Parent night set in Loraine

Loraine School officials are serious about parent involvement in their children's education.

Monday night, in an effort to get parents to school, a VCR will be given away as a door prize to conclude a parent awareness night.

"We're trying to get parents involved with their children in school," Supt. Glenn Sanders said. "We're trying to get parents interested."

The 7 p.m. meeting is designed to do just that, said Sanders.

The program will start in the cafeteria and various speakers will emphasize the importance of kids staying in school and obtaining their high school diploma. Among the speakers will be a representative from TSTI in Sweetwater to explain what a high school diploma means dollar-wise compared to a drop-out's wages. Vince Ariaz, crime prevention officer of the Colorado City Police Department, will also speak as well as the juvenile probation officer.

Sanders said the program should last no longer than an hour which will be followed for parent-teacher meetings so that parents can meet and talk with each of their children's teachers.

"We hope to have something of interest to the parents in order to help the children," he said. "We encourage all parents of school age children to be here Monday night."

In addition to the drawing for the VCR, each parent will receive a free gift.

Roy H. Thackerson

The country music concert is being sponsored by the Colorado High School Band Boosters as a fund-raising event for the band.

Thackerson, father of Rex Thackerson of Colorado City, lost his fingers when a dynamite cap exploded in his hand as a child. Despite his handicap, he went on to learn to play not only the fiddle but guitar as well.

Thackerson, who lives in Ranger, has appeared 20 times on the Grand Ole Opry and has performed on the Ralph Emery Show. He was featured on the television program, "That's Incredible".

Tickets for the concert are $5 for adults and $3.50 for students. Tickets can be purchased by calling 728-3351 or 728-8635.

PETE HULL, assisted by his wife Laverne, and son and daughter-in-law, Rusty and Jan Hull, cut the ribbon marking the grand opening of Hull's IGA Grocery Thursday. Also assisting were Terri Johansen and Johnny Johansen. The grocery store is located in the former Safeway building on Oak Street.

Family loses possessions in fire

A Roscoe couple lost most of their possessions in a fire which damaged their mobile home last Sunday in Roscoe.

Kevin and Gretchen Herm and their three children were not injured in the fire, according to Kevin's mother, Faye Nell Herm of Colorado City.

Kevin, a farmer in the Buford community and a fireman with the Sweetwater Fire Department, was on duty in Sweetwater when the fire was discovered about 8 a.m. A smoke alarm alerted Gretchen to the fire which apparently started from wiring under the house.

The family is staying with Gretchen's parents, Mr. and Mrs. Phil Haynes in Sweetwater, until other arrangements can be made.

A fund for the family has been started at City National Bank in Colorado City.

The event is sponsored each year by the Mitchell County Extension Service and the Pest Management Steering Committee. Letters to the editor

To the editor:

I want to thank Wolf TV for a great night of entertainment following the awards presentations at Howl Night last Thursday. I loved hearing it through the grapevine that wallflowers really bloom.

To the editor:

Many thanks to the Police Department for their alertness in preventing a recent burglary at Dockrey Motors. Their prompt and effective action recovered my stolen merchandise. Although the thieves got away, this will certainly be a deterrent for crime in my area of town.

Hats off to the Colorado City Police Department!

I had a chance to meet Oral Roberts recently. Not the one you know, but a 200-foot tall Oral Roberts.

No, I'm not kidding. As surely as there's a water tower in Buffalo Gap, there was a 200-foot Oral Roberts leaning against it.

Admittedly, it was three in the morning and not a lot of people saw it, but you can take my word for it.

The Buffalo Gap water tower, as any native will tell you, is 125 feet high. I'm guestimating, of course, but I'd say the tower came up to Oral's shoulder. He was leaning against it when I saw him, and he was trying to pry the lid off the top.

Frankly, Oral looked to be in bad shape. His behavior was unusual. You could see the troubled lines etched deeply in his face - at least when the moon wasn't shining through it.

He told me he was in desperate need of a monetary transfusion, but then he figured out my wallet was empty and he leaned against the tower to talk shamelessly about his disease.

He likened it to that of a vampire's. Only, instead of having to suck blood from people's necks to stay alive, he explained that he has to suck money out of billfolds, banks and vending machines in order to preserve himself.

When he consumes a proper diet of greens and silver he said he feels strong enough to bring about healing. Healing, in turn, brings about proper diet.

Unfortunately, he's been off his diet lately, and the healings have become a memory. He says he's even had to resort to plastic to keep himself going temporarily.

It was like watching the last couple of years of Mickey Mantle's baseball career. Or Muhammad Ali's fight against Larry Holmes.

In his heyday, Oral Roberts had been able to cure everything but the injuries to his school's basketball team. He would heal three or four people every Sunday in a tent by simply placing his human-like hands on their human-like abdomens. Then, he'd shout the disease out into the open where everybody in the crowd could chase it out of the tent.

Disease rarely felt at home in those services.

Not surprisingly, at times he collected more than his system could absorb. If he hadn't occasionally ear-marked some of the stuff to fancy buildings in Tulsa - hospitals, schools and such - he'd have O.D'd on the paper stuff a long time ago.

But those were the old days - before his dependency got out of control. The combination of increased monetary need, and OPEC's obstinance, has, resulted in a serious shortfall - not to mention untold damage to Oral's health.

There is even concern, he told me, that if a big shipment doesn't arrive soon, Rev. Roberts could be recalled by his producer.

We're talking the hard stuff now - millions of dollars worth of it, in fact. And he needs it by March, or else...

It should be no great mystery then why Oral would need the top of our old water tower.

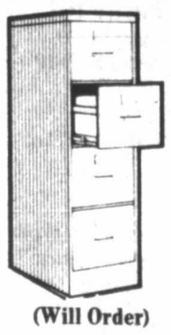

You couldn't very well expect him to collect $5 mil in a coffee cup.

Indictments are returned

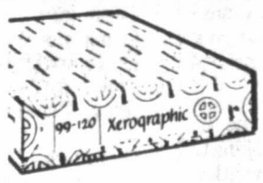

A Mitchell County grand jury Friday returned six indictments, four of which were sealed.

The two not sealed were Manuel Rodriquez for driving while intoxicated, third offense; and Ricky Lynn Sanford, driving while intoxicated, third offense.

Sr. Citizens hear drug program

Crime Prevention Officer Vince Ariaz of the Colorado City Police Department presented a program on drugs to senior citizens at their regular weekly luncheon at the Wallace Center on Tuesday, Feb. 17.

Ariaz showed a slide presentation of a large number of drugs and paraphernalia that has been seized in Colorado City, Loraine and Westbrook areas by the police, Department of Public Safety and the Mitchell County Sheriff's Department during the past few years.

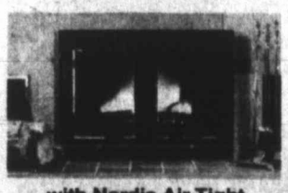

Ariaz expressed the concern of how residents should become more involved with looking out for their neighbors and calling police when they observe suspicious vehicles or persons or unusual activities in their neighborhoods.

Ariaz explained how some drug pushers might use the cover of night to sell or exchange their drugs and how some drug pushers might involve illegal weapons.

He concluded by saying that if someone sees or hears something, a quick phone call would help the law enforcement agencies in the fight against crime.

"You don't even have to give us your name if you don't want to, just get the call in," he stressed.

Drug program presented to 4-H Club members

On Monday, Feb. 16, members of the 4-H Club heard a program on drug and alcohol abuse by Crime Prevention Officer Vince Ariaz of the Colorado City Police Department.

Along with a film entitled "Last Friday Night", Ariaz read the latest statistics on the use of drugs by teenagers.

Ariaz pointed out that:

- about 61 percent of all American young people use an illicit drug at least once before they finish high school and 40 percent have used drugs in addition to marijuana;
- at least one out of every 20 high school seniors (4.9 percent) smokes marijuana on a daily basis;
- about one in 20 seniors drinks alcohol daily and approximately 37 percent have had five or more drinks in a row on at least one occasion in the past two weeks;
- approximately 30 percent of high school seniors have smoked cigarettes during the last month, a substantial proportion of which are daily smokers;
- cocaine has been tried by at least 17 percent of seniors in the class of 1985 (the highest rate observed so far - the number of daily users doubled from 1984-85);
- approximately 80 percent of the seniors acknowledge the harmful effects of using cocaine regularly (an increase of 10 since 1979), but only 34 percent see much risk in experimenting with it.

Ariaz said these numbers were gathered in annual nationwide surveys conducted for the National Institute on Drug Abuse.

Ariaz concluded the program by talking about the alcoholic driver who he described as the deadliest killer on the nation's highways. He added that even though legal intoxication in the state of Texas is .10 percent blood alcohol content, that case could and would be filed in court with much less percentages by law enforcement officers.

Financial aid available

SNYDER–Texas residents interested in information about financial aids available at Texas colleges are invited to take advantage of a Financial Aid Hotline on Saturday and Sunday (Feb. 21 and 22).

The hotline's toll free number is 1-800-253-8989. It is to be active from 10 a.m. through 6 p.m. on both days.

The informational program is a project of the Texas Association of Student Financial Aid Administrators, according to Dr. Jim Tully, Financial Aid Director at Western Texas College. The program is part of the second annual Financial Aid Awareness Week in Texas.

"The Financial Aid office at Western Texas College is always happy to answer questions about scholarships, grants and other types of financial assistance," Tully said. "Our office can be reached by calling 573-8511 any weekday. However, the hotline which will be open this weekend will give people the opportunity to ask questions during weekend hours and to ask about general information. We hope many people will take advantage of this service."

FIFTH grade students of Mrs. Rita Hardegree show their Indian village scenes they made as a class project. From left are Justin Goebel with his Mesa Verde scene; Mickey Kelly, Pueblo village; Laura Green, Pueblo village; Dana Huff, Pueblo village; Jodi Cade, Comanche village; Greg Boydston, Comanche village; Joseph Luera, Comanche village; Anna Martinez, Comanche village; and Mark Contreras, Mesa Verde. Not pictured is Alva Chaney who helded with the Pueblo village. Mrs. Freda Shephard is student teacher.

Indian heritage studied

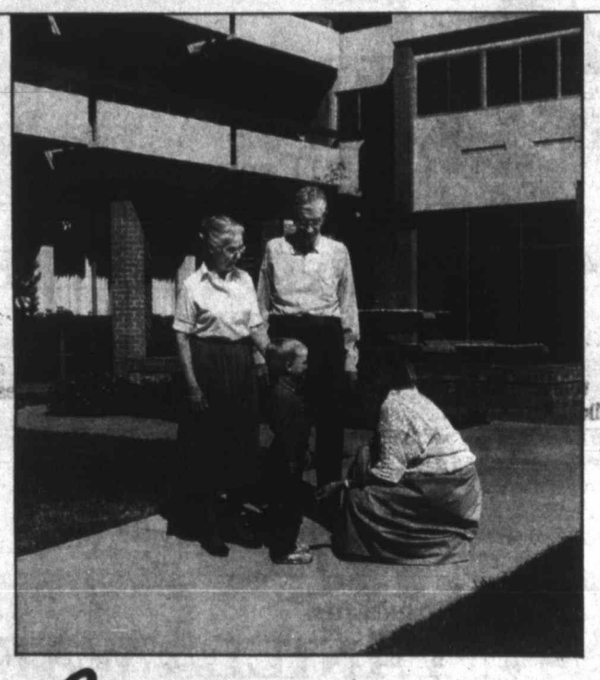

Students in the fifth grade class of Mrs. Rita Hardegree at Hutchinson Elementary know a lot more about Indians thanks to a recent unit taught by their student teacher, Mrs. Freda Shephard.

As part of the unit on Indians, students made scenes of what Indian villages looked like.

Three of the scenes made by the students included the Mesa Verde where student Justin Goebel visited on a family vacation. Justin, along with his dad Ron, made a replica of how Indians in that area lived.

A Pueblo Indian village showed how those Indians lived in clay adobe structures in New Mexico and Arizona.

Students working on the Comanche villge showed how that tribe lived in teepees so that they could follow the buffalo herds.

ADVICE AFTER "AMERIKA"

Roy N. Byrd - Pastor **First Presbyterian Church**

A little girl and her brother had been at it all day long---name calling, quarreling, even fighting now and then. Their father came home in the evening. The little girl ran to him, and as her father picked her up, she looked back over her shoulder at her little brother and stuck out her tongue at him.

Her mother saw all this and said, "Honey, you can't love your father and stick out your tongue at your little brother."

That's straight out of the Bible. It says, "If any one says, 'I love God,' and hates his brother, he is a liar."

"Beloved, let us love one another; for love is of God, and he who loves is born of God and knows God."

Jesus put it this way: Love one another, love your neighbor, but more than that, love your enemies. Why? "So that you may be children of your Father who is in heaven."

Quail Season To End

Bird hunters have until 30 minutes after sundown today to get in their last 1987 hunting, according to game warden Ronnie Aston.

"Sunday, February 22 is the last day for quail hunting," said Aston. "We had a real good season. It was a good comeback after the past several seasons. We should have plenty of seed birds left over for a good batch next year."

"Sunday finishes all hunting seasons for the county. We had a good deer hunting season too. There were some big ones. Turkey was down because of a poor hatch. We had a good dove season. The prospects for next season look good, if we get good rain."

A COTTON TALE

It's not the same old story.

In 1987, quality cottonseed will be in short supply. There isn't any carry over to fall back on. Even though your ginner tries hard, he may not be able to stock every seed variety for every customer. But our cotton tale still has a happy ending.

More than a hare better: Growers Brand GSC 25 and GSA 71.

This year, plant the best. Anything less and you'll be nibbling at profits. Don't trust your rabbit's foot. Shake a leg. Quick as a bunny, get in touch with your local GroAgri dealer. Reserve all the GSC 25 and GSA 71 you'll need this Spring. Growers Brand seed means a happy ending to your cotton tale.

GSC 25* - NEW top dollar maker!

GSC 25 is a high yielding, early maturing cotton. It will withstand adverse fall weather very well due to its excellent storm-proofness. GSC 25 produces quality lint that is ideal for open end spinning. Outstanding resistance to Verticillium Wilt. Also shows excellent tolerance to seedling diseases including Ascochyta Blight. Excellent quality seed is available in both certified and non-certified.

GSA 71** Certified Cottonseed - #1 planted variety on the High Plains for 9 years!

GSA 71 is a proven top yielder with wide adaptation. GSA 71 is an early, prolific fruiting cotton that is tolerant to Verticillium Wilt. Loraine Bulldogs in bi-district versus Roby

The 67-65 loss to Westbrook that decided the 17A championship almost two weeks ago took a lot out of the Loraine Bulldog boys said Loraine coach Tommy Meredith.

The Bulldogs will have to overcome themselves and Roby Tuesday night when the teams battle in a class A bi-district basketball game scheduled for 8 p.m. at Sweetwater High School.

Since the loss to Westbrook, the 17A runnerup Bulldogs have lost a 69-42 practice game to Sterling City.

"We played like zombies the first half," said Meredith. "They played better the second half. I think they're down because of losing the district title by two points."

Joe Vasquez and Eddie Benitez scored 16 points in the loss.

In addition to Loraine's woes for having lost to cross-county rivals the Bulldogs were also not at full strength in practice last week. Two starters were ailing–one sick and the other with shin splints.

"I've told them we have to represent our district as well as we can whether we're the first place team or the second place team."

Loraine finished regular play 9-16 and made the playoffs for the first time since 1976 with a 3-3 record in 17A.

Vasquez and E. Benitez have led the Bulldog scoring in the march to the playoffs with 16 and 14 points per game, respectively.

Freddie Benitez, Luis Leija and Shawn Finley have added 7.3, 5 and 4.5 per game. The Bulldogs lost a 6 point per game scorer to grades earlier in the year.

Vasquez, E. Benitez and F. Benitez have been the leading rebounders with 10.9, 7.4 and 6.7 rebounds per game. E. and F. Benitez have averaged 8.5 and 4 assists per game, respectively. The two also lead the team in steals–Freddie with 77 and Eddie with 62.

Vasquez has been the best shooter with 59 percent shooting from the field and 53 percent shooting at the free throw line. He also has blocked 51 shots.

"They've (Roby) probably got a lot of depth," said Meredith. "It's a bigger school."

The Loraine coach is in his first year of boys basketball after four years of coaching girls teams that included a zone championship at Weinert. His counterpart, Roby coach Mickey McCarty, is in his tenth year at the helm and has taken six district championships enroute to seven playoff appearances.

Roby won 18A with a 7-1 record and owns a 21-5 mark for the season. "We're little and young," said coach McCarty. "Our biggest player is 6'0". We are quick and shoot pretty well. We have four juniors, four sophomores and only two seniors."

"We do have depth. There's not much difference in the starters and the other players."

Since making the playoffs Roby has beaten Highland 57-55 and New Home 84-69 in another practice game. McCarty counts his biggest win a three point win over now nine-ranked Eula.

Jeff Branson is the leading rebounder for Roby and starts at post along with fellow 6'0" senior Jody Mauldin. Five foot ten inch sophomore guard Jerry Carrion leads the scoring with 16 points per game. Five foot ten inch sophomore Carter Edmondson scores 15 per game and rounding out the starting five is 5'7" junior James Gantt. The sixth man is junior Jason Terry, who scores 12 per game.

"I want to get rid of the pain and get back to work." We hear this a lot.

Temporary pain killers may be okay for temporary pain. But when the pain stays . . . or keeps coming back . . . it's time to try something else. The chiropractic approach to pain is to locate the CAUSE of the pain and correct it. When the cause is corrected, the pain usually goes away in short order. Why not try chiropractic FIRST for on-the-job injuries?

A consultation and preliminary examination can help determine whether chiropractic might help. If treatment, x-rays or other lab tests are indicated, they are covered by most Workers' Compensation insurance plans. CALL US TODAY.

Westbrook Wildcats to play Aspermont

Jim Hill, coach of the district 17A champion Westbrook Wildcats, reports his boys basketball team is currently enjoying a hot shooting streak and hopes it continues through Tuesday night.

That's the night the Wildcat's travel to Sweetwater to take on district 18A runnerup Aspermont in a 6:30 p.m. bi-distirct playoff game.

The Wildcats finished the regular season 10-13 and won 17A with a 5-1 record. Since then Westbrook played Sands in home-and-home practice games and were to have played another practice game against O'Donnell at Ira Saturday.

Sands beat Westbrook in both games–82-68 in the first game and only 69-67 in the second.

"We made 63 percent of our field goals against Sands," said coach Hill. "That was better than what we did at the free throw line. We're shooting well inside and outside."

Frankie Fuentes, who averaged 26.7 points in district play, scored 31 and 34 points against Sands. Ramiro Fuentes scored 18 in the second game while David Blauvelt and Jessie Gossett scored 10 and 11 points, respectively, in the first game.

The team is averaging 57 points a game. R. Fuentes averaged 11 points a game in district while Clayton Cannon averaged 8 per game. Cannon and Scooter Hines were the leading rebounders with 9.5 and 9 rebounds a game, respectively.

Hill is in his fourth year as Westbrook coach. The Wildcats have to go back even further to 1978-79 for their last playoff appearance.

"They're (Aspermont) pretty big," said Hill. "They have a 6'2" that scores a lot if you don't play him tough. The left handed Mitchell (Ike) is probably the key to beating them. He's probably their best all-around player."

"I heard they're not in real good condition. If we can play them close till the end I think we can beat them. They start two 6'2"s, two 6'1"s, one 6' and substitute in a 6'1".

"We've got a little bit of height," said Aspermont coach Tommy Howard. "Four of our five starters are over 6'0".

Six foot three inch junior John Robinson and 6'2" sophomore Tyrone Johnson are the starting posts for Aspermont. Six foot seniors Ike Mitchell and Timothy Maedor start at the wings. Five foot nine inch senior John Ellison handles the point guard position.

"We're an equally balanced team," said Howard. "Everybody on the team has scored 20 or more points in a game at least once. We play seven guys, that's about it. All seven will probably see action." Six foot one inch junior Jason Counts and 5'9" sophomore Joey Parker come off the bech for Aspermont.

"We like to go inside," said Howard. "We can rely on our outside shooting." Mitchell and Maedor are the shooters.

Howard is in his fourth year at Aspermont. He has reached the playoffs every year as the girls coach the first three years. Aspermont went 20-6 this year and took second in 18A with a 6-2 record.

Aspermont owns wins over 7AA champ Hawley, 7AA Hamlin and two victories over Roscoe.

"We've played good teams," said Howard. "We lost to Knox City, to AA Spur by 4 and beat Weinert by 8."

EIGHTH GRADE basketballers at Colorado Middle School for 1986-87 are, front row, left to right, Shelia Cawthron, Jackie Smith and Dalia Franco. Middle row, left to right, are Bea Rivera, Corrie Martinez, Aubrey Wooddell, Lisa Gale, Amber Mayfield and Priscilla Rivera. Back row, left to right are Cynthia Martinez, Marlene Tucker, Nikki Findley, Bridgett Bridgford and Patricia Molina.

Wolves lose to Ballinger

Bobby Gomez scored 16 points and Chris Piel 12 to lead Ballinger at home Tuesday night in a 63-30 win over Colorado City that kept the Bearcats alive in the 5AAA boys basketball race.

Ballinger, 25-4 on the year, owns a 4-1 second half district mark and kept pace with Wylie and Clyde. The three teams tied for the first half title with 5-1 records and again lead the district in the second half.

The Wolves, who were to have ended the 1986-87 basketball campaign here against Coahoma Friday, fell to 4-21 and 1-4 in the second half after a 1-5 first half.

The Bearcats quickly took a first quarter lead and only widened it for the remainder of the contest.

Ballinger led 19-10 after one period, 34-18 at halftime and 47-24 going into the final quarter.

Scoring for the Wolves were Pat Ridge 9, Guy Compton 7, Ken Woods 6, Terry Jackson 4, Bubba Bailey 2 and Paul Ausbie 2.

Colorado City made 6 of 14 free throws and 12 of 42 field goal attempts while Ballinger was good on 11 of 28 free throws. The Wolves were called for 21 fouls to 12 for the Bearcats.

The Wolves committed 42 turnovers. T. Jackson and Woods had 8 and 6 rebounds, respectively.

Ballinger also won the junior varsity boys contest 45-43 for only the Wolves second loss in district play. Colorado City fell to 13-7 and into second place behind the Bearcats in district play.

The Wolves led 15-11 after one period but scored only six points in the second quarter to fall behind 31-21 at halftime. Ballinger led 37-33 after three quarters.

The Wolves were behind early in the first quarter but got six points from Dennis Smith and 5 from Mark Russell to take the lead. The teams were tied at 19-19 midway through the second period before a 12-2 Ballinger spurt gave the Bearcats the halftime lead. The Wolves quickly got back into the game in the third period and stayed within four points for the remainder of the game.

The Wolves tied it up at 41-41 but missed several opportunities to take the lead in the closing seconds.

Scoring were Russell 13, Smith 10, Duane Jones 10, Ismael Silva 6 and George Rivera 4.

For Ballinger, Ogle scored 14 and Talbot 12.

Boxers take titles

The Mitchell County Boys Club boxing team brought home two team trophies from last weekend's Odessa Golden Gloves tournament and is making preparations for its own tournament.

The team won team trophies in both the novice and junior olympic divisions.

Gabriel Gaona won two bouts for first place in the novice division. Greg Gaona won three fights for first place in the junior olympic division and won the "Best Fighter" Award. Shane Jones walked through (uncontested) for another first.

Runners-up were Lewis Martinez and Eddy Martinez. Losing their bouts were Vince Gaona Jr., Adrian Martinez, Jesse Aguilar and another Lewis Martinez.

The team will host their own tournament Saturday, February 28.

Card Of Thanks

Card Of Thanks

We the Santana family, would like to send our appreciation to each one that helped us while we so desperately needed it. Thanks for the donations, love and concern. You've helped us hang in there. We especially want to thank Mom, Ramona, Minnie, Gloria, Mary, Martha, the VFW & Los Dominadores Del Norte.

Card Of Thanks

Words seem so empty as we try to express to each of you our heart felt thanks for the comfort you have given us during this time of sorrow.

Nevertheless, we want to attempt to tell you in some way the deep gratitude we feel for all the prayers, visits, food, phone calls, flowers and expressions of sympathy that we have been blessed to receive. They mean so much to each of us.

To the staff, nurses and residents of Kristi Lee Manor we want to offer a special tribute for your love, care and companionship given our loved one while she lived with you.

It is our prayer that God may richly bless all of you.

The Family of Mattie B. Carpenter

Self Culture Club meets

The Self Culture Club was hosted by Dona Reed, Feb. 13 at 3 p.m.

Elizabeth Elliott gave a report on "12th Century Art Discovery." She stated the archaeologists uncovered a terra-cotta army entombed to guard the grave of China's First Emperor Qin Shi Huangdi. The life size clay soldiers were buried in battle formation and with real war chariots, weapons of wood and bronze, standing ready to serve the Emperor after death.

A rebellious real-life army toppled the clay soldiers after the emperor's death.

Today the ghostly emperial guards are being restored and returned to its post.

Fannie Beeman's topic was on "Finding an Escape in Art." Mrs. Beeman related that a program on writing, art and drama was started for the Texas Department of Corrections.

Many inmates write poetry as a means of self expression in an environment which their very survival depends on hiding even the slightest trace of vunerability.

Many groups work with juvenile and adult prisoners. They are very committed people, she said.

The hostess carried out the Valentine motif. Members present were Eddie Barclay, Fannie Beeman, Lil Brown, Jewell Tiller, Linnie Williams, Elizabeth Elliott, Pearl Watson and the hostess Dona Reed.

Valentine program heard

The Looney Extension Homemakers Club met Feb. 11 at 2:30 p.m. in the Lone Wolf Electric Medallion Room with Alma Rene Claxton as hostess.

Linnie Williams, vice president, led the club in prayer and roll call was answered with a safety tip.

Madge Shepherd was elected as a delegate to the District T.E.H.A. meeting in Abilene April 7.

Linnie Williams presented the program about Valentine's Day and love.

Members played games and told about childhood Valentines being different from those of today. The meeting was closed by singing "Let Me Call You Sweetheart".

Those present were Lonie Pruitt, Pearl Woods, Linnie Williams, Pansy Northcutt, Angie Harris, Dolly Jarmon, Eddie Barclay, Bea McGuire, Iva Prescott, Alma Rene Claxton, Etta Lu Gibson, Louella Hall and visitor Juanita Cullins.

The next meeting will be Feb. 25 at 2:30 p.m. at the Lone Wolf Medallion Room.
