SCHOOL KIDDIES HAVE DAY AT FAIR

3 INJURED; 1 PROBABLY FATALLY IN CAR WRECK

Ted Truly, about 7 years of age, the son of Mr. and Mrs. R. E. Truly, of Coleman, formerly of this city, is in the Halley & Love Sanitarium suffering from scalds sustained Thursday night about 8:00 o'clock when he was pinned under an automobile near Talpa, and his mother, Mrs. Truly, is suffering from four breaks in the pelvis bone, received at the same time.

The Truly boy's recovery was expressed as doubtful Friday afternoon by attaches at the sanitarium, but it was reported that he was slightly improved. It is estimated that about one-third of his body was scalded when he was pinned under the car. He is also suffering from minor bruises and scratches about his head and face.

Mrs. Truly's condition was reported some better Friday afternoon although she was suffering from the broken bones and other injuries.

Neither of the two daughters, Misses Marguerite and Mary Elizabeth, were injured in the collision which occurred when the Ford touring car in which the Truly family was riding, was struck head-on by a Chevrolet car going toward Coleman, one mile east of Talpa. Mr. Truly, however, suffered a bad bruise or two, but was able to be up and around after the accident.

Mrs. John Goteher, of Byrd's Store, Brown county, was reported as the only one injured in the other car, and her injuries were not considered serious. She was removed to the Overall Hospital at Coleman. It was not learned who was driving the Chevrolet car or how many people occupied it.

The Truly car was badly damaged.

FOUR THOUSAND SEE STYLE SHOW THURS.

The largest crowd to attend the 1927 Runnels County Fair gathered Thursday night to see the Style Show in front of the grandstand in connection with the Grandi Bros. offering "Waking Up the Town." More than 4,000 people witnessed the performance Thursday night and without exception everyone reported declared it the biggest feature of this year's fair.

The Grandi Bros. big top was moved closer to the grandstand Thursday and a complete new arrangement made to take care of the crowd and at the same time allow them to hear better. The play, "Waking Up the Town," was the best presented so far by the company.

The style revue was presented at the close of the second act of the comedy, and in models and costumes it far surpassed anything ever offered here in this line before. Eugen Phelps was in charge of the style show as director, and everything moved rapidly and without the slightest hitch.

Little Misses Eleanor Williams and Evelyn Doss acted as pages and carried hand-made cards to the upper corners of the stage showing the firm displaying garments.

The Hub was the first to show and Mrs. Robt. Bruce made the first appearance followed by Mrs.

Four are Dead In 2 Wrecks

(By Associated Press)
DALLAS, Oct. 7.—Three persons are dead and three others were injured, one perhaps fatally, as the result of a railroad crossing accident near here today.

The dead are Mildred Carroll, 13; Mrs. D. V. Wilson, 35; Benjamin Wilson, 16, her son. James Wilson, 9, another son of Mrs. Wilson is believed to be fatally injured.

S. T. Moore, 16, and Eugenia Stillman, 16, were the other two injured.

The accident occurred when a Santa Fe passenger train struck the automobile near Cedar Hill, where all of the occupants lived. Mrs. Wilson was bringing the children to school at Dallas. It is believed that the mist that was falling kept the driver of the car from seeing the train.

AUSTIN, Oct. 7.—Kenneth Byrdson, 27, was killed, and Leroy Mundt was injured when their automobile went into a ditch near here on the Austin-Georgetown highway today.

Both men resided at Austin. C. A. Dooze, Jr., and Jack Holt went to Abilene Friday to witness the Simmons-Southwestern football game.

Miss Lucille Hartzog, of Winters, who had been visiting here, returned to her home Friday.

Miles Company Makes a New Well Location

Announcement was made Thursday afternoon of the location of the second well to be drilled by the Miles Oil Company, near Miles, to go down in the center of section No. 71, three miles north of the Miles Oil Co. Lawhon & Sons No. 1.

A standard rig has been moved to the location and it is said that drilling will be started within the near future.

Miles Oil Co. Lawhon No. 1 was drilling at 1,400 feet Thursday afternoon. Gas was still flowing from the hole Friday from about 1,200 feet, but was not in a paying quantity.

The location of a third well to be drilled by this company has not yet been made but it will be between the Santa Fe railroad and the Concho River, south of Miles.

May Schneider Drilling
Drillers are still at work on the May-Schneider No. 1, three miles east of Ballinger on the John Wall survey. The bit is now working at about 250 or 275 feet.

The Swensondale-Werner No. 1, J. H. Wilson survey, section No. 160, near Benoit, has buried the bit stem to about 25 feet and is awaiting connection of gas from the Lone Star Gas Company's main line.

Johnson et al Simms, J. J. McHenry survey, section No. 12, ten miles south of Ballinger, is underreaming at about 2,350 feet, it was reported today.

The Kennedy-Talley No. 1, Jno. C. McKee survey, four miles north of the Sillix discovery well, is ready to spud, it is understood, but drillers are awaiting orders before starting their work.

No other rigs have been erected and no more locations have been made in the county, as far as could be learned Friday morning, but other deals are still pending.

Sillix Flow Continues
Oil is still flowing from the Sillix et al-McMillan No. 1, six miles north of Ballinger at the rate of 150 to 200 barrels per day. It is reported that a little water is seeping through an outer casing from a higher level than the oil pay.

It is understood that some steps will be taken soon to further clean out the hole and also to deepen the hole, but the plan to be followed has not yet been determined.

Approximately 600 barrels of oil was shipped from the loading racks at Benoit Thursday afternoon. This was the third shipment of oil from the Sillix well.

MAYOR HELD IN KILLING

(By Associated Press)
DALLAS, Oct. 7.—Jack Kimball, 40, a farmer, shot and wounded last night at Mesquite, died in a hospital here today, and Mayor John Lawrence, of Mesquite, who said he was attacked by three men was at liberty on a \$2,500 bond in connection with the shooting.

3 Charged With Bank Hold-ups

(By Associated Press)
FT. WORTH, Oct. 7.—Charges of attempting to rob the Stockyards National Bank here on September 27th, were filed today against A. O. Pendleton, C. T. Black and W. J. Walker, alias "Whitey" Walker.

DE LA HUERTA KILLED TODAY

(By Associated Press)
NOGALES, Sonora, Mexico, Oct. 7.—The bullet-riddled body of Alfonso de la Huerta, brother of Adolfo de la Huerta, former provisional president of Mexico, was brought here today by Gen. Aguirre, of the Mexican federal army, who was sent to hunt for De la Huerta yesterday when the latter was seen at Imorez.

The general reported that he came upon De la Huerta and nine companions, one of whom was Gen. Baron Medina, several miles east of Imorez. The remainder of the rebel party were Yaqui Indians.

De la Huerta and his officer companion gave battle and were literally riddled with bullets, according to Aguirre. The Indians fled at the approach of the federales.

MEXICO, D. F., Oct. 7.—Maneuvers by the federal commanders to force the rebel troops under Gen. Gomez and Gen. Almada into battle positions were continuing today, the presidential bureau announced.

The rebels were hidden in and around the slopes of a large hill near Perote in the state of Vera Cruz.

Government military commanders in all other states reported tranquil conditions.

HOUSTON MAN SHOT TO DEATH

(By Associated Press)
HOUSTON, Oct. 7.—O. C. Braeewell, 35, died in a hospital here today from wounds which his brother, J. A. Braeewell, said were accidentally inflicted.

Ed Frazier, 38, is also in a hospital here in a critical condition, shot through a lung by the same weapon.

The accident occurred while the men were at their work on the Trinity River near Liberty, when one of the workmen found a gun in a boat and began handling it, according to reports received here.

REMUS IS HELD WITHOUT BOND

(By Associated Press)
CINCINNATI, Oct. 7.—George Remus, once a millionaire bootlegger, who shot his wife fatally, an hour before their divorce hearing yesterday, pleaded not guilty today when arraigned for a preliminary hearing.

He is being held for the grand jury without bond.

Twenty-five hundred future men and women of West Texas marched down the streets of Ballinger Friday afternoon, the fourth day of the seventh annual Runnels County Fair, which commenced here Tuesday and closes Saturday night.

Sixteen schools from over the county were represented in the parade, with the Ballinger city schools having about 1,000 in the procession. It was the feature parade of the entire fair and attracted considerable more attention than any other parade of the week.

Schools represented were: Runnels, Crews, Bethel, Spring Hill, Dale, Herring, Wingate, Lone Star, Hagan, Hatchel, Miles, Rowena, Ballinger primary, South Ballinger, Ballinger elementary and Ballinger high.

The Ballinger Booster Band of 50 pieces led the procession to Fair Park, where all were given free entrance to this afternoon's grandstand attractions.

Eden Here
Eden was well represented here Friday afternoon. The Eden Bull Dogs came here for a football game with the Winters Blizzards. Several hundred citizens from Winters were also here for the day.

Thursday night's program consisted of a lengthy style revue of some fifty beautiful models displaying latest goods for men and women. It was estimated that 4,000 people saw the fashion show with several hundred others disappointed on account of an insufficient number of seats.

Clouds Greet Crowd
Cloudy and misty weather greeted today's fair visitors but failed to put a damper on the enthusiasm of the largest throng

of the 1927 fair. The park was crowded all day.

Livestock Parade Saturday
The close of the present fair comes Saturday night when final awards will be made in all departments. A livestock parade will feature day's program with an auction sale in the forenoon.

Pep Squad Was Good
The Ballinger Bearcat pep squad, dressed in their costumes of maroon and black, attracted considerable attention in the parade. The pep squad and football team brought up the rear of the procession and made a fine showing.

Sheriff R. E. McWilliams on horseback cleared the way for the school children from the American Legion building thru the business district and to Fair Park.

PAPER PLANT FLOOR FALLS

(By Associated Press)
APPLETON, Wis., Oct. 7.—One man is dead and more than a score are believed to be buried beneath the ruins of the paper plant of the Kimberly-Clark Company, near here.

The floors beneath the beater room collapsed this morning.

By the time we finally get around to doing anything about it, there may not be any American merchant marine. — Worcester Gazette.

SEVEN MEN PAY FINES
IN THE JUSTICE COURT

Two men, members of the carnival company, paid fines of \$21.70 each in the justice court here Friday morning on charges of swindling, filed against them by Deputy Sheriff John White.

Four negroes were arrested and charged with vagrancy by Deputy Sheriff White. They all paid fines of \$12.70 each and were released.

Mr. White got another negro in his Thursday night calls and charged him with drunkenness. The black was fined \$12.70.

DEATHS

Joe Malena, Mexican, 25 years of age, died at his home near the A. & S. tracks in the eastern part of the city, Thursday at 12:00 noon, from typhoid fever.

Funeral services were held Friday afternoon at the Mexican cemetery. Higginbotham Bros. & Company undertakers prepared the body for burial and were in charge at the grave.

Angelo-Ballinger Football
Game Draws Big Crowd

Outweighed and outplayed but not outfought, the Ballinger Bearcats went down in glorious defeat before the San Angelo Bobcats here Thursday afternoon at Fair Park, 13 to 0. The game was witnessed by approximately 3,000 people, some 350 or 400 of them from San Angelo.

The Bearcats hit hard luck at the first of the game when Henson Alagood, Bearcat high half, received a fractured arm when he tackled McCamey, Bobcat right half, who had travelled 48 yards around his left and almost to the goal line. Alagood made a good tackle in running onto McCamey and stopped him short of his goal line.

Alagood was out for the remainder of the game and will probably be out for several games. His defensive work while in the game was better than that of any other player on either of the two teams during the entire affray.

The Bobcats scored seven first downs to none of the Bearcats. The Bearcats played a defensive game throughout, carrying the ball only four or five times. The Bearcats attempted only one pass, it being successful for an 8-yard gain. The Bobcats attempted one pass and it was incomplete. The Bobcats used straight football throughout with end runs being the main factor in the ground gaining business. The Ballinger line held very good most of the time.

McCamey scored for the Bobcats in the first quarter after his line run in a 6-yard plunge thru

the left tackle. Baker placed-kicked the extra point. In the third quarter, the Bobcats scored again when Baker, left half, took the ball around his right end for 32 yards. He failed to place-kick this goal.

The defensive work of Jones and James Parrish, Robison, Smith and Middleton was outstanding while J. B. Arthur and Joe Beck outkicked the Bobcat punters by a margin of some five yards.

McCamey, Morrison and Baker were the chief ground gainers of the Bobcats, while Bryant, Little Haley and Austin starred on the defense. McCamey and Baker did the kicking for the Bobcats and several times got off good punts, but they could not get these kicks off in the way that Beck and Arthur each deliver a 65-yard kick.

Penalties were few. The Bobcats received three for off-side each of 5 yards, while both teams were penalized twice at the same time with both being offside.

The San Angelo delegation coming here in a special train brought about 250 rooters. Automobiles brought some 150 or 200 more. The Bobcat rooters felt very good after the game, their first high school contest, of the season. The Bobcats defeated the Howard Payne Reserves 12 to 6 in San Angelo a few days ago. The Bobcats have not yet met many of their Class A rivals and unless a better team is developed by Coaches Bill Bissett and Molly Crawford, the Tom Green county boys are in for some bad defeats.

Between Halves

The Ballinger pep squad in their new sweaters of maroon and black and black skirts, gave way to the San Angelo band for a short concert. Ed Blanton, a civic leader of San Angelo, was in charge of the band. The San Angelo pep squad did not go on the field but did plenty of work on the sidelines.

The Bearcat pep squad put on a short show between halves, which was very interesting. They were assisted by the band. Miss Lucibel Taylor, expression instructor, Misses Lena Wayne Mills and Lois Alexander, Davis Sims and Drew Dixon were yell leaders.

The Bobcat pep squad made plenty of racket during the game with Miss Virginia Scott, Van C. Kelly, Jr., and Jas. Sullivan as yell leaders.

Line-ups

San Angelo—ends, Bryant and Austin; tackles, Cornelson and Jennings; guards, Munn and

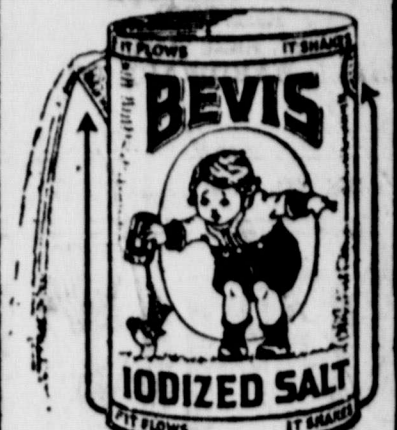

Little Haley; quarter, Morrison; halves, Baker and McCamey; full, Haley; center, Captain Young. Ballinger—ends, Coker and Robison; tackles, Daugherty and Smith; guards, Reese and Echols; quarter, Captain Parrish; halves, Beck and Alagood; full, Arthur; center, Middleton.

Officials: Referee—Smith (Simmons); umpire, Bruce (S. M. U.); head linesmen, Nicholson (Howard Payne). Time keepers, Bean and Weaver.

Citation by Publication
THE STATE OF TEXAS

To the Sheriff or any Constable of Runnels County, Greeting:

You are hereby commanded to summon William Horton by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, to appear at the next

regular term of the District Court of Runnels County, be holden at the Court House thereof, in Ballinger, on the Fourth Monday in October, A. D. 1927, the same being the 24th day of October, A. D. 1927, then and there to answer a petition filed in said Court on the 12th day of September, A. D. 1927, in a suit numbered on the docket of said Court No. 3415, wherein Lela Horton is plaintiff, and William Horton is defendant, and said petition alleging that plaintiff has resided for more than 12 months in Runnels County, Texas, and that the residence of the defendant is unknown; that plaintiff was lawfully married to the defendant about July 30, 1915, in Goliad County, Texas, and lived with him as his wife until about January 1, 1922; when the defendant, without cause or provocation, permanently abandoned plaintiff; that the said abandonment has been continuous since said date; that during the time she lived with the defendant as his wife, there were born to them two children, to-wit: Leonard Horton, a boy about 8 years of age, and Dorman Dean Horton, a boy about 6 years of age, and that plaintiff is the proper person to have care and custody and control of said minor children; that the marriage relation still exists between plaintiff and defendant. Plaintiff asks for judgment dissolving the marriage relation existing between her and the defendant, for care and custody of said minor children, for costs of suit and for general and special relief.

Herein fail not, but have before said Court, at its aforesaid next regular term, this writ with your

return thereon, showing how you have executed the same.

Witness, Georgia Singletary, Clerk of the District Court of Runnels County.

aged, it was stated, and is beyond repair. As the two cars hit, the Truly car was turned over in the ditch, and the little boy was thrown from the front seat where he was riding with his mother and father, under a fender, where water from the radiator seeped both the back and front of his body from the waist down.

According to Mr. Truly, he and his family left Coleman about

7:00 o'clock for Ballinger where they were to attend the Runnels County Fair in progress here and also to visit Mrs. Truly's parents, Mr. and Mrs. W. D. Gregory. They had almost reached Talpa and when going up a slight incline met a Chevrolet car on the left side of the road.

Mr. Truly said it was presumed that the driver of the Chevrolet was blinded by the lights of his car and that he could not see to turn to the right side of the road. Mr. Truly was driving his car at a speed of about 30 miles an hour, he said. Neither saw the other's car until they were within a few feet of each other.

Two ambulances, one from King-Holt Co., and the other from Higginbotham Bros. & Co., left Ballinger about 8:15 o'clock for the scene of the wreck, while a third ambulance was sent from Stevens & Co., of Coleman. Neither of the ambulances received the patients as they had already been placed in automobiles and were started for hospitals.

Mr. Truly, in the printing business at Coleman, was formerly in the printing business here and has been making his home at Coleman only a few months. The Truly family moved to Coleman on the first of September.

YANKS TAKE THIRD GAME

(By Associated Press)
YANKEE STADIUM, New York, Oct. 7.—In a game featured by the sensational pitching of Herb Pennock, who won his fifth World Series contest without a defeat, and a home-run by Babe Ruth, the New York Yanks made it three straight games from the Pittsburgh Bucs by winning today, 8 to 1, before a crowd of 60,000 people.

The score:
R H E
Pirates 000 000 010—1 3 3
Yankees 200 000 60x—8 9 0
The batteries: Pirates—Meadows, Cveugros and Gooch, Spencer. Yankees—Pennock, and Grabowski, Bennough.

NEW YORK, Oct. 7.—The Yanks and Pirates came to New York today to resume the World Series.

The Yankees won the first two games of the series played in Pittsburgh.

Manager Donie Bush sent his ace, Meadows, to the box today in an effort to stop the Yankees. He was opposed by Herb Pennock on the mound for the New Yorkers.

The Yanks took a flying start by scoring two runs in the first inning, while the Corsairs were unable to score in their half of the initial frame.

NEW YORK, Oct. 7.—Clear weather for the third game of the World Series between the Yanks and Pirates was indicated this morning.

What Dr. Caldwell Learned in 47 Years Practice

Dr. Caldwell watched the results of constipation for 47 years, and believed that no matter how careful people are of their health, diet and exercise, constipation will occur from time to time regardless of how much one tries to avoid it. Of next importance, then, is how to treat it when it comes. Dr. Caldwell always was in favor of getting as close to nature as possible, hence his remedy for constipation, known as Dr. Caldwell's Syrup Pepsin, is a mild vegetable compound. It can not harm the most delicate system and is not a habit forming preparation. Syrup Pepsin is pleasant-tasting, and youngsters love it. It does not gripe. Thousands of mothers have written us to that effect.

Dr. Caldwell did not approve of drastic physics and purges. He did not believe they were good for human beings to put into their system. In a lifetime of 47 years he never saw any reason for their use when a mild-sounding Syrup Pepsin will empty the bowels and excrete more cleanly and gently, without griping and harm to the system.

"Keep free from constipation! It robs your strength, hardens your arteries and brings on premature old age. Do not let a day go by without a bowel movement. Do not sit and hope, but go to a drugstore and get one of the numerous bottles of Dr. Caldwell's Syrup Pepsin. Take the powder dose that night and by morning you will feel like a different person. Use Syrup Pepsin for yourself and members of the family in constipation, biliousness, sour and crampy stomach, bad breath, no appetite, headaches, and to break up fevers and colic. Always have a bottle in the house, and observe these three rules of health: Keep the head cool, the feet warm, the bowels open."

We would be glad to have you prove at our expense how much Dr. Caldwell's Syrup Pepsin can mean to you and yours. Just write "Syrup Pepsin," Monticello, Illinois, and we will send you prepaid a FREE SAMPLE BOTTLE.

OIL MILL WORKER HURT EARLY IN DAY

Jimmie Barfield, Jr., 21, is at his home in the eastern part of the city, suffering from injuries received at 3:00 o'clock Friday morning while at work at the Ballinger cotton oil mill.

Barfield, a panner, was on duty at the time of the accident which occurred when he slipped and fell on the floor of the press room.

He was removed to the Halley & Love Sanitarium, where an examination revealed two broken ribs, three fractured ribs and a severely bruised hip.

PRESS CHIEF

EMILY WOODWARD

(By Associated Press)
ATLANTA, Oct. 7.—For the first time in its history, the Georgia Press Association has a woman as its president.

She is Miss Emily Woodward, editor of the Vienna News, and she was elected unanimously after having served two terms as vice-president. Another woman member, Mrs. Nora Lawrence Smith, of Ashburn, several years ago won the silver loving cup offered annually to the newspaper performing the most constructive work for the state over a twelve-month period.

BALLINGER WINS SCHOOL DISPLAY

The Ballinger city school display at the Runnels County Fair was given first place over Winters in the city schools department. The Ballinger booth scored 921 points out of a possible 1,000 to win the loving cup offered by the West Texas Utilities Company. Winters scored 594 points for second place. The difference between the two schools, however, would not have been so great had the Winters entry been represented in all items on the score-card.

In Class A rural schools, Bethel was awarded first place with a score of 843.

Spring Hill won in the Class B rural school division, being

given a score of 933.

These were the only schools entered in this department at the fair this year, but each one was very attractive and gave evidence of much painstaking work.

A Fireside Story of Beauty and Comfort

PERHAPS Grandfather best appreciates the glowing warmth and comfort of these modern, efficient radiant heaters. His memory recalls the hard work, dirt and annoyance of the fireplace of his boyhood. Now, at the touch of a match, instant, odorless heat is given in abundance. What wonder that he is so enthusiastic as he contemplates its beautiful ember glow.

Lawson
ODORLESS
Radiant Heaters

The patented LAWSON Burner provides perfect combustion that gives maximum odorless heat and comfort with no waste of gas. Tested and approved by leading gas companies and endorsed by the highest authorities on scientific heating and ventilating. LAWSON Heaters are supplied with a clay back which insulates the back of heater and directs the

rays of warmth out into the room. LAWSON glowers have a base specially designed to fit over logs cast on the burner. They are unusually large, giving greater radiation. Increased secondary air supply is also provided and the cast iron frame means enduring strength and long life. Above all, their low cost puts these heaters well within the reach of every home.
