Nichols Worth

By Nanalee Nichols

The other day I saw this program about fall foliage in the Great Smoky Mountains...which got me to thinking just how nice it would be if we could take four or five days off and wander that-a-way.

Putting the pencil to it, I quickly realised that we couldn't afford to do that...and for a moment felt resentful. Then I realised that we have had a grand vacation this year, and it's just pretty unreasonable to even want more!

Which recalled my dad's words that I grew up hearing. It seems dad had a bachelor relative that was always making the statement "I've never had to do without a single thing I wanted...but I've spent many a long night stomping hell out of my **wanter!**".

Well, sometimes that's what all of us need to do...stomp our "wanters".

It's the American way to live a wonderful life style, but sometimes we get a little out of hand.

Esconced in a warm, comfortable house, with all the electric conviences, running water (both hot and cold), tv, telephones and out in the yard a car (usually two) still, most of us wonder why we can't afford two NEW cars, and a brand NEW house, and brand NEW furniture! Don't get me wrong..I'm as bad or worse than anyone. But it's a simple matter of wanting more than we really need.

Most of us speak of wanting a simpler lifestyle, and yet we want all the luxury items money can buy.

Americans spend less of their income on basics like food than any other nation in the world. kThat goes for utilities too.

But instead of feeling lucky we often feel discontented with what we have.

Commericals and false lifestyles shown in entertainment reenforce the idea that we deserve it all, from designer clothes to Mercedes Benz.

Somewhere along the line we need to take a moment and realise just how much most of us DO have.

While most of us have to live on a budget, and frequently a tight one at that, our budgets still provide us with living conditions and services many nations call luxuries, not necessities!

Of course it isn't wrong to strive and want more, to be willing to work for it.

But we have to keep an eye on reality, too.

So, next time I get to wanting things that would be nice...but that I really don't need, I'll just have to remind myself...some good hard stomping on my "wanter" can take care of that!

Rain, Cold Bring Feeling Of Fall

Fall weather moved into the area in a big way as cloudy skies and colder temperatures sent people scurrying for coats and jackets.

The low was 41 degrees and on Tuesday, accompanied by cold winds the high was only 53 degrees.

Sunday yielded up 1.72 inches of rain, and Monday through Monday night there was 2.21 inches, according to official reports.

Farmers desperately trying to get their cotton harvested before heavy rains hit were cut short in their efforts, leaving a lot of the crop, much of which was planted late, still in the fields to await a drying trend.

Some people reported a very light frost Wednesday morning in low areas.

The outlook, with typical Texas fickleness, is for warm, sunny weather during the latter part of the week.

Temperatures should climb back into the eighties by weekend.

But, in the meantime, it's been the first real taste of fall.

TAAS Testing To Be Held At RHS

For the past five years, the Texas Educational Assessment of Minimum Skills (TEAMS) has measured minimum skills in mathematics, reading and writing for students in grades 3,5,7,9,and 11.

This October, only the TEAMS testing program will continue for exit level, and a new testing program, the Texas Assessement of Academic Skills (TAAS), will be implemented. The TAAS program measures a broader range of essential elements than the TEAMS program and better addresses the academic goals of the 1990's which stress the importance of teaching students higher order thinking skills.

As required by Section 101.0(c) of the Texas ADministrative Code, the assessment instruments in mathematics, reading and writing will be administered for grades 3,5,7,9 and 11 in all school districts in the state. For all levels the writing test will be October 16, and the reading test on October 17 and the mathematics test on October 18.

Students who are eligible to take exit level TEAMS will be administered the English language arts test on October 17 and the mathematics test on October 18. No make-up sessions will be allowed for any TAAS or TEAMS test.

Students are encouraged to obtain sufficient sleep the nights prior to testing, and to eat a good breakfast at home or at school on these days. As there are no make-up tests, students are strongly encouraged to be in attendance and be alert.

Fire Department To Show New Truck

The Bogata Volunteer Fire Department met on October 8 with 13 members present. Everyone was busy learning the how to's of the new grass truck recently completed. After an hour of hands-on training, the firemen gathered to discuss their upcoming stew supper and pie auction.

The many generous donations at the last fundraiser are and were appreciated and if this event is successful, the VFD will hopefully pay for the new truck. Anyone wishing to donate a pie, please bring it early with your name attached, or call Russell and they will come by and pick it up in the new truck.

The truck will be at the Community Center from 2 p.m. onward on Saturday and anyone wishing to see it is encouraged to come by and receive the "guided tour".

Bike-A-Thon Is This Saturday

Country Cooking

By Gerrie Bankhead

This week I visited Forrest and Margaret Parks, who have been married for 44 years. Margaret was reared in Blossom but has lived in the Deport area most of her life. They have one daughter, Sandra Gifford, and one granddaughter, Amy.

Margaret began her teaching career in Deport in 1942. She taught a number of years, then stayed at home for 17 years to be with her daughter, then returned to teaching until she retired in 1984. Forrest and Margaret attend the United Methodist Church in Deport.

Margaret said that their church having monthly suppers and the fall festival make great use of her deep freeze. For the fall festival she baked and froze 3 lemon chess pies, a buttermilk cake, a banana nut loaf and plans to do more. She likes to have extra desserts baked for emergencies or to share with friends who drop in. She loves to cook and always enjoys Thanksgiving and Christmas holiday feasts at her home with her daughter's help.

It was hard to resist sampling the Rocky Road squares, the chocolate oatmeal no-bake cookies or the rice krispies she offered me. Margaret was expecting granddaughter Amy to visit and she always sends her back to college with lots of goodies.

Margaret and I worked quickly to get thepies, cakes, cookies and salad wrapped, sealed and back into the freezer before Forrest came home in fear he would insist on eating them.

Margaret has chosen to share the following recipes with you and hope you enjoy them. Sandra's favorite, Banana Nut Loaf; Forrest's favorite, the Buttermilk Cake, which is an old family recipe; Lemon Chess Pie and Frozen Salad.

I had many calls this week from readers who enjoyed the article last week, or plan to make recipes, or gained a couple of pounds because of th efried apple roll ups. If you have a feature suggestion or have enjoyed the article, please call 652-6032 or write to Rt. 1, Box 67A, Deport, TX 75435.

McCrury Locals

Last week a group of Dutchmen stopped by the fruitstand, and were amazed at Paul Woodle and Bill White shelling peas and took their pictures home with them to show their friends and families.

Arriving Sunday evening for a visit with Paul and Velma Woodle were her sister, Wilda Porter of Center and Thelma Leach of San Augustine. Early Monday Velma and her sisters left for Midwest City, OK to visit their younger sister, Mary Helen Blackburn and family for a few days.

McCrury Cemetery To Have Homecoming

The McCrury Cemetery Association is sponsoring the ninth annual McCrury and Glendale Homecoming on Sunday, October 14 at the pavilion across from McCrury Cemetery on FM 196.

All residents, former residents and families are welcome. All former teachers of these communities have a special invitation to attend.

Bring your picnic lunch and lawn chairs. Ice, tea, coffee and all paper products will be furnished.

Bogata P.T.O. Meets

The Bogata P.T.O. held their regular meeting at the Bogata Gymnasium on October 8 with Neva Oats presenting the program.

Kindergarten and fourth grade students sang and danced for the group.

Attending the meeting were 45 adults and 37 children.

Bogata Lions Meet

The Bogata Lions Club met October 4 at the Community Center with Jerrell Vickers, president, calling the meeting to order. Mayor W.T. Harbison reported that the deed on the park was filed last Friday and that signs for construction could be erected. Jack Dodd and David Rozell were to check into several projects for the coming months.

Mr. Vickers presented Carl Wood and L.P. (Pete) Taylor with their Chevron pins for 10 years service to the Lions Club. Mr. Vickers also presented Johnny Ragsdill with the Lion of the Year award in recognition of outstanding service, loyalty and devotion to Lionism.

The meal was prepared by Tommy Corbell and Jack Troutt. They served fish, hushpuppies, french fries and cold drinks. There were 23 members and four guests attending.

The Lions Club will mann the concession stand on October 13 at the Ranch Rodeo and will sponsor one of the belt buckles for the rodeo.

Mrs. Beryl Jean Miller donated prizes for bingo at Red River Haven Nursing Home.

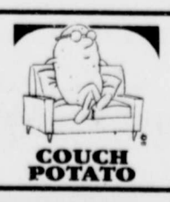

The next meeting will be October 18 with Buford Hervey and Bro. Billy Daniels preparing the meal.

Benham Celebrates 84th Birthday

Horace Benham was 84 years old on October 7, and celebrated the occasion with his wife, Opal, and their chidlren, Gay Logan, Jerry and Johnny Benham. Also visiting were his son-in-law, Kenneth Logan, granddaughter Belinda Benham Pavagean, grandson Kenny Logan with his wife, Marilyn and great-grandson, Garret Logan.

Everyone celebrated with a large dinner and homemade ice cream, catered by the Logans.

A phone call was made to Vashti Hood in Orange, who was doing well, getting settled in her new home.

Rebel Sports Report

Rebels Triumphant Over Wildcats, 14-7

By Keye Lee

The Rivercrest Rebels triuimphed over the Harleton Wildcats last Friday night in Wildcat jurisdiction, 14-7.

Captains Scott Yancey and David Davidson for the Rebels chose to kick off the football to the Harleton Wildcats. The Rebel defense only allowed the Wildcats possession for 51 seconds, when Harleton quarterback Jonathan Brittan fumbled the ball and Rivercrest's John Wolfe recovered.

RHS took possession with 11:49 in the first quarter. Quarterback Ronald Simmons moved the ball on the ground successfully, but a clipping penalty pushed the Rebels back and forced them to punt the ball away.

Harleton Wildcats took over on their 8-yard line and the Rebels would not give an inch. When third and ten quarterback Brittan drew back, put the ball in the air looking for a Wildcat receiver but Rebel Matt Childres was there to break it up.

Rivercrest's next possession started form Harleton's 34-yard line. Quarterback Simmons called on two Rebels, Binky Jackson and Shane Beers, moved the ball to the Wildcat 10-yard line. Rebel Scott Yancey came up with the ball to score for Rivercrest with the extra point good for a score of 7-0, Rivercrest.

Excitement took hold and the Rebels wandered for just one minute, giving the Wildcats three plays, in which Tyrone Jackson sprinted 47 yards to score and the point after was good, making the score 7-7 going into halftime.

The next 12 minutes of play were alternated between the Wildcats and Rebels. Penalties for both teams stopped several drives and neither team scored.

With less than :30 left in the third quarter, the Wildcat quarterback, Britton, attempted to pass into Rebel territory and senior Ronald Simmons was there to pick off the ball. He returned the ball to the Wildcat 10-yard line but a penalty moved the ball back to the 30. Moving the ball with all his teammates, senior Shane Beers scored form the 5-yard line with 7:56 left on the clock.

Rivercrest defense was determined not to let the Wildcats score and they only had possession for 4:31 when freshman Matt Childres recovered a fumble and the Rebels controlled the ball with only 3:00 left to play.

Simmons was stopped, however, and the next possession found the Wildcats in a hurry-up situation, moving the ball from their 38-yard line to the RHS 21, when Ronald Simmons intercepted the ball for the second time of the evening, and ran the clock out.

The Rebels were victorious 14-7 and Coach Green said he was "extremely happy for the win, we just have to work a little too hard for it. This week we will have to play an outstanding game against Wolfe City."

Junior High Football Results

The Junior High Rebels met the Harleton Cats on October 5 at home.

Within the first few minutes of the game, Rebel Yaphet Darnell had his arm broken above the wrist when two players fell on him. The game carried no score throughout 2 and 3/4 quarters. Things changed with :49 left in the third quarter, however.

Harleton took the ball into the endzone and followed with the extra points and the score was 8-0, Harleton's favor.

Fourth quarter action was slow until the Harleton team threatened the Rebels wiht a long pass. The Rebels took the ball over with 1:50 left on the clock and with the help of penalties, pushed the ball back to mid-field where they turned the ball over.

Harleton, with 1:00 left, again tried the bomb, this time broken up and nearly intercepted by Chris Waller. On second down, the pass receiver was found by Harleton's quarterback and with :52 on the clock, Harleton scored, making the score 14-8, Harleton.

The extra point attempt was prevented by Rebel Joe Grissom. Outstanding plays were made by Grissom, Rodney Humphrey, Kyle Kennedy, Chris Waller, Sidney Hines, Jay Hancock, Shane Rector and Jeremy Loggins and the entire Rebel team. After two oh-so-close games, three is bound to be a charm for the young Rebels. They travel to Wolfe City for their first district game on Thursday,ctober 11 at 6 p.m.

Booster Club Meets

The Rivercrest Athletic Booster Club met October 8 in the homemaking room at Rivercrest with 10 paid members, two coaches and one principal present.

After the meeting was called to order by president, Judy Easley, the minutes were ready by secretary, Joan Weatherall. A treasury report was given by treasurer, Kay Brooks.

Football coach Tommy Green spoke on the performance of the football boys in the past weeks. The coach has a young varsity team and he hopes the fans realize this when they go to the games andwatch them play against teams with juniors and seniors that have been playing several years. Coach Green believes theboys are doing their best and he's getting the most out of them. He was pleased with the win last Friday night against Harleton. "We will win again. I don't know when or against who, but we will win again," Green said.

The club voted to take donations for a football to be given away at the last home game of the season. For $1.00 donation, a chance to win the football may be purchased.

The club also voted to sell balloons at the ticket gate before Homecoming Friday night. The balloons will be released as the football boys run onto the field.

Along with the balloons, memberships will be taken for $3.00 per person and spirit cushiosn will be sold for $3.00 each. A few booster caps are left and will be on sale for $5.00 each.

Balloons will also be sold at the next junior high game and released the same way for their game.

The meeting adjourned with the next meeting set for November 12 in the homemaking room at RHS at 7 p.m. Anyone interested is invited to attend.

Arigo Riders To Sponsor Coggins Testing

The Arigo Riders will sponsor a Coggins testing for horses, which will be open to the public, on Saturday, October 13 at 1 p.m. at the Bogata Rodeo Arena. Dr. Don Amderson will test the horses for $8.50 per animal.

With this summer's heat, combined with heavy rains, conditions are ideal for insect population growth and all horse owners are alerted to watch for symptoms of equine infectious anemia, or EIA.

EIA produces anemia, intermittent fever and severe loss of weight in horses and is not curable with medical treatment.

Symptoms of the disease include a sudden rise in temperature; profuse sweating; rapid breathing; depression; weight loss; bloodshot eyes with a watery discharge; and swelling on legs or the lower part of the body.

Incubation period for the disease is from several weeks up to several months and in the chronic form, animals will often appear to recover, except for continued weight loss and body condition and may continue to live for years.

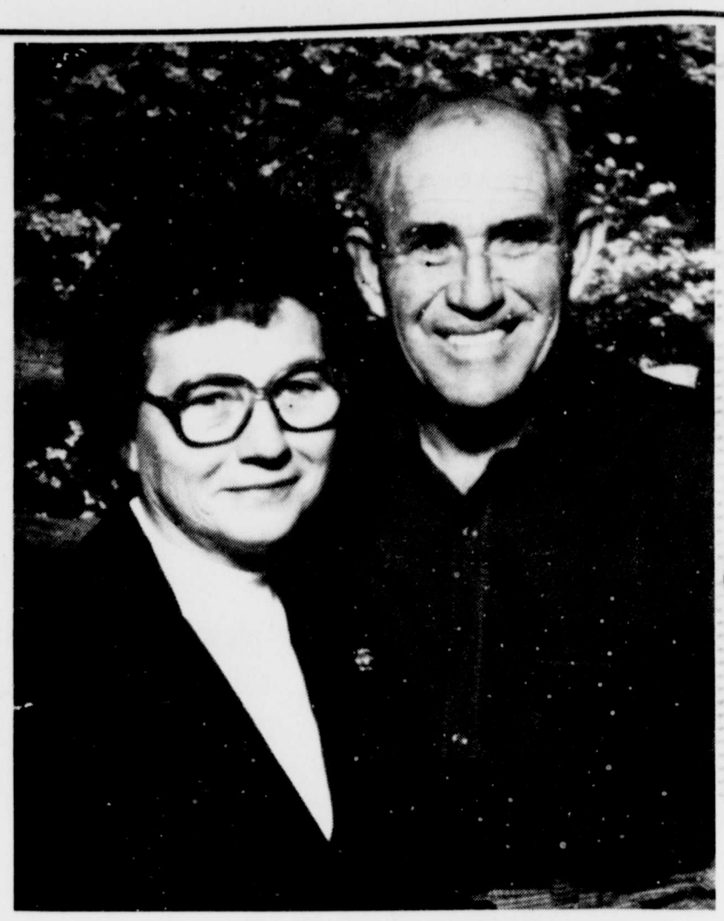

Animals will die from the disease, and it is a long and painful process, one which should not be inflicted upon the animal.

State laws require a current Coggins test every six months and every potential horse owner is asked to make certain that any horse they may purchase is "clean" before being introduced onto their property and into their horse herd.

For additional information, horseowners should contact their veterinarian.

Don Brown was the first person to cross San Francisco's Golden Gate Bridge when it opened on May 27, 1937.

Mr. and Mrs. David Knowles
