For Young Mustangs

Season Opener Tough

With the aid of two big plays and an Olton fumble, the Tulia Hornets were able to defeat the Olton Mustangs in the opening game for both of the schools by a score of 22-8. The breaks could have just as easily gone for Olton and the score could have just a easily been reversed.

Joe Alcorta received the opening kickoff for Olton and returned it to the 28 yard line of Olton. Olton was able to get a drive going on this first time to have the ball of the 1973 season.

Behind the running of Glen Johnson and passing of Jimmy Parker, they moved the ball to the 43 yard line of Tulia. On the next play from scrimmage, Olton fumbled and Tulia recovered at their own 43 yard line.

On their first possessions Tulia was able to mount a short drive behind the running of Sophomore halfback, Raymond Williams. Tulia drove to the 30 yard line of Olton before Olton made some good defensive plays and held Tulia and took over on downs.

Olton began to mount a drive on their second possession. Aided by an interference call and the first pass reception of many by Monte Chitwood, Olton moved into Tulia territory at the 40 yard line before being forced to punt. On the ensuing punt by Bryan Allcorn, as the ball was rolling dead around the 20 yard line of Tulia, one of the Tulia boys was called for a personal foul penalty. The ball was brought back to the original line of scrimmage and fifteen yards was stepped off against Tulia and gave Olton a first down at Tulia's 26 yard line. The drive was halted here and Tulia took over on downs at their own 18 yard line.

After a five-yard gain by Monty Malcom, Raymond Williams fumbled on the next play from scrimmage and Olton recovered at Tulia's 25 yard line.

On the first play from scrimmage from here, Jimmy Parker was dropped for no gain and then Joe Alcorta ran to the 21 yard line of Tulia to set up a third down and six as the first quarter came to an end. Two running plays by Glen Johnson gave Olton a first down at the 12 yard line of Tulia. On the second run by Johnson, he was hit at the line of scrimmage and he spun around and skirted left end to the 12 yard line. On the next play Parker completed a pass to Monte Chitwood at the six yard line. Johnson then took to to the two. With 9:42 remaining in the second quarter, Glen Johnson took the ball over from the two yard line for the first touchdown of the night. On the try for point, Parker threw complete to Monte Chitwood for the two point conversion. That made the score 8 for Olton and 0 for Tulia.

Glen Johnson kicked off for Olton to No. 11, Ronnie McCracken of Tulia, who fielded the ball on his own 30 and returned it to the 41 yard line of Tulia. Olton dug in and forced Tulia to punt from their 45. Vic Allcorn fielded the punt by Bruce Washington on his own 20 and returned it to the 46 yard line of Olton for a beautiful return. This set Olton up with a first and ten at their own 46.

Parker then made a very good run only to have it brought back because of a clipping penalty. The ball was brought back to the 25 yard line of Olton where it was first and 32 needed for the first down. Olton was able to get the yards on two runs by Parker and a pass to Chitwood. This gave the Mustangs a first at the Tulia 42. Tulia's defense stiffened and forced Olton into a punting situation. Bryan Allcorn, with the aid of a good Olton roll, got a 40 yard punt off that rolled dead at the 28 yard line of Tulia.

Olton held Tulia on this possession and forced them to punt. Washington dropped back to his own 20 and kicked a beautiful punt that was fielded by Vic Allcorn. Just as he fielded it, he was hit very hard and the ball came squirting out of Allcorn's hands and was recovered by Tulia at Olton's 29 yard line.

After an incomplete pass, Monte Cannon took a handoff from Alan Pohlmeier and broke to his left, going all the way for Tulia. The try for extra points was good on a run by Williams and with 2:03 left in the first half, the score was 8-8, which is the way it stood at the end of the half.

At the start of the second half, McCracken took Glen Johnson's kickoff on his own 30 yard line and after breaking some tackles, broke free and scampered 70 yards for a touchdown with just 14 seconds gone in the third quarter. Try for extra point was no good, leaving the score Tulia, 14, Olton, 8.

The kickoff by Tulia was covered by an Olton player at his own 31 where Olton set up business with a first and twn. They began a drive behing the running of Johnson and Alcorta, driving to the 30 yard line where a very untimely holding penalty brought the ball back to the 44 yard line of Tulia. Olton was forced to punt and Allcorn's punt was high and rolled dead at the 27 yard line of Tulia, where they took ove

. Tulia drove to midfield where Williams took a handoff up the middle and broke free of everyone and went all the way for a touchdown. Try for extra point by Williams was good and Tulia led 22-9.

Olton received the kickoff and returned it to their 38 yard line where it was first and ten. The Mustangs made one first down and on the 46 Parker fumbled and Tulia recovered.

Tulia couldn't move the ball was was forced to punt. Washington punted standing on his own 40 yard line. There was a penalty on the play for roughing the kicker against Olton and Tulia was given a first down at the 32 yard line of Olton. After one running play, the third quarter came to an end with Tulia in possession on their own 31 yard line. Two plays later as the Tulia quarterback dropped back to pass he was hit with a jarring tackle by J.D. Caudle causing him to fumble, with Olton recovering. A personal foul penalty against Tulia gave Olton a first down at their own 49 yard line.

After one incompletion, Parker hit Chitwood over the middle with a pass down to the 17 yard line of Tulia. After Olton drove to the 8 yard line a penalty and then an intercepton by Malcom of Tulia gave them possession of the ball at their own six.

Olton held Tulia and forced them to punt. Washington made a good punt, which was fielded by Vic Allcorn at his own 40, returning it to the 41.

Olton made a first down on a pass from Parker to Chitwood. The Mustangs then made two more first downs on passes from Parker to Chitwood and had a first and ten at the 17. Two plays later, Malcom intercepted his second pass of the night and returned to the 14 yard line. So another Olton drive was stopped by Tulia and they took over with 2:20 showing on the clock. Tulia was able to run most of the clock out with 33 seconds left in the game. Tulia punted to Olton. The Mustangs took over at their 44 with 23 seconds left. Two plays didn't gain too much and the first game of the 1973 season ended with the score Tulia 22 and Olton 8.

An Interview

What The Coach Thinks

In an interview with Head Coach Ed Miller after the ballgame, he had this to say:

"We did a few things that we knew we couldn't do and win the ballgame. We knew they couldn't drive the ball on us and they didn't."

"We fumbled the ball down close the goal line and let them have it. We fumbled at punt. They broke the second half kick-off and then broke the other play in the third quarter. I thought a few of our players played pretty good. Chitwood played real good. He has been sick and I don't know how many passes he caught; he must have caught 8 or 10 for a bunch of yards. Parker played pretty good quarterback for a Sophomore. Johnson ran the ball pretty good, Alcorta ran the ball pretty good. We played better offense than I thought we would play coming into the ballgame."

"I didn't think our defense was as good as we had hoped it would be. We started six Sophomores, and boy, they can't be Sophomores next week. They have got to be Juniors, or Seniors next week. It's going to be the same kid, but he's got to be a different kid. We have got to learn a lot and grow up in a hurry."

Olton Band Parents Meeting Slated For Monday Night

An important meeting of parents of all band students, sixth grade through high school is slated for 7 p.m. Monday in the high school auditorium. Band Director Fred Stockdale requests all parents attend.

Election of officers, a report of activities of all bands and future plans are important items on the agenda, says Willie Gene Green, president. Green noted that Band Parents meet only once each year in general meeting which, in the past, has been held in the spring.

There are no dues or membership fees in the organization, Stockdale says. Monies from the projects of the organization are used for all bands, sixth grade, seventh and eighth grade Colt Band and the Mustang Band.

No program is planned, just a business session that should be completed by 7:30 p.m., Green says. Officers who served along with Green the past year are Denny Barnett, vice president; Mrs. Don Muller, secretary and Mrs. Gilbert Roberson, treasurer.

Grid Guessing Game Now Underway In Paper

Grid guessing time arrived with last week's Enterprise despite the absence of a front page story announcing the popular event.

Featured annually, the contest is again sponsored by a group of Olton merchants with a grand prize of two tickets to the Cotton Bowl game and a check for $40. Runner up winner will receive two tickets to the Sun Bowl and a check for $20.

Grand prize in the contest will go to the contestant who has the most points at the conclusion of the contest. Each correct guess is worth one point.

The contest is fun and contestants do not have to be "football experts" to win. Anyone may enter but just one entry per person is allowed.

Weekly prizes are given to the persons picking the most games correctly each week. The tie-breaker game will determine the winner in the event of a tie. First place winner each week will receive $5; second place, $3 and third place, $2.

It's easy to enter. Select winners of the games featured in the contest in this week's Enterprise. Be sure to circle a winner for each game, predict the score of the tie-breaker game and remember to completely fill in the entry blank. Take your entry to a sponsoring merchant by 4 p.m. Friday.

Sponsoring merchants, who make the contest possible, are Thompson Implement, Olton Trade Lot, Olton Butane, The Feed Barn, Sluder Insurance, Production Credit Association, Sherman Insurance Agency, Walker Texaco, Raymond's Auto Supply, Rube and Son Garage, Thompson Chevrolet, Olton Drug, Olton Feed Yards, Olton Auto Supply, G.H. Bley Phillips 66 Station, Olton State Bank, Olton Coop Gin, Consumers, Pay-N-Save Grocery, Leon's Grocery and Don's Super Market.

While you're depositing your entry blank, tell the sponsoring merchant you appreciate his making the contest possible. He'll appreciate your interest and your business.

Called School Board Meeting Report Given

Olton school trustees met in special session Friday night Aug. 31, to attend matters of immediate importance in the opening school term.

Approval was given accounts payable and 1972-73 budget was amended.

Mrs. Seleisa Pembleton was employed as a half-day teacher for home-bound students in the HONDA program.

The board also approved a $10 allowance to each bus driver to be applied to the expense of required physical examination.

Joe Turner, superintendent anounced total enrollment at that point as being 974. Of this total 450 students are enrolled in H.P. Webb Elementary; 243 are students of Junior high school with the remaining 281 in the high school student body.

ALL Children Must Attend Local Schools

Superintendent Joe Turner reminds residents that Texas law requires that every child in the state who is as much as seven years of age and not more than 17 years of age is required to attend public school.

Each child must attend the school in the district of his residence or in some other district to which he may be transferred as provided or authorized by law. The law further states that the child must attend a minimum of 165 days of the regular school term of the district in which he resides or to which he has been transferred.

Persons in Olton Independent School District who know of any school age child that is not in school should call the superintendent's office, 285-2641.

Everything But The Kitchen Sink

BY MOZELLE TROTTER

We're hooked! Those tiny little water critters turned the tables on us - we didn't catch fish; they caught us.

Of course, the better half, who kept silent all the time I was vowing, "Don't bring home any fish. I don't want any fish. We don't have room for an aquarium. I don't want any fish. I don't want any fish. I don't - - and so on and so on.

Now he says, "I knew all along we were going to get them." Probably for every one of my "no's" he was nodding "yes."

Of course, he admits he had never dreamed the day would come when he'd drive 25 miles to town to buy a one-inch fish for $1.29! We did, tho! Because we had to have a "housekeeper" fish.

Okay, I've been corrected about how often little fish are supposed to be fed. Seems most folks just feed theirs once a day. BUT, "the book" SAYS feed them three or four times a day! Plus, feed babies about every three or four hours, it says. That's what "the book" says and you know how some folks insist on bringing up the young by "the book."

We don't have any babies yet and I don't even know when to expect them! As uninformed as I am about fish, I could sure be wrong, but I think we have more than one expectant mama - I think there are surely three. (There was a fourth, I thought, until I read in "the book" that the fourth one was an egg-layer instead of a live-bearer!)

It's pretty fascinating to look at all the tropical fish there are in pet stores - even though you KNOW you are not interested in an aquarium of your own, go in and look. Some are cute, some beautiful, some ugly, some creepy-looking and others resemble some prehistoric monsters!

I'm afraid I'm beginning to sound pretty fishy but then I'm getting to be like the proverbial fisherman - - only ours aren't big enough to fry!

There's a word for the kind of woman who has control of everything but her money.

Dumb.

You may know her.

The confident working-girl who's making it on her own. She has a nice apartment, stylish clothes, good taste in wines.

And no savings.

She should discover the Payroll Savings Plan. It's simple to sign up at work. After that, an amount she specifies is set aside each payday and used to buy U.S. Savings Bonds.

With U.S. Savings Bonds, it doesn't take long to build up a healthy nest egg.

The Payroll Savings Plan—a smart way to stay in control.

MRS. OSCAR SCHELLER

Cook Of The Week

Doughnuts that are melt-in-the-mouth good are a specialty of our Cook of the Week, Mrs. Oscar Scheller. The delicious goodies, however, are not on her diet so she makes them and then gives them away!

(The Enterprise staff gives an unqualified seal of approval on Mae's doughnuts, thanks to a just-made sample Wednesday. They are "out of this world" -- taste-wise and aroma-wise.)

Mae and Oscar came to the Olton area in 1934 after living the first 10 years of their marriage in the Plainview area. They farmed here until 1961 when they moved into town.

Both Schellers enjoy working outside. Mae enjoys working in her yard and Oscar does an excellent job as caretaker of Olton Cemetery. In addition to flowers in their yard, they also like pretty rocks and have rocks they've brought from visits to their children in New Mexico and Montana.

The Schellers have one son and four daughters, all married. They have 26 grandchildren and 10 great-grandchildren. A fifth daughter, Pauline, is deceased.

George, their son, lives in Hobbs. Their daughters are scattered from far East Texas to Montana. Melie Vern (Dickie) Powell lives in Plains, Mont.; Lucille Tulley lives in Pattonville, Nellie Roberson lives in Lubbock and Margaret Lawson's home is here.

Mae is nursery keeper at the First Baptist Church and may have "one or a dozen" babies to keep Sundays. "I sure enjoy it, too," she says, admitting she had accepted the job with the fear that she wouldn't. In addition to keeping the nursery during Sunday School and church, she keeps the nursery during various other church meetings and during Vacation Bible School.

Piecing quilts is Mae's favorite pastime. She is working on her fifth patchwork quilt of dacron knit squares. Not only pretty, the dacron quilts are very warm and need just a sheet for interlining.

Visitors to the Schellers may hear a third "hello" as their pet Mynah bird makes his presence known.

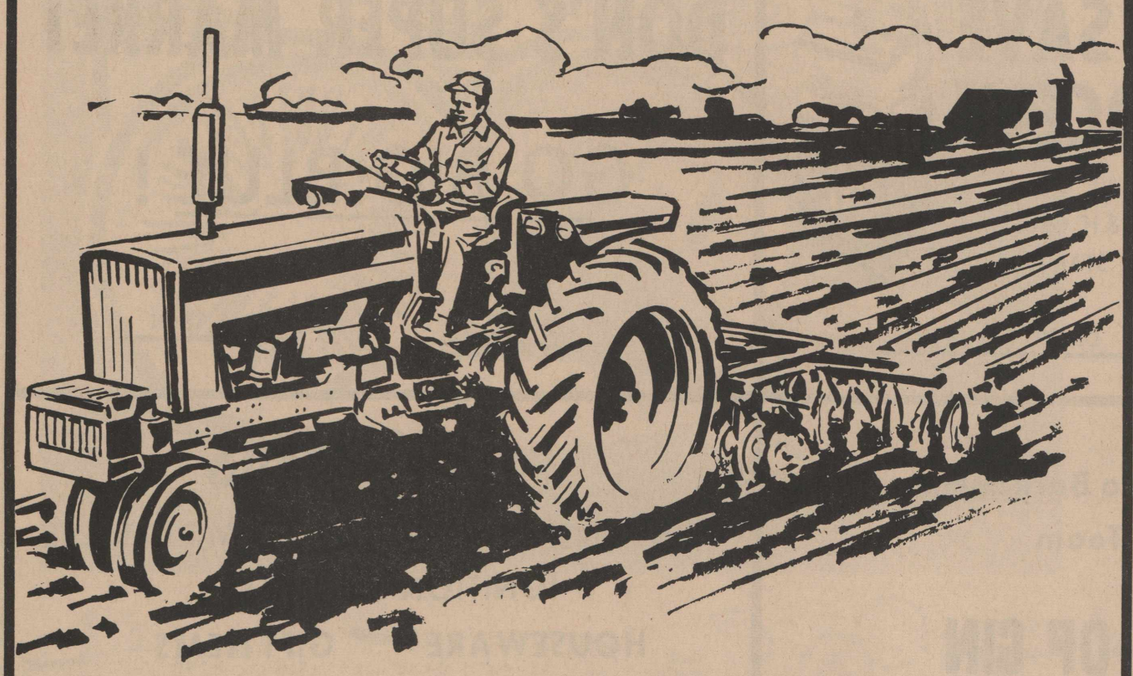
Without the Farmer we Wouldn't be here!



Nor would most of the other business and professional firms in our town. Our economic well-being hinges almost entirely on our No. 1 industry, agriculture, and the efficiency of our farmers and stockmen.

This points up the reason why we're confident of a good future for this town, this county community; we be believe our agricultural businessmen, the most efficient manufacturers the world has ever seen, will continue to utilize modern farming methods and meet the challenges we now face.

We want to be a part of this effort and that is why we are offering you our bank's services.

Windbreak Seedlings Applications Accepted

Applications for windbreak seedlings are now being accepted at the Soil Conservation Service office. Persons interested in establishing a field or farmstead windbreak next spring need to place orders soon.

Trees that are available this year are pines, red cedar, ash, mulberry, black walnut, arbervitaes, honey locust and osage orange. There are several varieties of pine from which to choose.

Order dates for pines are from Sept. 1, 1973 until Oct. 16, 1973 and for other trees the order dates are from Sept. 1 until Feb. 12, 1974.

Trees will be shipped directly to purchaser sometime between mid December through first week of March. A good seed bed should be prepared early to ready when the seedlings arrive. Trees should be transplanted as soon as possible after they are received, especially evergreens.

Write In The Groove

BRYAN ALLCORN & FREDDIE STOCKDALE

Yes siree, school is back to normal again. What we are talking about are all the events that took place this week NOTHING.

We all celebrated a little Friday -- good ole Sadie Hawkins Day. We believe that everyone had a good time - even Alan and Doretta, though they almost got left at the draw. We don't know about you, but the two scribblers of this column sure had a fine time and are looking forward to next year's race.

We are glad to have the injured football players back with us and we want to thank the cheerleaders and the band for really working hard and pushing us!

And now for the catches and comments:

Carla Lloyd made a mad dash for Ronald Ellis.

Kim Barnett caught Pat Britton even though he was driving his Camero.

Vic Allcorn ran around in circles until Kathy Ahrens came up and handed his tag to him.

Third grader Scott Roberson tried to get in good with the elementary principal by letting Kim Kinnison catch him.

6'4" Donna Muller reached out and grabbed Alan Johnson before he could even start.

Women's Lib has come to OHS. Did you notice how many senior girls caught freshman boys?

For example, Chesna Dickenson grabbed Steve Johnson.

Even with a broken arm, Leslie Gary couldn't fight off Susan Rape's gallant efforts.

A few boys tried to help Pattie Wilkinson catch Frankenberry and, as Howard Cosell would say, "Fisticuffs broke out on the field."

Playboy Robin Spain was snagged by the ever quiet, small-mouthed Diana Smith.

All-State potential Jimmy McCurry couldn't overcome the powerful rush of Relda Strain.

D'Lynn Hall caught Mark Smith and they lived happily ever after.

Two sophomores, Mark Stroebel and Greg Burgess were initiated by two freshmen, Alanna Spain and Debbie Lacy.

Due to circumstances beyond our control we can't tell of the events of Sam Coleman and Mandy Griffin.

Kansas State's premier noseguard Jeannie Richards tackled Stan Sampler behind the line of???

Kyle Allcorn was on top of the goal post yelling, "Say, has anybody seen my sweet gypsie rose" when Torri Thompson came by and shook him down.

Super Soph Sherri Daubert intercepted freshman flop, Bart Barnett.

Freddy and Bryan lost containment and were caught outside by Kay Givens and Cindy Neinast. (But we didn't mind!)

Joe Snider played hard to get - for a while.

Other catches were:

Cindy Moore and Jimmy Parker.

Jennie Lynn Gunter and Mark Hodges

Cynthia Johnson and Frank Cummings

John Carl Sudduth and Marla Faver

If you can think of any catches we forgot - PLEASE tell us. Now on with the comments:

Bart - Was you date interrupted Friday night?

Scott - We like your car!

Kyle - Did you take a far out trip?

Stan - Let's go cornets, bust a lip.

Cindy - Cheater!

Kay - Guerilla warfare, huh!

And now a few celebrity comments:

W.C. Fields - Any man who hates children can't be all bad.

Gypsy Rose Lee - What would we say if men changed the length of their trousers every year?

Groucho Marx - It looks as if Hollywood brides keep the bouquets and throw away the grooms.
