Cross-Compliance Has Little Change

In response to numerous inquiries regarding cross-compliance under the various crop acreage programs, the U.S. Department of Agriculture has recently announced that it intends to make no basic changes for 1966 in cross-compliance features of farm programs except for cotton, and these changes reflect the new cotton program.

New farm programs will be effective under the Food and Agriculture Act of 1965 (now awaiting the President's signature).

Curtis E. Latimer, chairman, Agricultural Stabilization and Conservation County Committee, outlined how cross-compliance will operate under the 1966 upland cotton program.

To be eligible for program to stay within the feed grain base, as was necessary for some growers in 1965. As in the past, if marketing quotas are approved by growers for the 1966 crop of upland cotton in the Nov. 23 referendum, any excess cotton from farms where the cotton allotment was exceeded would be subject to penalty. A cotton farmer who participates in the newly authorized cropland adjustment program will need to keep within any crop acreage allotment or permitted acreage on that farm or any other farm in which he has an interest, and he will maintain in conserving use the normal conserving acreage plus that diverted under the cropland adjustment and other programs.

In addition, participating farmers will need to maintain the normal soil-conserving acreage on the farm and also the acres to be diverted under all programs for which they expect to receive benefits.

Under the cotton program, participating upland cotton farmers need not keep within the acreage allotments for other crops on the participating farm. Neither will they need

State Defeats Extended Terms

Mitchell County voters gave their okay to seven of 11 proposed amendments to the Texas Constitution Tuesday in light balloting.

On a statewide return the three county "no" votes were echoed along with an additional pair.

The only amendment still in doubt at noon Wednesday was No. 2 which was the veterans' land proposal. With almost complete returns, the amendment was being beaten by some 10,000 votes.

County voters vetoed the tax exemption for Hermann Hospital in Houston, increased legislative salaries and four year terms for representatives.

The two additions on a statewide basis were the veterans' land program and four year terms for state officials including governor.

Here's how the vote went countywide.

1. Financing college buildings through increased ad valorem taxes: For 412 Against 197.

2. Extension of veterans' land fund: For 417 Against 194.

3. Aid to aged and needy: For 322 Against 114.

4. Four-year terms for state officials including governor: For 350 Against 293.

5. Teachers' retirement fund: For 430 Against 167.

6. College Scholarship program: For 446 Against 167.

7. Hospital tax exemption: For 301 Against 306.

8. Judges' retirement and removal: For 496 Against 128.

9. Salary increases: For 288 Against 321.

10. Four year terms for representatives: For 251 Against 350.

All defeated amendments in Mitchell County were beaten by small margins except for the four-year terms for representatives.

The amendment for the hospital tax exemption was whipped by only a five-vote margin and the salary increase which lost by some 33 votes.

Pet. 1, the most populated in the county, saw 404 voters go to the polls and this box had the majority of the 666 cast in the county.

The next biggest county voting precinct in Loraine had 118 votes cast.

In Pet. 1 the voters only turned thumbs down on one

amendment — four year terms for representatives while Loraine disapproved of our measures and came up with a tie vote of 50-50 on the college building program.

In Pet. 8 at the Civic House a total of 46 voters approved all proposed amendments. Carr voters came up with most negative totals as they turned down a total of seven measures. However, of the three they okayed, two were defeated on the countywide vote.

The absentee total of seven okayed all but the pay raise. Westbrook voted against four, seven, nine and ten in their 34 ballots.

In the 14-vote total at Cuthbert six amendments were disapproved and a tie came about on the four year term for governor.

Landers voted against four and had two tie-votes. Buford okayed five and vetoed the same number.

Spade approved all, but the veterans program wound up in a 4-4 deadlock.

The county vote was a light turnout as was expected. Many of the smaller counties See Amendments Page 3

Deputy Smith Says Thanks To the Public

Forrest Smith, Mitchell County Deputy Sheriff, issued, Wednesday, a public statement of gratitude.

Smith, shot twice while seeking to apprehend a man wanted for questioning in a fatal shooting, expressed appreciation for the help from county citizens during his critical days and his recovery. The deputy's statement follows:

"I want to thank everybody for all their Christian kindness and their prayers. I want to thank all the people who were donors for blood transfusions, all the people who came to see me in the hospital, who sent telegrams and cards and flowers.

"I want to thank all the people who contributed in any way to the generous and kind Forrest Smith Fund. My family and I are grateful. May God bless you, every one."

Resident Gets Wrong Order

A rather comical incident happened to local resident Mrs. John Kennedy last week.

Mrs. Kennedy, whose husband is an engineer on the power plant project, received a letter that she accidentally opened before noticing it was addressed to a Bill Kennedy in Abilene.

Through its travel around the country, the letter had somehow found its way to the local mailbox.

The letter contained an order blank to a well-known catalog store from a Mrs. Franklin Farmer in Nashville, Tenn.

Worried about the opening of the mail, Mrs. Kennedy telephoned the sender in Nashville to inform her of the mistake.

After talking to Mrs. Farmer and taking a second glance at the order blank, Mrs. Kennedy was surprised to find that the order was not for merchandise, but a rather unique way of announcing the birth of a baby girl, Leslie, to Mr. and Mrs. Farmer.

Mrs. Farmer explained that she and her husband had thought up the idea of announcing the birth by use of the order blank.

ties and cities cast affirmative votes on most of the amendments, but big city voting strength laid some of those by the wayside.

Voters favored the proposal of increasing ad valorem taxes five cents per \$100 valuation to finance the college building program.

A strong big city vote in Harris (Houston) and Dallas Counties seemed to turn the tide of the extension of the veterans' land program that appeared headed for defeat early Wednesday afternoon. The proposal was losing by some 10,000 votes.

Proposal to revise state laws to enable full participation in federal government programs for the needy and aged garnered the biggest affirmative support in Mitchell County and across Texas.

The amendment to give four-year terms to governor and other high state officials was beaten, but not by a large margin. Mitchell County approved by 57 votes.

Proposal to liberalize the investment policies for the Texas Teachers' Retirement Fund carried the state and Mitchell County by a strong margin. The amendment was strongly supported by teaching groups.

Amendment Six authorizing some \$85 million in bonds for college loans passed comfortably in most areas.

The attempt to give tax exemption to the Hermann Hospital in Harris County was defeated over the state by a small margin as it was in the county 306-301.

Amendment Eight providing for mandatory retirement of district and appellate judges as well as new procedures for removal for misconduct and disability won a wide margin of approval statewide. In the county it won out 496-128.

The pay raise proposal that allowed higher salaries for Lt. Gov., Speaker of the House and all legislators was beaten in the state and Mitchell County.

A sound defeat was heaped

Club, Friday afternoon, in a meeting at the home of Mrs. J. A. Sadler, Sr., 508 East 9th St.

Mrs. Charles C. Thompson was introduced by the leader, Mrs. Lynn Halbert. Mrs. Thompson's discussion accented the National Institute of Health, because, she said, "It would be almost impossible to even name in the period of one program, all the famous institutions of Research for Better Health."

"National Institute of Health actually had its beginning in a small laboratory on Staten Island in the 1880's," Mrs. Thompson said. "It was set up by a bacteriologist named Kenyon and was moved to

WESTBROOK — Mr. and Mrs. Gwan Strange visited their son, Clay, and attended homecoming activities at Austin College in Sherman, Texas, over the weekend.

They were accompanied by Miss Sandra Bryant of Westbrook and Mrs. Toby Dearen and son, Larry, of Colorado City. Dee Dearen, son of Mr. and Mrs. Toby Dearen, and Clay are roommates.

Locals To Funeral Of Kin In Friona

Mrs. Ruth Airhart and Mrs. Mabel Groves were in Friona Monday to attend the funeral of their brother-in-law, W. H. Flippin, who died Friday.

On the attempt to gain four-year terms for Representatives and it lost 350-251 in Mitchell County — this was the largest margin of defeat for any proposal in the county.

Washington a few years later . . . The Hygenic Laboratory, as it was called had four divisions: bacteriology, nutrition, chemistry and physiology, until 1938. It had become known as the National Institute of Health in 1930," the speaker said.

National Cancer Institute was established in 1937 and a central complex of buildings was constructed at Bethesda with PWA funds. Memorial Laboratory, especially designed for work with infectious agents, was built and opened in 1947, Mrs. Thompson said as she reviewed the growth of the Institute.

Increase in the cost of research was noted along with more complex instrumentation and facilities required. "An electron microscope is 100 times as expensive as an ordinary microscope," she said. Mrs. Thompson then cited work by Dr. Marshall Nirenberg in the understanding of the mechanics of genetics; the Salk vaccine; M. D. Anderson cancer research center and hospital in Houston; Wadley Blood Center of Dallas.

"The President's Commission on Heart Disease, Cancer and Stroke will utilize the best in mind and material toward the prevention and the cure of these illnesses that often handicap — or been fatal to many," Mrs. Thompson said.

"It is the day of concern for the health of a nation whose progress and limitations depend on the well being and happiness of the individual. The day of turmoil must be strengthened and led those who are sound of mind and body," she concluded.

Next in the Hesperian Club year's series "The Great U. S. A." will be Nov. 12 in the home of Mrs. Sam Thompson when Mrs. Ralph Graham will discuss "Centers of Advancement in Communicative Media."

Attending the Oct. 29 program were Mrs. Perry Barber, Mrs. Graham, Mrs. Halbert, Mrs. J. E. Hale, Mrs. Edgar Majors, Mrs. Bennett Scott, Miss Mabel Smith, Mrs. J. W. Watson, Mrs. E. H. Winn, Mrs. Sam Wolfjen, Mrs. Charles Thompson and Mrs. Sam Thompson.

Frosh Smother Ballinger 41-0

Colorado City Freshmen gridgers swamped the Ballinger 9th grade by a 41-0 count in Ballinger Thursday.

The local squad rolled up a 27-0 halftime bulge and then added a pair of insurance scores in the second half.

C-City jumped ahead early in the opening period as Keaton Grubbs went 20 yards on a power play to score. James Hill kicked the first of three extra points he made in the first quarter.

Dan Steakley took a Ballinger punt, also in the opening period, and went 55 yards for the second Colorado City touchdown.

A seven-yard dive play by

Mike Maines netted the third TD of the first period for the C-City team.

Steakley tallied once more for the winners in the second period on a 30-yard dive play. In the third period Grubbs again got C-City into the scoring column going 45 yards on an option play. Maines ran over the extra points.

Final C-City score came in the last period as Randy Parker nailed Richard Reynolds with a 25-yard scoring pass that ran the winner's total up to 41 points.

The C-City defense played an airtight football game throughout the contest and

the Ballinger team only crossed the 50-yard line on two occasions and one of those being on a kickoff.

The charges of Coach Doug Chitsey turned in a sterling performance on offense and defense in taking the lopsided victory.

SPORTS

The Royal Towel Finally Gets Wet

Despite the fact that his teams have been highly victorious in recent seasons, Darrell Royal weekly lamented, "I just don't see how we can win the next one."

For the past three weeks he has finally really got something to cry about. And the way things have been going, he probably should keep his handkerchief handy for the rest of the year.

The Texas-SMU tilt was a very entertaining football game, at least for SMU partisans or anti-teasippers and other such people who seem to exist. When Texas came on strong in making their opening touchdown of the second half, I thought "poor old SMU." But then Hayden Fry's stable came out of the starting gate in a burst of speed that left the "Horns" wondering just what had happened.

What had happened was a 93-yard TD run by Jim Hagle, a 55-yard pass interception by Ronnie Reel and a 40-yard plus scoring pass to fleet John Roderick.

In case you "Horns" are still confused, that's what happened.

The Colorado City Wolves defeated Hamlin 28-18 in spite of the continuing series of wrong scores printed by the Abilene Reporter-News. I was never very good at numbers myself, but then that's what adding machines are for.

For you sports fans' with pugilistic inclinations, it was a real relief to see a decent boxing match in the Ernie Terrell-George Chuvalo bout Monday night.

Maybe there's some hope left for the sport after all, in spite of the likes of Cassius Clay and some of his opponents who manage to come up with better poems than boxing matches.

Boxing had been tottering along on the brink of falling by the wayside. And then who

CHS Wolves Face Unbeaten Bearcats

Colorado City Wolves play their season finale Friday against the tough and undefeated Ballinger Bearcats at 7:30 p.m. in Ballinger.

The Wolves, fresh from a 28-18 thrashing of the Hamlin Pied Pipers, will probably go into the game some three touchdown underdogs against the Bearcats.

The Ballinger squad, while not having any unusually big players, is all of good size and their line is described by Wolf Coach Truman Nix as being the "fastest in the district."

In an interview with the RECORD Bearcat Head Mentor Weldon Brevard explained that his team used a "multiple offense" lining up in a variation of backfield positions.

Brevard has seven backs that play a great deal of the time with his fullback seeing the least amount of substitution.

The running backs are led by Fullback Milford Wiley and left half Walden.

In the line key players to watch are Bobo Gray, Dickie as the "Hoss" was.

Let's hope a good-sized contingent of Wolf fans journey to Ballinger Friday night to see the local team try to even up their season record.

Redman and Jerry Hallmark over the single victory mark of 1964.

Spirited play has punctuated the C-City workouts through the week and coaches have been pleased with the mental and physical condition of the Wolves in preparation for Ballinger.

The game will be the last one of 16 seniors at Colorado High including linemen Robert Henderson, Bill Magee, Robert Stewart, Doug Aycock, Marvin Iglehart, David Aycock, Larry Currie, Robert Jameson, Craig Bell, Randy Phillips and Topper Steakley and backs Ronnie Lamb, Wayne Snowden, Mike Garner, David Way and Artie Butler.

Included in the group are three co-captains Butler, Currie and Stewart.

Westbrook Wins Two From Hawley

Westbrook Wildcats captured a 60-55 victory from Hawley Bearcats Tuesday night in a non-district basketball game.

Hawley girls won over Westbrook girls 42-35.

Scoring high points for Westbrook teams were Elmer McMahon with 36 and Carol Bell with 21.

CONVERSATION CORNER

NOW IN NOVEMBER is when the sumac along the winding highway 36 starts shooting scarlet flames . . . when tall pecan trees shed their treasures and people spend Sunday gathering nuts, along much of the route between Cross Plains and Waco.

Now in November is when Indian Summer lingers in the hills . . . and people go to football games leaving their coats in the closet.

Wow! What a weekend. About 15,000 of us Baylor exes showed up for Homecoming events. The campus was alive with gold 'TCU' mugs and 32,000 people sat in the stadium to watch TCU take the game by three points.

AT THE PARTY for "Uncle" Jim Crow, veteran line coach at Baylor, now retired, were most of the old boys who played in '24, many of their wives, and Coach Frank B. Bridges . . . Teddy Lyons called from Chicago to talk to his old baseball team. He had a career as a Big League pitcher, after Baylor, you'll remember.

Long-remembered faces shouted greetings and such "Bear hugs" and back slapping you never saw! Saw Ralph Pittman and his wife, of Washington D.C., B. J. Pittman, Jack Cisco, John (Ox) Fullingham and his red-haired wife of Amarillo where he practices law . . . Ross Sams of the Waco church furniture firm . . . Edwin (Bubba) Nash and his lovely Beryl . . . Howard Hertzog, county judge now at Port Lavaca and a former Texas legislator . . . Bryan Miller of Lake Dallas . . . George Falls, school superintendent at Caldwell . . . Ralph Wolf, former mayor of Waco.

The beautiful buffet supper had as hostess Mr. Crow's niece. Breakfast for the 'B' Lettermen was at the Trade Winds (where we played) and Bill got to hear Coach John Bridges speak again.

WONDER how long a Baylor-ex would have to live without getting a lump the size of a football in the throat every time she hears "That Good Ole Baylor Line!" Forever, maybe?

Between halves show was spectacular, the TCU Band one of the best seen in a lifetime. And the game was terrific. Final score or no final score. It was breathtaking.

And as one old Baylor Bear was heard to say "Well, anyhow, the Bears sure scared 'em to death." Which with last minute passing attacks, they sure did. So much for that.

CADDY MATTHEWS, Wolf B Team mentor and head basketball coach here, takes the prize for watching football last weekend, though. He and Mrs. Matthews and Arlie Butler (Wolf) left C-City at 5 a.m. Saturday and watched Baylor go down to TCU.

Right after the game they took off for Brownwood and got there in time to see East Texas State defeat Howard Payne. (The Matthews are ETSU exes.)

As they got out of their car at Howard Payne stadium Saturday night they came face to face with the Bob McGibres, parents of Bill McGuire, ETSU guard, and with the Paul Boyd Hunters, parents of Bill's wife Debbie.

NO TELLING how many C-City Texas Techies and parents of exes and students made that Homecoming game in Lubbock.

Do know for sure that Linda Chesney Bennett and her husband Tim Bennett of Pittsburg, Texas, visited C-City Thursday night, then met Linda's parents Gus and Frances (Majors) Chesney in Lubbock, Saturday night, for the game which saw Tech wallop Rice.

Eddie Pland took his Sunday School Class up to see the game. Linda (Butler) and Danny Majors went up and were guests of the Bill Worralls who moved to Lubbock from sweetwater, recently.

And at the Bob Price house in Lubbock there was a Homecoming family reunion. Nancy Price Neal and her husband Earl Neal, their sons Byron and Mark arrived from Houston on the Santa Fe for the big weekend. Mary Price Womack, her husband Jack and their sons Price and Kyle drove to Lubbock from Odessa. Mother of the Prices, Lena (Mrs. Oscar) Price of C-City joined the fun.

Hosts for the houseparty were Bob and his wife Rebecca (Lutes) their sons David and Doug and their baby daughter diary Alice.

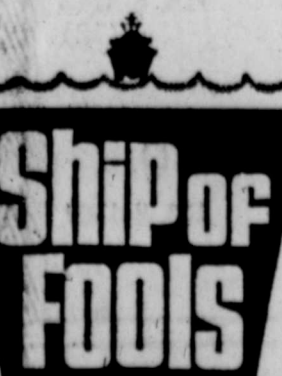

Mr. and Mrs. Jimmy Held and sons of Flower Grove were guests of Mr. and Mrs. Richard Clemmer Friday evening.

BACK HOME (and broke) saw Marie Benson (Mrs. A. C.) on the shopping scene . . . Ditto Luke Nichols . . . Jim Hestand, veterans' service officer here.

Looked up to see County Judge Elmer Martin, Chief of Police Leon Yeager and Forrest Smith, Mitchell County Sheriff's Deputy. The deputy is just about recovered from serious wounds received in a gun-fight when local law officers sought to make an arrest.

Office visitors, too, have been Nell Scott (Mrs. Bennett) . . . Mrs. Ed Jones Sr. . . Pretty Marion Craddock, wife of Jay, mother of Robert (Tech Junior) and Dana, (CHS senior.) Mrs. Roy Davis came in with Garden Club flower show news.

SAW Bill Randle, Asked about the Randle daughter, Ann, who is Mrs. Eddie Davis of Lubbock.

Ann and her little daughter Jill are in C-City at the home of her parents Bill and Josie Randle while Ann is resting and staging a weight-gaining campaign. Eddie's mother is in Lubbock with Eddie and Randy, who now goes to school, while Ann tries to add to her little 80 pounds. And she's already added three pounds; her daddy was saying.

HEAR TELL that Mildred Strain Thorpe of Lamesa, California, is visiting this territory. She's guest of the Drew Cawthrons of Westbrook, the Lee Strains and the Ed Strains.

Hear tell Katrina Wells and Cecil Robinson plan an afternoon wedding Dec. 19 at 2:30 in First Methodist Church at Lorraine.

And there's another December wedding announcement coming up very soon for one of C-City's prettiest college co-eds.

Now in November is not one minute too soon to start getting ready for December.

IN WEST PAKISTAN

Suraiya Akhtar Is Safe, Letter States

Suraiya Akhtar, friends and former classmates in Colorado City had good news from her this week, from the University at Lahore, West Pakistan.

Suraiya was graduated from Colorado High School here in May, 1963, after spending her senior year as foster daughter and foreign exchange student in the home of Dr. and Mrs. Williams S. Rhode and their daughters.

She is now majoring in Political Science at University of Lahore, West Pakistan after having been awarded her B.A. degree at Kinnaird College. She was first, scholastically, in the examinations taken by all Kinnaird College students when they finished work toward the B.A.

In a letter to the Rhode family, Suraiya writes that University at Lahore has very good professors, that she is enjoying her studies in her seven courses there. Especially, she enjoys the one in International Relations and Foreign Policy, she says.

In the Political Science Department there are 400 students of whom only 70 are girls. Shams Akhtar, Suraiya's brother, is studying at the Engineering Department at the University.

Suraiya adds that she is perfectly safe — and not to worry about her; that her family, too, is well and safe. Friends in Colorado City have voiced frequent concern about Suraiya since the tense situation developed between Pakistan and India.

Miss Akhtar sends greetings to "all the folks of Colorado City who have been so nice" and have been inquiring about her.

Guests in the C. E. Taylor home recently were Mr. and Mrs. Hoyt Sweet of Fort Worth and Mr. and Mrs. Orvin Taylor and daughter, Betty, of Mineral Wells. Mrs. C. E. Taylor visited with her brother, J. L. Oliver, a patient in Carlsbad Sanatorium on Monday.

AT HOME HERE

Dorothy Louise Carter Weds Raymond L. Bell

Mr. and Mrs. Raymond Lee Bell, newlywed couple, are at home at 421 Pine St. following their wedding and a short honeymoon trip to Hobbs, New Mexico.

The bride was before her marriage Miss Dorothy Louise Carter.

Marriage of the couple took place at 6 p.m. Friday, Oct. 15, in a wedding at the home of the bride's aunt, Mrs. Ben Hodges, 1013 Locust St., and Mr. Hodges.

Parents of the bride are Mrs. Bill Holtzclaw of Lubbock and Mr. Bill Carter of Longview. Mr. and Mrs. R. H. Bell, 421 Pine St. Colorado City, are parents of the bridegroom.

The bridal pair stood for

their vows before an improvised altar with buckets of white gladioluses and tall white tapers in candelabra. Rev. Carl Lee, pastor of Oak Street Baptist Church, officiated for the single ring ceremony.

Entering alone, the bride wore a wedding gown of French lace and nylon tulle over bridal satin, designed with a waltz-length skirt. The sheer bodice and Queen Ann collar were embroidered in seed pearls. Her veil of silk tulle was attached to a white velvet crown, sprinkled with seed pearls. Her flowers were white gladioluses.

Wedding marches were played by hi-fi recordings. Mr. and Mrs. Hodges entertained

the bride and groom and their immediate families with a wedding reception.

Refreshment table was covered in lace over blue, and was decorated with white flowers and satin streamers. Mother of the groom assisted in serving the three-tiered wedding cake and Hawaiian punch.

The couple will complete their high school studies here at Colorado High School where the bridegroom is a senior and the bride is a member of the junior class.

SECOND IN SERIES

1921 Club Conclude Study Of Churchill

Second in their two-part study of Sir Winston Churchill was presented by members of the 1921 Study Club here Friday afternoon in the home of Mrs. J. T. Pritchett, 704 East 10th St.

Mrs. Glen Coon was leader who introduced three club papers. Mrs. W. W. Rhode discussed "The Magnificent Comeback." Topic for Mrs. Lee Lavender was "Soldier, Statesman and Artist." Mrs. P. K. Mackey climaxed the program with "The Gentle Closing Years."

"The man who now embodied the hopes of the free world remained indomitable through the dreadful days of the Battle of Britain and beyond, breathing defiance, pledging to fight on alone lest civilization sink into the abyss of a new dark age, and worrying his aides by insisting on watching the German air blitz from the exposed roof of his residence," Mrs. Rhode's paper began.

"Britons once more saw his ebullient smile and cocky V-for-Victory gestures," as what he called the "Hinge of Fate" began to turn with help of England's Allies, Russia and the United States, Mrs. Rhode added. The speaker mentioned Churchill's new specter — communism, his defeat in the elections of 1945 and his visit to the United States where in a speech at Westminster College he gave the communist order its new name, "The Iron Curtain."

Mrs. Lavender began her discussion "Soldier, Statesman and Artist," by saying "Winston Churchill lived a glorious young man's life . . . fought in three wars, disputed generals, wrote best sellers, became famous as a war correspondent . . . and was elected to Parliament . . . by the time he was 25 years old!" Her paper then detailed adventures of Churchill on the frontier of India and in Egypt, his daring as a war correspondent during the Boer battles and his life as a soldier in the trenches during World War I. After World War I, in public life, Churchill attacked the dangers of appeasing Hitler. "More and more one sees this extraordinary man developing as a statesman," she said.

In 1940, Churchill wrote "I felt that I was walking with destiny, that all my past life had been but a preparation for this hour and this trial." Mrs. Lavender told club members. She closed with a short discussion of Churchill's hobby, painting.

Mrs. P. K. Mackey climaxed the program with "The Gentle Closing Years." "Now Churchill is history," she said, "but he left the world a heritage of hope that death can not dim nor time drain away." Mrs. Mackey quoted his benediction, "Withhold no sacrifice, grudge no toll, seek no sordid gain, fear no foe, all will be well."

Attending the program meeting were Mrs. H. B. Broadus, Mrs. Glen Coon, Mrs. J. S. Craddock Sr., Mrs. W. L. Doss, Mrs. A. O. Hickman, Mrs. W. C. Hooks, Mrs. Ed Jones Sr., Mrs. Lavender, Mrs. Mackey, Mrs. Sam L. Majors, Sr., Mrs. J. F. Quinney, Mrs. Rhode, Mrs. V. R. Truick and the hostess.

In a short business session preceding the program Mrs. Craddock reported for the library fund. Mrs. Jones gave a report of Mesquite District workshop held in Anson. Mrs. Quinney reported as delegate to Mitchell County Federation.

Members of 1921 Club decided at the meeting that each member will send a Christmas card to soldier fighting in Viet Nam.

Hostess for the next meeting, Nov. 12, will be Mrs. Majors, 104 East 8th St. Leader will be Mrs. Hooks. Taking part in the "Thanksgiving" program will be Mrs. Doss and Mrs. U. G. Hardison.

Zeta Delta Club Hears Federation Day Speaker

Zeta Delta Study Club members met Thursday evening, Oct. 28, for a program observing Federation Day with the theme "Union gives us strength."

Program topic was "Look at Federation Organization," one in the club's current series "The World Through the Eyes of Women."

Hostess for the meeting was Mrs. Sanford Bowlin, 908 East 14th St. Mrs. Carl Bell was leader and speaker for the evening.

"Federation means united," she began by saying. Mrs. Bell then traced the history of the General Federation of Women's Clubs and the organization which began back in the era of the Woman's Suffrage movement. GFWC was organized in 1890 with the Texas Federation of Women's Clubs organized seven years later.

Mrs. Bell cited as the chief and original GFWC purpose, educational opportunity for women. Main accomplishment of the TFWC, she said, has been the building of libraries in Texas. Mitchell County Federation of Women's Clubs, it was noted, started the public library in Colorado City in the early 'twenties.

Program leader, Mrs. Bell, closed with an original verse composed by her for the occasion: "Man may move mountains and fly through space. But it is woman who brings dignity and grace. Men may rule the world, his progress ever demanding. But it is woman's knowledge which brings understanding. Man may possess genius, talent and greatness to keep our lives and our minds free."

But these were given and taught at a woman's knee."

Zeta Delta Club, organized and federated in 1964, will meet again Thursday, Nov. 11, in the home of Mrs. Phil Fortune, 233 West 10th St. Program leader will be Mrs. John Walker who will serve as moderator of a panel discussion, "all Eyes on Politics."

To be members of the panel will be Mrs. Bob Nobles, Mrs. Bell, Mrs. Fortune and Mrs. Don Fite. Present at the Federation Day program were two guests, Mrs. Wayne Carroll and Mrs. J. R. Erwin; Mrs. Eddie Braswell, Mrs. Fite, Mrs. Fortune, Mrs. Rodney James, Mrs. Lucky Merket, Mrs. Nobles, Mrs. David Sanders, Mrs. Walker, Mrs. Dennis Wright, Mrs. Eddie Pi land, Mrs. Bell and the hostess Mrs. Bowlin.

Landmarks of a Great People

This is one of the snapshots from my vacation trip. Friends ask why I made this the frontispiece in my album rather than that shot of the bald crest of Mt. Marcy — or the telescopic close-up of the Old Man of the Mountains.

Sure, I know this scene is commonplace. I saw a hundred villages with their white steeples peering above the trees and their comfortable old houses nestled around the church. And each one had a pond with pines and birches guarding its shore.

But this picture says more than all the others. It speaks not just of beauty and natural wonder . . . it tells of a good land populated by a great people. It reminds me of God . . . and of my neighbor. It whispers that all I cherish can endure for generations.

The landmarks of a great people proudly point to Faith. The Church belongs at the center of our life. But only you and I can keep it there!

THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
