

PRIZE WINNING LETTER FOR THIS WEEK: I like to trade with Lamesa merchants and use the Dawson County Courier as my shopping guide because we should be loyal to our home town and the growth of our town. I use the Courier as my shopping guide because it tells me where to find the many bargains which we are interested in and by reading about them we save many dollars which enables us to buy more War Bonds and helps us do our part on the home front while our boys are doing theirs on the firing line. MRS. S. C. MOTLEY, Star Route 2, Lamesa, Texas.

Place Paper Collections On Curbs By 2:30 P. M. Friday

The Demonstration Council members remind you that Friday, September 14, has been designated as paper pick-up day in this city, and officials are asking all local residents to place their waste paper bundles on the curbs around town before 2:30 p. m., Friday afternoon.

Council members reported this week that they lack only 1-3 of a load having the amount needed to send to the paper company which has agreed to buy the collections. They request that you tie your bundles securely and to be sure and have them on the curbs at an early hour Friday afternoon.

Especially needed are newspapers, books, and magazines, which are to be tied securely in separate bundles measuring from 10 to 12 inches.

The need for waste paper is acute even though the war is over. Paper is needed for packaging foods, medicines, and many other items which are being sent to the boys still overseas.

In order that a good collection be turned in from Dawson County, every family here needs to place their waste paper on the curbs in as many bundles as possible on Friday afternoon.

The council has been working hard on the current drive, and only lacks 1-3 of a carload.

Prepare your paper bundles today and place them on the curbs before 2:30 p. m., Friday, September 14. They will be collected and later shipped to the paper mills, where they will be put into use as they are needed most.

Pfc. Charles F. King, son of B. C. King who makes his home at 208 North Travis Street here has been overseas for the past 7 months, during which time he has served with the Infantry. Pfc. King is currently stationed in Germany. He entered military service 14 months ago, prior to which time he had worked for C. E. Martin, Vaughn Chevrolet, and Ernest & Nix in this city. Pfc. King attended school in Tahoka. He has 2 brothers, who are in service, including Cpl. George Warden, Storekeeper 3-C, and Maurice, who is a member of the Navy.

Agents From Four Counties To Meet Here With Miss Hill

Miss Kate Adele Hill, district agent of the Extension Service of A. and M. College, will conduct an all day group meeting for home demonstration agents from Lynn, Scurry, Garza, and Dawson Counties Friday, September 21, in this city.

Plans of work for 1946 for Home Demonstration Clubs and Girls' 4-H Clubs will be made.

Nelson Williams Has Returned To States

Nelson B. Williams, M.A.M. 2-C arrived in this city Tuesday, September 11, after serving overseas for more than a year.

While on foreign duty he was stationed on Honolulu where he served in a post office as mail clerk. He entered the service 2 years ago, and received his training in San Diego, California and prior to entering the service was employed in the local post office.

Williams will be here for 30 days visiting his mother, Mrs. Edith Williams of 909 South Fourth and his wife and son of 1010 South Third Street.

Bill Cornett To Hold Farm Auction Sale Tuesday, Sept. 18th

Bill Cornett who announced a poultry auction sale in the last edition of this paper, reported today (Thursday, September 13), that in addition to selling poultry he will have a complete farm auction sale on Tuesday, September 18th.

The sale will be conducted at the Luther Stephens place, located 2 miles west of the 10 Mile Station on the Stanton Highway. The sale has been announced for 2 p. m., and Col. Houston Glasson will serve as auctioneer.

Implements, livestock, poultry, and a complete line of farm materials will be placed on sale at the Tuesday auction. A list of the items can be found in Cornett's ad in another section of this paper.

Farm Auction Sale Slated For Sept. 21 At J. A. Miller Farm

A Farm Auction Sale will be held Friday, September 21, at the J. A. (Speck) Miller farm at 1:30 p. m. Miller's farm is known as the old J. H. Pierce place and is located 1 mile south and 1 1/2 miles east of Woody School.

Many items will be placed on sale at the auction, including farm implements, chickens, livestock, feed, a butane plant, and out buildings. A complete listing of the items can be found in Miller's ad in another section of this paper.

Col. Houston Glasson will serve as auctioneer and Mrs. Houston Glasson will serve as clerk.

Mrs. Ted Sanders, Mrs. Kermit Jordan and Mrs. DeWitt Jordan left Wednesday for Ruidoso, New Mexico where they will spend several days vacationing.

The Courier is My Shopping Guide

Piggly-Wiggly Is In Process Of Being Remodeled

Now in the process of being remodeled is the local Piggly-Wiggly Store which is owned by Dan Davis and Ernest Rhodes. The owners of the establishment expect the store to be finished within a week or ten days, and request that you watch the paper for further announcements concerning the completion of the work.

A complete new set of fixtures have been installed at the Piggly-Wiggly Store with new shelves being built, and a new fruit and vegetable rack being installed.

The new fruit and vegetable rack measures 36 feet in length, and is comprised of 3 units, including a refrigerated rack, 1 dry rack, and 1 spray rack, each measuring 12 feet in length. A long mirror has been placed above the rack.

Another new addition at the store is a grocery box, in which butter, eggs, cheese, and other dairy products will be kept. The grocery box is 6x8 feet.

The Piggly-Wiggly owners report that by remodeling the firm, they have increased the capacity of the store, so that they will carry one-third more stock.

Another advantage they point out is the fact that the aisle space has been enlarged, which will add to the convenience of their patrons.

Further announcements concerning the completion of the job will appear later in this paper.

Mrs. Henry J. Price of Lubbock spent several days here this week visiting in the home of Mr. and Mrs. A. S. Alsbrook.

This Week's Winner For Courier Contest Is Named

This week's winning contestant in the Dawson County Courier's essay contest is Mrs. S. C. Motley of Star Route 2, Lamesa.

Mrs. Motley wrote an especially fine article, which you will find printed near the top of the front page, and the originality of thought which her essay possessed made it this week's prize winner.

For her article, Mrs. Motley will receive a \$5.00 cash award.

The Courier has had a good response to the "I Like To Trade With Lamesa Merchants And Use The Dawson County Courier As My Shopping Guide Because" contest, with many letters pouring into the office, and the paper urges every Dawson County and trade territory resident to enter the current contest.

Contest rules are simple. All you need to do is to write an article of not more than 100 words with your opening sentence reading "I Like To Trade With Lamesa Merchants And Use The Dawson County Courier As My Shopping Guide Because." List your reasons in an original way, making your letters neat and legible.

Write your name and address plainly on your letter and mail it or bring it to the Courier Office.

You do not have to be a subscriber to enter the contest, and more than one member of a family may participate in the event. All may enter and will be eligible to win the \$5.00 cash award. The winning letter will be published in the Courier each week, and all letters received by the office will be retained and not returned to the sender.

Write your essay today entitled "I Like To Trade With Lamesa Merchants And Use The Dawson County Courier As My Shopping Guide Because," and mail or bring it to the Courier office. Each essay will be given prompt, careful consideration by the Judges, and a \$5.00 cash award will be presented each week to the person writing the best letter.

Pfc. Gober, Former War Prisoner, Now At Arkansas Base

Veteran combat infantryman who saw action in France, Pfc. Dennis C. Gober, 311 Lynn Street, Lamesa, has completed a furlough at his home and reported to the Army Ground and Service Forces Redistribution Station, Hot Springs, Arkansas for reassignment.

Prisoner of war for 10 months, Private Gober wears the European Theatre Ribbon.

Profit by Shopping the Courier Way

T-5 Jewell S. Franklin, the son of Mr. and Mrs. J. W. Franklin who reside in the Munger Community, is now serving with the occupational forces overseas. A member of the Engineering Corps, he has been working with a bridge gang, and has been overseas since April of this year. Since going across he has been stationed in Germany and France. Entering the service in March of 1944 Technician Franklin received his training in El Paso and at Camp Shelby, Mississippi. He is a former student of the Munger and Union Schools, and prior to entering the service the technician farmed in this county.

T-Sergeant Richard Crawley Returns From Foreign Duty

Mr. and Mrs. W. K. Crawley of this city received a telephone call this week from their son, T-Sgt. Richard Crawley, informing them that he has arrived in the States.

T-Sgt. Crawley has been overseas for approximately 32 months. While on foreign duty, he played with an army band.

Small Daughter Of Sgt. and Mrs. Coffman Dies

Carolyn Coffman, small daughter of Sgt. and Mrs. Carl T. Coffman, died Monday, September 10, from injuries received in an auto accident. Funeral arrangements had not been completed at the time this paper went to press, pending the notification of relatives.

Carolyn was born February 15, 1944 in this city, and was 19 months old at the time of her death.

Her mother lives on Route 2 in this county and her father is overseas where he serves with the Army. He has been stationed on Okinawa.

In addition to her parents, Carolyn is survived by grandparents, Mr. and Mrs. T. W. Coffman of Baileyboro, and Mrs. Rena Berry of Route 2 in this county. Surviving uncles include Claude Coffman of Goodland; Charles, Clarence and Chester Coffman, all of Whiteface; Carlos and Albert Berry of Lamesa; Guy and Clarence Berry of Ontario, California; Frances Berry of Medevia, California; Etheridge Berry of Compton, California and Beecher C. Berry of Long Beach, California.

Surviving aunts include Mrs. Arthur Swanner, Whiteface; Mrs. J. D. Bayless of Enoch; Mrs. George Henderson of Portales, New Mexico; and Miss Oleen Coffman of Dora, New Mexico.

T-Sgt. Weeks, Vet Of Oversea Duty, Here On Furlough

T-Sgt. Carl H. Weeks, the son of Mr. and Mrs. R. H. Weeks of 1002 South Sixth Street in this city, arrived here Monday night, September 10, after spending more than 2 years in the Pacific War Theatre. He will spend his 30 day furlough here, after which he must report to San Antonio.

While on foreign duty, T-Sgt. Weeks served with the mechanical division of the Fifth Air Force, and was stationed at various times on New Guinea, Netherlands, East Indies, Leyte and Luzon. He is a member of the mechanical division of the air force.

For his services Sgt. Weeks wears 5 Battle Stars, the Good Conduct Medal, and the Philippine Liberation Ribbon.

He entered service 43 months ago and received his training at Camp Pendleton, Oregon.

Sgt. Weeks is a former student of the Ackerly School and prior to entering service was employed in Flatview for an electric company.

Courier Classified Ads Are Beneficial To All Residents

Buyers, sellers, renters, landlords, employer, employee—all meet on the classified page of the Dawson County Courier, and all find the classified ads prompt in obtaining results.

R. W. Kidd of the Munger Community advertised an A. C. Combine for sale last week in the classified ad section of the Dawson County Courier. The combine was sold on the same day that the paper was published to the first man who called. The buyer lived 15 miles south of Lamesa.

Kidd reported that he had a number of calls for the combine.

Again the pulling power of the Courier Classified Ads was demonstrated. The Dawson County Courier delivers you the largest and quickest coverage in this trade territory, and the results of the Courier will astound and please you.

Small Daughter Of Sgt. and Mrs. Coffman Dies

Carolyn Coffman, small daughter of Sgt. and Mrs. Carl T. Coffman, died Monday, September 10, from injuries received in an auto accident. Funeral arrangements had not been completed at the time this paper went to press, pending the notification of relatives.

Carolyn was born February 15, 1944 in this city, and was 19 months old at the time of her death.

Her mother lives on Route 2 in this county and her father is overseas where he serves with the Army. He has been stationed on Okinawa.

In addition to her parents, Carolyn is survived by grandparents, Mr. and Mrs. T. W. Coffman of Baileyboro, and Mrs. Rena Berry of Route 2 in this county. Surviving uncles include Claude Coffman of Goodland; Charles, Clarence and Chester Coffman, all of Whiteface; Carlos and Albert Berry of Lamesa; Guy and Clarence Berry of Ontario, California; Frances Berry of Medevia, California; Etheridge Berry of Compton, California and Beecher C. Berry of Long Beach, California.

Surviving aunts include Mrs. Arthur Swanner, Whiteface; Mrs. J. D. Bayless of Enoch; Mrs. George Henderson of Portales, New Mexico; and Miss Oleen Coffman of Dora, New Mexico.

Rural Schools Slate Football Games For 1945

Plans have been completed for the six man football schedule for 1945 in this county, according to an announcement from P. K. Humes, county superintendent.

Four teams will participate in the games this year.

The opening matches of the season will be played September 21, when Sparenberg's club meets Klondike on the Sparenberg field, and when Ackerly and Union play in Ackerly.

On September 28, Klondike will meet Ackerly in Klondike and Sparenberg will play Union at the Union field.

Union and Klondike have a game slated for October 5, which will be played at the Klondike stadium. Sparenberg and Ackerly will also have a match that day and will play in Ackerly.

On October 19, Sparenberg and Klondike will have a match in Klondike and Union and Ackerly will play in Union.

Klondike and Ackerly have a game slated for October 26, in Ackerly, and Sparenberg and Union will also play a match on that date in Sparenberg.

On November 2, Klondike and Union play a match in Union, and Sparenberg and Ackerly have a game slated on that date also, which will be played in Sparenberg.

Mr. and Mrs. Jack Edmondson and son of Lubbock spent the week end here visiting with her father J. H. Boone.

Tire Certificates Granted Tuesday To Seventy-Two

The local tire board met Tuesday, September 11, and granted tire certificates to the persons named below.

Passenger type tire certificates were issued to Everett Turner, Ped Aldridge, Horace Tatum, A. A. Tuckness, J. D. Lambright, Glen Cope, Wisley Walls, O. N. Williams, O. L. Harp, Willie Martin, T. L. Shoults, J. E. Hurst, Frank Y. Martin, J. R. Parchman, Jack Fancher, W. R. Cates, J. C. O'Brien, Vernon Parks, Charles Hatchett, Harley Moore, Stanley B. Applegate, Ansil Coats, Pete Coon, H. M. Penn, Clabough Hudson, Manuel Gonzales, Ray Henderson, Ray L. Hollingshead, Felix Gilcrease, Clarence Nolan, Hardy Morgan, Earl Henderson.

H. T. Martin, L. C. Speck, Clyde W. Gibson, Harvey Allen, Willis Edmondson, Waller & Allen, E. J. Bartlett, Robert S. Stanfield, Abner Spraberry, Loyd H. Walker, J. E. Gray, E. W. Hester, L. D. Evans, J. H. Austin, D. O. Blackmon.

Leslie Davis, Clyde Haynes, R. H. Weeks, Lee Bradford, C. C. Davis Jr., Stephen Butler, Mart Barrow, O. M. Kennedy, P. E. Hardy, Thomas H. McNally, Aaron L. Mitchell, T. H. Harmon, Carl Sealy, Ollie Jordan, A. E. Jacobs, and L. E. Standifer.

Truck type tire certificates were granted to Dawson County, J. I. Douthit, Juan Molina, Key Independent School, G. C. Futrell, E. J. Turner, Melvin C. Holcomb, W. H. Lee, and Western Geophysical Company.

Lt. Col. L. Marr, European Vet, Back In States

Lt. Col. Lloyd Marr, son of Mr. and Mrs. W. L. Marr of this city arrived in the States recently, after completing almost three years of foreign service.

He was flown from the European Theatre to Wilmington, Delaware and arrived in this city Friday to visit with his parents. He was accompanied to Lamesa by his wife, who has been employed at the Will Rogers Field in Oklahoma City, Oklahoma, and they left Monday to go to Boulder, Colorado to visit his brother, John Marr, who is an instructor in the science department in the school there.

Lt. Col. Marr entered the service in February of 1941 and received his military training at Ft. George Meade, Maryland. He received an overseas assignment and first went to England where he remained for 1 1/2 years. On D-day he went to France, and from there to Belgium and Germany.

When he first went overseas, Lt. Col. Marr served as an aid to Gen. Gow. Later he entered ranger training, and was connected with the British Commandos in Scotland. After that, he was assigned commander of headquarters special troops of the 29th Infantry Division.

Lt. Col. Marr has been given a 30 day leave and will visit in Washington, D. C., prior to reporting to Ft. George Meade, Maryland.

Four-H Club Pig Show To Be Held Here October 5

A Four-H Club pig show will be held in this city Friday, October 5, on the public square, according to an announcement received this week from County Agent T. A. Barfield. The show will begin at 10 a. m., October 5.

Boys with registered Duroc Jersey gilts that were furnished them through the Sears & Roebuck Hog and Hen Program, will participate in the event. The show will be judged by Dr. Fred Hale, who is head of the Swine Experimental Farm of Texas A. and M. College.

County Agent, T. A. Barfield states, "This show is expected to feature one of the best groups of gilts which has been shown in Lamesa since the program was first inaugurated four years ago."

An invitation is extended to the public to attend the October show.

Mrs. B. C. Burke of Vernon is visiting here this week with Mrs. H. B. Miller and other relatives.

Football Season Will Open Friday When Tornadoes Meet The Levelland Loboes

Coaches H. J. Sanders and H. S. Fitzgerald's charges, the Lamesa High School Golden Tornadoes, open the 1945 football season Friday night, September 14, at McCollum Field when they meet the Levelland High School Loboes at 8:30 p. m. The Loboes were scheduled to play the local club when Tahoka made arrangements for a game with Big Spring.

Levelland's Loboes are classed as stiff competition, being runner-up in their district in 1944.

The Golden Tornadoes' starting line-up has more experience than has been true during the past two seasons and the players have more weight. The club will be without the services of "Speedy" Nieman who sprained an ankle on Thursday of the first week of practice, and who has been unable to resume his position in the backfield.

Bill Matlock, team captain for the Friday night game, and Bill Fortenberry, 1944 letterman will be at tackle positions; with Donald Hoover and Edgar Hawkins, also lettermen holding down the wing positions. Hurley and Eudy, experienced men, will be at the starting guard spots and Clark, a rangy transfer who has established eligibility by being in the local school for one year as a transfer from Midland will be in the center or pivot position to complete the heaviest line representing the gold and black in several seasons.

Peterson, who lettered in 1943, will call signals from the half back positions. Rippy, first year player, will be starting fullback. Bill Merritt "B" squadman, will be the other half and Bill Taylor, 1944 letterman, will be in quarterback position.

Thirty or more reserves are expected to be suited out along with the starters for the Tornado-Loboes match. "B" team members will be ushers in the grandstands.

Something of what the Golden Tornadoes have undertaken for their September 14, game is shown in the weights of the Loboes for their respective positions.

Their four tackles weigh 170, 163, 180, and 240 pounds. Listed ends weigh 130, 140, 158, 155, and 160 pounds. Guards weights are furnished as 134, 155, 160, and 175 pounds. Centers weigh 160 and 175 pounds, with the ten backs weighing 140, 150, 140, 135, 165, 140, 140, 170 and 150 pounds.

Lamesa coaches, noting the listed weights, are somewhat skeptical of the exactness of the weights as furnished and are endeavoring to have the Tornadoes ready to meet some "man sized" Loboes.

The probable Golden Tornado starting line-up, accompanied by the players numbers and positions are as follows:

NO.	NAME	POS.
11	Donald Hoover	R. E.
25	Bill Matlock (Capt.)	R. T.
21	Gene Eudy	R. G.
61	Bryant Clark	C.
24	John Hurley	L. G.
17	Bill Fortenberry	L. T.
19	Edd Hawkins	L. E.
23	Bill Taylor	Q.
1	Pat Patterson	Back
62	Bill Merritt	Back
55	Homer Rippy	P. B.

Parent-Teacher Association Meet Is Slated Soon

G. M. Roberts, principal of the Lamesa Elementary School, has announced that a meeting for all parents will be held in the elementary school auditorium on Thursday evening, September 20, at 3:30 p. m., for the purpose of reorganizing the elementary Parent-Teacher Association. Every parent interested in the welfare of the school and the P-T. A., is urged to attend this session.

The purpose of this meeting is for the election of officers for the ensuing year. The local P-T. A. ceased to function last January when its president and some of the other officers resigned and moved to other cities. It is hoped that the new organization can soon be perfected and that plans of work for the oncoming year will soon get underway.

The Lamesa schools have not been without a P-T. A., since it was first organized in about 1925. The organization has already served a useful purpose in the school in bringing about better cooperation and understanding between the school and community. "Every parent ought to feel some responsibility to his Parent-Teacher Association," states Principal, G. M. Roberts.

Local Group Attends Crop Insurance Meet In Big Spring

C. E. Tarter, administrative officer at the local AAA office, Mrs. Nettie Shukru and Mrs. Helen Costin, clerks and W. T. Meeks attended a meeting in Big Spring Tuesday, September 11.

At the session plans were made concerning crop insurance.

Several men from the state office were present for the session, including A. H. Jeffries, Henry Marshall and Joe Matthews.

Bernie Holt Buys W. J. Fulwiler Ford Building

Bernie Holt, owner of the Holt Tire Company in this city, has purchased the W. J. Fulwiler Ford Building on South Second Street in this city, and his current plans are to move his business to that location around the first of the year.

Holt completed the deal with Fulwiler of Abilene last week. He states that he plans to modernize the structure, rearranging the business and making repairs. Holt will move his tire business there, and will handle auto and household accessories among his other stocks.

Holt reports that he will have a franchise for Desoto and Plymouth automobiles, and will offer service on these.

He states that by moving to the new location, he will have more space, the building having the largest floor space in this city.

Pvt. and Mrs. Johnnie Agee and daughter Louise returned Sunday from Temple where they spent several days attending to business.

H. H. Crenshaw Returned From Overseas Service

Herbert H. Crenshaw, Torpedoman First Class, who has been serving on the U.S.S. Spearfish, arrived in San Francisco, August 27, for a 30 day leave. He is a brother to Mrs. Wayne Scott of this city, and the son of Mrs. Floy Morrison of Gorman.
Crenshaw has been on duty aboard a submarine in the Asiatic-Pacific area for the past 2 1/2 years, and wears the Asiatic-Pacific Ribbon, and Combat Pen with 5 Gold Stars. He arrived in this city Tuesday and on Wednesday he and his sister left for Gorman where they will visit Mrs. Morrison and Crenshaw's wife and baby.
A former student of Gorman High School, Crenshaw entered the service approximately 3 1/2 years ago, receiving his training in Great Lakes, Illinois; Norfolk, Virginia, and New London, Connecticut.
Crenshaw and his family plan to make their home here after he is discharged from the military service.

McDonald, commander; E. W. Renner, first vice commander; Ely Clement, second vice commander; G. M. Roberts, third vice commander; F. M. Stovall, adjutant; M. E. Boren, finance officer; R. L. Price, service officer; Cal Wright, chaplain; H. H. Lybrand, sergeant at arms; W. E. Barrett, mess sergeant; Joe Spikes, director of child welfare; and Clyde Branon, historian.
At the Monday night meeting a delegate and an alternate were selected to attend the state convention which is slated to be held in Fort Worth September 24 and 25. R. L. Price was chosen as delegate, with Sam Richardson being selected as alternate.
Personnel was approved to serve on the scout committee as follows: J. W. Beckham, chairman; Raymond Jones and J. Lee Kelly, committeemen; Joe Spikes, scoutmaster; with S'weet Noret, as assistant master.
Succeeding the regular business meeting members and guests were served watermelon.

FARM NEWS

LOANS AND SUPPORT PRICE FOR DAWSON COUNTY

Loan value on middling 15-16 inch cotton is 20.87 per pound, gross weight. Loan value on grain sorghum is \$1.60 per hundred, which is number 2 basis for farm storage.
The government will have an outright purchase on cotton. The price is \$21.93, middling 15-16, gross weight. Five points will be added to the above price each month beginning in September and extending until June of 1946.

Pfc. Ham Jr. Gets The Infantry Badge

With the 77th Infantry Division Somewhere in the Pacific—L. D. Ham, Jr., son of Mr. and Mrs. L. D. Ham Sr., of Star Route 4, Lamesa, has been awarded the Combat Infantry Badge for outstanding achievement in connection with military operations against the enemy on Okinawa. He was promoted from private to private first class May 17 at the same time he was awarded the Combat Infantry Badge.

Pfc. Ham, a rifleman with the 306th Infantry, 77th (Statue of Liberty) Division, saw his first action against the enemy on Okinawa. He graduated from Booneville High School in June 1944 and prior to his induction into the Army did farm work.

He is authorized to wear the Asiatic-Pacific ribbon with one battle star and the Combat Infantry Badge.

He has one brother, Winford, who was recently inducted into the Army and who is stationed at Camp Roberts, California, at present.

MR. MRS. GEO HASTING ATTENDS GOLDEN WEDDING ANNIVERSARY

Mr. and Mrs. George Hasting and two children, Oleta and Jim spent Sunday in Lubbock where they attended the Golden Wedding Anniversary of his sister and husband, Mr. and Mrs. W. G. Adkissons.

Mr. and Mrs. Adkissons are former residents of this city, having moved to this county in 1905. In 1923 they moved to Lubbock where they have made their home.

Miss Mary Frances Barnard left Sunday for Tech where she enrolled for the fall semester. Miss Barnard is the daughter of Mr. and Mrs. A. G. Barnard of this city and is beginning on her senior year at Tech.

MCDONALD GIN COMPANY

ABOVE GROUND PROPANE GAS SYSTEMS NOW AVAILABLE

Many new features are being offered in the PROPANE GAS SYSTEM which make it superior to the Butane Tank. THE PROPANE GAS SYSTEM is installed above the ground. Guaranteed not to freeze in winter.

More uniform pressure than the Butane System. We will replace any broken or worn out parts on the PROPANE SYSTEM free of charge for a period of 10 years.

We will paint your PROPANE TANK each year without any cost to you. A ten year service policy given with each PROPANE TANK.

The PROPANE GAS SYSTEM has a 200 pound working pressure, which is twice as heavy as the Butane Tank.

We sell this system at the same price as you would have to pay for a 100 pound Butane Tank.

PROMPT DELIVERY

We are also dealers in the following lines:—

- MAGIC CHEF GAS RANGES BUTANE OR NATURAL GAS
- SERVEL ELECTROLUX REFRIGERATORS
- SPEED QUEEN WASHING MACHINES
- BUTANE GAS DEEP FREEZE UNITS
- MACK TRUCKS

Marriage Of Miss Nora Naomi Seely To Lt. Robert Erck Solemnized

Miss Nora Naomi Seely, daughter of Mr. and Mrs. O. M. Seely, of this city and Lieutenant Robert H. Erck, son of Mrs. P. H. Love of Greenville, Texas were married Saturday afternoon August 25, a 5 o'clock in the home of Dr. and Mrs. C. B. Jackson 4304 Wesley street.

The bride was attractive in a light weight aqua wool suit with brown accessories. Her corsage was of tube roses. For "something new" she wore a single strand of pearls, a gift from the groom and for "something old" she wore a Rhine stone pin that the groom's mother wore at her wedding.

The couple was attended by Pfc. and Mrs. James A. Love. Mrs. Love was attired in a black crepe dress with black accessories and her corsage was of pink carnations.

Following the wedding a recep-

tion was held between the hours of six and eight o'clock by the groom's mother Mrs. P. H. Love in the home of Mr. and Mrs. O. W. Love. There were lovely arrangements of summer flowers throughout the entertaining suite.

In the living room, Miss Doris Farmer presided at the bride's book. After registering the guests were invited into the dining room. An arrangement of pink asters with tapers on either side adorned the buffet. The refreshments, consisting of cake and punch were served from a table laid with a white linen cloth. Lt. and Mrs. Erck cut the three tiered wedding cake which had a miniature bride and groom atop. It was placed on a reflector flanked by white tapers and dresden swans.

Misses Gertrude and Georgia Brock of Lamesa, presided at the bride's table. The groom's mother received the guests, attired in a lime crepe dress. Her corsage was of pink carnations.

Lt. Erck has recently spent a thirty day furlough at home, after having completed 18 missions over Germany. He holds the Air Medal with two Oak Leaf Clusters. He reported to Fort Sam Houston on September 1 for further assignment. Mrs. Erck will make her home in Greenville while her husband is in service.

Following the reception Lt. and Mrs. Erck left for San Antonio on a wedding trip.

MISS WILMA H. WATERS TAKES VOWS WITH THOMAS J. SLOVER

In a wedding ceremony performed in the Tremont Temple Baptist Church of Boston, Massachusetts, Miss Wilma H. Waters, daughter of Mr. and Mrs. C. W. Waters, Brownfield, Texas became the bride of Thomas J. Slover, BM 1-C, son of Mr. and Mrs. H. L. Slover of Leveland, Texas. Rev. Frank G. Woods, pastor, read the ceremony Wednesday, August 29th.

The bride wore a navy suit with black accessories and a single strand of pearls.

Thomas W. Whitlock, of Mississippi, buddy of the groom and the only attendant, was best man.

Mrs. Slover, a former Texas Technological College student, was, until the time of her marriage, employed at the First National Bank in Brownfield, Texas.

Slover, boatswain's mate, first class, a graduate of the Lamesa High School, is stationed at the U. S. Coast Guard radio station, Marshfield, Massachusetts, after having spent 22 months of his 3 1-2 years service in the Coast Guard overseas.

The couple will spend their honeymoon in Boston and at the beach until Boatswain Slover reports back for duty at Marshfield on September 13th, where they will make their home for the present.

Mrs. H. V. Williams was dismissed September 11 from a local hospital where she was a medical patient.

Mrs. B. H. Baker was dismissed September 11 from a local hospital where she received minor surgery.

W. T. Elrod was admitted September 10 for major surgery.

Carl Hester was admitted September 10 for medical treatment.

Miss Vepelle Walker was admitted September 11 for major surgery.

Mrs. H. M. Hart was admitted September 11 for major surgery.

Mrs. M. Howard was admitted September 11 for medical treatment.

Mr. and Mrs. A. J. Jones are the parents of a baby boy born September 11.

Miss Doris Ragsdale left Tuesday for Lubbock where she will enroll at Tech for the fall semester.

LOCAL WOMEN TO MAKE PLANS FOR LUBBOCK SHORT COURSE

Mrs. Virginia Reed, chairman of the Dawson County Home Demonstration Council, and Mrs. Myrtle Negy, county home demonstration agent, are attending a meeting in Lubbock today (Thursday, September 13). All council chairmen and home demonstration agents included in district 2 are attending the session, and plans for a program

for a Rural Woman's Short Course to be held at Texas Technological College will be made.

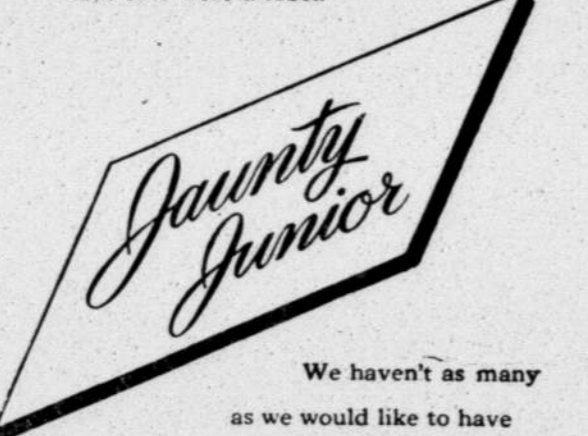

The first of these short courses was conducted in August of 1945, and nine women from Dawson County attended.

Mr. and Mrs. L. F. Meyers of Dallas spent several days here this week visiting in the home of Mr. and Mrs. S. C. Motley.

The Name "JOHN DEERE" on a Tractor Stands for TOP VALUE all the way Through!

JOHN DEERE QUALITY IS REFLECTED IN BETTER PERFORMANCE, SIMPLICITY, DEPENDABILITY, LONG LIFE

WHEN you buy a John Deere 2-Cylinder Tractor, you can be sure that you're getting John Deere quality all the way through.

From the time the raw materials are received at the factory until the tractor is completed, every piece and every part are subjected to rigid tests and inspections by skilled men, using modern precision equipment.

This John Deere quality construction, combined with two-cylinder simplicity, operating economy, and easy adjustability, gives you more dollar-for-dollar tractor value than you can find anywhere.

You'll be money ahead with a John Deere.

Grandview Girls Elect 4-H Officers

Mrs. Myrtle Negy, county home demonstration agent, met with the Grandview Girls 4-H Club Tuesday, September 4, 1945 at the Grandview School to reorganize and elect officers for the coming year.

Officers elected were: Joy Anderson, president; Dorothy Fay Phipps, vice president; Billie Archer, sec-

retary-treasurer; and Ruby Lois Anthony, reporter. Other members present at the session in addition to the newly elected officers included Myrtle Davis, Ima Dee Barton, Mary Alice Anderson, and Martha Marie Phillips.

Club members will have their next meeting on September 18, when they will practice their club song. Ruby Lois Anthony, reporter.

Lamesa I.O.O.F. Team Attended Seminole Meet

A team of 11 men from the local I. O. O. F. Lodge went to Seminole Thursday night, September 6, to help with initiatory work.

Also present at the session were members of the Denver City Lodge, and it is reported that a large number of applicants from both the Seminole and Denver City lodges were initiated under the direction of the Lamesa team.

At the meeting plans were discussed for holding interstate gatherings quarterly. These meetings will probably begin around the first of the year, and all I. O. O. F. Lodges of this area will be asked to attend.

After the regular session, members of the Seminole Lodge served refreshments to their guests. The Lamesa Lodge will meet tonight (Thursday, September 13) in their regular session at 8 p. m. The Denver City Lodge will meet with the local organization and will bring a group of 8 men to the meeting to be given degree work.

Refreshments will be served by the Lamesa Lodge.

Recent Ruling On Home-Produced Meat Explained

A new government ruling requires that a farmer grade his home-produced meat or have it graded when it is stored in his freezer locker.

Roy W. Snyder, Extension meat specialist who also operates a freezer locker for the Texas A. and M. College, explains that currently all meats must be graded in order to be sold under the proper ceiling prices. And since some of the meat might get into commercial channels, the locker plant operator must grade the meat as he breaks the carcass. Once meat has been divided into retail cuts, grading becomes most difficult.

If a farmer cuts up and packages his own meat to be sharp frozen and stored in his own locker for his own use, he need not grade it or surrender ration points for it. But if he takes any meat from his locker and sells it, he must collect ration points for the meat according to its point value and turn these in to his local War Price and Rationing Board, Snyder explains.

STATEMENT OF THE OWNERSHIP, MANAGEMENT, CIRCULATION, ETC., REQUIRED BY THE ACTS OF CONGRESS OF AUGUST 24, 1912, AND MARCH 3, 1933.

Of The Dawson County Courier published Semi-Weekly at Lamesa, Texas, for September 13, 1945.

STATE OF TEXAS, COUNTY OF DAWSON, ss.

Before me a Notary Public in and for the State and county aforesaid, personally appeared Joe Alexander, who having been duly sworn according to law, deposes and says that he is the owner of the Dawson County Courier, and that the following is to the best of his knowledge and belief, a true statement of the ownership, management of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1912, as amended by the Act of March 3, 1933, embodied in section 537, Postal Laws and Regulations, printed on the reverse of this form, to wit:

1. That the names and addresses of the publisher, editor, managing editor, and business managers are: Publisher, Editor, Managing Editor, Business Managers is Joe Alexander, Lamesa, Texas.

2. That the owner is: Joe Alexander, Lamesa, Texas.

3. That the known bondholders, mortgagees, and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages, or other securities are: None.

JOE ALEXANDER, Owner and Publisher.

Cpl. Burk Given Bronze Star For Saving Comrade

SOMEWHERE IN THE PACIFIC (Delayed)—The Bronze Star Medal has been awarded to Marine Corporal G. C. Burk, Jr., 22, of Lamesa, for rescuing a wounded comrade on two Jima.

A section leader in a machine gun platoon, Burk, a former Marine paratrooper of Bougainville, volunteered to rescue the wounded Marine after it was learned he still was exposed to heavy enemy fire. "With complete disregard for his own personal safety, Corporal Burk moved to the wounded man's position and removed him to safety. This action saved the wounded Marine's life. His courageous conduct was in keeping with the highest traditions of the United States Naval Service," a citation signed by Lieutenant General Holland M. Smith, former commander of Fleet Marine Force, Pacific, stated.

Burk is the son of Mr. and Mrs. G. C. Burk Sr., Star Route 4, Lamesa.

(SEAL) Sworn to and subscribed before me this 7th day of Sept., 1945: R. L. GILBERT, Notary Public, in and for Dawson County, Texas. (My Commission expires 6-1-1947).

A New Vegetable Rack Installed At Campbell's Firm

A new vegetable rack has been installed at the Campbell Grocery & Market in this city, and is already in operation, according to an announcement received this week from the owners of that firm.

The new rack is 12 feet in length. It is an open type rack, which provides self service for patrons, and is operated by electricity.

In addition to the newly acquired rack the Campbell Grocery & Market is retaining the same vegetable rack which they have used heretofore, thereby increasing their vegetable department to a great extent.

School Enrollment Continues To Grow

V. Z. Rogers, school superintendent, reported Wednesday afternoon, September 12, that the school enrollment for the Lamesa public schools has increased until there are 1,852 pupils now enrolled for classes at the institutions.

He further states that a new class has been organized for the primary grades, and that the crowded conditions at the school have been relieved some by officials procuring school seats for emergency use.

Superintendent Rogers states that the teacher situation is still acute, reporting that several of the substitute teachers are now unavailable as they have left for college and universities.

The flash every motorist in America has waited for!

A GREAT NEW GASOLINE Is Here NOW!

Phillips 66 rushes the "Fuel of the Future" to your neighborhood dealer!

You never knew a gasoline could be like this!

And neither did we till 3 action-packed years of war-production brought new and marvelous advances in gasoline manufacture!

Now all the "know-how"... the special processes that went into the powering of giant bombers is yours!

Never mind the technical details—just get a tankful and see what it will do!

See if you don't get quicker starts!

See if you don't get more power!

See if you don't get more-miles-per-gallon!

See if your car doesn't act like a two-year-old again when this power-packing, action-getting fuel goes to work in your motor!

THE NEW Phillips 66 Gasoline

MYRTLE DICKIE NEGY
County Home Demonstration Agent
PRIZES FOR 4-H CLUB GIRLS

For many years, Texas boys who did good work in 4-H clubs have been allowed to compete in contests on a county-district, state, and national level. Texas 4-H club girls were not allowed to enter national contests. Last year 33 Texas boys won trips to the national 4-H Club Congress held in Chicago. The big Stevens Hotel, advertised as the largest hotel in the world and situated on beautiful Lake Michigan was the home of the more than 1000 girls and boys who were winners from nearly all over the U. S., Hawaii, and Alaska. They stayed nearly a week and were entertained by such large companies as Sears-Roebuck and Co., Kraft Cheese Co., International Harvester Corp., Spool Cotton Co., and others. Miss Maurine Hearn, Vice-Director for Women and State Home Demonstration Agent for Extension Service in Texas, and other members of the staff, decided this year to let Texas 4-H Club girls enter more contests. Since they are a new step in Girls' 4-H Club work in this State, contests for girls are being entered on a limited basis this year. Four-H Club girls in Dawson County are permitted to try out for the following awards during 1945:

THE GOLD STAR AWARD—This is a Texas contest and is con-

So Distressed—Pained After Eating?
Try Drinking Hot Water With A Little Neutracid Added

If you or any relative or friend suffer the symptoms of acid indigestion, gastritis, heartburn, bloating, gas or other stomach distress due to gastric hyperacidity, then by all means get a box of Neutracid—put a teaspoonful in half a glass of hot water and drink slowly after meals. Neutracid is new—made especially for the relief of gastric hyperacidity so often the cause of stomach distress, indigestion, gas pains, heartburn, burning sensation, and other upset conditions.

Never have you had more blessed or faster relief. Get a box today—ask for N-E-U-T-R-A-C-I-D at Bryant Drug and all good druggists.

Don't Let "Gums" Become Repulsive!
Are your "GUMS" unsightly? Do they itch? Do they burn? — Drug-gists return money if first bottle of "LETO'S" fails to satisfy. (5)

ducted on a county, district, and state level, but not on a national level. It is a new contest for Texas girls. This is how it is conducted: A Gold Star pin will be awarded by the A. and M. College Extension Service to the outstanding 4-H club girl in each county. Only one award will be made to a county each year.

Requirements for the Winning Girl:—

1. She must have completed three years in 4-H Club work.
2. She must have a good established demonstration.
3. She must exhibit leadership and ability along with achievement.
3. A girl may receive this award only one time.

Each girls' 4-H club having a member eligible for the award may select a candidate. The chairman of the Education Committee of the County Home Demonstration Council and two 4-H club girls selected by the Council will serve as a committee. They will visit each candidate and select the county winner.

The name of the county winner should be sent by the county home demonstration agent to the district agent by January 1. The district agent will send the names to the Girls' Club Specialist by Feb. 1. Plans for making the county award will be made by the 4-H club girls and the county home demonstration council.

MAGGIE W. BARRY SCHOLARSHIP—This is a \$300 scholarship, offered by the Texas Home Demonstration Association and awarded each year to the winning contestant in the state. It can be used in any Texas college and is available the Fall after the judging. A girl has to complete 4 years of 4-H club work and be ready for college in September after the award is made in February. She must have a good, established demonstration, must exhibit leadership and outstanding ability, and may receive the award only once. Any girls' 4-H club who thinks they have a member eligible for the award may elect a candidate. The chairman of the Education Committee of the County Home Demonstration Council and two 4-H club girls selected by the Council will serve as a committee. They will visit each candidate and select county winner.

The name of the county winner will be sent by the County Home Demonstration Agent to the District Agent by Jan. 1. The State winner will be selected by Feb. 1. If this award is won in a county, the women the home demonstration council will help with making plans for the presentation of the award.

In next week's column we will discuss the National Contests.

PFC. JACK CREEL COMPLIMENTED WITH PARTY SUNDAY
Mr. and Mrs. E. R. Creel entertained Sunday evening with a birthday party for their son, Jack, who has been visiting here on a 30 day furlough.

Pfc. Creel will leave Monday for Fort Sam Houston for reassignment. His wife the former Maxine Bynum will join him at a later date.

Guests attending were Mrs. E. O. Farmer of Big Spring, Mr. and Mrs. Alton Lewis, Mrs. Virgil Creel and children of Ackerly, W. C. Martin, Mrs. Ida Mae Makowsky of Ackerly, Mr. and Mrs. B. H. Lewis and daughter Ruby, Pfc. and Mrs. Creel and the hosts, Mr. and Mrs. E. R. Creel.

GERTRUDE RIEBOLD TAKES VOWS WITH JOHN N. WHITING

The marriage of Miss Gertrude Riebold, daughter of Mr. and Mrs. E. C. Riebold to T-Sgt. John N.

Whiting was solemnized Saturday evening, September 1, at Garden City, Kansas. The wedding took place at the First Christian Church with the pastor officiating in a double ring ceremony.

The bride was attired in a white suit with black accessories. She is a graduate of the Lamesa High School and McMurray. While making her home in Lamesa she was employed with the Lamesa Public School and the Draft Board. She is now employed by the Western Geophysical Co. as Chief Computer at Lamar, Colorado.

T-Sgt. Whiting who has served in the armed forces for the past several years recently returned from the European Theatre of War.

After a short wedding trip he will report to Ft. Devens, Mass. and on to Ft. Buckner, North Carolina. Mrs. Whiting will continue with her job for the present.

Cape York is the northernmost point of Australia.

Miss Willie Belle Cleveland left this week for Colorado Springs, Colorado, where she will visit with her sister Mrs. W. A. Stephens.

CITATION BY PUBLICATION

THE STATE OF TEXAS
TO: Mrs. Tennie Conner, a widow, if living, and if deceased then of her unknown heirs, administrators, executors or legal representatives, and of them or anyone else who claims any right or interest by, through or under her; and of Mrs. Vela Cone and husband L. R. Cone; and of Mrs. Jessie Ellis (a widow); and of the unknown heirs, administrators, executors or legal representatives of Mrs. Tennie Walls, deceased; and of anyone else who claims any right or interest under and by virtue of deeds to E. Walls recorded in Volume 21, page 67 and Volume 8, page 592, of the Deed Records of Dawson County, Texas, whether said parties are specifically mentioned herein or not.

GREETING:
You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 15th day of October, A. D. 1945, at or before 10 o'clock A. M., before the Honorable District Court of Dawson County at the Court House in Lamesa, Texas. Said plaintiff's petition was filed on the 8th day of September, 1945. The file number of said suit being No. 3017.

The names of the parties in said suit are: Mrs. Allie Anderson and husband S. P. Anderson, Elmer Walls, Mrs. Golda Oehler and husband Herbert E. Oehler, Justice Walls, Mrs. Addie Keith and husband E. H. Keith, Wesley Walls, and Bert Winters as Plaintiffs, AND Mrs. Tennie Conner, a widow, if living, and if deceased, then of her unknown heirs, administrators, executors or legal representatives, and of them or anyone else who claims any right or interest by, through or under her; and of Mrs. Vela Cone and husband L. R. Cone who reside in the State of New Mexico, or whose residence is unknown to plaintiffs; and Jessie Ellis a widow, and of the unknown heirs, executors, administrators, assigns or legal representatives of Mrs. Tennie Walls, deceased, all of whose names and residences are unknown to the plaintiffs; and of anyone else who claim any right or interest or title under or by virtue of deeds to E. Walls recorded in Vol. 21, page 67 and Vol. 8, page 592 of the Deed Records of Dawson County, Texas, whether they are specifically mentioned herein or not, all of whose names and residences are unknown to plaintiffs, except as herein stated, as Defendants.

The nature of said suit being substantially as follows, to-wit: Plaintiff alleges their residences as set out therein, and that they are the owners of various parts, the North One-half (N 1-2) and the Southeast One-fourth (SE 1-4) of Section No. Twenty-one (21) in Block Thirty-five (35), Township 5 North, Dawson County, Texas, in fee simple, as is shown by their petition filed herein. That on or about the 1st day of March, 1945, the defendants entered upon said land and ejected plaintiffs therefrom, to the damage of each of plaintiffs in the sum of \$10,000.00 same being a statutory action to trespass to try title. Plaintiffs also plead the three, four, five, ten and twenty-five year statutes of limitation. They pray for title to and possession of said land and premises, and for general relief.

Issued this the 8th day of September, 1945.
Given under my hand and seal of Wednesday in Lubbock visiting friends.

Mr. and Mrs. Otto Rietmayer and daughters spent Sunday at Friona with their son Walter and wife, who were there for two days enroute to Oklahoma City from Spokane, Washington, where Walter has been stationed for several months.

Mrs. Ernest Huse of Corpus Christi arrived the last of the week for a visit with her mother, Mrs. Ida Lantz, and other relatives.

There was a musical at the home of Mr. and Mrs. Adolph Kunkel on Sunday evening in honor of their son Leonard who has just returned from service in the European Theatre of War.

Four Wells Are Contracted In Welch Pool Here

Ray A. Albaugh, local operator, signed a contract with the Ferrell and Young Drilling Company of Kansas on September 7, 1945 to drill 4 wells on his J. J. Handley leases described as the west 1-2 of the southwest 1-4 and the south 1-2 of the northwest 1-4 of section 36, block M. The contract calls for the first well to be started not later than 90 days from date of contract and continuous operations until 4 wells have been drilled. The location of the first well will be 660 feet from the west and 1980 feet from the south lines of section 36. This well is one location north and one location west of the discovery well which is on the same section. The Ferrell and Young Drilling Company recently drilled the Flenniken well on Section 11, about 9 miles south of town and also drilled the Anderson Prichard Oil Company No. 1 Webb on section 48, block M. Anderson-Prichard Oil Company is awaiting on pumping equipment to put their No. 1 Webb on production. This well was drilled with rotary to 4800 then Beckman unit was installed and the well was drilled in with oil. The first staining in this well was reported at 4825 with good saturation and fair porosity from 4885 to 4917, total depth. Magnolia Petroleum Company No. 1 W. T. Webb is drilling below 3000 feet. This is an offset to the Magnolia Petroleum Co., J. P. Cole. It is reported that the Richmond Drilling Co., No. 1 Nelson, located in the center of the northwest 1-4 of the southwest 1-4 of section 34, block M, will be acidized this week. The Woodley Petroleum Company No. 1 Preston, section 20, block C-41, southeastern Terry wildcat, was drilling below 3600 feet with the top of the anhydrite called at 2180 feet. This well is about 4 miles north of the Welch pool. The Seaboard Oil Company of Delaware moved their seismograph crew in Saturday to make a seismic survey on a block of approximately 22,000 acres owned by Ray A. Albaugh in the northern Dawson County area. It is reported that construction of the pipe line to serve the Welch pool will be started this month. This pipe line will connect with the Texas-New Mexico pipe line about 5 miles west of the Welch pool. The above information was received at this office this week.

A list of arrivals prepared by the Associated Press and carried in the September 13 edition of the Lubbock Avalanche-Journal included the name of Sgt. Wayne L. Gregston. Sgt. Gregston's home is on Route 2 in this county. He was reported to have arrived aboard the Francis Walker which docked in New York Tuesday.

Sam Lattimore Aboard Ship Hit By Suicide Plane

Sam A. Lattimore, pharmacist's mate, third class, USNR, son of Mr. and Mrs. Dick Lattimore, 1053 South Second Street, Lamesa, served aboard the famed Pacific Fleet aircraft carrier, Enterprise, the "fighting carrier in the fleet" now back in the States for repairs after having been hit by a Jap suicide plane on May 14. The Enterprise, whose record of battle dates back to Pearl Harbor, accounted for 911 Jap aircraft shot down by her planes and guns, and 71 ships sunk and 192 probably sunk by her planes during her 275,000 miles of war duty. During the last two months of the Okinawa campaign, the Enterprise was hit four times while protecting land troops from Jap air attacks. Twice she retired from Task Force 58 for repairs at a nearby base. Then, on May 14, this flagship of Vice Admiral Marc A. Mitscher, was hit by a Jap suicide plane. Fourteen of the crew were killed, and 34 wounded. In a record time of 17 minutes the valiant crew had the flames under control and 13 minutes later the fires were completely out. The history of the Enterprise is the history of the Pacific War. The Japs claimed to have sunk her six times. She is the only carrier to have been awarded the Presidential Unit Citation.

HUNDREDS TAKING ADVANTAGE OF THE COURIER'S BARGAIN RATES WHICH ARE IN EFFECT

For only \$1.50 Dawson County and territory residents can now obtain a one year subscription to Dawson County Courier, and for only \$3.00 a two year subscription to the paper can be secured. The bargain rates have been in effect for several weeks and hundreds of people have been pouring into the office leaving their orders for subscriptions to the Courier. The bargain rates will be in effect for a limited time only, and now is the time to take advantage of this great savings. The Courier has proved to be a real guide to people all over this territory. Shopping the Courier way is a money-saving habit. Each issue carries news from local stores. The Courier carries regularly displayed classified ads, which will guide and instruct you when you do your shopping. Lamesa is the shopping center of this district, and the services and merchandise offered here have attracted residents from all the surrounding counties. The Lamesa markets offer the best opportunities of any point in this area, which is the result of the honesty and efforts of the local merchants. In addition to guiding and instructing you when you shop, the Courier carries a large volume of news, thoroughly covering all this area.

The bargain rates were inaugurated by the Courier in order that every family will be a Courier reader. Already the results of the subscription campaign have been so great, that there is a distinct possibility that the Courier will realize its goal of "Every Family Becoming A Courier Reader." Remember that all Dawson County residents, as well as residents of Andrews, Gaines, Borden, Terry, Martin, Lynn and Howard Counties can now get a one year subscription to the paper for \$1.50 or a two year subscription for the phenomenal price of \$3.00. Many new subscribers are calling at the office daily to secure their subscriptions, while old subscribers are renewing their subs and extending their expiration dates. Out of trade territory subscriptions are being sold for \$4.00 per year, and subscriptions for military personnel are being sold for \$3.00 per year.

MR. AND MRS. L. C. BURKHART RETURN FROM TRIP TO CALIF.
 Mr. and Mrs. L. C. Burkhardt returned from California Saturday, September 8, after visiting relatives at various points in the state for approximately a 3 month period. The couple visited their sons, John and Delbert of San Francisco and C. and Leslie of Los Angeles, as well as other relations.

Hancock Four-H Club Elected Officers Tuesday
 "It is important that every 4-H Club boy and girl learn the club songs 'Dreaming' and 'The Ploving Song,'" said T. A. Barfield, county agent, at a joint meeting of the boys and girls of Hancock 4-H Clubs Tuesday, September 4. The meeting was held in the school auditorium. County home demonstration agent, Mrs. Myrtle Negy, presented copies of these songs to members of the club. After practicing the songs, the girls went into the intermediate room and with the help of Mrs. Negy elected the following officers: president, Annabell Jordan; vice president, Lenore Stone; secretary-treasurer, Betty Jo Fillpot, and reporter, Uvonne Jackson. Betty Jo Fillpot, poultry demonstrator for the past year, reported at the Tuesday session that she had received 100 chickens through the Henningsen program and had raised them by hand until they were 2 1-2 months old. She stated that she had lost only seven of the chickens. She has returned to Henningsen's 16 cockerels, as she promised to do. Betty Jo has about 45 fine pullets in her flock. The following girls were present at the session: Billie Frances Wilcher, Joyce Jordan, Nena Stone, Janice Farmer, Doris Uewitt, Nana Beth Cox, Charlene McNeil, Betty Jo Fillpot, Ruby Beatty, Annabell Jordan, Lenore Stone, and Uvonne Jackson. The next meeting for the Hancock group will be held September 18, and a demonstration on green salads will be given by Mrs. Weeks, teacher sponsor. Uvonne Jackson, reporter.

SPURS FOR ADMIRAL HALSEY — Mayor Edd Duffey looks over a pair of hand made, solid stainless steel western spurs before forwarding them to Admiral William F. Halsey on behalf of the citizens of Monahans, Texas. They are to be added to the equipment already sent the admiral for his ride on Emperor Hirohito's white horse in Tokyo. (AP Photo).

Discharges Are Granted To Seven Men In County

Recently returning to civilian life were Bonnie Snell, Lee Stephens, Thurman D. Phillips, Finis M. Hall, Benjamin, Weldon Coffey, and Vernon L. Martin, all Dawson County men, who recently received their honorable discharges from the military service.

Bonnie C. Snell received his discharge papers at the Separation Center at Ft. Bliss on August 28, after 27 months as an airplane and engine mechanic.

A member of the 307th Fighter Squadron and the 31st Fighter Group, Snell was a corporal. He entered the service on June

9, 1942 in Lubbock and received an overseas assignment January 14, 1943, going to North Africa. While across he participated in the Air Offensive in Europe, in Air Combat in the Balkans as well as in the Rome-Arno, Naples-Foggia, Southern France, Northern Appennines, Po Valley, and Rhineland Campaigns.

For his services he was awarded the E.A.M.E. Service Medal, Distinguished Unit Badge, and the Good Conduct Medal.

Another Dawson County man who recently received his discharge is Lee R. Stephens, who served as a technician fourth grade with an engineer detachment. He was a member of the 4817 Service Command Unit.

Stephens' discharge was granted to him at the Separation Center at Fort Bliss August 31.

A truck driver who made his home on Route D in this county,

Stephens entered the service on May 8, 1941 at Ft. Bliss. He trained as an automobile serviceman and left for duty overseas January 23, 1942, going to Australia. On January 2, 1943 he went to New Guinea, and returned to the States January 2, 1945 after serving 2 years and 11 months overseas.

Battles he participated in included the Southern Philippines, Papua, East Indies and New Guinea Campaigns.

He is possessor of the Distinguished Unit Badge, American Defense Service Medal, Asiatic-Pacific Service Medal, and the Good Conduct Medal.

Discharge papers were distributed to Thurman D. Phillips, a corporal with the 2528th Army Air Forces Base Unit at Ft. Bliss on September 6th.

Phillips is a veteran of 2 years and 4 months of overseas service, having left for foreign duty on November 1, 1942 when he sailed for North Africa.

Wearer of the Good Conduct Medal and the E.A.M.E. Service Medal, he returned to the States March 26, 1945.

Phillips entered the service April 6, 1942 at Ft. Bliss and filled the post of an airplane sheet metal worker while a member of the armed forces.

He was an auto mechanic as a civilian and resided on Route 4 in this county.

Finis M. Hall, who enlisted on August 25, 1942 at Fort Sill, received his discharge September 8. He was a private in service.

Benjamin Nicholas McBurnett Jr., a former member of the United States Navy, was given his discharge papers at the receiving ship in San Francisco, California, August 29th.

Serving as a ship's service man third class, McBurnett was on active duty from July 6, 1944 to August 29, 1945.

Granted a discharge August 30, at Ft. Sam Houston, Weldon H. Coffey was a member of the 4051st Army Air Forces Base Unit while in military service.

He entered the armed forces November 25, 1940 and served as a private first class.

Spending 2 years and 1 month across, he had part in the Naples-Foggia, Rome-Arno, and Southern France Campaigns as well as other battles in the European Theatre of War.

He is possessor of the E.A.M.E. Campaign Medal with 3 Bronze Stars, the American Defense Service Medal, and the Good Conduct Medal with 1 clasp.

He served overseas from April 2,

Two Veterans Are Back—
SINCLAIR H-C
 and
SINCLAIR ETHYL GASOLINES
Better Than Ever

Sinclair H-C and Sinclair Ethyl Gasolines are back from the wars... BETTER than ever before.

BETTER because of improved refining processes developed in producing 100-octane gasoline for warplanes.

BETTER because Sinclair is now able to put into Sinclair Gasolines certain important components heretofore used exclusively for fighting gasolines.

As a result, the new, higher-octane Sinclair Gasolines will give you better mileage, speedier take-offs and less ping or knock in your motor.

SO drive in for Sinclair H-C or Sinclair Ethyl Gasoline today and notice how much better your car performs.

80,000 TRIPS
around the
WORLD

80,000 times around the world—2 billion miles. That's the distance civilian trucks and buses travel every year on Sinclair Lubricants.

Truck and bus operators select Sinclair Lubricants because they can be counted on to save wear and help prevent breakdowns in the tough grind of hard war duty. Sinclair Lubricants of the same high quality that safeguard fleets of trucks and buses are sold by your Sinclair Dealer to protect your car.

So see your Sinclair Dealer and let him lubricate your car regularly to save wear and breakdowns. Stop where you see the Sinclair H-C Gasoline sign.

SINCLAIR LUBRICANTS

Cosden Products Can Help You Get Through Winter

Summer heat won't last much longer, and you will want to have your car in first class condition for the winter months ahead.

There's a real treat in store for you at Campbell & McGuire's Cosden station in this city, for there they can provide you with higher, longer mileage fuels and oils for your automobiles that will see you safely through the winter months.

Also at this time of year, the farmer's attention is centered around his oncoming harvest and he is making plans on how he can get his crops harvested with the greatest amount of success. The harvest season is the period when he wants to make use of every service and every product that will assist him in completing his job with a great amount of success. Campbell & McGuire is geared to help you through the busy season.

School Childrens Eyes Should Be Examined Now

When children's reports aren't satisfactory, look for the reason. Oftener than parents or even teachers can know, the blame rests with weak eyes. Truly, few things one can do for a child are more rewarding than regular visits to an optometrist, and few things are more immediately beneficial, when indicated, than glasses.

Experience has proved time and again that poor vision is one of the main causes behind poor school work. Dr. J. M. Harrington, local optometrist states, "It is essential to have your child's eyes examined and to know if they are in a weakened condition that may handicap him in his work.

"A child without good vision can not do his school work well."

Don't blame your child if his progress is slow. Glasses often bring an immediate improvement. Everything depends upon seeing well. Imperfect eyesight cuts your efficiency, causes you to make errors

in many ways.

The Cosden's approved oils and greases which they handle will keep your machines running throughout the season and you will conserve time by depending on these reliable products which have been sold in this territory for many years.

When you use Cosden's products you are not taking chances because you are using fuels that have proven their ability.

The local station has a fleet of trucks for delivery purposes, and they deliver Cosden products throughout Dawson and Gaines Counties.

The firm remains open day and night for your convenience.

Call at Campbell & McGuire today and use their services and products. You'll not want to delay because it may prove costly to your motors. If you want to be assured of engine efficiency and of getting lower miles per gallon of gasoline, keep quality Cosden gas in your tanks, and good oils in your cranks. With these good motoring products, you enjoy efficient, smooth driving.

Lamesa BUSINESS AND PROFESSIONAL Review

Presenting each week news about live, progressive firms and individuals of Lamesa

Geared to meet your needs is Campbell & McGuire's Station, which carries a line of famous Cosden products. Motorists will find that by using Cosden they can get through the Winter with smooth, efficient driving. Farm machinery owners will find that their machines will work consistently and perform better through the use of Cosden. Drive in at the station today and let them supply your needs in the fuel line.

Plains Feed & Produce Company Is Dressing Poultry For Patrons

Everything has been put in readiness for dressing poultry at the Plains Feed & Produce Company at 206 North Main Street which is owned by A. P. Monthey. A special poultry dressing room has been set up at the company, where this type of work is done. The dressing unit is sanitary and arranged in a manner to assure you of getting clean, well dressed birds from the Plains Feed & Produce Company.

Mr. Monthey states that his business started dressing poultry this week. He reports that the chickens which they prepare are being sold to local markets currently, and that it is possible that in the future they will sell some birds to out of town markets.

In today's world proteins are the all important food because it's the substance you are made of. It's the material which adds new inches and pounds to your children and it's the substance which keeps up the human machine and keeps it repaired.

The only way to get proteins is in the foods you eat and that's why meat is so important. Plains Feed & Produce Company has concentrated their efforts toward helping to provide you with flavorful meats which will help supply you with essential nutrients, and you are invited to try their dressed chickens.

The firm is only dressing the very best of birds for their patrons.

Mr. Monthey states that either live or dressed poultry are for sale. In addition, Plains Feed & Produce will continue to handle cream and eggs as they have in the past.

Their cream is sold to local concerns.

Mr. Monthey reports that his company buys graded eggs. Farmers selling their eggs on the grade basis will realize a savings. All number 1 eggs from the Plains Feed & Produce Company are sold to the Army for use in military camps.

Don't overlook the dangers of eyestrain but through glasses ward off nervousness, fatigue and headaches which may result from poor vision.

Make sure your children are not handicapped, and give them the advantage of having their eyes examined today by an expert.

ATTENTION.....FARMERS AND POULTRY RAISERS

Remember it is essential to conserve feed to produce the greatest amount of food for victory. Increase profits by using La-Mesa and Rocking-H Feeds.

Eggs require care during summer months. Greater premium paid for good No. 1 Eggs.

Gather eggs more often—Keep nests clean. Market the eggs 3 times a week.

CANADA'S DISORDERS EXPLAIN THEMSELVES

VANCOUVER, B. C. (AP) — Nudity has been used by Doukhobors in Canada for 42 years as a means of protest, but according to the religious beliefs of these "spirit wrestlers" the lack of any clothing denotes equality and spiritualness—not fanaticism.

Some members of the sect now practice public disrobing to express protest. The orthodox or conservative Doukhobors renounced the custom last year but emphasized that nudity would be retained as part of their religion.

The preamble to a resolution passed last October by the 24 elders of the Spiritual Community of Christ, the orthodox branch, said public disrobing was first practiced here in Canada in 1903 in Saskatchewan when authorities attempted to subject them to the naturalization law, to make them subjects of the King of England.

The Dawson County Courier is the Gateway to the stores with the goods you want.

Quick Frozen Vegetables Said To Be Appealing

It's no wonder that homemakers like to buy quick frozen vegetables. They take so much less time and effort to prepare for the table than fresh vegetables. Perhaps you'd enjoy a quick trip through a commercial plant to learn how vegetables are processed.

Peas, for example, are sweetest when they're young and tender, in the early stage of maturity. So it's important to get them quickly from the field to the plant.

The first step in the packing plant is that of dry cleaning the peas. The bits of skin or pods are blown and shaken out. Then the peas go through a wet wash. And by that time are scrupulously clean and ready for the blanching process. For thirty seconds the peas receive a steam blanch that destroys or checks the bacteria. Color and flavor are set, too, so they change very little throughout the freezing, storing and final cooking in your kitchen.

The process of cooling the peas follows immediately after the blanching. The next step in this commercial quick-freezing process is a salt water bath. Over-mature,

Discharge emblems are placed below the blue stars when the flag is vertical and to the right when it is horizontal.

Q. My husband is to be discharged from the Army soon. We would like to buy a certain piece of land on which to build a home. Can we buy the land under a G. I. Bill of Rights loan?

A. No, unless the property is for a farm or for business purposes. If your husband acquires a clear title to the land, however, then he may apply for a loan to build the house, at any time after his discharge.

Q. Is it true that soldiers are now being discharged because they are over 38?

A. Yes. Soldiers who have reached their 38th birthday may apply for and receive a discharge within 90 days at the most.

starchy peas will go to the bottom in this salt solution, and the tender ones will float on top.

After the tender peas are washed to remove the salt water, they are spread out on moving belts. A group of skilled women give the peas a final once-over. One more bath, and they're ready to be packaged in waxed paper cartons.

The last important step is the quick freezing process. The peas are frozen so quickly that they retain all their natural goodness.

One of the most recent additions to the quick-frozen food family is citrus juice. In order to save metal citrus juice is frozen in large block — 10 to 30 pounds in size—and shipped in fibre containers to domestic army camps. When the blocks melt, the juice has the natural flavor of fresh fruit.

Inspection Points For Truck Tires Are Eliminated

Elimination of Central Truck Tire Inspection Stations, effective September 1, was announced today by the District Office of Price Administration. The inspection stations are located in Lubbock, Odessa, Big Spring and El Paso.

At the same time the District Office announced the following changes in the elimination of the stations would bring about:

1. Tires on hand at central truck tire inspection stations September 1 must be returned immediately to applicant or forwarding inspection station.

2. No tires needs to be turned in with certificates issued after September 1 for truck tires, if the inspection was made prior to that date.

3. After September 1, tires (both passenger and truck) must be turned in to selling dealer, except on certificates for truck tires issued prior to September 1. Tire inspection stations are not to hold any tires after August 31.

4. All tires turned in at time of purchase are to be held 30 days for examination by OPA tire examiner.

The District Office also announced that quotas for large truck tires will be turned back to local Boards, September 1 and Boards will handle all applications for these tires. The Emergency Truck Tire Board at the District Office has been eliminated and the responsibility for issuing certificates for large truck tires returned to local Boards.

The first class of 10 students in what was to become Columbia University met in 1753 in the vestry room of Trinity Church. The following year the charter for Kings College, which became Columbia, was granted.

BEE CULTURE IS BIG BUSINESS

The busy bee has earned the right to recognition among Texas' big time producers. The extent of the bee business is not as well known as crop growing and manufacturing, but according to an estimate by the U. S. Department of Agriculture, two hundred and thirty-one thousand colonies were working in Texas from spring to sundown on July 1. This more than a quarter million colonies means that many millions of bees were building up a store of sweetening to supplement the limited sugar supply, and at the same time were pollinating fruit trees and other plants to assure yields of other food crops.

Texas now stands fifth among the states in the number of working colonies of bees, the U. S. Department of Agriculture estimate shows. California leads with slightly more than twice the number in Texas; Ohio ranks second with Minnesota third. Iowa nosed Texas out of fourth place by two thousand colonies, due apparently to a gain of twelve per cent over 1944 while Texas gained only nine per cent. Last year, Texas topped Iowa by four thousand colonies.

The early spring being wet and chilly was unfavorable and caused considerable loss among Texas colonies. The late spring, however, was highly suitable for honey flow, the U. S. Department of Agriculture reports. Although the condition of colonies was reported to be somewhat lower than in July, 1944, the condition of nectar plants was slightly better than on the same date one year ago.

wall of the Palace Theatre adjacent on the east, also all lots 18 and 19 in block 33 of the original town of Lamesa, September 7.

S. M. Mitchell to H. A. Shipp, lots 1 and 2 in block 2 of the Gaines Addition to the town, September 7.

J. J. Ward to Sid R. Jeter, lot 1, 2, and 3 in block 21 of the Lee Addition to the town, September 7.

A. L. Gray to Mrs. May Petree, east 1-3 of the north 270 feet of the west 1-2 of block 26 of the Lamesa Heights Addition to the town of Lamesa, September 7.

SUGGESTION FOR CIVILIANS USING DDT

The knowledge of practical uses of ODT insecticides in agriculture and around the home still is far from complete. Paul Gregg, entomologist for the A. and M. College Extension Service, says that investigation by the Bureau of Entomology and Plant Quarantine, U. S. Department of Agriculture, show that DDT is not effective against certain insects as is some other poisons in use, such as pyrethrum or rotenone. Furthermore the proper formulation to use against each pest, and the rate and time of application have not been worked out for many insects.

Gregg says that the Bureau's investigation, conducted in cooperation with several state agricultural experiment stations, show that DDT is harmful to honeybees and other useful insects. Used indiscriminately, DDT may interfere with adequate pollination of important food or seed crops. It also may destroy insects which ordinarily keep certain harmful pests under control, and also kill insect-feeding birds.

On the basis of the Bureau's findings, Gregg says that DDT insecticides cannot be recommended for use on grain, forage or other crops used for animal feed. This is because of the possible danger associated with residues. Special care should be taken to avoid residues of DDT on fruits and other parts

of plants or plant products to be used for human food. Persons using it in oil solutions or emulsions are cautioned to avoid repeated or prolonged exposures. It is readily absorbed through the skin of men and animals in this form.

In preliminary test in soil at the rate of 25 pounds an acre DDT was found to retard the growth of rye, strawberry plants, onions, bush beans and other vegetables. It was believed that in most instances, however, that several years would be required to accumulate injurious amounts of the chemical in the soil from applications or dosages for control of insect pests.

Until more complete information is available, Gregg recommends that DDT insecticides be tried on only a portion of the crop until it is certain they will do the job satisfactorily.

WAR TURNS TUNA INTO POOR FISH

TILLAMOOK, Ore. (AP) — Schools of tuna have only a sucker's chance since the war put flying fishermen over the Pacific. Crews of Coast Guard blimps patrolling offshore waters for enemy subs and distressed vessels also devote their aerial watch to spotting tuna. When a school is located, the blimp radios to regular stations at Astoria, Ore., or Aberdeen, Wash., where the signal is relayed to commercial fleets at sea.

MR. PRODUCER:
DAWSON COUNTY TRADE TERRITORY:

As we approach the harvesting of another Grain Crop may we remind your of a few facts:

For the past several years we have had the pleasure of buying grain from practically every producer in this county.

We have strived to make every trade entirely satisfactory to the seller.

Every load of grain purchased by us has been weighed over our bonded public scales operated by an elected weigher elected by the people.

We are in the market every day for Milo, Kaffir and Hegari and in dealing with us we assure you of the highest possible price for your grain, any opinion offered by us as to prices and market condition has and will continue to be the best information obtainable.

We have ample trucks to move your grain to town quickly and we guarantee you to be pleased with our clean up from ground to trucks.

Be sure to see us before selling, we are in a position to make advance contracts or buy your grain at top market price when harvested.

THANKS,
LAMESA GRAIN COMPANY

L. Dean Tells Of Vets Desire To Come Home Soon

Editor's Note: The following letter was received this week from Leonard K. Dean, S 1-C, who is the son of Mr. and Mrs. Alex Dean of Patricia. Leonard Dean is stationed on the Philippines and serves

with the Seabees. He has enclosed an article entitled "Overseas Veterans Speak" which is printed below his letter:

Philippines, Sept. 3, 1945
Dear Mr. Alexander:

I am sending you the enclosed paper, entitled "Overseas Veterans Speak," in hopes that you will see fit to publish it in your paper "The Dawson County Courier." I believe that the enclosed paper expresses the feeling of all service men who have been or are currently overseas. We are not asking, nor do we expect to all go home on a minutes notice but now that the big job is over we who have been out of the States from one to three years, are ready for some fast and decisive action to be taken so as to insure our return to civilian life as early as possible.

I and my friends will be most grateful if you will publish the article "Overseas Veterans Speak" in your paper. Copies of this will go to papers all over the nation so we want the people of Dawson County to get it "first rate"—out of the home town paper.

In closing I want to wish the best of everything to you, your family and to the people of Lamesa and Dawson County for the future. Gratefully yours,
Leonard K. Dean.

Fewer Cattle Diseased With Tuberculosis Now

In three livestock-market centers of the East, which 20 years ago received large numbers of cattle seriously affected with tuberculosis, cases of this disease are now rare. Of 430, 230 cattle slaughtered in centers during the year ending June 30, 1945 only 59 head—or about 1 in 7,300—were condemned for food because of tuberculosis by inspectors of the Federal meat inspection service.

In 1925 at the same market centers and under the same inspection, condemnations ran into the thousands and the proportion was about 1 in every 80 animals slaughtered. The cities are Boston, Mass., Buffalo, N. Y., and New York City.

Officials of the Bureau of Animal Industry, United States Department of Agriculture, attribute most of this saving in cattle and beef to the systematic campaign against bovine tuberculosis.

For livestock owners, city residents, and others who cooperated, the campaign of eradication is "paying off" in greater conservation of beef as well as in an increase in milk production per cow and in greater wholesomeness of products from healthy animals.

Had the proportion of tuberculous cattle at the three markets been as great last year as 20 years ago, there would have been a loss, to the food supply, of more than 5,000 animals representing about 2,000,000 pounds of carcass beef.

Similar savings, in varying degrees, are known to have occurred and are still in progress at the many other livestock markets of the country.

Julia Grayson

The District Missionary, Brother J. William Arnett will preach at New Home Baptist Church Sunday. You are invited to come and hear him.

Mr. and Mrs. Luther Lee and children have returned from a visit with relatives at Santa Fe, New Mexico.

Stelvin Lee and Ruth Lee have gone to San Diego, California, to visit their sisters.

Mrs. James Aten spent the week end with her parents, Mr. and Mrs. Roy Phillips.

Mr. and Mrs. W. B. Bewley, W. L. Lee, and Mr. and Mrs. E. G. Grayson attended the Associational meeting at Midway Wednesday.

Herman Rains has returned home from a visit with relatives at Cisco.

Mr. and Mrs. J. S. Jackson and Wayne and June attended a reunion of the Jackson families at Big Spring Park Sunday. Twenty-seven

members of the family were present.

Mr. and Mrs. W. P. Cozart were hosts at a dinner party Sunday honoring Boots Cozart and Carol Ann Grayson on their birthday. Those attending were Mr. and Mrs. David Grayson and children of Seagraves, Mr. and Mrs. Logan Cozart and children, Mr. and Mrs.

Luther Lee and children and Mr. and Mrs. E. G. Grayson. Ice cream and birthday cake were served to the guests.

Miss Linda Kemper daughter of Mr. and Mrs. Ray Kemper and Floyd Whitehead son of Steve Whitehead of Welch were united in marriage. The wedding took place Friday at Lamesa.

Mrs. V. A. Weity and Mrs. Grayson called on Mrs. W. E. Nichols Friday afternoon.

Diamonds and gold were discovered in Africa in 1870.

The Romans in their earliest buildings used a material called tufa, a volcanic rock.

SAYS SECRETARY OF AGRICULTURE:

Despite Victory Used Fat Saving Must Go On!

Every woman in America should know that our country continues to face a serious fat shortage. And victory over Japan won't solve the problem immediately. We must keep on saving used fats in our kitchens!

If you have any thought that saving used fats is one of those wartime chores we can drop, now that Victory is here, please consider these facts and tell them to your neighbors.

Don't let a single drop of used fats go to waste! Little trimmings of fat left on the platter at the table, scraps left on plates, and even the skimmings of soups and gravies are important. It is the consistent saving of even these small amounts that counts.

America still needs salvaged fats. Not even at the peak of our war effort, when fats were required for mountains of shells and bombs and medicines, in addition to the ever-present need for soap, were our needs for salvaging fat greater than now. Our stocks have been drained by four long years of war, and there isn't enough on hand to meet all requirements.

Don't turn in fats that can be re-used! But some fats, such as those rendered from lamb and mutton, are not suitable for re-use. Put them immediately in the salvage can. And, with other fats, after you've got all cooking good out of them, there is always a little left. No matter how little it is, save it.

Don't let "Victory psychology" blind you to this national need! If housewives stop saving fats now, the shortage will become even more critical.

Your butcher will still give you 4¢ and 2 red points for every pound you turn in. Save consistently—save every drop you can—every day—until Uncle Sam says the job is done.

Clinton P. Anderson
Secretary of Agriculture

THE CHURCHES OF CHRIST SALUTE YOU. Rom. 16:16 Bible Doctrine That Cannot Be Denied

**BELIEF
REPENTANCE
BAPTISM INTO**

"IN CHRIST"

1. Salvation From Sins: 2 Tim. 2:10
2. Redemption through his blood: Eph. 1:7
3. Forgiveness of Sins: Col. 1:14
4. The Holy Spirit: Eph. 1:14
5. All Spiritual Blessings: Eph. 1:3

-SALVATION in the World to Come

This is the New Testament manner of describing the SAVED STATE, that state in which salvation or remission of sins is obtained. "IN CHRIST" we come in contact and in possession of, (1) Salvation from past sins; (2) Redemption through Christ's blood; (3) Forgiveness from past sins; (4) The gift of the Holy Spirit; (5) All spiritual blessings. This leaves NO spiritual blessings for any man OUT OF CHRIST, for they are "ALL" declared to be IN HIM. Now the same inspired word which assures us that all these blessings are in Christ and none OUT of Him, emphatically declares that we enter INTO CHRIST THROUGH BAPTISM, Gal. 3:27; Rom. 6:3-4. When One believes, repents and is BAPTIZED INTO CHRIST he comes into REDEMPTION—FORGIVENESS—ALL BLESSINGS.
