

Terry Gains Wildcat Operation By Durham

Lynn D. Durham is to start drilling immediately at his No. 1 M. B. Snyder, contracted 5,500-foot wildcat to test the San Andres of the Permian in Central Terry County, five miles south of Brownfield. The well will be 1,980 feet from west and 860 feet from south lines of section 123, block T, D&WRR survey. Rotary tools will be used.

Fullerton Plugs Back To Finish Discovery

Fullerton Oil Company No. 1-D Kone, deep wildcat four miles east of the Santa Rosa gas-distillate field in North Pecos County, has plugged back to 8,150 feet in the Ellenburger and will complete as a discovery from that formation. The prospecter drilled to a total depth of 8,210 feet and had no shows between 8,166 feet and 8,210 feet. Only sulphur water developed at that section. A string of 5 1/2 inch casing has been cemented at 7,971 feet. Operator will complete from open hole section between 7,971 feet and 8,150 feet. That zone has shown on a series of drillstem tests that it will make a good flowing oil and gas well. The prospect is 680 feet from southwest and southeast lines of the east quarter of section 38, block 3, H&TC survey, and ten miles south of Grandfalls.

Production Test Due At Gaines Prospect

Cabot Carbon Company, et al, No. 2 Bice, Northeast Gaines County wildcat, between the Cedar Lake and the Welch fields, was bottomed at 4,955 feet in the San Andres-Permian lime, and is to start production tests before the end of the week. This exploration, located 680 feet from south and east lines of section 2, block C-31, pal survey, logged good porosity and some oil stains in cores between 4,904 feet and 4,954 feet. No formation water was encountered in that zone. A string of 5 1/2 inch casing has been cemented at 4,925 feet, with 100 sacks. The plug will be drilled and testing started Friday. An idea of the petroleum yielding ability of the development should be available in a few days.

Amerada Is To Drill SE Borden Wildcat

Amerada Petroleum Corporation is to start drilling at once on its No. 1 N. C. Von Roeder, contracted 7,000-foot wildcat in Southeast Borden County to explore the Canyon reef lime. It is two miles southeast of Amerada's No. 1 Canning and about eight miles southwest of the nearest production in the Sharon Ridge Canyon field of Southwest Scurry County. The well will be at the center of the southeast quarter of the southwest quarter of section 103, block 25, H&TC survey. Amerada No. 1 Canning is now drilling past 7,956 feet in lime and has had no shows of production up to now. It developed water in the Canyon lime.

Runnels Exploration Scheduled By Saxton

Saxon Exploration Company of Abilene has staked location for its No. 1 Trimmer, a 4,800-foot rotary wildcat in Central-Southwest Runnels County, two miles southwest of Ballinger. Drilling is to get under way in the near future on this project, located 980 feet from southeast and southwest lines of the 85-acre lease in the C. D. Fromme survey 421.

Youngblood & Foree Set Scurry Project

Youngblood & Foree of Dallas, have filed an application with the Railroad Commission of Texas requesting a permit to drill their No. 1 Edwin S. Wilkinson as a 6,800-foot exploration to test the Canyon reef lime on the southwest side of the North Snyder field in North-Central Scurry County. It is to be an outlet to production from the Canyon reef in the field, and 960 feet from south and east lines of lot 19, section 40, Kirkland & Fields survey.

C-N Upton Venture Flows To Clean Out

Republic Natural Gas Company No. 1 Powell, Central-North Upton County wildcat, two miles southeast of the discovery well of the Pegasus field, was flowing to clean out and test from the Ellenburger section between 12,900-13,019 feet. That interval had been treated with 2,000 gallons and with 10,000 gallons of acid. In the latest four hour period of flowing reported the well made 17.55 barrels of oil. It was cut with a small amount of basic sediment and acid water. Informed observers think the pay section is still filled with a considerable amount of drilling fluid. These persons feel that when the mud is all cleaned out the well might show an increase in production. After the Ellenburger zone is completed it is expected that the Silurian section will be tested. Hopes For Steel Peace Brighten

Churchill Demands Ouster Of Attlee's Labor Government

LONDON—(P)—Winston Churchill called on Parliament Wednesday to kick out Prime Minister Attlee's Labor government and make way for another which he said could set the British pound free to find its own level in world markets.

The Conservative leader, in a slashing attack, denounced the Labor government for having brought Britain "to the verge of national and international bankruptcy."

His address opened the Conservative attack in the three-day debate in Parliament on Britain's devaluation policy. Churchill said even if the Labor government was forced to devalue the pound from \$4.03 to \$2.80, "it cannot be a good thing and we have suffered a serious disaster." Under the present strict controls, the Conservative leader declared, it will prove a "new drain upon our latent strength and remaining motive power."

Churchill said Britain must:

1. Cut taxes to increase the incentive to work, especially among wage earners direct.
2. Ease up on "needless and vexatious controls and interference with the flexibility of private enterprise."
3. Elect a government which could command national and international confidence.

Churchill made only passing reference to the news that Russia has achieved an atomic explosion. He dealt chiefly with Britain's economic woes, which he said brought the country to a predicament both "serious and strange."

Yugoslavia Slaps Back At Hungary

BELGRADE, YUGOSLAVIA—(P)—Yugoslavia slapped back at a one-time Communist partner Tuesday night by ordering nine Hungarian diplomats to get out of the country.

The action, widening the Iron Curtain rift between Premier Marshal Tito and the Russia bloc, followed by 24 hours Hungary's action in giving walking papers to 10 Yugoslav Legation officials in Budapest.

Tanjung, the official Yugoslav news agency, said Hungary obviously intended to "bring about severance of diplomatic relations between Yugoslavia and Hungary."

Meanwhile Marshal Tito, in an address, accused Russia and her Cominform (Communist International Information Bureau) satellites of "trailing their arms" along the Yugoslav border. The Cominform countries, said Tito, are digging trenches in Hungary and Romania.

Just before Tito's speech, Yugoslavia's Foreign Minister Edvard Kardelj told the United Nations Assembly in New York that Russia is using all sorts of pressure—from economic blockade to armed demonstrations—to further "imperialistic aims against his country."

There was no immediate announcement of just which members of the Hungarian Legation were ordered out of Yugoslavia. But Hungary earlier had decreed the departure of everyone connected with the Yugoslav Legation except the minister, Drago Jovanovic, and he is not in Hungary at present.

Defunct Rattlesnake Proves Anything But Gentlemanly, Postmaster Declares

It always has been the belief of N. G. Oates that any "gentlemanly" rattlesnake gives the customary warning when approached. This is not always the case, he found Wednesday morning, although it developed the snake was dead.

It seems the whole incident started when Roy Jones found a package on the Rankin Highway. He determined it must have been intended for the post office because an address and a return address were inscribed on the parcel.

Imagining himself delivering a valuable bit of intended mail, Jones brought the package to the Midland Post Office and relinquished it to the proper authorities.

When the matter was brought to the attention of Oates, he determined to open the package after detecting a peculiar odor coming from the interior.

When the occupant of the package was revealed to Oates' astounded eyes the effect was anything but quieting. You see, the postmaster hadn't been informed of the demise of the diamond back and it looked very much alive.

Examination disclosed the intruder to be past the postmaster's wrath so he was dispatched to the city dump.

The package was consigned to Mr. and Mrs. Ezra McCloud of Snowbird, Va. The return address designated Jake Pond of El Paso as the sender.

Post office officials still are wondering if the package really was intended for mailing. They feel the McClouds won't suffer too greatly from the loss of their intended "pet."

At left of General Moore is John Robert Thomas Rives, 74, commander-in-chief of the Sons of Confederate Veterans. Beside General Moore is Col. R. D. Strickler, USMC.

City Council Orders Investigation Of Dog Shooting Here

A thorough investigation of the shooting of dogs within the city limits was ordered by the City Council at its meeting Tuesday night after representatives of the Midland Chapter of the Society for the Prevention of Cruelty to Animals had requested that steps be taken immediately to curb the promiscuous shooting of animals here.

Eight men and women representatives of the SPCA attended the session.

Specific instances of shootings were cited and names of suspected dog shooters were mentioned. It was reported that one complaint had been filed recently, but that no action was taken. The representatives pointed out the danger of killing or injuring children or adults by the firing of guns within the city limits. An ordinance prohibits the shooting of firearms within the city.

Midland Tax Valuations Near \$23,000,000 Mark

The city tax roll for 1949, listing valuations totaling \$22,924,865, an increase of \$3,888,840 over last year, was approved by members of the City Council at their regular meeting Tuesday night. The 1948 total was \$19,036,025. The 1949 tax rate is \$1.75 per \$100 valuation as compared to \$1.80 last year.

90 New Cases Of Polio Bring Texas Total Up To 1,891

AUSTIN—(P)—Ninety new cases of polio were added to the state's total during last week—but all did not develop during that one week.

The State Health Department reported Wednesday that 72 of the cases developed during the week ended September 24 and 18 cases were reported later for the previous week.

The adjusted report raised the week's total to 70 for the earlier week, previously reported at 52. It showed last week's incidence to have been two cases more than in the preceding week.

"The number of cases reported has leveled off and each week should see a reduction in the number of cases occurring in Texas," State Health Officer George W. Cox said.

Five New Counties
Polio was reported last week from 37 counties. Five of them—Castro, Delta, Garza, Martin and Throckmorton—reported cases for the first time.

This week's report brings the total cases reported to 1,891 compared to 1,436 cases during 1948's comparable period and compared to 1,765 cases for the entire year of 1948, the worst previous year in history.

The 26 counties reporting the highest this year so far are as follows: Tom Green 295, Bexar 186, Tarrant 147, Harris 144, Dallas 97, Hidalgo 39, Cameron 37, Nueces 37, Wichita 37, McLennan 28, El Paso 27, Travis 27, Hale 24, Howard 24, Runnels 23, Medina 19, Upton 18, Guadalupe 14, Coke 13, Gray 13, Gregg 13, Lubbock 13, Potter 13, Taylor 13, Donley 12 and Galveston 12.

Sheffield Church Gives \$10 To Fund For Joan Edwards

The Joan Edwards Recovery Fund gained \$10 Wednesday and now totals \$4,160.77.

No Black-Listing, Says Mexico City

MEXICO CITY—(P)—Complaints of discrimination may delay sending Mexican braceros to Texas areas, but there is no "black-listing," the Mexican Foreign Office said Wednesday.

The foreign office repeatedly has denied the existence of any black list preventing Texas counties or any other U.S. area from getting Mexican seasonal farm help.

Reports Tell Of New Offer By Big Steel

NEW YORK—(P)—Renewed hope for peace in the steel industry developed Wednesday with reliable reports that the U. S. Steel Corporation had agreed to grant a 10-cents-an-hour pension and welfare package.

The steel company, bellwether of the industry, was reported still insisting that employees contribute something to the pension program.

The United Steelworkers' Union was silent. The union previously had stood flat on demands that the steel companies pay the entire cost of the pension plan.

However, peace hopes rose on reliable information that U. S. Steel would have a statement later in the day, and on an announcement by Cyrus Ching, federal conciliation director, that he would have a statement on the steel dispute about 3 p.m.

Ching was reported ready to offer services of his conciliators to speed bargaining over the U. S. Steel offer. The new proposal was reported to provide for a higher company outlay than previously offered.

Reliable reports said this offer provides that:

U. S. Steel would pay four cents an hour to support a welfare program if the employees pay an average of two cents an hour.

A joint study of pensions would be undertaken, as suggested by the presidential fact-finding board, with the company paying up to six cents an hour in a program to which employees also would contribute.

The plan would be contingent on the union's agreeing to extending existing labor contracts until April 30, 1951.

Wall Street interpreted these developments as pointing toward a settlement.

In Duluth, Minn., miners who dig the ore for the steel mills called off strike plans after a talk with Steelworkers Union headquarters in Pittsburgh.

The Armco Corporation, a steel producer with headquarters at Middletown, Ohio, announced agreement on a pension plan with its union workers—not affiliated with the United Steelworkers who had set an industry-wide strike deadline at 12:01 a.m. Saturday.

Early Arguments In U. S. Suit For Tidelands Urged

WASHINGTON—(P)—The government has asked the Supreme Court to set the Justice Department's suit for Texas Tidelands for early argument.

It asked the court to give judgment immediately in its case against Louisiana.

The requests were in motions filed with the clerk of the Supreme Court Tuesday. In them the Justice Department charged that Texas and Louisiana were trying to delay disposition of its suits to fix ownership of the oil rich lands off their coasts.

Attorney General McGrath and Solicitor General Philip P. Perlman cited documents presented to the court recently by the two states.

The court convenes next Monday after its summer vacation.

Reds Release Two American Cyclists

HELMSTEDT, GERMANY—(P)—Two young Americans, jailed by the Russians two months ago for bicycling into the Soviet zone of Germany, were freed Wednesday and came back to U. S. territory.

The youths were Warren Oelsner, 20, of Oyster Bay, N. Y., and Peter Sellers, 18, of Philadelphia.

They had been held at the Soviet zone City of Magdeburg ever since their arrest July 28 because they had entered the Soviet zone without proper permit papers while trying to bicycle to Berlin.

Energetic protests from U. S. officials finally resulted in their release Wednesday.

Food Price Index Near Three-Year Low

NEW YORK—(P)—The Dun & Bradstreet wholesale food price index this week neared the lowest point in three years.

For the week ended Tuesday it fell to \$5.57, a drop of 0.9 per cent from \$5.72 last week, and 15.4 per cent under the mark of \$6.70 a year ago. The index fell 3.1 per cent in two weeks.

The lowest point this year was \$5.58 reached July 5, May 17 and February 8. That mark of \$5.58 is the lowest since October 8, 1946.

HEARING POSTPONED
AUSTIN—(P)—The Railroad Commission Wednesday gave notice of indefinite postponement of the hearing originally set for October 7 on application of the Stanolind Oil and Gas Company for the potential to be "trapped" in the Worth-Cowden and Goldsmith fields, Ector County.

Jackie Pounds Is Married To C. W. Trainer In Holden Home

In an evening ceremony Tuesday, Jackie Pounds, 506 West Indiana Street, became the bride of C. W. Trainer, Jr., of Russell, Kan.

The bride is the daughter of Mr. and Mrs. G. L. Pounds of Mangum, Okla., and the bridegroom's parents are Mr. and Mrs. G. W. Trainer of Merton.

J. Woodie Holden, minister of the North Side Church of Christ, read the double ring ceremony in his home. Flowers were baskets of white mums and asters and Marconi daisies standing beside seven-branch floor candelabra containing white candles.

Mrs. Ralph Guyer of Midland was matron of honor and James Smith of Midland was best man. Mr. Pounds gave his daughter in marriage.

Palmist Suit
Mrs. Guyer wore a palmist gabardine suit and dark brown accessories. Her corsage was of bronze mums.

The bride's suit was of light grey gabardine trimmed with darker grey. The jacket buttoned to the throat and had a small, pointed collar of the darker grey material. The cuffs were of dark grey as was the slit pocket. The straight skirt was light grey. The exception of her hat, which was of grey feathers. Her corsage was an orchid.

Both the bride's and bridegroom's mothers wore corsages of bronze mums.

The couple left immediately after the ceremony for a wedding trip to Buñidos, N. M., and after ward will be at home in Russell.

Mrs. Trainer is a graduate of Memphis, Texas, High School, at-

Mrs. C. W. Trainer, Jr.

tended West Texas State College, Canyon, for one year and received a bachelor of science degree in education from Abilene Christian College. Her major was elementary education and she was a member of Gato social club. During the 1948-49 school year she taught sixth grade in the Midland Junior High School and since has been employed by the Schlumberger Well Survey Corporation. She is a member of Beta Delta chapter of Beta Sigma Phi.

Trainer was graduated from Merton Texas Agricultural College, Arlington, two years and received a degree in electrical engineering from the University of Texas. He also is employed by Schlumberger.

Out-of-city guests for the wedding included Mr. and Mrs. Pounds, Mr. and Mrs. Trainer, Duard Pounds of Memphis, brother of the bride, Voncille Pounds of Merton and Mrs. Bill Moore of Odessa, sisters of the bride, Moore and David Trainer of Merton, brother of the bridegroom.

The picturesque and historic island of Jamaica was one of the four countries visited by Elizabeth Pale on a three-week Caribbean cruise which took her from New Orleans through the Gulf of Mexico and the Caribbean Sea to Venezuela and back to Mobile, Ala.

Miss Pale sailed from New Orleans on September 2 on an Alcoa ship. The first stop was at Cuidad Trujillo in the Dominican Republic. From there the party went to Port of Spain, Trinidad and then to La Guaira in Venezuela and on into the interior of the country to Caracas.

Visited Banana Plantations
They also visited Puerto Cabello, Venezuela, and Willemstad, a city on the tiny Dutch island of Curacao. Their last stop before returning to Mobile was Kingston, Jamaica. After docking in Mobile on September 19, Miss Pale spent several days in New Orleans and Houston before returning to Midland.

"Some of the most interesting things we saw," Miss Pale said, "were the plantations in Venezuela."

She added that she saw banana, cocoa and coconut trees as well as all sorts of tropical plants, including orchids, although only those in in hothouses were in bloom since the outdoor plants do not bloom until in December.

Calypso Singers
She added that the mountains in Venezuela are very beautiful and the Calypso singers in Trinidad very interesting.

Other things that she did while on the cruise included the side-trips away from the ports for sight-seeing and picnics along the beaches.

Miss Pale also visited curio shops and came back with many souvenirs, including an alligator hand bag.

Entertainment provided for the 65-member party while they were on the boat included swimming, deck tennis, shuffleboard, movies and dancing.

Miss Pale commented that there are many high-paying jobs for stenographers and other oil company workers in Venezuela and that workers are given large expense accounts beside their salaries. Contracts to work in the country are for two years and at the end of that time the employee is given a two-month vacation with pay.

"A friend of mine told me that for anyone who wanted to get married, Caracas was the place," Miss Pale said. "She said that all the good-looking girls get married in a hurry, but that it sometimes takes the homely ones as long as two weeks."

Eastern Star Order Changes Officers For One Program

Each officer of the Order of Eastern Star selected a substitute to fill her station for the observance of "pro tem night" in the Midland chapter Tuesday. At the close of the program, which was directed by Mrs. Dewey Pope, the officers presented gifts to their substitutes.

Five delegates have been named from the chapter to the annual Grand Chapter meeting in Dallas November 6-10. They are Mrs. Fred Wycoff, worthy matron, and Mrs. J. B. McCoy, Mrs. Pope, Mrs. Roy Jones and Mrs. W. C. Murphy.

The chapter is preparing to entertain Dr. T. C. Rogers, grand worthy patron, and Mrs. Rogers, grand Martha, when they visit here from Decatur on October 29.

Members who served as officers at the meeting were Ruth Donnell, Thelma Gardner, Johnnie Bryan, Lorene Edwards, Myrtle King, Ethel McQuire, Dennie Stephenson, Hazel Nipp, Juanita Collins, Cora Moulton, Caroline Kelsling, Zora Hambleton, Lillian Hazel and G. G. Hazel.

Guests were John Mobley of Austin, Elate Oates of Neodesha, Kan., and Bertha Cramer of Grandfalls. Refreshments were served by Mrs. T. P. Barber, Mrs. R. R. Frantz and Elsie Carlson.

As far as the Constitution is concerned, a woman can be elected to the U. S. Presidency.

First Altrusa Club Yearbooks Given To Members At Luncheon

Yearbooks, the first ever prepared for the Midland Altrusa Club, were distributed to members at the luncheon in Hotel Scharbauer Tuesday noon. Estella Brown, vice president and program chairman, was in charge of the books.

The club, organized in 1948, did not have yearbooks for its first season. With covers of blue and white bearing the Altrusa emblem, the book outlines a program and lists officers and committee members for the year.

For the luncheon program Tuesday, Lucile Carroll, a member, was asked to repeat a talk she made recently to the Midland Woman's Club, explaining the organization and purposes of the United Nations Educational, Social and Cultural Organization.

Near East Nations Subject Of Program For Club's Meeting

A program on the near Eastern countries of Egypt, Syria, Iraq, Jordan and Turkey was the subject of the first meeting of the Twentieth Century Club Tuesday in the home of Mrs. Frank Monroe with Mrs. Monroe and Mrs. H. H. Redding as hostesses.

Mrs. L. E. Patterson, Jr., spoke on "The Cradle of Civilization," and pointed out that ancient Egyptians built many of their great buildings because of their reverence for the dead and their belief in the continuing life. She added that much of modern Egypt still carries the traditional beliefs of its forefathers.

Mrs. Harlan Howell spoke on "Meet the Arab" and read a report by The Burkan, American correspondent of the United Nations special session on Palestine. Burkan's report stated that the Arab common man was not present and very little thought of at the meeting.

During the business session Mrs. W. H. Rhodes read a letter of confirmation for the March 16 program, when the Twentieth Century Club will be hostess to the Midland Woman's Club and D. Greer, State highway engineer, will speak.

The group decided to have an exchange program with the Junior High School Parent-Teacher Association.

Others present were Mrs. Edwin C. Hall, Mrs. C. E. George, Mrs. Raymond Leggett, Mrs. Robert Donnell, Mrs. Robert T. Cox, Mrs. W. G. Epley, Mrs. James L. Daugherty, Mrs. W. E. Shipp, Jr., Mrs. J. B. Bain, Mrs. Tom Edgington, Mrs. A. C. Elliott, Mrs. W. E. Crites, Mrs. Ray O. Howard, Mrs. Duke Jimeron, Mrs. J. O. Simmons and Mrs. J. R. Cotton.

Benny Howard Weds Peggy Flowers

Mr. and Mrs. Benny Howard are at home at Terminal after their marriage in the home of the bride's parents, Mr. and Mrs. J. R. Flowers, at Terminal, Saturday evening.

Mrs. Howard is the former Peggy Flowers. Howard is the son of Mr. and Mrs. W. D. Howard of Terminal.

The single ring ceremony was read by the Rev. H. A. Nichols. The bride, dressed in a grey worsted suit with pink accessories, carried a white Bible topped with pink carnations.

Charles Barnett was best man and Merle Watkins, maid of honor. The wedding guests included members of the immediate family and a few close friends.

Guests at the reception held after the ceremony were W. L. Barnett, Mrs. E. D. Panther, Evelyn Wright, Mrs. C. J. Hooper, Mrs. E. B. Rinehard, Merrell Watkins, Adele Hancock, Gerald Barnett, Mrs. C. P. Watson, Mrs. Jack Turner, Mrs. Faye Parker, Mrs. W. D. Howard, Jo Nell Landreth, Mrs. Florene Hancock, Mr. and Mrs. J. A. Wilton, Geneil Hancock, Corley and Benile Hancock, Cornelia Howard and Mrs. A. J. Pittman.

The bride is a graduate of Midland High School and the bridegroom is associated with his father in the contracting business in Terminal, where the couple will live.

DALLAS LADY LOSES 58 POUNDS

The following remarkable story shows conclusively that Barconatrate DOES take off fat.
It contains nothing harmful. In fact, it contains ingredients that make you feel better. No starvation diet—no weakness—no hunger. Barconatrate, the original grapefruit juice recipe, takes off fat quickly, safely and with no ill effects.

Here is proof:
"I want to tell you what weight I have lost in 2 1/2 months by using Barconatrate. I weighed 264 pounds when I started. I now weigh 206. I am so proud I tried it. I was told that I could not live a year unless I lost some weight. You may use my name any way you wish."—Mrs. J. B. Moore, 1633 Mentor Street, Dallas, Texas.

If you are overweight and want to take off only fat, just go to your druggist and ask for four ounces of Liquid Barconatrate. Pour this into a pint bottle and add enough grapefruit juice to fill bottle. Then take just two tablespoonfuls twice a day. If the very first bottle doesn't show you the simple, safe way to take off weight, return the empty bottle for your money back.

The Loaf Of Quality And Skill Is Sally Ann Bread

What do you buy when you purchase a loaf of bread? Charles Aiken and Elvis Hughes, Midland distributors for Baldridge's bread, have the answer for Sally Ann bread, baked by Baldridge.

Their answer is that in Sally Ann bread you buy the best scientific knowledge, the finest skill and machinery which can be obtained anywhere.

Having completed recently the installation of new machinery in the shop, the bakery firm says it now is able to give its customers a better product and better service than at any time in the past.

The distributors of Sally Ann bread call attention to the double sealed dust-proof wrapper on the family loaf of Sally Ann bread. See What You Get.

Attention also is called to the numerous products which are wrapped in cellophane, so that the customer may see exactly what he is getting.

For any special order, the salesmen are ready to serve you 24 hours a day.

Just telephone No. 3655-R or No. 2245-W and your order will be taken care of promptly.

The next time you buy bakery products, Aiken and Hughes urge you to give Baldridge's Sally Ann products a try.

Marquess To Marry American Divorcee

LONDON—(P)—Socialites on both sides of the Atlantic gossiped Wednesday of the announcement that a second American Mrs. Simpson would marry into the British royal court circle.
The marquess of Milford Haven, handsome cousin of King George VI and one of Britain's most eligible bachelors, Tuesday announced his engagement to Mrs. Romaine Dalgren Pierce Simpson, a New York divorcee.

The nattily-dressed marquess, 30, who makes his living now selling heaters, told newsmen Wednesday he and his fiancée will sail October 14 for America. The marriage, he added, would be "late in November."
Mrs. Simpson, attractive 26-year-old mother of an 18-month-old girl, was divorced in 1948 after two years of marriage to William A. Simpson, whose father once was president of Marshall Field and Company, Chicago department store.
The name of Milford Haven's fiancée recalled the romance of Mrs. Wallis Warfield Simpson, 13 years ago when King Edward VIII—now the duke of Windsor—gave up his throne to marry her. The two Mrs. Simpsons are not related.

Lake Brownwood Dam Called Hazard

BROWNWOOD—(P)—The Lake Brownwood Dam was termed a "flood hazard" in an engineers' report which said: "The existing dam and spillway are inadequate to withstand safely an extreme flood and probably would fail under such flood conditions."
The Brownwood Bulletin Tuesday published the U. S. Corps of Engineers report.

Fair, Cool Weather Continues In Texas

By The Associated Press
The Texas weather was something to enjoy Wednesday—fair and cool over most of the state.
Early morning temperatures ranged in the low 50's in the Northwest to the middle 70's on the Upper Coast. Dalt had the lowest reading, 51 degrees.
No overnight rain was reported. Tuesday's maximum temperatures ranged from 83 degrees at Victoria to 73 at Guadalupe Pass.

Two Americans Listed As Victims Of Mexico Crash

MEXICO CITY—(P)—Special mountain rescue squads toiled down the slopes of Mexico's most famous volcano Wednesday, bringing the bodies of 25 persons killed when their DO-3 transport plane crashed on the snow covered slopes of Popocatepetl.
Cold rain and other bad weather had kept search parties climbing all night to reach the plane. The plane crashed when it ran into clouds Monday afternoon and struck the 17,887-foot mountain.
There were no survivors.
Among the dead were two American tourists, Mrs. Eugenia Goldsmith and Mrs. George Graham of Miami Beach, Fla.
The aircraft was on a routine flight from Tapachula, on the Guatemalan border.

Services Set For Former McCameyite

McCAMEY—Funeral services for Mrs. J. E. Wallace of Tulsa, Okla., 71-year-old former resident of McCamey, were scheduled Wednesday afternoon in the First Methodist Church of Fort Stockton. The Rev. Casey Cantrell was to conduct services.
Mrs. Wallace died only a few days after the death of her daughter, Mrs. J. F. Hickman of Tulsa. The daughter, while notifying relatives of the poor health of her mother, suffered a fatal heart attack last week. Mrs. Wallace died Monday.

The Wallace family was well known here. They lived in McCamey about 18 years while operating a grocery store. The family moved to Tulsa several years ago. Survivors include four sons, V. P. of Fort Stockton, R. E. of Odessa, E. Q. of San Antonio and R. A. Wallace of Oklahoma City, and a daughter, Mrs. Mina Lawson of San Antonio.

Deadline Nears For Photograph Contest

Friday night is the deadline for receiving photographs to be entered in the West Texas Chamber of Commerce-sponsored West Texas Photograph Contest. DeWayne Davis, assistant manager of the Midland Chamber of Commerce, announced Wednesday. The contest has been under way the last several weeks, and several Midland entries already have been received. Davis asked interested persons to leave their photographs at the Chamber office before closing time Friday.

Placed Bomb

(NEA Telephone)
Mrs. Marguerite Pitre, 41, is under police guard in Quebec City, Ontario, after she reportedly admitted to police that she placed a bomb aboard the airliner which exploded in midair on September 9. Twenty-three persons were killed, including the unwanted wife of Jewelry Salesman J. Albert Guay, who has been charged with his wife's murder. Police said Mrs. Pitre was one of Guay's two mistresses.

Midland Is Third In Basin Building

Lubbock, Odessa and Midland led the Permian Basin Empire in building permit totals for August, according to a report issued by the Bureau of Business Research at the University of Texas.
Lubbock reported building permits totaling \$1,110,000; Odessa, \$488,000, and Midland \$424,000.
Other Basin cities reporting included: San Angelo, \$406,000; Big Spring, \$233,000; Lamesa, \$122,000; Sweetwater, \$51,000, and Kermit, \$19,000.
A total of \$43,155,000 for the month was reported by 96 Texas cities.

Five Known Dead In Mercy Plane Crash

BUENOS AIRES—(P)—At least five persons were killed Tuesday night in the flaming crash of an Argentinean airliner. One crewman is missing.
The Ministry of Transportation said 19 persons were injured in the crash near Castilla, 155 miles west of Buenos Aires and only 45 minutes away from the airport here.
The plane was returning from a mercy mission in Ecuador, where thousands died in an earthquake recently. Waiting at the airport here to greet it was Senora Eva Peron, the wife of the Argentine president.
The Eva Peron Foundation for Earthquake Victims had sent an aid mission to Ecuador.
The plane was owned by the government-owned Flota Aerea Mercante Argentina.

Western Germany Joins In Parade Of Currency Cuts

BONN, GERMANY—(P)—Chancellor Konrad Adenauer announced Wednesday that the three Western Allies had decided to cut the value of the West German mark from 30 cents to 23.80 cents in U. S. money.
Adenauer, head of the new West German Republic, said the Allied recommendation had been given to his cabinet as a result of devaluation of the British pound.
Originally, Adenauer declared, the Germans had wanted the rate set at 22 1/2 cents.
The West German Cabinet still has to act on the Allied decision before devaluation is carried out officially, Adenauer said.

Czechs Confiscate U. S. Daily Bulletin

PRAGUE—(P)—The Czechoslovak government confiscated the U. S. Information Service's daily bulletin distributed here Wednesday, claiming that it contained an "insult" to Russia.
The alleged insult, the Czechs said, was contained in the bulletin's reprint of a New York Times editorial which suggested that German scientists had helped the Russians in discovering the secret of the atomic bomb.

Last Survivor Of Quadruplets Dies

CHICAGO—(P)—The last remaining baby of quadruplets born to a mother who was not certain she was pregnant died Tuesday, 18 hours after the first baby was delivered.
Mrs. Bernice Ecker, 33, the mother of the two boys and two girls who were born three to four months prematurely, died Monday night from anemia.
One of the two girls died three hours after birth. One boy was still-born and the second died in the incubator at the hospital 10 hours after birth. The last of the quads, a girl weighing about one and a half pounds, died in an incubator at 2 p.m. Tuesday.
Mrs. Ecker's husband, Vernon, a truck driver, said his wife had not received prenatal care as she was not sure she was an expectant mother. Mrs. Ecker was the mother of three children ranging in age from eight to 11 years by a previous marriage.

The car that likes to be compared! PLYMOUTH

Great Value is built into every beautiful inch of the new Plymouth. For the positive proof—compare! Put this greatest Plymouth ever built up against the other cars—feature for feature, dollar for dollar, mile for mile!

Look at all three of the leading low-priced cars. Plymouth—only Plymouth—has the famous Air Pillow Ride—now smoother than ever.

The new, more powerful Plymouth engine has a compression ratio of 7 to 1—low-priced car "A" has 6.8 to 1—low-priced car "B" has 6.6 to 1. You get greater performance because Plymouth's higher compression squeezes more power out of every drop of gas.

Plymouth is the only low-priced car with the spectacular new double safety feature—Safety-Rim Wheels with Safe-Guard Hydraulic Brakes. Patented retaining humps hold the tire straight on the rim in the event of a blowout. Powerful brakes give quick, safe, accurate stops, without grabbing or biting.

These are just some of the reasons why the new Plymouth is the car that likes to be compared—not just to other low-priced cars—but even to cars costing hundreds of dollars more!

Visit your Plymouth dealer who will be glad to arrange a demonstration ride.

While national lines, chrome wheel covers and rear fender scuff guards optional at extra cost.

Of 22 quality features found in high-priced cars—the new Plymouth has 21... low-priced car "A" has 13... low-priced car "B" has 4. That's why the Plymouth today—more than ever before—is the low-priced car most like the high-priced cars!

DRIVE THE NEW PLYMOUTH—AND LET THE RIDE DECIDE!

SPORTSLANTS

BY SHORTY SHELBOURNE

In several Longhorn League cities, a movement has been started among the fans to ask the league and baseball to take steps to bar or limit the number of Cuban players on any single club.

Year after year Big Spring—practically an all-Cuban team—has led the Longhorn League. This season is led by the widest margin ever and went on to win the pennant in eight straight games.

The 1949 Big Spring club as a whole was more experienced, older and consequently a better club probably than any other in the league.

—SS—
How did the Bronco players get to be better?

There is just one answer to the question. They had played ball in Cuba for years before coming here. Yet the first year they are in an organized league in the United States they are classified as rookies.

The second and third years, limited service men, etc.

But before arriving here they might have played two, three, five or even 10 years in the Cuban leagues.

—SS—
Since the Cuban leagues are not considered, for the most part, a part of organized baseball, their experience there doesn't count against them.

Take a native American boy under the same circumstances. He may play ball in high school, college or on semi-pro teams for several years as he is growing up. But when he gets out of school and approaches maturity, he goes into professional baseball in the minor leagues. From that minute on, he has every game chalked up toward making him a class man. In three years he becomes a class man and in most cases is looking for a job.

—SS—
Teams in the Longhorn League are allowed to carry only two class men. These two men must be good to land their jobs. Most of them are men with at least five years experience.

A fellow who is just three years out of high school and already a class man usually isn't good enough to find a job in baseball. The five and 10-year men beat him out because they have the experience and are better ball players.

The Cuban player, who has played three or five years in Cuba, has gained his experience and has become a good ball player. He can come over here and enter organized baseball as a rookie.

The American boy playing against him hasn't had a chance to play real baseball these three or five years. If he had, already he would be a class man. In a sense the American boy is penalized for playing while the Cuban gets his experience without cost.

—SS—
Cuban ball players are getting thicker and thicker in the Longhorn and other minor leagues in this area. The eight clubs in the Longhorn League had at least one each this season. Most of them preferred American boys but couldn't find rookies who measured up to the experienced Cubans.

Consequently, some clubs added one or two Cubans in an effort to try and beat the Cubans from Big Spring. No club succeeded in beating them very many times.

—SS—
If the Cuban players are allowed to continue under the present rules in this league and others, the American boys trying to break into baseball might as well forget it. They won't have a chance in 10 more years. All clubs will be hiring strictly Cubans, if they try to field a ball club equal to other Cuban teams in the league.

When it comes to that, you might as well change the name from the Longhorn League to the Cuban Summer League.

There isn't anything you or we or President Hal Sayles or the directors of the Longhorn League can do about it except request that the National Association draft legislation to correct the growing problem.

Baseball is the great American Sport. If it is to remain such, something must be done by BASEBALL to protect itself.

—SS—
Now, what course should you and I take toward starting such a movement?

Here is a suggestion: In every Longhorn League city let each individual fan take it upon himself to write a letter to Longhorn League Commissioner George Trautman at 696 East Broad Street, Columbus, Ohio, requesting that some definite action be taken on the Cuban situation at the Minor League meeting in Baltimore in December.

A petition could be circulated here but doubt if that would be the best way to get action. It might even create bad publicity for Midland. Others might point at Midland and say we were just mad because we didn't beat the Big Spring Bronco.

—SS—
On the other hand, if individual letters from throughout the league swamp George Trautman's office—likely as not something will be done. No city or individual can be counted out as just being mad and against the Cuban players personally. Let it be a league-wide move.

Now is the time to take action. The minor league representatives will gather in Baltimore December 5 from throughout the United States. Action can be forced there if enough fans write to the minor league prexy.

—SS—
If something is done now, maybe your boy will get a chance to land a spot on a Longhorn League team in the future. If nothing is done, a Cuban perhaps will have the job.

Four-year-old Patti Jane Carpenter has all the assurance of a born bowler as she awaits her turn on a Chicago lane.

Brave And Fearless Fireman

A smiling and sweated Joe Page arrives at Yankee Stadium for his almost daily chore in and out of the bull pen. Casey Stengel pages him, in this case to relieve Cuddles Marshall, and Page reaches for the ball, as Yogi Berra stands by. Then the big left-hander goes about the business of doctoring up another game, something he has done so efficiently and frequently that he is the foremost candidate for the AL most-valuable-player award.

Tulsa Oilers Grab Texas League Flag

FORT WORTH — (AP) — Tulsa's Oilers tucked away the Texas League pennant Wednesday and headed for home on the way to Nashville, where they open the Dixie Series Thursday night.

Heading the triumphant Oklahoma team was silver-haired Al Vincent, stormy petrel of many a Texas League campaign. He was the man on the third base line Tuesday night as Tulsa beat Fort Worth 4-1 to clinch the championship.

It was the third pennant in 11 years for the fox of the Texas League. This year he won it with only one big show of temperament. That occurred at Fort Worth early in the season when the fiery Vincent was suspended five days for a demonstration he put on against his mortal enemy, the umpires.

Fired By Dallas
Vincent, on the way to Tulsa Wednesday, probably will thumb his nose at Dallas. That's where he got fired in 1947 after winning a pennant and the Dixie Series the year before. Al had Dallas in the playoffs in 1947. He didn't jerk a pitcher as soon as the fans thought he ought to have and Dallas lost the series. They rode him so much the club management let him go. Al's comment was: "I thought I ought to have had a bonus."

So Vincent went to Tulsa. Last year he had the Oilers in second place but they just lost out in the playoffs.

Lindy Berry Paces Southwest Gridders In Air, Ground Gains

DALLAS — (AP) — Lindy Berry, Texas Christian's one-man gang, is off to a good start at repeating as the total offense leader of Southwest Conference football.

Berry, in two games, has handled the ball 74 times rushing and passing and gained 487 yards. This is almost 200 yards ahead of his nearest competitor — Paul Campbell of Texas, who has 271 yards in 32 plays.

Berry is the conference passing leader with 22 completions out of 52 tries for 408 yards. Campbell is second with 291 yards on 15 connections in 27 throws.

Leon (Muscles) Campbell of Arkansas is tops in ground-gaining with 236 yards net in 18 tries. Ben Proctor of Texas is second in the conference with 171 on eight receptions.

Sonny Wyatt of Rice leads in punting with an average of 43.8 on three boofs. Dan Wilde of Texas Christian is second with 41.3 on four. The best record, however, is by Yale Lary of Texas A&M with 40.8 on 14 kicks.

Harvard Tackle Is Voted Top Lineman

NEW YORK—(AP)—Harvard took a 44-0 drubbing from Stanford on the Pacific Coast last Saturday, but nevertheless came up with the football linemen of the week in 22-year-old Howard Houston.

In the first Associated Press poll of the grid season, the 200-pound senior tackle from Haverhill, Mass., Wednesday was named the top lineman of 38 nominations.

Houston, who served three years in the Army Air Corps from 1943 to 1946 and who was one of the East's top heavyweight collegiate wrestlers last year, earned an unusual tribute from Marchie Schwartz, Stanford coach.

"Houston undoubtedly was an All-American against us," Schwartz told San Francisco football writers. "This is something I seldom do. I intend to write Houston a personal letter congratulating him on his fine play. He made 90 per cent of the tackles on defense and was hard to block out."

"Even when the Harvard cause was utterly hopeless in the fourth period Houston played his heart out. He is one of the best I have seen in years."

Runnerup in the voting from all parts of the country was Ewell Pope, Georgia Tech's little 166-pound guard. Pope suffered a broken jaw in the second quarter, but played the entire game and helped the Engineers to an upset 12-7 victory over Vanderbilt. X-rays after the game showed his jaw broken at the point of his chin and also that three teeth were knocked out.

Ed Bagdon, Michigan State tackle, was third in the balloting. His play was one of the main reasons MSC held Michigan to a 7-3 triumph.

Others who received high praise were Don Hook, Colorado A&M tackle; Wade Walker, Oklahoma tackle; Dan Foldberg, Army end; Bob Wilkinson, UCLA end; Leo Nemellini, Minnesota tackle; Lou Creekmur, William and Mary tackle; Harold Kuman, Texas Christian tackle; Guard Carl Moldberg, Texas A&M; and End J. D. Leon, Baylor.

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, SEPT. 28, 1949—9

Purple Hits Hard In Hot Scrimmage

The Midland Bulldogs pounded each other in a scrimmage that was for keeps at Memorial Stadium Tuesday as Coach Tugboat Jones sent a team of "Reds" against the "Whites."

The "Reds" comprised most of the first string line and were on defense most of the time. The "Whites," working offensively, went through the complete list of plays.

Bob Evans was the star of the scrimmage. Playing an offensive end position, he clobbered the defense with crushing blocks and snatched passes out of the air like a veteran.

Jack Burris had more form on running plays than ever before. Ralph Brooks fired passes all afternoon and found his receivers well. Experience is developing him into a fine prospect.

Alternating in the backfield for the "Reds" were Freddie Bulbo, L. C. Thomas, Charles Crowley, Preston Conner and Jimmy Locke.

The "Red" line was Dwane Bush and Harrie Smith at ends; Al Base and Jack Mobley at defensive tackles; Larry Burnside, John Ratcliff, Dalton Byerley and Mobley at guards and Loren Roberts at center and linebacker.

Defensive Backfield: The "Whites" used Bob Evans, Jimmie Lineberger and Graham Mackey at ends; Jerry Culp, Stan Ocker and Charles Overend at tackles; John Steinberger and Pete English at guards; Robert Burks and Jimmie O'Neal at center and Jack Burris, Ralph Brooks, Larry Friday, Reed Gilmore, Cecil Stephens, and Luther Mooney in the backfield.

Punting practice was held with most of the backs getting in a few boots.

Scouts turned over to coaches plays expected to be used by Brownwood Friday night. The first string worked against them on defense.

Both the words Cleat and Kaiser come from the Latin word Caesar.

Conference Games Dot Schoolboy Card

By HAROLD V. RATLIFF
Associated Press Sports Writer

San Jacinto of Houston has the dubious honor of trying to stop the mighty surge of Port Arthur in the Texas schoolboy football campaign this week.

It is a clash of undefeated, untied teams and headlines a schedule dotted with important battles from border to border.

Port Arthur last week whammed Milby (of Houston 50-6, and Milby is supposed to be stronger than San Jacinto).

Paris and Corsicana, both unbeaten and untied, get together at Corsicana in another feature. In fact, this may be the best game of the week. At least it will show what if anything has been holding up these two unheralded teams.

Highland Park (Dallas) plays Sherman in a game of undefeated teams although Sherman has been tied.

Ablene vs. Wichita Falls. Other important contests have Marshall scrapping Adamson at Dallas, tough Thomas Jefferson (San Antonio) marching against unbeaten, untied Corpus Christi. Abilene testing Wichita Falls and Orange playing Baytown. In each instance a perfect record team may fall.

Other state powerhouses do not appear strongly tested. Amarillo plays Paschal of Fort Worth. Pampa meets Vernon, Lubbock takes on Plainview and Austin engages Arlington Heights (Fort Worth).

There are more than 50 games with four of them conference affairs. The San Antonio District of the City Conference has three—Brackenridge vs. Lanier, Burbank vs. Alamo Heights and San Antonio Tech vs. Harlandale.

The start of title play in Class AA finds East meeting Waxahachie in District 13.

The week's schedule by districts includes:

District 1—Friday: Borger at Albuquerque, N. M.; Lubbock at Plainview, Paschal (Fort Worth) at Amarillo.

District 2—Friday: Breckenridge at Graham, Abilene at Wichita Falls, Pampa at Vernon.

District 3—Friday: Ysleta at Brownfield, Brownwood at Midland, San Angelo at Odessa.

District 4—Friday: Bowie (El Paso) at Mesa, Ariz., Mexico City at El Paso High.

District 5—Friday: Lamesa at Big Spring.

Big Spring-Corpus Christi Series To Open Wednesday
BIG SPRING—(AP)—Corpus Christi and Big Spring Wednesday night open a best four-out-of-seven game series for the Class D baseball championship of Texas.

Corpus Christi won the Rio Grande Valley League playoff and Big Spring the Longhorn.

The first two games will be played here. The teams will move to Corpus Christi Saturday and complete the series there.

DADDY RINGTAIL By Wesley Davis

Daddy Ringtail And The Big Winner

Mugwump Monkey, the monkey boy, was quite excited because the man from the forest radio station had said out loud that Daddy Ringtail had won the million dollars. The forest radio station was going to give it to him because the turning wheels said he should have it. "Daddy Ringtail is the big winner!" the man had said with a

voice of excitement. "Isn't it wonderful!" said every one.

Oh, but Daddy Ringtail wasn't excited about it. Why should any one be giving him a million dollars? Yes, and what would he do with a million dollars? And while he was thinking these things, the phone rang.

"Happy day, there. Daddy Ringtail speaking," Daddy Ringtail said into the telephone.

"Daddy Ringtail," said the voice of the man at the forest radio station. "Daddy Ringtail, there are just a few questions that you must answer before I can send you the million dollars you won tonight."

"I hear you, Mister Radio Man," Daddy Ringtail said.

"Yes," said the man, "tell me please, what time does the five o'clock train leave the station?"

Daddy Ringtail explained that the five o'clock train always left the station now at four o'clock because it wanted to be one hour early to fool people.

"Umm," said the voice of the radio man. "You knew the answer to that question, and so I'll have to ask you another which you will have to answer before the million dollars can be all yours. Tell me,

please, how many fingers do you have on your hands?"

"Oh, I have ten fingers, counting my thumbs," Daddy Ringtail told him.

"All on one hand?" asked the man.

"No, on both of my hands," Daddy Ringtail said.

"Oh, I'm awfully sorry," said the

man, "the ten fingers have to be all on one hand."

And so it happened that Daddy Ringtail didn't win the million dollars after all. It was a happy day for him, because he didn't have to be bothered with what to do with it.

Furniture Dealers Meeting Held; To Organize Chapter

Thirty-three furniture dealers and salesmen from Midland, Odessa and Monahans met Tuesday night at the Odessa Country Club to discuss plans for the formation of a Permian Basin chapter of the Retail Furniture Association of Texas. Principal speaker at the meeting was Mrs. Rene Denman of St. Louis, Mo., nationally known author and lecturer.

Mrs. Denman spoke on Sales Improvements and Personality. She told the group how to acquire self confidence, get along with others and build a following.

The meeting of dealers in the Midland-Odessa area is one of 14 meetings scheduled at various points throughout the state. Mrs. Denman will speak at each.

A committee was appointed to further organization plans for a Permian Basin Association. John Mills of Midland was named chairman. A meeting will be held in the near future to complete plans now being made.

Midland dealers and salesmen attending the meeting Tuesday were George Stewart, Gerald Mackey, E. Green, Joel Adcock, John Barnett, Larry Wiles, P. C. Andrews and Verna Harper.

Swank Night Spot Bans Bogey After Babes Get Pushed

NEW YORK —(P)—The Swank El Morocco Night Club posted a "Keep Out" sign for film tough guy Humphrey Bogart Wednesday after two pretty girls got pushed around in a fracas involving Bogey and two toy pandas, a modern version of the teddy bear.

This sounds confusing. It is. All that's really clear is that Bogart and a waggish pal, Bill Seeman, showed up at El Morocco late at night—not with their wives but with the pandas.

"Meet our girl friends," they announced.

All went well until Fashion Model Robin Roberts playfully picked up one of the pandas. Robin got shoved and wound up on the club's thick carpet.

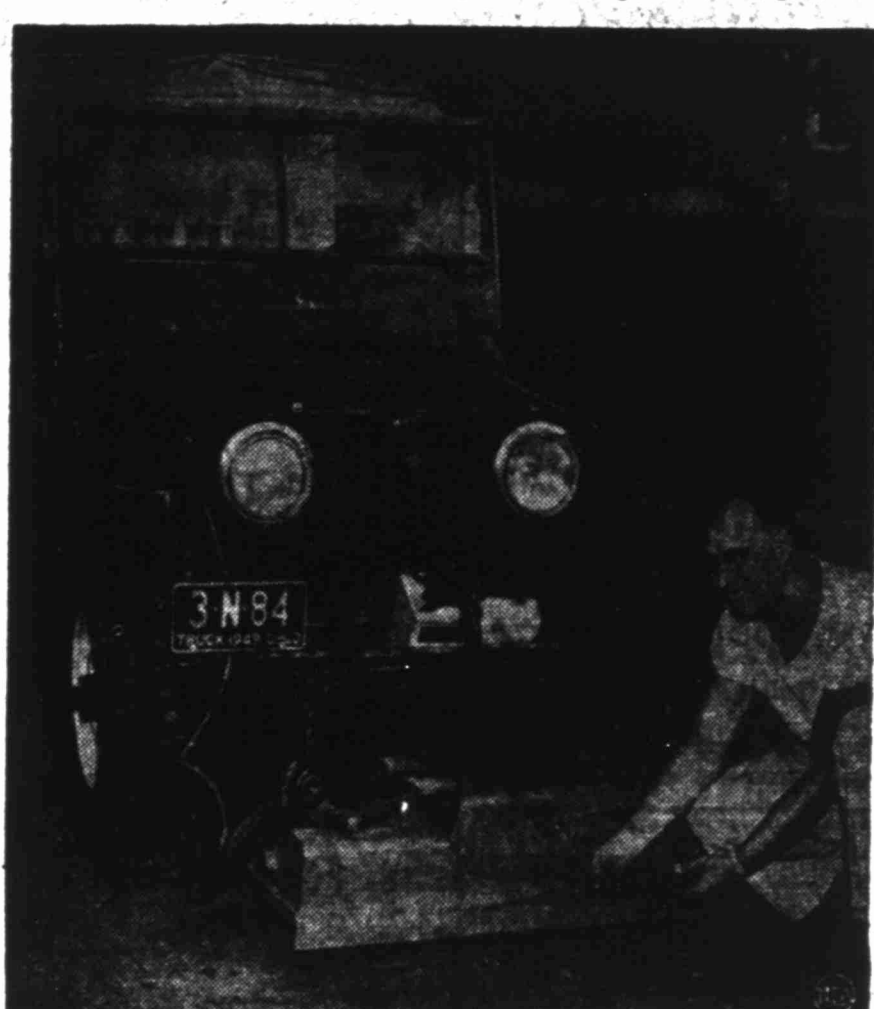

Glamor Girl Peggy Rabe also made a pass at a panda. She got shoved, too. Her escort, Johnny Jelke, didn't like it. Hot words were exchanged. Somebody smashed a dinner plate over Jelke's shoulder.

Bouncers restored order and escorted Bogart and Seeman to the sidewalk, pandas and all.

"Mr. Bogart no longer will be permitted," El Morocco said Wednesday.

Bogart, here between movies with wife Lauren Bacall, could not be located.

Mr. Smale And His Jeep Sweep

Stanley Smale, an enterprising truck driver with a special magnet-equipped Jeep, has enjoyed sweeping success in a new business in his home town, Toledo, Ohio. For a fee, Smale drives his unusual Jeep back and forth over parking lots, truck terminals and other places where autos and trucks are parked. The magnet picks up nails, pieces of wire and other metal objects. Once it gathered 1,200 pounds of jagged metal nails from a single lot, Smale calls his business the "Jeep Sweep," and his services are much in demand.

Hearing Scheduled

Tuesday, October 18, was set as the date for a public hearing on the city's Group B paving program.

Operators of taxicab firms here will be invited to meet with the council at its next meeting to discuss a proposed increase in bond requirements. The matter has been considered by the council in recent sessions.

Traffic policemen were instructed to place tags for improper parking on cars left on sidewalks adjacent to service stations throughout the city.

Councilman Frank Shriver said the situation particularly is bad in and around downtown stations. Service stations previously have been warned about blocking sidewalk traffic, City Manager H. A. Thompson stated.

Drainage Project

Mayor William B. Neely and Shriver were authorized to negotiate for the purchase of property for a North D Street drainage project.

A letter from the League of Women Voters asking permission to have a representative attend each council meeting was read. The league, in connection with a study program, plans to have representatives at meetings of city, county and school governmental bodies.

City Secretary J. C. Hudman was asked to advise the League its representatives always are welcome at regular meetings, which are open to the public. Mrs. R. A. Estes was the League representative at the Tuesday night session.

Luncheon Held At Lions Club Meeting

Six new members were inducted into the Midland Lions Club at its luncheon meeting Wednesday in Hotel Scharbauer.

District Governor James Daugherty was in charge of induction. New members include E. M. Knight, H. L. Winkler, C. A. West, Wesley May, E. W. Maxson and Carl Pieper.

Miss Virginia Breedlove spoke at the luncheon in behalf of National Employ the Physically Handicapped Week.

James Johnson was introduced as Junior Lion of the Week. He is president of the senior class at Midland High School.

C. E. Nelson, secretary, gave a quarterly report of activities and finances.

The Lions Club Orchestra played special music for the luncheon.

Roy Miner presided. Invocation was by C. E. Curry.

It was announced that Mrs. J. P. Carson, Jr., has been selected Lions Club Sweetheart.

the atomic bomb which the Russian Soviet, for reasons not yet explained, have got before the British, though happily not before the Americans," Churchill said.

The government has asked for a vote of confidence.

That means the Attlee cabinet is asking "How have we done?" Churchill said, and he commented: "That is a question which the electors will have to pronounce upon at no distant date."

The Conservative counter-motion of no confidence says a return to prosperity "can never be assured under the present Administration."

If it should carry—which is hardly even a possibility—tradition would require Prime Minister Attlee to dissolve his government and call the election immediately.

The Laborites, however, hold 393 of the 640 seats in Commons. Reports are that the party has a virtual pledge from all but extreme left wingers to support the cabinet when the vote comes Thursday.

battered by stray dogs should call a pound keeper rather than destroying the animals by shooting or poisoning.

Questioning by City Attorney John Perkins brought out that in most instances dogs shot recently were running loose, which also is prohibited by ordinance.

The council adopted a motion offered by H. E. Chiles and seconded by Robert I. Dickey that the chief of police be instructed to investigate immediately the matter of dog shooting and to take proper steps to curb such shooting. The motion also instructed the police chief to report on the situation at the next meeting of the council.

Steel Peace Rumors Set Stocks Soaring

NEW YORK —(P)—Demand for stocks suddenly flared up in mid-morning Wednesday as reports circulated in Wall Street that steel negotiators were getting closer together on a new contract.

A gust of buying swept through the exchange and lifted key issues a few cents to a top of around \$2 a share. Steels and motors figured prominently in the advance.

Reports of progress in steel negotiations were entirely unofficial.

Truman To Fly On Two-Day Junket For Missouri Speeches

WASHINGTON —(P)—President Truman leaves Wednesday night on a two-day trip to his home State of Missouri after defending his welfare program as being "American as the soil we walk on."

He will board a plane at 6:30 p.m. for a three-hour flight to St. Louis. He will install Grand Lodge officers in a Masonic ceremony there Thursday morning, then fly to Kansas City for a speech at a dinner honoring William M. Boyle, Jr., new chairman of the Democratic National Committee.

The President will speak from notes about 9:30 p.m. Thursday at the "home-coming" for Boyle, the former Kansas City police official he picked to succeed J. Howard McGrath as national chairman.

Truman will return to Washington Friday evening in time for another speech over the radio, opening the Community Chest campaign.

Speaking from the east wing of the White House late Tuesday on a radio program observing "Democratic Women's Day," the President said his housing, health, education and other welfare programs are founded on the constitutional principle that the power of government should be used to promote the general welfare.

The Democratic Party intends to carry out this constitutional responsibility, he said, in spite of those who say there is "something alien or dangerous in the idea of a government that works for the welfare of all our citizens."

McCamey News

McCAMEY—Miss Janet Pauley, newly elected Lions Club Sweetheart, was presented to the Lions Club Monday night during a business session.

Mrs. Ott Haley will leave Saturday for Olney. She will undergo a tonsillectomy there.

Mr. and Mrs. Newman Dendy spent last week visiting relatives in San Angelo.

Major Charles Rollins, who returned from a tour of duty in Germany, discussed the progress of the German people since the war at a meeting of the Lions Club recently.

Mrs. Dale Keneaster and O. D. Robbins spent last weekend in Brookline, where they visited Mrs. Keneaster's husband.

Gordon Russell returned this week from a business trip to Tulsa and Seagraves.

UN Assembly Lists Priest As Delegate

NEW DELHI —(P)—A Jesuit priest from Madras is a member of the Indian Delegation to the United Nations General Assembly at Lake Success. The Rev. Father Jerome DeSouza, principal of Loyola College at Madras and a member of the Indian Constituent Assembly by special permission of the Pope, has accepted his second governmental assignment in agreeing to join the Indian UN representatives.

Father DeSouza has long been recognized as one of the keenest supporters of Prime Minister Jawaharlal Nehru's "secular government" program and a leading opponent of "communal politics," the Indian practice of basing political factions on religious and racial communities.

In the Constituent Assembly he has been a leader of the bloc which has pushed through constitutional guarantees for religious and racial minorities in India and was among the first to applaud India's decision to remain in the Commonwealth.

Denver FBI Agent To Instruct Here

A lesson in the collection and preservation of physical evidence was scheduled in the Police School here Wednesday afternoon.

D. W. Walters, special agent from the Denver office of the Federal Bureau of Investigation, was to be the instructor.

British Bargains

These shoppers in New York see firsthand one immediate result of the devaluation of the British pound. Prices of the British-made autos in the window have been "dashed 20 per cent" because of the currency change. The car at right was marked down from \$4,150 to \$3,300.

West Texas Oil & Gas Log

(Continued From Page One)

through casing perforations. That formation showed for possible production on drillstem tests on the way down the Ellenburger.

Location is 660 feet from north and west lines of section 44, block 40, TP survey, T-4-S.

Yates Is Topped By Mid-Continent Test

Mid-Continent Petroleum Corporation No. 1 Nichols, slated 1,000-foot wildcat in Central-West Gaines County, 23 miles west of Seminole, had progressed past 4,276 feet in anhydrite and shale and was making more hole.

This venture topped top of the anhydrite at 1,880 feet and the top of the Yates at 3,040 feet. Elevation is 3,584 feet.

Location is 660 feet from north and west lines of section 7, block A-10, psi survey.

North Snyder Offset To Go On Production

Humble Oil & Refining Company No. 2 L. M. Perriman, one location south of production from the Canyon reef line, on the northwest side of the North Snyder field, flowed 252 barrels of pipe line oil, natural, through a one-quarter inch choke in 17 hours, and is now being put on production.

The petroleum came from perforated section at 7,039-59 feet, in the Canyon. Top of the Canyon was at 6,950 feet. Elevation is 2,563 feet. Gas-oil ratio was 941-1. Flowing tubing pressure was 100 pounds. No formation water was developed.

Location is 1,980 feet from north and 660 feet from east lines of section 438, block 97, H&TC survey.

C-E Scurry Wildcat Continues To Deepen

C. L. Norsworthy, Jr., No. 1 Fieldman, Central-East Scurry County wildcat, 10 miles southeast of Snyder, and 660 feet from north and east lines of section 85, block 3, H&TC survey, had reached 6,255 feet in Pennsylvanian lime and shale, and was making more hole.

So far this wildcat has not encountered the Canyon reef line.

North Snyder Gets Five New Ventures

Applications have been filed and drilling will start soon on five new oil operations which will try for production from the Canyon reef line in the North Snyder field of North-Central Scurry.

Standard Oil Company of Texas will drill three of the ventures, all of which will drill to 7,000 feet.

Standard No. 3 L. S. Herod will be located 660 feet from east and 1,980 feet from south lines of the west half of section 383, block 97, H&TC survey, and eight miles north of Snyder.

The company's No. 2 T. C. Davis is to be located 467 feet from south and east lines of section 339, block 97, H&TC survey. That makes it six miles north of Snyder.

Standard's other exploration is to be 680 feet from south and 660 feet from west lines of the north half of section 439, block 97, H&TC survey, and ten miles north of Snyder. It is to be the company's No. 6-8 Mrs. Jessie W. Brown.

L. M. Lockhart of Corpus Christi has staked location for two more ventures in the North Snyder field, both of which are to drill to 6,800 feet with rotary tools.

Lockhart's No. 3 B. M. McHaney is to be 467 feet from north and east lines of section 177, block 3, H&GN survey and four miles north of Snyder.

No. 4 B. M. McHaney is to be 1,527.44 feet from north and 467 feet from east lines of section 177, block 3, H&GN survey. That puts it four miles north of Snyder.

Cities Service Spots Offset To Diamond-M

Cities Service Oil Company No. 1 Johnson is to be a 6,900-foot exploration to test the Canyon reef line in the Diamond-M field of Southwest Scurry County.

The drillsite will be 1,980 feet

from north and 614 feet from east lines of section 200, block 97, H&TC survey, and 11 miles southwest of Snyder. It is to be a north stepout to production in that field.

Drilling will be with rotary tools.

Offset To Good Field In Borden Scheduled

Seaboard Oil Company of Delaware and Pan American Production Company No. 8 T. J. Good is to be a flanker to the Good field in Central-South Borden County.

It is to drill to 8,100 feet to try for production from the Pennsylvanian lime. Drilling will be with rotary tools.

Location is 1,980 feet from north and 660 feet from east lines of section 38, block 33, T-4-N, TP survey, and six and one-quarter miles north of Vesalmoor.

Operations are to begin immediately.

Ector Prospect Has Oil From McKee Sand

Coronet Oil Company No. 5 Cummings, in the Andector field of Northwest Ector County, has shown for good flowing production from the McKee sand of the Simpson and is drilling ahead to explore in the Waddell section of the lower Simpson, and then on to the Ellenburger.

The production in the McKee was developed in a drillstem test at 7,680-7,800 feet. The tool was open 74 minutes and a 5/8-inch bottom hole choke was used.

Gas showed at the surface in four minutes and mud came to the surface in 19 minutes. The project started to flow oil at the top in 25 minutes. During the last 10 minutes of flowing it produced at the estimated rate of 35 barrels of clear oil per hour with no signs of water.

The exploration is now drilling below 7,940 feet in lime and sand.

Location is 660 feet from east and 1,980 feet from south lines of section 12, block 45, TP survey, T-1-N.

Sand Hill-McKnight Stepout Is Planned

V. A. Brill of Houston is to start drilling immediately at his No. 1 Hattie Connell and others, stepout to production from the upper Permian lime in the Sand Hill-McKnight field of North Central Crane County.

It will be 15 miles northwest of Crane, and 330 feet from south and east lines of section 8, block 26, psi survey.

Projected depth is to 3,800 feet. Drilling will be with rotary tools.

Sunray No. 1 Sentell Still Digs Dry Lime

Sunray Oil Corporation No. 1 Sentell, North-Central Scurry County prospect, two miles east of the nearest production from the Canyon reef on the southeast side of the North Snyder field, had reached 7,125 feet in the reef and was making more hole.

It has not found any signs of oil, gas or water since it entered the reef at 7,015 feet on an elevation of 2,487 feet.

The project is 467 feet from north and west lines of tract 2, Dallas Trust & Savings Bank subdivision of the J. P. Smith survey, block 1.

Wild Driver Touches All Points On Route

BRISBANE —(P)— One-legged John Edmund Page, 23, drove a truck through Brisbane one night. He says he can't remember the drive.

But the prosecutor in the police court jogged Page's memory when he described the drive to the magistrate. The prosecutor got the story from a policeman who chased Page's truck on a motor cycle. During the chase, Page: Passed a tram, grazing the front cabin. Passed a stationary tram on the wrong side at a speed of between 60 and 70 mph. Ignored a stop order from the pursuing policeman.

Overtook two cars driving side-by-side. Knocked another car off the road. Passed another stationary tram on the wrong side. Hit another car off the road. Struck still another car and capsized it. Hit the rear of a stationary truck outside the Brisbane Hospital. Forced the stationary truck into a car in front, which was pushed on to the footpath. Was thrown out of his own truck by the jolt. Landed on his head. Was taken into the hospital.

Page pleaded guilty to a charge of dangerous driving. He was fined \$100.

Nipp Is President Of Methodist Men

Tom Nipp was elected president of Methodist Men of the First Methodist Church for 1949-50 at a meeting of the group Tuesday night in the Scharbauer Educational Building. He succeeds Paul Hicks, who served as president the last year.

Tom Nipp

Other officers named include Frank Paup, vice president; W. D. Ladd, secretary; John Allen Sewell, treasurer, and Jim Thorne, agent, for "Methodist Laymen."

The elections followed the report of a nominating committee composed of the Rev. Howard Hollowell, Jack Goddard and Hicks. A discussion of future activities of the organization was held.

Methodist Men meet the second and fourth Tuesday nights of each month.

Christian Scientists Win In Ohio Struggle

COLUMBUS, OHIO —(P)— Christian Science churchmen won a 34-year struggle as Ohio, became the forty-eighth state to let their practitioners charge fees.

The 96th Ohio General Assembly Assembly gave consent.

Christian Science practitioners heretofore could accept only gifts for their ministrations in Ohio. Gov. Frank J. Lausche signed the new law and it goes into effect Thursday.

DREAM MURDER

SANTOS, BRAZIL —(P)— An 18-year-old boy killed his father. He surrendered to police and told them his mother appeared in a dream and ordered him to kill him. She poisoned herself a few weeks ago when the father left her and set up housekeeping with a 24-year-old girl.

Rites Held For Mrs. M. L. McGee

Funeral services for Mrs. M. L. McGee, who died Monday, were held at 9 a.m. Wednesday in St. Ann's Catholic Church of Midland under direction of the Rev. Francis Taylor, O. M. I. Interment was in Rest Haven Memorial Park.

Rosary services were held at 8 p.m. Tuesday in the Ellis Chapel. Mrs. McGee was born in Lamar, Okla., and had been a citizen of Midland for a number of years.

Survivors include the husband, two sons and a daughter, all of Midland; two sisters; a brother, and a niece and two nephews.

Railway Enginemen Plan Protest Strike

WASHINGTON —(P)— A nationwide strike of railway firemen and enginemen is planned for next month to protest the rejection of a union demand for an extra fireman on diesel engines.

David B. Robertson, president of the Brotherhood of Locomotive Firemen and Enginemen, disclosed the plans Tuesday night.

The union request was turned down by a presidential emergency board September 19. Rail workers are barred by law from walking off their jobs until 30 days after an emergency board makes its report.

Youth Is Killed In Pre-Dawn Coon Hunt

MERKEL (P)— A pre-dawn coon hunt ended fatally for Billy Sam Perkins, 12. He died from a blast from his own shotgun.

A dog treed a coon about 3 a.m. Tuesday and the boy pleaded with his mother, Mrs. J. T. Blackburn of the Buthan Community near here, to let him go help the barking dog.

At daybreak Billy hadn't returned. Mrs. Blackburn found him dead near a fence. The 12-gauge, double-barreled gun lay several feet from him. One barrel was fired.

Mrs. N. D. Cobb, justice of the peace, ruled accidental death by gunshot wounds.
