THE SNYDER DAILY NEWS

VOL. 8, NO. 43 | SNYDER, TEXAS, WEDNESDAY, JUNE 19, 1957 | EIGHT PAGES—PRICE 5c

AFTER being stalled about 40 minutes, a Roscoe, Snyder & Pacific train involved in an accident here yesterday was put back into shape by a plumber, enough so it could make it to the railroad's shop at Roscoe. Shown here are J. C. Massingill, left, sheriff's deputy investigating, and two RS&P employes, Riley McDonald, in the background and M .H. Smith, in the foreground.

One Hurt In Car-Train Crash Here

A Snyder woman was slightly injured yesterday when the car she was driving was involved in a collision with a diesel engine at the head of a train.

She was Mrs. Betty Jean Justice, 21, of 401 Thirty-fourth Street, who was reported doing well this morning in Cogdell Memorial Hospital.

Mrs. Justice was driver of a 1956 Buick sedan which collided with the engine of a Roscoe, Snyder & Pacific train at about 5:45 p.m. yesterday. The accident was investigated by officers of the sheriff's department.

The collision occurred at the Thirty-seventh Street crossing of the RS&P. The car was apparently totally damaged, with the entire front end mangled by the collision.

Engineer on the train was W. V. B. Slatel of Roscoe.

The train was struck in about the middle of the engine. The car remained in the roadway.

The train was temporarily stalled and remained near the scene for about 40 minutes. The crossing was not blocked, however.

A plumber who went to the scene used baling wire to put the engine in running shape so it could make the trip to the RS&P shop in Roscoe. Main damage to the engine was to an air intake pipe, which was what the plumber repaired.

Two witnesses, both RS&P employes who were on the train, Riley McDonnell and M. H. Smith, both of Roscoe, said the flashing red signal light at the crossing was working before the train got to the crossing.

The engine was RS&P's No. 200, its largest diesel-electric engine.

This is the fourth railroad crossing accident here within the past year. One was the Santa Fe crossing on the Clairemont Road, and the other three were at RS&P crossings, one on Twenty-sixth Street and two on Thirty-seventh Street.

MANGLED in a collision with a train here yesterday was a 1956 Buick sedan driven by Mrs. Betty Jean Justice 401 Thirty-fourth Street. Mrs. Justice was in Cogdell Memorial Hospital this morning. (Lee Watson photographs)

Eight Killed In Tanker Crash

BREST, France (AP)—Two big oil tankers collided and burst into flames in darkness and fog off Brittany today. Eight sailors died in the oily sea but more than 50 were rescued.

It was a ticklish job for rescue vessels picking their way gingerly through fog and fearful of explosions from the burning ships. But they managed to pick up the surviving crewmen, including 10 who were seriously hurt. Late this afternoon none was reported missing.

The French Naval Radio Station identified the vessels as the 15,000-ton tanker Stony Point, sailing under Liberian papers, and the 19,000-ton Greek tanker Ioannis. But the Greek ship was also reported to be a freighter named Joannis or Ionis.

Victory Carriers Inc., operating agents in New York for the Stony Point, said the tanker was loaded with oil en route from Sidon, Lebanon, to Antwerp and carried a crew of 40.

All reports of the disaster, some 20 miles off the tip of the Brittany peninsula, came by ship's wireless from rescue craft. The fog was so thick off the coast that aircraft couldn't locate the burning ships.

French fishing boats along the coast could not put to sea.

The first radio message alerted shore stations when the German ship Eric Reckmann came upon the burning vessels.

The two stricken craft were still burning eight hours later, apparently abandoned by their crews. The Stony Point was reported settling low in the water. The rescue ships asked for tugs, indicating that at least one of the derelicts might be towed to shore.

Big Cut Is Made In Oil Allowable

AUSTIN (AP)—The Railroad Commission slashed the July oil allowable today by 384,631 barrels a day, believed to be the largest monthly cut of record.

The statewide pattern was based on 13 days or production for an allowable of 3,033,604 barrels daily.

The decision was reached by Commissioners Ernest Thompson and William Murray who said they could not recall any more drastic cut in any one month before. They said this would have to be verified from commission records.

Commission Chairman Olin Culberson, who was absent, had a statement read saying he would not vote for less than 15 days of permitted production.

The announcement by the oil regulatory body after its monthly proration hearing was loudly applauded by representitives of major purchasers and independents.

All major oil companies asked for a reduction, including a 12-day recommendation by Magnolia.

Independents took the view that a "rateable take" based on a smaller producing pattern than June's 15 days would be better than selective buying as a result of pipeline proration.

"The purchasers are setting their own allowables anyway. We may wishfully think that 15 days should be taken, but in reality they won't take production based on that many days," said Bruce Street for the West Texas Oil and Gas Assn.

In his statement, Culberson said he thought "that a further reduction in producing days authorized by the commission will have serious and adverse effect upon the functioning of the state governmental agencies which rely to such a great extent on taxes collected on oil."

Representatives of the major oil companies made these production recommendations: 15 days, Sun; 14, Shell, Gulf and Texas; 13, Atlantic, Indiana Oil Purchasing, Cities Service, Phillips, Humble and Sinclair; 12, Magnolia.

Court Votes On Ruling

AUSTIN (AP)—The Court of Criminal Appeals voted 2-1 today to uphold its previous ruling that B. R. Sheffield, partner of Bascom Giles in a veterans' land scandal deal, should be tried again.

The three judges voted together April 24 when they cancelled a 10-year prison sentence given Sheffield. He was convicted in Lubbock in August on a charge of passing a forged instrument.

Judge K. K. Woodley voted against the other two judges today. He said the court had erred in its early decision when it said Sheffield should be retried because the trial judge erred. The appellate court had held the judge was wrong when he told the jury that if they became separated while still deliberating, it might cause the verdict to be reversed.

Judge W. A. Morrison delivered the maority opinion. He said, "the two judges remained convinced we properly disposed of this case originally. The state's motion for rehearing is overruled."

Heavy Rains Spread Over South Texas

By The Associated Press

Heavy rains drenched parts of South Texas Tuesday night and tapered off Wednesday.

A downpour of 5 inches in an hour at Brownsville flooded streets. Lighter rain spread from Del Rio and Laredo to Lufkin.

Light rain fell again Wednesday morning at Brownsville.

The Weather Bureau forecast widely scattered thundershowers over all sections of the state through Thursday.

Heavy rains Tuesday night came as a cool front swept into Louisiana after lashing North Texas and South Plains crops.

More than an inch of rain fell Tuesday in Wichita Falls and Dallas and other areas received lighter amounts. Cotton plants were beaten to the ground again near Electra.

Dawn temperatures ranged from 56 at Dalhart and Lubbock to 77 at Galveston. Presidio was the hot spot again Tuesday with 100 degrees. Other readings ranged down to 79 at Abilene.

Rights Program Defended By Ike

WASHINGTON (AP) — President Eisenhower said today his civil rights program is moderate and decent and is not aimed at persecuting anyone.

Eisenhower told a news conference he is badly disappointed that some people believe the civil rights program involves an intent to disturb the rights or social order of a particular section of the country.

The bill passed the House yesterday. A boiling controversy is in prospect over efforts by a Senate group of Republicans and self-styled "Liberal" Democrats to speed Senate action.

Led by Sen. Knowland (R-Calif), this group seeks to put the House bill on the Senate calendar —withholding it from the Senate Judiciary Committee where it might be sidetracked for weeks, and perhaps forever.

Eisenhower was asked whether he hopes Senate Republicans will remain in Washington throughout the summer if necessary to help break a prospective filibuster by Southern senators against the bill.

Eisenhower declined to answer that directly. He said he normally does not comment on the handling of legislation before Congress because he does not wish to interfere.

He went on to say, however, that the civil rights program he recommended to Congress was designed to be conciliatory and moderate. Not in any part of it, he said, was there any thought of persecution.

Eisenhower said when the Supreme Court unanimously decided against further segregation in the nation's schools a great many things could have happened. He said the opinion caused a great deal of stir.

It was his thought, the President added, that this was a time for moderation and for development of some plan for good will. He was badly disappointed, Eisenhower said, to see that some persons believe there was in the program an intent to disturb their established rights and social order.

Southern senators will battle vigorously against the move to put the House bill on the Senate calendar.

Two Are Appointed On Airport Board

G. B. Clark and Theo Lamb have been appointed as members of the county airport board for two-year terms.

The county commissioners court appointed the two to succeed Dawson Moreland and E. H. (Ab) Williamson, whose terms expired.

Others on the board are H. C. Denson, Bryan Jordan, and Bill Atwood.

Test Policy May Be Revised

WASHINGTON (AP) — President Eisenhower said today he would be perfectly delighted to make a satisfactory agreement suspending atomic tests while negotiating with Russia for some permanent disarmament program. His words indicated possible major revision in U. S. policy.

Under questioning at a news conference, Eisenhower said he believed—although he did not want to commit himself finally at the moment—that a prohibition on the manufacture of atomic weapons might not necessarily have to be a part of the package for suspending tests.

His tentative comment on this point was contrary to what State Department officials have been saying privately since negotiator Harold Stassen returned to London. Their line has been that the United States would only agree to suspend tests as part of a first step agreement which also provided for halting manufacture of weapons under a carefully inspected program.

Eisenhower told his news conference that a three-point proposal put forward by Russia in the United Nations talks at London a week ago deserves the most earnest and symphatic study although he could not yet say how it would work out.

The Soviets called for a two-to three-year moratorium on atomic tests, for a commission to supervise the agreement and for inspection posts within the territories of Russia, the United States and Britain.

Eisenhower said this was a hopeful sign for the Russians to put up such a proposal but that he would want to see all the details. He added it is one thing to state a generalization and another to see how it works out.

Eisenhower began his question and answer discussion of disarmament by stating that Stassen was not reprimanded when he returned to Washington 10 days ago. The Allies, mainly France and Britain, had complained that Stassen was working too closely with the Soviet representative, Valerian Zorin.

Eisenhower said that he had heard of the feeling that Stassen was running too fast. In response to further question he said that he did not think that Stassen's usefulness had been ruined by being called home for consultation and by the reports that he had been reprimanded.

WEATHER

SNYDER TEMPERATURES: High Tuesday, 82 degrees; low, 56 degrees; reading at 7:30 a.m. today, 64 degrees.

West Texas—Clear to partly cloudy through Thursday with widely scattered afternoon and evening thundershowers, mainly from Pecos Valley eastward.

Woman, 34, Is Attacked

HOUSTON (AP)—A white mother, 34, was raped and beaten by a Negro in her home here early today.

Her face swollen and one eye blood-shot and blackened, she appeared at the police station to report the crime.

She said she awakened to find the attacker couched at the foot of her bed. She told police she had retired about midnight. She said she was dressed in brief shorts and a halter and stood in front of an open window most of the time.

"My husband had warned me about this," she said. He was at a Scout camp with two of her sons, she said.

Two other children in the house, a girl, 5, and a boy, 7, were not disturbed.

New Trial Ordered For Waco Attorney

AUSTIN (AP)—The 3rd Court of Civil Appeals ordered a new trial today for E. H. O'Dowd, Waco attorney who was disbarred on a charge of solicitation of clients.

The court said it reversed and remanded the case to the Waco trial court because of jury misconduct. It said there was a "question of law as to its (jury misconduct) harmful effect."

The opinion said the questions of misconduct occurred before some questions were answered by jurors.

Foundation Here Is Chartered By State

Notification has been received here that the new Scurry County Industrial Foundation has been chartered by the state.

Fred Auforth of the law firm of Park, Hemphill & Auforth, attorney for the industrial foundation, said the foundation was chartered effective Monday as a non-profit corporation without capital stock.

The granting of the charter by the office of the secretary of state puts the foundation "in business."

Next step of the foundation is the calling of a general stockholders meeting in the near future. At that meeting, stockholders will elect a permanent board of directors, approve by-laws, approve stockholders, and take care of several other items of routine business. Date for the meeting has not yet been set.

Incorporators whose names were signed to the charter application were several of the stockholders, H. W. Cargile, J. T. Hughes, Claude McCormick, Ralph Geisenhoner, Herbert Feather, Steve Birdwell, A. O. McAlister, Hugh Boren, Jr., G. B. Clark, Turner Beard, John E. Sentell, and Lyle Deffebach.

The board elected at the coming stockholders meeting will serve until January. According to the proposed by-laws, a board meeting will be held on the second Monday each January for filling vacancies on the board. That annual election's provisions in the by-laws include a nominating committee of at least five members appointed by the president at least 30 days before the election, with the committee to choose twice as many candidates as there are vacancies and file them with the president 15 days before the election. Other nominations can be made by stockholders for that election, either by filing the name with the president or from the floor at the stockholders meeting.

Auforth said it is surprising that the foundation's charter was granted as quickly as it was. The application was mailed from here last Friday.

The foundation was shooting for a goal of $25,000 by the time it was chartered and is nearing that figure, with about $21,900 now. The $25,000 was half the goal of money needed, but organizers of the foundation said the organization will start work with whatever money is raised.

The foundation now has between 200 and 300 stockholders, with shares ranging from one to 2,000. Shares are $1 each.

County Farmers To Vote On Controls

Wheat farmers in Scurry County and in other areas will vote tomorrow in the annual wheat referendum.

The polls will be open from 8 a.m. to 7 p.m. tomorrow at the Fluvanna Mercantile, Camp Springs church, Ira High School, Hermleigh High School, and the county Agriculture Conservation and Stabilization office.

In the referendum, wheat farmers will decide whether they want controls on wheat allotments. If a two-thirds national majority votes for controls, there will be a price support of not more than 75 per cent of parity. If the majority fails to vote for controls, the price support will be 50 per cent of parity and there will still be allotments, but there will be no penalty for exceeding the allotment.

Those eligible to vote are those who are interested in a farm which will have more than 15 acres of wheat. Wives can vote.

WASHINGTON (AP)—The Agriculture Department will hold a referendum tomorrow in which probably less than one-fourth of the affected growers will decide whether rigid federal controls will be continued on the 1958 wheat crop.

Officials estimated about 950,000 growers in wheat growing states will be eligible to cast ballots. On the basis of past referendums, the chances are that only a small fraction of the farmers will vote.

A year ago, 261,000 votes were cast. Of this number 228,000 or 87 per cent favored marketing quotas on this year's crops. Approval by at least two-thirds of those voting is required to make controls operative.

Quotas, in effect on wheat since 1954, limit sales to the quantity produced on 55 million acres alloted growers under a crop control law. Restrictions are authorized as one means of preventing over-production when surpluses exist.

Torrid Heat, Floods Cause 234 Deaths

By The Associated Press

Thunderstorms moved east in advance of a cold front today signaling a breakup of the season's most widespread heat wave.

Five days of broiling temperatures in the eastern half of the nation and floods in the midcontinent took at leas 234 lives. Most of the 206 heat casualties were drownings. Floods caused another 28 deaths.

The cold front was expected to pass across most of the Atlantic states area today, followed by cooler and drier air tonight and tomorrow.

Across the continent, however, Los Angeles braced for another scoreher after a record 104 reading yesterday—the hottest June 18 in the city's history. The weatherman predicted a high of 97.

A mass of cool air from Canada broke the torrid heat wave in the Midwest yesterday.

Early today, the cold air front extended along a line from Lake Erie to southwest Ohio, down to southeast Arkansas.

"Most of the hot, weather now is in the Atlantic Coast states," the Weather Bureau forecaster in Chicago said. "Temperatures will be in the 90s today, but by tomorrow night that cold front should just about end the heat wave in the East."

Another day of 90-degree readings would be the eighth straight day of midsummerlike weather for numerous cities.

Thunderstorms continued to boom along the demarcation line between cool and warm air.

Floods tapered off in southwestern Minnesota and eastern South Dakota.

The Redwood River, which caused heavy damage at Marshall Minn., and downstream communities, crested at Marshall and the water level began to drop. the water also was reported receding downriver at Redwood Falls, where the power plant had been knocked out.

The Big Sioux River, now as wide as a mile in some places instead of its normal 60 feet, caused millions of dollars damage along a 100-mile line in South Dakota. There were three dead and two missing.

TODAY'S MARKETS

FORT WORTH (AP)—Hogs 400; off 25; choice 20.00-20.25.

Sheep 4,900; lambs 50-1.00 lower; good and choice spring lambs 19.50-21.00; shorn 18.00-17.00; feeder spring lambs 18.00 down; aged wethers 12.00 down; ewes 6.00-7.00.

Cattle 2,400; calves 500; steady; medium to good steers, heifers 15.00-20.00; common 12.00-14.00; fat cows 13.00-15.50; good and choice calves 19.00-22.00; common to medium 14.00-18.00; stock steer calves 22.00 down; stock steer yearlings 22.00 down.

AUSTIN (AP) — Poultry steady. East Texas and Waco 2½-3¼ lb 21. South Texas 22.

NEW YORK (AP)—Cotton was 10 to 40 cents a bale lower at noon today. July 35.30, October 34.60, December 34.55.

CHICAGO (AP)—Butter 1,409,000; eggs 9,800; both unchanged.

Astronomers Search Mars For Water

FLAGSTAFF, Ariz. (AP) — Astronomers preparing for the age of space travel are prospecting for water and oxygen in Mars.

The search has barely started and has yielded little in the way of results. But two researchers today expressed optimism that these two life-giving elements can be found on the red planet.

The only way of finding these elements on a planet 60 million or more miles away is by spectrography. This technique detects chemical elements by the wave length of the light they produce when lit up by the sun or some other strong source of illumination.

A possible way of finding oxygen on the planet with a spectrograph was suggested to the International Mars Committee and the Astronomical Society of the Pacific by Dr. Robert S. Richardson of Mt. Wilson and Palomar observatories in California.

It could be done by mounting the instrument on a rocket and sending it up above the earth's atmosphere, Dr. Richardson said. This would eliminate the problem of separating earthy oxygen and Mars oxygen in spectrograph recordings made at the earth's surface, he reported.

Dr. Audouin Dollfus of Meudon Observatory in Paris, France, said spectroscopy also offers a possible way of finding water on Mars. He suggested a balloon-borne spectrometer to get the instrument above the water vapor of the earth's atmosphere for a direct look at the atmosphere of the red planet. Mars supposedly has some water but the amount is not known.

Passengers Are Injured

GRANTS, N. M. (AP)—About 38 passengers were bruised and shaken up last night when a freak accident slammed on the emergency brakes of the Santa Fe's westbound El Capitan streamliner.

No one was hurt seriously.

A railroad spokesman said about 14 miles east of Grants a loose tie plate flew up and severed the air brake hose on one of the cars. This automatically applied the emergency brakes. The four rear cars came uncoupled and then slammed back into the forward part of the train as it stopped.

A tie plate is an inch-thick piece of steel about 8 by 12 inches. It fits between the rail and a tie and is normally spiked to the tie.

The El Capitan resumed its Chicago-Los Angeles run about four hours late with all the passengers.

Service Held For Annie Ora Bolding

Funeral service for Mrs. Annie Ora Bolding, 81, was held Tuesday afternoon in te Dunn Methodist Church, with the Rev. Fred S. Cox officiating

Mrs. Bolding, who had lived in Dunn since 1905, died Monday in a Brownwood Hospital. She was a native of Johnson County.

She is survived by three sons, F. N. Bolding and Clyde Bolding of Dunn, and Luther Bolding of Stamford; three daughters, Mrs. Jack Byrd of Dunn, Mrs. Walter Wood of Cortez, Colo., and Mrs. Lois Gibson of Brownfield; a brother, Carl Ellis of Stephenville.

Twenty-three grandchildren and 35 great-grandchildren also survive.

A talking dictionary, with magnetic recording, is now available to the blind.

Another Club Shut Down In Galveston

GALVESTON (AP) — A seventh swank club was forbidden to operate illegally today in the attorney general's war on Galveston area vice.

The Balinese Room was placed under temporary injunction in District Court.

Its case was the second of nine on today's docket. Another involving the Esquire Club was postponed until later in the day because the defendant had not appeared as the hearings were resumed at 9:30 a.m.

Six other injunctions were granted yesterday by Judge Donald Markle. Asst. Atty. Gen. Cecil Rotsch, chief of the legal staff for Atty. Gen. Will Wilson's crackdown, told him the defendants had agreed not to contest the state's requests.

Rotsch said the state does not seek to close up the clubs entirely but only to shut down illegal operations.

The injunctions ordered the clubs to restrain from violating gambling, bawdyhouse and liquor laws or from operating for any illegal or unlawful purposes. Specifically the defendants were enjoined from maintaining their premises for gaming or as open saloons.

One case was continued until today. It involved the operators of the Ricksha Room.

The injunctions issued yesterday were against Victor Feritta, Anthony Feritta, Sam Serio, Edwin Llewellyn, Tom Feritta; Gulf Properties, Frank Maceo, president, operators of the Western Room; Louise Bird, operator of the Pirate Club; Buster Davis and Jean Davis, operators of Jean Davis' House near Texas City; and Mrs. D. A. Jones, operator of the Ranch House at Kemah.

Brewster Testifies In Contempt Trial

WASHINGTON (AP) — Frank W. Brewster testified in his contempt of Congress trial today that it was on advice of counsel that he refused to produce records and answer questions before the Senate Investigations subcommittee in January.

Brewster said his attorney, Samuel B. Bassett, told him the subcommittee was going beyond its powers.

Brewster, 60, chairman of the Western Conference of the Teamsters Union also said Bassett advised him subpoenas for the production of union records were so sweeping as to violate the Fourth Amendment guarantees against unlawful search and seizure.

Falls From Cliff

BROOKINGS, Ore. (AP)— Winnie Hapenstall, 73, prowling the oceanside looking for gold, fell off a 250-foot cliff yesterday and survived. The woman bounced only once or twice against the side in her fall.

HOSPITAL NOTES

The following admissions and dismissals at the two Snyder hospitals are only those whose names have been released by the hospitals.

BATTENFIELD-JONES

ADMISSIONS — Kathy Machen, route 3; Steve Eckert, route 1, Fluvanna; Mrs. Forres Young, Box 1581; Johnny Hernandez, route 2.

DISMISSALS — Robert Lomax, 1706 Avenue Q; Mrs. Floyd Jennings, Box 105, Ira; Mrs. A. A. Heath, 508 Thirty-second Street; Mrs. W. F. Owens, route 3; Milton Moore, route 1; Patsy Diggs, 301 Thirty-sixth Street; Susie McKleod, 2712 Avenue S.

COGDELL MEMORIAL

ADMISSIONS — Earl Lawson, 2605 Avenue Y; Betty Jean Justice, 401 Thirty-fourth Street; Mary Hicks, 2400½ Twenty-fifth Street; Nadine Groves, route 1; Lorene Crooks, Sun Pipe Line Camp; Mary May, route 2; Doris Duncan, 2707 Avenue L; Alberto DeHoyos, route 2; Luna Maude Bruton, 2524 Avenue R; Martha Moore, route 1; Randall Decker, Gail; Shirley Ronan, Box 967; Mollie Hart, Clairemont Route; Zoe Coomer, route 3; Andy Trevey, West Thirty-seventh Street; Cynthia Ann Murdock, Box 1436; Shirley Ann Ellis, 109 Browning.

DISMISSALS — Elizabeth Good, 2401 Thirtieth Street; Rosa Armistead, Box 1495; Patricia Jones and baby, Snyder; Connie Morton, 1907 Thirty-first Street; John Green, 201 Thirty-sixth Street; Jerry Bell, Andrews; Sherry Bell, Andrews; Bennie Hail and Baby, 2800 Avenue U; Araminta Watson, 1312 Avenue T.

BIRTHS

A daughter weighing eight pounds, three ounces was born at 4:07 a.m. today in Cogdell Memorial Hospital to Mr. and Mrs. John J. Ronan, Box 967.

Born at 2:15 p.m. yesterday in Cogdell Hospital was a son to Mr. and Mrs. Edward W. Duncan, 2707 Avenue L. Weight was eight pounds, seven ounces.

Mr. and Mrs. Ronnie Weber, 214 Thirty-second Street, are parents of a sox-pound, six-ounce daughter, born at 12:48 a.m. Sunday in Battenfield-Jones Hospital.

A daughter was born at 7:30 a.m. Sunday in Battenfield-Jones Hospital to Mr. and Mrs. W. F. Owens, route 3. Weight was 10 pounds.

Only Four Cats To Family Is Allowed

HILLSIDE, N.J. (AP)—Cat lovers in this town will have to content themselves with a maximum of four felines per household.

The Town Committee voted that quota last night. Earlier, they had planned to set the limit at two, but feline fanciers howled that this would be cat-astrophic.

The action was prompted by one citizen who complained that his neighbor owned 17 cats.

The first U.S. Post Office was opened in New York City on Nov. 28, 1783.

Sen. Byrd Challenges Claim Of Slash In National Debt

WASHINGTON (AP)—Sen. Byrd (D-Va) today sharply challenged claims of Secretary of the Treasury Humphrey that the Eisenhower administration has reduced the national debt and federal spending.

Byrd, chairman of the Senate Finance Committee, led off the questioning of Humphrey, first witness in the committee's long-heralded investigation of the nation's financial condition.

The Virginian said Humphrey, in his 50-page statement yesterday, stated the administration had cut both the debt and the rate of federal spending.

The facts, Byrd declared, are that the debt has gone up almost nine billion dollars since President Eisenhower took office, and spending has increased nine billion since the low point attained by the Republican administration in fiscal 1955.

The secretary's statement said "We have reduced the government debt" and "We have reduced government expenditures."

But he finally conceded today, under Byrd's prodding, that the committee chairman was correct in stating the national debt was increased from 265½ billion dollars in June 1953, to 274¼ billion now.

Humphrey said that "over the whole period" the debt has increased and his statement should be corrected on that point. In claiming a decrease, he said he meant that the debt now was lower than the high point of 280¾ billions in the Eisenhower administration and that the budget surplus in the last full fiscal year, 1956, had brought some reduction.

As to the claimed cut in federal spending, the secretary stuck by his guns.

Byrd said the administration's budget now being considered by Congress for fiscal 1958 should be listed at $73,600,000,000 instead of the usually stated $71,800,000,000. That is because $1,800,000,000 of highway spending included in previous budgets was listed outside the 1958 totals, he said.

Wiretapping Claimed In Hoffa Case

WASHINGTON (AP) — James R. Hoffa's lawyer today claimed evidence against him was obtained by wiretapping, but the government promptly denied it.

Hoffa, Midwest Teamsters Union boss, arrived half an hour early this morning for the start of his U. S. District Court trial. The government charges he bribed and conspired to plant a paid informer on the Senate Rackets Investigating Committee staff.

Hoffa's attorneys filed a motion to quash any government evidence obtained through wiretapping.

They also subpoenaed Atty. Gen. Herbert Brownell to testify on whether there have been any wiretapping authorizations to the FBI.

But the government promptly filed an answering motion to quash the Brownell subpoena. This contained a denial by Brownell that there has been any FBI wiretapping.

Hoffa's future as a Teamster leader largely hangs on the outcome of this trial.

Conviction probably would end his power; an acquittal likely would put him in line to become the next president of the Teamsters. But he also is under a federal wiretapping indictment in New York.

Ike Popular Drops

CHICAGO (AP) — President Eisenhower's popularity has declined because of opposition to his 71.8 billion dollar budget, Secretary of Commerce Sinclair Weeks said yesterday.

American Soldier Is Sentenced In Japan

OTSU, Japan (AP)—The Japanese District Court today sentenced an American soldier to 15 years imprisonment for robbing and murdering a Buddist priest.

The soldier, identified as Pvt. Randall B. Boyles, 24, Kenton, Del., was convicted of assaulting the priest last December, robbing him and tossing his unconscious body into Lake Biwa, where he drowned.

One Killed, Seven Hurt

HEREFORD, Tex. (AP)—A trucker blamed blinding dust from a road grader for a collision which killed an Oklahoman and injured seven persons yesterday.

Johnny Noyes, 36, of Tulsa died in a head-on crash near Hereford of his car and a grain truck driven by Roy Norman, 44, of Clovis, N.M., who was injured.

Another motorist, Walter Robbins Jr. of Alexander, Va., helped Norman from the wreckage. He said the trucker told him a cloud of dust was raised by a grader working on the edge of the highway.

Mrs. Noyes, 32, and a daughter, Brenda, 1½, were injured critically. Also injured were three Noyes children—Steven, 12; Dwight, 10, and Duane, 6—and Mrs. Anna Williams of Tulsa, mother of Noyes.

Things Get Little Rough

DALLAS (AP)—Harold Wynn, 30, an auto parts clerk, won't have many days worse than yesterday.

"When I got off work," he said ruefully, "I fell in a mud puddle on the way to my car. Then I ran into a steel casement window and ripped my shirt."

Next, in order, he related:

A city bus and Wynn's 1951 model car collided. The bus driver stopped and told Wynn his name.

Wynn waited for police. A second bus clipped the right rear of his car.

Still another bus struck the car minutes later.

Damage to Wynn's car amounted to $700, all but $50 from the first accident. Insurance coverage gave him some consolation.

Compounding his woes, Wynn was two hours late for a dinner date—at the home of his mother-in-law.

Strike Halts Ship

PARIS (AP) — The French liner Liberte was forced to delay its scheduled departure for New York today because of a strike by maratime engineers and mechanics of the Communist-dominated General Workers' Union.

Eat Plenty and Take Off Ugly Fat

Don't take chances with your health on a starvation diet. Why not reduce the sensible way—the Barcentrate way? Nearly seven million bottles of this remarkable product, sold in Texas in 15 years.

You eat plenty. Take Barcentrate and watch the fat, just seem to melt away. If the very first bottle doesn't show you the way to reduce, return the empty bottle for your money back.

Mrs. Ruby Hicks, 511 S. 17th, Temple, Texas, lost 33 pounds taking Barcentrate.

16-MILE HAUL — 4300 FEET UP — When Sheriff Cal Boies of Maricopa County, Arizona, sends his 4-wheel-drive GMC to his radio transmitting station on a mountain peak, one round trip deals out more punishment than a year's ordinary use.

IT CROSSES 3 MOUNTAIN CHAINS, wades through shifting sand, picks its way over boulder-strewn passes—goes where no sane horse would set foot. The deal includes climbing up a 65% grade. But—"It hasn't even breathed hard yet," says the Sheriff.

How tough could you make it for this GMC 4-WHEEL DRIVE?

You probably never would push a GMC truck this far.

But it's great to know that GMC's *can* do incredible jobs, beyond all normal requirements for their class—and still run longer, cheaper and with fewer repairs than other trucks.

Got some tough assignments for this GMC 4-wheel drive? It's just about the handiest truck ever built—goes anywhere, makes its own roads, has full traction in muck or deep snow, has clearance on high-crowned roads.

With a few accessories, it pulls stumps, drills postholes or wells, stretches fence, pumps water, hoists anything. It takes a king-size cargo and—in 2-wheel drive—gives you full road speeds.

The GMC 4-wheel drive is really two trucks in one—and it costs surprisingly little. Just ask your GMC dealer!

See your authorized GMC dealer!

PARTY HONORS AUTHORESS—Mrs. Kathryn Cotten, seated, author of "Saga of Scurry," a book of the history of Scurry County, was honored at a party at Martha Ann Women's Club at 9 o'clock this morning. An autograph party will be held at the store of Harold Bennett, seated right, Bennett's Office Supply, this afternoon. Hostesses standing from left are: Mrs. Florence Leftwich, Mrs. J. W. Clawson, Mrs. Roy Stokes, Mrs. H. J. Brice, Mrs. C. C. Miller, Mrs. W. R. Bell, Sr., Mrs. Henry Cotten, Dallas, daughter-in-law of the authoress, Mrs. B. D. Martin, Monahans, daughter, and Mrs. H. G. Towle. The party this morning was sponsored jointly by the Altrurian Club, Twentieth Century Club, and the Victory Bible Class of the First Methodist Church. (Lee Watson photograph)

YOU AND YOUR TEEN-AGER

By BEVERLY BRANDOW

Dealing with teen-agers is difficult for many parents because it presents a special problem. Adolescence is not any certain phase but a galaxy of phases and emotions, logical judgment and fantastic whims.

Adolescence is not childhood, but a strange mixture of both. "Aye there's the rub," as the old Bard would say. When you attempt to deal with the child, you may be scorned by the adult in your maturing offspring and when you attempt to reason with the adult in him you may be rewarded for your efforts by the childish reponse that is also much a part of him.

Growing up may be a natural process, but for many boys and girls it a difficult time for they, too, find it hard to deal with the two people within themselves and they are disturbed by their own indecision and new feelings toward people and life.

They may seem quite different to you now. "They just aren't the same people you may exclaim to your spouse, "I feel I hardly know them anymore."

Now is the time for you to prove your worth as parents and come through with some real honest to goodness help and understanding. Now is not the time for pettiness and jealousy, for unfounded criticism or fun poking. Nor is it a time to clutch onto the child with a death-grip and defy his right to maturity.

Your boy or girl may want to learn to drive the family car, to date, to learn to cook or to repair your automobile. This is normal. Help them adjust.

There may be after school phone conversations of giggles and long silences. Don't make fun. They are shy about their new feelings toward the opposite sex and comments by adults are pure anguish.

Sometimes they will come bubbling in with "scads of news." Listen. On other occasions they will ar without comment, seeking to relish every exciting or embarrassing moment of the evening in privacy. Aside from your usual question of, "Have fun?", don't invade that privacy.

In every way help your child find his adulthood. By opposing him in his need to grow up, you are opposing God, for adolescence is His will. As the Bible tells us, there is a planned time for everything. Adolescence is the time for bidding goodby to the familiarity of childhood and going forth into the new adventure of maturity.

NEWS FROM CUTHBERT

BY JULA GUNN

Mr. and Mrs. Jack Dunn gave a fish fry Friday evening for all employes at Lake J. B. Thomas. About 80 persons attended.

Susanna Taylor of Big Spring spent last week with her grandparents, Mr. and Mrs. Lewis Dunn.

Mr. and Mrs. M. C. Dunn went to Jal, N. M., last week for a visit with Mr. and Mrs. Bob Norred and son, Bruce. Bruce returned home with them for a lengthy visit.

Mr. and Mrs. Bobby Rhea of Colorado City spent Sunday with the Lewis Dunns.

Visitors in the J. C. Womack home for Fathers Day were Mrs. Womack's parents, Mr. and Mrs. J. C. Franklin of Colorado City, Mr. and Mrs. Jay Franklin and son of Midland, Mrs. Grace Everett of Big Spring, Mr. and Mrs. Jack Bass and Mr. and Mrs. Don Yarborough of Lubbock.

Toby Womack has returned from Veterans Hospital in Big Spring.

Counter Attraction

CASS CITY, Mich. (AP) — Seven teen citizens showed up at a village caucus to nominate candidates for local office. The same night a basketball game at Cass City High School drew a crowd of 500.

CONSTIPATED?

New laxative discovery un-locks bowel blocks

without gag, bloat or gripe

Constipation is caused by what doctors call a "thrifty" colon that, instead of retaining moisture as it should, does the opposite: robs the colon of so much moisture that its contents become dehydrated, so dry that they block the bowel; so shrunken that they fail to excite or stimulate the urge to purge that propels and expels waste from your body.

To regain normal regularity, the dry, shrunken, constipating contents of your colon which now block your bowel must be remoistened. *Second,* bulk must be brought to your colon to S-T-R-E-T-C-H STIMULATE it to action; to a normal urge to purge.

And, of all laxatives, only COLONAID, the amazing new laxative discovery possesses COLONAID'S great *moisturizing* capacity, *plus* COLONAID'S *stretch-stimulating* bulk. So effective it relieves even chronic constipation overnight, COLONAID is yet so smooth, so gentle it has proved safe even for women in critical stages of pregnancy.

Superior to old style bulk, salt or drug laxatives, COLONAID neither gags, bloats nor gripes; won't interfere with absorption of vitamins and other valuable food nutrients; in clinical tests, did not cause rash or other reactions.

It's a physiological fact: Exercise tones your body! And COLONAID exercises your colon to tone it against constipation, overnight! Get COLONAID, in easy-to-take tablet form at any drug counter, today! Only 98c for the 60 tablet package, brings positive relief at less than 2c per tablet.

Former Snyder Resident Is Wed Sunday In Tarzan

The First Baptist Church of Grandfalls was the scene of marriage rites read for Miss Latrell Elrod and Benny Welch of Tarzan, Tex. at 3 o'clock Sunday afternoon. The Rev. C. B. Harper, pastor of the church, officiated for the double ring vows.

Parents of the couple are Mr. and Mrs. D. O. Elrod of Grandfalls and Mrs. Mattie Welch of Tarzan.

Cathedral baskets of white gladioli decorated the altar setting.

Mrs. Chester Taggart of Grandfalls presented a pre - nuptial recital of wedding music on the organ and accompanied Russell Collins of Brownfield when he sang "Memory of Love" before the ceremony, and "The Lord's Prayer" as a benediction.

The bride, escorted to the altar by her father, wore a waltz-length bridal gown of white nylon tulle over taffeta and layers of net. The dress, fashioned with a full skirt, featured a close fitting shirred bodice with a sweetheart neckline and off the shoulder cap sleeves. The shoulder length illusion veil was attached to a tiny net cap trimmed in velvet flowers and seed pearls. She wore white net gaunlets and carried a white lace - covered Bible topped with white carnations and a cascade of lily of the valley.

Miss Freddie Sawyer of Lamesa was maid of honor. Her dress was pink tulle over taffeta trimmed in lace, designed with a fitted bodice and full skirt. She wore a pink picture hat and carried a pink carnation bouquet.

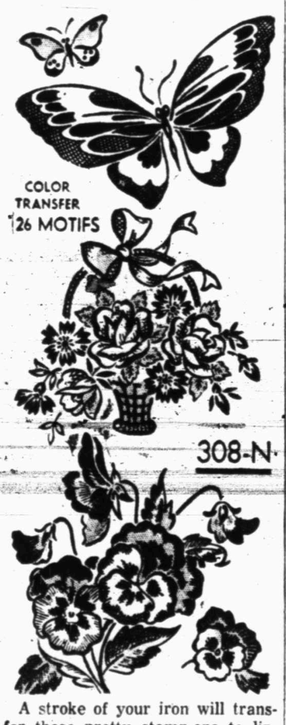
Charlie Welch of Tarzan, brother of the bridegroom, was best man, and the ushers were Don Jones of Courtney and Kenneth Elrod of Grandfalls, brother of the bride.

A reception in the church social center honored the couple after the vows. Miss Beverly Dean of Lamesa presided at the bride's cake and Miss Marilyn Hunt of Grandfalls poured the punch. Mrs. Glynda Tunnell, sister of the groom from Tarzan, registered the guests.

For her wedding trip to Cloudcroft, N.M., the bride chose a two-piece orchid ensemble with white accessories and a corsage of white carnations. Mr. and Mrs. Welch will live in Tarzan where he is engaged in farming.

The bride attended school in Snyder and graduated from Dawson High School at Welch. She attended Sul Ross College before taking a position in the Agricultural and Stabilization office in Midland. After graduating from Stanton High School, Mr. Welch attended Howard County Junior College in Big Spring. Both in high school and in college, he was an outstanding member of the basketball teams.

Color Magic!



A stroke of your iron will transfer these pretty stamp-ons to linens or wearables changing them into lovely to own items. No. 308-N has color transfer; directions.

Send 25 cents in coins for this pattern to MARTHA MADISON, care of Snyder Daily News, Box 438, Midtown Station, New York 18, N.Y.

NEWS FROM DUNN

By ELWANDA STEWART

Vacation Bible school closed Friday evening at the Dunn Baptist Church. Enrollment was 44.

James Bowers of Snyder visited George Bowers Friday.

Mrs. W. E. Wade, Mrs. Harold Wade, and Mrs. L. E. Russell made a business trip to Colorado City Friday.

Rita Johnston of Snyder visited Mrs. and Mrs. Marcus Johnston Friday.

Mrs. H. E. Rosser and Hilton Lambert visited Mr. and Mrs. James Stewart Friday night.

Carol and Jimmy Stewart attended a party in the home of Mr. and Mrs. Jess Rogers in Snyder Friday night. Mr. and Mrs. Rogers were celebrating their 25th wedding anniversary. Others attending were Mr. and Mrs. Oran Wilson of Snyder and John Moore of Munday.

Mr. and Mrs. Adrian Harvey and Mrs. Bettie Smith visited in Sweetwater Saturday.

Mr. and Mrs. Robert Chambers and children of Colorado City visited Mr. and Mrs. Lee Roy Craighead Sunday.

Linda and John Stewart are visiting their grandparents, Mr. and Mrs. J. O. Spear, in Weatherford. They were accompanied there by Mr. and Mrs. J. V. Robinson and Joe Franklin of Snyder, who visited her parents, Mr. and Mrs. Cox, near Dallas.

Ladies of the Dunn Church of Christ met Monday morning and painted the interior of the recently - remodeled parsonage.

Mr. and Mrs. D. D. Smith spent the weekend with his daughter, Mrs. Johnnie Wemken and family, in Friona.

Mr. and Mrs. R. D. Sherrod of Snyder visited Mr. and Mrs. George Bowers Sunday.

The Thomas Jefferson Memorial in Washington, D.C., now has an air conditioning unit to heat and cool interior rooms.

WOMEN

ENGAGEMENT IS ANNOUNCED HERE

Mr. and Mrs. R. M. Anthony of Abilene have announced the engagement and approaching marriage of their daughter, Gussy Oneita, to Bob W. Wilson, son of Lee Wilson and the late Mrs. Lee Wilson of Custer City, Okla.

Miss Anthony is a 1951 graduate of Snyder High School. She is now employed by Southwestern Bell Telephone Co. in Abilene. The prospective bridegroom is employed by Parker Food Store in Burkburnett.

Date of the wedding is to be announced later.

Ice Cream Supper Is Scheduled By Church

An "old fashioned" ice cream supper has been scheduled for Friday night at the First Presbyterian Church.

The event is sponsored by the Westminster Fellowship of the church. Dishes will be 10 cents for ice cream and 15 cents for cake, both homemade.

The supper is scheduled for 7 p.m. Friday on the lawn at the church.

Water Test

Excessive alkaline in an outdoor fish pool will kill the fish. To test the water, drop a piece of pink litmus paper in it. If it turns blue, the water is not safe for the fish. If it remains pink, the water is safe.

Be Cool As Ice

IN this feminine afternoon style, created expressly for the not-so-tall woman. If you like, add a row of buttons down the front.

No. 1484 is in sizes 12½, 14½, 16½, 18½, 20½, 22½, 24½. Size 14½, 33 bust, cap sleeve, 5¼ yards of 35-inch.

Send 35c in coins for this pattern to IRIS LANE, (care of Snyder Daily News), Box 438, Midtown Station, New York 18, N. Y.

For More Fun in the Sun

Berry To Play In Greenbelt Bowl

All-District quarterback, Powell Berry, has been selected to play in the 8th Annual Greenbelt All-Star game to be played in Childress in August 16th. Powell a 3 year letter plays both offense and defense.

Powell was selected from over 100 graduating seniors, representing 19 schools in Texas and Oklahoma, nominated by their coaches. Powell will be coached in the game by Coach G. R. Gillstrap of Arlington State College. Gillstrap will coach the 24 star players selected for the "East" team.

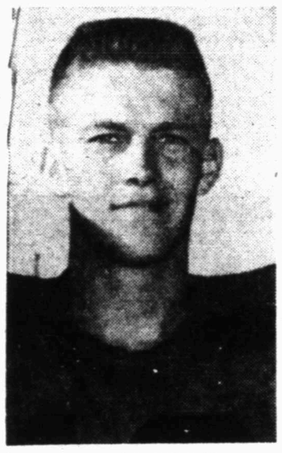
Berry will report to Childress on August 11th to begin a week of conditioning and practice before the big Friday night event. In addition to game practice he will participate in the election of the Greenbelt Bowl Queen and will be a guest of the city during the week.

Berry was the total offense leader for the District 3-AAA champion Tigers last fall, gaining 1,169 yards rushing and passing.

Berry gained a net of 501 yards rushing and 668 yards passing on 33 completions in 72 attempts.

Berry also handled the Tiger punting duties and had a very fine punting mark at 39.2 yards per kick on 28 attempts.

The Tiger signal caller was the second leading Tiger scorer last fall with 42 points.



POWELL BERRY
. . .to play in all-star game

WANTED: GIRL SOFTBALLERS

All girls between the ages of 9-17 who are not playing softball on one of the league teams here and who would like to play, are invited to attend the workouts of the Legionettes today.

The workout will be held in the southwest corner of Towle Park, starting at 5:30.

Bill Engler, the Legionette manager, says uniforms for the team and all other equipment are available.

The Legionettes will open play in the Scurry County Girls League July 1.

HAM SIGNS—Milton Ham, star athlete for the Tigers the past three years, is shown submitting his signature to a "Letter of Intent" to attend TCU while his parents, girl friend and a TCU coach look on. From left to right are Mr. and Mrs. R. E. Ham, 513 Thirty-second Street, Ham, Miss Joan Miller and Allie White, a member of the TCU coaching staff. The TCU letter called for a four-year football scholarship. The signing ceremony took place at the Ham residence last night. (Lee Watson photograph)

Milton Ham Signs TCU Grid 'Letter'

Milton Ham, the Tigers' all-state end last fall, will further his football career at Texas Christian University.

Ham last night signed a "Letter of Intent" to attend TCU on a four-year football scholarship.

Here to get Ham on the "dotted line" was Allie White, a member of the TCU coaching staff and the chief Frog recruiter in the West Texas area.

Ham becomes the second Tiger to sign a TCU letter in as many years. Jack Spikes attended TCU last fall and was voted the outstanding freshman in the Southwest Conference.

Ham signed last night in the presence of his parents, Mr. and Mrs. R. E. Ham, 513 Thirty-second Street, his girl friend, Miss Joan Miller, and White.

Ham has just completed duties with the Tiger baseball team which swept to the district, bi-district and regional championships. The Tiger nine went on to the state tournament in Austin where they finished third, beating Garland, 1-0, for third place honors. Ham scored the only run against Garland.

The all-around Tiger athlete will also play baseball at TCU although he won't be required to as his scholarship calls only for football.

Ham was an all-district choice in both football, basketball and baseball his final two years at SHS. He led the Tigers in scoring in football and basketball this past year.

In football, Ham scored 63 points on 10 touchdowns (all on pass receptions), a safety and one extra point. Ham scored 381 points in basketball to lead the Tiger scoring for the second straight year.

BEATS RED-HOT TIGERS, 2-1

Shantz Well On Way To 'Comeback Of Year' Award

By ED WILKS

Bobby Shantz, well on his way in what may be the comeback of the year in the American League, is just what Casey Stengel had him pegged for—the little guy who could knock off the big guys for his New York Yankees.

The Yankees were chest high in pitchers and confidence when they picked off Art Ditmar and Shantz from Kansas City in that February deal. Ditmar figured to be the key man—but Ol' Case wore a wink when he talked of "that little feller" with the sore arm.

Sore arm or no, Shantz had a winning lifetime record against Chicago (11-9) and Detroit (10-4), and was a respectible 8-13 vs. Cleveland considering he was working for the second division A's. Those were the clubs most likely to give the Yankees trouble.

So now Shantz is the Yankee ace, replacing the ailing Whitey Ford. He leads the AL in percentage with an 8-1 record, and has a runner-up 1.87 earned run average.

Last night he cut the Tigers' winning string at five games with a 2-1 victory as second-place New York won its fifth in a row and edged within 2½ games of first-place Chicago, beaten 2-1 at Baltimore.

Cleveland replaced Detroit in third place, beating Boston 7-6. And Kansas City gained its first shutout victory as Ralph Terry, acquired in the most recent Yankee deal, and Virgil Trucks beat Washington 2-0.

Trades figured in the National League race too. Right-hander Ray Crone beat his ex-Milwaukee mates 5-4 with a neat relief job for the New York Giants. The Braves kept a one-game lead, however, as Pittsburgh belted St. Louis 8-1. Philadelphia gained a share of second with the Cards, defeating Chicago's Cubs 7-6.

The Brooklyn Dodgers also moved within a game of Milwaukee, three points behind the Cards and Phils, by swamping Cincinnati 7-0.

Shantz tossed a seven-hitter, struck out six and walked only two. Rookie second baseman Bobby Richardson drove in both runs off Billy Hoeft, who lost his fourth. The 25-year-old southpaw, a 20-game winner last year, defeated the Yankees 4-1 for his only 1957 success.

Jim Busby, acquired in a trade with Cleveland last week, was credited with both Oriole RBIs and had two of the four singles given up by loser Billy Pierce (10-4). Pierce's wild peg to second on a force-out try set up Busby's RBI single in the first inning, and Billy then walked Busby with the bases loaded in the seventh. George Zuverink won his seventh in relief.

Chico Carrasquel, Vic Wertz, Rocky Colavito and Roger Maris homered for the Indians. Jensen smacked a three-run homer in the ninth for the Red Sox. Ray Narleski saved a fourth victory for Bob Lemon, making his first start since a May 24 leg injury.

The Braves managed only three hits in Crone's six-inning shutout job. Warren Spahn lost his fourth in a three-run Giant sixth inning.

Right-hander Art Swanson, who had worked only 24 innings since signing a bonus contract with the Pirates in 1955, had a two-hit shutout for eight innings and finished with a four-single job on the Cards for his first major league start and victory. Virdon drove in three runs with his homers, both off loser Larry Jackson.

The Phils got all their runs on Rip Repulski's three-run homer and rookie Harry Anderson's first major league grand-slammer. Jim Hearn won it—his 100th in the majors, but first since last August—in relief of rookie ace Jack Sanford.

IN CITY LEAGUE

Snyder Furniture Takes Over Lead

Snyder Furniture took over sole possession of first place in the City Baseball League last night with a resounding 14-1 victory over the Blue Sox at Towle Park.

The Furniture win gave them a 5-2 record, one-half edge over Hermleigh and Sun Oil, who are tied for second place with 4-2 records.

Carroll Lee went the distance last night to lead the Furniture team to victory, scattering four hits over the route. The lone Sox run was unearned.

Joe Reaves and Tommy Prichard, members of the Tiger baseball team this past spring, led the Furniture batting attack last night. Reaves pounded out three hits and walked twice for a perfect night at the plate.

Prichard collected two hits and drove in four runs. Prichard slammed a two-run single in the third for the first two Furniture runs an then followed up with a two-run triple in the fifth.

Bill Clark led the Blue Sox with 2-for-2.

The Furnituremen put together two six-run innings in the third and fifth, to turn the game into a route. The game was called after six innings because of the league curfew.

Early Cardinal Attack Beats Black Sox, 12-9

The V.F.W. Cardinals defeated the Police Department Black Sox, 12-9, in the Scurry County Girls Softball League last night at the high school field.

The Cards scored all their runs in the first inning and then held on for the victory.

Next on tap in the Girls League will be a doubleheader Thursday night at Towle Park. The Kiwanis Blue Jays will meet the Black Sox in the first game at 7 with the Cardinals and Fire Department Fireballs to follow.

Texettes In 7-5 Win Over Coahoma

The Snyder Texettes eked out a 7-5 decision over Coahoma at Coahoma last night.

Juanita Farren was credited with the pitching victory.

Pat Bullard slammed a home-run for the Texettes.

The Texettes will meet Tahoka next Friday at the high school field here, starting at 8.

The Texettes season record now stands at 2-2.

Temple Player Is Suspended

ABILENE (AP)—Bill Patriss, third baseman of the Temple Redlegs in the Big State League, is serving a 3-day suspension for bumping and cursing umpire Ray Maxcy.

UNDER ANTI-TRUST LAW

Baseball Stands To Be Set Back--Frick

WASHINGTON (AP) — Baseball Commissioner Ford Frick said today Congress would "threaten the foundations of the national game" if it placed baseball under federal antitrust laws.

Frick said such action would result in endless lawsuits, "uncertainty and chaos for players and clubs" and public suspicion of the "honesty of a game no longer allowed to regulate itself effectively."

In a statement prepared for a House antitrust subcommittee, Frick added that if antitrust legislation were applied to the national pasttime:

"I do not see better baseball, or lower admission prices, or better ball parks, or anything better for the fan. In short I see baseball set back 50 years."

Frick was the star witness as the subcommittee again took up its investigation of the status of professional team sports under antitrust laws. The Supreme Court has ruled baseball is exempt from the Sherman Act to curb monopolies but that football and boxing are covered. It has indicated the baseball decision likewise would not carry over to other team sports.

George M. Trautman, president of the minor leagues, was on call after Frick. He was expected to back up the commissioner's testimony.

Rep. Herlong (D-Fla) previously told the subcommittee the minors would suffer along with the majors if Congress took away baseball's antitrust immunity.

Frick mentioned the proposed shift of the National League's Brooklyn and New York franchises to Los Angeles and San Francisco, and said present big league rules will "facilitate" expansion.

He prophesized a third major league will develop "in the foreseeable future" and said:

"The log jam which prevailed in major league status for 50 years has been broken and predict that a good many changes are in the offing."

CUBS, YANKEES LEAD

LL Play Reaches Midway Point

Play in Snyder's two Little Leagues reached the halfway mark last night when three games were unreeled. One of the games played last night was a make - up affair.

The West Texas State Bank Athletics defeated the Trinity Methodist White Sox in the make - up game, 9-1. This game completed the make-up games in both leagues.

In the regularly scheduled games last night, the Lions Club Cubs defeated the Quarterback Club Giants, 11-1, in the National League while the Holder Construction Indians surprised the Legion Yankees, 11-8, in the American League.

The Cubs, in winning, held on to first place in the National League standings. Despite the loss, the Yankees are still atop the standings in the American.

In the opening game of last night's triple - header, Dalton Walton spun a three - hitter to lead the Athletics past the White Sox. Ygnacio Benitez hurled four - hit ball for the White Sox but the A's took advantage of 10 bases on balls and three Sox errors to do most of the damage.

Dean Howard hit a grandslam homer for the Athletic in the third to ice the decision.

The Cubs opened their attack early in subduing the Giants, denting home plate eight times in the first inning and then coasting in rest of the way.

Stuart Long held the Giants at bay until the sixth when the Quarterbackers erupted to score five runs.

Drew Bullard led the Cubs' 11-hit attack with three-for-four. The win gave the Cubs a 7-2 record and first place through the first half of play. The Cubs lead the Rotary Cardinals by one game.

The Indians, too, went to work early in disposing of the Yankees in the final game of the night. The Tribe scored six times in the first inning and then added two in the second and three in the third. The Yanks pecked away at the lead but could never catch up.

Gary Rains led the Indians with three-for-four. The Yanks got eight hits with four players getting two apiece, Darrell Aldridge, Eddie Kirby, Bruce Brooks and Pat LaFountain.

Trans-Miss Opens Today In Dallas

By HAROLD V. RATLIFF

DALLAS (AP)—Reed-thin Charley Coe of Oklahoma City, one of amateur golf's greatest winners, opens defense of his Trans-Mississippi championship today against a field that features eager, hot-shooting collegians.

Coe, former National Amateur champion and four times winner of the Trans, doesn't have to worry about the college boys in his first match. He meets Chuck Dresser, Houston oilman who formerly lived in Oklahoma City. But the collegians are scattered through the ranks and it won't be long before silent Charley has to take one on—if he gets by Dresser.

That he is favored to do because Dresser was well down the list in qualifying with a five-over-par 76. Coe didn't have to qualify since he's the champ.

Jack Moore, tall young Oklahoma University sophomore, won medalist honors with his 66 shot in the first batch of qualifiers Monday. Rain swept the 6,706-yard Brook Hollow Golf Club course yesterday and the best the boys could do was a one-over-par 72, by Jim Hiskey, University of Houston crewcut from Pocatello, Idaho, and a 73 by Jerry Pittman of Tulsa, Okla., Southwest Conference champion from Southern Methodist.

Moore, champion of the Big Seven Conference, gets Bradley Smith of Dallas as his first foe. Smith had a 77 in qualifying—one stroke better than the cutoff of 78.

Second in the qualifying was Willard Crenshaw, Dallas veteran, who had a 70 Monday.

Tied at 72 were Cy Northrup of Owatonna, Minn., Lamar Tech College; Rockey Thompson, Wichita Fallas, Tex., high school boy; Dick Whetzle of Dallas and Bill Eschenbrenner of Fort Worth, both North Texas State College stars, and Hiskey.

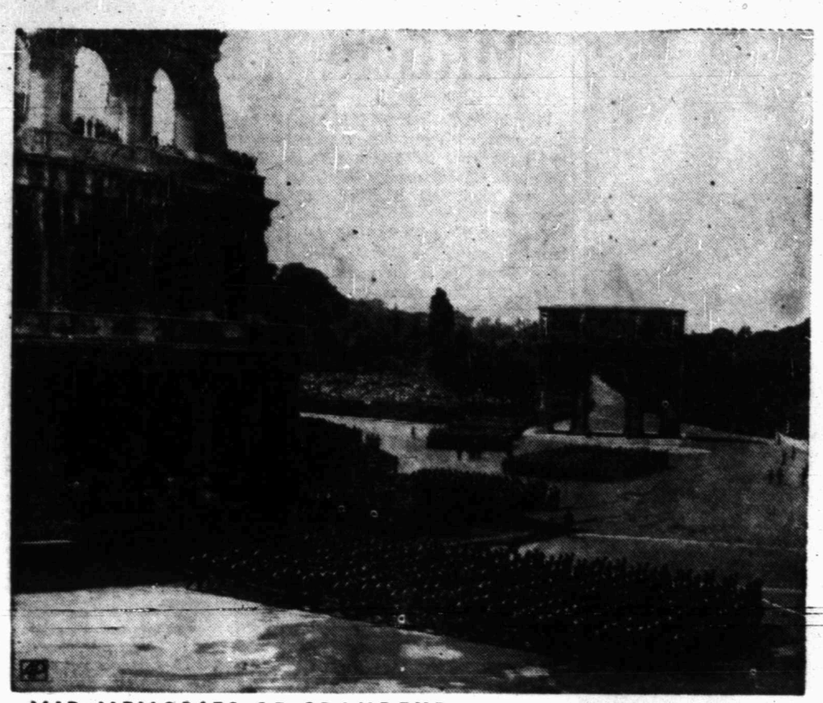
ASSOCIATED PRESS NEWS IN PICTURES



MID-MEMORIES OF GRANDEUR — Massed troops march past Rome's ancient Colosseum in parade marking 11th year of Italian Republic. Arch of Constantine is in background.

PACIFIC PUFF — The guns of the Pacific Fleet appear to have something in common with Broadway as a smoke ring forms above the USS Philip during gunnery competition off Oahu.

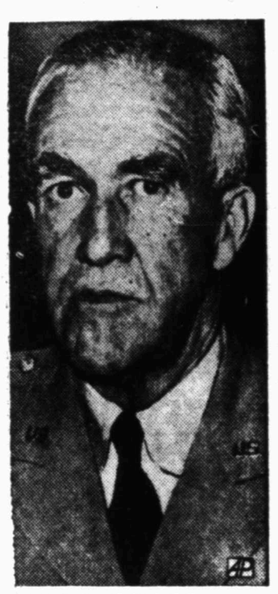
PLANTED BANNER — This floral flag, composed of 50,000 plants, is seasonal attraction at Roger Williams Park in Providence, R.I. It measures 11 by 14 feet with 20-foot staff.

NEW ARENA — If you have trouble recognizing the gunman, it's former heavyweight champion Rocky Marciano, playing part of a smuggler, for a filmed TV series.

BOUNCING HIGH — This competitor steels himself for inevitable bump after negotiating Ballaugh Bridge during International Tourist Trophy motorcycle race on the Isle of Man.

ONLY MAKE-BELIEVE — Gary Cooper just fiddles around while his partner, Maurice Chevalier, takes a bow the hard way during their musical stint at a Paris press reception.

SERGEANT'S NIGHTMARE — More drill is indicated for these Guardsmen as they march at London's Horse Guards' Parade during rehearsal for Trooping the Color ceremony.



AREA CHIEF — Maj. Gen. Robert M. Cannon has been named as commander in chief of the U.S. Army in the Pacific area to succeed Lt. Gen. Blackshear M. Bryan.

RED ROSE — Clara Antonelli, 21-year-old student, is reportedly top pin-up girl among soldiers behind Iron Curtain. She won title of "Miss Red Army" at Communist festival in Rome.

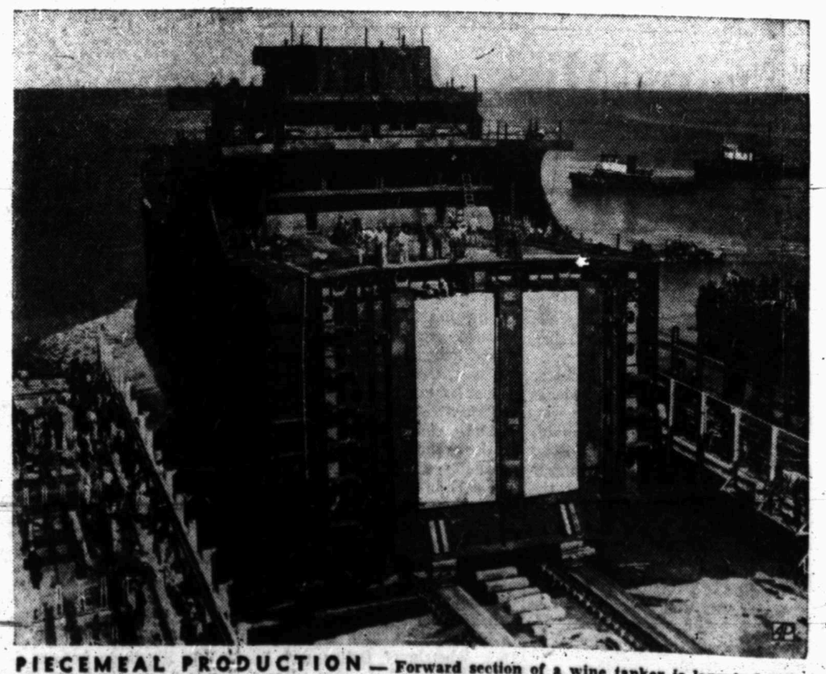
CHOSEN — Dr. Gunnar Gundersen, 60-year-old La Crosse, Wis., surgeon, is the president-elect of the American Medical Association. He takes office in June, 1958.

FRUIT OF HIS LABORS — Roy O. Jacobson, retired carpenter and admirer of Abraham Lincoln, views his miniature replica of the village of New Salem, Ill., where Lincoln spent six years. Jacobson, after 22 years of work, completed project in Bellflower, Calif.

DRAMATIC PERCH — Sir Laurence Olivier and wife, Vivien Leigh, make friends with pigeons in Venice where they made their Italian debut in Shakespeare's "Titus Andronicus."

TRADITION OF SERVICE — Three generations of West Pointers gather at the Military Academy for graduation of Frederick Smith III. With him are his father, Lt. Gen. Frederick Smith Jr., '29, and grandfather, Maj. Gen. Frederick Smith, '03, (Ret) of Hampton, Va.

PAST AND PRESENT — Princess Liliane, wife of King Leopold of Belgium, helps nine-month-old daughter, Princess Marie-Esmeralda, tickle bust of ancestor in Leuken Palace.



PIECEMEAL PRODUCTION — Forward section of a wine tanker is launched at San Francisco shipyard. The section was towed to nearby drydock to be welded to completed stern.

WASHBURN TRIAL OPENS—Harry L. Washburn, center, whose conviction of the "mistake" booby trap slaying of his former mother-in-law was reversed on appeal, confers with his attorneys, Charlie Tessmer, left, of Dallas and Clyde Vinson, right of San Antonio at the opening session of Washburn's new trial in Dallas. He is charged with the January 1955 car-bombing killing of Mrs. Helen Harris Weaver in San Angelo, Tex. Washburn was convicted in a widely publicized trial which was televised from the courtroom in Waco in December 1955.

Farouk's Belongings Are Auctioned Off

CAIRO (AP) — The Egyptian treasury has realized another 82,000 pounds ($234,000) from a five-day auction of personal belongings ex-King Farouk left behind when he went into exile.

Sale of the 1,016 items — ranging from goggles to emeralds and diamond-encrusted cups — ended yesterday.

LEGAL NOTICE

AN ORDINANCE ENACTED BY THE BOARD OF DIRECTORS OF THE COLORADO RIVER MUNICIPAL WATER DISTRICT, UNDER THE POWERS AND PROVISIONS OF CHAPTER 8, TITLE 128 OF THE LAWS OF THE STATE OF TEXAS; DECLARING IT UNLAWFUL TO ANCHOR ANY RAFT OR FLOAT MORE THAN FIFTY (50) FEET FROM THE SHORE LINE OF LAKE J. B. THOMAS AN IN FRONT OF LOT OWNED OR LEASED BY RAFT OR FLOAT OWNER, UNLESS RAFT OR FLOAT IS OCCUPIED; DECLARING IT UNLAWFUL TO INSTALL, KEEP, USE, OR MAINTAIN UPON THE WATERS OF LAKE J. B. THOMAS ANY FLOAT OR BOUY MADE OR CONSTRUCTED OF METAL, GLASS OR WOOD, AND LISTING CERTAIN EXCEPTIONS; MAKING IT UNLAWFUL TO ANCHOR OR MOOR ANY BOAT, TROTLINE OR OTHER FISHING APPARATUS TO ANY FLOAT OR BOUY BELONGING TO THE COLORADO RIVER MUNICIPAL WATER DISTRICT; MAKING IT UNLAWFUL TO THROW OR DISCARD INTO THE WATERS OF LAKE J. B. THOMAS ANY CAN, BOTTLE, RUBBISH OR WASTE MATTER OF ANY KIND; REPEALING ANY ORDINANCE OF THE COLORADO RIVER MUNICIPAL WATER DISTRICT IN CONFLICT WITH THIS ORDINANCE; PROVIDING CERTAIN PENALTIES FOR THE VIOLATION OF THIS ORDINANCE; PROVIDING FOR THE LAWFUL PUBLICATION OF THIS ORDINANCE; AND FIXING THE TIME AT WHICH THIS ORDINANCE SHALL BE IN FULL FORCE AND EFFECT.

BE IT ENACTED AND ORDAINED BY THE BOARD OF DIRECTORS OF THE COLORADO RIVE MUNICIPAL WATER DISTRICT.

ARTICLE I.

It shall be unlawful to anchor any raft or float upon the waters of Lake J. B. Thomas at any place other than at any point within fifty (50) feet from the water's edge and between a projection of lot lines of a lot or lots owned or leased by the owner of such raft or float; except that any raft or float may be anchored at any place not otherwise prohibited, upon the waters of lake J. B. Thomas so long as such raft or float is occupied or attended by any person or persons of the age of fourteen (14) years or older.

ARTICLE II.

It shall be unlawful for any person to install, keep, use or maintain any bouy, float or marker in the waters of Lake J. B. Thomas made of metal, glass or wood, except that it shall not be unlawful for the Colorado River Municipal Water District to install, keep, use or maintain bouys, floats and markers made of metal, glass or wood upon the waters of Lake J. B. Thomas, for the purpose of marking areas restricted for reasons of safety and for sanitation.

ARTICLE III.

It shall be unlawful for any person to anchor, moor or otherwise affix to any bouy, float or marker belonging to the Colorado River Municipal Water District, any boat, trotline or other fishing apparatus or device whatsoever.

ARTICLE IV.

It shall be unlawful for any person to throw, discard or discharge into the waters of Lake J. B. Thomas any can, bottle, rubbish or waste matter of any kind.

ARTICLE V.

All ordinances or parts of ordinances in conflict with this ordinance, or any part hereof, are hereby repealed but only to the extent of such conflict.

ARTICLE VI

The doing of any act forbidden to be done by this ordinance, or the failure to do any act required by the provisions of this ordinance, shall be deemed to be a misdemeanor, which, in case of a lawful conviction thereof, shall be punishable by the infliction of a penalty to be a fine of not more than $200.00, together with the costs of court; provided the fine and costs of court may not exceed $200.00. The fines collected hereunder, insofar as may not be required for payment of the costs of court, shall be payable to this District and shall be credited to its maintenance fund. In case of the assessment of a fine hereunder and the refusal or inability of the guilty persons to discharge any such fine, together with the court costs incurred by reason of the prosecution of the offense, upon order of the Board of Directors of this District, any such person shall be committed to the County Jail to serve out such penalty at the same rate of credit as would be done to him in case of conviction of a misdemeanor under the laws of Texas. The penalty hereby authorized shall be in addition to any other penalty provided by the laws of Texas, or by the laws of the United States of America, and may be enforced or imposed under complaints filed by the District, its peace officers, or any other interested person, in any appropriate Court of jurisdiction. It further is provided that the provisions of this ordiance shall be in full force and effect five (5) days after the second publication of the notice of this ordinance, as requisted by chapter 8 of title 128 of the Law of the State of Texas, and ignorance of any provision of this ordinance, after such publication, shall not constitute a defense to the prosecution for the enforcement of a penalty by this ordinance provided; and, the provisions hereof, after such publication, shall judicially be known to the courts and shall be consirered of a nature like unto that of valid penal ordinances of a city or of the state.

As evidence of the enactment hereof on this 5th day of June, 1957, witness the signing hereof on this day by Robert T. Piner, as President of the District, and the attesting hereof by Joe Pickle as Secretary of the District, with the imprinting of the District's Seal.

Signed,
ROBERT T. PINER
President

Attest:
JOE PICKLE
Secretary

ADULTS TAKING PIANO classes three nights a week at Snyder High School have filled three classes, with about 75 enrolled. Last night was the last time adults could enroll, since any starting later would be too far behind. Classes are on Monday, Tuesday, and Thursday nights, with three classes nightly. Closed circuit television is being used for the instruction. Here, Bob Clinton, instructor, leads a class in learning timing of music. (Lee Watson photograph)

OVER TEXAS

Planting Time Running Out

AUSTIN (AP)—Hot, open weather kept tractors humming from dawn to dusk last week over a large part of Texas, the U.S. Department of Agriculture said yesterday.

"Farmers rushed rain-delayed combining, planting, cultivation and haymaking" in dry spots as planting time was running out, the Department said.

Summer range and pasture feed—and tough weeds—were growing with the increasing temperatures and ample moisture, the report said.

"Green feed is plentiful in all areas except in Trans-Pecos and all livestock were in good condition," the USDA said. "Sheep shearing was being rushed."

The hot, open weather allowed ginning of the first 1957 bale of cotton in the lower Valley June 12.

Some central and low Rolling Plains county farmers were slowed down during midweek when rains fell; but the weekend open skies allowed field work.

Rice planting was practically completed with earlier planting up and making good growth.

Lots of hay was baled, although weather had continued a little too long for oats as in the low Rolling Plains and blacklands. Much of that crop was down and can only be salvaged by grazing or turning over.

Cotton made good progress but was late except in West and South Texas. Planting was pushed in North Texas, the low Rolling Plains and in unplanted and washed out High Plains areas. Fully three-fourths of the acreage was planted in some low Rolling Plains counties during the week.

Watermelons continued to make fair growth. Considerable tomato acreage was scattered through northwestern counties to furnish production for nearby markets from early July into August. Harvest of East Texas tomatoes is expected to continue through June.

Pastor Will Be Installed Here Tonight

A special service will be held at 7:30 o'clock tonight at the First Presbyterian Church for the installation of its new pastor, the Rev. R. Charles Spivey.

Rev. Spivey recently came here from the Heights Presbyterian Church at Houston, succeeding the Rev. Julian T. Hendren as pastor here.

In connection with the service, a covered dish supper will be held at the church at 6:30 p.m. for the congregation. The supper was scheduled in honor of visiting ministers.

The installing committee was appointed by the Abilene Presbytery. Members of the committee include the Rev. Harry Sarles of the Central Presbyterian Church of Abilene, to preside and ask installing questions; the Rev. Jerry Boles of Stamford, to preach the installing sermon; the Rev. Clinton Edwards of Post, to give the charge to the minister; and the Rev. Ralph O'Dell of Brownfield, to give the charge to the congregation.

Warning On Radar Station Is Sounded

ALBUQUERQUE, N.M. (AP)—Justice of the Peace Lorenzo C. Duran, 38, was charged with disorderly conduct here when he allegedly tried to warn motorists of a police radar speed station after he had been caught in it a few minutes earlier.

Police said Duran was issued a speeding citation after being clocked at 36 miles an hour in a 25 mile an hour zone.

A few minutes later he backed his car about a block, got out and began waving a white handkerchief and pointing out the radar car to passing motorists, police said.

Payment From Defunct Company Is Figured

AUSTIN (AP)—A payment of about 33 cents on the dollar can be made to creditors of the defunct U.S. Trust and Guaranty Co. when litigation is completed.

This was reported yesterday by state liquidator J. D. Wheeler who said $2,449,221 is available for $7,292,385 in approved claims.

A group of claimants' suits seeking priorities in disbursement of assets were recently tried and is now on appeal.

ROYALTY AGOG

Girl With Bust Is Gate Crasher

ASCOT, England (AP)—The babe with the biggest bust in British show business gate-crashed the hallowed royal enclosure at the Ascot races yesterday. It was sensational, and the place may never be the same again.

The girl with the bust is Sabrina, nee Norma Sykes, known the length and breadth of the British Isles as "Television's Dumb Blonde." She has become famous by the simple process of standing in front of the cameras and breathing. The vital statistic is 41 inches.

Sabrina's appearance before the royal family and among the peers of the realm created a bigger shock than the victory of an 8-year-old gelding named Bonhomie in the day's feature race, and Bonhomie paid 76-1 on the tote. They won't let you in the royal enclosure at all if you are divorced.

Dressed in a low-necked flowered organdy, Sabrina walked into the enclosure without a ticket while the gate man was groping around the royal turf for his [illegible] balls.

"Scandalous!" hissed 17 duchesses, or it may have been 18.

"Shocking!" muttered six viscountesses, or maybe it was seven.

"Yes, m'deah," murmured their titled escorts as they kept on looking.

A reporter who encountered the show girl asked her what in the world she was doing in the royal enclosure.

"Looking," giggled Sabrina, "for the ladies' powder room."

After a 15-minute search Sabrina departed as thousands peered, including a rare assortment of pop-eyed dukes, viscounts, lords, barons and earls.

Queen Elizabeth II and the other members of the royal family did not appear to notice.

Joe Matthews, Sabrina's manager told newsmen later her neckline had a "cowl effect" and was "all right at eye level."

"It was quite proper for the royal enclosure," he concluded.

Off-Duty Patrolman Delivers N. Y. Baby

NEW YORK (AP) — Off-duty Patrolman Vincent F. Campbell, 38, delivered a baby for a young Brooklyn mother who couldn't make it to the hospital yesterday.

That's all in a day's work for many policemen. But for Campbell there was a big difference this time.

The baby he delivered was his own.

A 5-pound, 8-ounce daughter was born to Campbell's wife Barbara Marie, 26, in this apartment. Doctors said later that the patrolman did a fine job.

Chimp Gets Too Human

ST. LOUIS (AP) — Roy, long-time star of the titillating chimpanzee show at the St. Louis Zoo, has been removed from the cast.

"He just became too human," explained Mike Kostial, trainer in charge of the show.

"He couldn't stand to see any other chimp in the limelight."

Roy screams and rattles the bars on his cage when the show goes on now. He gets particularly excited when he hears the music used in his starring numbers.

He finally lost his role when he chucked an assistant trainer into the moat around the stage.

She Finally Gets Mad About Thefts

NORTH SACRAMENTO, Calif. (AP)—Thieves finally made Mrs. Grace Sebastian angry.

Police said she told them she didn't care enough to report the theft of a $100 watch, $80 in cash, $100 worth of liquor and some gas from the car over a period of six weeks.

"But when they took my seven books of trading stamps I got mad," she complained. "I licked every stamp myself."

Hills don't mean a thing to a Chevy!

Curves don't come too sharp or hills too steep for this nimble new Chevrolet. With its new velvety V8 power, new roadability and ride, you're the relaxed master of any road you travel.

Bring on the mountains! This new Chevy takes steep grades with such an easygoing stride you hardly even give them a thought. There's lean-muscled power tucked away under that hood, just rarin' to handle any hill you aim it at. And no matter how curvy the road may be, a light touch keeps Chevrolet right on course. You'll like the solid, even-keel way it stays put on sharp turns.

A car has to have a special kind of build to handle and ride like a Chevy. It has to have Chevrolet's low, wide stance, its outrigger rear springs and well-balanced weight! Drive this sweet, smooth and sassy performer at your Chevrolet dealer's.
