

Honor Graduates Are Given For B.H.S.

The honor graduates for the Bovina High School graduating class of 1988 were named Tuesday by school officials.

Stephen Gauntt is the class valedictorian. He has a four-year average of 98.11.

Kirk Scott is the class salutatorian, with a four-year average of 96.13.

The graduation exercises for the 1988 class will be held at 8 p.m. Saturday, May 28, at the Bovina School Auditorium. The speaker for the ceremony will be Rev. J.L. Bass.

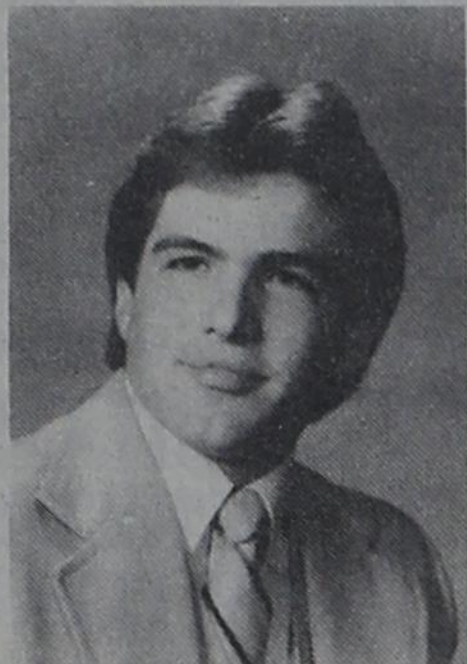

Third-ranking student in the class is Tandra Turner, with a four-year scholastic average of 96.96. Miss Turner is the daughter of Jackie and Patricia Turner.

Fourth-ranking student is Michelle Dopp, who compiled an average of 95.21. She is the daughter of Larry and Linda Dopp.

In fifth place was Ruby Renteria, whose scholastic average was 94.76. Ruby is the daughter of Francisco and Evangelina Renteria.

Next came Anna Koelzer Howell, with an average of 93.93. She is the daughter of Dan and Martha Koelzer.

Gauntt is the son of Kenneth and Joyce Gauntt, and attended local schools for nine years. He was in the Gifted and Talented program four years, was a member of the National Honor Society,

STEPHEN GAUNTT

KIRK SCOTT

and competed in UIL contests four years.

Gauntt was in the Student Council two years. He played football and basketball four years, played golf three years and was in track two years.

He served as president of his junior class and the NHS, was vice president of the Student Council, senior and sophomore classes, and secretary-treasurer of the NHS and freshman class.

Gauntt was a regional qualifier in the UIL contests; attended Boys' State; won the Fighting Heart award in basketball and the Mustang Award. He also won the math, English, science and history awards, and was named Student of the Year by the Chamber of Commerce.

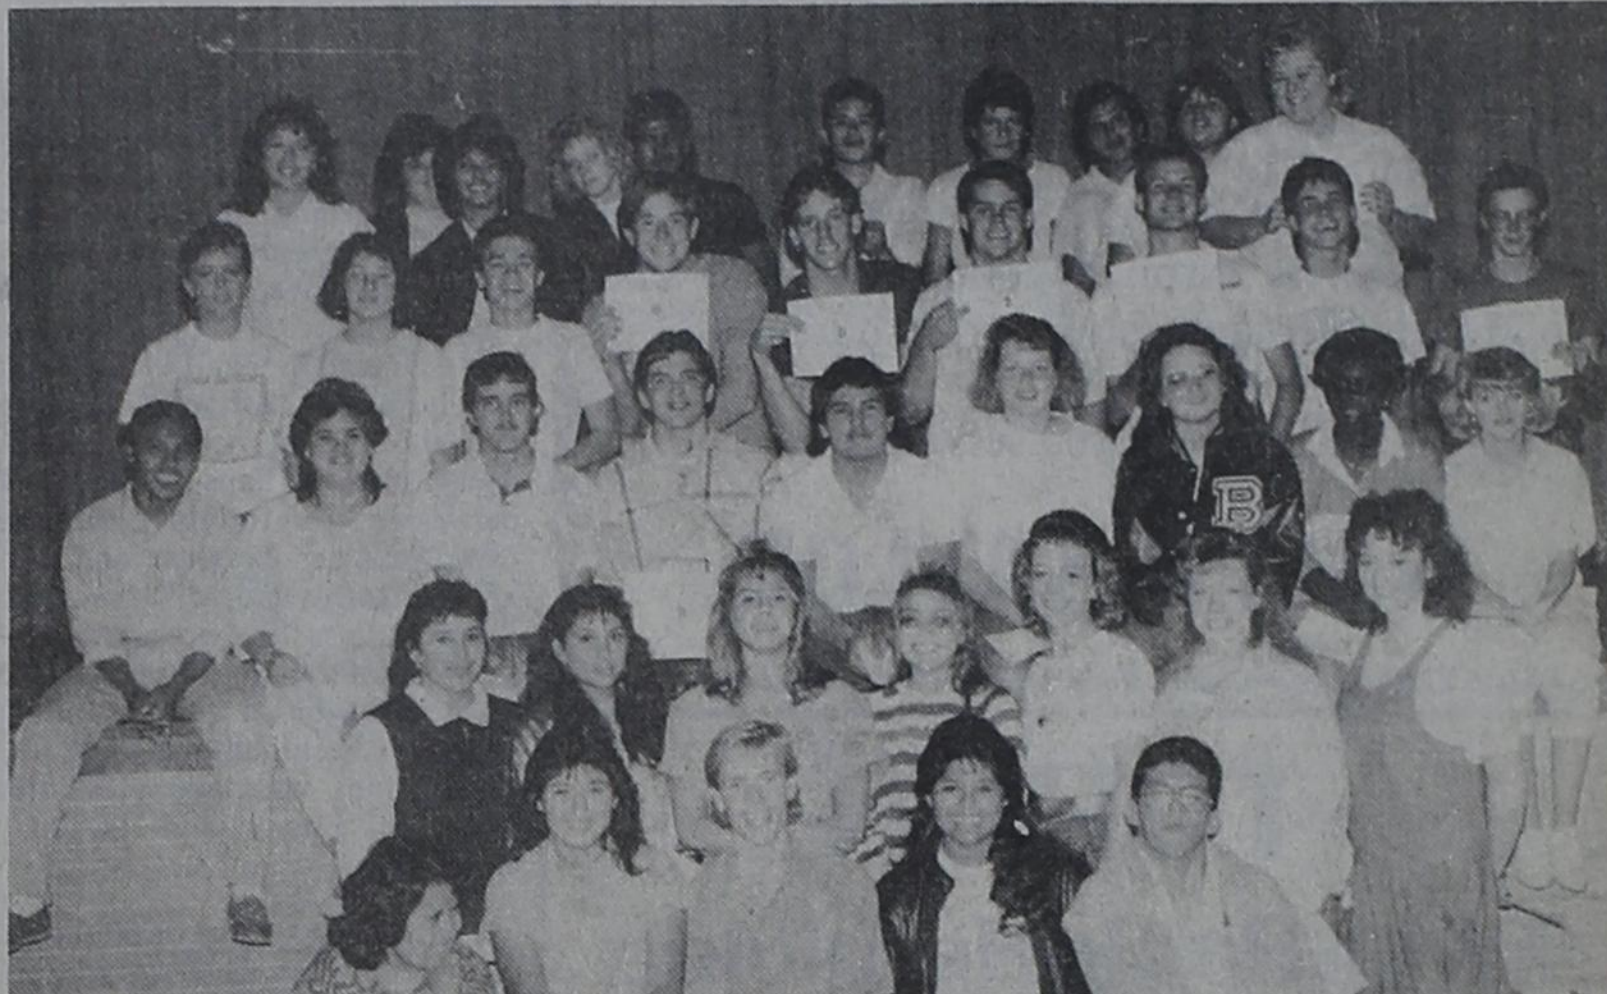

He attends the Church of Christ

and plans to attend Angelo State University after graduation.

Scott is the son of Larry and Carol Scott, and attended local schools since kindergarten. He was in the National Honor Society two years; competed in the UIL contests in journalism and poetry three years and typing one year.

He was in the Drama Club, in the play cast, yearbook and school paper staffs. He was named to the all-star cast in the one-act play, and made the A/B honor roll four years.

Scott is a National Congressional Youth Scholar, and was named "Best Dressed" as a sophomore. He attends First Baptist Church and plans to attend Wayland Baptist University after graduation.

Summer months are trying for the newspaper business as school is out and in Bovina all organizations are on summer break, so you can help by calling in news or let us know about events. We will appreciate it...The past few days have been windy and chilly. On Friday morning, the temperature was 45 degrees and wind chill only 23 degrees...We did receive two inches of rain last Tuesday evening and the next day a half inch. Had it not been for the good rain we probably would have had some dust storms. Perhaps this week will be more comfortable...Barbara Lowe said her daughter and son-in-law, Kathy and Mike, went to Red River over the weekend and it snowed while they were there...so no need to be in a hurry about going to the mountains, just yet. Graduations will take place this week on Friday and Saturday evenings.

Clifford and Julia Leake had a nice visit with their grandson, Michael Owens, who came on his motorcycle from Austin. He came on Wednesday of last week and stayed until Sunday. Julia said it took him ten hours on the cycle to get to Bovina from Austin. Michael's parents are Marjorie and Jack Owens, also of Austin.

Funeral services were held on Wednesday of last week for Robert Harris of Durant, Oklahoma. He suffered a heart attack on Monday and never recovered. His wife, Iona, preceded him in death in

Society Names New Leaders

The Guadalupanas held their monthly meeting May 4 at 7 p.m. The opening prayer was led by Mrs. Juanita Saenz. The society will be having their annual rib dinner on June 26. Election of officers followed the discussion of the dinner. Officers are: Mrs. Tina Uriegas, president; Mrs. Rita Villarreal, vice president; Apolonia Sierra, secretary; Norma Villarreal, treasurer; Mrs. Virginia Martinez, reporter; Mrs. Lupe Rodriguez, historian; and Mrs. Graciela Ortiz, Parish Council representative. The meeting concluded with prayer and refreshments.

August of last year. They moved from Bovina about thirteen years ago and always lived across the street from us. They were a lovely couple and loved by everyone who knew them. They were survived by two sons, two daughters, eleven grandchildren and sixteen great-grandchildren.

As most of you know, chicken pox are among us in Bovina. We have always heard that a person can have them twice but seldom ever know anyone who has. Anyway, Kathy Rundell does have a good case of them and she had them when she was three years old. We understand that their small son, Charlie, had one on his leg and perhaps Kathy was a good mother and took the rest upon herself.

George and Martha Adams and daughters visited in Bovina a week

ago Saturday with Martha's mother, Virgie Adams. While here, the family drove to Wayland and attended graduation ceremonies for George's sister.

Vernon and Dottie Ward went to Amarillo on Friday of last week and stayed until Monday with the Wards' daughter, Billie and Ken Harrison. While there, they celebrated the Wards' granddaughter Sharon's birthday. The family had supper for her one night and attended church on Sunday.

Tony Bob Englant, son of Floyd and Ann Lee Englant, completed his basic training in the Army. He took his training in Georgia and

now will be stationed at Ft. Ord, California. His wife, Angela, and their daughter, Taffanie, moved to California to be with him.

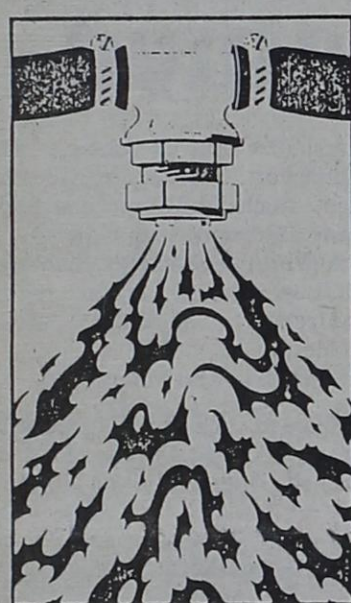

Rose McCain and Erra Jamerson attended a Video Skin Care session at the home of Rose's sister-in-law, Claudie Hill at Littlefield. Refreshments were served to several ladies. Claudie's daughter, Kathy, was consultant for the cosmetics.

Two Local Boys Are Graduates

Two students from Bovina were among a record number of 659 persons who received diplomas or certificates Friday, May 13 during South Plains College's 30th commencement exercises.

"This graduation is a milestone in SPC's 30-year history," said Dr. Robert Cloud, SPC vice president for academic affairs. "We are very proud of our 1988 graduates. They are a special group of students who have done exceptionally well during their two years at SPC. We wish them well in their future careers."

Bovina graduates are Terry Moore and Roger Scaff, associate of science degrees in business administration.

Terry is the son of Mr. and Mrs. Sonny Moore and Roger is the son of Mr. and Mrs. Tommy Scaff.

LEGAL NOTICE

NOTIFICATION

This notice is being furnished as required of all public water systems in the United States by the Environmental Protection Agency in 40 CFR 141.34.

The United States Environmental Protection Agency (EPA) sets drinking water standards and has determined that lead is a health concern at certain levels of exposure. There is currently a standard of 0.050 parts per million (ppm). Based on new health information, EPA is likely to lower this standard significantly. Bovina's water tests less than 0.02 ppm.

Part of the purpose of this notice is to inform you of the potential adverse health effects of lead. This is being done even though your water may not be in violation of the current standard.

EPA and others are concerned about lead in drinking water. Too much lead in the human body can cause serious damage to the brain, kidneys, nervous system, and red blood cells. The greatest risk, even with short-term exposure, is to young children and pregnant women.

Lead levels in your drinking water are likely to be highest:

- if your home or water system has lead pipes or
- if your home has copper pipes with lead solder, and
- if the home is less than five years old, or
- if you have soft or acidic water, or
- if water sits in the pipes for several hours.

Bovina's water is well below acceptable limits for lead. However, tap water may contain higher levels of lead leached from pipes in your home. Some home water treatment devices make water more corrosive and thus can increase the amount of lead leached from your pipes.

Dissolved lead cannot be seen in water. Testing by a qualified private laboratory using the EPA approved method is the only way to determine if your water has high levels of lead. The EPA estimates that a test should cost between \$20 and \$75.

If your drinking water is determined to have high levels of lead, or if you suspect lead contamination, you can do the following to minimize exposure.

1. Flush each cold water faucet until the water is as cold as it gets before using the water from this faucet to drink or for cooking. This is especially important if the water has set in the pipes for several hours. Please remember other household water use such as toilets, bathing, and laundry will flush water thru the pipes and reduce the time the tap should be flushed.

2. Do not use hot tap water for drinking or cooking. Hot water dissolves lead faster than cold water. Especially avoid using hot tap water to make baby formula. If hot water must be used for drinking or cooking, use cold water after flushing the tap and heat.

3. Make certain only materials conforming to the federal law regarding lead content are used for any plumbing repairs or new plumbing work in your home.

If the City becomes aware of any source of lead contamination within the City's distribution system, corrective measures will be taken.

There are other methods which may be used to reduce the risk of lead in water used for consumption.

LEGAL NOTICE

The City of Bovina, Inc.

Drawer KK
 Telephone AC 806/238-1116
 Bovina, Texas 79009-1228

To: The Following Named Persons:
 It has come to the attention of the City of Bovina that you are not in compliance with Ordinance 78-7. This ordinance prohibits property owners from keeping on their property junked vehicles. Under State Law, Art. 6701d-11 V.A.C.S., a junked vehicle is a vehicle which is and has been inoperative, does not have lawfully affixed thereto both an unexpired license plate or plates, a valid motor vehicle inspection certificate and which is wrecked; dismantled; partially dismantled; or discarded.

The City of Bovina has reason to believe that the vehicle or vehicles listed on the attached page meet junked vehicles definition and are on property, also described on the attached page owned by you and constitute a public nuisance. It is your responsibility to remove any such junked vehicle, or otherwise abate this nuisance, within thirty (30) days of receipt of this notice.

Junked vehicles must be removed from the city limits of Bovina or to an area designed for junked vehicles. The only area designated for junked vehicles in Bovina is the unopened portion of East Street behind the 300 Block of East First Street. (Junked vehicles cannot be dumped at the City landfill.)

If you have reason to believe that the vehicles described on the attached page are not on property owned by you or that these vehicles are not junked vehicles causing a public nuisance, you must request a hearing before the expiration of ten (10) days after you have received this notice. Write, call, or come by City Hall, 205 North Street, about scheduling a hearing.

You must make your own arrangements in moving junked vehicles. THE CITY OF BOVINA WILL MOVE VEHICLES. The City Policemen will cite in Municipal Court, any property owner who has not removed all junked vehicles from his property or has not requested a hearing. The Municipal Court can decree a fine of \$200.00 for each day a junked vehicle remains on private property in violation of this ordinance.

Sincerely,
 Dudley Hughes
