Tid Bits Memorial Day Service Set

By H.V.O.

DIAMOND S Construction Co. employees are getting special attention in Eastland, and all join in welcoming these fine people headquartered here for a spell. The formal welcome mat rolls out Thursday evening when many firms keep their doors open late to serve the visitors. It's a good gesture, and Mrs. B. W. Robertson and we think that a regular summer night program on Thursdays would be extra good. We could call it Family Night in Eastland and give families a chance to "come to town" en masse on a cool evening to do their shopping and business. Might even talk J. D. Rowell of the Majestic to open up there a night early. It's something the Retail Trades Committee of the Chamber of Commerce could work on. In the meantime, we'll see you in town Thursday evening.

GERALD HAMMOND, manager of JRB Super Market here, reports that all is on schedule and he's looking for a grand opening of their new store sometime soon after the sixth of June. He and his work force are naturally thrilled over the new facility, and they all are most appreciative of the local people's interest in the new store. Everybody asks, "When do you open," and have been most concerned about the new JRB store.

ANNIVERSARIES ARE the vogue: Brays Dept. Store just noted their Sixth, and Super Save is in the midst of their Fourth, so congratulations are certainly in order all around.

IF YOU'VE noticed extra special coordination in apparel of the pretty ladies at Eastland National Bank, you can join in complimenting tasteful costumes which will be standard with the friendly smiles there. It's a united program and the ladies will show a variety of costumes through the days by wearing the same coordinated pieces on given days. We especially like the pretty, red, white and blue smart dresses they wore Tuesday.

NO WONDER the Jaycees get so much done. If they all have the enthusiasm of Richard Rossander, state vice president, who spoke to the Lions Club Tuesday. Giving proof to his zeal, is the fact that he only joined Jaycees some three years ago when he came to Eastland, now he's a state officer. He radiated the values of the young men's organization and urged participation on the local, state and national level, citing the many worthwhile projects the club undertakes on each level. Herman Alsop was program chairman and Ronnie Ledbetter was visitor from Cisco. The Lions are considering sending five local Scouts to Camp Billy Gibbons this summer. Dale Bakker has the program next week.

TO DATE, we've learned that the Courthouse and the Eastland Chamber of Commerce office, and the Post Office will be closed Memorial Day, Monday. Open will be Perry's.

Mrs. Fred Brown, owner of the new Three D Bridal Shop, located on U. S. Highway 80, E. in Eastland, will host a Grand Opening, and Style Show, June 6, from 4 p. m. to 6 p. m., at the shop. The Style Show, proceeding the Grand Opening will feature bridal attire, formals, costumes, and custom tailoring. Those wishing to attend the "Style Show", are asked to call 629-1371, between June 1 and June 4 for time and reservation. Mrs. Brown wishes to say, that in addition to her new work, she will still continue her regular work and her catering.

Verterans of Foreign wars and the Ladies Auxiliary Memorial day services will be held at Eastland cemetery, May 30, at 6:00 p. m. All Gold Star Mothers, of Eastland, county who have not been contacted, call Milton Nash Post Commander at 629-1375. The public is cordially invited.

Buddy Poppies On Sale Friday

The VFW Buddy poppies go on sale in Eastland, May 28 and 29, the sale is sponsored by the Ladies Auxiliary and members will be assisted by volunteers.

All proceeds from the nationwide sale will be used for disabled veterans and the widows and orphans of deceased veterans.

Your Nation's war dead have made it possible for you to live a life of freedom. Buy a buddy poppy and wear it in their honor on memorial day.

FULLER MOTOR CO. PRESENTS

LAUGH-A-DAY

Dizzy Dean was reminiscing about the days when he was a member of the old St. Louis Cardinals Gas House Gang. One day, he said, there was a close call on a player at home plate, and manager Frankie Frisch stormed out to comfort umpire Bill Klem. Klem waved him off, and Frisch elaborately feigned a faint, flopping flat on his back. Cardinals rushed out, fearing their leader had suffered a heart attack -- just in time to hear Klem proclaim, with the appropriate gesture: "Dead or live, Frisch, you're out of the game."

County School Supervisor Staff for 1971 Is Named

The staff of county school supervisors for 1971 was announced this week by O. L. Stamey, county school superintendent, whose office administers the program. The supervisors work with

county high schools on a co-operative basis, providing a number of educational and instructional services at no cost to the local districts, thus relieving the regular teachers for other work. Mr. Stamey explained.

One new member of the staff was named this year. He is C. J. Turner, a former Cisco educator who will replace Joe Weaver in working with the Cisco and Rising Star schools. Mr. Weaver will retire on July 1, after seven years of service.

Other supervisors as announced are: Charley Marshall, working with Eastland and Carbon schools;

O. C. Warden, working with Ranger and Gorman; operative librarian working with the Rising Star, Carbon and Gorman schools.

Mr. Turner retired and returned to Cisco last year after many years of service in administrative positions, serving as superintendent at Fort Davis and principal at Rotan high school among other positions. He has also served as president of Cisco Junior College and as principal of the Mrs. Norman Rawson, co-Cisco high school.

Mr. Stamey expressed his appreciation for the service which Mr. Weaver gave during his seven years tenure as a member of the supervisor staff.

Members of the county school board are I. C. Inzer, Eastland, president; R. A. Hammett, Cisco, vice-president; Ross Wilson of Gorman, George Steel of Rising Star and B. W. Parnell of Ranger.

1st Methodist Breakfast Here Honors Seniors

Eastland High School Seniors were honored with a breakfast at the First United Methodist Church, Tuesday morning, May 4th. The Breakfast was sponsored by the Women's Society of Christian Service (WSCS) with Mrs. Austin McCloud serving as general chairman.

The theme of the breakfast, "Around the World," was carried out with colorful travel posters, brochures, foreign music, incense and other decorations loaned by Abilene Travel Agency. The seven tables were decorated to represent different parts of call starting with the U. S. A., Mexico, Netherlands, Spain, Africa, Orient, and Pacific Isles.

The invocation was given by Rev. Cecil Ellis. Mrs. Cecil Ellis acted as travel agent, and welcomed the seniors aboard.

Phillip Smith, Senior class president, responded.

Mrs. Vernon Mahan and Mrs. Buddy Haun provided the entertainment by reviewing the "Traveled Antics" of the seniors, with a very humorous, cleverly written story, including all the members of the Senior Class, in "Around the World with the Seniors of '71."

Rev. Ellis closed with an inspirational and challenging, "Bon Voyage."

Fourty-two seniors, along with Mr. and Mrs. Wendell Siebert, Mr. Elvin Hill, Mrs. Thornton, Mrs. Haun, and Mrs. Mahan enjoyed their "trip".

Grandmother Of Local Wed

Mrs. G. E. Meador Sr., 71, was joined in marriage to Mr. Oscar Allen, 81, of Stephenville, Thursday May 13, in a double ring ceremony, in the Senior Citizens Club house.

The couple met through the Senior Citizens Club of Stephenville, and have been dating for a little over a year.

Mrs. Allen is the grandmother of Mr. Darby McCarey of Eastland.

Tortuga Dream Coming True, Rotary Told

Enthusiasm, optimism and a head full of ideas are needed in order to start any worthy project, and these qualities were certainly seen, and felt in Mike Collins, as he spoke on the Tortuga Project, at the Rotary luncheon Monday at 12 in the White Elephant.

Mike Collins, vice-president of Eastland National Bank, serves as executive vice-president of Dupont Corporation. He and Don Pierson are partners in the development project on the island of Tabagu.

Along with the excitement and discovery of this proposed development are the frustrations and headaches of which Mr. Collins explained a little of both to Rotarians and guests.

During his talk, Mr. Collins explained that the Government headquarters was to be here in Eastland. The island will be a freeport and is held in lease by the Eastland men.

Collins is very optimistic about the entire operation. Washington is now being informed, and more and more people are becoming interested in the project. At the moment, the project leaders are checking out any interested person wishing to be a part of the project.

"What was once just a dream is now seemingly becoming more and more a reality," says Collins. "To Eastland, the pessimist may be right; it may be nothing." "But I feel strongly there is reason to believe, that with some late hours and long weekends, that the entire project will come to mean a lot to our community," he concluded.

Rotarians had guests from Abilene and Denton. Phillip Harris was students guest.

May 25-29 Is Time For Spraying Pecan Trees Says County Agent

Pecan trees in Eastland County should be sprayed during the period of May 25 through May 29 says County Agent DeMarquis Gordon. The purpose of the spray is to control the pecan nut casebearer, the most destructive insect of the pecan.

Gordon said the adult casebearers have been emerging

over a longer period of time than usual. Because of this two applications will be needed for most effective control. Correct timing of the spray application is most important since the insecticide must be on the tree when the young larvae are hatching and before they enter the small pecans.

The county agent said two other factors are very important in the control of the insect—a thorough coverage of the tree with the insecticide solution and the use of the correct insecticide. The recommended insecticides include Malathion, Toxaphene, Guthion, and Thiodan. Gordon suggests that zinc sulfate be added to the spray solution to control rosette. A fungicide may also be added to control pecan diseases.

Growers who want to get a more complete control of casebearers should spray their trees a second time—about six days after the first application.

Monrovia, Liberia is named for U. S. President James Monroe.

Parade at 6 Saturday To Follow

Something new will be added when the Rising Star Roping Club inaugurates its 19th series of summer rodeos next Saturday.

Officially the season will open with a big parade through the Rising Star business district, including some 300 horses and riders and floats, decorated cars and other entries by local businesses, clubs, church and civic organizations.

But the entertainment will begin with a wild west sheriff's posse and bandit gang shoot-out climaxed with a 'live' hanging. The "cops and robbers" will do battle with six guns firing blanks and the good guys will triumph for law and order by stringing one of the bandit number to a utility pole.

The final event of the evening, of course, will be the initial rodeo performance to be held at the Rising Star Roping Club arena on East 36th highway.

Visiting riding club members who participate in the parade and individual riders will be massed in a Grand Entry at 8:30 p. m. that will set the program in motion.

Calf roping, bareback bronc and bull riding, barrel races and other contests will be presented in the arena where some of the outstanding rodeo performers of central and west Texas will compete.

Traditionally the first performance of the three-month season is held on Saturday to allow as much parade participation as possible, but all subsequent rodeos will take place on Friday nights — one a week.

Trophies as customary, will be awarded first, second and third place winners in the parade. Cash prizes are paid rodeo contest winners.

The sheriff-bandit shootout will be contribution of the newly formed Young Farmers Chapter whose 35 members will sponsor a barbecue at the American Legion Hall dining room after the parade where for a nominal charge a person may get a meal of pit barbecue and "trimmings" quite in keeping with the theme of the rodeo program.

Doyle Herring is chairman and chef of the barbecue committee. The Young Farmers spokesman said they anticipate serving 300 or more.

For those who do not care for barbecue several Rising Star cafes will be open and ready to serve their hunger.

The Rising Star Roping Club will lead in the parade by the newly elected club sweetheart, Janna Kay Hubbard, daughter of Mr. and Mrs. Jack Hubbard.

Admission prices will be the same as last year, Payton Scott, president of the sponsoring roping club said. They are \$1 for adults and 50c for children under 12 years of age.

Officers of the roping club in addition to Mr. Scott are: Fielding Winchester, vice-president; Mrs. Geraldine Richter, secretary and Mrs. Ima Yocham, treasurer.

Jinks Hollis will be the arena director charged with turning out the best of the performances, and A. D. Jenkins will be the parade marshal.

Youth Exchange

Described by Man Who Knows

The wonderful rewards of the Lions Youth Exchange Program were vividly explained to members of the Eastland club at their regular luncheon meeting at the White Elephant Restaurant Tuesday.

Speaking was Wesley Sinkel of Graham, District Chairman for the past three years, and vital cog in the program that has sent American youngsters to foreign countries for four to six week-visits, and helped received foreign students to these shores.

Eastland Lion George Fields was presented a Key Member Award for having secured many members in a dramatic presentation made by Deputy District Gov. Marcus O'Dell.

Introduced were Eastland High School Senior Jeff Jackson who will be sponsored this summer by the Eastland Club in the Exchange program in a visit to Paris; his parents, Mr. and Mrs. Harold Ray; and Mrs. Sinkel.

Guest was Everett Crain of Gordon, new owner of Rushing Motor Co. here.

With the State Director Loren Maples also living in Graham, the speaker said, it has been a wonderful program in sending and receiving these young ambassadors, who will, in his opinion, help shape the future world, based on these visits.

Jeff will be one of 30 to go to Paris; 30 are to go to Japan; and 30 to Sweden. The speaker complimented Jeff after reading his personal data, and learning that he lists outdoor sports, coin-collecting and Bible study as his hobbies.

The speaker told of one incident in which an American Exchange was told by his French hosts: "Our children are young and perhaps they will see your country. We are old, and you are the only American we knew."

Mr. Cecil D. Adams of 907 W. Fourth St., and husband of the former Miss Carla K. Fuller of 301 W. Fourth St., all of Cisco, Tex., is aboard the anti-submarine aircraft carrier USS Ticonderoga which recently completed a five ship anti-submarine warfare exercise in the Indian Ocean.

Following the exercise, he joined other personnel of Anti-Submarine Warfare Group Three in a memorial service at the Indian Ocean approach to the Sunda Straits honoring American and Australian personnel who lost their lives when the cruisers HMAS Perth and USS Houston were sunk in that area by enemy forces during World War II.
