## JUDGE EWING BADLY INJURED

OUR DISTRICT JUDGE SUFFERED INTENSELY FOR HOURS BEFORE BEING RESCUED

Judge W. R. Ewing, district judge of this Judicial district, is in a critical condition at his home in Miami, as a result of injuries sustained when he was knocked down and run over by his own car about noon on last Saturday. According to the version of the accident which was given to us by District Attorney John Holmes, who saw and talked to the Judge last Sunday, Judge Ewing had gone out to his ranch which is located about twelve miles north of Miami. He left this place about noon to return to his home in Miami. While still in his pasture, he stopped his car near a water tank in order to shoot some ducks which were swimming on the water. After getting out of the car, he started over toward the tank, but looking back noticed that his car was moving toward the water. He ran back, getting in front of the car to stop it but the car had gained such a momentum that the Judge was knocked down, the car passing over him and running on out into the water. Judge Ewing was unable to move from the spot he was injured and he lay there from about noon until he was found at 8:30 on Saturday night by searching parties who had been sent out by Mrs. Ewing, who became alarmed when the Judge did not return at dark. She phoned to the ranch and found that he had left there at noon. The Judge was brought to town and examined by physicians who found that he was suffering from three broken ribs and a broken right hip. The attending doctors fear that pneumonia might develop from the severe exposure.

## MIAMI WARRIORS HERE FOR GAME

PERRYTON RANGERS WILL BATTLE VISITORS FOR CHAMPIONSHIP OF NORTH PANHANDLE THIS AFTERNOON

The biggest football game of the season to date for the Rangers will start at 3:30 this afternoon when the Rangers meet the Miami Warriors for the championship of the North Panhandle. The winner of this game will play the winner of the Memphis-Canyon game for the championship of the Panhandle. To date this year, both the Miami and Perryton teams are undefeated in the race for the High School championship of the Panhandle.

Miami has an unusually strong team this year. They have been going good and their goal has only been crossed one time. Perryton is in the same shape.

They have had only one touchdown marked up against them and it was a lucky fluke.

We understand that the majority of the business houses of this city will be closed during the game. That is right. They should close and go out and root their best for our own lads who have given their mightiest efforts to give old Perryton "Hi" a winning team of the gridiron. Be there and by your presence, give them inspiration to play a fair and square game and win, if it is possible.

The Herald \$1.50 a year in advance

scholar, who says he is like the old cab horse in Dickens, that would fall down if its driver allowed it to stop, goes on working and occasionally buys something.

A few days ago for "all cash" he bought a 32-story building at No. 61 Broadway, New York, for \$17,000,000. That would surprise old Astor who used to buy farms on Manhattan Island.

Moral: Buy a piece of real estate now, where the \$17,000,000 building will be later.

FOR A CALM AND PEACEFUL OCT. 31st

By A. B. CHAPIN

## DISTRICT COURT IN FULL SWING

A LARGE ATTENDANCE OF ATTORNEYS, WITNESSES, JURORS AND SPECTATORS

The regular fall term of the district court of Ochiltree County convened on last Monday morning with Attorney Frank Willis presiding as District Judge. Mr. Willis was chosen by the members of the bar when it was ascertained that Judge Ewing would not be able to be here.

The following is a list of the Grand Jurors, who started their investigation on Monday afternoon: Chas. W. Callaway, foreman, W. D. Thompson, J. O. Carter, R. H. Daltry, A. E. Devers, Fred Furnish, S. L. Brillhart, Calvin Flowers, J. H. Anderson, French Lawrence, W. D. Christopher and H. C. Barlow.

The petit jurors were summoned for Tuesday morning, at which time the docket was called. In the case of State of Texas vs. Jake Harris, charged with murder, a change of venue was ordered by the Court to Lipscomb County and the case set for trial for Monday, November 16th. This is the case that was tried here on a change of venue from Hemphill County some time ago, wherein the defendant Jake Harris, a negro, is charged with murder of a white foreman of the construction gang, which was repairing the Santa Fe bridge across the Canadian. A number of cases were continued until a later date in this present term. The first case to be tried was that of J. H. Neufeld vs. The Farmers & Stockmen State Bank et al, involving about \$10,000.00, which the State Banking Department refused to pay under the guaranty fund law, claiming that the above amount on deposit was an interest bearing deposit. The jury returned a verdict for the plaintiff. At the time of going to press the trial of the case of Sweeney vs. The Farmers & Stockmen State Bank et al is under way. The amount involved in this case is approximately \$12,000.00, and it is the same nature as the Neufeld case.

From present indications, it appears that the full two weeks allotted to this county for the fall term will be consumed in disposing of the extremely heavy docket.

J. E. Rhodes of Ralston, Oklahoma, came in Tuesday to attend court.

## LOCATION OF NEW R. I. ROAD

ROAD WILL NOT TOUCH THIS COUNTY, GOES SEVERAL MILES WEST OF RANGE

Since the filing of the Rock Island to build a new railroad from Liberal, Kansas to Amarillo there has been considerable discussion as to the exact location of the proposed route. Some said that the road would cross the northwest part of the county. We quote the Liberal News as to exact route which will only be varied from in a few places in order to establish the proper grade.

"As a result of the reconnaissance made by the Rock Island it is their plan to build in a northeasterly direction through Potter county, Texas, into Carson county to the headwater of Antelope Creek, following the canon of Antelope Creek directly north to the Canadian river, thus avoiding the necessary cuts and fills through the rough land south of the Canadian. After crossing that river the road is to follow the canon of Kit Carson Creek north almost to the point where it crosses the south fork of Palo Duro creek, thence generally in a northeasterly direction to Liberal, crossing the Beaver river just east of the point where Coldwater creek empties into the Beaver."

For the benefit of our readers who are not familiar with the country in the vicinity of the Coldwater and Beaver junction, we will state that the Coldwater enters the Beaver about 4 miles north of the church which is located on the east and west main highway between Guymon and Perryton located on the flat prairie between the Coldwater and Palo Duro crossings, the church being about 7 miles northwest of Sutton's Grove.

The result of the recent hearing at Amarillo, where the testimony of the Rock Island and the Santa Fe, contesting was submitted before the I. C. C. will not be made known until some time next spring when it will come before the Interstate Commerce Commission.

Mrs. Clyde Cofer and daughter, Doris, left Monday for Amarillo, where they will visit in the home of Mrs. Cofer's sister, Mrs. J. F. Claybrook.

Mr. and Mrs. Robert Lawrence are the proud parents of a ten pound baby, born Sunday, October 25th.

## SHERIFF GETS AUTO THIEF

ARRESTS GEORGE BERKEY WITH FORDOR SEDAN STOLEN IN WICHITA TWO WEEKS AGO.

Sheriff J. S. Talley, on Tuesday of this week, arrested a young man by the name of George Berkey, who was in possession of a car stolen about two weeks ago in Wichita, Kansas. At the time of his arrest, Berkey was working at the Harve Holdeman farm east of town. Mr. Holdeman hired the young man to work for him about ten days ago. Mr. Holdeman suspected that the car was stolen so he notified Sheriff Talley, who immediately got busy and found that the car had been stolen in Wichita from Berkey's former employer. The Wichita authorities were notified of the arrest and Frank Crowe formerly of Beaver City, was sent down by the County Marshall's office to take the car and prisoner back.

## UNION SCHOOL TO GIVE PLAY

TO BE SPONSORED BY THE PARENT-TEACHERS ASSOCIATION

The Union School players will give a play at the Perryton High School Auditorium on Friday evening November 6th. This play is sponsored by the Perryton Parent-Teachers Association who will receive one half of the proceeds. The play to be presented is the same which won the loving cup at the Beaver County Fair in competition with a number of other schools. The Union School always puts on a good entertainment and we feel safe in saying that this one will be no exception.

Mesdames H. R. Peery and Ray Tindle of the Grand Valley vicinity were shopping here Wednesday.

P. F. Brickley of the Gray community was trading here on Wednesday afternoon.

Mr. and Mrs. Robert Lawrence are the proud parents of a ten pound baby, born Sunday, October 25th.

## RANGERS TEAR THRU CANADIAN

LOCAL HIGH SCHOOL FOOTBALL PLAYERS DEFEAT WILD CATS FROM CANADIAN BY DECISIVE SCORE

The Perryton Rangers met the Canadian Wildcats last Friday and defeated them by a score of 34-7. The game looked undecided at first, but before the last quarter was up it was plain to see that the Perryton boys had their opponents completely outclassed.

The game was called at 3:30, Perryton kicking to Canadian. Then followed a series of line plunges and end runs made by both teams, saw-sawing and fumbling back and forth. Perryton finally succeeded in pushing the Canadian boys back to the goal line, and Hogland carried the ball over for a touchdown. Hogland failed to kick goal, thus making the score 6-0 in favor of Perryton. The first quarter ended without further scoring for either team.

Perryton began the second quarter by punting to Canadian. Kent broke through Canadian's line and downed the Canadian player behind Perryton's goal line, thus making a safety, which counted two points for Perryton. The game looked like a sure victory for the local team until Ragsdale made an overhead snap back from center, which the Canadian boys recovered, making a touchdown. Canadian succeeded in kicking the goal, and the half ended by a score of 8-7 in Perryton's favor.

In the third quarter, the Perryton boys leaped into action, determined to show their opponents that they were no match for them. But probably the Canadian boys had the same thing in view, because neither team succeeded in making a touchdown and both teams showed their knowledge and skill of football by holding their opponents near the center of the field.

In the fourth quarter, the Canadian team weakened. The Rangers took advantage of this making good gains on end runs and forward passes, which accounted for their decisive victory. Four touchdowns were made in quick succession. Dear put over three touchdowns and kicked one goal in the last quarter. Kent intercepted a pass made by Canadian near Perryton's goal and carried ball 10 yards for a touchdown. Conner kicked the goal as the time keeper signalled the game over.

The Rangers were in the middle of an off-day during the first three quarters. They seemed totally unable to make any formation or play work effectively. Everything seemed to go wrong in the backfield. This was probably due to the bad leg of Dodd, fullback, and the bad foot of Hogland, quarterback. And the replacing of these men in the third period accompanied by some changes did not better conditions much as the moral effect of taking these men out was telling on the team. But everything seemed to go right in the fourth period. A number of changes and shifting of the line up were made by the coaches of the Rangers during the game. The second string men were run in after the second touchdown was made in the fourth quarter. It was these men who were in the game when the last three touchdowns were made in rapid succession in the fourth quarter.

Hogland made the best line plunges. Dear was the offensive star for the Rangers and Sy Smith was the stellar lineman, playing a really great game. The visitors full back was their only very strong point.

The Canadian boys were good sports and knew how to take defeat, but they were not a match for the Perryton squad. The local boys will meet the Miami bunch today on our gridiron and we are expecting to see a good game.

J. W. Richardson, one of our leading farmers and stockmen, delivered a fine bunch of spring calves last week. They were all white face and of pure bred sires. The bunch of 135 head averaged 503 pounds and every one was a top notch animal.

## ANNOUNCEMENT

On account of the condition of the roads many of the bidders in the RED ARROW AUCTION were prevented being present Saturday last, however they can bid again. Our contract, with THE RED ARROW people expires the first of the year; The new list, for November, is posted; come in, look it over and make your bid. You have only the November and December lists to bid on as this money is useless unless you spend it at these Auctions.

There is a rumor afloat to the effect that there will be some extra valuable prizes put up in December, this is erroneous. Mrs. J. M. Bull won the grand prize, a \$2.50 aluminum dish pan, as Mrs. Abe E. Reimer was not present when her name was called. Saturday, October 24, the Home Ec' girls will assist in the store and as they will get a per-cent of the days cash receipts. You are invited to come and trade with them on that day. SPECIAL PRICES will be made through out the store.

This class and their "live wire" teacher are deserving of the support of the entire community. Prove to them, by the volume of your business, that you are "for them strong!"

### UNION 68

#### Primary Room:

We enjoyed the visit of our State Inspector and our County Supt., Mr. Henson, one day last week.

If you really want to hear some good stories told in a nice way, just

call in our room during the story hour.

Evelyn Clark, Cody Harris, Wammon Pittman, Fred Wilson and Opal Rowe had perfect attendance for the first month.

Bernice Neufeld received the first certificate for perfect spelling les-

sons.

From the sights that are appearing on the windows, ghost and goblin time must be near. "The goblins 'll get you if you don't look out."

#### Third Grade:

We enjoyed the visit of our Supt. Mr. Henson and the school Inspector last Thursday. Mr. Henson gave a reading entitled, "Little Orphan Anna," which we all enjoyed.

Esther Jewell has been absent from school a few days.

#### Fourth Grade:

We have nine pupils enrolled in the fourth grade this year. All are hard workers.

We have been busy making some decorations for Halloween.

#### Fifth Grade:

We have an enrollment of eleven in the fifth grade.

Luther Garner and Charlie Jewell, who have been absent from school, are back again.

The history class has been making a book on the life of Christopher Columbus.

#### Sixth Grade:

The sixth grade has an enrollment of eleven and all show an interest in their work.

The English class has been busy making booklets on America.

#### Seventh Grade:

The geography class are busy molding maps.

Opal Eads spent Thursday night with Bertha Ollenberger.

Those who have been perfect in attendance are Gladys Deeds, William Pattison and Roy Sargent.

#### Eighth Grade:

The eighth grade has been taking standard lists in the U. S. History.

Carroll Christmas has been absent from school for several days.

John Ollenberger spent Thursday night with William Pattison.

#### High School:

The state high school inspector visited our school last week. He made many favorable remarks but suggested that we set a clean-up day. We intend to accept the suggestion and you will find us cleaned up and ready for visitors after this week.

Examinations are over and students are anxiously but fearfully awaiting results.

The high school orchestra is now playing twice a week for opening exercises. We hope to surprise the school sometime soon with a special number.

Union high school is planning to give a program followed by a box supper some time in November in order to raise money and rebuild the stage and purchase scenery.

Miss Ethel Windsor and Miss Ella Isabel visited the former's home at Turpin, Oklahoma, last week end.

Union High has a regular lecture course, one most every morning.

The Latin 1 class is progressing fairly well, although we have to study hard, we are enjoying the work.

The freeze Sunday night was very light, but sufficient to kill all the row crops.

The vocal music class took their examination Friday, which every one enjoyed.

Mr. and Mrs. I. H. Wright celebrated their forty-second wedding anniversary in quite a manner on October 18th. They kept the home fires burning all day.

The surprise party given at the home of Mrs. E. C. King in honor of her son, Oliver, Saturday night was enjoyed by a number of young folks. Everyone present reported a very pleasant evening. At a late hour dainty refreshments were served. Departing for home, everyone wished Oliver many more happy birthdays. Those present were: Misses Anna and Alma Barlow, Ardith, O'Brien, Virginia and Merle McLanahan, Ada and LaVerne Francis Lois and Virginia King; Messrs. Noel Keith, Robert and Harry Barlow, Lyman McLanahan, Oliver, Forest and Noel King, Roy and Alvin Francis, Grant Westbrook and Val McLanahan.

Mr. and Mrs. A. E. Devers and youngest son were in from their place east of town last Tuesday shopping and looking after business affairs.

The announcement of the Lutheran services at the Plainview school for last Sunday was omitted by mistake from last week's issue.

### New Secretary of War?

Rumors from Washington, indicate Secretary of War John W. Weeks will resign his post, and that he will be succeeded by Dwight F. Davis, who has so capably executed the duties of Secretary during the absence of his Chief, that President Coolidge will consider him as new head.

## PEOPLES SUPPLY CO

### Vocal Prodigy

Miss Marion Talley, 18 year old daughter of a telegraph operator, will sing in the Metropolitan Opera Company. Hailed as a vocal prodigy, her fellow townspeople of Kansas City gave a benefit which enabled her to study in Europe for the past three years, and paved the way for her present success.

Mrs. Geo. Jackson and Mrs. Chas. Jackson of the Wolf Creek neighborhood were shopping in Perryton Tuesday.

# Firestone

## Safety and Mileage For Rough Winter Driving

OPERATORS of large truck, bus and cab fleets must have rugged, long-mileage tires if they are to make money. That is why so many of them have standardized on Firestone. Experienced race drivers, almost to a man, equip with Firestone. Car owners can have this same extra safety and economy—by using Gum Dipped Cords.

Gum-Dipping, the Firestone extra process, impregnates and insulates every fiber of every cord with rubber—insures greater safety and comfort over rough winter roads—builds extra strength and flexibility into the sidewalls—an exclusive feature that adds thousands of miles to the life of a tire.

Come in—let us save you money by equipping your car with a set of these wonderful tires—prices are still low.

### UNION 68

#### Primary:

We were very glad to be the first to appear in chapel program.

Erva Gray and Ruth Garner received their certificates for twenty perfect spelling lessons.

Making mats and coloring a Peter Rabbit series has been our attraction in the busy work period.

Very glad to have Lester and Cecil Christmas back in school after several days absence.

Hazel Padgett visited us Monday afternoon.

We have some of Mother Goose and her family's pictures added to the pictures already in our room.

Third grade:

We are progressing nicely with our multiplication tables. We are now on the sixth line.

Ester Jewell has also been absent this week.

Fourth Grade:

We are busy getting ready for our Hallowe'en program which will be given Thursday afternoon.

We are making salt and flour maps of North America.

Albert Neufeld was absent from school Monday.

Fifth Grade:

Luther Garner has been absent this week, also Charley Jewell.

Miss Hazel Padgett, Ethel Clark's cousin, is visiting school this week. She lives in Colorado. She will visit her Grandma at Perryton next week.

We are taking examinations this week as it is the end of the second month of school.

Sixth Grade:

The sixth, seventh and eighth grades are getting up a play for Hallowe'en.

Thursday was clean-up day at Union.

The sixth grade has been making little booklets, containing the words commonly mispronounced. Now we are trying to pronounce them correctly. We have been looking for mistakes in reading.

The 6th, 7th and 8th grades had a social Friday night. We just closed a contest in conduct and recitation. The leaders were Paul Williams and John Ollenberger. Paul's side lost and was obliged to furnish the eats and entertainment. Every one had

a good time and are hoping that we may have more socials of this kind. Seventh and Eighth Grades:

Bessie and Bruce Johnson have been absent from school on account of working at home.

Luella Neufeld was absent from school Monday.

The seventh grade has finished their small maps of South America and plan to make a large map.

Carroll Christmas is back in school after several days absence.

Hurrah for the seventh grade. We are the first class to get up our penant in the grade rooms.

Freshman:

English 1 class is doing hard work in spelling this week. Every pupil with a perfect spelling record is our aim.

The English 1 class is now on their second classic. The first one we read was "Treasure Island." We are now reading "Lady of the Lake."

Elsie Garner was absent from school the first of the week.

Sophomore:

Pauline Ollenberger and Gladys Jamison were absent from school Monday.

The High School literary society have arranged for a program which will be given as soon as possible.

The Sophomore General Science class have received some of their laboratory material and are now beginning to work out their experiments.

The community orchestra practice was not very well attended Saturday night.

The Union High School is preparing for a program, November 6, after which will follow a box supper. Every one is invited.

Miss Isbell and Miss Windsor spent Sunday with Mrs. Blair and family.

Every one is invited to our Hallowe'en program that is to be given Thursday afternoon.

Junior:

Bertha Garner and Nellie Eads were absent from school Monday.

Mrs. Bruton and daughter spent the week end at Booker.

Foster Nelson was absent from school the beginning of the week.

Henry Lile is working for C. E. Pattison this week.

Since the recent freeze most of the farmers have been busy cutting feed, sowing wheat and picking cotton.

There will be no school Friday as the County Teachers' Meeting will be held at Forgan, October 30th and 31st.

Our play, "Mrs. Briggs and the poultry farm", was enthusiastically received at Booker, Texas, last Friday. This play received first place at the Beaver Fair.

Teacher—"What does the abbreviation C. O. D. stand for?" Arlean—"I guess it means 'call on dad'."

Paul Williams and his brother-in-law started for the cotton fields Monday morning, and expect to stay about three weeks.

### JUNIOR CHRISTIAN ENDEAVOR

Following is the program for Junior Christian Endeavor for Sunday, November 1st, at 5:00 P.M.:

Topic—Following Jesus in doing good turns.

Song—Tell Me the Story of Jesus Scripture—Luke 18:36-43. Berniece Allen.

Sentence Prayers.

Leader's Talk.

Jesus Doing Good Turns —John 2:1-11, Alice Kuhn; John 4:46-54 Bessie Schollenberger; Mathew 8:14-15, Lella Callaway; Luke 9:12-17, Mary Lee Records.

Song—What a Friend We have in Jesus.

I'll run for you—George Neis. Thoughts for the Meeting—Burt Callaway, Blanche Todd, Zelma Hood and Pauline LaMaster.

Story—Helping Genoa out of prison—Catherine LaMaster.

Roll Call.

Offering.

Benediction.

### BAPTIST CHURCH NOTES

We are glad to be able to report still further growth in the Sunday School. A few added each Sunday will soon compel us to build larger quarters. Bro. Pennington preached Sunday morning and evening to appreciative audiences. Next Sunday our meeting will begin. Bro. Dunsworth will be with us and will bring with him Gospel singers, Bro. Strickland. We cordially invite all singers and musicians of the town to come and help with the music. Let's have a good meeting.

—Reporter.

Mrs. A. C. Smith of east of town will leave Monday for a two months visit in the home of her brother, V. N. Rains at Holland, Missouri.

Mr. and Mrs. Jess Cudd of the New Hope neighborhood were shopping here last Saturday.

### ALFALFA ITEMS

George Jackson spent several days last week with Jim Wright at Dunlap, Oklahoma.

Carl Freeman took the calves last Saturday that he bought from Val McLanahan several months ago.

Mrs. Geo. Jackson and Mrs. Chas. Jackson shopped in Perryton last Tuesday.

Fred Branham was an over-night visitor in the Moore home Tuesday. Mr. and Mrs. L. L. Hughes and children were Sunday dinner guests in the Geo. Jackson home.

Mr. and Mrs. Carl Freeman attended several services of the two weeks meeting at Notia.

Berlin Guffey spent Saturday night and Sunday with home folks.

B. L. Drake had a runaway Saturday while drilling in wheat. Fortunately neither he nor his horses were injured nor was his drill damaged.

R. H. Moore Jr. and Franklin Jackson visited the Freeman boys Sunday.

Wilkinson Bros. have cut and threshed maize with their combine for Dutcher Bros.

Sam Handley has bought the feed crop on the Branham place and is now harvesting it.

W. E. Merydith, B. L. Drake, Jim Wright, Charley Jackson and an oil man from Wichita, Kansas, were callers in the Moore home Thursday evening.

The frost is on the "punkin" but the fodder is not yet all in the shock. This week will probably see all feed crops cut and shocked.

Mr. and Mrs. Guy Widmer were trading in Perryton last Wednesday.

W. H. Dunlavy, the local Hudson-Essex dealer made a trip to Amarillo the latter part of last week to get a new Hudson coach for Dr. O. E. Blank. Mr. Dunlavy has sold the Essex coach, formerly owned by Dr. Blank, to Frank Cheatham of the White House Lumber Co.

## ALLEN BROTHERS

### THE SALVATION ARMY

Following are services to be held at the Salvation Army hall in Perryton:

Saturday, 8:00 P. M. — "The Hour"  
Sunday, 11:00 A. M. — "Holiness"  
Sunday, 2:30 P. M. — Companies.  
Sunday, 8:00 P. M. — A Jail Experience

Tuesday, 8:00 P. M. — Friendships.

The Salvation Army has work in 81 different countries and colonies. In Paris, where changing conditions are at present very distressing, the Salvation Army is erecting a new People's Palace to accommodate 400 beds, and relieve a bit of the suffering. Many Chinese Christians in China are having to loose their lives on account of an order from their governor to plant more opium on which he levies a heavy tax.

—Adgt. O. R. Kennedy

Fred Hamilton and family of the Fairview neighborhood were Perryton visitors last Friday evening.

Mr. and Mrs. V. W. Hayden family, former residents of this were up from Panhandle the fore of the week visiting with old friends.

G. E. Bond of north of town trading here last Saturday.

### Are You Weak, Nervous

Houston, Texas—"I have used some of Dr. Pierce's remedies and found them perfectly satisfactory. I have run down, health and nervous system, took the Golden Medical Discovery, and the 'Favorite Prescription' and am quickly and radically improved. Just a few bottles of each put me in good health. I can recommend the 'Golden Medical Discovery' as a general tonic and 'Favorite Prescription' for nervous troubles."—Mrs. W. H. Jackson, Route 1, Box 25, N. All dealer. Send 10c to Dr. Pierce, Buffalo, N. Y., for trial pkg. tablets.

## Patterns — Fabrics

Butterick Patterns and Dress Fabrics from Perryton Mercantile. A combination that assures the women of Perry and vicinity the very latest in styles and materials

### Have That "Well-Dressed" Feeling This Winter

Style 6415

Your afternoon frocks must flare!

Style 6409

Style 6415—In size 34 you need only 2 1/4 yards of 39-inch material for this dress with its circular skirt and saddle-shoulder effect.

Style 6409—The circular side flare in fancy outline is very popular. Heavy crepe de Chine, Canton Crepe, and Crepe Satin are among the materials recommended.

These dresses are easy to make and require very little material. The Deltor, a wonderful dress-making guide included with each Butterick Pattern, shows you with pictures how to make the dress from start to finish.

Always Buy Butterick Patterns Including Deltor

## WRIGLEY'S

AFTER EVERY MEAL

THE FLAVOR LASTS

Probably one reason for the popularity of WRIGLEY'S is that it lasts so long and returns such great dividends for so small an outlay. It keeps teeth clean, breath sweet, appetite keen, digestion good. Fresh and full-flavored always in its wax-wrapped package.

Mrs. Albert Graffman spent Thursday with Mrs. Ed Lehman.

Mrs. Wiley Allen visited last Thursday with Mrs. Moeler. Mr. Allen has been helping Mr. Moeler out feed this last week.

Mr. and Mrs. E. C. Colvard spent Sunday with Mrs. Colvard's parents, Mr. and Mrs. Stewart, of the Fairview neighborhood.

Mr. and Mrs. Adelman and family

were Sunday guests in the J. W. Bell home at Booker.

The Ross Mitchell children were absent from school this week.

Prycie Adelman called at the Lehman home Thursday at recess.

Winn Lehman went home with Keith Moeler from school Friday evening.

Anton Slovacek and family returned from Ponca City last Wednesday evening.

Mr. and Mrs. Graffman spent Sunday at the home of George Cates.

Mr. and Mrs. Roy Gheen and Mr. and Mrs. Will Maynard and family

were Sunday visitors at Wiley Allens Joe Slovacek cut feed for George Ottinger last week.

Mr. Key of Goodwell, who has been cutting feed here, returned home Tuesday.

Walter Lehman from Ashland, Kansas, spent Thursday afternoon with Ed Lehman.

Mrs. Colvard was absent from school Thursday and Friday to take care of the baby on account of her house maid going to Beaver to take exams.

## FARM MORTGAGES.

A study of farm mortgage financing in Texas has just been completed by Dr. V. P. Lee, Professor of Agricultural Economics, A. & M. College in co-operation with the Texas Agricultural Experiment Station. Information supplied by 177 financial institutions and insurance companies which make farm mortgage loans in Texas, has been analyzed and pertinent discussion in Texas Station Bulletin No. 330, which is available for free distribution to those making request to Dr. B. Youngblood, Director, College Station, Texas.

The 177 banks and companies studied have a total of \$252,448,122 in first mortgages on Texas farms and \$1,727,382 in second mortgages, which amounts represent probably one-half of all the farm mortgages in the State. The farms mortgaged as security for these loans are in most cases valued at more than twice the amount of the loan. The average rate charged on first mortgages by these institutions ranges from 5.5 per cent by the Federal Land Bank to 8.45 by the commercial banks. Mortgage loans made by commercial banks run one to five years; by farm mortgage companies, insurance companies, and trust companies, five and ten years; and trust companies, five and ten years; and by Federal and joint stock and banks more than thirty years. A very large part of the loans made by farm mortgages, insurance, and trust companies, as well as by the commercial banks, are paid off in a lump sum at the end of the given period of the loan. All loans of Federal and joint stock land banks are paid on the amortization plan, or at the will of the borrower after five years. Fifteen per cent of the loans of farm mortgage companies are made on the amortization plan. More than half the loans of farm mortgage, and trust companies are used for the immediate purpose of purchasing land and making improvements; but in the case of insurance companies and the Federal and joint stock land banks 53 to 78 per cent of the current loans are used to pay off old land mortgages. A number of the institutions studied consider that the Texas homestead exemption law tends to increase the interest rates paid by farmers and often prevents borrowing when funds could be used to the economic advantage of the borrower.

## About Your Health

Things You Should Know

By John Joseph Gaines, M. D.

### Resisting Tuberculosis

The problem of tuberculosis is of sufficient importance to warrant another chapter on the subject. Its germs live for ages in all temperatures except that of fire or boiling water. Certain "antiseptics" will destroy these bacteria by contact, but such medicines are too poisonous to administer to patients. They would kill the invalid before reaching the infected locality in his lung.

I visited an Egyptian tomb in one of the large museums of New York City, in 1916. The "White Plague" furnished the inmates of these ancient burial places hundreds of not thousands of years ago. I read somewhere, that explorers, examining these mummified bodies were, many of them infected with a virulent type of tuberculosis! The germs lived patiently thru the centuries, in their dry, dusty abode. Science has proven that when the tubercle bacillus is not allowed to dry, the danger of infection is greatly lessened. This is a fact to be kept in mind always, if we would guard against the spread of a most dangerous disease. The rule of burning all expectorated matter while wet, applies to most affections of the respiratory passages.

Knowing that the tubercle bacillus cannot be destroyed while inhabiting the human being, we have only one vital rule of procedure if infected, build against it. Pure air does not destroy the germ, but makes for purer blood. I know a man, tubercular for nearly forty years, yet he withstands the tubercular infection by well-regulated diet and breathing pure air. Fats are efficient builders against tuberculosis, which include cream, butter, and fat meats. Cod-liver oil is a fat, and is probably as efficient as gravy and butter. Eggs are useful as food for nerves. The digestion must be kept at its highest efficiency. So long as gain in weight is observed, the patient is improving.

The idea that such diseases can be cured by manipulation, physical culture, or intensive exercise is absurd. As well try to "cure" a fatal dose of strychnia by such illogical means!

### DID YOU EVER STOP TO THINK

By E. R. Waite, Secretary, Shawnee, Okla., Board of Commerce.

THAT there are many different kinds of knockers.

THAT some people knock whether there is anything to knock about or not. Some of them just knock for something to do.

THAT there is the chronic knocker who just keeps doing the only thing he knows he can do well, he knocks morning, noon and night. Somebody should jar the knock out of him.

THAT there is the occasional knocker. Oftimes he is a busy man and during working hours he doesn't have time to knock, but only does it in the spare time.

THAT knockers hurts the home city when people take it seriously. They should pay no attention to knockers.

THAT there is another class, the kicker.

THAT often when they kick they have a good reason.

THAT kickers who do not kick for the sake of kicking, but kick good and hard when the home city boasters go to sleep on the job, are the kind of kickers that do some good.

EVERBODY SHOULD KICK AND KICK HARD WHEN THE GOOD OF THE COMMUNITY REQUIRES IT.  
Copyright 1925.

Dr. and Mrs. E. A. Frasier of Enid, Oklahoma came in on Tuesday of this week for a few days visit in the country home of Mr. and Mrs. S. R. George. They are enroute to Raton, New Mexico, where they will visit in the home of relatives. Dr. Frasier is a cancer specialist and is very prominent in his profession.

## FACULTY COMMENT

The monthly examinations are on again this week and the regular routine is somewhat in the background for the present. This week closes the second month of school and these examinations form a part of each month's work. Monthly examinations are not emphasized as they once were when the student's whole grade depended upon the mark he made on this one examination. A number of other things enter into the monthly grade and the student is given the benefit of all daily and written work of any description.

It seems that we are just a little bit unfortunate in our school these days so far as broken bones among the children are concerned. There are two or three out now who are not able to do active duty. Accidents in playing seem to be the main causes for these mishaps. It is hoped that all the accidents destined to come our way have already passed and that we may steer clear of them in the future.

If present arrangements can be carried out successfully, a special Armistice Program will be carried out on November 11. We should like very much to have a program that will be in keeping with the occasion and one that will thrill every one who may hear it. Further details will be available later.

The Fourth Grade boasts of only one absence since school opened. This is indeed a good attendance record and one to be proud of. When the attendance is this good, it is easier to hold things together and get results that count. Bad attendance throws things out of joint so much that the teacher has little chance to show just what he or she can do in the school room. Continuous work is better for both student and teacher.

The English teachers in the high school are striving to get the students in this subject to do some actual writing. If English training should mean anything, it should mean the ability to write at least fairly well on the ordinary topics of the day. It is not expecting too much of high school students to demand that they show a little flash of ability and understand when it comes to putting the English Language on paper. What is English training to mean if it does not mean this much?

The Perryton-Canadian football game last Friday was one of the best of the season. Some real football was unrehearsed in the last quarter of play and it almost reminded us of some of the thrilling games we have seen during college days. The Perryton team is looking better all the time and is improving as the days go by. This game was a success from the standpoint of both play and money. The gate receipts amounted to \$87.00 cash.

On last Friday evening the faculty of the Perryton School was entertained at the home of Mr. and Mrs. W. B. LaMaster, southwest of town. Mrs. S. D. Johnston, school board member, joined Mrs. LaMaster in entertaining the teachers and making the affair an enjoyable one. A real good social time was the complexion of the evening throughout and nothing was lacking to make it such. Mixed in with the social part of the occasion were some delicious refreshments. Angel food cake and ice cream good enough to be called angel (or something else heavenly) made a fitting climax to this delightful evening. Regardless of whether or not those partaking of these refreshments were angels, it is enough to say that said refreshments were thoroughly enjoyed by the poor old hungry teachers and, to use the words of a certain coffee advertisement, they were "Good to the last drop."

The teachers appreciate the kindness and hospitality shown them by these good people and hope to be in position to reciprocate with favors in the future.

## HIGH SCHOOL

Lee Brown, one of the football boys got his finger broken when playing football on the school ground the latter part of last week.

The students are full of wonder and expectation this week. They are wondering what their examination and monthly grades are going to be.

### Senior Notes:

A Senior class meeting was held Wednesday to select the name of our annual. After much discussion "The Ranger" was chosen. Another class meeting was held Thursday and the class decided on the border to be used throughout the annual.

Miss Veola Lyons, a member of the senior class, has been called to Devol, Oklahoma, to attend the funeral services of her mother.

The Juniors announced Monday morning that they would entertain the seniors at a Halloween party at the R. H. Holland home. We intend to be there.

### SA Grade

We have always heard pupils in the eighth grade have a hard time starting in algebra. We are not an unusual class and are having a hard time too.

We have been having written tests in history the last week. This is going to be a great help to us in our monthly exams.

We shall be very glad to have our parents visit the school at any time and take a look at the bulletin board to see how few of the eighth graders have demerits. We hope that the students of this grade will stay off the demerit list and have a good record at the close of school.

### SB Grade

Miss Hutchinson, the SB history teacher, has been reading to her class some very interesting chapters on the life and works of Alexander the Great. The class has enjoyed this reading very much and it has helped encourage them to learn more thoroughly the works of this great man.

The 8th grade pupils have received their new "Grammar Review" books by Clipping and will have a lesson from them two days out of each week in the future.

## BEAVER HANDS IT TO US FOR BEING CLEAN

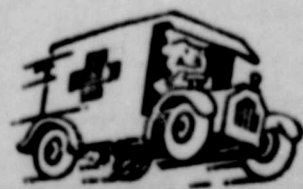

In commenting upon the Perryton-Beaver game of week before last the Herald-Democrat of Beaver has the following to say:

"Beaver high school football team went to Perryton last Friday, and on account of rain did not get there till dark. The game was played the next day, resulting in a score of 6 to 7 in Perryton's favor.

The boys report that it was the cleanest game they have played this season. Perryton claims to have a better team than last year and it is felt that the boys did well to have kept the score so close."

Thanks, Beaver, for the best compliment that could come from an opponent on the athletic field. We are striving hard to merit such compliments from all opponents as we believe that good clean sportsmanship and above-board conduct in football should have first place on the gridiron. We had a hundred times rather have this much said of us than to have it said that we won by rough-neck or unfair methods.

In return for Beaver's compliments

### IS YOUR BATTERY SICK?

If so, call us. That's our business - to keep your battery in condition. Call us for 8 hour Battery Service.

We Sell The Famous

Generators and Ignition Units Rebuilt and Repaired

The Electric Shop  
Day Phone 119 Night Phone 52  
C. Shepherd, Prop.

tary remarks concerning our clean playing, we are glad to say that we found the Beaver boys a good clean-cut, on-the-square, high-minded bunch of players on the field and we assure them that it was a real pleasure to have them as our football opponents and we shall look forward to future games with them with the keenest of pleasure. We regard the Beaver boys as one of our best and squarest football opponents of the season. They deserve the best to be had in football because they keep the game upon a high plane. That's why we like the Beaver boys and are always glad to meet them in friendly rivalry.

### BOOST! BOOST! BOOST!

Boost your city, boost your friend, Boost the lodge that you attend, Boost the street on which you're dwelling, Boost the crowd that you're selling, Boost the people 'round about you; Possibly they can do without you; But success will quicker find them If they know that you're behind them. Boost for every forward movement, Boost for every new improvement; Boost the stranger and the neighbor, Boost the man for whom you labor. Cease to be a chronic knocker, Cease to be a progress blocker; And if you would have your home town better, Boost it, boost it to the final letter.

When you have company or are going away phone the Herald office. We want to publish all the news, but be sure and get your copy in before Wednesday noon.

### COUNTY AGENT NEWS

The importance of farmers' organizations as agencies for improving marketing methods is gaining rapidly recognition at the present time. The existence of over 15,000 farmers' buying and selling associations in the United States shows clearly that American farmers appreciate the value of organized effort in effecting savings and improving service in the marketing of their products.

The faith which has been developed on the part of the American farmer in co-operation as a remedy for marketing difficulties has resulted from a realization of the need for united efforts to solving common problems. The individual producer is unable to undertake many of the endeavors which are of vital importance to better and more economical marketing, but proper organization is supplying many communities with the means or carrying out work of this kind.

The co-operative marketing organizations can assist in a great many different ways other than effecting a better price for the commodity that is offered for sale. Some of these things are: standardization as to the varieties and kinds of products and the uniformity of quality and condition; improving grading and packing; obtaining and using market information; developing old markets; finding new markets; effecting savings; improving service; advertising; buying needed supplies and in a great many other ways as conditions arise.

A report from the Grand Duchy of Luxembourg, Belgium States; "Luxembourg boasted the proud distinction of being the happiest country in Europe before the war, and attributes this favored position to a considerable extent to the organization characterizing agriculture and other types of production and the marketing of products of the Grand Duchy." It might be added here that Luxembourg is one of the smallest countries in the world, being scarcely larger than Ochiltree county, yet there are about 40,000 farms with 30,000 having not more than five acres each.

A move is now on foot to organize a co-operative produce marketing association in this territory which is one of the best steps ever taken to promote the dairy and poultry industry in this section of the country, and if we will promote these industries in accordance with the possibilities of the country we will not be left in such hard circumstances at the end of another drouth period. Now to make a success of a co-operative marketing association we must depend upon obtaining a sufficient volume of business; observing co-operative principles; employing capable management; following up to date business methods and having loyal members. Now every one that is interested in this matter, and every farmer who has a few cows and chickens should be, try and see some of the organizers of the association and get any other information that you may wish to have regarding it and lend your active co-operation to help put the association over. The principle that the association will be organized on appears else where in this issue of the paper and as will be observed it requires nothing more than your co-operation to get the association started, and then if we will follow the principles already laid down a success can be made of the undertaking.

C. J. HUTCHINSON,  
Co. Agt.

### FULTON ITEMS

The first snow of the season fell Saturday when it snowed for several hours.

Mrs. Martha Flower and little son are visiting her parents, Mr. and Mrs. T. B. Foglesong.

Mr. Duke of Perryton who owns a farm in this vicinity, was looking after business interests here last week.

Eugene Foster and family expect to leave for Texas this week.

Mrs. Ernest Ragsdale and children, who have been picking cotton in Texas returned home last week.

On account of cotton picking and caring for feed, the attendance at school has been small the past week. Georgie Freeman and Juanita Cook have been neither absent nor tardy during the first month.

Three Perfect Spelling Certificates

have been issued in the school thus far: Lawrence Bransgrove of the third grade received the first, Ollie May Symons of the third grade the second and Neva May Bransgrove of the second grade, the third. Who says the little ones can't spell?

The eighth grade are busy with money and banking in Arithmetic and with adjectives in grammar.

Joe O. Kerns lost a valuable horse last week.

The new bridge over Fulton Creek, along Jack Todd's place, is nearly completed. This was a much needed bridge, as this crossing was always dangerous, and when the roads were slippery almost impassable.

Mr. and Mrs. Ben Freeman of Liberal, Kansas, visited relatives here last week.

Mr. and Mrs. M. Kerns, Will Kerns and family visited at Joe O. Kerns Sunday.

Mrs. Irene Freeman visited in Hennessy, Oklahoma, over the week end.

Mrs. Bob Campbell and children have gone to her brother's to pick cotton.

### WOMAN'S COUNCIL

The Woman's Council will meet at the church Thursday, November 5th, and following is the program for the afternoon:

Subject—Slaves in America.

Business period.

Devotional theme: Our Father Who art in Heaven—Mrs. Pittman.

Song—If you cannot cross the Ocean.

Prayer—Mrs. Kuhn.

Talk: The Slaves in America—Mrs. Todd.

Story—Mrs. Callaway.

Discussion: Should the United States and Canada close their doors to the immigrants—Mrs. LaMaster.

Do we have them in our midst? What are we doing for them?—Mrs. Oren Allen.

Offering.

Song—More like the Master.

Benediction.

### FARM CENSUS TEXAS

COUNTY, OKLAHOMA

Washington, D. C., October 19, 1925.—The following statement gives some of the results of the 1925 farm census for Texas County, Oklahoma, with comparative data for 1920. The 1925 figures are preliminary and subject to correction.

|                  | Jan. 1, 1925 | Jan. 1, 1920 |
|------------------|--------------|--------------|
| Number of Farms— | 2,280        | 2,266        |
| Operated by:     |              |              |
| White farmers    | 2,280        | 2,266        |
| Colored farmers  | —            | —            |
| Owners           | 1,427        | 1,618        |
| Managers         | 9            | 7            |
| Tenants          | 844          | 641          |

|                       |           |           |
|-----------------------|-----------|-----------|
| Farm Acreage—         |           |           |
| All land in farms     | 1,702,798 | 1,192,981 |
| Crop land, 1924       | 501,975   | —         |
| Harvester             | 447,226   | —         |
| Crop failure          | 40,600    | —         |
| Fallow or idle        | 14,149    | —         |
| Pasture, 1924         | 1,160,379 | —         |
| Plowable              | 1,003,881 | —         |
| Woodland              | 435       | —         |
| Other                 | 156,063   | —         |
| Woodland not pastured | 2,812     | —         |
| All other land        | 37,632    | —         |

|                    |              |              |
|--------------------|--------------|--------------|
| Farm Values—       |              |              |
| Land and buildings | \$24,907,758 | \$28,693,855 |
| Land alone         | 31,467,708   | 25,365,823   |
| Buildings          | 3,440,050    | 3,328,032    |

|                     |           |           |
|---------------------|-----------|-----------|
| Livestock on Farms— |           |           |
| Horses              | 15,124    | 16,308    |
| Mules               | 5,165     | 4,638     |
| Cattle, total       | 38,101    | 54,667    |
| Beef cows*          | 12,198    | 17,160    |
| Other beef cattle   | 15,367    | 25,127    |
| Dairy cows*         | 6,330     | 7,850     |
| Other dairy cattle  | 4,006     | 4,530     |
| Swine, total        | 10,356    | 10,775    |
| Breeding sows **    | 1,184     | 1,734     |
| Principal Crops     | 1924      | 1919      |
| Wheat, Acres        | 222,723   | 151,380   |
| Bushels             | 2,908,053 | 1,727,255 |
| Barley, Acres       | 20,451    | 11,637    |
| Bushels             | 285,960   | 185,221   |

|                    |           |           |
|--------------------|-----------|-----------|
| Sorghum for grain: |           |           |
| Acres              | 115,381   | 129,807   |
| Bushels            | 1,748,750 | 2,048,370 |
| Hay Acres          | 12,657    | 12,311    |
| Tons               | @ 48,932  | 13,509    |

|                                           |        |        |
|-------------------------------------------|--------|--------|
| Sorghum for silage, hay, or fodder:       |        |        |
| Acres                                     | 37,198 | 49,148 |
| * Cows and heifers 2 years old and older. |        |        |

\*\* Sows and gilts for breeding purposes 6 months old and over.

@ Includes a considerable quantity of sorghum hay cut from apart of the acreage reported for "Sorghum for silage, hay, or fodder."

Mrs. J. J. Long of Mobeetie is a guest in the home of her daughter, Mrs. M. R. Coffee and family.

### TEXAS DOES NOT PAY TEACHERS ENOUGH

Because in the rural districts salaries of school teachers have not been increased in proportion to those of the city schools, the rural schools are unable to command well trained experienced teachers for farm boys and girls, according to J. L. Tennant, research specialist in rural education in the University of Texas Division of Extension. Tennant said:

"In Texas the median salaries paid both in cities and in rural schools are considerably below the medium for the United States as a whole. In 1925, in cities of 30,000 to 100,000 the medium salary paid elementary teachers was \$1227, which is \$301 less than the medium for the United States; in cities of 10,000 to 30,000 it was \$947, which is \$407 less; in cities of 5,000 to 10,000 it was \$921, which is \$310 less; and in cities of 2,500 to 5,000 it was \$886, which is \$243 less. In 1924, on one-teacher rural schools the medium salary paid was \$599 which is \$156 less than the median for the United States; in two-teacher schools it was \$654, which is \$89 less; in three or more teacher schools in the open country it was \$853, which is \$133 less; and in three or more teacher schools in villages it was \$852, which is \$262 less.

"To secure teachers in our rural schools with education, training and experience similar to those held by

city teachers, it will be necessary to offer salaries approximately equal to those paid in cities. In deciding the salary to be paid it is not the teacher's welfare but the child's that is the primary consideration. Salaries are but a means to an end. Teachers can shift to other positions or other lines of work, but the child must attend school usually in the district where his home is located. The securing of well trained teachers for our rural schools is a matter that concerns the cities and the State at large, as well as the rural communities. The education we give today's children will determine very largely the kind of state Texas will be twenty-five years hence.

Hymn.

There will be a free will offering each day.

Geo. W. Shackle returned on Tuesday from a trip to Florida where he looked over the country with a view of locating. Mr. Shackle was very much impressed with the country and has decided that he will cast his lot in the southern state which is now going through a boom period of development. Mr. Shackle is a very good building contractor and concrete man and no doubt he will be successful in this new field where there is now so much building of all kinds.

Mr. and Mrs. Pete Tomlin and children, who have been living at Blackwell, Oklahoma, for the past several weeks, came in Wednesday of this week and will locate here during the school year at least, so that the children may have the benefit of our good schools.

Leonard Grigsby of Quay, Oklahoma, and Mrs. Tom Carver of Canadian, Texas, came in Sunday to visit with their mother, Mrs. J. M. Grigsby, who has been ill for the past three weeks.

Typewriter ribbons at Herald Office.

CITATION BY PUBLICATION

THE STATE OF TEXAS, TO THE SHERIFF OR ANY CONSTABLE OF OCHILTREE COUNTY, TEXAS,—GREETING:

You are hereby commanded to summon the heirs of Mary Elizabeth Butler, deceased, whose names are unknown, and all persons interested in the estate of Mary Elizabeth Butler, deceased, to appear at the next regular term of the County Court of Ochiltree County, Texas, to be held at the Courthouse thereof in the town of Perryton, on the third Monday in November A. D. 1925, the same being the 16th day of November A. D. 1925, then and there to answer a petition filed in said Court on the 6th day of October A. D. 1925, in a cause No. 221 on the docket of said Court, wherein Finly Felix Butler is plaintiff and Leon Butler, Fred Butler, Sudan Addie Livingston, Sam Livingston, Ida Manda Kelley, Jim Kelley, Mary Bettie Forbes, W. H. Forbes, Grover Cleveland Butler, William Green Butler, the unknown heirs of Mary Elizabeth Butler, and all persons interested in the estate of Mary Elizabeth Butler, deceased, are defendants, the nature of plaintiffs cause of action being to adjudicate who are the heirs and only heirs of Mary Elizabeth Butler, deceased, and the respective interests and shares of such heirs in her estate.

You are further commanded to serve this citation by publishing the same for the time and in the manner provided by law.

Herein fail not but have you before said Court on the 1st day of the next term thereof this writ with your return thereon, showing how you have executed the same.

Given under my hand and seal of said Court in the town of Perryton, and issued this the 6th day of October A. D. 1925.

(Seal) DAVE SHANKS, Clerk County Court, Ochiltree County, Tex. 36-4tc

FAIRVIEW ITEMS

Mr. and Mrs. Wes Apple and Mr. and Mrs. Mart Apple were Sunday guests at the Pruner Apple home.

Mrs. Myrtle Sutton passed away Wednesday night, leaving a husband

GOOD FARMING and GOOD BUSINESS

Good farming demands a business program for the farm:

- More and Better Live Stock
- Diversification of crops
- Businesslike methods of bookkeeping and financial statements.

All these things, combined with a substantial connection at the bank, will make for good farming and good business.

We especially solicit the good-will and cooperation of our farm customers.

Perryton National Bank

Read our message in this week's

TIRED AFTER EATING  
TRY THIS SIMPLE MIXTURE

If you feel tired after eating, often a sign of gas and indigestion in your stomach or bowels. Simple buckthorn bark, magnesia, sulphur, c. p., glycerine, etc., as in Adlerika, helps any case of the stomach, unless due to deep-seated causes. The QUICK action surprise you. Adlerika is well known for constipation—it often works in one hour and never grips. Perryton Drug Co.

Good Used Cars on Terms

Re-conditioned and Guaranteed

We have some extra good buys in late model touring cars. Also some good cars without starters. One late model Roadster in A-1 condition.

Don't fail to see bargains if in market for a used car.

Johnson Motor Co.
