ROCKPORT, ARANSAS COUNTY, TEXAS, THURSDAY, SEPTEMBER 29, 1960

No. 26

The Rockport Pilot

THE ONLY NEWSPAPER PUBLISHED IN ARANSAS COUNTY

Along The Waterfront

The larger reds and trout are very active at Good Luck Pier in Fulton.

Hal Lang had a twenty minute battle with an eight pound red on Monday, but landed him successfully. Several of the large ones have been spotted.

Al Stratton, manager of the pier has caught several two, three and four pound trout each morning before 10 o'clock.

Winston Carothers of Houston reported eight fine trout, the largest weighing four pounds.

Mr. and Mrs. Lester Penny of Enid, Okla., have returned for their annual fishing vacation. Mr. Penny has brought in a dozen good trout.

We wish to correct an error made last week in reporting the size drum caught by our blind guest, Mr. J. A. Cobb of Lancaster. Instead of weighing two and a half pounds, as reported, it topped the scale at twenty-one and a half pounds and gave him much pleasure in landing him.

The gafftop are here again and can be caught day and night. The cooler weather attracts them and makes for good fishing.

Our night man, Ollie Dunn, continues catching trout each night and has made ardent fishermen of many newcomers.

Junior High To Elect Student Council Officers

Candidates for Junior High Student Council President and Vice-President were on their feet today trying to convince students of the Junior High School to cast their vote for them.

Candidates will not know the results of their efforts of sign painting, button-holing, and talking until Friday afternoon after the polls close at 3:30 p.m.

Four students were nominated for President Sept. 21: Mary Lou Johnson, Billy Ormand, Shelley Roaten, and John Weaver. Since that time Herbert Mills and Mickey Gray have thrown their hats into the ring.

Four students were nominated for vice-president on Sept. 21: Dennis Davenport, Dennis Elliot, Mary Moore, and Randy West. Since that time Brian Barnard has decided he has enough backing to put his name in the hat.

It looks like a run-off in both races according to the amount of time and effort that the candidates are putting out.

Elections will be held in the social studies class and will be similar to local, state, and national elections. An election judge and two clerks from each class have been selected to process the ballots and supervise the election.

The Aransas County Band Boosters' with cooperation of the Rockport-Fulton Chamber of Commerce and various firms and individuals, has planned an extensive program for Saturday, Oct. 1, to raise the rest of the funds necessary to send the Pirate Band to Dallas, where it will be one of 17 high school bands that have been invited to take part in the State Fair program on Oct. 11.

Starting with a barbecue at Rockport Lions Pit at noon, the day will be given over to eating, a band concert, go-cart races and miniature golf, all proceeds going to the fund for the trip.

Zeph and Monte Rouquette and Glenn Wendell contributed a calf for the barbecue. This was supplemented by half a beef given by the Star Brand Cattle Company of Matagorda Island, and additional meat from Richardson and Bass on St. Joseph Island.

Roe's Food Store is doing the butchering and the barbecuing will be done by Seth Steele, president of the Chamber of Commerce and members of the board of directors of that organization.

West's Supermarket, Jones Red and White, Bracht's Food Store, Roe's Food Market and various other firms and individuals have donated the fixings.

Members of the Band Boosters' Club, under leadership of President Mrs. Chas. Garrett, will aid in preparation and serving of the food. Tickets for this may be purchased from Mrs. Rob Johnson at \$1.25 per plate.

The Pirate Band, under the leadership of Director Joe Randow will give a concert at noon.

Mrs. Charles A. Roe, Jr., has donated the use of her miniature golf course for the afternoon and evening, and Leon Carleton has made a similar donation of the facilities of his go-cart track. All proceeds from both places will go to the band, and be added to other funds that the band has raised by selling birthday calendars during the past few weeks.

The band will leave here Monday, Oct. 10 at 7 a.m. from the band hall at the high school, and travel in two big chartered buses, arriving in Dallas about 5 p.m. the same day, where they will stay in the Hotel Whitmore.

On Tuesday, which has been designated Music Day, members will tour the Fair Grounds in the morning; that afternoon they will present a concert at the fair, and attend rehearsals for the band pageant to be held that night. Tuesday night they will march in a pageant honoring Richard Rogers, American composer of many musical plays.

They will leave Dallas Wednesday morning and arrive in Rockport about 6 p.m.

Adults making the trip will be Mrs. F. M. Rouquette, Mrs. J. D. Gray, Mrs. M. L. Townsend, Mrs. A. L. Reed, Mrs. R. A. Johnson, Mrs. Glenn Wendell, and Band Director Joe Randow.

Survival Course To Be Given Here

Is it possible to survive radioactive fallout?

Would we get any warning if an enemy attack came, or a tornado threatened?

What would the average citizen do in such emergencies?

"These are some of the questions that will be answered in a civil defense course to be offered by the Aransas County Schools," said J. D. Gray, superintendent. The 12-hour course is open without charge to any adult in the community.

First class will be held Monday night, Oct. 10, at 7:30 p.m. in the high school auditorium. Subsequent classes will be held on dates in accordance with the wishes of those enrolling.

Classes will be taught by teachers who have taken intensive civil defense training. All have received special certificates for this purpose from the Texas Education Agency which is sponsoring civil defense adult education in Texas.

Adults interested in further information about the course should contact J. D. Gray, C. D. Snyder, or Albert R. Griffith, Jr. Remember that the courses are completely free from any expense on your part and there will be no tests either written or oral given. Your attendance is all that is necessary.

Pirates To Play First District Game Friday

The Aransas County High School Pirates will play the Gregory-Portland Wildcats here Friday night, in the first 31A District game for either of them.

Gregory - Portland has played three games. They beat Taft; they tied Flour Bluff; and they lost to the fine Odem team by the short end of a 14-6 score.

They have a cracking good right half in 180-pound Jerry Hunt; Eddie Graham at 165 is one of the best tackles in these parts; they have two fine passers in Pat Hunt and Abel Vargas, and a top notch pass receiver in Albin Kucera. Add to this the fact that against Bishop they threw 18 passes and completed 10, and they're no pushovers.

Nevertheless, Rockport coaches believe that the Pirates can give them a tough fight if the team members that have been out this week through sickness are in shape to play.

Joe May is still unable to play, and Kelly Huff has been shifted to starting fullback. Powledge has been sick. Ray Ormand has been shifted from the B team to tackle on varsity. Manuel Lugo will start at half in Huff's place.

Probable offensive starters are as follows:

11 Billy Johnson, 125, QB.
20 Kelly Huff, 169, FB.
22 Manuel Lugo, 120, HB.
41 David Pena, 140, HB.
60 Johnny McHugh, 150, C.
61 Raymond Ormand, 140, T.
62 Dennis McCabe, 140, G.
63 Tommy McCabe, 160, G.
74 Gayle Williams, 180, T.
80 Roger Beasley, 190, T.
82 Jerry Wright, 140, E.

Council Action Clears Way For New Shrimp Freezing Plant To Be Ready Around January 1 In Old Ice Plant

A. L. Smith, now operating National Sea Foods in Aransas Pass, said this morning that he will commence renovation of the old Southern Ice and Fuel ice plant this week, preparatory to moving his entire shrimp freezing operation to Rockport.

An agreement reached with the City Council, whereby Smith and

the City of Rockport will participate on a fifty-fifty basis in the cost of installing necessary sewer lines to the edge of his property, cleared away the last obstacle to the deal, which has been pending for some time.

"Cleaning and remodeling will get underway at once," Smith said, "but we have to install our own sewer sump pumps, insulation has to be added to the vault; floors have to be repaired; doors cut; and new freezing machinery installed."

He estimates that it will be around the first of January before the new plant is ready to operate. He will employ a permanent crew of ten, and, during rush shrimping seasons, will use another ten employees.

In other action the Council approved the Aransas County Safety Council request for a letter to the effect that the city would permit installation of two period school speed limit controls in the school zone on Highway 35; threw out bids received on a new flat truck, with intention of readvertising later; accepted a bid from Chester Johnson for material salvaged from city wells; and authorized Central Power and Light to install a street light on the NW corner of Cherry and Highway 35.

Plans were laid for Mayor Johnson, Councilman Jack Horton, City Secretary Jeanne M. Tuer, and City Attorney Richard Hatch to attend the Texas Municipal League Conference in Galveston, October 2-4.

**HERE!
'61 CHEVY
TRUCKS**

WITH WORK-PROVED
INDEPENDENT FRONT SUSPENSION!

Chevy's '61 fleet swings in with a ready-made reputation as the trucks that are worth more because they work more... the latest editions of the haulers that scrapped the I-beam axle and proved the important advantages of independent front suspension!

You'll find new models for '61—long-wheelbase 4-wheel drive units—and thoughtful refinements throughout the line. But the big news for '61 is nailed-down proof (based on owner reports) that Chevy's torsion-spring design is the best thing that's happened to trucks in decades!

With Chevy's independent front suspension and Sturdi-Bilt design, you cruise over trails where other trucks creep. You feel the difference in less wheel fight and vibration. You can see why drivers are happier, why loads are better protected and why the truck itself will stand up to thousands of miles of more work. That goes for any size Chevy, too—pickups, tilt cabs, tandems, all of them.

Check the latest specs with your Chevrolet dealer: capacity, power teams, options. Then, by all means, drive a '61. Once around the block and you'll never be satisfied with a front axle truck again!

REFLOATED SHIP COMES TO ROCKPORT

The trawler which smashed a 10-foot gap in Bob Hall Pier at Port Aransas last week was re-floated and towed here, where it went into dry dock for repairs to its engines and prop shaft.

The shrimp boat Big Tinker had been stranded on the beach near the pier since shortly after the accident. It was refloated by a mechanical "spider", a machine which cuts a path for a stranded boat to use in getting to deeper water. The spider took less than two hours to complete the job.

County Judge Noah Kennedy, of Nueces County, has said the owner of the boat told him that an insurance adjuster would contact him about a settlement.

John G. Tower, candidate for the United States Senate, told members of the Nixon-Lodge Club and assembled guests at a reception held at the Woman's Club in his honor Friday, that if his opponent, Senator Lyndon B. Johnson, was elected to both offices for which he is running—the United States Senate and the vice presidency—it would cost Texans \$500,000 to have a second senatorial election.

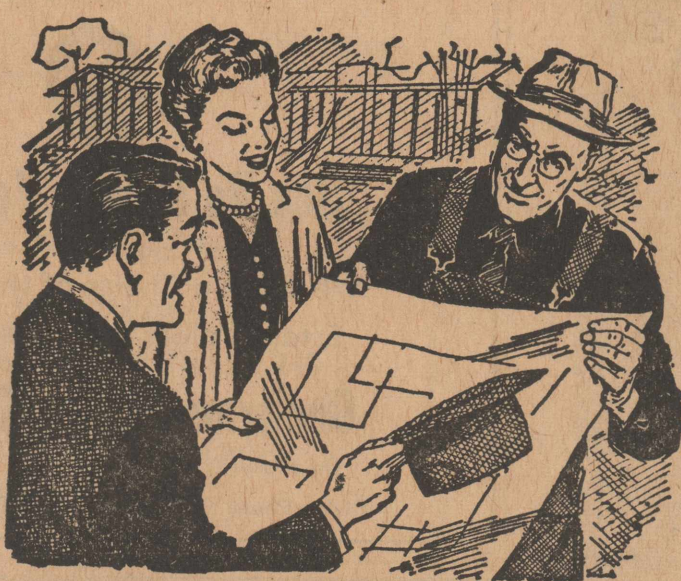

He also blasted Johnson's refusal to state which office he would accept if elected to both.

"There has been no statement from Johnson, even after the Kennedy-Johnson safari followed the 'Boston Tea Party into Texas,' Tower said, referring to the entourage of Kennedy's women folk which recently descended upon Texas.

A MESSAGE FROM THE NEW OWNERS

We have big things in mind for the Robstown Livestock Commission Company. Every effort will be put forth in the future to make this commission one of the most popular livestock sales in South Texas.

The day of the sale has been moved to Thursday in an attempt to avoid conflicts with other sales, thus making it possible for more buyers to be in Robstown.

We would like to urge you to bring your livestock in the day before the sale—on Wednesday each week—so they can be grouped and classed early to allow more time to notify buyers of what will be on sale.

We hope to see you at the Robstown Livestock Commission Company every Thursday.

Thanks,
P. A. LYNCH & JAMES BRICE

Pirates Lose to Industrial By 46-19 Score

The Aransas County High School Pirates lost to an older and more experienced team last Friday night by a score of 46-19, putting up a terrific battle in the first half, but being hampered by lack of depth to lose, practically in the fourth quarter, to the Cobras of Industrial of Vanderbilt.

Industrial kicked off to the Pirate 15 and Pena ran the ball back to the 32 where Johnson, on the first down, made 7 yards around left end. An offside cost them five yards, and then Powledge made 1; Johnson lost 10, and Huff was smeared at the Pirate 15 as he tried to get his kick away.

John Talbot made a yard for the Cobras, then Mike Koop galloped 14 yards around the Cobra left end for the touchdown. The point after was missed.

Huff made 1 and Pena 10 for a first down on Industrial 15. Pena made 6 and Huff 1; then the quarter ended. On the next down, Powledge made a half, then Jackson passed and Industrial interfered with the receiver, giving the Pirates an automatic first down on the Cobra 3. Huff made 2; then he punched through center on the next play for a touchdown,

and followed this by kicking the point.

Industrial received back of their own goal line and the runner was swarmed under on the Cobra 6. Harvey picked up 5, then Koop rambled for 10 to the Industrial 21.

On the next series, Harvey made 5; the Cobras were penalized 5 yards for off side; Harvey lost a yard and Koop punted to ACHS 47. Huff made 8 yards, but this was called back and the Cobras penalized for a personal foul to their own 38. From here Pena made a half yard, then Johnson was smeared for a loss of 5. Jackson to Wright netted 10; then Jackson to Satsky netted a touchdown on a 33-yard pass and run play. The Pirates missed their try for point.

Huff kicked off to the Cobra 10 and Koop made a 31 yard return to his own 41. Harvey made two yards in two tries, then lost six on the next, and the Cobras kicked to the Pirate 36. Pena made 3 yards in two tries and then Jackson's pass was intercepted by Koop on the Industrial 42. From there Satsky racked up 11 for a first down. From the Pirate 47 Koop was thrown for a yard loss; then Satsky made 5 and E. Meyers to Koop netted 24 to the Pirate 13. Harvey failed to gain; Koop made 5; Harvey made 4; and Koop made a first down to the Pirate 3. From there Earl Myers made the touchdown, and Harvey ran the ball over for two points after the touchdown.

The Cobras kicked off to the Pirate 42. Huff made 2, then 4, and Pena made 1 before the Pirates kicked Huff's boot rolling to the Cobra 15, where Koop picked it up and made it back to his own 26 before he was downed.

E. Meyers pass was incomplete, and a second try was intercepted by Manuel Lugo just as the half ended.

The second half started out with a bang. Huff kicked off to Koop who loped back upfield for 13 yards to the Cobra 24. Sack made 10 in two tries, then on the first down of the next series, Koop broke away and raced 65 yards for a touchdown for the Cobras, and Harvey ran the ball over for two more points.

Johnson was smeared and lost a couple; Pena fumbled and recovered for a 2 yard loss; Huff lost 2 and then quick kicked. Industrial fumbled, and the ball was recovered on the Industrial 11 by

Pena who was badly shaken up by the tackle. Buddy Ayers made 1; Huff made 2; then Jackson to Satsky was called back and a penalty assessed against the Cobras for defensive holding which put the ball on their 4-yard line. Huff made 1, then fumbled and the Cobras recovered behind their own goal for a touchdown which moved the ball out to their 20 where they took over. Harvey made 1; Koop racked up 5; Sack made one, then E. Myers kicked.

The Pirates took over on the Cobra 9; Jackson made 4, but the play was called back and five yards assessed against the Cobras for an offside. Jackson made 1; Powledge made 1; then Jackson to Wright was good for 8 and a first down, to the Industrial 34. Ayers made 4; Huff was good for 4 on two tries and then Jackson was smeared on the Industrial 35 where the Cobras took over on downs. Harvey made 3 as the third quarter ended. Myers lost 1; Koop went around his own right end for 5; then Harvey, on a fake kick, blasted his way to the Pirate 30 before he was clobbered.

Harvey made a half; Sack made no gain; Myers was smeared for a 7-yard loss; then Koop fumbled and was smeared on the 50 as Huff blocked the kick.

Ayers made 2; Billy Johnson racked up 12 to the Cobra 36; then Ayers lost 5. A pass by Jackson was a thriller, and tipped out of the hands of one Pirate into those of another, but the play was called back and the Pirates penalized 15 yards for an illegal receiver downfield. The ball was put in play on the Pirate 5 and then Huff was smeared on the Pirate 20, and badly shaken up. Powledge kicked to the Industrial 32.

On the first play, Mike Koop blasted loose and ran 63 yards down the sidelines for a touchdown. Harvey ran the ball over for two points.

The Pirates received the kickoff and put the ball in play on their own 36. An offside cost them 5 yards; Huff made 8 in two plays and then, on the next one, his kick was blocked by John Talbot, who picked the ball up and ran 30 yards for a touchdown. Rodriguez ran the ball over for two more points.

The Cobras kicked off to the Pirate 7. Jackson was smeared for a 7 yard loss. On the next play his pass to Beasley was incomplete; then he tried Wright and the pass was intercepted by Harvey on the Cobra 33. Rodriguez made 1; Koop made 4; and then the ball was fumbled with Powledge and Johnson recovering for the Pirates, on the Cobra 28. Jackson's pass to Wright was incomplete; Jackson to Huff netted 4; Jackson was smeared for a loss of 12.

Huff's kick was taken by Koop, who ran the ball back to the ACHS 16. From here Earl Myers flipped one to his brother Lomzie, which was good for a touchdown, and Koop ran the ball over for two more points, just before the game ended.
