SWEET N' SOUR

By A. Dill

This is it! Schools out this week and there's three full golden months of vacation ahead for the youngsters of the Baird School District. Go to it, keeds, fish 'n swim, play ball, and just plain lazy it up - do all the things that make summer a happy time, then come back in September with all that old school spirit that you are famous for.

Twenty-four Seniors received diplomas Tuesday night and topped the moment of climax off with a commencement lawn party afterwards at the home of Dolores Shelnutt on Cherry Street. Thursday the Seniors, their room mothers and sponsors, Mrs. Clyde White and H. R. Jefferies left Baird for their Senior trip to New Orleans, La., Biloxi, Miss., and points east. The tour will include a visit to Baton Rouge and the Louisiana State Capitol, as well as a hundred mile boat trip up the Mississippi River and guided tours through historic and modern New Orleans.

Mr. and Mrs. N. H. Patterson entertained unexpected but welcome quests Monday when Mrs. Patterson's cousins, Mr. and Mrs. Edward J. Duenkel of Barton, Wisconsin, stopped by for a visit enroute to Brownsville. While in Baird, the Duenkels visited with Ray Black and Forest Franke. Black, Franke and Duenkle were World War II buddies.

Ruby and Harry Berry have had some special guests this week - Autrey and Charles Norris of Venezuela, S. A. are here. Together, with Ed Schaeffer of San Antonio, the Norrises will fly to Nashville Tenn., to attend their son's graduation from Brown's Military Institute. The Berrys are debating whether to make the trip with them.

Mr. and Mrs. R. Q. Evans and Miss Jeffie Lambert had a pleasant trip this week - to witness the graduation of Jack Lambert's granddaughter from Ranger High School.

Mr. and Mrs. Kale Weldon welcomed a visit this week from the C. P. Burnett Sr. family of Amarillo - having daughter Helen and her four baby girls for one whole week was a delightful treat. The Weldons look forward to a visit soon from daughter Anita and her three children and one grandchild.

And still more good news - Sallie Eastham has moved back to Baird. She has residence at the Ebert Apartments where she is always at home to her many friends. Sallie always a "displaced Bairdite" down in Ft. Worth and we celebrate that the gal is back in the home corral - welcome back.

Happy birthday to tiny Brenda Higgins who will have one candle on her cake Sunday -- many wishes for happiness to a precious baby girl.

Birthday wishes to petite and pretty Stella Marie Canada, Edmund Webb's baby granddaughter, who had that all-important number one birthday in April.

Birthday greetings to Lynda Kay Pruitt with a May celebration complete with ice cream and birthday cake last week.

Special birthday greetings to Tom Brecheen with a 5th birthday in the merry month of May and to Billy Collins who celebrates in this month too.

Very best wishes to Beverly Curtis and Teddy Ray Poindexter who exchanged wedding vows last week -- we join their many friends in hoping the best for two nice youngters.

And that just about signs 30 to this last week of May -- except the 31st has a special glow of significance for us -- it's our eighteenth wedding anniversary and if the other A. Dill is listening (and he'd very well better be - fine thing if you can't count on your family as readers) what were we about to say? Oh yes, dear, we've loved every moment of it.

Pierson Named To Advisory Unit

Bennie E. Pierson, assistant principal and counselor at the Big Spring High School, has been named to an advisory committee for the Division of Supervision and Guidance, Texas Education Agency.

There are about 10 counselors from throughout the state on the advisory panel. The group is to meet in Austin Friday and Saturday to set up summer workshops to be conducted for guidance personnel in different sections this summer.

The committee also will participate in a conference on the state testing program during the week end.

Mr. Pierson is the son of Mr. and Mrs. A. J. Pierson of Baird.

R. W. Reynolds Heads Committee

A district planning committee, to work with the study of small schools being undertaken by the State Board of Education, was named at the meeting of school administrators recently at Throckmorton.

The committee is composed of R. W. Reynolds, Putnam; Delton Stilley, Throckmorton; C. E. Womack, Hawley; Max Tunnell, Bellevue; Elvin Mathis, O'Brien; Graydon Baze, Gorman; Ray Skidmore, Benjamin; Henry Johnson, Montague, the recorder, and Melvin Fenoglio, Montague, chairman.

Charles T. Bitters, coordinator of the Texas Small School Study from the Texas Education Agency called the meeting. Bitters is also executive secretary of the Texas Small Schools Association.

Suggested topics for future study were discussed and plans made for a comprehensive study to begin in September on a district level.

25-Pound Bobcat Answers Fox Call

Who do you think trotted out Wednesday night, when Clint Brannon and son Bart blew a stout blast on their fox-call horn?

A fox?

Hardly.

A whopping, sharp - fanged grand-daddy bobcat came loping toward the brush where the Brannan's were hidden.

The startled Brannan, equipped with a .410 shotgun for the fox hunt quickly let go with all he had at the bobcat before the big cat saw them.

Result: one dead bobcat, weighing 25 poudns in his dark-spotted-reddish-brown fur.

Highway patrolman Jack Holmes said that Brannan - Clyde's water superintendent—was fox-hunting with his son 10 miles north of Clyde. It was about 7:30 p. m. when the four-foot long bobcat lumbered out in response to the cry of the fox-call.

The father and son brought their kill to the office of R. L. Payne, Clyde justice of the peace who said that it was the largest he had ever seen.

Baird Ga's Win Attendance Banner

The Callahan Baptist Association G.A. Council met Saturday morning, May 16, at the Cross Plains Baptist Church. President Margaret Burnett of Clyde presided over the meeting. Mrs. L. G. Lane led in prayer for the missionaries who had birthdays that day. Margaret Burnett and Becky Baird gave a report on the statewide Queen's Court they attended at Howard Payne College in Brownwood during the Easter holidays.

Announcement was made concerning the District 17 GA Camps to be held at Lueders this summer: the Intermediate GA Camp to be June 22-25; the Junior Camp June 29-July 2.

Program Chairman Becky Baird of Cross Plains introduced the program, which was an accordian duet presented by GAs from Clyde, and the missionary speaker, Mrs. Leonard G. Lane, Southern Baptist missionary to Nigeria, who showed colored slides of her mission work and told some very interesting things about her work in Nigeria, West Africa.

The GA attendance banner was awarded to the Baird GA's for having every member present. There were 45 present for the meeting, representing Baird, Clyde, Cottonwood, Cross Plains, and Potosi. A picnic lunch was enjoyed at noon.

The next meeting of the association will be in August at the Cottonwood Baptist Church.

Mrs. Melba Walls, who lives on N. 2nd, Baird, is one of the fortunate few whose apricot tree was not damaged by the frost this year. Glen Green, county agent, was displaying a small limb taken from the tree in Mrs. Walls yard this week, upon which were 14 perfect apricots on a space of about 8 inches. Mr. Green stated this was but a small sample of the heavily laden tree.

Gas Co. to Close On Saturdays

The Lone Star Gas Company's local commercial office will close on Saturdays, beginning May 30, Manager Bob McKinnon announced today.

Even though the commercial office will be closed all day Saturday, Mr. McKinnon emphasized that the company will continue to render the same service on customers' premises that has been the custom in the past. This service can be initiated by telephone.

The Saturday closing policy is being put into effect throughout the Lone Star distribution system.

Cowboy Reunion July 2-3-4

M. M. (Marvin) Cobb, from some 20 miles east of Stamford, who hasn't missed a single night performance of the Texas Cowboy Reunion in 30 years, intends to be in the 4 p. m. parade this year July 2nd, and the following two days.

The 74 year old cowboy, who came to the Clear Fork of the Brazos country in 1889, and has been in the cow business since, won the Cowboy Reunion Award for salf ropers when he was past 65. Cobb says he has used 12 different horses in the 29 street parades, and this year will ride his prize Dun horse Truman in the July 2nd parade.

Cobb has worked for many well known ranches, including Reynolds Cattle Co., managed the Proctor ranch for 20 years, worked on Hendrick's, as well as managing his own spread of over 1,500 acres. When branding time comes round, Cobb is still in demand by the younger ranchers of his area.

He intends to ride in the Grand Entry of the Texas Cowboy Reunion in the matinee of July 4th.

Brother of Eula Woman Killed

Funeral for Homer M. Sumrall, who reportedly walked in front of a truck Friday, was held at 5 p. m. Saturday at Elliott's Funeral Home in Abilene. Officiating was Rev. Henry Littleton, retired Baptist minister of Eastland. Burial was in Elmwood Memorial Park.

Mr. Sumrall had lived in Abilene since 1919. A rancher most of his life, he had been in the real estate business about six years.

He was fatally injured when struck by a truck on U. S. 80 about 9:50 a. m. Friday, a half-mile east of Thunderbird Lodge. He died at 10:48 a. m. in Hendrick Memorial Hospital.

Mr. Sumrall was born in Eastland County on June 1, 1904. He moved to Abilene with his parents and graduated from Abilene High School in 1923. He graduated from Draughon's Business College.

He was married to Alva Pearl Blackburn in Abilene on April 12, 1927.

Surviving are the wife; one sister, Mrs. Reece Miller of Eula; three brothers, Fulton of Algoa, Tex., A. J. of Berryville, Ark., and Bob of Abilene.

Tornado Hits Eula Duroc Farm

Tommy Milliron's Duroc farm, 2½ miles north of Eula, was hit about 5 p. m. Wednesday, May 20, by a tronado.

Moving, north the twister ripped the top off a 20 by 100 foot pig parlor in a concrete feed lot.

The sheet-iron top was scattered over an area of some 150 yards.

When it hit, 116 hogs stood in the feed lot, The registered Durocs escaped injury, Milliron said.

The brother Clarence, who lives one mile east and two miles south of Eula, was plowing for Tommy — about 300 yards south of the feed lot. The funnel went over Clarence's head, he said, but it didn't hit the ground until it reached the pig parlor.

The tornado bypassed Tommy Milliron's home and several other hog buildings, just east of the feed lot. The home is located on F-M 603, which runs from U. S. 80 to Eula.

As It Looks From Here . . .

In the last several years "Special Days" officially proclaimed has become a vogue.

We are now designating entire years to special purposes to place emphasis on special subjects.

The geophysical year has just been completed. Special efforts were made in the scientific field, but particularly the publicity was stepped up to inform the public on certain phases of research and experiments.

A new one -- a real dilly -- has now been dreamed up. It is to be a "World Refugee Year."

The President has just proclaimed the year beginning on July 1 as World Refugee Year, and pledge increased Government aid for more than two million refugees.

The President set forth a five point program which includes easing immigration restrictions, permitting an additional 65,000 so-called Refugees and Escapees to enter the United States.

Legislation has been introduced to authorize the Attorney General of the United States to admit an unspecified number of refugees "fleeing oppression."

While we look under every stone and chip to find Communists; while we attempt to stamp out disease; prevent crime; reduce unemployment; clear the slums; it becomes Government policy to open up our doors to a lot of people, who under our immigration laws are considered "undestrable" and not permitted to enter.

All these people will need to do is leave their country for any reason, say they are a refugee, and they become eligible to enter. All they need to do is start a riot such as occurred in Hungary in 1957, run out on it, and they are eligible.

The so-called Hungarian refugees permitted to enter in 1957 and 1958, are mostly congregated in the ghettos of the big cities, and this is about as definite as our officials know of their whereabouts or what they are doing. Their only responsibility is to register as an alien the first of each year, but many have failed to do so. They are not U. S. citizens and have no responsibility by reason of being here. Yet, we propose to open our doors to more of the same.

Our present immigration laws provide quotas from various countries. These quotas are set to permit immigration for the most desirable people. A certain number is provided for those nations supposedly more nearly like the United States.

Senator John F. Kennedy has introduced a bill which would remove these quotas entirely and allow 250,000 immigrants each year on a first-come, first-served basis.

The prsent law provides that visas should be allocated to countries in proportion to their share of the U. S. population in 1920. This provision would be eliminated, and unused quotas assigned to other areas.

As surprising as it is, the bill to authorize the Attorney General to admit an unspecified number of refugees on a parole basis, is authored by Congressman Francis E. Walter of Pennsylvania, Chairman of the Un-American Activities Committee and also Chairman of the House Immigration and Naturalization Subcommittee of the Judiciary.

This is the sort of sentiment generated by a few big organizations in this country, led by prominent people in disregard of the opinion of the ordinary citizen who is not in the ranks of the professional "do-gooders" and who has seemingly no voice in keeping out these thousands of people, many of whom should have no place in this nation.

We should only have to look in the daily newspapers of crime reports in the big cities, the riots, the political picketing, and other actions inimical to our standards, to have an idea of what it means to compound a serious situation already existant.

The leaders of th[illegible] say it is "humanitarian." [illegible]obably is in some cases, but [illegible]sk is great in many others. [illegible] also just possible that the [illegible] votes of the foreign eleme[illegible]n the big cities may also [illegible] con-siderable influence in [illegible]ces.)

Those who oppose s[illegible]ic[illegible] action are labeled "narrow," "unsympathetic to the oppressed" and even "bigots."

Let them say what they will, but the welfare of America, not to consider millions of taxpayers' money, is more important.

IT'S THE LAW In Texas . . .

Automobile Accident Rules Should Be Memorized

Vacation time is near. Soon millions of people will be driving about the country, and automobile accidents will occur with increasing frequency. What should a person do when involved in an accident?

At such times it is hard to keep your wits about you and know just what to do. It is therefore a good idea to plan in advance just what you would do in event of a smash-up. Here are a few simple rules that every driver should commit to memory:

1. Stop! Failure to stop can result in serious criminal consequences.

2. Render Aid! If anyone is injured: (1) Render first aid. (2) Stop bleeding. (3) Call a doctor or an ambulance or both. (4) Do not move an injured person in any way that could possibly add to his injury.

3. Protect the Scene from Further Damage. You may be liable for damages to approaching drivers, unless they are properly warned. If the highway is obstructed at night, have someone turn his headlight beams on the wrecked vehicles.

4. Call an Officer. Policemen, Highway Patrolmen, Sheriffs and their deputies are trained accident investigators whose testimony may be invaluable in establishing your civil claim for damages.

5. Gather Information . . . . Write it Down. Don't trust your memory. Don't guess - be specific. Measure skid marks. Step off distances. Be sure to obtain names and addresses of witnesses. You are required by law to exhibit your driver's license to the other driver -- and he must do the same.

6. Be Careful What You Say. Even if you feel you probably are to blame, it is best to make no admission. You may learn later that the other driver was equally at fault, or more so. Emotional comments can be misconstrued by others, or may be misquoted. Whatever you say, make it factual.

. See Your Doctor if there is the slightest chance you may be injured. Serious injuries do not always result in immediate pain or bloodshed.

8. Consult Your Lawyer Immediately. The sooner your lawyer is brought into the matter, the better he can advise you and protect your rights. He can obtain statements from the witnesses while their memories are fresh, and do many other things to insure that the true facts are preserved. Get your lawyer's advice before giving interviews or statements to investigators or adjusters for the other side.

9. Inform Your Insurance Company Promptly. Failure to do so may void your policy.

10. Report the Accident to the Department of Public Safety. This is required by law if there is any injury, death, or total damages exceed $25.00.

An official accident report form may be procured from the Police, Sheriff's Dept., Highway Patrol, or State Dept. of Public Safety.

Union Usuals and Unusuals

By Veda Yarbrough

Hi, neighbor. Well, I am still here, getting along mighty slow. I tell you that you don't want these things I have. This is four weeks and no better it seems.

Most farmers planted cotton last week. Had about an inch and a half of rain after it was planted, then high dry winds, which baked the ground. Need a shower now to wet the crust so it can get through.

We had quite a lot of company Sunday. Was glad to have everyone of them. They were Ollie Burnam, Mary Everett, Mrs. Mary Ramsey, Mr. and Mrs. Bill Everett of Putnam and Bro. Wayne Blankenship of Abilene.

Sunday night, Burette and Johnny May Ramsey and Stella Hughes of Rankin. So good to have them.

Johnny May visited in Rankin last week. Stella and her girls brought her home Saturday. Stella and Jeanie will return home some time this week Linda and Mickie will spend about a month with grandma and grandpa.

Mrs. Lillie Eubank visited with us a while Monday afternoon.

Mr. and Mrs. Elvin Wood and girls of Iowa Park are visiting with her parents, Mr. and Mrs. Rogenstein, and Elvin's parents, Fay and Emmett Wood in Cisco this week.

Annie Yarbrough visited with us a while Sunday. Monday, Annie and Dick picked berries. Came by and gave me enough to make a pie. Thanks, so much.

Jim and Roma went this morning to pick berries. Took John to the doctor. He has a crick or something in his neck and can't turn his head. Doctor told him not to work.

Betty and Babey Mobley came by a while one afternoon last week. Picked the beans for me.

The grain is ripening pretty fast, won't be too long till the combines will be humming all around.

I must stop now as I don't feel like writing any more, so be good and I hope to see you next week.

Oplin Observations

By Daphine Floyd

Sorry to hear that Mrs. Raymond Breeding underwent surgery last week.

Will Johnson was hospitalized a few days last week but is now back home feeling some better.

Mrs. Ral Hudson and daughter, Rene and Mrs. Paul Ray McIntyre and daughters, Patty and Karen, all of Abilene, attended Sunday School at the Baptist Church Sunday with Mrs. Zack McIntyre.

Mrs. Rose Kirkindoll of Lawn was visiting at the Methodist Church Sunday.

As Atrelle would say in her column, happy bon voyage to Mrs. Tommie Windham and Paula who will drive to Dallas this coming Sunday, catch a plane to New York where they sail for a six-weeks vacation tour of Europe. I can't speak for Paula, but for Marietta this as a dream come true.

Mr. and Mrs. Jerry Nance of Clyde announce the arrival of a son, born Saturday night, May 23. Mrs. Nance is the former Mary Helen McGinnis. Maternal grandparent are Mr. and Mrs. A. L. McGinnis.

Rowden Round-Up

By Mrs. B. Crow

Calvin Miller and children of Wylie spent Sunday with his sister, Mrs. Lelia Gibbs and attended church at the Baptist Church Sunday morning.

Mr. and Mrs. E. E. Akin visited their daughter and family, Mr. and Mrs. Norris Lineweaver and boys Saturday.

Rev. W. E. Nowell and Arthur Baker had Sunday dinner with Mr. and Mrs. Warren Price.

Mrs. Dale Gibbs and boys and Frank Crow spent Monday with their parents, Mr. and Mrs. B. Crow.

Mr. and Mrs. Sterling Odom and family attended the Little League ball games at Cross Plains Thursday evening.

Mrs. Reta Patterson and Mrs. Jarrell Sharp and small son visited Mr. and Mrs. E. E. Akin the past week.

Blan Odom is spending a few days this week at Hot Springs, Ark.

Nice rains fell in our vicinity Friday afternoon, with amounts of from ½ to 1 inch. No general rains yet, but every little bit helps when moisture is needed at this season of the year when crops need to be planted.

Mrs. Elbert Crawford told me of the Laymen's Day meeting to be held in the Dudley Methodist Church May 31. This will be an all-day affair with dinner served at the church. Everyone is invited to be present.

Lynda Crawford, along with several other accordian will continue lessons at the Accordian Center in Abilene through June. Mr. and Mrs. Frank Wagner will teach at Clyde Community Center, making it more convenient.

CHEVY GIVES YOU 7 BIG BESTS!

Take it, not from us, but from the published opinions of outside, independent experts and from on-the-record facts and figures: Chevrolet gives you these 7 big bests over any other car in its field!

CHEVROLET

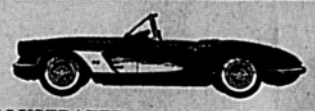

BEST BRAKES

In direct competitive tests of repeated stops from highway speeds, conducted by NASCAR*, Chevy out-stopped both the other leading low-priced cars—and why not: Chevy brakes are far larger, built with bonded linings for up to 66% longer life.

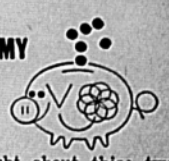

*National Association for Stock Car Advancement and Research

BEST ENGINE

Every motor magazine has given Chevy's standard and Corvette V8's unstinted praise. As SPORTS CARS ILLUSTRATED puts it: "Indeed, this device is surely the most wonderfully responsive engine available today at any price."

BEST ECONOMY

No doubt about this: two Chevrolet Sixes won their class in the famous Mobilgas Economy Run, got the best mileage of any full-size car.

Official dimensions reported to A.M.A.‡ make this clear. For example, Chevy front seat hip room is up to 5.7 inches wider than competitive cars.

‡Automobile Manufacturers Association

BEST ROOM

BEST STYLE

POPULAR SCIENCE magazine sums it up: "The fact is, in its price class the Chevy establishes a new high in daring styling . . ." It's the only car of the leading low-priced three that's unmistakably '59 in every modern line.

BEST TRADE-IN Check the figures in any official N.A.D.A.† Guide Book. You'll find that Chevy used car prices last year averaged up to $128 higher than comparable models of the "other two." †National Automobile Dealers Association

BEST RIDE

You'll be able to tell this yourself, instantly. But MOTOR TREND magazine expresses it this way: ". . . the smoothest, most quiet, softest riding car in its price class."

PLUS THESE TREMENDOUS TRIFLES

Who'd want to do without Chevrolet's *extra* luxuries? Like Safety *Plate* Glass in every window, the protection of full wraparound bumpers, crank-operated ventipanes, the convenience of single-key locking, a real overhead curved windshield, oil-hushed hydraulic valve lifters in *every* standard engine for quieter running, a bigger luggage compartment with side wall lining . . . and the convenience of automatic choke in *every* model!

Visit your local authorized Chevrolet dealer and see how much more Chevy has to offer!

About Your Health . .

The discarded nail was hidden in tall grass. The mower blade hit it and suddenly it was buried an inch deep alongside the shinbone of the 23-year-old Williamson County secretary.

Accidents of this type will be on the increase now — this is lawn-mowing time, you know—until fall weather brings a welcome respite from the weekly chore.

The State Department of Health does not keep statistics on non-fatal accidents, so the extent of injuries from carelessly handled power mowers is unknown. But a random check of private physicians and an emergency hospital confirms the fact that the number is considerable.

Like the man who stopped his car at the curb, intending to say hello to his perspiring neighbor busily mowing the grass. Neighbor wheels up with mower to return the greeting. Man in car—elbow resting on window—finds his forearm pinned to bicop with a five-inch piece of wire flung at him by the whirling blade.

Power equipment is a tremendous boon to the man who likes to keep his yard neat with a minimum of effort. But it takes constant concentration to do the job safely. Even experience is no substitute for concentration.

A garden club member in a major Texas city used to pride himself on his safe and sane use of power tools that helped him maintain the sharpest yard in the block.

But no more. One afternoon recently, while trimming his driveway with a power trimmer, he reached down to lift a bloom-laden branch of a rose bush out of the way.

When he withdrew his hand two fingers were missing. "I wasn't alert," he wryly explained.

One of the most frequent mower accidents has this sequence:

A stick or wire or rock jams between cutting bar and balde. The operator attempts to clear the jam without going to the trouble of killing the motor. Result: Badly cut or severed fingers when the surge of power spins the freed blade.

Most power mowers come equipped with safety guards. Trouble is that guards are removed by owners for one reason or another and never replaced.

But use one carelessly and you're liable to become a candidate for a quick trip to the emergency ward of City Hospital.
