

'Round-Up' Breakfast Tuesday To Speed Fund

A "round-up breakfast Tuesday morning in Civic House will open the second and final half of Mitchell County United Fund's finance campaign.

All division chairmen, team captains and workers are urged to attend the "round-up" kickoff at 7:30 a. m., according to Jeff Taylor, campaign chairman.

The United Fund finance effort — which will provide money for 9 participating agencies throughout 1960 with only this one drive — was exactly at the halfway point Saturday.

Pledges and collections at noon Saturday totaled \$14,416, fund headquarters reported. And this pushed the campaign past the midway point toward the goal of \$27,875.

Approximately half of the assignments cards still are unreported, which means the campaign can move speedily to success if all the cards are worked, Taylor said.

The "round-up" breakfast Tuesday morning — really just coffee and doughnuts — is aimed primarily at appraising the campaign's progress, checking assignments already completed, then pointing to a roundup of unfinished assignments.

"Our volunteer workers have made a fine start," Taylor said, "but we must not let down after this initial success."

"This second half is even more important. Whether we meet our 1960 goal depends upon how we meet the challenge — whether we lag or remain busily on the job."

"Our previous United Fund campaigns assure us that the citizens of Mitchell County are ready and willing to be a part of United Fund, to pledge and contribute their share of the finance, if we let them know the facts and contact them."

The \$14,416 in pledges and collections reported Saturday were as follows: advance gifts division — \$8,405; special gifts division — \$1,905; employees division — \$1,849; general division — \$1,363; county east (Loraine) — \$595; county west (Westbrook) — \$298.

44 TO 6

Lamesa Chills Wolves

LAMESA — Striking as quickly and chilling as Friday's blue norther, Lamesa Tornado rolled past Colorado City High here Friday night, 44 to 6.

The contest, played in sub-freezing weather that sent most of 500 spectators home to stoves before the final whistle, was important to both clubs.

For Lamesa it clinched at least a tie for District 3-AAA championship.

And for Colorado City, it shoved the Wolves into the lower half of the 3-AAA standings, just a notch above winless Lake View.

Lamesa, with the weight and experience to its advantage, fired up its power offensive for three touchdowns in the opening quarter.

The Tornado added single touchdowns in each succeeding quarter, too, as it marked up 3-AAA victory No. 3 of the season against a lone defeat to defending titlist Sweetwater.

Don Vest, the muscled fullback, kept Colorado City from a shutout when he scrambled across goal line for a 2-yard touchdown run.

However, the Wolves had a touchdown run called back in the first half — a run officials ruled was culminated after the whistle already had stopped the play.

Big Howard Westmoreland, 200-pound Lamesa fullback, led the Tornado offense. He broke the ice and it was that kind of weather, too, with thermometer at 25 degrees in the first quarter with a 24-yard run. Adding 2 extra points for a 8 to 0 lead was Halfback Graham Addison.

Minutes later Kirk Wiggins, a better than fair quarterback, scampered 26 yards around end on a roll-out and Addison added another 2-point conversion to make it 16 to 0.

Then, before the clock could end the first quarter, Westmoreland continued the touchdown offensive when he pulled away from tacklers for a 16-yard end run across the goal. Making it 24 to 0 with 2 more points was Dick Crump.

It was Westmoreland again in the second period who scored the fourth touchdown, a 1-yard plunge. Kicking the extra point was Nat Self, an end.

In the second half, Lamesa added a touchdown by Addison from the 1-yard line in the third, followed by a Westmoreland conversion, and another six-pointer by Guy Ed. See WOLVES Pg. 7

New Business Faces

Mr. and Mrs. Larry Moffatt, formerly of Lamesa, are managing Pennington Furniture Store, which observes its formal opening Monday through Saturday. They were employed by the original Pennington store in Lamesa 5 years before assuming management of the new outlet opening here.

PENNINGTON FURNITURE

Formal Opening For New Store

Colorado City's newest retail business, Pennington Furniture Company, observes its formal opening this week.

Grand opening sale, free prizes and special trade-in allowances will feature the formal opening, Monday through Saturday, Nov. 21.

Special free prizes — Falcon dinette, recliner chair, pole lamp — will be announced at a drawing Saturday afternoon at 4 p. m. Winners do not have to be present to win.

Pennington Furniture is located at 349 Walnut St. in the 2-story building formerly occupied by Pittman's.

It is the second West Texas retail store to be opened by C. E. Pennington, former Colorado City resident.

The other Pennington store is owned and operated by Pennington in Lamesa.

Pennington, who managed Marshall Furniture here in Colorado City for a period immediately prior to World War 2, opened his Lamesa Furniture outlet in 1948. The business expanded and in 1955 moved into a new structure on the Lamesa-Lubbock highway.

Managing the Pennington store in Colorado City is Larry Moffatt, native of Lamesa. He and Mrs. Moffatt, who assisted him in the store operation, have been with Pennington for 5 years in Lamesa.

They are residing here at 221 E. 10th with their 2 daughters, Tambera, 22 months, and Dana, 9 months. They are Baptists.

The local store will feature complete lines of brand name furniture for the entire home — living, dining, kitchen, den and bedrooms.

In addition, Pennington will see STORE Pg. 7

THANKSGIVING DAY

Collins to Speak At City's Service

Rev. Clarence Collins will deliver the sermon for Colorado City's annual community-wide Thanksgiving service.

The First Methodist Church minister will preach at the 9:30 a. m. service Nov. 26 in First Presbyterian Church.

He will be one of 6 representatives from local churches with leading roles in the traditional service, according to Rev. Jack F. Selcraig, president of the Ministerial Alliance.

Collins to Speak At City's Service

The alliance, representing more than a dozen churches, sponsors the annual inter-denominational Thanksgiving service.

Appearing with Collins in the Nov. 26 service will be Bill Kenney, music director of First Baptist Church; Rev. Alan Conley, vicar of All Saints' Episcopal Church; Selcraig, First Baptist Church pastor; Rev. A. E. Bunnell, pastor of Austin Street Baptist Church; and Rev. Gerardo Guerrero, pastor of the Latin American Spanish Church.

Planning the Thanksgiving service was a Ministerial Alliance committee composed of Rev. E. V. Brooks, pastor of Oak Street Baptist Church; Rev. John Brand, minister of First Presbyterian Church; and Rev. Lynwood Harrison, minister of St. Luke Methodist Church.

METERS REGISTER FOR UNITED FUND

More you stuff those parking meters this week, the more you will boost United Fund.

For all coins collected in the meters, Monday through Saturday, will be given to Mitchell County United Fund's 1960 finance drive.

The parking meter gift is a traditional act by the city in support of United Fund, which wraps 9 finance drives into one overall campaign.

Parking meter regulations will be enforced just as usual for the week. The only difference will be that the meter coins will be turned over to the fund.

Ponies to Prance In Santa Parade

Shetland ponies will prance in the Santa Claus parade here Dec. 5.

The prize ponies will come from John Norman's Lazy N Ranch at Winters.

And they will join Santa, McMurtry College Band, Colorado City High and Junior High bands, plus other features in the parade.

Bob Ridley, chairman of the Chamber of Commerce merchants committee sponsoring the parade, said four trucks will be required to transport all the ponies to Colorado City.

Shetland pony highlights in the parade will include a miniature western stage coach with 6-pony hitch, miniature farm wagon pulled by ponies, roadsters with prancing ponies.

In addition, Norman will present his famed Shetland Liberty Act at a downtown location as a special free attraction after the parade.

The Liberty Act, a favorite of Colorado City's horse breeders and showman Frank Kelley, is a performance by Shetland ponies formerly featured by Gainesville Community Circus.

Members of the merchants committee met during the last week to approve a downtown route for the Santa Claus parade, scheduled to start at 3 p. m. Dec. 5.

The parade will form at the Courthouse — bands on W. 4th St., floats on Oak, automobile and implement displays on E. 3rd, horses and similar features on Pine.

From the Courthouse square the parade will move north on Oak for one block to W. 5th St., travel east for 1 block on 5th St., move south for 2 blocks to E. 10th St., and then east on 10th St. to the parade grounds.

AROUND TOWN

Icy Blast Freezes to 21 Degrees

An icy blast with sleet and ice dumped Colorado City's temperature to a low of 21 degrees at 5 a. m. Saturday.

The freezing weather, shoveling one of the earliest winter seasons on this area in recent history, iced all local streets.

It also made highway travel dangerous in all directions out of Colorado City until travel and a late morning sun began to thaw out the roads.

Brannan Bros. Construction Company of Victoria was low bidder for grading, structures and paving 10.1 miles of farm-to-market highways in Mitchell and Nolan Counties.

These segments are on FM 1982 and FM 608 from Mitchell County line to U. S. 84, from FM 644 to Nolan County line, and from Fisher County line to Roscoe.

BOARD REPRESENTS W-TEX ENTERPRISE

The 11-member board of directors of Texas Electric Service Company represents all phases of West Texas business and industry.

Their business interests — outside of the TESCO board — range from oil to cattle, insurance to candy manufacturing, department store retailing to practice of law.

Here are their names and major business or industrial affiliations:

W. P. Bomar of Fort Worth, Houston Fire & Casualty Insurance Company.

J. S. Bridwell of Wichita Falls, Bridwell Oil Company.

Beeman Fisher of Fort Worth, vice president of Texas Electric Service Company.

J. A. Gooch of Fort Worth, Cantey, Hanger, Johnson, Scarborough & Gooch law firm.

R. K. Hanger of Fort Worth, vice president and general counsel of Texas Electric Service Company and member of firm of Cantey, Hanger, Johnson, Scarborough & Gooch.

J. P. King Jr. of Fort Worth, King Candy Company.

G. L. MacGregor of Dallas, president of Texas Utilities Company.

J. L. Rhoades of Odessa, J. L. Rhoades & Associates Inc.

W. K. Stripling of Fort Worth, W. C. Stripling Company.

J. B. Thomas of Fort Worth, president of Texas Electric Service Company.

C. C. Thompson of Colorado City, president of City National Bank.

Ticket Sale Over 200 Saturday

Indications are for an early sell-out of tickets for Mitchell County appreciation dinner here Wednesday honoring Texas Electric Service Company.

J. W. (Bill) Randle, chairman of the ticket committee, said more than 200 tickets had been sold Saturday.

The remainder of available tickets are expected to be sold Monday and Tuesday in advance of the dinner. That's because space in Civic House will limit local attendance to only about 300 persons.

Citizens who have not yet obtained their tickets should contact the Chamber of Commerce or Randle, the ticket chairman said.

Special guests for the 7:30 p. m. dinner in Civic House will be Texas Electric Service Company's board of directors.

The directors are coming to Colorado City for the dinner and a TESCO board meeting Thursday morning in Baker Hotel — the first official session of the board outside of See TICKET Pg. 7

Open House Thursday Shows Power Plant

It will be Mitchell County's special open house period day at Morgan Creek Power Plant Thursday.

The huge Texas Electric Service Company plant on shore of Lake Colorado City will be opened to the general public for inspection.

Business men, women, groups and high school students will be in the parade of citizens who will tour during the open house period.

from 1 p. m. to 6 p. m.

Mitchell County Day at the plant will celebrate the recent completion of the fifth turbine-generator unit to be installed in the modern outdoor steam-electric generating station.

And, incidentally, it is the first all-public open house served by Texas Electric Service Company at any of its plant facilities.

During the 1 p. m. to 6 p. m. event, visitors will be shown through Morgan Creek Plant, around the plant grounds and through the buildings and plant structures.

Students from Mitchell County high schools have been especially invited to tour the plant and see the many types of equipment required to make electricity.

School buses will transport all high school students at Colorado City, Loraine and Westbrook to the plant during the early afternoon period of the open house.

Business men, women and other groups are invited to the open house at any time, but the plant tour will be more convenient for them between 2:30 and 6 p. m. — after the high school students complete their visits.

Morgan Creek Plant, second largest single industry in Mitchell County, is located 4 miles southwest of Colorado City, just west of Colorado City-Sterling City highway. Its original construction and recent expansion is the reason for the construction of Lake Colorado City and Champion Creek Reservoirs.

Visitors to the plant will see four towering boilers, the newest of which is 143 feet tall — or about the height of a 14-story building. This boiler makes steam that is so hot it could set wood aflame in an instant and melt most metals.

They will see the new turbine-generator unit recently installed which can produce See PLANT Pg. 7

4 In A Row For Loraine

W. C. Adams, left, of Sweetwater, a commercial representative for Texas Electric Service Company, hands a \$150 check to Stanley Martin, center, Loraine Future Farmer president, as Loraine vocational agriculture teacher Raymond Holt, right, looks on. The check is first prize in TESCO's annual district competition in rural electrification. And it is the fourth consecutive first prize check won by Loraine FFA in the contest among 8 other schools. Four certificates testify to the awards.

FOR COUNTY ASSOCIATION

Yule Seals Seek Cash In Fight Against TB

Christmas seals go into the mail Monday to families throughout Mitchell County.

These are the source of funds for Mitchell County Tuberculosis Association, which carries on the fight against TB on three important levels.

In each envelope being mailed will be 3 sheets of seals. And the association solicits a gift of at least \$1 per sheet of seals.

"However, that is only the minimum," said Mrs. Brice Webb, seal sale chairman, "and we welcome donations in higher amounts."

In keeping with tradition of previous Christmas seal sales, the association will sponsor a lighted Christmas tree again this season on Courthouse lawn. Every \$5 gift for seals will turn on another light for the tree.

Goal for the 1959 seal campaign is \$1,500. And the funds are sorely needed, according to Mrs. Webb, because campaigns here in Mitchell County have been short of expenditures for case-finding, patch tests, x-rays and treatment within the county.

"That is why we earnestly solicit, not only the minimum gifts, but also donations in amounts of \$5, \$10 and \$25," Mrs. Webb said.

The association's work against TB is mostly right here at home.

Infact, 82 per cent of the funds collected in the seal sale is applied here in Mitchell County, according to Dr. John Chinn, president of the association.

Twelve per cent of the seal dollars go to TB programs on the state level and only 6 per cent of the money is applied on national level.

The funds pay for case-finding, the seeking out and identifying persons with the crippling disease, through patch tests and x-ray examinations; education to inform persons so they can be aware and protect against the disease; medical research to control the disease; treatment and rehabilitation of those persons who have suffered TB.

"Pin-up girl" for the Christmas Seal letter being mailed by the Mitchell County Association is Miss Minta Jane Dobbs, daughter of Mr. and Mrs. Martin Dobbs, Loraine.

She was studying at Midwestern University toward a journalism career two years ago when her college education was interrupted by TB.

She is now recovering after 15 months at McKnight Sanatorium and hopes to resume her college studies next year.

"PRESCRIPTIONS A SPECIALTY"

David Chinn, 5-year-old son of this year's Mitchell County Tuberculosis Association president, Dr. John Chinn, asks that you make your Christmas Seal gifts as generous as you can this season. The demand on local funds for case finding, treatment and rehabilitation are greater than ever . . . the budget must be met!

Mitchell County Goal \$1,500

Christmas Seals to be mailed Monday

The association solicits your gift of at least \$1 per sheet (\$3.00 for the packet you will receive in the mail). Larger gifts, however, are needed and will be appreciated. If you fail to receive your Christmas Seals in the mail, please telephone RA 8-3097. Use the seals on every letter, card and package you mail this Christmas!

Your Contributions work on three levels

82 percent of your Christmas Seal dollars are used in Mitchell County, 12 percent on the state level and 6 percent nationally to pay for medical research, education to protect against TB, case finding through patch tests and x-ray, treatment for patients and rehabilitation. Tuberculosis is everybody's enemy. Anything you can do to help fight it you are doing for yourself and your families.

\$5 Gifts Light a Christmas Tree Light

Again this year, the association will sponsor the "light-a-light" campaign with its Christmas Tree on the courthouse lawn. Every individual donation of \$5 or more will turn on another light on the tree. The association urgently requests donations in the amounts of \$5, \$10, \$15, \$20 and \$25 in order that this year's budget may be met.

Give generously this year!

During the past three years, Christmas Seal campaigns have failed to meet expenditures for case-finding, patch tests, x-rays and treatment in Mitchell County. More money is needed to carry

on these important phases of work by the Mitchell County Tuberculosis Association. "Give generously . . . more generously than ever before . . . for your own benefit as well as other's!"

7th Grade Wins, 8th Grade Loses in Lake View Contests

Seventh and eighth grade football teams from C-City Junior High School were in action Thursday night at Lake View.

Seventh grade defeated Lake View seventh, 8-6, but the local eighth grade lost its

game, 20-6.

In the eighth grade game Lake View scored in the first quarter by kicking a 50-yard drive with a 1-yard touchdown run. They missed their extra point try.

In the third Lake View re-

covered a fumble and drove 35 yards to score from the 2-yard line. Attempt for extra points was unsuccessful and Lake View led, 12-0.

C-City got its turn at scoring by driving 60 yards near the beginning of the fourth quarter. It was Richard Smith who scored on a 1-yard quarterback sneak. No extra points were added and the score was 12-6.

With 2 minutes left in the game Lake View scored again with a 2-yard touchdown, making an 18-yard drive.

Eighth grade has one more game, Snyder, at Snyder Thursday.

C-City seventh grade started early in its game, scoring in the first quarter when Don Latimer and Paul Yeager recovered a fumble behind the goal. Power Proctor carried the ball for extra points, to put C-City into the lead, 8-0.

In the third quarter, Lake View produced its score when they caught a C-City punt and returned it 35 yards for a touchdown. They could not gain the extra points so they were left behind, 8-6.

Seventh grade has 1 more game, Snyder, at Snyder Thursday night.

FOR DISTRICT TITLE

Lamesa Tornado Assured of Tie

Lamesa moved to the top of the list in District 3AAA football Friday night by defeating C-City 44-6.

The game completed Lamesa's season and left them with 3 wins and 1 loss—a record which assures the Tornadoes of at least a tie for the title.

Sweetwater, by defeating Lake View, moved into a tie with Snyder for second place with 2 games won and 1 lost.

Snyder, idle last week meets Lake View Friday night at Lake View. If the Tornadoes win that game, which is probable, it will push their record to 3 wins and 1 loss, leaving them tied with Lamesa for first place.

The tie will involve 3 teams if defending champ Sweetwater defeats C-City next Friday night, which is also probable for Sweetwater also has only one loss.

C-City, next to last in the district, has only 1 victory out of 3 games to its credit. Lake View, the other team in the district has played 2 district games and lost both of them.

C-City will meet Sweetwater at Sweetwater Friday night for the final game on the schedules of both teams.

LORRAINE NABS 2ND WITH 4TH VICTORY

Lorraine Bulldogs captured second place standing in District 6B football Friday night by defeating Eldorado 16-6 in Eldorado.

Lorraine has played all 5 of its district games and lost only one of them. The loss was to district champion, undefeated Bronte.

First score in Friday night's game was a 25-yard run around right end by Lorraine's Lorenzo Moreno, halfback. Fullback Bob Rankin pushed Lorraine's lead to 8-0 by running the conversion. The play was in the second quarter.

A 13-yard plunge by H. A. Belk, Eldorado fullback, gave Eldorado its only score.

Lorraine scored again in the final quarter. This time it was Rankin with a 3-yard run and Gary Parnell with a conversion to boost the tally to 16-6.

TO POST 12-6

9th Graders Close Season with Loss

By BONNIE SUMMERS
Record Staff Writer

Colorado City 9th grade Junior Wolves lost a hard fought ball game Thursday night to Post 9th grade, 12-6.

The game, played in Wolf Stadium, was like a tug-of-war with the ball going from one team to the other. Both teams were held to seven first downs each. Post recovered the only 2 C-City fumbles while C-City recovered the only Post fumble.

First score in the game came when Post recovered a fumble on the C-City 35 yard line in the first quarter. The Post eleven went the ground route for the 35 yards to chalk up their first TD. Try for extra point failed.

C-City's lone TD was rung in in the second quarter when Eddie Horn set the stage by catching a beautiful pass on the Post 10 yard line. On the fourth down, with 2 yards to go, Carleton Fisher made the five to five dirt. Try for extra points failed.

Half-time score was tied at 6-6.

Third quarter of the game was football teamwork on parts of both teams.

Post's second TD came late in the fourth quarter with only a minute and 59 seconds left on the clock.

Post intercepted a pass on the C-City 20 yard line to save the way for their last 6 points. Despite a total of 25 yards in penalties Post made

the yardage for the score in less than a minute.

A Post player, 14-year-old Ken Rankin, received a broken right leg in the last quarter of the game. He was treated at Root Memorial Hospital, where a boot cast was applied to his right leg.

The local 9th grade closed their football season with Thursday night's game. They have a 4-6 won-lost record for this season.

BY MRS. BOB RATLIFF

Poetry Is Subject Of Sorority Talk

Mrs. Bob Ratliff presented the program for members of the Beta Sigma Phi in the home of Miss Bertie Lou Dorn Tuesday evening.

Her talk was "Poetry." She explained poetry as being the form of literature that embodies beautiful thought, feeling or action in rhythmical language.

Selections from the Bible, nursery rhymes and poems from everyday life were read.

The speaker stressed ten points which good poetry should have. Poetry appeals to the emotions; stirs feelings; has constant use of imagery; arouses imagination; is strongly rhythmic; uses suggestive powers of words; produces illusion; conveys ideas of truth and beauty; reveals the personality of the poet and is one of the fine arts.

Thanksgiving dinner for members of Beta Sigma Phi will be Thursday, Nov. 19 in the Civic House. Members, guests and husbands will attend.

Attending Tuesday's meeting were members, Mrs. Leon

Ward, Mrs. Bill Holbert, Mrs. James Trammell, Mrs. Eugene Merket, Mrs. Bob Barmon, Mrs. Dick Gregory, Mrs. Ratliff, Mrs. Eula McClure, Mrs. Eddie K. Norris and the hostess, Miss Dorn.

Guests attending the program were Mrs. Bob Kimmell, Mrs. Steve Stevens, Mrs. Alan Conley, Mrs. Jim Roberts, Mrs. Jim Roberts, Mrs. Bennie Franks and Mrs. Bass Hines.

Annual Preferential Tea for members and guests of Beta Sigma Phi was Sunday, Oct. 25, in the home of the club sponsor, Mrs. Eula McClure. Miss Jane Merrill presided at the silver coffee service. Table was set with china and silver. Centerpiece for the serving table was a fall arrangement of flowers in shades of red.

Guests were greeted at the door by Mrs. Bob Ratliff. Miss Merrill welcomed each member and guest and invited them to the next meeting.

Guests attending were Mrs. Kimmell, Mrs. Bennie Franks, Mrs. Steve Stevens, Mrs. Bass Hines, Mrs. Jim Roberts, Miss Faye Edwards, Mrs. Otis Hol

TO GARDEN CLUB

Methods of Flower Preserving Told

Mrs. J. T. Holley was speaker for members of the Colorado City Garden Club Wednesday afternoon when the group met in the City Recreation Building.
Roll call was answered by naming "Flowers Suitable for Drying."
During the business session, Mrs. R. D. Bridgford and Mrs. Charles Wakefield were appointed to serve with the club's president, Mrs. Aihart, on the Mitchell County Federation of Women's Clubs.
The club voted to send \$10.00 to Mrs. Ira Thurman for the hospital in Big Spring. Club also voted to give \$2.50 to Mrs. Windham for girl scouts.

A letter of thanks was read from Mrs. L. W. Patterson of Sweetwater, a former member of the garden club here.
\$50.00 was donated to the Texas Headquarters Building Fund, Ft. Worth, enabling all Colorado City Garden Club president's names to be entered on the president's book there.
Mrs. R. B. Baker, Mrs. Lloyd Richards and Mrs. Eldon Mahon demonstrated three flower arrangements which were suitable for Thanksgiving. Five quality specimens of "mums" were displayed by Mrs. L. L. Comer and Mrs. Charles Snyder.
"Dried Flowers with a Fresh Look," a book review, was presented by Mrs. J. T. Holley.
In her talk, Mrs. Holley explained the best time to pick flowers for preserving value. A flower, which is to be preserved, should be picked just about of maturity, at the height of its beauty, she said.
The speaker pointed out the two main methods of preserving flowers as being the "air drying" and the "borax treatment" method. In deciding which method to use one must consider the shrinkage when using the dehydration method, Mrs. Holley said.
In using the borax mixture

'A PRIVATE'S AFFAIR'

Hilarious Comedy On palace Screen

"A Private's Affair," Twentieth Century-Fox's hilarious production, will show Wednesday and Thursday at the Palace Theatre.

Starring Sal Mineo, Terry Moore, Christine Carere, Barry Coe, Gary Crosby and Barbara Eder, "A Private's Affair" is the adventures of three young draftees and their chaotic effects upon the whole U. S. Army command, right up to and including the Secretary of the Army (who turns out to be an attractive woman).

In addition, the popular Jim Backus is starred as a Steve Allen-Ed Sullivan type of TV master of ceremonies, with Jessie Royce Landis starred in the role of the woman Secretary of the Army who is accidentally married to Private Coe.

The movie is one for the whole family and especially for those in the teenage bracket. The story opens in an Eastern training camp where Mingo (a live talking musician), Coe (a college man) and Crosby (their to a Texas fortune) meet. Soon, all three

are buddies, and in trouble with their sergeant.

They meet three girls at a dance and pair off with them—Christine Carere (a bookish friend of Mineo's who comes to visit him and is drawn to his buddy, Coe), Barbara Eder (a WAC who takes up with Crosby after his dates, the entire Copa chorus line, stands him up) and Terry Moore (an old friend of Coe's who goes for Mineo).

At the same time, Backus hears a tape-recording of song the three privates did and asks that they be allowed to perform on a special TV spectacular he is going to do.

The Army agrees, but Coe comes down with laryngitis and while he is confined to the infirmary, is accidentally married to the visiting Secretary of the Army (Jessie Royce Landis), who has actually agreed to marry a dying Dutchman so that his child may be allowed to remain in America and not be sent back to Holland as an orphan (her mother killed and her father having been in an accident near the camp).

Somehow, she is married to the silently protesting Coe.

When Coe regains his voice, he tells the Army what has happened and they commit him for mental treatment. The resulting mixup makes for one of the zaniest comedies ever to come out of Hollywood, and before the mixup is straightened out and the three privates are able to sing their song over a national TV hookup and win the girls, some of the funniest scenes ever filmed happen.

Mitchell County Day OPEN HOUSE

at our Morgan Creek Power Plant

Thursday, November 19
1 p.m. to 6 p.m.

We hope you will make a point to visit our Morgan Creek Steam Electric Generating Station at Lake Colorado City on Thursday, November 19, for Mitchell County Day Open House.

This will be an opportunity for you to see a modern, out-door type generating station... one of the largest in Texas. Guides will be on hand to show you interesting features of the plant, and to explain how the plant operates and how electricity is made.

While at the plant you will see our new 175,000 Kilowatt steam-electric generating unit which was completed and put into service recently, making the Morgan Creek plant the largest in the Texas Electric Service Company system.

Ample electric power is an asset vital to the growth of any area. By planning ahead and building facilities such as the Morgan Creek power plant, Texas Electric Service Company is making sure that plenty of good dependable electric service will be available for the continued growth and development of the areas served.

Be sure to visit us during our Open House, Thursday afternoon. We'll be looking for you!

ANNUAL THANKSGIVING FETE

Hallmark Residence Scene of North Loraine Club's Dinner

LORAIN — North Loraine Home Demonstration Club met Thursday in the home of Mrs. Harold Hallmark for an all-day meeting and a Thanksgiving dinner.

TICKET

Continued from page 1
Fort Worth in the company's history.

Heading the Texas Electric officials will be J. B. Thomas, company president.

Charlie C. Thompson, City National Bank president and a member of the TESCO board, will be host for the directors in their precedent-breaking West Texas meeting.

Following their Thursday morning meeting in the hotel, the directors will inspect TESCO Morgan Creek Power Plant, recently expanded to largest generating capacity of any plant in West Texas, and the new Champion Creek Reservoir.

The Wednesday appreciation dinner on the eve of the board meeting is the spontaneous gesture of the community. Local business men suggested the tribute, and the event immediately gained support from Chamber of Commerce, Lions, Kiwanis and Junior Chamber of Commerce.

Infact, Lions, Kiwanis and Jaycees have voted to cancel their regular noon luncheons this week in favor of the Wednesday night banquet, a joint meeting for all three civic clubs.

Already notifying the banquet committee they will join TESCO officials and local citizens here for the banquet are R. L. Tollett, president, and Dan M. Krause, vice president, of Couden Petroleum Corporation, Big Spring; E. V. Spence of Big Spring, manager of Colorado River Municipal Water District; Dr. Bruce Johnson, mayor of Loraine; Fred Husbands, executive vice president of West Texas Chamber of Commerce, Abilene; State Representative Max Carriger of Roby, and others.

District Attorney Eldon Mahon will be master of ceremonies for the dinner, when the TESCO board of directors will be introduced to the citizens.

TESCO's business, industrial, agricultural and community development in Mitchell County and West Texas will be recognized by Joe Bell, Colorado City Record co-publisher and editor. His comment will be followed by response by Thomas, the company's president.

Theme of the day was "What we do for ourselves dies with us; what we do for others remains immortal."

At noon a buffet style turkey dinner was served to those attending after invocation by Mrs. Jim Johnson.

Afternoon program was directed by Mrs. Jack Linnam, club president. Roll call was answered with hints from the yearbook.

A letter of thanks from Mrs. Paul Caulter of Mc Knight T. B. Sanitorium was read to the group. The letter thanked the club for gifts and donations given the sanitorium. Another box of handmade gifts was packed to be sent to the hospital.

Next club meeting will be in the home of Mrs. Raymond Wheeler, Nov. 18. At this meeting, Mrs. C. B. Taylor, county home demonstration agent will present a program on judging ready made clothing.

Twelve members were present along with 2 visitors, Mrs. Myrtle Martin and Mrs. Frankie Bennett.

Virgil Walker, representative for Texas Reserve Insurance Company, was in Abilene Saturday and Monday attending a sales meeting.

Mr. and Mrs. Pat Boatler of Big Spring spent Sunday here with his brother and sister-in-law, Mr. and Mrs. T. Boatler.

Mr. and Mrs. A. A. Boatler of Coleman were here Sunday, Nov. 15 to visit Mrs. Boatler and Mr. and Mrs. Allen Boatler.

Robby Compton, son of Mr. and Mrs. Andrew Compton has accepted employment in Amarillo and has moved there.

Mrs. Sue Cox of Paris, Mo., is visiting here with her grandparents, Mr.

and Mrs. W. M. Teeters.

Dinner guests in the Kenneth Butler home Sunday, Nov. 2, were Mr. and Mrs. Max Irwin, Midland; Mr. and Mrs. Dan Butler, Loraine; Mr. and Mrs. Truitt Butler, Judy and Don of Midland; and Mr. and Mrs. Harry Dockrey, Jim and Bill of Colorado City.

Mrs. Lynn Compton was host to the Wednesday afternoon club in her home Wednesday, Nov. 3. Entertainment was furnished by games of "42".

Attending were Meses. Wade Preston, J. D. McDonald, T. F. Finley, Frank Johnson, W. L. Barron, W. M. Teeters, Henry Riden, Cora Hall and W. T. James. Refreshments were served to those attending.

Guests in the home of Mrs. J. D. McDonald last week were Mrs. O. K. Baird, Mr. and Mrs. Wilburn McNeese of Beaumont; and Mrs. F. A. Hannah of Midland. Mrs. Baird and Mrs. Hannah are sisters of Mrs. McDonald.

Mr. and Mrs. Truitt Butler and children Judy and Don of Midland visited last weekend here with his parents, Mr. and Mrs. Dan Butler.

WOLVES

Continued from page 1
monson from the 8-year line. Colorado City registered 13 first downs and gained 155 yards on the ground, compared to Lamesa's 17 first downs and 244 ground offensive.

But the Wolves, although moving at times on the ground, couldn't loosen up the big Tornado line. And a big reason for that is the fact the Lamesa defenders played havoc with C-City's passing attack, intercepting 4 times.
