N. M. MITCHELL HOLDS HEREFORD SHOW AT RANCH

Ranchmen from Terrell, Pecos and Crockett Counties gathered at the ranch home of N. M. Mitchell Saturday of last week for one of the most enjoyable affairs in the past several years.

The party, numbering around a hundred people, gathered around tables prepared with barbecue, frioles, pickles, onions, coffee, iced tea, and other trimmings that go to make up a real barbecue dinner, topped off with ice cream for desert, at the noon hour.

After the feast the group went to the corral where Mr. Mitchell was feeding out a few head of his Polled Herefords which he plans to take to the Polled Hereford Show in Des Moines, Iowa, next month. Cards were passed out to all present and two classes of heifer calves, one class of yearling heifers, and a class of bull calves were judged. After the cards had been returned the calves were judged by E. L. Williams, county agent for Terrell County, and his reasons for placing the animals were discussed for the benefit of all present.

After the total scores were taken prizes were awarded to those making the highest scores on their placings of the different groups. In the boys L. L. Richardson of Iraan received first prize; Joe Riley Alexander of Fort Stockton won second; and Bob Silliman, Fort Stockton, won third place. In the men's group Joe R. Alexander of Fort Stockton, first; Leo Richardson, Iraan, second; and W. J. Banner, Sanderson, third. Mrs. Sid Harkins took first place in the ladies group.

Mr. Mitchell plans to leave November 8 with his show herd for Des Moines, and will attend the show which is the 18 and 19, and also the sale which is the 20 and 21. The entire event will be held during National Polled Hereford Week, 18 to 23 inclusive.

Claffelter Is Named Police Radio Chief

Arthur C. Claffelter, 23, Police Department radio technician for the past five years, was named chief radio engineer of the department's radio station, KGZM, by Mayor J. E. Anderson Tuesday.

He succeeds E. E. Brewer, who left the department on a leave of absence recently to accept an appointment in a division of the Federal Communication Commission.

Mr. Claffelter is a native of El Paso, attended El Paso grade school, later attending grade school in Sanderson and graduating from the Sanderson High School. He came to the department after graduation from a Los Angeles, Calif., radio training school.

His service with KGZM saw the El Paso police radio station, first of its kind in Texas and one of the early police radio stations in the United States, develop into one of the first 12 in the United States from an efficiency operating standpoint, according to a recent rating by the Federal Bureau of Investigation.

Mr. Claffelter will be in charge of the construction of two-way radio equipment, which will be installed in six patrol cars of the Sheriff's Department in the next few weeks. Police Department patrol cars have been operating with two-way radio equipment for several years.—El Paso Times

Plans Are Completed for P.-T. A. Carnival Hallowe'en Night

Under I. 25; under O. 70; under N. 43; under G. 31. Bingo! Yes folks, that's it. And who doesn't like to play bingo?

Just one of the many attractions that await the people of Sanderson when the local Parent-Teachers' Association put on their big annual carnival on next Thursday, October 31, at the Masonic Hall.

The carnival will open with a big parade at 6 p. m. Children for the grade schools will participate in the parade which will be led by the high school band. A prize for the best costume in the parade will be given.

As in the past there will be plenty of amusement at the carnival not only for the young, but the old and those who fail to attend will miss a treat. Hamburgers coffee and various kinds of food, candy and pop corn will be on sale to satisfy that hunger. Many booths on the side line will keep one guessing as to what is on the inside and what fun there will be when one satisfies his curiosity.

The climax of the P.T.A. Hallowe'en carnival will be a superb floor show chuck full of surprises, laughs, and enjoyments. Mrs. S. H. Underwood, who has charge of this particular hour, guarantees everyone his laughs back if he is not pleased with the entertainment.

Come out to the carnival at the Masonic Hall and set your friends up to a real treat!

All persons who are in the floor show are requested to be at rehearsal at the Masonic Hall Wednesday night, October 30, at 8 o'clock, according to Mrs. Underwood.

So Sanderson folks, keep Thursday, October 31, as a date with the P.T.A. for plenty of rollicking Hallowe'en fun.—Reported

SNOOPER—

Who is that "certain" boy that made Maurine Frazier so happy?

Ohn Whistler is sporting a big smile this week. Could it be because Mary Hope Bodkin wrote him a letter?

Am I snooping too much when I ask, "What's the matter with Edgar and Helen? I hear Billie Raye has a crush on him."

We wonder what fascination Kathryn Nell has over Bill Cochran? Tell us how you manage it, Kat.

What does Campbell think about Joyce Yeates taking pictures down at the train Sunday? Don't worry Campbell, they left.

When asked who she liked, Doris Cochran answered, "I'm like God, I love them all."

We wonder who Mickie Corde's "Paradise" is? I don't suppose it could be B. F. Davis do you Mickie?

What little girl does Donald Smith shower his affections on? Do you know, Marie Wilson? (Don't forget, Donald, that the snooper is everywhere all of the time).

Bernice, do you like to drive Bill Cargile's little "whoopie"? From the back seat he thinks you're good. What do you think Marybelle?

My, my, my, but don't Robert Shaw and Maurine Frazier make a cute couple?

Can't the girls of Sanderson High leave James (CASA) House alone for just a little while? The other boys would like to know his technique?

Why was Margie Morris so happy when she came back from Abilene?

We'll be back in a flash with a flash of snooping for this snooper.

SANDERSON EAGLES DEFEAT DEL RIO WILDCATS SAT.

The Sanderson High School Eagles broke into the win column Saturday, October 19, at the expense of the Del Rio night shift. It was the second set of Wildcats the Eagles had met in the last two weeks. (Last week the Fabens Wildcats) but this time the Wildcats of the river did not prove to be so tough as the Fabens Wildcats. The Del Rio gang went back with the little end of the score, being 26-7 in favor of the local squad. This was the first game played on the local field this season.

The Eagles proved their ability to take to the air as two of the touchdowns came from passes. The Wildcats were more of a ground team. The Eagles gained 158 yards to Del Rio's 19 yards. Ross Stavley, quarterback of the Eagles, was responsible for completing 8 out of 18

passes to Wilkinson, Kerr and Cargile.

The game's scoring came in the first quarter when Ross Stavley intercepted a Wildcat pass and galloped 55 yards to pay dirt. Bill Cargile took Sanderson's famous "statue of liberty" around his left end for another score but it was called back because of an off-side penalty. This didn't stop him because in the second quarter, on the same play he got away on a long gallop for six more points. The place kick was wide and the score was 13-0 in favor of Sanderson.

In the third quarter, Del Rio started on their comeback and drove down the field and over the double line to make the score 13-7 in favor of Sanderson. This ended Del Rio's scoring because not five minutes after, Stavley heaved end Kerr a beautiful pass which fell into his hands and he eluded all would-be tacklers to cross the goal line. The conversion was no good and the score was 19-7. Del Rio played the fourth quarter on their side of the 50 yard stripe which made the Eagles the aggressors. Stavley shot Cargile a pass and he tore down the side line for his second touchdown. The score was not 25-1. Wilkinson's kick split the uprights and completed the scoring for the day at 26-7. The boys really fought to win this game and they truly deserve the taste of victory.

PEP RALLY FRIDAY NIGHT

They are at it again and boy, did they make a racket! All the noise took place at a pep rally held last Friday night between Kerr Mercantile and Sanderson Mercantile. The drum corps, pep squad, and band, all in uniform took part. This was the first time for the drum corps and pep squad, as well as the drum majorettes, to appear in full uniform. After a few yells by the drum corps and a few songs by the band, the yell leaders called all the teachers that were present into the center of the street where they gave fifteen "rahs" for the team. Mr. Holt, Mrs. Smith, Mr. Caraway, Mr. Gauntt and Stump Duke gave short pep talks. Then Mr. Gauntt had all the boys who were coming out for football to step out from the crowd. None of the boys gave speeches, but saved their fighting spirit to beat the Del Rio B team the next day.

The members of the Pep Squad, Drum Corps, and band performed a drill on the football field Saturday afternoon when the Eagles met the Del Rio B Team. The members of the band formed a cannon and the pep squad and drum corps filled in between the band numbers. At the roll of the drums which gave the sound of a cannon the pep squad left the cannon and formed the letters, S.H.S. on the Eagle field. PEP SQUAD IN CHARGE ASSEMBLY

The pep squad had charge of the assembly last Thursday morning and aroused some school spirit in Sanderson High and enthusiasm for the football game with Del Rio. The pep leaders, Marybelle Hollebeke, Pauline Bell, Billie Ray Bowden, Joe Ross Phillips, and Robert Shaw led students singing "God Bless America" followed by the school song, "Black and Orange Forever", "That Good Old Eagle Line." and "The Football Boys From Sanderson," a song written for the Eagles by Ray Phil- lips, who is a senior student from Dryden. Pep talks were made by Coach Smith and Mr. Caraway and Earl Hurst and the yell leaders led the group with appropriate yells.

The new Eagle song written by Ray is sung to the tune of "Yankee Doodle" and the words are as follows:

The football boys from Sander- son Hi
Are always smiling, grinning,
And when they play a football game
They always do the winning!

Chorus

Fight 'em, Eagles, scratch 'em up.
They just think they're dandy.
Mind those passes and those kicks,
And with your downs be handy.

The pep squad gang is all right here.
We know you're tough as Hickory.
Come on, boys, and win this game,
And carry home the victory!

The Rev. Taft Holloway talked to the entire student body Mon- day morning on the "Value of Making Decisions in Life." The fifth grade sang three numbers, "Morning Prayer," "God Bless America," and "America, the Beautiful." The Rev. Holloway is the second minister of San- derson to address the pupils this year.

CAN YOU IMAGINE?

The members of the News- paper Club writing editorials? Snooper's box being full? The junior class with creative abilities? Plane Geometry students able to prove any problem? The typing students handing in perfect copies? Lois Bea Osgood not getting letters from A. & M.? Earl Hurst as vice-president of the United States? Joyce Yeates as John Hard- grave's secretary? Sam Bell making a good speech in English? Ross Stavley not talking just to hear himself talk? J. D. Vincent not being bash- ful? Robert Shaw not liking pretty girls—especially drum majors? Adeline Bosworth not looking Baptist preachers? Maurine Cox not wanting to go to New Orleans? Buster Babb without lots of chewing gum for those cute girls who wait for him in front of the high school? The funnies being the most unpopular part of the newspap- er? All the students singing in as- sembly? Pauline Bell going steadily with "Dagger" Bill? Mr. Holt not yelling "Nay" in the Civics Parliament? Joyce Lawrence walking to school? Mr. Pickard being a singing

teacher? Jeep twirling a baton in a white satin uniform (we mean skirt too!)

J. D. Vincent not saying, "hello honey?"

Mr. Holt jitterbugging on the talent program?

Simon Shaw tall and blonde? "Chookie" not being ready to cut somebody's throat?

The senior girls not rating with the junior boys?

The boys going domestic and taking up sewing?

Some of the seniors making 30 in chemistry?

The football boys not getting their victory kisses?

B. F. flirting with just the blondes in school?

his second—let's ask him why he
liked the Gas Refrigerator this time!"

"Uncle Harry's a smart old boy," says Mary to me. "If he
chose the refrigerator that freezes with NO MOVING PARTS
for his second... maybe we should choose it for our first!"

moving parts to wear..."
Harry explains, when we ask him
come?" "You see, this freezing
hasn't any machinery. It simply
year or become noisy. Just listen to
Electrolux!"

2 "Can't hear a sound, Uncle..."
we agree. "Is Servel always like that?"
"You bet it is," he says. "And it's the
only refrigerator I know of that is. You
don't hear anything now—and you never
will as long as I have it."

3 "Look at these savings, too..."
he beams, showing us his bills. "They're
something. Other refrigerators may be
pretty inexpensive to run when new, but
it takes one with no moving parts to run
for only a few cents a day... year after year."

4 "A tiny flame does all the work..."
adds Uncle Harry. "That's Servel's secret.
Nothing in the freezing system to wear
out or make a noise... Do you wonder I
changed to a Servel Electrolux for my
second refrigerator?"

Gas Refrigerator

5 "Let's make ours a Servel!" That's
what more and more people are saying every year
... whether they're replacing old, worn-out automatic
refrigerators, or buying their first ones. Take a tip
from those who've had experience: get a Servel your-

self! The 1940 models are on display in our showrooms
right now... more beautiful, more full of modern
conveniences than ever before. Come in... pick the
model you want, and begin enjoying the advantages
of refrigeration without moving parts yourself!
