THE FARMER IS THE BACKBONE OF THE NATION

The farmer is the backbone of the nation, and the success of the farmer means the success of every business in the nation.

The News desires to see the farmers of the county get the best possible prices for their farm products.

It believes by a study of marketing conditions, better preparation of the products before they are put on the market, cooperative marketing with a guarantee of quality, will enable the farmers of the county to get recognition in a way that will insure a fair market for their products.

Haphazard marketing, cutting of prices, packing of inferior products will only tend to demoralize the markets and create a prejudice against Roosevelt county products.

By pulling together, the farmers can control the price of farm products.

EVERY INDUSTRY HELPS

Every industry in the county that gives employment or supplies a market for your farm products, is of value to every citizen of the county.

A new industry just started in Portales is putting up buttered goobers. While this is small at this time, it has great possibilities, and may grow into a big industry.

There is room for other industries in Portales, such as a peanut butter factory, a pickle factory, and many others that could start in a small way.

The mighty oak grew from a small acorn, and who knows but that from a small start, Portales may become an industrial center.

By patronizing the local industries, you can help to bring about a better condition for every one.

THANKSGIVING

Today is Thanksgiving, a day set apart by proclamation of the President of the United States for all to consider their blessings and return thanks to the Supreme Being.

It will be a day of feasting for many, and it is well to consider the many who are not blessed, and try to make the day one of thanksgiving for those not so fortunate as you are.

You may have been complaining of the depression of the past two years, but when you stop to consider that you have your health, your family around you, and that you have not suffered for food or clothing, you will find that you have much to be thankful for.

Pause during the day and render thanks for your blessings.

Sunday afternoon, November 22, the young people met at the school house and played basketball. Although every one was tired after the game was over, they all reported a nice time.

We are proud to know that Mrs. N. M. Parkerson is convalescing after having been ill for several weeks with typhoid fever.

Saturday evening Mr. and Mrs. Claude Gary returned home with their little four weeks old daughter, Miss Bonnie Ethel Gary.

The Fifth Sunday meeting, which is to be held at Milnesand, begins Friday evening, Nov. 27, and continues through Sunday. Every one come and bring your basket of food.

The B. Y. P. U. groups always enjoy having visitors, so come and see what great programs they are rendering.

We are sad and indeed to hear of the death of Mrs. Alton Graves' father, but send our kindest regards to the family, wishing great blessings on all.

We are looking forward to Milnesand being a large city in the future, as we have a new business building in town.

Recently, Mr. George Egan, the secretary of the B. Y. P. U. organization, visited Milnesand and made a talk which was enjoyed by every listener.

The young people of Milnesand are looking forward to an enjoyable social next week. They will probably meet at the home of Mrs. O. A. Preuit.

The following pupils of the primary room are on the honor roll: First grade—Lawrence Graves, June Fraser, Jeanie Bowley. Third grade—Sarah Edith Gilbert, L. Wayne Metcalf, Fourth grade—Marvin Graves, Fred Baker.

There has been a number of pupils absent on account of illness and gathering crops, the past two weeks.

One new pupil enrolled in the fourth grade.

Mr. and Mrs. Phineas Wallace, Pete Plemons and Mr. and Mrs. Jack Heblson spent the afternoon at the home of Mrs. Mary T. Baker.

Miss L. Z. Ralston Sunday afternoon.

This week and Mr. Top Frouit is planning to take a trip to Red Lake.

The following were perfect in orthography: Louis Holland, Oren Wallace, Top Frouit, Nellie Fraser, L. Z. Ralston, Cleo Almyworth, Albert Paul.

Ruby Lee Gilson has also enrolled in our school.

LONGS

After a long silence we present a few items from the Longs community once more.

Under the management of Miss Little Nance, our school is progressing nicely.

We still have a fine song class under the leadership of Paul Walker.

The singing convention will be held at Longs church building the second Sunday in next month. All are invited.

Prof. Stone made a beautiful and inspiring talk to the young people of the Sunday school last Sunday.

The Bible class, consisting of the older members of the school, has been manifesting much interest in the work.

The social event of the season was a birthday dinner given last Sunday at the home of Mr. and Mrs. Tom Harvey, in honor of their eldest son, Elmer, having reached his majority on the journey of life.

There were 80 young and old, present to partake of the wonderful dinner and leave a lasting impression on the heart and mind of the young man just starting out on his independent journey of life.

May he remember that "no man liveth unto himself alone."

Thrashing has been the order of the day among the farmers for some time. Crops are yielding a heavy production, beyond the expectations of most of our farmers, and the grain is in fine condition because of the fine weather prevailing.

Mr. Halalip and Mr. Fraze will start to bring the Oregon bred bull belonging to the circle formed with the college. It is hoped that this may be one more step in the effort to continue the improvement of the fine herds of Jersey dairy cattle in our community.

The state dairy commissioner, Mr. Poe, Mr. Anderson and Mr. Cunningham, all of the State College and accompanied by a Mr. Jones, dairy specialist of Washington, D. C., were visitors in the homes of Mr. Halalip and Mr. Fraze this week. They are doing a great work in aiding and encouraging the dairy interests of Roosevelt

county, now the banner county in the dairy industry of the state.

We especially invite all the business men of our county to cooperate with us in an effort to market our products to the very best advantage, and we feel that the Longs community will continue to be, as in the past, an asset and not a liability to our great county of Roosevelt, N. M.

RICHLAND

On Friday of last week the Richland basketball teams met the Midway teams on the Rogers court in two very interesting games. At the end of the games the scores for the girls were 8 and 44 in favor of Richland. Both teams showed sportsmanship. The scores for the boys were 13 and 14 in favor of Midway. The game was a hard, tight one and both teams showed a dogged determination and a fighting spirit, but both were equally as good sports.

The faculty has set aside next Thursday, November 26, which is also Thanksgiving Day, for our annual clean-up day at Richland. Every one is invited to come and help work. Such tools as grubbing hoes will be needed to help clean up the yards. Much work will be done in the house as well as in the yard. The workers will be organized the first thing in the morning. Those who come are asked to bring their own lunches as there will be no large spread. A short program will be given for entertainment by the school.

Last week J. D. Page had the misfortune of having his car to burn up.

Curtis Creighton and wife from Portales spent the week end with Mr. Creighton's brother, J. O. Creighton of Richland.

Frank Smith, Dewey James, Mrs. Faw and Mr. and Mrs. Gurnin, all of Richland community, were shopping in Portales Saturday.

Floyd School Notes

The Floyd basketball boys played Rogers Friday night in the Rogers gymnasium. The Floyd boys won by a score of 28-26. The junior high boys lost by a score of 14-21. Mr. Eady of Floyd has purchased a 50-horsepower engine to run his feed mill. He now has a good outfit and can grind about 50,000 lbs. of corn a day, and any other feed.

Chalmers Wilson and John Morgan spent Saturday night with Mr. and Mrs. Foster.

Owing to the condition of the weather, only a small crowd attended the pie supper Saturday night. The proceeds, \$24.00, are to go for the boys basketball suits. H. H. M. girls sold candy, chewing gum and coffee.

Mr. Foster was auctioneer at the pie supper, this being his first experience along this line.

On Wednesday of this week there will be a Thanksgiving Program. School will turn out Thursday and Friday for the Thanksgiving vacation.

The seniors received their play books Thursday and have started work on "The Arizona Cowboy." They will present this play December 18.

Mr. and Mrs. Dodson, Skeet Booster and Oscar Cranberry from Flagg visited in the McAllister home

Friday and Saturday. Martha Compton and Betty McAllister accompanied them home for a quick hunt Saturday.

Last week the typing class wrote letters that showed very creditable work.

Mrs. Foster and other members of the Floyd faculty visited the Rogers home economics cottage and state that it was quite a wonderful accomplishment for a new department. They invited the Rogers home economics teacher, Mrs. Lee Burt, and class to visit our Floyd department.

Mr. and Mrs. Parsons gave a party Saturday night. Quite a crowd was there and all reported a nice time. Sandwiches and coffee were served.

INEZ

Mrs. John Musick entertained at dinner Sunday Mrs. Westbrook and her Sunday school class, celebrating the seventh birthday of her daughter, Jewell Maxine. The little girls report an enjoyable day playing games and reading stories.

Mrs. Mann Clark and Mrs. Thompson spent Friday in the T. J. Mullins home lending a helping hand in cooking for threshers hands.

Mrs. John Harth entertained a number of the young people last Friday night in celebration of the twenty-first birthday of her son, Ellsworth. The evening was made merry with games and music. At a late hour refreshments of cake and fruit salad were served.

Guy Musick left Sunday morning for Blackwell, Texas, to be gone several days, looking after property interests at that place.

Mr. and Mrs. W. R. Tollett and son Wayne, Mr. and Mrs. J. B. Graham and daughter, and Mr. and Mrs. Frank Greathouse and sons, Frank Jr. and Keith, spent Sunday in the S. W. Tollett home.

Last Saturday night the B. B. Greathouse car collided with a Texas car on the Portales-Lovington highway near the Littlejohn home. Both cars were damaged considerably but none of the occupants were injured.

A 14 pound son was born last Thursday, the 19th, to Mr. and Mrs. Chas. Adams, at the Tollett home. Mother and son are reported doing nicely.

Otha Tollett spent last Sunday visiting his cousins, Marvin and Edgar Tollett.

Plans are being made for the majority of the members of the Inez Sunday school to attend the union meeting of the churches, Sunday schools and Leagues in Portales next Sunday. The Inez Sunday school has been selected to prepare the worship program for that occasion, and the following subject has been chosen: "Working Together in the Kingdom of God," with J. E. Tollett, leader.

Marvin Tollett will have charge of our League next Sunday night.

Mrs. VERA FARR

Mrs. Vera Farr, who was ill last week at the home of her uncle, J. O. Cox, here in Portales, passed away Thursday at the hospital in Clovis.

The party stopped in Portales to remain over night with Mr. and Mrs. J. G. Cox and Mrs. Farr was taken seriously ill during the night. She was taken to the hospital in Clovis for treatment, and passed away there a few hours after her sister arrived from Wichita Falls to be with the patient.

You needn't tell me
—I know Camel is
the fresh cigarette!

FRESHNESS

— that's the thing!

CAMELS are never parched or toasted

HAVE you noticed the new trend in cigarettes?—freshness is the popular thing.

That's because a fresh cigarette, as demonstrated by Camels, is something smokers have discovered as better than anything they ever tried before.

Camels are fresh in the Camel Humidor Pack because they're made fresh to start with — blended of choice, delicately mild, sun-ripened tobaccos in which the natural moisture and fragrant flavors are vigilantly safeguarded.

The tobaccos in Camels are never parched or toasted — the Reynolds method of scientifically applying heat guarantees against that.

That's why we say with so much assurance that Camels are truly fresh. They're made fresh — not parched or toasted — and then they're kept fresh in the Camel Humidor Pack.

Try Camels' freshness for a change. Switch over for just one day, then change back — if you can.

A NEW PRODUCT OF

EXCEPTIONAL MERIT

The Estancia Drug Store of Roswell, New Mexico, has entered a new enterprise which is going well. It's the manufacture of Desert-Glow, a digestive compound which has proven a big boon to sufferers from digestive troubles.

"About ten years ago I began to suffer from gas on my stomach. Every thing I ate disagreed with me. I lost weight and did not have any energy. I went to a hospital and was treated by doctors in Oklahoma and by doctors in New Mexico, but only received little results. I heard so much about Desert-Glow unit I decided to try it and I have never been sorry, for I feel good and eat what I want to, and I give this wonderful medicine credit. I am glad to recommend Desert-Glow to anyone suffering as I was."

"H. H. BONDS"
DESERT-GLOW is sold on an absolute guarantee that it will give satisfaction. If not, your money will be refunded.
If your druggist does not handle it, send \$1.25 to Estancia Drug Co., Estancia, N. M., and a bottle will be sent postpaid.

EAST VALLEY VIEW CLUB

The election of officers occupied the business hours of the East Valley View Home Makers club when the ladies met in the club house at the meeting.

Mrs. Homer Miller was chosen president, Mrs. Cal Parker, vice-president, and Mrs. Verner Jones, secretary-treasurer.

There were twelve members present and these interested workers extend an urgent invitation to all the women of the community to join with the club and assist in making it one of the largest home makers clubs of the county.

The regular meetings are held on the second and fourth Wednesdays of each month in the club house. Mrs. Oakley was present at the last meeting and demonstrated the proper making of cottage cheese and also gave some recipes for the use of the cheese in making other dishes.

CHRISTIAN LADIES' AID

Mrs. J. W. McMinn was leader of the program for the Christian Aid Society last Thursday when the ladies met in the Loris home with Mrs. Loris and her sister, Mrs. Carl Bremer, joint hostesses.

The leader had chosen Barnabas as the Bible character for the lesson study. Scripture readings were assigned to several of the members and in addition to the giving of these, Mrs. R. W. Means gave a very splendid reading and Miss Naomi McCarty delighted the ladies with a vocal solo.

Plans for the bazaar were abandoned and instead the ladies will hold a pantry sale on Saturday, December 12.

While the place has not been officially announced, it will doubtless be held in the Ed J. Neer furniture store.

Mrs. Loris and Mrs. Bremer served a bountiful lunch to their guests during the social hour.

NEW BRIDGE CLUB

Twelve friends have organized a bridge club and will meet on Thursday evening twice each month for supper and an evening of bridge.

Each of the ladies take one dish of food, and this forms the evening meal.

Last week the members met with Mr. and Mrs. P. E. Jordan and the card contest resulted in Mrs. H. H. Buchanan and Dr. C. A. Soe holding the two highest scores.

The crowd will gather for the next meeting with Mr. and Mrs. W. K. Judevine.

The twelve members of the party are Dr. and Mrs. C. A. Soe, Dr. and Mrs. I. D. Johnson, Mr. and Mrs. E. N. Neer, Mr. and Mrs. H. H. Buchanan, Mr. and Mrs. W. K. Judevine and Mr. and Mrs. P. E. Jordan.

DINNER PARTIES

Mr. and Mrs. W. K. Judevine are entertaining friends at two dinner parties held in their home this week.

One party was held last night and the other will be tomorrow night. The details of these two social events will be given in next week's issue of the Portales Valley News.

HOME MAKERS CLUB

The meeting of the Home Makers club last week at the home of Dr. and Mrs. T. E. Livingston was devoted to a major part to the welcoming of the newly elected president, Mrs. J. P. Ford, and the observance of Thanksgiving.

The responses to roll call were recalls of blessings for which individuals were most thankful.

The afternoon was happy with a social program of contests. The program committee will soon meet to prepare a year book for the club activities of next year.

The serving of refreshments closed the meeting.

EASTERN STAR DINNER

The members of the Eastern Star are enjoying a Thanksgiving dinner tonight (Thursday) preceding the regular chapter meeting.

Turkeys and all the trimmings will be served in abundance at the dinner and the members will gather for the annual chapter family party.

At the meeting following the dinner there will be initiation ceremonies and all the members are invited to be present.

ACE HI BRIDGE

Mrs. Cleo Pike was hostess to the members of the Ace Hi bridge club last Friday morning when she entertained with a two course breakfast. The guests were invited for eight o'clock and were seated at quartet tables which were arranged in the living room. Late autumn flowers were used for table and room decorations.

After breakfast the ladies devoted the remainder of the morning to an interesting bridge contest. Mrs. Buford Fisher won the club prize for high score.

The members enjoying the hospitality of Mrs. Pike were Mesdames T. W. Johnston, A. M. Gragg, J. D. Marlow, L. S. Kirby, Buford Fisher, J. J. Brown, E. H. Hudson and Ray Nelson.

COFFEE CLUB

The seven members of the Coffee Club thoroughly enjoyed the morning last Thursday when they met with Mrs. E. R. Black. A delicious breakfast at about nine o'clock was followed by a few hours of sewing.

BRIDGE PARTY

A number of the teachers of the Portales schools were the guests last Friday evening when Judge

and Mrs. T. E. Means entertained with four tables of bridge.

This was the first time Mrs. J. E. Steiner, back home with the crowd since her illness last spring and the friends were delighted to have her again a member of their party.

Six progressions of auction bridge were played during the course of the evening and resulted in Mrs. Steiner and C. P. Brown holding the highest scores with Mrs. Kenneth McCall and Kenneth Brough reporting the two lows.

Mrs. Means and Miss McManaway served a two course lunch after the card games.

HOUSE PARTY

Mr. and Mrs. Sam Batton entertained with a house party over the week end in celebration of Mr. Batton's birthday.

The friends from Carlsbad arrived Saturday night and remained until Sunday afternoon.

A birthday dinner was prepared for Sunday noon and all the festivities of a birthday celebration were enjoyed at this occasion. The cake, decorated with brightly burning candles, was an attractive feature of the dinner.

The party consisted of Mr. and Mrs. J. C. Lucas and son Jamie, Mr. and Mrs. C. E. Coalsen, Mrs. Dunkle, Mrs. T. J. Kindel, and Miss Margaret Hyler, all of Carlsbad; Cecil Batton, Mr. and Mrs. Sam Batton and their two daughters.

In the evening Mr. and Mrs. Gordon Lyons, Miss Sybil Lyons and Mrs. Jay Stone went to the Batton home and spent the evening, thus closing a very busy and happy day for the honoree, who was celebrating his birthday in Portales for the first time.

PENNY CARNIVAL

The members of Miss Jamie Greenwald's class in the Methodist Sunday school held a carnival in the basement of the church Monday evening at which a charge of one penny was made for all the attractions announced as world wonders.

The young people had a most delightful evening and a neat little sum was realized for some class work which the young people are planning to do.

MISSIONARY MEETING

There were about sixteen ladies present last Thursday afternoon when the Methodist Missionary Society met in the home of Mrs. R. L. Yochum.

Mrs. H. E. Taylor was in charge of the program which dealt with the missionary work among the Mexican people. Some quite surprising facts were brought out by the several articles given during the afternoon program. Mrs. Taylor was assisted by Mrs. W. H. Mc-

Donald, Mrs. E. N. Smith and Mrs. R. H. Wheeler.

The entire program period was used for the missionary study work and when this was completed the ladies enjoyed a social hour and Mrs. Yochum served refreshments.

LUCKY THIRTEEN CLUB

Mrs. J. B. Lee was hostess last week to the Lucky Thirteen bridge club, which met in her home.

There were many reminders of the approach of the Thanksgiving season in the decorations and refreshments of the afternoon.

In the bridge contest Mrs. Wesley Little held the high score and her sister, Miss Jessie Lee Yochum the low.

Mrs. Lee had prepared a delicious lunch which was served after the game.

The players for the happy hours were Mrs. Wesley Little, Mrs. Muri Wallace, Mrs. Lee, Mrs. Roy Long, Mrs. Leonard Westerman, Mrs. Clem Estes, Mrs. Harold Hammonds, Mrs. Lester Smith, Miss

Positive Proof of FORD ECONOMY

City of Detroit purchases 137 new Ford cars
Hundreds now in use prove low cost of operation

THESE 137 new Ford cars represent one of the largest deliveries ever made to a municipality at one time.

21 radio-equipped Ford scout cars were traded in on this purchase. They had been operated day and night for two years in heavy traffic and all kinds of weather.

Their individual records ranged from 78,434 miles to 143,723 miles with a grand total of 2,283,097 miles. The operating cost of the 21 cars was 2.284 cents a mile—less than 2 1/3 cents. This cost included all fuel, oil, tires, repairs and every other item except depreciation and insurance.

Of 577 Ford cars in Detroit City service, the 300 in the Police Department traveled a total of 6,591,937 miles during the past fiscal year, at an average cost of 2.9 cents a mile.

Many claims have been made on operating costs, but here in the carefully kept motor car records of the City of Detroit is positive proof of Ford economy.

In the paragraphs above, it is seen that 21 Ford scout cars averaged less than 2 1/3

cents a mile and 300 Ford cars in all branches of Detroit police work averaged 2.9 cents a mile!

Day and night, twenty-four hours a day, these Ford cars are in operation. Few branches of transportation demand such grueling service. The records show that low fuel and oil consumption is but one of the Ford's many economies. Ford materials, simplicity of design and accuracy in manufacturing provide unusual strength, stamina and freedom from replacements and repairs.

The individual car buyer as well as the purchasing department of a city or a business cannot afford to ignore the proved economy of the Ford car.

Thanksgiving Today

Is none different, in spirit, than the Thanksgiving Day of our Pilgrim Fathers in 1622. The same old ideas are converted to modern day use with the constant changing of the times.

Unlike our Pilgrim Fathers on their first Thanksgiving, who were thankful that they survived the hardships of their first year's adventure in the new country, we are thankful for the many courtesies and kindnesses extended to us.

Roosevelt county is undoubtedly the Garden Spot of the entire country, even now, during these hard times. For the first time in many months there are some concrete indications that the pendulum may be about to start swinging again.

We are glad to announce that we have placed

NELSE VICTOR

in charge of our cream buying department. We need several more buying stations in the county, and can give you the best service if you bring your cream to our plant.

METHODIST LADIES MEET
Mrs. J. W. King was an honored guest at an all day meeting of the Methodist Ladies Society on Monday of this week in the home of Mrs. J. M. Bradley.

Mrs. King has been elected president of the society for the second year, and it was during her term of office that the women's pledge to the building fund has been paid off, and the meeting Monday was a celebration of the final payment and the burning of the note.

The women feel Mrs. King has been of great assistance in the society in all the money making program, and therefore he should share equally with his wife in the honors of the day. He was invited to the noonday meal and the beautiful floor lamp, which was an expression of appreciation from the society, was presented to Mr. and Mrs. King.

Each lady took one dish of food for the noonday meal, and the day was just a jolly time of celebration.

Mrs. A. W. Freeman had composed a very clever little poem which was read during the course of the day's rejoicing. No set program was planned for the occasion, as it was just a time of real thanksgiving.

During the noon hour many of the teachers came and had dinner with the crowd. There were thirty or more present.

EVENING OF BRIDGE
More than fifty persons were invited to the American Legion hut on Tuesday evening when Mr. and Mrs. Bert Hawkins were host and hostess at one of the largest parties of the season.

The spacious room of the hut was decorated with crepe paper trimmings suggestive of Thanksgiving and several bouquets of chrysanthemums were distributed about the room in attractive containers.

Thirteen tables of players furnished plenty of jolly competition in the card game which was continued for eight progressive hours.

Mr. and Mrs. W. K. Judovine highest scores, Dr. C. A. Soe and Mrs. Ray Bonner for the second high, and Mr. and Mrs. J. G. Greaves for the low.

Mr. and Mrs. Hawkins were assisted by their nephew, John Billy Garrett, in extending courtesies to their guests during the course of the evening.

Mrs. W. W. King assisted the hostess in serving the plate lunch as the closing feature of the evening party.

BAPTIST MEETING
Mrs. O. S. Strickland was leader of the Baptist Missionary program on Monday when the society met with Mrs. W. F. Stephens.

Several interesting numbers were given during the hour and plans were made for the meeting next Monday at the Baptist Orphan Home. This will be an all day meeting with each lady carrying one dish of food to be used at the noon hour for the midday meal.

The Little Moon mission offering will be taken at that time and each person is requested to assist in making this a very successful day.

BRIDGE CONTEST
Miss Sybil Lyons invited a few friends to her home last Monday evening when four tables of bridge furnished a spirited contest. The men and women vied for the honor of holder of high score with a great amount of fun and jolly rivalry. When the scores were tallied at the conclusion of several progressions it was found the distinction went to Dr. C. A. Soe.

Miss Sybil served a very delicious lunch after the card game to Mr. and Mrs. Ray Bonner, Mr. and Mrs. E. T. Wason, Dr. and Mrs. C. A. Soe, Mr. and Mrs. Sam Patton, Mr. and Mrs. Gordon Lyons, Miss Vada Mae Jackson, Miss Lucile Wurster, Mrs. Jay Stone, Paul Wurster and Harold Sweetland.

Mr. and Mrs. M. O. Pate at Arch gave a family dinner last Sunday honoring their great aunt, Mrs. Lee Tiedel, to which fifty-three relatives were present.

Mrs. Tiedel is ninety-three years of age and has just recently come to New Mexico from Mobile, Ala. for a visit. She is a very remarkable woman for one of her years. Her senses of hearing and seeing are as acute as when she was a young woman and she is alert to all the interests of the day.

She has children living in several states and in one year visited in five states, ranging from California to Alabama, to visit in the various homes, always making the trips alone.

Her sister, Mrs. Lucy Burke, is eighty-seven years old and lives at Arch with Mrs. Burke's daughter, Mrs. W. H. Davenport.

The dinner was a feast in every respect, and the honored guest fully appreciated the birthday cake which was decorated with 93 candles.

Mrs. Tiedel's children who were present for the occasion were Mr. and Mrs. W. R. Tiedel, Mr. and Mrs. J. B. Sells, Jesse, Maurice, Raymond and Miss Muriel Tiedel, all of Petersburg, Texas; her grand children from the state were Mr. and Mrs. Willard Tiedel and Mr. and Mrs. Clarence Tiedel with their families. The New Mexico friends and relatives enjoying the day with the venerable lady were Mrs. Lucy Burke and the families of Mr. and Mrs. M. O. Pate, Mr. and Mrs. W. D. Pate, Mr. and Mrs. W. H. Davenport, Mr. and Mrs. Joe Hill Thompson, Mr. and Mrs. R. E. Bryant, Mr. and Mrs. J. S. Riley, Mrs. Mason Riley, Mr. and Mrs. W. B. Walker.

Stop Night Coughing
Night coughing is almost always caused by an irritated, inflamed throat; so is almost all coughing. Ordinary cough syrups do not reach these conditions, but Thoxine, a prescription exclusively for throat troubles, does. It relieves the irritation and the cough stops within 15 minutes. And Thoxine goes further too. It eliminates the internal cause which many times develops into serious illness.

A swallow of Thoxine before retiring absolutely prevents night coughing and insures a good night's sleep. It gives the same speedy relief for sore throat too. It contains no chloroform or other harmful drugs and children like it. Relief is guaranteed within 15 minutes or money back. Sold by New Mexico Drug Co. and all other good drug stores.

SAMUEL G. REDDY
Funeral services were held last Friday for Samuel G. Reddy, who had been an invalid for the past few years, and passed away Thursday morning.

Mr. Reddy was eighty years of age and was the father of ten children. Eight were present at the time of the father's death and the five sons and one son-in-law bore the casket of the esteemed parent, whom it was taken to his last resting place.

Another son-in-law was in charge of the services which were held at the H. M. Reddy home.
During the years of invalidism the children had given the father the best of care, and it was their desire to perform these acts of labor for him. Interment was made at the Island cemetery, with Wheeler and Johnson in charge.

BILIOUSNESS CLEARED UP
Biliousness may show itself by a coated tongue, bad breath, headache, spots before the eyes, dizziness, poor appetite, "dopiness," but prompt relief may be expected from taking Thedors' Black-Draught.

"When I get bilious, I had a bad taste in my mouth, and then severe headaches that put me to bed," writes Mrs. Anna Cleveland, Anderson, S. C. "I found Black-Draught relieved this, felt better after taking it. Black-Draught certainly is a good medicine."
