## Reading program to be initiated

The trustees of Lockney School Board met for their regular monthly meeting December 13, at 6:00 p.m.

Becky Luske and Arlon Gilbert, representatives of the firm of Bolinger, Segars, Gilbert and Moss, met with the board members and explained the 1989-90 audit report. After discussion the audit was approved, as presented, by the board members.

The trustees approved an increase of 4¢ in travel expense, from 21¢ to 25¢.

The board members also agreed to allowing Lockney ISD to join in with Texas Tech University in applying for an innovation grant fund that was allocated through Senate Bill I.

Asked later about the funding for the school, Mrs. Evans, the Lockney Elementary School principal explained, "this is a consortium effort with Texas Tech University and Lockney Elementary to apply for funding to train teachers in the reading recovery program."

"It is a one on one remedial reading program that takes 30 minutes a day with one teacher and one student. It is targeted for the second grade.

"Because the program originated in New Zealand it will be in cooperation with teachers in New Zealand. Some of our teachers would go to New Zealand for training in the summer, and in the fall, the New Zealand teachers would come here for follow up.

"In New Zealand they have a 98% literacy rate. Their program starts in the 1st grade. They feel if you have not taught the children before they enter the third grade you won't be able to reach them as well.

"The whole state of Ohio has adopted the reading recovery program and it has been very successful. Other than a few other schools that have the program, we will be the only ones in the area that have it. We could be a pioneer in the area," said Evans.

The school should be notified by January 31 if the funding has been approved.

The board meeting was adjourned earlier than usual, at 7:00 p.m., so the trustees could attend the school Christmas party.

## Jerry Edwards gives program to Rotary

Sgt. Jerry Edwards, of the Lockney Police Department, was the guest speaker of the Lockney Rotary Club, Friday, December 14.

Recently certified as an instructor of the Texas Hunter Education Program, Edwards briefed those present about the new laws governing hunting licenses and the importance of hunter safety and ethics.

Edwards told the Rotarians the program he is now teaching, is funded by federal excise tax on guns and fishing licenses and equipment. The program is mandatory for hunters whose date of birth is on or after September 2, 1971, and involves 10 hours of required classroom instruction. The fee for the course is \$5.00, which covers the cost of the materials.

Edwards is voluntarily teaching the course.

"We hope to build better relationships between hunters and landowners by teaching hunters about safety and ethics," said Edwards.

Those exempt from having to take the course include hunters whose date of birth is on or before September 1, 1971; hunters who have been certified in the voluntary Texas Hunter Safety Pro-

gram; hunters who have been certified through another state's resource agency and hunters under 17 years of age whose date of birth is on or after September 2, 1971 when accompanied by a licensed hunter 17 years of age or older.

Hunters under 12 years of age must be accompanied by a licensed hunter 17 years of age or older. This means they must be within normal voice distance and control of the adult. Leaving the youngster in a stand while sitting in another stand is not legal in Texas.

The minimum age of a person who can take the course is 12 years of age.

Those under 12 may attend and receive recognition of attendance, but must re-take the course after turning 12.

"The course includes a variety of topics, such as: hunter safety and responsibility, wildlife conservation, management and identification, hunting rules and regulations, firearm handling and ammunition basics; game and gun care, archery, muzzleloading and handgun basics, survival, map and compass, and wilderness first aid.

Edwards also showed an entertaining movie, entitled, "Shoot, Don't Shoot." The movie shows numerous scenarios

*Merry Christmas*

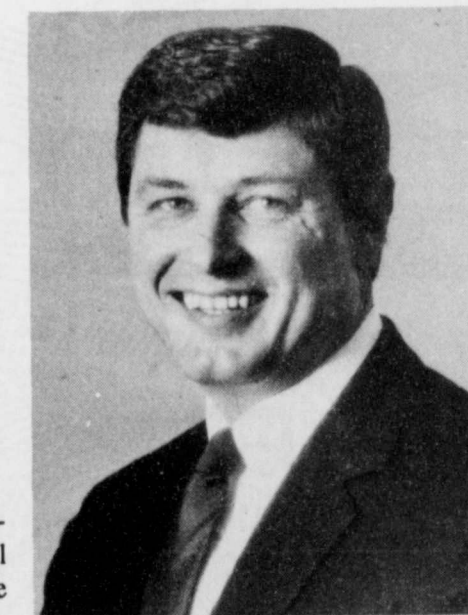

that call for audience participation, in which you are the hunter and must choose when it is safe to pull the trigger. This movie is also shown in the Hunter Education Program.

Anyone wishing to sign up for the program should contact Sgt. Edwards or the Lockney Police Department.

Information about your changing telephone service from Jim West, Area Manager

## PUC approves landmark \$1.2 billion consumer package

On November 28, the Texas Public Utility Commission approved an agreement between Southwestern Bell Telephone and 24 other parties which will boost the Texas economy and provide customer benefits worth more than \$1.2 billion during the next four years.

Originally called Texas First, the negotiated settlement was the culmination of nearly two years of intense discussion among PUC staff, Southwestern Bell and the 25 intervening groups. It represents a turning point for telecommunications in Texas.

### A Win for Texas

Under the terms of the settlement, our Texas customers will receive the largest telephone rate reduction in the history of the PUC. This agreement benefits every telephone customer in every community of Texas. It also provides us an incentive to modernize our statewide network without increasing your basic telephone costs.

### Highlights of the agreement

- ▶ A one-time credit to all residential and business customers beginning with bills received in December.
- ▶ A four-year cap on basic local telephone service rates.
- ▶ Rate reductions on several monthly service items, including Touch-tone.
- ▶ Reduction in residence service connection charges.
- ▶ Reductions in Southwestern Bell's long distance, WATS and 800-service rates.
- ▶ Reduced access charges to long distance companies, with flow-through of resulting savings to many long distance customers.
- ▶ A Lifeline program for eligible low-income customers providing a \$7.00 monthly discount.
- ▶ Elimination of party-line service with no associated rate increase for existing customers.
- ▶ Elimination of monthly mileage charges now paid by rural customers who live outside the base rate calling area.
- ▶ Expanded optional toll-free calling to 32 cities around Austin, Dallas, Fort Worth, Houston and San Antonio.
- ▶ A flexible earnings range for Southwestern Bell in Texas.
- ▶ Opportunity for customers to share in profits earned by the company over the next four years.

### When do benefits begin?

The benefits of the agreement have already begun! The one-time credit should appear on your December bill. The reduction in Touch-tone monthly charges and long distance should begin in days. And, you can count on your basic local service rate not to increase for the next four years.

Other more complex changes will, obviously, take a little more time to complete. The elimination of party-line service and mileage charges for customers outside the base rate calling area as well as installation of new central office equipment will take place throughout the next 48 months. Don't worry. We'll be providing you specific information well before the effective dates.

### What does this plan mean to our community?

The agreement gives our community an even stronger sense of certainty. We know that we can count on the benefits of the approved program and plan accordingly. That goes a long way in helping us compete with other areas for new businesses. After all, with a first class telecommunications network in place, we increase the opportunities for economic development and jobs creation.

In these times of fluctuating economic conditions, residence and business customers can receive the benefits of low telephone rates and count on four years of basic local telephone service without an increase in rates. For our eligible low-income customers, a new Lifeline service could provide a \$7.00 monthly discount.

### Thank You

The Public Utility Commission took a giant step forward when it approved this landmark case. And, I'm sure their actions were in no small way due to the overwhelming public response throughout the entire two-year process. Through literally thousands of letters, calls and resolutions, communities all over Texas made it clear they wanted this enlightened plan implemented.

Bringing modern telecommunications to all communities of Texas is a job Southwestern Bell proudly accepts. We intend to keep you posted as we move further into the implementation of the program. And, if you need more information — Let's Talk!

**LOCKNEY COUPLE HONORED**—Mr. and Mrs. Kelton Shaw of Lockney were presented the distinguished Benefactor Alumni Award from Wayland Association of Former Students President Dr. Gary Abercrombie during WBU Homecoming activities recently. The Shaws have long been supporters of Wayland and her programs.

## Shaws given Distinguished Benefactor Alumni Award

An area couple was among six who received top awards at Wayland Baptist University during Homecoming activities in November.

Mr. and Mrs. Kelton Shaw of Lockney were honored with the Distinguished Benefactor Alumni Award from the Association of Former Students.

In presenting the award, Dr. Gary Abercrombie, president of the Association of Former Students, said, "Their quiet, unassuming generosity has touched numerous lives and will benefit innumerable young lives for years to come."

"During my time here at Wayland the Shaws have been ardent, dependable supporters of all of our endeavors," said Wayland President Dr. Lanny Hall. "Mr. Shaw provides outstanding leadership as chairman of the trustee Farm Committee. We are deeply grateful to them for their friendship and generous support."

Shaw, a member of the Wayland Board of Trustees who serves on the executive committee, and is a strong supporter of the institution and her programs, has had a lifelong relationship with the university. His parents, the late Aaron and Lula Shaw, both graduated from WBU in 1928. His father then served as pastor of First Baptist Church, Lockney.

It was the church in Lockney that Kelton met his future wife, Sally. He enrolled at Wayland as a student in 1941 but his education was interrupted one year later by military service during World War II. He completed his degree at Texas A&M University.

Mrs. Shaw still enrolls in courses at Wayland almost every semester.

The Shaws are active at Lockney's First Baptist Church, where he is a deacon and both teach Sunday School classes. They have served the church on many committees and in various other capacities.

For 14 years, Shaw was a member of the Lockney Independent School District Board of Directors. He is a director at First National Bank in Floydada and

has been involved in agribusiness throughout his career.

Nominations for the Distinguished Alumni Award are screened by the Honors Committee of the Association of Former Students. A slate of nominees is presented by the committee to the association's Executive Committee, which solicits final approval from a committee composed of Wayland's president, two university staff members, elected officers of the association, and the director of Alumni Services.

The Association of Former Students represents more than 20,000 former Wayland students.

### Collegiate athletic scholarships offered to students

Over 100,000 Collegiate Athletic Scholarships are available each year to male and female high school and junior college student athletes. Contrary to popular belief, students don't have to be All State to qualify. Much of this money goes unused. A new publication with forms, sample letters and tables of factual information is available for student athletes. It takes them step by step thru the important process of getting an athletic scholarship and includes college and conference listings.

For details on how to get a collegiate athletic scholarship, send a large self addressed, stamped envelope to The National Sports Foundation, 612A Willow Dr., P.O. Box 940, Oakhurst, NJ 07755.

## The Magical Trip With Santa

By Lauren

One cold day in winter a little girl named Carol was building a snowman. It was going to be a short cheerful snowman. First she rolled up two balls and stacked them on top of each other. Then she got two buttons for the eyes and a pipe cleaner for the eye brows. She got one piece of coal for the nose and six red lifesavers for the mouth. Then, finally she got two twigs for the arms. She stood back and looked at her snowman for quiet a while. She was very pleased with the way it looked.

It was getting dark so Carol decided to go in. She was very excited because tonight was the night that Santa came.

She had written a letter to Santa a few weeks ago. She had asked for a new radio, some more books to read and the best thing of all a little puppy. She had wanted one for years and she hoped Santa would remember. She put some cookies and milk on the fireplace. Now everyone was asleep except Carol. She could not go to sleep, she was to excited. So she decided to read her favorite book, The Night Before Christmas. She sat in

the big chair. She couldn't help eating one of Santa's cookies, she hoped he wouldn't mind. She soon fell asleep still in the chair and hoped that would not keep Santa from coming there.

But she soon heard a noise that gave her a little scare, but she looked up and what do you know, Santa was there. She opened her eyes. He knew she was awake. Then he said gently, hoping not to frighten her, "come with me, I have a few more toys to take to kids just down the street." Carol shook her head yes and they walked to the chimney.

He held her hand gently for a little reassurance. She still looked a little stiff with fright. They rose up the chimney and into the sleigh he called out the reindeer and they were on their way. They went up on the roof from house to house. They delivered the toys to all the girls and boys.

And they flew back to Carol's house. Carol then went to sleep only to be awakened that morning by a small brown and white puppy. And they all had a happy New Year.

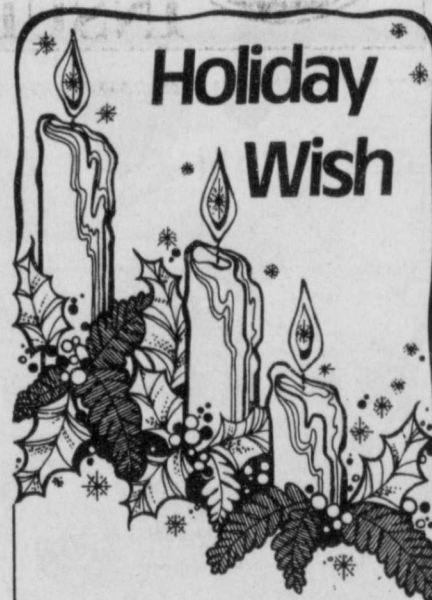

## Santa and Mr. Jingles

By Michelle Smith, 4th grade

One day Santa Claus was in his workshop. He was looking at the list of good kids and adding names. Then he decided to go and see how his elves were doing. He looked and looked and they were doing great! Finally one of the elves said, "I'm finished!" Then another and another until they were all finished. Santa looked at his bag and said, "This is going to be a heavy load." Finally the big night arrived. Santa's elves loaded the heavy bag in the sleigh. Santa got in the sleigh right next to the big bag filled with toys. He said to his reindeer, "Let's Go!" Rudolf lighted up his nose and flew up. Then Dasher, Dancer, Prancer, Vixen, Comet, Cupid, Donder, and Blitzen went up into the air. They went to one house then another, and another. They went to one town, then another and another. They flew for a long time. Finally Santa said that he needed to get up and walk around. He landed his sleigh and got out. He walked around and saw an alley. It was filled with poor people who were sleeping in cardboard boxes!

The people hardly had any clothes and the ones they had were filled with holes so they were freezing. Santa felt sorry, so he reached into his bag and pulled out warm jogging suits for everyone. He gave them food and shoes too. Then Santa said, "Now that you are all warm and have had plenty to eat, where

are you going to sleep?" The poor people shook their heads because they had no place to stay. Suddenly Santa thought of his good friend Mr. Jingles. Mr. Jingles was very wealthy and was always looking for a good way to spend his money. So Santa gathered them all into his sleigh and they flew to Mr. Jingles' house. When they finally arrived, Santa asked Mr. Jingles if he would give everyone a nice home. Mr. Jingles thought for just a second, "Of course" he said, "Everyone needs a good home at Christmas!" Mr. Jingles took them to their new homes, and Santa promised he would visit them every year. Then Santa hopped into his sleigh and shouted, "MERRY CHRISTMAS TO ALL AND PLEASE REMEMBER THE POOR PEOPLE ALWAYS!!"

May the warm glow of Christmas light up your life.

Your friend,  
Julio Ramirez

Dear Santa,  
Hello and how are your elves and Mrs. Santa? My name is Tiffany and I have been really, really, really good! So since I have been so sweet, you can bring me some collectibles. I would like a closet full of new clothes. I would like a new car and some new tapes. If you can please spare the extra time I am looking for you.  
Your wonderful helper,  
Tiffany Ellison

Dear Santa,  
My name is Mary Lindsey Poole, and I am a wonderful, sweet little girl.  
For Christmas I want a new room that is larger in size, a new brother who isn't so picky, parents who don't make me clean my room, and a city in California named in my honor.  
Now all this may sound very far fetched; however, if you can't get all of these things, you can always just give me a tall, dark, handsome, sweet, sincere, funny, single guy wrapped up in a big red bow! Have fun! I'm waiting!  
I love you,  
Mary Lindsey Poole

Dear Santa,  
I want a bike and a dog so I can play with it and I would like a car to and I would like a cat and I would like a doll formy sister and a game to.  
Ruben Ortiz

Dear Santa,  
Hi! How are you doing? Boy! It's been a long time since we've seen each other - almost a year. I still like your adorable little nose.  
I am writing to you to tell you that I have been a good boy, except for a few little incidents!  
I bet you are wondering "What does he want for Christmas?" Here's my list: I want one or two Nintendo games and a little puppy that I can love and will love me back. Also I want some more cassettes and clothes that I can look sharp in. I guess that's all for now until next year. You have a Merry Christmas and a Happy New Year. Bye, Bye.  
Your Pal,  
Alfred Martinez  
P.S. I hope you like the cookies I will leave out for you on Christmas Eve!

Dear Santa,  
I have been a good boy. Please bring me a bicycle and a pretty girl. I hope you can bring these because last year there must have been a mix up.  
Your friend,  
Erik Alvarado

## The Color of Christmas

The color of Christmas is like opening a present. The color is like your anger being turned into happiness. The music is like your heart's glowing strong and healthier. The sound of jingle bells sounds like angels calling out your name.

Ricky Felan

## CHRISTMAS

Christmas is a beautiful sight. The children are waiting for Santa to arrive that night. He stuffs his bag down the chimney. The presents he brings are just for me. When he leaves candy, everything is just fine and dandy.

Stacy McHam

The music of Christmas is so real. Just imagine yourself riding a sled hearing the bells and listening to the Christmas songs. That's what Christmas is all about.

Ramon Padilla

The scent in Christmas smells so good, but the scent I love most is the Food.

Eric Martinez

## CHRISTMAS SPIRIT

Listen to all the children cheer, "Christmas time is nearly here!" Santa's going from door to door, Children are asking him to give them more.

Christmas spirit is in the air, Santa's to children here and there, and taking care of people everywhere.

Dede McCarty

## CHRISTMAS COLORS

Christmas colors are a joyful sign that Christmas is here, you see. White snow, A lot of lights and red colors everywhere, green Christmas trees shine with all the bright and colorful lights. I hope Santa might come tonight.

Leticia Vargas

## FESTUS

In our class we have an awesome tree That is very, very special. Once in his life he was dead, But with leaves and a few glittering lights He is now alive. In a little corner Festus glistens brightly.

Jared Mosley

## Feelings for Christmas

Christmas feelings are oh-so-special. You can hardly believe what you see, but see it and believe it!

Michelle DeLeon

Christmas songs are full of joys, When sung by little girls and boys. When twilight comes on Christmas Eve nights, The children are still singing n their sights.

Amanda Watson

Christmas is the time of year, when you see Santa and reindeer. There is also lots of Christmas cheer.

Mark Terrell

## COLORS OF FESTUS

Festus is the cutest tree in the world. He always has leaves on all his branches. His decorations place a Christmas feeling in the air. He has a silver garland from bottom to top. Then there's a gold chain around him and a star on top. He also has some green ornaments and presents under him. You better watch out or you won't receive a gift from Festus.

Your Friend

Amy Arjona

Christmas is beautiful glistening with white snow.

It's a time to be jolly and the happiness does show.

The lights and ornaments all over the tree.

Children sledding in the snow-Whoopy! I wish that Christmas would hurry up fast.

Because best of all, getting out of school is a blast!

## CHRISTMAS TO ME...

Is the pleased smile of a baby as he reaches for the bright toy.  
Is the anticipation of small children.  
Is the eagerness of youth.  
Is the laughter of happy people.  
Is the special thought for loved ones.  
Is good wishes and love of family and friends.  
Is the thought for others.  
Is hushed and secret hurrys.  
Is a word on a card from a friend.  
Is enticing stores.  
Is gay papers and bright ribbons.  
Is the spicy, sugary smell of goodies.  
Is the gleam in the eye of the passer-by.  
Is the hustle of understanding crowds.  
Is remembering days gone by.  
Is the sight of holly.  
Is the color of evergreens.  
Is carolers in the night.  
Is gaiety and solemnity.  
Is an awareness of the meaning of Christmas.  
Is wishing to all "NOEL".  
Is being home for Christmas.  
TRULY CHRISTMAS IS A SPIRIT.  
(Taken from Nancy Morckel's column in the December 19, 1963 issue of the Floyd County-Hesperian.)

Oh Christmas, Oh Christmas, I miss you so.  
Oh Christmas, Oh Christmas, You are here now.  
Oh Christmas, Oh Christmas, Goodbye.  
Goodnight.

# Santa's New Helper

By Nicole Mosley

One year a little tiny person came to Santa's house. He knocked on Santa's door. Santa went to the door and opened it. Santa said, "What do you want little person." The little person said in a shaking voice, "I was wondering if I could be one of your helpers." "Sure," said Santa. "I can always use another elf." "Thanks," said Santa's new elf. "You're welcome new elf," said Santa.

As soon as Santa's new helper went into the workshop Santa said, "by the way what is your name?" "Name? What is a name?" said Santa's new elf. "Well, you know everybody calls me Santa. That's my name. What's yours?" "I don't have one." Well everybody has to have a name so how about us naming you Daffy," said Santa. "I like that name," said Daffy. After Santa introduced Daffy to the other elves Santa told Daffy and the rest of Santa's helpers to start working because Christmas was only four days away.

The elves worked for a little while and then went to bed. It was hard for Daffy to sleep that night because it was his first night to sleep in such a big room. His house that he used to live in was tiny just like him.

The next morning Santa got all the elves up and told them to eat their breakfast and then to go to the workshop and start working! It actually was Daffy's first time to get to make something because the first time he just watched.

After they had worked for a little while, it was time for lunch. For lunch, Mrs. Claus fixed Santa, Daffy and all the other elves five pans of hamburger pizza, five pans of cheese pizza and to drink they had three cokes each. For dessert, they had cherry cream pie. You can tell that they ate a lot because Santa was twice as big as usual.

After they finished eating, they went back to the workshop and started working. In all that day Daffy made 15 toys. It was pretty good for the first time to

really get to make toys. The other elves made 35 toys or maybe a few more.

Daffy was really tired because the night before he didn't get any sleep. That night Daffy got a lot of sleep because he was used to the big room. Daffy went to bed about 8:30. The other elves went to bed about 9:30. That was their usual time to go to bed. But since it was Daffy's second night to stay, Santa said that it was okay for him to go to bed at 8:30.

The next morning Daffy got up and ate his breakfast. He got a head start in the workshop because he wanted to get more than 10 toys made. He wanted to break his record because he made that many toys the first day. Finally, the other elves got up. They ate their breakfast and went to the workshop. Daffy got a head start alright. In four hours he had already made 20 toys. You might think that's not very many but it is! They also had to paint them.

For their lunch, Mrs. Claus fixed them

two hamburgers each, a bunch of french fries, milk, and for dessert they had chocolate chip cookies. Santa, the elves, and Daffy told Mrs. Claus thank you for such a good meal. Mrs. Claus said, "You're welcome any time." Daffy made 42 toys. That was more than any other elf had ever made in one day. Santa was really proud of Daffy.

Daffy went to bed at 7:00 that night. Santa asked him why. All Daffy said was it's a surprise. Daffy got up at 5:00 and skipped his breakfast. He went right to work. Daffy's surprise was to finish all the toys and let the other elves paint them. Santa got the elves up at 10:00 and they skipped breakfast and went to see what the surprise was. When they saw what the surprise was they were very excited! They all were proud of Daffy because they couldn't get 500 toys made in one day. When they ate lunch they celebrated. They all were glad and happy. Now all they had to do was paint 500 toys because before the elves were

going to have to paint and make toys which would have been pretty impossible.

For lunch that day they had whatever Daffy wanted. He said that he wanted spaghetti, beans and to drink he wanted milk. For dessert, Mrs. Claus fixed Daffy a cake that said, You're a Life Saver!

Daffy got ready to ride with Santa. It was time to leave so they left. It was kind of fun and kind of scary. Daffy got to deliver the first few presents. It was fun! When all the little kids got up in the morning they were very happy. They loved Christmas. All in all Daffy decided that he also loved Christmas and that it was the best holiday ever!

## The Christmas Tree Thief

By Dominique

It was Christmas Eve everyone was asleep and all of a sudden they heard the downstairs window open. They went down to see who it was. When they got downstairs and they turned on the lights. He was gone and so was their Christmas tree. It happened all over town. The thief stole all the Christmas trees in town.

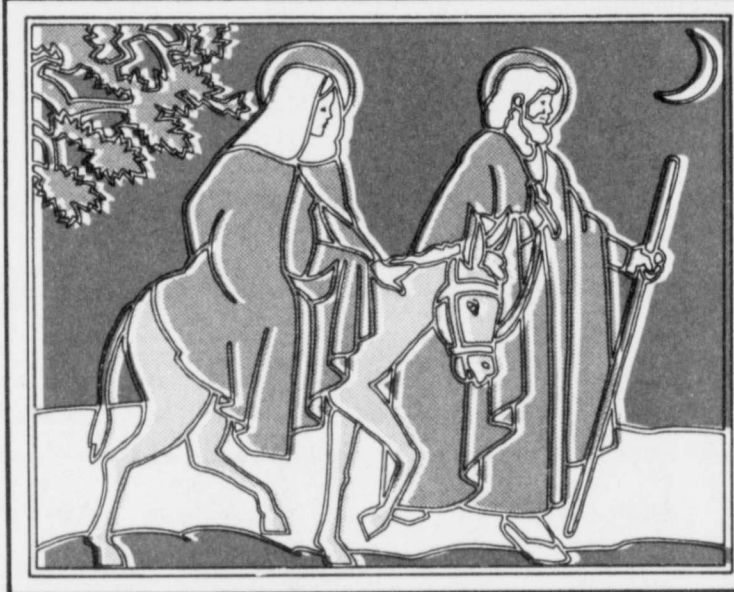

The next day nobody had a tree to put presents under. They looked and looked all around town. But they never found their trees. In the mean while, everyone did something to forget about the missing trees. Christmas had past without a Christmas tree.

The next Christmas came and everyone in town got a tree. This time it was there and their other tree was too.

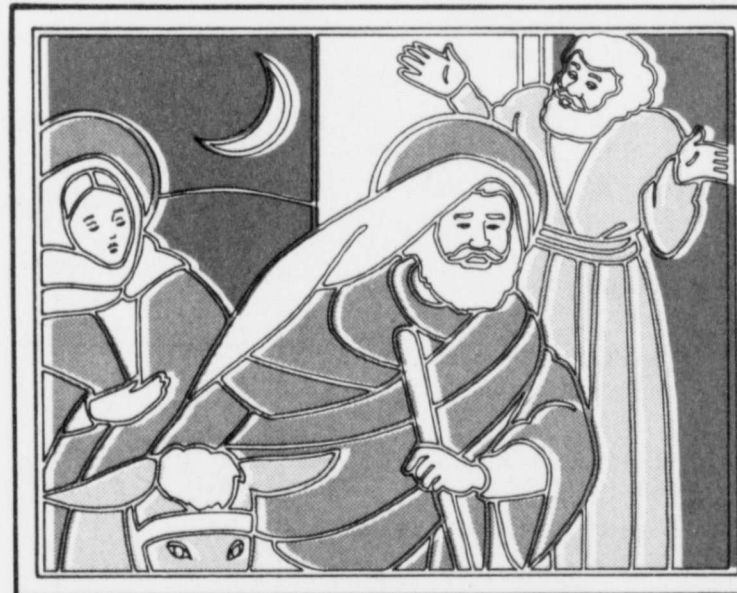

# Celebrate The Miracle!

The angel tells Mary of God's plan,  
To make her the mother of the Savior of man.

Joseph and Mary are forced to leave home,  
Far and wide they had to roam.

From inn to inn they were turned away,  
Til at a manger they came to stay.

Soon a host of angels appeared with joy,  
To herald the birth of the newborn boy!

Three wise men had traveled far,  
Guided by a shining star.

And then they bowed their heads to pray,  
Rejoicing on that first Christmas day.

May you exalt in the miracle of Christ's birth  
and celebrate with peace on earth.
