Service Unity Hearings End In Harmony

By JAMES LEE
INS Staff Correspondent

WASHINGTON, Oct. 21 — Defense Secretary Johnson and Chairman Vinson (D-Ga) of the House Armed Services committee buried the hatchet today in a surprising climax to an anger-sparked investigation of Johnson's unification policies.

Vinson, who earlier had charged that Johnson was a "bureaucrat" endangering national defense by making a "grandstand play" as an economizer, recessed the inquiry until Jan. 3 and asked the nation to give the defense chief "fullest support."

The substitution of the olive branch for the clenched fist came after Johnson:

Co-operation Promised

1. Promised full co-operation with Congress in Defense department spending policies.

2. Charged that Navy critics of unification have "misinformed" Congress about defense plans and accused Navy witnesses of building a "straw man" that would be "amusing, if it were not so tragic."

3. Vehemently denied the Navy charge—which touched off the investigation—that the sea service is being "nibbled to death" and robbed of its aviation.

4. Revealed that the defense budget for the next fiscal year has been set at $13 billion—two and one-half billion less than the amount authorized by Congress this year.

Hoover, Marshall Testify

Former President Hoover and former Secretary of State George C. Marshall, wartime Army chief of staff, testified briefly.

Hoover praised the unification law, urged that it be given a chance to work, and defended the Navy's right to air its grievances. Marshall declared that service unity is "absolutely mandatory."

Vinson recessed the hearing with the statement that he wanted to end the proceedings "on an even keel." He added:

"Johnson deserves the fullest

Chest Campaign Reaches $10,000

Reports from workers on Lubbock's 1950 Community Chest drive lagged Friday afternoon, but Earl Kerr, Chest secretary, expected them to pick up considerably over the weekend.

Kerr said that approximately $10,000 had been collected by noon Friday, but the figure had not increased any by last night. "Workers seem to have taken time out for the football game in Amarillo," he said.

The drive might pick up somewhat this morning, although the Texas Tech football game this afternoon may have somewhat the same effect as the Westerner game Friday night, he said.

Collections Pushed

Workers in the women's sales division were rapidly completing their solicitations, Kerr said, and cotton men and used car dealers have reported their collections about half complete, although their totals to date have not been included in the $10,000 figure released Friday.

The Lubbock Air Force base has launched a Red Feather drive of its own, proceeds of which will be turned over to the Lubbock Community Chest. Reports from

Coal Parleys Broken Off

(By The Associated Press)

WHITE SULPHUR SPRINGS, W. Va., Oct. 21—The largest bloc of coal operators angrily broke off contract negotiations with John L. Lewis today.

Apparently government intervention was the only hope for ending the coal strike.

Western and northern mine operators, who produce more than half the nation's soft coal, walked out of parleys here with the United Mine workers and upbraided Lewis for his "everlasting strikes."

Cyrus S. Ching, chief federal mediator, is expected to call the disputants to Washington for another try at a settlement. But today in New York, where he is trying to end the current steel strike, Ching denied a published report that he had summoned the coal men to Washington for talks starting Monday.

The Interstate Commerce commission meantime ordered railroads with 25 days or less of coal supply on hand to cut operation of coal burning passenger locomotives by 25 per cent.

However, union officials negotiating with southern coal producers at Bluefield, W. Va., were strangely optimistic. The UMW team said after today's meeting that they had

Continued Cool, Fair Due For South Plains

Clear to partly cloudy skies with continued cool to cold temperatures today, tonight and Sunday was the South Plains weather menu dished up by the Lubbock forecaster last night.

Temperatures in the upper 30's are expected Sunday morning with possible frost in a few scattered areas, the Weatherman said. Today's temperatures were scheduled to range from a morning low of near 40 to a maximum in the low 70's.

Friday readings in Lubbock went from a low of 43 to a high of 70.

APPEAL PLANNED FROM PRISON TERMS, FINES

Top U.S. Reds Sentenced

(By The Associated Press)

NEW YORK, Oct. 21. — Ten of the 11 top Communists in America, branded a menace to their country, were sent to prison for five years today and fined $10,000 each.

The 11th, Robert G. Thompson, a decorated Pacific war hero, got off with three years and a $10,000 fine.

The defendants convicted a week ago today, were returned to jail.

Federal Judge Harold R. Medina pronounced the sentences and again refused bail. Notices of appeal were filed. The legal battle may finally end before the U. S. Supreme court.

The party leaders were convicted of conspiring to advocate the violent overthrow of the U. S. government. Their nine-months trial was one of the longest federal criminal cases in history.

Heavier Sentences Asked

U. S. Attorney John F. X. McGohey pleaded for 10-year prison sentences. He said the "potential danger of these men is incalculable."

Medina held a change in the Smith act, under which they were convicted, made five years the limit.

"If it wasn't for this," the court said, "I would be thinking in terms of more than five years."

Sentenced to five years were:

Eugene Dennis, 44, general secretary of the Communist party and one of its world leaders;

Henry Winston, 35, negro and organizational secretary;

John Williamson, 46, labor secretary;

Carl Winter, 43, Michigan state chairman;

Benjamin J. Davis, jr., negro and New York City councilman;

John Gates, 36, editor of the Communist newspaper, The Daily Worker;

Gilbert Green, 43, Illinois state chairman;

Irving Potash, 46, vice president of the CIO Fur and Leather Workers union;

Gus Hall, 39, Ohio state chairman;

ANOTHER EMBASSY WORKER OUSTED

Czech Government Arrests U. S. Official; Charge Vast Spy Ring

By JOHN FISHER
INS Staff Correspondent

PRAGUE, Oct. 21 — The Czech Communist government arrested one U.S. embassy employe tonight, ordered the expulsion within 24 hours of another, and accused the United States of organizing a vast ring in Czechoslovakia.

Czech Roman Catholic bishops simultaneously issued a statement accusing the Communist regime of converting the country into a system of prisons and labor camps housing "hundreds of thousands" of persons. It said tens of thousands of Catholics have been arrested recently.

Despotism Denounced

(Benjamin V. Cohen, a U.S. representative in the UN Assembly in New York, condemned what he called "the waves of a new despotism sweeping over Czechoslovakia," and a worldwide Russian effort to carry out "by force and stealth its own imperialist objectives.")

Another treason trial rivaling the recent "Titoist" one in Budapest was foreshadowed by the action against the U.S. embassy.

Samuel Meryn, an embassy employe who does not enjoy diplomatic immunity, was arrested shortly after the Czech foreign office sent a stiff note to the embassy accusing it of being a hotbed of espionage.

The embassy said that the arrested Meryn, an embassy clerk, is an American citizen.

More Time Refused

The note demanded that another official, Isaac Patch, quit the country within 24 hours. The em-

11 Injured In Traffic Mishaps

AMARILLO, Oct. 22 (Saturday) (Special)—Six Texas Tech students from Lubbock were injured in a two-car collision here shortly after 11 o'clock Friday night, with four of them being held in St. Anthony's hospital this morning for treatment and observation.

An Amarillo man, driver of the other car, also was being held in the hospital.

Hospital attendants said this morning that one of the injured appeared to be in a critical condition.

The Tech students, who came here to view the Lubbock-Amarillo high school football game, were identified by hospital attendants as:

Ruben McGilvary, 27, of Hereford, fractured pelvis and lacerations.

Others Injured

Ida Matney, 26, 2617 Twenty-sixth street, facial lacerations and possible chest injuries.

Dorothy Allison, 23, of 2810 Ruby, head bruise.

Joyce Harris, 19, of Childress, bruises and lacerations.

W. L. Bean, 23, of 2307 Thirteenth street, treated for fractured left shoulder and released.

Johnnie Huggins, 26, Boy's dormitory, treated for fractured finger and released.

The Amarillo man, Paul Kerbow, 36, received facial lacerations and also was being treated for shock.

Location of the wreck was on Highway 66, at the northeast edge of Amarillo. Bean was reported as

ANNUAL SYMPOSIUM PROPOSED

Top Texas Oilmen Hear Report On Petroleum Progress At Tech

By KENNETH MAY
Avalanche Staff Writer

ACCOMPLISHMENTS of the Petroleum engineering department at Texas Technological college during the past year were revealed to a group of 18 leading Texas oilmen on the college's Petroleum advisory committee at a meeting on the campus Friday.

W. L. Ducker, head of the department, gave the report on progress made by it since it was raised to that status in 1948. C. T. McLaughlin, Snyder, and C. E. Weymouth, Amarillo, members of the Board of Directors' minerals committee were also present.

The oilmen expressed surprise over the accomplishments made by the department and made plans for a possible annual symposium on the campus, according to Frank Junell, assistant to the president.

The proposed annual meeting was referred to a committee for further study, but present plans would be to invite leading oil men from throughout the state to the conference and let several deliver papers on various fields of the industry.

Dates for the meetings, should

One Is Killed, Four Injured In Tornadoes

(By The Associated Press)

A woman died and four persons were injured Friday in two tordoes that struck Texas about 300 miles apart.

A tornado roared into a sparsely settled north section of Abilene just after midnight Friday morning and ripped apart the home of Alfred H. Person. His wife, Ruby Lee Person, 37, was suffocated under the body of her 11-year-old daughter, who was injured critically.

Six hours later a tornado struck the Avery community near Clarksville in northeast Texas. Mrs. Oce Downs, about 25, was injured critically. The tornado destroyed one home and damaged several others. Numerous outbuildings were blown away and 170 of the community's 176 telephones were knocked out.

Woman Dies In Crash

Friday night an elderly woman from Tennessee was killed and another woman critically injured when two cars collided near Palestine in a sudden rain storm. Dead was Mrs. Lon Shannon of Milam, Tenn.

Some 1,000 telephone circuits were disrupted in Abilene. A 15-foot stone pylon and signs above radio station KWKC's building toppled onto the roof.

Long nails from heavy timbers of the Person house were driven into the body of Mina La Dell, 11, as she lay helpless over her mother's face. Person, 51 and blind, and a 14-year-old son, Eddie Earl, also were injured.

Person's wife had been supporting the family.

Other towns near Clarksville reported high winds and slight damage.

Scattered showers were general over the central, southeast and northeast Texas.

In the north and west portions it was generally fair and cool. Noon temperatures were in the middle or lower 60's from a cold front that hit the area Thursday night.

Area Men Lose Cottonseed Plea

By SARAH McCLENDON
Avalanche Washington Correspondent

WASHINGTON, Oct. 21.—Seven Lubbock and South Plains men representing ginners, oil mill operators and farmers, failed today in their attempt to get agriculture department officials to adopt their plan for carrying out the cottonseed price support program.

They had asked the department to pay the farmer in cash the difference between the market price of cottonseed and the parity price of $49.50 per ton and then let all seed go through the natural course of trade—through the gins and mills into commerce.

Cites Competition

George A. Simmons, manager of the Lubbock Cotton Oil company, said that gins and mills cannot afford to give more than the amounts now paid for cottonseed, about $43 per ton, and still meet competition of products made from corn, soy beans and animal fats.

The West Texans said the price finally arrived at under their plan would be little less than parity and that the plan would be less expensive for the government and more practical for the farmer.

Top officials of agriculture said the plan was against the law when called into conference on the mat-

Record Crowd Attends Opening Of Annual Lynn County Fair

By C. W. RATLIFF
Avalanche Staff Writer

TAHOKA, Oct. 21 — Old Sol looked down with a broad grin on Lynn county today after an inch and a half of rain and hail Thursday night to make for a successful opening of the annual Lynn County fair.

As farmers were unable to continue harvesting of crops, the largest crowd in the fair's history was on hand as a half-mile long parade through downtown Tahoka this afternoon heralded the opening of the two-day exposition. Saturday is expected to see even greater attendance.

And this afternoon and tonight several hundred persons thronged the fair grounds in northeast Tahoka to view the exhibits and take part in the festivities.

Pretty Miss Carolyn Middleton, daughter of Mr. and Mrs. D. B. Middleton of O'Donnell, rode in the honor position in the parade and will reign as "Queen of the Fair," having been selected in a contest Friday morning. Slaton's High school band led the parade.

O'Donnell also carried off another honor in the parade, the

Lubbock Blasts Long Sandies Grid Reign

Westerners Score Four Touchdowns In Fourth For Sixth Straight Triumph

By AL WILLIAMS
Avalanche Staff Writer

AMARILLO STADIUM, Amarillo, Oct. 21—Amarillo's long nine-year string of victories at the expense of the Lubbock Westerners came to a sudden and decisive end here tonight as the Hub City eleven roared to a spectacular 47 to 7 victory over the once proud Sandies before a sellout throng of 17,000 persons.

The triumph for Lubbock was the fifth against Amarillo in the history of the two schools under 28 years of Interscholastic league play—and the most glorious.

It marked the first defeat for the Golden Sandies on their new home field at Amarillo Stadium, and it was the largest margin a Lubbock team has ever run up against their old rivals—the 40 point margin outstripping the 1938 edge of 10 points by four times when Lubbock won, 29 to 19.

Lubbock Shows All-Round Power

Lubbock's smooth-working Westerners played like a team with a mission, using heads up work to completely outstrip every Sandie effort and rush to their sixth straight victory of this year.

Alertness in recovering their own fumbles and the best defensive play seen all year on pass protection gave the Westerners scoring opportunities at every turn, and the Hub City team scored on seven of them.

Coach Pat Pattison's fiercely charging team scored in every quarter but the third, tallying once in the first, twice in the second and four times in the fourth period before a dismayed but fighting group of Amarillo gridders.

The Golden Sandstorm's only touchdown came on the very first play of the last quarter and seemed only to put new fire into the Westerners. The score was 21 to 7 at that point with little more than eleven minutes remaining.

Score Four Times In Fourth

But in those awesome eleven minutes, the Westerners exploded all their pent-up fury of years past to write the final humiliating chapter in tonight's story. Blasting away with everything in the book, the Lubbock lads counted four more times for 26 points and the final 47 to 7 tally.

Lubbock Fans And Players Wildly Celebrate Victory

By EARL SCUDDAY
Avalanche Staff Writer

AMARILLO, Oct. 21 — If Lubbock High's Westerners should ever win a national schoolboy championship, the fruits of victory couldn't taste sweeter than they do here tonight.

Approximately 5,000 wildly cheering fans—who shouted themselves hoarse in witnessing a dream of many years coming true will testify to that.

Team Stops In Canyon

Late tonight, the wild celebration was still continuing although the tired but deliriously happy Westerner charges of Coach Pat Pattison had left town for Canyon where they stopped for a late and well earned dinner.

The celebration was touched off as the final whistle echoed over Amarillo's vast new stadium — players and fans alike pouring en masse onto the playing field where only once before, in 1939 when Lubbock chalked up a 9 to 7 decision, have the Westerners defeated an Amarillo team on home soil.

The celebration really got underway a few minutes earlier when the first string left the game after 45 minutes of gruelling play. But the huge Lubbock delegation didn't explode onto the field until the referee had waved his hands signaling the end of the bit-

See BRONCHOS Page 5

Lubbock's victory was a team victory, although there were individual standouts, it was the smooth teamwork that told the story.

Standouts in the Lubbock offensive and defensive setup tonight were many, but the work of Quarterback Bobby Brown both on offense and against Amarillo passes was superb. The lean Westerner marked himself as a definite all-state candidate, making four of Lubbock's six pass interceptions and passing for three Lubbock touchdowns. For the night, he completed seven of nine passes, accounting for the entire 108 yards through the air.

Fullback Malcolm Young was the high individual scorer, making three touchdowns to run his yearly total to 54 points. His punting kept Lubbock out of trouble all evening.

Reeves Scores Twice

End Garnet Reeves made two tallies, Halfback Wayne Stroud one and Williams one.

Two Lubbock touchdowns—a 43-yard scamper by Stroud around left in the second quarter and a one-yard smash by Williams—were nullified by penalities. However, on both occasions Lubbock roared back to score.

Open Up In First

Offensive action by the Westerners didn't remain hidden long in the thrilling first half, which saw Lubbock smash over three touchdowns to take a 21-0 lead.

The second time the Westerners grabbed the ball, they had a touchdown, marching 44 yards to split Golden Sandie defenses wide open and send 5,000 Lubbock rooters delirious. It was the first time in years that a Lubbock team had held a first quarter lead over the Sandies.

Young carried over for the first touchdown to climax the steady

AMECHE ENTERS OIL GAME

Film Star To Start Drilling Of Central Borden County Wildcat

Drilling is to be started at once by Don Ameche of Hollywood, Calif., and associates at their No. 1 Clayton & Johnson, scheduled 10,500-foot wildcat to explore into the Ellenburger in central Borden county, five miles west of the town of Gail.

The prospector will be 660 feet from south and west lines of the northeast quarter of section 30, block 31, TP survey, T-3-N.

Carl B. King Drilling company of Midland has the contract to dig the venture with rotary tools. Equipment is now being moved to the drillsite and the project will be spudded by early next week.

Checkerboarded Spread

This wildcat is on a checkerboarded spread of 10,800 acres which was acquired several weeks ago by Ameche and associates for a cash bonus of $10.00 per acre.

The spread was secured from S. M. Spalding and associates of Beverly Hills, Calif., in a deal handled by Steve Currie of Midland and Sterling City.

The Ameche spread was half of a solid block of 21,600 acres which Spalding, et al, held. Stanolind Oil & Gas Company acquired the other half of the block. It is divided between the Ameche group and Stanolind in checkerboarded quarter sections.

PERMIT FO RWILDCAT IN GARZA IS ASKED

Rex Alworth, A. G. Shaw, of Ranger, and others, have filed an application with the Railroad Commission of Texas requesting a permit to drill a 3,500-foot wildcat in southeast Garza county, five miles east of Justiceburg.

The project, No. 1 J. S. Reed, will drill to test the San Andres of the Permian, using rotary tools.

Location is 330 feet from south and east lines of section 135, block 6, H&GN survey.

It is to begin operations immediately.

NO GAUGE ON TOTAL FLUID IS REPORTED

C. L. Norsworthy, jr., and associates No. 1 Feldman, east-central Scurry county wildcat, ten miles east of Snyder, and 660 feet from north and east lines of section 63, block 3, H&TC survey, swabbed 24 hours on open hole in the Ellenburger at 7,340-57 feet.

The fluid which was recovered was 90 per cent wash water and 10 per cent oil. No gauge on the total fluid recovered was reported. The oil and water had a slight amount of gas with it.

During the 24 hours of swabbing the fluid could not be lowered below 3,000 feet from the surface. Operators were not able to determine what the fluid was which was coming into the hole from the interval at 7,340-57 feet.

The project was shutin at the end of the 24 hours of swabbing and at last report it was still shutin. After five hours of the shutin the casing pressure stood at 390 pounds and the tubing pressure registered 20 pounds.

The top of the Ellenburger is at 7,315 feet. The section from there to the total depth, which had been previously reported as being 7,362 feet, had a recovery of 4,492 feet of 46 gravity oil during a recent one-hour drillstem test. In addition that test developed 150 feet of heavily oil and gas-cut drilling mud. It did not show any formation water.

It had been reported several days ago that the 5½-inch casing had been set at 7,315 feet. That had been the original plan, but that was changed and the pipe was set at 7,340 feet. It is expected that the section between 7,315 feet and 7,340 feet will shortly be tested through perforations in the pipe.

LOCATIONS FOR FOUR OUTPOSTS STAKED

Ward Timlin of San Antonio has staked locations for four outposts to production from the Canyon reef on the southeast side of the north Snyder field of north-central Scurry county. All are to drill to 8,900 feet to test the Canyon reef, using rotary tools.

No. 1 P. W. Cloud will be located 467 feet from north and west lines of section 159, block 3, H&GN survey, and four and one-half miles north of Snyder.

No. 2 Cloud will be located 467 feet from south and west lines of the north half of section 159, block 3, H&GN survey.

The drillsite for No. 3 Cloud will be 467 feet from north and 1,168 feet from west lines of section 159, block 3, H&GN survey.

The fourth project is to be located 467 feet from south and 2,168 feet from west lines of the north half of section 159, block 3, H&GN survey.

Operations are to begin soon at these explorations.

Two other ventures have also been scheduled at the north Snyder field, both to test the Canyon reef.

Tide Water Associated Oil Company No. 1-A Dodson-House Unit is to be a 6,700-foot venture, located 665.7 feet from west and 653.4 feet from south lines of the northwest quarter of the southwest quarter of section 384, block 97, H&TC survey, and six and one-half miles north of Snyder.

It is scheduled to begin drilling immediately.

Standard Oil company of Texas has staked another location in the north Snyder field as its No. 10-3 T. W. Brown.

Slated to begin immediately, No. 10-3 Brown will drill to 7,600 feet, using rotary tools.

Location is 650 feet from south and 680 feet from east lines of the north half of section 450, block 97, H&TC survey. That makes it 11 miles north of Snyder.

Wedding Party At Dinner

A rehearsal dinner honoring Miss Martha Loveless and Ray Cook and their wedding party was given Friday night by the parents of the bride-elect, Dr. and Mrs. Roy G. Loveless, in their home on the Levelland road. The Cook-Loveless wedding will be performed tonight at 8 o'clock in the Loveless home.

At the dinner, covers were laid for 20 persons. Arrangements of pink dahlias and gray tapers decorated the table and dining room.

Luncheon Today

Today at 12:30 p.m., Miss Loveless will be honored at a bridesmaids luncheon in the party room of the Lubbock Country club with Mrs. W. T. Bradbury as hostess.

A wide pink satin ribbon will run the length of the table, and on each side of it will be standards holding pink chrysanthemums and white tapers. At one point on the table will be a little bridal party of yarn dolls, and at the bride-elect's end of the table will be a miniature arbor formed of maiden nair fern and pink chrysanthemums. Tiny baskets of pink chrysanthemums will be arranged around the arbor, under which will be placed a miniature bride and bridegroom.

On the guest list are the honoree, Mrs. Roy Loveless, Miss Cynthia Loveless, Mesdames George Loveless, A. C. Sanders, jr., E. Y. Gibbs, L. M. Jones, Earl Cook, of Childress, Earl Waldrip of Artesia, N. M., Douglas Jarrell of Abilene, W. K. Jarrell of Abilene, Galen Givens of Quanah, Alma Brewer of Dallas and Misses Lonette Cook of Childress, Cecile Butler and Francis Dalmasso.

Business Women At Evening Meeting

A business meeting for the Association of Sisters of Business of the American State bank was held Thursday night in the private dining room of Hotel Lubbock. Mrs. James Mullins and Mrs. Leon Davidson were appointed to plan the year's program.

Pantomines were given by Mrs. Charles Philbrick and Mrs. Davidson.

A party for husbands of members is to be held Nov. 17 at 7:30 p. m. at Hilton hotel. Mrs. Martin Agan will be in charge.

Others at the Thursday meeting were Misses Emma Lou Stevens and Vela Dumas and Mesdames Glenn Brooks, Gene Brownfeld, Gene Green and Lee Davis.

Miss Clara Pratt Gives Demonstration

The planting of rose bushes was demonstrated by Miss Clara Pratt, county home demonstration agent, for Plainview Highway Home Demonstration club Thursday afternoon at the W. G. Lofland home in the Clayton-Carter addition.

Those present were Mesdames T. C. Hudson, Jimmy Vickers, C. H. Tisdel, H. F. Williams, A. Holmes, E. J. Kittle, C. W. Benson, J. C. McClellan, J. L. Moore, G. C. Vaught, M. C. Keefer and Ralph Robinson. Mrs. Ben McWhorter and a Mrs. Chase were guests.

Mrs. Tisdel, Rt. 3, will be hostess to the club Nov. 3.

Mrs. Carroll Talks On School Cafeteria

The cafeteria which is to be opened soon at Senior High school was discussed by Mrs. Dora Nell Carroll, director of public school cafeterias, for the Senior High Parent-Teacher association Thursday night at the school. Sixty-five persons attended the meeting.

Mrs. A. A. Holmquest, president, was elected delegate to the state P-TA convention which is to be held next month in Waco.

Three students, Jimmy Sexton, Tom Cheatham and Morris Turner, sang popular songs for the program.

JUST THE TYPE—Surrounded by examples of his work, portrait artist Josef Abel works on another of his "typed" portraits. The Frankfurt, Germany, craftsman has been practicing for 10 years, and can now complete a typewritten portrait in about six hours. Working from photographs, Abel taps a key and moves the roller at the same instant, achieving remarkable portraits in this manner.

Federation Formed By Societies

Forty-two members of Dorcas societies from Seventh Day Adventist churches in Amarillo, Tulia, Plainview and Lubbock met in Plainview Tuesday to organize a Federated Dorcas Society. Elected to office were:

Mrs. C. L. Lagrone, Amarillo, president; Mrs. Calvin Harkey, vice president; Mrs. Merlin Weber, Plainview, secretary - treasurer; Mrs. Carl Reese, publicity chairman.

Elders L. E. Rogers and R. E. Reiger of Amarillo and Elder F. H. Hewitt of Lubbock were speakers at the all-day meeting.

The Dorcas society is the welfare organization of the Seventh Day Adventist churches and is active in relief work of all kinds, both local and foreign. The societies in North America are sending food and clothing to displaced persons in Europe.

The Lubbock society has a membership of 22 with Mrs. A. P. Glass as president. At present the group is assisting two unfortunate families, is making quilts for emergencies and is filling food baskets for local distribution.

Marriage Announced

Mr. and Mrs. Earl Creager of Levelland announce the marriage of their daughter, Miss Doris Ruth Creager of 1809 Broadway, and Alvin E. Sherrell of 2813 Fortieth, son of Mrs. Leroy Lemon of Lubbock, which took place Sunday at 8:30 a. m. at the Levelland Fifth Street Baptist church.

A double ring service was performed by Rev. L. R. Higginbottom of Gorman, uncle of the bride, as the couple stood before an altar of white gladioli and greenery.

Miss Wynelle Bailey, pianist, accompanied Bonnie Rutherford as she sang "I Love You Truly" and "Because." "Indian Love Call" was offered during the vows and the traditional march was used.

Father Is Escort

The bride, given in marriage by her father, wore an original white wool street length dress with navy and white accessories. She carried a bouquet of white and gold pompons.

Miss Erlene Morrow of Lubbock, maid of honor and cousin of the bride, wore peach colored wool, black accessories and carried bronze pompons. Leonard Blakeney was best man.

Royce Creager of Levelland and Earl Creager, jr., of Stephenville, brothers of the bride, were ushers.

The bride is a graduate of Lubbock High school and of the Lubbock Memorial Hospital School of Nursing and at present is nursing supervisor at the Texas Tech Student Health Service.

The bridegroom is a member of the Lubbock Police department.

After a short trip, the couple is at home at 2813 Fortieth.

Houston Mayor Envisions New Subway For Growing Population

HOUSTON, Oct. 21. (U.P.)—A subway serving a city of 1,500,000 population in 20 years was envisioned today for Houston by Mayor Oscar Holcombe.

It wasn't the first time Mayor Holcombe had spoken of subways for the city, but he had previously set no approximate date for possible installation.

The mayor believed the underground train should serve the South Main street area, stretching all the way out to the Shamrock hotel, some five miles from the downtown area. But before that, complete revision of city-wide bus transportation must be undertaken, Mayor Holcombe said.

In January, the city planning commission placed Houston's population at 508,000. The annexation program, only partly completed, is expected to bring an estimated 100,000 more residents into the city proper. Some estimates range as high as 619,000.

RESULTS TO BECOME EVIDENT

Europe Moves Toward Economic Union As Barriers Are Lowered

(EDITOR'S NOTE: How the nations of western Europe are lowering their trade barriers in progress towards a European economic union is set forth in the following dispatch in concluding a series of two articles.)

By JOSEPH L. RANFT
INS Staff Correspondent

PARIS, Oct. 20.—Just how much has the American taxpayer received for his money in the unity of purpose and continental co-operation which the European nations promised at the outset of the Marshall plan?

That question was answered as follows by a high official of the Economic Co-operation administration:

"Not much up to the present—but now we will begin to see the tangible results of our planning."

Import Restrictions Abolished

Some of those results are already in effect. They are the lists, announced this month by a group of Marshall plan nations, of commodities for which quantitative import restrictions have been abolished.

Italy, Belgium, France and the United Kingdom have promulgated preliminary lists of imports which they will accept in unlimited quantities from fellow-ERP nations in the future.

All other ERP nations will issue similar lists when the 19 finance ministers meet in Paris with the organization for European Economic co-operation. The listed commodities will represent in the aggregate 50 per cent of intra-European import trade.

Positive Step Greeted

Technical and undramatic as it is, this news has been greeted jubilantly by ECA leaders as the most positive step toward freeing the European economy since the nations began to box themselves off behind trade barriers in the 1930's—heyday of Dr. Hjalmar Schacht and his bilateral German barter deals.

The move strikes at the roots of the evils which have been throttling European trade—(1) Import quotas, (2) Exchange controls, (3) Tariffs.

In the words of W. Averell Harriman, Marshall plan roving ambassador, "When you remove trade restrictions, you make a start toward removing exchange controls and thereby come closer to convertibility of currency."

Exchange Made Available

The cogency of Harriman's observation was quickly attested, since the ERP nations have already agreed to make the necessary exchange available for the commodities released from import restrictions, thus opening an attack on the second objective. (The problem of tariffs is considered subsidiary.)

It is the belief of ECA that removing arbitrary trade barriers in Europe will set in motion a trend pointing directly toward economic—and probably political—union not too far in the future. "Politics follows economics," asserted one technician.

He added that by creating a common economic policy for an immense bloc of peoples you prepare the ground for a political union for which the framework already exists in the Council of Europe, with headquarters at Strasbourg.

Important Merger Planned

In this connection, an event will occur this month which is seen as holding unlimited potentialities for a future politico-economic fusion of western European nations. That will be the announcement of a virtually complete economic and monetary merger of France, Italy and Belgium. One ECA official went so far as to say:

"The French, Italians and Belgians are ready to go the whole route and treat one another as New York treats Texas."

That is not yet strictly accurate, for the Franco-Belgo-Italian union will not at the beginning include the completely free exchange of goods, capital and the people which obtains among the American states. But that is clearly the eventual goal.

Quotas To Be Removed

All trade quotas which hamper commercial exchanges between the three nations will be swept away at one stroke and their currencies will be interchangeable. The ECA has promised to use its $150 million "sinking fund" to compensate whichever of the three nations may suffer financial losses at the outset because of still fluctuating exchange rates.

This bloc of 100,000,000 Europeans, disposing of impressive resources of manpower, industry and raw materials, is expected to exert an enormous pull upon other ERP nations.

Sponsors of the union also wish to bring in the new western German government, since Germany offers a welcome market for many of their products. However, the old fear persists that Germany, with its formidable industry, might become the dominant partner of the nascent union.

Further Union Possible

The Scandinavian nations, now in process of building a "Benelux-type" customs union, are looked upon as logical future partners of the Belgo-Franco-Italian grouping—more for political than economic reasons, since trade relations between the two nuclei are not extensive.

ECA leaders are confident that it is out of such seemingly slow but organic economic growth that the "United States of Europe" will evolve in the not-too-distant future.

To prove that they are not thinking in terms of decades or generations, they already have a favorite candidate for the presidency of the powerful new super-nation. He is Paul-Henri Spaak, Belgium's elder statesman, who was unanimously elected president of the consultative assembly of the Council of Europe at Strasbourg last August.

TO SPEAK AT MEETING

AUSTIN, Oct. 21. (AP)—J. Ed Warren of Midland has been named a speaker for the mid-year directors meeting of the Texas Independent Producers and Royalty Owners association at Abilene Nov. 1. Warren is the newly-elected president of the IPAA.

Initial Meet Held On Pecos River Compact To Lay Groundwork

CARLSBAD, N. M., Oct. 21. (AP) Texas and New Mexico representatives set Nov. 17 today for a meeting in El Paso to map details of administering the Pecos River compact.

The commission ended its first meeting after deciding to hire a water engineer as a full-time secretary.

The engineering and legal advisory committees will attend the El Paso session to plan the program and budget and draft rules and by-laws.

February Meet Called

The three - man commission meets next February again. Terms of the compact divide waters of the Pecos between the two states and require annual meetings on or before Feb. 28.

The commission today adopted a resolution in memory of the late Charles Miller of Pecos, who was appointed to the commission but died last month. He was known as the "Watchdog of the Pecos." because of his keen interest in the stream.

The commission's work is expected to include an aerial survey between Alamogordo dam and Red Bluff reservoir, operation of a number of stream guaging stations, making field studies on water supply and delivery of irrigation water.

Members Listed

Members are State Engineer John Bliss, Santa Fe. representing New Mexico; J. C. Wilson, Pecos, commissioner for Texas; and Chairman Berkley Johnson, Santa Fe, district engineer for the U. S. Geological survey, representing the federal government.

Texas legal advisors are William L. Kerr and Emil Rassman, both of Midland. Engineering consultants are Robert L. Lowry, El Paso, and C. J. Anderson, Pecos. Anderson is general manager of the Red Bluff Water Power Control district.

Racketeer Cohen May Go To Jail After Plea For Lower Bond Fails

LOS ANGELES, Oct. 21. (INS)—Racketeer Mickey Cohen said today that he may spend the next three months in jail "because things are getting too tough."

The gambler made an unsuccessful attempt to reduce his $100,000 bail bond, deposited to assure his appearance in court next January on conspiracy charges.

Cohen asked the court to "drastically reduce" the bond but his plea was promptly denied.

The chubby gangland figure declared:

"Things are getting tough. The bonding company wants more collateral. I don't know where I can raise the money. I'll probably end the headache by going to jail next Monday.

If Cohen voluntarily goes to the lockup he will join four of his aides—Eli Lubin, Louis Schwartz, Harold Meltzer and Jimmy Rist. They surrendered themselves to jail after other members of Cohen's crowd mysteriously dropped out of the picture one by one.

Negro Church To Celebrate Formal Opening Here Sunday

A special service commemorating the formal opening of the New Hope Negro Baptist church, 2002 East Ave. B, will be held at 2:30 p. m. Sunday.

Other ceremonies beginning at 1 p. m. will precede the service.

Rev. S. M. Meeters, jr., pastor of the church, said the program will include choir music and addresses by several other white and negro ministers.

Cost of the new 50 by 80 feet brick building was $50,000, the pastor said.

Other services will be read Monday, Tuesday and Wednesday nights.

G. B. Shaw Confesses Age Prevents Joining In Dance

LONDON, Oct. 21 (AP)—England's most famous Irishman, George Bernard Shaw, confessed today he's too old to dance a Scottish reel.

Just "let me alone," the 94-year-old playwright wrote to the Clan Chattan association, which invited him to a Scottish dinner dance on Nov. 11.

Fall Of Nationalist Stronghold Indicated

KONG KONG, Oct. 21 (AP)—An Independent Chinese Press report tonight indicated Kweilin would fall in a matter of days, despite a Nationalist announcement that the Red drive against that South China headquarters had been checked.

Kweilin, 250 miles by air northwest of Communist-held Canton, is the base of Gen. Pai Chung-Hsi's 200,000-man army.

The Nationalist defense ministry in Chungking asserted the Red attack had been blunted on the outskirts of Lingling, which is 110 miles northeast of Kweilin. It also reported a successful counter-attack against the Reds near Chihkiang, 150 miles north of Kweilin.

Honk Kong Chinese Press reports, however, indicated the Communists were within 70 miles of Kweilin and moving down the railway towards the city.

Official Nationalist reports from Chungking said the Reds also were preparing for a thrust at the provisional capital. They said Red 19th army group of 100,000 men under Gen. Nieh Jung-Chen was on the move 325 miles north of Chungking.

Between this Red force and Chungking is Gen. Hu Tsung-Nan's Nationalist command, estimated in Chungking to total about 200,000, but counted in Hong Kong at 180,000 or fewer.

Escaped Colorado Convicts Returned To State Prison

CANON CITY, Colo., Oct. 21 (INS)—Two convicts who escaped Saturday from the Colorado state penitentiary at Canon City were back behind bars today—and glad of it.

Cold and hunger drove the pair to seek shelter in the South Field mining district south of Florence today. They were spotted in a blacksmith shop by night Watchman Clell Walt.

He took them into his house and fixed a meal. While they were eating, Walt notified Paul Breton, a mine superintendent, who called Sheriff Gilbert E. Ackelbein.

The sheriff and Deputy Prison Warden Oran Doolen arrived just as the escapees were finishing breakfast.

Texan Burned To Death In Crash Of Car Into Bridge

RINGGOLD, Tex., Oct. 21 (U.P.)—Buck Gannow, 40, of Ringgold, was burned to death early today when his car hit the Beaver creek bridge on highway 81 north of here and burst into flames.

Carl Hall, 23, a companion from Petrolia (Clay county), was taken to a Nocona hospital in critical condition with burns.

Authorities said the car hit a bridge guardpost, spinning around and crashing into a bridge guardrail broadside. It then caught fire.

Report Reveals Decline In Building Permits For State

AUSTIN, Oct. 21 (U.P.) — Texas building permits in September topped the comparable figure for 1948 by 8 per cent but dropped 9 per cent below August, the University of Texas bureau of business research reported today.

September permits in 41 cities totaled $35,521,537.

Houston led the state with permits totaling $6,476,486. Dallas was next with $5,232,254. Others included Fort Worth, $3,282,888; San Antonio, $3,256,181, and Austin, $2,472,387.

Plainview turned in a 196 per cent increase in building permits from August to September, the largest in the state. Other increases were recorded by Edinburg, 156 per cent; Texas City, 93 per cent; El Paso 74 per cent; Amarillo, 66 per cent, and Kerrville, 51 per cent.

Declines for the month ranged from 75 per cent in Big Spring to 3 per cent at Midland.

Nation's Divorce Center Vies For Honors As Marriage Mecca

RENO, Nev., Oct. 21. (U.P.)—The city known as the nation's divorce capital boasted a surprising statistic yesterday when it issued its 300,000th marriage license.

County Clerk Elwood Beemer issued the license to Earl Waricher of Allentown, Pa., and Elaine E. Popejoy of Reno. They were married a few minutes later by Justice of the Peace Lawrence Laymen.

Besides bringing visions of roulette wheels and clattering dice, Reno is known by most newspaper readers as the nation's separation center. Generally, the phrase that some prominent person is "going to Reno" implies he or she is heading for the divorce court.

But actually, Reno should be known as the marriage center or gretna green. For every divorce decree obtained, there are about four marriage licenses issued—and they are much easier to get.

Texas Constitution May Get New Error

AUSTIN, Oct. 21 (AP)—Texas' patchwork constitution may inherit another technical error next month.

The proposed constitutional amendment to provide for creation of hospital districts, to be voted Nov. 8 calls for it to be designated as section 60 of article 3.

Article 3 already has a section 60. Voters wrote that one into the constitution in 1947. It provides for workmen's compensation for county employes.

If the new proposal is adopted, article 3 will have two section 60's.

It has happened before.

A spokesman in the attorney general's office pointed out that section 16 was added to the constitution's article 7 in 1928. Another section 16 was added to the same article two years later.

The constitution carries both section 16's. Most copies of the constitution carry a footnote explaining that the identical numbering happened through error.

Red Raiders Meet Arizona In Border Tilt Here Today

Heavily Favored Techsans Go After Second Loop Win

By JOE KELLY
Avalanche Sports Editor

Arizona university's Wildcats, on the upgrade after two Border Conference defeats, furnish the opposition for Texas Tech's defending champion Red Raiders here in Jones Stadium this afternoon at 2:30 in the 11th renewal between these two state colleges before an expected crowd of 14,000 persons.

The Raiders, with several cripples on the injured list, still enter the game solid favorites on the basis of their showing to date. Tech has played a harder schedule and has an even record at this point of three victories and the same number of losses. Arizona has one victory, one tie and two defeats so far.

This will be the second Border loop game of the year for the Raiders and an important one. They boast a 35-19 victory over West Texas State college in their only outing so far, while Arizona has a lopsided 41-7 victory over New Mexico Aggies and twin losses to Hardin-Simmons (35-0) and Texas Western (28-0).

Since Tech must play the two conquerors of Arizona, grid followers will be watching this game closely. The Raiders slowly are dropping prestige as favorites to defend their title successfully and only an ironclad victory today would send their stock back up. Arizona will be on the rebound after their two one-sided losses and seeking its second victory over the Raiders in the 11-game series.

The Raiders have lost to the Wildcats only once, in 1935, when Arizona took a 7-6 victory. There also is a 7-7 tie recorded the following year. Otherwise it has been Tech and usually by comfortable margins. They won the initial series 21-0 in 1932, took a 7-0 victory the next year, won 13-7 in 1934, won 20-0 in 1937, by 13-7 in 1942, 16-0 in 1946, 41-28 in 1947 and 31-0 last year.

Arizona this year is coached by Bob Winslow, former Southern California star, who has installed the T formation. Some of his star performers in the vastly improved Wildcat camp are John Kelly, outstanding passer and quarterback; Halfback Oscar Carrillo, hard-running half; John Fowler, another fine halfback; Ed Wolgast, a fine halfback; and Charley Hall, smashing fullback.

In the sharp Wildcat passing game, Ends Max Spilsbury and Bill Glazier play an important part. Both are rangy, tough wingmen, who are hard to take out on defense and fine receivers on offense.

Arizona is expected to arrive early this morning by train and the report is that the Wildcat squad is in top physical condition.

The same is not true of the Raiders. Quarterback Milton Rathbone definitely is out of action and there are many players who will see only limited action at most. Included in this list are Ends Jack Davis, Dick Pirtle and Elbert Johnson, Tackle Jerrell Price, Guard Bill Stallings and Fullback Earl Jackson.

Arizona may hold a slight weight advantage over Tech with a forward wall that will tip the beam at 196 pounds. The Raiders might be able to field a line that averages 195, but it probably will be closer to 191. The two backfields are about the same weight.

But most observers feel that the Raiders will be ready to rebound from the Baylor defeat and that their scoring machine will not missfire the way it did last week. Headed by the plunging of Fullback Bud Conley and Halfback Cal Steveson, the broken field running of Ike Stuver, Bobby Close and Walter Maloney, the great ability of Fullback J. W. Thompson and the passing of Quarterbacks Ernest Hawkins and Bill Lyman, the Raiders should roll.

It ought to be a great game on an afternoon that might be cloudy and cold and played on a damp gridiron.

Ralls Defeats Lockney, 12-6

LOCKNEY, Oct. 21 (Special)—Lockney's Longhorns, back in the District 3-A championship race as a result of a forfeit victory this week, dropped a 12-6 game to Ralls' Jackrabbits tonight to fall from a three-way deadlock for second place.

A howling crowd of 1,500 fans here tonight saw the winning touchdown scored in the final 10 seconds of play by Kenneth Walker of Ralls, who plunged over from the one-yard line. It didn't matter that the extra point attempt failed.

Ralls picked up the initial score in the first period when Bobby Gustin went 10 yards around right end. The conversion attempt failed.

The Jackrabbits made that six pointer stand up until midway of the fourth period, when an aroused Longhorn eleven roared back to even the score.

Ray Ferguson, Steer left halfback, raced 10 yards around right end to cross the double stripe untouched. The extra point attempt failed, as 1,500 fans held their breath.

And so matters stood until Ralls opened a drive late in the quarter. After a sustained march down the field, Walker finally hit pay dirt to bring the Jackrabbits one of the year's startling upsets in District 3-A.

Ralls rolled up 11 first downs to 10 for Lockney, with yardage gained about even.

Bailey Noble turned in an outstanding game in the line for Ralls, while Dean Henderson and Gustin sparked the backfield work.

Delbert Shearer, huge Steer tackle, and Robert Huckaby were the outstanding linemen for Lockney.

ABERNATHY DEFEATS STUBBORN PADUCAH, 25 TO 13

PADUCAH, Oct. 21. (Special)—The Abernathy Antelopes beat a stubborn Paducah eleven here tonight by a score of 25-13 in district 3-A football game before nearly 3,000 rabid fans.

It was the first conference victory of the season for Coach Boyce Box's Antelopes, who lost three previous wins by forfeit this week, and the winners revealed an offensive powerhouse led by Don Miller.

Early in the first quarter Miller, who played right half, went through the center of the line from his own 40 yard line to race 60 yards to a touchdown. He got excellent downfield blocking all the way. The kick for extra point was no good.

The second Abernathy score came on a pass from Don Hammond to Stephenson which was good for 20 yards and a touchdown. The other Antelope scores came late in the game on another 60 yard touchdown gallop by Miller and a 65-yard dash around right end by Miller.

Paducah made all of its scores in the third quarter. Pat Green, halfback, raced around his own right end for six points and the kick by H. A. Lee was good. Green scored again when he swept his own left end for a 23 yard gain and a score. The kick was no good.

Outstanding in the Paducah line were H. A. Lee, Herchel Stone and Milton Guin. For the winners, besides Miller, Dan Loper and Don Hammond played an outstanding game.

Roscoe Wilson Schoolboys Rack Up 21-19 Win Over Kay Carter

Roscoe Wilson's Wranglers managed to gain a 21 to 19 non-conference grid victory over Kay Carter schoolboys at the Wilson school grounds Friday afternoon.

Both teams used the air extensively and Roscoe Wilson came from behind with their aerial attack to win.

TEXAS FROSH WIN

AUSTIN, Oct. 21 (AP)—The University of Texas freshmen scored three touchdowns in the last half today to whip Rice Institute's freshmen, 33-20.

Levelland Drubs Brownfield, 26-7

LEVELLAND, Oct. 21. (Special)—The Levelland Lobos of District 4-A surged to a 26-7 victory over the District 3-AA Brownfield Cubs here tonight before a crowd of 4,500 fans in a non-district football game which saw the Lobos score almost at will.

The Lobos, members of District 4-A (N), scored 12 points in the second quarter and 14 points in the final period to defeat their visitors from District 3-AA. Levelland also led in first downs 13 to six.

The first score came in the second quarter when Don Wise, back, hit End John Branch in the end zone with a 14-yard pass for the score. The try for point was low.

Levelland scored again in the second period when Quarterback Dee Windsor intercepted a Brownfield pass and raced it back 34 yards for the score. Again the kick for extra point was no good.

Brownfield made its lone touchdown in the last period when Back Dale Garry hit End Billy Patterson with a 14-yard pass in the end zone. Garry kicked the extra point.

Levelland scored again midway in the final period when Wise plunged over from the three. The score was set up by a series of ground plays which originated on the Levelland 40 yard line. Terry Heard kicked the extra point.

The final touchdown came late in the game when Heard went off tackle from the Brownfield 10 to score. He also kicked the extra point to end scoring for the night. Brownfield threw three passes for a total gain of 60 yards while the winners gained 89 yards in the air.

San Angelo Junior College Beats Paris Juniors, 40-0

PARIS, Oct. 21 (AP)—San Angelo walloped Paris, 40-0, tonight to win its first Southwestern Junior College conference game this season and hand Paris its third straight loop licking.

Fritz Leffler scored two touchdowns, Tommy Gray, Dick Miers and Richard Harvey one each. The victors picked up a safety in the third period and Fred Hickman kicked two extra points.

WHARTON TEAM WINS

LAREDO, Oct. 21 (AP)—Wharton Junior college won its third victory in the South Texas Junior College conference tonight, beating Laredo Junior college, 26-12.

Slaton Defeats Seagraves, 19-0

Tigers Maintain Perfect Record

By JIMMIE HENLEY
Avalanche Sports Writer

SLATON, Oct. 21—Slaton's Tigers kept their District 4A (South) conference standing perfect and scoring their fourth win of the season here tonight as they rolled over the Seagraves Eagles 19-0 in their second conference tilt before 1,250 fans.

Tiger fullback Ed Willis led the attack that got in full swing late in the first quarter, with excellent assistance coming from Halfback Carl Lewis and Bob Lambert.

The Tiger's first scoring drive began as Lewis took Bob Dale's short punt on his own 45 yard line and ran it back to the Eagle 40.

Willis added eleven yards and a first down and Lewis added 10 more and another first down. Lambert banged through the Eagle line and dodged downfield for 19 yards to pay dirt. Bob Taylor's attempt at conversion failed.

Behind the power of Halfback Bob Dale, the Eagles began to roll in the second period only to have a pass intercepted and later fumble to lose possession of the ball. But the Eagles stalled the Tiger's comeback at midfield. The first half ended as Dale drove 14 yards through the line to the Tiger 25 yard line.

In the third period the Eagles put more punch in their drive as Dale drove time and again through the Slaton forward wall for short and long gains.

Eagle Quarterback Smith Bennett took Cecil Bybee's punt on his own 25 and ran back to the 50 to start Seagraves' deepest penetration. From there Dale shared the ball, but personally added 28 yards to the attack that ended on the Slaton 10 in a fumble.

From their own 10 Willis, Lambert, Lewis and Bybee took turns at carrying the ball to the Eagle four, where an unnecessary roughness penalty against the Eagles put the ball on the one. Willis plunged over and Taylor added the extra count.

During the fourth period the two teams battled it out in midfield, until toward the end of the quarter, when the Tigers took over on the Eagle 26 on a fumble fol-

BORDER ELEVEN HAS EASY TIME

Bowie Of El Paso Takes 13-0 Decision Over Plainview Squad

EL PASO, Oct. 21 (Special)—Bowie High of El Paso took a 13-0 decision over the Plainview Bulldogs here tonight in a non-conference tilt which saw the visitors make only one serious scoring threat all night.

The lads from the Border City had things all their way after pulling the old hide-out play for the first score of the ball game midway in the first period. Back Luis Lopez hit end Alfonso Burciango on the Plainview 41 yard line after he hid out close to the side lines. He went all the way to score. Manual Solis's kick for extra point was good.

That ended scoring in the first half. Five minutes deep in the third period Ottis Ratliff of Plainview fumbled on the Bulldog 44 and it was recovered by Lopez.

A pass from Lopez to Fernando Gonzales was good for a first on the Plainview 31. Burciango picked up 20 yards to carry the ball to the 11. Alfonso Lacon went around right end from there to mark up the second Bowie score. Solis's boot for extra point was wide.

The visitors made their only serious threat of the night late in the third period when on a series of ground and pass plays they marched to the Bowie eight yard line before losing the ball on downs.

Bowie led in first downs 13 to seven. In the air the El Pasoans tried 21 and completed six for a total of 118 yards. Plainview threw 13 passes and completed four for 38 yards. On the ground Bowie netted 171 and the Bulldogs had 107 yards.

Andy Morales, big Bowie tackle, was outstanding for the home team. Jack Howton and Ratliff were the sparkplugs of the Plainview team.

Lefors Gains 20-12 Victory Over Tulia

LEFORS, Oct. 21 (Special)—Lefors eked out a 20-12 win over the Tulia Hornets here tonight, scoring two touchdowns in the final period to win.

Lefors took a 7-0 lead in the first quarter when Joe Combs went over from the four, but Tulia's Wandie Hutson spurted 21 yards in the second period to cut Lefors' lead to 7-6 by halftime.

Tom Day set up a Tulia touchdown in the third period with an interception of a pass on the Hornet 45. Paul Griffith scored a few plays later.

But Friday Todd put Lefors back in the lead with a touchdown early in the fourth period, and Joe Combs added another for good measure shortly afterwards.

Tech Freshmen Play New Mexico Military

SANTA FE, N. M., Oct. 21 (INS)—Sul Ross college, Alpine, Texas, and New Mexico Military Institute, Roswell, both take time out from their lead spots in the New Mexico football Conference this weekend to play non-league matches.

Sul Ross takes on Corpus Christi at Corpus Christi, Texas. NMMI meets the hard hitting Texas Tech freshmen Saturday night.

New Mexico's Highlands university, Las Vegas, takes on the eleven from New Mexico Teachers college, at Silver City. Eastern New Mexico college, Portales, comes to Santa Fe to tangle with St. Michael's college.

University of New Mexico gridders head for El Paso and a grid battle with Texas Western.

At Alamosa, Colo., Adams State meets the Panhandle A. & M. grid club. Adams will be seeking its second Conference victory.

District Judge Upholds Fight Promoter's Claim To Profits

DALLAS, Oct. 21 (AP)—District Judge Dallas Blankenship today upheld the contention of Joseph Rey, Dallas fight promoter, that he was entitled to half the profits made in a Joe Louis exhibition here last March.

Judge Blankenship ordered evidence in the case submitted to the State Labor Commission so that Rey may be re-instated as a fight promoter.

Owls' Four-Game Win Streak Ended

Springlake Trounces Hale Center, 39 To 6

By CLIFF BLACKBURN
Avalanche Sports Writer

HALE CENTER, Oct. 21 (Special)—Springlake's Wolverines ended the four-game winning streak of the Hale Center Owls here tonight when they overran them, 39-6, in a District 3-B conference game before about 500 chilled fans.

The Wolverines used their eight-pound weight edge in the first quarter to drive from midfield to the Owl 18-yard-line. But a five-yard penalty lost them their first scoring opportunity and allowed Hale Center, defending champions, to struggle back to their own 43 as the quarter closed.

The second quarter saw the Wolverines get a lucky break when, on the fourth down and with 25 yards to go, they punted nine yards downfield. Hale Center fumbled the ball and Springlake recovered. Wolverine joy was, however, shortlived as the next play resulted in a Wolverine fumble that left the Owls in possession of the ball. Aided by a 15-yard penalty against Springlake for clipping, the Owls began their goal drive from the Wolverine 18. Several plays later, Quarterback Jerry Johnson handed off to Fullback Ed Weil who went over center from the four to score the lone Hale Center tally. The try for the extra point failed.

The Owls kicked off and Springlake ran the ball back to their own 38. The next play Wolverine Quarterback J. J. Barlow tore off guard and traveled 62 yards for a touchdown. The pass for the extra point failed.

As the half neared, the Wolverines cut loose again, sparked by fast-stepping Back Junior Smith. The 52-yard drive ended when Smith scored through center from the Owl two on a line plunge. Barlow kicked the extra point.

Minutes into the third quarter, the Wolverines roared downfield again, climaxing their 59-yard drive when Barlow pitched out to Smith, who scored from the nine. The try for the extra point was no good.

Hale Center fought back, pushing to the Wolverine ten-yard-line where they lost the ball to Springlake on downs.

The final frame found the desperate Owls taking to the air to try and bridge the long touchdown difference. Hale Center again clawed deep into Wolverine territory to lose the ball on the Springlake 15.

The Wolverines drove back to midfield before they were forced to kick. The Owls lost the ball on a fumble on their own 32 two plays later to set up the Wolverines for another TD. Barlow went the remaining distance around end on the next play to score. The try for the extra point failed.

As the minutes ticked out, the Owls unleashed another wild aerial barrage. After clicking on two short passes, the Owls threw the third to Wolverine Back Smith who carried it to the nine-yard line before he was downed. Right Halfback Underwood chalked up another touchdown for Springlake, going over left guard. Barlow kicked the extra point.

The Owls resumed their pass barrage until Smith again intercepted, going this time to the Owl 19. Fullback Bill McClement plowed through center to score the final Wolverine touchdown three plays later. Barlow kicked the extra point.

The rather one-sided game saw the Wolverines gain a total yardage of 318 yards on the ground and 66 yards in the air. They gained 15 first downs and tried ten passes, four of which were good.

The Owls gained 103 yards, both in the air and on the ground, and saw ten first downs. They tried 20 passes, completing eight of them.

Smith, one of the district's leading scorers, turned in an outstanding performance as did Jerry Johnson of the Owls.

Andrews Downs Monahans, 19-14

MONAHANS, Oct. 21. (Special)—Andrews' Mustangs virtually knocked the Monahans Wave out of title consideration in District 5-A with a thrilling 19-14 victory here tonight before 6,000 chilled fans, who watched under clear skies.

Monahans, defending state champions, opened the offensive battle with a touchdown and extra point in the first quarter. Fullback Chumley drove over into paydirt on a short plunge following a 30-yard march down the field.

But Andrews roared back in the second quarter with a pair of tallies that virtually put the game on ice.

Carl Hughen took a pass from Quarterback Gil Madison in the end zone for the first tally after the Mustangs had driven down the field. A 45-yard pass from Madison to End Summerwell had been stopped on the five-yard line to set up the score.

The second touchdown climaxed a 50-yard march down the field, with Fullback Wayne Granam plunging over from the one yard marker.

The third quarter was scoreless, but in the final canto, Andrews marched 55 yards on a sustained drive to penetrate scoring territory. Halfback Enoch Reid plunged three yards for the score, after a series of passes had set up the touchdown.

Late in the same quarter, Monahans staged a drive that ended in a touchdown, with Quarterback Ueachi taking the ball on a bootleg play and moving 20-yards to score.

Andrews and Monahans were deadlocked in first downs at 14 each and in penetrations at five each. Four Andrews fumbles broke up other scoring drives, Monahans recovering the ball each time.

About five per cent of all rivers in North America flow north or into streams that flow northward.

Matador Ties With Floydada

MATADOR, Oct. 21. (Special)—The Matador Matadors capitalized on two first-quarter breaks and hung on for the rest of the game to surprise the Floydada Whirlwinds with a 12-12 tie in a District 3-A conference fray here tonight.

Coach L. F. Gresham's visitors won the game on first downs, eleven to five, since both teams had an equal number of penetrations, three.

The victory kept Floydada in first place in the conference.

Matador scored early in the first quarter as a Whirlwind pass was momentarily fumbled in the air and Cecil Wayne Shelton, Matador lineman, intercepted it to run 45 yards for a tally.

Floydada fumbled the kick-off which followed and the Matadors recovered on the Whirlwind 30-yard line. Rockne Giesecke carried for the final seven yards and the tally.

Floydada's outstanding back, Bob Finley, passed for both the visitors' scores, one in the second period and the other in the final minutes of the game.

A crowd of some 600 spectators witnessed the near-upset by Coach Rafe Nabors' eleven.

SPUR BULLDOGS WIN 27-13 3-A GAME OVER CROSBYTON

SPUR, Oct. 21 (Special)—The Spur Bulldogs downed the Crosbyton Chiefs 27-13 here tonight in a district 3-A conference game watched by an estimated 1500 fans.

The victory left Spur in undisputed possession of second place in the conference following the loss by Lockney to Ralls. The Bulldogs are only a game behind Floydada, held to a tie by Matador, but winners on penetrations.

Coach Sam Hawks' eleven came from behind in the second quarter to tie the score at 6-6 after the Chiefs had started the scoring in the first period. Spur got two touchdowns in the third quarter and another in the fourth to wrap up the game.

Crosbyton got its final tally in the closing seconds of the fray.

Right Half Clyde Blair was outstanding back for the Bulldogs as he combined with Quarterback Melvin Lindsey for two touchdown passes and ran another 72 yards to paydirt. One of the passes, in the third quarter, connected for 56 yards and the tally. Lindsey kicked three extra points in four tries.

Russel Halder pushed across the initial score of the game for Coach Fred Cunningham's visiting eleven as he plunged over from one yard out in the first quarter. Forest Dendy scored from the one-foot line for the final tally of the game.

Crosbyton racked up only 195 yards net gained during the game to 353 for the Bulldogs. Billy Joe Stephenson and DuWayne Brewer, left end and tackle, respectively, for the Chiefs, were outstanding linemen, while Halder, Dendy and Lawrence Hargis showed up good in the backfield.

Vernelle McAlpin, and Joe James, Spur guards, were outstanding home linemen.

Texans Carry Off Top Honors In Three National Rodeo Events

NEW YORK, Oct. 21. (AP)—Texans carried off honors in three of five events tonight in the National Rodeo at Madison Square Garden.

The bareback bronc riding contest was won by Wallace Brooks, from Sweetkater; calf roping by Ray Wharton, Bandera, in 14.3; and bramma bull riding, by Arnold Hill, Canadian, Tex.

NAVARRO LOSES GAME

CORSICANA, Oct. 21 (AP)—Hillsboro Junior college defeated Navarro Junior college 20-12 here tonight on a field made slushy after more than two inches of rain.

Sudan Rolls Over Morton, 32 To 13

MORTON, Oct. 21 (Special)—Sudan's Hornets swarmed all over the Morton Indians here tonight, beating them into the ground for a 32-13 District 4-A North conference victory.

The victory temporarily put Sudan in first place.

The Hornets scored twice in the opening period, then coasted to victory over the Indians, tallying again in the second and twice in the third period, converting one each in the first and third quarters. Rallying in the final quarter, Morton pushed across two scores and one conversion for their only tallies of the night.

A crowd estimated at 1,500 witnessed the game under a clear sky as Coach Melvin Crawford's Indians lost their scalps in a big way to the Hornets. All the night's scoring was done on the ground, although passing greatly accelerated the Sudan attack.

Clifford Wall, Indian wingback, ran 25 and 10 yards, respectively, for the Morton scores, while Back Tommy Sherrill was outstanding for the visitors, running across two Hornet touchdowns. Veryl Webb played an outstanding defensive game for the hosts.

MULESHOE ELEVEN DEFEATS HARD-FIGHTING SUNDOWN

SUNDOWN, Oct. 21. (Special)—The Muleshoe Mules rolled over a game Sundown eleven here tonight in a district 4-A (N) football game by a 38-13 score before a crowd of 1,000 persons who turned out for the dedication of Sundown's new football stadium.

Neither team had turned in any wins in conference play to date. Bob Goss of Muleshoe sparked the winners by personally scoring three touchdowns and making three extra points. Goss, who plays halfback, went 30 yards around right end and 10 and 12 yards through the center respectively for his touchdowns. The other Muleshoe scores were made by Ed Nichols and Billy King.

For the Roughnecks from Sundown Quarterback Neil Pearcy scored both touchdowns. For the first six points midway in the first period he took a kickoff following a Muleshoe touchdown and raced it back 80 yards for the score.

The second touchdown by Pearcy came on a 15 yard off tackle slant late in the third period. The extra point was kicked by R. E. Hensley.

Muleshoe gained 294 yards on the ground while Sundown only made 166. In the first down department the victors had 14 to the Roughnecks' eight.

Outstanding in the Sundown line were Dick Smith and Bryce Duckworth.

Cliff Patton May Set New NFL Extra Point Mark Sunday

PHILADELPHIA, Oct. 21 (AP)—Cliff Patton can become the second Philadelphia Eagle to break an all-time National Football league record this season if the happy-go-lucky Cherokee can boot three consecutive extra point conversions Sunday.

The Eagles play the Washington Redskins here. Should the game and Patton run true to form there'll be a new name in the NFL record book under consecutive points after touchdown.

Automatic Jack Manders holds the present mark of 72.

Hub City Fans Celebrate Grid Triumph

Bronchos Happy Over Decision

terly fought contest.

Crowd Congratulates Team

The Westerner reserves started a mad dash to congratulate the team on the field, but they were soon lost in the mob of well wishers who made progress of the players back to the dressing room extremely slow.

The players halted briefly as the Lubbock High band played the traditional Westerner school song despite efforts of the Sandie band to drown it out with an offering of their own. Extreme emotion was apparent on the faces of the Lubbock players.

Big Joe Brock, Westerner tackle, who played a magnificent game tonight, grabbed Quarterback Bobby Brown around the neck and started to congratulate him on the game he played. Bobby seemed very erect. He kept muttering something about the greatest team that ever lived.

Sweetest Victory Experienced

Later, in the dressing room, Coach C. R. Pattison explained that "This is the sweetest victory I have ever experienced in my life. I thought the kids played the greatest game I've even seen a high school team play. They fought their hearts out and didn't make any mistakes that I could see."

Charley Williams, Westerner halfback and one of the defensive stars of the game, had his own explanation for the victory. "Amarillo had a good ball club," Williams remarked, "but they didn't respect us. That was the important thing."

Doug Wienke, Westerner center, was especially proud of the fact that the Westerners had enough ability and courage to come out of several tight spots in the game.

The celebration that started on the field continued in the dressing room, with the players mauling each other around in friendly, but vigorous, fashion. Numerous angles were brought out in the dressing room. E. J. (Pinky) Lowrey, former Westerner coach and long time athletic department official, recalled that he had been "looking forward to this for 20 years."

Billy Pressley, reserve quarterback, who converted the first four crucial placements, laughingly remarked that "I'm so mad that we didn't get 50 points that I can hardly stand it!"

End Garnet Reeves, hailed by press box observers as one of the finest lineman on the field tonight, gave full credit for the triumph to Coach Pat Pattison. Said Reeves: "Coach Pattison has worked hard for a full year to prepare the boys for this big game tonight." Reeves also added, "I have been looking forward to this game for the full 17 years of my life."

Hundreds of Lubbock cars jammed downtown Amarillo, blowing a salute with their horns as the Westerner football squad bus went through the city on its way home.

Cries of "See you again next year" and "Where's that Amarillo jinx?" were heard often from jubilant Westerners and fans. As the bus left the city limits, Malcolm Young, hard running fullback, set the change of pace to Westerner sentiments with "Beat the Tornadoes," referring to the next game on the schedule against Lamesa.

The tired, but happy, players ate in Canyon and then continued their trip with arrival home set about 2:30 a.m.

For Lubbock fans, who have waited patiently for some 10 long years, it was one of the most memorable nights in history. And there was every indication that they were prepared to enjoy this licking of the Sandies for a long, long time.

Post Antelopes Roll To Grinding 13 To 7 Victory Over Snyder

SNYDER, Oct. 21. (Special) — The Post Antelopes from District 4-A South dropped the Snyder Tigers of District 6-A West 13-7 in a non-conference game here tonight.

All scoring in the game was done in the first two periods as both teams came back determined in the last half. Post opened the scoring late in the first quarter as Jack Kirkpatrick, Antelope star, plunged over to climax a 36-yard drive by the Antelopes.

In the second period, Max Coffey, Tiger halfback, went the final four yards to paydirt after he had passed to End James Powers for 30 yards two plays earlier.

Norman Cash, who converted the first Antelope tally, came bounding back a few minutes later with the visitors to go over for the final score after Snyder fumbled on their own 14.

Lubbock Sinks Sandies

Westerners Win 'Team' Victory

(Continued from Page One)

drive downfield. The Westerners reached the two on a line smash only to be penalized back to the seven for delaying the game. Another line play gained to the six and Young, on a fine handoff from Brown, crashed over tackle for the score.

Billy Pressley, Lubbock's automatic extra point kicker, booted the all important conversion and the Westerners led 7-0.

Lubbock Power Shows Up

Williams, Stroud and Young sparked the touchdown march and Brown had caught End Billy Wright with a pass to move the Westerners deep into Sandie territory on the scoring thrust.

A beautiful punt by Young, on which the ball bounced out of bounds on the 15 yard line, set up the second Westerner touchdown. Six plays later Moody Alexander fumbled on the Amarillo 35-yard line and Lubbock recovered.

Young advanced the ball to the 22, but Brown was smeared back to the 35 on an attempted pass. On the next play, Brown faded, tossed to Stroud on the 10 and the swift back galloped over. Pressley again converted and with three minutes and 50 seconds left, Lubbock led 14-0.

Sandies Again Stymied

Amarillo took the kickoff, but couldn't move, with Brown intercepting Newby's pass on the Lubbock 42 and returning to the 46. Six plays later, the Westerners chalked up their third score.

Brown passed to Young and Wright to set up the touchdown, carried over by Young, who hit left tackle for the final seven yards. Three plays earlier, Stroud had taken a handoff and gone 43 yards to tally, but the Westerners were penalized for clipping on the play. Again Pressley converted and at halftime it was 21 to 0.

Neither team could punch the ball over in the third quarter, although the fired up Sandies carried the fight to Lubbock. Amarillo, sparked by the brilliant passing and running of Newby, drove steadily down the field and with almost six minutes remaining made their deepest penetration of the game, up to that point.

Amarillo Loses On Fumbles

Alexander, from the Lubbock six, broke into the clear on the five and went to the two, but he was tackled so hard that he fumbled and End Garnet Reeves pounced on the ball. It was the first of three fumbles that he was to recover, one of which went for a touchdown.

Lubbock kicked out of danger, but Amarillo drove back. Newby hit End Tommy Curtis with a pass on the Lubbock two. Again Amarillo fumbled and again it was Reeves who recovered. A penalty nullified Stroud's 21-yard run and the Westerners once more booted out of apparent danger.

Sandies Finally Score

Newby returned Young's fine punt 20 yards and the Sandies started a drive that even the end of the third quarter couldn't halt. On the first play of the fourth stanza, Wingback E. G. Sanders found a hole over right guard and bounded over from the five. Newby converted and Lubbock led 21-7.

Then the dam burst and the Lubbock flood, which never had overrun Amarillo before, swept the Sandies almost out of this beautiful new stadium.

Brown was trapped on a pass effort, but pulled away and hit Williams on the five. Williams shook off Newby to go over standing up. Pressley converted and the Westerners led 28-7.

Lubbock held after the kickoff and Newby kicked into Lubbock territory. On the second play, Stroud broke into the clear and raced 42 yards to the Sandie 15. Six plays later, not including a five-yard penalty against Lubbock from the one, Stroud broke into the clear and hit the goal line. His fumble was recovered in the end zone by Reeves and when Pressley converted, the Westerners led 35-7.

Stroud Intercepts Pass

After the kickoff, Stroud intercepted a Newby pass. The teams exchanged penalties, with Lubbock moving to the Sandie 23. Brown hit Young in the end zone and the Westerners had a 41-7 lead.

The final tally in this gruesome display of alert football and overwhelming power came when Brown intercepted another desperate Newby pass late in the game, returning to the 21. Brown hit Wright for a first down on the five and Young went over on the next play with a little over a minute left in the game to make it 47-7. The conversion attempt failed.

But all the excitement wasn't over yet. Lubbock recovered a Sandie fumble deep in Amarillo territory, but Coach C. R. Pattison sent in first his second string and then his third. They couldn't quite punch the ball over, although two passes barely missed.

The game ended with Lubbock still in possession of the ball.

Was Great Victory

And thus ended one of the greatest football triumphs in the history of Lubbock High and one of the "worst" for the Golden Sandies. It was not the worst defeat for an Amarillo team in scores, however, Clovis defeating the Sandies, 76 to 0 in 1925.

The weather was almost perfect for the contest, although a strong north wind swept the field during much of the game.

While the work of individual Westerners was outstanding, this was still a team victory. Every white-shirted player on the field had a big part in the incredible scoring display which had Amarillo fans leaving the stands as early as the end of the third quarter.

The two ends, Wright and Reeves, stopped many thrusts by Amarillo, and the work of Tackles Joe Brock and Douglas Ross, guards Freddy Gray, Sammy Modrall and Curtis Roberts was impressive. Center Douglas Wienke had a highly successful night as linebacker, dragging Newby down on several occasions to hold him to short gains that might have become scores.

Although Newby did not score, the Amarillo team captain and star performer put fear into the hearts of Lubbock rooters on many runs, playing hard and refusing to be tackled. Newby kicked the extra point following Sanders' touchdown, and he picked up 51 yards rushing.

Amarillo line play was good, with the defensive Ends George Farrell and Jim Farmer turning back many Lubbock end sweeps. On offense Curtis Israel and Tommy Curtis were tops at end.

FIRST LOSS FOR TORNADOES

Pampa's Harvesters Romp Over Fighting Lamesa Team, 32-13

PAMPA, Oct. 21, (Special)—Pampa's Harvesters gained momentum as they went along tonight to crush a fighting Lamesa Golden Tornado eleven 32-13 in a non-conference game before 5,000 fans.

It was Pampa's fifth win in seven starts this season, only defeats by Wichita Falls and Lubbock, two of the top state powers, marring the record.

For Lamesa, it was the first defeat in five games and the first time this season that the Golden Tornado had yielded a point to the opposition.

The Harvesters scored first from the Lamesa 22, with Jimmy Hays, right half, carrying the final eight yards. Dewey Cudney converted. Later in the same period, Pete Cooper plunged over from the one for the second tally.

Coach Tom Tipps' host eleven scored again in the second period on a 65-yard pass play from Carroll Smith to Tommy Allison, while holding the Hurricanes scoreless throughout the first half.

Coming back strong in the final periods, the Harvesters quickly squelched any Lamesa hopes for a come-back when Smith took the kick-off and scampered 65 yards to the Lamesa 26. There he faked a pass, after a 15-yard penalty against the defenders, and ran the extra yardage to paydirt. Cudney again converted.

The Hurricanes, coached by Bob Harrell, took their turn at the scoreboard next when Bob Hawkins passed to Dick Echols for the final 35 yards to the double stripes. Holding their rally, they again marched downfield and scored their final tally early in the fourth quarter as Rodney Chapman romped over left end for 43 yards. Hawkins converted.

Mid-way of the fourth period, Elmer Wilson took the ball around right end for 11 yards and the final Harvester score.

Lamesa completed 19 out of 40 pass attempts for 268 yards, but were held to a net yardage gain of six yards on the ground by the host eleven. The Hurricanes racked up 16 first downs to 14 for Pampa, which completed 2 out of 10 aerial attempts for 86 yards and marched 265 yards on the ground.

Fort Stockton Wins 5-A Game

FORT STOCKTON, Oct. 21 (Special) — Fort Stockton High school handed Denver City a crushing 32-19 defeat here tonight before 1,500 fans in a District 5-A game that had little bearing on the conference race.

The Mustang defeat sent them into undisputed possession of the cellar.

Joe Maples opened up the winner's attack with an 85-yard run for the initial touchdown early in the first quarter. Maples followed that with a 10-yard romp after Fort Stockton had recovered a fumble.

A sharp passing combination sent Denver City on a march down the field late in the first half, the drive ending in the touchdown that cut the victor's margin to 13-6.

But Fort Stockton, showing surprising power, began to roll again after the intermission and punched over the game-winning two touchdowns.

Jimmy Corder scored the first of the two tallies and Clayton Williams plunged over the second one.

Denver City scored once in the third period and exchanged six pointers in the final stanza.

A light rain before the game threatened to hurt the playing surface, but it stopped soon after it began and the game was played in chill weather.

Center Robery Huckaby was the outstanding lineman for the winners, with several backs standing out.

Colorado Sportsmen Killing Less Deer And Elk This Year

DENVER, Oct. 21 (INS)—Reports from Colorado game checking stations today indicate that hunters are bagging 5 per cent less deer and 25 per cent less elk than in 1948.

The game and fish department said the six checking stations checked out 8,612 deer and 534 elk during the first five days of the season.

In 1948, 723 elk and 9,035 deer were checked out for the same period.

Sandies Praise Lubbock Players

By CHOC HUTCHESON
Avalanche Sports Writer

AMARILLO STADIUM, Amarillo, Oct. 21—As one might expect, there was no joy in the Amarillo grid camp after tonight's smashing 47-7 conquest of the Golden Sandstorm by Lubbock's fired-up Westerners.

Sandie Coach Howard (Bull) Lynch took the defeat like a man.

Asked what he thought of the game, Lynch shrugged his shoulders and said, "What is there to say when you take a country licking like that? There's not much you can do against a team like that. They took advantage of every break—such as fumbling, and then recovering for a touchdown."

Best He Ever Saw

Then turning to E. J. (Pinkey) Lowrey, Lubbock High athletic business manager who was standing nearby, Lynch remarked, "Pinkey, you've got the best I ever saw."

Lowrey, in turn, told me, "That was by far the greatest performance I've ever seen by a Westerner football team," and Lowrey has seen Lubbock teams come and go for three decades.

Jack Newby, the blond Amarillo tailback who played a fine game against overwhelming odds, said he thought deception was the keynote of Lubbock's dazzling attack.

Asked how he thought Lubbock would fare against Odessa, the Amarillo captain answered, "If Odessa is steamed up, the Bronchos might beat Lubbock. But if they play an 'average' game, Lubbock should win."

Williams Lauds Team

Doc Williams, a Sandie guard, opined that "Lubbock will beat Odessa. The big difference is in the backfields. Lubbock has a big edge in speed and faking. You never know where the ball's going. However, it seemed to me that Odessa's line hit harder."

Other Amarillo players seemed to be walking about in a trance, as though dazed by the scintillating Westerner attack. Almost unanimously, they voiced the belief, "We shouldn't have lost by that much. Lubbock just got a lot of scoring breaks."

But a few shook their heads sadly, as though they realized that the Westerners had made their own breaks, then cashed in on them.

One Sandie suggested, "It'll be different if we play them again." But his companions remained silent, as though they weren't so sure of that point.

The Sandies still dress at Butler Field, rather than here at the new stadium. So, minutes after the game, they loaded into busses and automobiles for the short drive to Butler field.

First Loss At Stadium

It was obvious that a few were fighting to mask their inner emotions at the crushing defeat —one of the worst in Sandie gridiron annals and the first ever at this stadium. As they climbed into the vehicles, at least two or three burst into tears. But, for the most part, they retained their stern faced silence that had characterized the Sandie bench through the final 20 minutes of the game.

The Sandies simply couldn't get themselves to believe that what had happened could happen.

Slaton Tigers Win

(Continued From Page 4)

lowing Bybee's punt. From there the team drove to the six yard line in three plays, where Lewis galloped around right end of the line for the final score of the game.

After the kickoff Dale's running and passing and Bennett's passing pushed the ball to the 11 yard line where the ball lay as the game closed.

Outstanding in the two lines, which were dimmed by the work of the backfields in the night's game, were Jack Hale, end, Tommy Bucknell, tackle and Billy Willis, guard for the Eagles. For the Tigers, Carl Williams, tackle, Coy Biggs, end, and George Young, guard, were outstanding.

The Tigers amassed a total of 230 yards net rushing and 17 first downs, compared to 140 yards rushing and eight first downs for the Eagles. The Eagles completed four of 12 passes for 28 yards and three first downs, making a total of 11 first downs for the Eagles.

Rice Clashes With Texas Today

Steers Picked To Throttle Owls

AUSTIN, Oct., 21 (AP)—Powerful Rice, favored by many but 6½ point underdogs in the betting will test air-minded Texas before 67,000 persons tomorrow at 2 p. m. CST.

Coach Blair Cherry was dumbfounded to learn the money boys were giving the nod to his Texas Longhorns. He said such people were nuts.

"It seems some people have more money than sense," Cherry drily observed. "If handicapping like that continues, there's going to be a crying need for more psychiatrists. Those guys must be closing their eyes to Rice's personnel at last week's performance."

The Texas coach has been reminding his charges all week that the Rice Owls 41-27 pasting of SMU proves pre-season bets were right in picking Rice to win the Southwest title.

Rice has a lineup of ten seniors and one junior and many seasoned reserves. Texas will start five seniors, five juniors and one sophomore and will rely heavily on sophs for relief duty.

Both the Longhorns and Owls have been beaten once in non-conference contests. Texas bowed to Oklahoma and Rice was upset by LSU, both by a touchdown.

Tomorrow's contest will see two outstanding pass combinations battling. The Tobin Rote-to-James (Froggy) Williams performance last week was sensational, accounting directly for two Owl touchdowns and setting up two others.

End Ben Procter's reception of Paul Campbell's aerial has been one of Texas' most consistent ground-gaining maneuvers of the season.

Clear weather and mild temperatures are predicted.

Crippled SMU To Meet Kentucky

By HAROLD V. RATLIFF
Associated Press Sports Editor

DALLAS, Oct. 21—Minus the man who has made them click for two great seasons, Southern Methodist's Mustangs try to halt the all-victorious march of Kentucky's Wildcats here tomorrow.

All-America Doak Walker will hear the game on the radio from a hospital bed as a revamped SMU lineup meets the seventh-ranking team of the nation in the Cotton Bowl.

It rained last night and throughout today but the weather bureau predicted there would be none tomorrow. The field was covered before the rains started.

Walker Has Flu

Walker, recovering from an attack of flu, will be missing the first game in his college career. He led Southern Methodist to two straight Southwest Conference championships and two Cotton Bowl appearances and had sparked the Methodists through victories over Wake Forest and Missouri this season before Rice shot down SMU 41-27 last week. The Doaker saw most of the last half of that game from the bench, being knocked out for the first time in some 30 games played with Southern Methodist. However, SMU was behind when Walker went out.

Reports were that the SMU squad met Wednesday and pledged they would "win this one for the Doaker." Coach Matty Bell heatedly denied any such thing. He loosed a blast at the press today for carrying the report.

"Never has a game been dedicated to an individual at Southern Methodist and I do not appreciate the press prying into the affairs of the team," Bell said. "Dick McKissack, our captain, told me the meeting was not for such a purpose. It was just a fight talk, like the team has every week."

Anyway, the fans are looking forward with interest to what SMU can do without its great star.

Taking the place of Walker at the quarterback slot will be Frank Payne, who has been playing right halfback and into Payne's place will move Johnnie Champion, the speedy little fellow who stood out briefly for SMU in the game with Rice.

Bell said his team was in good condition except for Walker but he didn't figure it had much chance against Paul (Bear) Bryant's unbeaten, untied boys from the Blue Grass country, engineered by that passing quarterback, Vito Parilli.

A crowd of 50,000 is expected to turn out for the game—one of the feature intersectional clashes of the nation.

Berg, Bauer Meet In Hardscrabble Finals

FORT SMITH, Ark. Oct. 21. (AP)—Pro Patty Berg and 15-year-old amateur Marlene Bauer today advanced to the final round of the fifth annual Hardscrabble Women's Open golf tournament.

They will meet in a 36-hole match starting at 9:30 a. m. tomorrow.

Miss Berg, the defending champion from Minneapolis, routed Marjorie Lindsay, Decatur, Ill., 5 and 4, in one semi-final contest this afternoon.

But Miss Bauer, the Los Angeles kid who was runner - up in the recent Texas Open, had to go 21 holes to edge the veteran Babe Didrikson Zaharias, one up. Superior putting by the youngster was the big difference, although Mrs. Zaharias extended the match by winning the 18th hole with a 20-foot putt.

MANASSA MAULER COMES LONG WAY

Ex-World Champ Jack Dempsey Will Turn To Producing Movies

By PAT ROBINSON
INS Sports Writer

NEW YORK, Oct. 21.—We first knew him as a bum riding the rails on freight trains. Today we know him as Jack Dempsey, millionaire promoter riding big limousines.

It only goes to show what a man can do in this country provided he is gifted with a pair of iron fists, a love of fighting and a keen scent for the dollar.

Jack was gifted with all three attributes and today we find him, still straight as a West Point cadat, and dark haired as a movie siren at 54, blossoming forth as a movie producer.

The man has come a long way from the days when we were ghost writing for him. In those days he was lean and hard as nails and as black-jowled as he is today.

We recall how we used to drop around to see if he had anything special to say under his own name and he would invariably reply—even as he does today—"Say what you like, Pal. You know how to fix it up and whatever you say will be okay with me."

It may be that Jack has parlayed a pair of six-ounce gloves into a bigger take than Sonja Henie parlayed her ice skates. From the days when he started out battling for coffee and cake money as Kid Blackie in the mining towns of Colorado until 1942 he earned—for himself—exactly $3,568,144.

In the intervening years since 1942 he has garnered more than two million bucks (let's write that out — $2,000,000) as referee of wrestling and boxing shows, in radio appearances and lectures.

He has what a Cuban jockey once described to us as "Manos de Oro"—hands of gold. At least, everything Jack touches seems to turn into filthy lucre.

Anyhow, Jack has owned restaurants—still does—hotels, apartment houses, stocks and bonds and annuities, pieces of fighters, and night clubs, and—but the list reads like a financier's holdings.

Well, he is a financier. And now he's promoting a series of pictures with a sports background. The first one, soon to be released, stars Mickey Rooney in something called the Big Wheel.

We saw a preview of it yesterday and admit we got a kick out of the thrilling sequences.

The story is built around the big auto race at Indianapolis and it has what it takes.

Jack is now dickering with Joe DiMaggio for a story built around the Yankee Clipper and has on the fire another built around the man who started Dempsey on the road to millions—promoter Tex Rickard.

You know how it is with these things. A sports writer goes around to see something just to oblige an old pal and after they've shared a couple milk shakes, the S. W. forgets all about it. But this picture really gave us a series of thrills.

Jack himself got a bang out of it and after it was over he remarked. "They say fighting is dangerous, but, shucks, I'd rather fight Luis Firpo a dozen times or fight a dozen Firpos at once than drive in one of those races. Life's too short for that kind of monkey business.

In case you're worrying about the old champ, Jack tells us he hasn't been doing very well last year or two—No Sir, he's netted only a little over $100,000 each year. Tough, ain't it?

Unbeaten Baylor Bears Go After Aggies in SWC Tussle

COLLEGE STATION, Oct. 21 (AP)—Baylor's burly Bears go after that fifth straight football victory here tomorrow and even Texas A. & M. figures they won't have much trouble getting it.

The unbeaten, untied Bears will be playing their second Southwest conference game the same A. & M. The difference is that A. & M. lost its first test and Baylor didn't. Thus defeat for the Aggies tomorrow will mean elimination from the title race.

A crowd from 18,000 to 22,000 is expected.

Meadow Defeats Idalou, 26 To 14

IDALOU, Oct. 21. (Special) — Meadow's Bronchos maintained their perfect record in district 4-B here tonight by beating a strong Idalou eleven 26-14 before a crowd of 1,200 fans who watched the game in perfect football weather.

Meadow scored first early in the first quarter when Jess Upton plunged over from the one yard line after the Bronchos had marched downfield on a sustained ground drive. Bob White and Upton sparked the drive. Leanord Johnston's kick for extra point was good.

Both teams tallied in the second quarter. Idalou opened it when Alvin Joiner raced 21 yards around right end to score standing up. The kick for point was good.

Meadow came roaring back when Bob White ran 31 yards on an off tackle play to pay dirt. The point attempt was again good and at halftime the score stood 14-7 in favor of Meadow.

Midway in the third period the Wildcats pulled even after Tommy Russell went over center for 15 yards to the touchdown. The score was set up after Halfback Travis Castleberry broke in the clear on the Idalou 30 and raced 70 yards before he was finally pulled down by Meadow's Jess Upton.

Meadow scored twice in the final period on line plunges by White and Upton. Meadow led in first downs 21 to 15. The loss gave Idalou its second in conference play against three wins. It was the fourth win in a row for Meadow.

NEW DEAL KNOCKS ROPES OUT OF FIRST WIN; 38-19

ROPESVILLE, Oct. 21. (Special) The New Deal Lions knocked the Ropesville Eagles out of first place in Conference 4-B tonight, smothering them 38-19 before 600 fans.

Halfback Marlin Bumpass scored for the Lions in the first quarter, and passed 21 yards to end Fred Harkey for a score in the second. Quarterback Robert Gentry also connected with Harkey for a touchdown pass in the second quarter, good for 45 yards.

Kenneth Means, Eagle halfback scored two touchdowns, one a zigzag run from the New Deal 35. A pass from Means to Left End Richard Arant was good for the other Ropesville score.

Second period touchdowns for the Lions were scored by Gentry, Hubert McFarland and Wayne Worley.

Sparkplug for the visiting New Deal team was fullback McFarland, with Bumpass turning in long runs of 47 and 38 yards. The center of the New Deal line was especially effective on defense.

Kenneth Means was the power offensively and defensively for the Eagles, with Arant and Melvin Marcy also turning in fine defensive performances for Ropesville.

The loss by Ropesville puts undefeated Meadow in first place in conference standings.

COOPER PIRATES GAIN 25-0 4-B GAME FROM FRENSHIP

COOPER, Oct. 21 (Special)—The Cooper Pirates turned on a powerful scoring machine here tonight to down a fighting Frenship eleven 25-0 in a district 4-B football game before approximately 400 fans.

A pass combination of Bobby Dodd and Gene Hamilton for Cooper was responsible for three of the four touchdowns which were scored.

In the second period, Bobby Vinson, Cooper halfback, went over from the Frenship three to make the first tally for the victors. In the last quarter Dodd hit Hamilton for 36 yards and a touchdown. The conversion attempt failed. A few second later Dodd again hit Hamilton, this time for 32 yards and the score. Again the conversion attempt failed.

The final touchdown came with seconds left to play when the same combination of Dodd and Hamilton again was good for 32 more yards to a score.

Horned Frogs Meet Mississippi Eleven

FORT WORTH, Oct. 21 (AP)—TCU matches its potent passing attack against the power of Mississippi tomorrow night.

This aerial might is figured to be a touchdown better than anything the Rebels can muster.

Some 25,000 fans are due to see if the Frogs can keep a Mississippi jinx intact and crack one of their own.

The Old South team has never won a game in Texas, though this is its eighth attempt.

TCU has never won a game under the lights of its own field.

A former TCU grid great, Johnny Vaught, is coach of the Mississippi club and a victory might make up for some of the disappointment of this season's club.

Mississippi had been rated one of the strongest clubs in the Old South. The Rebels have hit the skids after winning their first two games and last week were tied, 25-25, by Boston College. Kentucky and Vanderbilt beat them.

TCU has won three, lost one and tied one.

Olton Downs Farwell, 40-6

FARWELL, Oct. 21. (Special)—The Farwell Steers were smashed 40-6 by the speedy Olton Mustangs in a District 3-B conference tilt here tonigh'

Sparked by a strong passing and running game, the Olton eleven forged ahead early in the game and stayed out front from there on in.

First score for the Mustangs was made in the first quarter by Huck Nichols with a gallop around right end for 19 yards. The Farwell eleven took its six points in the third quarter with a pass.

Outstanding players on Coach T. M. Cox's Mustang team were Jackie Lee, Garland Rose, Nichols, Jimmy Millsap, and Gerald Alcorn.

On the Farwell Steers, coached by Louis Purvis, notable gridders were Pete Hughes, Bobby Dollar, John Christian and Melvin Terry.

DIMMITT BOB CATS DOWN TOUGH ANTON ELEVEN, 18-12

DIMMITT, Oct. 21 (Special) — Dimmitt's Bob Cats kept in the running for the district 3-B title here tonight by downing a stubborn Anton eleven 18-12 before 1,500 fans who turned out in chilly weather to see the offensive battle.

Dimmitt scored early in the game when Halfback Gene Easley plunged center for five yards and a touchodwn after a march down field on the ground led by Billy Hodges.

Anton knotted the score midway in the second period when Fullback Billy Glasscock hit tackle for a five yard gainer and a score. The play was set up by a sparkling passing attack featuring the aerials of Ken Motl.

Dimmitt scored twice in the third quarter when Billy Hodges went around left end for 15 yards. The final Bob Cat score came following the loss of the ball by Anton on downs on the Dimmitt 40 yard line. Hodges again led the ground attack down field and carried over the double stripe from 10 yards out shortly afterwards to end Dimmitt scoring for the night.

Anton's final score came late in the game when Billy Estes intercepted a pass on the Anton 10 yard line and ran it back 90 yards for the score.

For the winners Charles Thompson and Billy Hodges turned in an outstanding game and for Anton, Billy Ray Glasscock and Motl were the sparkplugs.

Friona Eleven Bests Whitharral, 18 To 6

WHITHARRAL, Oct. 21 (Special)—A fighting Friona football team downed an underdog Whitharral eleven 18-6 here tonight before nearly 500 fans in a district 3-B game.

Neither team is in the running for the district title.

Friona drew first blood when they racked up 12 points in the second quarter. Back Tommy Lacewell went around left end for the score when a sustained ground attack had put Friona on the Panther 14 yard line. His try for extra point was no good.

Minutes later Friona scored again when Lacewell passed to end John Parker for nine yards and a score. The conversion attempt failed again.

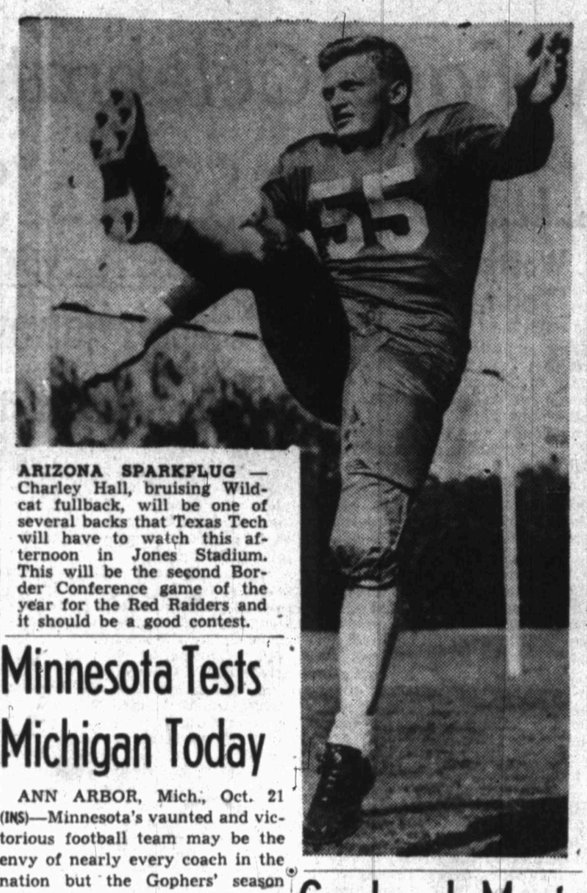

Whitharral pulled to within six points of the Chiefs when they notched six points late in the fourth quarter. On nine plays they marched 80 yards on the ground and Fullback Jimmy Havins plunged over from the two. The try for point failed.

Friona came back strong to make its final touchdown minutes before the final gun. It came when Back Roy Jones plunged over center from the Whitharral four yard line. The attempted conversion failed.

Outstanding for the Chiefs were Glen Hughes and Dan Throckmorton.

DICK RUDOLPH DIES

NEW YORK, Oct. 21 (INS)—Little Dick Rudolph, who won 27 games for the Boston Braves "miracle team" of exactly 35 years ago, died at his New York home Thursday night following a heart attack. His death was made public tonight.

ARIZONA SPARKPLUG — Charley Hall, bruising Wildcat fullback, will be one of several backs that Texas Tech will have to watch this afternoon in Jones Stadium. This will be the second Border Conference game of the year for the Red Raiders and it should be a good contest.

Minnesota Tests Michigan Today

ANN ARBOR, Mich., Oct. 21 (INS)—Minnesota's vaunted and victorious football team may be the envy of nearly every coach in the nation but the Gophers' season won't be a success for gray-haired Bernie Bierman unless Michigan is defeated tomorrow in Ann Arbor.

A crowd of some 97,000 spectators is expected to attend this gridiron contest for possession of the "Little Brown Jug" to see if Minnesota can do what no other Minnesota team has been able to do in the past six years—beat Michigan.

The undefeated and untied Gophers are ranked nine points better than Michigan's staggered and battered Wolverines. Coach Bennie Oosterbaan's squad had its 25-game victory streak shattered by Army two weeks ago and fell before Northwestern last Saturday.

Not since 1937 has a Michigan team lost three consecutive games and Oosterbaan's love for a job and of eating regularly make him undesirous of this dubious honor.

Past performance and statistics, however, show that probably Michigan's lone chance to avert defeat is to pass. That's how the Wolverines whipped Minnesota, 27 to 14, last year. They were held to a mere 22 yards on the ground but completed 11 of 24 passes for 261 yards.

The huge Gophers have even a better line this year. Washington, Nebraska, Northwestern and Ohio State have averaged only 1.6 yards per try against Bierman's seven giants.

Michigan is likely to be without the services of right Halfback Leo Koceski and Center Bob Erben. Both are sidelined with injuries.

Minnesota is in good physical condition and Bierman has made his aggregation well aware that past games mean nothing in this traditional contest.

So the Gophers are both physically and mentally ready for this game. That would seem to leave Michigan's hopes for victory with Chuck Ortmann—the leading passer in the Western conference in 1948.

Georgetown Racks Up 10 To 7 Victory Over Boston College

BRAVES FIELD, Boston, Oct. 21. (INS)—A 20-yard field goal in the closing minutes of play enabled Georgetown to defeat favored Boston College, 10 to 7, tonight before 22,763 fans.

The winning goal was kicked by Dick Haesler with about four minutes remaining after both teams had been deadlocked 7 to 7 since the opening period.

The Eagles opened the scoring early in the first quarter when they marched 75 yards and Jackie Farrell plunged over from the eight-yard stripe. Ed Petela converted.

FIELD TRIALS SET

QUANAH, Oct. 21. (AP)—The North Texas-Oklahoma Fox and Wolf Hunters association will open its annual four day bench show and field trials on the Neal Ranch southeast of here Oct. 25.

Cowhands Meet Odessa Tonight

Lubbock Cowhands and Odessa's B team square off at 8 o'clock tonight at Chapman field in their second game of the double round robin Class 3-AA B team race.

The Cowhands are still smarting under the sting of a 31-19 defeat at the hands of the Odessa squad on October 1, and Coaches Pat Farris and Freddy Brown are intent on winning this week.

Since that setback the Cowhands have come back to slaughter a helpless Midland eleven, 59-12, after having a Brownfield game cancelled. Previous victories were by a 31-0 margin over Plainview and 32-0 over Lamesa, giving the local team a three and one record for the full season.

Admission to the contest tonight will be 50 and 30 cents, the same prices charged all season, and a hard game is forecast between two high-scoring aggregations.

Probable starters for Lubbock are Don Jones, le; Bill Waters, lt; Sherrell Manning, lg; Dale Clark, c; Billy Breedlove, rg; Thomas Cadenhead, rt; Bobby Davis, re; Charles Brewer, qb; Charles Hodges, lh; Bo Sexton, rh; and Johnny Tatum, fb.

Whiteface Tramples Plains Squad, 26-0

WHITEFACE, Oct. 21 (Special) — A crowd of approximately 700 fans attending the annual Whiteface Homecoming game here tonight saw the Whiteface Antelopes score a decisive 26-0 victory over the Plains Cowboys in a District 4-B tilt.

Sparked by Harrel Gouge, who intercepted three passes the Whiteface eleven kept the ball most of the time.

Daniel Gilbert, Antelope player, scored the first touchdown in the first quarter, with the extra point kicked by Max Dickerson.

In the third quarter Dickerson scored again for his team, but the kick for extra point was unsuccessful. Gouge scored in the final canto, the extra point being kicked by Wendell Walker.

Antelope Mentor L. S. Salser declined to single out outstanding players, declaring that the whole team deserved recognition as a single unit.

Outstanding players on Coach Bill Adams' Plains eleven were Duane Grayson, backfield player, and lineman Dean Light.

Big College Games Slated

NEW YORK, Oct. 21 (AP)—College football reaches the halfway mark tomorrow, and many unbeaten favorites will be struggling to stay at the head of the pack.

Such powers as Minnesota in the Big Nine, California on the Pacific Coast, Oklahoma in the Big Seven and Cornell in the Ivy League look like the best bets to come through in their circuits.

Kentucky and Tulane are locked in a two-horse race in the Southeastern Conference, as are North Carolina and Duke in the Southern loop. In the Southwest Conference, Texas, Rice and Baylor are marching shoulder to shoulder at the head.

A sort of clarifying situation exists in the Southwest Conference, where Rice, upset winner over SMU, invades Texas and unbeaten Baylor visits underdog Texas A. and M. Rice, Texas and Baylor all own 1-0-0 records in conference play.

Northwestern, Iowa Meet

Minnesota, only unbeaten and untied outfit in the Big Nine, will be at Ann Arbor to battle a Michigan team still dangerous despite two setbacks.

Northwestern, fresh from its upset over Michigan, invades Iowa. Illinois goes to Purdue and Ohio State visits Wisconsin in other Big Nine games.

Also of interest in the midwest will be Big Seven games sending Oklahoma to Nebraska and Missouri to Iowa State.

None of that quartet has lost a Conference game. If favored Oklahoma beats Nebraska it probably will have to argue with the Missouri-Iowa State winner for the league title and a possible Sugar Bowl bid.

Cal, UCLA Unbeaten

A full schedule in the Pacific Coast Conference sends Washington to California, UCLA to Washington State, Oregon to Southern California, Oregon State to Stanford and Idaho to Montana.

California and UCLA are the only teams with clean Conference slates.

Cornell will be at home to battle a Princeton team that only last week ruined Brown's Ivy League hopes. If Cornell wins, the Big Red should have no further trouble until its Thanksgiving date with Pennsylvania. Dartmouth goes to Harvard.

Non-Conference commitments send Kentucky to Southern Methodist and North Carolina to Louisiana State. With these all-winning clubs off the reservation, Tulane and Duke—each beaten once in non-Conference games—will attempt to pull even with them in the standings.

Notre Dame Is Idle

Tulane, back home after the battering by Notre Dame, takes on Auburn. Mississippi State goes to Alabama and Georgia Tech to Florida for other Southeastern Conference tilts.

Duke also will be at home for a Southern Conference date with Virginia Tech. Elsewhere in the Southern loop it will be Maryland at North Carolina State, William and Mary at Wake Forest, Richmond at Davidson and Washington and Lee at George Washington.

Notre Dame has an open date but Army takes on Columbia at West Point.

Other smaller Conference and non-Conference games on tap include:

East—Navy at Pennsylvania, Holy Cross at Yale, Rutgers at Colgate and Villanova at Duquesne.

Midwest—Pittsburgh at Indiana, Penn State at Michigan State, Kansas at Oklahoma A. and M., and Bradley at Tulsa.

South—Arkansas at Vanderbilt, Tennessee Tech at Tennessee, Virginia at VMI and Kansas State at Memphis State.

Southwest and Far West—Mississippi at TCU, Arizona at Texas Tech, Colorado at Utah State and Utah at Wyoming.

Student Robbed Of Cash, Clothes

Two victims of alleged robberies, one of them minus shoes and pants when found early Friday on a highway near the city, told officials here approximately $50 had been taken from them.

Two arrests were made after R. P. Walker, a negro of Levelland, charged that two other negroes robbed him at point of a knife and a pistol. They took $22, he said.

Just Wants Them Fined

But, after identifying Joe Runnels, 24, of Dallas and Fred Wallace, 27, of Carthage, he decided he didn't "want to send them to the penitentiary—I just wants to fine 'em." Wallace had a pistol when arrested.

County officials said Dalton Anthony of Post, a business student here, was the other complainant. He said he met two men, probably Houston residents, who offered to take him to Post in their big car. But, he said, they all had some drinks together at a night club. Whether Anthony was doped was the question facing officials. He said his money $25 to $30 and other properties were taken from him and he was dumped, sans trousers and shoes, beside the road.

Anthony supplied minute information as to descriptions of two men and an automobile, the sheriff's office said.

Lubbock Men Aid

Anthony was brought to the sheriff's office by Clay Turner of 2505 Ave. L, Ralph Bumpass of 1622 Twenty-fourth and Von Shafner of 1506 Arnett, all of Lubbock, and O. C. Horn of Lubbock route 2.

They said they found Anthony on the Slaton highway.

It was later announced that a suit in a box and two pairs of slacks also were reported taken from Anthony.

Anthony told officials that one of the men he had been with has his left arm bandaged, and had explained that he hurt it in an oil field mishap. The other, described as the driver, mentioned that he lived in Houston.

One man appeared to be about 25 and was stocky, the other probably is 23 and is slender, Anthony told investigators.

Reds Are Sentenced

(Continued From Page One)

Jacob Stachel, 49, education secretary.

All but Williamson, Potash and Stachel are native Americans. Williamson is believed to have come from Scotland. Potash and Stachel are Russian-born but grew up in this country.

About 1,000 pro-Communist demonstrators massed shoulder-to-shoulder outside the sealed-off federal building. They chanted and cheered for a time. Later, they grew strangely silent.

But the crowd chanted "We want bail—we want bail" as the 11 defendants were led from the courtroom. They will be taken to federal prison later.

The 11 Communists, the elite of the party in America, took their sentences with a smile.

Throughout the 39-week trial, even the defense worked on the theory the men were liable to 10 years in prison.

Accepts Court's Invitation

Dennis, responding to the court's invitation, did most of the talking for the defendants during the last moments before sentencing.

"We face the future with supreme confidence." Dennis told Judge Medina. "We 11 top Communists have been falsely adjudged guilty of a crime. We are not guilty of any crime, least of all the allegation that we conspired to teach and advocate the overthrow of the government by force and violence."

The five defense attorneys had little to say in court. They are due to begin jail sentences varying from 30 days to six months on Nov. 15. Judge Medina found them giulty of contempt.

The defendants were convicted of recreating the Communist party in the U. S. in 1945 in a conspiracy to advocate violent revolution.

The party was disbanded briefly during the war. But the government said it came back to life on orders from Moscow.

The indictments were returned in July, 1948. The convictions left the Communist party of 70,000 members virtually leaderless for the moment.

U. S. Attorney General Howard McGrath has said the verdict has not outlawed the Communist party.

The national chairman, William Z. Foster, was indicted with the others. But he was not tried because of ill health.

VISHINSKY MAKES BITTER ATTACK ON RED TRIAL

FLUSHING MEADOW, N. Y., Oct. 21 (INS)—Russia's Foreign Minister Andrei Vishinsky today assailed the trial and conviction of America's 11 top Communists as "a crime."

A few hours after news of today's sentencing reached the grim-faced Soviet delegation at Flushing Meadow Vishinsky accused Federal Judge Harold R. Medina in the UN Assembly of having "deprived the defendants of the right of permitting their counsel to speak for them."

The fiery former ace prosecutor of the Soviet Union cut loose during debate in the 59-nation body on the Balkan religious trials, which included that of Hungary's Josef Cardinal Mindszenty.

Trial Called Crime

With rapid gestures and in agitated voice, Vishinsky branded the procedure against the 11 Communists as conducted by Medina a crime and declared:

"On top of that, Medina also passed sentence on their attorneys for defense."

Vishinsky evidently was still smarting under the smashing defeat sustained in the assembly yesterday when Yugoslavia was elected to the 1950 Security Council in spite of violent Russian opposition.

Tech Report Heard

they be held, is one of the problems handed over to the committee for study. Their purpose would be to provide a means for the exchanging of ideas among producers and refiners as well as to better acquaint them with the training facilities at Tech.

Members of the advisory committee also referred to committee the possibility of reinstating a geo-physical installation course in the petroleum curriculum, plus another dealing with natural gas.

Following the morning business session and lunch in one of the college dormitories, the group made a tour of inspection through the petroleum engineering building. Future plans as brought out in Ducker's report call for additions to the present building and somewhat later the offering of graduate research in the petroleum field.

Equipment Received

The petroleum engineering department at Tech was raised to department status last year. It had formerly been an outgrowth of the geology department. Since that time, the department has received a large number of equipment pieces, including a great deal of full-scale oilfield machinery.

Members of the Petroleum advisory committee present included George P. Livermore of George P. Livermore, Inc., Lubbock; W. B. Everett, jr., of Humble Oil and Refining corporation, Houston; Fred P. Wright, jr., of Magnolia Petroleum corporation, Midland; H. Y. McClure of Gulf Oil and Refining company, Midland; W. K. Davis of Western Natural Gas company, Houston; C. W. Seibel of the U. S. Bureau of Mines, Amarillo;

William J. McBride of Consumers' Co-operative Refining association, Lubbock; Max K. Watson, natural gas consultant, Amarillo; Owen F. Thornton of The Texas company, Houston; C. R. Bowen of Shamrock Oil and Gas company, Amarillo; Alden S. Donnelly of Honolulu Oil corporation, Midland; C. T. Wall of West Texas Gas company, Lubbock; Roland Goaldy of the Bride well Oil company, Wichita Falls; B. R. Schabarum of the Carl B. King Drilling company, Midland; J. E. Warren, presiden of the Independent Producers Association of America; Jules Constantine, Dallas; and W. M. Osborn of the Western company, Midland.

State Head Speaks At Legion Auxiliary

Members of the Auxiliary of the Allen Brothers post of the American Legion heard Mrs. Rita Breaux of Beaumont, department of Texas Auxiliary president, speak Friday night at a dinner given in her honor.

Approximately 50 members of the Auxiliary and guests heard Mrs. Breaux, as she touched on every phase of the Auxiliary program with emphasis on the sale of poppies Nov. 5, the proceeds from which are to be used to aid distressed veterans and their families.

Guests included Mr. and Mrs. Ralph Dent of Plainview, Mrs. Dent being president of the Plainview Auxiliary; George Berry of Lubbock, former department commander; Fred Young of Lubbock, former department officer; Sid Lowery of Lubbock, department service officer; Dr. and Mrs. Karl F. Wegener of Lubbock, and Orville G. Drake, vice-commander of the Allen Brothers post.

Auxiliary members attending included Mrs. O. G. Drake, president; Mrs. Riley Duff, district vice-president; and Mrs. Sid Lowery, district rehabilitation chairman.

Mrs. Breaux was entertained Friday afternoon by Mesdames Lowery, Duff, and Drake, and was taken on a tour of the city and the Veteran's Administration building.

the base indicate that officers and personnel have set a goal of over $5,000, which is the budget for the Lubbock Service organization, a recreational agency for the entertainment of soldiers at the base. It is one of the agencies that will benefit by the Chest drive.

"Campaign leaders expect to near this year's goal of $98,850 in a week or ten days, as we are hoping for complete reports from all soliciting teams by that time," said Kerr.

Lubbock Couple Returns From Family Reunion In Oklahoma

Mr. and Mrs. J. E. Shewbert of 2223 Fifteenth, have returned from Pauls Valley, Okla., where they attended a reunion of Mr. Shewbert's family.

He and his brothers and sisters had not been together for 17 years.

In addition to the Lubbock man, family members attending the reunion were three sisters, Mrs. E. L. McCrosky of Marysville, Okla., Mrs. Hettie Lovelace of Luling, and Mrs. T. M. Tether of Pauls Valley; and two brothers, R. M. Shewbert of Amarillo and J. S. Shewbert of Dalhart.

Families of the respective brothers and sisters also attended.

Armored Truck Delivers Pet Pooch To Surprised Owners

PHILADELPHIA, Oct. 21. (AP)—When an armored truck pulled up in front of the home of Mr. and Mrs. B. D. Conkey, the Conkeys' eyes popped.

And when their pet pooch, Tojo, climbed out, they really did a "double take."

The truck driver explained things. Seems Tojo, a little brown and black mongrel, wandered into the office of Geoffrey Smith, president of the Girard Trust company.

By means of the dog's license, Smith traced the animal's owners and had Tojo delivered home in style.

U. S. Indicts Red Agency Officials

WASHINGTON, Oct. 21 (AP) — In a new crackdown on Russia, the United States government today obtained an indictment against Amtorg, official Soviet trading corporation, and six of its officers for failure to register as agents of a foreign power.

The maximum penalty for violation of this law is a $10,000 fine and five years imprisonment.

Shortly after Attorney General McGrath announced return of the indictment by a federal grand jury here, five of the Russians were arrested by FBI agents in New York City where Amtorg maintains its offices. The sixth man is in Russia.

These are the officers named in the indictment: Aleksei Vasilievich Zakharov, president; Dmitri Ivanovich Bagrov and Vassili Petrovich Rebrov, vice-presidents; Serguei Andreevich Shevchenko, treasurer; Aleksander Aleksandrovich Istchenko, secretary; and Gennadi Nikolaevich Ogloblin, former assistant treasurer now doing other work for the outfit.

All were taken under custody except Vice-President Bagrov who, the department said, is in Russia.

Congratulations to:

Mr. and Mrs. Forrest Bell of 1913 Ave. L, on birth of a daughter weighing 7 pounds 13½ ounces at 1:34 p. m. Friday in Lubbock Memorial hospital.

Mr. and Mrs. George Morgan of 2613 Thirty-eighth on birth of a daughter weighing 6 pounds 12 ounces at 4:34 p. m. Friday in St. Mary's hospital. The father is a service station attendant.

Mr. and Mrs. Andrew R. Holt of Abernathy on birth of a son weighing 4 pounds 9 ounces at 8:40 p. m. Friday in St. Mary's hospital. The father operates a grain elevator.

Mr. and Mrs. Dennis Leach of Lubbock route 5 on birth of a daughter weighing 3 pounds 12 ounces at 5:10 p. m. Friday in St. Mary's hospital. The father is a Tech student.

Mr. and Mrs. W. L. Edwards of 3502 Twenty-sixth on birth of a son weighing 9 pounds 4½ ounces at 5:51 a. m. Friday, at Lubbock Memorial hospital. The father is a salesman.

Mr. and Mrs. Louis Stiles of Lubbock general delivery on birth of a daughter weighing 7 pounds at 11:02 p. m. Thursday at Porter clinic-hospital. The father works for the Lydick Roofing company.

support of the country in his efforts to provide for national defense. When we know each other a little bit better I think our differences will disappear."

Stiff Fight Threatens

Despite the apparent amity, a stiff fight threatened over the Navy's insistence that it should have the super-aircraft carrier Johnson banned.

Johnson refused to budge from his position that the carrier is not needed, but several committee members indicated that naval testimony has "sold" them on the belief that the atomic-age ship is vital to national security.

Vinson said the issue will be threshed out when the inquiry is resumed.

Johnson reiterated his previous statement that his economy moves will save a billion dollars without sacrificing military efficiency. He said the principal saving will come in dismissal of civilian personnel.

Air Force Limit Seen

The secretary declared he believes President Truman will limit the Air Force to 48 groups instead of the 58 groups voted by Congress. Johnson explained that he expects Mr. Truman to "impound" the $741 million authorized for the 10 extra groups.

Hoover, chairman of the government reorganization commission which blueprinted unification, called the law one of Congress' "most constructive achievements." But he said that both the Navy and the Air Force have a right to "speak their minds" about the way it is working.

Johnson spoke stingingly of his Navy critics.

He declared that the Defense department must be "at all times" under civilian control and won't be run in the interests of "professional seamen" or any other military group.

Navy Claim Denied

The cabinet member snorted at the Navy claim that it has been denied full partnership in the defense structure. He said the Navy "has, if anything, more than its share of key positions."

By inference, Johnson accused top admirals of lying in their sworn testimony that the overall national defense plan is based on the Air Force concept of "atomic blitz" warfare.

He said that such "erroneous" testimony "bears only the slightest resemblance" to the strategy approved by the joint chiefs of staff.

Johnson declared it would be impossible to give the admirals everything they want "because of the strains and stresses upon the national economy."

The defense chief admitted truth of the Navy charges that the Air Force B-36 intercontinental bomber is "vulnerable." But he said no "invulnerable" airplane exists and probably never will.

Historical New Mexico Ranch Bought By Big Spring Oilman

ROSWELL, Oct. 21. (AP)—The land where Billy the Kid lived and hid from the law became the property of a Texan here today.

Arthur L. Wasson, rancher, oilman and philanthropist from Big Spring, purchased the historical Block ranch from T. A. Stencer and family from Carrizosa, N. M.

The sale price was in excess of $1,000,000 for the 200 section ranch and the 3,000 cattle, according to Hiram Dow, Roswell attorney and member of the Pecos River Compact commission, who handled the transaction.

The Block ranch was established by W. C. McDonald, a native of Scotland who became New Mexico's first governor in 1912.

Cottonseed Plan

(Continued From Page One)

ter. The West Texas group is flying home tonight after what they described as "virtually fruitless" conferences with the department, according to the Associated Press.

"The Production and Marketing administration officials told us they have no authority to adopt our proposal that the problem be solved by placing a price support under cotton seed cake and oil," Simmons said.

Storage Space Short

In outlining the Lubbock group's arguments for a change in the parity program, he said that the supports are helping only a few farmers and causing hardships to ginners and millers. Most farmers, he said, do not have the storage space necessary to qualify for the loan.

"The PMA officials said they do not favor our other suggestion that mills crush the seed for the government under contract," he added. Later, he said the group will return home and try to make the program work as previously outlined by the agriculture agency, but "We don't see how we can live under it and we think it will end up being another potato program of the government."

In the party were: W. O. Fortenberry, Roy Davis, T. E. Patterson, all of Lubbock, and Ray Grisham, Abilene, Wilmer Smith of New Home, and G. L. Jackson of Abernathy.

Czechs Arrest

(Continued From Page One)

bassy said an extension of the time limit for Patch was "flatly refused."

Patch, who left with his wife and three daughters for Nuremberg, said the Czech charges were "absolutely baseless."

Embassy officials echoed Patch's views and said the espionage accusation was "entirely unfounded."

The Czech government said it had "absolute proof" that Meryn and Patch helped direct "an anti-state espionage organization."

The embassy refused comment and said the whole matter is being referred to Washington.

The Czech note named two former embassy officials, W. Birge, and Spenser L. Taggart, as responsible for creating the alleged spy organization in March, 1948. It said Birge was political supervisor, and Taggart the instructional head.

Woman Is Accused

It said that when Birge left Czechoslovakia Mrs. Louis Schaffner, a third secretary of the embassy, was active in instructing the alleged spy ring. It said Mrs. Schaffner left Czechoslovakia three days ago after Czech members of the so-called ring were arrested.

The Czech government said the embassy officials were "mediators" and contacts between the local ring and the "Council of Free Czechoslovakia" and other emigre groups abroad.

Meryn, it said, took four American radio transmitters to individual Czech member groups in the Slany and Pisek regions to keep contact with the central American organization.

The note said Birge created the alleged group by securing the services of two Czechs, Maj. Jaromir Nechansky, and Vaclav Wahl, who in turn built up an illegal group composed of Czech citizens who relayed information to Birge.

The Czech action undoubtedly is an outgrowth of the recent Budapest "Titoist" treason trial in which defendants testified that a Yugoslav-American plot against the pro-Soviet Hungarian regime extended into Czechoslovakia and other Soviet satellite states.

FOUR PERSONS INJURED IN THREE TRAFFIC MISHAPS

Four persons were injured in traffic mishaps Friday, one of them in Lubbock, three others on highways leading to the city.

Hurt were Robert W. Gage, 72, of 1633 East Broadway; James C. Norris, 15, of 3722 Ave. K; J. W. Martin, 42, of Lampasas; and Randall Van Dyne, 49, of Slaton. All were reported in good condition in hospitals here and in Slaton.

Young Norris suffered a deep gash on the right cheek, and lacerations of the right eye and lips when the car in which he was riding struck the rear of a parked truck in the 2400 block Main at 9:40 p. m. Lowell Aaron Denny, 15, of 2111 Ave. K, driver of the vehicle, was given a ticket for negligent collision. The injured youth was treated at St. Mary's hospital where he was taken by a taxicab.

Gage was injured about 1:35 p. m. when he was struck by a car driven by a Tech student, Richard M. Buckles, at a point about 4 miles east of Lubbock on the Idalou highway. He suffered fractures of both arms.

Highway patrolmen said Gage was crossing the highway from a center "safety island," to board a bus when he was hit by Buckles' 1949 Lincoln, driving east in the outside lane of the highway. The injured man was taken to West Texas hospital by Rix ambulance.

The other accident victims were drivers of two cars which collided head-on about a mile northwest of Posey on the Lubbock-Slaton highway shortly after 7 p. m.

Van Dyke, who was traveling toward Slaton in a 1939 Pontiac, was taken to Mercy hospital in Slaton. Martin, driving toward Lubbock in a 1948 Chevrolet sedan, was carried to Lubbock Memorial hospital. Both men received lacerations about their knees and bruises on their heads. Hospital attendants here said Martin would be X-rayed today for possible chest injuries.

Investigation of the accident is to be continued, Highway patrolmen said.

LYNN COUNTY'S FAIR QUEEN — Attractive Miss Carolyn Middleton, senior student in O'Donnell High school, was named queen of the annual Lynn County Fair, which opened Friday afternoon. Miss Middleton, daughter of Mr. and Mrs. D. B. Middleton of O'Donnell, was selected for the honor from among high school girls of Lynn county schools. She is pictured standing beside one of the prize Hereford calves exhibited in the fair. (Staff Photo by C. W. Ratliff.)

John L. Williams, 23, Of Lubbock Claimed

John L. Williams, 23, died in Lubbock Memorial hospital at 9:10 p. m. Friday, about seven hours after he had been discovered lying unconscious in his home at 1918 Seventh.

Williams, a veteran of World War II, had been in ill health for some time. He was carried to the hospital by McDonald ambulance a few minutes before 3 p. m.

No funeral arrangements have been made, a spokesman for McDonald Funeral home reported last night.

Williams is survived by his mother, with whom he made his home, a brother and two sisters.

Coal Strike Dispute

(Continued From Page One)

made progress and were not too far apart.

They will meet again next Tuesday (2 p.m., CST).

Today was the end of the fifth work week that UMW soft coal diggers east of the Mississippi have been out. There were scattered reports from retail dealers that they were running out of coal. The industry was losing about 10,000,000 tons of production weekly. The miners were losing about $22,000,000 a week in wages.

As they walked out here the north and west operators issued a typewritten statement saying:

"In his mad race for power, John L. Lewis is impoverishing our employes and is willing to destroy the coal industry.

"He has disdainfully absented himself from this conference, only being present eight days since July 1.

"Two weeks ago, the government's mediation service asked us to reconvene these meetings. In these two weeks, he has been in attendance only about two hours and rarely has spoken when present.

"Is this collective bargaining?

"The coal industry is fighting for its life against competitive fuels. The price of coal cannot be raised. It would only reduce the miners' earnings."

NEWS BRIEFS

Regular fourth Sunday singing services will be held from 2 to 4 p. m. Sunday at the First Foursquare church, Eighth and Ave. Q, acording to P. O. Brock, chairman of arrangements. A number of outstanding quartets and song leaders are to participate in the singing service. The public is cordially invited to attend.

H. T. Chilton, oil transportation engineer for the Stanolind Pipe Line company, Friday spoke on "Oil Progress Week" at the American Business club luncheon meeting in the Hilton hotel. He was introduced by Charles Dunlap, industrial relations supervisors for th company's West Texas division. A film, "Tulsa Oil Parade," was also shown the club in connection with Oil Progress Week.

Final plans were mapped Friday for providing free chest X-ray service starting Tuesday at Tech by board members of the Lubbock Tuberculosis association at a luncheon meeting at the Hilton hotel. Jason Gordon said the X-ray unit will be moved downtown Nov. 2. Purpose of the campaign is to get as many persons as possible to take advantage of the free service to discover if they are victims of the disease.

The body of John C. Blohm was sent by air to Toledo, Ohio from Amarillo Friday after being taken overland from Lubbock there, McDonald Funeral home said. Blohm, 72, a resident of Toledo, was found dead in a local tourist court early Thursday. Justice of the Peace C. E. Lynn returned an inquest verdict of death from natural causes.

Owners of two pickup trucks reported theft of a tire and wheel from each vehicle to police Friday. The victims, T. O. Sprawls, of 1614 Ave. N, and Bud McGowan, of Lockney, each said his loss was $17.

Truman Expected To Okay New Farm Bill

WASHINGTON, Oct. 21 (INS)—The White House indicated today that President Truman will sign the new, long-range farm price support bill even though the measure is not entirely what he wanted.

Presidential Secretary Charles G. Ross hinted strongly that Mr. Truman will approve the measure with its one-year extension of 90 percent parity price supports on basic crops.

The President had favored an indefinite extension of the high wartime support levels on basics—cotton, corn, wheat, peanuts, tobacco and rice. But the compromise bill provides that the minimum support level shall drop to 80 per cent of parity in 1951 and to 75 per cent in 1952 and thereafter.

The British multi-seat glider record was broken by K. Hirst, of Blackpool, who flew 141 miles.

Influenza Increasing In Texas, State Health Department Warns

AUSTIN, Oct. 21. (AP)—Influenza is increasing in Texas, the State Health department warned today.

The week ending Sept. 10 only 299 cases were reported.

Last week the total had jumped to 726.

Youth's Sentence Suspended Here

Francis Lee Jackson, 21-year-old Dimmitt youth last night received a suspended sentence of three years following his conviction of murder without malice. A 99th district court petit jury deliberated one hour and 25 minutes before returning the verdict to Judge G. V. Pardue.

The charges against Jackson were filed following a collision north of Lubbock in the early morning hours of Aug. 12 in which Rex Melton, 36, of Plainview was fatally injured.

Intoxication Charged

The state charged that Jackson, driver of the car which collided with Melton's car, was intoxicated at the time of the accident.

Other occupants of the Melton car, Mrs. Melton, L. A. Compton, J. D. McPherson, and Lynna Carter, all of Plainview, and Lola Shockley, of Lubbock, were called as witnesses for the state.

They told how the Plainview party had come to Municipal airport here to attend an American Legion dance; how it had driven in Melton's car to Lubbock to deliver a young woman to her home and was en route back when the collision happened. Jackson's car leaped over a traffic "island" before the collision—perhaps after a blowout—it was testified.

Reporter Testifies

Other state witnesses were a highway patrolman who investigated the mishap, and a Morning Avalanche reporter, Cliff Blackburn, who was present when several of the wreck victims received emergency treatment at a Lubbock hospital.

Blackburn testified as to the defendant's sobriety a short time after the accident.

The charge was given to the jury at 8 p. m. and the verdict returned at 9:25 p. m.

The defendant was represented by Ray Cowsert of the Hereford law firm of Cowsert and Bybee. E. G. Pharr, assistant district attorney represented the state.

The jury was composed of Travis Jennings, C. W. Meyers, Raymond Allen, T. T. Taylor, Hal Harpole, L. S. Winn, George Birdwell, Frank Brown, Fred Kincaid, Glenn Blackman, Fred Spikes, and R. O. Kershner, foreman.

Fire Victims Still In Lubbock Hospital

Three persons remained in hospitals here today for treatment of burns suffered in an apartment house fire at 2215 Thirteenth Thursday.

Condition of Bill Lee Robinson, 25, and Mrs. Burt Maze, 24, who received the full force of an explosion originating in a stove gas pipe, was described as "fair" by attendants at Lubbock Memorial hospital.

Third victim of the blast, W. D. Haynie, 51, was reported in good condition at St. Mary's hospital.

All received numerous burns about their faces and over their bodies when the gas fumes exploded shortly after 6 p.m. Thursday.

Tornadoes Hit State

Dallas shortly after noon but made only a dent in temperatures. It wasn't expected to reach much farther south.

Brownsville and the upper coast reported warm temperatures in the upper 80's.

Freezing At Dalhart

The first freezing temperature hit Dalhart Thursday night. The reading was 32 degrees but no frost was reported. Most of North and West Texas had Thursday night temperatures in the 40's.

Waco reported the heaviest rainfall of the day, 2.42 inches. Texarkana had 1.95, Corsicana 1.92, Tyler 1.39, Dallas 1.46, Palestine 1.00, Fort Worth .29, Ozona .29, Wichita Falls .55, Junction .21, San Antonio .02, Corpus Christi .03, Del Rio .06, Laredo .01, Presidio .12, San Angelo .05, Lufkin .02, Marfa .09. A heavy rain fell over most of Henderson county.

A 1.25-inch rain damaged unharvested cotton and peanuts in the Bonham area. Eleven thousand Fannin county bails were estimated still unpicked. A total of 38,624 already had been picked.

South Texas and the coast reported hot weather despite the freezing temperature at Dalhart. Laredo was high with a maximum of 95 degrees, Alice had 92 and Houston 91. Dalhart warmed up 62 degrees. Amarillo had a maximum of 65 and Clarendor 69.

Cooler Forecast

Saturday's forecast indicated slightly cooler weather with clearing skies in the Panhandle and West Texas. Scattered showers were scheduled for the coast and the east and southeast portions of East Texas.

At Abilene Mina La Dell showed slight improvement during the afternoon, but an attending physician said she would be paralyzed from the hips down. Eddie Earl's injuries were serious.

Loss of their home left the Person family virtually destitute. The Abilene Reporter-News launched a Person disaster fund. It said many residents of Abilene were mailing checks and that immediate emergency needs of the family had already been met by the Red Cross.

Funeral services for Mrs. Person will be held here Sunday. A brother, Oscar Montgomery, of San Rafael, Calif., and her parents, Mr. and Mrs. J. E. Montgomery of Monrovia, Calif., were reported on their way to Abilene.

APPLICATION IS DENIED

WASHINGTON, Oct. 21 (AP)—The communications commission today denied the application of station KGKB, Tyler, Tex., for a change from 1490 kilocycles, 250 watts, unlimited time, to 960 kilocycles, one kilowatt night, five kilowatts day.

Congress Has Its Lighter Moments–Review Shows That Last Session Was No Exception

By HARMAN W. NICHOLS
United Press Staff Writer

WASHINGTON, Oct. 21.—Congress has packed its duffle and headed for home—and it's a pity.

The law-givers took a lot of punishment, but they produced some pretty interesting copy.

For example, there was the time Sen. Robert A. Taft (R-Ohio) stood on the floor of the Senate and defended the impolite starlings, which have ruined practically every building in town.

Birth Control Plan

They eat mosquitoes, he said, thereby killing a bill that would have made it legal to kill a starling on sight. It reminded veterans of the 80th Congress that no starling control bill was passed then, either, even though a serious little Eastern scientist appeared before a committee and advocated birth-control for starlings. His theory was that these birds don't have any sense. He said that if you put pans of oil around where the starlings roost and flake the oil with food, the mama bird will oil her tail feathers and close the pores on the eggs when she goes home to set. Then the eggs won't hatch.

Annual Oleo Fight

The oleo tax repeal came up again. And once again Rep. Reid F. Murray (R-Wis.) was in the thick of the fight. The bill never got through, but Reid created a stir when he appeared before a committee to plead for the butter states which don't think much of oleo.

Chinese children, he said in all sincerity, never get any butter to eat and they have slant eyes.

"Do you want your children to grow up with slant eyes?" he asked the committee. It all went into the record.

His Feet Hurt

Sen. Bill Langer (R-N.D.) livened things up in the 81st Congress just the other day by breaking the rules. He complained of sore feet or something and started to give a speech sitting down. Senate Democratic Leader Scott W. Lucas of Illinois soon up-righted the gentleman from North Dakota.

This same Lucas got his dander up when he excused himself from an uncommonly long night session and went to the Senate restaurant for a snack. But the place was closed and he couldn't even find a candy bar. He made a little speech about it.

Also in the Senate, one of the members referred to a colleague as "honest" and was ruled out of order. The chair said if one senator was called honest, that was a reflection on the honesty of the rest of the membership.

Wanted Check On Gold

The House likewise had its moments. One day, a congressman suggested an investigation of Fort Knox—"To see for sure if the gold is still there." He was set down proper by a colleague who thought this sort of thing should be followed by a sawing operation—cutting the gold bars in two to make sure they aren't half lead.

One day on the House floor, with the press gallery cleared, there was a Hollywoodian one-punch fight. It was between aged Rep. Adolph J. Sabath, of Illinois, dean of the House, and Rep. E. E. Cox of Georgia. Nobody seems to know exactly what happened. Nobody hit the deck and, after it was all over, nobody was sore.

Woman Charged With Murder Of Air Force Husband In Germany

FRANKFURT, Germany, Oct. 21 (AP)—A pretty American brunette, pale and dazed with shock, was arraigned in a U.S. court today on a warrant charging her with the murder of her young Air Force lieutenant husband after a quarrel with one of their female friends.

Mrs. Yvette Madsen, 22, mother of two small children, is accused of shooting her 32-year-old husband, Lt. Andrew E. Madsen, of Oakland, Calif., through the heart early yesterday in the living room of their home near the Rhine-Main airbase. The Air Force said the shooting followed a gay party at the home of friends.

Judge T. T. Marye adjourned the preliminary hearing until Monday to give Mrs. Madsen, Brooklyn, N. Y., time to select counsel.

Mrs. Madsen was dressed in a high-necked gray dress when she was brought to the courtroom from a hospital where she had been under treatment for prostration.

Madsen was killed by a bullet from a 45-caliber Army pistol as he returned from the party.

The Air Force gave this account:

Madsen and his wife attended a party given by friends. Mrs. Madsen quarreled with one of the women present and then left the party, early in the morning, driving the family car home.

Half an hour later Madsen was driven home by a friend.

"As he entered the house he was shot through the heart," the announcement said.

Songwriting Trio Expected To Attend Premiere In Houston

SNYDER, Oct. 21. (AP)—A songwriting team is expected to go to Houston tomorrow to hear the premiere of their song "Love in the Lilacs."

The three are Dicie Watson, Leon Guinn and Greta Lewis. Guinn said they had turned down $10,000 for outright sale of the song.

San Antonio Girl To Be Given Chance To Regain Use Of Eyes

SAN ANTONIO, Oct. 21. (AP)—A 5-year-old negro girl, blind since infancy, will have the chance to see again.

Mary Ann Rector and her mother, Mrs. Charles Rector, will leave San Antonio Sunday for Johns Hopkins in Baltimore, where Mary Ann will be examined. If doctors think surgery might restore the child's sight, she will undergo an operation. Mary Ann is a victim of staphyloma or ulceration of the cornea of both eyes.

Money for the trip and the operation were donated by San Antonians, after a story of Mary appeared in San Antonio Evening News. In a few days, $2,000 had been contributed.

Avery Released Pending Appeal Of Five-Year Burglary Sentence

J. A. Avery, jr., 20, one of three Lubbock men who was convicted earlier in the week of burglary, entered into a $5,000 recognizance with Judge G. V. Pardue Friday in connection with his appeal from a five-year sentence.

The 99th district judge overruled a new trial motion prior to the appeal announcement.

Avery was tried before a jury on a charge that he broke and entered Palace drug and jewelry. Osby James, 31, was sentenced to four years in the penitentiary on a similar charge, and Earl Laughry, 25, was allowed five-year probation. James and Laughry pleaded guilty.

Franco Enemies To Face Battle

MADRID, Oct. 21 (INS) — The Franco government ordered a no-quarter fight today against political enemies and professional criminals blamed for a new wave of crime and violence in Spain.

At least six men have been killed in pitched battles with soldiers and police in recent weeks. Scores of known gunmen and terrorists have been arrested, mostly in the area of eastern Catalonia where Barcelona is the focal point of the violence.

Outbursts also have occurred, however, in the central Madrid area, in the north, particularly Asturias, and in the Andalusian and Levent regions in the south and southeast.

Professionals Are Blamed

Professional criminals obviously are behind much of the violence in which banks have been attacked, paymasters robbed, and merchandise trains looted.

But accompanying sabotage and nuisance bombings also may be attributed to Generalissimo Franco's political enemies.

A check of the records of men and women captured thus far showed that many had pre-civil war criminal records and that not a few were in prison at the time the Spanish civil war began in 1936.

Government officials said they were freed by Republican forces during the war on condition they would fight against Franco. They said these men and women then fled into France at the end of the war, and now have returned to their old grounds.

Red Training Claimed

Franco officials declared some of these ex-convicts were already Communist and that others became converted during the war and were given special "terrorist training" after the war in a Communist school at Toulouse, France.

One step already taken by the government is to make clandestine entry into Spain a criminal offense.

Strengthened police forces were ordered to keep a close watch on bars, taverns, cabarets and brothels for any suspicious-looking persons.

Train passengers' credentials are checked carefully. Motorcycle police do the same on highways.

Street photographers who snap pedestrians and deliver pictures next day are checked carefully, too.

This was done after it was learned that bank bandits and bomb-tossers frequently were equipped with complete picture lay-outs of places to be robbed or blasted.

New Light Thrown On Frontier Badmen

NEW YORK, Oct. 21. (U.P.)—Frontier badmen didn't always wear sombreros. They were suckers for derby hats, patent leather shoes, broadcloth suits and boutonnieres, a New York newsman said today in a new story of the wild and wooly west.

The story of the badmen is told by Jim Horan, assistant city editor of the New York Journal American in a book entitled "Desperate Men." Its source is the 100-year-old private files of the Pinkerton detective agency, whose contents are revealed to the public for the first time.

Horan paints a new picture of Jesse James, a man whose friends called him Dingus, who almost split the Missouri Democratic party into two factions.

He tells the story of Charles Stringo, who broke up the train robbers syndicate, an inner circle of outlaws with hideouts and reserves of fast horses stretched for thousands of miles across the western plains.

Three of the principals of the syndicate, Butch Cassidy, its organizer, Harry Longbough, his lieutenant, and Etta Place, a beautiful woman of mystery, came to New York to spend their loot.

Much like their present counterparts, they went to the theater, bought jewelry from a famous shop, bought expensive clothes, then had their pictures taken by a famous photographer. There are 16 pages of photographs of border personalities taken from the dust-covered Pinkerton files.

In 1901, the three sailed from New York for South America where they plundered Argentina, Bolivia, Peru and were finally killed in Uruguay.

Champion American Royal Steer Brings $1,785 To Oklahoma Boy

KANSAS CITY, Mo., Oct. 21 (U.P.)—Bob McKinley's grand champion steer was sold today as a feature of the American Royal livestock and horse show and the 19-year-old Dale, Okla., farmer said he was going to use the $1,785 it brought to get married.

The grand champion Hereford brought $1.50 a pound for its 1,190 pounds.

The price was lower than last year's $2, and, of course, in no way compared with the record price of $35.50 a pound paid in 1946 for T. O. Pride.

The buyer was Eddie Williams of the Williams Meat Co., Kansas City, always a bidder and often a buyer of the grand champion. Williams said he would continue his practice of having three pairs of cowboy boots made from the hide.

He will present one pair to McKinley, give one to the American Royal or the Royal's president, Harry Darby, and keep a pair for himself.

Horses held the front-and-center position at the Royal yesterday.

Girl Murder Suspect Indicted For Assault

BRADY, Oct. 21 (AP)—A San Saba county grand jury has indicted Sandra Peterson, 17, and her young companion on charges of aggravated assault.

County Attorney Evans J. Adkis disclosed the action today.

Mrs. Peterson and Loretta Fae Mozingo, 15, of Austin have been held in jail here since the body of Lewis Patterson, Brady real estate man, was found in a ditch near Brady Aug. 25.

Mrs. Peterson is charged with murder in McCulloch county in his slaying.

Officers said the girls hitchhiked a ride near Lampasas the night before the slaying and used a gun to force the driver to take them to San Saba.

The grand jury in McCulloch county meets early in December.

Mrs. Peterson will be 18 Dec. 11. She was born in Somerville, Mass.

Under Texas law a girl under 18 can be indicted for a felony but cannot be tried on a felony charge in district court until she is 18.

Eleven Areas To Be Under Study

By H. I. KIEFER
Avalanche Staff Writer

Public hearings on an even larger program of city limits extensions than recommended by a special committee of the chamber of commerce were ordered by the city commission Friday morning.

The hearings will begin Tuesday, Nov. 29, and two days probably will be required to complete them. Residents and all others interested in each proposed annexation will be given opportunity to appear for or against the proposition at a time which will be announced in advance, Mayor W. H. Rodgers announced.

Too Widely Separated

The only area recommended for annexation by the chamber committee which was excluded from the program is the Clayton-Carter addition area about two miles north of the present city limits. Members of the commission said it is too widely separated from built up areas to justify the expense of providing municipal services.

Areas not recommended by the chamber group on which hearings were ordered are in Southeast Lubbock between the present city limits and about Fiftieth street on the north and south, and from Avenue A eastward beyond the Slaton highway.

Would Double Area

The whole program, if carried out, would bring nearly 3,000 residences, including many multi-unit dwellings, approximately 15,000 peoeple and about 11square miles of new territory inside the city limits, more than doubling the present Lubbock territorial area of about 10 miles.

Actions by the commission calling the hearings were unanimous on most of the propositions. Mayor Hufstdler and Clarence Whiteside voted for all. Commissioners John Spikes and W. B. Price voted "no" on Four propositions affecting two areas.

Support Not Promised

All members, and Mayor Rodgers in particular, emphasized that their votes for calling the hearings did not commit them to the support of the actual annexation ordinances. These will come up for actions after the hearings.

Hufstedler's attendance at the meeting was unexpected. He is under medical care for treatment of a bronchial condition which led to a rise in his blood pressure. He has responded sufficiently to several days of treatment, however, that the attending physician approved his presence at the meeting.

The areas on which annexation hearings were ordered follow:

Methodists End Meeting Here

"One night of worry will take more out of our minds and bodies than five days of hard work," Bishop William C. Martin of Dallas told approximately 600 ministers and laymen in the concluding session of a two-day Northwest Texas conference Methodist meeting Friday morning in First Methodist church.

He advised individuals to clear their lives of cynicism, frustration, jealousy, pride, malice, and ill will and to "keep the channels unclogged" so "the inexhaustible forces of divine power may come into our lives."

Bishop Cushman Speaks

Another bishop, Paul S. Cushman of St. Paul, Minn., speaking in the closing session emphasized rethinking of the question, "What is the church?"; Jesus Christ, in saying, "I will build my church," did not say the Roman church nor the Lutheran church nor the Methodist church, he haid. "It is time that we stopped over-exalting men," said Bishop Cushman, adding that Methodists should not worship John Wesley, nor should other denominations exalt men who have been leaders.

A communion service was conducted this morning. A forum on teaching and preaching emphasis in "Advance for Christ and His Church," four-year program in the Methodist church, was conducted.

An estimated 1,100 to 1,200 persons have attended sessions. Combined attendance figures for all sessions total approximately 3,000, but include duplication since some persons have attended several sessions.

Must Look To Divine

Speaking in the Thursday night session, attended by approximately 900 persons, Bishop Hazen G. Werner of Columbus, O., said, "You can't find a map to the future at a gas station and you can't stop the ache in the soul with something you buy in a drug store."

Man must look to the divine for help, he said.

"Civilization and democracy will not work until we have restored divine meaning to human personality."

A youth meeting led by Bishop Werner at St. John's Methodist church preceded the night general meeting at First Methodist church.

With divine meaning restored to human personality, "There shall be no exploitation of human beings," Bishop Werner said in the general session address. "They are sacred. Husbands cannot degrade wives without suffering vastly. Corporations cannot degrade persons—not only in the phase of treatment of employes but in the whole ramification of the distri-

District Dental Society To End Annual Convention Here Today

Approximately 30 dentists from the 19th Congressional district and from eastern New Mexico are participating in the annual fall meeting of the South Plains District Dental society, which convened in Hilton hotel Friday and will end at noon today.

Dr. George G. Ingham of Amarillo this morning will continue a lecture on "Oral Surgery" which was begun at a session Friday afternoon. At 11 a.m., a business session will be held, after which the meeting will be adjourned in time for visiting dentists to attend this afternoon's Texas Tech-Arizona football game.

Dallas Dentist Lectures

The annual meeting got underway at 9 a.m. Friday with a registration period, followed by a lecture at 9 a.m. on "Peridontia," by Dr. Sam R. Parks of Dallas, a part-time professor of dentistry at Baylor university dental school.

A luncheon was held for dentists and guests Friday noon at the hotel, after which Dr. Parks continued his lecture session. Following, Dr. Ingham presented the first half of his topic.

A banquet with an informal program was held last night for dentists, their guests, and dental assistants.

Members who attended the meeting included Drs. V. L. Lawson, Morton; Elmer Moore, C. A. Rosebrough, J. M. Reynolds, E. L. Nichols, all of Lubbock; Wm. M. Orr, Littlefield; K. R. Durham, Tahoka; C. G. Dunn, Levelland; J. B. McCorkle, Glenn Gay, T. G. McCorkle, all of Lubbock; W. A. Roberson, Brownfield; R. L. McAllister, Lubbock.

Guests were Drs. James Shotwell, Littlefield; J. M. McKissack, Odessa; B. J. Roberson, Levelland; E. J. Ahlf, Lubbock; and M. L. Carlton, Lubbock.

Guests from New Mexico included Dr. W. K. Smith, Lovington, N. M.; and Dr. R. B. Parish and Dr. E. M Peck, both of Hobbs, N. M.

Plans For New Tech Buildings Discussed

Officials of Texas Technological college have been discussing preliminary plans for erection of two new buildings and additions to another with architects this week.

Discussions were carried on Friday between the officials and representatives of Marsh and Hazlewood of Amarillo for plans on a music building. Thursday, they met with Haynes and Kirby of Lubbock on planning for a home economics building and with Atcheson and Atkinson for addition of wings to the engineering building.

Cost of the proposed buildings have not been released by college officials, but architects' drawings are to be available for a Dec. 10 meeting of the Board of Directors in Lubbock. Members of the board might call for bids then.

Location of the proposed new buildings has not been decided upon as yet, but their erection is part of a long-range building program planned by the college. Construction on two wings to the administration building is now in progress, while a new building to house the West Texas museum is almost complete.

Religious Emphasis Week Set At Tech

Students of Texas Technological college will observe Religious Emphasis week Oct. 31 to Nov. 3, Marion Baumgardner, president of the Student Religious council, announced Friday.

Dr. W. McFerris Stowe, pastor of the Stillwater First Methodist church, will address students and others each night of the period in the recreation hall, according to Baumgardner.

"Building Your Personality" will be his topic for the first night, followed in succession by the topics, "Choosing Your Life's Philosophy," "Choosing Your Life's Partner," and "Choosing Your Life's Work."

Dr. Stowe received his A.B. degree from Hendrix college in Conway, Ark., his B. D. from Duke university at Durham, N. C., and his Ph.D. from Boston university in Boston. He served four and one-half years as a liaison person between the General Board of Education for the Methodist church and Methodist Theological schools.

TENT CITY BUILT AT TECH

South Plains Boy Scouts Gather In Lubbock For Roundup Today

A tent city sprang up on the Texas Tech campus Friday night as approximately 500 Boy Scouts from ten South Plain counties converged on the Tech gymnasium for their 1949 roundup today.

Several hundred more are expected today, since high school football games kept many from attending the opening program in the gymnasium last night, according to W. R. Postma, Lubbock Scout executive.

This morning Scouts will be given their choice of schools they wish to examine, and will be conducted through the buildings by members of Alpha Phi Omega, national service fraternity on the campus.

The Scouts will break camp and clean up the grounds after lunch, and then will conclude the day's activities with attendance at the Tech-Arizona game in a body.

Camps were pitched east of the gymnasium and extending north to the freshman football field Friday night as the boys prepared for a night outdoors. Scouts provided their own meals Friday evening, but a barbecue style breakfast and lunch will be served them today at the rear of the gymnasium.

In the opening program last night, the Scouts were welcomed by Dr. E. N. Jones, vice-president of Texas Tech, and F. B. Malone, president of the South Plains Council.

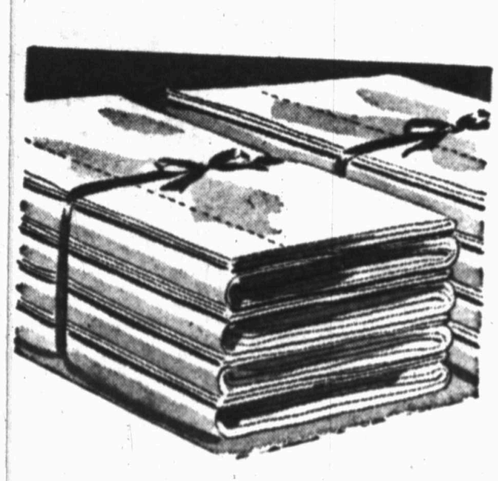

The Tech film, "Futures Unlimited" was shown to the Scouts. Troops present were "mortgaged" for a percentage of their present enrollment to be filled with new recruits by Dec. 1. Postma presided at the meeting Friday night.

Workers Sought For LAFB Jobs

Positions are now open at Lubbock Air Force base for two engineering draftsmen (male) SP-6, $2974.80 per annum and one sign painter (male), grade 11, $1.10 per hour. The latter must be a veteran. Applications will be accepted by the civilian personnel office until the close of business (4:30 p. m.) Thursday Oct. 27. The necessary forms may be secured at the local post office.

Applicants for engineering draftsmen must have had at least four years experience, including nine months specialized experience. However, experience as an apprentice or skilled craftsman at the journeyman level or above, which has included extensive reading of engineering or architectural drawings, or experience as a technician or engineering aide, will be considered as qualifying for not more than one-half of the requir-

Dallas Dentist Lectures

The annual meeting got underway at 9 a.m. Friday with a registration period, followed by a lecture at 9 a.m. on "Peridontia," by Dr. Sam R. Parks of Dallas, a part-time professor of dentistry at Baylor university dental school.

A luncheon was held for dentists and guests Friday noon at the hotel, after which Dr. Parks continued his lecture session. Following, Dr. Ingham presented the first half of his topic.

A banquet with an informal program was held last night for dentists, their guests, and dental assistants.

Members who attended the meeting included Drs. V. L. Lawson, Morton; Elmer Moore, C. A. Rosebrough, J. M. Reynolds, E. L. Nichols, all of Lubbock; Wm. A. Orr, Littlefield; K. R. Durham, Tahoka; C. G. Dunn, Levelland; J. B. McCorkle, Glenn Gay, T. G. McCorkle, all of Lubbock; W. A. Roberson, Brownfield; R. L. McAllister, Lubbock.

Guests were Drs. James Shotwell, Littlefield; J. M. McKissack, Odessa; B. J. Roberson, Levelland; E. J. Ahlf, Lubbock; and M. L. Carlton, Lubbock.

Guests from New Mexico included Dr. W. K. Smith, Lovington, N. M.; and Dr. R. B. Parish and Dr. E. M Peck, both of Hobbs, N. M.

Plans For New Tech Buildings Discussed

Officials of Texas Technological college have been discussing preliminary plans for erection of two new buildings and additions to another with architects this week.

Discussions were carried on Friday between the officials and representatives of Marsh and Hazlewood of Amarillo for plans on a music building. Thursday, they met with Haynes and Kirby of Lubbock on planning for a home economics building and with Atcheson and Atkinson for addition of wings to the engineering building.

Cost of the proposed buildings have not been released by college officials, but architects' drawings are to be available for a Dec. 10 meeting of the Board of Directors in Lubbock. Members of the board might call for bids then.

Location of the proposed new buildings has not been decided upon as yet, but their erection is part of a long-range building program planned by the college. Construction on two wings to the administration building is now in progress, while a new building to house the West Texas museum is almost complete.

Hearings On City Limits Extension Plan Slated

Eleven Areas To Be Under Study

By H. I. KIEFER
Avalanche Staff Writer

Public hearings on an even larger program of city limits extensions than recommended by a special committee of the chamber of commerce were ordered by the city commission Friday morning.

The hearings will begin Tuesday, Nov. 29, and two days probably will be required to complete them. Residents and all others interested in each proposed annexation will be given opportunity to appear for or against the proposition at a time which will be announced in advance, Mayor W. H. Rodgers announced.

Too Widely Separated

The only area recommended for annexation by the chamber committee which was excluded from the program is the Clayton-Carter addition area about two miles north of the present city limits. Members of the commission said it is too widely separated from built up areas to justify the expense of providing municipal services.

Areas not recommended by the chamber group on which hearings were ordered are in Southeast Lubbock between the present city limits and about Fiftieth street on the north and south, and from Avenue A eastward beyond the Slaton highway.

Would Double Area

The whole program, if carried out, would bring nearly 3,000 residences, including many multi-unit dwellings, approximately 15,000 peoeple and about 11square miles of new territory inside the city limits, more than doubling the present Lubbock territorial area of about 10 miles.

Actions by the commission calling the hearings were unanimous on most of the propositions. Mayor Hufstdler and Clarence Whiteside voted for all. Commissioners John Spikes and W. B. Price voted "no" on Four propositions affecting two areas.

Support Not Promised

All members, and Mayor Rodgers in particular, emphasized that their votes for calling the hearings did not commit them to the support of the actual annexation ordinances. These will come up for actions after the hearings.

Hufstedler's attendance at the meeting was unexpected. He is under medical care for treatment of a bronchial condition which led to a rise in his blood pressure. He has responded sufficiently to several days of treatment, however, that the attending physician approved his presence at the meeting.

The areas on which annexation hearings were ordered follow:

Ducker, head of the petroleum department; Fred P. Wright, jr., Midland; W. B. Everett, jr., Houston; O. A. St. Clair, acting dean of engineering; and George P. Livermore, Lubbock.

Religious Emphasis Week Set At Tech

Students of Texas Technological college will observe Religious Emphasis week Oct. 31 to Nov. 3, Marion Baumgardner, president of the Student Religious council, announced Friday.

Dr. W. McFerris Stowe, pastor of the Stillwater First Methodist church, will address students and others each night of the period in the recreation hall, according to Baumgardner.

"Building Your Personality" will be his topic for the first night, followed in succession by the topics, "Choosing Your Life's Philosophy," "Choosing Your Life's Partner," and "Choosing Your Life's Work."

Dr. Stowe received his A.B. degree from Hendrix college in Conway, Ark., his B. D. from Duke university at Durham, N. C., and his Ph.D. from Boston university in Boston. He served four and one-half years as a liaison person between the General Board of Education for the Methodist church and Methodist Theological schools.

TENT CITY BUILT AT TECH

South Plains Boy Scouts Gather In Lubbock For Roundup Today

A tent city sprang up on the Texas Tech campus Friday night as approximately 500 Boy Scouts from ten South Plain counties converged on the Tech gymnasium for their 1949 roundup today.

Several hundred more are expected today, since high school football games kept many from attending the opening program in the gymnasium last night, according to W. R. Postma, Lubbock Scout executive.

This morning, Scouts will be given their choice of schools they wish to examine, and will be conducted through the buildings by members of Alpha Phi Omega, national service fraternity on the campus.

The Scouts will break camp and clean up the grounds after lunch, and then will conclude the day's activities with attendance at the Tech-Arizona game in a body.

Camps were pitched east of the gymnasium and extending north to the freshman football field Friday night as the boys prepared for a night outdoors. Scouts provided their own meals Friday evening, but a barbecue style breakfast and lunch will be served them today at the rear of the gymnasium.

In the opening program last night, the Scouts were welcomed by Dr. E. N. Jones, vice-president of Texas Tech, and F. B. Malone, president of the South Plains Council.

The Tech film, "Futures Unlimited" was shown to the Scouts. Troops present were "mortgaged" for a percentage of their present enrollment to be filled with new recruits by Dec. 1. Postma presided at the meeting Friday night.

Workers Sought For LAFB Jobs

Positions are now open at Lubbock Air Force base for two engineering draftsmen (male) SP-6, $2974.80 per annum and one sign painter (male), grade 11, $1.10 per hour. The latter must be a veteran. Applications will be accepted by the civilian personnel office until the close of business (4:30 p. m.) Thursday Oct. 27. The necessary forms may be secured at the local post office.

Applicants for engineering draftsmen must have had at least four years experience, including nine months specialized experience. However, experience as an apprentice or skilled craftsman at the journeyman level or above, which has included extensive reading of engineering or architectural drawings, or experience as a technician or engineering aide, will be considered as qualifying for not more than one-half of the requir-

Methodists End Meeting Here

"One night of worry will take more out of our minds and bodies than five days of hard work," Bishop William C. Martin of Dallas told approximately 600 ministers and laymen in the concluding session of a two-day Northwest Texas conference Methodist meeting Friday morning in First Methodist church.

He advised individuals to clear their lives of cynicism, frustration, jealousy, pride, malice, and ill will and to "keep the channels unclogged" so "the inexhaustible forces of divine power may come into our lives."

Bishop Cushman Speaks

Another bishop, Paul S. Cushman of St. Paul, Minn., speaking in the closing session emphasized rethinking of the question, "What is the church?" Jesus Christ, in saying, "I will build my church," did not say the Roman church nor the Lutheran church nor the Methodist church, he haid. "It is time that we stopped over-exalting men," said Bishop Cushman, adding that Methodists should not worship John Wesley, nor should other denominations exalt men who have been leaders.

A communion service was conducted this morning. A forum on teaching and preaching emphasis in "Advance for Christ and His Church," four-year program in the Methodist church, was conducted.

An estimated 1,100 to 1,200 persons have attended sessions. Combined attendance figures for all sessions total approximately 3,000, but include duplication since some persons have attended several sessions.

Must Look To Divine

Speaking in the Thursday night session, attended by approximately 900 persons, Bishop Hazen G. Werner of Columbus, O., said, "You can't find a map to the future at a gas station and you can't stop the ache in the soul with something you buy in a drug store."

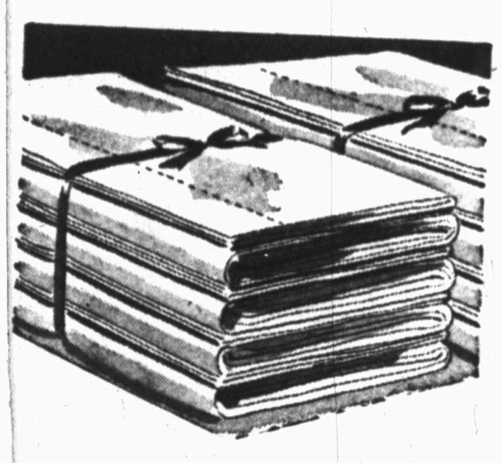

Man must look to the divine for help, he said.

"Civilization and democracy will not work until we have restored divine meaning to human personality."

A youth meeting led by Bishop Werner at St. John's Methodist church preceded the night general meeting at First Methodist church.

With divine meaning restored to human personality, "There shall be no exploitation of human beings," Bishop Werner said in the general session address. "They are sacred. Husbands cannot degrade wives without suffering vastly. Corporations cannot degrade persons—not only in the phase of treatment of employes but in the whole ramification of the distri-

NOURSE QUITS

The Truth May Out!

A GENTLEMAN worth keeping track of after November 1 will be Dr. Edwin G. Nourse, whose resignation as chairman of the President's Council of Economic Advisers takes effect on that date.

Despite the usual polite expressions of regret in accepting the resignation, it is safe to assume Mr. Truman welcomed the retirement of one of the most outspoken critics of administration financial policies. While many disagreed with Doctor Nourse's expressed views in many matters, no one has denied the honesty of his convictions. Even his critics have credited him with attempting to render the best possible service to the nation as a whole in his position without regard to political considerations.

The administration has attempted several times to keep a tight lid on Doctor Nourse's statements. Some leaked out. More, probably, did not. Dr. Nourse was profoundly conscious of the restraints imposed by his occupancy of a position which made him directly and confidentially responsible to the President.

As a private citizen, he may not feel bound by those restraints. He may feel free to speak out on subjects concerning which he has remained silent. If so, it is a leadpipe cinch he can say plenty about financial policies and practices which would blister administration ears.

Whether he will choose to speak out remains to be seen. Whether anything he might say would lead to remedial action is doubtful as long as the present administration remains in power.

But conjectures as to what he could and might say will justify attentive listening for awhile after he becomes Doctor Nourse, private citizen.

A Man To Watch

AT Brownfield's Harvest Festival on Wednesday of last week, one of the honor guests was the lieutenant governor of New Mexico, Joseph M. Montoya, of Santa Fe.

People who saw and/or met Governor Montoya at the Festival, and who heard him speak there, were quick to note his keen mind, his flashing smile, his overall friendliness and warm personality. But what many did not know was that in the person of "Joe" Montoya they very probably were seeing a future United States Senator for New Mexico.

At 34, Governor Montoya already has gone a long way in politics. Since he was 21, when he first entered the New Mexico legislature as a representative from the Albuquerque area, he has sought public office every two years and has never been defeated. He was Democratic floor leader of the House; later Democratic floor leader in the Senate. Now he is completing a second term as lieutenant governor. A vote-getter par excellence who always has run at the top, or neor the top, of the ticket, Governor Montoya, in a two-part, state, once ran ahead of Franklin Roosevelt when the late President was at the peak of popularity.

Governor Montoya's family background is one of New Mexico's proudest. His people went to New Mexico with Coronado and Cabeza de Baca and his ancestors have been among the state's most distinguished citizens and public officials. A leader among what New Mexicans call their "native population," Governor Montoya is as popular with the Anglo element as he is with the Latins. He was the first of the "native" candidates for statewide office to carry New Mexico's "east side" and he staunchly refuses to play politics with the racial question. A successful lawyer and businessman, he not only believes New Mexico's public officials should be chosen for their ability and reputation for honesty — he says so, on the stump, in both English and Spanish.

Those who choose to do so may refer to this most promising young man as Jose Manuel Montoya y Cabeza de Baca del Rio Grande, but in and out of his home state his warmest smile goes to those who call him "Joe."

Keep an eye on "Joe" Montoya. There are very good grounds for believing he some day will be as able a U. S. Senator for the other 47 states as he will be for his beloved New Mexico.

Someone To Love

BY IRENE LONNEN ERNHART
Distributed By NEA, Inc.

(THE STORY: Tod Duncan married Jenny after he was jilted by Lis Conover. Tod's inhospitable family and financial difficulties contrive to keep them unhappy. Jenny becomes the mother of twin boys, Dale and Philip. Tod was away the night the twins arrived, but an old friend Rick Morris appeared at their trailer home in time to get Jenny to a hospital. After Tod's graduation the housing and job problem arises. Rick invites the Duncans to his home in Centerville for a couple of weeks while Tod seeks a new home and a new job. Later Tod asks Jenny: "Rick's in love with you, isn't he?")

• • •

XVIII

JENNY stared at Tod for a long moment. "Rick in love with me?" she said incredulously. "You ought to be ashamed to say that. Just because he had the kindness to want to get the babies out of this heat—"

"It's not the babies he's thinking about!" Tod's voice shook. "Don't think I haven't noticed all winter the way he looks at you with those big cow eyes of his. You've had him for so many meals we ought to charge him board."

"You asked him here. And he's been a real friend to both of us."

"Yeah, he's quite a boy."

Anger flashed through Jenny. "He was here when I needed him, and you weren't. No telling what might have happened if he hadn't come around that night I went to the hospital!"

"I've explained about that night a dozen times, and apologized," Tod went on. "Ma needed me, and I didn't know you'd have to go to the hospital. I've said I was sorry. What do you want me to do—crawl on my hands and knees the rest of my life?"

"You don't have to shout so everyone can hear you!"

He lowered his voice, but it remained savage in tone. He stood up, his hands on the desk, his face still white with anger, his broad shoulders hunched. "Don't think for one minute the whole trailer camp doesn't know about Rick and you!"

He turned and went out of the trailer, slamming the screen behind him. He could see Ruth Hansen staring out of her trailer window.

Sickening shame washed through him. News of their quarrel, what he had said, and what Jenny had said would be repeated through the camp. Jenny was right about it being a horrible place to live.

• • •

HIS anger was gone when he got back to the trailer. He and Jenny, both ashamed by now, made it up with kisses.

Ruth Hansen kept the twins while Jenny went to the graduation ceremony a week later. Tod looking down at her sitting in the second row was struck by the pasty whiteness of Jenny's skin and the dark circles under her eyes. Remorse washed through him. Now that he was through school he'd find a good job and settle down and be like other husbands. He must try harder to make her happy because she was still in love with him.

He had invited Ma to the graduation ceremony, too, but she hadn't come. She had never seen the twins either. Her dislike of Jenny was as intense as ever. Now that Harriet was living a life of her own and Joe was gone, Ma stayed in two dismal rooms the third story up on the south side not far from Madison Avenue. She had always kept herself neat, her gray hair curled, her clothes clean. But now she had let herself go. Her hair was screwed into an untidy knot and short wisps hung straight around her fat face. She went around the apartment in a faded dingy wrapper and run-over shoes. And she wasn't always haranguing him the way she used to. She'd sit for 15 minutes at a time, half listening to him talk and not saying a word unless he asked her a direct question. It seemed unnatural that she didn't even want to see her grandchildren.

He wished Ma could at least have come to the graduation. If it hadn't been for her, in spite of the football scholarship those first three years, he wouldn't have gotten to go to college. The way she'd skimped and saved to send him money when he was in the State University! She'd done without things herself and robbed Harriet and Joe to send him those checks. And when the fraternity had a weekend party for their mothers one year he'd been ashamed to ask Ma to come.

Rick's mother came around after the graduation ceremony to second Rick's invitation to Centerville. She was a small woman, smart looking with an upswept hairdo, silver grey and expensively attractive clothes.

• • •

THEY all rode down to Centerville in Rick's car later that day, loaded down with all the incredible paraphernalia needed for two babies—bottles, diapers, suitcases of clothes, bassinets and the folding carriage.

The Morris home was a beautiful old remodeled colonial house that had been in Rick's family for two generations. Across the way, what had once been Morris homestead acres was now a public park. They had a picnic supper there that evening. Mamie, the Morris housekeeper, looked after the twins. It was delightful for Jenny.

The two weeks at Centerville passed in no time. Mamie and Mrs. Morris had practically taken over care of the twins, so that Jenny could go swimming with Rick and Tod and even dancing one evening. Jenny dreaded to go back to the trailer camp. And when Rick's mother found out that that was what they intended to do she wouldn't listen to it.

Looking At Life -- By Erich Brandeis

I resent this!

And I hope that every man who reads this will share my resentment.

BRANDEIS

The very best earthworm digger at the Colorado Earthworm Hatchery, a pretty and delicate young girl, has made the unqualified statement that the only reason girls don't like worms is MEN.

There are fifteen girls employed at this particular hatchery.

According to the proprietor, says a newspaper article, girls are better worm diggers than men.

His fifteen girls dig worms by the million and like them. They even wear them as bracelets — just for the fun of it.

But all his girls are very young — teenagers.

When they start to run around with boys, they are no longer good as worm diggers.

This above-mentioned worm digger who said that MEN are to blame for women's antipathy to worms — and other things that crawl — gave a reason which, as I said, I resent.

Women don't really dislike worms, in her opinion and experience.

But men want their women to be feminine — (she is fourteen, so she ought to know). They want them to be afraid of worms and snakes and things.

So they, the women' play coy and feminine and make believe that they are afraid of worms.

• • •

Well, after reading the article, I made an experiment of my own.

This is the way I figured it out:

It is quite possible that, to get her man, a girl might want to please him and play the part of the fragile, feminine little creature.

But after she got him, she doesn't have to put on an act any more, and can be her natural self.

She not only can be her natural self, but she usually IS, as every married man will admit.

• • •

SO I dug a nice, juicy earthworm out of the ground, and took it into the kitchen where my wife was just preparing lunch.

"Cute little fellow, isn't he?" I said as I tried to put it around her wrist as a bracelet.

She shrieked and fled into the dining room.

"Get that snake out of here" she hollered when she was at a safe distance.

I got.

Then I took my little worm over to Hazel Benjamin, a brave woman and a neighbor of ours, who was working in her garden.

"Look Hazel,' I said, "isn't it pretty?"

She looked, ran into the house and slammed the door. I haven't seen her for two days. I think she's mad at me.

That's why I resent the worm digger's statement.

The reason why women dislike worms isn't MEN but Worms.

Funny Business

"Must be Jone's night out—he's got the oversized doorknob on again!"

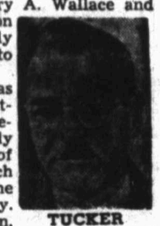

IN CALIFORNIA

Party System Scored

By RAY TUCKER
Special Correspondent

WASHINGTON—Washington politicians and observers derive ironic interest from reports that James Roosevelt, prospective Democratic candidate for Governor of California next year, heads a movement to abolish the system of non-partisan politics and government which has prevailed in that state since the regime of the late Hiram W. Johnson as governor.

Although his distinguished father possibly did more to eliminate partisanship in national affairs, to smash ancient machines like Tammany Hall and to ally himself with guerillas like Harold L. Ickes, Henry A. Wallace and even the late Mr. Johnson himself, the son recently voiced a plea for a return to "old-fashioned politics."

TUCKER

Young James, as well as certain leaders in both parties in California, has become concerned especially over the legal system of "cross-filing," under which a candidate may enter the primaries of a rival party. The popular Earl Warren, for instance, has won both Republican and Democratic nominations for governor under this method.

• • •

REFORM: Young Mr. Roosevelt's critics contend that he urges abolition because the present procedure has sometimes worked to the disadvantage of the Democrats. He gave some substance to this charge when, in a recent Sacramento speech, he said that although non-partisanship was necessary when "Governor" Johnson was breaking up the Southern Pacific Railroad's grip on the State, it had been used as a smoke-screen for the Republicans in recent years.

There are members of both parties who believe sincerely that California's present electoral procedure tends to prevent the building of responsible party government. They point out that, although Governor Warren has apparently given excellent service to the state, he has not been able to create an organization to carry on his program.

But others fear that the reform of the reform will result in a return to the "bossism" of the evil days of the turn of the century.

Incidentally, these same issues have been raised in many other communities, especially major cities and counties, where similar criticism has been directed against non-partisan election, charter commissions and municipal managers.

• • •

POLITICS: Young Roosevelt's "back-to-old-fashioned politics" movement may also embarrass President Truman, who has pursued and extended Franklin D. Roosevelt's strategy of appealing to all groups, classes and factions without regard or respect for party lines.

Although once a regular organization man, Mr. Truman now relies more strongly on labor unions, liberal A.D.A.-ers, racial groups and the general independent fringe of voters.

In fact, his failure to achieve the major portion of his "Fair Deal" program at the first session of the Eighty-First Congress flowed directly from this brand of politicking.

He commanded the votes of all-for-loyalty Democrats, Republican "Progressives" and members owing their seats to the various factions he had mobilized behind his legislative program, or, as his opponents call it, his "welfare state."

But these relatively non-partisan blocs were unable to prevail against the solid ranks of the Democrats and Republicans who, forgetting party lines themselves, opposed Mr. Truman's ideology and philosophy.

• • •

HERESY: It is doubtful if the Democrats of California will actually conduct a non-partisan campaign next year, however. They will probably talk against the system, especially the cross-filing procedure, but for the moment they will seek to profit from it.

Nevertheless, the son's present attitude seems like heresy, in view of F.D.R.'s oft-expressed hope that the permanent result from his all-things-to-all-men attitude would be utter abolition of party lines.

Indeed, after he named Secretaries Stimson and Knox to his cabinet, he frequently referred to his regime as a "coalition government."

• • •

OBJECTIVE: It may be another instance of the sons suffering, politically, from the grandoise sins of the fathers, as some California editors suggest. For instance, the Sacramento Bee, an influential, independent Democratic newspaper, comments:

"Mr. Roosevelt's objective, of course, is to elect Democratic officeholders, no doub. including himself. And if the Democratic party wants to accomplish that, it should concentrate on putting up better men than the Republicans."

No fuel is ever lacking for a political cauldron.

An old-timer is the one who can remember when people weren't accustomed to a daily crisis.

Ruth Nichols found on a global tour that the world needs milk. It could also stand more of the milk of human kindness.

"Women have about fifteen times as many foot ailments as men," says an authority. A man doesn't try to force a No. 10 foot in a No. 7 shoe.

"It's bad manners to puncture a person's ego," says a psychologist. Maybe a punch in the nose would be better.

PRESSURE PUT ON CONGRESS

Much Of HST's Program Okayed

By THOMAS L. STOKES

WASHINGTON — Last November's election finally made itself felt in the 81st Congress.

With all strictly partisan claims aside, that is the real story of the nearly ten month's ordeal of one of the longest peacetime Congresses in our history. Again, as in that surprising election, the result is a tribute to the persistance and patience of Harry S. Truman who got a lot done finally in his own quiet way.

His successes go right back to that same 1948 campaign. He made such an issue of the 80th Congress and its derelictions, made the public so aware of Congress, that members of the present Congress did not dare go back home until they got something done. Members will confess that to you privately. He put them on the spot by merely announcing, every so often, that Congress was going to stay here until it did something about his program and that he was going to stay right here on the job, himself, to watch it, which was exactly what he did. A simple technique, but it worked.

Foreign Policy Okayed

Accomplishments in the field of foreign policy in which the President got everything he asked, will be passed over, important as they are. That was a bipartisan achievement in which Republicans share, though it required constant attention and careful direction to prevent threatened upsets from time to time.

What was the President's major emphasis in the last campaign? It was on social welfare measures that were denied by the Republican 80th Congress, as they had been by previous Democratic Congresses since the war. Largely, they were measures left over from the Roosevelt New Deal which were revived as the Truman fair deal. How did they fare?

HERE'S the record:

Enactment of a long-range housing bill. Enactment of a bill increasing the statutory minimum wage from 40 to 75 cents an hour.

Both were highly controversial and both were bitterly resisted for several years.

Passage by the House of a comprehensive bill expanding the social security law to cover 11,000,000 more persons and increasing benefits, which is certain to be acted upon by the Senate next session and become law before the next election.

Restoration of cuts made by the 80th Republican Congress in funds for great public power, reclamation and irrigation projects that had crippled some of them temporarily, and retention of the principle of government transmission lines from such public projects. This was the issue that contributed to President Truman's victory in the west last year. He delivered on his pledges in this Congress.

• • •

Farm Plan Protected

In the field of farm legislation, Congress provided adequate government grain storage facilities, the failure to do which by the 80th Republican Congress was perhaps the chief factor in swinging a number of farm states to Mr. Truman last year.

It kept the 90 per-cent parity price for another year to replace the 60-90 sliding scale of the Aiken bill of the last Congress, which would have gone into effect next January 1, with a flexible scale to be gradually imposed after 1950. Congress also provided for loans to co-operatives for extension of telephone service in rural areas.

All these things meet definite, every-day needs of our people.

• • •

THE President failed most dramatically in his effort to get repeal of the Taft-Hartley Labor act, but refused to take a compromise. While there was no action on his health insurance plan—and none had been expected—he opened a great national debate that promises a lively issue for the future, and Congress did vote money to increase medical facilities. He failed also on civil rights because of the filibuster strategy of southern senators of his own party. Nor was the Brannan farm plan accepted, though he won a partial victory in the flat 90 percent parity for another year.

Politically, President Truman comes from this Congress in good shape. Aside from the definite achievements that have wide popular appeal, he has kept Taft-Hartley repeal alive as an issue which, with the Brannan farm plan, will form the keystones of his attempt to create a farmer-labor alliance for next year's congressional elections.

NEW SECURITY FORCE SOUGHT

U. S. Urged To Form Minute Men Group To Combat Red Sabotage

(By The Associated Press)

DENVER, Oct. 21—A modern organization of minute men to meet threats of Communist sabotage was proposed today. It was termed the key to adequate security.

The plan was offered by C. B. Lister of Washington, executive director of the National Rifle association. Lister helped draft the first manual on home guard organization in World War II. He asked his board of directors to help establish a new internal security force of civilians in their states "while there is time."

"Russia could cripple this nation in 12 hours without ever using an atom bomb," Lister declared in an interview elaborating on his plan.

Sabotage Threat Stressed

"A lot of talk—and very little action—on civilian defense plans, centering mostly on disaster relief, has betrayed the average American into a sense of security.

"But the Communists could attack without warning. They could do it through their cells scattered over the United States.

"Even if the FBI has spotted every cell and every Communist, they could effectively sabotage our power and communication systems, our water supply and transportation net, and our vital industrial plants. They could do it before wholesale arrests could be made.

"While our top military men are wrangling over long range strategy, they are overlooking their own back yard. They are neglecting top rovide protection for the base to put their strategy into action and keep it in action."

Plan Is Urged

Lister said, "that protection—much as the military thinker may hate to admit it—can be provided by civilians without cost. Those civilians want to protect their home, their jobs and their way of life. All they need is a little direction."

His plan provides simply for matching each Communist cell with a cell—or two cells—of minute men.

These would be organized in every community and every strategic industrial plant. They would be voluntary. Their assignments would be to guard familiar objects: the highway bridge at the edge of town; the dam backing up the reservoir that provides water for their farmlands; the local power station; the big transformer at the factory; the telephone switchboards.

"Nobody would have to move any further than he might go on a Sunday picnic—most no more than a few blocks from home," Lister pointed out. "Most would never see any sort of action—but the few squads that did would keep the nation alive instead of letting it be paralyzed."

Little Control Needed

Formal organization would be at a minimum, within each state through adjutant generals, then sheriffs and designated sector commanders. In an emergency—a Pearl Harbor at home—minute men could be alerted in a matter of minutes. Friend would join friend to rush to key spots.

Control by the military would be small. So would police control.

"After all, they have their emergency, M-day assignments," Lister said. "Even the national guard, our old militia, is organized to become a federal force in event of national emergency. We have no home guard."

His plan, Lister said, "is nothing radical. It's kept Switzerland a free republic for more than 600 years. It won us our independence. What we need is some concrete plan to put it into effect. Objections that it could lead to military dictatorship is asinine. An armed, alert citizenry is the best guarantee against just that."

Pilots From LAFB To Go To Oklahoma For Advanced Study

Eleven pilots now stationed at Lubbock Air Force base will report to Vance Air Force base, Enid, Okla., Monday, Oct. 24 to attend the Central Instructors school for multi-engine pilots. At the completion of the six-week course they will return to Lubbock Air Force base to take over duties as instructors in the pilot school.

At the Central Instructors school, these men, all experienced pilots, will be orientated in the latest developments in instrument flying and will be made thoroughly familiar with the North American B-25 Mitchell bomber and the T-6, the planes which will be used in the training of cadets at LAFB.

Lubbock officers now scheduled for CIS are: Capt. L. W. Kupersmith, Capt. H. T. Anderson, Capt. R. S. Buckley, Lieut. H. D. Adams, Lieut. J. R. Ashberry, Lieut. H. W. Finley, Lieut. W. W. Hamilton, Lieut. H. C. Harbough, Lieut. V. S. Kirk, Lieut. C. L. McDonald and Lieut. G. L. Morehouse.

A similar group of officers now at CIS will complete their course this week and will return to LAFB ready to take up their instructor duties with the arrival of the first cadet class there.

bution and consumption of goods. The liquor industry cannot degrade individuals. Christianity will never cease to wage this cause. Human beings are children of God: The man who drives the bus you ride on, leaves milk at your door, the woman who answers when you dial 'O' on the 'phone—They are all human beings, children of God.

Will It Do Good?

"We need to carry this idea of the divine worth of persons into the world of vocation so that man confronted with possible vocations asks not only, 'Will it make money?' but 'Will it do good?' He asks not only 'How much will it pay a week?' but 'Will it advance the Kingdom of God?' If we are sacred, all we do is sacred. This must function at the heart of democracy and motivate us in world missions. This practice must be integrated into our way of life."

LAFB Soldier To Be Buried In Arlington National Park

Cpl. Charles Linthicum, 19-year-old Lubbock Air Force base airman, who died Wednesday night shortly after receiving a brain injury in a touch football game at the base, will be buried in Arlington National Cemetery, according to word received from his parents, Mr. and Mrs. George W. Linthicum of Gaithersburg, Md.

Cpl. Claude E. Stoup will escort the body.

The body left Bryan McDonald Funeral home in Lubbock Friday afternoon.

Sherman Leases Part Of City Airport For Oil Well Drilling

SHERMAN, Oct. 21. (U.P.)—The City of Sherman today leased 137 acres of its airport land for drilling purposes to the Davon Oil Co., Oklahoma City for $31,600 and 3/16th royalty.

The contract calls for drilling within six months. The city has six additional lots it will put for lease bids next Monday.

Tech To Be Given Collection Of Flags During Game Today

A collectiton of all the flags of the nations within the United Nations organization will be presented Texas Technological college at halftime performances in today's game between Tech and the University of Arizona.

Presented by the Cosmopolitan club, made up of members from foreign nations, the flags are considered to be the first full collection of UN flags in Lubbock. They will be permanently displayed in the college library as a symbol of international goodwill, Jim D'Acosta, Mexico City, president of the Cosmopolitans, said.

Students To Carry Flags

D'Acosta will make the presentation to Dr. D. M. Wiggins, president of the college, as students carrying flags of all the nations represented in the Tech student body form a circle on the field. The Tech band, under direction of Prof. D. O. Wiley, will form a huge UN in commemoration of UN day Monday.

Dr. Wiggins will be accompanied onto the playing field by Jim Lakas, Panama City, vice-president of the Cosmopolitans, and Curtis Sterling, president of the Tech student council.

City Limits Hearing

(Continued From Page One)

Avenue H and College avenue, and including Country club addition.

2. East Lubbock between Fourth and Nineteenth street and extending about two miles from the present city limits, which now cut through the fairgrounds.

3. Southeast Lubbock, including the Sieber addition.

4. Southeast Lubbock from the present city limits to about Fiftieth street and from Avenue A to a point east of the Slaton highway.

5. Southeast Lubbock from the city limits to about Thirty-seventh street and between Avenue A and Clutter's second addition. (Note: This area also is included in proposition No. 4. If No. 4 is approved after the hearings, No. 5 will be dropped because of its inclusion in the other). Price and Spikes voted against No. 5.

6. South Lubbock between Avenues H and Q and from the present city limits south beyond the Traffic circle.

8. Southwest Lubbock between Avenue Q and Monroe avenue and from Forty-second, the present city limits there, to Fiftieth streets.

9. Southwest Lubbock from Monroe to the Slide road, about two miles, and between Thirty-fourth and Forty-second.

10. West Lubbock from the present city limits to the Slide road, including nearly all the "Westchester" area, from north of Nineteenth to Thirty-fourth street. Spikes and Price voting against.

11. West Lubbock from the present city limits to the Brownfield highway, leaving out the Westchester area.

Officials explained that the approval of either proposition 10 or 11 automatically would eliminate the other.

Members of the commission were emphatic in declaring that if Westchester is left out, no money will be spent for such things as larger water and sewer lines in anticipation of the future annexation of the area.

City Manager Steve Matthews and City Director of Public Works R. L. Oldham estimated the provision of all the needs of the present city during the next year would cost about $4,000,000. Provision for the areas proposed for annexation would add about $3,000,000 to the estimate, they added.

Dr. Heather To Join Tech Staff As Dean

Dr. George Heather, professor and chairman of commerce at Florida State university, will assume the duties of dean of business administration at Texas Technological college Jan. 15, Dr. E. N. Jones, vice-president, announced Friday.

Dr. Heather will take over the department from Haskell Taylor, who has been acting dean since Sept., 1948. Taylor will resume full-time teaching duties next semester, Dr. Jones said.

Dr. Heather, 32, received his bachelor of science degree from Southwest Missouri State college and both his master of arts and doctor of philosophy from the State University of Iowa. He has formerly held positions there and at Fort Haynes State college in Kansas and the University of Denver.

Married to the former Mary Caroline Stewart, a former Tech student, Heather is the father of a 14-months-old son. He holds membership in Alpha Kappa Psi, Pi Gamma Mu, and Pi Omega Pi, professional honorary societies.

He is also a member of the American Economics association, Southern Economics association, and the American Academy of Political and Social science.

California Aspirants Challenge World Champion Cotton Picker

HURON, Calif., Oct. 21 (U.P.)—John Edd Anderson, 20-year-old holder of the "world champion cotton picker" title, was challenged today to compete against 100 of California's top pickers on Nov. 6 at the second annual Huron cotton festival.

William Moore, chairman of the celebration, issued the challenge in a telegram to Anderson at his home in Bragg City, Mo.

"We have a different kind of cotton out here," Moore said. "The plant is taller and the bolls are heavier." He asserted that many pickers average 100 pounds an hour over an eight hour period.

Moore said he offered to pay Anderson's expenses and added "all contest contestants will be paid $3 for each hundred pounds picked." The winner of the eight hour contest will receive $250.

Anderson won his title in a contest at Blytheville, Ark., recently when he picked 92 pounds and seven ounces of cotton in two hours.

WE ARE AS NEAR AS YOUR TELEPHONE
Call us about our listings, try your best to get the locations, so you can just drive by, but it's a two to one bet that won't have any success. We're just naturally friendly at our office and just enjoy "driving-by" with our customers. Anyway we often go out to show a certain piece of property and end up by selling an entirely different property. Won't you call us, tell us your troubles and we'll tell you ours.

FORT WORTH REPORT

FORT WORTH, Oct. 21 (AP) — Cattle 375; salves 210; butcher hogs were mostly lower on the stock yards here today, running 75c below Thursday; cattle and calves steady; sheep held fully steady though scarce; cutter, common and medium slaughter steers and yearlings 14.00-20.00; common and medium cows 9.00-14.00; canner and cutters 9.00-13.50; good and choice slaughter calves 18.00-21.00.

Hogs 232; sows were 50c lower, good and choice 200-270 lb. butchers 18.50; few choice lots 18.75; good and choice 165-190 lb. 17.50-18.25; sows 16.00-17.00.

Sheep 282; sheep were fully steady; aged wethers 10.50; culls 8.00-9.00; feeder lambs $1.00 down; feeder yearlings 17.00 down.

KANSAS CITY REPORT

KANSAS CITY, Oct. 21 (USDA)—Cattle 200; calves 100; market nominally steady, salable offerings in too limited supply to adequately test price trend.

Hogs 1,000; fairly active, uneven, mostly 25 lower than Thursday's average; few late sales 35-50 off; good and choice 180-260 lbs. 17.75-18.25; latter price on choice 210-240 lbs.; sows mostly 25 lower at 15.50-17.50.

Sheep 500; slow, limited week-end supply slaughter lambs 1.00 lower; ewes steady; odd lots good and choice truck in native lambs 23.50; medium and good shipments 21.00-23.00; small bunches good and choice slaughter ewes 8.50.

MARKETS at a glance

NEW YORK, Oct. 21. (AP)—

STOCKS: Steady; airlines up.

BONDS: Quiet; price changes narrow.

COTTON: Quiet; mill buying offset by hedging.

CHICAGO:

WHEAT: Easy; moderate profit-taking.

CORN: Easy; closed on lows in late sell-off.

CATTLE: Generally steady, but no choice steers offered; top $35.00.

Grain

CHICAGO REPORT

CHICAGO, Oct. 21 (AP) — Grains had to absorb a good deal of profit-taking today after their advance earlier this week. They took the selling with only minor losses in most cases.

Wheat and corn slipped under the previous close at times. Soybeans backed down a couple of cents. Widest losses were partly recovered before the final gong.

Oats, particularly the deferred contracts, continued upward. Both May and July made new seasonal peaks. Buying was based on the argument that these contracts are selling at too big a discount under both the December contract and the cash price.

Wheat closed ⅛-¾ lower, December $2.13¾, corn was ⅛-⅜ lower, December $1.16⅜-⅝, oats were unchanged to ⅛ higher, December 71, rye was unchanged to ⅛ lower, December $1.47, Soybeans were ¾-2¾ lower, November $2.28¾-½, and lard was 20 cents lower to 5 cents a hundred pounds higher, October $11.67-$11.70.

FORT WORTH REPORT

MARKET TRADING SLOWED

NEW YORK, Oct. 21 (AP)—Stock traders operated on a highly selective basis today.

The market generally showed only minor price variations, with gains and losses almost a standoff. Airline and meat packing shares, as well as a small handful of individual issues, attracted better than average support.

Turnover amounted to 1,290,000 shares, against 1,270,000 Thursday.

Low-priced Benguet Consolidated Mining, at Philippine gold producer, accounted for a large share of the day's business.

The Associated Press average of 60 stocks dipped .1 of one point to 67. The railroad group held unchanged but industrials and utilities were shaded a trifle.

Trading contracted to 1,962 individual issues from 1,988 yesterday. Of these 399 declined and 361 advanced.

American Airlines, second most active issue, moved up ⅛ to 9⅛. Also ahead were Pan American, United Air Lines, Eastern, and Trans-Continental and Western. Demand in this group was stimulated by American's earnings for the first nine months of the year, which were nearly $6,000,000 in contrast to a net loss of around $3,500,000 for the comparable 1948 period.

International Mining advanced ½ to 5⅝ in the wake of news that the board had voted the first dividend since 1941.

Wilson and Co. added ¼ at 11¾ and Cudahy ⅝ at 8. Armour was ahead temporarily but ended unchanged at 6½.

Douglas Aircraft, a market leader for the past couple of days, as a result of a special dividend and good earnings report, gained another two points at 71.

Also higher were Youngstown Sheet, Chrysler, Goodrich, Consolidated Vultee, American Smelting, Allied Chemical, Westinghouse Electric, International Paper, Santa Fe, Standard Oil (NJ), and Johns-Manville.

Losers included Bethlehem Steel, General Motors, Montgomery Ward, Admiral Corp., Emerson Radio, Radio Corp., American Telephone, Kennecott Copper, Homestake Mining, Dow Chemical, American Woolen, Sinclair Oil, and Warner Bros.

Higher in the curb were H. C. Bohack, Humble Oil, Venezuelan Petroleum, United Light, Rio Grande Valley Gas, and Pantepec oil.

Lower were Imperial Oil, Kaiser-Frazer, Royalite Oil, American Maracaibo, and Cities Service. Sales of 350,000 shares compared with 310,000 Thursday.

The bond market loafed along, a mild amount of interest being shown in some railway issues. U. S. Governments held steady in over-the-counter dealings.

The lowest temperature recorded on earth was 90 degrees below zero on Feb. 5 and 7, 1892, at Verkhoyansk, Siberia, U. S. Weather Bureau reports show.

Cotton

NEW YORK REPORT

NEW YORK, Oct. 21 (AP) — Cotton futures were irregular in dull trading today. Mill buying was offset by hedging and liquidation.

Whiteface Girl Named Among Winners Of State 4-H Contest

A Whiteface girl, Mary Helen Keith, was one of four Texas teenagers who Friday were named as winners of the 1949 State 4-H club contest, according to an International News Service dispatch last night from College Station.

Miss Keith, 17, took honors in the Texas Girls' Record contest. Her award will be an all-expense trip to the National 4-H Club Congress at Chicago.

Other winners were Betty Blackberry, 17, of Whitewright; Reta Nell Baldwin, 18, of Vernon; and Lee Wolf, 19, of Gainesville.

Rites To Be Held Today For L. E. Weathers, 67, Lubbock

Funeral services will be held at 3 p.m. today in St. John's Methodist church for L. E. Weathers, 67, 2408 Fifteenth, who died at 9:20 p.m. Thursday in West Texas hospital after suffering a heart attack earlier.

Rev. Hubert H. Bratcher, pastor, will officiate at the services. Burial will be in Lubbock Memorial cemetery under direction of Sanders Funeral home.

Weathers came to Lubbock in 1946 from Hobbs, where he had been a partner in a market. He previously operated a grocery in Tahoka for 30 years after moving there from Lockney in 1906. He retired in 1945 because of a heart ailment.

Survivors include his wife; two daughters, Mrs. Tony Gilson of Lubbock, and Mrs. Roy Walker of Fort Worth; one son Orvis, of Portland, Ore.; three brothers, S. H. Weathers of Lubbock, and R. P. and Louie Weathers of Tahoka; and two sisters, Mrs. I. L. Burke of Harper, Ore., and Mrs. Henry Perkins of Greenville.

Pallbeaerrs will be Joe Bob Billman, Tahoka, and Wade Gilliam, Hub Lee, C. H. Tisdel, P. H. Snowden, and Bob Ingram, all of Lubbock.

The highest temperature recorded on earth was 136 degrees F at Azizia, Libya; North Africa, on Sept. 13, 1922, according to the U. S. Weather Bureau.

Youth Sentenced On Assault Charge Here

County Judge Walter Davies Friday ordered Don Dale Gard, 18, who said his address was "Lubbock General Delivery," to spend 15 days in county jail and pay court costs, after the youth had pleaded guilty of aggravated assault of an Idalou woman.

The youth, the court was informed by investigators, caught the woman in a hotel room and pushed her down on a bed. Her screams caused Gard to flee, officials said, but two Idalou men, W. T. Hargraves and Sam Young, ran him down and held him for Constable Harris of Idalou.

Harris jailed the suspect here to await the filing of formal charges.

The following other judgments were signed by Judge Davies:

Pete Baker, about 30, $200 and costs, liquor law violation; D. C. Prince, about 50, $75 and costs, drunk driving; J. W. Hanson, 29, $200 and costs, liquor law violation; Marcus Crump, 42, $200 and costs, liquor law violation; Daniel Shelton Hall, 39, $75 and costs, drunk driving; C. L. Wright, about 30, $25 and costs, check law violation.

Bonds for trial appearance were set for the following, who pleaded innocent:

Earl Westbrook, charged with check law violation, in which an enhanced penalty is asked by the state; Roy B. Howard, 45, charged with drunk driving; and Milus Steen, 37, a negro charged with liquor law violation.

Robert Eddins, of Lubbock, was adjudged guilty of a charge of failure to leave information at the scene of an accident in a verdict returned to Justice of the Peace C. E. Lynn. He was fined $25 and assessed court costs.

The trial grew out of an Aug. 23 collision at Forty-sixty and Ave. P in which Eddins' car allegedly ran into a motorcycle ridden by Ernest Eugene Sullivan. Eddins was arrested later at Broadway and Ave. L by Patrolman W. H. Verner.

A charge of driving while intoxicated, which was also filed against the defendant the night of his arrest, will come to trial in county court, probably next week, officials said.

CONGRESS IS UNDER FIRE

Scientists Say Reds May Take Lead Soon In Atom Bomb Race

By WILLIAM A. PADDOCK
INS Staff Correspondent

CHICAGO, Oct. 21—Two of the nation's top atomic scientists predicted tonight that Russia is likely to surpass our A-bomb production within a short time.

One of them, Dr. Harold C. Urey of the University of Chicago's Institute of Nuclear studies, blasted Congress for rendering the atomic energy program "inefficient" by its inept handling of the project.

Dr. Frederick Seitz, University of Illinois physics professor, declared the greatest danger the U. S. now faces is that the Soviet Union "will now surpass us in bomb production and in other phases of the development of atomic energy," he added:

"I believe that this is not a minor probability, but is actually a strong possibility . . . I believe that the most conservative assumption to make . . . is that the Russians soon will be stockpiling fissionable material at a rate that is limited only by their access to raw materials."

The views of the two scientists are contained in articles written for the current issue of the "Bulletin of the Atomic Scientists."

Dr. Urey labeled the attitude of Congress "exceedingly dangerous" in view of the "ominous" news that the Soviet has acquired the A-bomb. He asserted:

Sees Two-Year Lead

"I should say about two years could and probably will see the lead of the United States effectively wiped out . . .

"I think it is of the utmost importance that we realize now that the atomic energy program in the United States is inefficient at present because it is frustrated by a mistaken desire on the part of Congress and the public to protect us against the loss of 'the secret.'

"This exceedingly dangerous situation can only be remedied if we start to take a realistic point of view instead of trying to find protection behind a scientific Maginot line."

The scientist, who helped develop the first atomic chain reaction, declared the nation's postwar atomic progress has not kept pace with that maintained during the conflict. He blamed several factors which hastened the return of many brilliant scientists from the atomic labs to academic work and thus crippled the proejct. He said:

"By all odds the most important of these (factors) has been the excessive concern of Congress, the military and the public with 'the secret' and who presumably know something about it—and who, in fact, are the only people who know anything about it—has been ignored during this (postwar) period . ."

"Dreamers And Traitors"

Dr. Urey stated that the scientists have been labeled "impractical dreamers and plain traitors . . . because we told disagreeagle truths."

He continued:

"Every man in the Atomic Energy commission and every scientist in a responsible position in the atomic project is hampered or even paralyzed in his work if he must permanently be on guard to defend himself against ridiculous accusations or real or imaginary violations of petty security regulations or against charges of having Communistic leanings.

"It is not astonishing, then, under these conditions that the Atomic Energy commission was unable to keep the services of many excellent scientists who have left the work in utter disgust."

Dr. Seitz also criticized the static features of the present atomic energy program caused by an emphasis on security rather than on progress. He asserted:

"This devotion to the static aspects of our development is made evident by the fact that security rather than progress is regarded as the matter of primary importance in the field by the leaders in such a large fraction of our public life.

"If we are to compete with the Russians in the field of atomic energy we must regain the dynamic state which we possessed five years ago and place progress uppermost in our minds."

Father Of Mrs. H. B. Bryan, Lubbock, Dies In Oklahoma

Information of the Thursday night death at Madill, Okla., of Norman Buck Dawson, father of Mrs. H. B. Bryan of 2408 Thirty-first, was received here this morning.

The 80-year-old retired farmer who decades before had owned and operated a ferry service on one of Oklahoma's streams had been ill three weeks. He lived with a son George at Ravia, and had retained his strength up to his last illness. Mrs. Bryan went to his side a week ago.

Funeral services will be read Saturday afternoon. Bryan, Lubbock county tax assessor-collector, and sons, Jim, 18, and Joe, 13, probably will leave here early today to attend rites.

Mr. Dawson was the father of 12 children, 11 of which are living. Mrs. Dawson died in 1917.

ACTRESS HAS SON

HOLLYWOOD, Oct. 21. (U.P.)—Actress Dorothy Lamour and her advertising-executive husband, William Ross Howard III, were proud parents of a seven-pound two-and-a-half-ounce son today. Born last night at Good Samaritan hospital, the baby will be christened Richard Thomson Howard after his father's grandfather. The couple has one other son, Ridgley, 3½.

Merchants Get Back $4,000 On Hot Check Losses Since Jan. 1

Lubbock merchants have collected more than $4,000 from persons giving worthless checks since Jan. 1 as result of county court action or action within the county attorney's office, Waggoner Carr, Lubbock county attorney, told Lubbock Credit Granters club at its weekly luncheon Friday in Hilton hotel.

Approximately 220 checks, for a total of approximately $3,500 now are outstanding, with no information on whereabouts of persons who gave the checks.

More Information Needed

Carr recommended that Lubbock merchants get information which will help to identify and locate persons giving checks. By checking the social security card or obtaining license number of an automobile merchants may speed location of persons whose checks prove worthless.

In reports given by club members, representing various Lubbock firms, a total of $4,500 was represented in repossession of merchandise since Oct. 1. Number of accounts reported as delinquent several months ago was 250.

Twenty-six members attended.

Dedication Of New Church Building Scheduled Sunday

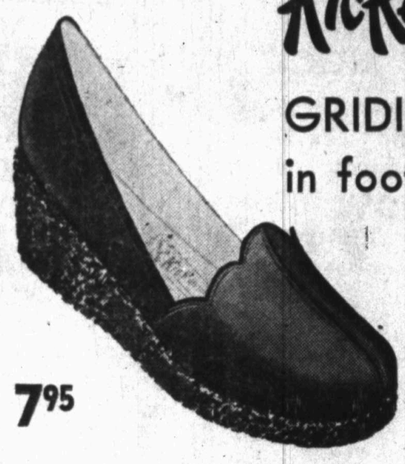

The new church building of Redeemer Ev. Lutheran church, Twenty-second and Ave. W, will be dedicated in services at 11 a. m. and 3 p. m. Sunday, the pastor Rev. Karl W. Keller, announced.

A valedictory service in the old church will be held at 10:30 a. m., after which the congregation will march in procession from the old church to the new. Officers of the congregation will carry the Bible and church vessels and two members of the congregation recently discharged from the armed forces will carry the flags.

A brief ceremony will be conducted attendant to opening of the doors of the church. Rev. Mr. Keller will preach. In the afternoon service, Rev. R. A. Hingst, pastor of Mt. Calvary Ev. Lutheran church of Denver, will preach.

Visitors are expected from Fort Worth, Dallas, San Antonio, Olney, and Vernon, in Texas, Albuquerque, Clovis, Roswell and Hobbs in New Mexico and nearer places for the dedicatory services.
