

IOWA PARK LEADER

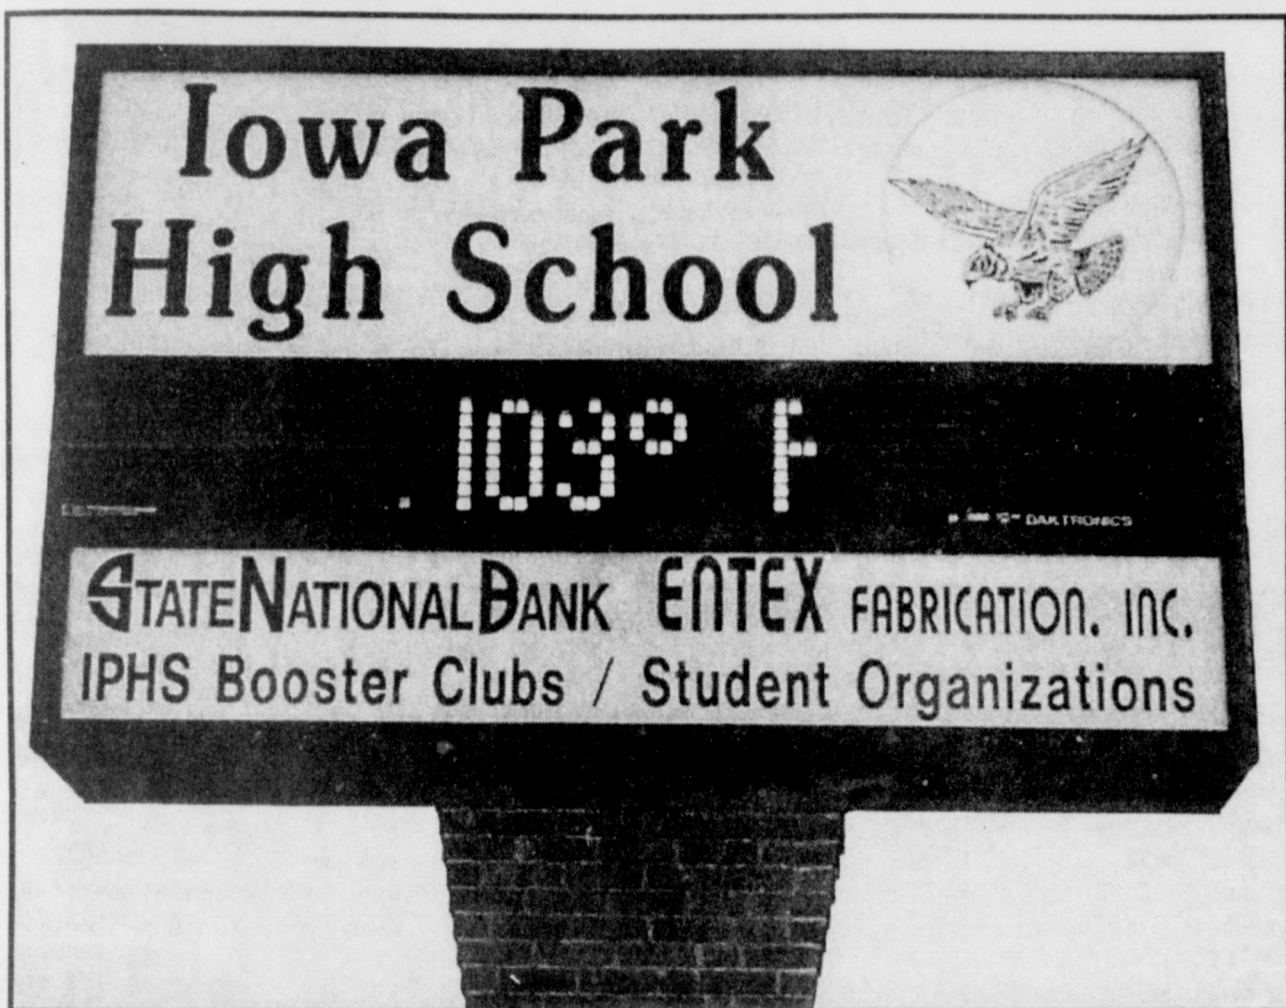

50¢

Vol. 30, No. 47

IOWA PARK, WICHITA COUNTY, TEXAS 76367

Thursday, July 29, 1999

MRS. LITA WATSON
520 W. CLARA
IOWA PARK TX 76367
111

HEAT CAN BE CONFUSING to one's mind, as well as the thermometer. The picture above was taken of the electronic message machine at the corner of West Highway and Johnson Road, showing 103 degrees Monday afternoon. After that, the heat apparently got to the sensor, because Wednesday morning it was displaying 231 degrees, and an hour later, 38. The lower reading was bound to make readers feel a little more comfortable.

Commissioners take no action in response to local petitioners

The Wichita County Commissioners Court took no action following receipt of a petition requesting the return of Gay Allen as clerk at the local sub station.

A petition, bearing 82 signatures, was presented to the court, asking that Mrs. Allen, who had worked at the sub station 10 years, be allowed to resume working here.

She has been assigned to the main office in Wichita Falls, and Gloria Pursel became the full-time clerk in her place, effective July 15.

Lou Murdock, Tax Assessor-Collector, explained the move was made when Mrs. Allen was asked to man the office single-handed, and she reportedly said she couldn't do it by herself.

The Commissioners Court made a study of how many transactions each office in the county made on a year's basis, and determined only one full-time clerk was needed here.

"This isn't a vendetta," commented Mrs. Murdock. "We will have a part-time clerk to help when needed, such as a busy period or sick time. The backfeed I've had has been very

positive."

Mrs. Pursel will be working full time here. She lives just outside Iowa Park and has been in the Wichita Falls office four years. Her husband, Brian, is employed at Cryovac and their four children attend Iowa Park schools.

County Judge Woody Gossom said, concerning the petition, "According to legal opinion from the Texas Attorney General's Office, each elected office holder determines who is employed by them and subsequently directed by that office."

"Though the Commissioners Court may make suggestions to another office, it cannot direct another office in a matter like this."

"In this particular case, during budget hearings the Commissioners Court asked the Tax Assessor to review the activity level and personnel in each office. The study revealed that less extra help was needed in the Iowa Park office."

"However, current personnel felt they could not work without the prior level of assistance. Another staff member is currently manning the

office and handling the work with minimal help," said Judge Gossom.

He added, "We are always interested in the opinions of those for whom we work. If the service is inadequate or not customer friendly, we are very interested."

Heading the petition that was presented to the court was the statement:

"Because Gay Allen has done a good job we would like to continue to see her work and be returned to the Iowa Park Substation. We request that the County Judge and the commissioners' court reinstate Gay to her position at Iowa Park vehicle registration and tax office. She has become an asset to the community and exemplifies the type person who should work in this office. She treats every person as if they were the most important person in the world when she is waiting on them."

Council approves funds to be in Y2K compliance

The city council approved the purchase of equipment to upgrade its computer needed to bring it into compliance with the year 2000 (Y2K), during Monday's meeting.

Aldermen passed a resolution proposed by Administrator Mike Price which called for expenditure of \$6,859 from unbudgeted surplus funds for the purchase.

Price explained the acquisition would include software upgrades and an external tape drive system.

"We will be ready for CPS Systems Inc. to make the necessary changes to bring our system into Y2K compliance," he said.

In other business, the council approved requests made during two public appearances, and also an ordinance pertaining to parking in the 100 block of West Park.

Roger Palmateer, who is employed through Edward D. Jones, an investment firm previously repre-

sented here by Bo Watson, will soon be officed in the 100 block of West Cash.

He explained he would appreciate the council approving a request previously okayed for Watson, which would waive the solicitation ordinance and allow him to go to homes and introduce himself, without having to pay the required solicitor's fee.

The approval involved two 90-day periods. Palmateer explained this was his only method of introducing himself, because his company prohibits solicitation by telephone.

The other personal appearance request was made by Ben Filer, who asked for council permission again this year allowing the Hotter 'N Hell bicycle riders to use City Hall Park for its rest stop.

The event will be on Saturday, Aug. 29. Riders in the 25, 50 and 100-mile events are expected to completely pass through Iowa Park on the

old highway, clearing the city by 10:30 that morning.

Monday's meeting was initially to be cancelled. However, Price explained that the need for approval of the computer upgrading funds was necessary at that time, in order for that work to be completed by the first of September.

During the general discussion period, Price informed the council that he had been contacted by Ron Hite, confirming the company of International Environmental Services Inc. had purchased Bellview Trucking from Bell Processing, and will take over trash collection in the city.

The new company plans to headquarter at the former Cornerstone Pentecostal Church of God, on West Smith. While the facility is being converted for use, it will utilize the Barbour Trucking property, Price explained.

Another budget workshop will be held at 7 p.m. Monday, in council chambers.

Police report three arrests

Though the number of cases worked by the Iowa Park Police Department was considerably fewer than the previous week, there were still three arrests included on the police blotter.

Two of the arrests were assisting other agencies, according to the police blotter.

Anthony Brandon Doucet, 27, was taken into custody Wednesday evening in the 400 block of West Aldine, after it was determined three warrants against him had been issued by the Clay County Sheriff's Dept.

The warrants were for assault, endangering a child and unauthorized use of a motor vehicle, with fines amounting to \$222.50.

Doucet was later picked up by a Wichita County deputy and transported to the county jail to await transfer to Clay County, according to the police blotter.

Florencio Salazar, 22, was picked up Tuesday evening in the 700 block of North Third on a warrant issued by the Wilbarger Sheriff's Office, for violation of probation, possession of

a controlled substance. He was then transported to the Wichita County jail.

An Iowa Park officer stopped James Randall Follette, 17, at 1:06 a.m. Wednesday in the 1500 block of Johnson Road, when it was observed he had no light on his license plate.

The officer reportedly received permission to search the vehicle and driver, which turned up a dagger, a switch blade knife, and a chain mace.

Follette was charged with unlawfully carrying a weapon and also possession of a prohibitive weapon.

He was then transported to the county jail, according to the police blotter.

Sale, 'Hawk Kickoff' nearing

Two highly-popular events that are sponsored annually by the Iowa Park Chamber of Commerce are at hand.

The first will be on Saturday, when the Back-To-School Garage Sale is scheduled.

Maps with the locations will be

School starts

August 12!

Check out the
school supply list
on page 8 of
this issue.

distributed free at Scobee's Mini Mart and K & K Food.

Then, on Tuesday evening, the second-annual Hawk Kickoff is to get underway at Hawk Stadium.

The event is held to give fans an activity while they are waiting for the 12:01 a.m. Wednesday first practice of the season for the Iowa Park Hawks.

Beginning at 8 p.m., competition in punting, passing and kicking the football will be staged for both males and females, with age groups nine and younger, 10-12; 13-15; 16-19; 20-29; 30-49 and over 50.

Prizes will be awarded the winners, and all competitors will receive a ribbon. A \$2 entry fee will be assessed.

Throughout the evening, the concession stand will be open with food and drinks.

Bridge work slated on US 287

Bridge renovation is slated all over a nine-county district, including near the Iowa Park area, according to the Texas Dept. of Transportation.

SCR Construction of Richmond has been contracted to do the work, which includes 15 projects, at a cost

of more than \$450,000, according to TDT.

One of the projects includes replacing the concrete railing, approach slabs, some of the superstructure and metal guard fence on the overpass at Burnett Road on US 287.

Work is scheduled to commence Aug. 2 and continue until Aug. 11.

The company is scheduled to return in November to apply a polymer and sealant to the bridge joints. Maintenance also includes the northbound bridge at Burnett Road.

During the project the freeway will remain open, however there will be lane closures as needed.

Scheduling may change due to weather conditions or other delays beyond the contractor's control, the state agency announced.

Town hall meeting set Saturday

Both State Representatives who include Iowa Park in their districts will hold a joint town hall meeting from 9 a.m. until 1 p.m. Saturday, in the council room at city hall.

They are David Farabee, Dist.

69 Representative, and Rick Hardcastle, Dist. 68 Representative.

Constituents are invited to stop by at any time during the period to meet their representatives, and are encouraged to discuss any pertinent state government issues or concerns.

Iowa Park is unique, in that the two State Representative districts are separated by the railroad track. District 69 is on the north side, and 68 on the south.

KERRI EDWARDS

Kerri Edwards excited about new direction of choir program

Eventhough the first day of school is two weeks away, excitement is building in the choral department at Iowa Park High School.

Kerri Edwards, a native of Iowa Park who did her student teaching here last year, is the new choir director for both the high school and middle school.

She said the department is emphasizing a new focus and a new direction for the choirs and is looking for additional students to participate.

Edwards has enlisted the assistance of Darrell Ryan, formerly Darrell Dick, who directed the IPHS choirs for many years. "I'm excited about returning to Iowa Park High School and the future of the choral department as we look to the year 2000 and experience a new beginning," Ryan said.

"I'm also excited about working with Kerri Edwards, who was a former student of mine. She is wonderful and working with her is going to be great! Iowa Park students have such great potential and I'm looking forward to being part of that again!" he stated.

Edwards agreed about the potential of the choral program. "The Iowa Park music program has had a tremendous impact on my life," she said. "I'm not only looking forward to working with Darrell, but also to seeing and teaching 'my kids' again. I'm so excited I can barely stand the wait!"

Edwards said that enrollment in the choirs has dropped and leaves them a little short handed at both campuses.

To remedy this situation, a meet-

ing is scheduled for 7 p.m., Aug. 9, in the high school choir hall for students who are interested in choir and their parents.

At this meeting, students will have a chance to get acquainted with the choir directors, hear about activities planned for the upcoming school year, and ask questions. There will also be time for students to sign up for auditions.

For high school students, auditions for A cappella choir will start on Aug. 9 and continue until school begins. There will be a sign-up sheet posted at the high school on the morning of Aug. 9 where interested students may sign up for a specific audition time. Any student who previously made A Cappella has continued membership and will not have to audition.

At both high school and middle school, anyone choosing to be in choir, but has not previously enrolled, will not have to audition but need to see their school counselor in order to add choir to their schedule.

"I certainly hope we will have many students wishing to get into the choirs at both campuses," Edwards said. "This is an exciting time for us as we 'Break New Ground' and forge a new path for this remendously talented program. We have room for any student who is interested in this adventure!"

High school, junior high band rehearsals begin next week

Band students at Iowa Park High School will begin preparing for the new school year and marching season during the annual Summer Band scheduled Aug. 2-6.

Members of the flag corps and squad leaders will start working out today, and percussion will join them on Friday and Saturday. They will meet from 9-11:30 a.m. and 1:30 - 5 p.m. each day.

On Saturday, band students can pick up their music folders and check out school instruments if needed. Instrument rent is \$50 for the year and \$25 for half a year.

Monday through Friday of next week the entire band will be working, with playing rehearsals inside from 1 to 4 p.m. and marching rehearsals outside from 6 to 8:30 p.m.

There will be no marching rehearsal on Wednesday night, and on Friday night a lot of fun activities are

planned including pizza, soft drinks and swimming.

Also during the week of Aug. 2-6, they will be checking out uniforms. The fee is \$10 and needs to be paid when the uniform is picked up.

Rehearsals to start learning the marching show will be held on Aug. 9 and 10, from 6-8:30 p.m. Band directors will be assigning people their spots in the show at this time.

Band members should bring supplies such as reeds, valve oil, key oil, cork grease, flip folders, and lyres with them to the first day of summer band.

Junior High Band

The Iowa Park Junior High seventh and eighth grade band members will begin band practices Monday, when they will check out school instruments, pick up music and have an initial rehearsal from 8:30 to 11:30 a.m.

Tuesday through Thursday, rehearsals from 9 to 11:30 a.m. are scheduled. No rehearsal is set for Friday.

All seventh grade wind instruments will need to purchase a Rubank Intermediate Method Book and eighth grade wind instruments will use the Prescott Method Book, which the school provides. Percussionists will need the Haskall Harr Snare Drum Book, vol. 1.

All band students, with the exception of percussionists, will need to have with them a music lyre as well as the following supplies:

Flutes - tuning rod, small screwdriver, cleaning cloth, pencil and key oil. Clarinets - cleaning swab, mall screwdriver, cleaning cloth, pencil, four medium hard reeds, and key oil. Saxophones, cleaning cloth, small screwdriver, pencil, four medium hard reeds, and key oil. Trumpets, French horns, cornets, baritones, and tubas - pencil, valve oil, tuning slide grease and a cleaning cloth.

Trombones - pencil, tuning slide grease, cleaning cloth, cold cream and a water bottle.

Percussion - pencil, 2B snare drum sticks, medium hard timpani mallets, and pair of acrylic mallets.

Instrument rental will be \$50 a year or \$25 per semester. Percussionists pay \$25 a year.

Students in beginner band will not meet until the first day of school, when they will be given information on what to purchase.

LAKEVIEW CHILDREN
Cayla Olds and CD Wagner won Super Camper Awards recently at the Church of God Youth Camp in Weatherford. The two were voted as the Super Campers by the camp counselors from among 300 other children. Parents of Cayla are Mr. and Mrs. Eric Olds, and Chuck and Kerry Wagner are the parents of CD. Grandparents are Rev. and Mrs. Ole Olds and Mr. and Mrs. Terry Nault.

Testing dates announced

Iowa Park schools provide Credit by Examination for acceleration without prior instruction. Successful completion of the exams allows a student to advance a grade or subject without classroom instruction.

The Region IX Education Service Center, located at 301 Loop 11 in Wichita Falls, provides these examinations.

Testing dates and application deadlines are listed below. Information and application forms may be obtained by calling the ESC at 767-3836.

Testing Dates Application Deadline to Region IX

Oct. 16, 1999	Before Sept. 10
Nov. 13, 1999	Before Oct. 8
March 25, 2000	Before Feb. 19
April 8, 2000	Before March 4
June 3, 2000	Before April 29
June 10, 2000	Before April 29
July 1, 2000	Before May 26
July 29, 2000	Before June 3
Oct. 28, 2000	Before Sept. 22
Nov. 4, 2000	Before Sept. 29

COOK of the WEEK

John Lindsey

Our cook this week thrives on working for his family and community.

When John Lindsey, a police officer for the Iowa Park Police Department, is not patrolling the streets and protecting the citizens he is spending time with his family.

Lyndsey and his wife, Anglia have been married for eight years. They have three children, Shelby, seven, J.W., four and Brianna 10 weeks, and a Beagle, "Roscoe" P. Coltrain.

Lyndsey and his family enjoy such things as rollerblading, bike riding and horseback riding, as well as gardening.

They have two large gardens, and Lyndsey says the vegetables he and his wife don't cook they give away.

Lyndsey also enjoys weight lifting, fishing and putting puzzles together with Shelby.

Shelby really likes Titanic, so he plans to get the puzzle and that will be his and Shelby's next puzzle project. Lyndsey said "Shelby has helped me put together two of my best puzzles."

Lyndsey has attended Vernon Regional Junior College three years, taking one or two classes a semester. He is studying Criminal Justice and Business Management.

Lyndsey said he is most proud of organizing the Iowa Park Police Association.

The recipes Lyndsey is sharing are a combination of his own, created

by trial and error, and Mr. Food's, which he altered a little.

Spicy Hot Chicken

2 packs of boneless chicken breast
2 bottles of Chula Hot Sauce
Paprika seasoning
Cayenne pepper seasoning
2 - cups flour

Mix two cups of flour with two tablespoons of paprika and cayenne. Dip chicken in milk, cover with flour and deep fry.

Then empty both bottles of Chula into a pan with 3 tablespoons of butter and bring to a boil.

Add teaspoon of salt and Paprika to sauce.

Place deep fried chicken into sauce for approximately 10 minutes.

Remove and serve with ranch dressing.

Jalapeno Chicken Wraps

15 medium sized jalapenos
1 pack of boneless chicken
1 pack of smoked bacon
Garlic powder
1 pack of cream cheese

Split jalapenos into halves, cleaning the seeds out. Then fill each half with cream cheese and place a small strip of chicken on the top of it.

Cut bacon in half and wrap around jalapenos and chicken placing it onto a pan.

Sprinkle with lots of garlic powder.

Place in 350 degree oven for approximately 30 minutes.

Chicken Fajitas

2 packs of boneless chicken
2 bell peppers
2 onions
2 jalapenos
1 pack of Fajita seasoning mix
Lemon juice
Nature's Seasoning
Jalapeno Tabasco Sauce
Shredded cheese
Zapata tortilla mix

Place (cut up) bell peppers, onions, jalapeno in skillet with three tablespoons of butter, cook on low heat for approximately 7 minutes.

Cut chicken into one inch cubes, place into a bowl of warm water with fajita seasoning and two tablespoons of lemon juice and two tablespoons of Nature's Seasoning Mix. Let set 15 minutes.

Place chicken along with the water mixture on top of the vegetables in skillet and cook on med-high for 45 minutes to an hour. Then add seven drops of Green Jalapeno Sauce.

Make your own tortilla's with the Zapata Tortilla mix, following instructions.

Serve with shredded cheese.

New students register at Kidwell next week

Students in grades pre-K through second grade, who are new to the district, can register next Tuesday and Wednesday at Kidwell Elementary School. The office will be open from 9-11 a.m. and 1-3 p.m. on both days.

Parents are asked to bring their child's shot record, Social Security card, birth certificate and last year's report card.

Any kindergarten student who has been through screening but has not turned their birth certificate, Social Security number or shot record, needs to turn those items in during registration.

Also, applications are still being taken for pre-kindergarten. For further information, call 592-4322.

Mr. and Mrs. Marvin E. Banks - 1942

Mr. and Mrs. Marvin E. Banks - 1999

Banks celebrate 65th anniversary

Mr. and Mrs. Marvin E. Banks recently celebrated their 65th wedding anniversary with a family dinner at their home in Wichita Falls.

The couple were married July 27, 1934, in Chickasha, Okla. At the time of their marriage, Mr. Banks was working for the Humble Pipeline Company which had its district office in Iowa Park. He served in the

U.S. Army from 1942-1945, and retired from Exxon Pipeline Co. in 1973.

Mrs. Banks was a registered nurse working for Dr. Gordon G. Clark in Iowa Park

The Banks have two sons, Marvin E. Banks Jr., an attorney, who lives in Iowa Park with his wife,

Lisa, and children Summer and Weston, and Joel, a missionary living in Buenos Aires, Argentina.

Museum slates events for Aug. 14 open house

The Wichita Falls Museum and Art Center will have an open house Aug. 14, featuring a flea market and street dance.

The Museum will be open to the public for tours, laser shows, and other attractions. There will be a flea market in the courtyard from 11 a.m. to 4 p.m., and live music and dancing from 4-9 p.m. on the circle.

Hot dogs, hamburgers, snow cones, beer and soft drinks will be available.

As I See It...By Bob Hamilton

Because some folks took my recommendation of a place to stay while on a trip, I feel obligated to do the same on a place not to stay.

A couple of weeks ago, I wrote about the merits of the Moody Gardens hotel in Galveston, and have been told at least two families chose to follow my advise . . . and liked it. Well, last weekend, we attended

another press meeting, this time in Abilene.

It was held at the Clarion Motel, a facility originally called the Kiva, located on the west side of town along the old Highway 20 route.

Don't, and I do mean "do not" ever decide to stay there.

After many years of being an outstanding facility, complete with

an indoor swimming pool and other activities available, this place has been purchased by a Middle East group. Only the structure reminds one of what once was.

It is totally run down, when you take a closer look, and the administration pays little attention to meeting facility plans which have been laid out.

Let me give you a few examples:

* There was a hole which had apparently been knocked out of the area above our door. It had an old dirty wash cloth plugging it.

* As is the case of most motels and hotels now, the traditional room key has been replaced with the magnetic key. We had to go to the desk to reprogram our's four times each during the three-day period. That's eight trips, by the way. The girl at the desk got to know me by name, I was such a frequent visitor with a frown on my face.

* Our major banquet the final night was to have been in a spacious facility, but instead a folding wall was not retracted, leaving us with half the room we needed. And in the other room, a family reunion was holding an auction, with the speaker doing his best to drown out our's.

* Prior to that session, we were to have a reception out near the swimming pool. It never happened, because they apparently forgot to schedule workers.

* We had a couple of luncheons in the area where that reception was held, complete with speakers. The pool was to have been closed during both, in order to have less noise so we could hear the speakers. It was never closed.

* I purposely rented a room where smoking was permitted. The second day, the cleaning crew failed to leave my ash tray. I made that known to the desk, before lunch, but never got one. But the following day, I had two of them. Guess that just made up for the previous day's omission.

* One of my friends told me the second night of his stay, his air conditioner shut down. It was hot. He called the front desk to inform them. They brought him a fan, so he could survive, I guess. And then, the next morning, he had no hot water. So he had to shower and shave with cold water.

Like I said, the Kiva was an outstanding facility until recently. It was so outstanding, the owner built one of the same name and similar design in Wichita Falls. It's now the Holiday Inn.

So, my only recommendation, should you be planning an overnight stay or longer in Abilene . . . do not stay at the Clarion Motel.

Well, not unless you just want to subject yourself to unpleasantness.

WORTH QUOTING

If lawyers are disbarred and clergymen defrocked, doesn't it follow that electricians can be delighted, musicians denoted, cowboys deranged, models desposed, three surgeons debarked and drycleaners depressed?

Letters to Editor policy explained

The *Leader* receives numerous letters which cannot, for one reason or another, be published.

Letters will not be printed unless they are signed. A typed name will not do. And, for the sake of verification, the writer's telephone should be included.

Should the writer not wish his/her name printed, it will be omitted upon request. However, the letter will be kept on file to be read upon request.

Letters also must be free of libel. If not, they will not be published, because we will not edit the content of any letter.

In letters supporting political candidates or issues, the *Leader* reserves the right to limit their lengths.

We encourage your Letters to the Editor, and offer the paper space as your forum for discussions of ideas and observations.

LETTER

TO THE EDITOR

Program is wonderful

Dear Letter to the Editor:

There is a wonderful children's program (both summer and after-school) of which many parents may not be aware. It is called the Rac Pac Kids, offered through the Iowa Park Recreational Center.

There has been a tremendous need for this program in our area. After personally experiencing other child care programs in Wichita Falls, this one is far superior.

My son has been with the Rac Pac Kids from its beginning. He enjoyed the after-school program last year and looks forward to this summer's weekly field trips, swimming and overall daily plans. The Recreational Center also offers different classes throughout the year for children such as tennis, tumbling and Taekwondo.

Cindy Holkomp does an outstanding job planning these activities. A special "thank you" to Sara, Lisa, Kathy, Donna, DeLynn, Kristen and JoLynn Walker (center's director) for providing for the needs of our children. If you are in need of child care for ages kindergarten through 5th grade, consider the Rac Pac Kids. It's an excellent program in Iowa Park.
Judy Reams

Letter to the city

Dear Sirs:

Our residence was recently connected to the Iowa Park sewer system and for that we are very appreciative. We are aware that this city service was provided through the consideration and efforts of numerous individuals such as our mayor, councillors (both past and present), and City Administrator Mr. Mike Price, and other employees of the city of Iowa Park.

I would like to mention, also, that in my opinion, the contractors provided by the city to complete this installation are to be commended. They did a very good job within a reasonable length of time and made every effort to please the property owners they encountered. Each of their employees was friendly, polite and helpful each time we met them during the installation of the system.

Again we would like to express our thanks to the honorable mayor and the city council members for their efforts in our behalf.

Sincerely,
Mr. & Mrs. Roy Don Wynn

Compliments teenagers

(EDITOR'S NOTE: The following letter was read to the audience during Monday's meeting of the city council. Mayor Tim Hunter agreed that it should be published for public consumption.)

Dear Mayor Hunter and Community,

I would like to bring two special teenagers to your attention: Landon and Megan" from Iowa Park High School. I'm sorry I didn't learn their last names. (It was later noted that their names were Landon Miller and Megan Horton.)

I took my four year old daughter to the Wichita Theater for the Hearts of Fire Christian Drama on July 22, 1999. They were in line behind me and I noticed how respectful and sweet they were just by overhearing them in line.

As the evening went on, we were seated by them and began talking with them. They were such a refreshing couple.

If they are representatives of your township - you're doing something right in Iowa Park!

I can't recall if I've ever known teenagers as polite, respectful and obedient as Landon and Megan were. Please let the parents of these children know that they are well represented in public by their children, as is your whole township.

I know teens sometimes get bad publicity but if all teens were so well behaved as these two - there would only be praise for them.

Please accept my personal thanks and appreciation for raising the next generation with such good values and integrity as these two teens.

A lot of the music and worship that night was in Spanish and although these kids didn't understand it they were especially reverent and respectful. Landon even brought extra back from the concession stand for my daughter and I.

Someone taught these teens to be aware of others around them and not greedy. We talked of their jobs, school and friends - so I know they had things they could have spent extra money on.

Isn't it every parent's hope that they raise a child who will bring honor to them? Well - Landon and Megan are well on the way to bringing honor to your town, their parents and most of all - the name of Christ.

Sincerely,
Angela Boone

OBITUARIES

Pauline Avery
1918 - 1999

Pauline Zada Avery, 81, died July 20, in Wichita Falls.

Services were Saturday at Lunn's Colonial Chapel with Ross Saunders, minister of Floral Heights Church of Christ, officiating. Burial was in Crestview Memorial Park.

Mrs. Avery was born May 27, 1918, in Wichita Falls. She and Charles H. Avery were married Jan. 29, 1939, in Henrietta. He died April 4, 1988. She was a 1937 graduate of Wichita Falls High School and a 1939 graduate of Draughn's Business College. She had worked at Mangrum Grocery in Monroe Village in the 1940's and was a past member of the Wichita Falls Home Demonstration Club. She worked for 13 years at Longhorn Chevrolet as a secretary, until her retirement in 1984. She was a dedicated lifetime member of the Floral Heights Church of Christ.

Survivors include a son, Charles H. Jr. of The Woodlands; a daughter, Charlene A. Barbour of Iowa Park; a brother, Ben O. Mangrum of Kerrville; five grandchildren; and two great-grandchildren.

Memorials may be made to the American Heart Association.

Hazel C. Robinson
1919 - 1999

Hazel C. Robinson, 79, of Burkburnett died Sunday, in a Wichita Falls hospital.

Memorial services were Monday at Owens & Brumley Funeral Home of Burkburnett with Rev. Chester Page officiating.

Mrs. Robinson was born Dec. 4, 1919, in Glendale, Ky. She and Vernon Robinson were married July 31, 1954. She was a homemaker and a member of Cash Street Church of God in Iowa Park. She had lived in Burkburnett since 1972.

Survivors include her husband; a daughter, Connie Bennett of San Antonio; a granddaughter; and four great-grandchildren.

Frederick Rost Jr.
1921 - 1999

Services for Frederick Rost Jr., 77, will be at 1 p.m. today at Iowa Park Church of God with Rev. Clifton McFadden, pastor, officiating. Burial will be in Crestview Memorial Park in Wichita Falls.

He died Monday, July 26, in Iowa Park.

Mr. Rost was born Sept. 14, 1921, in Detroit, Mich. He and Betty Jo Moss were married June 12, 1954, in Lubbock. He had lived in Iowa Park since 1976 and was in the Army Air Corps in World War II. He joined the Air Force and served in Korea and Vietnam. After retiring he worked as a machinist for Wichita Engineering from 1978 to 1984. He was a member of the American Legion and Cash Coffee Club. He was a Baptist.

Survivors include his wife; and son, James of Iowa Park.

Memorials may be made to Iowa Park Church of God, 601 E. Cash St., Iowa Park, TX 76367.

Soccer signup
through Aug. 3

Iowa Park youth and adults who are interested in playing soccer with the Greater Wichita Falls Soccer Assoc. this fall have a limited time to sign-up.

All players who played for an Iowa Park team last year should contact that coach to sign up. Deadline for those who played last season in Iowa Park is Aug. 3.

All new players must sign-up and enter the players pool. Deadline for new players is Aug. 12.

Cost for registration is \$30, or players may opt to sell candy in lieu of the sign-up fee.

New players should call 592-2014 to obtain registration information.

Regular season begins Sept. 11, with Oct. 30 scheduled as the last day for regular season. Tournament and playday weekends will follow.

Look Who's
New

Peterson

A son, Jarrod Robert, was born July 22 to Robert and Erica Peterson of Iowa Park. He weighed eight pounds, and was 20 1/2 inches long.

Jarrod has a sister, Taarna, six years old.

Grandparents are Evan and Lynn Farley of Iowa Park, and Ray and Barbara Peterson of Buckeye, Az.

RAC News
By JO LYNN WALKER

IOWA PARK RECREATIONAL ACTIVITY CLUB, INC.

Expect Respect

The RAC and First Step, Inc. will be presenting a free program for students of junior high age on Monday, Aug. 2. The program is titled Expect Respect, and is designed to address the issues of teen violence, gangs, self-esteem, and respect for youth. Hours for the program are 10 a.m. to 3 p.m. with lunch provided. Please call 592-4471 to register. A minimum of six students will be required to hold the program.

Fall Schedules

Scheduling for the fall season will begin on Monday. If your non-profit group would like to reserve a meeting space at the RAC, please stop by the office to complete the proper paperwork. A security deposit of \$100, and an organizational membership fee of \$20 will be required of each group prior to the first meeting.

Teen Night

The RAC and Turning Point of Wichita Falls will be co-sponsoring a Teen Night dance at Graham Central Station on Aug. 1. This event is a drug, alcohol, and smoke-free dance for students from 13 to 17, and will be adequately chaperoned. Any parents who would like to volunteer to chaperone, please call the RAC at 592-4471.

Fall Classes

Please note that the regular class schedule (dance, tumbling,

tackwondo) at the RAC is not observed during August. No classes will be held until the week of the 16th; after that all classes will be offered on a free trial basis until the end of August. This will allow new students to "try before they buy." To take advantage of this offer, call the RAC to register for any or all of our classes. Fees for classes are \$25 per month for RAC members or \$30 for non-members.

RAC Pac Kids

Summer RPK has been great, but it will soon be coming to an end. We would like to thank all the many

supporters. Your faith in us has made this a very successful program!

Registration for afterschool RPK will begin next week. Students in kindergarten through fifth grade are eligible for the program. For further details, call Cindy at 592-4471.

Bridge Results

With two tables in play, Mary Lou Alderman had the high score of 7220 at bridge this week. Louise Clapp had a score of 5700 for the second high.

WHAT DOES GOD SAY?

By
Ross Saunders

About the inspiration of His Word? With your Bible in hand, study with me. "All Scripture is inspired by God and profitable for teaching, for reproof, for correction, for training in righteousness; that the man of God may be adequate, equipped for every good work" (2 Timothy 3:16-17). We live in a world of unbelief in God, the Bible, heaven and hell. We owe this to post-modernism, the exaltation of human intelligence above God; a world in love with relativity and tolerance. People have convinced themselves that nothing is absolute and pluralism characterizes practically all forms of authority. All ideas, objectives and actions must be deemed acceptable, even if they violate the character and word of God. This accounts for much of the secular and religious division in the world. "Those who forsake the law praise the wicked, but those who keep the law strive with them" (Proverbs 28:4). Those of us who belong to the latter group believe truth to be absolute (John 17:17), worth defending (Philippians 1:17) and strive against tolerance of sin (Hebrews 12:4). God has a standard by which we shall all be judged (John 12:48; Acts 17:30-31; 2 Corinthians 5:10). Salvation can only come through the doctrine of Christ (John 7:16; 1 Timothy 4:6; 1 Timothy 6:3-6; 2 John 1:9).

Not only does the world in general reject the authority of God and Scripture, but religious institutions have come to deny the necessity of doctrinal "teaching, reproof, correction and instruction in righteousness." It is as if this part of the Bible is uninspired. Basing their entire position on "faith in Jesus Christ," without obedience to God's inspired word, they say we can fellowship on another without unity in doctrine, and go to heaven while in doctrinal error. Such attitudes violate Jesus' statement in John 12:48, which not only bases judgment on accepting Jesus, but also on the receiving of His words. In Ephesians 1:22-23, the Holy Spirit says that Jesus is "head over all things to the church." In Matthew 28:18, He says He has all authority. His words were spoken by His apostles (John 14:26; 16:130). Does "faith" only include what Jesus said about Himself? Does faith not also include what He taught and commanded? Jesus said His doctrine was not His but His that sent Him (John 7:16). Romans 10:17 tells us that "faith comes hearing and hearing by the word of God." God does not give us the liberty to add extensions, changes or to tamper with His word, through our interpretations. (See 2 John 1:9). It is not a matter of "what a passage means to me," but rather what was the meaning God intended to convey. Even "faith in Jesus Christ" required the identity God intended for Him; else, how do we know we believe in Him?

Space forbids an exhaustive defense of inspiration, but it should be noted that no volume in the world excels the Bible in internal and external evidence. With Love.

Things You Ought to Know
About Texas, But Probably
Don't:

The Justin Boot Company began at Spanish Fort under a tree.

There is one story that H. J. Justin came to town with only 25 cents and he set up shop under a tree in town. The cowboys would order their boots as they drove the herd up the trail and would pick them up on the way back home.

Another name for hanging was "rope poisoning."

Temple is known as the "Wild-flower Capital of Texas."

Former Iowa Park youth
busy in North Carolina

Five former Iowa Park residents have had a busy and eventful summer, and according to their mother, Iowa Park native Cathy Baston Miller, it is just going to get busier.

The brothers, Eric, 17, Brad, 15, Matt, 14, James, 10, and Jon Miller, 18, all attended schools in Iowa Park, with Jon graduating here in 1997.

Now living in Wake Forest, N.C., the boys have formed a contemporary country music group, "Clas A Five," and perform at various functions.

Eric was among nine members

of the Wake Forest High School chorus chosen to sing backup for Shania Twain, when she performed there in June.

Most recently, all of them and their mother took part in the set up of the Special Olympic World Games, held in North Carolina June 26 through July 4. In charge of props, flags, placards and bird kites, as well as acting as costume assistants, they were able to meet such celebrities as Billy Crystal, Arnold Swartzaneger, and Maria Shriver, who took part in the opening ceremonies. Some 54,000 people attended the opening ceremonies.

The four oldest boys acted in a locally-produced television show, "Central X-press," a series that has won three Emmy's. The episode featuring the brothers was aired June 1 on the Fox Network.

James, the youngest, won an Arbor Day t-shirt design contest in his school last year, and recently won second place in the Special Olympics 1999 World Games poster contest.

The family has been active in various productions seven years, including four years in California.

The boys are the grandchildren of Mr. and Mrs. Frank Baston of Iowa Park.

School supply lists released by schools

For the benefit of parents who did not order a ready-made school supply kit, put together by members of Kidwell and Bradford PTAs, a list of school supplies is printed below.

Supply kits for Kidwell students were available for pickup last Friday and Saturday. Bradford supply kits will be available for pickup on Tuesday, Aug. 3, from 1-2 p.m. and from 4-6 p.m., and again on Saturday, Aug. 7 from 9 a.m. to 1 p.m. at the Bradford Library.

Kidwell Elementary

Early Childhood:

2 - 4 oz. bottles of school glue
4 glue sticks
6 pencils (#2)
2 fat pencils (#2)
2 boxes 8-count crayons - primary colors
1 box 8-count crayons (large)
2 boxes facial tissue
1 package colored markers (any type)
1 pair scissors
2 boxes wet wipes
2 rolls paper towels
1 book bag or back pack - at least 12" x 27" (Please do not get a small one. The papers do not fit in them.)

Please label all items

Pre-Kindergarten:

1 pair scissors (child size) with metal blades/plastic handle
2 - 4 oz. bottles liquid white school glue
1 box crayons - 8 count
1 box - 24 count - crayons
1 box facial tissue
1 roll paper towels
1 backpack with zipper
1 change of clothes - pants, shirts, and underwear - in case of accident.

Bring supplies to Pre-K orientation. Please put child's name on all items.

Kindergarten:

6 No. 2 pencils
2 boxes facial tissue
2 boxes 8-count crayons - no jumbo, fluorescent, metallic, paste, scented
2 boxes 16-count crayons
1 plastic school box 8 1/2x 5 1/2 no handles
1 large eraser
3 glue sticks
3 - 4 oz. bottles school glue
1 package white paper plates 100 ct.
8-count box large washable markers
4 pocket folders - no metal fasteners
1 pair scissors - metal blades/plastic handles

First Grade:

2 small pencil erasers
1 pair pointed children's scissors
12 - #2 pencils, regular size
2 boxes regular crayons - 8 count.
(No gemtones, glitter, magic scent, fluorescent, my world colors, cosmic colors, multicultural, etc.)

2 boxes regular crayons - 24 count
1 box watercolors
1 school box - no larger than 8 1/2x5 1/2x2 1/2 (cardboard)
1 box facial tissue - 200 count
1 book bag or satchel
1 box resealable freezer bags - quart size
1 box resealable freezer bags, gallon size - no pleated bags
3 plastic bottles school glue - 4 oz. size - no colors, no gel, no glue sticks.
1 - 12" - 30 cm ruler - must have cm and inches - no see thru
5 folders with pockets - no metal fasteners - no side pocket folders
1 travel-size wet wipes - 16 count

Supplies will need to be replenished throughout the year. Please put your child's name on each item.

Second Grade:

8 No. 2 pencils (soft lead) replace as needed
2 large pink erasers - replace as needed
1 - 8 oz. bottle white school glue
2 glue sticks - solid not liquid - replace as needed
1 small zipper bag for pencils and erasers
1 box regular crayons (24 count) replace as needed
1 pair pointed, good, sharp scissors (no plastic - no large sewing scissors)
2 boxes facial tissue (200 count)
1 red ballpoint pen
1 school box - no larger than 8 1/2x5 1/2x2 1/2
1 box of 12 coloring pencils
3 pocket folders - replace as needed
1 wide-ruled spiral notebook (120 sheets)
1 tote bag or back pack
1 large roll paper towels
1 box gallon-size gripper zipping freezer bags

Do not send loose leaf notebook binders, trapper keepers or clip boards. Permanent identification must be on all items - supplies, coats, lunch boxes.

Bradford Elementary

Third Grade:

1 box quart-size freezer bags
2 red ballpoint grading pens
6 No. 2 pencils - wood only
1 pkg. looseleaf notebook paper WIDE RULED ONLY
1 box regular crayons - 24 count
1 pair pointed scissors - metal blades/plastic handle
7 folders with pockets and brads (red, gold, blue, green, yellow, purple, and turquoise)
2 boxes facial tissue (200 count)
1 ruler - wood with inches and metrics (not plastic)
1 large pink eraser
1 - 4 oz. bottle white school glue
1 pencil bag (bank bag quality)
1 school box (5 1/2x8 1/2 maximum)

1 pkg. of 8 large washable markers - classic colors
1 cursive writing tablet - Hytone Advanced Primary Tablet for Third Grade - Please do not substitute this tablet.
1 box map colors - 12 or larger
1 glue stick
1 fine point dry erase marker
1 - 12 ct. map colors
1 spiral notebook (wide ruled 100 page)

A Hawk zipper bag will be available at the beginning of school for \$3.

The above list is for all third grade classes. Individual teachers may request additional supplies after school begins.

Please do not send large looseleaf notebook binders, trapper keepers or clip boards.

Please have permanent identification on all items.

Fourth Grade:

1 fine point dry erase marker
4 No. 2 pencils (sharpened if possible - not mechanical)
1 red pens
1 wooden ruler - inch & metrics
1 - 12 ct. box map colors
1 - 24 ct. box crayons
1 - 8 ct. box washable markers
1 - 4 oz. bottle of white school glue
1 pair pointed scissors - metal blades/plastic handles
2 pkgs. 200 ct. wide ruled notebook paper
5 folders with pockets & brads. Red, yellow, green, blue, purple
1 box facial tissue (200 ct.)
1 wide-ruled spiral notebook - 120 ct.
1 pencil bag (bank bag quality)
1 - 1-inch blue binder
1 pkg. dividers (5 dividers with insets)

Absolutely no supply boxes of any kind or supplies in larger amounts than listed.

Please keep up with your student's supplies. They need to be replenished. We have school supplies available at our Bradford Store each morning.

Fifth Grade:

4 No. 2 pencils - wood
1 plastic bottle glue gel - 4 oz.
2 pkgs. looseleaf notebook paper (wide ruled 200 ct.)
1 wood ruler with inches and metrics
1 box map colors 12 count or large
1 pair pointed scissors
1 - 1-inch binder - blue
1 - 1-inch slicker - black
1 - 1-inch slicker - red
2 folders with brads and pockets (purple, green)
2 pkgs. dividers (5 in each pkg.)
1 box facial tissues - 200 ct.
2 red grading ink pens
1 pencil bag (bank bag quality)
1 - 24-count box crayons
1 box washable markers
1 box quart-size freezer bags
1 highlighter

No trappers - they do not fit inside desks.

Please label each item for ownership (except facial tissues)

Please check on and replenish your child's supplies frequently.

A Hawk zipper bag will be available at the beginning of school for \$3.

W.F. George Middle School

2 boxes facial tissue
Pencils - #2
Pens
Notebook paper (wide ruled)
5 folders (pockets & brads)
Other supplies will be determined by individual classroom teachers.

Book bags will be allowed before and after school. During school, they must be able to be folded and placed in the locker. Clear bags are recommended.

Locker shelves are also recommended for organizational purposes.

Helpful Facts

Property owners working on their plumbing and needing the water cut off at the meter should contact city hall for assistance.

Meet the president

Iowa Park Evening Lions Club

Virgil Woodfin

Beginning this week and in the coming weeks we will be featuring the various service organizations and their presidents.

The first week we are featuring the Iowa Park Evenings Lions Club. The club received its charter December 19, 1955, with 23 members.

The club currently has 17 members, with Virgil Woodfin being the only charter member still active.

Woodfin was recently installed as the 1999 - 2000 president. He had turned down the nomination for president in years past, but had held

all other officer positions during his 44 years as a Lion member.

The Iowa Park Evening Lions has helped our community in numerous ways over the years.

They were active in helping Iowa Park establish the first library. They constructed the City Baseball Park, furnished labor on the Little League Baseball Park, and furnished glasses for underprivileged children.

For more information on the Iowa Park Evening Lions Club contact: President, Virgil Woodfin at 592-5183, Secretary, Sherrie Williams 592-9019 or treasurer, Sam Hunter 592-4661.

INJURIES RESULTED from this one-vehicle accident Thursday afternoon at FM 367 and Texowa. The driver of the 1985 Dodge Colt Station Wagon was Krystal Marshall, 13, with passenger Gary Bernal Jr., 26. Bernal was shifting gears while attempting to teach Marshall how to drive, when the vehicle wrecked while attempting to turn north on Texowa. The pair were transported to a Wichita Falls hospital and treated for what DPS Trooper Mike Denk said was a possible fractured leg and back on Bernal, and possible fractured ankle on Marshall. Bernal was issued a citation for permitting an unlicensed driver to drive.

Sealed Air changes stock provisions

Sealed Air Corporation announced Friday that its shareholders voted to repeal three provisions in the company's charter that restricted shareholder rights, and that its 1999 annual meeting of stockholders was concluded.

These provisions were inherited as a result of the transaction combining Sealed Air with the Cryovac Packaging business of W.R. Grace in 1998.

The Sealed Air board recommended and the company sought the repeal of these provisions, which included a classified board, a prohibition against shareholder action by written consent, and an 80-percent vote requirement for repeal or amendment of company by-laws.

Commenting on the meeting, T.J. Dermot Dunphy, chairman and CEO, stated, "I am very pleased with the results of today's meeting. Sealed Air has had a long-standing commitment to shareholder democracy and a relationship with our shareholders built on trust and performance.

"Today's actions re-create a charter structure that is consistent with this culture, and we believe the alignment of these is a very important contributor to our success.

"The fact that we had to reconvene our annual meeting twice in order to achieve the required votes demonstrates the difficulty in achieving the supermajority vote required for repeal, and, more importantly, it demonstrates our commitment and determination to do so.

"We have now achieved a favorable vote of approximately 81 percent of the outstanding voting power of the company's stock for repeal. However, 98 percent of the total votes cast on these issues were voted in favor of repeal," Dunphy concluded.

Bartram places in state meet

Melissa Bartram, of Iowa Park, competing through the Wichita Falls Parks and Recreation, qualified for the Texas Amateur Athletic Federation State Track Meet last week.

Bartram advanced to the State Meet at Baylor University by winning all three events she entered in the Region 8 Meet at Abilene Christian, finishing first in the High Jump, the

80M Low Hurdles and the Shot Put.

In the State Meet, Bartram finished third in the High Jump with a leap of 4-2, and finished seventh in both the Hurdles and the Shot Put with a time of 16.06 and a throw of 23-10.

Melissa is the 12-year-old daughter of Tim Bartram.

LEE ANDERSON, center, an Iowa Park teacher, attended a Wildlife Management Certification Clinic held recently at Tarleton State Univ. The workshop was hosted by the Dept. of Agricultural Services and Development at Tarleton and taught by Bill Deauman, left, and Charles Snowden, right, of the National Resources Conservation Board.

GARDENING HINTS

By MARK TERNING, COUNTY AGENT - HORTICULTURE

Q. We have a planting of several large Crape Myrtles. We have removed some of the plants because they were simply too large for the area. Is there any way to stop the sprouting from the remaining root system?

A. Crape myrtles have a tendency to sprout from the root system readily. This can become a real maintenance problem even for existing Crape Myrtles that homeowners try to maintain in a tree form.

The only option is to mechanically remove sprouts on existing plants. As far as eliminating the re-sprouting on the plants you have removed, you can carefully apply a

broadleaf herbicide to the new growth.

Be very careful to avoid making contact with any desirable vegetation with any weed killer. Sometimes this may require actually applying the herbicide with a foam paint brush.

Does your subscription to the Leader expire this month?

Volley ball season almost here

If football practice is about to start, volleyball practice can't be far behind.

After a very successful season last year, the '99 season for the Lady Hawks is just around the corner.

The equipment will be handed out to junior high players from 9 a.m. until noon on Aug. 3, while High School players will need to pick up their equipment on Aug. 2 from 9 a.m. until noon.

When you come to pick up your equipment, players need to have all their paperwork signed and ready to turn in.

All seventh and ninth graders will, along with anyone injured last year, need to have a physical.

All parents of girls anticipating being in athletics are encouraged to attend a "Meet the Coaches" orientation on Aug. 3 at 7 p.m. in the High School Gymnasium.

Junior high to issue equipment

The Iowa Park Junior High has announced the times for the incoming 7th and 8th grade football players to pick up their equipment for the '99 season.

The 8th graders will pick up their pads on Wednesday, Aug. 11, between 4 and 6 p.m.

The 7th graders will pick up their pads after school on the 12th of

August.

All players need to have their papers filled out completely by both the player and his parents.

The first practice will be on Aug. 16, with the 8th graders working out from 7 a.m. until 8:30 a.m. and the 7th graders working out from the start of 7th period until 4:30 p.m.

Top of Texas registration set

Sign-ups for the Top Of Texas Football League will begin this Saturday and continue for the next three Saturdays from 8 a.m. until noon at the County Tag Office.

All players will need to sign up, even if you played last year. New players will need to bring a copy of their birth certificate to the sign-ups.

Every player will be required to have a physical. On Au. 21, the final Saturday to sign up, physicals will be given at the Tag Office for a cost of \$10.

There is still a need for one head coach and several assistant coaches. For more information contact Gordon Griffith at 592-4840.

Leslie Cook excels at basketball camp

Leslie Cook, a student at W.F. George Middle School, was named to the All Star Team and won the award for best jump shot at the Dean Weese Basketball Camp.

The week-long camp was held last week in Levelland. Weese is the former coach of the Flying Queens at Wayland Baptist University, and is now women's basketball coach at Levelland High School. He is referred to as the winningest women's basketball coach in Texas.

Leslie, who will be in the seventh grade next year, is the daughter

of Robin and Ray Alan Cook.

Athletic Booster Club sets Monday meeting

The Athletic Booster Club will meet at 7 p.m. Monday in the high school cafeteria.

Plans for Midnight Madness will be finalized, and volleyball needs will be discussed.

On Tuesday evening at 8 o'clock, Coach Nelms will host a parents meeting in the cafeteria.

At this meeting, Nelms will introduce the coaching staff of all school sports to the parents.

Hawk football workouts to get early start: 12.01

It's time to start adjusting your sleeping habits.

Start taking short naps throughout the day if possible, because you won't want to miss Midnight Madness that starts at 12:01 a.m. Wednesday, Aug. 4.

That's the first chance Iowa Park football fans will get to see the '99 team, as Hawks hit the field for the first time at 12:01 a.m. to start preparation for the upcoming season.

The UIL doesn't allow teams to practice until Aug. 4 and Iowa Park doesn't waste any time.

Midnight Madness was one of the things head coach Weldon Nelms introduced to Iowa Park when he moved here from Wimberly and it's popularity has grown ever since.

Last year the Chamber Of Commerce started a Punt-Pass and Kick competition that was very successful and will continue again this year, with competition in several age divisions.

The Punt-Pass and Kick competition will get started around 8 p.m., the same time the parents meeting will be held in the High School Cafeteria for all parents of athletes.

Tuesday will also be equipment day for all high school football players, with seniors picking up their pads at 10 a.m., juniors at 10:30, sophomores at 10:45 and freshmen at 11 a.m..

The practice schedule for two-a-days will be as follows.

August 4 - 12:01-1:45 a.m.; 5 p.m.-8 p.m.

August 5 - 7:30 a.m.-10 a.m.; 5 p.m.-7:30 p.m.

August 6 - 7:30 a.m.-10 a.m.; 5 p.m.-7:30 p.m.

August 9-11 - 7 a.m.-8 a.m.; 5 p.m.-8 p.m.

August 12 - School begins, with workout after school.

August 13 - Intra Squad scrimmage and "Meet the Hawk Night" 6 p.m.

August 19 - Scrimmage vs. Brady. August 27 - Kickoff Classic at Memorial Stadium in Wichita Falls against Holliday.

Expectations are once again running high as the '99 Hawks prepare for the new season.

While many considered last year to be a rebuilding year, Nelms and his team enjoyed it's best season since he moved to Iowa Park, making it all the way to the Regionals before falling to Crane to end the '98 season.

With several key players returning, a lot of people are saying a lot of good things about the '99 Hawks.

Dave Campbell's Texas Football Magazine has the Hawks as the sixth-ranked team in 3A, while Fox Sports Network has Iowa Park as the tenth-ranked team in the State.

Shane Dunn, a senior offensive and defensive lineman for the Hawks, is excited about the upcoming season and feels no added pressure by all the pre-season hype given to his team.

"The recognition is great," said Dunn. "But we know they don't mean a lot. It's not how you play early, it's how you play when it counts that matters the most. Holliday had a good team last year that was 10-0 in the regular season, but lost in the first round of the playoffs. We want to be playing our best football when the playoffs get here."

"This group of guys have been playing together since Pee Wee's," Dunn added. "We're going to have as much leadership on the field this year as we had last year, if not more. Our strengths are going to be our offen-

sive line experience and our defense. We are going to be stacked defensively. With this being my last year to play in Iowa Park, and the last year, for coach Nelms, I know everybody on the team would like to send him off with a State Championship."

The first step toward that Championship starts Wednesday morning at 12:01 a.m.

So get to bed early, Sportscenter will be on again in the morning and David Letterman's Top 10 List probably isn't going to be worth waiting up for. But Hawk football is.

Does your subscription to the Leader expire this month?
