On The BEAM

By J. W. King, Sr.

What a pity all that water the mighty Mississippi River is spilling into towns and countrysides as it wends its way to the Gulf can not be channeled into some of the almost dry lakes in this area. Some time in the future that very thing may happen. Water is one of the greatest needs of most of the Western States. Our present sources of supply are not adequate for the needs of the area.

The recent fire at the city hall and fire station has brought forth a plea from some of the firemen for a better place in which to keep the fire trucks. One plan that has been put forth is to build a new city hall and fire station at a different location and utilize the present city hall building for a jail.

The city council is doing some thinking on the matter and it may be that something will be done to relieve the crowded situation in the city office and the fire station.

Since 22 housing units have been approved for Loraine it will not be long before the local housing authority will take over and begin the construction. First, lots must be secured, titles approved and bids called for which will take a little while.

I wonder if any men ever read this column. The ladies, bless 'em, frequently tell me how they appreciate my efforts in trying to get people to think about ways and means to improve our town but it is a rare incident if a man tells me he reads the column and very rare indeed if he tells me he appreciates it. Is it that women are more civic minded than men.

Co-Op Gin Association Elects New Officers

At a recent meeting of the Co-op Gin Association the new manager, Thurston Smith spoke on future plans for the Gin Plant.

J. W. Boyd presided over the meeting when two directors were re-elected. They were E. B. Stewart and Willis Cornutt whose terms were expired. Other directors are Alfred Hackfeld, Roscoe Hudgins and J. W. Boyd.

The Plant paid 50 cents per bale or a total of $5,380 dividend the past year and paid 5% on stock.

Gene Howard spoke on "The Rolling Plains Compress, and the Rolling Plains Cotton Growers Association".

Mr. Smith told the group the new plant will have a capacity of 12 bales per hour, whereas the other two plants turned out a maximum of 10-11 bales per hour

The building, known as Co-op Gin No. 1, is in the process of being torn down and moved north across the aRil Road to be combined with Co-op Gin No. 2, making up the new plant which will be known as Co-op Gin Association.

Mr. Smith, recently hired manager of the Association started in the Gin business in 1937 when he took over as bookkeeper for the Buford Co-op. He became manager four years later and has served in that capacity since until his resignation to take over as manager of the Loraine Plant.

Mr. and Mrs. Smith live on their farm in the Buford Community. Mrs. Smith was the former Vivian Curry.

They have one son, Ray Smith, with Texas Oil Company, Midland and two daughters, Billy Louise Allen, Sanderson, Texas and Ethelyn Brecheen, a teacher at Abilene Christian College.

Loyd Ragain Services Held Saturday

Funeral services for Loyd Ragain 47, were held at 10:30 a.m. Saturday in Blooming Grove, Texas in the Blooming Grove Chapel under direction of McCormick Funeral Home.

Mr. Ragain was killed when his heavy-duty truck slid down an embankment at the Senator Wash Dam in Arizona where he was working. He jumped from the truck, but the front wheels ran over him. He died shortly after arriving at a hospital.

He was born in Hugo, Oklahoma in 1918 and came to Loraine in 1935.

He was a World War II veteran and while serving in the Phillipines with the 440th Ordnance Company, he and his brother, Stanley, were captured by the Japanese and held as prisoners of war for 43 months.

Following his release, he was awarded the American Defense Medal with one bronze star, the Asiatic Pacific Medal with two bronze stars, the Phillipine Defense Medal with one bronze star and distinguished unit badge.

He is survived by his wife, Imogene, of Yuma, Arizona, one son, Michael, stationed at the U. S. Navy base at Orange, Teras; one granddaughter; his father, W. R. Ragain, and two brothers, Leroy and Stanley, all of Loraine.

Mahon Protests Skip-Row Program

Representative George Mahon reports that he has protested to the Secretary of Agriculture the proposed change in the skip-row program for cotton. Mahon advised the Secretary that he felt the proposed change would be disastrous to some farmers and hurtful to all.

Mahon has asked the Chairman of the House Committee on Agriculture to conduct an open hearing to enable farmers and farm organizations to air their views on the subject of the proposed change.

The Department of Agriculture has proposed a modification of the cotton-skip-row program for 1966 which would reduce by 30 percent the advantage which the present program grants to producers who plant two rows of cotton and skip one or who plant two rows of cotton and skip four.

The advantage granted under the present program to those who plant four rows and skip two or who plant four rows and skip four would be reduced by 15 per cent.

Mahon has provided details of the USDA proposed change to all ASC office managers in the District and to officials of farm organizations whose addresses are available to him. The Department will give consideration to all protests and recommendations which are submitted prior to May 22, 1965. Mahon urges that farmers and farm organizations make their views known immediately to the Department of Agriculture, Washington, D. C.

EDITOR'S NOTE — Anyone wishing to protest or make recommendations to the Department, may pick up addressed cards at the News Office or the ASC Office in Colorado City.

Clean Up-Paint Up Week May 17 Through 21

PROCLAMATION

Cleanliness of our City contributes to the health and well being of the people of our community; and, trash and rubbish are breeding places for flies and mosquitoes. Flies and mosquitoes are the chief contributors to the spreading of disease. Trash and rubbish also create one of our worst fire hazards.

The officials of the City of Loraine, Texas, recognize the importance of cleanliness and its importance to the health and beauty of our community. The cooperation of every man, woman and child is necessary to make a success of this project.

I, B. H. JOHNSON, Mayor of the City of Loraine, Texas, do hereby proclaim the week of May 17—21, 1965, inclusive as SPRING CLEAN-UP PAINT-UP WEEK.

I hereto sign my name and seal of office this the 5th day of May, 1965.

B. H. Johnson, Mayor
City of Loraine, Texas
(SEAL)

The following message to the citizens of Loraine from the City Council urges everyone's cooperation in the coming Clean-Up, Paint-Up Week.

Spring Clean-Up Paint-Up week is only as effective as "YOU" the people of Loraine make it. Each citizen has the responsibility to make living conditions in Loraine safe for the health and well being of everyone in the community.

Take pride in your community, make it a place where others would like to live. A dirty town is not an attractive town. If everyone will take the responsibility of helping with this clean-up, paint-up, it will add to the health and security of every person living in Loraine.

Remove all breeding places for flies or mosquitoes. Clear out the weeds and brush, which collect papers and cans, which in turn breed disease.

When you have cleaned-up and burnt all that will burn, the city truck will pick-up the rest if you will pile it in and around your present trash barrel.

LORAINE CITY COUNCIL
B. H. JOHNSON, Mayor

CLEAN-UP NIGHTS FOR LITTLE LEAGUE BALL PARK MAY 10, 11

This is a message to all persons who are interested in Little League Ball. There is is to be a clean-up of the ball park. Monday and Tuesday nights May 10, and 11.

All who have children who will be playing ball this summer and those that are interested in seeing them play, bring some hoes, rakes and a pick-up and maybe a lawn mower or two to the little league ball park on Monday and Tuesday nights, May 10 and 11 so the park can be cleaned up and readied for the first game.

As everyone already knows, in order for Loraine to have a Little League Program this or any other year, it takes a great deal of effort on everybody's part so if everybody will pitch-in and help, it won't take very much time to get the field in shape for ball playing, so come on up with your tools and lets get it done.

SOCIAL SECURITY NEEDS HELP OF INDIVIDUALS

The Social Security Administration needs your help in keeping an accurate lifetime record of your earnings and the more than 100 million other Americans covered by the program according to Erven Fisher, district manager of the Big Spring Social Security office.

Future benefits are based on these records. Unless an error in reporting is brought to light within about 3 years, after the year in which it occurs, correction may not be possible. Because of this, it is a good idea to check your record occasionally. There is no charge. Your Social Security Office, located at 1009 Gregg St., can furnish you with a postcard Form OAR-7004 to do this, or you may request the information by letter, being sure to clearly show your social security account number, date of birth, and name.

ATHENEUM STUDY CLUB

Mrs. C. R. Green was hostess to the Atheneum Study Club on Tuesday.

Mrs. T. J. Riden and Mrs. B. H. Johnson showed color slides of Hiawaiian scenes which they made on trips to the Islands.

Mrs. Riden, in native costume, introduced the program with a very clever original poem on "My Trip To Hawaii", a dream come true. She spent 7 weeks working among Christian youth in Daily Vacation Bible Schools and youth camps in all 6 Islands. A Japanese native of Honolulu, Miss Sito was youth supervisor and directed this work. She will be a guest of Mrs. Riden in June.

The pictures began with views of Honolulu, a melting pot of various nationality. No race segregation exists there.

Mrs. Johnson presented color slides of the Islands that she made when she and Dr. Johnson attended the International Medical meeting for 10 days in 1959. Both sets of pictures were of breathtaking beauty and the talks were filled with information concerning our newest state.

The beauty of the ocean views, with ships at anchor, including Pearl Harbor, or natural scenery of mountains, canyon streams, volcanoes, burning lava pits, native houses in artistically arranged landscaping, and gardens, fine modern buildings, as well as ancient ones, which included the gorgeous interior of the last Kings throne room and the inside of a Buddist Temple.

There were fields of rice and pineapple in various stages of growth, along with sugar cane fields that grow for 18 months when foliages is burned off and stalks cut for sugar mills.

Many odd native trees, such as Banyan, Monkey pod, tulip trees full of red blooms, Golden shower trees, and sausage trees are of interest to the visitors.

Hibiscus, the state flower, is used as decorations and leis are lavishly used in many kinds and colors of native flowers including many varieties of orchids.

Mrs. Hester called the business meeting to order and the collect was given also the salute to the U. S. and Texas Flags.

Mrs. Lester Finley was welcomed as a new member.

Dainty refreshments carrying out the Hawaiian theme were served by the hostess to eleven members and one visitor, Mrs. Ira Coffee.

Why today's brides choose modern gas cooking...

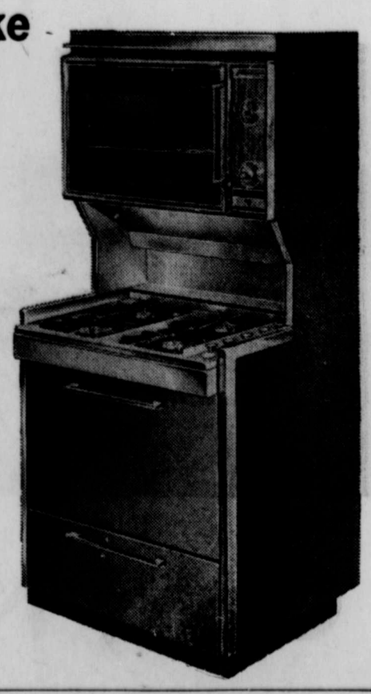

Mrs. David Bronstad cooks on a new gas range

Gas broils cleanest and coolest (no smoke ...the broiler door stays closed!)

Some range manufacturers suggest an *open* broiler door. Gas is different. You close the broiler door and let "the little blue flame" eat up the smoke. No smutty, hot kitchen for you — just savory, flame-kissed broiling without smoke! Like today's smart young brides, *you'll* cook cleaner and cooler with an automatic '65 model gas range. Now's the time to buy it — at gas range dealers and Lone Star Gas.

GAS RANGE DEALER'S SPRING SALE

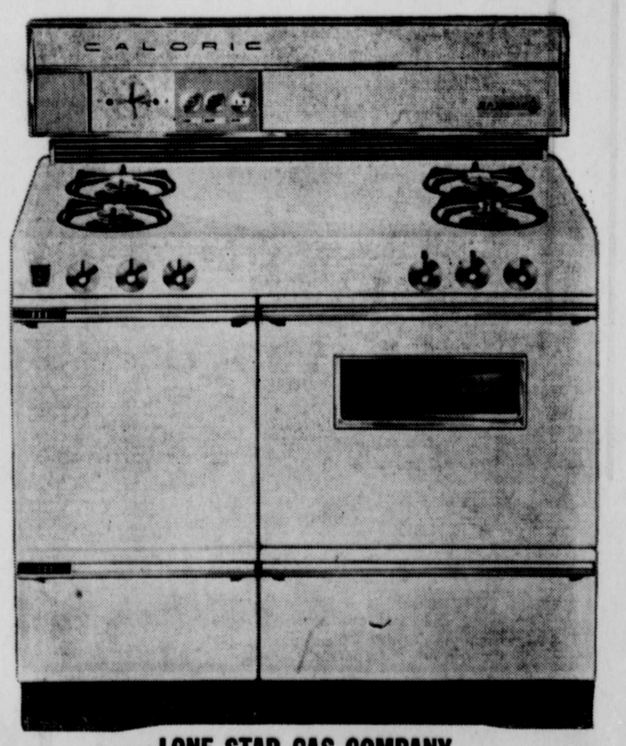

SPRING SALE SPECIAL

CALORIC ULTRAMATIC 36 GAS RANGE!

This amazing gas range features the latest breakthrough in cooking: Infra-Red broiling that can cut broiling time by 30% ... meat cooks so fast it hasn't time to dry out and lose its flavor! Also featured: Keep-Warm oven system sets as low as 140-degrees, clock, timer, indicator light, removable oven and broiler doors, oven window and the fabulous Burner-with-a-Brain that makes every pan automatic!

Regularly priced at $299.00. Now less $44.85 trade-in, only $254.15 plus tax

READ ROMANS 5:6-11

God shows his love for us in that while we were yet sinners Christ died for us. Romans 5::8 (RSV)

One day my roomate violated a school regulation. I advised her to observe it, but she said, "I have seen someone else break it." She was wilful and disobedient, and had many other faults. I always critized her in my mind and did not love her.

I was thankful to God for His ove and forgiveness for my sins. And I thought I loved Him, then I perceived that I really did not because I did not love my roommate, who was also His child.

Because God created all persons, Jesus loves them all, though they have sins or do not accept His redeeming love. In fact, because of His love for people, Jesus laid down His life on the cross.

God has showed us His great love; we show that His love is in us by loving one another.

I have more faults than my roommate, but God loves even me. Now I can say that I love God and also my roommate, whom He loves.

PRAYER: :Lord Jesus, we thank Thee for Thy suffering on the cross, for Thy patience and love despite our weakness and sin. We thank Thee for the victory that is ours because Thou dost enable us to love one another. Help us to keep loving all Thy children. In Thy name we ask. Amen.

THOUGHT FOR THE DAY

Jesus suffered on the cross because He loves sinners like me.

Loraine High School Future Teachers Of America Meeting Held

The Loraine Chapter of the Future Teachers of America met Tuesday at the second period in the cafeteria. The President of the local FTA Chapter, Carolyn Sue Schroeder, presided. Byron Mote gave the Invocation.

Linda Chapman gave the treasurers report. The historians, Sherry Graham and Byron Mote, stated that the Scrapbook had been completed for this year.

The advisor reported that 12 members of the Loraine High School FTA Chapter had participated in the Career Teaching month for April.

The nominating committee, Johnny Baumann, chairman, Sherry Graham, and Carolyn Sue Schroeder, gave its report for the new officers for next year. Those nominated were: President-Nancy Coffee, Vice-President-R. J. Baumann, Secretary-Susan Terry, Treasurer- Bobbie Schroeder, Historians-Beverly Doyle and Linda Troutt, Reporters-Della Mae Browning and Janet Sue Hall, and Parliamentarian - Kenneth Brame. These new officers were elected by acclamation and will start serving in September.

The meeting was adjourned for refreshments. The refreshments were served by the social committee, Donnie Phillips, chairman, Mike McDaniel, Sharon Byrne, Kay Givens, and Janet Sue Hall.

IN APPRECIATION

During the past seven weeks I have had the privilege of doing my student teaching at Loraine High School in Vocational Agriculture. During this time many people have given me helpful information and advice. I would like to take this opportunity to extend to you my heartfelt thanks.

I would first like to thank the student body for your cooperation, attention, and willingness to work. If I do become a teacher, I hope that my students will be like you at LHS. I would also like to thank the faculty for the friendship and appreciation which you have shown.

My special thanks are extended to Mr. Raymond Holt for his encouragement, advice and example. Mr. Holt ranks high in the catalogue of good teachers and it has been a wonderful experience working with him. Also I extend a special thanks to Mr. and Mrs. Pete Etheredge for letting me stay in their home while here at Loraine.

I have enjoyed and appreciated meeting and visiting with the business people and parents of the Loraine community. Warmth and friendliness are what makes a stranger feel welcome and it seems as though I have known every one here for a long time, because everyone treated me as their friend. Without all of your help I could not have gained so much from this pleasant experience.

Once again, thanks.
Lloyd F. Collins

Mr. and Mrs. Aubrey Caswell, accompanied by a brother and wife, Mr. and Mrs. Ira Caswell of Blanco, Texas and another brother, Willie Caswell from California left for California where they will visit in the Willie Caswell home with another brother and three sisters and their families and with his father, Dave Caswell at Blythe, California.

Whether you cook electrically...

You'll enjoy cooking that's clean and cool because it's FLAMELESS

There are many ways to cook electrically... from the versatile electric range for big meals to smaller appliances such as the electric rotisserie and electric frypan. Regardless of which method you choose, you'll enjoy two big advantages that are exclusive with flameless electric cooking. You'll enjoy the cleanliness of electric cooking because the heat used is as clean as electric light. And you'll enjoy cooler cooking because there are no open flames to waste heat into the cooking area. See your electric appliance dealer soon. Start cooking the clean, cool, modern way... with flameless electricity.

Grade School Presents Musical Program

The Loraine Grade School pupils presented a musical program Thursday night, April 29. This program, featuring 4th, 5th and 6th grade students, was presented very well and the children are to be complimented for their efforts. Buck Hughs, music instructor, conducted the program.

The 4th grade, playing tonettes from memory, opened the program with This Old Man. Other selections were: Lightly Row, Chop Sticks; Long, Long Ago; main theme from Hungarian Rhapsody No. 5; She'll Be Coming Around The Mountain; Little Brown Jug; Grandfather's Clock; main theme from When The Saints Go Marching In; and Finale From Orpheus, best known as "Can Can".

Next the 5th grade, who has had their regular instruments since mid-October and their music books about a month, began their portion of the program with Harmony March, followed by Skaters Waltz; Drummer Boy March, Featuring Linda Vasquez and Irene Munoz on the drums; A Western Medley (a medley of two songs, Home On The Range and Red River Valley); and Melody March.

A very impressive showing was made by the 6th grade as they presented the following: Proudly We Play, by Evert Maxwell; Paps Overture; George Hondo's Firework Music; Highlanders Fling, a Scottish medley of three songs; Celebration; Green Rushes Runymede; and March For a Festival.

Most of the numbers played by the 6th grade are Senior Band numbers and have been played by the band in competition in the last few years.

NOTICE

Secretary of State Crawford C. Martin announced that all qualified Notaries Public desiring reappointment for the new term ending June 1, 1967 must requalify by the payment of the required fee and the filing of a new oath and bond with the County Clerk of his residence between May 1, 1965 and May 15, 1965, inclusive.

Martin emphasized that Notaries Public should NOT send requests for re-appointment or for commissions directly to the Secretary of State. The law specifically requires that the County Clerks approve notary bonds.

Any person not now a Notary Public who desires appointment should apply to his County Clerk before May 20, 1965. Application during this period will assure that the appointment will be made in sufficient time for the applicant to qualify at the beginning of the new term.

The Secretary of State further pointed out that each person applying for a commission as a Notary Public must be at least 21 years of age and a resident of the county for which he is appointed. The exact name and permanent address of the applicant must be furnished the County Clerk. 52-2-c

Band Concert Well Attended

A very responsive audience heard one of the finer concerts to be presented by the Loraine Senior Band Tuesday night. Among the better received numbers was the overture, "The Blue and the Gray", by Clare Greendeman. This number was the feature of the evening program and had such tunes as "Dixie", "Aurie Lee", "Tenting tonight on the old camp grounds," "Marching Thru Georgia," "Battle Hymn of the Republic," and other Civil war melodies interwoven through this fine program piece.

The program opened with the fine old standard march "Under the Double Eagle" This was followed by a modern selection: "Rhythm of the Winds" and a descriptive overture, "Kensington Overture".

On the lighter side, music such as "Syncopated Clock," and "Tropical Twilight," was performed. Miss Bobbie Lou Schroeder turned in a very fine rendition of "The Clarinet Polka," and the closing number of this section was the lively Spanish march "Amparita Roca."

Before the closing of the program, Mr. Hughs, Band Director, introduced the graduating Seniors. These students are: Ann Compton, Carolyn Schroeder, Byron Mote, Keith Hamilton, Harold Preston, Rachel Beights, Sherry Graham, and Caroll Little. Also introduced were the students who will comprise the "front" for the marching band next fall. These students are: Mr. Danny Tartt, Drum major; Misses Nancy Coffee, Arleta Martin, Judy Tartt and Gaye Green, majorettes.

The program was closed with the graduating Seniors leading the audience in the singing of the Loraine school song.

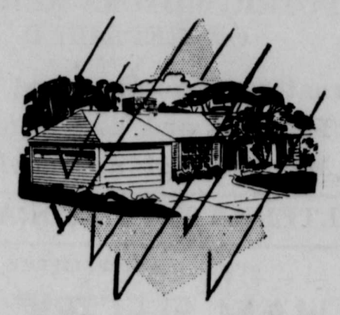

Mr. and Mrs. J. B. Mahon spent Sunday in Abilene visiting a son and family, Mr. and Mrs. Eldon Mahon.
