KERN HEADS COMMITTEE WORK

rk Taking On 'New Look'

"new look" in Slaton's County Park is becoming noticeable with the com- of spring.

There has been little "fan- about work being accom- ed, and none has been re- ed. However, Bob Kern, an of the Slaton Chamber merce parks and recrea- mmittee has been the hind the scenes in the autification project.

Work has been completed on rbed area, filled with sand, the location of new play- equipment. This new nt is scheduled for in- on in the next week or

goals for 1965, accord- ing to Kern, will be the closing of the Lynn Street entrance on the east side, planting new trees, and providing supervised maintenance. The city recently agreed to help with the supervised maintenance work, and Cemetery Supt. Cam Jordan will head this project.

The 1965 paving program calls for the paving of 13th street on the east side of the park, and the closing of the Lynn Street entrance would be accomplished at this time-- if the city approves.

The longrange plan calls for the closing of streets through the park, leaving only a double entrance-exit on the south side. Kern thinks this would do away with dangerous traffic hazards and might reduce vandalism in the park.

The street closing ties in with a "master" plan for land usage in the park--a sketch of which can be seen on the first page of Section II in today's Slatonite.

The Slaton Athenian Club has been active in this longrange planning, with Mrs. L.A. (Cleo) Reasoner heading a club committee on the project. They requested and secured a proposed "master" plan from the Lubbock Parks & Recreation Department.

The park is situated on six square blocks, consisting of some 16 acres of land. As most citizens know,it is bounded on the east and west by 13th and 16th Streets, and on the north and south by Crosby and Garza streets.

Both the city and county provide maintenance and park improvements and, of course, the chamber of commerce has helped in the beautification program. Commissioner George Green is also supporting improvements in the park.

Kern took over the committee work last spring. Since then, old and dangerous playground equipment was moved from the area north of the swimming pool and that area was plowed and reseeded with grass; 15 new trees were planted; pruning work was accomplished on about 110 trees; five new concrete picnic tables and ben ches were installed; concrete slabs were put under five existing picnic tables, and the curbed area for the new playground equipment was accomplished

As reported in a picture story in last week's Slatonite, Boy Scout Troop 125 spread and leveled the sand in the curbed area. Twenty troop members, guided by Kern and Assistant Scoutmaster Alex Webb, prepared the area for the new equipment.

The proposed master plan for the park calls for a big parking lot to the north and west of the Clubhouse. The parking area would serve the Clubhouse , swimming pool, Little League Park, and any present or future buildings located in that vicinity.

This plan also has future projects outlined--such as a community center building, a children's play area on the west--consisting of a bunker and "sand box" , and two new tennis courts.

The planner, a professional parks man, did not include the American Legion Hall or the barracks-type buildings now used for Scout meetings. These will have to be taken into consideration in the longrange planning program.

CITIZENS URGED TO JOIN IN PROJECT

City Plans Spring Clean Up

Homeowners in Slaton are being urged to participate in Spring Clean-Up Week, beginning Monday, not only to "spruce up" their homes, but also to eliminate unnecessary fire hazards.

Spring Clean- Up Week comes at different times in different communities coast to coast, but in most towns and cities it is observed in April or May.

Slaton's Clean-Up Week has been proclaimed by Mayor Jonas Cain for April 26 through May 1, and it is under the joint sponsorship of the Chamber of Commerce, Volunteer Fire Department, and the City.

Don Kendrick, fire chief, and Jake Wendel, Chamber of Commerce vice president, are acting co-chairmen of this year's community Clean-Up drive.

Citizens have also been urged to do the traditional "paint-up, fix-up" work in conjunction with the observance of clean up week.

The chamber and city are stressing a clean-up of yards, lots and homes, while the fire department is concentrating on information to eliminate fire hazards around homes and businesses.

Posters are being placed in Slaton firms, and the fire department is distributing brochures and will send "home inspection" blanks home with school children.

Citizens who have large pieces of junk around their homes are urged to put them in the alley during the week, or call the city hall for a crew to pick up objects too heavy to move. Piles of rubbish should be placed in the alley near garbage and trash cans.

Merchants are also being urged to join in the clean-up program by clearing out waste materials and refuse which may have accumulated during the winter months. A special plea is also being made for property owners to clean off vacant lots--both for appearances and health reasons.

Kendrick, in citing the need for clean-up as a part of fire safety, stated: "we want to keep up our fire prevention efforts, and cleaning up our homes in the spring is an important part of the overall fire safety job."

The fire chief commended residents for helping keep down fire losses in recent months but he added that "we cannot relax our efforts to prevent fires... they take a tragic toll in lives as well as property." He pointed out that more than 11,000 persons lost their lives in fires last year.

Fire losses in the U.S. last year averaged almost $30 per family. "Most fires are needless," Kendrick declared, "because three-fourths of all fires are the result of carelessness."

Lowe Services Held Saturday

Services for Mrs. Annie Mae Lowe, 75, long-time resident of Slaton, were at 2 p.m. Saturday in the First Baptist church with Rev. J.T. Bolding, Lubbock, officiating, assisted by the Rev. Hamilton, Plainview.

Burial was in Southland Cemetery, Southland,under the direction of Williams Funeral Home.

Born in Alabama, Mrs. Lowe died at 6:20 a.m. last Thursday in Mercy Hospital.

Survivors include five daughters, Mrs. Grady Clark, Mrs. Nellie Taylor, and Mrs. Bonnie Tillery, all of Slaton; Mrs. Hollis Shewmake, Plainview, and Mrs. Fred Burns, Merced, Calif.; two sons, Sam, Woodrow, and Carter, Detroit, Mich.; one sister, Mrs. Harve Tumblin, Alabama; 24 grandchildren and 13 great-grandchildren.

K of C Meet Here Sunday

The Slaton Knights of Columbus will play hosts to a major degree Sunday. The 18th District is made up of councils from Pep, Lubbock, Level land, and Slaton.

The day's activities will begin with mass and communion at 8 a.m., followed by breakfast. The degree will start at 10:30 a.m. and a dutch lunch will follow.

Councils from 20 cities in this area have been invited to come to Slaton for the exemplification. James F. Houlihan of Port Lavaca, past state deputy, will be the conferring officer.

NEW SCHOOL TRUSTEES--Dr. Don Hatchett, Slaton School Board president, center, welcomes Don Kendrick and Tommy Davis as new members of the local board. The two took office during a school board meeting Tuesday night, after winning uncontested races April 3. They replaced J.T. Kendrick and R.E. Ayers. (SLATONITE PHOTO)

School Trustees Take Oath At Board Meeting Tuesday Night

Slaton School Board met in regular session April 20, 1965 in the business office of the Slaton schools. Minutes of the last meeting were read and approved and outstanding bills were authorized to be paid.

The returns of the election held on April 3 for the purpose of electing two school trustees to serve a term of three years were canvassed. Don Kendrick and W.T. Davis Jr. were declared elected and were presented with a commission declaring them as trustees of the Slaton Independent School District. Each signed the required oath of office.

Officers of the new board were elected. Dr. Don Hatchett was reelected as president of the board; Joe Miles was reelected secretary and the vice-president elected was Max Arrants.

The board entered into a discussion on "Project Head Start." This project is designed to offer some classes to enter school for the first time in September, 1965. This projectis financed largely through the Economic Opportunity Act passed by the United States Congress.

This project will not replace, but will supplement the present summer program sponsored by the State of Texas. It is temporary in nature in that it is set up for the summer of 1965 only. All future projects of this nature will be set up under another title of the Economic Opportunity Act.

The Board approved the submission of an application for a Head Start Project from the Slaton Independent School District to the office of Economic Opportunity in compliance with Title VI of the Civil Rights Bill. The impact upon the project "Head Start" was declared to be similar to the impact of said title on other phases of federal funds in the public schools.

Doug Duncan was elected as an assistant football coach for the 1965-66 school year. Mr. Duncan replaces Mr. Macon who has resigned.

Dividend Checks Will Be Issued

The regular stockholders meeting of the Slaton Cooperative Gin Company will be held in the club house at 2:30 p.m., Tuesday.

The directors request that stockholders be present for the election of directors and any other business that may become necessary. The dividend checks will be handed out at this time.

Busy Week On Police Docket

Since an article was published last week concerning bicycle thefts and urging youngsters and parents to register their bicycles with the police department, approximately 20 bicycles have been registered.

It was pointed out that most new bikes are registered when purchased, but that used ones also need to be registered. Bike tags were purchased by Bourn Cycle Shop and Bain Auto Supply to be given to each bike owner, when registering his bike.

On the police docket the past week were listed one aggravated assault , one attempted burglary, theft over $5, carrying a prohibited weapon, burglary over $50 radio stolen, car stolen, pos session by minor, and investigation for shoplifting.

Ray Hampton of 910 S. 15th reported that while he was gone over the weekend, some one stole one ampro, one ohm meter, one voltage tester, and one gas cap from his pickup. All items are electric equipment. The loss amounted to about $63.

E.L. Mangum reported a white RCA transistor radio valued to $20 stolen from his pickup on 4-16-65 while the pickup was parked at 315 S. 9th St.

J.E. Todd, Jr. reported his 1965 Chevrolet stolen from behind Crow Chevrolet and the car was later recovered near Slaton on the Post Highway.

On 4-15-65, a car-truck accident at the intersection of highway 84 and FM-400 sent four people to Mercy Hospital. Treated for minor injuries and then released were Mrs. Alfred Oden and three sons of Post.

The accident occured when Oden car was making an entrance onto Highway 84 from FM 400 and struck the rear of a trailer truck, driven by Severn J. Rodgers of Deball, Texas. The car was a total loss.

Last week two colored males and two colored females were picked up for investigation for shoplifting. Upon investigation the police found the two females had concealed property they had shoplifted from a department store in Post. They were turned over to Post authorities.

This week two juveniles were arrested for possession of alcoholic beverages by minor. Upon investigation, one boy had a stolen gasoline credit card. The police here notified the juvenile officer in Lubbock, he came after them, and upon questioning found they had been involved in theft from automobiles.

Sokoll Resigns City Position

Robert W. Sokoll, city secretary of Slaton, has announced his resignation--effective the first week in May--and will accept a position as city manager for the city of Abernathy.

Sokoll, city secretary since July 25, 1963, announced the move this week. He is 25 years old and single.

BOBBY SOKOLL

"It is with a feeling of regret that I make this decision," Sokoll stated, "but I feel the future opportunity is too great to pass up. I have been real pleased with my job in Slaton and have enjoyed the finest relations with all city officials."

Sokoll, a Slaton High graduate, has lived here since 1945 when he and his parents moved from Idalou. He is the son of Mr. and Mrs. B.H. Sokoll.

The city secretary attended St. Mary's in San Antonio for 2 1/2 years, then received his BBA degree from Texas Tech in 1962. He also served in the Marine Corps Reserve before starting his employment with the City of Slaton.

Sokoll will replace a former Slaton man-- Charles Norwood-- at Abernathy. Norwood left the post about two months ago for a similar position of Oklahoma. Abernathy has a mayor-alderman form of city government, and the population is about 3,000. It is located some 12 miles north of Lubbock.

55 STATIONS IN SLATON

CB Radio Booms In Area

What is CB radio?

Although there are some 55 separate CB stations in Slaton alone, many people know little about Citizens Band Radio--but it's a booming business across the United States.

The Federal Communications Commission defines Citizens Radio Service as "a radiocommunications service of fixed, land and mobile stations intended for short-distance personal or business radiocommunications, radio signaling, and control of remote objects or devices by radio." These uses, of course, have rules and regulations.

Many people know something of CB radio through its use by the police and fire departments. However, citizens radio service is also widely used by businesses, farmers and ranchers, and other individuals.

The Slatonite became interested in the subject after meeting B.H. Crandall of Slaton, who is an avid CB operator and supporter.

Crandall, at our request , gave us some information about CB radio and its use and growth in this area. He pointed out that the XIT Citizens Band Area covers about half of Texas and this region alone can boast about 15,000 stations with more than 50,000 sets. Lubbock claims the third largest number of licensees in the area with 613.

CB radio has advanced so rapidly in the past few years that auto makers are recommending that all new cars be equipped with citizens band two-way radio sets. This word comes from "Communications News", a monthly publication.

It is unlikely, however, that the FCC would approve of the idea. The snowballing Class D service already has the Government Agency wondering if it has created a "Frankenstein".

According to an article from the magazine, the Automobile Manufacturers Association suggests that the inexpensive two-way radio equipment would allow stranded motorists to call for help and emergency equipment could be summonded to accidents more quickly.

Under the proposal, radio monitors would be placed in hospital emergency rooms,police station and vehicles, road service stations, and in the homes and vehicles of volunteer citizen teams.

Crandall gives an illustration of how this was helpful in Slaton recently.

"I had my set on standby", he explains, "when an emergency call came from a Plainview man. He was driving along FM-400 and saw a car roll over in front of him and go into the canyon.

"I heard Wesley Meyer of Slaton answer the call," continued Crandall, "and he asked the motorist to check and see if an ambulance or other help was needed. In a moment, the reply came that the lone occupant of the wrecked car was unhurt but that a wrecker was needed. In a matter of several minutes, a wrecker was

(See CB Radio, Page 5)

READY FOR CALL--B.H. Crandall, one of the 55 owners of a Citizens Band Radio in Slaton, is shown in his pickup where he calls and receives on his radio unit. (SLATONITE PHOTO)

Athenians Discuss Girl Scout Drive

Mrs. Harley Martin was hostess to the Athenian Club when it met in her home Tuesday night.

Robert Hall Davis, who is a former City Commissioner, presented a program on City Government, followed by a question and answer period.

Mrs. George Harlan, president, conducted the business meeting. The group discussed the Girl Scout drive which is to start today at 5 p.m. with a door-to-door campaign.

Members present for the meeting were: Mmes. Clark Self Jr., Dick Hartman, Jim Hughes, Joe Miles, Stan Jaynes, BOb Kern, M.G. Davis, R.C. Hall, Jr., David Stell, Ed Moseley, Leamon Reasoner, Tommy Davis, Harlan, and Martin.

Guests were Mr. and Mrs. Robert Hall Davis and Mrs. Dan Southerland.

Garden Club Holds Meeting

Mrs. E.R. Legg, assisted by Mrs. Bruce Pember were hostesses to the Slaton Garden Club when they met April 14 in Mrs. Legg's home.

Mrs. Bill Smith, president, presided over the business meeting. Mrs. Ells Schmid invited the group to the Art Club Show to be held May 2. Mrs. V.G. Browning, member of the civic committee, reported the solar screen had been erected at the south of the city hall and also that El Lora Motel had donated some pyracantha plants to add to the Garden Club plantings at the City Hall.

Mrs. H.G. Stokes presented a program on "Patio Plants and Accessories".

Mrs. J.S. Edwards presented an Easter meditation, "That Resurrection Morn".

Those in attendance were: Mmes. Dudley Berry, Fred England, Webber Williams, A.E. Whitehead, Clifford Young, B.H. Crandall, Tommy Wallace, J.D. Holt, Legg, Smith, Schmid, Browning, Stokes, and Edwards.

"Open House" Week Planned At SLATON SAVINGS & LOAN, where savings bring 4% interest, compounded quarterly.

PATSY PETTIGREW

Slaton Student On Honor Roll

Patsy Pettigrew , daughter of Mr.and Mrs. Hern Pettigrew, was among the 239 students listed on Dean's honor lists at Baylor University for the fall semester.

The Dean's list is made up of students with grade point averages between 3.6 to 4.0 A perfect grade point average at Baylor is 4.0.

Miss Pettigrew is a candidate for graduation in May with a B.A. degree in secondary education. She is a member of Laurel Society, honorary for seniors, and Athenean Social Club. She is listed in Who Who's in American Colleges and Universities.

Bride-Elect Feted In Heinrich Home

Miss Jeanette Schneider, bride-elect of Eugene Heinrich, was honored with a miscellaneous wedding shower in the home of Mrs. Hobert Heinrich 1350 W. Crosby St. Sunday afternoon. The couple plan to be married Sunday at St Joseph's Catholic Church in Slaton.

Receiving guests were Mrs. Heinrich, Mrs. Herman Schneider, mother of the bride-elect, Mrs. Victor Heinrich, mother of the prospective bride groom, and the honoree.

Silver appointments were used on the serving table which was laid with a white imported cut work cloth. Centering the table was a green and white floral arrangement of spring flowers containing two love birds and white candles.

The bride's chosen maid of honor and bridesmaids, Miss Jerene Verkamp and Miss La Nelle Heinrich assisted with hospitalities at the table.

Miss Eugenia Respondek of Idalou directed the guests to the registration table which featured the bride's book and a bud vase containing a rose bud.

Punch , coffee, homemade cades and nuts were served to the 115 guests who called.

The hostess gift was an electric mixer.

Stereo music was played throughout the afternoon. Mrs. F. K. Heinrich, grandmother of the prospective bridegroom, was a guest at the shower.

Serving as hostesses for the shower were: Mmes. A.A. Wimmer, Louie Melcher, Melton Piwonka, B.H. Sokoll, Monroe Brieger, Walter Bednarz, Robert Bednarz, Alex Bednarz, Willie Heinrich, and Herbert Heinrich.

Alson Mmes. J.C. Heinrich, Gerald Heinrich, Otto Heinrich, Oscar Heinrich, Erwin Heinrich, Oscar Buxkemper, Robert Huser, H.S. Verkamp, Ed Verkamp, and Alfons Bednarz.

Others were Mmes. Pete Willie Nesbitt, Bo Becker, F.S. Kahlich, Leo Kitten, Paul Kitten, Paul Mosser, Billy Balmanno, Hattie Piwonka, Augusta Blume, and Betty Hlavaty.

Slaton OES Holds Meeting

Slaton Chapter 585 Order of the Eastern Star met in regular session on April 13 at 8 p.m. in the Masonic Hall with Worthy Matron Ruby McMinn, assisted by Worthy Patron R.M. McMinn, presiding.

After the opening drill the chapter was opened in ritualistic form and regular business was conducted. Robert Woodfin was elected to receive the degrees.

A memorial service was held, with Willie Mae Smith giving the invocation. Nan Tudor gave a thoughtful talk under the caption of "The Shadows of Death" for those who were deceased during the past year. These were: T.J. Holbrook (grand officer), C.E. (Dreamy) Smith, and B.N. Hopkins, members, and Mae Payne, demitted member. During Nan Tudor's speech, Hazel Ricker played some selections on the piano as background music. Following the program a closing from Thanatopsis, by William Cullen Bryant, was given.

Then, the members were requested to form a circle around the altar and sing "Blessed Be the Tie that Binds."

After closing the chapter, the members and guests were invited into the dining room with Cora Sealy, Ethel Woods, Anna Mae Vannoy, and Edna Gilliland serving as hostess. From a table covered with a lace cloth and centered with an arrangement of Spring flowers, colorful punch, dainty Easter candy and Springtime cookies were served.

All members were urged to be present for the next meeting for the election of officers for the coming year.

Auxiliary Meets With Mrs. Woody

The Ladies Auxiliary of Brotherhood Of Railroad Trainmen met in the home of Mrs. E.W. Woody last Thursday for a social. Hamburgers were served. Followed by games of dominoes and 42.

Present were: Mmes. T.N. Bickers, R.L. Smith, E.M. Lott , D.J. Bourn, C.B. Tefertiller, B.H. Bollinger, A.R. Pierce, and the hostess.

Mrs. Woody was elected reporter for the group.

Vows Pledged By Wilson Girl

Miss Deana Ward and Louis Gearld Wood exchanged double ring wedding vows at 5:30 last Thursday in the Oakwood Methodist Church in Lubbock with the Rev. Billy Wilkinson, pastor, reading the ceremony.

The bride is the daughter of Glen Ward, Wilson, and the bridegroom is the son of Mr. and Mrs. Louis E. Wood, Pecos.

Mrs. Carole Laster was matron of honor and Mike McRee was best man.

Jim Wood and Charles McCoy served as ushers. Warlick Laster was ring bearer.

The bride wore a two-piece suit of pink rayon silk featuring three-quarter length sleeves on the single breasted jacket. The jacket also featured a round neckline and front seam vents. The gored shirt was slightly gathered at the front.

She wore a head piece of fabric rose clusters holding an illusion veil of deep rose. Her accessories were pink satin shoes and she carried a bouquet of two pink cymbidium orchids surrounded by pink carnation points and white streamers of loveknots atop a white Bible.

Her attendant wore a beige lace sheath, belted at the waist and featuring banded bracelet length sleeves. Her headpiece was a beige illusion veil gathered at the crown by a velvet bow. She carried a brown cymbidium orchid atop a white Bible.

A reception at the Charolais Restaurant followed.

For a wedding trip to Dallas, Mrs. Wood wore her wedding suit and added black patent accessories, a wide brimmed hat of gathered pink chiffon and wore a corsage of cymdidium orchids.

The couple will be at home at 119 Ave. X, Apt. 104, Lubbock.

Mrs. Wood is a graduate of Wilson High School and received a B.A. degree in English from Texas Tech. She was a member of Phi Mu sorority, Tau Beta Sigma and the Tech band. She was band sweetheart and in the Homecoming Queen's court.

Presently she is program director at the YWCA and a member of Alpha Delta Chapter of Beta Sigma Phi, the Caprock Business and Professional Women's Club, the First Presbyterian Church and the Lubbock County Democrats.

Her husband, a graduate of Peocs High School, earned a B.B.A. in advertising from Texas Tech where he was president of Delta Tau Delta social fraternity and the Interfraternity Council, and a member of the American Marketing Assn., Tech Choir, Board of Student Organizations and a Tech Union committeeman. Presently he is a teaching assistant in the marketing department in the School of Business Administration and is a candidate for a M.BA. from Tech in August.

He is faculty sponsor of Delta Tau Delta and member of the First Methodist Church.

MRS. PHIL BREWER, AMY, JO JO, AND LESLIE

Recipe Of The Week

BY LAVON NIEMAN

The Phil Brewers, 410 W. Garza, are in the process of having their yard completely redone, and Mrs. Brewer, better known as Wendy, hasn't had much time for cooking lately but took time out from her yardwork long enough to share a recipe with us for this week.

In the picture above her three little daughters are wanting to get into the act of helping lay a brick walk and work in the flower bed. Leslie, 3-year-old, climed on Wendy's back just before the picture was taken. Little Jo-Jo is 19-months old, and Amy is age seven.

Wendy says she prefers yardwork over cooking and housework, and even enjoys the heavy work such as spading and slinging a grub hoe. She loves to work the soil with the sun shining down on her.

Wendy moved to Slaton with her parents, Mr. and Mrs. E.W. Pike, in 1950, married Slaton native, Phil, in 1955, and made her home here. Her parents are also still residents of Slaton and Mr. Pike is employed by the Santa Fe Railway Co.

She is an associate member of the Athenian Club, and just retired from the board of directors of Lubbock League of Women Voters and still holds her membership with the league.

The Brewers are members of the First Methodist Church. Wendy has just taken on a new job directing the first to fifth grade children in the Sunshine Choir.

The recipe Wendy is sharing with us this week is for Instant Pudding Cake. She says her family especially enjoys it when it is still warm.

INSTANT PUDDING CAKE

1 pkg. Jello instant pudding (follow directions on package) add 5 eggs to pudding
Add cake mix of your choice with pudding
Bake in Angel Food Tube pan. Line bottom with brown paper. Cook for one hour at 350 degrees or until brown on top.

Orange cake mix with vanilla pudding is a good combination, but she warns us not to use lemon pudding and lemon cake mix combined.

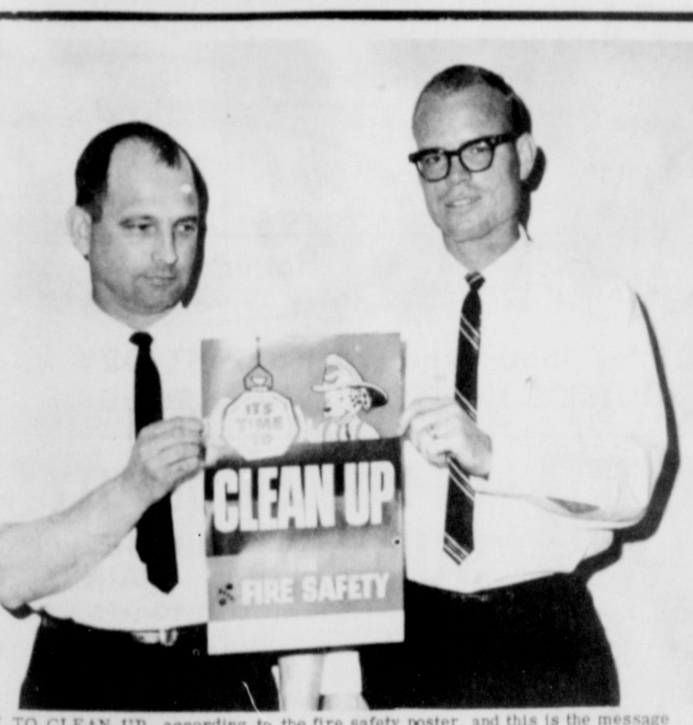

Mangum Home From Germany

Sp. 4 John T. Mangum, son of Mr. and Mrs. Everett Mangum, is home from Kaiserslautern, Germany on 30 day leave. He will return to Germany April 28.

Also home for the Easter weekend was another of Mangum's sons, A2C James E. Mangum, who is stationed at Laughlin Air Force Base in Del Rio. With him was his roommate from Battleground, Wash. James is scheduled to be transferred to Okinawi in June.

IT'S TIME TO CLEAN UP, according to the fire safety poster, and this is the message Jake Wendel, left, and Don Kendrick are hoping to get across to Slaton citizens next week. The pair are co-chairmen of the community Clean-Up Campaign which is to be held April 26 through May 1.

CSB

Next week will be Spring Clean-Up time in Slaton, and we at CSB urge you to join the sponsoring organizations in helping to make our community a cleaner and bett..r appearing place.

With the advent of Spring, it's also fix-up, paint-up time. If you're thinking of installing a patio or adding a bath or room to your home, don't let lack of cash hold you back. Finance your job, large or small, with a home improvement loan from CSB. Visit us today!

The Slatonite

it's a woman's WHIRL

BY LAVON NIEMAN

As I sit here on Monday writing this, I have bags under my eyes, sore and tired feet--and am certainly glad to be SITTING. After spending 10 hours at Six Flags Over Texas Saturday, I realize I am at least 20 years older than I was when we took the boys three years ago.

The tired feet, no rest for the weary, and long trip was well worth it though. The amusement park is just beautiful with flowers, shrubs, and all the color of the rides, etc. One thing about it though, waiting in those lines reminded me of waiting to see an advertiser. At least in the line, I knew for sure we'd get to ride though.

I guess the two things that impressed me most at Six Flags was its cleaniness and the courtesy extended by all the teenagers working there. While there I met several women while taking a short rest on a bench. Some of the women had come from Oklahoma, California, Alabama, and Ohio. Six Falgs Over Texas is truly a drawing card for tourist trade in Texas.

Knowing the power of the press, we along with many many other newspaper, radio and TV personnel were guests of the park for its opening weekend for 1965.

As we passed Neiman-Marcus's Fort Worth building on the trip, our son, Steven, said something looked wrong about their sign. Then it came to him "They have our name spelled wrong", he pointed out.

WW

As I took different personals this week on where the different ones had been over the beautiful Easter weekend, everyone seemed to just have to say something about the wild flowers along the highways. We too, enjoyed seeing all the different colored flowers from here to Dallas. It is really a sight to see, and sometimes I wonder why we picked the South Plains to live when it is so much prettier in other parts of Texas.

On second thought, I wouldn't trade the South Plains for any other area though. When we enjoy our cool nights this summer, they'll be suffering from heat if they don't have a good air conditioner.

WW

Dorothy Jones, writer of the "Old Friends" column, keeps pushing the date of June 19 as homecoming for Slaton. I realize it takes alot of work to have a successful homecoming, and I hope this is the year you exes have the biggest and best yet.

We have already received literature on the homecoming Lamesa is planning for July 2, 3 and 4. Speedy and I are both graduates of dear ole Lamesa High, and I hope we can attend. Also, we hope Speedy's parents will be able to attend, since his father gave 30 of his years working for the Lamesa school system.

Lamesa is calling its homecoming the Golden Tornado Jubilee, and the committee working on it is encouraging all exes to plan their vacation to include the jubilee.

Among things listed on the schedule of events is golf, bowling, baseball, and other sporting events, reception honoring teachers, hootenanny for all children (this sounds like a good idea), banquet, class meeting, and a Golden Tornado Jubilee Extravaganza.

On Sunday, July 4, coffee and donuts will be served at the Tornado Stadium from 8 to 9 a.m., followed by memorial services from 9 to 9:45 a.m.

This bit of news may not be very interesting to Slatonites, but could be one or two ex-Lamesans living here! Too, it might be well for the exes committee here to share some ideas with Lamesa and maybe both towns could come up with a bigger and better homecoming.

WW

While on the subject of school homecomings, I have gone back to the homecoming of Hamlin several times. For a small town, you'd be surprised at the parade they have every year. They would put alot of large towns to shame when it comes to putting on a good parade.

WW

Our appreciation to the Slaton Garden Club for the window display on bird protection that was placed in the Slatonite's window last week. It is surprising to see how many have stopped by to look at it.

WW

The Girl Scout drive starts today at 5 p.m. with a door-to-door campaign. Let's not foregt to support this program. There are over 100 registered Girl Scouts in Slaton, and they need our support.

WW

As I finish writing this column, it is Wednesday morning, and we are about to find out if we can get a paper out without our dear editor, publisher, photographer, boss man, etc. He was issued a subpoena to appear as a witness in the Buchanan murder trial now in process at Littlefield. We're just hoping Speedy doesn't have to be gone all day---cause we don't want our readers missing an issue of the Slatonite. You may think this sounds like I think Speedy is indispensable... well, I do.

Quietly,
it steals your heart away.

There's something about this all new Mercury that really gets you. Maybe it's the luxury...maybe the performance....maybe the Lincoln Continental tradition that's written all over it. Whatever the reason, this new Mercury is a guaranteed scene stealer. And, at our prices, it's really a steal.

Be our guest for a 5-mile test

CAR LIFE 1965

9th and Lynn Slaton MOTOR CO., INC. SLATON, TEXAS VA8-4221

Clean-Up Aids Fire Safety

Are you planning Spring Clean Up activities at your home this year?

If so, you can make your home safe from fire at the same time by getting rid of combustible trash.

The odds are 1 in 100 the experts say, that you will have a home fire during the next year--and 1 in 20 that you will have a fire within the next five years.

Think these odds are worth gambling on? Every day, fire strikes some 1,650 homes or apartments of Americans who gambled and lost--a yearly total of over 600,000 residences.

Of the 11,900 Americans who fell victim to fire last year, well over half--6,550 --died in home fires.

If you want to avoid fire, bear in mind that nearly one-fourth of all fires are caused by matches and smoking, says the American Insurance Association.

Last year matches and smoking caused 155,500 fires, and a good percentage of these occurred in homes.

Fires caused by matches and smoking are needless. Make your home more fire safe by following these simple precautions:

* Use care with matches and cigarettes, and have plenty of ashtrays in every room of the house. Use big ashtrays made of metal or glass, and after smoking a cigarette, be sure to put it out. And, also be sure all fire in an ashtray is out before you empty it. One more little point: empty ashtrays often.

* Never smoke in bed. You never can tell when you may doze off.

* Keep matches out of reach of small children. And, in this connection never, never leave small children alone at home even for a minute. Too many fatalities among small children occur when mother left them unattended with the idea that she would only be away "for a few minutes". Last year 1,950 children under 14 years of age lost their lives in fires.

The second largest cause of fire is misuse of electrical equipment. You can minimize this fire hazard in your home by keeping your appliances, lamps, extension cords and sockets in good repair. And avoid the use of multiple outlet plugs. If you have too many appliances on a single circuit, you can easily blow a fuse or cause a fire if the overloaded wires become hot.

Another potential fire hazard can be minimized by keeping the heating unit in your home in good condition.

Every eighth fire is the result of a defective heating unit or defective or overheated chimneys and flues.

Now that spring is here, and the winter heating season is nearing its end, it is a good plan to call a qualified service man and have the heating unit checked so that it will be ready for service next winter.

If you use care with smoking, keep your appliances in good repair and have the heating unit checked annually, you will have taken a giant step toward making your home fire-safe.

But a Spring Clean-Up job can make it even safer.

Take these steps:

* Clean out your attic, and throw away the accumulation of things for which you will never find a use.

* Caution smokers to use care with cigarettes in the bedrooms.

* Throw out old papers and containers that may have accumulated during the winter.

* In the kitchen, check the cooking unit, and make it a point to clean accumulations of grease in the broiler or oven regularly.

* Throw out all trash in the basement, and keep combustibles away from the heating unit.

* Remove any oil drippings on the garage floor.

One more little but important thing: conduct a family drill and see how quickly every one can get out of the house. Everyone in the family should know two means of escape from each room. Practice will improve performance. In a typical one-family house, every one should be able to get outside in less than a minute.

If there are small children or elderly people in your family, make sure that a responsible person is assigned to the job of seeing that they get out of the house quickly.

Then in case of fire or any other emergency, the chances of anyone getting hurt are minimized or greatly reduced.

And don't let Spring Clean-Up be a once-a-year job. Keep your home spic and span at all times.

And, you will have taken a major step toward achieving a fire-safe home.

CLOSE ON SATURDAY

Mrs. F.A. Drewry, deputy tax collector for Lubbock County, announced this week that the tax office located in the Drewry Insurance building will be closed each Saturday, effective this week.

Pete Eckert of Austin visited in the home of his grandmother, Mrs. J.E. Eckert, Sr. and uncle, J.E. Eckert, Jr. and family over the weekend. Pete is the son of Mr. and Mrs. Dayton Eckert of Chicago, Ill. and a graduate law student at the University of Texas.

"OLD FRIENDS"

New friends I cherish and treasure their worth, but old friends to me are the salt of the earth.

Many exes were in Slaton over the Easter weekend as well as many Slatonites visiting in other places.

Thelma Kidd (1964) who attends Abilene Christian College was in town. Thelma plans to work as a counselor at Camp Shylo in New Jersey for about eight weeks this summer.

Joe Tucker (1950) and his family now live in Albuquerque N.M. Joe is with the U.S. Gypsum Co.

Betty McSween (1963) is living Lubbock. She works for the Texas Tech Atheletic Department.

Jim Nevins who was band instructor in Slaton High in the early 1940's is living in Winters, Texas where he's Superintendent of schools.

Medwin Gattis (1957) works for an armored service and sometimes comes to this area. Medwin and his wife have two children. They live in Garland.

Mike Davis (1959) was home from Dallas. John Fincher (1959) is at present with his parent's in Abilene due to ill health. John is assistant professor of Art at the University of Oklahoma where he is also doing graduate work.

Nita and Warren West and family were from Amarillo.

Our deepest sympathy to Hugh L. Diamond (1937) due to the death of his father last week. Hugh lives in Merced, Calif.

Leslie Brown (1964) is home from Decatur Jr. College over the weekend.

Almost all the correspondents for the Slatonite are exes--Mrs. Edmund Wilke- the Southland correspondent was Tommie Lee Dozier (1943). Mrs. Ted Melugin was Polly Hacker (1944) The Roosevelt news writer is a McCormack, now Doris Thomas (1945).

Every week June 19 is a week closer.

REGISTRATIONS START FOR GIRL SCOUT SUMMER CAMP

Registrations by mail only for Camp Rio Blanco are being accepted in the Girl Scout council office. All registered Junior Girl Scouts (who have finished the 4th grade), Cadette Girl Scouts and Senior Girl Scouts may register for any of the six sessions.

After April 26, registrations will be taken by mail and in person at the Council office. In order to insure the session of their choice, campers should register as soon as possible, as places are filling rapidly, officials stated.

Fee for a 2-week session is $37.50 and for a one-week session, $19. Trading stamps may be applied on the camp fee.

Scheduled are: Session I, June 6-18; Session II, June 20-July 2; Session III, July 4-16; Session IV, July 18-23; Session V, July 25-30; Session VI, August 1-13.

Out-of-Council campers and non-Scouts will pay a fee of $40 for two weeks and $21 for one week, with their registration beginning May. 3.

Special interest groups, in addition to the regular camp program, are scheduled for campers who meet special qualifications. These sessions include Bicycle, Gypsy Trip, Pioneer, Ranch, and the Special Swimming sessions.

Camp Rio Blanco is located in the heart of Blanco Canyon five miles east and one mile north of Crosbyton.

The camp program is under the direction of a trained staff. Miss Mary "Skeet" Anderson is Camp Director. Others include a registered nurse, Red Cross Certified swimming instructors, mature unit leaders, trained assistant unit leaders, a dietitian, two experienced cooks, a handy man, and program specialists.

Activities include crafts, hikes, swimming, songs, campfires, cook-outs, nature study, star gazing and exploring. Each session is based on the Girl Scout program in the out-of-doors.

Mrs. Kahlich Back From Trip

Mrs. Leonard Kahlich and daughter, Helen, recently visited in Fort Scott, Kansas, Oklahoma City, and Tulsa.

In Tulsa they visited Mr. Kahlich's sister and family, Mr. and Mrs. Bob Hehrends and family. In Fort Scott, Kansas they visited another Sister M. Odelia who is on the staff in that city.

Helen plans to enter nurse's training at the Fort Scott Hospital in September.

WINNER AT ANTHONY'S--Seven-year-old Rhonda Biggs, daughter of Mr. and Mrs. Coy Biggs, was the proud winner of racing set given away at the local C.R. Anthony Co. Tuesday. Presenting her the set is Dick Hartman, store manager. (SLATONITE PHOTO)

New Salesman Joins Force At Slaton Motor

Billy Meeks, former resident of the Southland area, has been employed as a new and used car and truck salesman at Slaton Motor Co., it was announced Wednesday by Bill Smith, company owner and manager.

J.W. Richardson, sales manager, added that Meeks was "a welcome addition and we invite his friends to come be and visit us at Slaton Motor."

Meeks, 27, moved here from El Paso, where he has been a car salesman the past two years. The son of Mr. and Mrs. Jack Meeks who reside near Southland, Meeks attended schools at Southland and graduated at Post High School.

The new salesman is married, and he and his wife have two daughters, ages 2 and 7. They reside at 200 S. 10th St. and attend the Methodist Church

BILLY MEEKS

AN UNUSUAL SIGHT--It's not often you see a team of mules working in the fields these days, so when The Slatonite heard that Raymond Henzler was planting near town we hurried out to get a picture. Henzler was planting sudan behind the Veterinarian Clinic. A long-time resident of Slaton, Henzler still does a lot of work with his mules--he owns five, and he values them highly. (SLATONITE PHOTO)

Youth Sponsoring Car Wash Saturday

The youth trip to Glorietta committee is sponsoring a car wash at the First Baptist Church beginning at 10 a.m. Saturday morning.

This is another phase of "Operation Glorietta" designed to make money to be used by a group of 30 young people going to Glorietta Assembly in August.

Your support in this project will be greatly appreciated.

Guests in the home of Mr. and Mrs. Sam Wilson this week is their son and his family, Mr. and Mrs. W.G. Wilson, Glen, Sandy, and Judy Dynn, and the parents of Mrs. Wilson, Mr. and Mrs. August Tuims, all of Milwaukee, Wis.

CB RADIO---

Continued from Page 1

on the way."

Another example by Crandall concerned a party who ran out of gas between Slaton and Lubbock. Bert Stinnett of Slaton stopped, contacted his base station by CB radio, and Mrs. Stinnett had a station deliver gas to the stranded motorist.

One of the most vital ways in which CB radio aids Slaton is through the Volunteer Fire Department. Firemen have the two-way radios in their cars, or at home, and are able to learn the location of a fire in a matter of seconds. Before acquiring CB sets, they had to wait for and "open line" to phone the fire station.

Crandall said the Slaton base stations can be in constant contact with an area composed of Wilson, Tahoka, Lamesa, Petersburg, Lubbock, Ralls and stations within this circular area.

Application must be made with the FCC for a license to operate a CB radio station. Licenses are granted for Class A, B, C and D stations--depending on output of power and assigned frequencies.

Mr. and Mrs. B.H. Crandall, had as their house guest last weekend their niece, Miss Jane Hightower of Washington, D.C. and a student at New Mexico State University.

Bake Sale Planned

The Slaton Young Homemaker Chapter will sponsor a bake sale Saturday at Teague Drug, starting at 9 a.m.

Mr. and Mrs. Walter Ray Steen and family of Wilson were guests of Mr. and Mrs. Glynn Moore at Lake Thomas over the weekend.

Legion Post Will Receive Award

Slaton American Legion Post 438 will receive a special award during the annual spring convention of the 19th District American Legion Saturday and Sunday in Big Spring.

Ells Schmid, commander of the local post, has been notified that Slaton will receive the award for attaining the all-time high in membership.

The Slaton post will also be among 12 Legion posts to be honored for attaining membership quotas.

Registration opens Saturday at 2 p.m. in the lobby of the Settles Hotel, and the convention dance starts at 9 p.m. Joint sessions of the Legion and Auxiliary will be held Sunday morning.

Chuck Space of Slaton, winner of the oratorical contest, will be among the program speakers Sunday. Separate business sessions are scheduled Sunday afternoon.

Guests in the R.H. Todd home over the Easter weekend was their son and family, Mr. and Mrs. Frank Todd and daughter, Nancy, from Richardson, and the Todd's grandson, Mike Todd, from El Paso. Mike is also a grandson of Mr. and Mrs. R.C. Sanner. The three generations enjoyed a game of golf Saturday.

Breeches were formerly called hose in England.

Little Children Should Never Be Left Alone

Because of a rash of fires throughout the nation in which children have lost their lives, the American Insurance Association today urged parents to never leave little children at home alone--not even for a few minutes.

The Association estimates that of the more than 11,000 persons who died in fires last year, 2,200 were children under five years old. Several times that number received bad burns in home fires.

If you must go out, arrange to have an adult or a responsible teenager stay with the children until you return.

And at all times keep matches out of the reach of children.

Biggs Family Has Reunion

The families of Charlie Biggs and Bessie Biggs met at Lake Sweetwater over the Easter weekend. Going from Slaton were the D.S. Biggs, Coy Biggs, and the Bill Greers.

Families represented at the family reunion were Mrs. Ryamond Mounce of Lubbock, Mrs. Willy Gayle Stevens and Mrs. Ernest Dickerson of Stephenville, Mrs. Bill Hodge of Winslow, Ariz., and Mrs. Gene Stoppleman of Dallas, Mrs. Louis Walker of Denver City and their families.

Mr. and Mrs. Edgar Moseley, Mr. and Mrs. Ed Moseley and family, and Mr. and Mrs. Jack Lancaster and boys of Amarillo spent a long weekend at Buchanan Lake on a fishing trip. They didn't have very good luck fishing, but Mrs. Edgar Moseley went on her first boat ride.

FREE AIR At Martindale's

The housewife had her hands in dough and she was annoyed to find that the knock at the door was that of a tramp. "Please lady," he whined, "could you help a poor man out of his troubles?" "Gladly," snapped the woman. "Would you rather be shot, poisoned or hit with an axe?"

Most people know HOW to say nothing but few of them know WHEN.

"So you're going to get married," said Perkins, "I hope you know how to handle women."

Replied Gherkins: "I'm not so sure. They tell me there are only two ways and nobody knows either of them."

Passing on CURVES should be left to judges of beauty contests.

Local Golfers In Gold Cup Tourney

Four Slaton golfers are members of a South Plains team which captured first place in the qualifying rounds of the Desert Inn Gold Cup Trophy Matches in Las Vegas, Nev., last week.

Don Hatchett is captain of the South Plains Country Club team, which also includes Marlin Bumpass, Doc Reasoner and George Brassell.

The 10-man team will return to Las Vegas in June to shoot for the Gold Cup Tourney championship. The winners receive temporary possession of the $35,000 Gold Cup Trophy , and each individaul team member earns at $1,000 replica of the cup.

Others on the South Plains team are Bill St. Clair and Irvin St. Clair of Muleshoe, Jim Hundley and James Casey of Post, and Gene Boyd and Bob Williams of Plainview.

Fourteen other teams will be competing for the Desert Inn's tourney title June 9-12. Other prizes include 10 special Desert Inn blazers with emblems and exclusive pieces of jewelry for wives of the winners.

The South Plains team is a composite of club members around this area. Lubbock Country Club's team placed second in the tourney last week. Teams were entered from Phoenix, Ariz., Alburquerque, N.M., and Amarillo.

The local group left by chartered plan from Lubbock April 11 and returned April 16. Matches were played on the Desert Inn and Stardust links on April 13 and 14. The Desert Inn course is the site of the famed Tourney of Champions.

Ski Club Will Present Show

Members of the Lubbock Water Ski Club known as the Buffalo Guys and Dolls will present a show entitled " T-Model to Rockets" this Sunday, starting at 2:30 p.m. at Buffalo Lakes.

The show will be a presentation of water skiing around the world, showing the progress that has been made in water skiing over the years. The skiiers will wear costumes of different years and nations participating in the sport.

There will be approximately 18 acts and the show will be about one and one-half hours long. There will be no extra charge at the gate.

Events Start Friday In Region 1 Meet

LUBBOCK--Visitors at Texas Tech for the Region One spring meet may watch the Red Raiders' intra-squad football scrimmage in Jones Stadium at 3:30 p.m. Saturday.

No admission will be charged for the grid workout, third such scrimmage of the current spring practice.

Track and field competition gets under way at 9 a.m. Friday with Conference B field event preliminaries and finals. Conferences A ad and AA start their preliminaries at 10:30 a.m.

Running event preliminaries for all conferences will be held at 1 p.m. Friday. Conference A and AA field finals will be held at 9:30 a.m. Saturday, and all running finals will begin at 1 p.m. Saturday.

Admission for the running events in Tech's stadium will be 50 cents for students, $1 for adults.

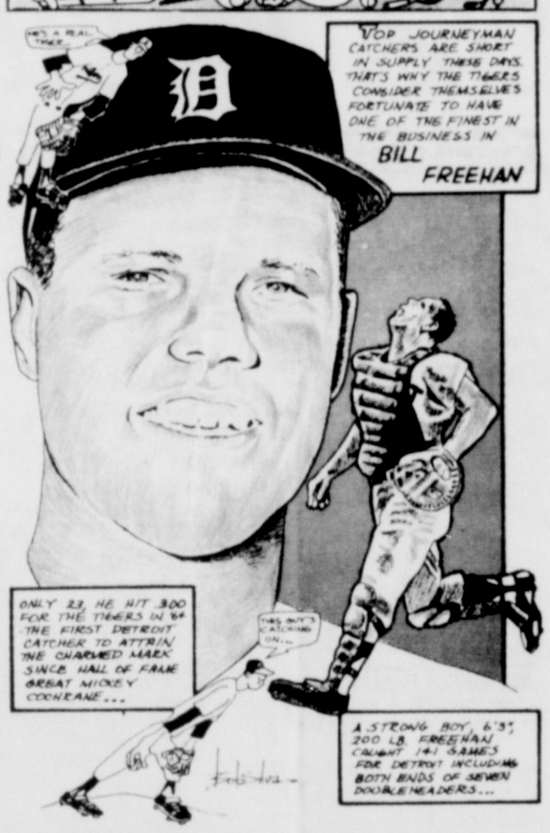

Tennis gets started at 8:45 a.m. Friday and continues through Saturday.

Golf will be played at Meadowbrook Golf Course all day Friday.

Volleyball is scheduled for Friday and Saturday.

Mr. and Mrs. Robert Beck, Mike, Susie and Jimmy of Kalamazoo, Mich. are in Slaton this week visiting Mr. and Mrs. H.T. Scurlock

Martindale Team Captures Bowling Title

Martindale "66" Service has the championship clinched in the Guys and Gals Bowling league. Awards and point money will be awarded at the annual banquet Wednesday at 7:30 p.m. at Bruce's Restaurant.

The league entered the final night of competition last night, and at press time the final results were not known. Martindale "66" has the championship clinched by 1/2 point with MuR DeR, Inc. and Tucker Butane struggling first place until last week, when Martindale "66" team won third place from Ricker Refrigeraton by 17 pins to capture the championship.

Going into the final session, the season high team series goes to MuR. DeR Inc. with 2301. High team game of 811 also goes to MuR. DeR. Inc.

High individual series and game for men goes to Don Hatchett with a 677 series, 266 game. Rosemary Hatchett's 661 and 247 is tops for the women leaguers.

Hatchett is also in the lead with the highest average for the men with 186, and Betty Hlavaty leading the women with a 173 average.

County Accidents Set High Record; Caution Urged

There were 20 rural accidents in Lubbock County during the month of March, according to Sergeant O.C. Guthrie, Highway Patrol Supervisor of this area.

These crashes resulted in one person killed, 22 persons injured and an estimated property damage of $18,680.00.

The rural traffic accident summary for this county for the first three months of 1965 shows a total of 86 accidents resulting in five persons killed, 64 persons injured, and an estimated property damage of $69,605.00.

The final entry in the 1964 Texas Traffic book has been entered and closed with an astounding record. An all time record of 3006 persons were killed, 182,081 persons were injured, and there was $486,864,000.00 property loss. This compares to the 1963 record high of 2,792 persons killed, 161,543 persons injured, and an estimated property loss of $432,715,000.00.

Since the death count of 2,254, in 1960, Texas has gained each year steadily. The Sergeant stated,"if the death count increases during the last six years of this decade as it has during the first four years the death count will stand at 4134 in 1970." What is the remedy? Only you, Mr. Motorist, hold the answer.

Returning Saturday from a 10 day trip were Mr. and Mrs. John Griffin, Debra,Nathan and Pam of Union and C.L. Griffin and Artie Whitesides of Slaton. They visited relatives in Oklahoma City, Arkansas, and Tupic, Miss., Paris, Mt. Pleasant, and Dallas. They enjoyed seeing all the wild flowers growing along the highways.

Santa Fe Receives Health Award

A special award for sanitation and cleaniness in dining cars has been awarded to Santa Fe Railway by the United States Public Health Service. This is the fourth consecutive year Santa Fe has been so honored.

Wesley Gilbertson, chief, division of environmental engineering and food protection of Washington, D.C., cited the railroad for earning a Grade A Certificate of Cleanliness in in each of its 111 dining and lounge cars during 1964.

In accepting the award, R. D. Shelton, operating vice president of the railroad, attributed the fine record to the efforts of the road's dining car department which is supervised by Fred Harvey and the mechanical department.

Mr. and Mrs. Speedy Nieman and boys spent Friday night in Hamlin with Mrs. Nieman's sister and family, and then traveled on to Six Flags Over Texas and toured the park Saturday.

Chastain Guest Of Lions Club

Neal Chastain, Slaton grid coach and teacher, was guest speaker for the regular weekly luncheon meeting of the Slaton Lions Club Tuesday.

The Lions sponsored Chastain's attendance at an economics workshop held recently at Lubbock Christian College. He was introduced by Doug Galassini, a special guest.

Chastain outlined the nature of the course he was inrolled in at LCC, explaining the purpose of the workshop was to stress the importance of educating the general public on our free enterprise system.

It was pointed out that only four percent of high school graduates have had courses in economics, and only one-third of college graduates have taken the subject.

Lion President Tommy Davis announced that the district convention is scheduled in Plainview this weekend, urging any members who could to attend.

Posey News

MRS. ANNA B. GENTRY

I hope everyone enjoyed the wonderful rain as much as I did.

Robert Boyd took a number of pictures of the well filled ditches in his field where the water almost filled the rows between the beds. I hope everyone was grateful enough to thank our dear Lord for the rain. In our community we measured 2 1/4 of rain.

Little Laurie Jo Gentry fell on an upturned garden hoe recently. She was rushed to the doctor and had to have several stitches taken to close the wound. She is about well at present.

Mr. and Mrs. Mert Gentry visited their cousin Shelia Hodge in Methodist Hospital this week. Shelia was struck from the rear of her car about three weeks ago on her way home from work at Methodist hospital where she is a nurse.

The Gentry's also visited Mrs. Kenneth Gentry who was recovering from a minor operation.

Carolyn Harper has a week of vacation from Wayland College for Easter.

Last week W.A. Wilke was in McAllen Texas on business.

George Hilbers and Mrs. Hedie Kelley visited in the home of Mr. and Mrs. Joe Moeller and played 42 until the rain storm came up. They just did beat the storm home.

Mrs. Moeller says her mother is getting weaker, and unable to feed herself now, we are so sorry to hear this.

Butch and Lean Garza from Slaton came out last Friday to visit their mother, Mrs. Charolette, who stayed with me until I recovered from my operation.

Mr. and Mrs. Walter Denzer had visitors in their home over the weekend and Easter Sunday, Johnny and Jan Kubacak, Frances and Billy Kubacak, also from Woodrow, Ernest and Rosemary.

Mrs. Denzer says her father Jim Kubacak, is showing improvement in Mercy Hospital. He has been ill for some time, and we hope he is soon able to return home.

Mr. and Mrs. Calvin Willis spent most of last week fishing at Buchanan Lake. They caught a good supply of nice fish. The laked lacked five and one half feet being full. Mr. and Mrs. Floyd Kitchens had as their visitors, Mike and Steve Boone, Bill Boone visited them Sunday.

Mr. and Mrs. Ray N. Edwards had as their guest over the week, W.K. Ivey from Winters.

This reporter has a very enjoyable Easter with all the child ren in my home. Those from Lubbock were Mr. and Mrs. Charles Gentry, Thomas, Vaughn and Jeff; Mr. and Mrs. Ray Johnson and Brenda; Mr. and Mrs. Bill Karon and Michael; Mr. and Mrs. Bobby Swann Gary and Pamala. Others were: Mr. and Mrs. Everett Mangum from Slaton and sons Ronnie, Johnny, Jimmy and Wayne. Mr. and Mrs. Guy Gentry and their daughters Tessie Debbie and Laurie.

This is the first time all of the family had been together in nearly two years. Fifteen grand children, six children, and six-in-laws is quiet a house full. Also Mrs. Stella Redman, an aunt of the Mangums from Tulia was here, and on Saturday Mr. and Mrs. Donnie Harris spent the evening here. They are from Lubbock.

Mrs. Heddie Kelly is in Amarillo for a visit with a daughter and on business.

Mr. and Mrs. Ed Maeker had their son Lyndon and wife home for Easter, from Lubbock

Mr. and Mrs. Francis Grabber, and daughter Linda visited their son and brother, Tommy Grabber, last week in Hot Springs, Arkansas. They commented on how beautiful the flowers and shurbs were.

Hope to see you next week.

Well-Child Clinic Next Thursday

The Well Child Conference and Immunization Clinic will be held next Thursday in Slaton at E. Geneva and S. Johnson Streets.

The conference is by invitation only. The immunization will be from 1:30 to 3 p.m. and is for those not under the care of a physician. There is no charge.

Only a male cicada is capable of making a noise.

Piwonka Named President Of School Group

Officers for the 1965-66 school year were elected when St. Joseph's Home-School Association met Monday night in the school cafeteria.

Nestor Kitten, president, had charge of the meeting. The opening prayer was given by Sister M. Dympna, who also reported on the school room painting and the new book shelves which have been installed in the library.

It was also reported that grass has been set out for a lawn and more evergreens will be added around the school.

New officers are: Milton Piwonka, president; Joe L. Kitten, vice-president; Rita Schwertner, secretary; Valeria Wimmer, treasurer; and Lucille Buxkemper, parliamentarian.

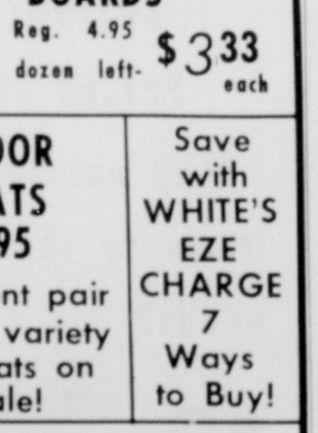

Refreshments of soft drinks and coffee were served by the Hospitality committee.

Wilson Student In SPC Choir Spring Concert

Terry Alan Melugin, son of Mr. and Mrs. Ted Melugin, Rt. 2, Wilson, is one of 26 members, who will present a Spring Concert in the auditorium of South Plains College next Thursday. Terry sings bass in the choir, under the direction of Harley Bulls, head of the college music department.

Thirteen towns are represented in this year's choir. During performances students wear blue robes lined with white satin and gold neck hoods. In their performance for the Spring Concert, they will dress formal. The choir will start its annual spring tour on May 3 with a performance in Spur. On May 4 they will travel to Dimmit, Olton, and Springlake to present concerts.

Terry is a freshman at South Plains College and a 1964 graduate of WHS.

Slaton's City- County Park Of The Future?

PARK PROPOSAL IS SKETCHED-- The sketch above shows how Slaton's City-County Park could look in years to come. The Slaton Chamber of Commerce and the Athenian Club have been active in park improvements the past year, and the ladies ' club had a Lubbock park official prepare a lay-out for the local park. See related story on Page 1 of the first section.

g into spring!
vrolet Impala

Chevrolet Impala Super Sport Coupe—one of two bucket-seated beauties for '65.

le who buy other big expensive-looking cars
ne thing you won't (big expensive-looking payments)

e a big car. And is—by almost any ou want to apply.
Nobody builds a car as much as one . *Length?* It grew three inches this *niness?* Every closed model's got es more shoulder room, front and nore leg and foot room up front too. Nice little touches like the look of alnut across the Impala's instru- el. And big touches. Like the fine- e same Body by Fisher workman- makes some of America's most expensive cars look so expensive. *How about the ride?* Chevrolet engineers took the Jet-smooth one and smoothed it out even more this year. Also made it more stable by widening the wheel stance. *Price?* That's where Chevrolets fall way short of the other big expensive-looking cars. But we wouldn't have it any other way. Would you?

One last question: How soon can you make a good spring buy on a Chevrolet? One last answer: Just as soon as you can get down to your Chevrolet dealer's.

Masons Slate Area Workshop

A Workshop has been scheduled for officers and members of Masonic Lodges in this area at 7:45 p.m., April 29. The meeting will be held at the Lodge Hall in Post. Officers of Ralls, Crosbyton, Lorenzo, Southland, and Post Lodges are especially invited.

The workshop is part of a statewide, semi-annual program authorized by the grand master of Masons in Texas, J. Carroll Hinsley of Austin. The program is conducted for nearly 1,000 Texas Masonic Lodges with a membership of 250 000 men. The Masonic Order is the state's largest fraternal organization.

The purpose of the workshop is to enable masons to study common problems of Masonic Lodges and their operations. The workshop will be conducted by R.A. Pascall, Jr. of Lorenzo, chairman of a Masonic Workshop area which includes eight counties.

Grand Master Hinsley stressed the importance of attendance by all Lodge officers and emphasized that other Masons are welcome.

Mr. and Mrs. Jerald Miller and Steve traveled to Nocona over the weekend to visit his parents.

Slaton, Wilson Girls Attend GA Meeting

Representatives of the Wilson First Baptist Church and Westview Baptist Church attended the 1965 Texas Baptist Girl's Auxiliary Queens' Court last Thursday and Friday in Brownwood Coliseum.

Approximately 2,400 girls from across the state--all of whom had reached the highest levels of study and work in the Girls' Auxiliary--attended the meeting. The GA is an affiliate of the Texas Baptist Women's Missionary Union.

Out-of-state speakers included Mrs. Harlan Willis, medical missionary to Bangkla, Thailand; Mrs. Cecil Pemberton, South Milwaukee, Wis., GA director, Wisconsin-Minnesota Association, and Ross Coggins, director of communications for the Southern Baptist Christian Life Commission.

GA's attending from Wilson were: Carolyn Baker, Sharmyn Lumsden, Rhoda Ramby, Pat Fields, Kathy Christopher, Teresa Holder, Jimmie Lane, Gloria Foster, Karen Swann, Vicki Rhoads, and Christi McCormick.

Adults accompanying them were Mmes. George Williamson, Cecil Fields, and Pete Rhoads.

Attending from the Westview Baptist Church were Patti Neill, Carol Green, and sponsor, Mrs. E.D. Gossett.

Lubbock Physician Speaks At Idalou

Dr. Wm. H. Gordon, Lubbock physician and heart specialist, will speak at 7:30 p.m. tonight at the Idalou High School Auditorium.

All interested persons are invited to attend an educational program on the heart, sponsored by the Lubbock County Heart Council.

Collins Rites In Lubbock

Foy Lee Collins, 55, 2609 37th St., Lubbock was dead on arrival at Mercy Hospital in Slaton at 9:45 p.m. April 13 after becoming ill. Hospital attendants said he suffered an apparent heart attack.

Funeral services for Mr. Collins were held last Thursday at 2 3 p.m. in Memorial Baptist Church in Lubbock with Rev. Paris Barton pastor, officiating.

Burial was in Resthaven Memorial Park under direction of Sanders Funeral Home.

Collins was a retired bookkeeper for Lubbock Cotton Oil Co, were he worked for about 20 years. He moved to Lubbock about 20 years ago from Slaton.

Survivors include his wife, Fairy, and a brother, Roy Collins, Slaton.

Porifirio Diaz ruled Mexico as dictator from 1876 until his overthrow by Madero in 1911.

Family Night Set By Rainbow Girls

The Rainbow Girls will have family night Saturday night at 6:30 in the Masonic Hall.

Speaker for the occasion will be S.C. Odorizzi, secretary of the Masonic Lodge in Lubbock.

All Rainbow girls and parents are invited to attend.

"On The Wing"

BY MRS. EDMUND WILKIE

Well, this is the last week for the Southland Eagles to be featured in "On The Wing". We only have 12 seniors and the two this week are the last, but by no means the least, of our seniors. This week we have Dahlonna Winterrowd and Joe Hall. As with all our Southland seniors, they too are very active and well known around school. I might add that this senior class has been a job to work with. I was room mother for them a number of years and they were always happy whenever we did anything for them. I think that they have been a very close class and got along real well together.

DAHLONNA WINTERROWD

Dahlonna is a tall, blue eyed blond with a big friendly smile. She was born in Slaton on February 5, 1947. Her likes and dislikes are: favorite sport--bowling; favorite subject--Business Law; pet peeve--school (I can't believe this because she is an excellent student); favorite song--"Wipeout" favorite food--charcoaled steak and tunafish sandwiches; future plans--go to Business College; hobbies--dancing, Dahlonna was football qeen her and she was chosen rite her junior been in Pep Squ years an was sel the different several years.

PATSY

Patsy is a very who has pl winning p the dau Charles She has t Barbara born in L 946. Her f ading. Her basketball she was Mustang b y's favori ke's Law" on; teach pet peeve- aced." It will go ambition in life, n to do."

When there's ing on around there's JOE, comedian and When we think also think of is quite an lettered in years of high all district in He played basket and track three and dislikes are: favorite favorite subject- pet peeve--lint who don't favorite song- Road"; favorite Food; future as Tech; hobbies and working born in Lubbock 26, 1946. He is the senior class beau his junior chosen the boy Personality in

A Good Word

"The poison of asps is upon their lips." — Psalms 5:9

Words cannot kill; but the words of the self-righteous can be flecked with a touch of poison. And an untruth is all the more deadly because, once it has been spoken, it cannot be completely erased.

As Christians, we should recognize that we are all children of God and that it is not the Christian way to unthinkingly condemn others, to call attention to the faults of others, or ridicule others unjustly.

We become too righteous when we set in judgement upon the actions of our fellow citizens or our neighbor. We become a fool if we think we build ourselves up by "running the other fellow down."

It is far better to look for the good in all things, to look for a good word to say, and to say it whenever we can.

Corraling the Mustangs

BY MRS. TED MELUGIN

PATSY SHAW

Patsy is a very athletic senior who has pretty brown eyes and a winning personality. Patsy is the daughter of Mr.and Mrs. Charles Shaw Jr. of Wilson. She has two younger sisters, Barbara and Betty. Patsy was born in Littlefield on Oct. 26, 1946. Her favorite pasttime is reading. Her favorite sports are basketball and volleyball, and she was very active on the Mustang basketball team. Patsy's favorite T.V. Show is "Burke's Law"; actor-Richard Burton; teacher-Miss Price; pet peeve-"People that are two-faced." It sounds as if Patsy will go far in life with her ambition being, "to make good in life, no matter what I try to do."

LONNIE STABENO

Lonnie is a senior with a winning smile, and is admired by all who know him. Undergoing many operations, he has shown determination in finishing school and courage in wishing to further his education by attending college. Lonnie is the son of Mr.and Mrs. E.C. Stabeno, Rt. 1, Slaton. He has a younger brother and sister, Lawrence and Lynn. Lonnie's hobby is listening to the radio. Lonnie was born in Slaton Oct. 10, 1946. He lists his favorite sport as hunting. For the last two years he has been manager of the Mustang football team. Other favorites are: subject-Algebra; T.V. Show- "Bonanze", movie- "Goldfinger"; actor- Gregory Peck; actress-Connie Stevens; teacher- Bobby Lee; food-barbeque; pet peeve- "People who brag" and his ambition-"Go to college and make lots of money."

WILSON NEWS

BY MRS. TED MELUGIN

EVERYONE IS INVITED TO THE SENIOR PLAY TOMORROW NIGHT

Coach Doug Duncan has been named assistant football coach and head track coach at Slaton High School. Duncan and wife, Sherry have two children, Stacy 5, and Randy 9 months. Duncan is now head coach at Wilson, and also teaches.

Jim Lane heads the Wilson School Board, being named as president April 6th in a called meeting. Jiggs Swann was elected vice-president and A.N. Crowson, secretary. Other members of the board are: Edmund Meaker, former president, Rueban Sander, Roy Lynn Kahlich, and Weldon Meador.

Rev. W.O. Rucker was guest minister in Levelland at the Wesley Methodist Church during special Holy Week services, Wednesday through Saturday of last week. Rev. Rucker is minister of Wilson Methodist Church.

Miss Jeanette Catherine Schneider and Eugene Heinrich, will wed April 24 in St. Joseph's Catholic Church. Miss Schneider is a graduate of WHS and is the daughter of Mr. and Mrs. H.F. Schneider.

Valton Maeker, son of Mr. and Mrs. Edmund Maeker has been nominated for membership in Phi Theda Kappa National Honor Society at Texas Lutheran College in Seguin. Selection is made on grade point average and devotion to the ideals of the college. Valton is a 1964 graduate of WHS.

The FHA girls of WHS will present their annual style show next Thursday, in the high school auditorium.

Mr. and Mrs. John Ramby, Ronni, Rhoda , and Gini Gatzki, enjoyed last weekend traveling to El Paso, visiting in Juarez, Mexico and on their return trip, toured Carlsbad Caverns of New Mexico.

ELEMENTARY HAS EASTER EGG HUNT

Thursday afternoon the elementary students enjoyed hunting eggs at school with several mothers present. School students enjoyed an Easter vacation, being dismissed Wednesday afteroon and going back Tuesday morning.

The 42 party sponsored by the band boosters, turned out to be quite a success. During the cake auction, the lights went off, due to the rain storm, and candles were lit to continue the sale. There were no complaints, for everyone rejoiced over the nice rain. Wilson received almost three inches of rain. May we express our appreciation to all who contributed cakes pies, bread, to those who bought them and to Bobby Lee who auctioned for the sale.

FHA MEMBERS ATTEND CONVENTION

Two members of FHA from Wilson will attend the state Convention in Dallas this weekend. Those going are Sandra Koslan and Marilyn Wuensche. Accompanying them will be their mothers and homemake teacher, Mrs. Eileen Merryman.

A correction of the name of Mr. and Mrs. Green's new baby son. His name is Lyndal Cory, not Glen, as stated earlier, in the Wilson news column.

The Mustang Band will present a spring concert May 4 for the general public.

Mr. and Mrs. E.C. Stabeno spent the Easter holidays at Granite Shoals Lake, returning Monday.

Easter Sunday, Mr. and Mrs. Ted Melugin, Terry Linda, and Troy, attended a family reunion in Lazbuddie. Accompanying them on the trip were Mrs. Mae Melugin and Judy Ann Pugh of Slaton. They visited in the home of Mr. Melugin's brother and family, Mr. and Mrs. Neal Bradshaw and Lloyd. Also present were Mr. and Mrs. Odis Bradshaw of Lubbock, Mr. and Mrs. Juel Bradshaw, Carlton and Carolyn of Slaton.

Mr. andMrs. David Peterson, Valetta, Wayland, and Leslie enjoyed the weekend fishing at Lake Stamford. Sunday they visited Mrs. Peterson's mother, Mrs. N.A. Rodgers in New Home.

Mr. and Mrs. Andy Campbell of Lovington, N.M. came Friday for a weekend stay with Mrs. Jasper Campbell and girls, also visiting with Mr. and Mrs. Pat Campbell. Friday night, Mr. and Mrs.Chester Campbell visited with the Campbells. Sunday, Mrs. Jasper Champbell, Cherry and Cindy, Mr. and Mrs.Billy Weaver and David visited with the Chester Campbell's. Sunday night, Mrs. Sadye V. Weaver, mother of Billy, spent the night with Mrs. Jasper Campbell, Cherry Cindy and Mrs.and Mrs. Billy Weaver. Mrs. Sadye Weaver is Dormitory matron for the girls at South Plains College in Levelland.

Mrs. Paula Morgan and three sons visited during the Easter holidays with Mrs. Morgan's sister in Tulas, Okla. Mrs.Morgan teaches the fifth grade.

Easter Sunday, visitors in the home of Mr.and Mrs. Elbert Gumm and John T. were the Gumm's daughters and families Mr. and Mrs. Gilbert Kaatz, Stanley Betty and Sue of Lubbock, Mr. and Mrs.Edwin Martin, Diane, Clinton, LaNell, and Karen.

Mr. and Mrs. R.R. Dreyer had as weekend guests , their daughter and family of Shallowater, Mr. and Mrs. Steve Bretina, Carol and Sandra.

Several families have gone out of town for the Easter holidays, call in news of your trips to 628-2956.

Rimrock City Aims For May Opening Date

Roland Ponce, president of Rimrock City and Zoological Gardens, announced today that the first phase of construction on the new amusement center is 85 percent complete. Opening day will be Saturday, May 22.

Some of the opening attractions will be the most authentic Frontier City in Texas showing over a quarter of a million dollars in antiques, one of the largest 18-hole miniature golf courses in the state's , the 2nd largest reptile gardens in Texas and the state's 5th largest zoo.

Other attractions are one of the most modern amusement ride areas anywhere, a ride in a replica of an 1863 model Iron Horse, a two-mile horseback riding trail, a stage coach ride and a private picnic area.

During the first season, construction continues on an 18-hole regulation PGA Golf Course, an authentic replica of a post-Civil War Calvary Post and museum, indoor-outdoor rifle range, spacious Frontier restaurant, trout fishing ponds and a convention auditorium seating 500 people.

By the end of 1967, Rimrock City and Zoological Gardens, located just east of Loop 289 on the Buffalo Lakes Road, Lubbock, will be a multi-million dollar educational and recreational center dedicated to the people of the great southwest.

Scout Circus Set In Lubbock

The 1965 Boy Scout circus will take place in the Lubbock Coliseum on Friday, April 30th and Saturday, May 1st. The theme this year is "Breakthrough for Youth."

All of the public in invited to attend this "Greatest Scout Show on Earth." Tickets are on sale from most Cub Scouts, Boy Scouts, and Explorers in the South Plains Council.

Thousands of boys and leaders from the Council will show Scouting skills in the various events such as: Before Columbus- The Redman, Wilderness 1965, Cub Breakthrough, Cubs on the Moon, and many others.

Jack Gaulding is the general chairman of this year's event.

Cubs, Scouts, and Explorers work hard every year to make their Circus successful. You can help their unit program by attending.

every day is FAIR and WARM...

with an ELECTRIC Clothes Dryer
It's always fair weather when you and your electric dryer get together. Gentle electricity, accurately controlled, dries clothes exactly the way you want them dried – for ironing or fold-away. Too, the cost is so low – the total cost – just 5¢ a load and if you dried a load every day that's only $1.50 a month. And remember, this includes power for the tumbler and blower as well as gentle electric heat for drying.

Call Long Distance for Less
ALL DAY SUNDAY
and after 8 Each Evening

NOW you can make long distance calls *all day Sunday* at the low *night* rate.

The night rate is now in effect on station-to-station calls all day Sunday and every evening after 8 p.m.

Saturday calls are cheaper, too. Now the "evening" rate applies all day Saturday and from 6 to 8 p.m., Monday through Friday.

Why not call out-of-town family or friends any time Sunday, or any night after 8 p.m., when rates are lowest? It's the next best thing to being there.

LOOK HOW LOW RATES ARE NIGHTS AND SUNDAYS

	Sunday — all day; Monday-Saturday 8 p.m.-4:30 a.m. (night rate) *	Saturday 4:30 a.m.-8 p.m. Monday-Friday 6 p.m.-8 p.m. (evening rate)	Monday-Friday 4:30 a.m.-6 p.m. (day rate)
Dallas to Abilene	$ .50	$ .70	$ .85
Fort Worth to Phoenix	.75	1.05	1.45
Lubbock to Austin	.60	1.00	1.15
Wichita Falls to St. Louis	.65	.95	1.35
Tyler to San Antonio	.60	.90	1.05

All rates for three-minute station-to-station calls. Add 10% Federal excise tax.
* Does not apply to collect or third-number calls within Texas.

THE STATE OF TEXAS
COUNTY OF LUBBOCK
RESOLUTION

RESOLUTION APPROVING AND ADOPTING ESTIMATES OF THE COST OF IMPROVEMENTS, OF AMOUNTS TO BE ASSESSED FOR IMPROVEMENTS IN THE NATURE OF GRADING, LAYING CURB AND GUTTER AND PAVING PORTIONS OF STREETS, HIGHWAYS, AND AVENUES IN AND ALONG THE BOUNDARIES OF THE CITY OF SLATON, TEXAS, FIXING THE TIME AND PLACE FOR HEARING OF THE OWNERS OF ABUTTING PROPERTY, AND OTHER PERSONS INTERESTED IN SAID PROPERTY AND DIRECTING THE CITY SECRETARY TO PUBLISH NOTICE ON BEHALF OF THE GOVERNING BODY OF THE CITY OF SLATON, TEXAS.

WHEREAS, the governing body of the City of Slaton has heretofore ordered that portions of the streets, highways and avenues be improved by grading, installing concrete curb and gutter and paving with caliche base and triple asphalt surface together with incidentals and appurtenances, and arrangements therefor have been made and entered into by the City of Slaton, Texas, with Pioneer Pavers, Inc., Contractors, and,

WHEREAS, the governing body of the City of Slaton has caused the City Engineer to prepare and file estimates of the cost of such improvements and estimates of the amounts per front foot to be assessed against abutting property and the owners thereof, and such estimates have been approved and examined;

THEREFORE, BE IT RESOLVED BY THE BOARD OF ALDERMEN OF THE CITY OF SLATON, TEXAS, BY WHICH IS MEANT THE GOVERNING BODY OF THE CITY, Sometimes referred to as the City Council:

Section 1. That the estimates prepared by the City Engineers, Parkhill, Smith and Cooper, Consulting Engineers, be and are hereby adopted.

Section 2. NOTICE TO THE OWNERS OF PROPERTY ABUTTING UPON THE HEREINBELOW MENTIONED PORTIONS OF STREETS, HIGHWAYS AND AVENUES AND TO ALL OTHERS AFFECTED.

The governing body of the City of Slaton, Texas, has heretofore ordered that the following portions of streets, highways and avenues in and along the boundaries of the City of Slaton, Texas, be improved by raising, grading and filling and installing concrete curbs and gutters and installment of sewers and drains where necessary on streets, highways and avenues hereinafter designated, and it is hereby found and determined that the amount per front foot in each unit proposed to be assessed for such improvements against the abutting property and the owners thereof on the portions of said streets, avenues and highways improvements on such portions of said streets, highways and avenues are the amounts set forth in the respective following paragraphs which cover the units therein designated, to-wit:

The arrangements for the making and construction of such improvements with pavement of triple coarse asphalt surface treatment and a six(6") caliche base has been made and entered into by the City of Slaton, Texas, and the rolls and statements showing the proposed amounts to be assessed against the abutting property and the owners thereof, have been filed with the City, and such rolls and statements showing other matters and things, have been approved and the City Council of the said City has fixed a time and place for hearing to the owners of property abutting upon said portions of streets, highways and avenues and to all others affected, at which hearing the amounts to be assessed against the respective parcels of abutting land and the owners thereof, for improvements in the units upon which the particular parcels of property abut, and the amount of benefits to the respective parcels of property by means of the improvements in the unit upon which the particular property abuts, the regularity of the proceedings with reference to such improvements, the apportionment of the cost of such improvements, and other matters and things will be determined, and after such hearing, assessments will, by ordinance, be made and levied and such hearing will be had and held by and before the City Council of Slaton, Texas, in the City Hall of the City of Slaton , Texas on the 3rd day of May, 1965, at 6 o'clock p.m. The rolls and statements showing the proposed amounts of such assessments are on file in the office of the City Secretary and open to inspection of any interested parties at any time and of all said matters and things, all such owners of property, as well as any others in any wise affected or interested will take due notice.

By order of the City Council of the City of Slaton, Texas, this 12 day of April, 1965.

No notice other than hereinbefore provided for shall be necessary but publication of such notice shall be due and sufficient notice to any and all other persons, firms, corporations, and other parties.

Section 3. That a hearing be given and held by and before the governing body of the City of Slaton, Texas, to all persons owning or claiming any property abutting any part of portion of said streets, highways and avenues described in Section 2 of this resolution, as well as owning and claiming any interest in such property. Such hearing shall be given and held on the 3rd day of May, 1965, at 6 o'clock p.m. in the City Hall of Slaton, Texas, and the City Secretary is hereby directed to give notice of the time and place of such hearing, and of other matters and facts in accordance with the terms and provisions of the Laws of the State of Texas and Article 1105 (b), Texas Revised Civil Statutes, 1925 as amended. Such notice shall be by advertisement inserted at least three (3) times in The Slaton Slatonite, a newspaper published in the City of Slaton, Texas, the first publication shall be made at least ten (10) days before the said hearing. Said notice shall comply with and be in accordance with the terms and provisions of this resolution and said act as amended.

On motion of Alderman Clark Self, seconded by Alderman Robert Banks, the foregoing resolution was passed on this 12 day of April, 1965, as shown by the following vote.

-3- Aldermen voting "Yea".
-0- Aldermen voting "Nay".

Jonas Cain
Mayor, City of Slaton, Texas

ATTEST: CITY SECRETARY
Robert W. Sokoll

THE STATE OF TEXAS
COUNTY OF LUBBOCK

BEFORE ME, the undersigned authority on this day personally appeared Robert W. Sokoll, known to me be the person whose name is subscribed to the above and foregoing instrument as Mayor of the City of Slaton, Texas, and acknowledged to me that he executed the same for the purposes and consideration there in expressed and in the capacity therein stated.

GIVEN UNDER MY HAND AND SEAL OF OFFICE on the 12th day of April, 1965.

Ronald Purtell
Notary Public in and for Lubbock County, Texas.

Ordained by the City of

That the City Commis-
of the City of Slaton, Tex-
as heretofore by ordin-
duly enacted on April 12,
recorded in Ordinance
e 4, determined the ne-
y for and ordered the
ovements of portions of
ion, a public street, from
west property line of 9th
t, to the east property line
1st St. (south), in the City of
, Texas, within the limits
nafter defined and in the
er and accordance to the
and specifications there-
hich said plans and speci-
ons have heretofore been
ved and adopted by said
Commission. Said street
the portions thereof to be
ved, designated by Unit
ers are as follows:
1-64, Division Street from
west property line of 9th
t to the east property line
1st Street (South)

That a notice duly exe-
d in the name of the City
laton, Texas, of the enact-
of said above described
nance, has heretofore been
with the County Clerk
bbock County, Texas, the
y in which the City of
n, is situated and such
e has been duly recorded
e Deed of Trust Records
bbock County.

That said City Commis-
after having duly advertis-
for bids in the manner as
ired by law and the Char-
of the City of Slaton, did
d contract for the con-
ction of said improvements
J. Hodges, Inc.
on its lowest and best re-
sible bid therefore, and
contract which is dated
ember 30, 1964, have been
uted by the said T. J. Hodg-
Inc. and by said City, the
ution by which contract by
City being authorized by
olution heretofore passed
said City Commission, all
required by law and the
rter of the City of Slaton.

That the City Commission
he City of Slaton has caus-
the City Engineer to pre-
and file estimates of the
of such improvements and
mates of the amount per
t foot to be assessed ag-
st the property abutting said
et; and the City Engineer
heretofore filed said esti-
es and a statement of other
ters relating thereto with
d City Commission, and that
accordance with said state-
t of the estimates so filed
the City Engineer and here-
approved. The amounts of
d estimated cost are herein-
r stated and set out in the
edule contained in Section
reof.

II

The written statement and
ort of the City Engineer
retofore filed with the City
mmission, showing the esti-
ted total cost of all the
provements on each of said
eet or unit, within the limits
ve defined, showing the
ounts per front foot pro-
ed to be assessed against
abutting property and ag-
st the abutting property and

against the real and true owners thereof for said improvements, showing the total estimated cost of said improvements on each of said street or unit proposed to be assessed against and paid to the City of Slaton by the abutting property and the real and true owners thereof to reimburse the said City for all of the cost of such improvements and showing the total estimated cost of said improvements on each of said street or unit and other matters relative thereto; having been received and examined by the City Commission said report and the estimates therein shown are hereby in all things approved and adopted; and it is hereby found and determined by the said City Commission that the estimated amounts of the several respective items of cost of said improvements as above described on each of such street or unit as follows, to-wit: (Unit paving estimates attached and made a part hereof.) (UNIT PAVING ESTIMATES)

Division Street, from W. P. L. 9th Street to E.P.L. 21st Street South. 24" Curb & Gutter, $1.77 l.f., 7,700.2 feet, $13,629.35. 6" Conc. Spandral, $5.50 s.y., 3.1 s.y., $17.05. 48 " Separate Gutter, $2.40 l.f., 37.0 ft., $88.80.

Construction Cost $13,735.40 Engineering $1,510.89. Total Cost $15,246.29. Total No. of Front Feet of Property 3,614.84. Rate per front foot for curbs and gutter $1.77. Total rate per front foot $1.77. Estimate by Parkhill, Smith & Cooper, Lubbock , Texas.

III

The cost of said improvements shall be paid as follows, to-wit: (a) The entire contract price shall be paid to the successful bidder by the City of Slaton. (b) The City of Slaton shall reimburse itself for all of the cost of the improvements by assessment against the respective abutting properties with the real and true owners thereof in accordance with the provisions of Article II, Section 16 of the Charter of the City of Slaton and applicable provisions of the Statutes of the State of Texas herein referred to. No assessments shall be made against any abutting property or the real and true owners thereof for cost in excess of the benefits of such property in enhance value thereof by means of such improvements. The amount of such assessments shall constitute a first and prior lien upon such properties and a personal liability of the real and true owners thereof, whether correctly named or not, and shall be payable annually to the City of Slaton , as follows:

When the improvements herein ordered have been completed and accepted by the City of Slaton, the amount of the assessment against each property abutting thereon and the real and true owners thereof shall be and become payable in five (5) equal annual install ments, due respectively on the 1st day of May of each year, beginning May 1, 1966 , together with interest on each installments, from the date of acceptance of said improvements until paid at the rate of seven (7) per cent per annum, payable annually to the City of Slaton, at the City Secretary's office; provided, however, that the owners of any of said property shall have the previlege of paying all or any of said installments at any time before maturity thereof by paying the total amount of principal of such installments together with interest accrued thereon down to the date of payment. Further, if default be made in the payment of any of said installments of principal or interest promptly as the same matures, then at the option of the City of Slaton, or its assigns the entire amount of the assessment upon which default is made, together with reasonable attorney's fees and all collection cost incurred, shall be and become immediately due and payable.

IV

A hearing shall be held and given to the real and true owners of, and all owning or claiming any interest in any property abutting upon said street within the limits above defined, and to all others owning, claiming or interested in said property or any of said matters, as the assessments and as to the amount be assessed against each parcel of abutting property, and the real and true owners thereof, and as the special benefits ,if any, to said property to be received from said improvements, and concerning any error, invalidity, irregularity or deficiency in any proceedings or contract with reference thereto or concerning any matter or thing connected there with, which hearing shall be held by the City Commission of Slaton, Texas, in the Commission Chamber of the City Commission in the City Hall of the City of Slaton, Texas, at 6 o'clock p.m. on the 3rd day of May, 1965, at which time and place all persons, firms, corporations or estates owning or claiming any such abutting property, or any interest therein, and their agents or attorneys, and persons interested in said proceedings, to be heard in person, or by counsel, and may offer evidence; and said hearing may be adjourned from day to day and from time to time and kept open until all evidence and pro test have been duly offered and heard; and the City Secretary, of the City of Slaton, Texas, is hereby directed to give notice of said hearing by publication of notice in some newspaper of general circulation in the City of Slaton, Texas; and said notice shall be published at least three (3) times in said newspaper before the date set for said hearing, the first of which publication shall be at least ten (10) times prior to the date of said hearing, and such notice by publication shall be valid and sufficient. Without any further form of character of notice, as provided for by and in accordance with the terms and provisions of said Chapter 106 of the Acts of the First Called Session of the 4th Legislature of the State of Texas, known and shown as Article 1105-b of Vernon's Annotated Civil Statutes of Texas, as amended . However, said City Secretary may, in addition to the contents of the Notice of said hearing, as required by law and the Charter of said City, which shall be for all purposes valid and sufficient in itself,include in any one or all of the publications of said Notice such further data and information regarding such proposed improvements and assessments as the City Secretary may deem proper and such general statement in connection therewith as the City Secretary may desire, to acquaint those to whom the Notice is directed with the facts and matters concerning said improvements, assessments and hearing. The form of said Notice, as required by law and said Charter, having been heretofore submitted to the City Commission by the City Secretary, same is hereby approved for publication.

V

Following such hearing as above provided, assessments will be levied against abutting property, and the real and true owners thereof for the cost of said improvements have herein above determined to be payable by said abutting property and the real and true owners thereof which assessments shall be a first and prior lien upon said abutting property and a personal liability and charge against the real and true owners thereof, I levying said assessments, if the name of the owner be unknown, it shall be sufficient to so state the fact, and it shall be unnecessary to give the correct name of any such owner and no error or mistake in attempting to name such owner or in describing any of said property shall invalidate any assessment or certificate issued in evidence thereof; but nevertheless, the real and true owners of said abutting property shall be liable and the assessment against said abutting property shall be valid whether or not such owner be named, or correctly named, or said property correctly described therein.

VI.

Each portion of said street hereinabove described and designated by Unit Numbers constitutes a separate & independent Unit of the improvements and shall be improved and the improvements constructed therein as separate and independent from each and every other Unit or said street,and the assessments to be levied for said improvements in each Unit or portion of said street shall be altogether separate and distinct and independent of and from the assessments to be levied in every other of said Units and portions of said street and, in making and levying said assessments against the property abutting upon one of said Units, no matter or circumstance in connection with any other of said Units shall be considered or have any effect upon the other, all a fully and to the same extend as if separate proceedings and contracts had been had and executed with reference to the improvements to be made in each of said Units.

VII.

The fact that the street and portions thereof to be improved as heretofore and hereinabove provided for are in bad and dangerous condition and should be improved without delay creates an emergency and imperative public necessity for the immediate perservation of the public peace, health, safety and general welfare requiring that the Charter rule providing that no Ordinance shall go into effect before the expiration of five (5) days from the date of its final passage and all other rules requiring more than one reading or prohibiting the passage of an ordinance on the date introduced and passage, be and the same are hereby suspended; and this Ordinance shall be passed and take effect as an emergency measure and be in full force form and after its passage as provided by law, and it is so ordained.

APPROVED: PASSED this the 12 day of April , 1965, by an affirmative vote of three-fourths (3/4 s) or more of the City Commission.

APPROVED this 12 day of April 1965.

Soil Testing Going Strong, Fertilizer Too

COLLEGE STATION--Texas farmers are going to the state's soil testing laboratories in ever-increasing numbers for answers to how much and what kinds of fertilizers to use.

Extension Soil Chemist C.D. Welch at Texas A&M University reports that 13,922 soil samples were submitted to the three Texas A&M Laboratories and those at Stephen F. Austin State College and Wharton Junior College during January and February.

The Lubbock facility received 6, 175 samples for the period, a new record, Welch said. The College Station lab received 4,447 samples; the Baylor County lab at Seymour handled 429; the S.F.A. lab 1,562 and the Wharton lab 1,309 samples.

Welch listed the top six counties from the standpoint of samples tested as Castro, 1,071; Lamb 921; Hale 886; Colorado 622; Floyd 504; and Harris 459. Out-of-state samples were tested from Airzona, Colorado, Missouri, New Mexico, Nevada, Louisana and one came from Mexico, he said. The chemist noted that only a few of the state's 254 counties, most were strictly range counties, -- failed to be represented in the totals.

Welch said the amount of the fertilizer moving into consumer channels during the six months from July-December 1964 was 50 percent higher than for the same period in 1963. Also that for the first two months of 1965, fertilizer tonnagesp purchased were slightly higher than for the same months in 1964.

He said numerous factors contributed to these increases but perhaps the most significant was the realization by more farmers and ranchers that adequate fertilization is an important key to efficient production. The potential for improved profits through proper fertilization is still far below the possible in most regions, he said. However, he pointed out, for fertilization to be a profitable investment,i it is necessary to carry out and often improve other production practices.

Quality Work From Spradleys

Spradley Furniture & Upholstery Co., a familiar name in Slaton since 1942, has expanded in the past year to better serve the many customers in this area.

H.A. and Don Spradley, father-son partners, offer a combined 45 years of experience in the upholstery business.

It's no wonder that the Spradley firm is becoming widely recognized for quality upholstering and refinishing work. They also specialize in custom-built furniture and, along with refinishing, do antiquing on furniture.

H.A. was in Lubbock in the furniture and upholstery business before coming to Slaton in 1942.He has about 32 years experience in upholstering.

His son, Don, started learning the trade during high school days here. Except for three years in the army, 1955-58, he has been doing upholstery work. Don worked in San Angelo for about seven months before coming back here recently to join his father.

Ben Licon and Joe Martinez are also on the Spradley staff to help in the upholstery, furniture refinishing, and deliveries.

Spradleys occupies the big building at 160 Texas Ave., after moving from a location next door. The larger building is the former Thompson Furniture site. The firm handles some used and rebuilt furniture.

One of the most important things to remember about Spradley Furniture & Upholstery is that quality workmanship is guaranteed.

ROOSEVELT NEWS

BY DORIS THOMAS

The Easter holidays are over and I am wondering if the camping trip was worth all the dirty clothes that are having to be washed and ironed all over again. I guess it was but I need the rest more since the trip than I did before we took it. I hope all of you had as much fun as we did. Along with the Thomas Clan at Fishhaven at Stamford were the four Roland McCormicks, Muleshoe, the six J.M. McCormicks, Dallas, the five Haywood Belchers, Clyde, the six Bob Hoppers, Mrs. Mack McCormick and Ronnie, Slaton, and Gary Sterling of Lubbock. The fishing wasn't too good other than the carp fishing, but the kids caught about 200 lbs. of those. When you get 31 of this bunch together at one time there is never a dull moment anyway so we didn't miss not catching too many fish.

The Bob Parks, Max Barnetts, Rastuss Pounds, Troy Thomas', Shirley Dickey, Janie Thomas, Brody Darbys, Ronnie Darbys and the Clifton Rodgers of Amarillo invaded Falcon Lake for Easter but the fish weren't biting too good there either.

Mr. and Mrs. C.T. Bessent, Tony and Scotty went to Brownwood to try their luck at fishing.

Mr. and Mrs. Carl Crossland, Marty and Richy went to Texhoma to get in a little fishing.

Mr. and Mrs. George Burns and family went to Clarksville for the holidays.

Mrs. Hilton Derrington and Mrs. J.H. Derrington, Denna and Keith motored to Jacksonville to see the new granddaughter of the Hilton Derringtons.

Charlie Hunter had nose surgery this past week but it wasn't so bad that he didn't get out of the hospital the next day and take off fishing.

Johnny Hammett is doing just fine after surgery last week and I hear that it didn't slow his gift for talking down one bit. That's what it takes to keep you going, Mr. Hammett, so keep on with the chatter and you will be well much sooner.

Mrs. Jim Newtons sister, Dora Norwood of Friona has just undergone surgery and is doing fine.

Joey Sherman's mother, Mrs. Montey Sherman, formally of Acuff, is in the Longview hospital having undergone a series of tests. Our prayers are with you, Mrs. Sherman.

Fred McGee is doing nicely after his operation at Temple.

Arvil Newton, brother of Mrs. V.J. shook, is in Dallas for surgery. A speedy recovery is wished for you, Mr. Newton.

Mrs. Lillie Mae Thomas has had two of her sisters and a niece visiting her this week. They were here for their brother-in-law, Bill Rowe's funeral. The sisters are Mrs. Willie Gammill, Fort Sumner, Mrs. Bill Malloy, the niece, Mrs. Paul Sheals and Paul Jr. of Alburquerque.

--

RAILSBACK REUNION HELD

The Railsback annual reunion was held Easter Sunday at the Roosevelt Club House. Those attending were: Mrs. Buna Hale, Las Cruces, N.M.; Mrs. Bula Marx, and Mr. and Mrs. W.A. Wright, Lamesa; Mr. and Mrs. J.M. Hollors, Lubbock; Mr. and Mrs. Earnest Railsback, Levelland; Mrs. Mildred Moyers and Linda, Amarillo; Mr. and Mrs. Sid Price, Ropesville; Mrs. Isom, Mr. and Mrs. James Maines and children, Joe Stevenson, Mr. and Mrs. Johnny Fulton and Susan, Lubbock; Mr. and Mrs. Tom McClure, Shallowater; Mr. and Mrs. Bural Railsback and Gerry, Mr. and Mrs. George Rails back, Mrs. Dora Railsback, Mr. and Mrs. Roy Railsback and Patricia, all of this community.

BE PROTECTED AGAINST

HAIL

AN IMPORTANT MESSAGE TO THE FARMER IN 1965!

Mr. Farmer, can you afford a partial or complete hail out? Can you meet your bills or loans or stay in business if this happens? Due to the rising cost of operating and decreasing crop income, it appears that it would be just good business management to protect your crop cost and expected income with a sound, sensible hail policy.

TEN REASONS WHY PANHANDLE MUTUAL HAIL ASSOCIATION IS ONE OF THE LARGEST CROP HAIL WRITERS ON TEXAS CROPS:

1. We offer 3 different types of cotton policies – Panhandle Special, FB-10, and FB-5.
2. The expiration date on all cotton policies has been extended to December 15th at no additional cost.
3. All policies will be adjusted on the old percentage method and not the Plant Population or space adjustment.
4. All policies are reinsured by the Lloyd's of London.
5. Approximately 5 millions dollars have been paid back to the farmers for losses in the last 6 years.
6. A-plus (excellent) Rating by Dunne's Fire & Casualty report.
7. Our wheat policy contains the "Extra Harvest Expense Award" benefits, also 10% reduction on Tascosa & beardless type wheat.
8. Our cash rate is 5% or more beneath the standard rates.
9. Required legal reserve (Policy Holders Surplus) is on hand and kept in banks throughout West Texas.
10. Your Panhandle Mutual Hail Association wants to serve you with "the thinking man's hail insurance".

Be sure and talk to your PANHANDLE MUTUAL AGENT now to compare and study the coverages and rates, because of the many coverages that are now being offered, you need to know which policy fits your West Texas farming conditions the best.

"A TEXAS COMPANY BUILT AND OWNED BY TEXAS FARMERS"

Notaries Are Notified Of Date Change

All qualified Notaries Public desiring re-appointment for the new term ending June 1, 1967, must requalify by the payment of the required fee and the filing of a new oath and bond with the county clerk of his residence between May 1 and May 15.

This qualifying shall become effective June 1, for the term beginning June 1, 1965 to June 1, 1967. This May 1-15 is a new time for re-appointments, which were formerly filed in June.

All new appointments, people who are not notaries, must qualify between June 1, and June 10.

Mrs. Floe Swenson, Lubbock County Clerk, announced the change in filing dates last week.

"Eagles Spread Wings"

BY DORIS THOMAS

The Three Eagles we are putting in the spotlight this week have many things in common. They are all three from the Childrens Home of Lubbock, are very well liked by everyone they come in contact with, are very pleasant to be around, and are planning to further their educations so that they might help others.

GAIL HERRICK

Gail is 18 years old and has attended Roosevelt for 6 years. She is planning to attend Abilene Christan College after graduation, majoring in Home Economics and Bible. High School activities: Science Fair-1st-2nd-3rd-4th years; FHA 1st-officer 2nd-3rd-4th years; Annual Staff 1st year; Basketball 3rd-4th years; National Honor Society; 2nd-3rd, officer 4th year; Class officer 3rd year; Student Council 2nd year; Junior Play; Sophomore Queen.

LORAN PARTIGIANONIO

Loran is 18 years old and has spent three of those years at Roosevelt. He plans to attend inter Pre Med School at Abilene Christian College after graduation. High School Activities: FTA 3rd year; Junior Play; Football 4th year; Science Club 4th year; Science Fair; 1st-2nd-4th years; Gregg Award 3rd year.

TONY PARTIGIANONIO

This young man, being a twin to Loran, is also 18 years old and has been in Roosevelt 3 years. He plans to attend Lubbock Christian College after graduation. High School Activities: Science Fair 1st-2nd-4th years; Football 4th year; Interscholastic Debate 1st year; Junior Play; Gregg Awards 3rd year.

Hoover Dam, 726 feet, is the highest in the world.

Holiday visitors in the Eva Trimble home, 355 W. Panhandle, included her children and grandchildren--Mr. and Mrs. Bill Trimble and boys from Midland, Mr. and Mrs. J.H. Trimble and boys of Lubbock, Mrs. Roscoe Mercer and children of Slaton, and Mr. and Mrs. John Abare of Slaton.

Armed Forces Day Open House Set May 8

The most complete open house in history is planned for the annual Armed Forces Day observance Saturday, May 3, at Reese Air Force Base. Citizens of Lubbock and the South Plains are expected to flock to the base to see examples of the nation's "Power for Peace".

The morning has been set aside for sports and other activities, with the afternoon devoted to static displays and demonstrations.

On hand for public inspection will be 30 or more types of aircraft-some of the fastest, most versatile and capable in the Air Force, Navy, Army, Marine and Air National Guard inventories--and several missile models of the Armed Forces.

During the afternoon scheduled an air reb... smoke grenade demonstra... a paratroop drop, fly-ov... F-100 and F-104 jet ... planes, precision drill ... mances by the Angel Fl... Texas Tech and the Co... low Air Force Base, Sa... gelo, drum and bugle corp... a demonstration by sentry...

Virtually every area o... base will be open to vi... and special movies w... shown in the base theat... baseball game between ... Reese team and the Texas ... freshmen will open the ... baseball field on the base.

Bonzo, the clown, will ... on hand to visit with the c... ren during the day.

Plans for Armed Forces ... at Reese call for a com... hensive program aimed a... monstration to taxpayers ... the Armed Forces are ... to protect the nation thr... "Power for Peace".
