

## Spearman girls win Contest

### Season grid ticket sales begin Monday

Reserved seats for the five 1983 Spearman Lynx home football games will go on sale Monday at the school business office.

The season ticket prices will be the same as last year--\$12.50

Kim Nelson

On Thursday night, August 25, the Farm Bureau District 1 Queen's Contest and Talent Find was held in Amarillo at the Hilton Inn at 8:00 p.m.

Kim Nelson, daughter of Mr. & Mrs. Dennis Nelson, won the District Queen contest and Teresa Miesner, daughter of Mr. & Mrs. Louis Miesner, won the Talent Find contest.

Teresa Miesner

Both girls will go on to state in Houston to compete with other districts for the state positions.

The state competition will be held in Houston on Sunday, November 27 for the Talent Find contest and Monday, November 28 for the Queen contest.

Good luck is given to both by all Farm Bureau members and everyone in the Hansford County area.

Monty Blackman, Brice McRee and Mike Cudd grill up hamburgers to feed the crowd attending the big Spearman Chamber of Commerce fete for local teachers, Hansford Hospital staff, and city employees Thursday evening at Swimming Pool Park.

fete for local teachers, Hansford Hospital staff, and city employees Thursday evening at Swimming Pool Park.

## Need buyer for old City Hall

The city of Spearman is looking for a buyer for the old City hall. A special called session of the city council has been set for Monday at 2 p. m. Topping the agenda for that meeting is consideration of authorizing City Manager Jim Murray to take sealed bids for purchase of the burned out city hall, located at 221 N. Sanders.

Also on the agenda for the Monday special session is consideration of a proposal from L and M Construction Company to relocate 187 feet of sewer main located on N. E. Court for 4,996.50, with the entire expense to be borne by the First State Bank of Spearman which plans to build an ultramodern new banking facility on the grounds used for circuses, bounded on one side by N.E. Court.

The bank has sold their present facility to the city for a new city hall. The other agenda item for the special session is another workshop on the proposed 1983-84 budget.

## COUNCIL MEET

Spearman city council held the first of two public hearings on how to spend 26,000 in Revenue sharing funds, and cleared a final local hurdle on plans to seek a grant for water line improvements during a regular aldermen's session Tuesday night.

The council also approved payment of almost 47,000 for the 1983 sealcoating project, but balked at approving the usual agreement whereby the City of Spearman provides fire protection and rescue services for Hansford County.

Harry Stumpf and Irvin and Helen Boyd, members of the historical society group representing Station-masters House Museum, were the lone visitors to appear before the council for the public hearing on how the city is to slice the \$26,000 Revenue Sharing pie.

This first public hearing was held to give Spearman citizens a chance to voice how they felt the Revenue Sharing funds should be spent.

Stumpf, and the Boyds appeared to ask the council to earmark as much of the funds as possible for the museum project, which could include such items as relocation of the old depot and building of a basement (NOW UNDERWAY).

They were told that the councilmen tentatively plan to write 2,000 into the proposed new budget for the museum, but that this figure is just that -- tentatively-- and that no final decision has been made yet.

A second public hearing on use of Revenue Sharing funds will be held at the next regular city council meeting on Sept. 13.

A second and final public hearing was held on plans to see a Texas Community Development Grant from Texas Department of Public

# Jan's Fashions Etc. moving

You might say that it is a modern day success story...Jan's Fashions is once again going to move, and this time we think Jan might have enough room to handle the terrific business that she has enjoyed. Jan's has announced a new name, Jan's Fashions, Etc., and a new location. Jan's Fashions, Etc., will be located in the Old Beedy Furniture Building, in Plains Shopping Center, a few doors down from the present location.

Jan's truly is a success story. The store originally started out in a trailer house, just across the street from M&M Grocery.

Business improved so much, the store soon located in the old Lady Fair building, in the shopping center. And this week, Jan announced that her store will be moved to the Old Beedy Furniture Building as soon as extensive cleaning, etc. can be completed.

Odis Taylor of Perryton was awarded the job of cleaning up the Beedy Building, in preparation for the arrival of the new Jan's Fashions, Etc.

Of course Jan and Owen, and everyone concerned with the store want to thank everyone for making this such a successful venture. The new store will have a total of 8,000 square feet.

An official announcement of the new store will be carried in the paper as soon as possible.

# THE Hansford PLAINSMAN Sunday

Spearman (Hansford County) Texas

August 28, 1983

Volume 13

Number 42

Affairs to fund water line replacement and improvement.

As no one showed up to voice an opinion on this matter during the public hearing, the council went ahead and authorized Mayor C. Ralph Blodgett to execute a grant application to fund the water line project. Councilman Ed Garner made the motion, Councilman Wilson McClellan the second and the vote was unanimous.

Before the vote, City Manager Jim Murray informed the council that the area they had first thought was the low income area of the city -- a state requirement for the development grant, designated as Area 1 on the grant planning map, was not.

Murray said a census map provided by Texas Tech University showed Area 2 on the planning map as the low income area of the city. Area 1 is a five by six block area northeast of the courthouse. Area 2 is in the west central part of town, bordered on the north by Kenneth, east by Barkley on the west by Fifth and runs north along the alley between Roland Street and Cooke, then travels northeast along Hwy. 207 to Kenneth.

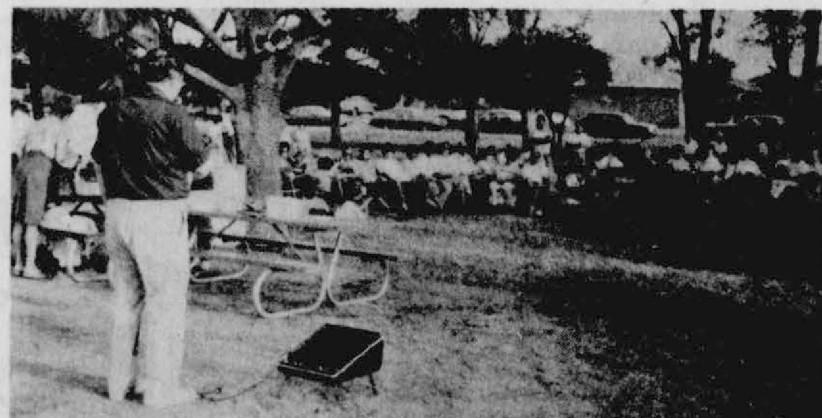

On a motion by Councilman Jim Nicholson and second by Garner, the aldermen voted to pay Lipham Construction Company of Aspermont \$43,311.32 for work done on the 1983 road sealcoat project.

Then on a motion by Garner, second by Alderman Bob Pearson, the councilmen voted to pay McMorries and Burns Inc. of Dumas for engineering services on the sealcoat project.

The council voted to table an agreement between the City of Spearman and Hansford County for the fire and rescue services traditionally supplied by the city on a motion by Garner, second by McClellan. The city and county governments have not agreed on the price of a fire truck the city has offered for sale to the county.

The city is asking \$3,000 for the 1954 Ford firetruck and the county has countered with an offer to purchase it from the city for \$1,500.

## Mayor Blodgett honored at community picnic

RALPH BLODGETT

C. Ralph Blodgett was elected Mayor of Spearman in April, 1976. He is presently serving his fourth term as Mayor.

While serving as our Mayor, Ralph Blodgett has served as chairman of numerous boards, i.e., Panhandle Regional Planning Commission, TML Building Board, etc. Ralph has been on the Board of Directors of TML since April, 1978. He has also served as the Region II Director (Panhandle area) for the past several years.

Mayor Blodgett will be installed as President of the Texas Municipal League in October -- he is presently serving as First Vice President. In assuming the position of President of the League, Mayor Blodgett will represent what is generally termed as one of the most powerful associations in the state of Texas -- above State Senator level. In addition, Spearman is the smallest city in the TML area to have one of its officials elected to its Presidency.

The Texas Municipal League came into existence in November 1913. Twenty-seven city officials from 14 different cities gathered in Austin and saw the need for cooperation among cities as the most significant problem facing the group. To address this problem they formed the League of Texas Municipalities.

As formally stated in the TML Constitution, the purpose of the league is "to render services which individual cities

have neither time, money nor strength to do alone."

One year after the original fourteen cities gathered, the league boasted a membership of 39 cities. League membership has continued to grow - 140 in 1930 - 322 in 1940, 529 in 1950, 574 in 1960, 607 in 1962, to the present membership of 875.

As the membership has grown, so have the services of the League. Today, the TML has developed into a diversified service organization that is recognized as the best municipal league in the nation.

In accomplishing these goals the League offers these services; state legislative representation, federal liaison, insurance programs, information and research services, legal counsel, utility advisory service, conferences and training and city related publications.

Representing the League, both on the state and national level, Mayor Blodgett will promote the interest of Texas Cities through meetings, speaking engagements and other public appearances.

Previous TML presidents from our area were, in 1946 Mayor Joe Jenkins of Amarillo and in 1968 Councilmember L.O'Brien Thompson of Amarillo were both elected president.

Mayor Blodgett, we wish to congratulate you on all your accomplishments, and to thank you for being our Mayor.

Some 300 people enjoy hamburger 'and trimmings' at the Spearman Chamber of Commerce fete for local

teachers, Hansford Hospital staffers and city employees held Thursday evening at Swimming Pool Park.

Spearman Elementary School Principal Allen Alford accepts a \$1,500 check donated by the Servitors for playground equipment presented by Beckee Baker, [center], president of the club, and Kitty Edwards,

vice-president. Alford thanked them for the playground equipment donation and for the Servitors serving refreshments to teachers during in-service at all three Spearman ISD schools.

# Seven bicycles in storage at Spearman Police Dept.

On August 19, 1983, at approximately 3:00 p.m., while a police officer was stopped at the intersection at crazy corners, he observed a female subject stepping out of her vehicle and run back to another vehicle and shouted that a male subject in another vehicle was ill. The officer went to where that vehicle was stopped and observed a male subject slumped over in the seat. The engine was still running and the gear shift was still in the drive position. At this time the officer called the Spearman Police Department and requested an ambulance. Ambulance was dispatched and two EMS proceeded to work on the subject. At this time two officers arrived and proceeded to locate some identification on the subject. Officers noticed a bath towel laying on the floor board. Inside the bath towel were a beer carton with three beers in it. Also found on the floor was another can of beer, unopened laying on the floor board and a bottle of pain pills. Subject was transported to the Hansford County Hospital. The vehicle was towed away by Spearman Body Works. No further at this time.

On August 22, 1983, at approximately 2:00 p.m., while the Chief of Police was going to the back door of a Spearman residence in reference to putting up a school zone sign in the yard, a black and white cowdog type came out from under the steps and bit the Chief of Police on the right leg leaving marks and breaking the skin. The Chief of Police went to the hospital to have the wound taken care of. No further at this time.

On August 23, 1983, at approximately 3:00 p.m., two Spearman Police Officers left for Perryton to pick up a subject that the Perryton Police Department had in custody. Subject was transported back to Spearman on a warrant charge of DWI. Subject was placed in the Hansford County jail awaiting arraignment.

On August 23, 1983, at approximately 7:30 p.m., a subject entered the Police Department and advised an officer that the alternator battery had been stolen off his vehicle, that was parked in front of his home. Subject further stated that his neighbor had been seen looking under the hood. Subject stated that he spoke with his neighbor, who stated that he was checking the wiring, as he was having trouble with his vehicle. Subject allowed complainant to look at his vehicle. Complainant related that the missing parts were not on the pickup. Officer made a check of all known new and used parts places in town. None had contact with anyone

attempting to sell or trade items matching the description of the stolen parts. Investigation continuing.

On August 24, 1983, at approximately 10:00 a.m., the Animal Control Officer received a call in reference to a Spearman resident having chickens and rabbits in his back yard. Animal Control Officer went to the residence and spoke with the owner and advised him that he had had complaints about his chickens and rabbits and that he would have five days to get them out. Subject advised that he would. No further.

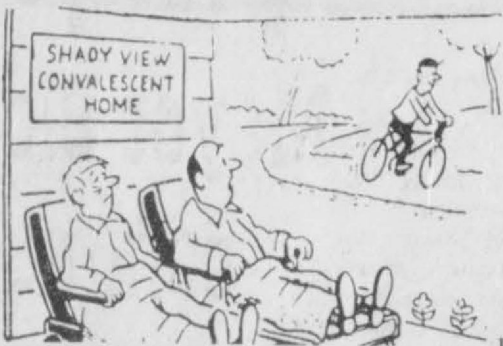

On August 24, 1983, at approximately 6:00 a.m., a subject entered the Spearman Police Department and advised an officer that a female subject keeps coming to his place of business causing trouble and that she was running off his customers. Subject stated that he would file any charges that had to be filed to keep female subject away from his business. Officer told subject that if female subject came to his place of business again, to contact the Police Department and criminal trespassing charges would be filed.

On August 25, 1983, at approximately 8:17 a.m., a Spearman resident entered the Police Department to report her wallet missing from her vehicle. She stated that the wallet was left in her vehicle and was taken from 12 a.m. to 8 a.m. this date. She also stated that the vehicle was parked in front of her home. No further at this time.

The Spearman Police Department has seven bicycles in storage. If you can identify one of these bicycles, you can claim it at the Police Department.

On August 19, 1983, the Spearman Police Department investigated one accident which occurred on the parking lot at 305 W. Kenneth #1 was legally parked when vehicle #2 backed into vehicle #1. Vehicle #2 then left the scene. No injuries reported.

D.J. Alberts  
Chief of Police

Our idea of a pleasant life is to have more income than expense and little or nothing to do.

Business seldom expands by magic; it usually grows because someone with brains is working.

You can never tell when a little careful driving will save your life on the highways.

Religion, we suspect, can be measured in an individual by manners displayed.

## TAKE A Y BREAK

Registration for Fall classes at the Hansford County YMCA will begin this week, August 29 through September 2. The Y is located at 501 S. Hazelwood. Classes are being offered in several different interest groups and most classes run for 12 weeks.

A major emphasis in this Fall's programming is Health Enhancement. There are fitness classes for men, women, and Co-ed. The Co-ed classes will emphasize health education as well as exercise. Participants will learn about cardiovascular risk factors, high blood pressure, nutrition, exercising in different climates, heart rate monitoring, and many other important areas related to fitness. Fitness classes are being offered at a variety of times during the day to meet the needs of most people.

Also being offered at the Y this Fall will be special interest classes. These classes will include racquetball lessons, country/western dance lessons, square dance lessons, and life skills management. Life Skills Management will deal with time management and handling stress.

Programs for children will include flag football/soccer & boxing. Children may also sign up for racquetball lessons and participate in a racquetball tournament and/or run later in the fall.

The Y will also be providing other sport activities this Fall. There will be leagues in both tennis and racquetball. Also as in the past the Y will sponsor a women's volleyball league. In the month of November there will be a racquetball tournament for both adults and kids. On Thanksgiving Day there will be a 5KM run for all interested participants. Information and registration for these special activities may also be obtained at the Y this week.

Finally the Y will be starting two "Clubs" this fall. One will be for people interested in bicycle touring. Club rides will be held each Saturday starting Sept. 17 from in front of the Y at 9 a.m. Those interested in this activity should have a 10 speed bike. The other club will be the Runner's club. This group is just in the "talking" stage. Anyone interested in this group should contact the Y.

For more information you may call the Y at 9-2591 or drop by anytime between 8:30 a.m. and 10:00 p.m.

## Best of Press

**Excellent Advice**  
Never argue with a fool. Onlookers may not be able to tell who is which.

—Grit.

**Wrong Advice**  
The trouble with good advice is that it usually interferes with our plans. —Chronicle, San Francisco.

These young ladies on the Elliott Construction team in the girls' softball league finished their season recently with a game against the Dip Ships of the women's softball league. The girls are [from left] front row Diana Rosales, Ellen Martinez, Earla Spencer, Jennifer Yarbrough,

## NOTES COMMENTS

Hard work still represents the main essential of success in life.

People who park automobiles in the wrong places ought to be fined.

Smartness is never synonymous with vulgarity and improprieties.

Nearly everyone has a different recipe for a successful life.

At times we are convinced that secrecy is the best publicity.

A good joke will turn up in a variety of forms for many years.

Hint to adults: kind words to children pay dividends for many years.

Ideas are a dime a dozen, but success is the ability to put an idea across.

The bad luck that you grumble about is probably the direct result of your own actions.

Every executive should have an able assistant to do his work for him in an emergency.

## These families need A Family Affair.

Having a good family life today isn't always easy. For parents or for kids. Not enough time or money, too many pressures and negative influences. So-so parenting styles and oh-no questions.

Could be you could use a refreshing refresher course. On things like how to listen as well as talk, how to help instead of hurt. Some solid, Biblically-based ideas on ways to be the wife or husband or parent or single you're trying hard to be.

We are having such a seminar for you. It's being led by J. Allan Petersen, a well-known author and speaker in the marriage and family area. He's smart, funny and knows what he's talking about. He's got rich, deep insights to share that can help make marriages and families stronger.

Your marriage and family life doesn't have to be troubled for you to attend either. (Even the best can get better.) All you have to do is care about it. In fact, that's what A

FAMILY AFFAIR is about. Caring enough to make a good family, a great family. Like your family could be.

**A Family Affair.**

### Legal Notice

**LEGAL NOTICE  
NOTICE OF PUBLIC  
HEARING**

**SPEARMAN PLANNING AND  
ZONING COMMISSION**  
Date: September 12, 1983  
Time: 2:00 p.m.  
Place: City Council Chambers  
of Temporary City Hall,  
514 Collard, Spearman,  
Texas.

Purpose: To consider in public  
hearing the rezoning of  
the tracts of land listed  
below plus one-half of  
all bounding streets, al-  
leys, and public ways:

1. BEGINNING at a point in  
alley line 20 feet South of  
the Southeast corner of Lot  
17, Block 16, Glover Ter-  
race, an Addition to the City  
of Spearman, Hansford  
County, Texas; Thence  
South 100 feet to a point in  
the North right-of-way line  
of county road; Thence West  
450 feet to a point in the  
north right-of-way of said  
county road to a point, the  
point of beginning this tract;  
Thence continuing West 75  
feet to a point in the north  
right-of-way of said county  
road for the Southwest cor-  
ner this tract; Thence North  
100 feet; Thence East 75  
feet; Thence South 100 feet  
to a point in the north  
right-of-way of said county  
road, for the point begin-  
ning this tract. (416 13th  
Avenue).

2. The east 70' of Lot 11, Block  
16, Unit 3, Glover Terrace.  
(415 W. 12th).

If the Planning and Zoning  
Commission favorably consid-  
ers the request or the appli-  
cant files a written appeal with  
the City Secretary by 12:00  
noon, September 22, 1983, the  
City Council will hold a public  
hearing to consider the pro-  
posed as follows:

Date: September 13, 1983

Time: 8:00 p.m.

Place: City Council Chambers  
of Temporary City Hall,  
Spearman, Texas.

If anyone is planning on making a scrapbook  
for the boys or anyone else during the 1983-84  
school year of sports related activities or other  
such materials, plan ahead by getting your  
newspaper issues of the event on the date the  
paper is printed and put out in the stands. It  
would be greatly appreciated as it depletes our  
file copies and takes time to find them for you if  
you wait 3 or 4 months after publishing.

Thank you,  
The Staff

**The Banvel® herbicide  
advantage...Roots out  
bindweed on Set-Aside/  
PIK or  
harvested  
acres.**

**NOW: Get a  
clean start  
in '84.**

Bindweed and other tough perennial  
broadleaf weeds keep coming back—getting  
worse every season. But you can root out  
bindweed and the rest of these stubborn  
weeds after harvest or on idle acres with  
Banvel® herbicide.

When you use Banvel herbicide at  
recommended rates in a Between Crops  
Application, you kill perennials clear through  
the roots—so they can't creep back. Use  
Banvel herbicide before a killing frost. It  
penetrates weed leaves. Is absorbed by the  
roots. Moves through the entire plant—  
leaf-tip to root-tip. Then rotate back to  
wheat, corn or milo.

Get the control you need for bindweed...  
lakesweed...blueweed...silverleaf  
nightshade...and other tough broadleaf  
perennials.

Root out your toughest perennial problems  
with a Banvel herbicide Between Crops  
Application. Get maximum production from  
those acres next season. See your ag chem  
supplier for the full story.

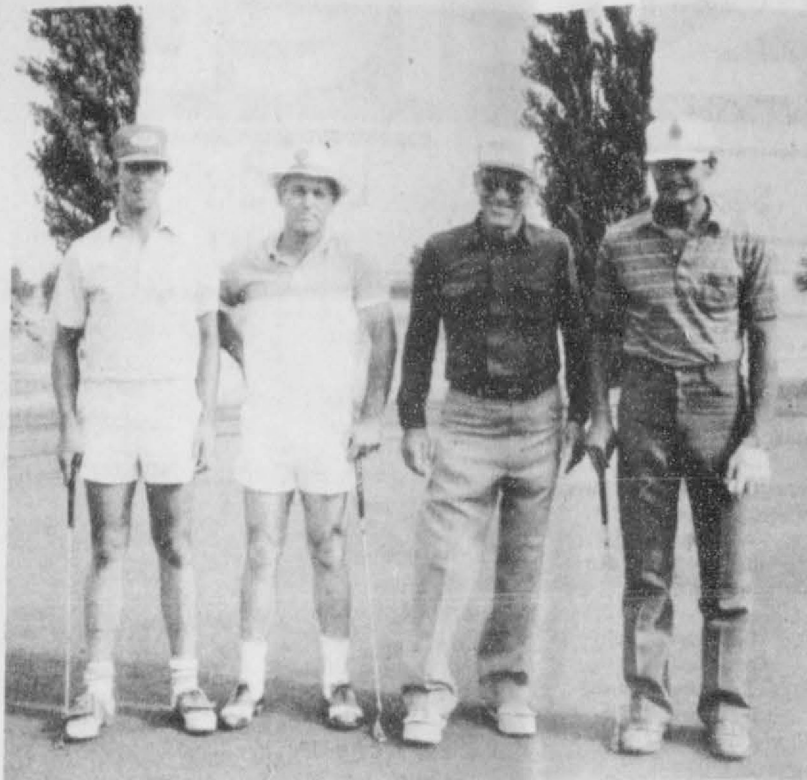

**Banvel® HERBICIDE**  
THE BANVEL ADVANTAGE...  
IT WORKS FOR YOU

Read and follow label directions carefully.

## Harper and Davis win Gary Wilson Golf Tournament

It took a sudden death playoff to decide the championship of the Gary Wilson Golf Tournament sponsored by Gary Wilson, held over the weekend at Hansford Golf Course. The thrilling deadlock was broken on

the first hole of sudden-death play, as the team of Jerry Pat Davis of Spearman and Tony Harper of Gruver edged the twosome of Dan Faries and Bob Hohertz of Spearman.

Among the good turnout of area golfers in the thick of competition at the weekend Gruver Insurance Golf Tournament sponsored by Gary

Wilson at Hansford Golf Course were four avid linksters from Gruver--Bill Logsdon, Roy Edwards, Kenneth Irwin and Howard Barkley.

Bill and Ivie Antley

Spearman, Texas  
42-2tc

Major V.J. Cawthon, Commander of the Texas Department of Public Safety in Region 5 said, "we will use all available personnel to reduce the death toll during the Labor Day holiday." He said, "In 1982 50 persons were killed in traffic accidents on Texas streets and highways during the Labor Day Holiday."

This is the last holiday of the summer and thousands of motorists will take to the highways for an outing. Some of these motorists will be driving at high rates of speed. Others will be intoxicated. Cawthon said, "These two combinations plus the lack of seat belt usage could cause a high death count this Labor Day weekend."

He said, "Our troopers will be aggressive in combating the speeding and DWI problem because these violations continue to be the leading factors in fatal accidents."

He added, "The Texas Department of Public Safety urges all Texas Drivers to slow down to the legal speed limit, avoid the use of alcohol if they plan to drive, and to use their seat belt for safety."

### CITY OF SPEARMAN

#### AGENDA

MONDAY, AUGUST 29, 1983  
2:00 P.M.

1. CALL TO ORDER.

## TIRED OF THE SAME OLD ROUTINE?

What you need is to get out of your chair, out of the house and down to your YMCA. There you'll find physical fitness programs that will help you get back in shape and stay that way. YMCA physical fitness... a great idea.

## Invitation to Artists

You are invited to participate in the ART SHOW & SALE on September 8, 9 and 10 at First National Bank in Perryton.

Amateur and professional artists within a 100 mile radius of Perryton can show their work (limit 2 pieces of art) at the bank. Any medium is acceptable. Art pieces should be framed and suitable for hanging.

Artists may select their subject, as no particular theme is designated.

Contact First National Bank in Perryton at 435-3676. Call for Juanita Brillhart.

Member FDIC

## YMCA NEWS

Do you know the difference between a "Do-Si-Do" and "Left Allemande"? If you don't and would like to learn or if you did and have forgotten, join the square dance lessons sponsored by the Hansford County Y.M.C.A. They will begin on Tuesday, September 20 at 7:30 sharp and will be held at the Y.M.C.A. The cost is \$15 per couple for Y.M.C.A. members and \$30 per couple for non-member.

The lessons will last until mid-December. There will be 13 classes. Couples can not go any where and have so much fun for so little money so be down at the "Y" at 7:30 on Tuesday, September 20. You may register ahead of time at the "Y".

Learn one of the fastest games in America...Racquetball...This is a game that anyone can play. Our classes will stress the fundamentals of the game. Learn the basic shots, serves, strategies, and rules.

Days are Tuesday. Time: Beginners at 8 P.M.; Intermediate at 9 P.M. Dates: Session I is Sept. 6 - Oct. 11; Session II is Oct. 18 - Nov. 22

Cost per session is: YMCA member \$9, Fitness Center member \$6, and Non-member is \$18.

"Aerobics in Motion" is one of the exercise programs being offered by the Hansford County Y.M.C.A. this fall. The routines, done to all different styles of music, stimulate the heart to its target (training) rate for at least 12 minutes continuously, three times a week. This strengthens the heart and lungs. A critical component of good physical health is the condition of the cardiovascular system. Aerobic exercises are those that strengthen the heart and lungs so as to improve the heart's efficiency. They condition the heart muscle and the muscles surrounding the lungs, allowing the heart to pump more fresh oxygen to all the body's cells. A heart in good aerobic condition will work less, rest more, and last longer!

The routines also have flexibility exercises and spot exercises for those areas which are troublesome (hips, thighs, waist, arms, etc.).

To keep the exercises from becoming boring, about 30 different taped routines are used - ranging from religious music to disco to easy-listening to country-western music. This makes exercise fun - no work! If you'll join the group of women at the "Y" you'll enjoy the benefits of having a firmer, more flexible body with increased cardiovascular endurance. You'll have more energy and feel much better.

Come visit the night classes presently meeting - without having to pay until the fall quarter on September 6. They are from 6:30 - 7:30 on Tuesday and Thursday nights and 10:00 on Saturday morning. They are taught by Wanda Archer.

The morning class will start September 6 and will be from 9:00 - 10:00 a.m. and will be taught by Cindy Schneider on Tuesday and Thursday, also.

## TGSPB elections set for September

Grain sorghum farmers in a 29-county area of the Texas High Plains will elect four members to the Texas Grain Sorghum Producers Board (TGSPB) administrators the collections and programs of a grain sorghum checkoff program which was established by a referendum of sorghum farmers in 1969. The voluntary checkoff of 5 cents per ton of sorghum production is used to finance grain sorghum research and promotion. Directors serve six-year terms staggered so that terms of four directors expire biennially.

The election will be conducted by mail. Ballots will be mailed to grain sorghum farmers this week and must be returned to the TGSPB office with a postmark no later than midnight, September 15, 1983. The names of five nominees appear on the ballot. They are: Jack Cobb of Plains, Olan (Jack) Crowl of Morse, George Reeves of Dalhart, Weldon Shelton of Lamesa and Delbert Watson of Muleshoe. Write-in candidates are also eligible.

Any person in the 29-county TGSPB area who produces grain sorghum and is subject to the board assessment is eligible to vote, including owners of farms and their tenants and sharecroppers. Any qualified voter who does not receive a ballot in the mail may obtain one from the TGSPB office, Box R, Abernathy, Texas 79311 or from the office of his County Agricultural Extension Agent.

Counties involved are Armstrong, Bailey, Briscoe, Carson, Castro, Cochran, Crosby, Dallam, Dawson, Deaf Smith, Floyd, Gaines, Hale, Hansford, Hartley, Hockley, Hutchinson, Lamb, Lubbock, Lynn, Moore, Oldham, Parmer, Potter, Randall, Sherman, Swisher, Terry, and Yoakum.

## TFU Breakfast Set

WACO, TX; August 24, 1983 - The Hansford-Hutchinson Farmers Union will hold a breakfast meeting Thursday, September 1, local President Burton Schubert announced. The session will be held at 7:30 a.m. at the Cattleman's Restaurant in Spearman.

Schubert will give a report on action at recent TFU Executive Board meetings, along with a progress report of the TFU Building Committee. The election of new officers and directors for the upcoming year will also be discussed.

All members are encouraged to attend this important meeting.  
OPEN TO THE PUBLIC.

Early arrivals at the recent Sacred Heart Catholic Church outing enjoy

fellowship and food at Swimming Pool Park.

## GOOD HEALTH

### Watch Out For Ulcers

Surprising to many is just how many people suffer from duodenal ulcers. The current estimate is about four million.

While many people believe that the typical ulcer candidate is the driven business executive, that's not necessarily true. Although a specific cause of duodenal ulcers isn't known it has been established that the incidence of duodenal ulcers is 70 percent higher among smokers than among non-smokers.

Interestingly, a bland diet of small, frequent meals and lots of milk and cream is no longer considered the best treatment for ulcers.

Patients on normal diets have been found to heal as well or faster.

A duodenal ulcer is a serious problem. If you have frequent or constant stomach pain, see your doctor.

Moreover, a healed duodenal ulcer doesn't mean the trouble is over. Studies have shown that 80 percent

of patients will have a recurrence within the first year of healing.

## RUESEWALD

Seed Cleaning Service

for

"On The Farm Seed Processing"

Self  
Contained  
Certified  
Mobile  
Equipment

Certified by  
the Texas  
Department  
of  
Agriculture  
to Process  
Any Class  
of Seed.

**Cleaned — Treated — Bagged or Bulk  
At Your Storage Location**

**SCREEN & AIR PRECISION GRADERS — WILL SEPARATE JOINT  
GRASS & OTHER IMPURITIES FROM YOUR WHEAT SEED.**

- Certified growers
- Competitive prices
- Experienced operators
- Aid farmers in production of certified seed
- Personalized bags
- Interstate service

RUESEWALD SEED CLEANING SERVICE can cut any farmer's seed cost with the portable seed cleaning rig he designed.

A farmer himself, Ruesewald had two goals in mind when he designed his 54-foot long rigs — they must be completely portable and offer farmers storage facilities and seed companies a turn-key job at any location.

Any size seed can be cleaned by Ruesewald. For all

seeds a screen and air cleaning process is used. For precision finishing work a precision grader is used on small grains and a spiral separator on soybeans. Small seeds are not a problem. "We've done bahia grass and clover," Ruesewald says.

Accidental mixtures of grains such as beans and corn or oats and wheat can be separated.

The portable rig automatically treats, sacks and labels seven bushels per minute.

## Hospital District holds picnic

Kirby Hergert, two-year-old son of Mr. and Mrs. Donnie Hergert, really goes for potato chips in a big way at the hospital district picnic.

Young and old enjoyed the fare at the Hospital District picnic Aug. 19 at swimming pool park.

Dr. Dave Muthali, M.D., and family enjoy themselves at the Hansford Hospital District outing Aug. 18 at Swimming Pool Park.

Al LaRochelle [at right], Hansford Hospital administrator, serves up hot dogs to those moving down the serving line at the hospital district picnic.

## 4-H - A great way to learn

A great way to learn is by doing things.

To help youngsters learn by helping them do things is the goal of the 4-H program, says Jim Smith, county 4-H program coordinator with the Texas Agricultural Extension Service, Texas A&M University System. Through almost 50 different project areas youngsters can learn about new things, try something they have never tried before, and be introduced to new areas of the world in which they live.

For more than 187,000 Texas youths last year, 4-H was the way to new and exciting possibilities. These young men and women enrolled in 4-H either in their community clubs or through their school programs, says Smith.

The youngsters learned about projects like automotive care, safety bicycling and woodworking. They worked with large and small animals in the livestock projects. They trained dogs and cared for cats. They learned about computers, energy and conservation.

A common theme through all 4-H projects is career education, says Smith. 4-H'ers learn how an individual might make a living with skills like these, how these skills fit into another career field, or how these skills enhance their life-style.

As the youth phase of the extension Service, the 4-H program gets it support and

"He who has health has hope and he who has hope has everything." Proverb

### LEARN A SKILL THAT HAS A FUTURE.

If you qualify for training, you can learn one of the many technical skills in the Army Reserve. Most of these skills have their counterparts in the civilian job market. You serve one weekend a month and two weeks per year in a local Reserve unit, earning over \$1,200 per year to start.

Call your Army Reserve representative in the Yellow Pages under "Recruiting" ARMY RESERVE. BE ALL YOU CAN BE.

educational materials from county agents and specialists as well as from the state's land grant university, Texas A&M University, and the U.S. Department of Agriculture. However, the driving force of the program is the local volunteer leader.

Most clubs are led by volun-

teers who share their time and talents to help the youngsters to learn by doing. There are some 22,000 adult and teenage leaders working with 4-H members in Texas.

More information about the 4-H program is available from the County Extension office, says Smith.

### SEE YOUR DOCTOR

If you smoke, you are 1.7 times as likely to develop a duodenal ulcer as a non-smoker. A government study showed that 46 percent of black men smoke compared with 38 percent white. It's now been established that cigarette smoking affects the development, severity, healing and recurrence of ulcers. If you smoke, and have frequent stomach pain, you should see a doctor to find out if you have a duodenal ulcer.

At first, experts believed that the rising number of women ulcer patients was due to women entering the job market where they were subject to increased stress. Because day-to-day stress is no longer a major causative factor, some scientists feel that it is because women have been smoking more.

Celebrating eighteen years of service to the Panhandle, the Carson County Square House Museum will hold its annual Museum Day festivities, Saturday, September 17, 1983. The day will also mark the twenty-fifth year of the reunion on area pioneers.

The day's activities will include special showings of Western art by critically acclaimed Robert "Shoofly" Shufelt and the grand-niece of legendary cattleman Charles Goodnight-Veryl Goodnight. The Museum galleries will also offer a showing of American porcelain sculpture from the Edward Marshall Boehm collection.

Other activities include a public program featuring speaker T. Boone Pickens of Mesa Petroleum, the Panhandle High School Band, the presentation of the Bones Hooks Pioneer Memorial and the all-volunteer prepared barbecue dinner.

Grand-niece of the legendary Charles Goodnight, Veryl Goodnight remains true to the experience of the Western pioneer in her bronze sculpture. Along with wildlife renderings of cougars, wood ducks, raccoons and longhorn cattle; Goodnight will show bronzes of buckskin-clad mountain men, hardened pioneer women and modern day

horsetrainers in the Panhandle Museum. Goodnight uses sketches, photographs, written notes and live models to help her construct her sculpture. As part of her research, Ms. Goodnight has participated in a trail ride of part of the Goodnight-Loving Trail complete with longhorn cattle, mule teams and chuckwagon.

Exhibitor Robert "Shoofly" Shufelt also recognizes artistic inspiration from an uncle, a cowboy known as the "Shufelt Kid." "We, as children were warned not to turn out like Uncle Charlie." He ran away from the farm in Illinois, went to Montana, became a rough-string rider in the Judith Basin. Robert Shufelt also left Illinois for the family's ranch in Arizona after short stints in the Army, in the NFL as a defensive half-back and in the world of Chicago advertising. Shufelt now concerns himself with depicting today's cow-

boys rather the myths about yesterday's West. Shufelt will exhibit both oil and watercolor paintings, drawings and prints of cowboys for Museum Day.

Also on display will be fine porcelain sculpture from the collection of Edward Marshall Boehm. Delicate renderings of birds, wildlife and flowers will be shown, along with an eighteen piece nativity scene. Edward Marshall Boehm began making porcelain in 1950, and has pieces in the collections of over 90 museum and public institutions including the White House, the Smithsonian Institution, and the Vatican in Rome. Boehm died in 1969, but his studio's apprentices continue this fine craft.

The day's program will begin at two o'clock at the Panhandle High School Auditorium with an address by Mesa Petroleum president T. Boone Pickens, Jr. Current

Chairman of the Board of Regents of West Texas State University, Pickens will speak on "Education: A Key to the Future." Also on the program is a concert by the Panhandle High School band and the honoring of area pioneer families. Master of Ceremonies will be Carson County Judge Jay Bob Roselius.

At four o'clock a public reception will be hosted by Mrs. J.B. Howe and the Carson County Federated

Clubs at the Carson County War Memorial Building.

Culminating the day's events will be the barbecue dinner at the Carson County Agricultural Building from 4:30-7 p.m.

The public is invited. All activities, except the barbecue which requires a \$7.50 minimum donation for adults and \$4.00 minimum donation for children, are free and open to the public.

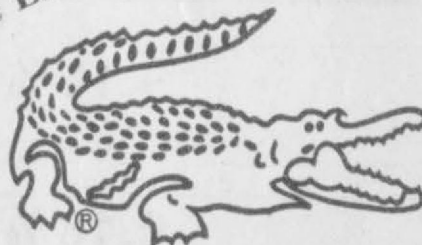

George Schmidt of the translation service of the United Nations can translate sixty-six languages and speaks thirty fluently.

The word "hussy" in the sixteenth century was perfectly respectable; it simply meant a housewife.

## Need buyer for old City Hall Sheriff's Department to crack down on teenage drinkers

Hansford County Sheriffs office has issued a warrant for the arrest of a 24-year old Wichita Falls area man.

The man is being sought on a charge of allegedly passing a check at a local grocery store with the name of a local citizen forged on it. According to Hansford County Sheriff R. L. McFarlin.

And the Sheriffs Department deputies also arrested two 27 year old men Tuesday stopping the vehicle they were in near the county line on the Gruver-Guymon hiway.

William Jeffrey Conrad of Alaska and Kerry Don Christian were arrested following a phone call to the Sheriffs office from a Gruver citizen who claimed their bicycle had been driven recklessly and at a high rate of speed down the Main street in Gruver.

Conrad was charged with excessive speeding and reckless driving and Christian with public intoxication. The two were returned to Gruver where Gruver Mayor J. C. Harris, acting magistrate, fined Conrad 75.00 and Christian 96.00. They paid their fines and were released, McFarlin said.

The Sheriff revealed four minors were picked up around midnight on Aug. 20 and charged with possession of alcoholic beverages. The four were released to the custody of their parents.

McFarlin said the problem of teenage abuse of alcoholic beverages is increasing countywide, and that his office plans to crack down on such offenders.

He said the problem of teenage abuse of alcoholic beverages is increasing.

He said that his staff has not been overly tolerant of teens in possession of alcohol in the past, but that there will "no longer be leniency."

"We have already stepped up arrests on alcoholic beverage violations, especially those by teen agers.

"We will pick up these juvenile alcohol possession offenders, notify their parents to pick them up, and release them to their parents, then notify the parents when they are to appear in juvenile court with them," McFarlin said.

GRUVER UNITED METHODIST CHURCH  
PRESENTS  
**family concern**

J. ALLAN PETERSEN

September 11, Sunday--  
10:50 a.m.-7:00 p.m.

September 12, 13, Monday,  
Tuesday--7:00 p.m. led by  
J. ALLAN PETERSEN

J. Allan Petersen is nationally known as a marriage and family life specialist. He is the founder/director of Family Concern which focuses on practical family improvement and instruction. In this position, he conceived and directed the Continental Congress on the Family which brought

together 2,500 leaders from sixty denominations and resulted in many new family strengthening ministries.

For over thirty years, Mr. Petersen has traveled extensively in every part of North America and in many countries abroad speaking to over 7,000 audiences in church and community crusades and seminars. This has included many military bases, stateside and overseas.

For five years he was a speaker on a national radio series aired daily on 500 stations in the United States, Canada and other countries. As a member of the National Speakers Association, he also speaks for the business community, conducting seminars for corporations, associations and conventions relating family and business priorities.

Allan Petersen is a recognized author whose best selling books include THE MAR-

RIAGE AFFAIR, FOR MEN ONLY, FOR WOMEN ONLY, FOR FAMILIES ONLY and CONQUERING FAMILY STRESS. His newest book THE MYTH OF THE GREENER GRASS was released in January 1983. There are several other group studies and booklets--some translated into eight different languages for world-wide use. He also edits, publishes and distributes each month 250,000 copies of HOMEMADE--a family information and enrichment hand-out for churches and families.

In recent years he was one of the founders of The Family Research Council of America which serves to bring to national public policy makers a more traditional perspective on the family from a reputable academic/professional perspective. He was invited by President Carter to serve on the National Task Force to provide final recommendations from the White House Conferences on the Family.

Allan and Evelyn Peterson have three grown sons and three grandsons and live in Wheaton, Illinois.

### Reserve seat tickets available

Reserved seats are now on sale at the school business office in Spearman. The season tickets prices will be the same as last year \$12.50. Those people who had tickets last year have had the past two weeks to pick up tickets for the same seats. As of this Monday, reserved seats become available on a first come, first served basis.

The first police force in America consisted of a "Rattle Watch" of eight men, established in the colony of New Amsterdam in 1658.

These young ladies get in some 'last minute summer' at Swimming Pool Park before school took up this week. They are Amber Lee

La Rochelle, 4, who will be going to pre-school, Alisha Lynn LaRochelle, 7, and Toni Snow, 7, both second graders.

## Tristate Twosomes Photography have luncheon displayed at fair

The Tristate Twosomes, Mother of Twins club will hold a luncheon in the Landmark Restaurant, 19 E. 3rd, Liberal, Kansas on Sept. 3, 1983 at 1:00. Plates will be \$5.00 per person.

There will be a fashion showing of childrens clothes given by the Cinderella Shop of Liberal.

The Luncheon will be by RSVP only. Contact Diane Weathers at 624-9366 before Aug. 27.

The next regular meeting will be Sept. 15 at 7:00 p.m. in the Reddy Room in Guymon, Okla. Guest speaker will be Debbie Mackie, a psychologist with the Kilgore Childrens Center in Amarillo, Tx.

For more information about the club or luncheon please call 316-624-9366.

The 1983 Amarillo Tri-State Fair, scheduled for September 3-10, will feature displays of photographs by some of the top professional photographers in the Texas and Oklahoma panhandle, according to Ray Wagner, superintendent of the show. "Better lighting and physical space will enhance the prospects for the best display ever in this fast-growing department of the fair", says Wagner. The Panhandle Photographers Association, which sanctions the show, is affiliated with the Professional Photographers of America and is one of the oldest in the state. For additional information about the Photography Show, contact Ray Wagner, 1921 S. Washington, Amarillo, Texas or call 806/374-5942.

## Hansford County Chapter organized

A meeting to organize the Hansford County Chapter of the American Heart Assoc. was held in the home of Mr. & Mrs. Lloyd Buzzard Thursday, August 16 at 7:30 p.m.

Area I Director, Betty Musick of Amarillo was present to explain the purpose and projects of the American Heart Association, and to answer any questions concerning local organization.

Officers elected for 1983-84 were: President: Lloyd Buzzard Pres. Elect: Aubrey Rasor Secretary: Patty Sheppard Treasurer: Doug Steger 1983-84 Board Members president & Lloyd Buzzard, Wynn & Dana Crenshaw, Teresa & Timmy Barkley, Melba & Aubrey Rasor, Janet & Kenneth Irwin, Patty Shep-

pard, Adalyn Barnes, Dr. David McClellan, Dr. Doug Steger, and Pat Dear. Also serving on the board for this year but unable to attend the meeting are Glen & Faye Harris, Mildred Hendergardt, Peggy Ferguson, Jean Dixon, Mike & Annie Babbs, and Dick Hudson.

Regular monthly meetings will be held on the second Monday of each month. The next meeting will be Monday, Sept. 12 at 7:30 p.m. in La Casita Room at the Gruver State Bank. Committees will be set up at this time.

The American Heart Association is cooperating in the YMCA sponsored blood pres-

sure screening clinic to be held at Thriftway, Saturday August 27.

## Reyes, Nollner TSTI graduates

Sara E. Reyes and Kyle Jason Nollner recently participated in graduation ceremonies at the Amarillo Civic Center Auditorium. The commencement exercises took place Sunday, August 14, 1983, with the Honorable Ben Bynum, Potter County Judge, as the guest speaker.

Sara received an Associate of Applied Arts Degree from

Commercial Art in Advertising. She is the daughter of Mr. and Mrs. Romeo Reyes of 1017 S. Townsend, Spearman. Kyle received an Associate of Applied Science Degree from Mechanical Electrical Technology. He is the son of Mr. and Mrs. Bobby Nollner of 722 E. Kenneth, Spearman. He is also a graduate of Spearman High School.

The man or woman who is too busy to take a vacation is in for a great surprise; when he, or she dies, the world will hardly miss them.

## Buchanan attends county affairs meet

AMARILLO--Representative J.W. "Buck" Buchanan, a member of the County Affairs Committee, attended the first interim meeting of the Committee in Amarillo on August 15, 1983.

Monday's Meeting was the first of five statewide meetings concerning county government.

Some of the topics discussed included: County ordinance-making authority, indigent care, and the recodification of county law.

Future meetings will be held in the Rio Grande Valley, East Texas, and the metropolitan area of Dallas.

Representative Buchanan serves as the Vice-Chairman for the Committee.
