TOWN TALK
By MAC McKINNON

There apparently will not be a United Fund in Mitchell County this next year.

The reasons--not enough interest or workers.

In a survey conducted through the Record, a total of 14 people responded in favor of United Fund and of that number, only seven said they would be willing to work on United Fund.

There were three responses against United Fund.

Officials from previous United Fund campaigns in Mitchell County have said there needs to be at least 20 workers, preferably 30 to 50 in the task force, in order to wage a campaign that could be of real benefit to the county.

The Noon Lions Club and Mrs. Tom (Jodie) Neff are to be congratulated for their efforts to beautify Colorado City.

Twenty Japanese Black Pines were put into place Wednesday in the downtown area and have been the talk of the town.

Mrs. Neff came up with plans, materials and costs for the project and the Lions Club, with Bob Reily as chairman, took on the project. Rush Neff of Neff's Nurseries provided free labor for planting and placing of the trees and Foam-Tex brought the wooden barrels from Houston.

Mitchell County Voters Make Choices

Mitchell County voters went to the polls Tuesday in suprisingly light numbers, voted for Nixon, Tower and Briscoe like the rest of Texas and said they did not want a tax supported public golf course.

Only a small percentage point more than 63 per cent of the county's 4,266 registered voters went to the polls. The total number of votes Tuesday, 2,679, was less than the 2,692 that voted in the May Democratic primary.

County Judge Bill Carter expressed surprise at the low turnout and noted that if the referendum on the public golf course for Mitchell County had not been on the ballot, the turnout probably would have been much lower.

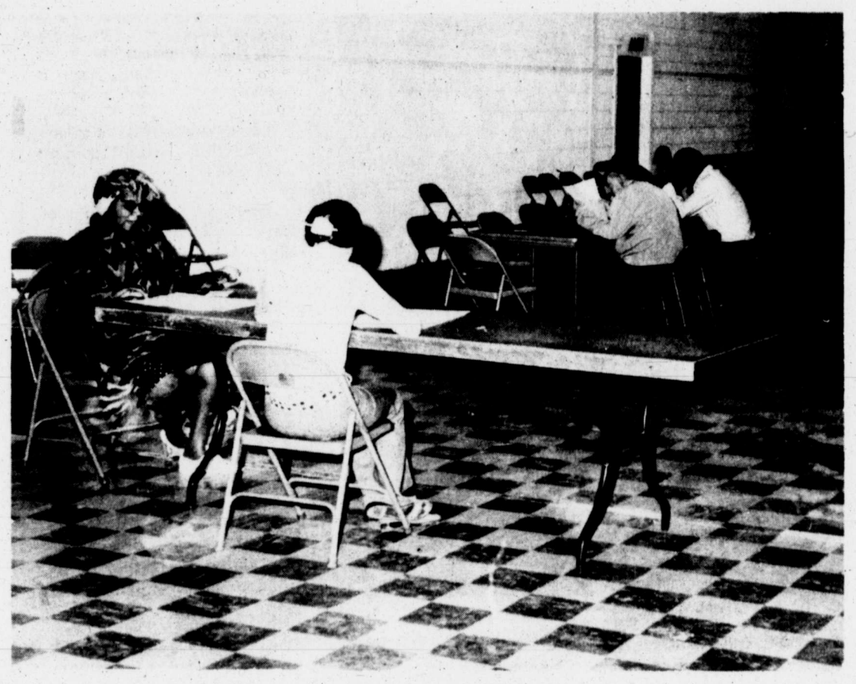

The golf course issue has caused considerable controversy, probably because it might have been necessary for a tax increase to establish a public golf course.

The vote on the golf course was 1,537 against and 508 for. The 508 voting for the course was more than many people believed would vote for the issue. County Commissioners are expected to consider this number if they can determine if a golf course can be established and maintained without a tax increase through the use of revenue sharing funds and posssible federal grants.

There was only one contested race in Mitchell and that was for constable of Loraine with Edgar Haltom receiving 107 votes to win over Artie Lee Griffin with 17 votes; Clay Graham with one vote and Ardell Griffin with one vote.

Other representatives for the county were unopposed. Those included U. S. Rep. Omar Burleson, 1,765 votes; State Senator Jack Hightower, 1,956; State Rep. Elmer Martin, 2,025; District Judge Weldon Kirk, 2,032 votes; District Attorney Frank Ginzel, 2,043 votes; County Attorney, Joe Earnest, 2,069 votes; County Tax-Assessor - Collector C. G. (Skeet) Harkins, 1,995 votes; Sheriff,

Light Vote

Voting in Mitchell County Tuesday was considered light but there was a steady flow of voters at the county's seven polling places during much of the day. These voters were on hand about 9 a.m. Tuesday in Civic House, Precinct 3.

Beard, Mustache Contest

'1880's Days' Set Dec. 16

The Colorado City Jaycees have declared today (Thursday) as the day beginning a mustache and beard growing contest which end with an "1880's Days" celebration Dec. 16 (a Saturday).

All proceeds will go to the Mitchell County Boy's Club.

The "1880's Days" will be in line with the current plan of the Colorado City was the Queen City of West Texas during the 1880's and it was the social headquarters for all of West Texas and parts of New Mexico.

The "1880's Days" celebration on Dec. 16 will include a number of festivities, all of which have not yet been finalized but probably will include:

--Issuance of shaving permits for 50¢ each for those who do not have mustaches and beards on that day.

--A square dance that night at civic house.

--A contest for fiddler's.

--Possibly a western costume contest

VFW Chili Feed Set Saturday

The Veterans of Foreign Wars, Post 9178, will have a chili feed beginning at 6 p.m. Saturday to celebrate Veterans' Day.

All 1973 members and their guests will be admitted free.

Commander Don DeLaney stated the chili supper is to serve as the official 1973 membership drive. DeLaney said there are a number of people in and around Colorado City that are eligible for membership in the VFW and he encouraged everyone eligible to join.

DeLaney said that a large membership is needed for the VFW Post to continue with its community service program. Such programs sponsored by the VFW include youth activity, Americanism, the Voice of Democracy program in the schools and the lending of hospital equipment to anyone in need of it.

DeLaney also issued a special invitation to all Vietnam veterans living in Mitchell County to attend the regular VFW meeting in the post home at 7:30 p.m. Thursday (today).

Wolves vs. Lamesa

Colorado City Upset Minded

The Lamesa Tornadoes will roar into Colorado City Friday night, hoping to add another victory to their win column but the Colorado City Wolves are hoping to take some of the wind out of their sails.

Lamesa is undefeated in District 3-AAA competition and seems destined to win the district unless they lose their last two games of the season against Colorado City and Sweetwater.

The Tornadoes probably have the best balanced team the Wolves have faced all season, Colorado City Athletic Director Weldon Brevard noted.

He pointed out that while the Lamesa team is only slightly larger than the Wolves, they have tremendous quickness to make up for their lack of size.

In the backfield, Lamesa is real balanced -- having a good quarterback to run their wishbone offense, a real speedster halfback and a fullback who is a brusing runner.

Lamesa has averaged four touchdowns per game this year, even in the game they lost to Pecos, 27-26. That loss was their only defeat of the season.

The Wolves will continue to

See UPSET Page 6A

Injured Wolf

Gene Hunt, No. 71, Wolves stalwart offensive and defensive lineman, was injured in last week's game against Sweetwater but his twisted knee is expected to be well enough for Hunt to see action this week against Lamesa. Also injured last week were Tim Stansel, and Melvin Jackson. Stansel will see limited action against Lamesa while Jackson, only about 40 yards shy of rushing 1,000 yards this season, is expected to see full duty.

Juvenile Hearing

Two 13-year-old boys were ordered by county Judge Bill Carter Monday to make restitution for some $200 they were accused of stealing from the rectory of St. Anne's Catholic Church.

The money disappeared from the rectory in small amounts.

Officers In School Now

Five law enforcement officers from Mitchell County agencies are currently attending certification school in Abilene.

Mrs. Ann Martin, Sheriff's dispatcher, and Sheriff's deputies Troy Walls and Simon Barrera and Colorado City policemen Joe Stockton and Bill Franklin are attending the school.

The school, which will last a month consists of 140 hours of classroom and field work. The course is conducted by the Texas Commission of Law Enforcement Standards Certification.

10 Enter Guilty Pleas

Ten men last week pleaded guilty to offenses with which they were charged before 32nd Judicial District Judge Weldon Kirk.

Pleading guilty to a charge of possession of marijuana on Oct. 6 were George E. Miles, James W. Ausbie and David Lee Green.

All three were given a 2-year probated sentence, fined $20 court cost and will have to pay a $1 a month probation fee.

William Tryon was given 1-year probated sentence for breaking into the car of Mary Tillis on July 10 and stealing about $50 worth of pennies.

He is to also pay $155 court costs, $5 per month probation fee and make $50 restitution.

John Berry Jackson pleaded guilty to receiving the stolen

Claxton Lodge

Open House 2 - 5 p.m. Sunday

Claxton Lodge will have its open house today and residents of Mitchell County and surrounding areas will have an opportunity to see the ultimate concept in nursing home care.

Open house at the new 118-bed lodge will be from 2 to 5 p.m. with Rev. Don Timberlake opening the festivities by speaking the invocation.

Master of ceremonies for the event will be Mac McKinnon with Colorado City Mayor, C.C. (Mike) Burt leading the ribbon-cutting ceremony.

J. A. Sadler Jr., City Manager, and Sefton Pickens, Executive Vice President of Chamber of Commerce, will give brief welcomes with Addie V. Payne presenting organ music.

Workmen were all over the place early this week, trying to get everything in readiness for the big opening. Paving has already been completed with the major finishing touches on the inside of the complex nearing completion.

Furniture is being installed and all the equipment put in place. The uniquely-designed facility is located on Chestnut

Auxiliary To Buy Pine Tree

The Ladies Auxiliary of the VFW Post #9178 voted during their meeting recently to buy a Japanese Pine tree planted in a wooden bucket to help in the city's present beautification project.

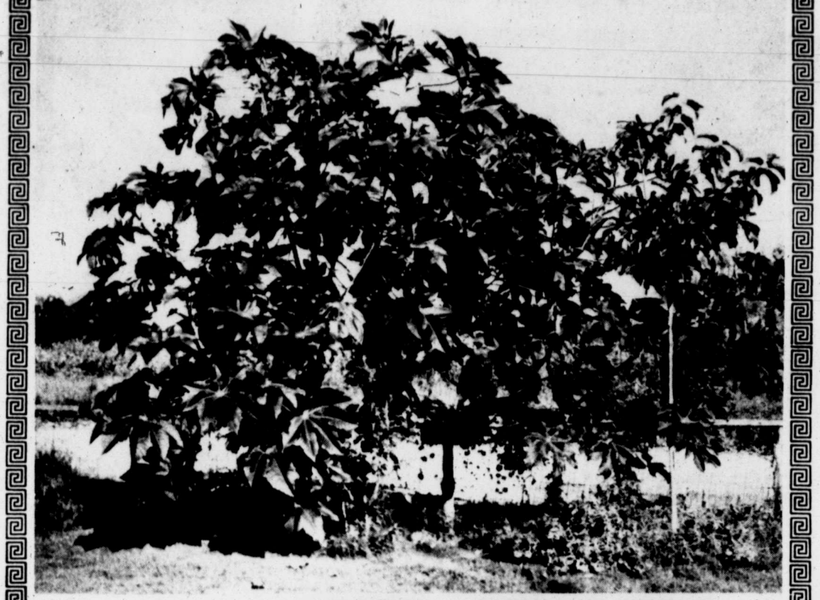

Plans were also discussed on the construction of another bus shelter to be built in the near future by the old Light House Cafe as soon as plans are completed.

A motion was made and seconded to send Mrs. Mollie E. Bryant a gift on her 100th birthday. She is the grandmother of club member Betty Frizzell.

Other Christmas projects were discussed and no definite plans were made concerning them.

The meeting was closed by club president, Edna Simmons.

Attending the meeting were Pauline Wood, Dorothy Clark, Edna Simmons, Betty Frizzell and Pearl Webb.

Texas Size!!!

Are you also one of us who had never seen a castor-oil plant or even knew what one was? Well, to help us all out, pictured above is a castor-oil plant that grew to Texas size-14 feet in the yard of Mr. and Mrs. Arthur C. Wilson at 1927 Hemphill Street. The smaller picture is a close-up of a castor bean which resembles a cocklebur. As they mature they burst open and spread their seeds which spring up into new castor-oil plants. And, yes, it's where we get cator-oil!!

'An Emergency I Have Faced' Roll Call For Carr HD Club

By MRS. W.A. BELL
Record Correspondent

WESTBROOK - Members of the Carr Home Demonstration Club met in the home of Mrs. Tom Jackson Friday with each member answering roll call with "An emergency I have faced."

Mrs. Hoyt Roberts led the club song and read the devotional.

For the recreation, Mrs. T. A. Rees read a clipping of a meeting of the former Iatan-Carr Home Demonstration Club that was held several years ago when the club had about 35 members.

Mrs. Jackson read a letter containing a request for Christmas gifts for patients in a nearby hospital. Mrs. Roberts and Mrs. Jackson made plans to go with the group on the annual educational tour to be in Lubbock November 30.

Refreshments were served to Mrs. Roberts, Mrs. Rees, Mrs. Ben Elliott and Mrs. Jackson.

* * *

Sunday guests in the home of Mr. and Mrs. T.A. Rees were Mr. and Mrs. L.L. Chandler, Vivilene Duke and Wylene Tate, all of Big Spring.

* * *

Mr. and Mrs. Bobby Blalock of Odessa visited during the weekend with her parents, Mr. and Mrs. Sam Oden.

* * *

Mrs. Jewell Smith returned Thursday from a visit with her brother and sister-in-law, Mr. and Mrs. E.C. Airhart of Big Spring.

While there, they visited with their sister, Mrs. Elsie Smith in the Elbow Community. Mrs. Elsie Smith is a patient in the Andrews Nursing Home.

* * *

Visiting Mrs. A.L. Young Saturday were Mr. and Mrs. J.W. McCulloughs of Midland.

Mrs. J.F. Wigner was hostess Sunday and Monday to her brother-in-law and sister, Mr. and Mrs. Don Archibald from Los Angeles, Calif.

CONTEST From Page 1

cees is overall chairman for the event with Mrs. Tom (Jodie) Neff, also working to develop projects for the day.

Mrs. Neff is a member of the community development committee.

Thompson has asked that Mayor C.C. (Mike) Burt make a declaration of a special day for Dec. 16.

Thompson, in setting today as the kick-off date for the beard and mustache growing contests, said that everyone with beards and mustaches now must shave them off and start anew in order to be eligible for the contest.

Trophies will be awarded in several categories in the contest. The judging and awards will take place during the square dance at the Civic House.

Proceeds from events of the day will include the shaving permits, and price of admission to the square dance as well as other possibilities.

Street between 19th & 20th Streets.

Mrs. Marion (Geneva) Stone, formerly of Seymour and a native of Haskell, will be administrator with Mrs. Les Watson her assistant. Evelyn Jones will be supervisor of nurses.

The local home is one of several which have been built by McDonald Construction Co.

The rooms are located on each side of six corridors which radiate from a central red brick hub which is the nursing station. All corridors can be viewed through arch doorway by nurses from this one point. Over each doorway is a light system for that hallway.

Every effort has been made to provide for the comfort and safety of the residents, Mrs. Stone said. Handrails have been installed in all corridors and grab bars are in each bathroom. Bedrails are available when needed.

The home has modern heating and cooling systems and an emergency light plant has been provided.

Claxton Lodge has a spacious, tastefully decorated dining room where three meals are served each day and planned by a dietician, whose name will be announced later.

Church services are provided in the chapel and a modern beauty and barber shop is another feature of the home. A large lounge area provides TV and there is a piano, organ and a game room.

Claxton Lodge meets all federal safety and fire code standards, including a sprinkler system which covers the entire building. There are also smoke and heat detection devices, and a fire alarm system.

An invitation has been issued to all persons to attend the open house, according to Mrs. Stone.

Aide Garage Sale

These Circuit Riders boosted the number of salable items Friday with donations for a garage sale sponsored by the Volunteer Council of the Big Spring State Hospital. Local VFW Supports 'Plan A' Program

Members of the local VFW, Post 9178, voted to donate $50 to the Plan A Program at a recent meeting.

The money will be used to support motivational programs for the resource rooms in Colorado City. Johnny Creager, Educational Diagnostician and member of the VFW, was on hand to receive the check from Post Commander, Don DeLaney.

"Plan A" is a new concept in Texas education that deals with learning disabilities in young children and it utilizes resource rooms in which children are worked with in small groups for one period each day.

This allows individual attention and focuses maximum effort in a particular area that each child needs.

"Plan A" is currently working with approximately 100 children in Colorado City with a class in Kelley Elementary, Hutchinson, Wallace and Junior High.

Creager stated that the money will support behavior modification and motivational programs in two of these classes.

The VFW has been very active in school affairs for several years now and in addition to a yearly scholarship, they recently presented each school with a flag plaque on Veterans Day.

Receiving the plaques on behalf of each school was Schools Superintendent, Lloyd McKee, Kelley Elementary Principal Eston Blackmon, Junior High Principal Don Dulin, Wallace Principal Jerry Reynolds and high School Principal Bill Everett.

Jesse Bunch, district quartermaster for the VFW, represented the Wilson Wyatt VFW in the recent ceremonies.

Work Well Done

Residents of the Iatan Community have done a job for which they can be proud.

Last spring, a group of 27 residents of the western Mitchell County community got together and pooled their efforts, talent and money to achieve a purpose -- to fix-up the Iatan Cemetery.

Since that time almost $2,000 has been collected to build a new fence, clean the grounds and put markers on all graves on the cemetery. The money came from persons living in five different states.

Those who worked on this project, including Iatan Cemetery Association officers Tom Jackson, president; Sidney Jones, vice president, and Mrs. Elmo Daniel, secretary-treasurer, are to be congratulated.

Lamesa Plays Here Friday

Randy Hicks

Coaches' Corner

Dell Riley

What is Junior Varsity football?

It is being the opponent for the varsity for ten weeks. Each week you run a different offense and defense against the varsity boys in preparation for their Friday night game.

For instance, if you are playing quarterback before the Brownfield game, you will be running the option. Before Estacado, the middle linebacker will try to play the way the Estacado middle linebacker will play.

You are Sweetwater's number one pass receiver, trying to run pass patterns the way he would run them.

All of this time you are taking a pretty good pounding from the Varsity who wants to pound you as if you were their opponents each Friday night.

These workouts take place on Monday, Tuesday, and Wednesday for at least one and one half hour. On top of these workouts to prepare the Varsity for their Friday night games you have an additional thirty minutes to prepare for your own Thursday night game.

Boys who go through this must have a burning desire to play Varsity football.

In playing J.V. football there is not the pressure to win as there is on the varsity team. Another main factor is experienced gained from scrimmaging the varsity all week and playing a regular schedule on Thursday nights. Also the desire to win must be kept intact.

This bunch of boys can wind up with a fifty-fifty season. They have played some real fine, hard nose, aggressive football. They are:

Running backs - Russell Benson, Bill Griffin, Ed Warren, Gene Banks, and Kyle Moore.

Pass Receivers: James Bradbury, Felix Franco, Danny Martinez, Steve Bolin and Tim Taylor.

Lineman: David Smith, Steve Hamrick, Mike Brooks, Ifrain Molina, Steve Marcom, and Roger Roenfeldt.

'The Return' To Be Shown, Halloween Carnival Highlights

By MRS. W.A. BELL
Record Correspondent

WESTBROOK-"The Return", an hour long film, will be shown at the Baptist Church Sunday evening at 7 p.m. Nov. 12.

The film is based on the second coming of Christ, as told by Hal Lindsey in his best seller "Late Great Planet Earth".

Rev. Roy Johnson, pastor of the church, and members of the church extend an invitation to everyone to attend.

Highlight of the annual Carnival sponsored by the Westbrook High School Senior Class was the crowning of the king and queen and princes and princesses.

Gaylord Rich, King of last year's carnival, crowned David Sweatt king of this year's carnival. Sweatt in turn crowned Karen Stewart queen. Both Sweatt and Miss Stewart are members of the senior class.

Crowned princes and princesses by Sweatt were Mark Juarez and Rosa Vigil from the 3rd grade; Daryl Rich and Tracy Brookover from the 6th grade and Vanessa Morris and Bobby Matlock from the 8th grade.

Setting for the event was a "deep South" river boat, complimented by Southern belles Patricia Denson, Martha Martinez, Emerlinda Reyes and a Southern gentleman, Lee Roy Miller, all members of the senior class.

Hosts and announcers during the ceremony were Teresa Selvera and Randy Anderson. Crownbearers were Philip Vigin and Gracia Fuentes.

Connie Hubbard and Beverly Solomon were lighting directors.

Coach Charles Parnell is senior class sponsor.

You may call the Hamilton Optometric Clinic of Big Spring for an appointment at no cost to you.

The number is in your Colorado City Telephone book.

mix up their offensive formations between the I-formation and shotgun formation, Brevard said.

The Wolves first starting mixing the formations last week in a surprise move against Sweetwater. As a result of mixing the plays, the Wolves displayed the most successful passing game of the year.

Injuries will keep a number of Wolves out of Friday's game with Lamesa including Tim Stansel and Clayton Salmon who could see some action.

Gene Hunt also may be on limited duty and running back Melvin Jackson is suffering from an injury that could limit his service.

Kick-off is at Wolf Stadium at 7:30 p.m. Friday.

In other action for Colorado City football teams, the 8th grade will play Ballinger here at 6 p.m. Thursday, followed by a 9th grade game with Ballinger here at 7:30 p.m. Thursday.

The junior varsity travels to Ballinger for a 7:30 p.m. Thursday game.

Electricity that helps broaden the path to knowledge.

Project a herd of charging elephants onto a movie screen, and a student sees what is happening in a far away world.

Play an album of Beethoven's symphonies, and the composer suddenly becomes more in a student's mind than just a name in print.

Let a student watch the world of single-celled creatures through the illumination of a microscope, and he'll take a closer look at the world around him.

Test his ability against an electronic speed-reading machine, and he almost surely will respond to the spirit of the challenge.

Educators today are much aware of the value of audio-visual equipment in the classroom. Modern education is a sight-and-sound world in which electricity helps bring history, geography, literature and languages to life.

Electricity is hard at work for you just about anywhere you go these days. And the use of electricity is expected to increase in the years ahead.

When additional power is needed, we'll be ready to provide it to schools and to all our customers.

But getting ready and staying ready is an increasingly expensive, never-ending job at Texas Electric. Our construction expenditures are at a record high for facilities necessary to keep an adequate and reliable power supply at your service.

College Day

Students Search For Future

College Day was held this last week in Colorado High School with juniors and seniors having a chance to talk with representatives of colleges, universities and the armed forces.

College days are traditional on high school campuses throughout the United States but there is no traditional feeling among students about college day. Every student has his own thoughts about the day.

Here is the response of 19 Colorado High students when asked their feelings about college day:

--Cornelia Helm: College Day was very informative and interesting.

--Patricia Rivera: I was given the opportunity to learn what the colleges have to offer.

--Clay Shurtleff: If anyone took College Day half way seriously, he benefited greatly from it, juniors or seniors. The people who decide to go to college took a step forward and probably everyone did take advantage of College Day seriously.

--Shirly Dorsey: College Day seemed to be a great success. The representatives from the different universities and colleges were very courteous and patient with us. It was a very good experience.

--Lydia Luera: I thought that the men and the women were very nice and did their best to explain the colleges they represented.

--Lynn Lee: I think it was just great. I said I was not going to college but College Day changed my mind completely. I am going.

--Jayzenita Hopkins: College Day was great, and I wish that I could have visited each one of the sections.

--Danny Leonard: It was wonderful to have this College Day, but we needed more time to visit more groups. It gave us a chance to get used to that fact that we're almost ready to be on our own.

--Randy Cooper: Without College Day I believe I would have never been able to decide which college best suits my interests.

--Allen Sparks: There were some colleges that I would like to have heard information about, that were not represented. The ones I did hear were excellent.

--Robert Bell: To me College Day was a lot of confusion.

--Gaye Oliver: The College Day gve me some very helpful information and helped me have some idea of what is offered in college, and how much money I need to attend the college of my choice.

--Cary Coffee: College Day was a good chance for anyone who wanted to know more about colleges, I liked it, I wanted to learn more, so I did.

--Russell Golden: I learned alot about colleges, and the representatives were so friendly.

--Trey Sheppard: I think it helped only the serious students, and I believe we need two or three College Days a year so we can come to a decision.

--Margo Tomb: To me College Day was beneficial. I learned about living expenses, which is important in any case. I hope everyone had the chance to learn everything I did.

--Grif Hanks: I found a big difference in the colleges if you judged by how they were prepared to help you.

--Ricky DeLaney: College Day helped me a great deal. I am seriously considering changing my college plans because of my discussions with a particular representative.

--Jack Hill: College Day gave me an opportunity to pick out a school and learn more about college life. My representative was frank and informative.

Kleingrass For Pasture Plantings

A new grass that looks good in Mitchell County for pasture plantings is Selection 75 Kleingrass, reports John Kazda of the local Soil Conservation Service. Plantings on the Wild Horse Ranch (G.R. Robinson Est.) and on Rex McKenney Ranch have made excellent growth the past two years.

Bennie Black of the Wild Horse Ranch seeded the Kleingrass with a grain drill in 20 inch rows using about two pounds of pure live seed per acre, while McKenney seeded one pound per acre in 40 inch rows. Kleingrass grows well in either rows or broadcast, but for seed harvest, rows may be best.

The plant has fine stems and green to bluish green leaves and it will grow about four feet high. It is related to bluepanic and switchgrass. The seeds are small and shatter easily, which restricts seed yields.

The grass is adapted to a wide range of soils, but on dryland it does best on sandy loam to clay soils. Kleingrass recovers quickly from drouth after a rain.

"Kleingrass should be seeded in a pure stand in an area that can have the grazing controlled. The grass is highly palatable and livestock will overgraze it before other species are grazed", states Kazda.

Attending Course

Army Second Lieutenant Larry W. Paul, son of Mr. and Mrs. W.W. Paul of 110 East 22nd Street, is attending an air defense artillery officer qualification course at the US Army Air Defense School, Ft. Bliss.

The nine-week course provides training in the operations and tactics of the Army's air defense weapons systems, which include the Nike Hercules, Hawk, Redeye and Chaparral Missiles as well as automatic weapons such as the Vulcan gun system.

Christmas Seals Now Being Sent

Christmas seals, now being delivered to residents of Mitchell County, marks the annual Christmas Seal campaign kick-off throughout the 32 West Texas counties of the Big Country Area of the Texas Tuberculosis and Respiratory Disease Association.

The slogan "There's More To Do - Give More To Christmas Seals", is especially fitting to the campaign, according to Mrs. A.H. Jackson and Mrs. A. J. Hooks, BCA Board members from Colorado City.

Donations from the seals "give the gift of live and breath in the year-round fight against emphasema, tuberculosis and other respiratory diseases. In addition, the seals spread good cheer in the holiday season through their uses on holiday cards and packages."

Mrs. Jackson and Mrs. Hooks noted that money received are spent in research and health education.

Emphysema, a chronic respiratory disease, is second among disabilities for which workers are awarded Social Security benefits. Bronchitis, emphysema and asthma combined rank ninth among causes of disease deaths, with emphysema being the fastest growing cause of death in this country.

BUY LIGHT BULBS From A Lion

5 p.m. - 9 p.m.

Tuesday

Members of the Colorado City Noon Lions Club will be calling on you between the hours of 5 p.m. and 9 p.m. Tuesday of next week to ask for your help. You can help by buying an inexpensive package of high quality light bulbs.

The proceeds from light bulb sales helps finance the many worthwhile projects of the Noon Lions Club including the Mitchell County Boys Club, a scholarship fund and the Lions' Crippled Children Camp in Kerrville. You're always needing light bulbs so why not buy a package, or two, or three.
