Hot Dog Diet Touches Off Prison Riot

CHICAGO, Sept. 25 (AP)—Some 1,000 prisoners—irked at being served hot dogs for the third time in a week—rioted at the House of Correction today, tearing up furniture, and tossing stones and shoes.

The outbreak involving nearly a third of the 3,200-prisoner population began at the outset of the evening meal and was brought under control after about two and a half hours.

There were no injuries reported and prison officials said that at no time was there any serious danger of escape.

More than 100 policemen used tear gas to quiet the window-smashing, yelling prisoners.

Prisoners from the first tier of the four-tier north cell block had returned to their cells and those on the other tiers were beginning to quiet down.

The disturbance started when about 500 prisoners protested the hot dog and split pea soup menu they were given at their evening meal.

Tear gas sent the men back to their cell blocks but they continued yelling and throwing shoes. Warden Frank Sain estimated that 970 men continued the riot in the north cell block. No trouble stemmed from prisoners who returned to the south cell block from the dining room.

The rioters smashed furniture and windows and started small fires in the dining room. Firemen hurriedly extinguished the flames.

Tear gas was fired into the dining room and the prisoners retreated. About three hundred ran into the north cell block, where other prisoners joined the rioters. Another two hundred fled into the south block and quieted down.

Sain, talking through an iron door separating the cell block from the dining room, promised to provide better food if the prisoners would return to their cells.

Sain later entered the cell block along with a number of policemen and news reporters. The prisoners made no effort to harm the warden as he pleaded with them to go back into their cells and appoint representatives to talk over the situation with him tomorrow.

Eight Jurors Picked For Trial Of Shaver

BRADY, Tex., Sept. 25 (AP)—Eight jurors were chosen today in the trial of Airman Jimmy N. Shaver, accused in the July 4 rape-slaying of 3-year-old Chere Jo Horton of San Antonio.

A special venire of 120 was exhausted late today and Judge Joe Mays ordered Sheriff J.P. Williamson to produce 40 more prospective jurors at 10 a.m. Monday.

Earlier this week a jury found Shavers sane now and at the time of the offense.

NEW STREET MARKER

Two city employes are shown preparing to operate the city's new street center stripe marking machine recently purchased at a cost of about $450. The new machine has already been used to paint center stripes and parking lanes on many of the streets here. Frank Welch is adjusting the paint spray nozzle while Sharlie Meyer is at the controls of the gasoline powered machine. (Lee Watson photograph)

School Tours Slated Monday

A meeting of all interested citizens has been called by the Snyder school board for tomorrow morning, when tours will be conducted over the physical facilities of the school system, Lee T. Stinson, board president, has announced.

The purpose of the meeting, which is to start at 9:30 o'clock and continue until afternoon, is to exchange ideas and suggestions and to discuss in general the problems of enrollment and material facilities, Stinson said.

Stinson said the board had discussed the matter of much needed additions to present facilities and had agreed unanimously that the best method to follow would be seeking the counsel of the public as the first step.

"We definitely face a problem of necessary expansion," the board president said. "Because of such an inevitable situation, the board would like to receive and consider the advice and counsel of the people of our school system.

"It would be impossible for the board to contact each citizen individually, discussing profitably and adequately the needs of the school system, but we hope that many of those interested in provisions for public education can and will attend the meeting, thus contributing to the community in this matter of grave decisions."

Citizens who attend the meeting will go in groups to each of the various school buildings, where members of the board of trustees will show them the present facilities, asking and answering questions concerning enrollment and material assets of the system. School buses will be used for the tour.

At the conclusion of the tour, which will end about noon, open forum will be held. Discussion of the matters at hand will be open to all present, and the meeting is open to all.

Present enrollment contrasted with present classroom space will be a matter of chief discussion, this being discussed also in the light of future enrollment.

At present, the total enrollment of the system exceeds the number of students the buildings will adequately accommodate by about 400. Each year, the enrollment will be larger by reason that there are more five-year-old children here than there are six-year-olds in the first grade. Also there are more four-year-olds than five-year-olds, more children three than four, and more one than two.

Proposals before the board now for additional facilities are not based on any anticipated increase in adult population, which the board has agreed is also likely. The plans are based on increase by birth rate alone.

Because there will likely be at least 700 more students in the school system four or five years from now, it is imperative that plans be made at once for additional classroom space. "It takes a lot of time to build, and it would be foolish for us to think only in terms of immediate needs rather than in terms of our needs a few years from now," Stinson added.

The major needs are in the elementary schools, it was explained. Each of these buildings needs additional classrooms. Facilties for classes in arts, crafts, music, band, and health are needed at junior high, and the high school needs additional facilities for the athletics department.

WEATHER

NORTH CENTRAL TEXAS: Clear to partly cloudy through Monday. Not much change in temperature.

WEST TEXAS: Partly cloudy with widely scattered thundershowers mostly Panhandle and El Paso area through Monday. No important temperature changes.

EAST TEXAS: Partly cloudy. Widely scattered thundershowers near coast through Monday. Not much change in temperature. Moderate to locally fresh east-southeast winds on coast.

SOUTH CENTRAL TEXAS: Partly cloudy. Widely scattered thundershowers, mostly south and near coast, through Monday. Not much change in temperature. Moderate to locally fresh easterly winds on coast.

Dulles Issues Stern Warning To France

By JOHN M. HIGHTOWER

WASHINGTON, Sept. 25 (AP) — Secretary of State Dulles took off tonight for London and a showdown with French Premier Mendes-France on rearming West Germany. He warned that the United States would not continue to "gamble" its survival on a European defense system that failed to provide "genuine security."

Dulles and a party of advisers left on a special military plane at 8:45 p.m. EDT. He is due in London Sunday afternoon for immediate talks with Mendes-France, British Foreign Secretary Eden and German Chancellor Adenauer on granting sovereignty to West Germany.

Either in those talks or in the nine - nation conference opening Tuesday, Dulles has the task of determining whether in his judgment Mendes-France sincerely wants to rearm Germany under a reasonable system of safeguards or whether he is simply stalling on an issue that is highly controversial in France.

Dulles and other American leaders have always insisted that German rearmament in association with the North Atlantic alliance is absolutely essential to an adequate defense of Western Europe.

His words in advance of departure for a crucial conference at London therefore provided stern warnings to French Premier Mendes-France that if Germany is not rearmed with French cooperation the United States will have to consider alternative security plans.

Dulles' statement was made available for publication in advance of his departure. He is due in London tomorrow afternoon for talks with Mendes-France and British Foreign Secretary Eden on granting West Germany sovereignty as a step toward rearmament.

Dulles' statement on the eve of so important a conference as the nine-power London meeting was an outspoken one as diplomatic documents usually go.

He is going to London hopeful that Mendes-France will agree to some workable plan for fitting West Germany into the Western defense system, not only militarily but politically as well.

Dulles bared the heart of the U. S. approach to the problem in these blunt-for-diplomacy words:

"Most Americans have come to realize that it is no longer possible to turn back the clock and seek security through isolation.

"We also know that we cannot afford to gamble our safety and our survival on arrangements and programs that have no reasonable prospect of providing genuine security."

As a last resort—the extreme meaning of the warning he issued today—Dulles could recommend an American strategy toward Europe based on positions in Britain, Spain, Italy and the Middle East.

That would mean withdrawal of U. S. forces on a revolutionary scale. It is not presently considered a practical course, but officials have repeatedly emphasized it in recent weeks as a theoretically possible one.

Adlai Issues New Plea For Demo Ticket

MINNEAPOLIS, Sept. 25 (AP) — Adlai Stevenson called tonight for election of a Democratic Congress to bring an end to "fluttering foreign policy," "domestic political fratricide," and "an era that will bear the indelible stamp of 'McCarthyism.'"

The speech of the 1952 Democratic candidate for president was prepared for delivery at a rally for Sen. Humphrey (D-Minn), a candidate for re-election, and Minnesota Democratic - farmer - labor candidates for Congress and state offices.

"During the past months," he said, "I think we have all sensed that things have not been going well; that the government is not working as it should.

"The Republicans did not, of course, plan things this way. They did not want a great Communist conquest in Indochina, or the evaporation of American influence in the world, or the disintegration of our alliances; they hoped for the liberation of the satellites and the unification of Western Europe, and in that we all joined them.

"They did not want the highest living costs and the lowest farm prices all at the same time. They did not want an increase in unemployment. They hoped for prosperity, full employment and national unity, and we shared these hopes, too. . . .

"The Republicans didn't want these things to happen. But they did happen, and they will continue to happen as long as they are hopelessly divided between reactionaries and moderns, between isolationists and cooperationists, and between, if you please, the 19th and the 20th centuries . . . "

Seven Die In Plane Collision

BALTIMORE, Sept. 25 (AP)—At least seven persons perished today in the collision of two airplanes over the Patapsco River entrance to Baltimore Harbor.

The shattering impact reduced both planes, one a six-passenger Navy craft and the other believed to be an Air National Guard fighter, to bits of wreckage. Rescue workers abandoned dragging operations after recovering a few parts of bodies.

In Washington, the public information office for the Anacostia Naval Air Station said six of the victims were air reservists from the Washington area who were aboard a twin-engine Beechcraft.

Their identities were withheld until next of kin could be notified.

Identity of the second plane was not immediately established, but searchers said it apparently was a fighter from an Air National Guard unit, presumably with one person aboard.

Some Censure Counts May Be Left For Full Senate Action

By JOHN CHADWICK

WASHINGTON, Sept. 25 (AP)—The report of the special committee that investigated censure charges against Sen. McCarthy was described by one senator today as likely to draw critical conclusions on some counts but to leave to the Senate itself whether censure is warranted.

This senator who is not a member of the six-man investigating committee and who declined to be quoted by name, said he understands the committee's report will stop short of any outright recommendation that McCarthy be censured.

He said his information is, however, that it will contain some "sharply critical language" about the Wisconsin Republican. He declined to give the source of his information.

The bulky report, whipped into final shape by the committee of three Republicans and three Democrats yesterday, is to be made public Monday morning. It will be submitted to the Senate for decision at a session starting Nov. 8, the week after the Nov. 2 general election.

Official notice went out to all senators today, advising them of the Nov. 8 session. The telegrams were sent by J. Mark Trice, Senate secretary.

Chairman Watkins (R-Utah) said the committee report, adopted unanimously, offers a basis for a clearcut decision which the Senate "could vote up or down." He added, without giving any inkling of the contents of the report, that this would be its "final effect."

Described as some 60,000 words in length, the report is said to summarize the testimony taken at nine days of public hearings as well as to set out the committee's findings and conclusions.

Hearings were held on 13 charges, grouped into five categories, from among 46 filed by Sens. Flanders (R-Vt), Fulbright (D-Ark) and Morse (Ind-Ore).

Flanders, who introduced the censure resolution, asked the Senate to condemn McCarthy's conduct on the ground that it had tended to bring the entire Senate into disrepute.

The charges on which the committee took testimony were that McCarthy had shown contempt for a Senate subcommittee that investigated him in 1951-52, had defamed some of his colleagues, abused a decorated Army general, urged federal employes to furnish him with secret information, and had made use of information illegally obtained from a secret FBI document.

Cool Front Fades As Warm Weather Returns

By The Associated Press

Texas was warmer Saturday. A front that brought brisk weather to the Northern Panhandle Friday faded.

El Paso got .13 inch of rain and Dalhart .11.

Dalhart had the day's low, 56. Tyler had the high, 98.

Light showers also fell in parts of South Texas. Laredo had .10 inch and Brownsville .01.

The Weather Bureau forecast similar weather for Sunday.

Big Spring DA Quits

BIG SPRING, Sept. 25 (AP)—Elton Gilliland, 35, announced today he had resigned as district attorney for the 118th judicial district.

He said he planned to enter private law practice in Big Spring when a successor is named by Gov. Shivers.

U.S. ASKS RUSSIA TO PAY FOR PLANE

WASHINGTON, Sept. 25 (AP)—The United States today asked Russia to pay $1,620,295.01 for shooting down an American plane two years ago or else take the case to the International Court of Justice.

In a formal note handed to the Moscow Foreign Office by Ambassador Charles E. Bohlen, this country also:

1. Accused the Soviets of holding back information about the eight crewmen aboard the unarmed B-29 bomber when it was attacked off Hokkaido, Japan, on Oct. 7, 1952.

What happened to the American fliers is still unknown. Washington contends a Russian boat was seen near the crash area in time to pick up survivors.

2. Rejected Soviet claims to the Habomais Islands, which are just off the east coast of Hokkaido.

Coffee Price Hearings Set

WASHINGTON, Sept 25 (AP)—A new effort to protect U. S. coffee drinkers against price increases was announced today by Sen. Beall (R-Md).

Beall said a special Senate investigating subcommittee will resume public hearings here Oct. 12 to develop "legislation to avert repetition of the spiraling coffee prices that have plagued the American public for the past year."

While prices recently have moved downward, Sen. Gillette (D-Iowa), who has been trying for four years to get Congress to control coffee speculators by legislation, contends that housewives and consumers already have been "gouged out of hundreds of millions of dollars. . . by the coffee racket."

Beall said the new hearings by his special subcommittee stem from the comprehensive report and recommendations of the Federal Trade Commission. The FTC conducted a separate investigation of coffee prices and supplies earlier this year.

Beall quoted from the FTC report that "there is not now, nor has there been during the past year, any shortage of coffee in the United States."

It is easy to manipulate market prices of coffee, Beall said, because of "the trading practices on the New York Coffee and Sugar Exchange, the lack of reliable statistics on crop estimates and production, and the lack of proper safeguards to prevent abuses and irregularities on the Coffee Exchange."

Scelba Wins Crucial Vote

ROME, Sept. 25 (AP)—Premier Mario Scelba's pro-Western government beat down an attempt by Communists and extreme right-wingers to make political capital out of the Wilma Montesi scandal and won a crucial vote of confidence today in the Italian Senate.

The 114-97 vote backed the government's conduct in handling the case of Wilma Montesi, a party girl whose body was found on a beach south of Rome the morning of April 11, 1953. The Chamber of Deputies is expected to be confronted by the same issue early next week.

The Communist left and its allies had joined with the far right in demanding that Scelba resign because members of his government or their families were involved in the drug and sex scandal.

Ministers Gather For Tuesday Talks

By ARTHUR GAVSHON

LONDON, Sept. 25 (AP)—Foreign ministers of nine nations were assembling here today for talks aimed at enlisting West Germany in the defense of free Europe for 50 years to come.

The British-organized conference opens Tuesday in the music room of Lancaster House, where Queen Victoria heard Chopin play his lilting melodies.

But today Allied disharmonies stemming from a century of conflicting German pride and French prejudice threaten the discussions.

The conference was called because the French Parliament last month rejected an Allied project to free and rearm West Germany within an unprecedented European army. The now-dead project was officially called the European Defense Community.

French Premier Pierre Mendes-France will face a more or less solid front of eight critical colleagues when the talks begin.

His colleagues are British Foreign Secretary Anthony Eden, U.S. Secretary of State Dulles, West German Chancellor Konrad Adenauer, Canadian Foreign Minister Lester B. Pearson, Italian Foreign Minister Gaetano Martino, Belgian Foreign Minister Paul-Heurt Spaak, Dutch Foreign Minister J. W. Beyen, and Luxembourg Premier Joseph Bech.

Mendes-France has advanced his own plan to bring West Germany into the North Atlantic Treaty Organization. But just about all the other ministers, including Dulles, have pledged full support for a method advocated by Eden.

On several fundamental issues the French and British proposals agree. But on several extremely important questions they differ.

The main differences between the British-French plans:

1. France wants to strengthen the authority of the seven-nation Brussels grouping under the NATO umbrella. For one thing the Brussels alliance runs for 50 years. NATO has 15 years to go. But Britain wants the organs of NATO to get more powers.

2. France wants a Council of Seven to control German rearmament by controlling the contributions of its members; for example by setting ceilings to the forces which its members would be expected to place at the disposal of NATO.

Britain argues that NATO already sets the lower limits of the forces of its members. It seems to Eden, then, that the NATO council should also fix the ceilings.

3. France wants the Council of Seven to have powers to inspect and control the armaments of each member country excepting Britain. The idea is to insure fair play and to avoid the experiences of the between-the-wars period when the Germans, in defiance of international agreements, rearmed secretely.

Britain believes this sort of policing will only arouse mistrust among partners. Eden thinks the same purpose can be served by giving regional NATO commanders more powers—the right to inspection or the right to veto the movement of national troops formations.

4. France wants the Council of Seven to allocate and hand out foreign military aid, including American aid, to avoid favoritism.

Britain—backed by the United States—doubts whether the American Congress would allow its money controlled by an outside authority.

5. France wants seven-power control of armaments production in Germany, France, Holland, Belgium, Italy and Luxembourg. She also wants the production of atomic, hydrogen, gas and germ bombs banned in Germany and other countries exposed to a Communist occupation.

Britain considers seven-power control of an untold number of factories and industries impracticable. She is ready to go along with the ban on the production of all weapons of mass destruction in countries deemed exposed.

U. N. Clears Way For Atom Debate

By A. I. GOLDBERG

UNITED NATIONS, N.Y., Sept. 26 (AP)—The U.N. General Assembly today cleared the Eisenhower-Dulles atoms-for-peace proposals today for top-ranking debate in the U.N. The United States wants this to begin quickly.

Without any hint of objection, the 60-nation Assembly approved the item on which the United States has placed an urgent, priority tag. The Assembly assigned the question to the main political committee, generally considered the most important of the Assembly's seven working groups.

Francisco Urrutia, Colombia, veteran of the Security Council and of the Geneva conference on Korea, is chairman of that comitee. Henry Cabot Lodge Jr., U.S. chief delegate; Russia's Andrei Vishinsky, Britain's Selwyn Lloyd, India's V. K. Krishna Menon, and the top political figures of the Assembly conduct the debates in that committee.

U.S. delegates handling the question arranged new talks with other delegates to insure high priority for atoms item on the committee program. One U.S. source said the question was a natural to lead off the debates. Each committee sets its own order of work.

The U.S. plan advanced by Dulles last Thursday proposed to set up within a year an international agency on atomic power, with or without Russian cooperation; to provide training for students from all over the world in how to use atomic power for irrigation, farming and industrial uses; and how to use atomic fission to fight cancer.

The only role so far assigned specifically to the U.N. was to call a world congress of scientists early next year to hear a report on what the United States has started to do.

Both Lodge and Vishinsky remained silent but wary when the atoms item was proposed for inclusion in the agenda today. Vishinsky got the 15-nation steering comittee of Assembly officers yesterday to make unanimous its recommendation to include the item.

But he heatedly denied at that meeting that the Soviet Union had ever rejected the Eisenhower peace plan offered the General Assembly here last December. Lodge retorted that actions spoke louder than words and that the United States was willing to publish the Soviet-U.S. exchange on the question.

File Discloses Long Deadlock

By JOHN M. HIGHTOWER

WASHINGTON, Sept. 25 (AP) — Release of a file of secret documents exchanged between Washington and Moscow disclosed tonight that the United states and Russia were deadlocked from the start in their negotiations over President Eisenhower's proposal for peaceful development of atomic energy on a worldwide basis.

The documents were made public simultaneously in the two capitals. The action appeared to mark the end of the negotiations, although both governments held the door open to further exchanges if either has anything to say.

Two points stand out in the lengthy compilation of messages and memoranda released by the State Department:

1. The United States argued from the first that Eisenhower's plan was designed primarily to promote international cooperation in the atomic energy field and to create the trust and confidence that might lead to a solution of the atomic disarmament problem. But it was not designed to solve that problem itself, Secretary of State Dulles repeatedly emphasized.

2. The Soviet Union contended that the Eisenhower plan was inadequate because it would not provide for control or limitation of atomic weapons and that therefore it was essential first to have a declaration banning the use of such weapons. Russia wanted Red China in the declaration along with the Western powers. Dulles turned down any participation by the Chinese Communists on the atomic issue.

Six States Ready To Request Gradual School Integration

ATLANTA, Sept. 25 (AP)—Despite a stern warning from South Carolina's elder statesman, Gov. James F. Byrnes, at least six states today prepared to ask the U.S. Supreme Court for gradual mixing of white and Negro children in classrooms.

The court will hear arguments Dec. 6 on means of putting into effect its ruling of last May 17 outlawing public school segregation.

And Arkansas, Florida, North Carolina, Maryland, Kansas and Oklahoma will appeal for sufficient time and some degree of local option in working out the problem of complying with the ruling.

In response to the antisegregation decision, integration already is underway peacefully in many of the 20 areas where segregation was practiced.

But it has proved painful in a few instances and segregation flared as an issue in Ohio where racial separation long has been illegal.

Taking note of disturbances which accompanied integration in Delaware and West Virginia, and the Ohio incident, Byrnes said Friday that such events in areas with small Negro populations are strong arguments in favor of the continuance of segregated schools.

If there is such feeling in the border and Northern states with their slight Negro populations, he said, far more serious situations will arise "in such counties as Clarendon in this state" where Negroes outnumber whites about 10 to 1.

Meanwhile, pressure for immediate steps to end segregation mounted as new demands for admission to previously all-white schools came from Negroes in Alabama and Oklahoma.

And the incidents to which Gov. Byrnes referred appeared to be subsiding in face of quick and determined action by authorities.

Govs. J. Caleb Boggs of Delaware personally took a hand.

Boggs demanded that the Milford High School, center of mounting tension after a racial flareup, be reopened Monday "without incident," to both white and Negro students. "I must say frankly," he declared, "that law and order will be preserved under the law and the American way."

Delaware has ordered integration of its schools, but the state school board said Milford did not comply with a directive requiring state board approval of integration plans.

Strikes by students in several West Virginia high schools over admission of Negroes apparently were all but over with no new incidents. West Virginia makes integration optional with local boards and several counties have de-segregated with no trouble. Others are awaiting final Supreme Court action.

In Ohio, Gov. Frank Lausche said there are some instances of segregation and added "every child is entitled to be treated on an equal basis in our schools." He comented after a suit was filed accusing Hillsboro of segregating Negro children by a new zoning order.

Most of the segregation states will not participate in the Dec. 6 arguments before the Supreme Court, a survey showed today. But two of them, Arizona and New Mexico, which had partial segregation, have eliminated even that.

Kentucky will not appear, but officials have said the state would make every effort to comply with the court ruling when it is final.

Missouri is eliminating its few areas of segregation without incident and also will not appear. Kansas likewise is integrating, but will ask the court to recognize its program and afford time for completion.

Oklahoma is preparing to end segregation, but needs a constitutional amendment to change its complex tax structure and will ask the court to recognize its financial difficulties. Meanwhile, three El Reno Negroes have filed suit seeking admission to their hometown state junior college.

The suits on which the Supreme Court based its decision came from South Carolina, Virginia, Kansas, Delaware and the District of Columbia.

HONOR GRADUATE

Dolwin Smallwood, right, 21-year-old Ira man, is shown here receiving a certificate from Col. Frederick E. Day, commandant of the Far East Anti-Aircraft Artillery Specialist School at Hiyoshi, Japan, as honor graduate in the school's mechanics course. Then a private first class, Smallwood has been promoted to corporal. He has returned to Korea, where he had served 14 months before going to Japan for schooling. He will return to the U.S. for discharge next month. A 1950 graduate of Ira High School, Smallwood was active in football and basketball there. His wife, the former Wanda Parmer, lives at 2911 Avenue I.

Court Order Says Incumbent Winner

LOCKHART, Tex., Sept. 25 (AP)—Judge Leslie D. Williams today ruled that Lonnie Dotson won the August runoff primary election for Caldwell County sheriff by 42 votes.

The election contest was brought by Carl Roberts, who had lost by 44 votes in the August primary.

Judge Williams ordered two votes thrown out, saying they were alien. He said in his opinion the other votes in question were under a directory status and not mandatory.

Attorneys for Roberts gave notice of appeal. Dotson is the incumbent.

Retail Sales Slip

AUSTIN, Sept. 25 (AP)—Texas retail sales slipped 2 per cent during August but averaged 5 per cent higher than a year ago, the University of Texas Business Research Bureau reported today.

Cumulative sales for the first eight months of 1954 were 5 per cent below those months of 1953.

Both Parties Have Financial Problem

By B. L. LIVINGSTONE

WASHINGTON, Sept. 25 (AP)—Republican and Democratic campaign coffers already are showing bottom under the drain of heavy political spending in this year's election battle for control of Congress.

With fall campaigning only just now beginning to hit its peak, GOP and Democratic national committees reported disbursements from all party sources up to Sept. 1 showing each party was running about $100,000 in the red.

Up to that point, Republicans were spending approximately $2 for every $1 spent by Democrats. The GOP was also holding a corresponding advantage in political contributions.

GOP campaigners were getting six-figure help from the National Citizens for Eisenhower Committee. On the other hand, Democratic candidates were getting sizeable help from organized labor.

Political campaign expenditures for the first nine months of the year are shown in reports on file with the clerk of the House. Periodic reports are required by law.

Republican expenditures from all national sources up to Sept. 1 were listed as $1,614,895 against total receipts of $1,498,120.

These totals included disbursements of $341,320 and receipts of $419,089 by the Citizens for Eisenhower Committee; expenditures of $356,577 and contributions of $227,157 by the GOP Congressional campaign committee; expenditures of $92,913 and receipts of $67,969 by the GOP Senate Campaign Committee; and receipts of $783,905 and expenditures of $834,085 by the Republican National Committee.

From June 1 to Sept. 1, the four GOP groups reported contributions of $682,595 and expenditures of $749,197.

The Democratic National Committee reported total expenditures to Sept. 1 of $711,091 and contributions of $614,874.

For the June-September quarter, Democrats reported total expenditures of $291,400 and receipts of $239,000. The Democratic Senate Campaign Committee reported no contributions and no disbursements for this period, while the Democratic Congressional Campaign Committee reported contributions of $1,590 and expenditures of $16,250.

The CIO's political Action Committee has not yet reported, but the AFL Labor's League for Political Education reported expenditures of $267,038 up to Sept. 10.

Market Makes Decisive Rise

NEW YORK, Sept. 25 (AP)—With only the briefest hesitancy, the stock market this week made a decisive rise to another new 25-year peak.

Brokers were debating whether the market would dip down this week for a test of the lows or whether it would gather strength for a try at a new high.

Before the arguments got well warmed up, the market did a quick takeoff and glided ahead easily four days out of five.

It is true that a high degree of selectivity existed all week, both as regards individual stocks and some major groups. In the past, that kind of activity has been associated with forerunners of a reaction. Nevertheless, the market continued to go higher. A test of the lows, for the present at least, had been forgotten.

The rise this week was the third in a row since the market began its recovery drive to erase losses suffered in the late August reaction.

The Associated Press average of 60 stocks gained $1.90 and stood at $137.00, the highest position it has attained since Oct. 28, 1929. Since June the market has been scored repeated new 25-year peaks.

There was no adverse news all week—no selling excuses. Attention seemed to be focused on corporate developments such as earnings, dividends, merger rumors and announcements, and splits. Stocks responded well in all cases.

Flood Relief Funds Okayed

AUSTIN, Sept. 25 (AP)—Restoration and relief projects of more than half a million dollars for Southwest Texas counties hit by July floods were announced today by State Defense and Disaster Relief Headquarters.

Additional projects totaling $134,765 tentatively have been approved by the federal Civil Defense Administration and would run the total to date to $647,290.

Expenditures are for restoration and repair of public facilities on the Pecos, Rio Grande and Devils Rivers and Johnson Creek.

Projects approved by federal Civil Defense Administration and not previously announced as to final full amounts are: Maverick County irrigation canal, $81,199; Laredo insect vector control, $16,140; Webb County roads, $18,500; Laredo bridges and streets, $163,570; Laredo emergency personnel and supplies, $8,793; Eagle Station, $29,214; Eagle Pass recreation facilities, $7,000; Eagle Pass filtration plant, $7,150; Eagle Pass international bridge building, $6,350; Laredo Junior College, $2,165; Ozona water and sewage facilities, $2,965.

Admiral Pride, Chiang Confer

TAIPEH, Formosa, Sunday, Sept 26 (AP)—The commander of the U. S. 7th Fleet, which guards Formosa against any invasion moves by the Chinese Reds, conferred yesterday with Nationalist President Chiang Kai-shek.

Vice Adm. Alfred M. Pride thus concluded a three-day visit and rejoined his fleet. Tomorrow, Gen. Maxwell D. Taylor, commander of the U. S. 8th Army in Korea, will come here from Seoul for a three-day visit to confer with officials and inspect training of Chinese Nationalist troops.

The conferences came in the midst of a vest pocket war between the Reds and Nationalists which continued yesterday through its 23rd day. A Nationalist Defense Ministry communique said Nationalist warships and planes were on the prowl for Communist ships.

Hepburn Wed To Ferrer In Switzerland

BURGENSTOCK, Switzerland, Sept. 25 (AP)—Oscar-winning Audrey Hepburn, star of stage and screen, and actor-director Mel Ferrer, who fell in love when they appeared together in a Broadway hit, were married today in a small private chapel overlooking picturesque Lake Luzern.

The enchanting bride wore a white dress, designed in the new Dior curve-restricting "H-style," and a white hat for the protestant religious ceremony which followed a civil marriage yesterday at nearby Buochs.

Miss Hepburn's mother, Baroness Ella Van Heemstra, was among a small group of friends and relatives who flew to Switzerland from London for the service. Others included Sir Neville Bland, former British ambassador to the Netherlands, and Lady Bland and Countess Limbourg-Strom.

It was the first marriage for the captivating 24-year-old Motion Picture Academy award winner. Ferrer, 37, has been married three times before. He interrupted filming a picture in Italy to fly here yesterday for the wedding. Miss Hepburn has been in Switzerland since July for a rest.

Fritz Frey, owner of a chain of hotels in this mountain retreat and a personal friend of the bride, provided the chapel for the ceremony performed by Pastor Maurice Aendiguar of Zurich.

It was raining hard as the wedding party drove the few hundred yards from the principal hotel to the chapel where Ferrer, wearing a blue lounge suit, quickly escorted Miss Hepburn inside. Sir Neville gave her away at the ceremony.

Immediately after the ceremony the wedding party drove to a golf club as luncheon guests of Mr. and Mrs. Frey.

Frey said the newlyweds would stay in one of his chalets for "one or two days," then go to Italy for their honeymoon.

Miss Hepburn and Ferrer recently appeared together in the broadway hit "Ondine." She won an Antoinette Perry award for her work in that production only two days after winning an Oscar as the star of the motion picture "Roman Holiday."

Python Pete Has Company

DENISON, Tex., Sept. 25 (AP)—Fort Worth's fugitive Python Pete has company.

R. H. Knight told officers yesterday he also is minus an 18-foot python — this one named George —plus 249 other sundry and assorted snakes.

Knight owns the buildings that housed —note the past tense — Texoma Reptile Gardens south of Colbert, Okla., just across the Red River from here.

Until several days ago, the reptile exhibit proudly promised customers a look at George, four 12-foot boa constrictors, a dozen deadly cobras, and numerous other snakes.

"Ever since that Fort Worth python turned up missing, business had boomed," Knight recalled. "People wanted to see what a real python looked like, and for 50 cents we showed them."

Then one morning Knight found the snake pits empty and a note from his trainer saying the handler was taking the snakes and leaving for an unnamed destination.

"I didn't need a note to know that," Knight told Bryan County Atty. R. H. Mills in Colbert. "There was nothing left but my snake pits."

He signed grand larcey charges against the trainer for taking Knight's tool chest along with the snakes.

Knight said he personally hates snakes and has had nightmares ever since he got charmed into coverting a half an acre into a housing project for reptiles. But the income from admissions made him forget his bad dreams and he'd like to get back into the snake business.

Oil Industry Ready For Special Week

TULSA, Sept. 25 (AP)—Some 42,000 companies will let loose next month with a collective blast on the American oil industry's horn, the annual effort to familiarize the public with petroleum's 95 years of achievement.

They will observe from Oct. 10-16 "Oil Progress Week" sponsored by the American Petroleum Institute to point up the benefits oil and its derivatives bring the buyers.

By newspaper advertisements, radio and TV shows, motion pictures, posters, pamphlets, souvenirs and other devices, the industry will proclaim the week's theme: "Oil serves you."

One of the highlights will be the first public showings of the API's documentary movie, "The Story of Colonel Drake," a 29-minute color film. In it actor Vincent Price portrays Col. Edwin Drake, the stove pipe-hatted figure whose Aug. 27, 1859, discovery of "rock oil" at Titusville, Pa., started the petroleum industry.

Not a little of the oil story will be conveyed by the service station operator and his helper, individuals with whom the buying public has the closest and most frequent contact. Too, the week's slogan will focus a lot of attention on the homey, familiar role these people play as "front men" for the industry.

It is on the service station helper that the marketing arm of the oil business is turning a critical eye. This chap has been described by an Ethyl Corp. spokesman as sooner or later "wearing the face" of the enterprising, business-building oil and gasoline dealer.

Service station manpower, said Ethyl's advertising and sales promotion manager Russell Weston, is "one of the most important single problems facing the oil industry today."

Weston recently told the National Congress of Petroleum Retailers at San Francisco of his company's program—fashioned to supplement similar efforts by other companies and industry organizations — for helping dealers to lower turnover in attendants and to recruit and train more capable personnel.

No More Tickets

BEDFORD, Pa. (AP)—Motorists who never had it so good had better watch their step here now.

For the past 10 days no parking tickets have been handed out.

The reason, said Police Chief Earl F. McGill, as he went about tagging cars again was simple. He had run out of tickets but it was a top drawer secret and only a few people knew of his crisis.

Now, said the chief, he has an ample supply of tickets on hand.

Big Spring Flyer Is Killed In Plane Crash

TOKYO, Sept. 25 (AP)—The Air Force anounced today that Capt. Darrell Sinn, Big Spring, Tex., was killed Monday when the bomber he was piloting struck a mountain in western Japan. The B26 was on a routine training mission.

The United States annually wastes 50 million tons of grain straw that might be used in valuable pulp for paper products.

Joe Baxter, shown above with the ball, one of the Snyder Tigers' biggest ground gainers, takes to the right side of the line for one of his longest gains of the night against the Bowie Bears of El Paso, who lost to the Tigers 19-0 Friday night. Just at the left of Baxter in the picture is Don McNew, who had just finished blocking a hole open. Catching up with Baxter is Bowie's Raul Gonzalez. At right, Alan Snead, big Tiger end, charges across the goal line to open scoring for the Tigers after catching a long pass from quarterback Bernie Hagins. The play covered 41 yards. (Lee Watson photographs)

Tigers Clip Bowie, 19-0, For Second Straight Win

The Snyder Tigers became a second half football team Friday night, buckling down to defeat the team which had outplayed them during the first half of the game.

The score ended 19-0, with Snyder winning over the Bowie Bears of El Paso.

Snyder was stopped cold in the first half, except for one lightening thrust in the second period when Bernie Hagins hit Alan Snead with a pass to give the Tigers a 6-0 half time advantage. The play covered 41 yards.

The Tigers looked like a new ball team as they went onto the field in the second half. During the first half, Bowie had made nine first downs to Snyder's two, gained 119 yards on the ground to Snyder's 52. By the end of the game, the Tigers had increased their total yardage to 145 on the ground and reduced Bowie's to 118. The team made five more first downs in that half and held Bowie to none.

Expecting the Bears to take to the air, the Tigers were ready with a rugged pass defense. Bowie did try to pass, but not as much as it had in beating Las Cruces, N. M., 25-19. What passing the Bears did was not of much help, since they only made 27 yards on the five completed. Snyder was using the most effective kind of pass defense — getting the passer before he throws the ball. In four cases, Bowie quarterback Sal Garcia was quickly nabbed for losses when he backed up to pass. Steve Blair caught him twice for 10 and seven-yard losses, Doug James once for a loss of nine, and Don Savage once for a loss of seven. Alan Snead broke up two passes Garcia threw, while Jack Spikes and Powell Berry kept two more from being completed. Joe Baxter intercepted one.

The Tigers, through the whole game, took the passing lead. The 41 - yard touchdown pass was thrown by quarterback Bernie Hagins to Snead. Berry, who substituted for Hagins in the game, connected for three out of seven. Hagins had tried six. Berry's completions were to Jimmy Bennett for 13 yards, Bater for 14, and Don McNew for seven. Hagins lost two on interceptions, Berry one.

Bowie's 10 fumbles made up a big part of their downfall. The Tiger defense, hitting hard, were shaking the ball loose. Bowie lost the ball on fumbles on four drives. One of those went down to the Snyder 19-yard line, much closer than Bowie got the rest of the night.

Taking the first kickoff, the Tigers started from their own 39, made one first down, and had to punt out from the Bowie 42. Bowie started from its own eight, did not pass as expected but stayed on the ground and moved 58 yards in five plays before trying to pass. The longest of those plays was a 29-yard right end keeper by Garcia, who was stopped by Baxter. Things were looking black for the Tigers, but the defense had not quit yet. Still looking for a pass, the Tigers spotted Garia trying one, with a first down on the Snyder 34, and James caught the quarterback for a loss. The Bears completed one pass, Garcia to Ed Rayes, but it was only good for five yards when Spikes downed the receiver as soon as he caught the ball.

After returning Bowie's punt to the Snyder 28, Spikes jabbed through the middle for a total of eight yards in two plays, then the team lost yardage and punted out. Bowie started from its own 29, made another drive on the ground for three first downs to the Snyder 35. There, they lost yardage on a fumble and recovered ball, tried unsuccessfully to pass, and punted out. Later, Bowie had the ball again but fumbled, with Shorty Grimmett recovering on the Bowie 41. From there, Hagins passed to Snead for the first score. Blair's kick missed gaining the extra point.

Bowie, still much in the ball game, returned the kickoff to its own 41 and began its best drive of the night. Garcia pitched out to Luis Rodriguez for a left end run and a 20-yard gain during that attack. The Bears had a first down on the Snyder 27 and had tightened the Snyder line with two jabs for a total of eight yards in the middle. A pass try failed, so Bowie tried the middle again. That's where David Holguin fumbled and Frankie Minton recovered. Neither team got close to the other's goal line again before intermission.

Bowie fumbled three times in a row after taking the second half kickoff, and Grimmett recovered the last one on the Bowie 22. The Tigers drove down to the Bowie four-yard line, where they were faced with a fourth down try for a score, and Bowie's line shook the ball loose from Gerald Crawford and recovered it in the end zone for a touchback. The Bears failed to gain, however, when they started from their own 20, and they punted. Spikes carried the return 11 yards to the Bowie 38, punched two yards into the line, then went across the right side of the line through a hole opened by McNew 36 yards for Snyder's second tally. Minton kicked the point, making the score 13-0.

Throughout the second half, Bowie could not gain enough for a first down. The Bears had the ball four times, losing yardage more often than they gained it. Near the end of the third period, Snyder started a drive from its own 46 and worked all the way to the goal line. Berry, a sophomore just now coming into his own as a quarterback, completed his three passes during that drive, accounting for most of the long gains. He pitched out to Crawford for one 14-yard left end run. The Tigers drove down to the Bowie one-yard line, where Berry sneaked over behind the big push of the Tiger line. Minton this time missed the kick, and the score was 19-0.

The Tigers made one more touchdown, but it was called back on an offside ruling. That was on a long pass from Hagins to Snead, with the play covering 67 yards and with Baxter throwing a hard block into Bowie's last two defenders at the goal line.

Doug James and Steve Blair, long offensive and defensive standouts for the Tigers, headed up defense in the game. Minton, Berry, and Snead were also outstanding in that department. In blocking, top performances were put in by McNew, Minton, Blair, and Baxter. Bowie defensive leaders included end Enrique Lopez, tackle Benito Landin, and end Antonio Lujan.

Leading ground gainer for the Tigers was Spikes who went 70 yards on 11 carries. Other leaders were Baxter, who had 37 yards in 11 plays, Crawford with 24 yards in three carries, and Jimmy Bennett with 13 in four. Snead punted three times for an average of 32 yards, twice out of bounds and once when the ball fell dead. Baxter punted 34 yards once, and that was not returned.

Bowie had as ground gain leader Luis Rodriguez with 56 yards in eight carries, while Holguin had 35 in nine and Bobby Molina 28 in eight. Lujan did all the punting for the Bears, averaging 28 yards in eight kicks.

Next week, the Tigers will go to El Paso for their last non-district engagement, this one against Thomas Jefferson.

ABOVE THE BLEACHERS

By DALE WALTON

Remember Keith Pitner, the track star who finished high school here last spring?

He hasn't quit track . . . he has

KEITH PITNER

a scholarship at the University of Texas and is already working out. He and other distance runners will start cross - country running in about a month in preparation for the season.

Seldom does Snyder put out such an outstanding runner as Pitner, who seemed about to pick up his speed in the halfmile run at any time his competition got faster. He went to the state Interscholastic League meet twice for Snyder and took numerous first places in the 880-yard run.

Pitner also ran in several relays for the team. He is the son of Mr. and Mrs. K. O. Pitner, 2802 Avenue M.

Possibly we will be hearing more from Pitner in the next few years.

WHEW!

After looking over results of games involving teams from District 3A-1, we're like Hal Battle after he watched Breckenridge a week ago. All we can do is shake our heads. There's not much you can say after seeing all that.

It doesn't seem to be a question of who has a team this year. There has been no team in the district yet which has not indicated plenty of power. It's just who will outpower, outsmart, and out-everything else the other teams when district play begins. And in many of the games, it looks like one team may have just as much chance as the other.

Still undefeated are Breckenridge, Big Spring, Snyder, and Levelland.

HIGHLIGHTS COMING

Whether you are now a member of the Quarterback Club or not, you won't want to miss the film to be shown there Tuesday night.

The film will be Humble's "Highlights of the Southwest Conference." Humble annually takes best plays from many of the Southwest's games and pieces them together into one entertaining show.

The club will meet at 7:30 o'clock Tuesday night in the high school cafeteria, and the meeting is open to the public. Of course, membership is open to the public too.

POWER ON THE WAY

An indication of the type of power which may be on the way for Coach John Conley of the Snyder Tigers may be gleaned from last Thursday night's eighth grade game here. The Snyder eighth graders, you remember, defeated the Big Spring eighth grade team, 35-0. A week earlier the same Big Spring team had decisioned Bowie Junior High of Odessa, 12-0. It was the first time a Big Spring team had ever been able to beat the Odessa Junior High outfit.

Buckaroos To Meet Abilene In Top Match

By The Associated Press

Breckenridge battles Abilene this week in the feature game of an important schedule in the top echelons of Texas schoolboy football.

The Buckaroos, who look like one of the best teams in the state, all classes considered, will give the team that's rated No. 1 in Class AAAA the kind of test needed to determine if Abilene is the real thing or not.

Breckenridge, which smashed Class AAAA Wichita Falls 41-13, then whipped Brownwood of its own class 42-7 Friday night, now must be considered the leading candidate for the Class AAA state championship.

Ray of Corpus Christi, which went up to Oklahoma City and whipped Capitol Hill 19-14 to enhance its standing, plays Lamar of Houston, the defending Class AAAA champion, in another standout game of the week.

The 60 games on the schedule for the top classes include conference battles in two districts — the start of title play.

In Dist. 4 of Class AAAA, South Oak Cliff, which built itself up last week by licking highly rated Texarkana of Class AAA, 21-14, plays Woodrow Wilson of Dallas to start the conference race.

In Class AAA, Dist. 7 has three conference games with Kerrville at New Braunfels, San Antonio Edison at Victoria and Harlandale and Burbank, a couple of San Antonio teams, getting together.

This week's schedule by districts:

Class AAAA

1. Friday: Plainview at Amarillo, Breckenridge at Abilene, Fort Worth Paschal at Pampa.

2. Thursday: Douglas, Ariz., at El Paso Bowie; Friday: Borger at El Paso Austin, El Paso High at Kermit; Saturday: Snyder at El Paso Jefferson.

3. Thursday: Dallas Forest at Fort Worth Amon Carter-Riverside; Friday: Lubbock at Fort Worth North Side.

4. Thursday: Fort Worth Tech at Dallas Crozier Tech; Friday: Tyler at Dallas Sunset; Saturday: Dallas Woodrow Wilson vs South Oak Cliff (conference).

5. Friday: Sherman at Wichita Falls, Odessa at Dallas Highland Park, Fort Worth Poly at Waco.

6. Friday: Houston Lamar at Corpus Christi Ray, Austin Stephen F. Austin at San Antonio Jefferson, McAllen at Brownsville, Laredo at Eagle Pass; Saturday: Dallas Adamson at San Antonio Brackenridge.

7. Thursday: Houston St. Thomas vs Houston Milby; Friday: Port Arthur at Houston Reagan; Saturday: Corpus Christi Miller at Houston Austin.

8. Friday: Port Neches at Freeport, San Antonio Tech at Pasadena, Houston Jeff Davis at Baytown.

Class AAA

1. Friday: San Angelo at Sweetwater, Lawton, Okla., at Vernon, Ysleta at Big Spring.

2. Friday: Hillcrest at Pleasant Grove, Weatherford at Arlington, Ranger at Brownwood, Irving at Waxahachie, Greenville at Garland, Fort Worth Arlington Heights at Cleburne.

3. Friday: Gladewater at McKinney, Kilgore at Paris, Grand Prairie at Denton.

4. Friday: Denison at Texarkana, Nacogdoches at Jacksonville, Gainesville at Marshall, Mt. Pleasant at Ennis, Orange at Lufkin, Henderson at Rusk.

5. Friday: Seguin at Austin McCallum, Waco Tech at Corsicana, Longview at Temple, Brenham at Bryan, Beaumont French at Palestine.

6. Friday: Lamar Consolidated at Aldine, Houston San Jacinto at Conroe, Port Arthur Bishop Byrne at Texas City.

7. Thursday: South San Antonio vs San Antonio Lanier; Friday: Kerrville at New Braunfels (conference), San Antonio Edison at Victoria (conference), San Antonio Harlandale vs San Antonio Burbank (conference).

8. Friday: Mission at Pharr-San Juan-Alamo, Robstown at Alice, Weslaco at Edinburg, San Benito at Raymondville.

Dan Edwards tackle for the Baltimore Colts in the NFL, is a cattle farmer during the off-season.

Northwestern Sails By Cyclones, 27-14

EVANSTON, Ill., Sept. 25 (AP)—John Rearden, a smooth-running quarterback, plunged for two touchdowns and fired a 28-yard tie-breaking pass in the fourth quarter to enable Northwestern to defeat a scrappy Iowa State team, 27-14, today.

The Cyclones, in position to spring an upset until the final minute of the game, came from behind twice to knot the count, the second time on a 92-yard kickoff return by Don Lorenzen.

In the fourth quarter, Iowa State began to move with the score tied 14-14. But Jim Troglio, Northwestern, intercepted a pass and ran 35 yards to State's 16. Rearden hit Fred Nosal in the end zone to break the tie.

Indians Set Record For Total Victories

CLEVELAND, Sept. 25 (AP)—The Cleveland Indians broke an American League record today by winning their 111th victory a 11-1 decision over the Detroit Tigers.

Early Wynn, winning his 23rd victory, had a no-hiter going into the ninth, when Fred Hatfield singled and Steve Souchock scored him with a triple.

The old record of 110 was set by the 1927 world champion New York Yankees.

Flower Grove Team Nudges Ira, 19-13

The Ira six-man grid team surprised football fans Friday night with marked inprovement over the week before.

Playing in its second six-man game, the team lost the game to Flower Grove, a powerhouse in that type football, 19-13 but led until the last four minutes of the game.

Coach Kenneth Dismuke said he is well pleased with the improvement, adding that he believes the team will be even better in its offense and defense when it hosts St. Joseph's Academy of Abilene at 7:30 o'clock next Thursday night. Workouts will center around blocking and tackling during the next few days.

Don Gray, offensive star of the game, got four stitches in a cut lip suffered during the game. That injury will not keep him out, however.

Ira initiated the scoring in the game, driving more than 50 yards down to the Flower Grove seven-yard line in the first quarter, from where Gray raced across the goal line. Quarterback Ferrell Bryant passed to Jerry Ford for the extra point. Later in that period, a speedy Flower Grove halfback broke loose for a 60-yard run to score. The extra point try failed, and Ira still led 7-6.

Both teams scored in the second quarter. Gray went around end 30 yards for Ira's tally. Flower Grove made another long run to tally. Neither team got the extra point, so Ira was ahead 13-12. No score was made in the third.

In the fourth, Flower Grove edged ahead on a 12-yard scoring run around left end, but Ira came back with a tally by Gray on a three-yard plunge, ending a long drive. That put Ira 19-18 in the lead. With less than four minutes to go, the Flower Grove speedster got free again and went 50 yards for a TD and the winning lead. Bryant, who throws short quickie passes, completed one each to Leon Ford, Billy Don Farmer, and Jerry Ford. Tommy Echols throws the long aerials, and he conpected for three, two to Gray and one to Earl Clinkenbeard.

Sharpshooting Middies Win

ANAPOLIS, Md., Sept. 25 (AP)—Speedy Bob Craig ran 65 yards for a touchdown today as the trigger of a sharpshooting Navy offense that pierced rugged William and Mary for a 27-0 opening football victory.

The Middies showed none of the indecisiveness which limited them to a 6-6 tie in last year's first game against virtually the same team.

They rammed home for touchdowns in each of the first two periods while holding the Virginians to practically nothing, fought them off in the third period and rolled over the goal twice in the last period.

The mixture of regular and split-T offense concocted by Coach Eddie Erdelatz stayed almost exclusively on the ground and gained 346 yards for Navy. The defenses for which the Navy coach is widely respected held the opposition to 83 yards rushing.

Craig, a junior from Altadena, Calif., who hurdles on the track team, dashed with the ball 10 times for 126 yards. Besides his 65-yard touchdown sprint in the second quarter, he whizzed 56 yards for another in the fourth which didn't count because a teammate was caught clipping.

Before the game was over, Navy intercepted four passes, William and Mary three, and Navy recovered five fumbles while losing two.

William and Mary threatened throughout the third quarter. W&M had the ball on the Navy 3, 9 and 28-yard lines, but the Middie defense took it away every time.

Army Drubbed By Gamecocks

WEST POINT, N.Y., Sept. 25 (AP)—South Carolina double-platooned a green and undermanned Army football team with a horde of fleet backs today and handed the Cadets a crushing 34-20 defeat in their opening game of the season.

It was only the third time in Army football history that the Cadets had lost an opener.

Four of the five South Carolina touchdowns were scored on the ground and three of them on drives of 96, 97 and 80 yards.

Don Knauth, co-captain of the Michigan State football team, is saluted as "Dr. Don" by his teammates. He had a straight "A" average in all his classes last term.

Gail Coyotes Romp Over Imperial, 46-20

The Gail Coyotes evened their season record to 1-1 Friday night when they ran over Imperial 46-20.

The week before the Gail team had lost to Garden City 33-22. The Borden County team, now in its third year, is playing six-man football.

Friday night, the Coyotes will be in Courtney for their first district game of the season.

Hermleigh Captures Win Over Knox City

HERMLEIGH, Sept. 25 — Getting ready to start in the "games that count," the Hermleigh Cardinals threw a challenge at their District 6-B foes Friday night by downing a District 7-B team, Knox City, 33-7.

Despite the efficiency of the Knox City line, the Cardinals made sizeable gains, making a total of 108 yards on the ground. With that line facing them, however, the Cards took to the air for 118 yards on two passes by quarterback Robbie Robinson, both of them scoring plays.

Robinson took the quarterback spot in place of Kemp McMillan, who has a broken hand. The regular quarterback was playing, even if it wasn't at that position, and he opened scoring by sweeping left end 15 yards in the first quarter. Billy Mack Davidson missed the try for extra point.

In the second period, Richard Fritz took a Knox City punt and ran it back 45 yards to score, with Robinson adding the point on a ground play.

Knox City stayed in the game until the third quarter. Early in that period Kenneth Day scored for the Knox City eleven by catching a pass flung by Don Corley. The play covered 48 yards. Day ran the extra point across. Leading by only one touchdown, Hermleigh moved ahead later in the third when Robinson tossed to Davidson for a play which covered 60 yards. Davidson then kicked the extra point.

To cinch the win, the Cards kept the steamroller going in the fourth. Robinson threw to Neal Wilcox for a 45-yard scoring play, with Davidson adding the point. Late in the final period, Alvis Tarter intercepted a Knox City pass about mid-field and carried it to the opponents' one-yard line, and Robinson plunged through the middle for the finaly tally. Tarter tried but failed on the extra point.

Heading up Hermleigh defense were Charles Smith, Wilcox, Tarter, Jackie Roemisch, and Jay Houston.

Friday night, the Cards will take on Hobbs in the first district game. The tilt will be played either at Hermleigh or Rotan. Hobbs, the host, has not had water for its field during the summer.

Duke Crushes Penn, 52-0

PHILADELPHIA, Sept. 25 (AP)—Long-legged Byron Aldridge broke down the door and a versatile, hard-hitting Duke squad poured through for a crushing 52-0 victory over "new look" Pennsylvania today in an intersectional football opener.

Coach Bill Murray cleaned his bench of 40 men and finished with third and fourth stringers in handing Penn its most humiliating defeat since Army's Doc Blanchard and Glenn Davis rolled up a 61-0 score in 1945.

It was a sad debut for Penn's new coach, Steve Sebo, who brought in a new regime from Michigan State.

Aldridge, a six-foot, 197-pounder from Little Kinston, N.C., personally marshalled a 76-yard touchdown drive which broke a scoreless deadlock late in the second period and set Duke's awesome scoring machine into motion.

The Blue Devils pushed over two more touchdowns in the third period and five in the fourth in a rout which saw Sam Eberdt, son of an Alabama great, also reach for stardom.

Eberdt, senior fullback, scored two touchdowns in the last period and set up a third.

Aldridge accounted for two touchdowns, his first coming on a 2-yard plunge after he had picked up 65 of the 76 yards in the second period, and his second on a 4-yard plunge.

Improved Roby Lions Conquer Rule By 19-13

ROBY (Spl.) — An improved team of Roby Lions Friday night upset Rule 19-13 in a game which was a struggle all the way.

Led offensively by speedy tailback Freddie Stuart, the Lions moved from behind once and then pushed out front after Rule had tried the game.

Rule scored first in the game, with Charles Gibson, left halfback, crossing right tackle eight yards to end a 68-yard drive. That happened in the first period of the game.

The Lions struck back in the second, driving downfield 64 yards to score, with Stuart spurting through the middle 29 yards for the tally. The scoreboard now read 6-6. Back onto the field after the half, Roby started another drive, this one lasting for 65 yards. Fullback Tommy Warren swept right end 12 yards for the score, and Stuart ran the extra point across to put the team ahead 13-6.

In the same period, Rule started the longest drive of the night, 71 yards. Dick Trammell went 10 yards through the middle for the TD and then ran the extra point across to tie the score again.

With three yards to go for a first on a fourth down, Stuart took to the right end again and raced 12 yards to score in the fourth quarter and end a 62-yard drive. The extra point try was missed, but Roby had, and held onto its six-point winning lead.

Roland Ray, right guard, and Danny Kennedy, left guard, headed up Roby defense. Defensive standouts of the game, however, were playing for Rule. They were defensive halfback Charles Gibson and linebacker Eugene Trammell.

Next Thursday night, Roby will be in Hamlin for its fourth non-district contest. The team's record now stands at 2-1.

Guglielmi Leads Irish Over Longhorns, 21-0

By JERRY LISKA

SOUTH BEND, Ind., Sept. 25 (AP)—Quarterback Ralph Guglielmi scored two touchdowns and passed to a third as Notre Dame's Fighting Irish gave new Coach Terry Brennan a triumphant sendoff, 21-0, over the stubborn Texas Longhorns today.

It was the first Texas shutout since 1946.

Guglielmi also made two great pass interceptions to harass the game Texans, who twice fumbled the ball away within Notre Dame's 10 when they were very much in the game.

With his former coach, retired Frank Leahy watching from a box seat among the 57,594 shirt-sleeved fans, Brennan uncovered an Irish team that gave all the indications of living up to its No. 1 ranking in the pre-season Associated Press poll.

Notre Dame moved ahead 7-0 in the second period on Guglielmi's 19-yard pass to end Dan Shannon. The Irish made it 14-0 in the third quarter with a 79-yard march in 10 plays, capped by Guglielmi's one-yard smash.

In the final quarter, Guglielmi scored on a three yard slither around his left end after Notre Dame's new fullback find, Don Schaefer rambled 23 yards.

Schaefer converted after each touchdown.

The game was not as decisive as the score indicates and the Texans had their own butterfingered play to blame as they fumbled at critical points.

The Longhorns struck to Notre Dame's seven in the first four plays of the game. Delano Womack's 33-yard run and an interference ruling on Charley Brewer's pass to Howard Moon was good for 26 yards to Notre Dame's 7.

Here, however, Brewer fumbled and Irish tackle Frank Varrichione recovered on Notre Dame's 11. Still in the first quarter, Texas was pressing hard when Guglielmi wrestled a long Brewer pass from Moonon Notre Dame's 21.

In the third period, trailing 14-0, but still full of fight, Texas slammed from midfield to Notre Dame's 10.

Then Longhorn soph fullback Don Maroney slashed up to the Irish 5 only to fumble and have Notre Dame's guard Ray Lemek recover.

Beyond Texas' failure to exploit its first period chances, the game's turning point probably came early in the second quarter as Guglielmi made the second of his three interceptions.

The great Irish senior quarterback from Columbus, Ohio, carefully measured a toss by Texas quarterback Dick Miller and captured the ball on Notre Dame's 19. Guglielmi then took off down the sidelines, scampering 42 yards clear back to Notre Dame's 39.

It was this break that launched Notre Dame to its first and what proved to be the only touchdown needed. Schaefer, a converted quarterback being tested at graduated Neil Worden's fullback spot, rammed 16 yards.

Three plays later, Guglielmi picked out end Shannon in the open, fired him the ball and Shannon galloped across unmolested on a 19-yard scoring play.

Texas last was blanked by Texas Christian in 1946.

SPORTS

VERSATILE HOGS SINK TULSA HURRICANE, 41-0

By RAY STEPHENS

FAYETTEVILLE, Ark., Sept. 25 (AP)—Arkansas' Razorbacks unleashed a versatile attack here today to open their 1954 football season with a crushing 41-0 conquest of the University of Tulsa.

Veteran fullback Henry Moore and a sophomore tailback, George Walker, combined their talents to lead the Porkers in the rout of the once-beaten hurricane.

Arkansas used its starters sparingly and all but cleaned its bench as Coach Bowden Wyatt sought to provide game action for his sophomore-studded crew.

The Southwest Conference Razorbacks started slowly, muffing two early scoring chances set up by alert defensive play. After twice stopping short inside the 20, the Razorbacks moved 57 yards on 12 plays for their first touchdown. Moore hit left tackle, cut sharply to the sideline and raced 21 yards to score untouched.

Tulsa then made its only serious threat of their game. Starting on its own 25, Tulsa drove almost 75 yards before losing the ball on downs just four inches short of the goal.

A bevy of swift Tulsa backs, led by Dale Lawyer, Bill Travnick and Charles Wines, time and again pierced the Arkansas line for short midfield gains from their split-T formation.

Arkansas added a touchdown in the second quarter on a 12-yard pass from tailback Buddy Benson to blocking back Bobby Proctor.

Arkansas scored three more touchdowns to hold a 35-0 lead at the end of the third quarter. Moore scored from 19 yards out; center Jerry Ford intercepted a pass and ran 74 yards for a touchdown; and Walker plunged across from the one. Benson skirted end for 21 yards and the final Razorback score.

Tennessee Wins Over Mississippi State

MEMPHIS, Sept. 25 (AP)—Tennessee coupled a blocked punt, an 80-yard run by a second-string tailback and a 50-yard drive to come from behind and beat Mississippi State 19-7 today.

Three times in the last half, State rolled deep into Vol territory but lost the ball on two intercepted passes and a fumble.

State went ahead 7-6 midway the second period when Clovis McKissick converted after an 84-yard touchdown drive. Then, after an exchange of punts, John Majors, a ram-jet sophomore tailback, slashed off his weakside tackle and galloped 80 yards to put Tennessee out in front to stay.

White Sox Win, 11-0

BALTIMORE, Sept. 25 (AP)—The Chicago White Sox pounded four Baltimore pitchers for 13 hits today and coasted to a 11-0 victory over the Orioles behind Billy Pierce's 5-hit hurling. It was the American League season finale for both clubs.

Six Of Eight District Teams Win Against Outside Elevens

If anyone likes to see football games in a tough district, he will want to catch as many has he can this fall in District 3A-1.

All eight of the teams in the district were playing in non-district games Friday night, and six of them won their games. The two teams which lost, although one of them surprised everyone by losing, are still considered threats in the district.

In Friday night's play, Snyder downed Bowie of El Paso 19-0, Breckenridge slaughtered Brownwood 42-7, Big Spring ran over Stephenville 34-6, Lamesa stepped on Seminole 34-6, Levelland stomped on Littlefield 60-20, and Vernon edged Pampa 20-13. Sweetwater fell to state AAAA title aspirant Abilene 13-0, while Plainview lost to El Paso High 13-0.

Abilene 13, S'water 0

The fact that Abilene did not beat Sweetwater any more than two touchdowns is enough to make many 3A-1 coaches chew their fingernails. As if that were not enough, Abilene had a hard time even getting that many points on the Mustangs.

The Abilene team started scoring with the first quarter almost gone when halfback Jim Miller ran drove the final two yards. In the third period, Sweetwater fumbled and Abilene recovered on the Mustang 17, and that set up another Eagle score. Henry Colwell finally tallied, going the last few yards across left guard. The extra point was kicked by Hollis Swafford. That made Sweetwater's season record 0-1-1, with one loss and one tie.

Breck 41, B'wood 7

Breckenridge, which launched its season a week ago by defeating Wichita Falls 41-13, kept its campaign underway Friday night in its win over Brownwood. The Buckies scored in every quarter and left Brownwood with little yardage on the field.

Jake Sandefer and Bennett Watts each scored twice. Watts tallied on a seven-yard quarterback keeper across tackle and made another similar play for his second score. Sandefer intercepted on pass and returned it 34 yards to score. He has taken the ball the last 27 yards on a drive following the kickoff. Clyde Harris scored once as last man on a 70-yard play with laterals from Watts to Sandefer to the scorer. Dick Carpenter went through tackle for 70 yards for a TD. Harris made four extra points, John Cotton two. The Breck season record is now 2-0.

Levelland Wins 60-20

Mack Freeman, hard-working Levelland quarterback, led the attack for his team as he completed 16 of 19 passes for 243 yards. Levelland led by score of only 33-20 going into the fourth quarter but racked up 27 points in that stanza. The Lobos started scoring with a five-play drive from their own 24, with Tommy Evans, leading ground gainer in the game, crossing the goal line on a 27-yard for his first of five times. Garey Lawhon added the other conversion of the night.

Other scoring was like this: Littlefield on an 80-yard run by Keith Davis, Evans for Levelland on a short plunge to end a 27-yard drive, Levelland on a 53-yard drive with Joe Kennedy around end for the last four, Littlefield on a screen pass to Evans, Levelland on a similar play from Freeman to Becton for 43 yards, Levelland on a pass from Freeman to Oehrlein for three yards, Littlefield on a pass to Wayne Wicker, and Levelland the final four counts, with Freeman sneaking from the one for the first, Kennedy on a 16-yard pass from Freeman, Travis Shofner on a 61-yard punt return, and Tommy Derrington on a nine-yard pass. Levelland has a 2-0 record now.

Steers Winners 34-6

Tommy McAdams, Big Spring quarterback, confirmed reports of his ability in his team's blasting of Stephenville. The Steers have won both their games now. Big Spring first tallied after taking over on the Stephenville 37 and driving to the goal line in 10 plays. McAdams passed to Lefty Reynols for the last 20 yards, and Glen Jenkins kicked the extra point. In the second period, the quarterback returned a punt 31 yards to the Stephenville 19 and passed to Joe Liberty to the eight-yard line. On the next play, McAdams aerialed to John Birdwell, who tossed the ball out to Frosty Robison just before being tackled, and Robison crossed the goal line. Jenkins converted again.

Taking the opening kickoff of the second half, the Steers ground out 75 yards in nine plays, then McAdams pitched out to Robison, who went 17 yards to score. A third kick by Jenkins was good, making the score 21-0. Recovering a Stephenville fumble 31 yards out, the Steers got to the 25, and Ronnie Wooten carried into the line three times for a TD. Lonnie Leatherman made gains then on 10 plays to the Big Spring 10 for Stephenville and tried but failed on two passes. Big Spring took over and punted out. Leatherman finally passed to David Hogg for the only Stephenville score. The Steers scored again when McAdams aerialed to Liberty from Big Spring's 42-yard line, and Liberty took it into the end zone. Jenkins added another extra point for the 34-6 score.

Vernon 20, Pampa 13

Vernon's win over Pampa was rated as an upset by some. In that tilt, Vernon scored first when Bill Lovelace bulled across one yard to end a 68-yard campaign. Pampa tied it up in the second, with Bill Fulenwiter taking the last two yards of a 10-yard drive after a Vernon fumble. In the same period, the Harvesters got ahead with Harold Lewis going two yards through the middle to end a 57-yard drive. Lewis converted, and Pampa led 13-6. In the third, Jerry Pearson chunked to Lovelace for 19 yards and another touchdown. Vernon took over on Pampa's nine-yard line later on a fumble, and Carl Franks went four yards to score three plays later. Morris converted for Vernon. This gave the Lions an even season record, 1-1.

Lamesa 34-6 Victor

Lamesa now has a 2-1 record after its big win over Class AA Seminole. Count Bartlett picked up the ball after blocking a Seminole punt and raced 10 yards for the first score. In the second period, Doyle Chapman took the ball 24 yards for one TD and passed to Conrade Alexander 21 yards for another. Donnell Echols took another on a one-yard push in the third. Seminole scored on a seven-yard run by Johnny Speer. The final Lamesa TD came on a 19-yard run by Chapman.

Bulldogs Drop One

Plainview, rated very high during the summer, may have lost some stature in its loss to El Paso High, which Lamesa beat last week 33-20, but most observers are still leery of the eleven from the high plains. Two of Plainview's starters were injured in the third quarter, end Bobby Bryant and halfback Robert Taylor. Quarterback Guillermo Ruiz was also lost to the El Paso team on an injury.

There was no score in the first half. Two 15-yard penalties were assessed against Plainview in the third, making up 30 yards of El Paso's 49-yard drive to score. Tommy Arciniega took the last three yards for the TD. Halfway through the fourth, a Plainview drive was stopped on El Paso's 32, and the Tigers drove it 68 yards for a score, which came on a 12-yard pass from Lorenzo Perales to Ernesto Limon.

Plainview, which now has an 0-2 record, almost scored in the first half, passing until it got down to the El Paso one-yard line, but the halftime gun sounded before the Bulldogs could score.

Iowa Nudges Spartans In 14-10 Shocker

By L.E. SKELLEY

IOWA CITY, Iowa, Sept. 25 (AP)—Eldean Matheson, a junior halfback who carried the ball only four times a year ago for 42 yards, raced 52 today to rally Iowa to a spectacular 14-10 victory over Michigan State's Rose Bowl football champions.

With his team down 10-7 as the result of a smashing Michigan State third quarter drive and only a bit more than six minutes on the clock, Matheson tucked in a punt on his 45 and sped down the west sideline. He was only three yards away from the goal when he was overhauled by Spartan Carl Nystrom.

Shocked Michigan State grudgingly gave up only 1½ yards in three Iowa thrusts. But the Spartans couldn't restrain the Iowa line and quarterback Jerry Reichow, on the vital fourth down, went over for the winning points.

The defeat, only the third Michigan State in five years, was a bitter loss for new Coach Hugh Daugherty who moved up to the top job when Biggie Munn retired after the 1954 Rose Bowl triumph.

Conversely, it was a stimulating victory for Iowa Coach Forest Evashevski, once an assistant with Daugherty under Munn. And it was a flying start toward the Big Ten championship which Michigan State and Illinois are defending as co-champs.

A shirtsleeve crowd of 50,000, basking in 80 degree temperature, and millions of viewers watched the nationwide TV game of the day.

Terry Happy Over Victory

By WILLIAM J. CONWAY

SOUTH BEND, Ind., Sept. 25 (AP)—Terry Brennan, the "boy" given a man's job as head football coach at Notre Dame, showed he could handle it today.

His team, the first college varsity squad he ever fielded, bested Texas 21-0.

"I'm happy," 26-year-old Brennan told newsmen, but he made clear that his first victory did not rob him of his realistic reason.

He pointed out that this is "only September" and added:

"It's going to be just as tough or tougher from now on."

Young Brennan sat on a folding chair in an equipment room crammed with shoes and folded pants and chewed gum vigorously as he chatted with reporters.

"We won by terrific line play," he said. "With Varrichione, Palumbo, Szymanski, Lemek and the others, we were tough up in front."

He termed Texas an "awfully good football team" that was hurt by fumbles.

"There were a lot of little breaks," he aded. "The game was a lot closer than the 21 points indicate."

"Our team played tough and aggressive football. That was the answer."

Brennan, sitting there sipping a soft drink, seemed calm but he confessed that he had been nervous in his first try at keeping Notre Dame at the level attained by Knute Rockne and maintained by Frank Leahy.

"But I feel better now that the first one is under my belt," he said.

Leahy, Brennan's predecessor at Notre Dame, was one of the first to shake the hand of the new coach.

Brennan lauded quarterback Charley Brewer and halfback Delano Womack of the hard-hitting Texas team. But he seemed to be just as impressed with the rugged Texans on the line.

"The right side of their defensive line," he said, "was particularly tough."

Ed Price, the Texas coach, called the victors a "typically fine Notre Dame team."

They had a great team today and that team played as well as it will play throughout the year."

But, he philosophized, "nobody can lose the ball six times to Notre Dame and win."

Bratkowski Pitches Georgia To Victory

ATHENS, Sept. 25 (AP) — Slim Jimmy Harper, endowed today with a large measure of predecessor Zeke Bratkowski's passing wizardry, hurled the Georgia Bulldogs to a 14-7 triumph over Clemson.

Harper, a 6-foot-1, 171-pound junior from Thomasville, Ga., guided Georgia to a tying touchdown in the second quarter on a 55-yard drive in eight plays that included six aerials. With the Clemson defense loose, he sent fullback Bob Clemens 17 yards up the middle for the score.

Then, with the final quarter half gone, he lofted a 32-yard beauty deep into the end zone to halfback Jimmy Williams for the six-pointer that gave the Southeastern Conference Bulldogs a mild upset. The betting fraternity called the game even, but sideline observers had rated Clemson a slight favorite.

Davidson Clips Stetson

DAVIDSON, N.C., Sept. 25 (AP)—Davidson's Wildcats scored three touchdowns in the first half and held on gamely to defeat Stetson 19-13 today.

Oklahomans Hard Pressed To Defeat Horned Frogs, 21-16

By SAUL FELDMAN

NORMAN, Okla., Sept. 25 (AP)—Oklahoma, the nation's No. 1 football team, exploded with two touchdowns within five minutes in the last quarter to come from behind and whip under-rated Texas Christian 21-16 today.

The Sooners lost their star split-T quarterback, Gene Calame, just before the half with a broken shoulder and sophomore Jim Harris took over skillfully to direct OU to its 11th straight victory and the second this year.

TCU was rated a three-touchdown underdog and looked like it had the upset of the day in the making until Oklahoma finally was able to get its ground attack going.

However, the TCU team, sparked by its amazing stable of sophomores, wouldn't give up and drove to the Oklahoma eight-yard line when the final gun went off.

Harris scored two of Oklahoma's touchdowns, one on a 69-yard punt return, and Bob Herndon added the other tally on a 10-yard drive through center after halfback Buddy Leake had set up the score with a 50-yard punt return.

A safety gave Texas Christian its first points and Charles Curtis and James Cooper made the Frogs' two touchdowns.

Oklahoma fumbled 10 times, losing the ball five times.

The victory, before 50,000 spectators, proved costly for Oklahoma because it was learned after the game that Calame's injury may keep him out the rest of the season.

Calame opened the season against California last week with a bruised side but was able to play 59 minutes as the Sooners won 27-13. All this week the slick ball handler had to miss practice because of the injury and his staleness showed in the first half of today's game.

The safety, which came in the second quarter, could have meant two big points. It came when Leake, attempting to kick from his end zone, fumbled a bad pass from center and was tackled by Norman Hamilton.

Those two points stood as the only scoring in the first half.

Oklahoma pulled ahead 7-2 with 2½ minutes gone in the second half when Harris broke loose along the left sideline and dodged virtually the entire TCU team in his thrilling run. Leake kicked the extra point, his first of three.

Five minutes later TCU gave Oklahoma some of its own medicine when it used split-T ground plays to chew up 81 yards in 10 plays and score its first touchdown with Curtis hitting the goal from five yards out. Johnny Crouch added the extra point.

TCU went ahead 16-7 for what looked like a winning margin when sophomore halfback Ken Wineburg, who played a smashing game on both offense and defense, passed 31 yards to Cooper in the end zone at the start of the final period. Harold Pollard then converted.

With the crowd standing and screaming, the Sooners came back fast for their two big touchdowns. The tally that pulled Oklahoma up to 14-16 came at the end of a 75-yard march sparked by fullback Bob Burris who made smashing runs of 12 and 19 yards. Harris then rammed two yards over left guard to score.

Herndon's 10 - yard touchdown jaunt and Leake's final conversion concluded the scoring.

GAME IN FIGURES	TCU	Oklahoma

Georgia Tech Upset, 13-12,

By MERCER BAILEY

ATLANTA, Sept. 25 (AP)—Jackrabbit Jackie Simpson and Hammering Mal Hammack led a battling gang of Florida Gators to a 13-12 upset victory today over Georgia Tech, the nation's fifth-ranked football power.

The speed of Simpson and the tremendous power of Hammack was more than Tech's tackle-weak defenses could stop. A dangerous Gator passing attack kept Tech off balance.

The game, in perfect weather before 30,000 fans, was typical of recent Yellow Jacket-Gator battles—rugged, fast-moving and close.

Florida drew first blood in the third quarter, Simpson racing around his own right end from the four to climax a 52-yard march. Dick Allen's conversion made it 7-0.

A little later sub end Buddy Jones of Tech gathered in an Allen pass and ran it back 36 yards to Florida's 17. Four plays later Bill Brigman sneaked it over from the two, but a bad pass from center Jimmy Morris subbing for All-America Larry Morris, cost Tech its chance to tie it.

Each team scored again in the final period but neither conversion was good.

Had it not been for the tremendous line backing job of Larry Morris, Florida might have broken the game wide open. Gator backs Hammack, Simpson, John Burgess and Joe Brodsky ripped through the Tech line almost at will. Tech's line-backers and halfbacks made most of the tackles.

Indiana Falls To Ohio State

COLUMBUS, Ohio, Sept. 25 (AP)—Ohio State turned loose its touchdown twins, Hopalong Cassidy and Bob Watkins, for two scores each today to overwhelm undermanned Indiana, 28-0, in the Big Ten's season opener.

The Hoosiers, with a sophomore-dotted lineup, fought the highly favored Bucks to a standstill through the first half, but Ohio converted three breaks into touchdowns in the late going against the tiring invaders to turn it into almost a rout.

Cassidy scored today's first marker on a four-yard pitchout sweep around end with only seven seconds to go in the opening quarter and raced 68 yards after plucking a fumble out of the air for the first of Ohio's two last-period counters.

Watkins scored on an 8-yard sweep around left end in the third period and on a 12-yard dash through the middle for the final score.

Brown Fells Columbia In Ivy League Opener

PROVIDENCE, R.I., Sept. 25 (AP)—Brown University fashioned two touchdowns in the opening quarter today and maintained control most of the remainder of the game to defeat Columbia 18-7 in the Ivy League's opening football contest of 1954.

Dave Zucconi, who had to leave the game early in the second quarter with a back injury, Ev Pearson and Pete Kohut were the Brown scorers.

The lone Columbia touchdown, tallied in the third period when Brown registered its third six-pointer, was scored by Art Wilson.

Nittany Lions Sink Illini In 14-12 Upset

By CHARLES CHAMBERLAIN

CHAMPAIGN, Ill., Sept. 25 (AP)—Penn State, sharp defensively and with a tornado-like attack led by quarterback Don Bailey and halfback Lenny Moore, subdued highly favored Illinois and its sputtering runners to score a 14-12 upset today.

Although J. C. Caroline and sophomore Abe Woodson, the Illini's heralded ball carriers, occasionally broke loose for good gains, they were grounded by Penn State's great ends and tacklers at times when it would have counted most.

It was Illinois' first opening season loss since being whipped by Camp Grant (Ill.) in 1943 and was only its second defeat in a starter since Coach Ray Eliot took charge 13 years ago.

Jesse Arnelle, 6-5, 228 pound junior end for Penn State, recovered Mickey Bates' fumble on the Illini 28 in the first quarter and Bailey eventually shot a 24-yard scoring pass to Wim Jim Garrity booted his first of two vital extra points.

The Nittany Lions added their other seven points in the second period. Bailey set it up with a 50-yard run, longest of the day. He then broke loose for six yards and as he was about to be tackled lateraled to Moore, who sped the final 12 to score.

Quarterback Em Lindbeck, on a screen pass to Woodson, was good for a 20-yard Illinois touchdown in the first four minutes of the game.

Illinois tallied again in the third, Woodson zigzagging the final 17 yards to cap a 77-yard drive in nine plays.

Huskies Bow To Wolverines

SEATTLE, Sept. 25 (AP) — The grinding power of Michigan checkmated the Washington aerial circus today and Lou Baldacci tallied twice to give the highly favored Wolverines a 14-0 victory here in an intersectional football game.

Washington drove the crowd of 41,300 frantic with its passing and at times had Michigan in the same condition. Southpaw quarterback Sandy Lederman lashed the Big Ten team with the tosses that carried Washington to the touchdown door five times. But the Washington threats all died—twice on the Michigan 11, three more times inside the 26.

The game nearly wound up in a riot. Lederman was trying to run with the ball when the gun sounded and one official rushed in and tried to take the pigskin. Players poured into the field from both benches but the fracas ended without a battle and with the official in possession of the ball.

A fumble recovery in the opening quarter by tackle Art Walker set up the first Michigan tally. Baldacci immediately toe-dancing through the Washington line for 21 yards and the score.

Michigan marched 65 yards to its second counter after the second half kickoff. Baldacci plunging the last yard. Duncan McDonald converted twice.

Yale Takes 27-0 Win

NEW HAVEN, Con., Sept. 25 (AP)—Paced by its sophomores, the potentially strong Yale football team trounced Connecticutt 27-0 today. For an opening game it was a good one and the loser, playing out of its class, proved stuborn.

A crowd of 25,000 saw Yale pile up 20 points in the first two periods and complete its scoring in the closing moments of the final period.

Baylor Comes From Behind To Win 25-19 Over Commodores

NASHVILLE, Tenn., Sept. 25 (AP)—The highly favored Baylor Bears had to get up off the floor twice tonight to squeak out a 25-19 decision over Vanderbilt in the first college football game ever played at night here.

Baylor, tied for 10th place in the Associated Press weekly poll, saw a surprisingly alert Commodore team pile up a 10-0 first period lead.

The Bears came back with two quick touchdowns, one late in the opening period and another in the second, to go ahead 13-12 after Vanderbilt added a safety. A third touchdown, scored in the final second of the half, gave the Bears a margin of 19-12.

But the Commodores struck back quickly with another touchdown and an extra point to put the game into a 19-19 deadlock at the end of the third quarter.

The Bears' winning touchdown was racked up late in the fourth period to climax a 41-yard drive. L. G. Dupre scored two of Baylor's touchdowns but it was Bobby Jones who sneaked over for the deciding points.

Actually, the final play of the first half decided the game, as matters turned out. With less than five seconds to play, Bobby Jones fired a long pass to Henry Gremminger, lanky Baylor end, who slithered past half a dozen tacklers to complete a 66-yard scoring play.

The Commodores took command from the opening whistle and marched 18 yards in 11 plays from the kickoff to score, with Charlie Horton scoring and Bobby Goodall converting.

Buck Watson, Vandy tackle, recovered a Baylor fumble on the visitors' 42 to set up another threat. It was stopped on the Bears' 8, so Goodall kicked a field goal from there.

Dupre was the big wheel in Baylor's first scoring drive, which carried 56 yards. Dupre scoring from the nine. An intercepted pass started another scoring surge a few minutes later from the Baylor 46, with Dupre scoring.

The long arching pass from Jones to Gremminger finished the first half scoring.

Vanderbilt tied it up early in the third period, taking over on the Baylor 27 on a fumble. Horton tallied from the two and Goodall's conversion tied it 19-19.

GAME IN FIGURES

	Baylor	Vandy
First downs	20	12

Passes completed	3	8
Passes intercepted	3	0
Punts	1	4
Punting average	48	30
Fumbles lost	3	1
Yards penalized	45	40

'B' Gridders Take Victory Over Lamesa

The B-team of the Snyder Tigers showed plenty of life last night, both offensively and defensively, defeating Lamesa's B-team 25-6.

The only injury except for minor bruises and a cut lip on one of the Tigers was to Bobby Joines, who suffered a painful injury of the right leg in the fourth quarter. It was believed he might have suffered a simple fracture.

Bobby Pollard opened scoring late in the first quarter with a 70-yard run around left end. Lamesa came back to tie the game at 6-6 going into the second quarter.

Tommy Prichard took a pitchout from Ronnie Smith and raced 50 yards to put his team out front 12-6 at halftime.

Snyder increased this lead to 18-6 early in the third quarter when once again Pollard raced to his left and cut back to the right behind fine blocking for a 65-yard scamper. Jerry Taylor converted, bringing the score to 19-6.

Early in the fourth, Prichard took a pitchout and threw to Harold Hooks for the final tally.

Outstanding players for Snyder in the game were Bill Fowler, Taylor, Joines, Smith, Pollard, and Prichard in the backfield and Larry Dickson, [illegible] Ham, David Loyd, Blue Williamson, and Gary Hill in the line.

Coach Jack Dillon said the game showed some of the best offensive and defensive playing he had seen and that the entire team seemed much improved.

Last-Second Score Is Downfall Of Holy Cross

HANOVER, N.H., Sept. 25 (AP)—A sensational over-the-head catch by Capt. Lou Turner of a pass from Bill Beagle with one second remaining in the game and Beagle's successful conversion gave Dartmouth a brilliant last-ditch 27-26 victory over Holy Cross today.

Turner's eye-opening snag in the left hand corner of the end zone climaxed a 10-play, 47-yard march by the Indians with the Beagle connecting on five of eight passes in the drive.

Marquette Swamped By Wisconsin U., 52-14

MADISON, Wis., Sept. 25 (AP)—A power-packed Wisconsin football team scored in every quarter to swamp Marquette, 52-14 before a shirt-sleeved crowd of 52,819 in the season opener today.

The Badgers counted twice in the early stages to lead, 13-0, but then saw Marquette snap back spectacularly to take a 14-13 lead. After that, however, the Badgers climbed ahead again, 20-14, and won going away.

Virginia Gets Victory

CHARLOTTESVILLE, Va., Sept. 25 (AP)—A slender sophomore quarterback, Bill Clarke, came off the bench in the last quarter today to rescue Virginia from a near calamitous siege of fumbling and guide the Cavaliers to the touchdown that brought a 27-21 victory over LeHigh. Clarke, a third stringer, got in the lineup with the score tied 21-21 and pitched for 35 yards in three plays to spark the 59-yard Virginia drive. Fullback Herb Hartwell ripped through center for four yards and the payoff.

Atlanta Wins To Keep Faint Hopes Alive

HOUSTON, Sept. 25 (AP)—Righthander Glenn Thompson blanked Houston's Texas League Buffs with three hits tonight as the Southern Assn. Atlanta Crackers scored a 1-0 victory to keep alive their chances for a Dixie Series championship.

A crowd of 10,876 saw the Crackers reduce Houston's series lead to three-games-to-two. The best of seven series will continue Monday night in Atlanta.

Golden Bears Triumph Over San Jose, 45-0

BERKELEY, Calif., Sept. 25 (AP)—California's big Bears pounded out a 45-0 win over a jittery San Jose State football team today.

Before the smashing California defense, San Jose fumbled 14 times and lost the ball nine times. The Bears turned four of the miscues into touchdowns.

A crowd of 32,000 saw California come back from its 13-27 defeat by Oklahoma last week to rout a supposedly tough San Jose club.

Lamar Tech Goes Down

BEAUMONT, Sept. 25 (AP)—Northwestern State's Demons from Natchitoches, La., came from behind with two touchdowns in the closing minutes of the last period tonight to edge Lamar Tech 22-13.

HSU Tops N.M. Aggies

LAS CRUCES, N.M., Sept. 25 (AP)—Hardin-Simmons power asserted itself in the last three quarters to outscore the New Mexico Aggies in a Border Conference game 27-0

Trinity Fights Back

SAN ANTONIO, Sept. 25 (AP)—Stunned by an early first quarter scoring thrust by the underdog Midwestern, Trinity fought back to a 20-7 victory tonight.

Memphis Ties Tulane

NEW ORLEANS, Sept. 25 (AP)—Tailback Andy Nelson passed Memphis State to a 13-13 tie with Tulane today, scoring both Memphis touchdowns after setting them up with his accurate throwing.

League Play Opens In SWC

By The Associated Press

The Southwest Conference gets down to championship play this week but still will have time for one of its strongest intersectional schedules.

It is the first week of the campaign for all seven members to be in action with the feature sending Arkansas against Texas Christian at Fort Worth in the opening conference test.

The five other teams will play intersectional games.

Featuring the card against outside opposition will be Southern Methodist's first game of the season. The Methodists play Georgia Tech in Dallas.

Rice gets Cornell at Houston. Baylor goes to Miami, Fla., to play Miami University. Texas entertains Washington State and Texas A&M will be meeting Georgia at Athens, Ga.

All are night games except the ones at Athens and Austin.

Boxox Edge Senators

BOSTON, Sept. 25 (AP)—The Boston Red Sox gained at least a tie for the American League's fourth place and a share of the World Series money today by storming from behind for a 7-6 victory over Washington.

Auburn Victorious

AUBURN, Ala., Sept. 25 (AP)—Auburn's highly rated "X" and "Y" teams—a double offense with plenty of power—rolled over Chattanooga 45-0 on a display of football sleight-of-hand today.

Colgate Upsets Cornell

ITHACA, N. Y., Sept. 25 (AP)—Colgate's sophomore-bolstered squad upset Cornell today 19-14 to take the lead for the upstate Big Three title.

The Red Raiders held the Big Red at bay for three quarters, yielding two touchdowns in the final stanza. Colgate scored one touchdown in each of the first three quarters. Both teams play Syracuse, the other Big Three member, later in the season.

Minnesota Triumphs

MINNEAPOLIS, Sept. 25 (AP)—Minnesota stumbled through a maze of blown chances in the first half to subdue Nebraska 19-7 today on two perfectly timed off-tackle shots by quarterback Geno Cappelletti and Pinky McNamara's daring open field sprints.

Princeton Wins, 10-8

PRINCETON, N.J., Sept. 25 (AP)—Two goal-line stands—and a good dash of luck enabled Princeton to score a 10-8 victory today over an in-and-out Rutgers University team in the opening game of the season for both schools.

Southwest Texas Bows

SAN MARCOS, Sept. 25 (AP)—Texas Lutheran scored on a pass in the final 17 seconds of the first half tonight to take a 6-0 lead which Southwest Texas overcame in the last two quarters for a 20-6 victory.

Crimson Tide Gallops To 12-0 Win Over LSU

BATON ROUGE, Sept. 25 (AP)—Alabama took the wraps off quarterback Bart Starr and sent speedy halfback Cecil Ingram galloping to smother Louisiana State University 12-0 in a wild football game tonight.

Some 40,000 fans saw Alabama erase the gloom of last week's 9-0 upset by Mississippi Southern and show the form that made it Southeastern Conference champion, pushing LSU up and down the field almost at will.

Deacons Fall, 32-0

RICHMOND, Va., Sept. 25 (AP)—Virginia Tech's fast-moving backs, operating behind vicious blocking, reduced Wake Forest's usually stout football defenses to a shambles today as the Gobblers routed the Deacons 32-0.

UCLA Trims Kansas, 32-7

LAWRENCE, Kan., Sept. 25 (AP)—The UCLA Bruins, using bruising power, racked up three touchdowns in the first quarter and two more in the fourth today for an impressive 32-7 victory over Kansas' game Jayhawkers.

An estimated 25,000 fans, including some 3,000 high school band members, sat in on a game that appeared a cinch to become a rout for the Pacific Coast Conference defending champions.

UCLA turned a Kansas fumble and a pass interception into touchdowns and ground out a genuine 56-yard scoring drive the first three times it got the ball.

But Kansas came to life in the second period. Halfback Ralph Moody, individual star of the day, scored on an 82-yard punt return that fired up the Jayhawks for a lively battle.

Miners Win By 26-7

EL PASO, Sept. 25 (AP)—The Texas Western Miners chalked up their second straight victory tonight, whipping the McMurry Indians 27-6 in a driving downpour.

Sul Ross Wins, 34-7

ALPINE, Tex., Sept. 25 (AP)—Corpus Christi University was hampered by fumbles at key times to lose a 34-7 decision to Sul Ross State College tonight.

Howard Payne Wins

BROWNWOOD, Sept. 25 (AP)—Howard Payne drove 80 yards in the final seven minutes tonight to snap a 7-7 tie and defeat Sam Houston State's Bearkats 13-7.

Hobbs Loses To Aspermont

ROTAN, Sept. 25—Aspermont scored on a long pass play with two minutes left in the first half for its margin of victory in a 19-13 triumph over Hobbs here Saturday night.

Hobbs had tied the score earlier in the second quarter when Ralph Harding connected with Mack Ethridge on the second of two scoring passes. Bynum Miers kicked the extra point after the second Hobbs touchdown to make the score 13-13.

Gene Ward opened the scoring for Aspermont in the first quarter, going 30 yards on a pitchout and lateral. Hobbs came back with a touchdown in the same quarter, when Harding hit Ethridge with a pass on a play covering 40 yards.

Don Smith plunged over from two yards out for the first Aspermont touchdown, which came early in the second quarter.

Hobbs will meet Hermleigh in a conference game on the Rotan gridiron next Friday night.

ACC Blanks Florida State

TALLAHASSEE, Fla., Sept. 25 (AP)—Florida State University's punchless Seminoles absorbed their second straight loss of the young football season tonight at the hands of hard - running Abilene Christian College, 13-0.

The Texans, who racked up their second straight win, concentrated their scoring in the first half. They then beat back repeated attacks by a resurgent Florida State team which twice drove inside the Abilene Christian 10 yard line in the third quarter.

Opening with a rush, all raced 49 yards to a touchdown the first time it got its hands on the ball. Paul Goad, a 200-pound fullback, mashed three yards off right guard for the score.

Oklahoma Ags Win Over Texans, 14-7

By HAROLD V. RATLIFF

DALLAS, Sept. 25 (AP)—Oklahoma A&M's biting ground attack dug out a 14-6 victory over fighting but futile Texas A&M tonight in a rough and tumble intersectional game.

A sparse crowd of 14,000 sat in the Cotton Bowl as the Texas Aggie "thin 32" tried manfully against the big, tough Cowpokes, and there was cause for consolation as the Aggies played on better than even terms with the Oklahomans in the last half.

Twice roughing penalties against Texas A&M helped the Oklahoma Aggies in touchdown drives. The first one set the ball on the Texas seven and in two tries Lehman Brightman plowed across for a touchdown.

The other came in the third period and put the ball down to the Texas 23. Bill Whitt made the touchdown from the one. Louie Flores converted after each Oklahoma A&M touchdown.

Texas A&M scored in the fourth period on a 67-yard drive with Elwood Kettler smashing 12 yards in three tries for the payoff. His try for extra point was blocked by Whitt and Bob Larue.

Twice intercepted passes thwarted Texas Aggie touchdown hopes as the Oklahomans threw up a defense as rugged as their running game. All told Oklahoma A&M intercepted three Texas passes for the night.

The hard-bitten Oklahoma Aggie backs ripped the Texas A&M line for 280 yards, 86 of which were chipped in by Joel Favara, the most troublesome of the Oklahomans.

They tried only three passes and completed none.

Texas A&M tried everything but showed only flashes of consistency.

The Aggies made 106 yards on the ground and 67 in the air.

The Oklahomans missed a touchdown early in the game when quarterback Fred Duval fumbled on on the Texans' 18 but he made up for the lapse by intercepting a Texas pass on the Oklahoma A&M seven when the Texas Aggies had paraded down to the Oklahoma 29.

Whitt intercepted the other Aggie pass that stopped a scoring threat. This was in the second period when the Texans had pushed down to the Oklahoma 13.

Writer Says Reds Not Cause Of Stalemate In Port Arthur

By MAX B. SKELTON

PORT ARTHUR, Sept. 23 (AP)—Take 16 million dollars in retail sales from a city of 60,000 in just eight months and you have a city with an ailing economy.

That is what has happened to this Southeast Texas oil refinery center since a labor union 10 months ago began picketing 24 stores, restaurants and hotels.

Another union took over a month after the first pickets appeared but 20 stores still are picketed.

The end is not in sight.

Texans were sick of the Port Arthur stalemate in heavy doses during the August runoff gubernatorial campaign but the charges of communism, fraud and fear camouflaged the strike's origin and basic issues.

I visited Port Arthur this week to try to find out the true story. I spent a major portion of four days talking with businessmen and union leaders, asking questions, crossing picket lines and observing operations on both sides.

Communism was not the cause of the stalemate.

The Port Arthur strike is unique but it is nothing more than a determined, bitter struggle between business and the CIO—the retail merchant vs organized labor.

The issue at stake since the strike began last Oct. 20 has been recognition of the union as a collective bargaining agent. No contract demands have been presented.

Port Arthur merchants, lawyers and bankers told me the strike is an outgrowth of a bitter tax dispute that flared after a CIO clique gained control of the city government in 1953. They contend the CIO clique attempted to boost the taxes of some merchants 100 to 600 per cent.

They charge that local labor officials, in retaliation for defeat of the tax increases in the summer of 1953, invited the controversial Distributive, Processing and Office Workers of America (DPOWA) Union here to organize clerks, waitresses and other employes of the stores.

These charges were denied by George W. Cowart, strike director for DPOWA's successor, the CIO Sabine Area Local Industrial Union 1814, and by H. A. Parker, secretary of the big CIO Oil Workers International Union Local 23.

"The strike had no connection with the city election or tax dispute," said Cowart, a Beaumont resident on loan to the CIO to direct the strike. His regular assignment is as an international representative for the oil workers.

Cowart and Parker said the strike had its origin when individual employes of the stores began calling on Local 23 officials and asking that the stores be organized.

Parker said that in August 1953 he sent two letters about the employe requests to Walter Reuther, president of CIO. He said another labor official here also wrote Reuther about the store workers wanting to organize.

Both Cowart and Parker said that from the time the letters were sent to Reuther it was coincidental that DPOWA ever entered the Port Arthur picture.

One must forget names while trying to find out the true Port Arthur story. Most residents are cooperative in expressing views but require that their names not be used.

Port Arthur has an estimated 14,000 union members, including 8,000 oil workers. A picket line is a real picket line in this union town.

Businessmen not directly affected by the strike hold an active interest but prefer to remain out of print because they have friends and customers in both camps.

Owners and managers of the strike-bound 20 fear public statements might jeopardize current positions.

Eleven of the stores have filed a joint damage suit against Local 1814, the DPOWA, the CIO and Local 23. The case has been ordered to trial at Beaumont.

Seven have cases pending before the National Labor Relations Board. Decisions are expected within a matter of days.

The stalemate has injured Port Arthur's economic status, dropping retail sales from an estimated 82 million dollars the first eight months of 1953 to 71 million the same period this year.

Port Arthur feels that its pride also has been injured. Citizens on both sides resent the exaggerations, insinuations and half-truths they say have been spread about the city.

I did not find Port Arthur to be a city of fear. I saw teen-age girls enter theaters at night without escorts.

Time has softened any early 1954 fear of violence. There have been incidents but no violence. There still are reports, from both sides, of telephone threats and of insults hurled at pickets and people who cross the picket lines.

Port Arthur is not a ghost city. Vacant houses and vacant buildings are hard to find. Only one of the 24 stores originally picketed has closed.

Perhaps the saddest result of the stalemate, however, is the strangehold the strike has had on the city's economic growth.

A banker put it this way:

"Conditions have improved in recent weeks but the strike has stopped the city's normal progress. We should be way ahead of a year ago on everything."

He said bank deposits are about the same as a year ago but the two huge oil refineries are spending immense sums and have brought in at least 2,000 construction workers.

Managers of the strike-bound stores say that time also has softened, to a lesser degree, a reluctance to cross the picket lines.

"If things continue as they have since the election, I'll soon be breaking even," one manager said. "It has been tough but I'm fighting this out to the end."

Most of the strike-bound stores report business still is 40 to 80 per cent below 1953.

A banker told me all downtown business is off 10 to 40 per cent, with many residents reluctant to visit the downtown area where 10 of the picketed stores are within a 2-block strip of busy Procter Street.

Business is booming, however, in such suburban stores as Sears Roebuck.

Merchants report satisfactory progress with drives to encourage residents to shop downtown.

Cowart disagrees.

"They tell that on their face," he said. "Any increases in people crossing the lines is confined to certain stores handling particular items such as school supplies."

Both sides are confident of sufficient financial support to continue the strike indefinitely.

Several struck firms are members of chains which have absorbed losses.

A business leader told me local and statewide sources have assured sufficient aid to keep the independents, particularly the restaurants, operating three years if necessary.

"If it lasts three years, both sides would have to revise their budgets and start over," Cowart said. "We don't set dates."

Cowart said the Texas Restaurant Assn. has moved in and told the cafe operators it is against the association's policy for member employes to be organized.

An official at the association's Austin headquarters denied the charge but said some members on an individual basis are contributing aid to Port Arthur members.

"There have been contributions not only from individual restaurants but from other people from all over the state," the official said. "I guess three dozen other industries have contributed funds to the destitute who are behind the picket lines in the city of Port Arthur."

He said the association is not opposed to unionism but does object to tactics used when the Port Arthur strike first began.

Cowart neither confirmed nor denied reports that his weekly strike budget runs from $3,000 to $3,200. He gave no indication of financial worries.

"We get money from the CIO and other labor organizations, affiliated internationals and locals," he said. "There has been no assessment. Our checks run from $10 to $1,500. We've made no request for money. The pickets receive 'welfare' or slips for their rent, food, medicine and medical bills. Some are better off than they were when they were working at the stores."

There is no talk of a compromise.

Of the 24 original stores picketed, a contract has been signed by Local 1814 with one firm, the W. T. Grant Co. Pickets were withdrawn at the Longhorn Cafe and withdrawn by agreement at Juneau's Cafe. Phoenix Furniture Co., a chain store, closed in May.

I checked each of the 20 stores shortly before noon one day this week and found this lineup of pickets:

Goodhue Hotel: Two white women, one Negro woman.

Fair Department Store: One white woman, one Negro man.

Texas Cafe: One Negro woman.

Lanz Credit Jewelers: One white woman.

Beall Bros. Department Store: Two white women.

F. W. Woolworth: Two white women.

McLennan Stores: One white woman, one Negro woman.

Mayfair Store: One white woman.

Franklin's Ready to Wear: One white woman.

Home Laundry: Two Negro women. (eight substations also are being picketed.)

Sabine Hotel: One white woman, two Negro women.

Fred Miller Hardware: One Negro man.

Silver Star Cafe: One Negro woman.

Thomas Bros. Cafe: One Negro man.

C. R. Anthony Department Store: One white woman.

Fred Miller Associates Store: One Negro man.

Farm Royale Drive-In: One Negro man.

Silver Hut Drive-In: One Negro woman.

Payne's Steak House and the Golden Arrow Sandwich Shop were not open at the hour and no pickets were present.

Contracts were obtained at four stores without a strike—Bluestein's Department Store, Plettman's Super Market, Lane's Inc. Clothing, and Roy Tiller Food Stores. Contracts between another CIO union and Sabine Holsum Bakers and the Texas Cooperative Assn. were transferred to Local 1814.

Cowart said a majority of employes at each of the stores had signed with the union before the strike began. He said Local 1814 received about 400 members when it took over from DPOWA.

He denied reports from merchants and businessmen that the membership has dwindled to from 100 to 150.

"That's entirely wrong," he said. "We are using about 200 pickets. That's all we need. In a long strike it is customary, particularly when large families are involved, to send out as many as you can to work elsewhere. But we have the address of every man who is working some place else."

A number of businessmen said the fight began with the tax hike notices.

"We started fighting and beat this increase," one man said. "Then we heard something about some of our stores going to be organized. They invited DPOWA down here."

Cowart and Parker said the complaints to Local 23 by individual store workers had extended over a long period.

Parker said the Reuther letters were forwarded to an Atlanta, Ga., representative of the CIO Retail, Wholesale and Department Store Workers Union.

"It just happened that about this time Harry Bush, (Southwest regional director for DPOWA) paid the Atlanta man a courtesy call," Parker said. "The Port Arthur letters were mentioned. We don't know why Wholesale-Retail had taken no action but do know it was suggested Bush might like to come to Port Arthur and survey the situation."

"That's where the mistake was made," Cowart said.

Cowart said many store employes voluntarily contacted Bush when he arrived last September.

"They stormed the place," Cowart said. "No one was out soliciting. Bush had more business than he could handle and had to bring in other people to help."

The first public announcement of the drive for union recognition was made Oct. 22.

The next day, Arthur Osman, president of DPOWA, and David Livingston, its secretary-treasurer, arrived from New York. Livingston addressed 350 DPOWA members at the Local 23 hall and set a Nov. 13 deadline for action "if the union is not recognized."

Oct. 30 the first pickets were placed at Juneau's Cafe.

Nov. 13, Bush said 575 employes at 52 stores would strike the next day. The number of struck places Nov. 14, however, rose only to 18.

Then came the highly publicized charges that DPOWA, with an interim affiliation with CIO, was "Communist dominated."

Texas Atty. Gen. John Ben Sheppard began an investigation. Gov. Allan Shivers reactivated the Industrial Commission which later reported that DPOWA and two other unions were "Communist dominated or influenced by their international organizations."

Nov. 20, Reuther said "CIO fully supports DPOWA in Port Arthur."

Seven days later, however, Fred Pieper, assistant to the CIO executive vice president, proposed switching DPOWA into an industrial union under CIO. He admitted that DPOWA was "Communist inspired" in origin but since had been cleaned up.

Nov. 30, Reuther granted Local 1814 its charter.

Merchants immediately branded the switch as a change in name only. They fear DPOWA still is hovering in the background. They say that the fact Local 1814 is directly responsible to Reuther is grounds for suspicion.

Cowart finds this difficult to understand.

"They didn't want DPOWA so we gave them the CIO," he said. "They said there would be no trouble if local CIO people did the organizing.

"Instead, it was at the time that 1814 took over that they organized to oppose the union. We were misled when we thought they hated DPOWA. Now they hate 1814 and Local 23.

"Local 1814 came in when we dumped DPOWA. We anticipated a different attitude. John Ben Shepperd didn't get DPOWA out. The CIO did. We asked that they be moved out.

"They allege this is still DPOWA. It is not. I'll tell you one thing. We're not supplying an attorney for DPOWA to fight that 11-party damage suit."

Cowart agreed that Pieper was right when he said in May that the strike was "ill advised."

"There's no question that the methods used at first were ill advised," he said. "They should have gone to NLRB for recognition elections before starting the strike.

"A group struck for recognition. We can't tell them to return to work and then work out a settlement satisfactory to both sides. As long as pickets want to continue, the CIO is morally obligated to continue and we are going to do so."

Cowart then returned the conversation to the merchants.

"They just don't want unions," he said.

HOSPITAL NOTES

The following admissions and dismissals at the two Snyder hospitals are only those whose names have been released by the hospitals.

BATTENFIELD-JONES

Admissions: William H. Rosson, Ira; John Spears, 2212 Thirtieth Street; D. R. Rogers, route 2; Dee Myers, route 1; Gene Shy, Snyder; Cheryle Kay Dove, Ira; Mrs. E. E. Murry, route 2; Mrs. Lusana Ortego, Snyder.

Dismissals: I. E. Clay, Snyder; R. B. Wills, Fluvanna; Maximiliano Ramirez, Fluvanna; Mrs. John Abercrombie, 1601 Twenty-seventh Street; D. K. McMullan, 2311 Avenue N; W. J. Willis, Snyder.

COGDELL MEMORIAL

Admissions: Mrs. Kenneth Crook, 3212 Avenue Q; Mrs. Billy Jack Pierce, 2804 Avenue D; Mrs. Percy Youngkin, 3010 Fortieth Street; Johnny McKinney, 2901 Avenue G; Mrs. Bill Carlton, 2900 Avenue E; Mrs. J. C. Dyess, 2803 Avenue J.

Dismissals: Mrs. E. R. Keithley, 1402 Avenue R; Mrs. Joe Berrera and baby, Snyder; J. W. Stubblefield, Clairemont road; Mrs. George Gonzales and baby, Snyder; Mrs. G. L. Mosley and baby, 500 Twenty-eighth Street; Mrs. M. E. Basket, Rotan; Mrs. Bill Carlton, 2900 Avenue E.

Government Is Urged To Seek Relief For Import Problems

By CHARLES HASLET

WASHINGTON, Sept. 25 (AP)—"It is imperative that our government should be free to employ any method of effective relief" in dealing with oil imports, says the Independent Petroleum Assn. (IPAA).

"Escape clauses should be kept to a minimum, particularly those permitting the use of quotas," says the Standard Oil Co. of New Jersey, a major importing company.

These quotations are from pleas to the U.S. delegation to the Organization of GATT Nations convening in Geneva in November. GATT stands for General Agreement on Tariffs and Trade.

The independents' statement, submitted by Russell Brown, IPAA general counsel, and L. Dan Jones, assistant general counsel, urged that in any revision of the tariff and trade agreement no restrictions be put on the freedom of the U.S. government to treat with oil imports.

After noting that the oil imports may receive congressional attention next session as well as study by a Cabinet-level committee, the statement continued:

"It is obvious, therefore, that during the months ahead the problem of petroleum imports may be considered by the various arms of our government, with the view of seeking a solution to the import problem.

"Under these circumstances it is imperative that our government should be free to employ any method of effective relief. Our government should not be foreclosed by commitments in GATT, from the use of any form of action, because such foreclosures might prohibit the employment of the only effective treatment."

The statement offered by Standard Oil said the company believes the GATT and "the twin principles upon which it rests, multilateralism and non-discrimination, should be supported and encouraged."

It said that to be "an acceptable permanent organization, the GATT probably requires some revision, particularly in its organizational provisions.

"Substantive changes should be directed toward insuring that tariff and other concessions are truly reciprocal and not made effectively unilateral by the application of extensive escape clauses.

"Escape clauses should be kept to a minimum, particularly those permitting the use of quotas. Of all the various types of barriers, quotas are generally the most restrictive and discriminatory, representing the most rigid type of control and offering the most effective means of reducing competition and creating artificial scarcities."

The company said this country has reached a point of economic development at which it not only produces large volumes of goods for its own consumption but in many lines can produce beyond its own requirements.

"Except by giving such goods away," the statement said, "we cannot find outlets for them without providing outlets in our own country for goods and services from abroad. And there is a great advantage in such exchanges. When we trade our products for those we do not have, or for those which other people can make more advantageously, we benefit by having a wider variety of things to enjoy or by geting them at lower prices."

OIL NEWS

The Snyder (Texas) Daily News, Sun., Sept. 26, 1954 7

Wildcats Set In 2 Counties

Three new wildcats, two in Runnels County and one in Yoakum County, have been announced for immediate drilling.

Leland Fikes of Dallas will drill the Yoakum County prospector as his No. 1-668 Ed S. Smith. Drillsite is 330 feet from north and west lines of section 668-D-John H. Gibson survey. That is in Southwest Yoakum and eight miles southwest of Plains. Contract depth is 5,500 feet for a test of the San Andres of the Permian.

G. W. Strake of Houston will drill the No. 1 H. J. Hodge Co. two and one-half miles southwest of Wingate in Northwest Runnels County. Location has been made 1,287 feet from south and 6,280 feet from east lines of John Early survey 449. It is to drill to 5,200 feet.

Service Drilling Co. of Tulsa have set the No. 1 W. L. Alcord one mile south of the same operators No. 1 McCord, a recently completed discovery from the Crosscut sand in Northeast Runnels County. Location is 330 feet from north and west lines of Richard Brady survey 14 and six miles southeast of Crews.

Merger Announced By Oil Field Supply Firms

Bob French and E. G. Rodman of Odessa have announced jointly the merger of the Rodman Supply Co. and the oil field supply department of the French Tool and Supply Co.

The new firm will operate as the Rodman Supply Co. French Tool & Supply Co. will maintain its International Harvester franchise under the supervision of Ralph E. Hamilton. Rodman Supply Co. operates stores in Andrews, Hobbs and Eunice, and plans further expansion of operations soon.

Application Made For Sharon Ridge Venture

Robert W. McKissick and others of Abilene have filed application to drill the No. 14-B Stinson in the Sharon Ridge 1700 field of Scurry County.

Drillsite is 330 feet from south and 990 feet from west lines of section 101-97-H&TC, three miles southeast of Ira, and on a 160-acre lease. Cable tools are to be used to drill to 1,900 feet.

Location Spotted In North Howard County

Oceanic Oil Co. of Midland has spotted location for the No. 1-A Veal Memorial Fund in the Oceanic - Pennsylvanian field of North Howard County.

The project will be 510 feet from north and 330 feet from west lines of section 30-32-4n-T&P, one-half mile south of Vealmoor. The drillsite is on a lease of 86.06 acres. Elevation is estimated at 2,676 feet. Contract depth is 8,300 feet.

East Stonewall Gets Deep Offset Tester

American Trading & Production Corp. of Midland No. 1 C. B. Tribbey will be a one-quarter mile south offset to a recently completed Bend-Pennsylvanian conglomerate discovery in East Stonewall County.

It offsets Auld and Rhodes No. 1 B. N. Bristow which was potentialed August 21 for a daily flow of 310 barrels of oil from pay at 5,812-818 feet.

American Trading No. 1 Tribbey is to be 467 feet from north and 4,010 feet from west lines of section 3, BBB&C survey. The drillsite is six miles northeast of Old Glory.

The project is slated to drill to 6,250 feet to test the Elenburger. Operations are to begin soon.

Shell Sets Up District Headquarters In Abilene

Shell Oil Co. has announced the formation of a new Exploration and Land District with headquarters in Abilene. The district is to begin functioning on October 1 and will direct all Shell's exploration and land activities in a 43-county area around Abilene.

E. L. Dillon, district geologist, will head the new exploration office, while R. J. Oliver, district land agent, will be in charge of that section. Included on the staffs will be six geologists, two stratigraphers, two scouts, three draftsmen, a landman and secretarial employes. Offices will be on the second floor of the Morris Building on North Second Street, and will be opened on October 11.

Coke Field Has Second Oiler

The second producer for the Charles Copeland - Ellenburger field of Northeast Coke County has been indicated with the recovery of oil and gas on a drillstem test ad A. G. Hill No. 1 Charles Copeland.

On a one-hour drillstem test from 6,365-395 feet, gas surfaced in 30 minutes. Recovery was 75 feet of oil and gas-cut mud with 10 per cent oil. Flowing pressure was zero, with shutin pressure after an unreported length of time 570 pounds.

The well is three miles northeast of Blackwell and one mile due east of the present field producer. Drillsite is 2,210 feet from north and 467 feet from west lines of section 286-1A-H&TC.

Extension Looms For Nolan Multipay Field

A one-half mile east extension to Caddo lime production in the Whiteflat multipay area of Northeast Nolan County is in sight at Roark, Hooker & Roark of Albany and the Chicago Corp. of Fort Worth No. 1 J. Etta Casseaux.

On an 85-minute drillstem test from 5,508-535 feet, gas was at the surface in two minutes and oil in 12 minutes. There was no estimate of either flow. Recovery was 360 feet of oil. The prospector is now to be drilled deeper.

Location for the No. 1 Casseaux is three miles northwest of Trent and 2,188 feet from north and 467 feet from west lines of section 31-19-T&P.

Commission Order To Combine Kent Fields

The SMS Canyon sand field and the Casey Canyon sand fields, both in Northwest Kent County and adjacent to each other, have been ordered combined by the Railroad Commission.

The combined field will be known as the SMS Canyon sand field. The merger is to be effective on October 1.

Railroad Comission said field rules for the SMS field would apply to the new combined field.

Completion Rate In State Shows Decline

AUSTIN, Sept. 25 (AP)—The rate of well completions slacked in Texas this week as 195 oil wells and 4 gas wells were brought in, the Railroad Commission reported today.

For the year, new oil wells totaled 8,823 compared with 7,601 last year. An even 1,000 gas wells have been brought in compared with 721 a year ago.

Of the 195 new oil wells, 13 were wildcat. One gas well and 51 dry holes also resulted from wildcatting.

Total average calendar day crude oil allowable as of today was 2,865,633 barrels, up 6,860 barrels daily from a week ago.

Snyder Firm Slates Briscoe County Test

Tule Production Co. of Snyder has filed application to drill the No. 1 D. M. Cogdell 18 miles north of Silverton in North Briscoe County.

Drillsite for the test is 810 feet from the most northerly south line and 905 feet from the most westerly west line of section 62-41900, scrap file survey 2518. Projected depth is 7,500 feet, with tests to be made on all formations.

It is understood that operations will start soon.

East Vealmoor Venture Slated To Plug Back

Sunray Oil Corp. has filed an amended drilling application for its No. 2 W. L. and R. G. Wilson in the East Vealmor field of Borden County nine miles west of Vincent.

Operators are asking permission to plug back, although no plugged-back depth was stated in the amended application. The project is 467 feet from north and 1,980 feet from east lines of section 16-27-H&TC and on a 640-acre lease.

New Projects Set In Dawson

Kerr-McGee Oil Industries, Inc., of Odessa and Western Drilling Co. of Lubbock have announced plans to drill three new projects in the Welch field of Dawson County.

Kerr-McGee will drill its test as the No. 1 Maberry on a location 1,980 feet from north and east lines of section 68-M-EL&RR. That is one and one-half miles westsouthwest of Welch and on an 80-acre lease.

Western Drilling No. 5 Clara Willis is 715.5 feet from south and 467 feet from west lines of tract 7, section 15, block C-38, psl survey, four miles west of Welch.

Western Drilling No. 8 Clara Willis is 467 feet from south and west lines of tract 8, section 15, block C-38, psl survey. It is also four miles west of Welch.

All the wells are to drill to 5,000 feet.

Four Area Counties Report Dry Wildcats

Wildcat failures in four West Texas counties — Borden, Nolan, Upton and Crockett — have been abandoned and plugged.

Hanley Co. of Midland No. 1 J. L. Higginbotham, 12½ miles south of Gail in South Borden County, drilled to 8,110 feet in dry lime. It was 660 feet from north and 393 feet from east lines of section 9-31-t3n-T&P.

In North Nolan County, six miles southwest of Sweetwater, Union Oil Co. of California No. 1 Earl Hanks quit at 6,505 feet in an unidentified formation. It encountered only a slight show of gas. The drillsite was 660 feet from north and west lines of section 80-22-T&P.

Porter Rankin of Midland No. 1 H. F. Neal, Southeast Upton County prospector one mile northeast of Rankin, was dry at total depth of 3,974 feet in lime. The location was 2,310 feet from north and east lines of section 26-B-HE&WT.

E. G. Rodman of Odessa No. 1 University, Central Crockett County explorer 17 miles west of Ozona, found no shows of possible production in drilling to 1,330 feet in lime. The drillsite was 330 feet from north and east lines of section 7-31-University survey.

South Andrews Field Gets Third Producer

Atlantic Refining Co. No. 2-9-C University has been completed as the third Devonian producer in the Block 9 multipay field of South Andrews County.

Operator reported a 24-hour flowing potential of 480 barrels of 45.5-gravity oil through a 12-64-inch choke and perforations from 10,410-460 feet. Gas-oil ratio was 458-1. There was 1,050 pounds pressure on tubing.

Operator now plans to take potential test on the Pennsylvanian and produce the project as a dual oiler.

Location is 1,980 feet from north and 660 feet from east lines of section 14-9-University Lands survey.

DRILLING REPORT

Allison & Prestridge of Abilene No. 1 H. D. Ohlenbusch, Fisher County Ellenburger prospector, has been ordered plugged and abandoned on total depth of 7,100 feet in an unidentified lime.

Started to drill to 8,300 feet, it was located 467 feet from south and 2,900 feet from east lines of section 12-Y-T&P, four miles south of the Claytonville multipay field.

• • •

Texas Crude Oil and McFarland No. 1-288 J. N. Brumley in West Scurry County is drilling in lime and shale below 6,143 feet.

Harper & Huffman No. 1 Eubanks, Coke County wildcat, is drilling in Pennsylvanian lime and shale below 6,050 feet.

In Howard County, Texas Pacific No. 1 Graham is drilling in lime and chert below 9,554 feet. Texas Pacific No. 1 Self is drilling in anhydrite below 3,020 feet.

General Crude No. 1 Emma Faust, Nolan County wildcat two miles northeast of Roscoe in section 37-23-T&P, is drilling below 2,465 feet in shale and lime.

Ready to begin a new year are county committeemen for the Farmers Home Administration. They are, left to right, Rea Falls, Buford Browning, Joseph J. Box, FHA office manager, and Martin Murphy. Murphy is chairman. (Lee Watson photograph).

Directors For FHA Selected

A new year has started for county committeemen of the Farmers Home Administration here, according to Joseph Box, head of the local FHA office.

Directors for the coming year are Martin Murphy, Buford Browning, and Rea Falls. Falls is the only new member of the group. three-year term, with one members term expiring each year. They are appointed by the state FHA director.

Falls replaced Jake Greene, who was chairman. Elected chairman for this year is Murphy.

In Garza county, committeemen are Will Wright, George Sartin, and George F. Carpenter. Garza and Scurry are both served by the FHA unit headed by Box here. Carpenter is the new member, relacing former chairman Glenn Davis. The new chairman will not be elected until the next meeting.

FHA county committees meet upon call to consider all county loan applications. They must certify to the eligibility of all applicants. The FHA handles federal farm ownership loans, emergency loans, production, adjustment, and water facilities loans.

PERSONALS

Mr. and Mrs. Jack Miller have returned to their home in Bellville after visiting this week with their daughter and son-in-law, Mr. and Mrs. R. E. Schutz, Jr., 3774 Avenue V.

Joel C. Towns, 2904 Avenue V, has returned from a two weeks vacation spent in Arkansas.

Mr. and Mrs. E. E. Norris, 203 Twenty-fourth Street, are vacationing in Nevada and New Mexico.

Mr. and Mrs. N. D. Neyman of Whitesboro are visiting with Mrs. Neyman's sister, Mrs. Charles Hardgrave, and Mr. Hardgrave, 2800½ Thirtieth Street.

Kemper McMullan, 2311 Avenue N, was taken to Shannon Hospital in San Angelo Friday afternoon by a Bolger ambulance. He had been a patient in Battenfield-Jones Clinic-Hospital.

W. J. Willis of Boswell, Okla., who has been employed in oil field work here, was taken to Baylor Hospital in Dallas Friday from Battenfield-Jones Clinic-Hospital by a Bolger ambulance.

FFA Organization In Texas Growing

By SAM WHITLOW
Texas Editor, Farmer-Stockman Magazine
Written for The Associated Press

AUSTIN, Tex., Sept. 25 (AP)—The Future Farmer organization in Texas is big, and getting bigger. More than 40,000 boys are expected to be enrolled in nearly 1,000 Texas FFA chapters during the 1954-55 school year.

The Texas membership accounts for about 10 per cent of the entire national FFA enrollment.

Vannoy Stewart of Austin, Texas FFA advisor, said, "We had over 38,000 boys enrolled last school year, and we'll gain another 1,500 to 2,000 this year."

The Future Farmer movement started in Texas in 1928, and has gained steadily in numbers and influence since that time. The FFA boys are enrolled in vocational agriculture classes in high schools over the state and study agriculture as a regular part of the school curriculum.

A vocational agriculture teacher directs each class and also the activities of the local Future Farmer Of America chapter.

"During the last school year our FFA boys had about $7 million invested in their various agricultural activities, including crops, livestock and poultry," Stewart said. Many of these boys develop their projects to the extent that they are ready for full scale farming at the completion of their school work.

Aside from their agricultural work, the FFA boys are given careful training in leadership activities—speaking before groups, conducting meetings, and in organizing individual and group activities.

"Farm boys enrolled in vocational agriculture classes study the most advanced agricultural methods," Stewart said. "In many instances we find they put these improved practices to work on the farm, and that Dad falls in step with them to use the better practices."

Many cases can be found among Texas farm families where profitable dairy programs, beef cattle programs or advancements in crop production can be traced directly to Future Farmer activity.

Community service is also an important part of the FFA work. For instance, in the Salt Fork Soil Conservation District in Collingsworth County in the Texas Panhandle, the FFA boys from Wellington, Quail and Samnorwood are custodians of some of the district agricultural equipment.

David Risinger of Ferris, in Ellis County, is president of the Texas Future Farmers.

Boys Receive Farm Awards

Four awards for outstanding projects, club and chapter work were presented to members of boys' agriculture organizations Thursday night.

The awards were made by the Scurry County Farm Bureau at its annual wiener roast for all county members of the Future Farmers of America and the 4-H Club.

Winners of the awards were Shorty Grimmett of the Snyder FFA, Neal Light of the Hermleigh FFA, Leon Ford of the Ira FFA, and Dwayne Williams of the Hermleigh 4-H Club. The awards were trophies presented by their agriculture teachers. Billy Bob McMullan of Snyder, Jake Greene of Hermleigh, and L. M. Dawson of Ira made the FFA presentations, while Oscar Fowler, county agent, presented the 4-H trophy.

C. H. Stahl, Farm Bureau resident, acted as master of ceremonies. Sterling Williams, district judge and rancher, made a talk to those attending on the advantages and technical knowledge young agriculturists have now in comparison with those of several years ago. He encouraged the youths to take advantage of those opportunities and use them in carrying on successful agricultural operations.

FARM AND RANCH

A stubble mulch field day will be held in Brownfield Friday, when implement firms will show machinery which can be used in farming to keep all crop residue on or near the surface.

The field day will be sponsored by the Terry Soil Conservation District. Some new equipment which is not used in this area will be shown, such as planting equipment which will work in heavy residues.

Several persons from Scurry and surrounding counties are expected to attend. The group will gather at 9:30 o'clock Friday morning at the Herbert Hicks farm. If interested, you can get to the farm by going five miles west of Brownfield on the Plains Highway, turn north at the Gomez store and travel six miles, then turn east for half a mile.

* * *

Stubble mulching is being done locally now, and farmers in the Upper Colorado Soil Conservation District are doing more than ever before, says conservationist Jake Hodges.

Such farmers as Orville Hess, Ruby Kubena, Arthur L. Pieper, Albert Kuss, Jr., John Zalman, R. W. Coston, Frank Nachlinger, and Claude Clarke have stubble mulched hundreds of acres of small grain and grain sorghum stubble. Many others have already mulched their grain sorghum land by using a Hoeme-type plow with sweeps or a toolbar on a tractor with sweeps.

"Stubble mulch, to be effective, should extend through the critical period of erosion or high evaporation," Hodges said. After combining grain sorghums in the fall, farmers should plow so the stubble is left on or near the surface throughout the winter and spring blowing season before preparing land for spring planting.

Some crops which can be stubble mulched are grain sorghums, small grains, sudan grass, and winter or summer legumes. This improves the tilth of the soil, prevents soil blowing and water erosion, soil crusting, and the condition of seep areas and hot spots where evaporation is high.

* * *

One of the stubble mulchers, Kuss, is working on ways to keep harvesting costs down.

Since most of his cotton was mature and ready to open, Kuss decided to defoliate his cotton with chemicals to get around paying $2 per hundred for the pulling. He knew he could save money by using his cotton stripper.

Using a mixture of one gallon Butoxone/Diesel 40 ten gallons of No. 2 fuel oil, he applied three gallons per acre on Sept. 2.

Kuss started his harvest 11 days later and has been doing a good job on the stripping of the cotton, which is practically bare of leaves. He figures he spent about $1.25 per acre to defoliate the cotton and that he is saving also by gathering with the machine two months before the average first frost date. His estimated yield is about one-fourth of a bale per acre.

The French Order of the Legion of Honor was established by Napoleon to recognize civilian as well as military service of distinction.

Per capita consumption of sugar in the United States averages one hundred pounds per person per year.

New Drought Grass Tested

SAN ANTONIO, Sept. 25 (AP)—Researchers believe a hybrid johnson grass may be the answer to how to grow range feed during a drought.

The hybrid, sorghum almum, is a cross of johnson and sudan grass. It originally came from Argentina and is being tested by the Southwest Research Center near San Antonio.

"The grass apparently will flourish in areas that have little water," said Dr. C. L. Shrewsbury, associate director of the Southwest Foundation for Research and Education. "It produces more tonnage than anything else we know of, and can be either grazed or cut and used as silage or dry feed."

Dr. Shrewsbury said it had a drawback because, like other sorgums, it produces prussic acid and is poisonous during the first 20 days of growth.

At the San Antonio nursery, it was watered at the time of planting but no more than that. Despite scant rainfall it grew fast, and early this month stood six feet high compared to 4 feet, 8 inches for common johnson grass nearby.

"While this grass may not be the answer to all our needs," Shrewsbury said, "it seems good enough to study and observe further. It is the most promising of more than 200 different grasses under test in the foundation's local nursery."

Lubbock Minister Dies

LUBBOCK, Sept. 25 (AP)—The Rev. V. A. Duncan, 65, prominent retired Baptist minister, died today. Funeral services will be held here tomorrow at 1 p.m. Burial will be in Haskell.

SCURRY COTTON YIELD RANKS HIGH IN AREA

Scurry County ranked third in cotton production and income among nine area counties during 1953, according to a survey made recently by the West Texas Chamber of Commerce.

The figures shown here were compiled by the WTCC from the July preliminary report on estimated acreage, yield and production in Texas prepared by the agricultural marketing service of the U. S. Department of Agriculture.

Value of line and seed by counties was computed using this report and the state average prices of 30.80 cents per pound for lint cotton and $53.50 per ton for cottonseed.

County	Acres Harvested	Bales (500 Lb.)	Value Of Lint	Value Of Seed
Borden	5,800	680	$ 104,720	$ 15,640
Dawson	39,000	9,500	$1,463,000	$218,500
Fisher	128,000	19,600	$3,018,400	$450,800
Garza	11,000	7,500	$1,555,000	$172,500
Howard	72,000	8,900	$1,370,600	$204,700
Kent	23,100	5,850	$ 900,000	$134,550
Mitchell	97,000	18,600	$2,864,400	$427,800
Nolan	73,500	11,200	$1,724,800	$257,600
Scurry	89,000	13,100	$2,017,400	$301,300

GINS DOING NIGHT WORK

The number of cotton bales ginned has more than doubled since a week ago, and scenes such as this, with loads of cotton waiting on yards, were becoming common around Scurry County this week. At least one gin in the county has had some all-night ginning, while many are running late at night. Ginning figures show that more than 3,800 bales had been ginned by yesterday. Reports included 1,245 bales at the three Snyder gins, 500 at Fluvanna, 694 at Hermleigh, about 360 at China Grove, 381 at Inadale, and 329 at Ira. Figures were not available from Dunn yesterday, but the gin there was believed to have put out about 125 bales. (Lee Watson photograph)

ASC Officials Plan To Attend Lubbock Meet

Officials of the Scurry County Agriculture Stabilization and Conservation service will go to Lubbock Thursday morning for an all-day meeting.

The District II meeting of committees and office managers from the 19 counties in this area will be held all day Thursday.

Dale Carter, district field man, will head the meeting, in which the 1955 program of the ASC will be reviewed.

Attending from here will be Judson McGaha, county chairman; J. C. Massingill, vice-chairman; Billy Joe Clifton, member; and Henry Burchett, office manager.

Navy Man From Scurry Helps With Evacuation

August D. Meynig, gunner's mate second class, has recently arrived in Indo-China to participate in "Operation Humanitarian."

This operation is the mass evacuation of loyal French and Vietnamese citizens from comunist-held territory. Largest of its kind in history, it is being conducted at the request of French and Vietnamese governments by the amphibious force and military sea transport service ships of the U. S. Navy, and involves the moving, feeding and medical care for hundreds of thousands of refugees.

Meynig is the son of Mr. and Mrs. A. W. Meynig, route 3. He is assigned to the amphibious flagship USS Estes.

The five classes of the French Legion of Honor, in their order of rank, are: chevaliers, officers, commanders, grand officers, and grand crosses.

THE SNYDER DAILY NEWS

VOL. 5, No. 127 SNYDER, TEXAS, SUNDAY, SEPTEMBER 26, 1954 SECTION B

The first sergeant and master sergeants of the National Guard unit here are shown in front of the company's heavy tank used for practice purposes. Shown above from left are: Acalee Kincaid, first sergeant, Bill Jordan, second platoon sergeant, Dayton McCarter, first platoon sergeant, and Boe Moffett, third platoon sergeant. Kincaid and McCarter joined the unit when it organized Sept. 24, 1947. Jordan has been in the unit six years, and Moffett seven years.

One of the original members of the present National Guard unit here is shown above explaining how to clean and maintain a machine gun to five membershave joined the company in the last two months. He is Homer Stokes, sergeant first class. The new members are from left: Milton Lee Prince, Richard Hart, Monty Blakely, Morris Williamson, and Don Sumruld. (Lee Watson photographs)

John Sentell, seated, original organizer of the National Guard unit here is shown above with two other early members of the unit looking over a picture of the first Snyder guard unit. The others are Leonard Spence, center, and Dawson Moreland.

NATIONAL GUARD'S BIRTHDAY

Two days ago the Snyder National Guard unit, Co. D of the 112th Armored Cavalry Regiment, observed its seventh birthday.

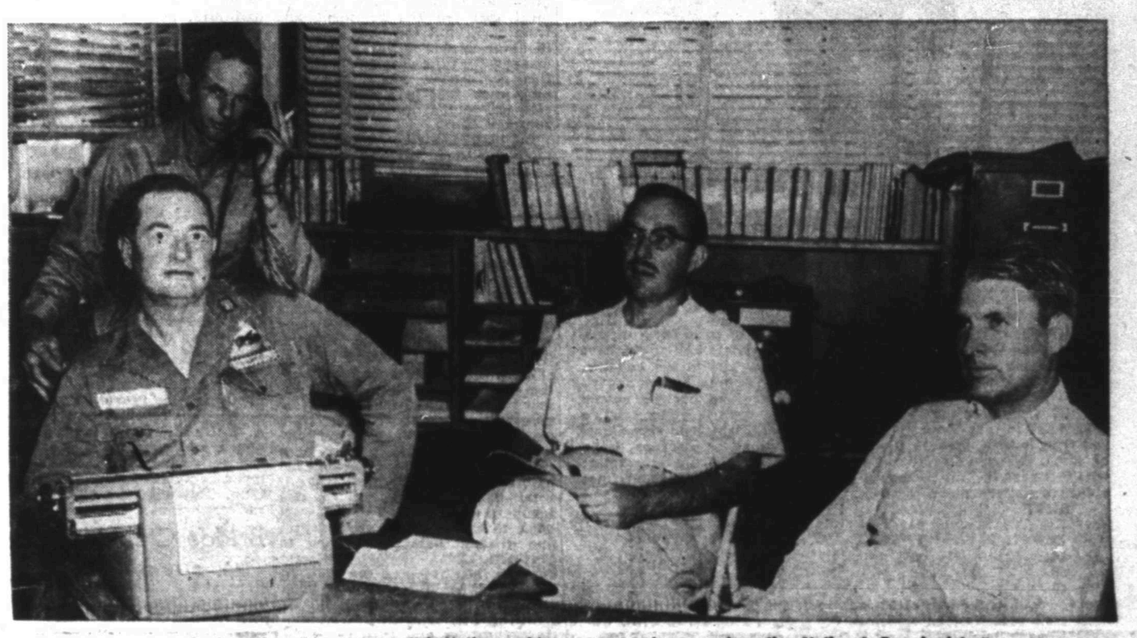

The local unit, commanded by Capt. Weldon Kincaid, had on its birthday some 100 enlisted men in addition to five company officers. There are also four local men who are battalion staff officers.

Co. D was organized Sept. 24, 1947 with some 10 men by Capt. H. D. Moreland, postmaster, who is not now a member of the unit. Moreland commanded the company, which drilled in its present armory on Twenty-seventh Street, for several months. Later commanding was Capt. William J. Schiebel, now a major and battalion executive officer. By the end of the first year there were about 36 members in the unit, still then mostly veterans of World War II. By 1949, the unit was growing larger and gaining membership of young men just out of high school.

Kincaid, then a lieutenant, took command of the unit in September, 1949. The unit went to its first two-week summer encampment in 1948 at Fort Hood and has been to a summer camp each year since then, all of which were held at Fort Hood except the one in 1951, which was at Camp Polk, La.

Officers with the company other than Kincaid are Lt. John T. Lunch, executive officer, Lt. Johnny Greenfield, Lt. Larry J. Hall, and Lt. J. W. Johnson, all platoon commanders. Battalion staff officers in addition to Schiebel are Capt. Ezekial H. Vaughn, S-2 officer, and 1st Lts. Lee Dan Stone

See GUARDS, Page 2B

A discussion of company and battalion problems was underway when the National Guard picture above was made. Seated from left are L. B. McCravey, administrator of the unit here, Major Bill Schiebel, battalion executive officer; and Captain E. H. Vaughan, Hermleigh, battalion intelligence officer. At the telephone in the rear is Chesley W. Horsley, company supply sergeant.

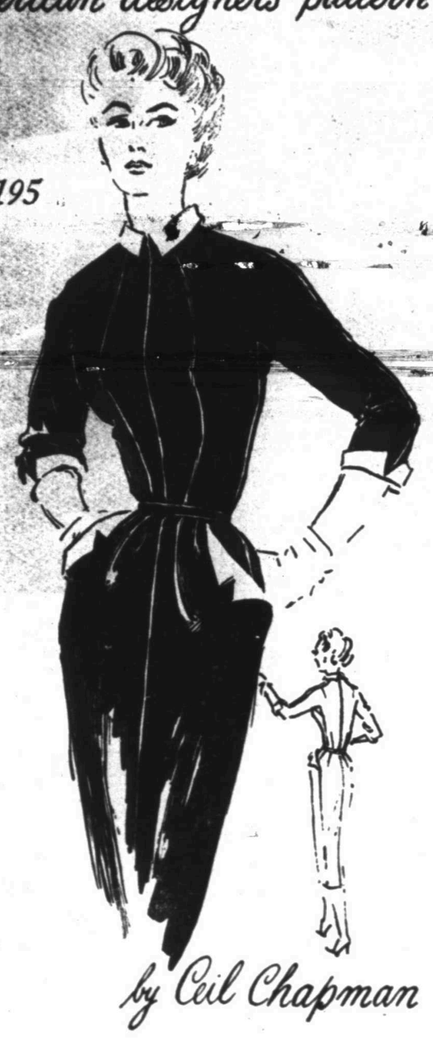

Some of the typical duties of the cook section of the guard unit here are shown above—keeping the stoves clean and shining. Doing the chore above from left are: Jessie Carrell James, Bernie Greenfield, mess sergeant, Joe Cargile, and Curtis Tate.

Commissioned company officers of the Company D, 112th Armored Cavalry Regiment, the national guard unit here, are shown on a stairway in the re-decorated armory. Shown with the company officers at left is Dr. John Hamblen, captain in the 111th Medical Corps of the 36th Division, who trains with the Snyder unit. Others from left are: 2nd Lt. Johnny Greenfield, and 2nd Lt. J. W. Johnson, platoon leaders, Chief Warrant Officer L. B. McCravey, unit administrator, and Capt. Weldon Kincaid, company commander.

american designer's pattern

by Ceil Chapman

Everybody is succumbing to the new look of covered-up modesty, including Ceil Chapman whose famous decollete ball-gowns have been the joy and treasure of every glamour girl in the country. The youthful innocense of today's dress represents a new departure in design for Mrs. Chapman. The cuffed hip pockets extend slightly around to the back as do the side seams of the skirt, a manipulation that gives a slenderizing effect. Make it in sheer wool and trim it with linen as it was in the original, or in crepe, faille or linen. Gleaming white satin as accent is a particularly smart note this season. This pattern is cut to designer measurements, not standard pattern measurements.

BUST	WAIST	HIPS	SIZE
34	24	35	10
35	25	36	12
36½	26½	37½	14
38	28	39	16
40	30	41	18

Size 12 requires 3 yards of 39 inch material for dress and ⅜ yard of 39 inch material for contrast. To order Pattern No. 1195, address Spadea Snydicate, Inc., P.O. Box 535, Dept. S-13, G.P.O., New York 1, N.Y. State size. Send $1.00. Airmail handling twenty-five cents extra. Add four cents for handling, if paid by check or money order. New Pattern Booklet No. 11 available for twenty-five cents.

Farming Goes With Castle, Churchill's Cousin Reports

By DOROTHY ROE
AP Women's Editor

Sir Winston Churchill's cousin Anita Leslie says it's not so bad, living in a castle, if you know how to farm.

The willowy, blue-eyed Anita blew into New York the other day to be on hand for publication for her new book, "The Remarkable Mr. Jerome," a story about Churchill's (and her own) fabulous American grandfather, one of Wall Street's earliest tycoons, who also had a taste for fine horses and beautiful actresses.

Grandpa Jerome was a flamboyant character, but so is his great-grandaughter Anita. She is married to Cmdr. William King, who jockeyed a submarine for six years during World War II and collected most of the medals in stock in the British Empire. She has two children, Tarka Dick, 5, and Leonie, 3. She lives in two Irish castles, one of which, Glaslough, belongs to her father, Sir Shane Leslie, in County Monaghan, and the other, Oranmore, in County Galway, to her husband.

"We're farming the land like mad," says Cousin Anita. "It's the only way anyone can keep up a castle nowadays, you know. We raise beef cattle — and my husband's really quite good at it, now that I've got him out of his submarine."

Anita and Cmdr. King met during the war. She drove an ambulance for five years, first for the British in Africa and Egypt, then for the French.

Anita got the idea of writing the story of Leonard Jerome while poking about in the attic of her father's castle, where her grandmother, Leonie Leslie, had saved and annotated "simply tons" of family letters and keepsakes, including some of the fabulous gowns of that glittering era.

She worked for three years, sorting through the yellowed love letters, the dance programs, the racing programs and the family photographs, and produced a biography which explains a great deal of the vigor and brilliance of most of the descendants of Grandpa Jerome.

Cousin Anita has written two other books—"Train to Nowhere," a book about her war experiences, and "Love in a Nutshell," an account of her delayed honeymoon in a 31-foot ketch which her husband built to sail around the world with his bride.

"By the time the boat was built and ready to go," says she, "I couldn't go because I was going to have a baby. So my husband went, and I joined him in the West Indies when the baby was three months old. He learned to swim before he learned to walk, and that's why we named him Tarka—that's Scandinavian for Otter, or "Little Water Wanderer."

Cmdr. King has crossed the Atlantic four times in small sailboats, but, says his wife:

"Now I think I've got him grounded. When you take care of two castles, you don't have much time for water sports."

GUARDS

Continued From Page 1B

and Lyle Alexander, liaison pilots. Two permanent federal employes with the unit here are CWO L. B. McCravey, who is personnel officer, and M-Sgt. Acalee F. Kincaid, first sergeant. Platoon sergeants are M-Sgts. Dayton McCarter, John W. Jordan, and Bishop P. Moffett.

The unit now has four master sergeants, 15 sergeants first class, 17 sergeants, 29 corporals, 19 privates first class, 10 privates (grade 2), and six privates (grade 1).

This was not the first National Guard unit Snyder ever had. On May 24, 1924, John Sentell, local attorney, organized Co. G, 142nd Infantry of the Thirty-sixth Division. Sentell, who had been a first lieutenant during World War I, was commissioned as a captain and made company commander. At that time, he said, the unit had about 65 members, many of them veterans of the first world war.

The armory at the time of that organization was the upstairs of the Clements Feed Store building. That building is now occupied by Standard Oil Co. of Texas at Avenue S and Twenty-fourth Street. A few years later, when one of the Towle buildings was completed, the unit moved to the upstairs portion of it. It is now the building occupied by Ezell Motor Co. at Avenue T and Twenty-fifth Street.

Co. G's first summer encampment was at Galveston in 1924. The next year the camp was held at Camp Mabry, Austin. For the next few years the unit went to Camp Palacious, Tex., for the two-weeks training. In 1940, it maneuvered in Louisiana. In the federal inspection of 1927, Sentell said, the local unit led the regiment and from then until the unit mobilized it never placed lower than third and several times ranked first. For five consecutive years, the company took first in a division contest on combat problems at the summer camp.

In 1938, Sentell was promoted to major and became battalion commander. The battalion covered units here, at Amarillo, Canyon, and Sweetwater. He was later promoted to lieutenant colonel. He attended the battalion commanders school at Fort Benning, Ga., and the command and staff school at Leavenworth, Kans. In October, 1942, he was transferred to a special unit at Fort Meade, Md. This unit was made up of officers which commanded groups of replacements to be sent overseas.

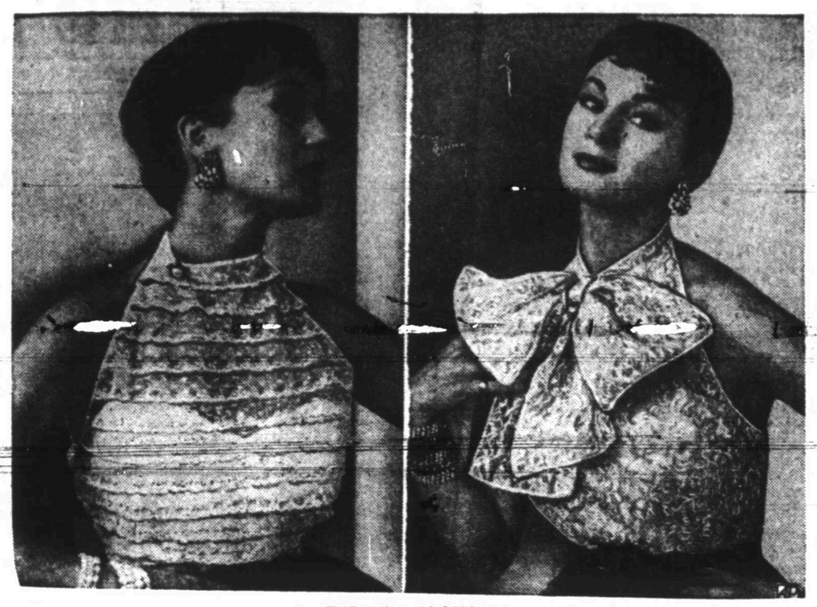

When Sentell moved up to battalion commander, Capt. Tim Cook, now a Lamesa banker, became company commander. He commanded the unit when it was mobilized Nov. 24, 1940. The unit trained fulltime here for some time before it left for Camp Bowie. It went back to Louisiana in 1941 for more maneuvers. The unit went back to Camp Bowie from there, and a small detachment went to Fort Sill, Okla., for tactical training and then rejoined the unit. In the winter of 1941. The division was transferred to Camp Blanding, Fla. It later went to Virginia, Massachusetts, and then to North Africa, Italy, France, Germany, and on into Austria. Its first combat was on the Salerno beachhead. Among those killed in action with the unit were Doyl Blakely, Guy O. Moore, James Greet, Jack Line, Pete Bills, Hugh Merritt, and Raymond Rucker.

After the unit had mobilized, Roy O. Irvin assumed duties as company commander. Irvin, now a full colonel and stationed in Japan, had started in the unit here as a private. Other unit officers who started with this company, Sentell said, were Lenoard Spence of Snyder and Homer Spence, now of Itasca, both later becoming captains.

PERSONALS

Mrs. Lila Sheherd of Phoenix, Ariz., is visiting Mr. and Mrs. Wayne Smith, Clairemont road, and Mr. and Mrs. Leighton Griffin.

Mrs. Pearl Blakely, 414 Twenty-ninth Street, and Mrs. William Ross were in Rotan Friday to visit Mr. and Mrs. P. A. Martin.

THRIFTY GLAMOR
. . . festive lace blouses, easy to make at home

Miss Townsend, Mr. Majors Wed

Hattie Jane Townsend became the bride of O. H. Majors on September 18 in a double-ring ceremony read in the home of Mr. and Mrs. Joe York, 1501 Avenue T.

The bride is the daughter of Arthur Townsend, route 1. The bridegroom is the son of Mr. and Mrs. W. A. Majors of Paducah.

White and orchid asters were used to decorate the house. The Rev. Earl Creswell officiated at the ceremony. Lynn York was the bride's only attendant. Jim Majors served as his brother's best man.

For her wedding, the bride chose a street-length dress of white lace topped by a short bolero with a stand-up collar. Her hat of white lace and net was trimmed in seed pearls to match the dress. She carried an orchid nestled in white carnations with white streamers on a white Bible.

Mrs. Ralph Kopf made arrangements for the reception which followed the ceremony. Mrs. John A. Smith and Helen Dennis served punch and cake to 20 guests.

A coffee honoring the bride was given September 14 at the Country Club. Thirty guests called.

Bridge Club Meets

Mrs. Ross Hemphill won high score at the Tuesday Night Bridge Club meeting. Mrs. Scott Casey, 3501 Avenue Z, was hostess.

Mrs. Bill Vestal won the traveling prize and bingo went to Mrs. Gene Dulaney.

Mrs. Sam Joyce was the only guest.

Lace Blouse Very Useful

A lace blouse can be one of the most useful items in a girl's wardrobe.

Time was when such a thing was a perishable extravagance, strictly for state occasions. But miracle fibers have made lace as sturdy as gingham, and women everywhere are discovering that a lace blouse can be worn all year 'round, for day and evening. No more expensive dry-cleaning, either. Many can be dunked in the wash basin and kept constantly fresh and ready to go.

A lace blouse is even more economical if you make it yourself, and this is easy to do, now that handsome laces are widely available at piece goods counters. Local sewing center experts have designed two lace blouses that are easy to make on your sewing machine, using attachments to take the place of tedious hand work.

A flattering bow-neck blouse requires only 1⅝ yards of 35-inch lace. It is faced with nylon tulle, and the big bow adds a gentle touch to a tailored suit.

A new turtleneck lace blouse is made with 12 yards of lace edging an inch and a half wide. The zigzag attachment on your machine is used to stitch the bands of lace over nylon tulle.

With either blouse, wear your prettiest strapless underpinnings they are meant to show. For daytime wear, team them with a dark suit, take off the jacket to go on to cocktails or dinner. For holiday festivities, wear them with a skirt of black velvet or make matching full skirt and blouse of black lace.

For complete free directions for making the two blouses described, write to: Lace Blouses, Room 1205, 341 Madison Ave., New York, N. Y.

SOCIETY SCRIBBLINGS

Football Game Brings Out Sports Apparel For Fall

By ANITA HALL

The first football game brought out a lot of Snyder people. The weather was just right for new fall clothes and the autumn hues of the women's attire lent additional interest to the always-colorful scene of a football game.

DONNA HOUSTON, daughter of Mr. and Mrs. P. C. HOUSTON, wore a brown, corded faille dress accentuated with an aqua-blue wool stole and a brown velvet hat. She attended the game with her parents and Mr. and Mrs. RUPERT PHILLIPS and daughter, SARAH.

Another group attending the game together were Mr. and Mrs. L. D. STONE and son, TERRY LEE, Mrs. JACK TERRY and son, JACKIE LEE and Mr. and Mrs. R. L. TERRY. The three women were smartly attired in the latest of fall fashions.

Mrs. JACK GORMAN, Mrs. EDDYTHE BOREN and Mrs. SEPH HARRELL wore sports clothes in shades of brown, cocoa and steel-blue.

A foursome seen at the game was Mr. and Mrs. CLYDE GODWIN and Mr. and Mrs. CHARLES DURAN. Mrs. Godwin had on a two-piece suit in forest green and Mrs. Duran wore a bright red topper over a dark tailored dress.

Mrs. C. L. CALLOWAY wore a gold knitted cardigan sweater with a green skirt and gold-colored blouse.

Mrs. JOE MIDDLETON wore a grey dress of cotton tweed and a close-fitting crocheted hat of grey yarn intermingled with silver metalic thread.

Mrs. JOE HAMPTON wore a black faille suit with matching accessories.

Mrs. MARSENE HOLT wore black accessories with the grey suit she was wearing.

Mrs. GENE BEST had on a Scotch-plaid wool skirt with white blouse and white sweater.

There were many more, to numerous to mention, who were equally as smartly attired.

25 YEARS AGO

(Taken from the files of THE SCURRY COUNTY TIMES for Sept. 26, 1929.)

With every department head ready, and with a final meeting Monday night that brought each member to a special meeting at the courthouse, Scurry County Fair is open wide to the general public this morning with an invitation to come and enjoy the three days' session.

County Agent Logan says there will be nine community exhibits on the job. There is great rivalry among county towns for the prizes which total $150. Disinterested judges will have charge of awarding of prizes. With a premium list aggregating $1,600 in prizes, Snyder business men have underwritten the entire expense of the Fair that makes it possible for every farmer and rancher to note the onward steps that are being made in this section. . .

• • •

Times-Signal presses began tearing loose early Tuesday night on this week's edition of 12 pages which are carrying special Scurry County Fair propaganda to all parts of this section. Bargains are on every page, together with the news of the city and county . .By printing a full day early, practically 75 per cent of our entire citculation is going into city and county homes before the opening day of the Fair, which is Thursday.

• • •

The Snyder Tigers lost their first football game in a glorious setback by the Spur Bull Dogs Friday, 19 to 13, but discovery was made of the best broken field runner ever to wear a Tiger uniform in the person of Bedford McClinton, playing his first game as a regular. The Tigers, outweighed to a man, found themselves after the opening quarter and they displayed a fight and push that has heretofore been unknown on a Tiger squad, thanks to the hard work and inspiration of Coach "Red" Moore . . .

Other scores Friday were as follows:

Slaton 12, Big Spring 0
Lamesa 12, Stanton 0
Colorado City 6, Odessa 0
Rotan 14, Hamlin 0
Anson 13, Clyde 0
Lubbock 31, Ralls 6
Roscoe 13, Ballinger 24

• • •

According to Glen Sample of the Citizens Ice Co., who has just returned to Snyder from inspecting his two new ice plants at Jal and Lovington, Mr. Sample is contemplating doubling the capacity of the local plant to be ready for next year's business . . Mr. Sample stated that oil activity in the New Mexico towns was very much on the lively order and that the railroad comission had granted both the T&P and Santa Fe the privilege to extend their rail lines to Lovington.

• • •

That the price of cotton will reach 20 cents per pound or higher was the estimate of George B. Terrell, State Commissioner of Agriculture, in a statement issued last Thursday.

Miss Jones Weds Charles Rollins

Mayor and Mrs. Willard Jones of Hamlin, former Snyder residents, are announcing the marriage of their daughter, Jeanne Jones, to Richard (Dick) Rollins, the son of Mr. and Mrs. Charles Rollins of Rotan.

The couple was married June 5 in the parsonage of the First Baptist Church in Sweetwater with the pastor of the church, the Rev. G. R. Wilson, officiating. Friends of the couple were their attendants.

The bride is a 1954 graduate of Hamlin High School, and has been a student at Hardin-Simmons University in Abilene since her graduation. Mr. Rollins is a 1953 graduate of Rotan High School and attended McMurry College in Abilene.

The couple is to be at home in Fort Worth.

To keep our menus in tune with the times we offer two fine ways of preparing the doves that the hunters in your family will bring home this season. They are Wild Dove Pie and Roast Dove With Wild Rice Dressing.

WILD DOVE PIE

6 wild doves
1 quart water
1 onion, chopped
1 small bunch parsley, chopped
3 whole cloves
2 tablespoons flour
2 tablespoons butter
Salt
Pepper
Pie Crust

Clean and split the doves. Place them in a large pan and cover with 1 quart of water to which has been added the onion, parsley and cloves. Cook until birds are tender. Remove birds. Skim liquid and thicken it with a paste made of the flour, butter, salt and pepper. Remove from flame and allow to cool. Line greased, deep baking dish with pie curst. Place cooked birds in dish. Cover with thickened gravy and top with crust. Bake in moderate (375 degrees) oven 1 hour or until crust is brown. Serves 4.

ROAST DOVE WITH WILD RICE DRESSING

6 wild doves
¼ cup diced green pepper
¼ cup chopped onion
4 tablespoons butter or margarine
2 cups cooked wild or brown rice
½ cup chopped olives
½ cup canned mushrooms
Paprika

Cook the green pepper and onion in the butter until they are tender. Mix together the cooked rice, olives, mushrooms, onion and green pepper. Add salt, pepper and paprika to taste. Add additional butter, if necessary, to make the mixture moist. Stuff the doves with this mixture. Place in an uncovered roasting pan and roast in moderate (350 degrees) oven 1 hour, basting frequently with a mixture of 2 tablespoons butter and ½ cup hot water. Serve while very hot. Makes 4 to 6 servings.

NEWS FROM CANYON

By MRS. MARGARET RILEY

The Women's Missionary Auxiliary of the Canyon Baptist Church met Wednesday afternoon in the home of Mrs. Robert McCoy. Each member presented Mrs. McCoy a housewarming gift. Those present were Mrs. L. F. Stirling, Mrs. Jim Stirling, Mrs. J. S. Golden, Mrs. Margaret Riley, Mrs. R. E. Adams, Mrs. Bill Labenske, Mrs. Ed Taylor, Mrs. Turh Martin and Mrs. L. M. McCoy of Anson.

Mr. and Mrs. T. M. Pherigo have a new grandson. The parents are Mr. and Mrs. Dayton McCarter of Snyder.

Mrs. Myrtle Burrow and Mrs. R. E. Adams went to Colorado City on business recently.

Lawton Taylor, Jerry Thomas and Donald Ray Crowder attended the FFA picnic at Towle Park in Snyder Thursday.

Mr. and Mrs. L. B. Balcom and Mike visited Mrs. Balcom's mother, Mrs. C. A. Taylor, in San Antonio recently. Mrs. Taylor returned home with them.

Mrs. Hugh Fargason and family went to Hermleigh on business.

Mr. and Mrs. Leo Haney of Dallas visited here last week with Mr. and Mrs. Ed Bolger, 3100 Hill Avenue.

MR. AND MRS. R. L. BEARDEN
. . . at home here

Beardens At Home Here

Mr. and Mrs. Ronald Leighton Bearden, who were married here on September 17, are at home at 1311 Twenty-ninth Street.

Mrs. Bearden is the former Mary Janell McCright, the daughter of Mr. and Mrs. L. S. McCright, route 2. Mr. Bearden is the son of Mrs. Ruby Bearden.

The single-ring wedding ceremony was read by Ted Norton, minister of the Twenty-fifth Street Church of Christ, in his home.

The bride was given in marriage by her brother, Bill McCright, who also served as best man. She wore a princess-style dress of ivory white acetate brocade designed with a halter top and a matching bolero. Her accessories were gray and she carried a bouquet of white carnations on a white Bible belonging to Francine Taylor.

Ladell McCright, twin sister of the bride, was her only attendant. She wore a black dress of princess styled trimmed in red and white polka dotted fabric. Her corsage was of red and white carnations.

The couple took a brief wedding trip to Wichita Falls, Texarkana, Greenville and other points in east Texas.

Mrs. Bearden is a 1954 graduate of Snyder High School, where she was a member of the Library Club and Future Homemakers of America. Mr. Bearden, who also attended the school, is employed by the Snyder Heating Co.

A large force of sheep dogs specially trained to be locomotive conscious by British railways watch for the approach of trains and herd the sheep in the fields to points of safety.

Wood pulp is the world's leading raw material for production of newsprint, books, writing and wrapping paper.

WOMEN'S CALENDAR

MONDAY

High School P-TA meets at 7:30 p.m. Monday at cafeteria; executive meeting is set for 6:30 p.m.

WMS, Colonial Hill Baptist Church, 7:15 p.m.; Mrs. Carl Whitefield, 2801 Thirty - seventh Street.

WSCS, Trinity Methodist Church, 7:30 p.m., Mrs. Ford Kenner, 304 Thirty-third Street.

Duce Bridge Club, 7:30 p.m., Mrs. Jack Phillips, 2801 Avenue V.

Parliamentary Procedure Course, 9:30 a.m., High School.

TUESDAY

Executive Committee, Presbyterian Women's Organization, 3:00 p.m., First Presbyterian Church.

B&PW, dinner meeting, 7:30 p. m., the Hilander.

Atheneum Study Club, 3:00 p. m., Mrs. Fickas Bell, 2811 Avenue U.

Woman's Culture Club, 3:00 p. m., Mrs. Henry Kelley, Colorado City highway.

Couples' Duplicate Club, 7:45 p. m., Country Club.

Twentieth Century Club, 3:00 p. m., Mrs. Charles Tyer, Route 3.

WEDNESDAY

Wednesday Contract Club, 1:30 p.m., Mrs. Elmer Cook, Lamesa highway.

THURSDAY

AAUW Dinner, 7:30 p.m., high school cafeteria, Dr. W. H. Melching, guest speaker.

FRIDAY

Ladies' Day, 9:45 a.m., Country Club.

El Feliz Club, 3:00 p.m., Mrs. I. W. Boren, 2901 Avenue T.

Michigan State won three Big Ten titles in the 1953-54 season—football (tie with Illinois), cross country and baseball.

TEEN TALK

By MARGIE SMITH

The Gay Twenty had a weiner roast Tuesday night at the home of Connie Longbotham. Those present were Delores Ellis and P. W. Cloud, Patsy Harless and Fritz Smith, Mary Lou Byrd and Jack Spikes, Harilyn Ward and Douglas Ayers, Connie Longbotham and Blue Williamson, Carolyn Sturdivant and Larry Dixon, Nancy Jordan and Powell Berry, Janice Starr and Troy Dean Williamson, Cecile Hayes and John Echols, Judy Noah and Gerry Tucker, Peggy Black and Bill Fowler, Karen Crooks and Phillip Houseton, Emma Lee Ducan and Gary Hill, Barbara Cockrell, and Janie Wright.

• • •

Cecile Hayes gave a slumber party Friday night after the football game. Those attending were Carolyn Sturdivant, Connie Longbotham, Nancy Jordan, Sid Turner, Peggy Black, Barbara Cockrell, and Patsy Harless.

• • •

Mary Ann Doak celebrated her seventeenth birthday Tuesday. Those who came to her house for birthday cake included Judy Rohr, Suzanne Houston, Joyce Blakely, Judy Miller, Ann Fish, Sittie Harrell, Gerry Lynn Hughes and Pat Taylor.

• • •

Several members of the annual staff went to an annual clinic in San Angelo Saturday. Among those who went were Junior McCormick, Suzanne Houston, Joyce Blakely, Bernie Hagins, Marsha Fisher, Mickey Gillean, Carmen Carey, Judy Miller, Lenda Norcross, Sandra Scott, Judy Rohr and Elwyn Weathers.

• • •

Sidney Johnson and Jim Sealy entered the rodeo at Henrietta last week end. Sidney won first place in bareback bronc riding and was therefore eligible to enter his name in a drawing for a horse trailer. Luck was with Sidney because his name was drawn, and he now possesses a new trailer.

• • •

Lucky 13 had its annual progressive dinner last night. It began with the appetizer at Margaret McPherson's home. Next was the salad in the home of Judy Rohr. The main course followed at Judy Miller's, and the desert was at Pat Taylor's. After the dinner a dance was given at the Hilander.

Those attending were Jack Spikes and Suzanne Houston, Judy Miller and Dusty Moore, Perry Bolger and Judy Rohr, Bernie Hagins and Sittie Harrell, Powell Berry and Pat Taylor, Sidney Johnson and Gerry Lynn Hughes, Alan Snead and Margie Smith, Margaret McPherson and Jimmy Don Boyd, P. W. Cloud and Mary Ann Doak, Betty Connell and Ray Courtney, Lynda Smith and James Beavers, Ann Fish and George Herring, Joyce Blakely and Wiley Denson and Mr. and Mrs. Jack Bowden.

New 4-H Member Introduced At Meeting

Elizabeth Largent was introduced as a new member at the Snyder High School 4-H Club meeting Wednesday afternoon. The club met with Marjorie Norton, 2701 Avenue S.

A demonstration on bedroom decorating was given by Ruby Butts, home demonstration agent.

Marjorie Norton and Lois Doonan received their officers' pins from Miss Butts.

Natives along the Amazon River use the tongue of the pirarucu, a huge fish, as a coconut grater. The tongue is covered with rasplike teeth.

TRENCH COAT RETURNS . . . Rain or shine, the casual look is back with a bang, in rainwear as in all the rest of the wardrobe. Pictured is one of the most popular styles of the season, the officer's coat in water-repellant khaki cotton twill with wool plaid lining. This is an old favorite that is enjoying new importance, featuring the convertible neckline, epaulet tabs, inverted upper back pleat and a swashbuckling air.

Recent Bride Is Honored With Gift Tea

Mrs. Jack Hill, who was Beverly Gilbert until her recent marriage, was honored with a gift tea Friday afternoon in the home of Mrs. C. U. Bishop, 1204 Twenty-sixth Street.

The honoree's chosen colors, pink and silver, were used in decorations.

Pink carnations with silver-painted leaves were centered on the table that was laid with a white lace cloth. Serving at the table were Mrs. Weldon Terry and Mrs. Lecil Rose. Mrs. Carl Brumley presided at the bride's book where thirty guests registered. Millie Davis gave a reading.

Hostesses were Mrs. Bishop, Mrs. T. B. Knight, Mrs. Clyde Brown, Mrs. Terry, Mrs. James H. Powell, Mrs. J. B. Davidson, Mrs. Rose, Mrs. Aubrey Huddleston, Mrs. Brumley and Miss Davis.

Out of town guests were Mrs. Clyde Denison and Mrs. Eric Madison of Big Spring.

Garden Club Holds Season's First Meet

Mrs. G. B. Clark, Jr., was hostess for the Garden Club Thursday when it met for the first time this season. Mrs. Bill Davidson was the program speaker, taking as her topic "Soil for the Layman."

Club members answered roll call with the name of their favorite bulb. Ronald Bell discussed various types of bulbs. He also told club members that he could help the club secure bulbs to be sold to city residents at a discount. The club is encouraging that bulbs be planted here to bloom early next spring when the district federation of women's clubs will meet here. A decision is to be announced by the club later.

Twenty-seven club members and one guest attended the meeting.

New Club Organized

Mrs. Doris Underwood, 2102 Avenue Z, was hostess when a group of women met Thursday night to organize a social club.

They voted to name the new club the W. W. Circle.

Officers will be elected at the club's next meeting which will be Tuesday night. Mrs. Nona Cumbie, 2602 Avenue K, will be the hostess.

The members are Mrs. Underwood, Mrs. Cumbie, Mrs. Rellie Ellerd, Mrs. Nettie Webb, Mrs. Marie Kruse, Mrs. Eda Mae Hamman, Mrs. Bessie Stone and Mrs. Adna Yandell.

BIRTHS

Mr. and Mrs. O. D. McCarter of Snyder are the parents of a son, David Melvin, born September 21 in a Rotan hospital. He weighed seven pounds, four ounces at birth.

Mr. and Mrs. Ernest Sears, 3818 Highland Drive, are parents of a son, Weldon Ervin, weighing seven pounds, two and a quarter ounces. The child was born Tuesday in Methodist Hospital in Lubock.

Mr. and Mrs. J. C. Dyess, 2803 Avenue J, are the parents of a son weighing seven pounds, six and three-quarter ounces, born at 4:14 p.m. Friday in Cogdell Memorial Hospital.

Lutheran Hour Starts 22nd Season On Radio

Dr. M. J. Neeb, executive secretary for the Board for Higher Education in the Lutheran Church-Missiouri Synod, will inaugrate the Lutheran Hour's twenty-second season of broadcasting today. The broadcast, which will be heard locally at 6:30 p.m., will feature "A Faith by Which to Live."

Pfc. Darrell W. Greene

Pfc. Greene Is In School

Marine Pfc. Darrell W. Greene, 19, has been selected to enter a Marine Corps Tradesman Device school in Memphis, Tenn. Upon completion of his training there, he is to be assigned as an instructor.

Greene, the son of Mr. and Mrs. R. B. Greene, 1500 Twenty-seventh Street, completed earlier training at the Naval electronics school in Jacksonville, Fla. Out of the two platoons of men taking the course, only Greene had a sufficiently high rating to enter the tradesman course.

Greene was graduated from Snyder High School in the class of 1952 and attended Texas Tech before volunteering for duty with the Marine Corps last February.

Lake Thomas Water Is Soft

Latest samples from Lake J. B. Thomas show its water to be approximately six times as soft as that produced from wells in the area.

Total hardness of the lake samples, said E. V. Spence, general manager for the Colorado River Municipal Water District, is 61. This compares with 383 from composite samples of wells.

Total dissolved solids of the lake water was 189; for the well samples 944.

Calcium in the lake water is 17 as against 68 in the well water; sulphates show 37 in the lake sample and 248 in the well water. The lake has only 18 parts per million chlorides whereas the well composite showed 174.

Fluoride content of Lake J. B. Thomas water, according to the U.S. Geological Survey analysis, was .7, and that of the well samples averaged .20.

Just Too Much Work

RALEIGH, N.C. (AP)—Secretary of State Thad Eure received a letter asking for "two copies of every law that North Carolinians are supposed to abide by."

Eure, thinking of the room where the laws are stored tier upon tier to the ceiling, thought of a solution. "I'll invite him to come here and browse around our store room. Let him see the situation himself."

Straws have been made into paper for countless centuries. The Chinese, who invented paper about 105 A.D., soaked the strawn in lime, boiled it, and trampled the residue into a fibrous mass.

About 750,000 Americans have rheumatic fever or its common aftermath, rheumatic heart disease.

. . . Pretty Patsy Hett, who attends Northwestern University, is the state of Georgia's candidate in the 1955 Maid of Cotton Contest.

Cotton Industry Begins Hunt For Maid Of Cotton

The 1955 Maid of Cotton contest now is open, the National Cotton Council announces. Search for a beautiful young girl to represent the 13 million members of the American cotton industry on an exciting six-month international tour will cover the 18 states of the Cotton Belt, the Council reports.

Any girl born in one of the cotton-producing states who is between the ages of 19-25, has never been married and is at least 5 feet 5 inches tall is eligible to compete for the honor of serving as fashion and good will representative for King Cotton.

Entry forms and complete details about the contest are available from the National Cotton Council, Box 18, Memphis, Tenn.

The girl who is chosen 1955 Maid of Cotton has an action-packed, six-month adventure ahead. She will tour some 40 major cities in the United States, Canada and Europe to carry news about American cotton fashions, along with the good will greeting from the cotton industry.

The 1955 tour will be the seventeenth Maid of Cotton journey. The itinerary of the 1955 Maid will be extended in Europe. It also will include the Pacific Northwest and Vancouver, B. C., for the first time.

At the beginning of her service for King Cotton early in January, the Maid of Cotton will go to New York to be completely outfitted in a glamorous all-cotton wardrobe. Best-known designers in the United States will create smart cottons for every occasion and for every season of the year for the Maid to wear. European designers will add cotton fashions to the Maid's collection during her visit abroad.

The Maid of Cotton is sponsored by the National Cotton Council, the Memphis Cotton Carnival and the Cotton Exchanges of Memphis, New York and New Orleans. She will be accompanied throughout her tour by an official chaperone representing the National Council.

Deadline for contest applications is midnight December 1. Application forms must be completed and returned along with two photographs, a head and shoulders portrait and a full-length view, postmarked no later than the deadline date.

The Cotton Council emphasizes that the Maid of Cotton competition is not a beauty contest. Personality, poise, intelligence and background are equal considerations.

Approximately 20 contestants will be chosen from the applications and photographs to compete in person at contest finals.

Oklahoma's two new fishing reservoirs in the Ozarks, at Fort Gibson and Tenkiller, are turning up fabululus catches of channel cats and bass.

Rafts Lake Hazard

BIG SPRING, Sept. 25 — Unapproved rafts are creating hazards in Lake J. B. Thomas and action will be taken against them unless they conform with regulations.

This was the word from the Colorado River Municipal Water District headquarters here Saturday. E. V. Spence, general manager, said that there had been several complaints of rafts being towed into the lake and anchored, presumably for night fishing operations. These are hazardous to night navigation unless they meet with safety requirements.

All rafts are subject to the district's inspection and launching fee as are boats and similar devices. In addition to satisfying safety requirements, the rafts, if left in the lake overnight, would have to be lighted in the approved manner to forestall the possibility of collision with moving craft.

Owners of the rafts now on the lake have not been ascentained and if they are not located, the district will be obliged to tow them in, said the general manager.

Persons with lots at the lake, under rules promulgated for recreational use of the lake, are permitted to have rafts or floating docks for their convenience.

In the case of rafts or such devices being left in the lake overnight or for protracted periods, it would be necessary to provide approved sanitary facilities.

Revenues from the launching fees and recreational permits go toward maintaining the lake and its facilities in an acceptable manner for the public, Spence pointed out. The district does not enter into recreational activities for money making purposes.

Good Meat Chicken

PAYSON, Ariz. (AP)—Lewis Bowman, operator of a local chicken ranch, hopes a chicken hatched recently is the forebearer of a strain.

The pullet has three thighs, four legs, four feet and 15 toes.

"I'd specialize in chicken thighs," Bowman said.

Course Scheduled By City P-TA Council

Mrs. W. D. de Grassi, state parliamentarian for the Texas Congress of Parents and Teachers, will direct a parliamentary procedure course here tomorrow.

The course is under the sponsorship of the Parent-Teacher City Council, but persons who are not members of PTA units will be welcome to attend, Mrs. Amon Weaver, council president, said. About 20 PTA unit members have already made reservations for the course. There is no charge.

The class will begin at 9:30 tomorrow morning in room 103 at the high schol building. Persons attending the course may eat lunch in the high school cafeteria. The afternoon session is to be concluded at 3 o'clock.

Twenty-eight elephants were exported from India during the six months ending in September of 1953.

Of the 40 million tons of sugar produced annually in the world, 65 per cent comes from sugar cane and 35 per cent from sugar beets.

Snyder Man To Patrol Lake

Appointment of W. L. Green, Snyder, as patrolman for Lake J. B. Thomas has been announced.

E. V. Spence, general manager for the Colorado River Municipal Walter District, said that Green's commission was made effective on Sept. 16.

The new patrolman is 26 years of age. He was graduated from Slaton High School in 1946 and from 1943-46, during summer months, he was life guard for Buffalo Lakes near Lubbock.

He joined the U. S. Navy in 1946 and served until 1948 with the small boat division at Apra Harbor. During the latter part of 1948, he attended Sparling Deep Sea Diving School at Wilmington, Calif. Upon separation from service, he joined the employ of the Santa Fe railroad at Snyder.

Mr. and Mrs. Green have four children and they will continue to make their home in Snyder. He will be in charge of the enforcement of the rules and regulations for recreational and boating purposes at the lake.

FARMS—RANCHES M-6

CONSIDER TRADE

Have a good southern Colorado ranch, 6,000 acres deeded and 6,000 government lease less than three cents per acre per year, well equipped for cattle, permanent water, with irrigated meadows, $130,000.00 with $50,000.00 Life Insurance Loan. Take $25,000.00 or $30,000.00 cash, balance land or oil property. Might consider revenue property not requiring owners attention.

18,000 acre ranch including 9,000 deeded balance State and Government lease near Vaughn, New Mexico. All tight land, fenced net proof, eight wells and windmills, nice improvements, ideal location. Priced worth the money. Take one-half or more good trade—consider good Tourist Court or Motel or possibly paying oil royalty.

Also other ranches any size, write

J. H. RUSSELL & SON
127 S. Irving San Angelo, Texas

327 acre Stock farm just outside city limits. On paved Highways, R.E.A. 100 cultivated acres. Good five wire fences. 125 acres hog proof. Two good surface tanks. Water piped all over place, over mile of water lines. Four concrete hog wallowers. Four forty-foot cattle sheds, hay barn, grainery, implement shed. An ideal stock farm, especially equipped for hog raising. Price $20,000.00 including half minerals. Willis Walker, Turkey, Texas.

30 Acres good farmland, close to town. On good road. Nice three-bedroom home. Well located. Well, windmill and large storage tank. 500 gallon propane tank, 1950 Ford tractor to go with place. One-fourth royalty. $11,000.00. One and a half miles East of cemetery and one mile North. J. C. Massingill, Phone 3-5084.

80 ACRE farm at Inadale. Well improved, one-half royalty. Terms on half. C. C. Berry, Inadale.
