OMINOUS CLOUDS rolled over Colorado City Thursday afternoon but brought only dust and rain and not the dreaded tornado which city residents feared. A tornado that afternoon or night near Sterling City tore down some fences but no other damage was reported locally.

Countywide Rainfall Enough For Planting

The weather in Mitchell County has been the topic of most conversations lately, as usual this season of the year.

Rainfall in the county during three different periods, last Sunday and Monday, again Thursday afternoon and Friday night, has brought happy smiles to the faces of farmers, ranchers, gardeners and almost everybody.

Grain sorghum planting will probably start as soon as the land can be worked, ASCS executive director Don Stewart said, but cotton planting will not begin until after the first of May.

Even though the clouds and wind brought good rains to most parts of the county, turbulent weather which spawned the rains created some anxiety about tornadoes and damage from a tornado-like wind knocked down and uprooted some fences near Sterling City just across the Mitchell County line.

Gusty winds also caused a pickup camper pulling a boat to go off the road near the Interstate 20 bridge Thursday afternoon about 2:30 but the ambulance was not needed.

Colorado City's official gauge at the sewer plant on the southside has measured almost two and one-half inches during the week. The most reported has been in the Buford area which got almost an inch April 3, making a total of more than three and one-half inches for the month.

Lightest amounts have been in the southwest part of the county as the Spade community has received only about an inch and one-half.

The rain, however, has amounted to enough to start planting and will insure a crop if other conditions are favorable.

TOTAL DAMAGE to the contents of Joe Brown Carpets was the result of a fire discovered Thursday morning. Damage was estimated at $30-$40,000 to the merchandise and about $10,000 to the building. Here an insurance adjustor from Big Spring looks over the damage where investigation shows the fire started near the floor area at the rear of the store. Police are investigating the possibility of arson.

Caravan Ceremonies Start At Noon Tuesday

The Armed Forces Bicentennial Caravan which comes to Colorado City Tuesday will be welcomed to the city in opening ceremonies at the Colorado High School parking lot beginning at noon.

The Colorado Middle School band will play from 12 to 12:30 and then Mitchell County Bicentennial Commission chairperson Mrs. Charles C. Thompson will welcome the Armed Forces Caravan to the city and dedicate the event to the school officials and personnel because of their co-operation in Bicentennial observances.

Colorado ISD Superintendent Lloyd McKee will serve as Master of Ceremonies and there will be a flag raising ceremony and Pledge of Allegiance, then the opening ceremony will end with the high school band playing the "Star Spangled Banner."

The Caravan will be open to the public, free of charge, from 1-7 p.m. and during the course of the afternoon, bands and music students from Colorado City and Western Texas College in Snyder will present mini-concerts.

Also in conjunction with the Caravan, the Wolverines organization at Colorado High School will be serving a barbeque plate meal from 11:30 a.m. until 7 p.m. Tickets are $2, adults, and $1.50 for children under 10 years of age.

The menu includes Barbeque Sausage, Pinto Beans, Potato Salad, Pickles, Onions, Bread, Tea or Coffee.

An art show sponsored by the Bicentennial Committee of the Chamber of Commerce will be open for viewing from noon until 6 p.m. in the CHS lobby.

Entitled "Historical Places or People in Mitchell County," the show will feature works of local artists and anyone may show paintings which follow the theme. Exhibitors are asked to bring paintings to the high school from 9-11 a.m. so they may be arranged for display. Either Bobbie Steakley or Shirley DeLaney, co-chairmen of the committee, may be contacted for additional information.

The Caravan itself consists of four mobile museums which represent the four major military services. They feature exhibits and other attractions which illustrate the Bicentennial theme, "The History of the Armed Services and their Contributions to the Nation."

The vans use audio-visual techniques to depict not only contributions each service has made toward the freedom we enjoy today, but also contributions the services have made toward the civilian community. These include such areas as technology, economics, education, environment and social services.

The Air Force van features a multi-image slide presentation of such quality that it was awarded the Gold Medal for best multi-media documentary, at the International Film and TV Festival of New York. Fifteen projectors and more than 700 slides are used simultaneously in the 17-minute show to highlight the Air Force's role in avaition in its early stages, during the two world wars, in space research and in today's world.

The Army, Navy and Marine Corps vans, built on a different premise than the Air Force van, each feature walk-through style patterns where visitors enter the van and follow the exhibits through the van.

The vans can accommodate up to 100 visitors per van per hour.

All the vans have identical exterior designs except for the individual service name and seal.

The caravan which began its journey on July 4, 1975, will travel more than 1,500,000 square miles by December 31, 1976.

READY FOR DISPLAY--The Armed Forces Bicentennial Caravan is shown set up in one of many display configurations. The mobile museums, which graphically illustrate the history of the Armed Forces and their contributions to the nation, can accomodate up to 100 visitors per van, per hour. The Caravan will be open from 1-7 p.m. Tuesday at Colorado High School parking lot following opening ceremonies set for 12:30 p.m.

VISITORS LISTEN to a list of Army contributions in the field of medicine in the U.S. Army van. The van also includes displays on the Army's wartime role, civil actions, community assistance, exploration and contributions to the nation.

City Gets $4,854.12 Tax Check

The city of Colorado City received a check from the office of State Comptroller Bob Bullock Friday in the amount of $4,854.15 for the period ending April 2.

The city's amount was lower than some months because it is the first month of the quarter and some merchants turn in quarterly reports of sales tax collections.

The city of Loraine did not receive a check this month but will get one from the comptroller when the quarter ends.

Easter Service Today

Easter Sunrise Services for the entire county are planned to begin at 6:30 this morning (Sunday) in the amphitheatre at Pendick Park.

The special Easter service is sponsored by the Mitchell County Ministerial Alliance.

Glenn Polk will narrate the Easter story and there will be special music and congregational singing.

Fire Damages Carpet Store

A fire during the night at Joe Brown Carpet on Hickory Street caused an estimated $53,000 in damages to the carpet store and merchandise and smoke damage to merchandise at the next door Occasion.

The damage was discovered by city patrolman Jerry Cowin about 8:15 Thursday morning as he went to investigate a minor accident just across the stree from the carpet store and noticed the smoke blackened windows. Leo Heath, store manager, arrived at the store shortly after Cowin made his discovery and together they discovered the fire, which had burned itself out for lack of oxygen.

The store windows were cracked but not out and did not allow air to get in to the fire so that flames did not erupt.

Damages to the building were estimated at about $10,000, the merchandise was totally destroyed in the carpet store, about a $30,000-$40,000 loss, and gift items in the Occasion suffered about $3,000 worth of damage from fine soot which settled everywhere in the store.

Both the Occasion, operated by Mel and Coleen Palmer, and the carpet store, owned by Joe Brown, are located in a building owned by Bob Dennis. The store next to it, Gene's Radio and TV Service, is a separate building and was not damaged.

Brown said that all his invoices burned in the fire and an insurance adjustor from Big Spring had both the building and merchandise claims and made an inspection. He estimated his damage at $30-$40,000, saying that everything in the store was ruined and he and Heath began taking inventory Thursday afternoon.

Both Cowin and Brown said the fire looked like it started at the floor area in the rear of the store. The back door was locked when Cowin investigated but a rag soaked in a flammable substance was found in the restroom near where the fire started and a cap was found outside the back door.

Cowin said that investigation was continuing in the possibility of arson, "but it could have been anything. We couldn't get any fingerprints from the cap, an imitation leather, flat crowned cap, and Brown said the rag was not in the restroom when the store was locked up Wednesday."

City Fire Marshall Mike Mikle was also called to investigate the fire and is continuing investigation into the possible cause.

Photo Session Next Sunday

The Colorado City "town photo" session has been set for 12:30 next Sunday, April 25.

No Classes Tuesday

Colorado City students get a holiday from classes Tuesday and may attend the Armed Forces Caravan at the Colorado High School parking lot during the day from 1-7 p.m.

Teachers have Tuesday scheduled as an In-Service workday.

127 Kindergarten Students Enroll

Colorado ISD board of trustees meets Monday night, 7 p.m. in the Colorado Middle School library and will discuss among other things the 127 students enrolled in the Kindergarten program this fall.

Supt. Lloyd McKee said that about 100 students enrolled in the spring last year and then when school started in the fall, 135 Kindergartners showed up for classes necessitating hiring an additional teacher.

"We now have five Kindergarten teachers and will have to have that many this fall. If more students enroll when classes start as they did last year, then we'll have to have an additional teacher because we know we'll miss some in the pre-enrollment as we did last year," he said.

McKee also said that the enrollment for the past few years had been about 110 but the 135 students this year and at least 127 for the coming year indicates growth in Colorado City.

The school board agenda also includes consideration of two resignations: Lonnie Ellis, who has taught and coached at CHS for the past few years and Surry Gillum, choir director for the past two years. Ellis is planning to continue his education at the graduate level at Texas Tech and McKee said that Gillum is considering returning nearer to the Stephenville area.

The board will discuss and renew teacher contracts for next year after a canvass of the election results and swearing in of new board member Gene Blassingame and Jimmie Bolin, who won re-election.

Bob Motley, past board member, will be recognized for his past years of service and then the board will re-organize with election of officers, a requirement by statute following each election.

New members of the Board of Equalization will be appointed as the Board will organize in the latter part of May and hold local budget hearings in June.

The board will also consider a letter from Eddie Piland and Woody Anderson requesting that lights at the school's tennis courts be left on later at night for use by the community.

Another item for consideration will be approval of upcoming band and choir trips.

Aggies Muster

Former students of Texas A&M University residing in Mitchell and Scurry Counties will assemble Wednesday in Colorado City for the annual Texas Aggie Muster, announced chairman David Marion of Colorado City.

The Muster activities will begin at 6:30 p.m. at the Villa Inn in Colorado City, according to the chairman.

Marion said the Muster is open to all former students and their families, parents of students and friends of Texas A&M.

This year Texas A&M is celebrating its Centennial year. It also marks the 100th anniversary of public higher education in Texas. During those 100 years, Texas A&M has grown from a small land grant college to one of the leading research and educational institutions in the nation, Marion reports.

The Aggie Muster dates back to 1903 and has been held annually since. More than 350 Centennial Musters will be held around the world this year. Marion said, "wherever Texas A&M former students live or work."

During wars, the Aggies mustered in foxholes, on the battlefield, aboard ships, in airplanes and in medical hospitals. In World War II, a Muster was held on Corregidor shortly before the Japanese captured the island.

Every Muster ceremony is the same, Marion reported.

The Texas Aggies pay their respects to all those who are absent, because of death, since the last Muster. When the names of the honored dead are called from the Muster Roll, a friend of the deceased answers, "Here."

C C Printing Celebrating Its 25th Anniversary

C C Printing Co., was formed by Mr. and Mrs. Clem Myers on April 1, 1951 when they purchased the printing and office supply business that had been part of the Colorado City Record.

Mrs. (Frances) Myers took over the business after her husband died in 1971 and this year, C C Printing is celebrating its 25th anniversary.

Myers moved to Colorado City in 1943 and went to work for the Colorado City Record and the Whipkeys, then owners of the Record. The Record was later sold to Pete Geller who decided in 1951 to get out of the printing and office supply end of the business and sold it to Myers.

C C Printing was first housed in the south end of the old Record building on Walnut from April to July 1951 and then moved to Second Street in the building where Holbert's Appliances is now located. Two years later, the firm moved to its present location at 154 Walnut.

During the years, the firms has continued to expand and update equipment so as to best serve the public. In 1962, Myers bought out Maniss Printing and in that same year, Don Banta came to work as a printer and has remained with the firm since that time.

Mrs. Myers expressed her gratitude to everyone for their patronage during the past 25 years and voiced her intentions to continue the same quality service as everyone has been accustomed to receiving from C C Printing Co., during the past 25 years.

Printing is a very precise art with a printing press for a brush and blank paper as a canvass. The dedication of people like Frances Myers and Don Banta is what makes letter perfect printing possible.

Go by and see them for all your printing needs.

Letter Perfect

Frances Myers and Don Banta strive to provide only the best in printing as well as a complete line of office supplies to their many customers.

Colorado City Savings & Loan

....Over '11 Million In Assets

Savings & Loan Assets Have Doubled In Only 3 Years

"Our specialty is thrift and home ownership," says Bill Crockett, assistant manager of Colorado City Savings & Loan.

Originally chartered in 1934 as Colorado Federal Savings & Loan, the institution in 1972 also received a state charter and was renamed Colorado City Savings & Loan.

It was on March 1, 1973 that W. B. Crockett Jr., became president and manager of Colorado City Savings & Loan. The firm at that time has assets of more than $6 million and those assets have almost doubled to just about $12 million now.

Following graduation from Tarleton State University, Bill Crockett joined his father in operation of the firm. Other workers at the firm include accountant Neva Turner, bookkeeper Katy Byrd and, and tellers Linda Golden and Cornelia Helm.

Other officers of the board in addition to President W. B. Crockett Jr., are R. F. Fee, vice president and chairman; V. L. Moser, treasurer and Donald E. Crockett, secretary. Other members of the board are Charles L. Root, Bill Seale and B. B. Hardee.

Colorado City Savings & Loan has been particularly interested in securing new housing for Mitchell County as well as making loans to help local residents remodel existing dwellings.

The father and son team expressed their appreciation to everyone for giving them the opportunity to help finance the many different needs of Mitchell County families.

The Crocketts pointed out that Colorado City Savings & Loan pays the highest interest allowed by law and offers many savings plans including certificates of depost, (CD's) regular passbook savings and the day-in, day-out savings.

They invite everyone to come by and let them assist in your financial planning.

Women Make 3-Day Pilgrimage To MO Ranch

A three-day trip to the MO ranch near Kerrville was taken by Colorado City Garden Club members as their annual Pilgrimage.

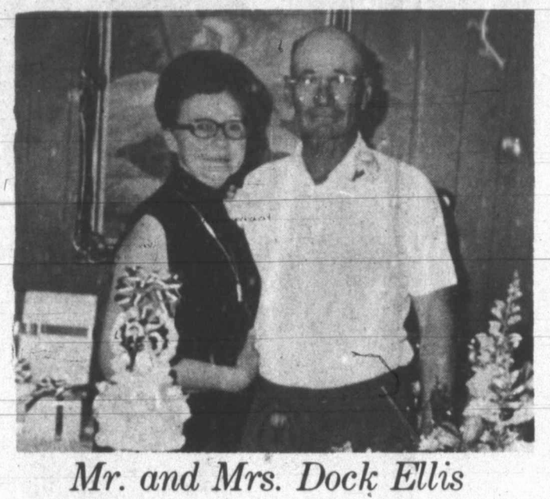

Those making the trip were: Mrs. Roy Davis Coles, trip chairman; Mrs. J. B. Hilliard, Mrs. Ben D. Elliot, Mrs. L. J. Taylor, Mrs. E. M. Owen, Mrs. Lynn Halbert and Clara Shoemaker, all of Colorado City, and Mrs. Bruce Johnson and Mrs. Virgil Walker of Loraine.

The group travelled in two cars driven by Mrs. Johnson and Mrs. Coles.

They spent one full day, Tuesday, at the ranch which is owned by the Presbyterian Church and open to public use for church meetings or civic organizations such as the Garden Club. It is located on the scenic Guadalupe River.

Tuesday's agenda included a morning walking tour on the Nature Trail with a printed program of plants to look for. Then the afternoon sightseeing tour was to Kerrville and a shop where jewelry is handcrafted.

The group returned home Wednesday.

Tips From The City Of Colorado City

City Health Inspector Mike Mikle reminds city residents that approval of a livestock permit depends on keeping the animals or poultry in enclosures and keeping the enclosed area clean. Permits may be rescinded by failure to meet the requirements. Requests for an inspection may be made through City Hall, 728-5331.

Mrs. Nathan Hoyle
...the former Miss Cheryl Sayger

Sayger, Hoyle Repeat Marriage Vows In Saturday Afternoon Ceremony

Cheryl Janeen Sayger became the bride of Nathan Carrol Hoyle April 17 at 4 p.m. in the Oak St. Baptist Church.

The Rev. Jim Mosley, pastor of the Oak St. Baptist Church officiated at the double ring ceremony.

Daughter of Mr. and Mrs. Robert Sayger of 1402 Eastover, the bride was given in marriage by her father. The groom is the son of Mr. and Mrs. Henry Hoyle of the Valley View Community.

The bride wore a floor length gown of organza fashioned with demure scoop neckline in chantilly lace. The victorian sleeves and demibelle skirt with flounce ruffles were trimmed with lace. The hemline and chapel train were accented with Venice lace.

Her veil of illusion, trimmed in lace, was attached to a camelot hat of lace. She carried a cascading bouquet of white daisies with baby's breath and stephanotis accented with touches of blue ribbon.

Traditional wedding music was played by organist, Mrs. Charles Stevens of Sterling city. Miss Ginger Noel, pianist played the "Theme frosm Romeo and Juliet" and accompanied the bride as she sang "More" following the memory candle ceremony.

Ellen Sayger, sister of the bride served as maid of honor and Mrs. Bill Griffin of San Angelo was matron of honor.

Both honor attendants wore floor length gowns of blue crepe, featuring an empire waist, V-neckline with ruffles. They wore white "picture" hats and carried nosegays of blue and white daisies with baby's breath.

Miss Sherry Christian of Colorado City served as bridesmaid.

Registering guests in the foyer of the church was Mrs. Randy White, sister of the groom.

Twin flower girls, Bridget and Brittany Bridgford wore floor length gowns of blue organza and carried white straw baskets.

Clay Sayger, brother of the bride and Karen Thomas served as candlelighters.

Randy Hoyle, brother of the groom of Abilene was best man and Johnny Trulock of Colorado City and Hunter Wistrand of Houston were groomsmen.

Randy White, brother-in-law of the groom, Ricky Beights, Buddy Crabtree and Jerry Buckalew of Colorado City were ushers.

The wedding reception was held in the fellowship hall of the church. The bride's table was accented by flowers and a 4-tier wedding cake and the groom's table featured a German Chocolate cake, silver appointments and a floral arrangement of cotton stalks in a cuspidor.

The houseparty included: Susan Blassingame of Abilene, Sheila Hardee, Mrs. Albert Damborsky and Mrs. L. D. Maines.

The bride wore a street length dress of blue and white, A-line, featuring long sleeves with cuffs and matching trim on the neckline. The groom's shirt was of the same material. Both going away outfits were gifts of the groom's mother.

The couple left on their honeymoon to Del Rio and Old Mexico.

The bride attended Texas Tech and is now employed at Western Auto. The groom is a graduate of Tarlton State University and is engaged in farming.

Out of town guests were from Big Spring, San Angelo, Lubbock, Abilene, Arlington, Canyon, Snyder and Bunkley, Arkansas.

The rehearsal dinner was hosted by the groom's parents in the fellowship hall of Oak St. Baptist Church.
