Democratic Runoff Election to be Saturday, August 28 Estimated Damage \$100,000; Coffee Shop Destroyed, Ellis Store Receives Heavy Damage

Contested Races Face County Voters

There are only two offices on the ballot, but county voters are expected to show a strong turnout Saturday, Aug. 28, in the runoff election of the Democratic Primary. The two races are for county sheriff, where Ray and Rolland Shearer are running, and in the U. S. Senate, where Coke Stevenson and Lyndon Johnson.

Ochiltree county voters probably are attracted to the race by the sheriff's race, as Stevenson led the county in the Democratic primary last month and is expected to do so again.

Stevenson's race is another close one, however. This was the closest and most hotly contested race in recent history, as Stevenson carried 671 votes to 664 in the first election, the third man in the race, Tarbox, received 209.

There had thin margins at the polls. Alfalfa and McPherson, while Phagan carried 100 votes, while Tarbox received 209.

There will be held at all ten precincts in the county, in the regular Democratic primary, reports Otis Burk, county clerk.

The election will be held at 7 a. m. to 7 p. m.

Registration Dates for Senior High School Set

Registration dates for senior high school students have been announced by Gilbert Mize, superintendent. Although the regular 1948-49 school term begins on September 6, the senior high students will register one week earlier, on Aug. 30 and 31. Seniors will register on Monday morning, Aug. 30; juniors on Monday afternoon, Aug. 31; sophomores on Tuesday morning, Aug. 31; freshmen on Tuesday afternoon. All registration will be held in the senior high school building.

Faculty List Announced for Local Schools

The faculty list of the Perryton schools, released this week by superintendent Gilbert Mize, reveals 17 new teachers on the faculty of 45. This includes the two positions on the faculty caused by the expansion of the faculty from 43 to 45, however.

There will be four sections in the first and second grades this year, compared with three sections in each of these grades last year.

Returning teachers in senior high school will be Floyd Murry, coach and mathematics; Lewis Emerick, coach and history; Miss Virginia Mason, English and journalism; Mrs. Carroll Emerick, English; Mrs. O. L. Anderson, homemaker; Mrs. Rose Powell, English and speech; Carroll Emerick, shop; Miss Betty Berry, English and history; Miss Phyllis Foreman, mathematics and Spanish.

New teachers are Mrs. Sally B. Holcomb of McKinney, a graduate of NTSC, who will teach English; Troy Sullivan of Denton, a graduate of NTSC, who will teach science; Miss Johnnie

4-H Judging Team Places High in State

The Ochiltree 4-H judging team captured seventh place at the state judging meet held in College Station last week. The Ochiltree judging team represented districts 1 and 2 in the Panhandle.

First place was taken by Menard county, with Nueces, Bexar, Howard, Brown, Kerr and Ochiltree following in that order. The only other Panhandle team, Hall county, placed farther down the line.

There were 24 4-H judging teams in the state contest. Points were given on the judging of beef cattle, sheep, hogs and horses.

Members of the local team were Max Pearson, Cecil Regier, Gary Conley and Martin McCarter. Hood Wills, county agent, accompanied them to College Station.

Draft Registration Will Begin on August 30; All Men to Register at County Judge's Office

Registration for the draft will start in Ochiltree county on Monday, August 30 and will continue through Sept. 18, by age groups. All registration will be held in the county judge's office in the courthouse. Mrs. Irvin Williams has been secured as temporary clerk.

Detailed plans for the draft registration in the four-county area of Ochiltree, Lipscomb, Hemphill and Hansford counties were laid at a meeting held last Tuesday in the courthouse annex, where permanent selective service offices will be established.

The local board has been designated Local Board No. 99, and is composed of A. J. Kelly of Perryton, president; Lester Baumann of Perryton, secretary; D. B. McNamee of Higgins, H. S. Wilbur of Canadian and Curtis A. Jones of Spearman, members.

Registration of all men between the ages of 18 and 25 is required, including veterans of World War II.

This time, the registration is simple, painless and fairly swift. The routine will go like this:

1. Men will register by age groups. Pick your date out of the following and wait: Persons

THREE WHEATHEARTS—The three winners in the Wheathearts contest, feature of Perryton's 29th Annual Celebration. Miss Dolores Grigsby, center, was crowned "Wheatheart of the Nation" by judges Will Osborne, Lewis Nordyke and J. B. Linn. Miss Lyndell Magill of Canadian, left, placed second, and Miss Patsy Trosper of Perryton, right, was third. Final judging was made at the Will Osborne dance Saturday night.

Forty Absentee Votes Cast by Tuesday Noon

Absentee voting in the Ochiltree county Democratic Primary run-off election has been fairly strong, reports Sue Ragan, county clerk, considering that voting returns in run-off elections are usually much smaller than in the regular elections. As of Tuesday noon of this week, there had been 40 absentee votes cast, with 19 applications for ballots yet to be counted.

Dr. Max Wood Joins Brother in Dental Clinic

Dr. Manse Wood has announced that his brother, Dr. Max G. Wood, formerly of Littlefield, has joined him in Perryton and will be associated with him in the practice of dentistry.

Dr. Wood has been in Perryton for the past few weeks, and has already commenced his duties in their dental clinic.

Dr. Max Wood practiced for 11 and one-half years in Littlefield, establishing an office there after he graduated from Texas Dental College. He entered the Navy as a dental officer in 1942, and spent three years in the service, including 14 months in Samoa.

After returning from the service, he reopened his office in Littlefield, later attending Columbia University in New York, where he took a specialized post-graduate course in orthodontics.

He recently sold his practice in Littlefield when he decided to join his brother in Perryton. See No. 9, Page 8

Burl H. Brockus Dies Friday in Amarillo Hospital

Funeral services were held in Perryton Sunday afternoon for Burl H. Brockus, former Perryton resident, who died Friday morning in Northwest Texas Hospital in Amarillo. He was 50 years old.

Mr. Brockus was a cattleman and rancher in the Perryton and Spearman area, and with his wife, had owned and operated Burl's Cafe in Spearman for a number of years before leaving there in 1947. Mr. and Mrs. Brockus operated Russell's Steak House in Perryton for several months.

He was a member of the Masonic Order and was a veteran of World War I. At the time of his death, he was a member of Pierce Johnson Post, American Legion.

Survivors include his wife, a daughter and two sons. See No. 10, Page 3

Reserved Seat Tickets for Home Games

Something new in seating arrangements for home football games will be inaugurated this year.

As a means for raising a fund with which to construct a new grandstand, the Ranger Club and school authorities are cooperating in offering season reserved seat tickets for sale this year, and the tickets will go on sale early next week by Ranger Club members.

The system is this: A fan may secure a reserved seat at each of the five home games this year by purchasing a season reserved seat ticket at a minimum price of \$7.50. With this ticket, he is assured of having a seat, and the same seat for each of the games. He must still pay the regular general admission price to get into the game, however.

These reserved seats will be See No. 8, Page 8

GRAND ENTRANCE—Some of the horsemen who participated in the opening performance of the Perryton Celebration rodeo on August 20-21.

Fire of undetermined origin broke out around midnight Monday in the Perryton Hotel building, spreading and destroying the rear portions of the building for five hours before firemen from four Plains cities finally brought it under control around 5 o'clock Tuesday morning. With an estimated loss of \$100,000, this was the worst fire in Perryton's history, and was the first major conflagration since the August, 1941 fire at the Wheat Growers Elevator which caused \$42,000 property loss, and the November, 1943 fire at the Perryton Equity elevator which destroyed \$60,000 worth of property.

Community Blue Cross Enrollment May Be Re-Opened

Postal cards are being mailed out this week to nearly 2,000 Ochiltree county families, asking for information that will indicate whether or not the community Blue Cross enrollment is opened again in September.

Lee Little, secretary of the Ochiltree Blue Cross, stated that if enough interest is shown, the county advisory council will set a date for the community enrollment.

The first drive was held in the last week of March, when 813 persons enrolled in the Blue Cross hospital plan. Since that time, there have been many more to inquire about enrolling, but under Blue Cross regulations a community enrollment is the only way individuals may secure the Blue Cross benefits, unless they are a member of an employed group.

From this room, the fire spread through the roof to the adjoining roof on top of the banquet room of the Coffee Shop, and also into the lobby of the hotel. The asphalt burned fiercely on these roofs, and defied all efforts to quench it. The fire also spread into the Ellis store, but was checked by firemen who played hoses on it from the inside of the front door.

The Spearman fire department arrived around 2 a. m., the Booker department at 2:15, and the Borger firemen arrived around 3 a. m. When these three departments and the Perryton firemen attacked the fire from all directions, they began to make headway.

First All-Paved Alley Finished

The first all-paved alley in Perryton was finished this week by the Ferguson Ready-Mix Co., and several other alley blocks are in prospect for paving, it is reported. The completed alley is behind the Perryton National Bank, the A. & B. Motor Co., Hurn's and Burk Drug.

This alley already had concrete paving for one-half block, extending from the north down to the Plainview Hardware, and the new half-block makes it paved from 2nd avenue to 3rd avenue.

The paving is 6-inch concrete, reinforced with steel mesh wire.

Former Resident Succumbs in Iowa

B. A. Kellam, former Perryton resident, died Monday night at his home in Des Moines, Iowa, according to word received by friends here. He was an experienced butcher, and worked in the meat markets of several local stores while living in Perryton.

See No. 12, Page 8

The fire originated in the radio repair room of the Ellis Automotive store, on the ground floor of the hotel, and was discovered by Edmund Gennette, night clerk at the hotel. Gennette turned in the alarm, then notified all hotel guests by telephone. He then called J. H. Brashears, manager of the hotel.

Gennette was overcome by the dense smoke, and was taken to the Perryton Hospital for treatment.

Brashears stated that he checked the hotel rooms around 1 o'clock to see that all guests were out, and he could see small flames coming from around the air conditioner on top of the repair room. However the wiring and electrical equipment in this room put out such a dense smoke that firemen were unable to locate and fight the flames, especially after the flames got between the ceiling and the roof.

From this room, the fire spread through the roof to the adjoining roof on top of the banquet room of the Coffee Shop, and also into the lobby of the hotel. The asphalt burned fiercely on these roofs, and defied all efforts to quench it. The fire also spread into the Ellis store, but was checked by firemen who played hoses on it from the inside of the front door.

The Spearman fire department arrived around 2 a. m., the Booker department at 2:15, and the Borger firemen arrived around 3 a. m. When these three departments and the Perryton firemen attacked the fire from all directions, they began to make headway.

Celebration Crowd Estimated At 12,000 for Two-Day Event

Perryton entertained a crowd estimated at 10,000 to 12,000 people for the 29th Annual Celebration on August 20-21 and presented a two-day program which was a decided success.

Visitors from neighboring cities and towns within a 100 mile radius joined with Perryton for the birthday party and scores of former Perryton residents were back again to visit with old friends during the two days.

The celebration program opened with a pilot's breakfast at the airport, where approximately 75 visiting flyers enjoyed the chuck wagon feed prepared by Tom Penn and his helpers.

Street races for the youngsters furnished the next entertainment, which took place on Main street.

In the shoe race, Charles Parker won first prize of \$5, Raymond Collins won second prize of \$3, and Raymond Williamson took third prize of \$2.

The sack race saw Donald Patton win first, Kenneth Holdeman second, and Raymond Williamson third. These prizes were \$5, \$3, and \$2.

Charles Parker won the first greased pig catching event, winning \$10 as a prize, then the contest was repeated, with a \$5 prize. Duane Mounts won the second time.

In the terrapin race, Charles Parker's terrapin won first, Emory Byzell second and Don Chick third. These prizes were \$5, \$3, and \$2. See No. 11, Page 8

School Remodeling Program Rapidly Nearing Completion

The remodeling program on the senior school building, which was started at the close of last spring, is rapidly nearing completion, and the new rooms are expected to be ready for occupancy when school opens.

In addition, the former girls' and boys' lavatories have been made into large classrooms.

This makes four additional classrooms on the main floor, in addition to the other new rooms. There are eight more large classrooms on this floor.

On the top floor, two new classrooms have been made, also two music studios, in addition to the four class rooms already there. A storage room has been made above the new study hall and classrooms.

The gymnasium has been changed about, too, with a large double entrance being made along the east wall of the gym. See No. 4, Page 8

8,000 at Barbecue August 21

The highlights of the celebration was the barbecue served Saturday afternoon, prepared by Roy Reed, assisted by members of the barbecue committee and by members of the Lions Club.

One of the few restaurants to serve free barbecue on this day of high feasts, the feed was served through the contributions of business firms, farm-owners and ranchers.

Nash Finch wholesale company donated the feed. The feed was served through the contributions of business firms, farm-owners and ranchers.

Perryton Man In 3-Car Wreck Near Canadian

Durward A. Paine of Perryton is in a Canadian hospital following an automobile accident which occurred on the Canadian River bridge just north of Canadian at 12:30 noon Wednesday. He had lacerations about his head and face, but otherwise was not seriously injured.

His wife, the former Willie Fay Wilbanks, was following behind in another car and Paine was alone at the time of the wreck.

Paine was driving a 1946 Ford coupe, and was traveling at a high rate of speed, according to witnesses. He crashed into the back of a Buick sedan driven by Wilma Roberta Sullivan of Amarillo, forcing the Buick into the bridge railing, then ran head-on into a 1946 Chevrolet driven by Frank Hutton of Canadian. All three automobiles were heavily damaged.

Paine was enroute to Perryton. Sheriff E. R. Cloyd of Canadian stated that it is probable that charges of reckless driving will be filed against Paine.

Mrs. John Beck Dies August 14 At Kremlin, Okla.

Funeral services were conducted Monday afternoon, Aug. 16, from the Brown Funeral Chapel, Enid, Okla., for Mrs. John A. Beck, who for several years made her home in Beaver County. Rev. Wick was the officiating minister.

Musical selections were by a quartet from the Mennonite Church north of Enid.

Interment was in the Memorial Park cemetery at Enid.

Obituary

Alice M. Kirton, daughter of William and Emily Kirton, was born January 22, 1878, in Marion county, Iowa, and departed this life August 14, 1948, at her home near Kremlin, Okla., at the age of 70 years, 6 months, and 23 days.

In the year 1880, the family moved to Nebraska and in 1885 to Kansas and from there to Oklahoma shortly after the opening of the Cherokee strip.

In 1906 she was united in marriage to John A. Beck, and to his union, two daughters were born. They made their home near Kremlin, in Garfield county, Okla., until 1907 when they moved to Beaver county near Boyd and resided there until 1938 when they moved back to a farm near Kremlin.

She leaves to mourn her passing, her husband, two daughters, Helen, of the home and Mrs. Aldeen (Thelma) Rodgers, Boyd; three grandchildren, Marilyn, James and Rocco Rodgers, a son-in-law, R. C. Aldeen Rodgers; two brothers, Harry Kirton, Boyd, and R. W. Kirton, Kremlin, and a number of other relatives and friends.

Earl Frazier is Wreck Victim at Ashland, Oregon

Earl Neal Frazier, 21 years old, died Sunday morning, August 15, following injuries he sustained five hours earlier in an automobile accident south of Ashland, Oregon. Five persons were riding in the car when the accident occurred; state police said they were told that the car traveling at a high rate of speed, hit a concrete post marker and overturned.

Frazier is the husband of the former Miss Mary Manning, daughter of Mr. and Mrs. T. J. Manning, Perryton. They had one son, Earl, one year old.

Upon receiving word of the accident, Mr. and Mrs. Manning and Mrs. Frazier's sister, Mrs. Larry McLain and Mr. McLain, went to Oregon for the funeral.

Service were conducted at the Conger-Morris chapel Medford, Ore., Friday afternoon, August 20, with Rev. C. W. Frost officiating. Interment was in Siskiyou Memorial Park.

Mr. Frazier was born September 15, 1926, in Antlers, Okla., and lived in Medford, Ore., for the past three years.

Big Crowds at Baptist Meet

The Baptist revival which started Sunday, Aug. 22, will continue through Sunday night, Aug. 29, and everyone is invited to come to the remaining days of the revival meeting and hear the messages brought by these young Texas preachers, states Rev. O. C. Curtis, pastor of the church.

Warren Hultgren, graduate of Hardin Simmons, and Huber Drumright, Jr., graduate of Baylor University, are doing the preaching for the revival. Both young men are ministerial students at Southwestern Seminary.

Glenn Murray, a Hardin-Simmons student, is conducting the singing.

Large crowds have attended the services thus far, stated Rev. Curtis, and all have been impressed with the messages of the young men.

The sermon Thursday night will be brought by Mr. Drumright, titled, "Saved to the Uttermost."

On Friday morning, Mr. Hultgren will preach by request on "The Will of God." Friday night he will speak on "From Victim to Victor."

Tent Revival to Open in Booker

A non-denominational revival meeting will begin Thursday evening, Aug. 26, in Booker, with evangelist James Caldwell of Perryton doing the preaching. The revival will be held in a tent located across the street from the Lehman Motor Co.

Rev. Orvil Fulbright of Spearman is choir director and will lead the singing. Mrs. Fulbright will be at the piano.

Services will be held each evening, starting at 8:15 o'clock. Every one is invited, stated Mr. Caldwell.

Mr. and Mrs. Arnold Graham, San Antonio, and Miss Viola Glaspie, Dumas, visited their mother, Mrs. Fred Furnish and Mr. Furnish, from Monday until Thursday.

Mrs. James H. Miller and Billy Max and Mrs. Roy Bailey, David and Donna returned home Saturday from Hale Center, where they had visited their parents, Mr. and Mrs. D. J. Skully. While they were gone, Mrs. Miller and Mrs. Skully, their parents and brothers went to San Antonio to attend reburial services for their brother and son, William Skully, whose body had been shipped to the states from Europe where he was killed during the war.

CARD OF THANKS
The cards and flowers I have received from friends and the visits, too, have helped so very much to make my days of hospitalization and convalescence at home much shorter and more enjoyable. Thanks to everyone, and especially to the doctors and nurses at Perryton Hospital who were so very kind and thoughtful.

Mark Boehning.

BABSON DISCUSSES THE WHITE COLLAR WORKER

ROGER W. BABSON, Editor-in-Chief

GLOUCESTER, Mass., Aug. 20.—I have been concerned recently, while vacationing here on Cape Ann, about the plight of the white collar worker. Of course, I sometimes wear a white collar myself, but the man for whom I am concerned is the man who is neither labor nor management. He works for somebody and he expects of him he has to maintain the dignity of his position and, besides, working in an office, he can wear it.

Salaries Rise Slowly

Lately, it begins to look as if wearing a white collar, like virtue, would have to be its own reward. While labor's wages have

been mounting hand over fist and while costs of living have been going up as fast or faster, salaries have remained stationary or inched up by imperceptible degrees.

It is true that the poorest paid office worker at present gets a weekly stipend which would have looked like a mountain of wealth to his grandfather. This means nothing, however, except that there has been a slow, persistent inflation for the past fifty years. The forty dollars per week which this year's college graduates hope to get will not go much further than the ten dollars per week which I got when graduating from Massachusetts Institute of Technology in 1898. Moreover, this generation wants a good deal more than I ever dreamed of.

Standards Must Be Maintained. But should we cut back our standard of living to that of my youth? It would be fantastic to think of taking away from the white collar families their automobiles, their washing machines, or their children's chance to finish school. But a reduction of the living standard will follow unless salaries and prices are brought into line one way or the other.

LET'S EAT BARBECUE—Some of the estimated 8,000 Celebration visitors who thronged to the county park last Saturday to enjoy the free barbecue served as part of the celebration program. The beevies were prepared at the permanent barbecue pit at the county park by the Jaycee barbecue committee under the direction of Roy Reed of Liberal. The serving was done by members of the Lions and Rotary clubs. (Photo courtesy Amarillo Times.)

White Collar Man Vital to Industry. You're right; he's the man I have in mind. But he is important. In the first place, business couldn't run without him any more than a steel mill could run without coal. An express company doesn't get very big before it needs a bookkeeper as well as some truck drivers. A railroad needs cost accountants as well as engineers.

In the second place, from this group come many of our leaders. These are the men who are qualified, by natural ability and by training in high school and college, to work with their heads instead of their hands. We need more and better executives, men with both wisdom and knowledge. Some of them come up from the offices rather than from pick and shovel jobs. It is imperative that the very best be encouraged to get the necessary training and to make their way through the white collar ranks to the top. Remember, from the white collar families come the ministers, teachers, scientists, artists, physicians, lawyers and newspaper men upon whom we depend for leadership everywhere.

Conclusion

It is vital that there should be greater incentive for well-trained and able men to become important executives. If our economic setup does not make it possible for the men behind the desks to compete, as to pay, with the men behind the machines, what will be the incentive for qualified men to spend years and money on their executive training? Labor, through the unions, has been doing pretty well of its own. It's time now for management to give thought to the men on its team.

Haggard Passes Exam for CPA

William F. Haggard has recently returned from Mineral Wells, Texas, where he passed his Certified Public Accountant examination.

The rating of Certified Public Accountant is a high rating for accountants. Only one out of every five persons who take the examination pass it.

Girls Start Battle Over Nude Bathers

HONG KONG AP.—The modesty of young women in a nearby Chinese village was the cause of a bitter battle recently between villagers and visiting nude bathers, in which seven were arrested and two hospitalized. The fight started over the bathers making their ablutions at a spot where the villagers go for their supply of drinking water. This so upset the young women of the place that they refused to go there for water and appealed to the village elders for assistance.

Local Men Involved In Louisiana Wreck

Two local men, Marvin Walton and Doris Dean Bartel, were involved in an automobile accident in Baton Rouge, La., early Wednesday morning which inflicted heavy damage to the automobile, owned by Bartel. Neither were injured seriously.

According to Roger Walton, Marvin's father, the two men were traveling behind a butane truck, with another automobile in between. The butane truck stopped suddenly, and the car behind it crashed into the truck. The Perryton men hit the car following the truck.

About \$500 damage was done to Bartel's car, a 1946 Ford sedan. The two men were on a vacation trip through the southern states.

Receille for Lady Cop

BLOOMINGTON, Ill. AP.—Mrs. Vernon Pease's chief task as a policeman is to keep the young folks on their good behavior. After seven years on the job she thought she knew all the answers. Then she was roused from sleep by an early morning telephone call.

"You're supposed to see after kids," the woman caller persisted. "That's what you're getting paid for, isn't it? Well, come over and make my daughter get out of bed."

Mr. and Mrs. Frank Herndon, Kenneth Herndon and Mrs. R. T. Pitman returned home last Friday from Willow Springs, Mo., where they were called because of the illness and death of Mr. Herndon's mother, Mrs. Joe Herndon. They attended her funeral on Aug. 18 and on Aug. 15, they attended reburial services for a nephew who lost his life on Luzon and whose body had been returned to the states. Mr. Joe Herndon returned to Perryton with his son and family for an indefinite visit.

To the Citizens of Ochiltree County:

I would like to be your next Sheriff, Tax Assessor and Collector and solicit the support of all citizens. I am not asking for the job because I am an ex-service man; or because I came to Perryton when the town was founded, yet such should not be any dis-qualification.

I would like to be elected because I want and need the job and believe that I am qualified to fill it. I am a laboring man going to work at five a. m., as many others are doing, and am striving hard to get a start. It my only qualification was being and ex-service man, then I am not entitled to the office. I am looking for a job as most any other person asking for office does, but because I came home from the war broke, and started empty-handed is no reason I cannot or will not make a good official. I prefer that horse-sense and honest intention be my qualification.

The law should be enforced and if elected, I expect to enforce it to the best of my ability, and do it with local citizens for helpers, and to be impartial about it.

As a candidate I am not obligated to any person or group and want all the votes I can get—and all with the understanding that I expect to enforce the law impartially. It will be my aim to cooperate with city officials in order to better serve the entire county.

Give me a chance and I will strive to make you a good official.

Thanking you in advance

Yours Truly,

Veteran Forum

Q. I applied for a job as bartender and was told I could have it if I obtained advanced training in mixing drinks. May I take a course in bartending under the GI Bill?

A. Yes. First you must submit to VA complete justification that the course is in connection with your contemplated occupation. You must wait for approval from VA before you can start training.

Q. I work in my father's hatchery and would like to enroll in an institutional on-farm training course under the GI Bill. Am I eligible?

A. No. Institutional on-farm training is limited to farms and other agricultural establishments operated for the purpose

of raising crops or breeding poultry and livestock, or both. Establishments engaged exclusively in either processing, distribution or sales—such as a hatchery—are not included in the program. However, on-the-job training may be available to you if a suitable training program is set up and the training establishment is approved by the State Approving Agency.

Q. Are veterans eligible for medical treatment while going to school under the GI Bill?

A. The GI Bill makes no special provisions for medical treatment, except the payment of customary fees in a school which, in some cases, include certain medical services for all students.

Q. May I complete grade school under the GI Bill?

A. Yes.

Wolf Creek Philosopher

Personal Broadcasting
Sets Have Drawbacks

(Ed. note: The Wolf Creek Philosopher on his hindweat farm probably is unduly alarmed over the possibilities of the new personal broadcasting sets.)

Dear editor:

While I have always been in favor of progress, for example believing the tractor is a fine invention provided a man's got the time and the inclination to ride it up one row and down another, or that runnin' water is a good thing if a man's too lazy to walk down to the creek, and have never liked to be in the position of opposin a step forward, I was readin in a copy of the Dallas News which some farmer had been usin to shade his tractor seat with while he went to the house for a drink of water and

the wind blew it off and it drifted over to where I was meditating in the shade, that a new pocket-size radio broadcastin system has been invented and will soon be on the market.

As I understand it, everybody can own one of these sets, and a woman for example can sit in her kitchen and issue orders to her husband while he's out in the field. This is called progress, but I got another name for it.

Progress ain't necessarily a collection of gadgets. You can surround an ordinary man with fourteen telephones and six stenographers and three dictaphone machines in the tallest building in the biggest city and he's still a ordinary man, just like you can put a man in the U. S. Senate but it don't necessarily make a Senator out of

months of training.

Q. Is this the first peacetime draft?

A. No. The first was in 1940.

Q. How many men will be affected by the Selective Service law?

A. Military authorities estimate 9,600,000 men will be registered in the United States and its possessions. In Texas between 550,000 and 575,000 men are expected to register.

Q. Who administers the program?

A. President Truman has named Maj. Gen. Lewis B. Hershey as national director of the Selective Service System. In each state the governor acts as co-ordinating head and names a state director. Gov. Beauford H. Jester has named Maj. Gen. K. L. Berry, state adjutant general, to hold this position in Texas.

Q. When will the Selective Service law go into effect?

A. President Truman has issued a call for the registration of all men 18 through 25 years of age who are living in the U. S. and its possessions. Registration in Texas will take place on the following days: On Aug. 30 persons born in 1922 after Aug. 30,

1922, will register; on Aug. 31 or Sept. 1 persons born in 1923 will register; on Sept. 2 and 3 persons born in 1924 will register; on Sept. 4 or 7 persons born in 1925 will register; on Sept. 8 and 9 persons born in 1926 will register; on Sept. 10 and 11 persons born in 1927 will register; on Sept. 13 and 14 persons born in 1928 will register; on Sept. 15 and 16 persons born in 1929 will register; on Sept. 17 and 18 persons born in 1930 before Sept. 13, 1930, will register. Persons born on or after Sept. 19, 1930, will register on the day they are 18 years old or within five days after they are 18.

DEMPSTER
WATER SUPPLY EQUIPMENT

That's probably the easiest puzzle you ever saw. But Dempster can solve your water supply problems just that easily.

The Dempster Deep Well Jet Pump has many outstanding features, and simplicity of operation is one of the foremost. The pump has only one moving part... no working parts in the well... and does not have to be installed directly over the well.

him, and if you don't believe me just ask Pappy O'Daniel.

Progress sometimes consists of just gettin out of earshot, where a man can reflect and move forward mentally without wearin himself out swingin a ax, but this new idea is gonna constitute a invasion of privacy and as far as I'm concerned they can keep the thing off the market. I don't see no use in spendin a lot of time and effort and materials on a new gadget when they can't supply the old ones fast enough as it is.

However, just like there is a new defense usually developed against a new weapon, and the atomic bomb will result in some kind of anti-atomic defense, I have consoled myself that if my wife gets one of the broadcastin outfits and I don't know of no woman that won't and tunes me in after I wander out of ordinary ear range and keeps on naggin about a empty wood box or no water in the wash pot, I can always turn the blamed thing off. After all, half the pleasure of a radio is cuttin the blamed thing off.

Yours faithfully,
J. A.

Going away for the holiday?

To make sure yours will be a carefree holiday, let your Conoco Mileage Merchant check and service your car. Above all, be sure he drains out contaminated old oil and refills with fresh, clean Conoco Nth Motor Oil.

That's the surest way we know to leave worry behind. Because the moment Nth Oil (Patented) enters your engine, an extra, added

film of lubricant fastens itself so closely to metal that cylinder walls are actually OIL-PLATED! Because OIL-PLATING stays up... won't all drain down, even overnight, you're extra-protected against destructive "dry" friction, against metal-eating combustion acids, against power-choking sludge and carbon due to wear.

For an extra-happy holiday...

Due to the purloining, intentional or unintentional, the Perryton Scouts had to pay \$72 for the lost cushions, cutting their pay for two round trips to Pampa and work of selling the cushions to only \$24.90.

The Boy Scouts feel that many persons who carried the cushions away did not realize what they were doing... some possibly thought they had bought the cushions... so they are asking that those that took the cushions to slip up to the city and county jail and toss them over the fence. No questions... and the Boy Scouts will collect 45¢ for every cushion that goes over the fence.

Mrs. Sue Ragan, popular and efficient Ochiltree county and district clerk, is due an apology. Her name was omitted by error from the signatures of county officials in the page County of Ochiltree ad in last week's celebration edition of the Herald. We're sorry.

Perryton annual celebration is a thing of history... but it was everything that was promised in advance publicity... just the best celebration of the year in the Panhandle.

When we last talked to the Jaycees, they had not completed the financial accounting for the celebration... but they did say that it looked like they might have lost some money this year. Admissions to the only two revenue producing events of the celebration, the dances and rodeos, were cut just one-third below last year. Dance admissions were three dollars. Rodeo tickets cost \$1.00 and 50¢, last year they were \$1.50 and 75¢.

We are wondering if it is not time for Perryton to put on a real honest-to-goodness city-wide clean-up. Fortunately police has missed us so far... let's make every effort to keep that record... and one way of doing that is to clear away the filth and dirt. How about the city, the county, the service organizations and the clubs all joining hands to really clean-up?

We had a very interesting but costly session with the Board of Equalization this week and came away definitely mixed up as to the definition of the word "equalization". Webster defines "equalization" as "act of equalizing". Equalizing is defined as "to

Congrats to the Jaycees for the wonderful show... to President Drew Ellis of the Jaycees—to General Chairman Jack Todd and the members of their committees. Everything on Friday morning... the children's contest, the four show rodeo, the big parade, the super-duper free barbecue, the dances, Wheatheart contest, carnival, etc.

There's only one reservation we want to make when we say "everything was perfect". The announcing at the rodeo was lousy and we do mean... LOUSY.

The attendance at the celebration was not up to expectations... not as much as last year. Several things could have contributed to this... in the first place every cross in the Southwest has staged a celebration of some kind this year... then this is a pretty busy time for most people in the wheat raising business... and last but not least the fact that the Phillips Lions Club put on a big show on the same date. The Perryton celebration has been staged for 29 years on the same date... skipping only the war years. Perryton people really do not appreciate the non-cooperative spirit shown by our Hutchinson county neighbors in staging a celebration on our date. It may have been intentional... it may have been the work of novices not having the know-how to check for conflicting dates... but regardless of what happened Perryton folks didn't like it and Phillips with their Lions Club and celebration is just about as popular around Perryton as a pole cat at a garden party.

make equal; to cause to correspond, or be like, in amount or degree as compared as to, equalize accounts, burdens, or taxes.

We have always thought that a value was a value, whether it was in town property or located outside the city limits of Perryton. Perryton business men are supposed to turn in their inventories of merchandise, fixtures, machinery, etc. at 70% of their actual value. Ochiltree county farmers and cattlemen have a different value for paying taxes... grown cattle are valued at \$35 with yearlings at \$15, regardless of the fact they will sell for \$200, more or less. Wheat and other farm products, regardless of their value, are not even rendered for taxation. We can't see any difference between farm products on hand for ultimate sale and merchandise on the shelf or in a warehouse. They are both for sale and both have a definite value.

Trucks, combines and tractors, 1948 model are assessed at \$700, with a 70% reduction for each year of age. If a business man in Perryton has a two, three, four or five thousand dollar piece of machinery, he is supposed to render it at 70% of its value.

A study of the assessed values of real estate will show a similar condition of the double standard of values. We checked three pieces of farm land, all located within a few miles of Perryton, two of the tracts being on pavement. One was assessed at \$38.10 per acre, another at \$38.23 per acre and the third tract at \$34.30 per acre.

The nearly extinct white Rhinoceros, is with the exception of the elephant, the largest of land mammals.

Dolores Grigsby Crowned 'Wheatheart of the Nation' at Climax of Perryton Celebration

Miss Dolores Grigsby, who won second place in the 1947 Wheatheart contest, stepped up to take the crown Saturday night, and was crowned 1948 "Wheatheart of the Nation," while a crowd estimated at 2,000 showed their approval. She was sponsored by the local VFW post. The crowning of the Wheatheart was a climax to the Celebration and was held at the Will Osborne dance at the county warehouse.

Second place winner was Miss Lyndall Magill of Canadian, sponsored by the American Legion Post of Canadian, while Miss Patsy Trosper, sponsored by the Perryton Jaycees, captured third place.

The judges for this contest were Will Osborne, dance band leader; Lewis Nurdyke, Amarillo News-Globe columnist; and J. B. Linn, "Uncle Jay" over radio station KGNC.

The complete list of winners is as follows:

1. Miss Dolores Grigsby, Perryton VFW
2. Miss Lyndall Magill, Canadian Legion
3. Miss Patsy Trosper, Perryton Jaycees
4. Miss Velma Lee Bowles, Boxwell Bros.
5. Miss Lois McCleskey, Liberal Jaycees
6. Miss Fonda Alden, Guymon C. of C.
7. Miss Fern Smith, Darrouzett Legion
8. Miss Margaret Sandlin, Follett Legion
9. Miss Mary Francis Wiseman, Borger Lions Club
10. Miss Bertie McDowell, Pampa Jaycees.

The Wheatheart winner received \$200 as first prize from the Ochiltree County Chamber of Commerce, while second place received \$100, and third place \$50.

Judging was extremely difficult, as evidenced by the fact that it took an hour at the dance for the three judges to pick the final winners. The girls had appeared in the parade Saturday morning for preliminary judging.

tree county in April, 1944 from Wheeler county, where she was home management supervisor for the FSA for 16 months. She had previously served as home management supervisor for the Farm Security Administration in Hansford, Sherman, Hutchinson and Moore counties.

Her first job as home demonstration agent was in Ochiltree county.

Mrs. Wheeler stated that she was moving to Moore county because of a \$300 raise in salary and that she would have a full-time secretary in Dumas.

During her four years in Ochiltree county, Mrs. Wheeler has made much progress in home demonstration work. From a county strength of seven clubs and 88 members when she came, there are now 10 clubs with 150 members. She has directed an instruction club program and has made countless friends in Perryton and Ochiltree county who are sorry to see her leave.

and \$2.

Afternoon and evening performances of the rodeo and the Will Osborne dance at the county warehouse rounded out the opening day program.

Saturday's program opened with the big parade, which was viewed by thousands lined up from the courthouse to the highway 117 intersection.

First prize in the parade went to the American Legion float, which carried out the official legion colors, and carried representatives of the Boy Scouts, Junior Legion baseball team and the Legion basketball team, all of whom the Legion sponsors.

Second prize in the parade went to the Ochiltree Home Demonstration clubs, portraying a wedding scene of yesterday and today.

The Jaycee float, which carried eight Wheatheart entrants, won third prize.

In the bicycle contest, where 37 gaily decorated bicycles were entered by youngsters, Glenda McGibbon won first prize of \$10. Janice Ann Schuster took second, Richard Nowlin third and Sue Ann Brashears fourth.

An estimated 8,000 persons were served at the free barbecue on Saturday noon. The meal was prepared by Roy Reed of Liberal, assisted by Jaycee helpers, and it was served by members of the Lions and Rotary clubs.

The night rodeo performances this year drew large crowds. The lights are permanent, and were erected by the Community Public Service Co., with A. L. Schnell as line foreman. The rodeo committee, headed by Jake LeMaster, Drew Ellis, Alton Witt, Keith McLain and Ivan Lovett, put in many long hours in improving the chutes and grounds.

The crowning of Miss Dolores Grigsby as "The Nation's Wheatheart" climaxed the celebration Saturday night at the Will Osborne dance, where 2,000 persons danced and witnessed the Wheatheart selection. Miss Lyndall Magill of Canadian was second, and Miss Patsy Trosper of Perryton third.

The old entrances at the north and south ends of the gym have been sealed up, and two outside exits have been made in the west side of the gym.

The remainder of the basement has been unchanged, except for a new custodian's room in the northwest corner of the basement, and the elimination of dressing rooms along the west side of the gym.

The new heating system is virtually completed, and will assure ample heat for all three buildings this winter.

Two tremendous boilers have replaced the old ones. These two new boilers were placed in the basement in the old boiler room, after the old boiler room had been completely torn out and enlarged. A new concrete floor and base was installed for the new boilers, and the floor above the boiler room was torn out to make room for the new boilers.

Additional radiators have been placed in the halls of all buildings, and more radiators have been put in classrooms where needed. With a new type of return system, and an automatic thermostat control, the new heating plant is expected to be almost trouble-free.

With the new heating system making gas stoves unnecessary, all gas lines have been taken out of the three buildings, and there will be no more gas stoves in the rooms. The only gas lines leading to the school buildings will be one to the cafeteria, one to the boiler room, and one to the high school laboratory.

Another part of the program designed to improve the center building was in removing the cornice stones from around the top of the walls. These stones, weighing 1,200 lbs. each, were supported by a 6-inch brick wall and were weakening the walls. The stones were replaced by additional brick, capped with smaller cornices.

While this remodeling program has been in progress, the school custodians have thoroughly painted and repaired the senior high and elementary buildings, making the school plant in first class shape for school opening.

The fire spread to the roof of the main Coffee Shop and burned through it, dropping chunks of timber and flaming asphalt down below to destroy the interior. The fire was kept from spreading in to the hotel from this roof, however, by the streams of water constantly playing on the hotel wall above the Coffee Shop.

It was only after the roof of the Coffee Shop and banquet room had burned through and dropped down below that the fire was brought under control.

Heavy water and smoke damage was done to the Ellis store, where a large quantity of merchandise such as radios and other electrical appliances were in the main showroom on the north.

Twelve hotel rooms were burned out, and the furnishings lost. These rooms had windows opening over the roof of the repair shop, and the leaping flames came in through these windows.

Personal belongings of hotel guests in these burned rooms were lost, of course.

The Hotel Laundry, in the basement of the building, was flooded by the torrents of water firemen poured into the hotel, since the only drain the basement has is a pump which was put out of operation. W. H. Martin, owner of the laundry, stated that damage to equipment and supplies was heavy.

Jimmy Lee, lessee of the Coffee Shop managed to get into the Coffee Shop and save a typewriter, cash register, meat slicer, and the firm's books before the fire became too fierce.

In addition to the merchandise and other property loss, valuable records of both the Ellis store and the Northern Finance Co. were destroyed in the office which adjoins the radio shop. Drew Ellis tried to get inside to save these records, but was blocked by the fire, and the falling roof. Some of the books were able to be salvaged.

For a time, the fire threatened to spread to the roof of the Ellis Theatre, but was kept off this building by the firemen.

H. E. Young, owner of the Hotel Barber Shop, managed to move his chairs and other equipment outside before they were destroyed. The equipment was damaged by the smoke and water, however.

As an example of the dense smoke, a number of persons lying across the railroad tracks came to the fire because the heavy smoke had waked them up, even though they didn't hear the fire alarm. The smoke was drifted to the north by a slight wind.

Damage to the hotel building and the fixtures was partially covered by insurance, it was reported. The equipment in the Coffee Shop owned by Mr. and Mrs. Lee was not covered, and W. H. Martin in the Hotel Laundry had no insurance on his equipment.

Due to the burning of the records, an accurate appraisal of the loss in the Ellis store is hard to make.

Church Ceremony in Port Arthur for Miss Katholene Ferguson and Richard Thomas

Miss Mary Katholene Ferguson, daughter of Mr. and Mrs. G. H. Ferguson, Anguilla, Miss., was married on Saturday, Aug. 14, to Richard Owen Thomas, son of Mr. and Mrs. E. W. Thomas, Sr., Perryton. Dr. Cunyus performed the single ring ceremony in the Methodist Temple, Port Arthur, Texas, at seven o'clock in the evening.

The sanctuary was decorated with pink gladioli intermingled with fern, and gleaming bridal tapers were in four cathedral candelabra of wrought iron.

Soft music was played by the organist preceding the ceremony, and Miss Corinne Kholer, Port Arthur, sang "Through the Years" by Youman and "Because" by D'Hardelot. As the couple knelt before the altar, Miss Kholer sang "The Lord's

Prayer" by Mallotte, as a pre-benediction.

Miss Mary Beth Daley, Pt. Arthur, was maid of honor. She wore an aqua nylon and taffeta gown, fashioned with a fitted bodice and voluminous skirt. To complete her costume she wore aqua nylon mitts and carried a bouquet of pink carnations.

Edwin Thomas, College Station, brother of the bridegroom, was his best man. Serving as candlelighters and head ushers were Bennett Thomas, Perryton, brother of the bridegroom, and Fred Ferguson, Anguilla, Miss., brother of the bride. Other ushers were George Sharpe, Beaumont, and Charles Hughes, Port Arthur.

The radiant bride, given in marriage by her brother, Paul, Miss Kholer sang "The Lord's

Melba Ruth Little and Aubry Dick Woods Take Nuptial Vows in Rites August 22

A ceremony at the home of Mr. and Mrs. Lee Little, 709 South Drake Street, Sunday morning, Aug. 22, at ten o'clock united their daughter, Miss Melba Ruth Little, and Aubry Dick Woods of Canyon, son of Mr. and Mrs. E. W. Woods, Pittsburg, Calif.

Rev. Lee E. Rawlings, minister of the Perryton Church of Christ, read the single ring service before a floral background of white gladioli and pink dahlias in floor baskets.

Miss Rita Ann Hurter, pianist, played the pre-nuptial melodies "Symphony" and "Deep Purple," the traditional wedding marches and accompanied Miss Thera Hargrave, soloist, whose selection was D'Hardelot's "Because."

E. W. Woods was his son's best man, and the bride's only attendant was her sister, Mrs. Helen Fuels.

Given in marriage by her father, the bride's dark beauty was enhanced by her semi-formal gown of white moire taffeta. It was fashioned with a deep hertha, basque waist and full skirt of ballerina length; her shoulder length veil of illusion was secured to a headband of white split carnations, and the bridal bouquet was a sheaf arrangement of white roses and carnations. For something old, she wore her maternal grandmother's wedding ring, and for something borrowed, a double strand of pearls, belonging to Miss Jane Perry.

Mrs. Fuels' dress was of blue moire, designed identically to the bride's and her bouquet was a miniature duplicate of the bride's arrangement of white roses and carnations.

For her daughter's marriage Mrs. Little chose a dress of navy crepe accented by a corsage of red roses; Mrs. Woods wore black crepe with a pink carnation corsage.

At the wedding reception, also held in the Little home, Miss Helen Jo Wilson, Hereford, served cake, and the punch was ladled by Miss Jane Perry. Miss

Gwen Vestal was in charge of the bride's book.

The table was laid with a hand crocheted cloth, recently made by the bridegroom's grandmother. The floral decor was pink roses, and the three tiered wedding cake, topped in traditional manner, was embossed in blue and white confection.

For traveling, the bride chose a navy blue crepe two piece dress designed with tailored lines. Her accessories were white, and her corsage was of white roses. Red River, N. Mex., was the scenic site selected by the couple for their wedding trip.

The bride is a graduate of Perryton high school and attended West Texas State College the past year. Mr. Woods, who graduated from Canyon high school, also attends West Texas State. He has been released following several months service in the Army.

The couple will be at home in Canyon after Sept. 1, and both will enroll for work at West Texas State upon the opening of the fall term.

Out-of-town wedding guests were the bride's grandmother, Mrs. C. R. Cogburn, Strong City, Okla.; the bridegroom's grandparents, Mr. and Mrs. Aubry Jones, Lubbock; his parents, Mr. and Mrs. E. W. Woods and Alice May, Mr. and Mrs. E. W. Woods Jr., Canyon; Mr. and Mrs. J. P. Johnson, Mr. and Mrs. Robert Potter, Elk City, Okla.; Mrs. Goldie Trammell, Cheyenne, Okla.; Mr. and Mrs. Robert Cogburn and Bobby, Joan Cogburn, Strong City, Okla.; Mr. and Mrs. Emmett Burford, Bill and Gene, Lubbock; Miss Gladys Romero, Richard Miller, Pampa; Miss Helen Jo Wilson, Hereford.

Mr. and Mrs. George Andress and Mrs. L. M. Davis of Borger were in Perryton for the celebration.

Miss Nell Lathem and Bruce Baumann Take Nuptial Vows in Campus Ceremony

Violin music was played softly to introduce the marriage ceremony of Miss Clara Nell Lathem and Bruce Endres Baumann Sunday morning, Aug. 22, at nine o'clock in the Phoebe K. Warner Home Management House of West Texas State College, Canyon. Miss Lathem is the daughter of Mr. and Mrs. Lester D. Baumann, Perryton.

Rev. Hubert Thomson, pastor of the Canyon Methodist Church, read the double ring service, the first ever to be held at the Phoebe K. Warner Home Management House, before the fireplace, flanked by baskets of white gladioli, and white tapers in branched candelabra.

The mantle was laid with cedar and featured a center arrangement of silver bells tied with guile bows.

Glenn A. Truax, Canyon, was violinist, and pre-nuptial selections were "Indian Love Call," "Ah, Sweet Mystery of Life," and D'Hardelot's "Because." He also played the "Bridal Chorus" from Lohengrin by Wagner for the processional and Mendelssohn's "Wedding March" as the recessional strains.

Miss Emma Peterson, Canadian, and Miss Wynona Smith, Wellington, dressed in gowns of pink and blue, respectively were candlelighters.

The bride entered on the arm

Vows in Colorado Unite Miss Wetsel A. R. Hogland

The marriage of Miss Charlene Wetsel, daughter of C. A. Wetsel, Houston, Texas, to A. R. Hogland Jr., son of Mr. and Mrs. A. R. Hogland, Perryton, was solemnized in the chapel of the First Christian Church, Loveland, Colo., on Monday afternoon, Aug. 23, at three o'clock.

Rev. W. J. Plummer read the double ring service before a background of greenery, floor baskets of salmon and white gladioli and gleaming Cathedral tapers in branched candelabra.

The couple's only attendants were Mr. and Mrs. Glenn Waggoner of Loveland.

Given in marriage by Tom Waugh, Perryton, the bride was gown in white satin. The dress featured a nylon net yoke trimmed with satin applique, calla sleeves, full skirt with chanel train and a carefully detailed bustle. The fingertip veil of illusion fell from a coronet of illusion and pearlized orange blossoms; her bouquet was heart-shaped and fashioned of calla lilies surrounded by white rosebuds.

Mrs. Waggoner, as matron of honor, wore a gown of blue taffeta trimmed in blue nylon net, and styled similarly to the bride's. Her shoulder veil of blue net was secured to a halo of pink rosebuds and her bouquet was of the same flower.

The bride is a graduate of North Texas State College, Denton, and attended the University of Colorado.

Mr. Hogland is a Marine Corps veteran, and received his advanced education at the University of Denver.

The couple will be at home in Perryton where Mrs. Hogland will continue to teach in the elementary school system, and Mr. Hogland will be farming and ranching.

Among the wedding guests were Mr. and Mrs. Tom Waugh and Janette, Mr. and Mrs. Roy Hogland, Perryton; Mr. and Mrs. D. H. McDonald, Salt Lake City, Utah.

Barbara Stollings' Birthday Party

Barbara Stollings observed her seventh birthday anniversary with a party at the home of her parents, Mr. and Mrs. Roy Stollings near Twichell last Tuesday afternoon, August 17.

The guests enjoyed a hayride and hours of games along with the gift inspection before they were served refreshments of ice cream, cake and lemonade.

The invited guest list included Lunette Castle, Janice Schuster, Jo Nita Watson, Janie Putman, Carol Sparkman, Jane Headlee, Judy Lynn Plowman, Charlene Brown, Dean and Bennie Hummer, Cathy and Beverly Cook, Gary, Bobby and Deanna Cook, Paulette and Pamela Schroeder, Jimmie Latham, Mary Lou Paine and Linda, Carol Jean and Billy Collins.

of her father, who gave her a marriage. Her gown of white slipper satin, designed by her mother, was fashioned with yoke of lace, outlined with self covered buttons and a three inch satin ruffle. The peplum over the full skirt created a cascade draped in back, and the long sleeves were puffed from shoulder to wrist. Her fingertip length veil of bridal illusion was held in place by heart shaped coronet of satin and illusion with clusters of seed pearls.

For something borrowed, she carried a lace and ribbon handkerchief belonging to the bridegroom's mother, and for something old, an heirloom necklace belonging to her mother. She carried a white Bible, belonging to Mrs. Hubert Waldrop, and it was topped by an orchid showered with orange blossoms and white satin streamers.

Her maid of honor was Miss Helen Woods, Canyon. She wore a gown of blue organza, styled similarly to the bride's costume and bridal gloves of imported lace and illusion, elbow length. Shaded blue astors were arranged for her headdress, and she carried an old-fashioned nose-gay bouquet.

Paul Dowers, Raton, N. Mex., was best man, and Robert Summers, Clarendon, honorary usher.

Mrs. Latham, mother of the bride, wore a black sheer dress. Miss Katie McCluney, house mother, chose black crepe and Mrs. Baumann, mother of the bridegroom, wore a two-piece dress of grey crepe with deep green accessories. Mrs. Latham and Mrs. Baumann had corsages of pink carnations; Mrs. McCluney's corsage was of white carnations.

Following the ceremony, a reception honored the bridal couple. Pastel blooms flanked by white tapers in single holders were arranged on the buffet.

The bride's table was centered by wedding bell cakes on a mirror plaque, circled by pink astors. The tapers in crystal candelabra were entwined with orange blossoms.

Assisting in serving the guests were Misses Jimmie Wise, Emma Peterson, Patricia Stearns and Mrs. Waldrop.

The bride traveled in a blue and white striped suit designed by her mother. Her accessories were white and navy and she wore a strand of pearls, the gift of the bridegroom. Her corsage was an orchid.

Upon their return from a wedding trip to Wisconsin, and the opening of the fall term at West Texas State, the couple will be at home in Canyon.

The bride graduated from the high school at Floydada where she was valedictorian. She is a home economics major at West Texas State College, is president of Kappa Omicron Phi, national home economics fraternity, and a member of the Home Economics club.

Mr. Baumann, who graduated from Perryton high school, is a student at West Texas State College, also. His major is business education. He is associated with his father in wheat farming in the Perryton area.

Modern Priscillas Meet Wednesday

The Modern Priscillas Home Demonstration club met Wednesday, August 11, in the home of Mrs. Leonard Barlow. During the business hour, the council report was given by Mrs. Grover Crum after the minutes of the last meeting were read by Mrs. Kenneth Hocking.

Mrs. James Slough, program chairman, gave an interesting talk on the nutritive values of various cereals and the qualities and prices of canned foods. He pointed out the fact that in many instances, a customer who buys the label and that good food may be found in a popular brand by the can and shrewd shopper.

A discussion of short cuts in sewing was enjoyed by the entire group following Mrs. Slough's talk.

It was voted to have a box supper Friday evening at the home of Mrs. Grover Crum to use funds for the treasury as well as provide a social function for club members, their families and friends.

Refreshments were served to Mesdames Harry Reimer, James Leigh, Kenneth Hocking, Oliver Carter, Terry Terryberry and the hostess.

The next meeting will be held August 25 in the home of Mrs. River Carter.

for your ENGINE'S SAKE!

RENEW THE OIL FILTER ELEMENT REGULARLY... AS SPECIFIED

Keep the filtering system on your tractor in top-notch working condition by changing the filter element regularly. No dirt, sludge or abrasive material can reach vital engine parts if you do this. The new International Harvester "umbrella" type element affords full protection for 120 hours of tractor use (100 hours for Diesel engines). Constructed on the same principle as the "micronic" filter elements used by the Armed Forces it filters out every bit of abrasive material, even the tiniest particles. It requires no bothersome cleaning—you simply discard the dirty, used element and replace it with a clean, new one. Inexpensive... easily changed... keeps engine oil clean twice as long.

SOCIETY

(Continued from Page 2)

Betty Mayhan Seven Years Old

Betty Louise Mayhan, daughter of Mrs. Loren Allen, celebrated her seventh birthday Wednesday, August 18, with a lawn party from two until four o'clock. Games were enjoyed as was the attention of the many lovely favors were the honoree received. The party was held at the home of the honoree. The refreshment plate held pink lemonade, strawberry ice cream and red plastic spoons. The guests were Joyce Mayberry, Beadie, Nan Morris, Char. Mac Lovett, Delores Littau, Nell Lovett, Connie LaMas, Rex Jamison, Jo Nita Watson, Glenda and Louis Waggoner, Lynette Green, Lynn Wilson and the honoree. Mrs. Virgil Fleming, Mrs. Dar. Waggoner, Mrs. Ray Waggoner and Linda assisted Mrs. Mayhan with the party. Evening callers who wished to have a "happy birthday" included Mr. and Mrs. Frank Green, Melvin and Mr. and Mrs. A. Atchison.

Miss Nicholson's Marriage to Roy McCartney Told

Miss Vama Nicholson, daughter of Charles Nicholson, Perryton, became the bride of Roy McCartney, son of M. D. McCartney, Bowie, Texas, in a simple ceremony Saturday evening, Aug. 21. Rev. J. H. Sharpe, minister of the First Methodist Church, officiated for the double ring ritual at the church parsonage. Mr. and Mrs. Verbon Smith were the only witnesses. For her marriage, the bride chose a suit of light blue with complimenting accessories. She attended the Balco schools and has been employed by the First National Bank for several months. Mr. McCartney received his education in the Bowie schools. He has made his home in Perryton for the past three years and has the local agency for Your Laundry and Dry Cleaners, Pampa. The couple are at home to their friends at 1101 South Baylor. Mr. and Mrs. Jim Dodson left Wednesday for a vacation trip to Montana.

Miss Ray and Leroy Plett Marry at Turpin

Miss Betty Lee Ray, daughter of Mr. and Mrs. J. K. Ray of the Dombey, Okla., community, became the bride of Leroy Plett, son of Mr. and Mrs. Johnnie Plett, Turpin, Okla., in a beautiful and impressive ceremony at the Turpin Methodist Church Saturday, August 21. Rev. John G. Unruh, pastor of the Mennonite church east of Turpin, officiated for the double ring service. For her marriage the bride chose a two piece suit of grey. Following the ceremony, the bridal party attended a reception given at the home of the bride's parents. The large wedding cake which adorned the serving table was topped by a miniature bride and groom. Seasonal flowers decorated the entire house. The bride graduated from the Turpin schools with the class of 1945, and was outstanding as a basketball player for four years. She graduated May 16 at St. Mary's Cathedral, Wichita, as a co-ed her three years' training at St. Joseph Hospital. Mr. Plett attended the Turpin schools where he graduated as an honor student, and for the past three years has been studying engineering at Oklahoma A. & M., Stillwater. He plans to obtain his engineering degree next spring. Following their wedding trip to Colorado, the couple will be at home at Stillwater, where he will enroll at the college, and she will follow work in her chosen profession. Wedding guests included Mr. and Mrs. J. K. Ray, Miss Audrey Ray, Helen Murry, Kermit Ray, Mr. and Mrs. Johnnie Plett and Donnie Wayne, Mr. and Mrs. John Unruh and Geraldine.

Mrs. Jack Dodson Shower Honoree

Mrs. Jack F. Dodson was the honoree for a pink and blue shower on Friday afternoon, August 13, at the home of Mrs. J. J. Keim, 1010 S. Colgate. Sharing hostess duties were Mrs. Keim, Mrs. J. J. Keim Jr., Mrs. Robert Holland and Mrs. James McAnally. The house was decorated with garden flowers for the occasion and the centerpiece for the serving table was a miniature cradle filled with pink and blue flowers flanked by tapers of pale pink and blue. There were 36 guests who called during the appointed hours, and the honoree was the recipient of many lovely gifts.

Four Generations Attend Dinner In James Home

Four birthdays were observed when Mr. and Mrs. Herman James and J. E. entertained with a chicken dinner at their home near Range, Okla., on Sunday, August 8. Mrs. Frank James and Edward Janzen had birthdays that day; Mrs. Edward Janzen's birthday was Aug. 19, and Mrs. Dick Ryder will observe her anniversary on August 28. Gifts were received by the honorees, and following the dinner, visiting was enjoyed. Ice cream was served through the evening hours. There were two lovely birthday cakes. Four generations of the family were represented. In one instance there was B. W. James and Frank James, Spearman, and Herman James and J. E. of Hardesty to form the unbroken chain; forming a second four generation group were B. W. James and Frank James, Mrs. Edward Janzen and Charles, Hardesty. Those enjoying the day were Mr. and Mrs. Jobby Tidrick and Virgie, Mr. and Mrs. Dick Ryder and Dixie, Mr. and Mrs. Walter Murray, Loretta and Aubrey, Mr. and Mrs. Frank James, B. W. James, Mr. and Mrs. Edward Janzen and Charles and the hosts, Mr. and Mrs. Herman James and J. E.

Announcement Tea Tuesday Afternoon For Phyllis Dye

Mrs. John Brodie entertained with a tea last Tuesday afternoon, August 17, to announce the engagement and approaching marriage of her daughter, Phyllis Dye, to Charles Price, son of Mr. and Mrs. James Price of Gray, Okla. Scene for the pretty ceremony was the H. J. LeMaster home, 805 South Grinnell. The lace covered serving table was draped with a lace cloth and decorated in the bride's chosen colors, gold and white. The floral centerpiece was of gold marigolds beside a large white wedding bell. Miniature gold wedding bands and white wedding bells tied with white ribbons bore the inscription, "Phyllis and Charles—Sept. 5". Mrs. Paul Corbin and Mrs. Joe Scholtenberger Jr. presided alternately at the punch bowl. Others in the house party were Mesdames J. C. Price, Crawford Sims, Jake LeMaster and the hostess, Mrs. Brodie. Approximately 30 guests called during the afternoon.

Mrs. Flathers Entertains Club

The Notia Home Demonstration club met in the home of Mrs. Errol Flathers Thursday afternoon, August 19. Because so many were on vacation, only six members were present. Following the business hour, Mrs. Carroll Wall talked on the vitamin content, bulk and taste of various cereals, and Mrs. Fay Savage compared three different cans of peas, each a different price. The meeting was adjourned and delicious refreshments were served to Mesdames Fay Savage, Bill Keim, Ralph Hale, Carroll Wall, J. D. Wright and the hostess. The next meeting will be in the home of Mrs. J. D. Wright, Sept. 2. Mr. and Mrs. Ward H. N. Gregg, Guyton, Okla., were Perryton visitors to the celebration.

Shower Given At Turpin for Betty Lee Ray

Mrs. James Hershey, Mrs. J. R. Kulow, Mrs. Geo. Whitmer, Mrs. Millard Hutchinson, Mrs. C. E. Miller and Miss Lois Neill shared hostess duties for the bridal shower Thursday afternoon, Aug. 19, which complimented Miss Betty Lee Ray. The social room at the Turpin Methodist Church provided the setting for the courtesy.

Mrs. Ray became the bride of Leroy Plett in a ceremony Saturday, August 21. She is the daughter of Mr. and Mrs. J. K. Ray of the Dombey community. Three large bows of pink and white at the ceiling had streamers which fell to the bride's table. It was laid with an imported lace cloth from China, and the centerpiece was the traditional cake topped by bride and bridegroom. White tapers in double holders of pink completed the arrangement.

Large bouquets of garden flowers were used to decorate the entertainment rooms. During the program hour, singing and special music was enjoyed, hints to the bride were given and Mrs. James Hershey, who had charge of the program gave her recipe for happy family life.

The refreshment plate was served to Mesdames J. C. Stevens, Ralph Kulow, A. Ross, Miss Sammy Lane and Jan King, Mrs. R. B. Mitchell, Liberal; Mesdames Lewis Duerson, Lula Randles, Maynard Smith, Edgar Hennis, Lyle Wheeler, Lynne Wheeler, Ralph Dietrick, S. V. Rebecca GA's Meet

The Rebecca GA's of the Baptist Church met in the home of their sponsor, Mrs. Virgie P. Wheeler, Tuesday evening Aug. 17. Business of the group was discussed before the program, "Scripture of the Bible." Faye Rush and Valeta Ellis served refreshments to Faye Lacey, Neva Firestone, Pearl Logan and the sponsor, Mrs. Wheeler.

Houseguests in Ellzey Home

Mr. and Mrs. T. V. Ellzey have had as their houseguests this month their son and family, Rev. and Mrs. Jack Ellzey and daughter, Jan Dee, of Plano, and Mr. Ellzey's sister, Mrs. J. F. Houston, Tulsa, Okla.

Guests over the weekend were Mr. and Mrs. John R. West and son, Robert, Lubbock. Mrs. West and Mrs. Jack Ellzey are sisters.

Burton Lee Blasingame, Lincoln, Neb., was in Perryton last week visiting his grandparents, Mr. and Mrs. J. M. Blasingame and other relatives and friends. Amarillo, accompanied Burton Lee to Nebraska for a visit when he returned home last Thursday.

Miss Evelyn Smith has returned to her duties as receptionist at Sanford Hospital after spending a three weeks vacation at Dallas and Oklahoma City.

King, Helen Murry, and the hostesses.

Huntoon Club At Kershman's

Mrs. Martin Kershman was hostess Wednesday afternoon, August 18, to the Huntoon Home Demonstration club. Ten members and four visitors were present. Mrs. George Graves directed the recreation.

On August 13, 35 people enjoyed an ice cream supper sponsored by the club ladies for their families at the Corwin Trosper home, it was reported.

The club made plans to serve lunch at the George Graves farm sale August 26, and tentative plans for the September social were made; it is to be held in the Edwin Malaney home.

Mrs. Virgie P. Wheeler, agent, gave the demonstration on Food Preservation, using salt. Miss Doris Leggett, district 1 home demonstration agent, gave a brief but inspiring talk on what the home demonstration club means to its members. Several opinions were expressed including making new acquaintances, the social life afforded and the knowledge that homemaking is done by improved methods.

Refreshments were served to Miss Leggett, Mesdames Wheeler, S. A. Thrasher, A. E. Kershman, Earl Owens, J. S. Thrasher, Corwin Padgett, J. O. Cook, M. S. Hummer, Edwin Malaney, George Graves, Jim Latham, Edward Schroeder, Corwin Trosper and sons.

The next meeting will be Sept. 15 at 2:30 p. m. in the home of Mrs. Jim Latham.

Mr. and Mrs. Bill Boehning and two sons, Diamond, Mo., came in Sunday morning to visit his brother, M. A. Boehning, who is convalescing from an accident in which he received an ankle fracture. The Bill Boehnings brought Mr. Boehning's sister Miss Minn Boehning, to Perryton and she will remain for an extended visit.

Mr. and Mrs. Bob Whippo, Mary and Kay Ann, Boise City, Okla., spent the celebration weekend in Perryton with his parents, Mr. and Mrs. C. E. Whippo, and her parents, Mr. and Mrs. B. J. Phelps. Sunday morning Mr. and Mrs. Whippo left for a vacation trip to Red River, N. Mex., while Mary and Kay Ann visit their grandparents here.

Mr. and Mrs. Earnest Lawrence and Patty, Shawnee, Okla., and Mr. and Mrs. Wood Taliaferro and Sue, Vici, Okla., attended the celebration and visited friends and relatives here from Thursday until Sunday.

SEEDS SPROUT FASTER

Skillman V-Rim firmly presses the soil around newly planted seeds, giving them a better chance to grow. When the heavy Skillman Press Wheels are used, the tender roots penetrate directly into the subsoil moisture. A shallow depression is left that catches the rain and reduces soil erosion from blowing. There's no hard crust to increase evaporation.

V-WHEELS STAY CLEANER

A natural wiping action keeps the V-shaped Skillman Wheel free from sticking soil—no large clumps are built up on the wheel. A clean wheel, rolling smoothly, covers the seeds uniformly.

USE WITH ANY MAKE DRILL

Mounted in pairs, Skillman Press Wheels can be attached to any type drill or planter. Eye bolt hitch provides independent knee action for wheels to move freely over uneven soil. Zerk fitting permits quick lubrication of the long cast-iron bearing. Cast-iron Skillman Wheels, each weighing 28 pounds, are built for many years of dependable service.

Wonderful Results with MANAGED MILKING
says Experienced Dairyman

FACTS IN FARMER'S OWN WORDS

W. H. Champlin, owner of Haven Hill Farms, Rochester, New Hampshire, writes:

"I have been using two of my McCormick-Deering single milker units on my farm at Rochester, New Hampshire, for the past two years. I have also used the Managed Milking plan on our thirty purebred Guernsey cows with wonderful results.

"By preparing the cows' udders with hot water application, use of the strip cup, and allowing milk to remain on the cow for three or four minutes, we've had very few strappings, a low bacteria count, and very satisfactory production."

Put McCormick-Deering Managed Milking to work on your farm, and check the results. Come in and let us help you install this system on your farm.

Swiss Curb Army Chief

BERN, Switzerland (AP)—The Swiss Federal Council has set up new military regulations which will curb the authority of the commander-in-chief under conditions of armed neutrality. The council declared that hereafter it should be clearly understood that the council will decide matters dealing with calling up troops. In time of war, however, the commander, as heretofore, is authorized to exercise free choice over personnel and material.

Mr. and Mrs. Art Alf and children returned Monday from a ten-day trip to Wisconsin and other points. They were called to Milwaukee by the serious illness of his grandmother, Mrs. Ida Krohm. Mrs. Krohm is now out of danger, reports Mr. Alf. On their return, they visited relatives at Joplin, Mo., and Oklahoma City.

Alva Drake has returned home from a trip to Hot Springs, Ark., and Temple, Texas, where he received medical attention. He plans to fly back to Temple soon for an operation.

Mrs. Laura Jines was called to San Jose, Calif., because of the critical illness of her mother and arrived there just a few hours before she died. The aged mother, Mrs. C. C. Ward, lived in Ochiltree county many years ago and all the Jineses in and around Perryton are her descendants. She was past 96 years of age at the time of her passing.

Bill Gilliam, McAllen, Texas, has been visiting in the J. W. Richardson and Sid Talley homes. On Saturday, he was a dinner guest of Mr. and Mrs. W. E. McMillen.

Jack Williams of Boyd was a business visitor in Perryton Tuesday.

Veterans' NEWS

Ochiltree county veterans are served by county service officer Tom Davis, whose office is in the courthouse annex. The daytime phone number is 36 and at night or in an emergency, the phone number is 487. Veterans who need assistance in any way are urged to make use of the services provided by the county service officer.

Veterans carrying National Service Life Insurance term policies will be able to renew them for an additional five years upon

expiration of the present term period, Veterans Administration announced.

GI term insurance taken out by veterans before January 1, 1946, carries a term period of eight years from date of issue. Policies issued after that date are for a five-year term.

Those who renew their term insurance when it becomes necessary will pay a higher rate than before, based on their age at the time of renewal.

The majority of veterans attending colleges and universities full-time under the GI Bill will be able to work part-time without having their subsistence allowances reduced, Veterans Administration said.

No reduction in subsistence will be made as long as income from productive labor and subsistence allowance does not exceed these monthly "ceilings" established by Public Law 512 last spring: (1) \$210 for a veteran without dependents; (2) \$270 for a veteran with one dependent; or, (3) \$290 for a veteran with more than one dependent.

This does not mean that there is a limit on what a veteran may earn while attending college full-time. It does mean that a veter-

Three-Day "Think" in Paris

PARIS (AP)—The French Parliament has agreed it takes three days to think clearly.

The assembly, remembering the House of Commons and the House of Representatives, passed a bill authorizing release of a number of government workers. The bill was passed after 32 hours of debate and sent on to the council of the republic for review. The council of the republic can't veto a bill, but is described as a "reflective body," whose opinions on laws passed by the assembly must be given attention.

The assembly demanded that the bill be treated as "urgent," and be acted upon by the council in the same time as the assembly. The council denounced such pressure tactics and refused to think so fast. A constitutional crisis was threatened.

Finally a joint body of the two organizations met and decided that the council could take three days to reflect on a bill. Only after that would it become law. Moreover, it was agreed that the council doesn't have to think on Sunday. If Sunday intervenes as one of the three days, it doesn't count.

an student may receive his full subsistence allowance if his monthly earnings are not more than \$135 if he has no dependents, \$165 if he has one dependent, and \$170 if he has more than one dependent.

For full-time training in colleges or universities, a veteran may receive \$75 a month subsistence if he has no dependents, \$105 a month if he has one dependent, and \$120 a month if he has more than one dependent.

BOY'S RANCH RODEO—Shown above is a young Boy's Ranch rodeo performer as he puts his mount over the hurdles. The annual Boy's Ranch rodeo will be presented on September 5 this year, with a John Snider barbecue as an added attraction at the ranch.

Boy's Ranch Rodeo Scheduled September 5; Also Barbecue

Sunday, September 5th, is Rodeo Day at BOY'S RANCH, Old Tascosa. It's the day of their Third Annual Rodeo and Barbecue. Naturally, all the boys are looking forward to a good time and plenty of good Barbecue, but it really means more than that to them. It means a chance to show off the ranch to the visitors, and also to show off their own riding and roping abilities. This is an opportunity for the boys to show everyone what they're doing, and what they can do.

Every boy at the ranch, from the youngest to the oldest, looks forward to, and works for this day all year long. For the past two or three months, the older boys have been training and practicing hard under the very able instruction of the former World's Champion trick roper and trick rider, Leonard Stroud. Leonard coached the boys last year, and he turned out some pretty fancy ropers and riders.

The Rodeo this year, promises to be bigger and better than ever before. Participants in the Rodeo will be strictly the Ranch boys, and John Snider will be in charge of the show.

Tickets for the Rodeo and Barbecue are \$1.75 a person. For those who take the special train from Amarillo, the tickets are \$3.75, and that includes round-trip fare. The special train will leave Amarillo at 10:30 a. m. and will take everyone directly to the BOY'S RANCH station. From there, busses will complete the short trip to the ranch. The serving of the Barbecue starts at 12 noon and will continue until 2:00. The Rodeo starts promptly at 3:00.

The Amarillo Kiwanis Club has arranged for thirty-six children from the Presbyterian Children's Home to be guests of the ranch. That should be a rare treat for these kids.

Remember to make a special date for Sunday, Sept. 5th, for the Third Annual Rodeo and Barbecue at BOY'S RANCH. There'll be plenty of fun and plenty of food for everyone, and Fardner, You're invited.

Dombey News

(Too late for last week.)

Mrs. Bessie Shepherd, Daihart, has been visiting in the home of her sister-in-law, Mrs. J. R. Kulow and Mr. Kulow for the past two weeks. She came to Dombey with them after they had been in Daihart to visit her nephew, Everett Shepherd, and to attend the XIT convention. Mrs. Shepherd visited at Dombey, Okla., and Perryton, Tex., and was her first visit to both towns.

Mr. and Mrs. Roy Stickler Jr. were callers at the Bobby Joe home Wednesday morning.

Miss Betty Lee Ray, daughter

of Mr. and Mrs. J. K. Ray, who has finished her nurses training at St. Joseph's Hospital, Wichita, Kans., will be home after Aug. 17.

Miss Lois Neill and Mrs. Bessie Shepherd were in Beaver Tuesday. Mrs. Shepherd visited Mrs. Vivian Bellew and Mr. and Mrs. George Booker.

J. K. Ray and Claud Miller returned home from a trip to Arkansas recently. Helen Murry, who had been visiting relatives there, returned home with them.

Mr. and Mrs. Johnnie Campbell and two children are enjoying a vacation trip to Canada. They will attend the National Rural Letter Carrier's Convention at St. Paul, Minn., while they are away.

Mrs. Bessie Shepherd and Mrs. J. R. Kulow called on Mrs. Martha Kimbell Friday while in Liberal, Kansas. Mrs. Kimbell, a Beaver county pioneer, is ill at the home of her daughter, Mrs. James Gordon. A son, Ellis Kimbell of Boise, Idaho had flown to see her; a daughter, Julia Gordon, has been there also, her home is at Corpus Christi.

Mrs. Ralph Wilkerson and two children called on Mrs. Tillie Neill and Mrs. J. R. Kulow one day last week.

The Turpin Rebekah Lodge, No. 93, met Thursday night for regular session. District deputy president Opal Williams and two past noble grands, Nancy Mulanax and Mrs. Brown, Guymon, Okla., were present. Refreshments were served at the close of the meeting which was cut short due to an impending storm.

Mrs. Lloyd Mitchell and Linda Lea, James Loyd and Gary spent Thursday night with her parents, Mr. and Mrs. J. R. Kulow. They came to Dombey from their home in Sublette, Kans., to attend the shower for Miss Betty Lee Ray.

Two lovely bridal showers were given this week at Turpin.

Portuguese Study Bronze Age Village

CARTAXO, Portugal (AP)—Excavations have begun anew on the site of former ones where traces of a prehistoric Bronze Age settlement were found some years ago. The site is at Vila Nova S. Pedro where it is presumed that the village was destroyed by fire somewhere around 1700 BC.

Excavations in 1947 showed that in the centre of the village or settlement there must have been a granary, for charred grains still existed. Silex arrows were also found, hundreds of them having their tips broken as if there had been an attack on the village. Under the layer of ashes many valuable archeological objects have been found, such as polished stone hatchets, rounded hammers, sickles, blades, charred bone buttons etc. There are also hairpins showing Egyptian influence and pottery. The excavations are under the direction of Dr. Eugenio Jalhay and Captain Afonso da Paço.

Mr. and Mrs. W. A. Hall, Hutchinson, Kans., are visiting in the home of their daughter, Mr. and Mrs. W. A. Reitz.

COMMUNITY PUBLIC SERVICE COMPANY

Fate of Universal Military Training Depends Upon the Issue of the Military Caste System

Universal military training did not die at the last session of Congress. It was simply deferred, and the limited draft was enacted as a stop-gap measure. It will be up again next year and, unless there is an amazing change for the better in the international scene, it will stand a better than even chance of enactment. Both President Truman and Governor Dewey have gone unequivocally on record in favor of it. So, whoever wins in November, the head man of the government will be a UMT backer.

The arguments pro and con for compulsory training have been and will be argued fervently. But there is one phase of

the problem that has been pretty well overlooked. It is this: if we are to have a really effective military force, whether or not it is based on UMT, the people in uniform will have to be given some incentive, and sold on the idea that they will receive a decent break. At the end of the last war, millions of soldiers, officers included, left the service with the utmost contempt and dislike for the military way of doing things.

This is the theme of an important article in the August Harper's Magazine, written by Robert Wood Johnson. Mr. Johnson is chairman of the board of Johnson & Johnson, the well known

surgical supply concern. He served in both world wars, rising to the rank of brigadier general during the second. The core of his idea, as a Harper's editorial note puts it, is that the peacetime army "should be run by men who understand the elementary principles of good management."

Mr. Johnson observes that the traditional military system is to force men to do things. "From this premise," he writes, "grows so much of the dissatisfaction so rampant in the services. Discipline does require authority, especially for the recalcitrant few. But true discipline grows out of confidence in a leader's ability, intelligence, and sense of justice." He cites the fact that progressive industry has learned that the good worker is the man who has pride in his job and a secure sense of his own dignity as an individual. An individual executive doesn't have to go around loaded with brass and insignia in order to accomplish his duties. And industry has learned that it must give some consideration to the wishes of the people who work for it if the best results are to be obtained.

What this all adds up to, Mr. Johnson thinks, is that the people who run a military force must be experts in personnel, just as are the people who run a successful business. But he realizes that this is nowhere near enough—that men and women must be offered tangible benefits if the military service is to seem attractive as a career. Mr. Johnson cites, for instance, good housing, instead of the dreary barracks which typify most army and navy posts. Other factors would be equitably rotated tours of duty, and educational opportunities on a par with those available to civilians.

Of very great importance, he advocates that "there must be a clear channel of promotion from bottom to top." While some reforms have been made, it is evident that promotion in the military services at present is too dependent on the mere fact of seniority—or, worse yet, ability to curry favor with superiors. Mr. Johnson stirs up a hornet's nest when he advocates the elimination of West Point and Annapolis as they exist today. His basic reason for this is that these institutions "are the fountainhead of the military caste system which dominates the professional officers of both services. This system sets up insurmountable barriers between the enlisted men and an officer aristocracy and teaches blind obedience to the orders of a ruling class. It creates bitterness from one end of the service to the other." As a substitute for the service schools, he advocates that

SEATTLE 'WAFFLE'—Seattle has a \$28,000,000 "waffle" standing on edge in the Skagit river, 130 miles north of the city. It is a giant Ross dam, towering 405 feet above the floor of the Skagit gorge. The above view shows the dam from the downstream angle. The indentations in the dam are five feet square and two feet thick. The waffle indentations were left because the engineers plan some day to add to the dam, and will pour new cement into the holes in this one.

SHAPELY SHOWOFF—Florida faced the problem of letting folks up north know that other things existed there besides orange groves and sunny winters. So they organized the "Florida Poster Girls" to tour the country and show off additional attractions of the state. Eighteen-year-old Faye Vines, above, seems to be solving the problem nicely.

of Harper's has been deluged with protesting letters from military men who believe that the present system is the only one. It is only fair to say that some officers with fine records of combat service, such as the late General Patton, were heart and soul for the toughest kind of discipline. Even so, it is difficult to conceive of young Americans going into military service with anything resembling enthusiasm as long as the caste system exists in its current form. And it may well be that this will become one of the big issues when universal military training comes up for consideration.

Mr. and Mrs. L. O. Towner, Borger, visited in the home of Mr. and Mrs. T. C. Morton Sunday. They all went to a local to visit friends during the afternoon.

TEXAS must lead the fight FOR FREEDOM

Texans, your personal freedom and the freedom of your children is in danger. Truman's so-called civil rights program will destroy our way of life. Never since the Alamo has Texas been in such danger.

If we are to be saved, we must unite today... all creeds, all factions, farmers, laborers, businessmen, EVERYBODY!

If the Truman forces steal the Fort Worth Convention on September 14 by unseating the States' Rights delegation, you will still have the chance to vote for STROM THURMOND AND FIELDING WRIGHT.

TEXAS WILL FIGHT FOR THURMOND AND WRIGHT

by men who came into it via the ROTC system in the universities.

In conclusion, he writes, "Management is a state of mind. On the one hand, you have management by compulsion, the kind you find in the services today. On the other hand, you have leadership with enthusiastic followers. If enforced military training is allowed to encourage and enlarge upon the malpractices of our present military system, it will weaken our defenses from the top down. It can easily become the Maginot Line of America."

Make these 4 comparisons before you buy any car

COMPARE THE VALUE

Yes, compare the features—compare the prices—compare what you get for what you pay—and you, too, will come to the conclusion that Chevrolet continues to be first in value, just as it continues to be first in Big-Car Quality at Lowest Cost, and just as it continues first in demand, year after year.

COMPARE THE POPULARITY

You can identify the biggest value in any list of products by picking out the one product which enjoys greatest popularity, year after year; and, of course, in the field of motor cars, that one product is Chevrolet—outstanding leader in popularity for the total 17-year period, 1931 to date!

COMPARE THE FEATURES

Only Chevrolet combines the Unifit Knee-Action Ride for gliding smoothness; the world's champion Valve-in-Head engine for performance and economy; Body by Fisher for tasteful beauty; and Fisher Unisteel Construction plus Positive-Action Hydraulic Brakes for all-round safety protection!

COMPARE THE PRICES

You'll agree with millions of other car buyers that prices—like quality—are a major consideration in these times; and just as Chevrolet's Big-Car quality is unique in its price range, so Chevrolet prices are the lowest in its field. Chevrolet costs less to buy, to run and to maintain!

Only Chevrolet gives BIG-CAR QUALITY AT LOWEST PRICES... that's why

Only the Servel GAS Refrigerator

STAYS SILENT... LASTS LONGER

GIVES YOU A TEN-YEAR GUARANTEE

IS TEXAS' BIG FAVORITE...

MORE AND MORE TEXANS want the Gas Refrigerator! This modern refrigerator stays silent, lasts longer because it has no moving parts in its freezing system. There's no motor to wear! No machinery to get noisy! And that's why your new Servel comes with a ten-year guarantee of noise-free, worry-free performance. (Actually, 18 and 20 years' satisfaction is not unusual—say many of Servel's 2,000,000 happy owners.) In the Gas Refrigerator just a tiny gas flame does the work. And Servel operates anywhere—on any kind of gas. Come see the new models now on display. You'll find every new convenience you want—a big frozen food compartment, lots of ice cubes, moist cold and dry cold for fresh foods. It's first come, first served in Texas' big favorite—the Servel Gas Refrigerator.
