye Stansell, Mr. and Mrs. Revis McGrew, Mrs. Perry Lockett and Mrs. Fry, also members. Mmes. Joe Wilson, Calla Wilson, E. F. Stovall, Kolher,

J. F. McKnight Rites Yesterday

James Frank McKnight, Lockney resident for the past 14 years, died Monday in the Plainview Medical Center. Rites were conducted yesterday afternoon in the First Baptist Church in Lockney. D. L. Handley, minister of the Primitive Baptist Church officiated. Interment was in Lockney cemetery under the direction of Leomons Funeral Home in Plainview.

McKnight was born August 20, 1902 in Illinois. He moved to Lockney in 1948 from Oklahoma and had been employed in Lockney at the Panhandle Compress as a night watchman.

Survivors include his wife, one daughter, Mrs. Leon Walls of Lockney; one son, Gene McKnight of Plainview; two sisters and five grandchildren.

DOUGHERTY CLUB MEETS

The Dougherty Home Demonstration Club held its regular meeting Thursday afternoon in the home of Mrs. Johnny Cates. Mrs. W. J. Ross, president of the club, presided. Opening exercises consisted of the reading of the devotional by Mrs. Cates, singing of the song, "Melancholy Baby" and the roll call which was answered by a helpful household hint.

During the business session reports on the recent State HDC meeting were given by Mrs. Ross and Mrs. Cates. Standing Committee reports were given by Mrs. Bob Vickers on Safety and Health, and Mrs. Ross on Citizenship. Mrs. Cates, Council Delegate, also gave her report. Club members were reminded that ideas for next year's programs should be submitted by the May 10th meeting. The resignation of Mrs. Johnny Polvadore was regrettably accepted by the club. Mrs. Carmel Eastham was elected by acclamation to assume Mrs. Polvadore's office of Secretary and Treasurer.

The next club meeting will be May 10. This will be a Century Luncheon. Each member attending is to bring a covered dish made from a recipe originating since 1900.

Five Minute demonstration was given by Mrs. Carmel Eastham on the "Spraying and Feeding of Roses." Miss Phyllis Rogendorff, County HD Agent gave the program on "Labor Saving Landscaping." Many interesting and informative points were brought out and discussed. Games were led by Mrs. Bob Vickers with prizes going to Mrs. Crawford, Mrs. Eastham, and Mrs. Ross.

Refreshment plates were served to the following members: Mmes. W. J. Ross, Bob Vickers, Wayland Jones, Carmel Eastham, Russel Crawford, Ned Bradley, the agent, Miss Rogendorff, and Mrs. Johnny Cates, hostess.

LT. JOHNSON TO LEAVE FOR GERMANY

2nd Lt. Laurie W. Johnson, son of Mr. and Mrs. Warner Johnson, is here spending a two weeks furlough with his parents before embarking May 17th for Erlangen, Germany for an extended tour of duty.

Lt. Johnson has just completed a 10 weeks officers orientation Army artillery and missile school at Fort Sill, Okla.

Other visitors in the Johnson home Sunday was their daughter, Norris, who is a freshman in McMurry College.

Band Leaves For Music Festival At Enid, Okla.

We Like City Council's Master Plan

We have on our desk the first release of the Joe E. Ward master plan for Floydada and it is interesting from many standpoints of consideration. The Floydada City Council has made a wise decision in authorizing this company from Wichita Falls to plan for the city's future.

The chapter on "Land Use" for the city is especially interesting. The plan calls for a well laid out system of zoning. The city will be zoned into nine segments. Basically zoning attempts to maintain a proper location for industry, for business and for various types of residences. We believe this is one of the most important studies of the book.

No one wants a business or industry to locate next door to his home, likewise not many industries like to locate away from the railroad. Most retail businesses prefer to be in a location where possibilities for "foot traffic" are best.

Zoning takes care of these needs and with proper enforcement the home owner is well protected.

Zoning ordinances will protect the visual appearance of the highway approaches to the city. Many towns have wrecking yards lining the highway approaches and of course this is very undesirable.

We trust that the City Council will okay the zoning plan for Floydada, and we hope that they will give the Chamber of Commerce Streets and Traffic committee the go-ahead on the 14th when it seeks a compromise plan for putting up street signs at our intersections. Zones are important, but just as important is proper identification of streets within the zones.

(GUEST EDITORIAL)

Editor's Note: Actually the following reprint is a copy from a letter to the editor of the Canyon News. We feel that it is worth consideration, and merit, your attention:

Dear Editor:

In my role as counselor, I have had many opportunities to see the damage being done to young people and to our society by the accelerated and artificial social development of boys and girls.

This acceleration in social development causes unnatural strain and stress with a high anxiety level. It forces youngsters into situations for which they are not prepared. Early, steady dating is one harmful result of the present practice. The early, steady dating leads to early marriages for which the young people are seldom prepared. An alarmingly high percentage of the early marriages are ending in divorce and many others create a family environment detrimental to all persons concerned. In addition to this serious aspect of the problem, there is the immorality that is necessarily evident.

There are many reasons why we should do better by our boys and girls. They could develop into a creditable generation of men and women if given the opportunity to grow up in a more favorable social climate. Who is to blame—the home, the church, the school? The facts prompt us to say that all of us must share the blame.

The following newsworthy may offer a partial solution, but more, much more than this type of action must be initiated. Here is the story.

HOUSTON (AP)—The Pasadena School Board, in an attempt to "slow down the rapid social development of children," has ordered an end to many social and athletic activities in intermediate schools, grades six through eight.

"We have been pushing our children toward adulthood too fast," said Supt. George Thompson. "Many students are burned out and have nothing to look forward to when they reach high school."

THE NEW RULES FORBID:

Social activities that would require or encourage dating.

Events requiring formal dress.

More than one picnic or field day a year, with the one event to be on campus.

Football games, outside the district. There will be free admission to district games.

Football banquets.

Visiting band events, except competition in Inter-scholastic League.

School clubs in the sixth and seventh grades.

Election of kings, queens, duchesses and other popularity contests.

THE BOARD ORDERED:

Encouragement of scholastic, citizenship and service programs.

Emphasis on science, mathematics, language and art clubs.

An end to graduation ceremonies.

Cheerleaders, band twirlers and drum majorettes to wear more modest uniforms "befitting children of pre-high school age."

Less stress on showmanship and the "high competitive element," in club activities.

The policy takes effect in September.

The move follows formation of Parents Leagues across the nation.

Wherever there are courageous people who care, there will be more of this type of action. Our young people are being more sinned against than sinning. Not all of the delinquency in our society is juvenile.

Bob Wear, Box 464, Canyon, Texas.

ASC Newsletter

REPORT DESTROYED EXCESS WHEAT—If you have excess wheat and have destroyed it, please report it to this office so it can be measured. This must be done by May 1, 1963. Also if you have barley that you do not want to count against your 1963 Feed Grain base, this must be destroyed and reported to this office by May 1.

1962 WHEAT.—April 30, 1963 is the final date to sign application for incentive payment on 1962 wheat and unshorn lambs.

APPEAL DATE.—If you wish to appeal the yield set on your wheat farm by the county committee this must be done by 15 days from the date on the notice. If you wish to prove the production, it must be for the years 1958, 1959, 1960, 1961 and 1962.

VOTING ELIGIBILITY FOR FARM WITH 1964 WHEAT ALLOTMENTS OF LESS THAN 15 ACRES.—The operator of the farm must elect by May 13, 1963 to participate as an allotment grower in 1964 if he and other producers on the farm wish to vote in the referendum on May 21. This election may be made by signing in the space provided on the back of the regular allotment notice, MQ-24 for the farm or on another copy of the form provided by the ASC office.

1964 WHEAT PROGRAM.—A "yes" vote by more than two-thirds of wheat growers voting in the referendum on May 21 would provide:

A payment of 30 per cent of the county support rate times the normal yield will be paid for 11.11 per cent of the 1964 allotment provided the acreage is put to a conservation use. An additional 20 per cent may be left out and a payment of 50 per cent of the county support rate times the normal yield may be earned.

If a feed grain program is in effect, participating farmers who have both wheat and feed grain allotments can swap wheat for feed grain or feed grain for wheat.

About 80 per cent of the normal production on the allotted wheat acreage will be eligible for price support at \$2.00 per bushel (National Average). This will be certificated wheat. Normal production is based on average production for 1958-1962.

All additional wheat produced in the past, producers who exceed their farm acreage allotment will be subject to marketing quota penalties. Land use penalties will apply if diverted acres are used to produce any crop other than those authorized and specified as in short demand. The wheat program for 1964 does away with the provision through which any farm could produce as much as 15 acres of wheat without being subject to marketing quota penalty.

If more than one-third of those voting in the referendum disapprove marketing quotas, they will not apply to the 1964 crop of wheat. Price support would drop to 50 percent of parity, about \$1.25 per bushel (National Average). Only those growers who stay within their allotments would be eligible for the 50 percent of parity price support. The far wheat allotments would be the same as though marketing quotas were in effect. Those producers who did not stay within their allotments would not be subject to marketing quota penalties and they could sell their wheat for whatever the market would pay.

As in the past, producers who exceed their farm acreage allotment will be subject to marketing quota penalties.

MAY 21, 1963 — REFERENDUM DATE.—If you think you may be unable to vote in the May 21 election in person, you may vote by absentee ballot either by coming to the ASCS office or requesting ballots by mail. Husband or wife of an eligible voter is also eligible to vote.

Thomas J. Hutchins, Office Manager, Floyd County ASCS

Floydada Miss Is Elected To Student Council

Sue Ring, Floydada Junior, was elected to the Student Council of Texas Tech in the run-off election Friday. Each member of the Council for next year will represent 300 students in his or her school. Sue is a representative from the school of business administration.

Last week Sue also pledged Beta Gamma Sigma, national scholastic honorary in the school of business, and was elected to serve on the Board of Student Organizations executive council as representative of all women's dormitories. She will be initiated into Phi Kappa Phi, Tech's Phi Beta Kappa, national scholastic honorary, in May.

Next fall, while student teaching, she will be president of Pi Omega Pi, secretary of her sorority, and a legislator in Weeks Hall besides being active as a member in other organizations.

Letters To The Editor

To the Editor:

I appreciate the improvements that have been made here in our town of Floydada and those now being made and effort being made to get other needed things. Right at the back of our home weeds have not been disturbed for years except as covered by pastboard of every description and other such things.

These open top containers that have been made here in our town of Floydada and those now being made and effort being made to get other needed things. Right at the back of our home weeds have not been disturbed for years except as covered by pastboard of every description and other such things.

Now if you have a dog that you keep chained or pinned but let loose under your supervision who would complain?

Now to our City Dads what about a little teeth to our laws? We heard and knew a lot about the dust bowl in the 1930's. We had some strong winds before Tex. One winter did not have track aircraft carrier USS Franklin enough during the entire in D. Roosevelt, which returns time to wet a person if outside to Mayport, Fla., April 22, after and we did not see a flake of spending seven months in the Mediterranean.

Two special days I remember that spring. First in April, S. B. McCleskey lived some two miles west, northeast of Floydada. He went out to his woodpile. His hat blew off. W. M. Massie walked from his home in the west part of town to his office. He saw a hat in the air. Some two weeks later on May 2nd we had strong wind from the opposite direction. Massie in his walk saw a hat in the air. He told folks that he saw McCleskey's hat going home. McCleskey went out to his woodpile and there was his hat. Impossible, yes, but true. Knowing those two men as I did, I could not doubt their word and for those winds I personally remember.

The one on May 2nd brought a shower. On about the 18th we had a good rain. Where that hat rested that some two weeks no one knows but was thought most

whatever the market would pay. As in the past, producers who exceed their farm acreage allotment will be subject to marketing quota penalties.

MAY 21, 1963 — REFERENDUM DATE.—If you think you may be unable to vote in the May 21 election in person, you may vote by absentee ballot either by coming to the ASCS office or requesting ballots by mail. Husband or wife of an eligible voter is also eligible to vote.

Thomas J. Hutchins, Office Manager, Floyd County ASCS

likely in E. M. (Doc) Wallings' plum thicket some 3 or 4 miles in the right direction from town. Now what I would like to know does any of the "Old Timers" remember the hat story or when was that dryest of winters? Yours for betterment, J. T. McLain

Dear Editor,

Sorry I didn't get a first notice. I've been on the move and away from home. I enjoy The Hesperian so much... so many I know in Floyd County as I taught there for 28 years. Can't miss a copy.

Respectfully,
Mrs. Cella Ross
Amarillo, Texas

Girls Become Junior Scouts

Two fourth grade girls became Junior Girl Scouts Monday afternoon, April 22, at an outdoor investiture ceremony. Completing their Tenderfoot Rank requirements for membership were Dianne Phillips and Maria Martinez. Troop 1 sat in a horseshoe circle inside its new wall tent as Mrs. A. C. Carthel placed the Girl Scout pin on the new members.

A new candidate for membership, Michael Reed, was present for the meeting. She became a member of the Fairy Patrol.

The Troop practiced setting up and "Striking" a tent for the first time.

The mothers are invited to attend the May 6 meeting at which time a film will be shown in the Community Bank room at 3:30 p.m.

Plans for summer camping have been announced. On June 14 the Scouts will have an overnight Troop Camp. On June 23, Annette Jordan and Stephanie Arwine will leave for two weeks at Camp Mary. The Troop will spend one night at Palo Duro Canyon. On August 4 Betty Allen and Stephanie Arwine will leave for Camp Rio Blanco on Crayston for a two week course in Junior Life Saving.

There will be a "back to school" bike hike for the troop at the end of August.

BROOKS SERVING ON CARRIER ROOSEVELT

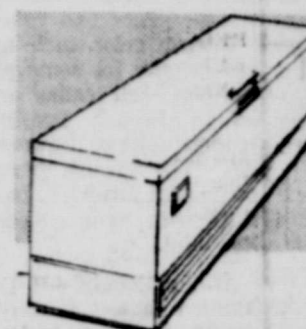

USS FRANKLIN D. ROOSEVELT (FHNC) — Keith D. Brooks, radioman seaman apprentice, USN, son of Mr. and Mrs. Milton Brooks, of Roaring Springs, is serving aboard the aircraft carrier USS Franklin D. Roosevelt, which returns time to wet a person if outside to Mayport, Fla., April 22, after and we did not see a flake of spending seven months in the Mediterranean.

The Roosevelt was part of the element of seapower in the European area. During the cruise, the

LET'S GO

FISHING

... Yes when you hear a friend say "Let's go fishing" it brings to mind some pleasant thoughts about the river, lake, or your favorite spot. And if you are the kind of fisherman that brings back a real catch then you may be thinking of a fish fry or a place to store those juicy dandy's until the gang comes in to help you enjoy them. If you are in need of more freezer space in your home then see your local appliance dealer real soon. Be prepared to save and enjoy the fruits of your fishing and hunting trips with the right electric freezer and refrigerator in your home.

LIGHTHOUSE ELECTRIC CO-OPERATIVE

INCORPORATED

TEXAS COTTON GROWERS REPORT:

Entire Season Control of Thrips, Aphids and Mites...

Untreated plant

Di-Syston treated

Di-Syston Treated Plants Are Stronger, Straighter... Produce More Squares Earlier

West Texas and New Mexico cotton growers now have a new way to control thrip damage and early-season stunting... with Di-Syston granular insecticide. Di-Syston is placed in the soil with the seed or side dressed after planting. The chemical is then absorbed by the growing roots and carried to all parts of the plant through the sap stream—as soon as the plant emerges. No part of the plant is unprotected—even tender new growth as it is formed.

The result? With Di-Syston, your cotton grows faster, has stronger, straighter stems, vigorous foliage. Squares form earlier and plant produces more of them. Many growers in the Lubbock area have reported full season crop with just the one application. You get more yield because of the good Di-Syston stand year, get your crop off to a good start with Di-Syston. Complete instructions for use are on the label on every package. Use Di-Syston.

Recipe for Cooking Renown: Good Cookbook, Electric Range. Anyone who can read can cook, say home economists today. With the superior help given by new electric ranges, there's no reason why even an inexperienced home-maker can't cook to perfection. Here's the advice home economists give all women, no matter how experienced they are: Write down the menu in advance so you'll be sure to buy all the ingredients; plan your time carefully so all dishes will be ready at the same time, and prepare foods carefully according to directions on the packages or in the cookbook.

Finally, put the food in the care of an automatic electric range for carefree cooking with gourmet results.

With the new electric ranges, you no longer have to stand by to watch and probe very few minutes. Electric ovens, with their fully automatic stop and start timers and accurate heat controls, cook your food exactly the way you want it.

Some ranges have thermostatically controlled surface units that quickly bring the temperature in the pot or pan up to the temperature you have set then automatically hold it there whether it's a slow simmer, high heat or a setting somewhere in between.

The constant, controlled heat does away with spillover, burned food and scorched pots.

Double boilers are no longer necessary for sauces and custards, and the temperature is so exact you can even bake a cake on the surface element.

Automatic meat probes are another feature or many of the 1960 electric ranges that make good cooking easy. With them, you can cook roasts or poultry to just the degree of doneness you want without guesswork or testing. Some models automatically keep meat at serving temperature without further cooking, once it's done.

Many electric range models have removable rotisseries that automatically turn roasts or poultry to cook to juicy perfection.

As for appearance, the 1963 electric ranges suit decorator tastes in both color and design. Pastel finishes, polished copper, brushed chrome and white finishes are available in a variety of styles-free-standing models, built-in ovens and surface cooking units, side-in ranges, and high-oven models.

If Your Kitchen Is Old, Update it With An Electric Range - - If you are tired of your old kitchen one of the new, one-piece electric ranges can update it,

without expensive remodeling, since they slide into place without costly installation, yet give your kitchen a smooth, built-in look.

Requiring no installation beyond being connected with the electric circuit are the free-standing ranges. Some have one oven above and one below, and third type has one or two eye-level ovens. These can be hung from a wall or set on a cabinet.

Build-ins that require a minimum of installation are the "drop-ins" and "slide-ins" which come with adapter bands to integrate them with cabinets and counter tops.

The accurate, automatic controls will update your cooking as well as the appearance of your kitchen.

Carolyn Porter and her father, H. E. Porter, went to Amarillo Saturday to visit Carolyn's sister, Mrs. Elton Wallace and a new baby daughter, Stacey Lynn. They were accompanied to Amarillo by "Aunt Sister" McNeill.

Porter Wallace, son of Mr. and Mrs. Elton Wallace of Amarillo, is visiting his grandparents, Mr. and Mrs. H. E. Porter and his aunt Carolyn Porter.

Mr. and Mrs. Doyce Smalley spent the weekend in Strawn, Texas, visiting Mrs. Smalley's mother, Mrs. Flora Patterson.

Mr. and Mrs. Buck Maricle and boys visited Sunday afternoon in Ralls with Mrs. Maricle's sister and her family, Mr. and Mrs. Arthur Fewell and children.

Mr. and Mrs. Gary Jones and daughters of Lubbock spent the weekend with her parents, Mr. and Mrs. Ed Pollan.

Melvin Henry, Curtis Martin and Red Gregory spent the weekend at Lake Stamford fishing.

Mrs. Eunice Weathersbee of Snyder spent Sunday here with her son and his family, Mr. and Mrs. Claude Weathersbee, Tommy and Leigh Ann.

An Electric Dishwasher is Easy On Hands!

A hard-working homemaker can have the hands of a lady of leisure if she protects them from hot

Floyd County Hesperian, Floydada, Texas, Thursday, May 2, 1963

water and suds. One way to spare hands from daily doses of rough treatment is to substitute an electric dishwasher for the dishpan.

Many of today's automatic dishwashers have a choice of washing cycles, including a special heavy duty one for pots and pans. Automatic pre-rinsing eliminates hand rinsing.

Don't Be A Dishwasher - Buy One!

Mrs. J. H. Hutchins of Ralls spent Monday night with Mr. and Mrs. Tom Hutchins and family.

Some thing to Think About:

"Farm products cost more than they used to."

"Yes", replied John Doe.

"When a farmer is supposed to know the botanical name of what he's raisin' an' the zoological name of the insect that eats it, and the chemical name of what will kill it, somebody's got to pay."

Alton Higginbotham, Power Use Advisor for Lighthouse Electric Cooperative, Inc., Gail Brewer, Home Service Advisor for South Plains Electric Cooperative, Inc., Lubbock and Nancy Morckel, Home Economist for Lighthouse Electric Cooperative, Inc., will give demonstrations Friday evening beginning 7:00 p. m. at the Ralls High School on "How To Live Better Electrically".

County Agricultural personnel will discuss farm problems following the electrical demonstrations.

The Wake Club members and their husbands enjoyed a salad supper last Friday night at Naomi's Ceramic Shop. Games of "42" were played after the delicious meal.

The Mt. Blanco Home Demonstration Club met for their regular monthly meeting last Thursday afternoon in the home of Mrs. C. F. Fleming with a good size crowd in attendance. The program was a discussion of the "Market Basket" and how it affects the health and happiness of our families.

FRIONA FARMERS COOP. GIN

BOX 768
FRIONA, TEXAS

April 19, 1963

Continental Gin Company
Lubbock, Texas

Gentlemen:

After operating the first full season on our new Continental Comet Supreme outfit we feel that we should advise you of our operation. As you know this group was in operation for its first season to feel that this in part was directly the results of our selection of your machinery.

Our 3-119 saw plant ginned 5208 bales this season. It operated with on and produced satisfactory results. The arrangement of cleaning which you engineered to fit our West problems has proven to be what we needed.

Enough about the real capacity potential of your Comet. The Tandem Sixteen-D Lint Cleaner installation behind the high capacity operation. The grade which resulted from the balance of the entire plant were well above the average for our area.

We invite anyone to inspect our new plant at any time. It has been most gratifying for us to have your office and the entire Continental Gin Company show such a personal interest in our operation. We appreciate your cooperation and attention.

Sincerely yours,
FRIONA FARMERS COOP GIN

CONTINENTAL GIN COMPANY
LUBBOCK, TEXAS

GENTLEMEN:

WHEN WE ENTERED IT WAS TO INCREASE THE CAPACITY OF OUR OLD GIN OPERATIONS WE SELECTED CONTINENTAL MACHINERY. IT HAS PROVEN THAT IT HAS THE CAPACITY WE DESIRED AS WE AS YET HAVE NOT USED ALL THIS PLANT HAS.

WE GINNED SOME 4500 BALES ON THE 3-79 CONTINENTAL PLANT AND OPERATED AS SHOW SEEN IN THIS AREA. WE BELIEVE ON THE TOOKEN NO TIME TO MAKE PROVEN ADVANCE THE SEASON.

THE SEASON WAS GOOD AS COMPARED WITH OTHER GINS IN THE AREA. THE SEASON WAS GOOD AS COMPARED WITH OTHER GINS IN THE AREA. THE SEASON WAS GOOD AS COMPARED WITH OTHER GINS IN THE AREA.

OF THE SIXTEEN - D LINT CLEANERS WE BELIEVE DO AS REGULAR JOB IN OBTAINING GOOD GRADES.

WEST TEXAS HAS THE FINEST GINNING REQUIREMENTS OF ANY GINNING AREA AND THIS PLANT REALLY RATES IT UP.

April 20, 1963

Continental Gin Company
Lubbock, Texas

Dear Sirs:

Since we wrote you in December about the successful beginning of our ginning operation we have completed our first season. We ginned over 6500 bales on our new 3-119 Saw Continental outfit this year and are now even more pleased with it than we stated in our first letter.

Operationally we have had a season that was highly successful. Every piece of your gin machinery performed dependably and under which this crop was made we were able to keep our capacity between 15 and 17 bales an hour. Considering the season, which produced a crop which was rough even for West Texas, in our Continental Comet System.

The unique overhead arrangement using multiple "Little David" stick machines has amazed everyone in its ability to handle our tough stripper cotton. We have learned to expect almost the impossible from our 119 gins. They have handled all types of cotton and maintained capacity. Their capacity operation on even the heaviest of green cotton, which some of our competitive outfits had turned down, has made us mighty proud of them.

We have learned to expect almost the impossible from our 119 gins. They have handled all types of cotton and maintained capacity. Their capacity operation on even the heaviest of green cotton, which some of our competitive outfits had turned down, has made us mighty proud of them.

A FEW OF CONTINENTAL'S MANY SUCCESSFUL PLAINS OPERATORS SPEAK.

Floyd Philosopher Hopes Rule Against Betting On Self Won't Be Applied To Farmers

Editor's note: The Floyd Philosopher on his Johnson grass farm takes a look at gambling this week, his letter indicates. Dear editor:

As I understand it, some professional football players have been caught betting on football games they've played in themselves and as a result have been suspended. They can't play for at least a year, maybe longer. It's just against the rules to bet on yourself.

Now at first glance this doesn't seem too important as far as me and my Johnson grass farm is concerned, but then I got to thinking.

What if somebody in Washington for example comes out with a rule against betting on yourself in farming? There'd be

Then if you make it through the year's weather pattern and fool the insects and get a crop to market, the odds against the price being what you want it to be are so great the favorable does come up only a time or two a decade, and it sometimes takes a war to swing that.

In fact, looking the thing over, sometimes figure us farmers a lot better if we bet against ourselves, but it's hard to get any bets of that sort.

They can maybe enforce a rule against betting on yourself in football, but if they apply it to farming, they'll wreck it.

Yours faithfully
J. A.

More Dougherty Reunion News

by Jack McIntosh

It has been over two weeks since the big homecoming at Dougherty, but people are still commenting on what a wonderful day it was, especially for all the "old timers". Friends who had lost touch since the 30's and 40's caught up on all the years between, and even the relative newcomers to the community said it gave them a wonderful feeling just to see people so happy to see each other. In all, there were well over 325 people in attendance.

The spacious home of the Bill Pookes was filled to capacity at the open house during the morning hours, and everyone enjoyed the lovely refreshments, the chance to visit and the unique guest favors - a snapshot of the Dougherty schoolhouse provided by Mr. and Mrs. Poole.

At the schoolhouse there was one room devoted to registration and another to old pictures of days past among the Dougherty folks. Coffee was available at all times in the lunch room.

After the barbecue served in the gym at noon, the auditorium was packed for the brief program. Following the invocation by Mr. G. C. Tiner, former teacher, Ned Bradley as master of ceremonies recognized all the teachers present and asked ex-

students of each teacher to stand with him. Floyd Blankenship of Lorenzo, first principal of Dougherty, made a brief talk, and later in the program various former residents also shared some reminiscences. Musical entertainment was presented at intervals during the program. Henry Hinton made a few closing remarks and led the group in a chorus of "God Be With You" as a benediction.

The registration committee feels that some guests failed to register, but the following is the list of all who attended as they have it in the guest book.

Former teachers registering were: Mr. and Mrs. Mose Damon, Canadian; Vivian Caruthers (Wesley, Happy); Annie Lee (Kelsey) Handley, Lockney; Mr. and Mrs. Floyd Blankenship, Lorenzo; Cleo (Cowan) Forsan, Dimmitt; Mr. and Mrs. G. C. Tiner, Lockney; Eunice (Langley) Covington, Dougherty; Mrs. Fred Caron, Dougherty; and the present faculty Mr. and Mrs. E. D. Wilmeth and Miss Mary Slover.

Ex-students and former residents from out-of-town included Mr. and Mrs. Billy Morrison, Midland; J. D. Morrison, Fort Worth; Bessie (Morrison) Cohen, Killen; Macel (Jones) Harkins, Crosbyton; Mr. and Mrs. Lou Caffee, Alamogordo, N. M.; E. B. Custer, T. D. Custer and Mrs. J. C. Custer, Slaton; Barbara Marshall, Lubbock.

Registering from Hereford were Raymond and Irene Holt, Pat Hampton, Don McNeese, Joe and Emma Lee (McNeese) Locke, Gene Brownlow, Mr. and Mrs. James Brownlow, Reynolds and Johnnie (Brownlow) Sanders, Elmer and Frankie Cook, and Mr. and Mrs. R. A. McNeese.

Other out-of-town guests include: Lawrence and John Lewis, Canyon; Ethel Lewis, Canyon; Edna (Lewis) Foster, Tulsa; Ronnie Spencer, Amarillo; Mr. and Mrs. R. V. Bartlett, Fort Worth; Frank and Beva (Handley) McNeill, Amarillo; Gus and Auden Ferguson, Dallas; Mrs. Virgil Scott, Ethel and Coaman, McAdoo; Shirley (Allmand) Davis, Cahone, Colorado; Judy (Mea) Mrs. Troy McNeill, Plainview; Mr. and Mrs. Mike Allmand, Lakeside, Arizona; Alfred Spencer, Amarillo; Billy Meaker, Amarillo; Gene and Maudell (Hinton) Alexander, Lubbock; J. W. Jackson, Crosbyton; Elizabeth (Jones) Graham, Halfway; George and Delilah (Lide) Gearhart, Amarillo; William Hinton, Happy; Mr. and Mrs. Fred Montgomery, Cordell, Okla.; Chess Allmand, Cahone, Colo.; Mrs. O. L. Britton, Bonham; Morris Britton, Sherman; Helen (Rings) Wornack, Dallas.

James Webb, Fort Worth; Mr. and Mrs. Bill Jones, Plainview; Dennis and Madeline (Hamm) Fairbairn, Brownfield; Mr. and Mrs. J. L. Hamm, Plainview; Milton and Opal (McNeill) Ashton, Lockney; Warden and Jean (Covington) Mayes, Big Spring; Lillian (Barker) Silvers, Morton; H. B. Barker, Morton; Allen and Beth (Newton) Leach, Lubbock; Dr. and Mrs. Warren Poole, Melissa and Olivia, Matador; Mr. and Mrs. Tom Boyd, Amarillo; Helen (Powell) Nichols, Graham; Mr. and Mrs. Bundy Campbell, Campbell and Olivia, Matador; Mrs. J. R. Collins, Hartley; Juaneal Wyatt, Amarillo.

Ronnie Smith, San Antonio; Bill Daniel, Lubbock; Sue Ring, Lubbock; Carolyn Cates, Abilene; Mr. and Mrs. Hubert Ring, Wildorado; John and Christine (Hinton) Lyles Hale Center; Vergia (Day) Parramore, Amarillo; Frankie (Day) Jolley, Amarillo; Ola (Allmand) Spencer, Amarillo; Mozelle (Edwards) Mickey, Dallas; Viola (Peel) Moody, Lockney; Chester Ray, Amarillo.

Other out-of-town guests included: Mr. and Mrs. Randall Whitworth, Matador; Mr. and Mrs. R. C. White, Houston; Mr. and Mrs. Wilburn Ball, Spur; Mr. and Mrs. Bill Starcher, Spur; Priscilla Bentley, Lubbock; Harmon Handley, Lockney; Claude Forsan, Dimmitt.

Registering from Floydada were Jewel Norman, Mr. and Mrs. W. D. Newell, Louis Newell, Esther (Patterson) Smalley, Mr. and Mrs. Cullen Bullock; Bernie McNeill, Mr. and Mrs. Ray Smith, Donna Martin, Ovan Oden, Evelyn (Owens) Pollan, Alima (Owens) Cantrell, Mrs. Guiffee, Mr. and Mrs. Roe Jones.

Also Mr. and Mrs. M. A. Barton Ophelia (Bartlett) Sanders, Mrs. C. E. Bartlett, Eva Lee (Oden) Nichols, Mr. and Mrs.

GEORGE FARRIS

GEORGE FARRIS AMONG HONORED STUDENTS

Mr. and Mrs. Kinder Farris returned home last night from Dallas where they attended Honor's Day Convention on Tuesday of SMU students.

The Farris' son, George, was among the group. He has maintained the three years standard of scholarship necessary for recognition at the convention which was held in the McFarlin Memorial Auditorium Southern Methodist University.

M. J. McNeill and Janice, Beth (Crawford) Pratt, W. E. Oden, Ed and Joe (Powell) Wester, Ott Glassmeyer, Mr. and Mrs. A. H. Kreis, Mr. and Mrs. Tate Jones, George Farris, Brady Owens, Jerry and Julianne (Daniel) Finley, Bob and Mildred (Reese) Owens, Mr. and Mrs. Morris Graham, Mrs. John Farris, Carolyn Emert, E. L. Norman, Oran and Robbie (Lotspeich) Hatley, Talmadge L. Luch, Mr. and Mrs. H. W. Roberts, Wmuna (Hatley) Jackson, Irene (Graham) Boutwell, Mr. and Mrs. Kinder Farris.

Dougherty residents registering were: Mr. and Mrs. Weims Norman, Mr. and Mrs. Bob Covington, Mr. and Mrs. Kenneth Poole, Mr. and Mrs. Jessie Pennell, Jack and Ruth (Kreis) McIntosh, Mr. and Mrs. Joy Ward, Mr. and Mrs. Roy Crawford, Mr. and Mrs. Jim Morrison, Harlan and Virginia (Morrison) Cagle, Bill and Leila (Jones) McNeill, Kent and Barbara (McNeill) Covington, Mr. and Mrs. Orland Howard, Mr. and Mrs. Russell Crawford, Mr. and Mrs. Claude Ring.

Also Mr. and Mrs. Robert Ward, Mr. and Mrs. R. D. Holly, Bill Smith, Mr. and Mrs. Bob Vickers, Mr. and Mrs. Henry Hinton, Richard Ward, Mr. and Mrs. Oliver Emert, Mr. and Mrs. F. M. Covington, Mr. and Mrs. Maurice Campbell, Alta (Lloyd) Smith, Mr. and Mrs. Travis Jones, Ruth Daniel, Mr. and Mrs. Fred Cardinal, Mr. and Mrs. J. E. Newton, Jack Covington, Mr. and Mrs. Bill P. Poole.

Mr. and Mrs. Ned Bradley, Jimmie Powell, Mr. and Mrs. Jess Glover, J. S. Lynch, Mrs. Johnnie Cates, Mr. and Mrs. Kenneth Robertson, Mr. and Mrs. H. N. Powell, Mr. and Mrs. Bob Ross, Mr. and Mrs. Lon Emert, David Crawford, James Ray, Wayne and Nita Cagle.

Some of the more recent ex-students included Charles Overstreet, Nona Pernell, Sally McIntosh, James McNeill, Jody Campbell, Ann McIntosh, Vickie and Nathan Johnson, Frank Covington, Alita Hines, Bill Ross, Tim Ward, Weldon Emert, Berniece and Gale Emert.

VETERANS ASK

Q — What is the story of an "extra" dividend available to holders of certain types of GI insurance and what must I do to get it?

A — A special dividend is available only to those Korean Conflict veterans who still hold policies with the prefix RS in front of their policy number. The RS policyholder must take one of these two actions: (a) Ex-terminate his RS term insurance policy for a term policy that will generally cost about one-third what he is now paying. The new policy cannot be renewed as term insurance after the veteran is 50 but it can be converted to a low cost permanent plan insurance policy any time before the insured reaches age 50. (b) Convert his policy to a low cost permanent plan now.

Q — Can a veteran get a GI loan to buy a home or farm in Canada?

A — No. The property must be located in the United States.

10,000 Sterilized Flies Released Near Crosbyton

CROSBYTON (Special) — Ten thousand sterilized flies were released by plane over ranch country east of Crosbyton Saturday morning in quick response to confirmation of a case of screw worm infestation.

Department of Agriculture official Ted Moffett of Blanco and Crosby County Agent Lee Suther said an outbreak of screw worms on the Bridwell ranch east of here was confirmed Friday morning.

250 Boxes Released

A plane arrived here at 9:30 a. m. Saturday morning. Pilot Bob Luce of Del Rio released 250 boxes, each containing 400 sterilized flies, over the area of infestation. Mechanism for releasing the boxes of flies drops five boxes per mile. Enroute to Crosbyton, Luce said sterilized flies were also released over Howard County.

The screwworm eradication program is carried on by the United States Department of Agriculture and Texas Animal Health Commission and the Southwest Animal Health Research Foundation. Local ranchers and stockowners contribute a portion of the funds for the program.

Flies are raised at Mission, Texas.

Q — My wife and I want to be buried together. I am a veteran and would like to be buried in a national cemetery, like Arlington. Can my wife be buried there too?

A — Yes. And if your wife dies before you do she may be buried in a national cemetery, if you provide written intention to be buried with your wife.

Higginbotham - Bartlett Co.

TOTAL PERFORMANCE:

IF YOU KNEW WHAT HE KNOWS...YOU'D BE DRIVING THE 1963 TOTAL PERFORMANCE

Ford is traditionally the nation's Number One police car. The reason: Total Performance!

When it comes to cars the police don't take chances. Put yourself in a State Trooper's shoes. Every day you must patrol hundreds of miles in your cruiser. Mileage and time grind into a man and his machine, but when the bell rings you've got to be ready. Chase. Turn. Corner. Quick stop. You've got to be able to do it all if you're going to do your job.

Listen to a trooper list the reasons why he prefers a Ford and you realize how difficult it is for any car to measure

End Annual Membership Meeting Of South Plains Co-op Gin And Elevator

April 24—The members of the South Plains Co-op Gin and Elevator met for their annual membership meeting at the South Plains Hotel in Amarillo, Texas. The meeting was held in the ballroom of the hotel and was attended by approximately 100 members. The program of the evening included a dinner, a presentation of the annual report, and a presentation of the new year's dues. The annual report was presented by the president, Mr. J. P. Taylor, and the new year's dues were presented by the secretary, Mr. R. L. Huggins. The meeting was a success and the members expressed their confidence in the future of the co-op.

Rev. Sealy Smith will be leaving on May 23, along with others of the Ministerial Alliance of Wayland for the state of Idaho where they will be in revivals. Rev. Smith will be at Pocatello, Idaho with his co-worker, Don Smith in a weeks revival. Vacation Bible School for the Baptist Church here will be held the week of June 10-14, with Saturday, June 10th, preparation day. Time was set thus so Rev. Smith could be here for the school. Mrs. Garvin Beedy is principal of the VBS. Time for classes is from 8:00-11:00 a. m.

A Vacation Bible School Clinic is to be held at College Heights Church in Plainview on Thursday morning, beginning at 9:15, with an all-day workers meeting. Each lady is to carry a sack lunch. Mr. and Mrs. M. L. Huckabay

of Odessa left Tuesday after staying here a week as guests of his brother, Mr. and Mrs. Carl Huckabay.

All of the Young People of the Baptist Church assumed teaching positions and other duties in the church Sunday. Jay Ronald Taylor led the singing. Bud Higginbotham was superintendent. Yvonne Karr gave special music, and Elton Karr, ministerial student of Wayland preached good sermons both services. It was wonderful to see the way the young boys and girls took up their positions and carried them through. We are all grateful to them. Tommy Powell led the night singing, and visitors then were Mr. and Mrs. Alvin Nichols.

The men of the First Methodist Church in Floydada were hosts Tuesday night, April 23, to boys of the Senior graduating class. A delicious banquet was served at 7:30 to all the senior boys and the senior boys from here are Bill Bledsoe, Dennis Deavenport, Bud Higginbotham, Bruce Julian, Jimmy Pritchett, Gary Wilson and Allan Adams. These boys have gone together through grade school, and through high school, and there are no girls in the 1963 Senior Class from here.

mong others from here attended the "Mrs. Floydada" program and pageant on Friday night, April 26, at the H. S. Auditorium in Floydada, with theme of pageant, Symphony of Spring, and Cotton John Smith of Amarillo presenting the winner, who was Mrs. A. C. Pratt.

We are especially proud to note that Price Pritchett, son of Mr. and Mrs. Early Pritchett of our community has been elected president of the student body of West Texas State College at Canyon for the coming year 1963-64. He will be a senior there next year, and is majoring in English. Congratulations, Price.

We extend congratulations to Mr. and Mrs. George Weast, also as their granddaughter, Sandra Smith, was named valedictorian of this year's graduating class of Lockney High School. Mr. and Mrs. Weast and her brother, the Jim Davis family of Durango, Colo. left this Sunday for their mountain cabin in Ruidoso, New Mexico, to stay several days, and the Davis will leave from there for their home.

Visitors at the Baptist Church Sunday morning were Mr. and Mrs. L. G. Pierce, Gary and Cindy, of Morton, Mr. and Mrs. Hightower and son, Mr. and Mrs. Joe Taylor, and children, of Lockney, and the Misses Sharon Burris, Velma Atchley, Alana Thompson, and Sue Wilson all of Eastern New Mexico Univ. of Portales, N. Mex. 101 were present for morning services, with around 50 at night.

Guests in the home of Mr. and Mrs. John Wilson and Gary were Miss Sue Wilson and guests Sharon Burris of Elida, N. Mex. Velma Atchley of Albuquerque, and Alana Thompson, Sue's roommate from Prior, Okla. who all came home with Sue for the weekend from E. N. M. U. at Portales, N. Mex. Saturday night they went to Crosbyton to visit with Mr. and Mrs. Johnny Wilson and Loran at the Fieldan Motel.

The Hobby Club of South Plains met at the spacious home of Mrs. Billy Stanforth, Jr. Wednesday afternoon with co-hostesses Mrs. Roy Bledsoe and Mrs. John Powell. Max Marble, Bill Whitlock of Lockney, Jackie Younger, Ora King, of Floydada and Mrs. L. A. Jeffcoat of Cedar Hill. Mr. and Mrs. Clifford Huggins, Joe and Mack of Lubbock were dinner guests and all day visitors Sunday in the home of the Bill Thomases and Mrs. Maud Brister.

The Fred Fortenberrys went to Amarillo Saturday to have that day and night with her brother, the John McCain family, then on to Clarendon Sunday to spend the day with their son, the Elmo Fortenberry family, Patricia and Rhonda, and they were home Sunday night.

The Joe Taylors, and Rise of Lockney were Baptist Church visitors here Sunday morning, and went home with her folks, the J. P. Taylors to have dinner and to take home with them their son, Greg, who had spent most of the week visiting here with his grandparents.

Mr. and Mrs. Walter Hurt of Plainview spent Wednesday night at the parsonage with their daughter, Mrs. Sealy Smith, Rev. Smith, Sharon, Greg and Terry. They were at prayer services with the family.

Mrs. Alvin Nichols visited her aunt, Mrs. A. B. Blount in Plainview Wednesday. She is nearly 89. Another relative she enjoyed visiting was Mrs. John Blair, who is 92, and still lives alone, and is doing her own work. They both reside in Plainview.

The George Weasts enjoyed having her brother and wife, the Jim Davis' from Durango, Colo. here with them some of the week. They were here through Friday. Thursday noon luncheon guests in the Weast home were the brother, Mr. and Mrs. Jim Davis, Mr. and Mrs. Robt. Lee Smith of Sterley, Mrs. E. T. Evans, Todd and Joel of Amarillo and Mrs. Frank McCure. Mrs. Lee Pearson visited the Weasts Saturday.

Friday night in Floydada Mrs. Olye Jordan was hostess to Mr. and Mrs. Jim Davis, and Mr. and Mrs. George Weast at a delightful dinner.

Mrs. Fred Marble was in Lubbock on a business trip Thursday. Mr. and Mrs. L. T. Wood, Mrs. Walter Wood and Mrs. Glen Wood went to Amarillo Tuesday at 1:30 p. m. for the funeral services of Mrs. Walter Wood's sister-in-law, Mrs. Lucille Hazlewood, 56, who died suddenly Sunday morning there. She had been operated upon recently for a blocked kidney, and a rare abcess on her liver. She had recovered and was doing fine, to all appearances. Services were held at the First Baptist Church with Dr. Winfred Moore preaching the funeral. We extend our sympathy to Mrs. Wood and family.

Mrs. Fannie Roney, 87, of Blackwell, near Sweetwater, the last one of Mrs. Walter Wood's aunts or uncles on her father's side, died Monday noon and services were held Wednesday morning at 10:30 at Blackwell. She had been quite ill for 4 months, and in the hospital there. Mrs. Walter Wood was not able to attend services due to a fall she sustained earlier in the week.

Mrs. Herman Thornton is heading the United Cancer Drive in our community, and has worked very hard the past few weeks trying to reach all the homes in our vicinity. Everyone should try to help this worthy cause.

Mrs. Bryant Higginbotham, a

Floyd CROP Cotton Gift Goes To Hong Kong Needy

Dear Residents of Floyd County, We knew you would be pleased to receive a report on our last year's cotton shipment. The following is a report that has come to us from Hong Kong, the destination of our cotton:

"The cotton which you sent on is one of the better non-food commodities we receive. During the winter months, though we get no snow or frost, the damp wind off the harbor and the lack of heaters in any adequate quantities means that many of the poorer families lie shivering in the streets at night with only the clothes on their backs to ward off the chilling air. When we received the cotton last year, it was thought that by preparing it for use in quilts we might help those on the streets, fire victims and other especially needy cases with a little warmth and relief.

We arranged with a local textile man, for little more than cost, to prepare the cotton

into laps and also make available a covering and some cheese cloth. These materials were then sent to the Chinese Y. M. C. A. where a sewing class, for the needy girls happily agreed to sew the materials into shape. Afterwards these were distributed during the winter months to families and persons in acute cases, generally those newly arrived refugees who find themselves cooking, sleeping and making a living on the street and housed under an old, worn out blanket taped to the side of a building or fence.

Since most of the families in like situations live in such small areas, they all sleep together on the pavement or on a board, so that a large double quilt will do them well for several years to come. It's a good and practical gift for the cotton of which these quilts are made."

From: Norman A. Sandwall
Texas Crop Worker

Floyd County 14 Years Ago

(from the Hesperian dated May 5, 1949)

Funeral rites will be held this afternoon for Mrs. Dewey Floyd, 32, who died Monday in San Angelo. Mrs. Floyd is survived by her husband, a former resident who was born and reared in Floydada, and who is also related to the first Floyds of the county; also a daughter; two sisters; two brothers and her parents.

R. G. Dunlap is the chairman of the board of supervisors of Floyd County Soil Conservation district, which has the principal sponsoring role in the Soil tour and program to be held tomorrow.

Floydada received an inch of rain last night but no hail damage reported.

Ivy Pearl Simmons with a two year average of 96.3-8 is the valedictorian of the 1949 graduating class of Floydada High School. The salutatory honors go to Hope McIntosh, whose average for the past two years is 94. The boy with the highest average is Lonnie Cates with 90.

L. O. Norman, former resident of Floydada, who visited here recently with friends, died suddenly in his home at Sanger, April 17, of a heart attack. He is survived by six daughters and three sons; 24 grandchildren; eight great grandchildren; one sister and one brother.

Mrs. Harry Morckel, who began work with Floyd County Rural Electric cooperative on Monday as advisor on use of electrical appliances, has been succeeded as secretary at the Extension Service office by Mrs. Loveta Campsey, formerly with the Hesperian.

perion for several months. Miss Jimmy Lou Stewart is the new assistant to the secretary and comptroller of accounts at the city office. Miss Stewart resigned as deputy collector last month to take up her new duties.

Mr. and Mrs. Lonnie Hinsley have a new son who was born April 27.

The new roads are scheduled for this year but probably will not reach completion until 1964. The required 100 feet of right-of-way will be bought by Precinct 2 and the State Highway Department

will finance the paving, Judge, Mrs. L. W. Crabtree of Floydada is recovering satisfactorily from surgery in Plainview Medical Center.

Corvair Monza Club Coupe

Who needs muscles?

Do you know how easy it is to take a corner with a Corvair or park one? Turn this newspaper sideways and it will give you a pretty good idea. The wheel handles just about that easily.

The Corvair's engine is in the rear, for not only greater traction, but more balanced weight distribution. And that's what makes the steering so completely effortless.

The engine is air cooled, too. No radiator. No water or antifreeze. No boiling over or freezing up to worry about. It takes the weather and the terrain as it comes.

So think about those trips to the beach this summer, those bright sunny days and balmy moonlit nights.

And besides, looking at it from a very practical point of view, it's Trade 'N' Travel time right now at your Chevrolet dealer's. He's got some beautiful buys.

But you had better hurry before somebody muscles in ahead of you. Spring's here. Summer's coming fast. And with these sporty good-looking Corvairs selling the way they are, he who hesitates will want to kick himself.
