Second Count On Censure List Debated

By JACK BELL

WASHINGTON (AP) — The Senate, having voted 67-20 to condemn Sen. McCarthy for "abusing" his colleagues, came to grips today with the issue of whether to censure him for his treatment of Brig. Gen. Ralph W. Zwicker.

Sen. Jenner (R-Ind), a supporter of McCarthy, launched an attack on the Zwicker count of the general censure resolution by offering an amendment to strike out part of the language.

An hour's debate was allotted on Jenner's move.

The second count specifically charges that McCarthy "intemperately abused" Zwicker when the Army officer was a witness before McCarthy last February.

Among other things, McCarthy told Zwicker, a much-decorated war hero, that he wasn't fit to wear the uniform of a general.

Jenner said that "for at least seven years someone or somebody" has been able to hamper "the official work (of Congress) to help the Communists."

This started in 1947 with former President Truman's loyalty order which hamstrung the Republican-controlled 80th Congress to some extent, Jenner said.

He said the Communists thought they had won a big victory in the election triumph of the Democrats in 1948.

But in 1950, he said, McCarthy "ripped the curtain" of Communist infiltration of the State Department with his Wheeling, W. Va., speech which launched the Wisconsin senator's career as a Communist fighter.

Ever since then, Jenner said, the Communists have been trying vigorously to discredit McCarthy.

McCarthy was not in the Senate chamber as Jenner spoke. He spent little time on the floor yesterday and was not there when the Senate voted 67-20 last night to approve the first count of the censure resolution — that McCarthy had been contemptuous of a 1951-52 Elections subcommittee and abusive to its members.

It was the first official rebuke of its kind handed out by the Senate in 26 years, but McCarthy was outwardly unsurprised and undismayed.

Calling the Senate proceedings "a foul job," he said that as soon as the smoke clears he will "continue to expose Communists roughly in the same way."

It was for his allegedly rough tactics that 43 Democrats, 23 Republicans and 1 independent voted last night to condemn him on the charge that he had refused to cooperate with a Senate elections subcommittee which investigated his finances in 1951-52 and that he had "abused" its members.

Arrayed on McCarthy's side were 20 Republicans, including Sen. Knowland of California, the GOP leader, and Sen. Bridges of New Hampshire, the Senate's acting president.

McCarthy said of the vote, "I don't think the American people are being fooled."

"They know I am being censured because I dared to do the 'dishonorable' thing of exposing Communists in government," he declared.

McCarthy is the first member officially reprimanded by the Senate since Republican Sen. Hiram Bingham of Connecticut was censured in 1929 for admitting a lobbyist to closed tariff hearings. All told, the Senate had censured only three members to this time.

McCarthy faced two further accusations today as the Senate, under agreement to limit debate, gathered to complete its work on the censure issue.

One, recommended by a special six-man committee headed by Sen. Watkins (R-Utah), contended McCarthy had "abused" Brig. Gen. Ralph W. Zwicker when Zwicker was a witness last Feb. 18 before McCarthy's Senate Investigations subcommittee.

The other, proposed by Sen. Bennett (R-Utah) stemmed from McCarthy's assertion that the Watkins group had served as the "unwitting handmaiden" of the Communist party in bringing this and the election subcommittee charges against him.

Amendments were in order to these counts, but after yesterday's experiences — when the Senate overwhelmingly rejected attempts by Senators Dirksen (R-Ill), Mundt (R-SD) and Bridges to wash out the censure charges—McCarthy's friends seemed discouraged about any further efforts of this kind.

The key vote yesterday came on a Dirksen move that would have thrown out the Watkins committee recommendations. That went down 66-21.

Short-of-censure proposals by Mundt and Bridges met defeat by 74-15 and 68-20.

Motion Filed For Batchelor

SAN ANTONIO (AP)—Attorneys for Cpl. Claude Batchelor asked the secretary of the Army today to disapprove and set aside the findings and sentence of a court martial which found Batchelor guilty of collaborating with the enemy while a prisoner of war in Korea.

The motion asked the action because of what it called "more than reasonable doubt as to the mental responsibilities of the accused is raised by the record."

Batchelor was convicted at Fort Sam Houston and sentenced to life. A review by the commander of the 4th Army reduced the sentence to 20 years.

The motion and a brief have been sent to Army Secretary Robert Stevens. They were prepared by a defense attorney, Joel Westbrook.

If Stevens grants the motion, it will enable him to set aside the court martial findings and sentence without waiting for the usual statutory review proceedings of a court martial.

Batchelor, 22, of Kermit, was one of 23 American prisoners who first chose to remain with the Communists. Later, he and Cpl. Edward Dickenson of Cracker's Neck, Va., decided to come home. Dickenson was sentenced to 10 years on charges similar to those against Batchelor.

Eleven Voters Here Are Issued Ballots

Eleven persons here have obtained ballots for absentee voting in the Dec. 11 special sentate election. Of those, four ballots had been returned to the county clerk's office by noon today and boxed for casting on election day. The other seven remained in the hands of voters.

The deadline for obtaining ballots for absentee voting in this election is midnight next Tuesday. There are seven announced candidates for the office vacated by the death of Harley Sadler.

STAR WITNESS

Susan Hayes, who testified she shared a bed with Dr. Samuel Sheppard, heads into court for her appearance at his first-degree murder trial in Cleveland. In the background is Detective Sgt. Harold Lockwood. Dr. Sheppard is charged with slaying his wife Marilyn last July 4.

Defense Suggests Slayer Is Woman

By RELMAN MORIN

CLEVELAND (AP)—The judge in the Sheppard murder trial overruled today defense motions for a directed verdict of acquittal.

"This is not a case that can be disposed of by the court," Common Pleas Judge Edward Blythin said as the session opened.

Therefore, he said, the various motions made yesterday by the defense to dismiss the murder charges against Dr. Samuel Sheppard would be overruled.

Judge Blythin said his decision did not mean that he has any opinion "or even right to have an opinion" as to the guilt or innocence of the accused osteopath.

Sheppard, 31, is charged with first degree murder in the bludgeoning of his pregnant wife, Marilyn, also 31, in her bed at their lakefront home last July 4.

The effect of the judge's ruling against the defense motions for a directed verdict of acquittal or dismissal of the indictment was to leave the question of the handsome defendant's guilt or innocence for the jury of seven men and five women.

The defense then proceeded with its case, calling as its first witness Dr. Stephen Sheppard, elder brother of the defendant. Dr. Steve, one of three osteopath brothers who practice with their father, has been the only relative of the defendant allowed in court during the trial, now near the end of its seventh week.

The state concluded its case yesterday morning, calling as its 30th and final witness pretty Susan Hayes. She told of sharing a bed with Dr. Sam, and receiving a ring and a watch from him, and she said he told her he loved her and was "thinking of divorce."

Defense lawyers in arguing yesterday that Dr. Sheppard be freed on grounds the state had failed to establish a motive or link him closely with the murder, gave several hints as to the nature of their side of the case.

One was a startling suggestion that whoever attacked the 31-year-old matron intended, not to kill her, but to disfigure her.

The defense keeps implying that a woman may be involved in the savage beating.

This thesis emerged in points emphasized by defense lawyers as they called for a directed verdict of innocence. They insisted—

1. That the state must explain a fleck of fingernail polish.

It was found in microscopic examination of scrapings from under Marilyn Sheppard's fingernails. She was not wearing any polish on her fingers the night of the murder.

2. That she died from blood in her lungs, not from the blows on her head.

Atty. William J. Corrigan, his voice rising with emphasis, said the vital areas of her skull were not fractured. He contended, "This seems to indicate a disfigurement was intended."

3. That she may have been struck only a few times, even though 35 wounds were counted on her head and face.

An attorney said "there wouldn't have been time" for someone to bludgeon Mrs. Sheppard 35 times before her husband, coming from the living room below, would have reached her. Moreover, he said, the wounds were "equidistant," evenly spaced about an inch apart. The uniformity of this pattern by accident he said, "strains the bounds of possibility". He concluded that a "multipronged instrument" would account for the even spacing, and that Mrs. Sheppard actually may have been struck "only two, three or four times." The defense has indicated it believes a garden rake may have been the instrument.

Atty. Arthur E. Petersilge argued that the state's case against Sheppard is based "entirely on circumstantial evidence." He ridiculed the contention that the handsome, dark-haired osteopath wanted to divorce his wife because of Susan Hayes.

"He certainly didn't have to kill her (Mrs. Sheppard) to get Susan Hayes," the lawyer said. "He had her whenever he wanted her."

Post Office Nears Record

All the post office here will have to do is have a normal month during December to break the all-time record in postal receipts.

After the November receipts of $9,048.50 were added, the total for the year so far mounted to $102,748.39, which is the highest receipts have been for the first 11 months in history here. By this time last year, receipts totaled $92,677.80, while they were $100,026.44 by this time in 1952, when the last all-time record was set.

The record set in 1952 for a whole year was $115,434.44. That puts the present figure only $12,686.05 under the record. December receipts are expected to go several hundred dollars over that figure. Last year December receipts were $18,072.03, while the figure was $15,408.00 during December for the year before.

WEATHER

NORTH CENTRAL TEXAS: Fair and cool today and tonight. A little warmer Friday.

WEST TEXAS: Clear to partly cloudy and a little warmer through Friday.

Five Survivors Found In Crashed Plane Wreckage

Craft Falls Near Top Of Mountain

MILAN, N.H. (AP) — Searchers found a wrecked Northeast Airlines plane atop snow-covered Mt. Success today and two of its seven occupants—marooned since midday Tuesday in near-zero temperature—were dead.

Five survivors, including the plane's stewardess, the only woman aboard, were removed by helicopter and taken to a Berlin hospital.

A veteran flier on his day off discovered the wreckage this morning after a score of planes had flown over the vast, mountainous region the past two days without success. He is Apostolis N. Bountis, 33, of Manchester, N.H., a Trans-Ocean Airlines pilot.

Dead in the wreckage were: Co-pilot George D. McCormick, 37, of Kingston, N.Y., and John McNulty, 39, of Boston, an NEA flight superintendent, who was making a routine flight check.

The survivors are: Pilot Capt. W. Peter Carey, 37, of Swampscott, Mass., the most seriously hurt; stewardess Mary L. McEttrick, 23, of Boston; and the three passengers, James W. Harvey, 52, of Watertown, Mass.; W. Miller of Philadelphia, and Daniel H. Hall of Montclair, N.J.

All but Carey were able to walk from a helicopter which transferred them from the bleak mountaintop to the Berlin-Milan airport here, about eight miles from the scene of the crash.

Bountis, who was riding as an observer in a Northeast plane piloted by Capt. Peter Dana, told newsmen: "I spotted the outline of the DC3's wreckage."

He said the plane crashed and broke approximately in half as it neared its destination on a regular flight from Boston to the Berlin-Milan airport on Tuesday morning. Both sections of the plane appeared intact.

Bountis estimated the plane struck the mountain about 75 feet from the summit of the 3600-foot peak. It sliced off treetops as it moved into relatively flat snow-covered ground.

The accident marked the first fatality on Northeast Airlines in its 21 years in business.

Miss McEttrick wore a heavy coat over blue and white pajamas as she stepped from the helicopter. The three passengers had on warm overcoats and walked to ambulances.

Vice president Robert L. Turner of Northeast Airlines saw Carey at St. Louis Hospital and quoted him as saying McNulty and McCormick "died soon after the crash."

Miss McEttrick complained of a stiff neck when she reached the hospital. Miller said of her:

"She was terrific. She was the life of the party. She held us all together."

The helicopter which completed the rescue work in swift trips was piloted by Lt. Kenneth M. Richardson of Warren, R.I., stationed at Westover Air Force Base, Mass.

Bountis said that when he spotted the wreckage he saw one of the survivors waving a flag to attract attention.

Weather Bureau officials said it was unlikely searchers could have seen the plane yesterday because of a low ceiling. Clouds hid the mountain tops.

Bountis knew Carey only slightly. Asked why he was up searching on his day off, he replied quickly:

"If I am ever down I want someone to look for me too."

The wrecked plane was making a routine flight on Tuesday from Boston to Berlin. The airport is located in Milan, 8 miles north of Berlin in the northeastern end of New Hampshire.

Carey made his regular stop at Laconia, N.H., and took off for Berlin at 10:37 a.m. The plane acknowledged receipt of a weather report from Northeast at 11:15 a.m. There was no further contact with the ship until it was sighted today — about 45 hours later.

Cold Weather Extends Over Broad Area

The mercury climbed to a weak 53 degrees yesterday afternoon, then tumbled to a low of 33 overnight. By 7:30 this morning, the temperature had risen only three degrees to stand at 36, Mrs. D. P. Srayhorn, weather observer, said.

By The Associated Press

A cold front chilled Texas Thursday but most temperatures shortly before daybreak were above freezing.

The front moved on Brownsville about 5 a.m. and was dispersing fog that had dropped visibility to a quarter of a mile.

Elsewhere the state was under clear skies except for spotted cloudiness along the coast. Some light rain fell in the Gulf Coast sections, but the Weather Bureau said there were no measurable amounts.

Dawn temperatures ranged from 29 at Lubbock to 66 at Laredo.

Forecasts called for partly cloudy skies and warmer temperatures Friday.

An early December cold snap chilled wide areas from the Rockies to the Atlantic Coast.

Snow had diminished over most northern Midwest areas, with flurries reported from the upper Mississippi Valley eastward across the northern Appalachians. The leading edge of the cold air mass moved into the Eastern states.

The coldest weather extended from Wyoming and eastern Montana eastward into the upper Mississippi Valley. Temperatures generally were in the teens but there were some zero and below zero readings. It was -3 in Helena, Mont.

Condition Of Pope Worsens

VATICAN CITY (AP)—Pope Pius XII has taken a turn for the worse.

The 78-year-old head of the Roman Catholic Church has been confined to his bed here since his return from Castel Gandolfo Saturday.

The news of his sudden turn for the worse came from the Vatican.

The pontiff has been suffering from a stomach ailment and hiccups that have made it difficult for him to sleep.

He has not been able to take any food by mouth since Saturday.

His private physician, Dr. Riccardo Galeassi-Lisi, has spent every night this week at his bedside or in a room adjoining the Pope's chamber.

Today, when the doctor left the Vatican after a night-long vigil, the physician appeared worn and tired.

Parley Results Please Wiley

QUITANDINHA, Brazil (AP)—Sen. Alexander Wiley (R-Wis) said today the U.S. delegation at the Inter-American Economic conference here had "strengthened the good neighbor policy with the facts of life."

"There has been no mincing of words by the American delegation," Wiley, chairman of the Senate Foreign Relations Committee, told a news conference. "It has done a bang-up job. The entire group has worked night and day to get our ideas across and it has succeeded."

Wiley talked to newsmen in advance of adjournment, set for this afternoon.

He said the U.S. delegation had showed that 40 billion dollars spent yearly for national defense was spent also in defense of Latin America and the free world.

Champion Steer Brings $15 A Pound At Auction

CHICAGO (AP)—The grand champion steer of the International Live Stock Exposition was sold at auction today for $15 a pound, second highest price ever paid at the show.

Based on its weight of 1,080 pounds when it won the show's top award Tuesday, "Shorty," an Aberdeen-Angus, brought his owner, Janice Hullinger, 16, of Manly, Iowa, about $16,200 in sale money plus cash it won in competition.

METEORITE STRIKES

Mrs. Hewlett Hodges, center, was bruised when struck by a meteorite which crashed through the roof of her home in Sylacauga, Ala. Mrs. Hodges is standing beneath the hole in the roof. Left is Mayor Ed Howard of Sylacauga and right, holding the meteorite fragment, is Police Chief W. D. Ashcraft.

Global War Horror Outlined To Mayors

By D. HAROLD OLIVER

WASHINGTON (AP)—The nation's mayors were told by the Continental Air Defense commander today that the outbreak of a global war could mean "100 pinpointed minutes of atomic hell on earth" for a hundred big American cities.

Gen. Benjamin W. Chidlaw posed this frightening possibility, saying it is the United States which stands "the most likely chance of aerial blow" before Russia strikes anywhere else in starting a full scale war.

Chidlaw's remarks were prepared for the more than 200 mayors and city managers from the 48 states and territories gathered for briefings on the nation's foreign and defense policies.

President Eisenhower, who issued the invitations for the two-day series of meetings, arranged to greet the group with an informal speech.

His talk was scheduled for 9:50 a.m. EST.

Aside from the President's talk, the sessions were scheduled to take place behind closed doors, although some speeches such as Chidlaw's are being made public. After each speech the meeting was to switch to questions and discussion.

The Mayors' Conference is the scond of its kind.

Last year's conference developed a sharp dispute among the mayors and government leaders over the role the federal government should play in civil defense in an atomic emergency. Eisenhower told that meeting that the cities should shoulder the main burden.

Meanwhile, the National Security Council, which last year's conference asked to review the civil defense subject, and the Federal Civil Defense Administration have made what FCDA officials describe as "much progress" in working out plans. The FCDA is now stressing evacuation measures.

Chidlaw appealed for civic understanding of the problems of air defense, including the noise nuisance of jet fighter planes and the admitted danger of their operations and high explosive loads.

He added:

"To our possible enemies ... who sit at their planning tables to compute a schedule of takeoff times for their existing bomber fleets, the 100 biggest cities represented here by you ... may mean to them only those aerial forces and weapons required to produce the 100 pinpointed minutes of atomic hell on earth necessary for their destruction."

Road Program Gets Approval

AUSTIN (AP)—The Highway Commission ordered today the spending of 23 million dollars in 1955 for rebuilding and improving roads in Texas.

The expenditure was authorized "for the sole purpose of protecting the investment that the people of Texas have in the state road system now" said Commission Chairman E. H. Thornton Jr.

Thornton said that until new funds are available to modernize the highway system it will continue to be necessary to make allocations such as today's "to hold the system of roads together."

One of the major issues before the Legislature in January will be the financing of a modernized highway system as proposed by the commission.

Formosa Attack Would Bring Retaliation, Dulles Declares

WASHINGTON (AP)—Red China had blunt warning today that the United States would probably attack the Chinese mainland if the Reds attempted to conquer Formosa.

Secretary of State Dulles made this statement yesterday in announcing that a mutual security pact will be signed with the Chinese Nationalists on Formosa in the next few days.

He said the treaty means U.S. retaliation against any Red invasion of Formosa. Although saying a counterattack on the mainland was probable in such an event, he declined to discuss in detail the scope of any retaliation.

In another statement at his press conference yesterday, adding up to a "tough" policy on Communist China, Dulles said that the United States may yet consider a naval blockade for the China coast if American rights are not respected — that is, if the 13 Americans recently sentenced as spies are not released.

The new pact, if ratified by the Senate as expected, will assure American protection for many years to Formosa and the Pescadores Islands, thus forging the last link in a chain of military alliances designed to block Red Chinese expansion in the Pacific.

The islands have been shielded by the U.S. 7th Fleet since the beginning of the Korean War in June 1950. Under the treaty the shielding may go on for years more.

The treaty is expected to go to the Senate early next year for ratification. Several members of the Senate Foreign Relations Committee indicated today a favorable reaction to the pact.

South Korea, Japan, the Philippines, Austrialia, New Zealand and parts of Southeast Asia already are covered by similar treaties.

The Eisenhower administration, while taking a strong policy line in the Far East, is reported hopeful that gradually a modus vivendi —a way of getting along—will be found without warlike actions. The treaty with Chiang Kai-shek, Dulles made clear, is supposed to contribute to that purpose.

As for Chiang's freedom to attack the mainland, Dulles said he expects an arrangement to be worked out under which Chiang would consult with this country on such action. This could be considered a sort of Washington-held rein on Chiang.

In London, the British Foreign Office said the Churchill government had not been consulted on the new pact but had been assured it "is purely defensive."

The guarantee of American protection does not cover the numerous Nationalist-held islands close to the Chinese Communist coast which range from 90 to 200 miles distant from Formosa.

The Reds have been attacking those islands in recent months. Chiang has wanted the United States to join in their defense, at least with air power. The United States has refused to do so.

There has been some speculation among diplomats that an arrangement might eventually be worked out in which the Chinese Reds would gradually take over the offshore islands and accept, without agreeing to it, Chiang's permanent control of Formosa. The United States and British governments have been discussing the problem of "pacifying" the area for months.

Dulles said he hoped that the treaty would help to stabilize the area. It should do this, he said, by removing any thought that the United States might make a deal to let Formosa or the Pescadores go to the Chinese Reds.

The secretary of state was not so precise in discussing whether the United States would forbid a deal on the offshore islands. He said those were Chinese islands and the United States could not make a deal on them because it had no special legal interest in them.

The United States does have a special legal interest in Formosa and the Pescadores. They were renounced by Japan in the Japanese Peace Treaty, which the United States signed.

Dulles said there is a clause in the new treaty which provides for extending protection to other areas by agreement.

An agreement could be made, for example, to include some of the offshore islands if that seemed necessary. Or the treaty could be extended by agreement to cover some of the Chinese mainland if Chiang regained control over some of it.

Dulles said if the Senate wanted such extensions made subject to ratification, that could be worked out.

Morrow Urges New Regime In Party's National Affairs

By CLAYTON HICKERSON

Associated Press Staff

Wright Morrow of Houston, still plugging for President Eisenhower, asked for a new regime in Democratic national affairs Thursday as the Democratic National Committee met in New Orleans.

Two other Texans, Speaker-Designate Sam Rayburn of Bonham and Senator Lyndon Johnson, the next Congress' senate majority leader, were in New Orleans for speeches before the national party leaders.

The Texans are on the speech program with Adlai Stevenson, the 1952 Democratic nominee whom Morrow refused to support.

The white-haired, ruddy-faced Morrow was Texas' Democratic National Committeeman in 1952 but backed Republican Dwight Eisenhower.

Morrow, Gov. Shivers and Wallace Savage of Dallas, then State Democratic Chairman, led the state Democratic Party organization into the Republican camp and carried the state for the GOP nominee.

Since his deflection from the party in 1952, Morrow has not been recognized as Texas' committeeman by Stephen Mitchell, the National Committee's chairman. He said he would not attend the party's New Orleans meeting this week.

Mitchell plans to submit his resignation at the meeting, a decision he has said he reached months ago —before Shivers and Morrow began calling upon him to quit "for the good of the party."

"Gov. Shivers knows he has nothing to do with my resignation," Mitchell has said.

But for whatever reason Mitchell is resigning, there are many Democrats who voted for Eisenhower who will be glad.

Shivers, in Chicago to address the Interstate Oil Compact Commission Friday, has spoken of Sen. Earle Clements of Kentucky for the post. Wednesday, Morrow said he made such a proposal two years ago.

"I do hope a chairman is named who will not follow the Mitchell brand of leadership," Morrow said. "I do not believe the Democratic Party as we have known and loved it, can survive under this charter of leadership."

Then Morrow turned to Eisenhower and his administration.

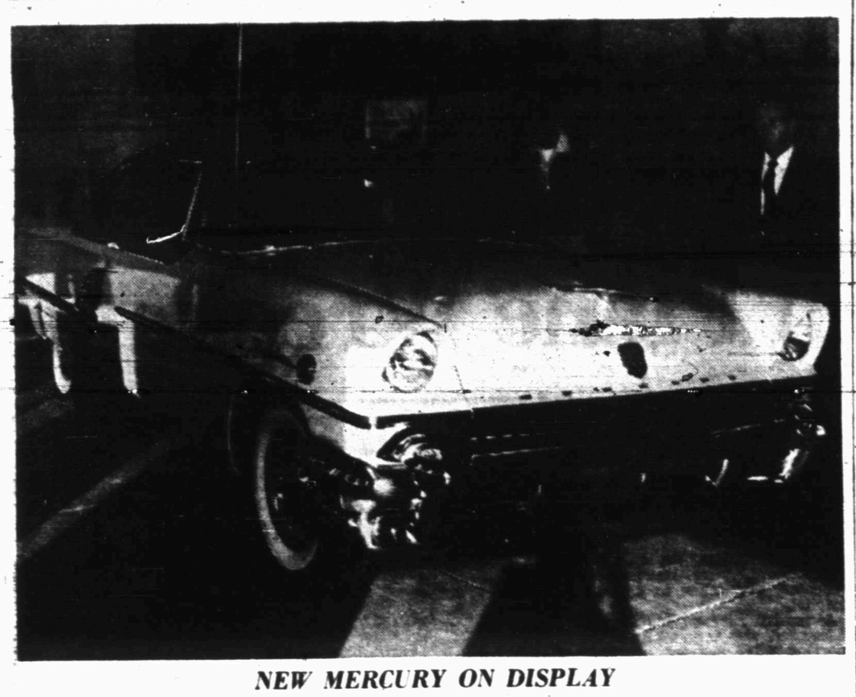

"My sin is that I voted for President Eisenhower," he said. "I am glad I did. He is making a good President x x x"

Morrow said Eisenhower is doing everything he can to unify rather than divide the people and "is making an earnest effort to find some workable means to establish world peace."

Mitchell held last year that Morrow no longer was a member of the national committee because, he said, Morrow submitted his resignation to the State Executive Committee with a copy going to the national group.

The state group later rejected the resignation, submitted after Morrow decided to back the Eisenhower campaign, but Mitchell says the post was vacated and has never been filled.

A State Democratic Advisory Committee, headed by Byron Skelton of Temple and ram-rodded by Rep. Rayburn and others, has been generally recognized by national party leaders as the real Texas segment of the party. Mitchell recently praised the loyal Texas group for its fund-raising effort in behalf of the party.

NEW MERCURY ON DISPLAY

First public showing of the 1955 Mercury cars is being held today at Williamson & Son, 1920 Twenty-sixth Street. Increased power, lower and wider bodies, and new interiors highlight the new Mercurys. Shown above is the new Mercury Montclair, a new addition to the Mercury lines. (Lee Watson photograph)

HOSPITAL NOTES

The following admissions and dismissals at the two Snyder hospitals are only those whose names have been released by the hospitals.

BATTENFIELD-JONES

Admissions: Mrs. Jose Hernandez, route 3; Kathy Machen and Mrs. Tom C. Machen, 104 Canyon.

Dismissals: Mrs. Andy Trevey, route 1; Mrs. William D. Cummings, route 2; Tom Jones, Snyder; John Frizzell, route 1; R. H. Tatom, Gail; Mrs. J. W. Jeffries, 2009 Avenue E; Mrs. Noe Altamirano, Justiceburg.

COGDELL MEMORIAL

Admissions: R. L. Deere, Snyder; Mrs. N. J. Sealy, 3101 Avenue V.

Dismissals: Billy Bowden, 2312 Thirty-first Street; Neva Frances Henderson, 2800 Twenty - fifth Street; Mrs. Weldom Sumruld, Snyder; Mrs. Bob R. Thompson and baby, Snyder; Jan Williamson, 2600 Thirty-fifth Street.

Spy Agency Found

SEOUL (AP)—South Korean intelligence has discovered a Soviet spy agency operating in Pyongyang, North Korean capital, the semiofficial government newspaper Seoul Shinmun reported today. The Republic of Korea counterintelligence agency had no comment.

Your heart contracts about 100,000 times a day.

Tickets Move For Kiwanis Pancake Feed

Snyder Kiwanis Club members yesterday puf the finishing touches on plans for their annual pancake supper, scheduled for Friday evening in the high school cafeteria.

The schedule provides for serving to begin immediately following the regional football game between Littlefield and Comanche in Tiger stadium. Serving will continue until around 9 p.m., or as long as there are customers.

Aunt Jemima will be on hand during the event, and a full program of entertainment will be unreeled during the serving hours.

Bill King, in charge of ticket sales, reported that nearly 900 tickets had been sold Wednesday.

Dawson Moreland, general chairman in charge of arrangements, said there would be enough pancakes, sausage, bacon, etc., to serve a record turnout.

Seven grills will be set up in the cafeteria so that guests can be served promptly, said Wendell Shifflett, who is making arrangements for the kitchen equipment. Doors on the north and south sides of the cafeteria will be used as entrances, and two lines will be able to move by the serving tables simultaneously.

Ticket sales by club members will continue until Friday afternoon at which time the tickets will go on sale at the door. Tickets sell for 50 cents each. A ticket entitles the purchasor to "all the pancakes he can eat" Friday night.

Cub Scouts To Make Drive Here Saturday

Cub Scouts of Pack 36 here said today they will hold their annual coat hanger drive in Snyder Saturday.

The scouts will start at 9 o'clock Saturday morning and continue their drive until the entire town is covered. They are urging residents to inventory their closet for any surplus hangers they wish to dispose of and place them on their front porches. Boys will be by to pick them up sometime during the day.

This is one of the few ways the Cubs have of raising money to sponsor their activities, they said.

Persons living in rural districts, if they wish to contribute hangers in the drive, may leave them at the East Elementary School or have them picked up by calling 3-4789.

BIRTHS

Mr. and Mrs. N. L. Long, Jr., Arah route, are the parents of a son, Donald Charles, born at 4:42 p.m. yesterday in Battenfield-Jones Clinic-Hospital. He weighed eight pounds.

AREA OIL ROUNDUP

Wildcats Set In Three Counties

Locations have been staked for wildcats in Fisher, Mitchell and Garza Counties.

The Fisher exploration is to be drilled by William D. Austin of Abilene and associates as their No. 1 J. W. Turner. It is one and one-half miles east of Sylvester and in the southeast part of the county. Location is 3,688 feet from north and 639 feet from west lines of the A. E. Williams survey. Drilling is contracted to 3,400 feet.

J. F. Hardwick of Wichita Falls is to drill the No. 1 Huffacker as a 3,300-foot wildcat 10 miles southwest of Post. Drillsite is 1,650 feet from west and 487 feet from south lines of section 15-2-T&NO, and on a 160-acre lease.

Another 3,500-foot prospector will be drilled in Mitchell County by Sid Katz of Abilene as his No. 3 Tom Morrison and others. A location has been made 2,310 feet from south and 1,650 feet from east lines of section 34-29-tln-T&P. That is one and one-half miles north of Iatan and 933 feet southeast of the No. 1 Morrison.

NEW PAY FOUND

A new pay, the Pennsylvanian lime, has been found in the Dora Roberts-Ellenburger field of West Midland County.

That formation flowed oil at Forest Oil and Cities Production No. 2-B-1 Roberts, a southwest offset to the discovery of the field. There was apparently no great amount of oil in the Pennsylvanian in the discovery. The No. 2-B-1 Roberts is approximately 40 feet low to the Ellenburger opener.

The Pennsylvanian was tested from 10,104-263 feet with the tool open three hours and 15 minutes. Gas surfaced in four minutes, mud in 55 and oil started flowing out in 60 minutes. During the first hour the section made 35 barrels of oil, with 25 barrels in the second hour. The well is to be drilled on to 13,500 feet to test the Ellenburger.

SCURRY COMPLETION

Forrest C. Lattner has completed the No. 15-A Stinson in the Sharon Ridge 1700 field for a potential of 87.15 barrels of 28.1-gravity oil.

The potential test covered a 24-hour period with the well on the pump. No water was present. Production is from perforations at 1,734-742 feet which had been acidized with 15,000 gallons. Drillsite is 330 feet from west and 990 feet from south lines of section 101-97-H&TC.

FIELD WELLS

Kewanee Oil Co. has reported completion of the No. 1 Girard in the SMS-Canyon sand field of Northwest Kent County.

The well flowed 83.08 barrels of 38.8-gravity oil in 24 hours on the potential test. No water was present. The flow was from open hole from 6,139 feet, top of the pay, to 6,158 feet, total depth. This zone had been washed with 500 gallons of mud acid.

The No. 1 Girard is in section 2-2-H&GN.

R. S. Brennand, Jr., and F. D. Hefran of Midland have filed application to drill the No. 2-B Nettie P. Hale in the Wesbtrook field of Mitchell County.

Location has been made 330 feet from south and east lines of the northwest quarter of section 2-28-tln-T&P, 12 miles north of Westbrook. Projected depth is 3,500 feet, with operations to start at once.

DRILLING REPORT

Forest Oil No. 1 H. H. Eiland, Southwest Scurry tester, is drilling in shale and lime below 2,224 feet.

In Northwest Scurry, Lenox and Zonne No. 1 Martin has plugged back to 2,280 feet and perforated the casing at 2,172-182 feet and 2,199-204 feet. Operator is to fracture and test.

Stanolind Oil No. 3 Classen, Southeast Dawson exploration, is drilling in lime below 6,285 feet. Also in Dawson, Texas Crude No. 1-11 Barlett is drilling in lime and shale below 2,578 feet.

Robert L. Wood No. 1 J. S. Criswell, extreme West Fisher wildcat, is drilling in shale and lime below 6,875 feet.

In Borden County, Shell No. 1 Clayton-Johnson is at total depth of 7,030 feet in sand and shale and preparing to drillstem test. Tide Water No. 1-A Clayton & Johnson is drilling in lime below 5,780 feet. Gibson and Tri-Service No. 1 Pylant is drilling in lime and shale below 8,925 feet.

Fine Is Paid Here For Sweetwater Man

A fine of $48.50, including court cost, was paid here yesterday afternoon for Dr. Roland Otto Peters, Sweetwater physician, who pleaded guilty to a county court charge of driving while his license was suspended.

The charge was filed Nov. 24 after the doctor was stopped by E. W. Green, highway patrolman, on a speeding offense. The doctor's license had been suspended indefinitely for failure to show driver's responsibility after it was first suspended on conviction of driving while intoxicated.

Test Tube Explosion Injures Four Pupils

CHESTER, Pa. (AP)—A chemical-filled test tube exploded with a roar of flames and injured four pupils in a study hall at nearby Ridley Park High School yesterday.

Gordon Ziegler and Thomas Stiles, both 16, were seriously injured by flying glass. There were 30 pupils in the room.

Treated for cuts were John Pierson and Betty Clark, both 16.

School officials said the test tube was held under a desk in the rear of the room by an unnamed pupil.

There was no explanation where he got the chemicals.

Case Deliberated By Women Jurors

This county's first women jurors since the recent state constitutional amendment concerning sex of jurors were prepared this morning to take their case into deliberation.

The charge to the jury was read at midmorning in the civil district court suit of A. W. Browning vs. E. G. Browning and others, a case concerning two and a quarter sections of land near Fluvanna.

The jury is composed of four men and eight women.

Where Life Is Cheap and Love Is Real

Lively Draws Life Sentence

INDIANAPOLIS (AP)—Victor H. Lively was convicted and immediately sentenced to life imprisonment early today for first-degree murder in the slaying of 18-year-old Dorothy Poore.

A Marion County Criminal Court jury reached a verdict in the dresser drawer murder case after deliberating nine hours.

Lively, 25-year-old Texan, sobbed on the shoulder of his attorney after Judge Saul Rabb passed sentence.

The state had charged Lively violated the Clinton, Ind., girl's body after her death in the Claypool hotel room.

Lively had testified that the girl was the aggressor and had stripped off part of her clothing. He told the jury that he had blacked out and couldn't remember what happened after she removed part of his clothing and said: "Let's see what kind of a man you are."

The girl's 5-foot-8 body was found July 18, crammed into a four-foot dresser drawer of Lively's hotel room. It was partially decomposed after two days of sweltering temperatures.

Lively was picked up by police a week later at Clayton, Mo.

In two statements to police he admitted choking the girl when she resisted his advances.

Tread Softly, Chinese Urged

LONDON (AP) — Britain disclosed today she has urged Red China to avoid "precipitate" action in the Formosan Strait that might lead to war with the United States.

A Foreign Office spokesman said the policy of moderation was urged on the Peiping regime in consultations with Communist China's charge d'affaires in London, Huan Hsiang.

The spokesman said Britain has also asked the United States to use its influence in forestalling any provocative action by the Chinese Nationalists of Chiang Kai-shek.

The spokesman — replying to questions regarding the new security pact between the United States and the Formosa regime—said the advice was given to both the United States and Red China in keeping with "her majesty's government's policy toward the islands off the Chinese coast, which has been to urge on all concerned the dangers of fighting, the importance of lowering tension and of avoiding precipitate action."

Britain maintains diplomatic relations with Communist China.

Funeral Service Held Here For Mrs. O'Neal

Funeral services for Mrs. A. J. (Bert) O'Neal, 44, of route 2, were held at 2:30 this afternoon in the North Side Baptist Church. Burial was in Snyder Cemetery under the direction of Bolger Funeral Home.

Mrs. O'Neal died Tuesday night following a long period of illness. She is survived by her husband and a son, her parents, Mr. and Mrs. Dink Lyons of Snyder, and a sister, Mrs. Clene Odessa Smith, of Tahoka.

NEWS FROM HERMLEIGH

By MRS. JESS SPYKES

Mrs. Jerry Dean Robertson left Tuesday for El Paso where she will meet her husband. He is to receive his discharge from the Army there after returning from Korea.

Mrs. John Lynde is a patient in Young Medical Center in Sweetwater.

Rex Robinson, Burt Hurley and Billy Don Haynes have arrived home after being discharged from the army.

Mr. and Mrs. Grover Barnes had as guests over the weekend their three daughters and their families.

Charley Gleastin returned home Monday from a Loraine hospital where he had been treated for injuries suffered in a fall.

Mr. and Mrs. J. O. Leech have been ill.

The Rev. and Mrs. S. A. Sifford visited their daughter and her family in Abilene Thanksgiving.

Mr. and Mrs. Tom Shellborn and Mr. and Mrs. Kemper Shellborn have returned home after visiting Mr. and Mrs. John Q. Adams and family in Fort Hancock. They also went deer hunting and brought back one deer.

Mr. and Mrs. Donald Vaughan are moving from Lamesa to Colorado City. Mrs. Vaughan is the former Willie Mae Reeves of Hermleigh.

Don Richard Hale is expected home December 18 to spend a 15-day leave. He is the son of Mrs. Pete Hale of Abilene, formerly of Hermleigh. Mrs. Hale visited Mr. and Mrs. Alfred Hale here last week.

Mrs. Hodge Rumminer and son have been visiting Mr. and Mrs. Dallas Rumminer and family in Colorado City.

Mrs. Rachel Lassiter underwent surgery in a Dallas hospital. She is reported to be improving.

Mr. and Mrs. Quest Withers and sons spent Thanksgiving in Slaton. Mrs. Withers and their sons remained for a visit.

Among the Hermleigh football fans who attended the Hermleigh-Van Horn bi-district game Thursday were Mr. and Mrs. Sam Houston, Mr. and Mrs. G. E. Chorn, Mr. and Mrs. Eldon Chitsey, Foster Watson, Mrs. James Davidson, Mr. and Mrs. D. R. Kight and Mr. and Mrs. Osman Jackson. The Hermleigh pep squad formed a crown enclosing a 6-B to represent their district championship. The Van Horn band and pep squad also performed during the half.

JUMPER AND BLOUSE

Lovely figure-enhancing princess jumper makes an attractive ensemble paired with the "new-sleeved" blouse.

Auxiliary Holds Book Review, Tea

Mrs. Roscoe Cowper of Big Spring reviewed Taylor Caldwell's book, "Never Victorious - Never Defeated," at a silver tea held yesterday by the Women's Auxiliary of St. John's Episcopal Church at the church. Three generations of a railroad family were discussed in her review.

The refreshment table, laid with a white cloth, featured an arrangement of red carnations and greenery flanked by silver candelabra holding red tapers. Christmas fruit cake, on a silver serving tray, and mixed nuts in silver compotes were served.

Mrs. H. G. Towle and Martha Earnest of Colorado City presided at the silver tea services. Miss Earnest, a member of the Women's Auxiliary of All Saints' Episcopal Church in Colorado City, invited Snyder women to attend the Bazaar her auxiliary is sponsoring Friday in the parish house of the Colorado City church.

Approximately 50 guests attended. Those from out of town, other than Mrs. Cowper and Miss Earnest, were Mrs. G. B. Wilson of El Dorado, Kansas, and Mrs. Hedy Taylor of Dunn.

The best way to find out whether a steak has reached the desired degree of doneness, is to cut a small gash near the bone and note the color of the meat.

Happy Is The Day When Backache Goes Away . . . .

Nagging backache, loss of pep and energy, headaches and dizziness may be due to slow-down of kidney function. Doctors say good kidney function is very important to good health. When some everyday condition, such as stress and strain, causes this important function to slow down, many folks suffer nagging backache—feel miserable. Minor bladder irritations due to cold or wrong diet may cause getting up nights or frequent passages.

Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. It's amazing how many times Doan's give happy relief from these discomforts—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

Block-printed playing cards were used all over Europe half a century before books were printed there.

Fourth Birthday Is Celebrated

Ray Bert Sellars, son of Mr. and Mrs. Wesley Collins, celebrated his fourth birthday yesterday with a party given by Mrs. Collins at 2302 Avenue G.

Refreshments were served to Gary and Barbara Floyd, Kay and Darlene Pylant, Polly Parrish, Janice and Mona Young, Kathy Byrum, Dicky and Ronny England, Ralphene Neal, Mike Stevens, Gary Harless, Billy Atkinson, Lois Sellars, Mrs. Sam Floyd, Mrs. Raymond Pylant, Mrs. Buck Byrum, Mrs. Bill England, Mrs. H. L. McCormick, Mrs. Billy Atkinson, Mrs. Sam Parrish and Mrs. Henry Hart.

Chilled pineapple chunks, seedless white grapes and ginger ale make a delightful fruit compote for a company dinner.

Mental Health Film Is Shown At Meeting

Mrs. Thomas F. Hartley was program leader at the Acacia Study Club meeting yesterday afternoon with Mrs. Melvin Montgomery, 3710 Dalton Drive. The program on mental health featured a film, "The Nation's Mental Health," shown by A. F. Kincaid.

A discussion was held on the federated women's clubs' Christmas Bazaar to raise funds toward the building of a women's club house. The Bazaar will be held December 6 at Wade Pipkin Motor Company.

Checkerboard cake and coffee were served to 21 members and Mr. Kincaid.

Cupcake surprise: tuck one or two chopped dates into the batter in each muffin pan cup before baking.

Helps For Homemakers

Send your questions to "Helps for Homemakers," Snyder Daily News, or call 3-8488.

Try this festive Holiday Casserole Bread to serve with a holiday dinner. The bread is perfectly suited to freezer storage so prepare it in advance then freeze it. All you have to do on the day you wish to serve it is heat and eat.

HOLIDAY CASSEROLE BREAD

2-3 cup hot water
½ cup sugar
1½ teaspoons salt
⅓ cup shortening
½ cup luke warm water
2 packages dry or compressed yeast
1 egg, beaten
3¼ cups sifted flour
1 cup raisins
½ cup mixed crystallized fruits, chopped
½ cup chopped nuts

Combine the hot water with the sugar, salt and shortening. Cool to lukewarm. Dissolve yeast in ½ cup lukewarm water; stir into first mixture and beat well. Add beaten egg, flour, raisins, fruit and nuts. Stir until well blended, about 2 minutes. Let rise in warm place, free from draft, about one hour or until more than doubled in bulk. Stir down. Beat vigorously about ½ minute. Turn into greased 1½ quart casserole. Bake uncovered in hot oven for about 45 minutes. When bread is cool, combine one cup sifted confectioners' sugar with one tablespoon milk and ¼ teaspoon vanilla. Frost bread and decorate with additional nuts and fruit.

W. S. Clardy, 2507 Twenty-fifth Street, was taken from his residence to Young Medical Center in Sweetwater about 2 a.m. today by Bolger ambulance.

FURR'S

The Ira Bulldogs, who have won two of their six games so far this season, have six returning lettermen this year. The squad, left to right, has on the front row Arlen Brooks, Billy Don Farmer, Duane Rosser, and Aubrey Thornhill; second row, Tommy Echols, Leon Huddleston, James Earl Autry, and John Mengwasser; third row, Wayne Gullett, Leon Ford, Joe Smallwood, and Jerry Ford. (Lee Watson photograph)

Ira Teams Already Well Into Season, Plan Tournament

Basketball is a major sport at the Ira scools, and from the looks of things the school may have one of the stronger teams in its district.

In practice games so far, the boys team has won two and lost four games, while the girls have lost only one of seven.

The boys are coached by Kenneth Dismuke, who has lately been working his team out in other schools' gymnasiums while the Ira school reworked the gym floor. The team's two wins were 60-41 over Hobbs and 55-36 over Fluvanna. The Fluvanna team also won one game over the Ira squad, 42-41. Other Ira losses have been 75-27 to Flower Grove, 50-42 to a team of ex-basketball players, and 29-23 to Gail.

The girls, coached by Miss Betty Gandy, beat Flower Grove 51-42, Fluvanna 41-22 and 29-27, Hobbs 54-37, Gail 33-14, and a team of former players 41-21. The team's one loss was 41-33 to Highland.

Ira will have its own tournament this year. Scheduled for Dec. 16-18, it has a total of 15 girls and boys teams entered.

Dismuke figures on improving the record the team had last year, when it had 3-7 district record and 10-12 season mark. The team took home the championship of the Hermleigh tournament last year, while the girls were winners of their division in the Fluvanna tourney, where the boys ran second.

Members of Ira's district other than Ira are Fluvanna, Hermleigh, Westbrook, and Loraine. The district was slightly different last year, with more teams. It was divided, and Hermleigh won one half and Highland the other. Highland finally won out for championship of the entire loop. This year, the district will play its double round robin schedule, and then the two top teams will play a two-out-of-three series for the championship.

The boys team has six returning lettermen. They are Billy Don Farmer, 5-foot-6 sophomore; John Mengwasser, 5 - foot-11½ senior; Leon Huddleston, 5-foot-9 junior; Wayne Gullett, 6-foot-1 junior; Jerry Ford, 6-foot-2 sophomore; and Leon Ford, 6-foot-1 senior.

Others on the team are Tommy Echols, 5-foot-8½ freshman; Arlen Brooks, 5-foot-4 sophomore; Aubrey Thornhill, 5-foot-8½ sophomore; Joe Smallwood, 5-foot-8 freshman; Duane Rosser, 5-foot-8 freshman; and James Earl Autry, 5-foot-8 freshman.

Members of Miss Gandy's girls team are Baleria Eubank, Peggy Taylor, Jo Ann Ford, Dixie Lee Kimmel, Anita Thomas, Mary Turner, Olivia Vinson, Genella Vinson, Darla Kay Bryant, Barbara Martin, Mary Frances Jennings, Jo Ann Brooks, Mary Nell Mosley, Peggy Brown, Margaret Clinkenbeard, and Phyllis Walker.

The teams' next games will be next Tuesday night, when they host squads from Highland.

IRA SCHEDULE

Dec. 7	Highland	home
Dec. 9-11	Fluvanna tourney	
Dec. 14	Hobbs	away

Jan. 18	Hermleigh	home
Jan. 21	Flower Grove	home
Jan. 25	Westbrook	home
Jan. 28	Fluvanna	home
Feb. 1	Loraine	away
Feb. 4	Hermleigh	away

Colleges Already Seeking Coaches

By ORLO ROBERTSON
Associated Press Staff

The last of the 1954 football gear has not yet been hung up but already five major colleges and at least one minor school are looking for a new head coach.

The unexpected resignation of Ed Danowski at Fordham University yesterday left the fifth major vacancy and there were reports that Harvey Robinson was on his way at Tennessee.

Major college coaches who have been fired or resigned within the last few days include Kip Taylor of Oregon State, Bill Young of Furman and Bernie Wituchi of Tulsa. Red Dawson stepped out at Pittsburgh in midseason because of ill health.

Among the smaller institutions, Norwich in Vermont is in the market for a coach after the resignation of George (Duke) Benz.

Young, who also was athletic director at Furman, was the only one of the five to as much as break even this season. Taylor had a 1-8-0 record at Oregon State, Wituchi 0-11-0 at Tulsa and Benz 3-5-0 at Norwich. Pittsburgh lost three straight under Dawson before Athletic Director Tom Hamilton took charge. Young's Purple Hurricanes broke even in 10 games.

Danowski's resignation caught Fordham officials completely by surprise. Although the Rams had won one and tied one of their nine games this fall, the former Fordham and New York Giants' great had given no indication that he was planning on stepping out.

Although Danowski was not available for comment, his wife said he hoped to remain in the coaching profession.

He took over at Fordham in 1946 and in nine years his teams won 29 games, lost 44 and tied 3. The most successful year was an 8-1 record in 1950.

Meantime, the Knoxville Journal said Robinson and his entire staff at Tennessee will be dismissed when contracts expire Dec. 31. It said the chief reasons were defeats by Vanderbilt and Kentucky, both ancient foes of the Vols.

Longhorn Loop Sets New Limit On Vets

HOUSTON (AP)—There'll be fewer rookies and more veterans playing baseball in the Longhorn League next season.

Three sessions of the league held here during the National Baseball Convention decided to boost the limit on veterans and cut down on rookies. It was the only business transacted.

There will be five rookies, five limited service men and five veterans next season instead of the six-five-four limit of last year.

The league recessed last night to meet again in January to adopt a schedule.

Longhorn teams are Hobbs, Carlsbad, Roswell and Artesia in New Mexico, and Odessa, Big Spring, San Angelo, and Midland.

Norkus Decisions LaStarza In Bout

CLEVELAND (AP)—Freeswinging Charlie Norkus dealt a punishing blow to the comeback plans of Roland La Starza of New York last night by winning a unanimous 10-round decision from the onetime top-ranked heavyweight contender.

The televised bout saw the willing slugger from Port Washington, N. Y., carry the battle to La Starza most of the way in a slow-moving contest. He climaxed his attack in the final round with a sizzling roundhouse left to the head that had La Starza reeling in a clinch when the gong sounded.

In another featured bout on the Cleveland News' 29th annual Toyshop Fund Boxing Show, Cleveland's Rocky Castellani, the No. 3 middleweight contender, sent Moses Ward of Detroit crashing to the canvas four times before finally scoring a technical knockout in 2:30 of the eighth round.

Bill McKenna, captain of Brandeis University's football team, gained 40 pounds and grew six inches during his four college years.

Comanche, Littlefield Meet Here Tomorrow

Two state Class AA football powers will clash at 2 o'clock tomorrow afternoon in the Snyder stadium in a regional match.

The two are Littlefield and Comanche, who are expected to have large delegations of grid fans here by tomorrow morning to see the game.

Littlefield, which is 37 miles northwest of Lubbock, gained the regional playoffs by defeating Tahoka 33-7 in a bi-district game. It is champ of District 6-AA.

Comanche, titlist of District 7-AA, ran over Monahans 48-12 in bi-district play.

The Comanche team is scheduled to arrive in Snyder at 9:30 o'clock tonight and will stay at the Beacon Lodge tonight. A committee of Quarterback Club members, headed by Ted Masters, formerly of Comanche, will meet the team.

Littlefield teamsters are not due in Snyder until tomorrow morning. Bob Crowell and Roy Carter, both formerly of Littlefield, will head the delegation meeting that team.

A special train from Littlefield carrying about 500 grid fans is due in Snyder at about 12:45 o'clock tomorrow afternoon. The Chamber of Commerce and schools have arranged for buses to meet the group and give them transportation.

Littlefield this season has scored 341 points to opponents' 202, while Comanche has 348 against 116. Meeting in another regional game tomorrow, one which will produce an opponent for the winner of the Snyder game, are Phillips, which has scored 493 points to 84, and Colorado City, which has 331 points to 87.

Comanche has the better season record of the two teams playing here. So far it has won 10 games and tied one. The one tie was 12-13 with Mineral Wells. In the last three years, the Comanche eleven has lost only four games and tied one. Those years include the team's going last year to the state semi-finals, where Comanche lost to Ballinger 20-13. In 1952 the team tied with two more teams for district championship but lost out to Stephenville on a coin toss.

P. T. Galiga is coach of the Comanche squad, which features speedy halfback Calvin Lee as offensive leader. Lee has scored 180 points this season, despite his being crippled for several games with a bad ankle. His ankle is in good shape now, as it was last week when he tallied six touchdowns against Monahans.

Cecil Brownlee, Comanche's power runner, will not be playing. He suffered a broken leg in the Monahans game. David Willis, who had been a starter at end is out with a broken foot. Two who will probably play have injuries. They are Calvin Cox, center with a healing footbone fracture, and Billy Carter, guard with a bad shoulder.

Probable starters in the backfield will be Gene Coulter at quarterback, Lee and Ardith Timmons at halfbacks, and Bill Carpenter at fullback. Along the line will be Don Steele and Bill Goforth at ends, Harold Price and Robert Brewster at tackles, Sharon Green at one guard and Carter or James Lester at the other, and Cox or Tom Palmer at center.

Price heads up the team's blockers, followed by Lester and Brewster.

The Comanche team has not done much passing this season, but Coulter does what aerial work is done, with Steele and Goforth as receivers. The quarterback, who weighs 188, backs the line on defense. Carpenter will probably serve as power runner from the fullback position. He weighs 185.

Littlefield comes here with a remarkable record for past seasons. The team has won or tied for eight district titles during the past 11 years. It has taken at least two regional championships, two bi-district titles in other years, and in 1949 it won the state Class AA championship. Even in 1952 and 1953 when the team did not go into playoffs, it took second place in its district.

The team, coached by Gene Mayfield, holds a 9-2 record for the season. Its two losses were 18-7 to Clovis and 60-20 to Levelland. It did not lose a district game and scored 134 points to opponents' 78 in loop play.

Well - known Milton (Rabbit) Vaughn heads up the Littlefield backfield. Vaughn, 150-pound halfback, has scored 154 points this season, while the other halfback, who shares the offensive leadership with Vaughn, has tallied 123. He is Keith Davis, 158 pounder. Quarterback is Dan Howard, 153 pounds, who is a good passer and tosses to Davis and end Wayne Wicker. At fullback will be John Clayton.

On the Littlefield line will probably be Joe Giddens and Wicker at ends, Glenn Richards and Max Morris at tackles, Bobby Murdoch and Buddy Rogers and guards, and Paul Yarbrough at center. The players range in weight from 153 to 210, the weight of Ruchards. Murdoch and Rogers head the linemen on offensive and defensive. Murdoch is a linebacker on defense.

ABOVE THE BLEACHERS

By DALE WALTON

A large number of Comanche and Littleifled people will be visiting Snyder tomorrow, and Bill Morgan, Quarterback Club president offers this suggestion, especially to members of the club:

Many of these persons will come here without their cars. School buses will pick up those coming from Littlefield on the train, but many may get out downtown to eat and may not have transportation to places they want to go. They will be easily recognized, since those from both Littlefield and Comanche wil be wearing hat bands. Morgan urged Quarterback Club members to offer the visitors rides in town.

• • •

Roundball practice is still going on in the Snyder high school gym, and coaches J. P. Ward and Jack Dillon will take their A and B teams Saturday night to Abilene. The two coaches are now in the midst of finding out who members of those teams will be.

Looking at other basketball teams in the district, we find that at least one has opened its season. Levelland Tuesday night fell to Odessa 68-50. Odessa was leading 48-34 going into the final quarter. Hillry Ranson and Larry Corbin paced the Lobos.

• • •

Steve Blair, Snyder senior who was chosen to the All-District 3A-1 team at guard, has been given honorable mention on an all-state Class AAA team chosen by the Fort Worth Star Telegram.

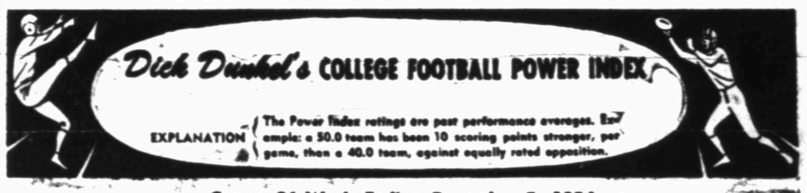

Three members of this district were chosen to the first team picked by that paper. They were Lonnie Holland, Plainview quarterback; Frosty Robison, Big Spring halfback; and Jerry Cramer, Breckenridge tackle.

Others from this district getting honorable mention were ends Sonny Everett of Breckenridge and Garey Lawhon of Levelland, tackle W. L. Pevey of Breckenridge, center Jerry Payne of Breckenridge, quarterbacks Mack Freeman of Levelland and Bennett Watts of Breckenridge, halfback Jake Sandefer of Breckenridge, and fullback Harold Hobbs of Sweetwater.

• • •

The Ira school, which was forced to give up 11-man football during the fall and drop to six-man because of a shortage of boys, played through the season without district affiliation. It was so late by the time Ira had to switch to six-man that all the districts had full schedules and could not admit Ira.

The school has now been assigned by the Interscholastic League to District 7, Region II for next year. That district includes Blackwell, Christoval, Divide (Nolan), Forsan, Garden City, Mertzon, Sterling City, and Water Valley.

Games Of Week Ending December 5, 1954

Higher Raters	Lower Raters

When can I see the new engine with 198 horsepower?

—AT YOUR MERCURY DEALER'S NOW!

TO PLAY HERE

Carl Ince of the Texas Tech Red Raiders, member of the all-Border Conference team, will be one of the well-known cage players here Dec. 10-11 for the second annual Canyon Reef College Basketball Tournament. Ince, who is only 5-foot-10 was a leader all season last year for the Raiders, as well as the year before. He holds two letters. The Quarterback Club and schools, sponsors of the tournament, now have tickets on sale at Lee Motor Co., West Texas State Bank, J. C. Penney Co., and the office of Forrest Beavers in the courthouse.

Lufkin Has Top Rating

DALLAS (AP)—Lufkin's Panthers, who wound up an unbeaten-untied season with a 32-7 victory over highly-rated Nacogdoches, finished the regular campaign with the rating of the state's top Class AAA schoolboy football team.

Texas sports writers, polled by the Dallas News, voted the Panthers into first again by an easy margin.

The top 10:
1. Lufkin (10-0) 2. Breckenridge (8-1-1), 3. Port Neches (0-1), 4. Garland (10-0), 5. McAllen (9-1), 7. Sherman (8-2), 8. Texarkana (8-2), 9. Big Spring (8-1-1), and 10. Temple (4-6.

Restricted Grid TV

CHICAGO (AP)—Recommendation of continued restricted football television at the national level will be made to the annual National Collegiate Athletic Assn. Convention next month by the NCAA television committee.

TO MEN OVER 40

who feel all tired out, no vitality, can't eat or sleep well, bothered with aches and pains in arms, legs, back and shoulders and a general run-down condition, it will astonish you to know that many such symptoms of old age are caused by a deficiency of iron. So, if you are getting old before your time, try pleasant tasting

It's Not Too Early To Try Out Those Christmas Recipes

December - deep in the year's busiest holiday season, women who pride themselves on good cooking are in their glory. It isn't too early to start a sort of "rehearsal" for special holiday meals. The family will enjoy the new treats, and the cook can find which recipes taste as good as they sound.

Fruit cakes for the family and for gifts have always been favorites, but women who have less time to spend in the kitchen may find cookies and candies more to their liking. Here are some Coconut Shortbread cookies which can be baked in advance and stored in covered containers for future use. Anyone who prefers cookies that are not too sweet should enjoy these.

Try cutting them in Christmas tree shapes about three inches long and two inches wide at the bottom. If you make them smaller, be careful about the baking time.

COCONUT SHORTBREAD

1 cup butter or margarine
½ cup sugar
1 egg
3 cups sifted flour
Dash of salt
1 4-ounce can (1½ cups) moist, shredded coconut

Cream the butter and sugar, then beat in the egg with a spoon. Add the flour, salt and coconut and mix well with a spoon. This mixture will be stiff. Roll one-fourth inch thick on a lightly floured board or prepared pastry cloth. Cut into desired shapes and prick a design over the tops with a fork. Bake on an ungreased cookie sheet, about a half inch apart, in a moderate oven (375 degrees) 10 to 12 minutes, or until the edges are lightly browned.

Fruit cake bonbons also store well, and can be made from a packaged fruit cake mix. To make the bonbons, fill tiny foil or paper cups two-thirds full and bake in a slow oven (300 degrees) 20 minutes. Cover the top of the little cakes with butter frosting just before you serve them if you like.

BUTTER FROSTING

½ cup butter or margarine
1 pound confectioners sugar
Dash of salt
4 to 5 tablespoons milk or water
1½ teaspoons vanilla

Cream the butter, stir the sugar in gradually. Add salt and stir until blended. Stir in the milk a little at a time, adding just enough to give a good consistency. Add vanilla.

Definitely a reminder of the holiday season is this cake ring, pretty as a picture with a trimming of whipped cream and maraschino cherries arranged in poinsetta shapes. Cut the cake in good-sized pieces for serving because it has a fluffy texture that is not suited for thin slicing. Serve it without the cream whenever other foods or rich drinks accompany it.

HOLIDAY CAKE RING

¼ cup finely cut candied cherries
¼ cup finely cut citron
½ cup finely sliced walnuts
¼ cup cooking sherry
1¾ cups sifted cake flour
2 teaspoons double-acting baking powder
½ teaspoon salt
2-3 cup sugar
3 egg whites
¼ cup sugar
½ cup butter or margarine
½ cup milk
1 teaspoon vanilla

Soak cherries, citron and walnuts in sherry overnight. Let the butter or margarine stand at room temperature to soften.

At baking time, grease and lightly flour a nine-inch ring mold two inches deep with a three-inch center opening. Sift flour, baking powder, salt and two-thirds of a cup of sugar into a large mixing bowl. Beat egg whites until foamy and add one-fourth cup sugar gradually, beating only until the meringue will stand in soft peaks. Add butter, milk and vanilla to dry ingredients, then stir with a spoon until all the flour is dampened. Beat two minutes at low speed of electric mixer or 300 vigorous strokes by hand. Add the meringue mixture and beat one minute longer in a mixer, or 150 strokes by hand. Fold in fruits and walnuts. Turn into the ring mold and bake in a moderate oven (350 degrees) 40 to 45 minutes, or until a cake tester inserted in the center comes out clean. Turn out on a rack to cool.

While you're spending so much time in the kitchen, give it a Christmas mood, too. Your walls can be decorated with dressed-up kitchen wares, maybe some of the new untensils you have been intending to buy or little extra gifts that so many families keep on hand.

A wire strainer, for example, becomes a humorous femme with red scouring pads as hair, small sink stoppers for eyes. Christmas tree ornaments for earrings, and a big, colored bow under the "chin." A dashing Santa can be made from a wooden-handled duster or long-handled brush. Place his pointed hat down over the handle end of the brush, a hat made from a kitchen funnel or a cone of colored paper. Below the hat goes a giant Christmas ball for the face, with facial features of candies and a beard of absorbent cotton.

Remember that whatever Christmas decorations you use in your kitchen should be fire proof and placed out of your working area to give your freedom of movement.

HOLIDAY CAKE RING
. . . full of good things

BONBONS FROM A M

Italian Communist Comes Out Of Hiding

ROME (AP)—Communist Giuseppe Sotgiu, central figure in Italy's newest sex scandal, has come out of two weeks hiding and reported to Rome's public prosecutor.

Sotgiu, 50, who a few months ago was lecturing Italy on public morals, is charged with "contributing to the corruption of minors."

TANGERINE DESSERT

Fresh, fragrant tangerines have arrived on the market just in time to give an added boost to the holiday fruit supply. Serve them as snacks, as appetizers, or at the end of a heavy meal. Shown above is Tangerine-Honey Dessert, enough for six persons, made from three peeled tangerines, three tablespoons of honey, one-half cup shredded coconut and toasted, blanched almonds. Separate the tangerine sections, remove the clinging pulp and seeds, and pour honey over the sections. Roll in coconut and arrange to resemble flower petals with almonds for a center.

Abortion Fatal To Ex-Champ

LOS ANGELES (AP)—Fear that childbirth would interfere with her plans to break into the movies was blamed today for the abortion death of former swimming champion Virginia Hopkins Watson.

Her husband Arthur Watson told police he wanted a child, but that his wife had a movie part in "Jungle Jim" with Johnny Weissmuller. He told Detective Sgt. Herman Zsander that his wife informed him she underwent the surgery Nov. 18 and noticed no ill effects until last Friday. She died of peritonitis late Monday night in Los Angeles General Hospital.

Police seek to determine who performed the illegal operation.

The 32-year-old Mrs. Watson, a swimming instructor at Hollywood Athletic Club, set a national 400-meter relay record in 1939 with her twin sister Marion Hopkins, Eleanor Chamberlain and Esther Williams of the films.

Virginia set a world 50-meter record in 1938 in Los Angeles. The Hopkins twins appeared later with Billy Rose's Aquacade.

Los Angeles County autopsy surgeon Victor Cefalu said that poisons resulting from the operation overtaxed the kidneys.

Moderate Smoking Okay, Doctor Says

BALTIMORE, (AP) — "Go ahead and smoke — moderately" is the recommendation of Dr. William F. Reinhoff, noted Baltimore surgeon, who discounts the idea smoking causes lung cancer.

Dr. Rienhoff, who also is a member of the Scientific Advisory Board of the Tobacco Industry Research Committee, told members of the Baltimore Rotary that he doesn't believe smoking has "anything whatever to do with causing lung cancer".

He called recent articles concerning the relation of cigarette smoking and lung cancer "irresponsible and unprovable."

More Spending On Continental Defense Due

WASHINGTON (AP)—The Pentagon plans soon to increase its spending for continental defense and guided missiles.

Secretary of Defense Wilson included those items among several he said would call for heavier outlays in the 35-billion-dollar expenditure budget he outlines for the fiscal year beginning next July 1. Total spending at that level would be about half a billion less than docketed for the current year.

Wilson gave no details of expenditures this year for continental defense — interceptor planes, anti-aircraft weapons and radar warning networks in the United States, Alaska and Canada — are expected to be about 600 million dollars.

The Pentagon also will seek authority to build a fifth 60,000-ton supercarrier, Wilson said in answering questions at a news conference yesterday. Two of the huge carriers are now under construction and Congress already has authorized construction of two more.

In an address today, Gen. Charles L. Bolte, Army vice chief of staff, said the Army now is acquiring atomic weapons "in quality."

Bolte referred only tersely to that point, without specifying what weapons he meant, in a speech prepared for the Washington chapter of the Armed Forces Communication Assn.

However, the Army now has at least four weapons capable of firing atomic projectiles: the 280 m.m. cannon; two guided missiles, the Corporal and Redstone; and the big bombardment rocket, Honest John.

Bolte said the "advent of tactical atomic weapons has vastly increased the Army's firepower capabilities" but at the same time has posed new problems.

It must be assumed for purposes of planning, Bolte said, that an enemy would have the same atomic weapons possessed by the American Army. Therefore, he added, dispersion of ground forces must be greater than ever before to avoid presenting a concentrated target for enemy atomic fire.

Train Halted While Woman't Hat Rescued

MINEOLA, N.Y. (AP)—Mrs. Mary Jo Hasson wailed in anguish yesterday when her new $12.50 hat blew off and fell under the second car of a Long Island Railroad train.

Conductor J. F. Ryan saw her plight and conferred hurriedly with engineer Walter Stephenson. Slowly Stevenson backed up the train.

Ryan, retrieved the hat, handed it to Mrs. Hasson, bellowed "All aboard." Two minutes late, the train pulled out of the station.

Patman Expert On Monetary System

By TEX EASLEY

WASHINGTON (AP)—One of the few experts in Congress on the intricate operations of the nation's monetary system is Rep. Wright Patman of Texarkana.

Although hailing from a predominantly rural district, this veteran Texas congressman is regarded by fellow lawmakers as without a peer in such matters.

Patman serves on three congressional groups which handle fiscal affairs. With the Democrats back in control of the House next year, he will become chairman of the Small Business Committee. He will be next to the chairmanship of the Banking and Currency Committee, and will remain on the joint Senate-House Committee on the Economic Report.

The last mentioned is a little known but highly important group proposed by Patman and authorized by Congress in 1946 as a permanent body composed of seven senators and seven representatives. They keep touch on the country's economic pulse and submit a report to Congress each March outlining broad policy recommendations: they recommend in general terms whether the budget should be increased or decreased, whether taxes should be raised or lowered, and so on.

Patman serves on a subcommittee of this joint group which keeps tab on the policies of the Federal Reserve Board. This subcommittee has scheduled hearings Dec. 6 and 7 to hear testimony from members of the "open marketing committee" of the Federal Reserve system. The marketing committee is made up of seven members of the Reserve Board and five presidents of Federal Reserve banks.

Patman, long close to his fellow Texan, Rep. Sam Rayburn of Bonham, and other Democratic congressional leaders, plans to introduce on the day the new Congress convenes a bill directing an audit of the Federal Reserve system. He says there has not been such an audit in 41 years.

The Federal Reserve system, the Texan said, controls the marketing value of government bonds.

"There is big time speculation in these," he said, "which is far over the head of the man in the street. In fact, only a relatively few top financiers are in on this kind of speculation and money making.

"They profit at the expense of the multitude of ordinary investors. My idea is that government bonds should be stabilized at a 100 per minimum value. When they fluctuate only a fraction of a cent some of these speculators may make a killing."

Month Could Be Best Of Entire Year

By SAM DAWSON

NEW YORK (AP)—A home-stretch spurt can make December the best month of this year in industry and trade.

Merchants have high hopes Christmas retail trade will top last year's. And industrial output, in spite of a slowdown for the holiday, may hit its best pace of the year.

Although it started out lamely, 1954 can still make a good showing.

First reports from the stores tell of good Christmas traffic. The magazine Sales Management predicts December retail sales will total $16,900,000,000, 3 per cent above the year-ago dollar volume.

Merchants are wooing customers with advertising and price promotions. Finding prices either stable or a trifle lower, customers are believed to be in the mood this year to buy. Last year many were waiting for big price breaks, which never came.

Forecasts of an industrial activity spurt this month are based largely on the early start auto makers got with new models. The industry plans to turn out more cars this December than in any other month this year.

A further rise in steel production and in a number of other industries is also looked for. As a result, the Guaranty Trust Co. of New York notes, "For the first time since early 1953 general business appears to be rising at a more-than-seasonal rate." It sees "a strong possibility of a further gain in December."

Purchasing agents report that in many industries new orders are now coming in faster than production is rising.

The steel operating rate has risen above 80 per cent of capacity. The American Iron & Steel Institute reports, and output is higher than at any time since early December 1953.

The U.S. Bureau of Mines forecasts an increase this month in the amount of crude oil that will be consumed here or exported. The bureau thinks the total will average out at 6½ million barrels a day.

The Federal Reserve Board looks for the December spurt to lift the year's total dollar volume of goods and services to 356 billion dollars. This would be only 2½ per cent under 1953's gross national product, a record 365 billion.

Famous Trichologist Tells Truth About Saving And Improving Hair

This new method of home treatment for saving and growing thicker hair will be demonstrated in Snyder, Texas, Friday ONLY, Dec. 3, 1954.

These private individual demonstrations will be held at the Manhattan Hotel on Friday ONLY, Dec. 3, 2 P.M. 'till 9 P.M.

OKLAHOMA CITY, Nov. 30 — In an interview here today D. Russell Collins, internationally famous trichologist and director of the Collins Hair and Scalp Experts, Inc., said 'There are 18 different scalp disorders that cause most men and women to lose hair. Using common sense, a person must realize no one tonic or so-called cure-all could correct all the disorders," he explained.

GUARANTEED

"The Collins firm, recognizing that most people are skeptical of claims that hair can be grown on balding heads, offers a guarantee," Collins said.

Once a person avails themselves to the Collins treatment his skepticism immediately disappears. To insure this, we offer this guarantee. "If you are not completely satisfied with your hair progress in the very first 30 days your money will be returned."

HOPELESS CASES DISCOURAGED

First the Collins specialists are quick to tell hopeless cases that they cannot be helped. But the "hopeless" cases are few. Only if a man is completely, shiny bald is he in this last category.

If there is fuzz, no matter how light, thin, or colorless, the Collins firm can perform wonders.

Everyone is given a complete, private examination to determine the condition of his scalp, and cause for his hair trouble.

FREE EXAMINATIONS

This examination is very thorough and highly technical, it requires 20 to 30 minutes. There is not charge for this examination and no appointment is necessary. After the examination he is told the required length of treatment and how much it will cost.

After starting treatment, he makes regular reports to the Collins firm in Oklahoma City, and a trichologist will return to check his progress periodically.

To spread the opportunity of normal, healthy hair to the thousands who are desperately looking for help, the Collins firm is sending specialists to various cities throughout the United States to conduct examinations and start home treatment.

NO CURE-ALL

"We have no cure-all for slick, shiny baldness," Collins emphasizes. "If there is fuzz, the root is still capable of creating hair and we can perform what seems to me a miracle.

There is one thing Collins wants to be certain every man and woman knows. If a recession appears at the temples or a spot begins to show up on the crown of the head, there is something wrong and it should be given immediate attention.

HAIR FOR LIFETIME

"If clients follow our directions during treatment and after they finish the course, there is no reason why they will not have hair all the rest of their lives," Collins said. "Our firm is definitely behind this treatment, it all depends on the individual client's faithful observation of a few simple rules.

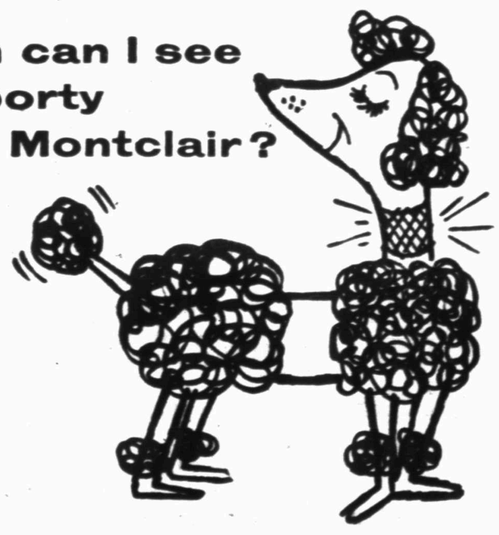

HOW'S YOUR HAIR?

If it worries you call Trichologist Lynn Jones at the Manhattan Hotel in Snyder, Texas on Friday ONLY, Dec. 3, 2 P.M. 'till 9 P.M. The public is invited. You do not need an appointment. The examinations are private and you will not be embarrassed or obligated in any way."

Drilling Applications Drop, But Remain Above 100 Mark

Applications to drill in Districts 7-C and 8 fell slightly the 46th week in 1954, but still remained above the 100 mark. The total was 106, compared with 112 applications for the 45th week.

It was the fourth straight week applications had exceeded 100.

Field tests totalled 90, wildcats fell to 16.

For the year, wildcats totalled 887. Field tests totalled 2,901, making a grand total of 4,186 projects.

In District 7-C four counties shared six wildcats. Fourteen field tests in the same district were divided among six counties.

District 8 counties shared 86 tests. Fifteen counties had a total of 76 field tests. Ten wildcats were distributed among nine counties.

District 7-C wildcats were: Runnels, and Coke, two each; and Crockett and Schleicher, one each.

District 7-C field tests were: Coke, four; Reagan, three; Upton, two; and Crockett and Sutton, one each.

District 8 wildcats were: Pecos, two; Andrews, Borden, Crane, Garza, Howard, Lamb, Motley and Scurry, one each.

District 8 field tests were: Andrews, 11; Ward, Scurry and Ector, nine each; Pecos, eight; Crane, seven; Howard and Yoakum, five each; Garza, four; Midland, three; Gaines, two; and Borden, Dawson, Hockley, and Mitchell, one each.

McCarthy Must Keep Active To Maintain His Influence

By JAMES MARLOW

WASHINGTON (AP)—Since Sen. McCarthy says he isn't going to change his ways, he probably will be in the news plenty before his current term ends in 1958.

He will have to stay in the news if he hopes to keep what political influence he has, perhaps reach for more, and remain a rallying point for at least part of the population.

He has created an image of himself as a fierce fighter against communism—he's the symbol of that fight, he says of himself—and it kept him on front pages for four years. If he now becomes meek, mild and inactive and landed on the inside pages that image might fade.

When asked recently if he intended to conduct himself differently in the future, he said: "I intend to continue this fight to expose Communists in roughly the same way." He was so far from being abashed, at least publicly, by what was happening to him that he said it was the Senate which had "disgraced" itself.

McCarthy got into the greatest trouble of his career during an administration run by his own Republican party and in a year when Republicans controlled Congress. For the next two years, as a result of the November elections, the Democrats will run congress. And they have no reason to love him. He called them the party of treason. They may show less patience with him than have the Republicans.

The Democrats showed what they thought of McCarthy last night by voting solidly to condemn his attitude toward a Senate subcommittee two years ago. More charges were to be voted on today. Only 20 Republicans voted for him on that count. The vote against: 23 Republicans, and all 43 Democrats present and independent Sen. Morse of Oregon—a total of 67 and far more than the simple majority needed.

To show his hurry to pick up where he left off, McCarthy announced he will hold hearings Tuesday to look for Communists in defense plants. But he is about to lose his position of power as chairman of the Senate Government Operations Committee and its Investigations subcommittee. The picture changes in January when the Democrats take over.

As chairman, helped by a large staff paid by the government, he could begin investigations all over the government and call officials to answer his questions. But in January he loses the chairmanship to a Democrat and becomes just another committee member.

This won't necessarily stop him. For two years—1950-52—he had no chairmanship, but he climbed to fame with his charges about Communists in government. He could do the same again. That he has plans for tearing into the Eisenhower administration next year may have been indicated by what he said yesterday.

He said the censure vote will "make the investigation of Communists in the government much more difficult." He didn't have to use the word "government" if he didn't mean just that.

Shooting Victim's Request Fulfilled

By JACK STEVENSON

LOS ANGELES (AP) — The burlesque show at the New Follies Theater went on as scheduled last night.

Red-haired toe dancer Loretta Miller wore a black ribbon in her hair as she appeared. That was the last request of Roger Wing Whittier, 26, a Korean War veteran from Gold Beach, Ore.

Whittier had fulfilled his final pledge—to get her lots of publicity. He was killed at the theater by two bullets, one from his own gun, the other from police, who returned fire, they said, after he first shot once at them.

The man died on stage at dawn clutching photos of Miss Miller. Written on one showing her in ballet costume were the words: "Angel Face: All I can do is worship you. Goodbye. Roger."

The shapely Miss Miller, 25, said she had never met the man but had received two letters and bouquets of roses from him.

The strange drama began shortly after 5 a.m. yesterday when a man telephoned The Associated Press.

"I broke into the New Follies burlesque a couple hours ago," he told me. "I'm in love with a dancer there, Loretta Miller.

"I want to get her publicity. I want to get her picture in every paper in the country.

"Call the police and come over here. But you be careful. I'm armed."

I called the detective bureau.

Two detectives and two officers entered the theater with a portable floodlight. A man onstage was caught in its glare.

Police said he fired twice with a .32 automatic. The first was at the light and the second struck him in the head. The officers returned fire.

The stage floor bore printed testimonials of his infatuation: "Dear Loretta, just to hold you in my arms. . .My red-headed angel. . ."

Miss Miller previously had reported to police that she received two letters signed, "Roger." One said:

"My plan is to go backstage just as the last show ends. With my automatic in my hand I shall attempt to fight my way to you. . . At most I want to hold you in my arms. . .I mean you no harm and wouldn't hurt you for the world."

He never carried out that plan.

The second note to the dancer said in part, "If you happen to read or hear of a guy named Roger coming to a violent end, please pin a little piece of black to your costume."

Miss Miller did that and commented:

"The poor guy."

Company Is Ordered To Refund Collection

WASHINGTON (AP)—The Power Commission has directed the El Paso Natural Gas Co. to refund more than 3 million dollars collected in a rate increase for 27 wholesale customers in Texas, New Mexico, Arizona and California.

The commission allowed the firm a $10,237,098 annual wholesale natural gas rate increase yesterday instead of $13,307,238 the company has been collecting. The difference must be refunded within 45 days plus 6 per cent interest.

The commission said a 6 per cent rate of return was "fair, reasonable and adequate." The company asked 6½ per cent.

Sirens On City Street Disturbs Court Session

SCRANTON, Pa. (AP)—Miss America of 1955 came to town yesterday and Judge T. Linus Hoban complained about all the noise.

The wailing of police sirens during a parade for Miss Lee Ann Meriweather disturbed Judge Hoban, hearing testimony in a criminal case. He ordered the district attorney to telephone Mayor James T. Hanlon and ask him to stop the noise.

"I'm sick and tired of hearing sirens sound while court is in session," he said.

UNESCO Rule Change Voted

MONTEVIDEO, Uruguay (AP) — The UNESCO Administrative Commission has authorized Director General Luther H. Evans to dismiss staff members "lacking the highest standards of integrity." The action cleared one obstacle to Evans' firing of three American employes who refused to answer U.S. loyalty board questions.

The commission last night approved a series of amendments to staff regulations which Evans — an American citizen — had proposed as a result of a running argument with Washington officials over the trio.

UNESCO sources said the director general is now expected to dismiss all three if a special advisory board concurs. Evans had claimed he lacked authority to fire them.

Three Indicted In Remington's Death

SCRANTON, Pa. (AP)—A federal grand jury has indicted three prisoners at Lewisburg (Pa) Penitentiary on a general charge of murder in the slaying of former government economist William W. Remington.

No date has been set for trial of the three — Lewis Cagle Jr., 17, Chattanooga, Tenn.; Robert Carl Parker, 21, Washington; and George Junior McCoy, 34, Grundy, Va.

Remington, 37, a prisoner at the penitentiary, was assaulted with a half-brick stuffed in a stocking Nov. 22. He was serving a sentence for perjury in denying he passed government secrets to a Communist spy ring. He died Nov. 24.

Cagle was quoted by prison officials as saying the motive was robbery.

Expressway Overwhelms Auto Driver From India

DETROIT (AP)—Dr. Murlidhar Sahumo, an interne from India, told Traffic Judge John D. Watts yesterday he was so "intrigued" by a Detroit expressway he "just had to speed."

He was arrested for driving 85 miles an hour in a 55-mile zone on the John C. Lodge Expressway.

"I was not going 85 but I will admit to 70," said Dr. Sahumo. "The open feeling on the expressway intrigued me. We do not have roads like these in India. They are beautiful, almost unbelievable."

Judge Watts fined him $25 for reckless driving.

Noted Men Start Pushing Doorbells

By HAL BOYLE

NEW YORK (AP)—Many famous men got their start by pushing doorbells.

Bruce Barton sold cooking utensils from door to door to help pay his college tuition. Billy Graham toted around a well-known line of household brushes. Eric Johnston once was a vacuum cleaner salesman.

Arthur Godfrey, who later learned he could get into more living rooms via television than by knocking on front doors, in his youth sold cemetery lots for a time by house to house plugging.

They are just a few of the honored graduates of a form of direct selling, symbolized by the roving Yankee peddler, which began in this country almost as soon as the Pilgrims landed. A million or so Americans devote all or part of their time today to this kind of salesmanship. This huge army of doorbell ringers now sells items as small as a nail file, as large as an oak tree. Fortunately, they don't have to carry sample oak trees in their daily rounds. Pictures will do.

Business is good right now with the doorbell pushers.

"Direct selling seems to rise and fall with the tempo of retailing generally," said George Graves, president of the National Assn. of Direct Selling Companies.

"There is no census of the industry, but we estimate its volume at between two and four billion dollars a year. And this doesn't include the door to door business done by insurance agents, milkmen, or auto salesmen. There are quite a few auto salesmen now out looking for sales by pushing doorbells."

The great problem is the turnover in sales agents, which averages more than 50 per cent a year. They are recruited largely by other agents or through classified newspaper ads.

"The reason for the turnover is the fact that many people take up direct selling for a single purpose," explained Graves. "They want to make enough money to buy new furniture, a TV set or a new car. When they've done that, they often drop out."

Temporary Workers Up Federal Payroll

WASHINGTON, (AP)—Employment of temporary census workers boosted government payrolls during October for the second time in 27 months, Sen. Byrd (D-Va) reported today.

Byrd, as chairman of the Senate-House Committee on Reduction of Nonessential Federal Expenditures, said civilian employees—excluding foreign nationals working overseas—numbered 2,323,029 in October, an increase of 5,464 over September, but 47,716 less than in October of last year.

Federal employment has declined steadily since July 1952, except during July and October of this year.

Bus Workers Planning To Buy Out System

TACOMA, Wash. (AP)—Bus workers in this city of 145,000 are going to buy out the privately owned system in a two-million-dollar deal.

Officials of the Tacoma Transit Co. and the AFL Motor Coach Employes Union announced yesterday a plan calling for union members to buy the firm's stock through a payroll deduction plan and to retain the present company officials.

The company has 250 employes.

First Wedding Held In New Courthouse

POCATELLO, Idaho (AP) The first wedding in the new Bannock County Courthouse was performed yesterday to the accompaniment of music from a sanding machine and decorations by the Pocatello Painters Union.

The bride was Charlene Gay Parris, of Virginia, Idaho. She was dressed in white and red accessories. The groom was William Arthur Gunter, of Arimo.

When they appeared to be married they found the old county courthouse, which was built in the 1890s, being torn down. County Commission Chairman Cantril Neilson said he thought the old building unsatisfactory for a wedding arranged for it in a room in the nearly completed first floor of the new building.

The first U.S. homestead law, permitting receipt of title to land by those who lived on it and met certain conditions, was passed in 1862.
