NEW COMPANY

Texas National Guardsmen stand at attention, above, as the Wellington unit is officially designated Company E. Below, left, Guardsmen take their first practice on a TOW missile. Standing, from left are SP4 Ben White, SP4 Jay Thomas SGT. Harold McKinney. Kneeling is SP4 Martin Granados, left, and SP4 Bobby Carl. Taking part in the designation ceremony, below right, are, from left, LT. COL. Samuel White, LT James White and CPT. George Collinsworth.

Guard Expands from Detachment to Co.

Wellington's Texas National Guard unit was officially enlarged from a detachment to a full company in a ceremony Saturday, February 9 at the National Guard Armory.

At the same time the unit was changed from a mortar, Redeye missile and ground surveillance radar detachment to a TOW company. TOW's are Tube Launched Optically Tracked Wire Guided Link Command Missiles.

The new company, Company E, 2nd Battalion, Mechanized, 142nd Infantry, will have an assigned strength of 76 men. The old detachment, Detachment 1, Support Company, had an assigned strength of 48 men.

The company can have as many as 82 men, so 24 new slots are now open in the Wellington unit. The new company designation also means that current members of the company will have more opportunity for advancement while staying in the same unit.

"Wellington and the surrounding area has always had an outstanding unit," LT. COL. Samuel P. White, Jr. said. "The unit has had excellent support from the community, and that's one of the reasons that it was enlarged to company status."

"Another reason is 1SGT. Vernon Day," White said. "He is a fine example of what a Guardsman ought to be in the State of Texas. A big part of the reason for making

Farmers Can Apply for Drought Loans

Collingsworth County ranchers and farmers who suffered losses from dry weather from January 1985 through the present are eligible to apply for emergency loans through the county office of the Farmers Home Administration, FmHA county supervisor Raymond Hodges said today.

Hodges asked that those who need farm credit as a result of the severe drought make their needs known at the Farmers Home Administration office, 904 West Avenue, Wellington, Texas.

Applications for assistance in the disaster stricken counties will be accepted by Farmers Home until August 20, 1985 for physical and production losses.

Applicants who certify that other credit is not available may receive loans covering actual losses at an interest rate of five percent for the first $100,000, and eight percent on any amount over $100,000, and are scheduled for repayment as rapidly as feasible consistent with the applicant's ability to pay. Applicants who certify that other credit is available may also receive these loans at a higher interest rate.

To be eligible for an emergency loan, an applicant must have suffered losses from the disaster which occurred January 1, 1984 and continuing.

The county had to be delcared a drought disaster area before the loans were available, and that certification has been completed.

Application also has been made to certify the county as a disaster area as a result of the early frost that occurred in September, 1984. However, the freeze disaster designation may take several months to work its way through bureaucratic channels. Hodges said that he had been told it may be 3 to 6 months before the county could be designated a disaster area as a result of the frost.

WHS Girls Play In Bi-District

Wellington High School varsity girls basketball team will meet Stratford in a U.I.L. bi-district playoff at 7 p.m. Thursday, Feb. 14 at the Borger High School gym.

It is the first time in 16 years that Wellington girls have been in the playoffs. It is the first time ever for the Rockettes to be in a playoff since the 5 on 5 format was introduced for girls.

"We've come a long way," said coach Don Lacy. "Our record, 15-11, is not as impressive as some because we lost some games early. But since December 1 we've only lost 3 games and have been playing good basketball. We feel that we've improved tremendously and that we can play with anybody now."

The Stratford Elkettes come into the game with a 21-5 record. "They have a good team and they're big," coach Lacy said. "One of their starters was all-state last year, Sheila Cummings, who's averaging 25 point per game."

Wellington took second place honors in district competition, losing the district championship by one point to Quanah last week. Stratford won their district, beating Panhandle by one point.

Wellington school officials thought last week that a playoff game with Shamrock would be necessary to determine the district's second place representative. But a re-reading of the rules at a district meeting last Friday determined that Wellington was the second place team. Wellington tied Quanah for first place in the first half of district play. Quanah won the second half of district play, and Shamrock was second in the second half.

Quanah plays Sanford Fritch at Clarendon College gym Friday night in bi-district action.

The winner of the Wellington/Stratford game will play the winner of the Crosbyton/Hale Center game Tuesday, Feb. 19 in an area playoff at a site to be determined later.

The regional tournament will be held Feb. 22 and 23 in Lubbock.

The Elkettes are coached by former Wellington coach Dale Morris. He coached many of the girls now on the Rockette team. The athletic director at Stratford is Bruce Dollar, also a former

Jones did not sell his steer and will show it at the Houston Livestock Show February 25 through March 13.

Three other Wellington 4-H'ers took honors at the Ft. Worth show. Patricia Fourmentin's Limousin heifer placed 7th in the spring yearling class. Tim Hartman's Hereford steer placed 15th in the heavyweight class. Tommy Thomason's Hereford steer placed 9th in the middleweight class. D'Nae Keller's Polled Hereford steer lost a baby tooth after it arrived in Ft. Worth and was disqualified.

ECA and EMT Classes Begin Tues., Feb. 19

Classes for Emergency Care Attendants and Emergency Medical Technicians will begin Tuesday, Feb. 19 at the Farm Bureau building.

Classes will be held from 6:30 to 10:30 p.m. each Tuesday and Thursday for a total of 10 sessions.

Marshall Peters will be the instructor. The courses will include classroom lectures and skills practice.

Completion of the 40-hour course will qualify a person to be an Emergency Care Attendant (ECA). The course will also satisfy requirements for those who are already Emergency Medical Technicians (EMT) and who must take a 40-hour course once every 4 years to maintain certification.

The course is taught through Clarendon College and there is a $35 registration fee. Textbook cost is $11.

The class is open to the public. Peters said that a person who takes the course is not required to join the Collingsworth Volunteer Ambulance Service, but that the service needs more volunteers, and anyone who takes the course would be welcome to join. Peters will be assisted in the classes by members of the service.

Anyone who needs further information should contact Marshall Peters, 447-2490.

the detachment a company is SGT. Day's successful record."

A new full time officer has been added to the Wellington staff as a result of the new designation. SGT Bob Haney has moved here from Amarillo and as supply sergeant will handle all of the company's equipment.

He joins 1SGT. Day, and SSG. Epifanio Castillo, Jr. Paperwork is also being processed to add a fourth full time officer at the unit, SGT. Alan Riley, who will serve as armorer and will handle all of the company's weapons.

New equipment for the company will include 12 TOW systems, 16 track vehicles, 3 2 1/2 ton trucks and a Blazer.

The company will be divided into 12 TOW sections, a maintenance section, a food service section and a headquarters section. The new food service section will prepare two meals each weekend that the Guard drills at the armory.

TOW's are missiles that have a range of 2 miles and can penetrate heavy armor such as a tank.

"I'm proud to come back as company commander," CPT. George Collinsworth said. Collinsworth is a former commander of the Wellington unit when it was a detachment. "They have always done an outstanding job, and it's an honor to serve here again as the first commander of E Company.

"The Wellington unit has the caliber of people to make a new company go," LT. COL. White said. "Given a little time to train with their new equipment, I think this company will be as good as any anywhere."

Planning a vacation? A few precautions will make it less likely you'll come back to find your home invaded and your treasured possessions missing.

* * *

Most burglars are not particularly brave: they prefer to strike a house that's unoccupied. That's why the best way to discourage them is to give your home that "lived-in" look, even if you're not there.

* * *

It's smart to invest in timers that will turn on lights, radios, and the television at different times of day and evening, to simulate your ordinary living patterns. Best choice are the timers with variable settings.

* * *

Stop mail and newspaper deliveries for the time you're gone. Don't leave empty garbage cans around; stow them away. Shades or blinds should be half-drawn, not down. Don't leave any lights on continuously, inside or out.

* * *

Most important: make it hard to get in. Be sure sturdy locks are installed on **ALL** doors and windows. Don't forget basement windows and the door from garage to house.

Luncheon Honors Mr., Mrs. Judd on 50th Wedding Anniversary

Forty relatives and friends, most of whom were from out of town, gathered for a luncheon in the fellowship hall of the Church of Christ in Wellington in honor of Mr. and Mrs. C.M. (Dick) Judd's golden wedding anniversary, February 2.

Mr. Judd presented his wife with a new wedding band in which had been set the diamonds from the set of rings he had given her on their 25th anniversary.

Another highlight of the occasion was the introduction of Mrs. Monta Judd of Portland, Oregon, wife of Mr. Judd's late brother, Thurston, who died in an automobile accident in 1950. This was her first trip back to Texas since 1949.

Another highlight came when Mrs. Nettie Green, a long-time friend, was presented a birthday card and cake. The friends have been celebrating these two occasions together for many years.

Minister Haun Kite brought a short message about "what marriage should mean to us," and gave the invocation before the meal.

"Friends and relatives brought food or helped with the serving.

That afternoon the Judd's five children hosted a reception. The children are, Trueman and Bette Judd, of Amarillo, Ronald and Diane Judd of Austin, Patricia Dale and Joe Wilkins of Bakersfield, Calif., Dickie and Reta Gudd of Olathe, Kan.

All 5 children were in the receiving line.

A three-tiered wedding cake and punch was served by daughters-in law, assisted by other family members and friends.

The top layer of the wedding cake was displayed on a cake plate that Mr. and Mrs. Temple Slay gave the Judd's for a wedding gift in 1935.

On the groom's table were coffee and a chocolate sheet cake decorated with scissors and combs depicting Judd's many years as a barber. Also on the table was a ceramic figurine of a barber cutting a child's hair on which was written "Dick's Barber Shop." It sat on a plaque which read "The Hair Butcher," which Judd's friends joking call him.

Janet Judd of Austin was at the registry assisted by her husband, Randy, and Kathryn and Gaylon Matous of Galveston, grandchildren of the Judd's.

Beth Green displayed the gifts.

Other members of the house party were Mrs. Paul Fister of Austin, Mrs. Buck Judd, Mrs. Milton Brown, Mrs. Dan Culp and Mrs. Birdie Francis, all of Amarillo, and Mrs. John Jackson, Mrs. W.L. Green, Mrs. Mattie Winton and Mrs. Ray Floyd.

One hundred friends and relatives attended.

Personal Health Risk Factors Discussed by Garden Club

"The Wellness Exchanges," a program that deals with the ways women and men can improve their health, was presented at the regular meeting of Wellington Garden Club in the home of Mrs. Claude Caison.

The slide presentation, given by Mrs. Lorene Jenkins, and shared by GFWC 1924 Study Club, had three goals: to help club women learn how to follow a more healthful lifestyle, to show how men and women can control their health by becoming more aware of how to reduce the risks that can lead to disease, and to illustrate how the escalating costs of health care may be curbed.

Risk factors were discussed both controllable and uncontrollable. Controllable factors include improper diet, obesity, lack of exercise, hypertension, stress, smoking and alcohol/drug abuse. Uncontrollable factors are age, sex and heredity. These risk factors control one's physical, spiritual, social and mental health.

Exercise is an important step toward better health. Some Garden Club members are signed up with the "Walking Challenge" sponsored by 1924 Study Club.

Nutrition and health go hand in hand and Garden club members answered roll call with nutritious vegetables being planned for this year's garden.

Mrs. Joe Terry, president, called the meeting to order and gave a poem "A Thought for the Day." Deloyce Savage read the Collect and Roll Call was answered with "What nutritious vegetables do you grow in your garden." Correspondence from Girlstown was read and the treasurer's report given.

Refreshments were served by Mrs. Caison to members present.

MRS. RANDY AARON

Miss Wilkirson, Mr. Aaron Marry Feb. 2 in Ft. Worth

The First United Methodist Church of Ft. Worth was the setting for the 2:00 p.m. February 2 double ring service that united Miss Anne Wilkirson and Randy Caroll Aaron in marriage. Dr. Barry Bailey was the officiating clergyman. The altar was decorated with two arrangements of white glads, spider mums, and pom mum in gold containers on each side with gold arch candelabras with crystal votives and fresh greenery forming a complete background for the front of the church.

The bride is the daughter of Mr. and Mrs. Oscar Lee Wilkirson of Grandview and the bridegroom is the son of Mr. and Mrs. Jack Aaron of 900 Mohawk, Burkburnett.

The bride selected an ivory formal gown of silk faced satin designed by Phyllis for Bianchi. Fashioned with a high neckline, ending in a sheer yoke with swirls of pearls, the dress featured long tapered sheer sleeves. French imported re-embroidered beaded Alencon lace was lavishly appliqued on the moulded basque bodice and the sleeves. Tiny satin buttons extended down the back of the gown. More of the exquisite lace encircled the hemline and the cathedral train featured an insert of English net, adorned with more lace motifs and pearls. To further compliment the beauty of her ensemble, the bride wore a pearl encrusted Juliet cap. Lace edged illusion adorned with lace motifs cascaded down the gown. She carried a short cascade bouquet of bridal pink and white roses, white butterfly orchids, stephanotis, baby's breath, and English ivy.

Stanley Shepelwich was organist and Miss Phyllis Gandy sang "Because," and "The Lord's Prayer."

Miss Martha Louise Cigarra of Laredo was maid of honor. Other attendants were: Ms. Curtis Heptner of Burkburnett, Mrs. Douglas Garrison of Vernon, sisters of the groom; Mrs. James Leon Hailey, Miss Cara Lynne Bounds of Houston; and Miss Sue Ann Smith of Rio Vista. They were gowned alike in royal blue irredescent taffeta gowns by Galina. They carried continental bouquets of hot pink gerber daisies, blue corn flowers, white tulips, rubrum lilies, baby's breath with English ivy runners.

The best man was William Daniel Nix of Burkburnett and the groomsmen were David Nix of Waco, Rodney Roberts of Burkburnett, John Barad of Wichita Falls, James Edward Koulovatos of Graham, and John Pollan Wilkirson of Houston, brother of the bride. Alexander J. Koulovatos of Burkburnett ushered.

The Wildcatter Room at the Petroleum Club of Fort Worth was the scene of the reception hosted by the bride's parents. Guests were received by Mr. and Mrs. Pat T. Wilkirson. Members of the houseparty were: Miss Mary Wilkirson of Fort Worth, Mrs. Kathryne Bennett Hillier of Dallas; Miss Patricia Pitchford of Austin; and Misses Carolyn Crawford, Julie McDougal and Katherine Taylor of Houston. Denise Garrison, niece of the groom and Jacqulyn Wilkirson, cousin of the bride, passed out rose petals.

The bride received a BBA degree from The University of Texas where she served as treasurer of Kappa Delta Sorority and was a member of Omicron Delta Kappa. She has been employed by The Texas Department of Banking as a bank examiner.

The groom is a graduate of Texas Tech University in Lubbock where he received a BBA in Finance. He is vice president of the Burkburnett Bank.

After a wedding trip to San Francisco and Lake Tahoe the couple will reside in Burkburnett.

DKG Discusses Texas Bill That Would Close Schools Under 250

A Texas Senate bill which would close public school systems with an enrollment under 250 was a topic of discussion at Gamma Kappa Chapter, Delta Kappa Gamma, meeting February 9 in the home of Edgar Mae and Mabel Mongole in Clarendon.

DKG members were urged to write their Texas representatives and senator about the proposed legislation, Senate Bill 263, during the "one liner" section of their program.

Jane Sheer gave the "encouragement," based on the state DKG president's thoughts. The title was "A Song to Sing." The program emphasized the idea that each individual is a person that someone is watching, and that the song each person sings will affect some other person.

"Literacy Program for Betterment of Communication," was the title of the program by the research committee, given by Evelyn Messer of Hedley School, Hedley.

One of the program topics for discussion was "Should English be the official U.S. language?"

Attending the meeting from Collingsworth County were Maudie Coffee, Jane Sheer, L.C. Sweat and Myrtle Hill.

Statue of Liberty Restoration Discussed by La Paisana, DAR

"Liberty Love Day," a program of facts and sidelights about the Statue of Liberty, was presented at the regular meeting of La Paisana Chapter, National Society, Daughters of the American Revolution, February 4 in the Heritage Room.

Mrs. B.M. Sims used visual aids to illustrate her talk on the Statue of Liberty, sometimes called "Lady Liberty." Members gave donations to go toward the restoration of the Statue of Liberty.

Mrs. Sims and Miss Rita Lowrie were hostesses.

The regent, Mrs. Walter Pendleton, led the rituals and presided over the business session.

Mrs. Boyd Derryberry, secretary, read correspondence concerning an invitation from San Antonio de Bexar Chapter to a tea honoring Mrs. Richard J. Mason, candidate for State Treasurer of the Texas Society at Fort Sam Houston. A bulletin containing the slate of officers being presented by the state nominating committee was on display.

Mrs. Pendleton briefed members on the President General's message and Mrs. R.A. Dodgen gave the national defense report. Plans were completed for the American History Month Awards Ceremony for February 10.

Seasonal decorations of cherry trees with red hearts were on the tables.

Attending were Mrs. Pendleton, Mrs. Dan Henard, Sr., Mrs. Louise Templeton, Mrs. Hug Bowen, Miss Maudie Coffee, Mrs. Dodgen, Mrs. Bura Handley, Mrs. John D. McDowell, Mrs. Boyd Derryberry and the hostesses, Mrs. Sims and Miss Lowrie.

The next meeting will be March 4.

HOOFERS

Women participating in the 1924 Study Club walking program include, at front, Mary Foster, left, and Dorothy McGill. Seated on the second row, from left, are Lola Estes, Levonia Messer, Judy Clark, Lorene Jenkins and Lottie Taylor. Standing, from left, are Judy Hall, Mamie Terry, Lottie Handley, Mary Alice Holland, Debbie Duncan, Ruth Derryberry, Barbara Reynolds, D'Ett Creed and Lennis Sims.

Walkers Hoof It for Health

Even though the "Old North Wind was whistling through our barbed wire," it did not hamper a group of local "High Steppers" Sunday afternoon. Some even "hoofed it" from their homes to the town square.

The highlight of those attending this informal gathering on the Courthouse steps was the presentation of "tokens of appreciation" for participating in the GFWC-Prudential Walking Challenge. This community project is being sponsored by the GFWC 1924 Study Club membership.

With the overall theme being "Don't Horse Around; Hoof It Where 'Ere Ye Are Bound," the brass horse shoe charms inscribed with Good Luck were awarded to all attending by the project chairman, Judy Clark, and club president, Lorene Jenkins. During the presentation, the charms were nestled on a replica of the tokens accented with burlap and red and white checked gingham bows around life-size horse shoes.

Recipients, known as "High Steppers," were Judy Hall, D'Ett Creed, Barbara Reynolds, Lola Estes, Lottie Taylor, Levonia Messer, Mary Foster, Mamie Terry, Dorothy McGill, Lottie Handley. Sponsoring club members included were Lorene Jenkins, Debbie Duncan, Mary A. Holland, Ruth Derryberry, Lennie Sims, Judy Clark; club members not present were Vicki Wilbur, Neva Kite, Nancy McKinney, Anne Fires, Frances Martin and Jean Ross.

From chatting with the "High Steppers" and tabulating the charts, project chairman Judy Clark said that indications from the survey show that people use both indoor and outdoor walking routines, depending upon the weather and/or their reasons for walking. While some, she continued, are comparatively new at this sport, others have had it as part of their exercise regimen for years.

Although at this time an evaluation of the chart information is needed by February 15 or 16, the GFWC-Prudential Walking Challenge project/survey will continue for several more months. All the charts to be returned by mid-February may be taken to the drive-in window at Wellington State Bank or Mary Foster or Rosey's Jeans and Things. This coincides with the time to exchange for the second half of February's charts.

Some look forward every two weeks to see what the surprise rhyme will be. Thus far these have been: October - "Get with the Up Beat; Walk with our Youth as They Trick or Treat"; November ; "Pocahontas Set a Rapid Pace to Be with John Smith at the Pilgrims' Place," and "To Keep Your Ticker Tockin' Try the Turkey Trot, As you Do a Little Walkin'"; December - "As You're Trucking Right Along, Try Hummin' a Merry Christmas Song," and "As Santa's Time Is Drawing Near, Let's Shift Our Gear to Receive the New Year"; January ; "While Stepping High in '85, Keep Up That Pace to Compete in Father Time's Race," and "If the Old North Wind Whistles Thru Your Barbed Wire, Even Tripple Hoofin' It Won't Make You Perspire"; February; "Cupid Put His Heart in Motion; He Walked Whenever He Took the Notion," and "Keep Up Your Gait for Your Valentine's Mate!"

Others eligible in this Walking Challenge, America's #1 Exercise, who have not contacted the club chairman, Judy Clark, may do so at their earliest convenience and qualify for the festive horse shoe charm.

Although putting the name on the chart is optional, those known registered "High Steppers" who were unable to accept the January 10 meeting invitation or the February 10 presentation ceremony include Sue Skelton, Rosey Wischkaemper, Margaret Vines, Emily Oney, Barbara Clark, Howard Crosby, Becky O'Rear, Sonia Blacksher, Rita Lowrie, Louise Rogers, and Mrs. Chester Wadley. These "High Steppers" may contact Lorene Jenkins or Judy Clark for the deserved token of thanks from GFWC 1924 Study Club membership.

These days you can't afford to run a "one-man show"!

There was a time when a young farmer or rancher could pull himself up by his bootstraps and make a go of his operation by himself. But with increased competition, both from here and abroad, it's getting tougher and tougher to run a "one-man show." This is why your membership in the Texas Farm Bureau is so valuable to you.

Your voice becomes united with more than 300,000 other member families in Texas to be better heard in the marketplace and in the Legislature. You can participate in one of our 14 commodity divisions where you learn the very latest marketing and problem-solving techniques for your particular commodity.

The economic services of the Texas Farm Bureau more than pay for your membership. From the best insurance programs, available at competitive rates, to outstanding values in tires, batteries, and tillage tools from participating Safemark distributors, you are able to gain a competitive advantage over non-members.

But probably the greatest asset in being a member of the Texas Farm Bureau is that you play an active role in the future of Texas agriculture. Because our policies are made at the grass roots level by men and women like you. People who have the same wants and needs and share the same problems as you.

So if you're tired of going it alone, contact your local county Farm Bureau office today and join the winning team... the Texas Farm Bureau.

Ash Wednesday Mass Set for 5:30 p.m. Here

Ash Wednesday Mass has been scheduled for 5:30 p.m. Wednesday, February 20 at Our Mother of Mercy Catholic Church in Wellington, Rev. Paul Sauerbier, pastor, announced.

The Signing with Ashes will take place within the celebration of Ash Wednesday Mass, Rev. Sauerbier said. Ash Wendesday begins forty days of Lent in preparation for Easter, Sauerbier said.

"The chosen people wandered in the desert for forty years before coming into the promised land," Rev. Sauerbier said, "and many churches spend the forty days of Lent in prayer and penitence in preparation for celebrating the promise of our redemption during Holy Week and Easter."

Ash Wednesday Mass will also be held February 20 at 12 noon at St. Mary's church in Wheeler and at 7:30 p.m. at St. Patrick's church in Shamrock.

Volunteers Asked to Help Adults to Read

One out of five adults in America cannot read.

To help remedy this problem in the Wellington area, a Tutor Training Workshop will be offered soon, either in Wellington or in Amarillo, by the Amarillo Area Adult Literacy Council.

Anyone interested in helping teach an adult to read is welcome to attend the workshop. The training is free of charge.

Those who would like additional information on the program should call Charlotte Myrick, 447-5640.

Anyone who knows an adult who cannot read also is asked to contact Mrs. Myrick. Their names will be kept confidential, and they will be referred to a tutor after the training workshop.

In the U.S. 23 million adults 18 and over or about 1 in 5, did not have the literacy skills to complete everyday tasks, such as reading a want ad, addressing an envelope, or filling out a form, the U.S. department of Education said in 1975. In Texas 5.4% of people 145 years and older have had less than 5 years of school. One million six hundred thousand Texas adults are functionally illiterate, according to information given to Mrs. Myrick. Thirty thousand one hundred fifty-six adults in Amarillo did not graduate from high school according to the 1980 census.

"Illiteracy, the inability to read and write, makes us all losers," Mrs. Myrick said. "We pay for illiteracy in lost dollars, lost productivity, lost human rights, lost safety and in programs that treat the symptoms but seldom affect the cause."

Farm Bureau Holds Membership Drive This Week

The week, February 11-15 is part of a statewide observance during which county Farm Bureaus will make a special effort to enroll new members, according to Lynn Emmert of Wellington, president of the Collingsworth County Farm Bureau.

George Barton of Wellington is chairman of the membership committee which is responsible for membership acquisition and maintanence.

With more than 300,000 member families on its membership rolls, the Texas Farm Bureau is the largest state Farm Bureau in the nation. The Farm Bureau is a grass-roots organization, and its foundation is the county Farm Bureau. There are 217 organized county Farm Bureaus in the state, including the Collingsworth County.

Lynn Emmert said the local county Farm Bureau has 713 member families and is seeking to exceed that figure in 1985.

He said that the Farm Bureau is a general farm organization that seeks to improve income and living conditions of farm and ranch families. It represents the farmer and rancher at the local county courthouse, in Austin, and in the nation's capital, Emmert said.

Labeled for PROTECTION

Some medicines may be taken internally; others are for external use only; therefore labels caution us as to their proper use. These precautions are for our own protection and good.

All things in life are not so clearly marked as to their proper use. The Bible is our source and guide, our label.

Thy word is a lamp unto my feet, and a light unto my path.

Psalm 119, 105

ATTEND CHURCH, STUDY GOD'S WORD

EVERYONE IN THE CHURCH ... THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Airplane Propellers Making Comeback

COLLEGE STATION - Fuel conserving, counter-rotating propellers should be operational on commercial aircraft within the next seven to nine years, predicts an expert at Texas A&M University.

Under a grant from NASA's Lewis Research Center, Dr. Kenneth Korkan and several graduate students are studying noise problems related to counter-rotating propellers, a system that uses two propellers rotating in opposite directions on the same shaft.

Tests have shown that counter-rotating propellers are extremely fuel efficient as the back propeller absorbs the swirl created by the front propeller and converts it to thrust, said Korkan, a prominent researcher in the field for 20 years.

Korkan said propeller-driven aircraft can now overlap the turbo-driven airplane in speed, reaching as high as eight-tenths the speed of sound.

CARD OF THANKS

We are home again for awhile and the way our family spells "thank you" is LOVE Thank you for letting God minister to us in love through each of you at the time of Ray's surgery here in December and again at High Plains in Amarillo in January, and since we've been home. There is too many loving, unselfish deeds done for us to begin to mention them, so we will just ask God to bless you abundantly for it all.
Ray & Vaneita and Family

With deepest gratitude we extend this word of thanks to all those who were so thoughtful and kind to us at the passing of our loved one.
For the beautiful floral offerings, cards, food, and many expressions of sympathy, we are truly grateful. Your kindess has meant much to us.
The family of Ethel Brewer

We wish to express our appreciation to our many friends who visited me while I was in the hospital and at home and for all the prayers, gifts, cards, flowers and food. May God bless all of you.

NATIONAL HONOR SOCIETY

New members and officers of Wellington High School National Honor Society attended an installation ceremony for new members Sunday. Front row, from left, are Margo Duncan, Holly Wilson, Rudy Torrez, and Tommy Cochran. Second row, from left, are Karen Mote, Christi Whitten, Penny Wilkins, and Trudy Baker. Back row, from left, are Wesley Reeves, Kim Castleberry, Heath Ingram, Vanda Wood, Mike Myrick, and sponsor Deanna Van Pelt.

Honor Society Adds Seven Members

Seven new members were inducted in the first local ceremonial induction held by the Wellington Chapter of the National Honor Society. Before the ceremony started, Deanna Van Pelt, chapter adviser, presented the official National Honor Society charter to Wellington School principal Eddie Hankins and Supt. Kenneth McKay.

Using a candle ceremony, the officers of the N.H.S. inducted the seven new members. New members are Margo Duncan, Mike Myrick, Karen Mote, Wesley Reeves, Christie Whitten, Penny Wilkins, and Holly Wilson. Officers are Vanda Wood, Heath Ingram, Kim Castleberry, Tommy Cochran, Rudy Torrez and Trudy Baker.

One of the responsibilities of the N.H.S. is to conduct a community service project, and on March 5, the N.H.S. will hold its academic fair. This is the second year for the academic fair. The fair will be judged by Region XVI Education Service Center consultants.

COLLINGSWORTH COUNTY AGENT REPORT

DON REEVES

FRUIT, NUT TREES NEED ANNUAL "LUBE" JOB

Have you given your fruit and nut trees their annual "lube" job? This refers, of course, to an application of dormant oil to control scale insects.

Why control scale insects?

The answer is simply to save the tree. If a scale insect such as the San Jose scale or white peach gets started, it could kill your tree.

Dormant oil can be purchased at many different stores where garden supplies are sold. Be sure to follow all label directions and apply the mixture when the temperature is between 40-70 degrees F. Do not apply if a freeze is likely within 48 hours after application, and do not apply after the tree has budded out. Dormant oil is applied when the tree is dormant. Spraying flowers and leaves could cause leaf burn and flower drop.

Scale insects are difficult for most people to detect, so dormant oil should be applied once each year. Sooner of later your tree will probably be attacked by scale insects, so be ready by guarding against them with an application of dormant oil.

GIRL SCOUT NEWS

All the Wellington Girl Scout Troops attended a special cookie training session at the Wellington Elementary School Monday, Feb. 11.

Little Brownie Bakers have used stronger glue and a different package which is more tamper resistant since the incidents last year, in which foreign objects were inserted into some packages.

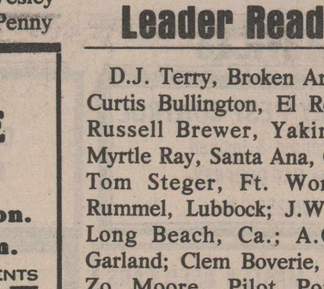

The scouts watched a film showing the cookies being made and sold door to door. Afterward they enjoyed a cookie and coke party.

This year they will have a new cookie, Juliettes. The girls will be taking orders Friday, Feb. 15 through March 4, for delivery beginning March 29 to April 19. Cookies are still $1.75 a box.

Cookies will be distributed to some of the local businesses compliments of Little Brownie Bakers.

If you are not contacted by one of the Girl Scouts, you may place your order or get more information from the following leaders: Gayle Hankins, 447-2145; Diane Frasso, 447-2721; David Keller, 447-5529; Rhonda Colson, 447-5241 or see Irene Torrez or Josie Torrez.
