International Sunday School Lesson

Paul In Caesarea
 Lesson XI—Dec. 14, 1933
 Setting Of The Lesson
 Time: Paul's Two Years in Prison.
 His Appeal to Nero.
 Place: Jerusalem and Caesarea.
 I. From Miletus To Jerusalem.
 (Acts 21: 17, 23: 30)

Last week's lesson closed with the touching farewell of Paul at Miletus to the elders of the Ephesian congregation. From there the apostle proceeded to Caesarea where he was entertained for some days in the house of Philip the evangelist. The Holy Spirit warned Paul at Tyre and Caesarea of his impending imprisonment. Strengthened by heavenly assurance, he proceeded to Jerusalem, the historic city of Palestine.

II. Paul's Imprisonment In Jerusalem

(Acts 21: 17, 23: 30)
 Paul's arrival at Jerusalem caused much rejoicing among the brethren. The day following the apostle went in unto James and the elders. Then followed a rehearsal of the mighty things accomplished among the Gentiles through Paul's ministry. It was a day of great rejoicing. The Christian Jews were filled with gratitude to know that the Gentile race was being rescued by the life-line of the gospel. No more should the uncircumcised be termed dogs. The great sacrifice, which had nailed the law to the cross, had broken down the middle wall of partition and had made of twain one new man, so making peace.

A suggestion, calculated to pacify the Jews who were still sticklers for the law, was advanced by James. So we find Paul purifying himself and entering into the temple. We should not regard Paul as returning to the bondage of the law, but simply to conciliate those Jews who had not yet attained the spiritual vision to see distinctly the difference between the law and the gospel. To the Jews Paul became as a Jew that he might gain them who were under the law. (1 Cor. 9:20) The apostle bore with the weakness of his brethren, for it took some time to lead the Jews into a definite understanding of the gospel dispensation. As precept was to be upon precept, and line upon line (Isa. 28: 10) we are not surprised at Paul's statement, "I know in part." (1 Cor. 13: 12), but when the New Testament was completed, to which nothing was to be added, and from which nothing was to be subtracted, (Rev. 22: 18, 19) truly that which was perfect had come (1 Cor. 13: 10), the perfect law of liberty became the mirror which reveals the soul face to face. (James 1: 23-25).

Before the seven days were quite accomplished, the Jews of Asia discovered Paul in the temple and immediately began an uproar and laid hands upon him with the accusation that he had brought Greeks into the holy place. The apostle was ousted from the temple and the doors were shut. The Jews intended to make an end of Paul and the city of Jerusalem was thrown into disorder by the seething mob. The arrival of soldiers prevented further beating of the apostle. He was then bound with two chains, and inquiry made about him and what he had done. Contradictory testimony prevented any decision; so he was moved to the castle where he asked permission to speak to the mob. The chief captain was surprised that his prisoner was not the Egyptian who had led a band of murderers into the wilderness. So with the permission of the guard the apostle beckoned to the people who thirsted for his blood, and tenderly and eloquently made his defence. His message reviewed his past life, training, persecution against God's people, his conversion and mission to the Gentiles.

Paul's message seemed to electrify the throng. With clothes rent and dust thrown into the air, they cried out for his blood. Paul was taken into the castle to be given the ordeal of scourging. But when it was learned that he was a Roman, his hands were loosed, and he was given opportunity the following day to make his defence before the Sanhedrin. Again Paul's plea failed to bring him favor. But the Lord stood by him the following night with the encouragement and instructions that the faithful ambassador must also bear witness of his Savior at Rome.

Paul's nephew made known a plot of murder to the chief captain. Some Jews had vowed to neither

eat nor drink till they had killed Paul. Therefore the apostle was escorted under heavy guard to Caesarea.

III. Paul's Imprisonment At Caesarea

(Acts 23: 31; 26: 32)
 Upon arriving at Caesarea, Paul was taken to Herod's palace. After five days he was given trial before Felix. Smooth and enticing accusation flowed from the tongue of a certain orator, Tertullus. Three charges were laid against Paul: (1) Insurrection; (2) A Ringleader of the sect of the Nazarenes; (3) An attempt to profane the temple.

Paul challenged proof for the false charges made against him. He denied stirring up an insurrection against the emperor, and was still of Christ only in sectarian terms. Many moderns, thought of the body at Jerusalem. The orator, like gleaming for unity among Christians. Surely the term, "sect of the Nazarenes" was a phrase of Tertullus' own coining. Paul had not profaned the temple, so all the charges fell flat.

A few days later, Paul had the opportunity to preach a remarkable sermon to Felix and Drusilla on "righteousness, temperance, and judgement to come", which caused the base-hearted ruler to tremble. But as Paul paid him no bribe for freedom, he showed the Jews a measure by leaving him bound.

Perhaps the most eloquent and touching of all the defenses made by Paul was presented before King Agrippa who came to Caesarea to visit Festus. As before, the apostle reviewed his past life but laid special stress upon the teaching of the prophets. When he reached the climax of his plea, he asked Agrippa if he believed the prophets. Something assured Paul that such was true. Then came the words from the king which will always carry joy, yet disappointment—"Almost thou persuadest me to be a Christian." (Acts 26: 28)

We take leave of the apostle now in Caesarea to find him next week in the "eternal city", Rome—where, in accordance with his appeal, he will be tried before Nero.

McMILLEN NOTES

Earl Waide, Reporter

There were sixty-five members at Sunday School last Sunday, and seventy-three the week before. We are not the only one who knows that Christmas is near. Rev. Sibbey was unable to be with us last Sunday, but we are hoping this is the last time he will fail to fill his appointment, as he has missed several lately.

Mrs. Charlie Trew and Mrs. Thurman True and son, visited in the J. L. Bryan home Thursday.

Mr. and Mrs. Oscar Flowers were Sunday guests in the Clem Flowers home.

Mr. and Mrs. S. F. Waide spent Thanksgiving day with Mr. and Mrs. Alec Wilson.

Mr. and Mrs. H. B. Urban entertained the True Blue Sunday School Class with a party Friday evening.

There were twenty-five guests present and everyone seemed to enjoy the games and stunts that were played. Mr. Urban insisted that the host should not be made the goat in every game that was played but it looked to us like he got the best of the deal each time. After the games were over cake and cocoa was served and some hungry boys figured that there were only eight cakes there which would only give a third of cake to each one. But we managed to get by on that amount. The True Blue Class certainly thank Mr. and Mrs. Urban for their hospitality.

Mrs. Beulah Stark, Miss Augusta Mae Stark and "Tip Top" Collingsworth were guests in the Gilman Flowers home Sunday.

Mr. and Mrs. W. E. Dear visited with Mr. and Mrs. Arthur Swink Sunday.

Mrs. Ruth Zook, Larned, Kans., visited with her sister, Mrs. Earl Waide for a few days last week.

Mr. and Mrs. James Hardy and family are visiting with friends and relatives in Kansas this week.

The Lion's Club from Perryton will present a program at McMillen Friday evening at seven-thirty. Lunch will be served at seven, and every one bringing food is requested to be there by six-thirty, in order to be prepared by the time the visitors arrive. It has been decided that everyone in the community should bring lunch and everyone present will be served. We haven't had a basket dinner for some time, and we will have a basket supper instead. Everyone come and help with this supper instead. Everyone come and help with this supper and enjoy the program furnished by the Lion's Club.

Mr. and Mrs. Harmon Swink and children visited in the Wm. Newingham home Friday.

Mr. and Mrs. Calep Howard and family made a trip to Borger Sunday.

Gus Bryan visited in the J. L. Bryan home Friday.

Griffin Swink came in last week from Mineral Wells to look after business interests here and to spend Thanksgiving with home folks.

The regular P-T-A program which was to have been given Friday, December 8, has been postponed on account of the Lion's Club program to be given that night. Announcement will be made later concerning the date of the next meeting.

A large crowd enjoyed the meeting of the Christian Endeavor Society Sunday night, and a very good program was presented under the leadership of Arthur Swink. Jake Jantz will have charge of the program next week and an interesting evening's entertainment is assured all who come.

Sunday School will be at eleven o'clock next Sunday. Every one is cordially invited to join us.

KEEP YOUR DOLLARS IN YOUR OWN COMMUNITY BUY AT HOME!

We've Got ANOTHER Job To Do! Let's Start The Ball To Rolling!

Yes—and it's a big job too—this job of coming out of the depression. For several years we have been told that prosperity was just around the corner but it took "The New Deal" administration to show us the right corner. Now we have it in sight . . . and it's in the form of wheat allotment checks.

For several months the industrial centers of the east have been feeling the force of re-employment when the NRA sent several million men back to work. The southern states have already received their cotton allotment checks and business is again approaching normal. Here in the Southwest we are expecting our wheat allotment checks within the next few days.

Where is all this money coming from? It's coming out of the pockets of the money barons of the east. The government found out that we couldn't start the prosperity ball to rolling without cash . . . and if a few men in the eastern states controlled the wealth of the nation, it was time that it was redistributed. And Uncle Sam is getting that job done!

Now that we've finally gotten a "break" let's make the most of it. It's not going to help much if we get it one day and send it back east the next day. Let's keep that money at home . . . here in our own community! Uncle Sam

wants you to spend it but he also urges you to spend it with your own home town merchant, to buy the things that you need. He warns you that you will be overwhelmed with schemes from the money lords and big industrial centers of the east who are trying to get this money back into their control.

But there's more to this job than just keeping your money at home. From an actual value standpoint, you can get more for it. When you buy merchandise right over the counter you don't have to take someone else's word for it—you can see what you are buying. And quality considered, you'll find the price is no higher . . . and in many cases, the delivered price is quite a little less.

This is our job . . . to start the prosperity ball to rolling, right here at home. We can't do it by sending our money out of the country. The industrial east will look after itself, as it has always done. It's not concerned with us, except when we have some money to spend. The Wall Street promoters don't pay our taxes, keep the schools running, or contribute to our churches. That's something they leave for us. So let's do the whole job. A little cooperation will start it rolling. Let's go!

RANGERS TAKE FINAL TUSLE

COME FROM BEHIND TO WIN
TURKEY DAY CLASSIC
FROM STRATFORD
12 TO 6

Perryton Rangers came from behind to win in the Turkey Day football classic that closed the grid season for the locals, taking a 12 to 6 decision from the visiting eleven. Outplayed in every branch of the game except punting, the locals fought gallantly to defend their goal and on five occasions held their opponents for downs, after the lads from Stratford had pushed over for a counter in the first minute of the second period. The Rangers tallied a few minutes later when Collingsworth snagged a long pass from Butler from the 32 yard line. The final touchdown came in the closing quarter when Hobbs intercepted a Stratford pass on his own 48 yard line and raced 52 yards to the goal line through a wide open field. All attempts to convert failed.

Outplay The Rangers
During the game Stratford accounted for 17 first downs while the Rangers were making 6, the visitors running 78 offensive plays with a total yardage gain of 329 yards from these plays. The Rangers made 37 offensive attempts gaining 175 yards.

The session opened with the Rangers kicking off, Stratford returning from the 20 to the 29. Two running plays netted 9 yards and a pass accounting for 20 yards and a first down. A long end run gained 15 yards and a first down. Four more attempts carried the ball to the 18 yard line where the visitors were held for downs. The Rangers punted out and held Stratford for downs on their fourth attempt on the Ranger 43 yard line. The Rangers were forced to punt, the oval going over the goal line. Taking the ball on the 20 Stratford passed and circled end and dipped through the line to the 16 yard stripe where they earned their fifth consecutive first down as the quarter closed.

Resuming play, Stratford made a first down on the Ranger 1 yard line, Plunk carrying the ball over on the next play for the lone Stratford counter. The kick from placement failed.

Open Passing Game
The Rangers accepted the kickoff and returned from the 9 to the 34. A 5 yard off-side penalty on Stratford and a 22 yard gain on a pass, Butler to Copeland earned a first down. Three yards through the line and another pass from the same combination for 13 yards gave a second first down. Four more plays found the Rangers on the 17 yard stripe, held for downs. Stratford punts, Butler receiving on the 50 and returning to the 42. Butler raced around end for nearly 10 yards to the 32 yard line, then hurried a long pass to Collingsworth who raced over for the first Ranger counter. A line plunge by Pletcher failed.

The Rangers kicked off, Stratford returning from the 22 to the Ranger 30. They gained 8 yards in four attempts and were held for downs. Butler smashed through for 8 yards but his pass on the next play was intercepted, Stratford returning to the 25. 10 yard gain around end gave them another first down on the 15 yard tape. They gained 3 yards through the line but took a 5 yard offside penalty on the next play. Tucker broke through to throw the runner for a 4 yard loss and Stratford was given a 15 yard penalty for using hands on offense. Two passes were incomplete and a 5 yard penalty assessed and the ball given to the Rangers on the 41. Pletcher plunged for 15 yards and again for 4. A pass is incomplete and the Rangers punt over the goal. Stratford runs one play that gained slightly as the half ended.

Stop Offensive Drive
The Rangers kickoff to resume play, Stratford returning from the 14 to the 35. They lose 6 yards on the first play and punt outside on their own 49. Pletcher makes two plunges for 7 yards and Hobbs punts outside on the 7 yard marker. Stratford started another offensive drive of four consecutive first downs, but were held on the fifth series of plays on the Ranger 22 yard line. Pletcher got into his stride and smashed the ball through to the 50 for 2 first downs but fumbles, Stratford recovering. Two plays took the oval to the 45 as the quarter closed.

Hobbs Intercepts Pass
A long Stratford pass was good and advanced the ball to the Ranger 9 yard line. Four plays later it was on the same line and the Rangers got the pigskin. The Rangers punt and on the fourth down, Stratford returns the kick. The Rangers gained on the exchange but were forced to punt on the final down, Stratford receiving and returning 9 yards to their 36. A 10 yard pass is good for a first down. Another pass is intercepted by Hobbs, standing on his own 48 yard line, and without a single man between him and the goal, he races across for the second Ranger counter. Allen's kick from placement failed.

Threaten At Close
The Rangers kicked off, Stratford

receiving on the 17 and returning to the 48. Two plays gain slightly and a pass is incomplete. In a final effort to score, they hurl another long pass which Hobbs again intercepts on his 31 yard marker where he is downed. A play loses slightly for the Rangers and Tandy fumbles on the next play, Stratford recovering on the 32.

Three plays fail to gain and then a pass is completed for 13 yards and a first down. A pass is incomplete, an end run good for 4 yards and a pass is taken for 6 yards and a first down on the Ranger 8 yard line as the game ends.

The starting line-up for the game follows:

Roy Beaver Buried

Died Friday at Vernon, Texas From Injuries Received in Motor Bus Wreck Nov. 24

Roy Beaver, who was injured on November 24 in a bus wreck near Vernon, Texas, died early last Friday morning in a hospital at Vernon. Everything that medical skill and loving care could think of was done for this young man, but it was to no avail. He suffered a broken back and other injuries. At first, it was thought that on account of his splendid natural physical condition, he would be able to overcome the serious injuries which he received.

Roy Lawrence Beaver was a son of Mr. and Mrs. J. C. Beaver of this city. He was born March 7, 1904 at Coulterville, Illinois. When just a small boy his parents came to Ochiltree county. In 1914 he was converted and became a member of the Presbyterian Church, transferring his membership to the Methodist Church, when he moved to Perryton.

He was a graduate of the Perryton High School, where he was a star athlete as well as an outstanding student in scholastic and other school activities. After high school graduation, he attended college at Canyon. After his school days, he was engaged in the real estate business for several years, and for the past few years, devoted all his time to wheat farming. At the time of death he was 29 years, 7 months and 23 days of age.

Close surviving relatives in addition to the mother and father, are two sisters, Mrs. John Black and Mrs. J. W. Isley, both of Perryton; one brother, Ed Beaver, Tacoma, Washington; a niece, Mrs. Keith McLain; and a nephew, J. W. Isley, Jr.

Services were conducted at the First Baptist Church Monday afternoon, Rev. W. B. Hicks, pastor of the First Methodist Church, officiating, with Rev. J. M. Sibley of the Baptist Church assisting.

The pall bearers were classmates of high school days. They were Ray Christopher, Roy Christopher, Glenn Ragan, Oris Bruner, Virby Conley, Roger Pearson, Horace Glasgow and Leroy Hartman.

Flower girls were Mrs. Glenn Ragan, Mrs. Ray Christopher, Mrs. Geo. Swingle, Miss Bessie Littleton, Miss Mona Caldwell, and Miss Odessa Trolinger.

Special song service was rendered by a male quartette composed of Addison Cutler, C. W. Claybaugh, Jas. E. Barbour and J. Malvin Jackson, accompanied by Mrs. Clarence Neufeld at the piano.

The profuse and beautiful array of floral offerings, the immense throng that attended the burial service and followed the remains to the final resting place in the Ochiltree cemetery was a fitting tribute to the high esteem in which this young man was held by his neighbors and many friends.

Mr. and Mrs. H. C. Sanford and Mr. and Mrs. W. B. Irvin returned Friday evening from a two day stay at Oklahoma City and Norman, Okla. Herbert Sanford is a student at Oklahoma University.

L. B. Ranson and Arch Talley left Thursday morning on a business trip to Dallas.

Miss Kathryn Orr was home from West Texas State Teachers college to spend the Thanksgiving holidays with home folks.

Mrs. Josephine Ballinger and Miss Margaret Cooper of the Lubbock school faculty and their sister, Mrs. New Redman of Tulsa were in Perryton to spend Thanksgiving with their sister, Mrs. T. M. Osborne, their brother, G. M. Cooper and families and with Dick Ballinger. They together with Mr. and Mrs. H. C. Graham enjoyed a bountiful turkey dinner at six o'clock Thanksgiving evening in the G. M. Cooper home.

Mrs. Robert Snodgrass came in Friday from Borger and visited until Monday in the home of her parents, Mr. and Mrs. J. M. Wells, Miss Ina Wells, who has been visiting with her sister, returned to Perryton.

Mr. and Mrs. Marvin Phelps, who live west of town, are happy over the arrival of a daughter on Sunday morning, December 3. The little lady has been named Valeta.

George Nies and Clyde Cofer visited with relatives in Pampa from Wednesday until Sunday.

Mr. and Mrs. Glenn McGibbon and daughter, Marianna, enjoyed the day Sunday visiting with her parents, Mr. and Mrs. Geo. Goode, north of Booker.

PARENT-TEACHERS

The Perryton Parent-Teachers association met in the high school auditorium Monday evening, November 27, with a large crowd present.

Superintendent A. H. Word, Spearman, in his talk on "School Activities" said, "Reading, writing and arithmetic are alright as far as they go but they are not enough. Boys and girls of today, do not have chores to do, wood to carry in, kindling to chop, and they must have some way or outlet for stored up energy. This justifies the 'fads and frills' such as football and other athletics activities. If the student body is busy, discipline is not difficult. It is folly to sacrifice the things music stands for."

Mrs. H. C. Sanford in her talk "Home Influences" brought some very interesting thoughts, among the main ones were these: "The morale of families is terribly shaken during this depression. Parents must interpret life to the child, therefore, it is a new and greater task which confronts education. We can remake the school to a far more efficient social basis and so help create a new citizenship. New education is trying to develop scientific attitudes, with tolerance and open minded interest on both sides of the question, and to help children make decisions based on well weighed facts and sound logic rather than on emotional prejudice."

The clown play presented by the pupils of Miss Sloan's room was greatly enjoyed. The fifth won the picture with thirty-three present to vote for them.

Mrs. O. A. Bush, Mrs. P. E. Gidley and Mrs. Carl Ellis were elected delegates to attend the county council.

MRS. JOHN J. ANDERSON

Mrs. Ruth Anderson, wife of John J. Anderson, passed away at her home in this city Sunday, December 3, at the age of 36 years, 2 months and 17 days. The deceased was a daughter of Mr. and Mrs. Arthur P. Bond, and was born at Hartsville, Georgia on September 16, 1897.

At the age of six years, she moved, with her family to Oklahoma, where she spent the happy days of childhood. On May 17, 1915, she was married to John J. Anderson at Liberal, Kansas. Seven children were born to this union, one of whom died in infancy.

Most of her married life was spent in the Panhandle of Oklahoma. In May of 1931, the Anderson family became residents of Perryton.

She leaves to mourn her loss: the husband and six children: John Willard, Ruby Mildred, Kenneth Lee, Dessie Lorene, Wilma Joe and Imogene. Other close surviving relatives are the father, Arthur P. Bond; three sisters, Mrs. M. L. Niece, Canoga Park, Calif.; Mrs. J. W. Gravelle, San Bernardino, Calif.; Mrs. B. B. Vickers, Avondale, Ariz.; also one brother, A. F. Bond, Granada, Colo.

Funeral services were held at the Full Gospel Tabernacle, Monday morning at ten o'clock, after which the remains were laid to rest in the Gray cemetery. Rev. Robert Girouard was in charge of the services.

Carter Pens at the Herald office

... crammed full
of Christmas suggestions
and BARGAINS

This is a big relief to me!

---Says Santa

And it'll be a big relief to everyone that gets a copy of the big Christmas Edition of the Herald and Christmas Festival Booster—and everyone within a radius of forty miles of Perryton will get one, with the joint circulation which will be mailed direct into the homes of 7,000 families.

This edition which will be mailed next week will contain the Christmas shopping news of every Perryton merchant, combined with the scores of special bargains being offered on Christmas Festival Day, Saturday, December 16. And everyone is coming to Perryton on this day—even old Santa himself.

The wise merchant is taking advantage of this special Christmas edition to send his message into the homes of every possible shopper in this great area, and is making an advertising appeal that will get results. It takes advertising of this nature to get people to town. Of course a handbill or circular distributed on the streets after they are in town may get some results, if the busy Christmas shopper has time to read it before they leave town, but it takes a cooperative, city-wide, advertising program such as this Festival Edition, to induce the buyers to come to Perryton.

That is the reason the Merchants Division of the Perryton Chamber of Commerce is endorsing and urging every Perryton business man to advertise liberally in this combined publication.

GRIDSTERS TO GET SWEATERS

SIXTEEN RANGERS GET LETTERS THIS SEASON;
SIX ELIGIBLE NEXT YEAR

A 12-6 Thanksgiving Day victory over the Stratford Elks on Ranger Field ended Perryton High School's football year of ten games. The Friday before Thanksgiving Perryton downed the Liberal Redskins at Liberal 13-0 making a record of seven wins, two losses and one tie this year.

In the last two seasons the Rangers have won eighteen tilts lost three and tied one. Twelve victories on Ranger Field during this period maintained the local record of no defeats. Two of the three defeats were to district champions, Spearman last season and the Dumas Demons this year and both were lost by a margin of only six points. The other game lost went to the Shattuck Indians this year 13-0 in a night game at Shattuck.

Coach Clifford Keith started this season with only two lettermen and whipped into shape a sectional champion team with green material. In each of the two years he has been here his teams have waded through a tough ten-game schedule.

Sixteen Men Letter

Sixteen Rangers were included on the list made public of the lettermen of this year's Rangers squad. They were: Enzlow Copeland and Captain Johnnie Ferguson who also lettered last year, R. T. Correll, Tip-Top Collingsworth, Ernest Ferguson, Roy Symons, Raymond Bennett, Guy Allen, Archie Jeffery, Roy Sanford, Philo Butler, Vincent Hobbs, Eugene Tucker, Billy Pletcher, and Shirley Horan.

Lowell Osborne will receive a special merit sweater for his helpful participation in the fall training camps.

Lloyd Holland, Alvis Morris, and James Tandy lacked only a little of lettering and are mentioned for their work.

Of the above group R. T. Correll, Ernest Ferguson, Philo Butler, Eugene Tucker, Billy Pletcher and Alvis Morris are eligible for competition here next year. Everything considered the season has been an outstanding success and Coach Keith deserves hearty congratulation for developing this winning team from green material.

Public Speaking Program

Splendid Entertainment Given By Class Recently Was Enjoyed By Everyone

The members of the public speaking class of Perryton High school recently presented a unique and very entertaining program before a large audience in the local school auditorium. The program consisted of seven numbers using the entire public speaking class. They were as follows:

"The Bachelor's Reverie"
"The Difference In Children", a reading by Pauline LaMaster.
"The Prairie Romance", a satire on the western movie.
"A Word Apiece", one word play.
"Pyramus and Thisbe", historical play.

"Out Talking The Talkies".
"Behind the Scenes", a one act play showing the cast of a drama in a radio studio as they may very possibly look.

Mrs. Boyle and the members of the public speaking class received hearty congratulations for this program as it was one of the most varied entertainments ever presented in the local school and the entire audience pronounced it a great success.

One number of the program, "The Prairie Romance" is to be presented again week from Thursday, December 14, at the community educational program on that date.

Class Selects Rings

Seniors Purchase Class Rings From Local Jeweler During Past Week

The members of the Senior class of 1933-34 recently chose the official ring of this year's graduating class.

The selection was made from four different kinds of rings submitted by the various jewelers of the city, the Senior's choice being a ring purchased through Mr. Dunlavy's shop.

It is a very pretty ring both in the one for the boys and that for the girls. The cost of the girls' rings will be \$6.50 each; the cost of the boys' ring will be \$7.50. An order was sent last Thursday and another Monday. Quite a number of the Seniors are purchasing these rings which should prove quite satisfactory.

Other important Senior business was also discussed. Ways and means of raising funds for the class were probably the major topics other than the selection of the class ring. Although several good plans were suggested none of them was definitely accepted.

To Present Cantata

Perryton Mixed Chorus To Give Program And Cantata On Tuesday, December 19

The Perryton mixed chorus is now engaged in the preparation of a varied musical program to be given December 19. The chorus has prepared several popular songs and other numbers in addition to a Christmas cantata. There will be an orchestra accompaniment for most of these numbers.

The cantata is a musical number reciting in song the birth of Christ on that Christmas day so long ago. Scenery for the background and costumes are now being prepared. The cantata will also contain several characters who have speaking parts.

RANGERS TAKE THURSDAY TILT

WIN FROM STRATFORD BY 12 TO 6 COUNT IN TURKEY DAY CLOSING GAME

The Perryton Rangers closed their gridiron season on Ranger Field Thanksgiving Day with a 12-6 victory over the Stratford High School Elks. This was their sixth Ranger Field win and the eighth win of the season.

Stratford scored first and the Rangers later tied the score at 6-6, all the decisive break coming when Hobbs, speedy Ranger half back intercepted an Elk pass on his own 48-yard stripe and raced 52 yards for the winning six points.

The Elks flashed with their shifty passing attack but succumbed to the first really effective aerial venture this season by the Rangers. Butler tossed to Copeland and Collingsworth accounting for a large part of the yardage gained.

Elsewhere in the Herald may be found a complete account and summary of the games with the starting lineups.

CAGE TOURNEY IS ANNOUNCED

INVITATION MEET TO BE HELD HERE DECEMBER 15-16; RANGERS TO HAVE GREEN TEAM

With only one veteran from last year's squad, Coach Keith, Tuesday started basketball workouts in preparation for the annual Perryton Invitation Tournament. Only six days will be had to work out a team to enter in the meet, while other contenders, having no grid team will put veteran teams on the floor. The tournament dates are December 15-16.

Around the one veteran guard, Enzlow Copeland, who lettered last year Keith must make a winner out of green material, although a few other experienced cases have showed up for practice. Among these Carl Delano formerly of Balke, Nathan Newman, and Billy Pletcher of Lone Tree are prominent.

For visiting teams here for the Basketball Tournament, several rooms will be necessary on the night of December 15. Any persons able to accommodate one or more of these visitors should get in touch with Supt. W. B. Irvin at once. The courtesy on the part of patrons will be appreciated tremendously.

The probability of a game with Booker Tuesday night was announced by Coach Keith. The Rangerettes under Coach E. D. Kelley are showing some promise and will be seen in action here during the tournament, the addition of last year's captain, Inez Packard, who has not been attending school here this year until last week to the squad being one of the most important developments recently.

A real brand of sport entertainment is promised to Perryton fans in attendance of this year's tourney. Among the teams that have already accepted the invitation sent out are the Conlen boys and girls teams. The Conlen girls were runners-up in district competition last season and both teams have always offered stiff opposition.

This Year.... Spread Christmas Cheer with LIGHT

Gay, twinkling, colored lights add a joyous note to the festive Holiday scene. Brightly lighted wreaths in the windows and strings of colored lights in the evergreen shrubs make a home fairly radiate Christmas cheer and hospitality. The cost is small, too. Christmas lights may be obtained for as little as \$1.00 per string and lighted wreaths, candles, and stars are equally reasonable in price. See your dealer or any employee of this company. We'll be glad to help you with Christmas lighting suggestions.

Frank Caradine Dead

Paralysis Causes Death of Prominent Citizen; Remains To Childress for Burial

R. Frank Caradine passed away at his home in this city on Saturday, December 2, after many days of suffering from paralysis. The deceased had his second major stroke about ten days previous to his death. A short funeral service was held here Sunday afternoon at the First Christian Church with Rev. C. M. Jackson officiating and Rev. J. M. Sibley, First Baptist pastor assisting.

Active pall bearers were Sam Hergert, B. B. Kent, J. L. Couger, S. P. Whippo, W. F. Maxwell and Dave Calhoun. Honorary pall bearers included J. W. Buckley, Stanley Key, J. W. Richardson, C. F. Jones, C. W. Callaway, W. M. Boston, J. L. Dodson and Dr. E. R. Jarvis.

The remains were taken by motor in a Wilson Funeral Co. coach to Childress, where services were held Monday at the First Christian Church of Childress, after which the remains were laid to rest in the family burial plot in the Childress cemetery.

R. Frank Caradine was born near Weatherford, Parker county, Texas, on September 3, 1874. He was united in marriage to Miss Hattie Harrison at Santa Anna, Coleman county, Texas. To this union was born one child, Seldon, who with his mother, survive.

For ten years prior to moving to Ochiltree, the deceased lived at Childress. In the seventeen years that Mr. Caradine has been a resident of this county, he had made a host of friends. In the early days of Perryton, he served a term as Chief of Police. For the past few years, he has been interested chiefly in wheat raising.

POLITICAL POT STARTING TO GET UP STEAM

With a general election year almost here, the political pot in Texas is getting up steam and within a few weeks, we will be in the midst of another campaign of lambasting and bombarding. In the state race, most of the interest center around the governor's office. Ma Ferguson has announced that she will not run again. She may not stick to this declaration.

Jim Ferguson would like to run for the United States Senate. His impeachment while serving as Governor of Texas bars him from holding any office in the State of Texas, yet he is eligible for the United States Senate. Would be a "fine out" for Texas to send a man to the United States Senate, who by reason of past misdeeds, cannot even serve as a Justice of Peace in his own state. Young Joe Bailey has announced for the Senate. He will give Tom Canally a run for his money and we are making the prediction right now that Bailey will be elected.

Clint Small is one of the dozen or more that have their eyes on the Governor's place. From present indications there will be plenty of candidates.

In our district offices, we have not heard of a single declaration. In the county, we look for several announcements within the next few weeks. Dave Shanks, at present Mayor of this city, has been solicited by many to make the race for County Judge. The Mayor told us today that in case Judge Flowers did not run for re-election, he expected to become a candidate for this office.
