

AT TESCO BANQUET—This quartet had a lot in common to discuss while "visiting" at the Texas Electric Service Company's annual "Quarter Century Club" dinner Tuesday night in Colorado City. From left are Beman Fisher, TESCO president of Fort Worth; R. E. Connelley, district commercial manager of Sweetwater, who became a member of the "Quarter Century Club"; L. L. Zeigler, Sweetwater District Manager, and Bill Brown, Snyder manager for TESCO. TESCO employees, wives, husbands and guests from throughout the district attended the event. Principal speaker at the banquet was Robert R. Gros.

Ginny Moves Falteringly Toward Florida's Coast Winds Ebbed During Night

AUSTIN (AP)—The Third Court of Civil Appeals agreed with a trial court today that Texas' dedicated reserve gas tax is unconstitutional. The tax, which became effective in September, 1961, has brought almost \$9 million into the state treasury. However, more than \$8.5 million have been paid under protest awaiting the outcome of the appeal. In its opinion today the court of civil appeals held that Tennessee Gas Transmission Co. and Panhandle Eastern Pipeline Co., who filed the test case, are purchasers of gas, not producers. "We overrule the state's contention that the appellants may be classified as producers for the purpose of taxation," the opinion said. In arguments on appeal the attorneys for the pipeline companies claimed the state levy was a disguised tax on interstate commerce. Dean Moorhead, Austin, attorney for Panhandle Eastern Pipeline, told the civil appeals court that his firm does two things in Texas: "We take gas by purchase contracts and transport it in interstate commerce. The U.S. Supreme Court has said that both are immune from state taxation. The state attorney general's department claimed there is nothing in the gas tax statute which requires that gas to be shipped in interstate commerce. They said the Legislature clearly said that the tax was levied on production of gas."

TO FIGHT FEDERAL COURT ORDER—Gov. John Connally of Texas, at a news conference in Austin told reporters he had asked Atty. Gen. Waggoner Carr to appeal and "oppose with every legal weapon" a Houston federal court order that Texas' law governing congressional redistricting is unconstitutional. (AP Wirephoto)

MIAMI, Fla. (AP)—Wrong-way hurricane Ginny, barely a hurricane force after losing strength during the night, moved slowly southwestward today on a collision course with Florida's heavily populated lower east coast. A hurricane watch was posted for the coastal area from Cape Canaveral to Fort Lauderdale and forecasters said hurricane warnings might have to be posted during the afternoon. There was a bare hope the confusing storm might loop-the-loop and miss Florida. But she was close enough that winds were already increasing and showers and squalls were becoming more frequent. At noon, hurricane hunter aircraft placed the storm's center about 150 miles east of Cape Canaveral. Ginny's peak winds near the center had dropped from 80 to 75 miles per hour during the night and her speed slowed from 10 to 8 m.p.h. Forecasters said the hurricane was expected to slow its forward rate during the day. They said Ginny's center, unless a change in course developed, would reach the middle or lower east coast of Florida tonight. "At least some possibility still exists that it could perform a loop and swing to the south and later on, to the east," said Gordon Dunn, chief storm forecaster at the Miami Weather Bureau. "Also, we must stress that this is far from a major hurricane," Dunn said. "It is indeed a minimal hurricane. Even if it comes ashore, tides and winds will, for a hurricane, be minimal." Forecasters said it was impossible to predict Ginny's course more than 12 hours ahead. Gale warnings were displayed from Jacksonville to Palm Beach this morning. Tides from nine to three feet above normal were expected along much of the coast from Florida to the Middle Atlantic of the United States. Forecasters said tides five feet higher than normal were possible along the middle east coast of Florida tonight. After dawdling for three days espi-

US Launches Investigation Of Ship Strafing By Cuba

By BARRY SCHWEID WASHINGTON (AP)—The government has launched an investigation of the strafing of an American-owned ship off the coast of Cuba early Tuesday morning. There is no doubt the strafing was carried out by Cuban planes. Although it did not identify the ship, Havana radio said its air force attacked a vessel in the area. The big question is why. Havana claimed the ship was carrying saboteurs and arms. However, it was learned elsewhere that the vessel, the bulk carrier J. Louis, was steaming from Ocho Rios, Jamaica, to Corpus Christi, Tex., with 31,500 tons of bauxite ore, the raw material for aluminum. The answer may be in an account given the New York Times by what the paper referred to as highly placed informants. According to this version, the J. Louis was attacked when she accidentally sailed into the thick of a fight between Cuban coast defenses and a raiding party of Cuban exiles. Possibly four or five MIGs strafed the vessel because their Cuban pilots "in the heat of action" believed she was involved in an anti-Castro landing operation. The owners of the vessel reported no casualties during the hour-long attack. Flares were dropped to light up the target. Shells damaged the superstructure and hull and set up a fire in the forecastle of the 33,000-ton vessel. More may be known when the J. Louis, with its crew of about 50, arrives late tonight at Corpus Christi. The incident jarred the quiet of Tuesday's first anniversary of last fall's Cuban crisis. The State Department deplored "this unprovoked attack on a vessel navigating the high seas" and said it was investigating to see whether a U.S. protest would be made. Registered under the Liberian flag, the J. Louis is owned by Universe Tankships, Inc., of New York, and is chartered by Caribbean Steamship Co., a subsidiary of Reynolds Metals Co., as an ore carrier. Caribbean President Walter L. Rice said at Richmond, Va., that the J. Louis was unharmed and carried only its normal crew.

Count On Dry Texas Weather

By The Associated Press You can count on Texas weather staying mostly dry and hotter than usual at least until early next week, the official forecasts advised Wednesday. As usual there was a shower or two somewhere in the state but no sign of enough rain to check persistent drought. El Paso and San Antonio had early morning showers. Corpus Christi received 1.02 inches of rain Tuesday—heavy by recent standards. The Weather Bureau predicted widely scattered showers in most sections of Texas the next five days but no moisture of any consequence. Temperatures were expected to run 1 to 3 degrees above normal in southern areas of the state and 3 to 10 degrees above normal in the north. Top marks Tuesday ranged from 88 degrees at Laredo down to 76 at El Paso.

Smugglers Formally Charged

LAREDO, Tex. (AP)—Eleven men and a woman are formally charged with smuggling guns and ammunition into Mexico in what customs agents describe as a \$1 million operation. The complaints were filed Tuesday as an outgrowth of weekend arrests on both sides of the international border. Authorities said four or five persons remain at large. Agents seized about 125 rounds of ammunition for .22, .38 and .45 caliber weapons, several guns and half a dozen cars which they said were fitted with secret compartments to haul illicit arms. Charges of conspiring to smuggle guns and ammunition likewise were filed. The complaints name Jorge Galvan, Omar Ramos, Anna Ramos, Gilberto Rivero, Jose Manuel Ruiz, Rufus C. Postell, Neopoldo Ruiz Jr., Oscar Lopez, Claudio de la Rosa, Felix Garcia Smith, Eustorgio Salinas, Gonzales and Merced Galvan.

Picnic Ferry Capsizes; 49 Koreans Drowned

SEOUL, Korea (AP)—A river ferry carrying school children home from a picnic capsized near Seoul today. Police said 47 children and 12 adults drowned. Rescuers rescued 88 others from the water. The wooden ferry was carrying 137 passengers, mostly fifth and sixth graders from Anyang, 15 miles south of Seoul. It capsized near Heju, 35 miles southwest of Seoul. Police said the boat overturned about 10 yards off shore when the children swarmed over to one side to get off. The victims included the principal of the school, police said. Teachers and parents of the children also were on board the ferry.

Viet To Get US Food Cut

By SPENCER DAVIS WASHINGTON (AP)—The United States plans to cut down on surplus food shipments to South Viet Nam. The new economic pressure is part of a hardened policy, the object of which is persuading Vietnamese President Ngo Dinh Diem to reverse what high State Department officials feel is a trend toward totalitarian government. Official Washington is equally concerned that Diem get on with the job of defeating the Viet Cong Communist guerrillas. The first evidence of the new policy was an announcement Monday that further financial support to the special forces troops controlled by Diem's influential brother, Ngo Dinh Nhu, will be withheld until the soldiers are assigned to war duty. Some of these crack paratroopers led raids this summer against Buddhist pagodas. The planned food restrictions involve mostly wheat flour, cotton and milk. No negotiations on a 1964 al-

Lord Home Sheds Title

By ANTHONY WHITE LONDON (AP)—Britain's new prime minister signed away his nobility today and became Sir Alec Frederick Douglas-Home. With a stroke of the pen, Lord Home shed four Scottish and English titles his family had collected in 500 years. A few hours later this disclaimer was officially acknowledged by the lord chancellor and the earl became a commoner, eligible to sit in the House of Commons. He was christened Alexander but has been called Alec for years and prefers the shorter form. He holds the title "Sir" because he is a knight of the Thistle. This is not a peerage. Home's historic act marked a new phase in the swiftly moving British political crisis. It was the prelude to his campaign to win a seat in the House of Commons through democratic election. By his act of renunciation he was a prime minister without a seat in the House of Lords, or the House of Commons, which peers may still enter. Constitutional authorities said they knew of no parallel in modern British political history.

US Plans No Withdrawal Of European Based Troops

By ENDRE MARTON WASHINGTON (AP)—Secretary of State Dean Rusk will publicly announce in West Germany later this week that the United States has no intention of withdrawing any of its 250,000 troops now in Europe. The imminent Rusk statement, disclosed Tuesday night by a high-ranking U.S. official, is designed to dispel German concern that the current airlift of 14,500 American fighting men from Texas freshadows some future troop withdrawal. German suspicions were aroused by a speech Deputy Secretary of Defense Roswell L. Gilpatric made last Saturday in Chicago. The Big Lift exercise he said, "to make some shifts in the form of our military presence overseas." As a result, Gilpatric said, the United States "should be able to make useful reductions in its heavy overseas expenditures." Later it was learned the State Department had not agreed with that part of Gilpatric's speech but that its objections were overruled by the White House.

TWO SHARE PRIZE IN WEEKLY GRID PICKS

Sharp competition developed again last week in the Snyder Daily News football contest. As a result, there was another deadlock for first place. Sharing the prize money for the past week's contest are Sue Mahood, 2201 Forty-third Street, and Tim Puente, Gen. Del. They missed five selections each in the 28-game list. Deadlocked a step behind and just one out of the money with six misses each were four other contestants. They include Tom Duke, Claremont Rt.; Gary Gallman, 3301 Avenue U; M. W. Howard, Bel Air Village; and Jimmy Kiker, 3505 Irving. Based on the contest entries, the tough ones last week were North Carolina's upset of North Carolina State, Maryland's victory of Air Force, Rice's win over SMU and Georgia Tech's surprise defeat at the hands of Auburn. Another contest gets underway today, and the list of games may be found in sponsor's advertisements on the contest page of this issue of The Snyder Daily News.

Farm, Ranch Day Set For Nov. 5

The third annual "Greater Snyder Area Farm and Ranch Recognition Day" has been scheduled for Tuesday, Nov. 5. The Chamber of Commerce has announced. The event will be held in Towle Memorial Park with festivities beginning at 7 p.m. in the county barn. It will feature a barbecue supper, which will be followed by a program. Principal speaker for the program will be Earl W. Sears of Dallas, supervisor of the Tri-State region of the National Cotton Council. The program also will feature a "Chinese Auction" of the first bale of cotton ginned in Snyder County this season. The bale was produced by Wayland Huddleston and was ginned by the "Layfield" gin at Ira. Another portion of the program will be devoted to presentation of outstanding farmer and rancher awards by local organizations. The Upper Colorado Soil Conservation District (Scurry and Borden Counties) will present awards to the Outstanding Conservation Farmer and the Outstanding Conservation Rancher; the Downtown Lions Club will make award to the Outstanding Conservation Farmer; and the Snyder Junior Chamber of Commerce will make an award to the Outstanding Young Farmer. Tickets for the event, including the barbecue supper, are priced at \$5.00 each. They are available at the Chamber of Commerce, the County Agent's Office and the Soil Conservation and ASCS offices. Chamber officials said all Snyder-area residents are being urged to attend and demonstrate their recognition of agriculture's vital contribution to the community.

Men Remaining At Ft. Hood Have Big Job As 'Porters'

By CHARLES GREEN
CONNALLY AIR FORCE
 (AP)—Some enlisted men are being left behind as the 2nd Army moved Division flies to Germany in the massive Exercise Big Lift, and seeing the others off has entailed backbreaking labor for the stay-at-homes.

Remaining at Ft. Hood, near here in Central Texas, are the soldiers due Army discharges before the division finishes maneuvers in Europe and starts home Nov. 15.

To these men fell the chore of loading baggage, equipment and rations into the 76 big transport planes which had taken off from Connally Air Force Base outside Waco by early today.

Sgt. James C. Swafford Jr., of Pikeville, Tenn., headed a nine-man detail which loaded eight aircraft between 4 and 11

p.m. yesterday. Six of those ships were giant C124s carrying up to 80 passengers.

"The duffel bags for each man weigh about 50 pounds and the cartons of C rations weigh about 37 pounds," said Swafford, "so we're pretty bushed by the time we load one of those big ones."

"They have a loadmaster at each plane, a sergeant who tells us where to stack everything, but after the second or third plane we knew where it goes better than they do."

"Yeah, this job wouldn't be so hard if we could load these planes the way they should be," put in Bob Bonesio, a specialist 4th class from Cape Canaveral, Fla. "But each aircraft commander wants it done different."

"The next to last one we loaded we had to do it all over again

Senatorial Candidate Speaks Here

Nearly 50 Scurry County conservatives and Republicans met Tuesday evening to hear an informal talk by Dr. Milton V. Davis, a candidate for U. S. Senator in the 1964 Texas Republican Primary.

In his remarks, Dr. Davis called for a reduction in foreign aid, and said that "foreign aid with borrowed money must be stopped."

He also called for the immediate cessation of aid to communist countries.

"I reject the notion that aid to Socialist countries will deter them from becoming communist," the doctor said.

In commenting on the United Nations, Dr. Davis said he felt that U. S. Government funds should be withheld from the U. N. until all members pay their dues or lose their right to vote in the U. N.

Dr. Davis said that in his opinion legislation by the congress will not be the answer to problems such as fair employment or the race relations problem.

Dr. Davis came to Snyder Tuesday morning. He visited with Republican leaders in Colorado City and Big Spring before returning to Snyder for last night's meeting. He returned to Dallas this morning.

Dear Abby...

By ABIGAIL VAN BUREN

DEAR ABBY: I have a problem I don't know how to solve. I'm a 17-year-old boy and I've never had a date. I want to take belly dancing lessons and I can't find any school that teaches it. I looked in the Yellow Pages under "DANCING, BELLY AND EGYPTIAN" without success. I think to myself that he or she might as well add, "I didn't think you could land him!" I'm glad you used that letter in your column, Abby. I am sure that 99 out of 100 people continually make that social blunder.

"ONE IN 100"

CONFIDENTIAL TO JILTED AT THE ALTAR IN ANNA-

HEM: I think you're lucky. How would you like to find out he was no good AFTER you were married?

What's on your mind? For a personal reply, send a self-addressed, stamped envelope to Abby, Box 3365, Beverly Hills, Calif.

For Abby's booklet, "How To Have A Lovely Wedding," send 50 cents to Abby, Box 3365, Beverly Hills, Calif.

Guilty Pleas Heard In County Court

Three pleas of guilty were heard in county court Tuesday afternoon.

William Virgil Scrivner pleaded guilty to driving while his drivers license was suspended. He was fined \$25 plus costs of \$26.35.

The charge had been filed by the Texas Highway Patrol.

Robert Ezell, formerly of Snyder and presently of Longview, entered a plea of guilty on a worthless check charge.

Farm Bureau To Convene Thursday

The annual convention of the Scurry County Farm Bureau will be held Oct. 24 at the district courtroom in Snyder, according to C. H. Stahl president. Meeting time is 7:30 p.m.

"This will be the most important meeting of the entire year for the local organization," the farm leader said. "Proposed resolutions on local, state and national matters will be voted on," he said.

Adopted resolutions dealing with local issues will become the policies of the county Farm Bureau to guide it during the coming year. Approved resolutions dealing with state and national matters will be forwarded as recommendations to the voting delegates of the state convention to be held Nov. 10-13 in Fort Worth. There they will be acted upon and either accepted, rejected or amended. Resolutions pertaining to state issues will become Texas Farm Bureau policies if adopted. Approved recommendations on national issues will be sent to the national convention in December in Chicago.

Only members of the Farm Bureau can participate in the organization's policy-making process which begins with the local county convention and culminates in the annual convention of the American Farm Bureau Federation. More than 1,600,000 farm families have an opportunity to have a voice in the formulation of the national Farm Bureau policies which are developed democratically through the series of conventions. Three out of every four organized farmers belong to Farm Bureau.

After the local county convention forms its recommendations on state and national issues, it sends voting delegates along with other county Farm Bureau to the state convention. Each county's voting strength is based on its membership.

These representatives of county Farm Bureaus approve the state policies for 1964 and the recommendations to the national convention. The Texas Farm Bureau, in turn, sends

Bonesio, a competitive marketer for the Army, estimated he has traveled more than 400,000 miles in a three-year hitch to fire on countless Army rifle ranges. He's due to be discharged Nov. 12.

"I sure would like to go to Germany with the rest of the guys," said Bonesio, "but I like even better the thought of being a civilian when they get back."

HOSPITAL NOTES

COGDELL HOSPITAL
 ADMISSIONS: Naomi Stephens, Rt. 3; Matilda Pearl Huffman, 2701 Thirty - sixth; Crystal Marie Wilson, 2313 Avenue K; Annie Lee Wasson, Box 875; Janice Ann Harrell, Hermleigh; Raul Garza, Hermleigh; LeRoy Brown, 3810 Highland.
 DISMISSALS: Alma Lois Snow; Bobby Gene Hataway; Mertz Ratliff; Richard D. Murphy; Maybelle Laick (transferred to Hendricks Hospital in Abilene by Bell Ambulance); Clifton Thomas; Jerry White; Mrs. Leo Paul Gibson and baby girl.

Looking Back

10 Years Ago
 From The Snyder Daily News Oct. 23, 1953
 A solid mass of clouds over the Snyder area threatened more rain today after a total of 2.1 inches fell yesterday afternoon and this morning. It was the biggest rain here since July 15, 1952.

WASHINGTON — Singer Julius La Rose prepared for a show-must-go-on performance tonight amid publicity ripples from his abrupt firing by Arthur Godfrey.

5 Years Ago
 From The Snyder Daily News Oct. 22, 1958
 WACO — The 10th Court of Civil Appeals today refused to reconsider its earlier verdict denying women students admission to Texas A&M College.

Dick Hayes and Paul Stanley, the Nos. 1 and 2 Tiger ground gainers in games to date, should go over the 1,000 mark in yards gained between them in tomorrow's game with Colorado City.

Child Is Injured By Driverless Car

Raul Garza, one-year old son of Mr. and Mrs. Valentine Garza, received a severe head cut at about 5:30 p.m. Tuesday at his home near Hermleigh.

Sheriff Earl Abercrombie who investigated the accident, reported that the child and a brother were playing in front of the family car which had been improperly parked. The car rolled down a hill and struck the child.

He was taken to Cogdell Hospital by private car. The Garza family lives on the Cecil Hall place at Hermleigh.

Snyder Junior 4-H Club Girls Make Candy

The Snyder Junior 4-H Club met at the County Extension office Tuesday.

Betty Sue Richardson and Keitha Collier were elected new recreation leaders. Miss Ruby Butts, county home demonstration agent, gave a demonstration on making easy - do chocolate fudge.

Best ways to use candy in the diet were discussed. The girls said they should not eat candy before meals because it keeps most people from eating the other good foods they need each day. Candy may also cause tooth decay when eaten at a time when the teeth cannot be brushed afterward.

Members present were: Debra Shelton, Connie Alexander, Jeanne Foster, Keitha Collier, Denise Voss, Patsy Ellington, Mary Hill, Betty Richardson, Jan and Judy Shuburne, Gilda Howell, Teresa Young, Mollie Love and one visitor, Patricia Garrett.

Thursday, Oct. 24, starting at 9 a.m. at the Ira community center to roll cancer bandages. Women are urged to attend and bring scissors, thimble, needles and old sheets. A covered dish luncheon will be held at noon. The bandages are free to anyone in the country who has a need for them. They will be sterilized and then stored at the County Health Unit.

Fish in the deep regions of the sea have fantastic lighting effects. Some wear luminous spots along their sides, suggesting lighted portholes in tiny ocean liners. Others have huge glowing eyes and taillights.

WOMEN'S CALENDAR

THURSDAY
Snyder Garden Club meets at 9 a.m. at Martha Ann Woman's Club. Mrs. Frank Wilson, hostess.

T. Millhollon Honored With Birthday Party

Terry Glenn Millhollon was honored with a treasure hunt and party last Friday on his birthday. The event was held at the Millhollon home.

Guests spending the night with an outdoor supper and 7 o'clock breakfast were: Tommy Cox, Terry Helm, Jimmy Lindsey, William Rasco, Ricy Cox, Skeet Kimbrell, Kerry Adams, Don Sterling, Obie Crawford and Kenrick Ray Graves.

Mr. and Mrs. Sheid Sr. To Observe Anniversary

Mr. and Mrs. J. O. Sheid, Sr., 1000 Twenty-eight Street will be honored Sunday, commemorating their golden wedding anniversary. The reception will be held from 2 to 5 p.m. in the community room of Snyder Savings & Loan.

Children of the couple will host the event and cordially invite friends and relatives to attend.

Mr. Sheid and the former, Margaret Annie Scott were married in Kirkland, Tex., on Oct. 30, 1913, a small town near Quanah. They are both native Texans and have resided in Scurry County for 41 years.

Iota Psi Chapter Has Model Meet

The Iota Psi Chapter of ESA met for a model meeting Monday night in the community room of Snyder Savings & Loan with Mrs. Beverly Ainsworth as hostess.

The meeting was called to order with the opening ritual given by the President, Mary Pinner. The pledges were given by Mrs. Millan and Betty Hunter.

a brief history of ESA by Faydeen Hart who also told about the purposes, scope and aims of the sorority.

The program "Patterns for Living", was presented by the Educational Director, Sue Mahood.

Refreshments of pie and coffee were served to the following members: Faydeen Hart, Mary Pinner, Beverly Ainsworth, Etta Wilson, Anita Payne, Sue Mahood and Margaret Wood, and rushers: Edith Barber, Virginia Johnston, Virginia McMillan and Betty Hunter.

New Club To Form In Snyder

Plans are being made for the organization of a new club in Snyder. All ladies interested in losing weight are invited to join in TOPS, (take off pounds sensibly).

It is a national, non-profit organization with 12,000 members, 67 nations wide, and was organized in 1948 in Milwaukee by Mrs. Esther S. Manz.

It is for purposes both educational and scientific for controlling weight imbalance and for studying its underlying causes of, and means for, the corrections of individual overweight, and to promote knowledge of, and means for, the formation of social environments conducive to the control of harmful fluctuation in individuals.

Fat is an enemy and statistics show, there are 35,000,000 Americans overweight.

TOPS club members try to control obesity, sensibly and safely by drawing inspiration from planned group therapy directed by TOPS Club Inc.

There are approximately 30 clubs in Texas and combined TOPS members lost a total of 374,061 pounds in 1962.

Any interested person wishing to join or form a club in Snyder is asked to call Mrs. J. E. Payne at HI 3-4178 after 2 p.m. Thursday.

New CHEVELLE!
by Chevrolet

Only this could come between Chevrolet and Chevy II. The Chevelle is a highly polished car on a trim 115-inch wheelbase. With its weight down in the 3,000-pound range. All of which makes it a sweet-handling, easy-to-manuever automobile.

But it's roomy and relaxing inside, with the kind of ride you'd expect in a bigger car. And it's styled with a lively grace and refinements (note the curved side windows and pillars, for example) that make its modest price all the more remarkable.

A neat trick? We agree. But not so difficult really when you have the skills of seasoned Body by Fisher craftsmen to draw upon.

And the advantage of Full Coil suspension developed by the same engineering talent that came up with the Jet-smooth Chevrolet's ride. And that irreplaceable Chevrolet spirit in a choice of four engines—V8 or 6—including optional-at-extra-cost versions all the way up to 230 hp.

Small wonder this one turned out the way it did. Did we say one? Actually there are 11 models—wagons, sedans, sport coupes, convertibles—in three series.

Even some cars that have been around for quite a long time don't give you a choice like that.

Sound like something you ought to check into further? Consider this your invitation for a real hood-raising, door-slaming, seat-bouncing, wheel-turning time of it at your Chevrolet dealer's.

See five entirely different lines of cars at your Chevrolet Showroom — CHEVROLET, CHEVELLE, CHEVY II, CORVAIR & CORVETTE

THINGS DID LOOK ROSY!

Dream Bunny Is Bound To Supersede Model-T Woman

BY INEZ ROBB
Women, since Eve, have been externally unsatisfactory to man. If only he had been consulted in her creation, surely a more satisfactory product — to man — would have resulted. Through the centuries, man has never faltered in his dream of the ideal woman, a bunny in black lingerie whose whole vocabulary consists of the word "yes". Or, if the bunny can be taught to nod her head affirmatively, conversation could be eliminated altogether. Something tells me — my bones I guess — that man is able to achieve this bunny ideal. And that spells the end of woman as she is now constituted. The Model-T woman as she has existed since the Garden is about to be replaced by a newer, younger, snappier and more sleek model, satisfaction guaranteed or a new bunny on demand. The signs and portents are all around that science will soon achieve this miracle. Scientists are getting closer and closer to the basic ingredients of life, to its very source and chemical structure. A nation whose laboratories can produce a hydrogen bomb and electrically heated socks will ultimately produce the dream bunny. The difficult these laboratories achieve at present (the impossible only takes a little longer. Members of my sex, as now constituted, should be prepared for the death ray at any time. It is the price we pay for stubbornly being ourselves and refusing to adapt to the bunny fantasy. As we cross the threshold, I suppose some of us will still be stupidly laughing at those long ears and short cinches. As the bunny wish comes closer to fulfillment, it is noticeable that we are getting shorter and shorter shrift from the opposite sex. An old acquaintance, New York State Supreme Court Justice Irving H. Saypol, has just read the riot act to women lawyers who appear in black hats. The Good Book adjures women to come into church with their heads covered. But apparently the law throws the court at them if they come into court in their hair. But then, women's hats have always been anathema to men. Most men are forced to make jokes about them rather than thunder over them. Judge Saypol is simply in a lucky spot. About the same time Judge Saypol was decreeing feminine hats, Henry A. Barnes, traffic commissioner of New York, was once more attacking women drivers. This is the commissioner's tried-and-true tactic whenever he fails to solve another traffic problem. No one is going to miss the Model-T woman as much as Commissioner Barnes when the bunny wish is fulfilled, and he can't bludge his frustrations by blaming my sex. And finally, it is reported in the Insider's Newsletter that a member of the U. S. Olympic party believes the women on the Olympic team are — well, there's no other word for it but impossible. He wants them all sent to a charm school before they are turned loose at the Olympics in Tokyo next year. It is obvious that the American woman has had it. The

Junior Editors Quiz on THREAD

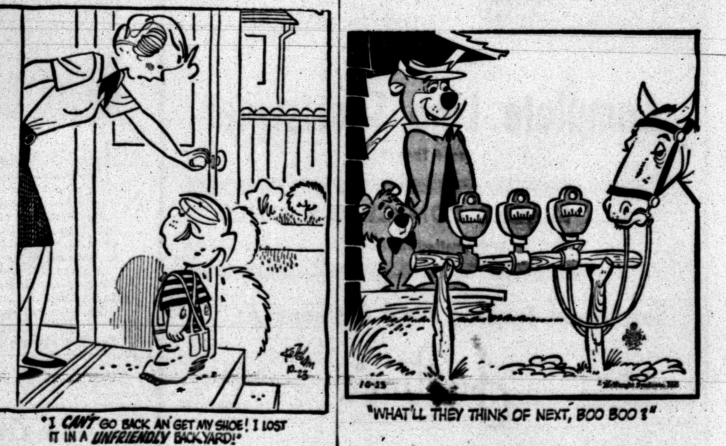

QUESTION: How is thread made?
ANSWER: As long as primitive men had only skins hung around their bodies for clothing (A) they were living almost like animals. But then they found they could take natural fibers from plants and, by twisting them together, make strong threads. They found it possible to weave a number of threads together, and with this discovery of cloth the clothing man became much more comfortable and more civilized. At the same time, the idea of using needles of wood or bone allowed the womenfolk to make clothes for the whole family. Cotton fiber, of the long fibered Sea Island kind, is most commonly used in thread making. The fibers are first cleaned and combed. Then they are pressed together into "baleets," the fibers combed straight and rolled into yarn coils (C). After this the fibers are drawn from the coils and twisted together on machines to make thread which is wound on spindles. Then it goes through a bleaching and dyeing process and is finally wound on spools. Nylon and rayon thread is made of man-made fiber and is easier to manufacture since it does not have to be combed and pressed; it is also very strong and durable.

FOR YOU TO DO: Take a short piece of thread and untwist it. You will probably find three thinner threads. Get one of these free and untwist it and you should be able to see the many tiny, delicate fibers which unite to form thread. Hold over a sheet of white paper to see them well.

(Carol Waters of Kimberton, Pa., wins today's grand prize of a 20-volume set of the World Book Encyclopedia for this question. Mail yours on a postcard to Junior Editors in care of this newspaper, and you may win a set too.)

Interesting People On All Corners

BY CHARLES T. BURNS
BOSTON (AP)—When you're in the news business, a lot of people on learning how you're making a living exclaim something like: "Boy, you get to meet a lot of interesting people, don't you?" Well, let's see. There was the time in Newark, N.J. It was our custom to eat in a certain downtown restaurant. One night, a friend pointed across the room and said "there's Dutch Schultz." "It could just as well have been some German braumeister to us, but that name came up recently during the testimony of gangland informant Joseph Valachi. Within a couple of weeks Schultz, or more accurately, Arthur Flegenheimer, was forced a lot of lead, right in that restaurant. Seems you do run into all kinds, at that. Again, maybe this is an odd-ment-ment recalling: In 1933, when former President Calvin Coolidge died, it was the custom and probably still is, to sound minute guns all day at military installations around the world on the presidential funeral day. And, at formal retreat, to let go with a volley of 48 rounds; it must be 50 now since it is meant to signify the sorrow of all the states. Anyhow, at Schofield Barracks in the now-state of Hawaii, the volley went off at retreat per regulations. And, with the sound of the last shot, the rope holding the flag broke and the national banner fluttered to the ground. Any significance comes from the fact that Schofield Barracks was the last place under the American flag to perform the ritual that day. Then there was the woman who took a rather morbid view of old age. Upon her 111th birthday, a reporter asked the usual question about how she had lived so long. "I'm the woman God forgot," was the devastating reply. There are times in a newspaper's career when he's out of work. And before public relations came to be a big thing, the only way to get a job was to travel around to the newspapers. During one such hiatus, there was an eyebrow lifting incident in a scrubby little restaurant in Nevada. The man who had given the out-of-work journalist a lift in a ranch truck through the mountains insisted on buying lunch for his traveling guest, himself and his son. The driver had repeatedly told how you get three times the good you dispense. Came lunch at 35 cents each total \$1.05. Then the philosophical, but chance-taking benefactor, threw a nickel into the slot machine. Old, unreliable Model-T must go. Ring in the bunny! man is only going to miss the old model when, like Commissioner Barnes, he has to find a scapegoat for all the slings and arrows of outrageous fate that beset him. QUARTERBACK CONFERENCE—University of Texas Coach Darrell Royal (right), holds a practice field conference with quarterbacks Duke Carlisle, Marvin Kristy-nik and Tommy Wade (left to right) on the practice field. Texas, rated as the top college football team in the nation for the second straight week, meets Rice at Austin Saturday night. (AP Wirephoto)

All Local Junior Highs Due Action

All six of Snyder's junior high football teams will see action Thursday, three of them at home and three on the road. The junior high bill here will get underway at 5 p.m. when Travis 7th grade team enters Lamesa 7th.

At 6:30 p.m. Travis 8th will host to Lamesa 8th, and at 8 p.m. Lamar 9th will round out the week's home slate when it meets Big Spring Runnels.

On the road, Lamar 7th and Lamar 8th both will be in Big Spring to meet Runnels teams at 5 p.m. and 6:30 p.m. respectively while Travis 9th will travel to Colorado City for a 5:30 engagement.

In 27 games so far this season, local junior high teams have won 25, lost 1 and tied one. The 7th and 8th grade teams of both Lamar and Travis are unbeaten and untied, while Lamar 9th has one tie in its record and Travis 9th has the lone defeat.

Longhorns Are Expected To Get Revenge For Tie

NEW YORK (AP)—Chancellor Litchfield called a press conference last week and formally turned the unbeaten Pittsburgh football team back over to Coach John Michelson.

It is just the Panthers hard luck that this weekend they are the guests of Navy, where Coach Wayne Hardin has turned the offense over to Roger Staubach, the Mideast's scrambling quarterback. He'll find a way of putting the first defeat on the Pitt record.

A week ago, there were 42 correct picks out of 50 decisions for an 84.0 average. That lifted the season's figures to 185-65 for 74.0.

Here are the other winners this weekend: Texas over Rice: The Longhorns, still unbeaten after mauling two traditional rivals on successive weekends, get revenge for last year's 14-14 tie with the Owls.

Wisconsin over Ohio State: Harold Brandt's passing will remind the Buckeyes of last week's massacre by Southern California.

Illinois over UCLA: The Illini youngsters have played the more rugged schedule and have the better record. This is a Friday night affair.

Mississippi over Vanderbilt: Vanderbilt has scored only three touchdowns in five games.

Alabama over Houston: Joe Namath and Mike Fracchia will produce a lopsided Alabama triumph.

Oklahoma over Kansas State: Jim Grisham to romp through the tissue-thin Kansas State line.

Northwestern over Michigan State: The home field gives Tom Myers and his Northwest-ern mates a slight edge. They will need it.

Syracuse over Oregon State: The Coast team's Vern Burke likely will be the game's outstanding player but Syracuse has the better all-around equipment.

Southern California over California: The Trojans can tap off from their form of a week ago against Ohio State and still master the Bears by the margin of a field goal.

North Carolina State over Duke: State's powerful interior linemen should pull this one out for the benefit of the Raleigh crowd.

Florida over Louisiana State: Florida's walking wounded have recovered since spilling Alabama but LSU's Pat Screen is out of action.

Notes: Dams: over-Standard: The Irish get tougher each week. You can see for yourself on the television screen.

Missouri over Iowa State: The Tigers haven't been stopped since their opening game. Skipping over the others in a hurry.

FRIDAY NIGHT: Virginia Military over Richmond.

SATURDAY: EAST: Army over Washington State, Massachusetts over Boston College, Texas Western over Colorado State, Idaho over San Jose State, New Mexico over Montana, New Mexico State over Hardin-Simmons, Utah State over Pacific, Wyoming over Utah.

FAR WEST: Air Force over Boston College, Texas Western over Colorado State, Idaho over San Jose State, New Mexico over Montana, New Mexico State over Hardin-Simmons, Utah State over Pacific, Wyoming over Utah.

SOUTH: The Citadel over Furman, Florida State over Virginia Tech, Georgia over Kentucky, Memphis State over Mississippi State, North Carolina over South Carolina, Tennessee over Chattanooga, Georgia Tech over Tulane, Clemson over Virginia, Maryland over Wake Forest, William & Mary over George Washington.

MIDWEST: Dayton over DePaul, Indiana over Cincinnati, Kansas over Oklahoma State, Bowling Green over Kent, Louisville over Marshall, Minnesota over Michigan, Nebraska over Colorado, Purdue over Iowa, Xavier, Ohio over Villanova, Miami, Ohio over Ohio University.

SOUTHWEST: Arkansas over Tulsa, Wichita over North Texas State, Southern Methodist over Texas Tech, Baylor over Texas A&M, West Texas State over Arizona.

FAIR WEST: Air Force over Boston College, Texas Western over Colorado State, Idaho over San Jose State, New Mexico over Montana, New Mexico State over Hardin-Simmons, Utah State over Pacific, Wyoming over Utah.

District Races Take Spotlight Of Week

The carnage could be fierce. At least a dozen teams appear likely to fall, but of more interest will be what goes on in the district races.

For the first time this season all the 96 districts of the four classes that play to state championships have conference games. It's the big show-off toward district titles that will qualify teams for state playoffs.

Two unbeaten, untied Class AAAA clubs appear in some danger as Corpus Christi Carroll plays old local enemy Miller and Galena Park, ranked No. 1 in the state, faces Baytown.

Others with perfect records are Amarillo Tascosa, South Oak Cliff, Tyler Lee, San Antonio Highlands and San Antonio Leo.

San Angelo, rated No. 2 in Class AAAA, has an important conference game with Abilene. Neither is unbeaten but the winner will become one of the title favorites.

Seven undefeated, untied teams in Class AAA have games but none seems to face any particular trouble. Dumas, the No. 1 outfit and two-time defending champion, starts the district race in a clash with Levelland.

Phillips, Corsicana, Laklarque, Austin Lanier, South San Antonio and Graham are others with unsullied records which play this week. Lampasas and Gonzales are idle.

Class AA boasts 15 unbeaten, untied teams. The one in the most danger of falling is La Feria, which plays unbeaten but once-tied Edouch-Elsa in a top conference game.

Class A also has 15 with spotless records and at least two could fall and occasion no surprise. Tideshaven might lose to Pearland and Louise might take the count before East Bernard.

Rockdale, rated No. 1 in Class AA, plays Navasota in a district test. The 1962 state runnersup aren't expected to run into much trouble. Sinton, the second ranking outfit with a record marred by a tie, meets Goliad and also should survive.

Albany, No. 1 in Class A, plays Eastland in a conference breeze. The Lions should win in a second ranking outfit with a record.

The Snyder Tigers will host Sweetwater, Levelland and Littlefield in conference games next season and meet the other three District 3-AAA teams on the road.

The conference schedules were drawn up at a district meeting held here Tuesday.

A complete re-drawing of district games was required, since two new teams are coming into the district and one present member is withdrawing.

Navy Still Tops Gains

NEW YORK (AP)—Going by the figures, three of the most interesting college football games this weekend should be Navy vs. Pittsburgh, Nebraska vs. Colorado and Syracuse vs. Oregon State.

Statistics released by the NCAA Service Bureau today show that Navy still is the nation's top team in total offense, a position it has held all season, and Pitt is No. 5.

Nebraska has moved to the top in rushing offense and Syracuse is No. 2. Like Nebraska, Colorado is a team that has moved almost entirely on the ground. Between them, they have thrown only 36 passes.

Oregon State will send an intriguing offense against Syracuse. The Beavers are 12th in passing and total offense and have completed 11 touchdowns this season.

Nebraska and Syracuse each has rushed 261 times in five games, Nebraska for a 282.7-yard average and Syracuse for 262.2.

In total offense, Navy has averaged 403.8 yards a game for five games. Pitt's average is just 20 yards less over a four-game span.

The complete conference schedule for 1964:

Oct. 9 Lamesa at Levelland Sweetwater at Snyder Littlefield, open

Bud's Son Named Back Of Week

NEW YORK (AP)—The New York Yankees' youth movement had extended to the front office today with the naming of Ralph Houk as general manager and the imminent announcement that Yogi Berra would succeed Houk as field leader.

Houk, 44, received his promotion Tuesday. The announcement of the 38-year-old Berra's appointment as the 17th manager in Yankee history is expected to be made at a news conference Thursday.

A Houk-Berra combination would form the youngest front office and field tandem in baseball. All principals except Berra were present Tuesday at an elaborate news conference in a plush midtown hotel where Roy Hamey, who served a year's apprenticeship as a coach last season, in his 17th year with the Yankees, could not be reached for comment.

The AP informant said Berra was chosen because of "his keen mind, sound baseball theories, ability to get along with people and general popularity."

Houk was given a four-year contract calling for an annual salary of \$50,000. Berra, who has been earning from \$40,000 to \$50,000 a year as a player for the past eight or nine years, is expected to sign a two-year contract for around \$45,000.

"I accepted the front office job because it presents a challenge to me," said Houk. "I just hope I can do the job for the next manager as well as Hamey has done for me."

Houk said he was first approached about the new job as far back as October 1962, during the World Series between the Yankees and San Francisco Giants.

The final decision was reached in Fort Lauderdale, Fla., during spring training in 1963.

"I figured there's more security in a front office job," Houk said grinning. "It seems to me a lot more field managers get fired than general managers."

The saddest man at the press conference was Hamey, who gave ill health as his reason for retirement.

"I had been thinking of retiring as far back as five years ago," he said. "I made up my mind definitely in July of 1962 after I got out of the hospital."

Hamey, who has spent 23 of his 28 years in baseball in the Yankee organization, will remain in an advisory capacity for the next five years.

Yankees Extend Youth Movement

The league - leading Colts suffered their first defeat in Boys Club Pee Wee Football League play Tuesday afternoon when the Frogs took a 12-6 decision.

The Colts lost part the standings in a jumble and focused attention on next week's Col-Hotshot game. The Colts have now won three, lost one and tied one, while the Hotshots have won one, lost none and tied three. The Hotshots will meet the Bears, who have four losses, Thursday afternoon.

The Frogs have now won two, lost one and tied two. In Tuesday's game the Frogs pushed over a touchdown in the first quarter when Lee McNair carried across from the one yard line. The Frogs upped their margin to 12-0 in the third period when McNair scored again on a 17-yard run. Both attempts for extra points failed.

The Colts scored their touchdown midway in the fourth quarter on a pass play from Mark Gilstrap to Billy Bowden. The play carried into the end zone from two yards out.

Leading ground gainers for the Frogs were McNair and Davis Clemons. Top blockers were Clemons, Randy Beard, Ronnie Watkins and Keith "Boomer," while leading frog tacklers were Boomer, Ronald Ward, Chris Lehman and Delbert Hirst.

Gilstrap and Cliff Voss were top ground gainers for the Colts. Top blockers were Bill Wilson, Bruce Allmond, Wesley Bishop, and leading tacklers were Larry Allen, Lew Capote, Jamie Boren and Bruce Bell.

Gilstrap and Cliff Voss were top ground gainers for the Colts. Top blockers were Bill Wilson, Bruce Allmond, Wesley Bishop, and leading tacklers were Larry Allen, Lew Capote, Jamie Boren and Bruce Bell.

Know The Tigers

A senior Tiger that gets a great deal of experience at the tackle position is Jerry Owens. Jerry, who weighs in around the 180 pound mark usually does the 'kicking off for 'Sny'.

Jerry, son of Mr. and Mrs. Jack D. Owens of the Post Road, moved to Snyder from Austin in 1949. He plans on going to college but is undecided where at this time. He is a member of the letterman club.

Mishaps Mar Two Hunts

PAGOSA SPRINGS, Colo. (AP)—One Texas hunter was killed and another critically wounded Tuesday in separate hunting accidents in Southern Colorado.

Beauford Ischy, 36, of Austin was shot in the back and killed by John Sanchez, 38, of El Paso accidentally shot Gail Thorsan of El Paso.

A companion of Ischy, Gene Daniels of Austin, found the body. They had been hunting together at the head of Mill Creek in rugged mountains 15 miles east of Pagosa Springs. A coroner said a bullet from a high-powered rifle passed through Ischy's body.

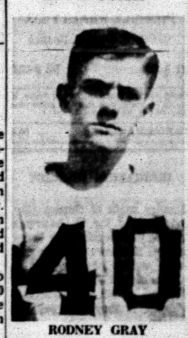

Thorsan was critically wounded near Ryan Creek east of Dove Creek. Sanchez and a companion said they fired at what appeared to be a deer, and it disappeared. They changed positions and Sanchez shot once more. His bullet struck Thorsan in the stomach.

Three Titles Going On Line In Mexico

MEXICO CITY (AP)—A boxing program in which three national titles will be contested has been scheduled Nov. 30. Champions who will put their crowns on the line are welterweight Alvaro Gutierrez, lightweight Jorge Gutierrez and flyweight Efrén Torres.

Alvaro Gutierrez will fight Battling Torres. Jorge Gutierrez will fight Jose Luis Cruz and Efrén Torres will fight Juan Esquivel.

Know The B Team

Rodney Gray is a 145-pound junior who plays halfback for the Snyder B Team. He is the son of Mr. and Mrs. Paul N. Gray of Route One. The Grays moved to Snyder from Goldsmith in 1962.

Rodney is a member of the Theatras, Spanish Club, Future Teachers Association, and the Student Council. He is planning on majoring in electronic engineering, but is undecided between Rice, Texas Tech and the University of Houston.

Also two improved sections nearby on pavement, one has nice house, 600 acres tillable, 150 in cultivation, two irrigation wells, \$150.00 acre; other has small house, 245 in cultivation, a lot more tillable, five irrigation wells fully equipped at \$120.00 acre. Half cash will handle. - Please for appointment, or write Box 50.

J. H. RUSSELL & SON San Angelo, Texas

TOP TV TONIGHT

BY BUD EVANS

9:00 CBS "Danny Kaye" evokes a bit of nostalgia when he introduces guest star Gene Kelly, noting that both climbed from obscurity to success on Broadway during the early 1940's. . . . Kaye in "Lady in the Dark" and Kelly in "Pal Joey". Also in the guest spotlight are vocalist Michele Lee and the singing Clinger Sisters.

OTHER HIGHLIGHTS

6:30 NBC "The Virginian". Wealthy widow Fenwick and her debutante daughter exchange diamonds and cavort for hilly fashions and corn pone when they are adopted by the Clampetts as charity cases and offered board and room. Joanne Barnes guest stars.

8:00 NBC "Espionage" presents a drama concerning a British undercover agent-infiltrating a pacifist organization to learn how the group is getting top-secret government information. Barry Foster, Angela Douglas and Michael Hordern star in "The Gentle Spies".

8:00 CBS "Beverly Hillsbillies". Wealthy widow Fenwick and her debutante daughter exchange diamonds and cavort for hilly fashions and corn pone when they are adopted by the Clampetts as charity cases and offered board and room. Joanne Barnes guest stars.

8:30 CBS "Dick Van Dyke". Their son? intercom that has given their boys hours of pleasure makes misery for both sets of parents when the Petries accidentally head of the Helpers really think about them.

9:00 NBC "The Eleventh Hour". Robert Wagner, making the second TV appearance of his career, and Dianah Carroll guest star in the drama involving a handsome young man who loses the will to live when an accident disfigures him. Michael Constantine and Shirley Knight are featured.

6:30 CBS "The Great American Funeral", originally scheduled for last week at this time, will be presented tonight and will afford a complete study of American burial practices.

7:30 CBS "Glynn". When a hepecked husband passes himself off as another mystery writer, he tries to talk Glynn into helping him plot the "perfect murder" of his overhearing.

HERE ARE THE RULES OF THE CONTEST
 In each advertisement on this page you will find the contestants in a prominent football game being played in the country this week-end. Get an entry blank from one of the merchants who are helping sponsor this contest and whose message is on this page. Fill in your selection of the **WINNING TEAM** only ... opposite the name of the firm on the entry blank. Then send your complete blank to **FOOTBALL CONTEST EDITOR, THE SNYDER DAILY NEWS**. Entries must be in the hands of the editor by 12 o'clock noon, Friday. Games ending in a tie score must be specified as a tie or else it will be considered a miss.
 If there is a tie for first place the winners will divide the cash money of \$12.50 and no second prize will be given. If there is a first place winner and a tie for second place, the second prize winners will divide the money for the place. If more than two persons tie for second place, no second prize money will be awarded and the cash will be added to next week's prize. Tie for perfect score will split \$25.00. There will be fun for the entire family. Only one entry blank will be permitted from any one person. More than one will disqualify all of the person's entries. Scores listed on the entry blank will have no bearing on the choice of the winner. Sign your entry blank and list your address and phone number — and watch for the story on next Wednesday's front page for the winners. Hurry now, and get your entry blank from one of the merchants on this page. The contest blank must be in your own handwriting. Employees of The Snyder Daily News and their families are not eligible to enter.

Sen. Ratliff Presents Both Sides Of Amendment Issues

State Senator David Ratliff of Stamford spoke to the regular noon meeting of the Lions Club Tuesday.

Sen. Ratliff discussed the proposed constitutional amendments on which Texas voters will cast their ballots on Nov. 5. Starting with amendment No. 4, the senator gave the "For" and "Against" arguments for each of the four amendments.

Amendment No. 4 calls for authorizing an increase of \$150 million, to a total of \$350 million, in bonds or obligations to be issued by the Veterans Land Board.

Sen. Ratliff said that the arguments for passage of the amendment included the fact that the veterans land program is a stimulant to the Texas economy; that it rewards the veteran for his wartime service; that it costs the taxpayer nothing since the one per cent difference in interest paid and the interest received makes for a credit balance for the state; and that 500 loans were processed each month last year, but one million Texas veterans still had not applied for a loan.

Arguments against Amendment No. 4 included the argument that the state has been in the loan business long enough, and that the land program is unfair to private enterprise. Also, since the program has been in effect over eight years, most veterans who want to apply for loans have already had time to do so, and those who will apply will largely be those who want only a week-end retreat.

Amendment No. 2 authorizes each political subdivision in Jefferson County to establish a retirement, disability and death compensation fund for appointive officers and employees.

Arguments for the amendment are that the people of that country should be permitted the type of retirement system they desire, especially since the fund would be regulated as to the safe investment of the monies in governmental bonds.

Arguments against the proposed amendment are that governing bodies at the local level lack the experience necessary for the operation of complicated retirement programs, and that this amendment's passage could open the door for the rest of the 254 Texas counties to ask for similar privileges.

State Senator David Ratliff of Stamford spoke to the regular noon meeting of the Lions Club Tuesday.

Sen. Ratliff discussed the proposed constitutional amendments on which Texas voters will cast their ballots on Nov. 5. Starting with amendment No. 4, the senator gave the "For" and "Against" arguments for each of the four amendments.

Amendment No. 4 calls for authorizing an increase of \$150 million, to a total of \$350 million, in bonds or obligations to be issued by the Veterans Land Board.

Sen. Ratliff said that the arguments for passage of the amendment included the fact that the veterans land program is a stimulant to the Texas economy; that it rewards the veteran for his wartime service; that it costs the taxpayer nothing since the one per cent difference in interest paid and the interest received makes for a credit balance for the state; and that 500 loans were processed each month last year, but one million Texas veterans still had not applied for a loan.

Arguments against Amendment No. 4 included the argument that the state has been in the loan business long enough, and that the land program is unfair to private enterprise. Also, since the program has been in effect over eight years, most veterans who want to apply for loans have already had time to do so, and those who will apply will largely be those who want only a week-end retreat.

Amendment No. 2 authorizes each political subdivision in Jefferson County to establish a retirement, disability and death compensation fund for appointive officers and employees.

Arguments for the amendment are that the people of that country should be permitted the type of retirement system they desire, especially since the fund would be regulated as to the safe investment of the monies in governmental bonds.

Arguments against the proposed amendment are that governing bodies at the local level lack the experience necessary for the operation of complicated retirement programs, and that this amendment's passage could open the door for the rest of the 254 Texas counties to ask for similar privileges.

Broadway Show Said 'Tasteless'

By WILLIAM GLOVER Associated Press Drama Critic

NEW YORK (AP)—As Broadway entertainment, "A Rainy Day in Newark" is all wet.

The item, described on the program as a comedy by Howard Teichmann, unfolded Tuesday night at the Belasco Theatre, a co-author some season back of a satiric hit entitled "The Solid Gold Cadillac," wields a rusty pen of irony in this labor-management piece. Some attempts at wit are grimly ignored, corrupt and disinterested citizens from voting, but the low fee levied does not prevent any citizen who really wants to vote from doing so.

Elimination of the ceilings on the purchase of votes and helps preserve the purity of the ballot box. Those against the amendment No. 1 are that payment of the poll tax prevents ignorant, corrupt and disinterested citizens from voting, but the low fee levied does not prevent any citizen who really wants to vote from doing so.

Those opposing passage of the amendment point to the 1960 election in which 40 per cent of the citizens of Texas voted, while Ohio, a non-poll-tax state with virtually the same population as Texas, only had a 38 per cent voter turnout.

Sen. Ratliff and Rep. Renal Rossen, who introduced Ratliff at the luncheon, mentioned law would provide for a 25-cent voter registration fee. The law would go into effect if Texas voters approve the abolition of the tax.

Heart Research Prospects Main Topic Of Convention

What advances in the treatment and prevention of heart disease can be expected in the next ten years? Will man's cardiovascular system be able to meet the challenge of space flight? These and other subjects

will be discussed by a group of noted authorities at a special program, "The Next Ten Years," to be presented Sunday at the American Heart Association's annual meeting in Los Angeles.

The meeting opens at the Biltmore Hotel on Friday morning, with three days of scientific sessions. One the two preceding days a special scientific program will be conducted by the Association's Council on Arteriosclerosis, also at the Biltmore Hotel.

"The Next Ten Years" program is scheduled for Sunday afternoon, Oct. 27. Under the chairmanship of Dr. James V. Warren of Columbus, Ohio, AHA President, six leading authorities will review recent cardiovascular progress and anticipate gains which may be forthcoming by 1974, the 50th anniversary of the Association's founding.

Scheduled for discussion are the questions: "Man in Space—Can man's cardiovascular system withstand the challenge of space exploration?" and "Man on Earth—What changes in man's environment and behavior will be needed for longer life?" These subjects will be handled respectively by Dr. Charles A. Berry, Chief of the Manned Spacecraft Center Medical Operations Office of the National Aeronautics and Space Administration, Houston, and Dr. Irvine H. Page, Director of Research at the Cleveland Clinic.

Other participants and their topics are: Dr. Robert A. Good, Minneapolis, "The Immunity Barrier," with emphasis on the prospects for transplanting human organs; Dr. Michael E. DeBakey, Houston, "Cardiovascular Surgery"; Dr. Lysle Peterson, Philadelphia, "Electronics" and

its potentials for cardiovascular medicine; and Chauncey D. Leake, Ph. D., San Francisco, "Drug Therapy."

Approximately 200 original scientific papers will be presented in the course of the Scientific Sessions. Six sessions of special interest to the practicing physician have been included. Sessions devoted to various specialized aspects of cardiovascular research and practice will run simultaneously.

Continental's Earnings Reported

HOUSTON (AP)—Continental Oil Co. has reported record earnings and operating volume for both the third quarter and the first nine months of 1963.

Net income for Continental and its consolidated subsidiaries rose to \$21.2 million in the third quarter, an increase of 25 per cent over the \$17 million in the same period last year.

Earnings for nine months were \$67.5 million, or 28 per cent more than the \$52.9 million earned in the same period of 1962.

Net income per common share amounted to 94 cents for the third quarter of 1963, compared to 75 cents for the same period in 1962. For the first nine months, net income equaled \$3 a share in 1963 and \$2.33 in 1962.

L. F. McCollum, president, said Tuesday factors that contributed to greater earnings in the third quarter include expanded sales of Libyan crude oil; a special dividend of \$2.6 million from a non-consolidated domestic affiliate, and larger sales of refined products.

The Atlantic City boardwalk was opened in 1870 and was a mile long and eight feet wide.

Home's Group Loses Votes

BELFAST, Northern Ireland (AP)—Lord Home's Conservative government dropped more than 12,000 votes Tuesday but held on to a safe seat in a special election for the House of Commons.

Rafton Pounder, Ulster Unionist candidate and a supporter of Lord Home, polled 17,969 votes to defeat Laborite Norman Searight, 7,209, and Liberal Bert Hamilton, 2,774.

The election was caused by the death of Sir David Campbell, who in the 1959 general election polled 30,164 votes against 9,318 for Labor, 3,253 for the Liberal and 434 for an Irish nationalist candidate.

Quint's Home Top Secret

ABERDEEN, S.D. (AP)—When the Fischer quintuplets are sent home from the hospital they'll go to a house with a big nursery in the northwest part of town.

The location is still secret, but it was announced Tuesday that the temporary quarters will be used by Mr. and Mrs. Andrew Fischer and their 10 children until a new \$100,000 house given them by the city is completed.

The babies continue to do well in St. Luke's Hospital, where only the smallest, Mary Ann, remains in an Isolette.

They Have Everything A Family Could Need

BALTIMORE (AP)—What more could a household want which has an amateur radio transmitter, three ducks, 24 turtles, parakeets, tropical fish, fish, sand crabs and a dog.

Why a church organ, of course. Donald H. Smith Jr., 19, a college sophomore, has been re-assembling a 46-year-old organ in the basement.

"You never saw such a mess spread all over the house," said his mother, referring to 300 pipes ranging in length from an inch to 10 feet, a motor and compressor which required four men to move.

Then Mrs. Smith added: "We're a crazy family, but we have fun."

Then Mrs. Smith added: "We're a crazy family, but we have fun."

Checks Bounce High

SAN FRANCISCO (AP)—More checks are bouncing higher than ever a police chief said Tuesday, and, what's more, the bankers are to blame.

Atlantic States Get Some Rain

CHICAGO (AP)—Cloudy and rainy weather covered areas in the southern half of the Atlantic states and across northwest sections today but it was fairly mild and dry in most other parts of the nation.

The overcast, wet weather in the Southeast was associated with Hurricane Ginny, the season's seventh tropical storm which is centered some 250 miles east of Daytona Beach, Fla., and moving southwestward. It was expected to hit the Florida-east coast tonight. Rains in the Southeast were light.

Stormy weather, with heavy rains and gale-force winds which hit areas along the Oregon coast, moved eastward during the night. Rain fell in scattered sections from northern California to northwest Montana.

Not much relief was indicated immediately in the prolonged severe drought and forest fires in areas from the southern Plains to New England. Dry and mild weather was reported in most areas with unseasonably high temperatures in central sections.

The big game hunting season, scheduled to start Friday in New York State, was not expected to open because of the recent order closing woodland areas because of serious forest fires. State officials reported 25 new fires Tuesday with 94 still burning and a total of 503 since Oct. 1. No rain was in prospect immediately.

In West Virginia 62 new fires in woodland areas were reported. One, within a mile of the statehouse in Charleston, threatened an abandoned sanitarium and several homes. State conservation officials described the forest fires critical through the southern part of the state.

In Arkansas, hunting in 10 eastern counties was banned because of an acute fire threat.

AT TESCO BANQUET—This quartet had a lot in common to discuss while "visiting" at the Texas Electric Service Company's annual "Quarter Century Club" dinner Tuesday night in Colorado Springs, Colo. From left are Beeman Fisher, TESCO president of Fort Worth, R. E. Connelley, district commercial manager of Sweetwater, who became a member of the "Quarter Century Club," L. L. Zeigler, Sweetwater District Manager, and Bill Brown, Snyder Manager for TESCO. TESCO employees, wives, husbands and guests from throughout the district attended the event. Principal speaker at the banquet was Robert R. Gros.

Ginny Moves Falteringly Toward Florida's Coast

Gas Tax Law Ruled Illegal

AUSTIN (AP)—The Third Court of Civil Appeals, agreed with a trial court today that Texas' dedicated reserve gas tax is unconstitutional. The tax, which became effective in September, 1961, had brought almost \$9 million into the state treasury. However, more than \$8.5 million have been paid under protest awaiting the outcome of the appeal. In its opinion today the court of civil appeals held that Tennessee Gas Transmission Co. and Panhandle Eastern Pipeline Co., who filed the test case, purchasers of gas, not producers. "We overrule the state's contention that the appellants may be classified as producers for the purpose of taxation," the opinion said. In arguments on appeal the attorneys for the pipeline companies claimed the state levy was a disguised tax on interstate commerce. Dean Moorhead, Austin, attorney for Panhandle Eastern Pipeline, told the civil appeals court that his firm does two things in Texas: "We take gas by purchase contracts and transport it in interstate commerce. The U.S. Supreme Court has said that both are immune from state taxation. The state attorney general's department claimed there is nothing in the gas tax statute which requires that gas be shipped in interstate commerce. They said the Legislature clearly said that the tax was levied on production of gas."

TO FIGHT FEDERAL COURT ORDER—Gov. John Connally of Texas, at a news conference in Austin told reporters he had asked Atty. Gen. Waggoner Carr to appeal and "oppose with every legal weapon" a Houston federal court order that Texas' law governing congressional redistricting is unconstitutional. (AP Wirephoto)

Winds Ebbbed During Night

MIAMI, Fla. (AP)—Wrong off the Eastern Seaboard as far way hurricane Ginny, barely hurricane force after losing strength during the night, moved slowly southwestward today on a collision course with Florida's heavily populated lower east coast. A hurricane watch was posted for the coastal area from Cape Canaveral to Fort Lauderdale and forecasters said hurricane warnings might have to be posted during the afternoon. There was a bare hope the continuing storm might loop-the-loop and miss Florida. But she was close enough that winds were already increasing and showers and squalls were becoming more frequent. At noon, hurricane hunter aircraft placed the storm's center about 135 miles east of Cape Canaveral. Ginny's peak winds near the center had dropped from 80 to 75 miles per hour during the night and her speed slowed from 10 to 8 m.p.h. Forecasters said the hurricane was expected to slow its forward rate during the day. They said Ginny's center, unless a change in course developed, would reach the middle or lower east coast of Florida tonight. "At least some possibility still exists that it could perform a loop and swing to the south and later on, to the east," said Gordon Dunn, chief storm forecaster at the Miami Weather Bureau. "Also, we must stress that this is far from a major hurricane," Dunn said. "It is indeed a minimal hurricane. Even if it comes ashore, tides and winds will, for a hurricane, be minimal." Forecasters said it was impossible to predict Ginny's course more than 12 hours ahead. Gale warnings were displayed from Jacksonville to Palm Beach this morning. Tides from nine to three feet above normal were expected along much of the coast from Florida to the Middle Atlantic States. Forecasters said tides five feet higher than normal were possible along the middle east coast of Florida tonight. After dawdling for three days, the announced purpose of Rusk's trip is to attend a meeting of American ambassadors stationed in Europe and to be on hand Sunday in Frankfurt for the dedication of a memorial fountain to George C. Marshall, the late secretary of state who chaired the Marshall Plan for postwar European recovery. Last week State Department press officer Robert McCloskey told a news conference that Rusk would "undoubtedly pay courtesy calls" on Ludwig Erhard, Germany's new chancellor; Konrad Adenauer, the former chancellor, and Foreign Minister Gerhard Schroeder. McCloskey said Rusk "does not plan any extended discussions with the German government."

US Launches Investigation Of Ship Strafing By Cuba

WASHINGTON (AP)—The government has launched an investigation of the strafing of an American-owned ship off the coast of Cuba early Tuesday morning. There is no doubt the strafing was carried out by Cuban planes. Although it did not identify the ship, Havana radio said its air force attacked a vessel in the area. The big question is why. Havana claimed the ship was carrying saboteurs and arms. However, it was learned elsewhere that the vessel, the bulk carrier J. Louis, was steaming from Ocho Rios, Jamaica, to Corpus Christi, Tex., with 31,000 tons of bauxite ore, the raw material for aluminum. The answer may be in an account given the New York Times by what the paper referred to as highly placed informants. According to this version, the J. Louis was attacked when she accidentally sailed into the thick of a fight between Cuban coast defenses and a raiding party of Cuban jets. Possibly four or five MIGs strafed the vessel because their Cuban pilot believed she was involved in an anti-Castro landing operation. The owners of the vessel reported no casualties during the hour-long attack. Flares were dropped to light up the target. Shells damaged the superstructure and hull and set up a fire in the forecastle of the 33,000-ton vessel. More may be known when the J. Louis, with its crew of about 50, arrives late tonight at Corpus Christi. The incident jarred the quiet Tuesday's first anniversary five-days but no moisture of late fall's Cuban crisis. State Department deplored "this unprovoked attack on a vessel navigating the high seas" and said it was investigating to see whether a U.S. protest would be made. Registered under the Liberian flag, the J. Louis is owned by Universe Tankships, Inc., of New York, and is chartered by Havana Steamship Co., a subsidiary of Reynolds Metals Co., as an ore carrier. Caribbean President Walter L. Rice said at Richmond, Va., that the J. Louis was unarmed and carried only its normal crew.

Count On Dry Texas Weather

By The Associated Press. You can count on Texas weather staying mostly dry and hotter than usual at least until early next week, the official forecasts advised Wednesday. As usual there was a shower or two somewhere in the state but no sign of enough rain to check persistent drought. El Paso and San Antonio had early morning showers. Corpus Christi received 1.02 inches of rain Tuesday—heavy by recent standards. President's Weather Bureau predicted widely scattered showers in most sections of Texas the next five days but no moisture of consequence. Temperatures were expected to run 1 to 3 degrees above normal in southern areas of the state and 3 to 11 degrees above normal in the north. Top marks Tuesday ranged from 88 degrees at Laredo down to 76 at El Paso.

Smugglers Formally Charged

LAREDO, Tex. (AP)—Eleven men and a woman are formally charged with smuggling guns and ammunition into Mexico in what customs agents describe as a \$1 million operation. The complaints were filed Tuesday as an outgrowth of weekend arrests on both sides of the international border. Authorities said four or five persons remain at large. Agents seized about 125 rounds of ammunition for .22, .38 and .45 caliber weapons, several guns and half a dozen cars which they said were fitted with secret compartments to haul illicit arms. Charges of conspiring to smuggle guns and ammunition likewise were filed. The complaints name Jorge Galvan, Omar Ramos, Anna Ramos, Gilberto Rios, Jose Manuel Ruiz, Rufus C. Postell, Neopoldo Ruiz Jr., Oscar Lopez, Claudio de la Rosa Felix Garcia Smith, Eustorgio Salinas Gonzalez and Mercedes Galvan.

Viet To Get US Food Cut

WASHINGTON (AP)—The United States plans to cut down on surplus food shipments to South Vietnam. The new economic pressure is part of a hardened policy, the object of which is persuading Vietnam President Ngo Dinh Diem to reverse what high State Department officials feel is a trend toward totalitarian government. Official Washington is equally concerned that Diem get on with the job of defeating the Viet Cong Communist guerrillas. The first evidence of the new policy was an announcement Monday that further financial support to the special force units controlled by Diem's influential brother, Ngo Dinh Nhu, will be withheld until the soldiers are assigned to war duty. Some of these crack paratroopers laid raids this summer against Buddhist pagodas. The planned food restrictions involve mostly wheat flour, cotton and milk. No negotiations on a 1964 aid program.

Lord Home Sheds Title

LONDON (AP)—Britain's new prime minister signed away his nobility today and became Sir Alec Frederick Douglas-Home. With a stroke of the pen, Lord Home shed four Scottish and English titles his family had collected in 300 years. A few hours later this disclaimer was officially acknowledged by the lord chancellor and the earl became a commoner, eligible to sit in the House of Commons. He has been called Alec for years and prefers the shorter form. He holds the title "Sir" Thistle. This is not a peerage. Home's historic act marked a new phase in the swiftly moving British political crisis. It was the prelude to his campaign to win a seat in the House of Commons through democratic election. By his act of renunciation he was a prime minister without a seat in the House of Lords, or the House of Commons, which peers may not enter. Constitutional authorities said they knew of no parallel in modern British political history.

Roberson Rites Set Thursday

MIAMI, Fla. (AP)—Funeral services will be conducted at 2 p.m. Thursday for Mr. John Frank Roberson, 55, of 1509 Twenty-seventh Street. Mr. Roberson, who was employed as the produce manager at Piggly Wiggly, died at 3 o'clock Wednesday morning at Coghel Hospital where he had been a patient for about 10 days. The services will be held at the First Baptist Church with the Rev. Allan Cartrite, pastor of the Greenhill Baptist Church officiating. He will be assisted by Dr. A. B. Lightfoot, First Baptist Church pastor. Burial will be in Lamesa under the direction of Bolger Funeral Home. Mr. Roberson was born Jan. 26, 1909, in Cleburne, and had been a resident of Snyder for the past nine years. He is survived by his wife, Mrs. Grace Roberson; three daughters, Mrs. Doyle Leaveland, Mrs. Karen Stephens of Lubbock, and Miss Starlene Roberson of Snyder; one son, John W. Roberson who is serving with the U. S. Army in Germany; two sisters, Mrs. Nora Willis of Salem, Ore. and Mrs. Lula Ross of Galveston; one brother, Melton Roberson of El Centro, Cal.; and five grandchildren. Pallbearers will be Frank Beevera, Robert Waggoner, Birdwell Burrey, Willie Don Rogers, Ray Belt and Paul Gil-

TWO SHARE PRIZE IN WEEKLY GRID PICKS

Sharp competition developed again last week in the Snyder Daily News football contest. As a result, there was another deadlock for first place. Sharing the prize money for the past week's contest are Sue Mahood, 2201 Forty-third Street, and Tim Punte, Gen. Del. They missed five selections each in the 28-game list. Deadlocked a step behind and just one out of the money with six misses each were four other contestants. They include Tom Duke, Clairemont Rt.; Gary Gallman, 3301 Avenue U; M. W. Howard, Bel Air Village; and Jimmy Kiker, 3505 Irving. Based on the contest entries, the tough ones last week were North Carolina's upset of North Carolina State, Maryland's victory of Air Force, Rice's win over SMU and Georgia Tech's surprise defeat at the hands of Auburn. Another contest gets underway today, and the list of games may be found in sponsor's advertisements on the contest page of this issue of The Snyder Daily News.

Lord Home Sheds Title

Farm, Ranch Day Set For Nov. 5

The third annual "Greater Snyder Area Farm and Ranch Recognition Day" has been scheduled for Tuesday, Nov. 5, the Chamber of Commerce has announced. The event will be held in Towle Memorial Park with festivities beginning at 7 p.m. in the county barn. It will feature a barbecue supper, which will be followed by a program. Principal speaker for the program will be Earl W. Sears of Dallas, supervisor of the Tri-State region of the National Cotton Council. The program also will feature a "Chinese Auction" of the first bale of cotton ginned in Scurry County this season. The sale was produced by Wayland Huddleston and was ginned by the Layfield Gin at Ira. Another portion of the program will be devoted to presentation of outstanding farmer and rancher awards by local organizations. The Upper Colorado Soil Conservation District (Scurry and Borden Counties) will present awards to the Outstanding Conservation Farmer and the Outstanding Conservation Rancher; the Downtown Lions Club will make an award to the Outstanding Conservation Farmer, and the Snyder Junior Chamber of Commerce will make an award to the Outstanding Young Farmer. Tickets for the event, including the barbecue supper, are priced at \$1.50 each. They are available at the Chamber of Commerce, the County Agent's Office and the Soil Conservation and ASCS offices. Chamber officials said all Snyder area residents are being urged to attend and demonstrate their recognition of agriculture's vital contribution to the community.

US Plans No Withdrawal Of European Based Troops

WASHINGTON (AP)—Secretary of State Dean Rusk will publicly announce in West Germany later this week that the United States has no intention of withdrawing any of its 250,000 troops now in Europe. The imminent Rusk statement, disclosed Tuesday night by a high-ranking U.S. official, is designed to dispel German concern that the current airlift of 14,500 American fighting men from Texas forwardships some future troop withdrawal. German suspicions were aroused by a speech Deputy Secretary of Defense Roswell L. Gilpatric made last Saturday in Chicago. The Big Lift exercise, he said, may enable the United States "to make some shifts in the form of our military presence" overseas. As a result, Gilpatric said, the United States "should be able to make useful reductions in its heavy overseas expenditures." Later it was learned the State Department had not agreed with that part of Gilpatric's speech but that its objections were overruled by the White House.

WEATHER

Snyder temperatures: High 81, low 59, Tuesday; High 80, low 58, Wednesday. Forecast: Partly cloudy, with light rain or drizzle tonight and tomorrow. A few showers in afternoon, mostly in north portion. Low tonight in 50s. High Thursday in 60s. Northwest Texas: Partly cloudy to clear this afternoon and Thursday. Low tonight in 40s. High Thursday in 50s. South Central Texas: Partly cloudy to clear tonight and Thursday. Low tonight in 50s. High Thursday in 60s. Southeast Texas: Partly cloudy and mild tonight and Thursday. Low tonight in 50s. High Thursday in 60s. Southwest Texas: Partly cloudy to clear and mild tonight and Thursday. Low tonight in 50s. High Thursday in 60s. South Texas: Partly cloudy and mild tonight and Thursday. Low tonight in 50s. High Thursday in 60s.

Men Remaining At Ft. Hood Have Big Job As 'Porters'

By CHARLES GREEN
CONNALLY AIR FORCE
 (AP)—Some enlisted men are being left behind as the 2nd Army's massive Exercise Big Lift, and seeing the others off with entailed backbreaking labor for the stay-at-homes.

Remaining at Ft. Hood, near here in Central Texas, are the soldiers due Army discharges before the division finishes maneuvers in Europe and starts home Nov. 15.

To these men fell the chore of loading baggage, equipment and ration into the 76 big transport planes which had taken off from Connally Air Force Base outside Waco by early today.

Sgt. James C. Swafford Jr., of Pikeville, Tenn., headed a nine-man detail which loaded eight aircraft between 4 and 11

p.m. yesterday. Six of those ships were giant C124s carrying up to 80 passengers.

"The difficulty is loading these men with about 50 pounds and the cartons of C rations weigh about 37 pounds," said Swafford, "so we're pretty bushed by the time we load one of those big ones."

"They have a loadmaster at each plane, a sergeant who tells us where to stack everything, but after the second or third plane we knew where to go better than they do."

"Yeah, this job wouldn't be so hard if we could load these planes the way they should be," put in Bob Bonasio, a specialist 4th class from Cape Canaveral, Fla. "But each aircraft commander wants it done different."

"The next to last one we loaded we had to do it all over again

because if we hadn't, that guy would have never gotten that plane's nose off the ground."

Swafford, a tank commander due his discharge early next month, peeled off his shirt and joined the rest of his detail in 44 minutes of arduous labor at a C124 departing before dawn.

"They stacked duffel bags in the center of the plane's barlike interior and lashed everything down with big straps."

The loaders were nearly exhausted by the time they finished. Several appeared so tired they barely were able to stand. They had been on this job since 10:30 p.m. Monday, working eight hours and then getting eight hours off.

Swafford said there had been only one delay of a plane loaded by his crew—about 10 minutes when the detail was ordered to reshuffle the cargo.

Bonasio, a competitive marksman for the Army, estimated he has traveled more than 400,000 miles in a three-year hitch to fire on countless Army rifle ranges. He's due to be discharged Nov. 13.

"I sure would like to go to Germany with the rest of the guys," said Bonasio, "but I like even better the thought of being a civilian when they get back."

Senatorial Candidate Speaks Here

Nearly 50 Scurry County conservatives and Republicans met Tuesday evening to hear an informal talk by Dr. Milton V. Davis, a candidate for U. S. Senator in the 1964 Texas Republican Primary.

In his remarks, Dr. Davis called for a reduction in foreign aid, and said that "foreign aid with borrowed money must be stopped."

He also called for the immediate cessation of aid to communist countries.

"I reject the notion that aid to Socialist countries will deter them from becoming communist," the doctor said.

In commenting on the United Nations, Dr. Davis said he felt that U. S. Government funds should be withheld from the U. N. until all members pay their dues or lose their right to vote in the U. N.

Dr. Davis said that in his opinion legislation by the congress will not be the answer to problems such as fair employment or the race relations problem.

Dr. Davis came to Snyder Tuesday morning. He visited with Republican leaders in Colorado City and Big Spring before returning to Snyder for last night's meeting. He returned to Dallas this morning.

The Scurry (Texas) County Times

Dear Abby...

By ABIGAIL VAN BUREN

DEAR ABBY: I have a problem I'll bet you've never heard of before. I want to take belly dancing lessons and I can't find any school that teaches it. I looked in the Yellow Pages under DANCING, BELLY and EGYPTIAN without success. I don't want to become a professional belly dancer. I just want to learn for my own satisfaction. Can you help me?

LORRAINE

DEAR LORRAINE: Place an ad in the classified section of this newspaper. I understand the results they get are right on the button.

DEAR ABBY: Our 17-year-old son bought himself a second-hand car with money he saved from working during the summer. A neighbor on our block told us that our son tears around at high speeds and is generally a reckless driver. Our son has never had a ticket (that we know about), but it is difficult to discount the report of an adult neighbor who would have nothing to gain by making up such a story. When we asked our son about this, he said he has never driven recklessly, and they must have confused him with somebody else. If he were your son, what would you do?

TRYING TO BE FAIR

DEAR TRYING: Nothing for the moment. If your son is a reckless driver, you will hear about it again, from the local police or another witness. Or you'll see it with your own eyes. There is a possibility that your neighbor is mistaken. When parents let their teen-agers know that their word is as good as an adult's, and they ARE trusted, it does more good than ten trips to the woodshed.

DEAR ABBY: I've always

HEIM: I think you're lucky. The check had been given to How would you like to find out Tony's 7-11.

Ezell was fined \$10 plus costs of \$26.35 and sentenced to 15 days in jail.

Freddie Ray James of Snyder changed an earlier plea of guilty to a plea of guilty on a charge of illegal sale of whisky and beer. James was fined \$200 plus costs of \$26.35. The charge had been filed by the sheriff's department.

Farm Bureau To Convene Thursday

The annual convention of the Scurry County Farm Bureau will be held Oct. 24 at the district courtroom in Snyder, according to C. H. Stull president. Meeting time is 7:30 p.m.

"This will be the most important meeting of the entire year for the local organization," the farm leader said. "Proposed resolutions on local, state and national matters will be voted on," he said.

Adopted resolutions dealing with local issues will become the policies of the county Farm Bureau to guide it during the coming year. Approved resolutions dealing with state and national matters will be forwarded as recommendations to the voting delegates of the state convention to be held Nov. 10-13 in Fort Worth. There they will be acted upon and either accepted, rejected or amended. Resolutions pertaining to state issues will become Texas Farm Bureau policies if adopted. Approved recommendations on national issues will be sent to the national convention in December in Chicago.

Only members of the Farm Bureau can participate in the organization's policy-making process which begins with the local county convention and culminates in the annual convention of the American Farm Bureau Federation. More than 1,600,000 farm families have an opportunity to have a voice in the formulation of the national Farm Bureau policies which are developed democratically through the series of conventions. Three out of every four organized farmers belong to Farm Bureau.

After the local county FB forms its recommendations on state and national issues, it sends voting delegates along with other county Farm Bureau representatives to the state convention. Each county's voting strength is based on its membership.

These representatives of county Farm Bureaus approve the state policies for 1964 and the recommendations to the national convention. The Texas Farm Bureau, in turn, sends

delegates based on its membership strength to the national convention where the national policies are adopted.

Texas, the fourth largest state Farm Bureau, has one of the largest voting blocs at the national convention.

Many important issues are confronting farm people now, and it is important for farmers to express themselves on these issues in a manner that will enable them to be heard, the county FB president said. He urged all members to attend the meeting and participate in the discussion and voting.

HOSPITAL NOTES

COGDELL HOSPITAL
ADMISSIONS: Naomi Pearl Huffman, 2701 Thury; Crystal Marie Wilson, 2313 Avenue X; Annie Lee Wasson, Box 875; Janice Ann Harrell, Hermleigh; Garza, Hermleigh; LeRoy Brown, 2810 Highland.

DISMISSALS: Alma Lois Snow; Bobby Gene Hataway; Meriz Ratliff; Richard Don Murphy; Maybelle Lack (transferred to Hendricks Hospital in Abilene by Bell Ambulance); Clifton Thomas; Jerry White; Mrs. Leo Paul Gibson and baby girl.

Looking Back

10 Years Ago
 From The Snyder Daily News Oct. 23, 1953
 A solid mass of clouds over the Snyder area threatened more rain today after a total of 2.1 inches fell yesterday afternoon and this morning. It was the biggest rain here since July 15, 1952.

WASHINGTON — Singer Julius La Rose prepared for a show-must-go-on performance tonight amid publicity ripples from his abrupt firing by Arthur Godfrey.

5 Years Ago
 From The Snyder Daily News Oct. 23, 1958
WACO — The 10th Court of Civil Appeals today refused to reconsider its earlier verdict denying women students admission to Texas A&M College.

Dick Hayes and Paul Stanley, the Nos. 1 and 2 Tiger ground gainers in games to date, should go over the 1,000 mark in yards gained between them in tomorrow's game with Colorado City.

Child Is Injured By Drivless Car

Raul Garza, one-year old son of Mr. and Mrs. Valentine Garza, received a severe head cut at about 5:30 p.m. Tuesday at his home near Hermleigh.

Sheriff Earl Abercrombie who investigated the accident, reported that the child and a brother were playing in front of the family car which had been improperly parked. The car rolled down a hill and struck the child.

He was taken to Cogdell Hospital by private car. The Garza family lives on the Cecil Hall place at Hermleigh.

Probation Revoked

Joe Costello of Snyder, who was serving a two-year probation sentence for injuring personal property, had his probation revoked this morning in 132nd District Court.

Wayland Holt, district attorney, presented evidence that Costello had violated his probation by being involved in a car theft and driving while intoxicated.

BIRTHS

Mr. and Mrs. Charles Stephens, Route 3, are the parents of an 8 lb. 12 1/2 oz. baby boy born at 3:36 p.m. Oct. 22 at Cogdell Hospital.

Roland Service In Merkel Today

Funeral services were set for 2 p.m. today in Merkel for Henry W. Roland, 58, of Odessa.

Mr. Roland, brother of Mrs. Lee Campbell of Snyder, died unexpectedly Monday afternoon in Merkel.

Watchman Gets Pie

WORCESTER, Mass. (AP)—Night watchman Dennis Tsourides, making his rounds at a bakery heard noise in the shipping room and went to investigate. He found a boy about 18 heading for the door with a lemon pie in his hand.

Tsourides tried to stop him and caught the pie full in the face. The boy escaped.

Snyder Junior 4-H Club Girls Make Candy

The Snyder Junior 4-H Club met at the County Extension office Tuesday.
Betty Sue Richardson and Keitha Collier were elected new recreation leaders. Miss Ruby Butts, county home demonstration agent, gave a demonstration on making easy-do chocolate fudge.
Best ways to use candy in the diet were discussed. The girls said they should not eat candy before meals because it keeps other good foods they need each day. Candy may also cause tooth decay when eaten at a time when the teeth cannot be brushed afterward.
Members present were: Debra Shelton, Connie Alexander, Jeanne Foster, Keitha Collier, Denise Yess, Patsy Ellington, Mary Hill, Betty Richardson, Jan and Judy Shelburne, Ginger Howell, Teresa Young, Mollie Love and one visitor, Patricia Garrett.

T. Millihollon Honored With Birthday Party

Terry Glenn Millihollon was honored with a treasure hunt and party last Friday on his birthday. The event was held at the Millihollon home.
Guests spending the night with an outdoor supper and 7 o'clock breakfast were: Tommy Cox, Terry Helm, Tommy Lindsey, William Hasco, Ricy Cox, Skeet Kimbrell, Kerry Adams, Don Sterling, Olvie Crawford and Kenrick Ray Graves.

Mr. And Mrs. Sheid Sr. To Observe Anniversary

Mr. and Mrs. J. O. Sheid, Sr., 1000 Twenty-eight Street will be honored Sunday, commemorating their golden wedding anniversary. The reception will be held from 2 to 5 p.m. in the community room of Snyder Savings & Loan.

Children of the couple will host the event and cordially invite friends and relatives to attend.

Mr. Sheid and the former, Margaret Annie Scott were married in Kirkland, Tex., on Oct. 30, 1913, a small town near Quanah. They are both native Texans and have resided in Scurry County for 41 years.

Iota Psi Chapter Has Model Meet

The Iota Psi Chapter of ESA met for a model meeting Monday night in the community room of Snyder Savings & Loan, with Mrs. Beverly Ainsworth as hostess.
The meeting was called to order with the opening ritual given by the President, Mary Pitner. The pledges were given

a brief history of ESA by Fay Dean Hart who also told about the purposes, scope and aims of the sorority.
The program "Patterns for Living", was presented by the Educational Director, Sue Mahood.
Refreshments of pie and coffee were served to the following members: Fayden Hart, Mary Pitner, Beverly Ainsworth, Etta Wilson, Anita Payne, Sue Mahood and Margaret Wood, and rushes: Edith Barker, Virginia Johnston, Virginia McMillan and Betty Hunter.

New Club To Form In Snyder

Plans are being made for the organization of a new club in Snyder. All ladies interested in losing weight are invited to join in TOPS. (take off pounds sensibly).

It is a national, non-profit organization of over 36,000 members, 67 nations wide, and was organized in 1948 in Milwaukee by Mrs. Esther S. Manz.

It is for purposes both educational and scientific for controlling weight imbalance and for studying its underlying causes of, and means for, the corrections of individual overweight, and to promote knowledge of, and means for the formation of social environments conducive to the control of harmful fluctuation in individuals.

Fat is an enemy and statistics show there are 35,000,000 Americans overweight.

TOPS club members try to control obesity, sensibly and safely by drawing inspiration from planned group therapy directed by TOPS Club Inc.

There are approximately 30 clubs in Texas and combined TOPS members lost a total of 374,961 pounds in 1962.

Any interested person wishing to join or form a club in Snyder is asked to call Mrs. J. E. Payne at HI 3-4178 after 2 p.m. Thursday.

Now... new name, new size, new style, new spirit, new car!

New CHEVELLE! by Chevrolet

Only this could come between Chevrolet and Chevy II.
The Chevelle is a highly polished car on a trim 116-inch wheelbase. With its weight down in the 3,000-pound range. All of which makes it a sweet-handling, easy-to-manuever automobile.
But it's roomy and relaxing inside, with the kind of ride you'd expect in a bigger car. And it's styled with a lively grace and refinements (note the curved side windows and pillars, for example) that make its modest price all the more remarkable.
A neat trick? We agree. But not so difficult really when you have the skills of seasoned Body by Fisher craftsmen to draw upon.
And the advantage of Full Coil suspension developed by the same engineering talent that came up with the Jet-smooth Chevrolet's ride.
And that irreplaceable Chevrolet spirit in a choice of four engines—V8 or 6—including optional-at-extra-cost versions all the way up to 220 hp.
Small wonder this one turned out the way it did.
Did we say one? Actually there are 11 models—wagons, sedans, sport coupes, convertibles—in three series.
Even some cars that have been around for quite a long time don't give you a choice like that.
Sound like something you ought to check into further? Consider this your invitation for a real hood-raising, door-slamming, seat-bouncing, wheel-turning time of it at your Chevrolet dealer's.

See five entirely different lines of cars at your Chevrolet Showroom—CHEVROLET, CHEVELLE, CHEVY II, CORVAIR & CORVETTE

THINGS DID LOOK ROSY!

Dream Bunny Is Bound To Supersede Model-T Woman

BY INEZ ROBB

Women, since Eve, have been externally unsatisfactory to man. If only he had been consulted in her creation, surely a more satisfactory product — a little longer. Members of my sex, as now constituted, should be prepared for the death ray at any time. It is the price we pay for stubbornly being ourselves and refusing to adapt to the bunny fantasy. As we cross the threshold, I suppose some of us will be taught to nod her head affirmatively, conversation could be eliminated altogether. Something tells me — my chobones I guess — that man is about to achieve the shorter ideal. And that spells the doom or end of woman as she is now constituted. The Model-T woman as she has existed since Garden is about to be replaced by a newer, younger, snappier and more silent model, satisfaction guaranteed or a new bunny on demand. The signs and portents are all around that science will soon achieve this miracle. Scientists are getting longer and closer to the basic ingredients of life. To his very source and chemical structure. A nation whose laboratories can produce a hydrogen bomb and electrically heated sex will ultimately produce the dream bunny. The difficult these laboratories achieve at once: the impossible only takes a little longer.

York newspapers, seemed quite appropriate and chic to me (Perish forbid I am committing my opinion of it!) So did the royal blue velvet turban worn by lawyer Gertrude Gottlieb. However, the judge thundered that such hats tended to "courtroom disruption and perversion" and were something "no self-respecting judge can tolerate." So, from now on the ladies will probably have to go into court in their hair. But then, women's hats have always been anathema to men. Most men are forced to make jokes about them rather than thunder over them. Judge Saypol is simply in a lucky spot. About the same time Judge Saypol was decrying feminine hats, Henry A. Barnes, traffic commissioner of New York, was once more attacking women drivers. This is the commissioner's tried-and-true tactic whenever he fails to solve another traffic problem. No one is going to miss the Model-T woman as much as Commissioner Barnes when the bunny wish is fulfilled and he can't becloud his frustrations by blaming my sex. And finally, it is reported in the Insider's Newsletter that a member of the U. S. Olympic party believes the women on the Olympic team are — well — there's no other word for it but impossible. He wants them all sent to a charm school before they are turned loose at the Olympics in Tokyo next year. It is obvious that the American woman has had it. The

Junior Editors Quiz on THREAD

QUESTION: How is thread made?

ANSWER: As long as primitive men had only skins hung around their bodies for clothing (A) they were living almost like animals. But then they found they could take natural fibers from plants and, by twisting them together, make strong threads. They found it possible to weave a number of threads together, and with this discovery of cloth for clothing men became much more comfortable and more civilized. At the same time, the idea of using needles of wood or bone allowed the womenfolk to make clothes for the whole family. Cotton fiber, of the long fibered Sea Island kind, is most commonly used in thread making. The fibers are first cleaned and combed. Then they are pressed together into "blackets," the fibers combed straight and rolled into yarn coils (C). After this the fibers are drawn from the coils and twisted together on machines to make thread which is wound on spindles. Then it goes through a bleaching and dying process and is finally wound on spools. Nylon and rayon thread is made of man-made fiber and is easier to manufacture since it does not have to be combed and pressed. It is also very strong and durable.

FOR YOU TO DO: Take a short piece of thread and untwist it. You will probably find three distinct threads. Cut one of these free and untwist it and you should be able to see the many tiny delicate fibers which unite to form thread. Hold over a sheet of white paper to see them well.

(Carol Waters of Kimberlin, Pa., wins today's grand prize of a 20-volume set of the World Book Encyclopedia for this question. Mail yours on a postcard to Junior Editors in care of this newspaper, and you may win a set, too.)

Interesting People On All Corners

By CHARLES T. BURNS
BOSTON (AP)—When you're in the news business, a lot of people on learning how you're making a living exclaim something like: "Boy, you get to meet a lot of interesting people, don't you?" Well, let's see.

There was the time in Newark, N.J. It was our custom to eat in a certain downtown restaurant. One night, a friend pointed across the room and said "there's Dutch Schultz." It could just as well have been some German braumeister to us, but that name came up recently during the testimony of gangland informant Joseph Valachi.

Within a couple of weeks Schultz, or more accurately, Arthur Fleigeneimer, was forced a lot of lead, right in that restaurant.

Seems you do run into all kinds, at that. Again, maybe this is an odd-when recalling. In 1933, when former President Calvin Coolidge died, it was the custom and probably still is, to sound minute guns all day at military installations around the world on the presidential funeral day.

And, at formal retreat, to let go with a volley of 48 rounds it must be 50 now since it is meant to signify the sorrow of all the states. Anyhow, at Schofield Barracks in the now-state of Hawaii, the volley went off at retreat per regulations.

And, with the sound of the last shot, the rope holding the flag broke and the national banner fluttered to the ground. Any significance comes from the fact that Schofield Barracks was the last place under the American flag to perform the ritual that day.

Then there was the woman who took a rather morbid view of old age. Upon her 111th birthday, a reporter asked the usual question about how she had lived so long.

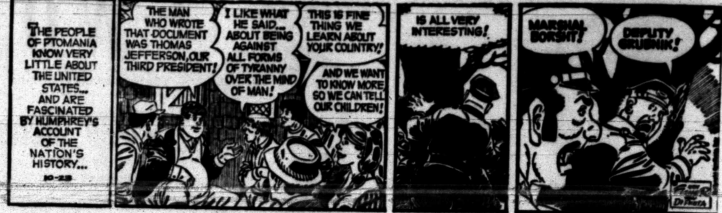

"I'm the woman God forgot," was the devastating reply. There are times in a newsman's career when he's out of work. And before public relations came to be a big thing, the only way to get a job was to travel around to the newspapers. During one such hiatus, there was an eyebrow lifting incident in a scrubby little restaurant in Nevada.

The man who had given the out-of-work journalist a lift in a ranch truck through the mountains insisted on buying lunch for his traveling guest, himself, and his son.

The driver had repeatedly told how you get three times the good you dispense. Came lunch at 35 cents each — total \$1.05.

Then, the philosophical, but chance-taking benefactor, threw a nickel into the slot machine. old, unreliable Model-T must go. Ring in the bunny man is only going to miss the old model. Then, like Commissioner Barnes, he has to find a scapegoat for all the slings and arrows of outrageous fate that beset him.

QUARTERBACK CONFERENCE—University of Texas Coach Darrell Royal (right), holds a practice field conference with quarterbacks Duke Carlisle, Marvin Kristy-nik and Tommy Wade (left to right) on the practice field. Texas, rated as the top college football team in the nation for the second straight week, meets Rice at Austin Saturday night. (AP Wirephoto)

District Races Take Spotlight Of Week

By The Associated Press
Texas schoolboy football thunders into the heart of the conference race this week with 41 of the 46 undefeated, untied teams putting their records on the line.

The carnage could be fierce. At least a dozen teams appear likely to fall, but of more interest will be what goes on in the district races.

For the first time this season all the 96 districts of the four classes that play to state championships have conference games. It's the big shove-off toward district titles that will qualify teams for state playoffs.

Two unbeaten, untied Class AAAA clubs appear in some danger as Corpus Christi Carroll plays old local enemy Miller and Galena Park, ranked No. 1 in the state, faces Baytown.

Others with perfect records are Amarillo Tascosa, South Oak Cliff, Tyler Lee, San Antonio Highlands and San Antonio Lee.

San Angelo, rated No. 2 in Class AAAA, has an important conference game with Abilene. Neither is unbeaten but the winner will become one of the title favorites.

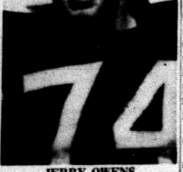

Seven undefeated, untied teams in Class AAA have games but none seems to face any particular trouble. Dumas, the No. 1 outfit and two-time defending champion, starts the district race in a clash with Levelland.

Phillips, Corsicana, LaMarque, Austin Lanier, South San Antonio and Graham are others with unsullied records which play this week. Lampasas and Gonzales are idle.

Class AA boasts 15 unbeaten, untied teams. The one in the most danger of falling is La Feria, which plays unbeaten but one-tied Edcouch-Elsa in a top conference game.

Class A also has 15 with spotless records and at least two could fall and occasion no surprise. Tidehaven might lose to Pearland and Louise might take the count before East Bernard.

Know The Tigers

A senior Tiger that gets a great deal of experience at the tackle position is Jerry Owens. Jerry, who weighs in around the 180 pound mark usually does the kicking off for Snyder.

SPORTS

The Snyder (Texas) Daily News, Wed., Oct. 23, 1963

New Schedule Is Set For District

The Snyder Tigers will host Sweetwater, Levelland and Littlefield in conference games next season and meet the other three District 3-AAA teams on the road.

The conference schedules were drawn up at a district meeting held here Tuesday.

A complete re-drawing of district games was required, since two new teams are coming into the district and one present member is withdrawing.

Levelland and Littlefield, now members of District 1-AAA, will join this district next season, while Colorado City, now a member of this district, is dropping back to Class AA.

The schedule alignment worked out here Tuesday will be reversed as to home sites in 1965, since the district's membership will remain unchanged for a two-year period.

Mishaps Mar Two Hunts

PAGOSA SPRINGS, Colo. (AP)—One Texas hunter was killed and another critically wounded Tuesday in separate hunting accidents in Southern Colorado.

Beaufort Ischy, 36, of Austin was shot in the back and killed. John Sanchez, 36, of El Paso accidentally shot Gail Thorsan of El Paso.

A companion of Ischy, Gene Daniels of Austin, found the body. They had been hunting together at the head of Mill Creek in rugged mountains 15 miles east of Pagosa Springs. A corner said a bullet from a high-powered rifle passed through Ischy's body.

Thorsan was critically wounded near Elyan Creek east of Dove Creek. Sanchez and a companion said they fired at what appeared to be a deer, and it disappeared. They changed positions and Sanchez shot once more. His bullet struck Thorsan in the stomach.

Three Titles Going On Line In Mexico

MEXICO CITY (AP)—A boxing program in which three national titles will be contested has been scheduled Nov. 30.

Champions who will put their crowns on the line are welterweight Jorge Gutierrez, lightweight Efran Torres and flyweight Jorge Gutierrez and flyweight Efran Torres will fight. Battling Torres, Jorge Gutierrez will fight Jose Luis Cruz and Efran Torres will fight Fabian Esquivel.

All Local Junior Highs Due Action

All six of Snyder's junior high football teams will see action Thursday, three of them at home and three on the road.

The junior high bill here will get underway at 5 p.m. when Travis 7th grade team entertains Lamesa 7th.

At 6:30 p.m. Travis 8th will be host to Lamesa 8th, and at 8 p.m. Lamar 9th will round out the week's home slate when it meets Big Spring Rummels.

On the road, Lamar 7th and Lamar 8th both will be in Big Spring to meet Rummels teams at 5 p.m. and 6:30 p.m. respectively, while Travis 9th will travel to Colorado City for a 5:30 engagement.

In 27 games so far this season, local junior high teams have won 25, lost 1 and tied one. The 7th and 8th grade teams of both Lamar and Travis are unbeaten and untied, while Lamar 9th has one tie on its record. Travis 9th has the lone defeat.

Navy Still Tops Gains

NEW YORK (AP)—Going by the figures, three of the most interesting college football games this weekend should be Navy vs. Pittsburgh, Nebraska vs. Colorado and Syracuse vs. Oregon State.

Statistics released by the NCAA Service Bureau today show that Navy still is the nation's top team in total offense, a position it has held all season, and Pitt is No. 5.

Nebraska has moved to the top in rushing offense and Syracuse is No. 2. Like Nebraska, Colorado is a team that has moved almost entirely on the ground. Between them, they have thrown only 86 passes. Oregon State will send an air-minded offense against Syracuse. The Beavers are 12th in passing and total offense and have completed 11 touchdown passes this season.

Nebraska and Syracuse each has rushed 261 times in five games. Nebraska for a 282.2 yard average and Syracuse for 264.2.

In total offense, Navy has averaged 408.8 yards a game for five games. Pitt's average is just 30 yards less over a four-game span.

Jim Taylor Criticized

ST. LOUIS (AP)—Coach Wal-ly Lemm of the St. Louis Cardinals criticized fullback Jim Taylor of Green Bay Tuesday for what he called unnecessary kicking and crawling after a tackle.

"Taylor is always complaining to the officials because three or four men fall on him and hold him after he is brought down," Lemm said. "But you have to pin him down and hold him there because he kicks and picks up extra yardage by crawling."

Taylor was warned several times by the officials Sunday in the Packers' 29-7 victory over the Cardinals, but a penalty never was called. However, several roughing penalties were called against St. Louis.

Know The B Team

Rodney Gray is a 145-pound junior who plays halfback for the Snyder B Team. He is the son of Mr. and Mrs. Paul N. Gray of Route One. The Grays moved to Snyder from Goldsmith in 1952.

Rodney is a member of the Thespians, Spanish Club, Future Teachers Association, and the Student Council. He is planning on majoring in electronic engineering, but is undecided between Rice, Texas Tech and the University of Houston.

Longhorns Are Expected To Get Revenge For Tie

NEW YORK (AP)—Chancellor Lichfield called a press conference last week and formally turned the unbeaten Pittsburgh football team back over to Coach John Michelosen.

It is just the Panthers hard luck that this weekend they are the guests of Navy, where Coach Wayne Hardin has turned the offense over to Roger Staubach, the Middies' scrambling quarterback. He'll find a way of putting the first defeat on the Pitt record.

A week ago, there were 42 correct picks out of 50 decisions for an \$40 average. That lifted the season's figures to 185-63 for 740.

Here are the other winners this weekend:

Wisconsin over Ohio State: Harold Brandt's passing reminded the Buckeyes of last week's massacre by Southern California.

Illinois over UCLA: The Illini youngsters have played the more rugged schedule and have the better record. This is a Friday night affair.

Mississippi over Vanderbilt: Vanderbilt has scored only three touchdowns in five games.

Alabama over Houston: Joe Namath and Mike Fracchia will produce a topside Alabama triumph.

Oklahoma over Kansas State: Jim Grisham to romp through the tissue-thin Kansas State line.

Northwestern over Michigan State: The home field gives Tom Myers and his Northwestern mates a slight edge. They will need it.

Syracuse over Oregon State: The Gophers' Vern Burke likely will be the game's outstanding player but Syracuse has the better all-around equipment.

Southern California over California: The Trojans can tap into their year of a week ago against Ohio State and still master the Bears by the margin of a field goal.

North Carolina State over Duke: State's powerful interior linemen should pull this one out for the benefit of the Raleigh crowd.

Florida over Louisiana State: Florida's walking wounded have recovered since spilling Alabama but LSU's Pat Scriven is out of action.

Notre Dame over Stanford: The Irish get tougher each week. You can see for yourself on the television screen.

Missouri over Iowa State: The Tigers haven't been stopped since their opening game.

Skiping over the others in a hurry:

FRIDAY NIGHT
Virginia Military over Richmond.

SATURDAY
EAST: Army over Washington State, Massachusetts over Boston University, Brown over Rhode Island, Columbia over Lehigh, Delaware over Connecticut, Dartmouth over Harvard, Penn State over West Virginia, Penn over Rutgers, Princeton over Cornell, Yale over Colgate.

SOUTH: The Citadel over Furman, Florida State over Virginia Tech, Georgia over Kentucky, Memphis State over Mississippi State, North Carolina over South Carolina, Tennessee

over Chattanooga, Georgia Tech over Tulane, Clemson over Virginia, Maryland over Wake Forest, Williams over Mary over George Washington.

MIDWEST: Dayton over Detroit, Indiana over Cincinnati, Kansas over Oklahoma State, Bowling Green over Kent, Louisville over Marshall, Minnesota over Michigan, Nebraska over Colorado, Purdue over Iowa, Xavier, Ohio over Villanova, Miami, Ohio over Ohio University.

SOUTHWEST: Arkansas over Tulsa, Wichita over North Texas State, Southern Methodist over Texas Tech, Baylor over Texas A&M, West Texas State over Arizona.

FAR WEST: Air Force over Boston College, Texas Western over Colorado State, Idaho over San Jose State, New Mexico over Montana, New Mexico State over Hardin-Simmons, Utah State over Pacific, Wyoming over Utah.

Frogs Down Colts, 12-6

The league-leading Colts suffered their first defeat in Boys Club Pee Wee Football League play Tuesday afternoon when the frogs took a 12-6 decision.

The Colts lost put the standings in a jumble and focused attention on next week's Colts-Hotshot game. The Colts have now won three, lost one and tied one, while the Hotshots have won one, lost none and tied three. The Hotshots will meet the Bears, who have four losses, Thursday afternoon.

The Frogs have now won two, lost one and tied two. In Tuesday's game the Frogs pushed over a touchdown in the first quarter when Lee McNear carried across from the one yard line. The Frogs upped their margin to 12-0 in the third period when McNear scored again on a 17-yard run. Both attempts for extra points failed.

The Colts scored their touchdown in the first quarter when Mark Gilstrap to Billy Bowden. The play carried into the end zone from two yards out.

Leading ground gainers for the Frogs were McNear and Davis Clemens. Top blockers were Clemens, Randy Beard, Ronnie Watkins, and Keith Boomer, while leading Frog tacklers were Boomer, Ronald Ward, Chris Lehman and Delbert Hrist.

Gilstrap and Cliff Voss were top ground gainers for the Colts. Top blockers were Bill Wilson, Bruce Almond, Wesley Bishop, and leading tacklers were Larry Allen, Lew Capote, Jamie Boren and Bruce Bell.

Hamey, who has spent 23 of his 38 years in baseball in the Yankee organization, will remain in an advisory capacity for the next five years.

The AP informant said Berra was chosen because of "his keen mind, sound baseball theories, ability to get along with people and general popularity."

Houk was given a four-year contract calling for an annual salary of \$30,000. Berra, who has been earning from \$40,000

to \$50,000 a year as a player for the past eight or nine years, is expected to sign a two-year contract for around \$45,000.

"I accepted the front office job because it presents a challenge to me," said Houk. "I just hope I can do the job for the next manager as well as Hamey has done for me."

Houk, 44, received his promotion Tuesday. The announcement of the 28-year-old Berra's appointment as the 17th manager in Yankee history is expected to be made at a news conference Thursday.

A Houk-Berra combination would form the youngest front office and field tandem in baseball.

All principals except Berra were present Tuesday at an elaborate news conference in a plush midtown hotel where Roy Hamey tearfully announced his retirement as general manager and club president Dan Topping named Houk as Hamey's successor.

Houk, who led the club to three pennants and two World Series championships in three years at the helm, acknowledged his successor had been chosen but refused to reveal his identity.

Another Yankee official, however, informed The Associated Press that Berra was the man Yogi, who served a year's apprenticeship as a coach last season, in his 17th year with the Yankees, could not be reached for comment.

HERE ARE THE RULES OF THE CONTEST
 In each advertisement on this page you will find the contestants in a prominent football game being played in the country this week-end. Get an entry blank from one of the merchants who are helping sponsor this contest and whose message is on this page. Fill in your selection of the WINNING TEAM only ... opposite the name of the firm on the entry blank. Then send your complete blank to FOOTBALL CONTEST EDITOR, THE SNYDER DAILY NEWS. Entries must be in the hands of the editor by 12 o'clock noon, Friday. Games ending in a tie score must be specified as a tie or else it will be considered a miss.
 If there is a tie for first place the winners will divide the cash money of \$12.50 and no second prize will be given. If there is a first place winner and a tie for second place, the second prize winners will divide the money for the place. If more than two persons tie for second place, no second prize money will be awarded and the cash will be added to next week's prize. Tie for perfect score will split \$25.00. There will be fun for the entire family. Only one entry blank will be permitted from any one person. More than one will disqualify all of the person's entries. Scores listed on the entry blank will have no bearing on the choice of the winner. Sign your entry blank and list your address and phone number - and watch for the story on next Wednesday's front page for the winners. Hurry now, and get your entry blank from one of the merchants on this page. The contest blank must be in your own handwriting. Employees of The Snyder Daily News and their families are not eligible to enter.

Sen. Ratliff Presents Both Sides Of Amendment Issues

State Senator David Ratliff of Stamford spoke to the regular noon meeting of the Lions Club Tuesday.

Sen. Ratliff discussed the proposed constitutional amendments on which Texas voters will cast their ballots on Nov. 5.

Starting with amendment No. 4, the senator gave the "For" and "Against" arguments for each of the four amendments.

Amendment No. 4 calls for authorizing an increase of \$10 million, to a total of \$50 million, in bonds or obligations that may be issued by the Veterans Land Board.

Sen. Ratliff said that the arguments for passage of the amendment included the fact that the veterans land program is a stimulant to the Texas economy; that it rewards the veteran for his wartime service; that it costs the taxpayer nothing since the one per cent difference in interest paid and the interest received makes for a credit balance for the state; and that 500 loans were processed each month last year, but one million Texas veterans still had not applied for a loan.

Arguments against Amendment No. 4 included the argument that the state has been in the loan business long enough, and that the land program is unfair to private enterprise. Also, since the program has been in effect over eight years, most veterans who want to apply for loans have already had time to do so, and those now who apply will largely be those who want only a week-end retreat.

Amendment No. 2 authorizes each political subdivision in Jefferson County to establish a retirement, disability and death compensation fund for appointive officers and employees.

Arguments for the amendment are that the people of that country should be permitted the type of retirement system they desire, especially since the fund would be regulated as to the safe investment of the monies in governmental bonds.

Arguments against the proposed amendment are that governing bodies at the local level lack the experience necessary for the operation of complicated retirement programs, and that this amendment's passage could open the door for the rest of the 254 Texas counties to ask for similar privileges.

Amendment No. 2 calls for

Atlantic States Get Some Rain

CHICAGO (AP) — Cloudy and rainy weather covered areas in the southern half of the Atlantic states and across northwest sections today but it was fairly mild and dry in most other parts of the nation.

The overcast, wet weather in the Southeast was associated with Hurricane Ginny, the season's seventh tropical storm which is centered some 250 miles east of Daytona Beach, Fla., and moving southwestward. It was expected to hit the Florida east coast tonight. Rains in the Southeast were light.

Stormy weather, with heavy rains and gale-force winds which hit areas along the Oregon coast, moved eastward during the night. Rain fell in scattered sections from northern California to northwest Montana.

Not much relief was indicated immediately in the prolonged severe drought and forest fires in areas from the southern Plains to New England. Dry and mild weather was reported in most areas with unseasonably high temperatures in central sections.

The big game hunting season, scheduled to start Friday in New York State, was not expected to open because of the recent order closing woodland areas because of serious forest fires. State officials reported 25 new fires Tuesday with 94 still burning and a total of 503 since Oct. 1. No rain was in prospect immediately.

In West Virginia 62 new fires in woodland areas were reported. One, within a mile of the statehouse in Charleston, threatened an abandoned sanitarium and several homes. State conservation officials described the forest fires critical through the southern part of the state.

In Arkansas, hunting in 10 eastern counties was banned because of an acute fire threat.

Broadway Show Said 'Tasteless'

By WILLIAM GLOVER

Associated Press Drama Critic NEW YORK (AP)—As Broadway entertainment, "A Rainy Day in Newark" is all wet.

The item, described on the program as a comedy by Howard Teichmann, unfolded Tuesday night at the Belasco. Teichmann's contribution some seasons back of a satiric hit entitled "The Solid Gold Cadillac," wields a rusty gem of irony in this labor-management piece. Some attempts at wit are grimly tasteless.

Eddie Mayhoff and Dody Goodman battle as a union boss and the wife dame who turns a profitless clock plant over to him. Assisting are such capable performers as Zachary Scott, Mary McCarty, Gene Hackman and Tom Ahearne.

The rather insubstantial humor of the basic idea isn't helped with side efforts at mirth like: "My father was an Elk and he never got over it."

Mayhoff strives hard to help such lines. He pivots his vast law, pops his eyes and indulges in varied vocal effects.

In the circumstances, Albert Marre's inert direction is excusable.

One member of the cast has appeared in four previous Broadway shows, all flops. This one isn't apt to snap the string.

Checks Bounce High

SAN FRANCISCO (AP) — More checks are bouncing higher than ever a police chief said Tuesday, and, what's more, the bankers and, what's more, the fellow chiefs meeting with the convention of the League of California Cities that bun, check passers are bolting all over the landscape because the bankers give accounts to almost anyone.

Absentee balloting on the four tag. Backers of the amendment show that in 1960 in Alameda a poll tax state, only 14 per cent of the population, though, no one had yet cast an over 21 voted, while in Minnesota absentee ballot.

Heart Research Prospects Main Topic Of Convention

What advances in the treatment and prevention of heart disease can be expected in the next ten years? Will man's cardiovascular system be able to meet the challenge of space flight? These and other subjects

Quint's Home Top Secret

ABERDEEN, S.D. (AP) — When the Fischer quintuplets are sent home from the hospital they'll go to a house with a big nursery in the northwest part of town.

The location is still secret, but it was announced Tuesday that the temporary quarters will be used by Mr. and Mrs. Andrew Fischer and their 10 children until a new \$100,000 house given them by the city is completed.

The babies continue to do well in St. Luke's Hospital, where only the smallest, Mary Ann, remains in an Isolette.

They Have Everything A Family Could Need

BALTIMORE (AP) — What more could a household want which has an amateur radio transmitter, three ducks, 24 turtles, parakeets, tropical fish, fish, sand crabs and a dog.

Why a church organ, of course.

Donald H. Smith Jr., 19, a college sophomore, has been re-assembling a 46-year-old organ in the basement.

"You never saw such a mess spread all over the house," said his mother, referring to 300 pipes ranging in length from an inch to 10 feet, a motor and compressor which required four men to move.

Then Mrs. Smith added: "We're a crazy family, but we have fun."

will be discussed by a group of noted authorities at a special program, "The Next Ten Years," to be presented Sunday at the American Heart Association's annual meeting in Los Angeles.

The meeting opens at the Biltmore Hotel on Friday morning, with three days of scientific sessions. One the two preceding days a special scientific program will be conducted by the Association's Council on Arteriosclerosis, also at the Biltmore Hotel.

"The Next Ten Years" program is scheduled for Sunday afternoon, Oct. 27. Under the chairmanship of Dr. James V. Warren of Columbus, Ohio, AHA President, six leading authorities will review recent cardiovascular progress and anticipate gains which may be forthcoming by 1974, the 50th anniversary of the Association's founding.

Scheduled for discussion are the questions: "Man in Space—Can man's cardiovascular system withstand the challenge of space exploration?" and "Man on Earth—What changes in man's environment and behavior will be needed for longer life?" These subjects will be handled respectively by Dr. Charles A. Berry, Chief of the Manned Spacecraft Center Medical Operations Office of the National Aeronautics and Space Administration, Houston, and Dr. Irvine H. Page, Director of Research at the Cleveland Clinic.

Other participants and their topics are: Dr. Robert A. Good, Minneapolis, "The Immunity Barrier," with emphasis on the prospects for transplanting human organs; Dr. Michael E. DeBakey, Houston, "Cardiovascular Surgery"; Dr. Lysle Peterson, Philadelphia, "Electronics" and

its potentials for cardiovascular medicine; and Chauncey D. Leake, Ph. D., San Francisco, "Drug Therapy."

Approximately 200 original scientific papers will be presented in the course of the Scientific Sessions. Six sessions of special interest to the practicing physician have been included. Sessions devoted to various specialized aspects of cardiovascular research and practice will run simultaneously.

Home's Group Loses Votes

BELFAST, Northern Ireland (AP)—Lord Home's Conservative government dropped more than 12,000 votes Tuesday but held on to a safe seat in a special election for the House of Commons.

Ratton Pounder, Ulster Unionist candidate and a supporter of Lord Home, polled 17,900 votes to defeat Laborite Norman Seagriff, 7,200, and Liberal Bert Hamilton, 2,774.

The election was caused by the death of Sir David Campbell, who in the 1959 general election polled 30,164 votes against 9,318 for Labor, 3,253 for the Liberal and 434 for an Irish nationalist candidate.

Continental's Earnings Reported

HOUSTON (AP) — Continental Oil Co. has reported record earnings and operating volume for both the third quarter and the first nine months of 1963.

Net income for Continental and its consolidated subsidiaries rose to \$21.2 million in the third quarter, an increase of 25 per cent over the \$17 million in the same period last year.

Earnings for nine months were \$67.5 million, or 28 per cent more than the \$52.9 million earned in the same period of 1962.

Net income per common share amounted to 94 cents for the third quarter of 1963, compared to 75 cents for the same period in 1962. For the first nine months, net income equaled \$3 a share in 1963 and \$2.33 in 1962.

L. F. McCollum, president, said Tuesday factors that contributed to greater earnings in the third quarter include expanded sales of Libyan crude oil, a special dividend of \$2.6 million from a non-consolidated domestic affiliate, and larger sales of refined products.

The Atlantic City boardwalk was opened in 1870 and was a mile long and eight feet wide. Gyroplanes can be airborne at speeds as low as 25 miles an hour or fly as fast as 75 miles an hour.
