**Zimmatic
Corner Pivot
adds dollars
to quarters**

One hundred and fifty acres over 93% of a quarter-section. That's how many acres you can reach with Lindsay's new Corner Pivot. The Zimmatic Corner Pivot rounds out the four corners of your field - adds them to your profit picture.

The Zimmatic Corner Pivot is self-contained - no wires are buried in the field to complicate your maintenance or trouble shooting. Ideal water break-up and the right droplet size are assured from both the mainline sprinklers and the Corner Pivot sprinklers - accomplished during corner watering by

directing full water pressure to the Corner Pivot while the mainline sprinklers are shut down. Adequate water pressure means top sprinkler performance which provides efficient absorption and even water distribution across the entire field.

The same engineering and design concepts found on standard Zimmatics are used on the Corner Pivot. Lindsay's external collector ring transfers a sure flow of power to the Corner Pivot and standard, heavy-duty Zimmatic gearboxes provide years of reliable service. Most of the structural parts are identical to those on standard Zimmatics. Time-proven dependability, simplified maintenance and automatic operation make the Corner Pivot all Zimmatic.

Lindsay also offers a semi-automatic Corner Gun watering system. It irrigates fewer additional acres than the Corner Pivot but costs less initially. The Zimmatic Corner Gun may be the system you need.

Round out your corners and fill in your profits with a Zimmatic corner watering system. We'll be glad to give you all the details. Call or stop in today.

MICHAEL JAY FISHBECK

Mr. Fishbeck, Miss Hardy Recite Vows In Amarillo

Wedding vows were solemnized Saturday evening in Avondale Baptist Church in Amarillo for Debra (Debbie) Ann Hardy and Michael (Mike) Jay Fishbeck.

Parents of the couple are Mr. and Mrs. Terry Hardy of Edmonson and Mr. and Mrs. R.E. Teal of Orange.

Officiating was the Rev. Jerry Haley of First Baptist Church, Edmonson.

Vows were exchanged before an altar set with an arch candelabra flanked by spiral candelabras. A three-branched unity candelabra was placed at the right of the altar. A kneeling bench completed the nuptial setting.

Nuptial selections were presented by Shirley Williams of Amarillo, organist, and Mrs. Mark Vaughan of Canyon, pianist. Soloist was Mrs. Bruce Winn of Canyon.

Given in marriage by her father, the bride wore a formal gown of quiana knit fashioned with fitted bodice and fluid skirt which swept to a watteau train. It featured a portrait neckline trellised with Venice lace and long fitted sleeves traced at the wrists with matching lace and tiny covered buttons.

Held by a Camelot cap, her three tiered veil of silk illusion was edged with Venice rosettes. She carried a cascade bouquet of white daisies, yellow

roses and baby's breath with roses covering the long ribbon streamers.

Keeping traditions, she carried in her shoe, a penny coined in the year of her birth, for "something old." Her dress was "new" and she "borrowed" pearls which belonged to her mother. She also wore the traditional blue garter.

Carol Werthmann of El Paso was maid of honor. Bridesmaids were Ann Lust of Dimmitt and Elizabeth Stephens of Lubbock. Susan Fancher, niece of the bride, was junior bride's maid.

They wore formal empire dresses of brocaded satin crepe fashioned with sundress bodices and flowing skirts. They wore waistline chiffon jackets bordered in matching satin crepe. They carried nosegays of white daisies and baby's breath with cascading ribbon streamers.

Dennis Wright of Orange was best man. Groomsmen were Don Field of Portales, N.M. and Keith Oxley of Amarillo. Guests were seated by Bryan Carr and Kelly Burch, both of Orange.

Guests were registered by Terri Crawford of Canyon.

A reception was held in fellowship hall. The bride's table was laid with a yellow cloth with white lace overlay and an arrangement of white daisies and yellow roses.

Mrs. Keith Oxley and Mrs. Tommy Folsom, both of Amarillo, served the three-tiered wedding cake and lemon yellow punch from a silver punch bowl.

The groom's table was laid with white and featured a silver coffee service and groom's chocolate cake.

Following a wedding trip to Colorado and Wyoming, the newlyweds will be at home in Canyon.

The bride is a 1972 graduate of Hart High School and a December candidate for graduation from West Texas State University with a major in special education.

Fishbeck is a 1973 graduate of Little Cypress-Mauriceville High School of Orange. He is studying wildlife management at West Texas State University.

A rehearsal dinner was held Friday night at Sutphen's of Amarillo.

Five Minutes With The Bible

WHAT IS THE DIFFERENCE BETWEEN THE TWO COV- ENANTS?

The source of much misunderstanding of the Bible is the failure to realize the distinction between the Old and New Testaments. II Timothy 2:15, however, demands the proper handling of the Word of God.

We believe that every word of the Old Testament is inspired of God for in II Tim. 3:16-17, it is written that All scripture is inspired of God. This includes, then both the Old and New Testaments. We also believe that the Old Testament contains many great lessons, for Paul says in I Corinthians 10:6, that "these things (referring to events in the Old Testament) were written for our examples to the intent we should not lust after evil things as they also lusted." He also said in Romans 15:4 that "whatsoever things were written aforetime were written for our learning" However, we do not believe that the Old Testament contains our rule of faith and practice for "we know that what things soever the law saith, it saith to them who are under the law: that every mouth may be stopped, and all the world may become guilty before God."

To those who believe that salvation can be found in the Old Testament, we ask this question: "Have you begun to build your ark yet?" This is a part of the Old Testament! God's command to build the ark was a specific command given to a specific person at a specific time. The same is true of other Old Testament commands. But one asks, "What about the ten commandments? Aren't we to keep them today?" Exodus 20: 1-3 shows specifically to whom they were given. We can neither keep nor keep them, for we were never under them. A person cannot keep that which has been abolished and nailed to the cross of Christ. We, today, are under the New Covenant, the New Testament, and keep and abide by its principles.

But how does one know this to be true? John 1:17 tells us today that the law came by Moses but grace and truth came by Jesus Christ. And in James 2:10, we learn that "whosoever shall keep the whole law, and yet offend in one point, he is guilty of all." In other words, if we are under the ten commandments, then we must keep the whole Moasic law and observe the Sabbath, go to Jerusalem for the four

annual feasts, offer up animal sacrifices unto God, and Christ is not our high priest (Heb. 7:12-13; 8:4). (More next week).

Bible Questions of The Week:

1. Name the story in which an apostle asks a man who with his wife has agreed to tempt God, "Why hast Satan filled thine heart to lie to the Holy Ghost . . .?"

2. The woman who had a grievance against John the Baptist was whom?

3. Name the parable in which birds find lodging in the branches of a large tree.

Answers to last week's questions: 1. Abraham interceding for Sodom and Gomorrah (Gen. 18). 2. The Parable of the Sower (Matt. 13). 3. I Corinthians.
