

The Lynn County News

Volume 42.

Tahoka, Lynn County, Texas, Friday, January 11, 1946

Number 14

Junior Grand Champion

Frank Trainor, Pontiac, Ill., and his 228 pound Berkshire which was awarded the 4-H Grand Championship over all breeds at the Chicago Market Fat Stock Show the first week of December. In addition to his 4-H activities, which netted him this supreme award at this year's wartime edition of the world famed International Live Stock Exposition, the youthful Illinoisian has been operating a 320 acre farm the last two years, due to the continued illness of his father. Next year with the return of a brother from the armed forces, they expect to operate a farm of 480 acres. However, this is Frank's last year in 4-H work, and his win with his Berkshire comes as a fitting climax to his ten years' participation in the farm youth program.

TAHOKA BUSINESS FIRMS ARE PREPARED FOR BIG BUSINESS

Calvery's Hatchery Near Completion

Since moving his hatchery several weeks ago into the old abandoned brick school building in southwest Tahoka, F. E. Calvery has been reconditioned and redecorating the building and placing some new equipment in it, and when the work is completed he intends to have an "opening" to which the public will be invited and served light refreshments.

This building, built of brick and being 60 feet wide by 96 feet long, affords a model place for a hatchery. Not only is it roomy, but it is cut up into five compartments, which Mr. Calvery declares to be ideal for his purpose.

He says that he is prepared to turn out from 18,000 to 20,000 chicks per week, and he expects to hatch around 300,000 chicks this year.

Above the hatchery proper is the old school auditorium, which is being used as a store room but later he expects to put brooders in it also.

Mr. Calvery ships some chicks but most of his patronage comes from the people of Lynn County.

W. H. Thornhill Retires From Business

Mr. and Mrs. W. H. Thornhill made a deal last week whereby they sold their stock of variety goods to Mr. and Mrs. Clay Bennett and are retiring from business. They have operated the store here for many years but decided to retire at the beginning of this year and lead a less strenuous life. Following this deal, they made another for the purchase of the F. M. Sherrod home, which they expect to be perfected soon.

Mr. and Mrs. Bennett, who have operated another variety store here for a number of years, are now operating both stores. They have gone to market this week to replenish their stocks of goods.

TWO MORE SOLDIERS RETURN FROM PACIFIC

Pvt. W. A. "Dub" Fulford, son of Mr. and Mrs. John Fulford of Three Lakes, and Pvt. Burt V. Stephens, son of Mr. and Mrs. L. R. Stephens of Midway, came in home Tuesday night with honorable discharges from service in the armed forces in the Pacific.

Fulford went into the service on October 8, 1944 while Stephens entered a Officer Battalion on Feb. 26, 1943. They have been seen service on many islands in that area.

Both are graduates of the Tahoka high school.

Buddy's Garage In New New Bldg.

A garage building 30 by 50 feet in size and built of concrete blocks has been added to west end of the stone building which formerly housed a small service station and a cafe, situated on the O'Donnell highway one block south of the southwest corner of the public square, owned by B. L. Parker.

Buddy Ingram is operating a garage in this new structure and seems to be doing a thriving business therein.

The original building, to which this garage is attached, is being remodeled and will be occupied by Mr. Parker's sons. In the middle and south compartments, Homer and Pug Parker will operate an automobile parts store, while in the north compartment, formerly occupied by a cafe, Dee Parker will conduct a radio shop.

This is a stone building with concrete floors and the approaches are now being improved also.

Four Brookshire Boys Were In The Service

While in this office on business Tuesday, W. G. Brookshire revealed the fact that he has had four sons in the service and one of them is now in Kobe, Japan. This is Sgt. James Brookshire, who entered the service on December 26, 1944. He went into Japan about a month prior to the formal surrender and has been there since.

His youngest son, Dan, is in the Navy and is stationed at San Diego. S-Sgt. Price Brookshire, who was a the service many months, was given an honorable discharge about three months ago and is now employed in a bank in Houston. Before entering the service he worked in the Triple-A office here.

Pfc. Melvin D. Brookshire has been at home about two years, having been given a medical discharge about seven months after he entered the service.

HOME FROM JAPAN

Mrs. W. F. Cook reports that their son, Sgt. T. J. Cook, came in home last Thursday from Japan. He had received his discharge at El Paso.

Sgt. Cook lives in Post. He had seen a lot of strenuous service and Mrs. Cook says that he came back with shattered nerves. Since the Japs surrendered, he had been in Korea and Japan itself.

Candidate Announcements Are Increasing Rapidly

Ginning Season Draws To Close

The ginning season in Lynn county, which barely opened at all last fall, is now rapidly drawing to a close, with the smallest crop harvested for at least 11 years.

In Tahoka, approximately 2,077 bales from last year's crop had been ginned up to Wednesday afternoon of this week, according to reports given by ginners to the News.

This would indicate that probably 8,000 bales had been ginned in Lynn county. The Government report of ginnings as compiled by Mildred H. Tunnell, special agent, shows that only 6,372 bales had been ginned prior to December 13, 1945, which was almost exactly one-tenth of the number ginned up to the same date in 1944 from that year's crop, which was reported as 63,567.

The Texas Almanac shows that Lynn county ginned only 8,476 bales in 1934, which may be as low as the final 1945 figures. It ginned 10,771 bales back in 1919, 9,556 bales in 1920, and 11,581 in 1921. Production has not run that low any year since, except in 1934. It looks therefore as if the 1945 crop might have been the smallest in the last 26 years.

As is well known, Lynn county's crop usually runs from 40,000 to 100,000 bales, and in 1937 Lynn county ginnings reached a total of 153,343 bales, when it was exceeded only by Lubbock county which ginned that year 163,500 bales.

M. L. Burrough Home Again

Sgt. M. L. Burrough, son of Mr. and Mrs. T. B. Burrough, arrived home last week with an honorable discharge after having been in service in the armed forces for nearly four years. He had been serving in Iran, southwestern Asia, for about two years and nine months, assisting in the transportation of supplies to the American and Allied forces in Europe.

While over there in that part of the world, he visited the Holy Land, including Bethlehem, and saw the reputed spot where Christ was born.

All the other Burrough children and families gathered in the parental home last Sunday for a family reunion. Those present were Mr. and Mrs. J. H. Palmer and three daughters from Tulsa, Mr. and Mrs. Milburn Lee Burrough and Mr. and Mrs. Eddie DeLavan and son of Lubbock, and Mr. and Mrs. M. V. Hodge and sons of Tahoka. Afternoon visitors were Mr. and Mrs. Jarrell Cox, Mr. and Mrs. Paul Cox, and Mr. and Mrs. Cleve Cloer.

Mr. DeLavan also recently received his discharge from service in the army.

TECH PROFESSOR DIES UNEXPECTEDLY

Dr. Harry L. Kent, 66, well known Texas Technological professor and assistant to President Whyburn, died suddenly at 4:45 Monday afternoon at his home in Lubbock from clogging of a blood vessel on the brain.

Dr. Kent was a popular speaker before civic and service clubs and appeared once before the Tahoka Rotary Club.

A native of Kansas, he had served as professor of Education at Kansas State College and as president of the New Mexico Agricultural and Mechanical College at Las Cruces before coming to the Tech in 1937.

NOTICE TO TAXPAYERS

This is to advise you that this is the last month to pay your State and County taxes without penalty. Also, January 31st, is the last date to pay your Poll Tax. Persons becoming 21 years of age since Jan. 1st, 1945 or becoming 21 years of age before the election should call and get their exemption certificate in order to be eligible to vote in the coming elections. Servicemen who have been discharged within 18 months of the elections are exempt from the payment of the Poll Tax.—R. P. Weathers, Tax Assessor and Collector, Lynn County Texas.

Former Citizen Dies In Snyder

Mrs. Mattie E. Milliken, 84, aunt of J. R. Milliken of Tahoka and of Ed and R. B. Milliken of Wilson and Slaton, died last Friday afternoon in a Snyder hospital following a long-continued illness.

The body was taken to Ballinger, where her home had been for many years, and funeral services were conducted there Sunday afternoon followed by burial in Evergreen cemetery. J. R., R. B. and Ed Milliken and their wives went to Snyder on Friday to visit their aunt and remained until after her death but did not follow the remains to Ballinger.

There was a brief funeral service at Snyder, which they attended, and a more elaborate service at Ballinger, conducted by the pastors of a Presbyterian Church and of the First Baptist Church there.

Mrs. Milliken was also a sister of Mrs. A. T. Beard of Tahoka, of the late Mrs. H. M. Larkin, Mrs. Emma Smith, and Miss Lola Lewis, all of whom were long-time residents of Tahoka. She and her husband, George Milliken, themselves resided here for a few years, coming to Tahoka from Runnels county in 1906, and moving back about 1909. She was well known to many of the pioneers of this county, all of whom held her in the highest esteem.

Many Lynn County Vets Are Home

Among men whose discharge papers have been filed with the local Draft Board, recently, are Lee B. Dodson, former Faculty member of Tahoka High School and Durwood R. Dodson, former member of Draw High School Faculty, W. M. Sewell, now of Big Spring, former oil dealer here, Albert Curry, Coy Cathcart, Billy Jack Hancock, Frank Timmons, Maxie Saunders, Clifford T. Ingle, J. D. Davis and R. C. Wells, Jr., all of Tahoka, Troy L. Milliken of Wilson and G. T. Galneau and H. T. Barrett of O'Donnell.

HOME FROM OVERSEAS

Sgt. Jackie Weathers, son of Sam Weathers, was fresh arrival here Monday night from service overseas. He had come directly from Japan to the West Coast and thence to Fort Sam Houston, San Antonio, where he received his discharge.

Jackie had been in the service 38 months and overseas for the past 18 months. He was a mechanic in the air corps and had seen service all the way from New Guinea to Tokyo. But he is too modest to tell much about it.

Mr. and Mrs. Sam Miller returned this week from a two weeks trip and visit to friends and relatives at Electra, Clarksville and Bogata, Texas and Mena, Ark.

Maddox Seeks Re-election

Judge B. P. Maddox has authorized the News to announce his candidacy for re-election to the office of county attorney.

Judge Maddox has served ably in this position several times before during his long residence in Tahoka but retired several years ago and engaged strictly in private practice until a little more than a year ago, when he again permitted his name to go on the ballot. He was elected without an opponent and has now served just a little more than a year of his term.

Judge Maddox is an able and experienced lawyer and of course he has made an excellent record as the State's prosecuting officer in Lynn county. The Judge always seeks to be fair to those he prosecutes and exhibits the same zeal to protect the innocent as to punish the guilty criminal. Lynn county will be well represented in the courts as long as Judge Maddox fills this position.

He will appreciate your vote in the July primaries.

Server For J. P. Office

P. D. Server, justice of the peace of Precinct No. 1, is still willing to serve; he admits it himself. In fact he has asked the News to tell the people so. His name therefore will appear in our candidate column this week.

Justice Server seems to have been doing a good job of it, in so far as the News detective has been able to find out. One thing is certain; he can always be found hanging around his office in the court house. If not there, there's something wrong somewhere.

Not only is he always on the job but he is a just and conscientious J. P. He invariably meets out justice to litigants appearing in his court or at least seeks to do so. You rarely ever hear any criticism of any official act of his.

He will likely be around to see you before election day, of, he may summons you to come around and see him. In any event, he wants your vote and will appreciate it.

Swann Asks For Commissioner Job

Pat Swann of Wilson, the amiable and efficient commissioner of precinct No. 1, wants us to tell the people this week that he is willing to serve another term. We think, in fact, that he is anxious to do so.

Pat is serving his second term now and he seems to be doing the job in fine fashion. He has been attentive to business and always on the alert for something that he can do for his constituents. Apparently, he has used the money available for road work in his precinct to the very best advantage. Of course, every county commissioner needs more money for road work and if he had it we would have better roads all the time. But nobody can kick at Pat's roads, everything considered.

Mr. Swann will be around interviewing the voters off and on from now until the voters are counted, but he wants to say to all of you to start with that he is going to appreciate your vote and influence in his behalf today, tomorrow, and on election day.

By the way, Pat has been here always and knows everybody. If you don't know him he will be easy to find.

BUY BONDS

Woods Runs For County Clerk

James D. H. (Jim) Woods is making his announcement this week as a candidate for county clerk of Lynn county, which we quote as follows:

"I would like to use this method of announcing my candidacy for the office of county clerk. At a later date, I intend to see every person individually that it may be possible for me to see.

"My intentions, if elected, in turn would be to give the people the most efficient and courteous service of which I am capable."

In making his announcement Jim also gave some personal information. He stated that he was born on a ranch near Hereford on December 6, 1916, his parents, Mr. and Mrs. S. H. Woods moved to Lynn county in 1920, located near New Home and residing there until 1929. They then moved to Draw, where they lived until 1931. Since that time they have lived in and near Tahoka, Mr. Woods dying last October. Jim has therefore spent nearly all of his life in Lynn county.

He attended Tahoka high school but graduated from Capitol Hill High School in Oklahoma City. Later he attended the San Angelo Junior College. He served during the recent war with the 61st Construction Battalion and had duty in the south, east and central Pacific on numerous islands.

Jim is a splendid young man and enjoys the confidence and friendship of a large circle of friends.

"I want each person to know," he stated in closing his announcement, "that I will appreciate any consideration given me."

Mathis For County Clerk

The popularity of Walter Mathis is attested by the fact that he is now serving his fourth term as county clerk. He is announcing this week for re-election to the office, since he feels that he is better prepared to do this kind of work than anything else in the world. He is courteous and accommodating, and so far as we know he has given complete satisfaction in this position. His announcement follows:

"In announcing my candidacy for re-election to the office of County Clerk of Lynn county, I first want to thank the good people of Lynn county for their confidence and wonderful support given me in past elections. I have tried to handle this office in an efficient manner and have tried to give you the prompt and courteous service which you deserve.

"I believe in order to render the best service in any public office, one must devote their entire time to the duties of that office. I believe I have done this and if you see fit to re-elect me as your County Clerk, I will continue to try to make you a hand.—W. M. (Walter) Mathis."

Jordan Goddard of Carlsbad, New Mexico, was here Wednesday visiting Mr. and Mrs. Pete Curry and other relatives at O'Donnell. Mr. Goddard and Mrs. Curry are cousins.

Miss Nita Bragg has returned to her studies at Colorado Women's College at Denver, Colorado, after having visited her parents, Mr. and Mrs. Cody Bragg here during the recent holidays.

Mrs. Jennie Wheeler, mother of Mrs. W. G. Brookshire, is in the Plains Hospital, Lubbock, this week taking treatment.

Baptist Make Plans For Future

At a meeting of the board of deacons of the Baptist Church Monday night, plans were made for raising the money to pay off the remainder of the indebtedness incurred last summer in the purchase of the half block lying immediately west of the church, due about the first of February and amounting to about \$1,300.00.

The pastor, Rev. Levi Price, together with the deacons also worked out a group of committees to be approved by the church, for carrying out the program of the church more systematically and effectively.

Also the pastor has prepared a church calendar for the year, which is believed, will be of great help in co-ordinating the work.

The church budget for '46 year which had been prepared previously, was adopted by the church in conference Sunday. The budget calls for the raising of \$17,460. Of this sum, \$10,400 will be for local expenses and \$7,065 for Missions, Education, Benevolences, etc.

Home expenses include pastor's salary, secretary's salary, janitor's salary, building repairs, water, lights, fuel, insurance, literature and printing. The Baptist Standard, the Commission and Home Mission Magazines for each family. Boys and Girls camps, expenses of pastor and messengers to various conventions, school of music, vacation Bible School, study courses, special music for the choir, etc.

The Missions program includes the full co-operative program of the denomination, the association, the associational program, Wayland College, Buckner, Orphans Home, W. M. U. Work, etc. The co-operative program calls for 35 per cent of all undesignated receipts and accounts for about \$5,250. Wayland College will get \$750.00. Other causes will run the total up to the \$7,065 mentioned.

A campaign is to be launched soon to enlist every member of the church as a regular contributor to the church budget.

This budget is just a little larger than the budget last year but is not as large as total contributions last year, which ran to more than \$20,000.

At the service last Sunday night, seven new members were baptized. Sunday school attendance since Christmas has been running just slightly less than 300; B. T. U. around 100.

The workers conference of the Brownfield association is scheduled to meet with the Tahoka Church on Wednesday, January 23.

Local Boy Attends Non-Com School

OKINAWA—Pfc. Glen D. Bratcher, of Great Falls, Mont., son of Mrs. A. W. Bratcher of RFD 2, Tahoka, Texas has recently completed a course of instruction for non-commissioned officers at this advanced Army Air Base.

He is presently assigned to a unit of the 316th Bombardment Wing V.H., which is the B-29 (Super-Fortress) unit of the famed Eighth Air Force, and is stationed on this island formerly held by the Japanese.

"Dusty" Light Jr. Home On Furlough

Lon Light of Newmoore reports that his son, L. A. "Dusty" Light Jr., MM 2-c, who had been with the 135 N. C. B. Co. D, Plat. 3, arrived home on Christmas morning on a furlough, having come by bus from Portland, Oregon. He and Vernon Parker, MM 2-c, also from this county, had landed there on December 18, after a voyage of 18 days over a stormy sea from Okinawa.

These two boys volunteered in the Navy as Seabees in September, 1943, and had been together all through their training and their service of almost two years in the Pacific, from Hawaii to Tinian and on to Okinawa, where they shared their good things from home.

Now they have been separated, Dusty having been sent home on furlough with instructions to report in Dallas on January 25, while Vernon was left in Oregon, where he is to get his discharge and be sent home again.

Arriving at home early Christmas morning, the family hastily got together for a happy Christmas dinner, each bringing in a basket of food. Then a great supper was served buffet style at 5:30 in the evening.

Present for the happy occasion were Dusty's five sisters and their families, Mr. and Mrs. Jess Murphy of Three Lakes, Mr. and Mrs. H. B. Crutcher and five children and Mr. and Mrs. J. P. Rogers Jr. and three children of Newmoore, Mrs. Myrtle Moore and four children of Brownfield and Mr. and Mrs. Garland Doyle and three children of Mesquite community. Also several neighbors and friends dropped in during the afternoon.

Johnny Ovid Allen of the U. S. Navy has been here recently visiting his parents, Mr. and Mrs. J. O. Allen.

Helps build up resistance against MONTHLY FEMALE PAIN

When taken regularly! Lydia E. Pinkham's Vegetable Compound does more than relieve monthly pain when due to functional periodic disturbances. It also relieves accompanying weak, tired, nervous, jittery feelings—of such nature. Taken regularly—Pinkham's Compound helps build up resistance against such monthly distress. Pinkham's Compound is worth trying!

Clever Canine

How am I doing? seems to be the query of this handsome pupil of Frances Hartsook, head of an obedience training school for dogs in New York. Miss Hartsook, who introduced obedience training in the Hawaiian Islands before the war, believes in giving her pupils frequent words of praise. It helps them learn the five basic commands which she says every dog should know to be a well behaved canine citizen.

Major Thompson and Family Newcomers In the Community

Maj. Roy D. Thompson Jr., wife, and little son Tommy were here Tuesday looking for a house or an apartment in which to reside. He is to be the engineer for the Lynn County conservation office here and he and family must have a place in which to live.

Maj. Thompson has been in service in the armed forces, of course and had not received his discharge Tuesday but was expecting to get it within a few days.

Originally from Chillicothe, Major Thompson is a graduate of the Texas A. & M. College. Mrs. Thompson and little son have been staying with her people in Austin during her husband's service overseas.

Mr. and Mrs. H. L. Roddy had as guests during the recent holidays their daughters, Miss Mary Beth of Shreveport and Cadet Nurse Virginia of Hendricks Memorial Hospital, Abilene.

TRY NEWS WANT ADS FOR RESULTS —

What's Back of My Gas Burners?

This is the third in a series of four advertisements being published in the belief that you would like to know more about the natural gas business, which so vitally affects your daily lives.

weighing 123,000 pounds, which is used in our sketch to represent the plant. Actually, the plant consists of several buildings, steam boilers, heat exchangers, stabilizers, dephlegmators, generating plant, compressors, many pumps, and other auxiliary equipment, all quite complicated and scientific. The gas itself passes through only the absorption tower where the gasoline is removed by the use of absorption oil and the moisture is removed by the use of diethylene glycol, a liquid chemical which has a strong affinity for water. The absorption oil and the diethylene glycol are purified and used again, in continuous cycles.

Another advantage gained by drying or "dehydrating" the gas is that internal corrosion of the pipe line is held to a minimum, thereby reducing the roughening of pipe walls and the formation of scale and dust.

After passing through the Gasoline and Dehydration Plant, the gas flows into the high-pressure pipe line. This is the main transmission line which brings the gas across the country to your city and other cities, passing through one or more additional compressor stations on its way.

West Texas Gas Company owns and operates five compressor stations; one at the gas field, called the Turkey Creek Station, the McSpadden Station near Canyon, and the Plainview, Tahoka and Littlefield Stations. McSpadden Station is now being enlarged, and when this work is completed we will have in service 20 compressor units with a total rating of 4540 Brake Horse Power.

EXPLANATION: 1—Drilling derrick. 2—Christmas tree. 3—Meter house. 4—Field gathering line. 5—Field compressor station. 6—Absorption tower at gasoline plant. 7—High-pressure main transmission line. 8—Town border station. 9—Intermediate pressure line. 10—District regulator station. 11—Low-pressure line. 12—Gas meter. 13—Your yard and house piping

Attention Farmers !!

Mr. Ide R. Hall Will Be At The County Agents Office At Tahoka, Texas, Tuesday, January 15th At 2 P. M. Regarding A Black-eye Pea Agerage Here In Lynn Co. He Is Willing To Make A Contract For The Peas. Every One Is Invited To Attend. Every One Tell His Neighbor So As To Have A Large Attendance,

L. D. McKEE

LITTLE SUPER MARKET
At City Limits on Post Highway

PLAY IT SAFE!

Why take any chances on not having all your equipment in good running order next season when you can have it all fixed up now. That's our business—expert repairs on any tractor, implement or tool used in farming. We have the mechanics, the special shop equipment and a big stock of genuine IHC parts to do your work right.

The main thing is to give us a little advance notice when you can. Most of

the time our shop is swamped but when we know ahead of time we can schedule your jobs and have your machines ready when you want them.

Just give us a ring. Then when you're coming in, load up your tractor or any other piece of equipment and drop it off here. You'll find our service as good as the McCormick-Deering machines we sell. Our prices are reasonable. And we guarantee your satisfaction.

PRESSURE

In his "fireside chat" on Friday night of last week, President Truman urged the common people to bring pressure to bear on members of Congress to fall in line and enact into law his proposed legislative program.

A part of this program doubtless should be enacted into law but it is possible that some of it should be pitched out the window.

We are not bringing any pressure to bear and do not propose to try to bring any pressure to bear upon our congressman to vote for or against any pending measure except in accordance with his own judgment and conscience. Congressmen are elected and paid to make the laws and are supposed to be competent to do so. They are not supposed to be rubber stamps for the President.

We do not think that the people should urge their Congressman to vote for any measure simply because the President favors it. A President can be wrong. We think that he sometimes is. We think that President Truman is wrong now in demanding that the FEPC be made permanent. The FEPC is a creation and tool of the labor unions. It is the organization that has been sending its representatives down here to the South and nosing around to find out if we are not discriminating against our colored friends in the employment of labor. It is demanding that employers make no race distinctions in the employment of labor. They are seeking to compel employers to place negroes right alongside whites in Southern factories, shops, stores, and public utility plants.

Now they are insisting that Congress shall make this organization a permanent arm and agency of this government, and President Truman is asking Southern people to bring pressure to bear upon their Congressmen to vote for it along with other proposed labor legislation.

We are not going to do it. On the other hand, we would feel terribly disappointed in George Mahon if he should vote for it. We do not think he will.

We have approved most of the things that President Truman has done and attempted to do since he became President. We think that he is probably right now, as far as he goes, in proposing the establishment of fact-finding boards to investigate labor-management disputes and to provide for a "cooling-off" time of 30 days before a strike can be called. That might help some.

But we believe that what we need is a law with teeth in it—a law that regards the rights of the public as paramount to the rights of both the labor unions and the employers of union labor.

If the right to collective bargaining is to be preserved, then labor unions should be held responsible for not standing up to their bargains. If a labor union breaks a contract and calls a strike, then the full power of this government should be placed behind the employer to protect his right to employ other laborers in place of the strikers and also to protect the laborers thus employed.

Don't Wait Until Puerperia Strikes

Gums that itch or burn can become mighty trying. Druggists will return your money if the first bottle of LUTON fails to satisfy.

WYNNE COLLIER, Druggist

The trouble with our country is that our President and many of our congressmen have been cringing before the power of our labor leaders every time they crack the whip, and this has been kept up until the people have been wondering who is dictating our legislative policy, Congress and the President or John L. Lewis and the other labor bosses.

Aside from this, we think we have a dandy good President.

Obviously, it will be impossible to bring to trial all the German and Japanese war criminals. Only a few of the most brutal and of those most responsible for the starting of the war can be tried. Thousands and thousands scarcely less guilty will necessarily escape trial. But the trials should have a tremendously wholesome effect just the same, first because they are bringing to justice, as far as justice can be done them, to a group of the most powerful and the most brutal international thugs and bandits of all time, and second because their fate will serve as a warning to future would-be dictators and war-mongers to go slow.

But perhaps one of the most satisfying things about these trials is that they will establish by an abundance of evidence, oral and documentary, from the lips and the records of the Nazi and the Japanese leaders themselves, the true facts about the starting of the war first by Germany and second by Japan, so that it may be preserved in permanent form for the benefit of all future historians. With this record available, there can be no possibility of error on the part of any honest historian ten or a thousand years from now as to who started this war and why. These trials are certainly worth-while from every angle.

Candidates for governor are already bobbing up all around. Railroad Commissioner Jerry Sadler's friends have already announced him. Dr. Homer P. Rainey, former president of the University of Texas, former Representative Bob Calvert of Corsicana, and Congressman Lyndon B. Johnson of Austin have their lightning rods up, and we notice that James V. Alfred is also being mentioned as a possible candidate. All of these, we understand, are dyed-in-the-wool New Dealers. Others may have announced before this appears in print. Gov. Coke R. Stevenson is still lying low an "ain't saying nothin'" but it is rumored that he has his ear to the ground also. Better get your poll taxes paid, folks.

In view of the decision rendered by the Supreme Court in a case brought up from Texas several months ago, in which it was held that the Democratic party could not legally bar Negroes from participating in the Democratic primaries, it is presumed that Negroes in many Texas counties will vote in the primaries this summer. We don't know of any action that the Democratic committee could take to prevent it. Certainly election officials, in compliance with this ruling, must permit them to vote if

Mr. and Mrs. Buddy Smith have

they present themselves at the polling places armed with poll tax receipts and otherwise qualified to vote. While there will possibly be some resentment manifested, it is not believed that any violence will be used anywhere in Texas to prevent them from voting. It is hoped that no threats of violence even will be made. Every colored person in Texas, however, who intends to vote in these primaries should prepare himself or herself to cast an intelligent vote. He should gather all information possible about the leading candidates for state offices and should hear as many of them as possible, either from the platform or over the radio between now and election day. If he is not barred from these primaries, this will be his opportunity to prove his right to the ballot.

Edna Wilkins was called to Las Vegas, New Mexico, December 13, due to illness followed by the death of her mother. She was accompanied by Mrs. Helen Crouch. They returned home Dec. 23.

THE STATE OF TEXAS

TO: Anna P. Spalding, her unknown heirs, Temple Trust Company, now a dissolved corporation, First Trust Joint Stock Land Bank of Dallas, Texas, now a dissolved corporation.

GREETING: You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 20th day of February, A. D., 1946, at or before 10 o'clock A. M., before the Honorable District Court of Lynn County, at the Court House in Tahoka, Texas.

Said plaintiff's petition was filed on the 8th day of January, 1946. The file number of said suit being No. 1671.

The names of the parties in said suit are: Brook Smith, as Plaintiff, and Anna P. Spalding, and her unknown heirs, their unknown heirs and legal representatives, Temple Trust Company, now a dissolved corporation, and the First Trust Joint Stock Land Bank of Dallas, Texas, now a dissolved corporation, as Defendants.

The nature of said suit being substantially as follows, to wit:

Now comes Brook Smith, who resides in Lynn County, Texas, hereinafter called plaintiff, complaining of Anna P. Spalding, her unknown heirs, their unknown heirs and legal representatives, the Temple Trust Company, now a dissolved corporation, which corporation formerly was incorporated under the laws of the State of Texas, and had its principal place of business in Temple, Bell County, Texas, and the unknown stockholders, their unknown heirs and their unknown heirs and legal representatives of Temple Trust Company, a defunct corporation, and the First Trust Joint Stock Land Bank of Dallas, Texas, now a dissolved corporation, which corporation formerly was incorporated under the laws of the State of Texas, and had its principal place of business in Dallas, Dallas County, Texas, and the unknown stockholders, their unknown heirs and their unknown heirs and legal representatives, of the First Trust Joint Stock Land Bank of Dallas, Texas, a defunct corporation, hereinafter called defendants, and for cause of action plaintiff would respectfully

show the following:

1. On the 1st day of January 1923, plaintiff was, and still is the owner in fee simple of the following described land and premises situated in the county of Lynn and state of Texas, and described as follows:

146 acres out of the Northwest corner of the Julian Contis Survey, described by metes and bounds, as follows: Beginning at a sucker rod set under fence for the N. W. corner of said Julian Contis Survey, for the N. W. corner of this Tract;

Thence East 901.5 varas along and with the North line of said Contis Survey, to stake set under fence for the N. E. corner of this tract, the N. W. Corner of Tract No. 2;

Thence South 913 varas to stake for corner;

Thence West 901.5 varas to stake for corner.

Thence North 913 varas to the place of beginning.

2. On such day also he was in possession of such premises; and afterwards on the 1st day of December, 1945, the defendants unlawfully entered upon and dispossessed him of such premises and withheld from him the possession thereof.

3. Defendants have occupied and used such premises under such unlawful possession for a period of about 35 days and the rental value thereof during such occupancy is \$107.00, in which amount by virtue of such wrongs the defendants are indebted to plaintiff; but though repeated demand for the payment thereof has been made of defendants, by plaintiff, defendants have failed and refused and still fail and refuse to pay the same to plaintiff's damage in the sum of \$100.00.

Wherefore, plaintiff prays that the defendants be cited to answer this petition, and that plaintiff have judgment for title and possession of the above described premises, for his damages, for costs of suit and for such other and further relief as he may be entitled to either at law or in equity.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this the 8th day of January, A. D., 1946.
Given under my hand and seal of said Court, at office in Tahoka, Texas, this the 8th day of January A. D., 1946.

W. S. Taylor, Clerk District Court of Lynn County, Texas.

14-4tc.

Johnny Ovid Allen, S-1c, of the U. S. Navy, accompanied by a "buddy", Freeman Russell, S-1C, whose home is in North Carolina, left January 4, for their base at El Centro, Calif., after spending the holidays in the home of Johnny's parents, Mr. and Mrs. J. O. Allen at Dixie.

Mrs. Joe Van Dyke reports that her brother, Bart Coan, who was so severely burned when his little son, Tommie, lost his life in a gasoline explosion at Muleshoe on Dec. 27, was improving and apparently out of danger when she left there on Thursday of last week. She has heard nothing to the contrary since.

J. M. Marshall of Colorado City, who resided in this county for fifteen years, was here Wednesday and Thursday looking after business matters. He still owns a farm out in the Wells community.

GREEK women in patched rags wait in line as clothing collected in America's nation-wide spring drive is distributed in their land. Seven million other bombed-out Greeks with no clothing, shoes or bedding face the bitter winter living in frail lean-tos. Give all your spare clothing to the Victory Clothing Collection for overseas relief, January 7-31.

FORMER RESIDENT WINS DECORATION FOR HEROISM

First Sgt. Hal D. Shannon, a former resident of Lynn county, whose folks moved to San Saba two or three years ago, was granted a discharge from service in the army on December 21, 1943, at Wm. Beaumont General Hospital, El Paso, having been wounded and having won high honors in his service in Italy.

When discharged Sgt. Shannon lacked only about two weeks of having six years of military service to his credit.

He left the States in April, 1944, a member of the 91st Infantry Division, and went to Italy. There, in

Sept. of 1944, he was very seriously wounded, and for his action received the Army citation and the Bronze Star Medal along with the Purple Heart.

His citation contained in part: "When the advance elements of his company inadvertently entered a mine field, First Sgt. Shannon voluntarily entered the perilous area alone to aid five of his comrades who were seriously wounded. Although artillery was falling so close that fragments flew all about him, he treated the men's wounds and then began to carry them out of the mine field to safety. First Sgt. Shannon had succeeded in evacuating three of the men, when he struck a mine and was seriously wounded himself. Sgt. Shannon's outstanding courage and unselfish humanity brought great credit on himself and the United States Armed Forces". Signed, Wm. G. Linesay, Major General, U. S. Army, Commanding.

In this action Shannon lost his right foot, and a portion of his right leg, his right eye, and sustained severe body wounds. He has spent the past year and three months in hospitals recovering from these wounds, a greater part was spent at the McCloskey Gen. Hospital, Temple, Texas.

Shannon lived in Lynn County a number of years, and was a resident here when he joined the Army. His parents, Mr. and Mrs. W. E. Shannon moved to San Saba, Texas after both of their sons joined the services, and that is where Sgt. Shannon is making his home now.

A brother of Shannon, Mark L. Shannon, also did heroic action in the South Pacific for which he was awarded the Naval Silver Star. Mark is now a Navy Pharmacist.

Capt. Truett Cooper, who has been here on furlough for several weeks visiting his parents, Mr. and Mrs. E. J. Cooper, and other relatives, left Monday for Fort Sill, Oklahoma. He was accompanied by Mr. and Mrs. Cooper, who expected to visit relatives in Oklahoma before returning home.

Over the main entrance to a hospital near Boston is this inscription: "Man tends. God mends."

How women and girls may get wanted relief from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

1-Taken like a tonic, it should stimulate appetite, aid digestion,* thus help build resistance for the "time" to come.

2-Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardui. If it helps, you'll be glad you did.

CARDUI

College President Approves Army Enlistment Plan

Mr. J. A. Hill, president of West Texas State Teachers College at Canyon, Texas, recently gave his approval to the United States Army Recruiters in their campaign to enlist eligible men for the Regular Army which will replace the war veterans now returning to civilian life. Mr. Hill in his statement referred mainly to the educational advantages offered to men who enlist under the Voluntary Recruitment Act of 1945 which was known in Congress as the "Red Apple Bill" due to the generous opportunities it gives the Regular Army soldier.

In stating his views, President Hill said "It is my judgment that there are many young men graduating from high school at the end of this scholastic year who could profitably, to themselves and to their country, join the Army and accept the educational advantages offered under the G. I. Bill of Rights. The type of young man who should look with favor on this proposal is the fellow who might look with favor upon a military career or a young man who feels the need of rigid discipline which army life imposes. Another type of youth who might find it advantageous would be the boy who has absolutely no financial resources of his own with which to pursue a college education. I would believe that these types of youth would do well to look with favor upon the opportunity which the Army is offering."

QUICK RELIEF FROM Symptoms of Distress Arising from STOMACH ULCERS DUE TO EXCESS ACID

Free Book Tells of Home Treatment that Must Help or It Will Cost You Nothing

Sinclair Farm Time Savers.**Rep. George Mahon
Returns to Capitol**

While making preparations to hurry back to Washington in order to be on the job when Congress opens again next Tuesday, George Mahon, Congressman from this district, called the News by telephone on Tuesday of this week and stated that he was sorry that he had not found time to visit the county on this trip but assured us that he would be back later in the year to meet his constituents.

Mr. Mahon is on a number of important committees and is a very busy man in Washington. But he thinks that his job, as strenuous as it is at times, is easy as compared with that of the President. He says that the President—and we think that he meant any President—is criticized so much that he is to be pitied rather than envied. He surely does have a hard time, Mr. Mahon observed.

Of course he indicated that he would be a candidate for re-election.

**TWO SONS AND A DAUGHTER
STILL IN THE SERVICE**

M. E. Morris of Hackberry called at the News office Tuesday to renew his subscription and stated that their son, T-Sgt. Earl D. Morris, who was expected to arrive in New York from Europe on December 20, seems to have been lost somewhere in the shuffle. They had not heard a word from him yet. They thought that he had probably embarked on one of the ships that had to turn back. At any rate, they think that there was some delay in transportation and are still expecting to hear from him any day.

Mr. Morris says that they still have another son and a daughter in the service. Pvt. Jimmy Ray Morris entered the service last June as soon as he became 18 years old, and he is at Camp Pickett, Virginia, expecting to be sent overseas at any time.

Their daughter, Mary Lynn Morris, yeoman 2-c., is in the Waves. She is doing clerical work in the office at Corpus Christi, and has

**O'DONNELL CITY
MOTOR STOLEN**

Sheriff Sam Floyd reports that a 3-horse electric power motor belonging to the City of O'Donnell and used to pump water from a well in the City Park was stolen on Sunday night. No clue as to who did it, but the sheriff has his eyes and ears open.

Mr. and Mrs. M. H. Biggs of Dallas arrived Monday afternoon for a week's visit with Mr. and Mrs. F. T. Thorpe. Mrs. Biggs and Mrs. Thorpe are cousins. Mr. Biggs is employed at the American Aircraft plant.

been "frozen" on the job. So she has no idea when she will be discharged. She has been in the Waves 18 months and at Corpus Christi 12 months.

Mrs. Morris is a daughter of the late J. V. Dyer, the first subscriber to the Lynn County News, which started publication in 1903, and their daughter, Mary Lynn was named for Lynn County.

A LAME BACK

Often shows your kidneys are not functioning correctly. Pain, burning, sore, aching back muscles, lumbago can usually be corrected quickly by bringing back to normal the body fluids with CIT-ROS, gives you relief and comfort. \$1.00 at your druggist.

THAT STOMACH AGAIN!

Maybe you ate too fast! Worked late. Were too hungry. Normal stomachs are slightly acid, but hurried eating, when exhausted, can cause EXCESS acid. ADLA Tablets contain Bismuth and Carbonates for QUICK relief. Ask druggist for ADLA.

SPECK FURNITURE CO.

AFTER studying the above illustrations, you might say: "What's This Got To Do With Crops?" And the answer is: "A Lot."

If a tractor's axle should snap right in the midst of harvesting, the results would be mighty serious. To insure John Deere owners against such breakdowns, torsional tests (as pictured) have been devised.

The great machine grips the axle at either end and twists with an irresistible force of thousands and thousands of pounds. As you can see, by noting the chalk lines on the axle in the illustration, the tremendous force literally wrings the axle as you would twist a piece of rubber or other pliable material. The force applied is

measurable so that when the axle does snap, John Deere engineers can determine just how much force was required. Thus they know what margins of safety in toughness and hardness are in John Deere tractor axles.

A long, long backing of experience and exact scientific tests enables John Deere to manufacture farm equipment that will provide dependable performance. And the purchaser of John Deere farm implements can be sure that the tractor, plow, combine, corn picker, spreader or whatever John Deere equipment he may buy, will do all that is claimed for it, and MORE, because John Deere engineers always add an extra margin of strength—just to be sure.

There is no substitute for the accumulated experience gained through more than a hundred years of single-minded devotion to the manufacture of better farm implements.

Beware Coughs
from common colds
That Hang On

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

CREOMULSION
For Coughs, Chest Colds, Bronchitis

Mr. and Mrs. Fred House and Clint went to Midland Wednesday, January 2, to return Misses Helen House and Mozelle Cromer, to that city where both are employed.

Dist. Dept. Grand Chancellor Russell Hardin of Lubbock and other Lubbock Pythians were here Thursday night putting on some work for the local K. of P. lodge.

Mr. and Mrs. D. B. English left Wednesday for San Antonio, where they expect to spend a few months. They have rooms in the Gunter Hotel there.

"But since the war is over I didn't think you'd need your uniform anymore—so I sent it to the Victory Clothing Collection."

S-Sgt. Bill Curry
Arrives in Japan

With The 32nd Infantry Division in Japan — Staff Sergeant William A. Curry husband of Mrs. Novice Leona Curry, Box 385, Tahoka, Texas has recently arrived in

Japan with the 32nd. (R-1 Arrow) Division.

The Division is on Honshu, largest island in the Japanese group. The Capital and largest city in the empire, Tokyo, is located on this island.

S-Sgt. Curry's arrival in Japan comes as a climax to 8 months fight-

ing overseas with the 32nd Division. For the Red Arrow itself, the Honshu landing meant the end of a long and bloody road studded with smashing victories at Buna, Saidor, Morotai, Leyta, and Luzon.

The Japan occupation finds the former farmer of Lynn county, Texas as the leader of the station platoon in his company in the Prefecture of Yamaguchi. On Victory Day, the 32nd Division's 654th day of combat in this war, Curry was still in the Philippines on the island of Luzon.

S-Sgt. Curry plans to return to his prewar occupation when he returns to the U. S.

Mr. and Mrs. N. H. Cromer, Noah Lee and Mozelle visited their old home town of Richardson during the holidays.

Ever stop to wonder where the taxpayer gets all the money and politicians take away from him?

Bronchial Coughs
(Resulting From Colds)
Get Blessed Relief

A Real Expectantant That
Loosens-Up Thick, Choking Phlegm
Makes Breathing Easier

Spend 45c today at any drug store for a bottle of Buckley's CANALYOL Mixture. Tonight at bedtime take a teaspoonful, let it lie on your tongue a moment then swallow slowly. Feel its instant powerful effective action spread through throat, head and bronchial tubes. Acts fast to ease coughing spasms and loosen sticky phlegm which seems to clog the tubes and makes breathing difficult—helps many get a better night's rest. Take good advice—try Buckley's tonight—satisfaction guaranteed or money back. 45c-52c—all druggists.

GIVEN BIRTHDAY PARTY

The neighbors surprised Mrs. Jennie Lankford, 72, with a birthday shower Tuesday afternoon, and she received a number of lovely gifts.

With Miss Martha Britton as hostess, Mrs. D. B. Cowart, Mrs. Sam Miller, and Mrs. C. C. Britton served hot chocolate and cookies to Meses. Henry, Jim Bannister, G. E. Akin, Lee Martin, Dan Cruse, Dan Cruse Jr. and two children, Mrs. Arthur Adams, and the honoree.

Several who could not be present sent gifts.

Mr. and Mrs. Claude Harper and Miss Clara were visited during the recent holidays by several of their children and families including the following: Elgin, recently out of the Armed Service, Olin, of Randolph Field, with his wife of Tahoka, Mrs. J. D. Harper and children of Anson, Mr. and Mrs. Travis Harper of Lubbock and Mr. and Mrs. M. L. Kuykendall and four children who moved from West Point to Crossroads, N. M. recently.

Clean and Cull my seed
... BEST JOB YET.

Yes Sir ...

I have the latest Improved Type of Cottonseed Segregation.

Quality Work on All Seed

All Work Appreciated

J. B. Oliver

PHONE 235 TAHOKA BOX 423

Congratulations to:

Mr. and Mrs. E. A. Jones of Rt 2 on the birth of a son on the last day of December, whom they have named Larry Randle.

Mr. and Mrs. J. G. Carey, who get their mail on Rt. 2 out of Post, upon the birth of twin girls last Sunday. Both the little ladies and he mother are "doing fine".

Mr. and Mrs. Pat McKibben of Tahoka upon the birth of a son Monday weighing 8½ pounds.

All these births were reported by the Tahoka Clinic.

In some unexplainable manner the News got its wires terribly crossed last week respecting the visit of Mrs. Roy Rutland here. In the first place we got the name wrong, as we printed it Rutledge. In the second place, she did not visit here during the Christmas holidays. She and her husband and their little son Buddy did visit here on Thanksgiving day but had not visited here since. He was expecting to get his discharge from the army this week and to return to their home in Waco. He has been stationed at San Antonio.

M. D. Cruse and M. D. Cruse Jr. of San Angelo, together with their families, became new citizens of Lynn county this week when they moved upon farms recently purchased here.

Mr. and Mrs. M. D. Cruse Sr. will live on and operate the J. H. Kuykendall place in the Edith community and Mr. and Mrs. M. D. Cruse Jr. are at home on the E. W. Holloway place at Redwine.

Mrs. M. D. Cruse Sr. is a daughter of Mrs. Jennie Lankford of Tahoka.

Mrs. G. E. Lockhart of Lubbock, a long-time resident of Tahoka, was a visitor here Tuesday. She stated that her grandson, Gene Earl Knight, a graduate of the Tahoka High School, is with the occupation forces at Sasebo, Japan.

The News has been requested by mail to announce that Elder W. L. Jackson was invited to return to Tahoka next Sunday at 11 o'clock to fill the pulpit here. The informant did not so state, but it is presumed that he will come and that the persons interested will understand.
