OPEN HOUSE was held in honor of Texas Public School Week Tuesday evening at Kelley and Hutchinson Elementary Schools. Parents, teachers and children took this opportunity to gather and discuss their problems and progress. Even future students (top right) joined in the evening's excitement.

Commissioners To Contemplate Development Corporation Act

Mitchell County Commissioners will meet Monday at 1 p.m. in the County Courthouse to open bids for a pickup and three trucks no longer used by the county.

Other items on the agenda include a report from the Texas Highway Department that a program to place safety signs at all railroad crossings in Mitchell County has been completed. Now that the signs are in place the county will be responsible for their maintenance, according to Judge Bill Carter.

County Tax Assessor-Collector Mike Burt will appear before the court to request permission to bind all the tax volumes into two volumes as required by state law.

He will also ask for a decision from the court on the new tax laws. It is the court's option this year to go to 100 percent valuation and reduce the rate to maintain the same taxation or leave the tax structure as it is for 1980. All valuation will be required to go to 100 percent in 1981.

A Metro-type law enforcement program for Mitchell County will be discussed during the meeting. This type system would eliminate the city police department and the sheriff's office would control all law enforcement agencies within the county.

The Development Corporation Act of 1979 will be discussed by the court.

Members of the court attended an industrial development meeting February 25.

At that time it was suggested the county could act as regulators of a nonprofit development corporation.

The corporation would carry out certain public purposes relating to the promotion and development of commercial industry, manufacturing, medical and research enterprises, to promote and encourage employment,

public health and the public welfare.

This would be done to have the authority to establish an industrial bonds program.

The only activities of the court would be to review the appointed board of directors once a year. There would be no cost to the county.

County Clerk Joan Beach has also asked permission to address the Commissioners Court during the meeting.

The Rev. Ihsan Ardhuermly, pastor of St. Luke's United Methodist Church and Dorn Chapel, delivered a very interesting talk recently at a meeting of the Colorado City Noon Lions Club.

His informative speech regarded the current situation in the Middle East. He is a native of Iraq. One of the thoughts he expressed regarding the current strained relations the United States has in that region of the world was in reference to the conduct of Americans in foreign lands.

I don't know how many people read the book or saw the movie starring Marlon Brando entitled, "The Ugly American." However, the situation in the movie and book was about the same as was discussed by Rev. Ardhuermly.

He noted that the American government and American companies came to the Middle East and disregarded, to a great extent, local customs and traditions.

I'm sure that a lot of people who have been to other countries have seen gross behavior by Americans. On top of all that, Americans get away from home and do things they would never consider doing in their own country.

How would we like it if people from other countries came to the United States and conducted themselves in the way many Americans do in other countries? We'd get angry, I'm sure.

This isn't to say that all Americans are guilty of gross misconduct when they are in another country but as the old saying goes, one bad apple, etc.

So many people try to justify the misconduct of our citizens and companies in other countries by saying that country owes us something. Maybe they should be grateful and maybe they would be if we didn't act like we owned them and expected gratitude.

Sure, people in other countries are different—they have different customs and ways of life. But don't forget, we are different in their view.

One thing our government needs to learn, and big business as well, I suppose, is that you can't buy friendships. You have to earn it.

Dr. Thomas Seeks School Board Slot

Dr. Pat A. Thomas, 29, has announced his intentions to run for a place on the Colorado Independent School District Board of Directors.

Thomas, his wife, Cindy, and their children, Lindsey, 3 and Mamie, 4 reside at 1341 Chestnut.

Thomas graduated from Granbury High School in Granbury, Texas. He attended York College in Nebraska for two years, Tarleton State University for two years, Texas College of Osteopathic Medicine for four years and did a year's graduate work in the Fort Worth Osteopathic Hospital.

Dr. Pat Thomas

He and his wife moved to Mitchell County about one and one-half years ago, at which time he set up a medical practice in the Medical Center located at 505 Chestnut.

"We have recently purchased the medical building and plan to make this our permanent home," Thomas said.

"I am running for the school board because I want to contribute to the community. When you live in a community there are several areas of major importance that every citizen must consider and supporting the school system is one of them.

"My goal is to see that the school system provides the best education possible for its students, taking into consideration the size of the city and school system we have," Thomas said.

Thomas is a member of the Lions Club, Chamber of Commerce and attends the Church of Christ.

Jury's Decision Vindicates Gomez

Sammy Gomez, 19, of 1220 Oak, was found not guilty Thursday night by a five-man, one-woman jury in County Court on a charge of resisting arrest by police. The verdict was returned at 8:14 p.m. after the jury deliberated 39 minutes.

The charge was a misdemeanor, one which was denied by the defendant who claimed he was hit twice by Colorado City Patrolman Billy Ray Williamson with a flashlight. His mother, Minnie Gomez, testified she saw the policeman hit her son. Williamson denied

that he struck Gomez in any way.

Gomez was booked in to jail on a charge of aggravated assault on a police officer, a felony. However, the Mitchell County Grand Jury no-billed Gomez on that charge and indicted him on the misdemeanor charge of resisting arrest.

According to Williamson's testimony, he was on patrol in the early morning hours of Sept. 3, 1979, Labor Day, when he saw a pickup going south on Vine. The pickup ran the stop sign and turned west on 17th. Williamson said he was parked between the two buildings on the E-Z Way parking lot and gave chase.

He said he clocked the pickup on radar going 52 miles an hour through the hospital 20 mile-an-hour zone and followed it to 1220 Oak.

Williamson said he arrived there just shortly after the pickup was parked in the driveway. The driver, whom he recognized as being Sammy Gomez, had gotten out of the pickup and was walking at a fast

pace to the front door of the house.

The officer said he shouted several times, identifying himself as a police officer. He said the red and blue lights on his police car were still flashing. He noted he did not remember what he shouted but something to the effect he was a police officer and to stop.

Williamson said he asked Gomez to produce his driver's license and Gomez did. Then Williamson said he asked Gomez to accompany him to the police car to write out the citations and as he (Williamson) turned, he said Gomez grabbed him, pinned his arm and took the driver's license away. Williamson said he looked up and saw Gomez's face

Council To Hold Hearing

The Colorado City Council will meet Tuesday evening at 7 p.m. in City Hall to hold a public hearing on a 1980-81 Revenue Sharing Budget.

They will also consider requests for the use of Motel Occupancy funds and establish a "priority list" from requests received during the last regular meeting.

A discussion of improvements at the Webb Auxiliary Airstrip will take place during the meeting.

Dockrey Withdraws Candidacy

Jim Dockrey has withdrawn his name from candidacy for the Mitchell County Hospital Board of Directors.

Dockrey indicated the state law regarding nepotism (patronage bestowed in consideration of family relationship and not of merit) as his reason for withdrawing his candidacy.

Bale Count Reaches All Time High

The count goes on and on as Mitchell County cotton producers harvest the largest crop ever recorded in Mitchell County history with an estimated 86,793 bales produced in the county.

A total of 92,550 bales have been brought to Mitchell County Gins with 85,285 bales from this county ginned and 1,508 bales of Mitchell County cotton still on the yard.

A breakdown of each gin is as follows:

Buford Co-Op Gin reported 12,000 bales processed and 1,500 bales still on the yard for a total of 13,500 bales.

China Grove Co-Op Gin reported 11,500 bales processed and only 15 bales still on the yard for a total of 11,515 bales. About 5,750 of these bales are produced in Mitchell County.

Colorado Gin Company reported 4,951 bales processed. They are finished for the year.

Farmers' Gin reported 7,243 bales processed. They have completed ginning for the year.

Co-Op Gin of Loraine reported 19,000 bales processed. They have completed ginning.

Mitchell County Gin reported 12,059 bales processed. They are through for the year.

Westbrook Gin reported 10,057 bales processed. They have no more bales to gin.

Producers' Co-Op Gin reported 14,225 bales processed. They are finished for the year.

Chamber Luncheon Scheduled

The Chamber of Commerce will host a luncheon Monday at noon in the Civic Center.

Special guest speaker Ken Scarborough, legislative-political manager for the Southwestern Region of the United States Chamber of Commerce, will speak on "Why Chambers should have legislative committees and how towns and cities the size of Colorado City can be politically effective in Washington politics."

Scarborough will also discuss the Small Business Administration and how it affects businessmen in Colorado City.

The Snyder Chamber of Commerce will attend the function and after the luncheon, Scarborough will meet with Colorado City residents to help in formulation of a Chamber Legislative Committee.

Cost of the meal is \$4 and everyone is invited to attend. Persons unable to attend the luncheon but interested in the legislative committee should be at the Civic Center at 1 p.m. Monday.

THIS IS ALL THAT REMAINS of the Mahoney Auto Parts Building located on the corner of Second and Chestnut Streets. The structure was razed to make way for additional parking space for the City National Bank and its annex.

Old Fiddlers Contest Highlights Fun Show

Sunday afternoon the gates of the Mitchell County Fair Grounds will swing open to an extravaganza of entertainment as the Optimist's Summer Fun Show continues.

An archery demonstration, featuring Coach Mike Hart and the Archery Club, will take place some time after noon today (Sunday). A contest with three divisions, beginner, intermediate and open class will be held also.

Registration fee for the event is \$2 and size

medals will be awarded to winning contestants.

Entrants must furnish their own bows and target arrows.

Throughout the afternoon festivities, a black powder demonstration featuring flintlock muskets and antique weaponry will be demonstrated by a group of persons from the Wichita Falls area.

An old timers fiddler's contest will highlight the day's events. Participants from the big country area have entered the competition and there will be some

grand old foot stomping music offered about 2 p.m. Three trophies will be awarded to winning contestants.

In the main barn a display of "summer fun" merchandise and clothing will be presented until dark.

Companies from Lubbock, Big Spring, Abilene, San Angelo and Mitchell County will display recreational equipment and items.

Sportsmen will delight in previewing the latest sports equipment. Hunting, fishing and See FUN Page 3

are driven between 66-70 m.p.h. with six percent driven over 70 m.p.h.

"We are going to make an all out effort to strictly enforce the 55 m.p.h. limit. We will use stationary, unmarked units equipped with ra-

dar and roving unmarked units to pace drivers," Burson said.

The program calls for unmarked catch cars, however, Burson noted, "At this point in the program we will be using marked cars to

make the actual stop."

In a survey conducted by the Record, several citizens commented.

To the question, "Do you feel the 55 m.p.h. speed limit is justified, considering the statistics which prove the incident of fatal accidents is less at 55 m.p.h. and gas consumption is also less at the lower speed?"

Bob Reilly replied, "Yes, I believe it is justified."

Albert G. Anderson replied, "I think the 55 m.p.h. limit is good. But I follow traffic and sometimes exceed the limit to stay up with traffic."

David Feaster replied, "I think the 55 m.p.h. is good. I think I could drive 55 m.p.h. if everybody else drove that speed."

Bob Grayson replied, "It's good, it saves lives and saves gas but, it takes a lot of self discipline to obey."

Dub Ramsey of Abilene replied, "In my business, using four vehicles, we drive about 1,200 miles a day. It (the 55 m.p.h. speed limit) is good for people who are not professional drivers. Pros know what they

are doing, their reaction time is better. I don't think it's right for them to have to drive 55 m.p.h., but you can't have two speed limits."

Coleen Palmer replied, "Yes, it is justified."

Starr Greenblatt replied, "I believe 55 m.p.h. is too slow. I don't believe the legislature took into consideration that Texas has a unique situation in that

we travel such great distances between towns. However, it has been proven that it cuts down on the death rate and it does require fewer gallons of gas."

The question of "Would you stop for an unmarked vehicle," was asked.

Reilly answered, "I would stop locally, however on unfamiliar roads or at night, I don't think I would."

Anderson answered, "I have mixed emotions, I can see what they are after and I don't object to unmarked vehicles to enforce the law."

"I would stop if a red light were turned on but in unfamiliar areas, I would have every reservation and would try to drive to a populated area before coming to a stop."

Feaster answered,

"I'd stop, however, I don't know that I would want my wife to stop."

Grayson answered, "I'd stop but not get out of the car. I wouldn't blame someone else for not stopping."

Ramsey answered, "I would not stop. I'm in the vending business. I could not afford to stop because of the merchandise and cash I carry. I couldn't take the chance

that it would not be an officer. I'd speed up and take my chances."

Mrs. Palmer answered, "I would not stop for an unmarked car under any circumstances."

Ms. Greenblatt answered, "I would not stop for an unmarked car. I do not get out of my car for anyone. They have to show me their credentials through a closed window."

ther come out on the porch so he ran to the car and radioed for help.

Officer Bobby Callaway, who lives nearby, said he had just gotten off-duty and was in bed when he heard Williamson radio that he was in pursuit of a car, so he got out of bed and about that time, he heard the siren go by his house. Callaway said he went to his car and then heard Williamson's request for help.

On arriving there, Callaway said he went up and tried to find out what the problem was from Sammy Gomez and his parents, Mac and Minnie Gomez. About that time, according to Williamson's testimony, Sammy Gomez grabbed the flashlight out of Williamson's holster and then Williamson pulled his pistol. Callaway said he did not remember if he did or not.

Callaway said he told Gomez to give him the flashlight and he did. Then they went to the car, Gomez was handcuffed and taken to the police station.

Before Gomez was taken to the car, Sgt. Jimmy Roundtree arrived on the scene and said he tried to talk to the father, Mac Gomez, but he wouldn't talk to him.

Sammy Gomez was taken to the police station in the rear seat of Williamson's car, booked and then taken to the "drunk tank" of county jail.

When asked by Defense Attorney Patrick Abeyta if Gomez complained of an injury to his head, Williamson said he didn't remember anything about it, Callaway said he thought he remembered Gomez saying something about it and Roundtree said he remembered Gomez complaining about it.

None of the three officers could remember for sure if Gomez was fingerprinted that night. Abeyta stressed this point, noting that they couldn't because Gomez's hand was swollen and they couldn't take fingerprints and had to wait until the next morning.

When asked if Gomez was read his rights, allowed to make a phone call or get medical attention, all three officers said they didn't recall doing so.

All three officers said Gomez acted belligerent.

Williamson was asked if he suffered any injuries and he answered that he hurt his wrist but he said, after being asked, that he didn't seek medical attention.

Gomez took the stand and testified that he was driving home from a relative's house on Austin Street and came down Hickory and turned on 17th. He said he wasn't on Vine Street and he did not see a police car on the E-Z Way parking lot.

He said he proceeded down 17th Street and as he passed Locust, he noticed a car pull in behind him. As he turned into the driveway of his home, Gomez said he

saw a car pull onto Oak from 17th. As he walked up on the porch, Gomez said the car stopped in front of his house, the lights were turned on and Williamson ran into the yard and hit him (Gomez) in the head with the flashlight. Then Gomez raised his hand to protect himself and Williamson hit him again, this time in the hand, aggravating a previous injury to the hand.

About that time, Gomez said the porch light came on and Williamson ran to the police car. Shortly afterwards, Callaway arrived on the scene, according to Gomez's testimony and while they, Gomez, his mother, father, Callaway and Williamson, were talking, Williamson was shaking his flashlight. Gomez said

TALK. From Page 1

If all Americans, or at least a large part of those who travel overseas, would watch their conduct, maybe we would quit seeing the "Yankee, Go Home" signs.

All of this, of course, does not justify the seizing of Americans or any other hostages such as has happened in Iran and South America. Let's just hope that these situations are resolved without loss of life.

A New Lent

Ron Hamby
Pastor

First United Methodist Church
Colorado City

The season of preparation for the highest of Christian holy days, Easter, is the forty days (excluding Sundays) before Easter commonly called Lent. Too often any recognition of the season at all has been quite trivial and lacking propriety for the seriousness of the time.

The focus of Lent is on the last forty days of Christ's life, a particularly difficult time of temptation, introspection, pain and suffering. The Christian is challenged at Lent to reflect on his/her own life in the light of the life of Christ. It is a time of deep evaluation of one's existence, a time of increased discipline, a time of growth and strengthening.

Too often, however, Lent has only been joked about in terms of what we are going to "give up." The whole idea of self-denial during Lent as a means of increased self-discipline and spiritual growth is a good one, but rarely have we taken it very seriously. Moderation as a form of spiritual discipline has long been practiced in various forms, and it certainly could be an instructive course of action for us today.

However, perhaps a "New Lent" for us might take on a more positive image if we would focus on what it is that we should "take up" rather than "give up" during Lent that would most be beneficial to our own spiritual growth. For instance, all of us need to take up a more basic, simple, and lower life-style in our hectic-paced world faced with myriad energy crises. What about our taking up a more open, positive attitude toward those who are different than we, who think or believe or act or look differently? Perhaps spiritual growth disciplines such as Scripture study or Church School or Worship attendance are the needs in your life. What better time to make up remembering to do things like forgiving someone against whom we have long held a grudge; or calling or writing someone to tell them just how special they are, how much they are loved; or doing a deed for love and concern that no one else will ever know anything about.

What we have too often failed to understand is that Jesus always speaks strongly in Scripture against the use of piety for ulterior purposes on our part--those dramatic acts for show are only for reward and focus on ourselves, not on God. Our "New Lent" is aimed at no reward other than a deeper, renewed relationship with God, ourselves, and others. Such renewal arises only out of true repentance--a complete rethinking and re-focusing of our whole lives--that comes in joyful response to God's act of supreme love in the death of Christ on the cross.

Lent does not end--thank God!--with the cross or Good Friday, but is the period of preparation that culminates in Resurrection, Easter! New life arises out of old, and God assures us again that nothing can overcome His love, not even sin or death. That is Good News for our lives, and it is Good News that we can prepare ourselves to hear again by participation in a New Lent!

Meeting Set For Cotton and Grain Producers Tuesday

All area cotton and grain sorghum producers are invited to a meeting Tuesday at 7:30 p.m. in the C.C. Thompson Room of City National Bank in Colorado City.

Cotton and grain production in Mitchell County will be discussed. Dr. Willis Gass, area agronomist (the applied phases of both soil science and several plant sciences) will be presenting facts and information pertinent to this area.

Dr. Dale Pennington, area soil chemist and Bob Kensing, area ecologist, will appear on the program discussing topics ranging from cotton and grain sorghum varieties, to fertility programs, to the economic outlook for these and other crops in the Mitchell County area.

County Entomologist Bill Jany will present information on insect problems and prospects for 1980 production. Advantages and disadvantages of fertilization will be discussed in depth.

Dr. Pennington serves as analyst for soil samples taken in Mitchell County and is knowledgeable about proper kinds and amounts of fertilizer to recommend for Mitchell County.

Loraine School Board To Meet

A special meeting of the Loraine Independent School District Board will be held Thursday (March 13). Bids for renovation of the school buildings will be opened at that time.

Beef referendum Is Voted Down

The recent Beef referendum proposal voted on across the United States was defeated.

Mitchell County producers voted the proposal down. Of the 120 producers who registered, only 87 voted. Of the 87 voting, 21 persons voted for the proposal and 66 voted against.

Nationally, beef producers voted 65.4 percent against the program with a total of 231,032 cattlemen voting and 151,119 of those voting against the program and 79,913 voting in favor of the proposal.

There were 18 states approving the program and 32 states rejecting it including Texas, where producers voted 23,902 to 7,888 against the plan.

The proposal was a plan to collect \$40 million annually to promote beef by a collection of 20 cents per \$100 worth of beef sold.

Colorado School Board To Meet

A lengthy agenda, including amendment of the budget, is on tap for the regular monthly meeting of the Colorado Independent School District board of trustees Monday at 7 p.m.

Among those items on the agenda include plans for tennis courts and air conditioning of cafeterias, the resignation of Quin Thornburg as music teacher at Kelley and the appointment of Cathy Terrel to replace her. Mrs. Thornburg is moving to Odessa as her husband has been transferred there with his company.

The board will also hear requests for the use of facilities in July

by the girls softball league in preparation for the West Texas tournament here and the county entomologist Bill Jany will request use of the gardening plot at Wallace Center for experiments.

The board will also appoint election clerks for the upcoming school board election April 5 and consider insurance programs as well as adopt a school calendar for 1980-1981 and the adoption of textbooks.

Another item on the agenda will be the migrant program for the next school year and a fee for the church league's use of facilities will also be discussed.

RE-ELECT BILL McGUIRE SHERIFF Of Mitchell County In The Democratic Primary Election Saturday, May 3

On Saturday, May 3, cast your ballot for Sheriff Bill McGuire.
He is a second generation Mitchell County lawman. His father, Bob McGuire,
was chief deputy sheriff for two different Mitchell County Sheriffs.
Sheriff Bill McGuire grew up in the office.
Bill has 10 years experience in law enforcement and in those ten years he had only
one boss, the people of Mitchell County.
On Saturday, May 3, let's keep it that way.
Keep sound judgement and common sense in our local law enforcement. Reelect
Bill McGuire as Mitchell County Sheriff.
(Paid Political Announcement By Bill McGuire)

Adam is the son of Mr. and Mrs. Kenneth Merket.

ELECT

JIMMY HARRISON Commissioner Precinct 3

Jimmy Harrison has worked for city and rural
development. He has worked for progress in water and
soil conservation. He believes in harmony and cooperation
between all inter-county governments.

Jimmy Harrison is willing to face any issue which will
determine the future of Mitchell County. He will be a strong
new voice to speak for you and will provide new leadership
to meet the challenges of the 1980's.

Your vote for Jimmy Harrison for commissioner of
Precinct 3 will be a vote for progress.

Scouts Week Observed

Girl Scout Week is ob-
served in the week of
March 12, which is cele-
brated as Girl Scout
Birthday.

The Girls Scouts of the
U.S.A. have flour-
ished since 1912 as an
ever growing trajectory
to the future for more
than 42,000,000 girls and
leaders throughout 68
years of growth.

Special observances
of Girl Scout Week,
March 9-15, 1980 have
been planned by the
West Texas Girl Scout
Council throughout
West Texas.

Colorado City Scouts
are planning to wear
their uniforms to church
for "Girl Scout Sunday"
and the highlight of the
entire week is the Girl
Scout Cookie Sale.

The Optimist Club do-
nated a booth at the
Summer Fun Show at
the fair grounds, Satur-
day and Sunday, in
which the Girl Scouts
will finish up their cook-
ie sale.

FHA Chapter In Loraine Awarded

The Loraine FHA Chapter has received a seal to be added to their pledge for their donation of at least \$100 to the West Texas Rehabilitation Center. This is their sixth year to be recognized by the organization.

Jill Linam, outgoing president, and Emma Garcia, incoming president, will represent the chapter in the Area II convention along with 1,400 other members and advisors from the West Texas area, March 7-8.

"FHA-HERO's Future-A New Frontier" is the theme of the 1980 meeting which will be in

the Ector High School in Odessa.

The business of the Area II Association will be conducted Friday evening at the House of Delegates session followed by a Talent Show featuring entertainment from the Roaring Twenties.

Future Homemakers who have achieved unusual accomplishments by completing levels of Encounter, a special growth and development program, will be honored.

Installation of the 1980-81 area officers will climax the Saturday afternoon session.

25th Anniversary Tea Is Planned

The Colorado City Garden Club will meet Wednesday at 3 p.m. in the C.C. Thompson Room to celebrate their

24th Silver Anniversary with a silver anniversary tea. They will be honoring all past presidents and

would like to extend a personal invitation to all past members.

THE LORAINA FHA CHAPTER has received a seal for their donation of at least \$100 to the West Texas Rehabilitation Center. Pictured above representing the class are (left to right) Jill Linam, outgoing president and Emma Garcia, incoming president.

Revival In Loraine

The Crockett and Smitley Street Church of Christ in Loraine will have a Revival meeting beginning Wednesday, March 12 through Sunday, March 16.

Services will begin at 7:30 p.m. each night and Sunday morning worship service will be at 10:30 a.m.

Sunday evening service will begin at 6 p.m. and Jim Murphy from San Angelo will be the guest speaker.

Everyone is invited to attend.

Special Fund Is Set Up

A special fund has been set up at City National Bank for Colorado Middle School Band Director Bob Newman who underwent open heart surgery.

Newman is reported doing fine in a Lubbock Hospital.

The surgery was necessary after he suffered several heart attacks earlier this year.

The fund was set up by the Colorado City Band Boosters to help Newman offset some of the medical expenses incurred during his illness.

Edith Taylor Dies

Edith Taylor, 64, died Tuesday at 3 a.m. in the Root Memorial Hospital after a lengthy illness.

Funeral services were Saturday at 2 p.m. in Mt. Zion Baptist Church with Rev. Richard Hamilton, pastor, officiating. Burial was in the Mitchell County Cemetery under the direction of Kiker-Seale Funeral Home.

Born Edith Washington, Dec. 1, 1916, in Nacogdoches, Tex., she married Clarence Taylor Oct. 27, 1936 in Nacogdoches.

She moved to Colorado City in 1950 and was employed as a cook for the Civic Center. She was a member of the Mt. Zion Baptist Church in Colorado City.

She is survived by her husband; five daughters, Emerklee Berryman of Houston, Marie McDow of Tyler, Rosetta Carter, Ruby Doris Henry and Darlene Taylor, all of Houston; four sons, Clarence Jr., of Colorado City, Willie Dean of Tyler, Curtis and Clifford; two brothers, Booker T. Washington of Houston and Willie T. Washington of Fort Worth and 24 grandchildren.

Former Resident Dies

Alma C. Tolson, 72, of Fort Worth, formerly of Mitchell County, died Thursday morning in the Medical Plaza Hospital in Fort Worth.

Funeral services were Saturday at 10 a.m. in the Kiker-Seale Chapel with Rev. Al Locke, pastor of Lakewood Baptist Church in Fort Worth, officiating. Burial was in the Colorado City Cemetery under the direction of Kiker-Seale Funeral Home.

Born Feb. 23, 1908, Alma C. Carroll in Grapevine, Tex., she married T.A. Tolson Dec. 27, 1924 in Snyder.

She was a member of Lakewood Baptist Church in Fort Worth and a member of the Central Rebekah Lodge of Fort Worth.

She is survived by her husband; one daughter, Venice Tolson Cawthron of Big Spring; two sisters, Edna Harris of Sweetwater and Johnnie Vaughn of Midland; one brother, Marion Carroll of Los Angeles, Calif.; three grandsons, Michael, Larry and Joe Marvin Tolson and two granddaughters, Debra Kay Carroll and Cheryl Ann Everman.

WAKE UP AMERICA

OR

This Could Well Be Your Last Decade As A Free Nation

There is no doubt that America was established on a Godly foundation. But today, America is in desperate need of a great awakening. Our nation is facing a great moral crisis and unless we get right with God, we are "going down the tube" like other nations of the past. Our land has not seen real revival in over one hundred years. The darkness of the hour demands that we have a spiritual rebirth.

Why is America in this dilemma? We are guilty of turning our backs on God. Even Christians and others of strong moral standards have chosen to turn their backs on the affairs of our nation and the world. We'd better stop hiding behind the statement "We are the greatest nation on the face of the earth." We are the greatest nation compared to what? Russia? China? What counts is how we compare to God's standards (His Word), not other countries in the world.

The seventies are behind us now and they will be remembered as one of the darkest decades in American history. Although we profess to be wise, we have become foolish. Our current economic condition, our political situation, our military inferiority, and our loss of respect in the world lead us to one obvious conclusion: Our only hope for survival is revival.

Unless the Christians and decent citizens of America take a stand for God and truth and turn this nation around, the eighties could well be our last decade as a free nation. Jesus said in John 8:32, "Ye shall know the truth, and the truth shall make you free." Because we have forsaken truth, freedom is failing fast in America.

If you read the history of the United States, Great Britain, Scotland, and other countries, as well as the history of the Church, you will find that the Church, and preachers, and Christians of every generation have played a significant role in determining the course of history, more so than the politicians.

It is not popular to talk about the fact that America may lose her freedom in this decade and those who do speak up are labeled as fanatics, extremists and radicals. Our society and the sad situation that we are in demand radical action and reaction - not a violent revolution, but a spiritual revolution that will turn our country around.

What America needs today is concerned men and women who have an understanding of the times, who know what America should do, and are not afraid to talk about it. Good moral citizens had better be afraid not to speak up, instead of standing back and watching our country lose its freedom. God will hold us responsible if we don't stand up for truth. Edmund Burke once said, "All that is necessary for evil to triumph is for good men to do nothing."

For too long now, Christian leaders and pastors have misinterpreted the American position of "Separation of Church and State." This position simply means that the Church should not have authority over the government, and likewise, the government should not have authority over the Church. Both the Church and State should consist of citizens under God's authority. God is the author of order and authority.

Many Christians and other decent citizens have literally withdrawn from any kind of involvement in government affairs, which is a bad mistake. By assuming an ostrich attitude toward our government and the world a dangerous situation has developed in America.

Decent citizens seem to no longer be inspired by the ideals and principles that have made America the greatest nation in history. Instead, small special interest groups are inspired by their self-serving ideologies.

Decent citizens don't even bother to inform themselves on the issues that affect their lives and their families. Radical groups, however, become not only informed, but well versed on every issue that concerns them.

Decent citizens are close-mouthed concerning developments that encroach on their beliefs and their life styles. Radical elements make sure their voices are heard at every forum. They have their placards before the television cameras and capture bold headlines in newspapers and magazines. For example, where were the Christians when prayer was taken out of our public school system? That could not have happened if Christians had stood strong and boldly together against the forces of evil. We had the audacity to remove prayer from the schools in the early sixties and, we've been going down hill ever since then. The Christians let it happen.

Decent citizens "go fishing" on election day. Those who despise the American system go to the polls and elect men who run the country and pass and administer those laws under which we must live and abide.

Decent citizens frequently refuse to par-

ticipate in party politics. Politics, they say, is a "dirty business" and they want no part of it. In a free country like America, politics is merely a process of deciding who is going to run your government and how. If it's a "dirty" business, it's because the "clean" people have sat back on their apathy and let the "dirty" people take over. Some people even pride themselves on being members of the "Silent Majority." How naive, for a silent majority is just a slave-type majority, blindly catering to the interests of noisy minorities to whom it has surrendered the responsibilities of government.

Well, who do we blame for the conditions that now exist? Abraham Lincoln had an answer to that question. In reference to the possible future loss of America's freedom, he said, "...At what point shall we expect this danger to approach?...It must spring from among us. It cannot come from abroad. If destruction be our lot, we ourselves must be its author and its finisher. As a nation of free men, we must live through all time or die by suicide." By our apathy, we who believe in and live by traditional American values are committing political and social suicide.

Besides apathy, there is a dangerous philosophy called "Secular Humanism" that is sweeping across our nation. Humanism, simple put, implies that Man is the answer to Man's problems. Man is the measure of all things...the center of all things...the source of everything. Humanism despises God, the Word of God, and everything that the Christian faith stands for.

Paul warned us about philosophy when he said in Colossians 2:8, "See to it that no one takes you captive through philosophy and empty deception, according to the tradition of men, according to the elementary principles of the world, rather than according to Christ."

The young people of America have grown up in a public school system that has taught them humanism. This school system is sometimes void of discipline and has taught them that the Bible is nothing more than another book of literature. They have been taught from kindergarten through high school about prehistoric man and evolutionary fallacies, yet, prayers to God Almighty are not allowed in the school room.

These same young people have also grown up with the television set as their primary baby-sitter. From the television they have learned more premissiveness, disregard for the dignity of human life, and ridicule of the home, the family, and all of the basic moral values upon which America was established.

Furthermore, our young people have grown up under the authority of a government that has taught them socialism and welfareism. They have been taught that there is no dignity in work and that the free enterprise system is no longer needed.

America is also facing a major crisis with the family, God's basic unit in society. The family is in danger of extinction. Movements such as unisexuality, homosexuality, and children's rights movements are all vicious attacks upon the home and the family. The television and Hollywood film industry have already begun in the 1980's with more programming and films that depict and emphasize homosexuality, divorce and broken homes.

Another crisis facing the United States involves military strength. In the mid-sixties we stopped listening to our military leaders and began to disarm our military. At that time we had a clear military superiority over the Soviet Union. Someone came up with the bright idea that if the United States reduced its military capacities, then the Soviet Union would be content to just being equal to us in military strength. It is now a documented fact that the Soviet Union is superior to the United States in military capabilities. It is not a comforting feeling to know that the biggest defense weapon we may have against the Soviets is to boycott the Summer Olympics in Moscow.

It would appear that if the United States continues on its current trend of decreasing its defense spending and increasing its welfare spending, and the Soviet Union continues on its trend toward armament build-up, they could well ask us and demand we dismantle our weapons and surrender our freedom. If this were to happen, would the American people have the will to stand up against them?

Communism is the enemy of God. Alexander Solzhenitsyn, whom we believe was sent to America by God, warned the Western nations five years ago that the Soviet Union was dead set on conquering the world. They are committed to doing this. In 50 years the communists have converted (enslaved) approximately 1 billion people, more than the Christian world had led to Christ in 2,000 years.

In a recent magazine article, Solzhenitsyn once again warns the Western nations of the threat of communism. He said our proposed plans to become an ally with Communist China is a mad, suicidal policy. He said no force on earth will be able to restrain Communist China from world conquest once they have the military power to do so.

Furthermore, Solzhenitsyn stated that American leaders are free to ignore his present predictions as they did five years ago. He stated, "But they, too, will come." If you don't believe Solzhenitsyn's assessment of the present world condition, just read the book of Ezekiel in the Old Testament and see what God's Word has to say about the coming Russian invasion of Israel. It is going to happen.

It is not to be implied that America's hope is in military strength, but it is the only language that the Soviet Union understands. Our hope, however, is with our prayers to God. America can no longer hide behind the hope of military superiority over the Soviet Union.

General Douglas MacArthur, one of America's greatest military men, had a profound conviction that a spiritual revival was essential if the world was to be saved from destruction. He believed that America's greatest mission was that of being the light house to the world for the message of Christianity.

Well, what can God-conscious and morally upright citizens do to turn America around from its present course of self-destruction? We can do three things:

1. BE INSPIRED. We should be inspired by the wonderful spiritual principles on which America was founded - the dignity and worth of man, a creature of God, and his right under God to life, liberty and the pursuit of happiness. We should be inspired by the dedication and person sacrifices of those who won our freedom initially and those who have fought and died to preserve it for us down through the years. As Americans, we have a unique and precious heritage. Not a day should begin without God's hearing our heart-felt prayer of thanksgiving for the blessing of simply being allowed to live and worship in a country such as this.

2. BE INFORMED. Decent citizens must be willing to invest as much time and effort preparing to promote right candidates and causes as radical groups spend preparing to push their representatives and their programs. If decent people refuse to accept this challenge, they will always find themselves at a disadvantage in the political arena. America must not be allowed to die because those who claim to believe in her were too lazy and indifferent to get concerned and get informed about their country.

3. BE INVOLVED. America is in trouble. The 1980s will be the decade of danger for this country. It could be the decade in which corrupt self-serving people come to preside over the death of a great nation. If America is to be saved, those who love her values and ideals must not only be inspired and be informed - they must also be involved. They must get into the thick of things and exert their influence for the principles on which America was built. (from James Robison's forward in *Rebirth of a Nation*)

All decent citizens, and especially Christians, should:

- 1. Pray** - for their government, its leaders and its people.
- 2. Register.** Only 50 percent of the American people vote in presidential elections, the lowest percentage in any free country. Many find they can't vote on election day because they have neglected to register.
- 3. Study public issues,** considering all things from the prespective of the traditional, tried and proven values and mores.
- 4. Select and campaign** for politically and morally qualified candidates.
- 5. Vote.** It is simply incredible that the heirs to a marvelous free system such as ours would fail to exercise their privilege and responsibility of participation even to the extent of not going to the polls to vote.

A common excuse for apathy these days is the plea that "I'm only one person - how could my vote change things?" Everett Hale, poet and one-time chaplain of the U.S. Senate who wrote "THE MAN WITHOUT A COUNTRY" puts it this way:

"I'm only one - but I AM one.
I cannot do everything - but I can do something.
What I can do, I should do,
And what I should do,
By the grace of God, I WILL do."

You may be only one - but you ARE one. You can't do EVERYTHING - but you CAN DO SOMETHING. All Americans who value their liberty should be challenged to do EVERYTHING they CAN to preserve the heritage that God has passed down to us through our forefathers. (from

James Robison's forward in *Rebirth of a Nation*)

God must be tired of a nation that has forgotten Him and has moved away from the Godly principles that it was founded on. God will surely bring divine healing to America if we, as a nation, will repent. II Chronicles 7:14 says, "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sins, and will heal their lands." The best politics in the world is Godliness, Biblical morality. Our forefathers saw this, why can't we?

America has the largest percentage of Christians per capita of any nation on earth. Jesus said to Christians, in Matthew 5:13, "Ye are the salt of the earth." Salt is a preservative. Because of the Christians in America, God has blessed this nation beyond measure. Those who hate God and the Church are enjoying the highest standard of living the world has ever known only because they live around much salt.

America will remain important to God only as she commits herself to evangelizing and winning to Jesus Christ her own people, and as she takes the Gospel of Jesus Christ to the whole world. If we will make that our two-fold priority as a nation and move back to the Godly principles that this nation was founded on, God will surely bless us and spare us. We had better commit ourselves to bringing our nation back to God and live and die for this end. We cannot do less, for the destiny of America awaits our decision.

These are exciting days. Except for the time when Jesus Christ walked on earth, this is possibly the most important time in the history of mankind.

God appears to be shaking the nation and all the world so that only what is built on the solid rock of Jesus Christ will stand. Christians have nothing to fear, however. Just like in the days of the prophet Jeremiah, the Lord is calling on His people to set up a standard in the land and blow the trumpet among the nations (Jeremiah 51:27). In fact, Christians are excited to see the old life passing away and the new kingdom rapidly approaching.

Although God is shaking the nation, He is also giving a dying, lost world a chance to hear the gospel of Jesus Christ. Having read this article today if you are not sure about your relationship to God Almighty, you need to settle this issue now.

Jesus said in John 3:4, "...Unless one is born again, he cannot see the kingdom of God." He also said in John 14:6, "I am the way, and the truth, and the life; no one comes to the Father but through me." It is not enough for you to know "of" Jesus Christ, but you must know Him personally.

When you receive Jesus Christ as your Lord and Saviour, a wonderful thing happens. The cross where Jesus died for your sins was a judgement. The Bible says that He was "slain from the foundation of the world" (Revelation 13:8). It was in the plan of God for the redemption of the human race that Jesus Christ should die for the world. That was a judgement. God judged His son for our sins, instead of us. Jesus became sin for us, and He did it voluntarily because He loves us.

When you receive Jesus Christ as your Lord and Saviour, then, there is "therefore no condemnation for those who are in Christ Jesus" (Romans 8:11).

The important question of today is "what have you done with Jesus?" Have you accepted Him as your Saviour and Lord? Have you made Him first place in your life?

Jesus said in Matthew 11:28, "Come to me, all who are weary and heavy laden, and I will give you rest." He will give you peace in the midst of life's pressures and problems and difficulties. He doesn't promise to take away all the difficulties, but He does promise to give you power and peace and joy in the midst of it all.

God gave you a nature that allows you to choose. That's why Jesus said in Matthew 7:13-14, "Wide is the gate, and broad is the way, that leads to destruction;...strait is the gate and narrow is the way which leads unto life."

What is your choice? Will you say, "I choose Christ?"

You can receive Christ right now by faith through prayer. The following is a suggested prayer:

"Dear Lord Jesus, I am a sinner. I now come to You and ask You to forgive me for all my past sins and come into my life to be my Saviour and Lord. Thank you for dying on the cross for me. Now make me the Christian You want me to be. Thank you, Jesus. Amen."

If you, through the reading of this article, have sincerely asked Jesus Christ to be your personal Saviour and Lord or if knowing you are already a born-again believer but have grown cold and complacent in your relationship with Jesus Christ and want to recommit yourself to Him, you may write to the following address so that we can send you materials to help you begin your growth as a Christian.

Reverend David Cave, Missionary In Mexico Will Speak March , 11th & 12th

Rev. David Cave will be the guest speaker Tuesday (March 11) at the Lighthouse Assembly, 11th and Hickory, and Wednesday (March 12) at the First Assembly of God, 17th and Watson.

The services will begin at 7:30 p.m. each night and Bro. Walter Oden is pastor at the Lighthouse Assembly and Bro. Gene E. Rus-

sell is the pastor for the First Assembly of God.

Rev. Cave stated, "An ever-growing number of people all over the world are learning to read. To Christian missionaries, this presents an unprecedented challenge to get the Bible and Christian literature to as many people as possible."

Rev. Cave is a newly approved Assembly of God candidate mis-

sionary to Mexico. He and his wife, Nancy, will be working with the International Correspondence Institute (ICI) program of the Assemblies of God. ICI is a correspondence Bible school and service agency; its purpose is to evangelize, teach and train people by extension methods.

The Caves will promote the use of ICI materials in Mexico. ICI offers all levels of evangelism and Christian education courses and a primary purpose of the school is to take the word of God to people where they are. About

his work Rev. Cave says, "Often newly-literate people are flooded with reading material containing harmful teachings. Our purpose is to combat such influences by giving the truth of the Bible to live by."

He and his wife have previously worked in Mexico on a temporary assignment with the Assembly of God Mobilization and Placement Service. They have also been involved in evangelism in the States. They have served as associate pastors at the Real Life Assembly of God in Salem, Ohio.

'A Distant Thunder' To Run

"A Distant Thunder" is a full length color film that vividly portrays events foretold in the Bible as part of the Great Tribulation before the return of Christ and will be shown at Calvary Baptist Church Sunday, March 9th at 7 p.m.

"It is the sequel to the film 'A Thief In The Night,' and is the type of film that you may never forget, keeping your attention from beginning to end," stated Rev. Bob Grayson, pastor of Calvary Baptist Church.

Camp For Directors Is Offered

West Texas Girl Scout Council is hosting a Five-Council Day Camp Director's Training on March 14, 15, 16, 1980 at Camp Boethe Oaks, Sweetwater.

Registration will be at 3 p.m. at Boethe Oaks Friday. The program theme "The Worlds of the Day Camp Director" will focus on the five Worlds of Interest with NORCENTEX presenting "World of the Arts," WEST TEXAS the "World of People," CAPROCK "World of Well-Being," ZIA "World of the Out-of-Doors," and PERMIAN BASIN "World of Today and Tomorrow."

JAMES MONTE RICH was awarded by the Secretary of the Army a reposal for special trust and confidence in patriotism, valor, fidelity and professional excellence. He is the son of Mr. and Mrs. Buzz Rich and the grandson of Mr. and Mrs. Ted Graham and Mr. and Mrs. B.M. Rich, all of Colorado City. He is stationed in Ludertburags, Germany with his wife, Loretta, and daughter, Jaime.

REV. DAVID CAVE, missionary, will be the guest speaker at the Lighthouse Assembly Church, 11th and Hickory, Tuesday at 7:30 p.m. and will also speak at the First Assembly of God, 17th and Watson, Wednesday at 7:30 p.m. Pictured above with Rev. Cave are his wife, Nancy, and their children.

Graham Is Stationed At Cape Charles Air Force Base

Staff Sergeant Carl E. Graham, son of Mr. and Mrs. Elwood Graham of Lorraine, has ar-

rived for duty at Cape Charles Air Force Station. Sergeant Graham was

previously assigned at Bergstrom Air Force Base, Texas.

The sergeant is a 1966 graduate of Lorraine High School.

Is Personal Liability Covered In A Homeowners Policy?

Yes. It pays for claims for which you and family members may be legally responsible, other than auto accidents, and includes legal defense costs even though an accident many not be your fault. For example, if you hit someone with a gold ball or if your dog bites the mailman, you are protected within the policy limits against ensuing claims. There are exclusions which your independent agent can explain.

A host often feels an obligation to pay medical costs for a guest injured in his home or a child injured at play in his yard. The medical payment section of your personal liability insurance takes care of these expenses.

Couple Announce Wedding Plans

Mr. and Mrs. Weldon McCollum of Big Spring have announced the engagement and approaching marriage of their daughter, Melinda, to Randy Reavis, son of Mr. and Mrs. Rubin Reavis of Big Spring.

The wedding date has been set for May 9, 1980 in

Birdwell Lane Baptist Church in Big Spring.

The bride-elect is a 1978 graduate of Lorraine High School and is presently attending Howard College in Big Spring. The groom attended Forsan High School and is presently employed by Key Oil Company of Snyder.

Christian Cable Broadcasting Aims

Beginning Monday cable channel 6 will air a new program and Roy Miles, high school student at Colorado High School, will present the program. It will be called "Christian Cable Broadcasting" and will feature Christian music and the teachings from the Bible. It will air from noon until 5 p.m.

Along with the gospel music and Christian teaching, news and classified items will be presented.

With the assistance of Chris Hubbard, Miles has set up this program as he stated, "To spread the word of God and help persons with their daily walk with God and

everyday living."

Helping with the devotional presentation of this program is Rev. Russell of First Assembly of God, 17th and Watson and the Colorado City Record will furnish news and classified items.

He stated that he has been interested in broadcasting all of his life and has some background in the field through home studies from Trinity Learning Center of Lubbock.

He also added that any persons wishing to comment on the program or having suggestions should write to 2044 Locust, Colorado City or phone 728-8219.

Teams Place In Golf Tournament

One Colorado High golf team took second place in the consolation bracket of the Big Spring Invitational Golf Tourney Wednesday.

It was a two-day tourney and the teams divided into brackets after the first day of play at Comanche Trails Golf Course.

Thirteen teams were in the championship bracket with Abilene Cooper winning first with a team score of 626; Amarillo High won second with a score of 637 and Big Spring won third with a score of 646.

In the consolation bracket of 13 teams, Snyder won first with a score of 704; Colorado City had a score of 719 and Midland was third with 720.

Colorado City had two teams under the coaching of Walt Staats.

One team consisted of Trey Womack, Dalton Maddox, Tom Rees, John Lowrance and Clay Burt. Lowrance was the team medalist with a score of 176.

The other local team

included Mark Piland, Jeff Hammond, Dwight Staats, Sam Houston and Galen Lowrance.

The next tournament for the Colorado City teams will be in Ballinger tomorrow (Monday).

Levi's Saddleman Boot Jeans:
How to Fool Mother Nature

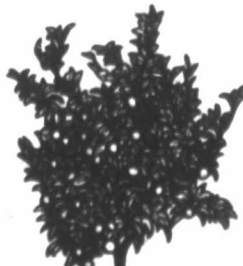

Levi's took the comfort and durability of man-made 100% polyester knit and sewed it up to look for all the world like the original denim boot jeans. These jeans have Levi's famous over-the-boot fit, slim in the legs, slightly flared below. They've got Levi's familiar contrast stitching. Even a watch pocket. But, maybe best of all, they've got what it takes to keep looking good for a good long time.

Vance Dickenson, mayor, has ordered a city election of the City of Lorraine on the 5th day of April 1980 for the purpose of electing two city councilmen. Ballot position one will be Claud Woods and position two will be Eddie Galvan. Election judge will be Mrs. Christine Britton and alternate judge will be Mrs. Betty Hackfeld. Polls will be open at City Hall from 7 a.m. until 7 p.m.

Mayor Dickenson

In 1966 Calvary Baptist Church of Colorado City, Texas issued bonds to finance the building of a new auditorium. The original date of maturity for all bonds was July 1, 1981. But on January 13, 1980, the church voted to call in all remaining bonds for redemption by July 1, 1980-a year earlier than planned. All interest payments will cease after July 1, 1980.

Brenda Lee, tax assessor-collector for the city of Lorraine, today announced the availability of a new 12-page pamphlet which may help local residents save on their property taxes.

According to Brenda Lee, the pamphlet explains how the property tax system in Texas operates, and highlights possible tax savings available to citizens.

The publication was developed by the State Property Tax Board in accordance with Senate Bill 621, passed by the Texas Legislature in 1979.

Information in the pamphlet is applicable to property taxes collected by all levels of local government, including countries, cities and school districts.

Brenda Lee noted that while cities may not offer a general homestead exemption, such as is available from school districts and counties, the city of Lorraine does offer disabled veterans exemptions.

April 1, 1980 is the rendition deadline for the city of Lorraine, and Brenda Lee urged citizens to tender their property and apply for exemptions or productivity values for which they may qualify before that date.
