Order 3 Buses

Supt. Fred Miller reported that three new school buses have been ordered and delivery is expected this summer. The buses will be 48-passenger Superior bodies mounted on Chevrolet chassis.

Teachers Resign

Supt. Miller was busy Monday morning in an attempt to fill several vacancies created by resignation of faculty members. Many of those who resigned are leaving the teaching profession.

Resignations were filed by the following: Mrs. Eleanor Mills, journalism and English; Delou Caldwell, math; Mrs. Norman Shaw, girls p. e. instructor and teacher in grade school; Mrs. Thomas Johnston, eighth grade; Mrs. Jack Hackler, home making; Mrs. Bill Merkle and Mrs. M. F. McKnight, sixth grade; Mrs. J. H. Barnett, fourth grade; Mary Frances Bledsoe, commercial work in high school; M. O. Hood, vocational agriculture; Louis Purvis, coach.

The first grade will be divided into three groups next term instead of two groups as in the past. The same applies to the second grade. Three teachers are to be elected for the first grade. One of the three instructors needed in the second grade has been elected. She is Miss Annie Mae Cox of Fort Worth.

Band work is to be resumed in the school next term following an absence of many years. A band instructor is to be elected.

SENIORS ON TRIP

The AHS Senior Class, accompanied by Mrs. Jack Hackler and Ray Veto, sponsors, and Mrs. W. V. Cunningham, are on a tour of Texas cities this week. The group left Saturday morning and is due to return Friday night, May 28. The trip is being made in a school bus driven by Billy Harkey. Cities visited include San Antonio, Galveston, Houston and Austin.

Members of the Future Farmers of America and their sponsor, M. O. Hood, are on a tour of Colorado this week. They left Saturday aboard a school bus, and plans were to be away about eight days. Buck McCrummen is driving the bus.

Driver of Bus is Attacked Friday Night As Violence Flares in Strike

Bus Driver McElroy

(Story and Photo Courtesy of Lubbock Avalanche-Journal)

It was a "rough trip" that Hubert Warren McElroy made to Amarillo.

McElroy—left hand badly swollen, right knuckles peeled, upper lip cut, one eye puffed and a skinned patch on his forehead—was driver of a T&M&O bus that left union terminal in Lubbock late Friday night and ran into adventure at its first stop.

At Abernathy, McElroy and several other witnesses said, the driver was beset by six men who, McElroy charged, assaulted him in efforts to prevent his taking the bus on to Amarillo while a strike of bus drivers was in progress.

The 5-ft. 10-in. McElroy, whose stripped weight is 195 pounds, had been in ticklish places before—several of them with the 71st fighter squadron of the 1st fighter group of the 15th Air force in Italy.

McElroy started to get out of the bus, he told bus company officials and Chas. C. Crenshaw, an attorney, "and saw what was coming."

Before he had time to realize it, things were happening. "Say, buddy, what's the fare to Amarillo?" a fellow said, walking up to McElroy.

Five other men came around from behind the bus, and McElroy cut loose with a haymaker.

At least one other blow had a sleep potting in it.

Witnesses said two of the alleged attackers fell to the ground and that McElroy gave the other four so much competition that they soon retired to two automobiles and disappeared.

The two who found themselves stretched on the ground seemed to have developed a sudden disinterest in the battle. That was about all McElroy would say to newsmen, except that he was glad that no further trouble showed up. "My left hand would not have been very effective farther down the line."

He said he telephoned company officials and that state highway patrolmen of the Lubbock and the Amarillo districts provided an escort the remainder of the way to Amarillo.

In Amarillo, city, county and state officers met the bus, he said.

He said several men followed him around in Amarillo, "but I didn't talk back to them." He said he believed that action perhaps averted more trouble.

The 28-year-old father of a 4-year-old daughter lives at 1921 Sixth, Lubbock. He never did any boxing.

"My arms were too short," he said. He could still grin.

The attackers, alleged to be strikers, followed, or preceded the bus and made the assault at Abernathy, the first scheduled stop of the Amarillo-bound bus.

The violence is outgrowth of a wage dispute strike of drivers for the Texas, New Mexico & Oklahoma Coaches, Inc., with headquarters in Lubbock.

City Marshal O. Rutledge was notified after the attack here and he assisted McElroy in clearing Abernathy with his bus. Rutledge called Hale County Sheriff Ted Andrews in Plainview and official protection was provided for the stop there.

Virgil N. Stovall, a substitute driver on the Lubbock-Seymour run, was attacked at Guthrie and forced to abandon his bus.

WANDERERS RETURNED:

Mr. and Mrs. R. M. Winters returned from Hot Springs on Saturday. The item last week regarding Mrs. W. E. White was supposed to have read "Mrs. Winters". The reason the items were moved is because Mrs. White has also been in Hot Springs taking the bath treatments.

Hiram and Rosa Lee Cox went to Mason County over the weekend to visit and to bring their mother, Mrs. T. H. Cox, back home with them.

OUR REGRETS:

Mrs. Jube Cooley underwent surgery last week at West Texas hospital. She is doing nicely, and is now at her home, three miles north of Monroe, just across the tracks. She will enjoy visits from her friends.

Mrs. Lucile Grimes remains in a critical condition at Dallas Methodist Hospital. Members of her family will be glad to hear from their friends and neighbors. Their

mail is received at the hospital, Room 306.

MISS WHITAKER HONORED:

Arinda Whitaker was honored on Friday evening following Elementary Commencement exercises at the home of Mr. and Mrs. Roy H. Priest. Arinda was the valedictorian of her class. Besides members of her class, the following teachers and their families were present: Superintendent and Mrs. A. L. Faubion, Principal and Mrs. A. L. Acker, Mr. and Mrs. Claude G. Lawson, Mr. and Mrs. B. M. Hays, and daughter, Helen Jean, Miss Gertrude Myers, Mr. and Mrs. Ben Whitaker, and son Larry.

The dining table was laid in a white lace cloth, centered with a candelabra style bowl holding pastel roses and white candles. Mrs. A. L. Faubion, Mrs. Ben Whitaker, Joan Priest, and Christine Lenoir assisted in serving refreshments that carried out the green and gold colors of New Deal school. White napkins were hand lettered in green and gold "Sen-

iors, 1952".

VISITORS:

Mrs. Leroy Smith (Cleva Covey) and her three children visited in the L. G. Covey home last week. They came especially to attend the graduation exercises at Abernathy, where Leroy's sister was a member of the class.

Mrs. Emma Agnew's sister, Mrs. A. W. Thomas of Floydada, spent the day with her one day last week.

TRAVELERS:

Mr. and Mrs. J. D. Jenkins are visiting relatives in the foothills of the Ozarks this week. Barbara stayed in Lubbock with her grandmother getting ready for their trip to California.

DID YOU KNOW?

That anytime you make an emergency or business long distance call you pay more tax to Uncle Sam than you pay on a fur coat, diamond ring, or a bottle of perfume. I was unaware of this fact, even though my husband is a telephone company employee until a few weeks ago when I made an emergency call to my mother's home in Dallas. During the war years, we have been without a telephone most of the time, so I had not kept up with the charges and taxes. I knew there was a tax, but I did not dream that our people were being overburdened in this case. A great percentage of calls that are made long distance, are calls of emergency and business nature, and it seems unfair to be given a more than luxury tax on such calls.

What can we do about it? I'll tell you what I plan to do. I intend to write the government representatives from this district and my home district to remind them that the voters an dtax payers "back home" do not like the idea of paying TWENTY-FIVE PER CENT TAX on our long distance telephone calls! I understand that the telephone companies of our nation are trying to have this unfair tax altered, but it may take the concerted effort of the entire populace to get the job done.

HATS OFF!

has served this community. New Deal's record is unscathed and her future is bright. Long live New Deal as she is today!

Somewhat when a school year is drawing to a close, the time seems appropriate for handing out the appropriate right and left. It is a bouquet of most of us get all bubbly inside and want to say a lot of good things to everybody. It comes from my heart when I say to the entire staff of our school including its board of trustees, "Thank you one and all for a good school year for my child". This school expresses the feelings of most parents of this entire section and for them also, I say, "Thank you".

To the Southern Baptists for making a long and consistent campaign against liquor. Every member of the Southern Baptist Church is being asked to sign a pledge of total abstinence on May 30. — No, I'm not a Baptist, but I think I recognize a good thing when I see it, and in my opinion there is nothing but good in the stand our Baptist friends have taken against the use of alcoholic beverages!

Rev. H. T. Pendley, pastor of Abernathy First Baptist church, and Mrs. Pendley attended the Southern Baptist convention in Memphis, Tenn.

OIL NOTES

One new location was reported during the past week for the Anton-Irish field.

That prospector is to be Magnolia Petroleum company No. 1 Elton Blackmon, and is 660 feet from south and east lines southwest quarter of section 7, block DT, HE & WT survey. It is in the Hale county side of the field, and is to dig to about 6,300 feet, to test the

Clear fork of the Permian, the producing formation of that territory.

Hunt Oil company No. 1 H. P. Adams, stepped out from production in the Hale county sector of the Anton-Irish field, and 660 feet from south and east lines of section 7, block DT, HE & WT survey, was bottomed at 6,100 feet and was installing a pump to test and complete from the section between 5,800 feet and 6,100 feet.

That zone had been treated with

acid, and had shown on preliminary tests that it will be finished as

some sort of a producing oil well. Drilling wells in the Anton-Irish area include:

Stanolind No. 3 Durrett had reached 3,500 feet in anhydrite and shale.

Stanolind No. 6 G. W. Blackmon was making hole below 3,166 feet in anhydrite and shale.

Stanolind No. 3 Myatt had spudded to 325 feet and had cemented

13 1/2 inch casing at 214 feet, with

160 sacks. It will drill the plug, and start making new hole, in a few days.

Stanolind No. 5-A Lee Irish was drilling ahead under 2,780 feet in anhydrite.

Stanolind No. 5 G. W. Blackmon, was boring on down below 4,930 feet in lime.

Stanolind No. 2 Rollingsford Saving Bank had reached 3,900 feet in anhydrite, and was shut down while making rig repairs.

Stanolind No. 3 Rollingsford Saving Bank had progressed past 4,520 feet in lime, and was drilling ahead.

Stanolind No. 1 L. A. Haral was

on a total depth of 6,304 feet and was swabbing to test.

Stanolind No. 4-A Lee Irish had penetrated under 5,306 feet in lime.

Stanolind No. 3-B Lee Irish was on a bottom of 6,075 feet in lime, and was also testing.

Stanolind No. 4-B Irish was at 5,481 feet in lime and was moving in a reverse circulation drilling unit to use in making more hole.

Humble Oil & Refining company No. 1 T. E. Lutrick, six and one-half miles northeast of Abernathy, was on a total depth of 8,025 feet, about 80 feet into a saturated lime section, and was shut down for repairs at last report.

Operator had made several attempts to run a drillstem test, but none of them had been satisfactory.

Electric Cooking"

For good cooking, and cooler cooking, you just can't beat an electric range...it's the easy and low cost way to prepare better meals with less effort. Electric cooking is best because you can control the heat you're using exactly, make sure that every dish gets just the right amount of heat for the right amount of time.

Better still, you'll have more time to "get out," for the new electric ranges require no watching...cooking is practically automatic.

Plan now on doing better cooking...electrically... You'll get more and more enjoyment from cheap electricity in the Panhandle Plains, Pecos Valley Area.

In the receiving line were Mrs. Barton and Mrs. Albers, mothers of the bride and groom, Mrs. Houston and Miss Barton.

Misses Billie Ann Watts and Beverly Cumbie presided at the serving table which was covered with a white linen damask cloth and centered with a miniature church scene with the bride party approaching the entrance from an archway of white baby's breath and fern. Miniature white vases lined the satin covered aisle. Tall white tapers formed the background.

The colors of yellow and white were carried out in snapdragons on the buffet on which were burning candles in crystal holders. A large white wedding bell tied with white satin ribbon hung from the archway to the dining room.

In the receiving line were Mrs. Barton and Mrs. Albers, mothers of the bride and groom, Mrs. Houston and Miss Barton.

Misses Billie Ann Watts and Beverly Cumble presided at the serving table which was covered with a white linen damask cloth and centered with a miniature church scene with the bride party approaching the entrance from an archway of white baby's breath and fern. Miniature white vases lined the satin covered aisle. Tall white tapers formed the background.

The colors of yellow and white were carried out in snapdragons placed on the buffet on which were burning candles in crystal holders. A large white wedding bell tied with white satin ribbon hung from the archway to the dining room.

Mrs. Sageser and Mrs. Harrell presided in the gift room and Mrs. Peel and Mrs. Watts invited the guests into the dining room. Guests were registered by Mrs. Griffith.
