Kenedy is the favorite to win on the basis of its record so far this season.

Officials will be Jim Owsley, Charles McFarren and Jim Kucera.

Connie Hagar Honored Again

J. D. Donaldson, a councillor of the Poetry Society of Texas, has received word from Dr. Martin S. Shokley, the Society's contest chairman, that a \$50 award has been made anonymously in honor of Mrs. Connie Hagar "for her long and unselfish service in the field of ornithology."

Mrs. Hagar, 80 years old, spry and tiny, often is called the "world champion watcher" on the basis of her discovery of species hitherto unknown in this region, and by the visits of world famous ornithologists who come here to partake of her seemingly endless fund of bird lore.

The \$50 will be paid to the Society member who submits the best poem, in the annual contest, of not more than 28 lines on some phase of wild bird life. The winning poem will be displayed in the Aransas County Library.

Donaldson added, "It might prove a very nice gesture if someone should offer the winner a weekend in the Rockport area with a visit to the whooping cranes at Aransas County Wildlife Refuge included."

ALL ALIENS MUST REPORT ADDRESS

Joe F. Staley of the United States Immigration and Naturalization Service stated that the period within which aliens must report their addresses is almost at hand.

The month of January has been set for the address reporting period. All aliens in the United States, with a few exceptions, must report their addresses to the government during that period.

Staley said that forms with which to make the report will be available to all post offices and offices of the Immigration and Naturalization Service during the month of January.

Staley urges all aliens to comply with the reporting requirements, as willful failure to do so may lead to serious consequences.

YOUTH CENTER NEW YEAR'S EVE DANCE

The Aransas County Youth Center will hold its New Year's Eve Dance on Saturday, Dec. 31, from 8:30 p.m. to 12:30 a.m. The "Rebels" will play for the occasion. Admission, \$1.00.

NELSON WINS SMOKED TURKEY

Lawrence Nelson won a smoked turkey awarded Dec. 23 by Johnson's Rexall Drug Store.

COAST PARK HAS VARIED GUEST LIST

It's the variety of guests that helps maintain morale and hustle at the state's only developed Gulf front park installation at Goose Island.

When the archery season on deer opened at nearby Aransas National Wildlife Refuge, Manager Bill Williams of Goose Island State Park was ready for the influx of bow and arrow sportsmen.

Then came the wild goose season and another batch of outdoorsmen seeking a place to park their trailers, pitch tents or occupy one of the 13 shelters on the Gulf front.

Now it's the deer hunters, and a crowd of duck hunters taking advantage of a liberalized waterfowl season.

Many northland guests make Goose Island State Park a regular stopover, enroute farther south. Some use another state park — Bentsen-Rio Grande near Mission—for the southern extremity of their southern swing. There they have a greater assemblage of migrant song birds but the place is short on fishing since only the Rio Grande river is available.

Williams said many of the regular visitors from the far north do not arrive until after the holidays when Texas sportsmen have concluded their hunting and cameras and binoculars replace the harvest hardware.

Then the migrating Whooping Crane flock has reached its wintertime peak on the Black Jack peninsula refuge and the birders by that time are generally in control of the picturesque island park.

Mrs. Alma Johnson New School Tax Assessor-Collector

Mrs. Alma Johnson has been appointed Tax Assessor-Collector of the Aransas County Independent School District, according to announcement by Supt. J. D. Gray.

Mrs. Johnson succeeds Mrs. Katherine McLester, who served as Assessor-Collector for approximately 12 years and as Deputy Assessor-Collector for about three years under Bob Ayers.

In accepting Mrs. McLester's resignation, Gray said, "The School Board and I accept this resignation with regret and we wish to commend Mrs. McLester for the outstanding service she performed over the years."

In view of the fact that his wife is now the Tax Assessor-Collector, R. A. Johnson resigned from the School Board. The School Board will appoint a successor to fill Johnson's unexpired term.

Appointed Deputy Tax Assessor-Collector to succeed Mrs. Johnson was Mrs. Melba Mills.

300-400 Acres Of Grass, Brush Burn In Aransas

Wind-whipped flames burned between 300 and 400 acres of grass and brush in Aransas Pass last Friday. The blaze, which occurred in the northwestern part of the city, was brought under control by fire units from six cities.

An Aransas Pass Fire Department spokesman said that the fire broke out at about 4 p.m. near the city dump, but the exact cause was not determined.

Whipped by north winds up to 25 miles an hour, the blaze spread over a large area of vacant land. Flames came to within about 50 feet of one home, the firemen reported. However, residential areas never were in real danger, he said.

Fire units from Aransas Pass, Portland, Port Aransas, Rockport, Ingleside and Fulton had the fire under control between 6 and 6:30 p.m. However, a few men remained at the scene into the night extinguishing scattered spots of smoldering grass and brush.

Rotary Club Meets

Don Meek and L. D. Nuckles of the Texas Parks and Wildlife Department spoke at the Rotary Club luncheon Wednesday noon and explained the use of planes by the department.

Three planes are currently in use for day and night patrol for game violations, wildlife census, selection of park locations and aerial photography.

Cost of operation, Meek said is six cents per air mile including the pilot's salaries. Thirty-three counties in South Texas are covered.

Sixteen guests attended the luncheon.

PHYSICAL SCIENCE TECHNICIANS NEEDED

The U. S. Civil Service Commission is recruiting for Physical Science Technicians (Chemistry) for employment at the U. S. Army Aeronautical Depot Maintenance Center, Corpus Christi, Texas. The salary is \$5,331.00 and \$6,451 per year.

Application forms and additional information may be obtained from the Interagency Board of U.S. Civil Service Examiners for the Texas Gulf Coast Area, U. S. Customhouse, 702 Caroline Street, Houston, Texas 77002. Applications will be accepted by that office until Dec. 14, 1966.

Mr. and Mrs. T. L. Beedy will return home this week after a month's visit with their son-in-law and daughter, Mr. and Mrs. J. B. Reed and children in Falls Church, Va.

Mr. and Mrs. J. F. Brundrett returned home Tuesday after spending the Christmas holidays with relatives in Edna and Ganado.

United Fund Books to Be Closed Dec. 31

The United Fund books will be closed Dec. 31, a spokesman for the Fund said today.

Total collections amounted to approximately \$9,500, compared to the goal of \$11,228.

A previous report in the Pilot that \$10,105.20 had been raised was erroneous, having been based on the statement of a United Fund worker that "90 per cent of the goal has been either collected or pledged."

Shortly after the first of the year, the \$9,500 will be dispensed to the following agencies:

- Salvation Army, 14 per cent.
- Girl Scouts, 12.
- Red Cross, 15.
- Gonzales Warm Springs Foundation, 5.
- Youth Council, 5.
- Youth (Recreational) Organization, 5.
- U.S.O., 1.
- Aransas County Emergency Corps, 10.
- Boy Scouts, 25.

Although the goal was not reached, United Fund workers and community leaders agreed that the community gave generously and the drive was a success.

First National Bank of Rockport Anticipates Capital Expansion

FWW Members To Attend Session In Ingleside

Representatives of the local post of the Veterans of Foreign Wars will attend a meeting of the San Patricio County Council Jan. 9 at the Post Home of VFW Post No. 6386 in Ingleside.

The highlight of the meeting will be presentation of resolutions supporting the legislation formulations that have been projected by the National and Department Headquarters of the Veterans of Foreign Wars of the United States.

Many items of legislation to be considered will affect also the veterans of the Vietnam War as well as the elder group of World War I and World War II and the Korean Conflict.

Service Officers of the three adjoining counties have been invited to answer questions on the annual questionnaires that were sent to all veterans, widows and dependent parents receiving either pension, death compensation or death indemnity benefits, on Dec. 1.

Representation from Rockport, Aransas Pass, Ingleside, Sinton, Odem, Mathis, Bishop, Kingsville, Portland, and the four VFW Posts in the city limits of Corpus Christi are expected.

Commander John B. Arnold of Sinton, Texas will preside over the business session. The evening meal will be served by the host post.

New Year's Closing Dates Are Varied

A survey among local offices and business establishments reveals that different closing dates will be observed over the New Year's weekend.

The Courthouse and City Hall will be closed Saturday, Sunday and Monday. There will be no change in regular garbage collection by the city.

First National Bank will be closed Saturday and Sunday, and United Savings Association will be closed Saturday, Sunday and Monday.

Aransas county schools will open Monday morning following the Christmas holiday vacation.

The Rockport Post Office will observe Monday, Jan. 2 as a holiday, and there will be no mail delivery service in the city or the Star Route. Box service will be provided as normal and delivery will be made for perishable and special delivery food.

Aransas Natural Gas Co. and Central Power and Light Co. will be closed Saturday, Sunday and Monday.

Some merchants will be closed Monday while others will be open. The Pilot will be closed Monday, and the publishers suggest that news items be brought in Tuesday or by Wednesday noon at the latest.

Real Snowman In Rockport

The Rockport area had at least one real snowman on Christmas.

The Taber family from Ponca City, Okla., pulled into the Trav'Trail-R Inn on Highway 35 North on Christmas eve, bringing with them the "makings" for a handsome snowman.

The makings consisted of real snow that filled their open boat which they brought with them on a trailer. They drove through snow in Oklahoma and northern Texas.

Homer Faber and Charles Maslonka, Jr., of Trav'Trail-R Inn, and a member of trailerites pitched in and converted the snow into a snow man near the entrance to the court.

On Christmas Day, before the mild weather melted the snowman, many motorists stopped and took pictures of the "rare specimen."

At a recent meeting of the Board of Directors of the First National Bank of Rockport, it was unanimously decided that a capital expansion program will be recommended to the bank's stockholders at their Jan. 12 annual meeting.

This was announced today by James H. Sorenson, Jr., president of the bank, who said:

JAMES H. SORENSON, JR. President

Decoration Contest Winners Announced

Winners of the Chamber of Commerce Christmas decoration contest were announced today by the judging committee.

In the home category, winner of the display award was the Charles J. Schindler home in Oak Terrace.

Also in the home contest, the residence of Dr. Martin Shaw in Key Allegro won the originality award.

In the business category, the Wagley Lumber Co. and Sipe Real Estate Building at the intersection of Market Street and Highway 35 won the display award.

Winner of the originality award for business establishments was Marineland on Highway 35 North.

In commenting on the contest and the awards the chairman of the judging committee said, "We found the town beautifully decorated using natural environment tastefully, artistically and imaginatively."

Both large and small displays were viewed and considered for awards, according to the judges who said their job in picking the winners was difficult and "we only wished that we had more prizes to hand out." The four winners received turkeys.

The judges also commented that Oak Terrace and Palm Harbor were "extremely well done and served as an incentive for the rest of the Rockport area to beautify at Christmas."

The Schindler home combined the religious and Santa Claus themes, had lights in every tree and on the home, and also featured music.

The Shaw home displayed a sail boat with the mast decorated with lights, and Santa Claus seated in the boat stocked with toys.

The Wagley Lumber Co. and Sipe Real Estate Building featured Santa and his reindeer on the roof, lighted candles at the windows, and even a display on the concrete-mix plant.

Marineland employed a unique method to arrange seven outdoor motors to resemble Santa's reindeer.

Careful Driving In Local Area

Auto drivers in this area have been driving with care so far during the Christmas-New Year holiday period.

State Highway Patrolman Ray Brown reports that while statewide accidents for the past week show an increase of about 22 per cent, there have only been six "very minor" rural collisions in this area, with no deaths, no injuries and hardly a scratch on the cars involved.

"Congratulations," Brown says, "please keep it up."

"Subject to approval of the Comptroller of Currency, Washington, D.C., and the stockholders of First National Bank of Rockport, the stock will be increased from its present 3,000 shares to 30,000 shares by stock split, stock dividend and issuance of new shares."

"After this has been accomplished, the capital structure of the bank will be some \$750,000, making it one of the highest 'capital to deposit ratio' banks in the Coastal Bend."

One result of this action will be to increase the loan limit of the bank.

The First National Bank of Rockport, oldest banking house on the Coastal Bend, observed its 75th anniversary on Sept. 30, 1965. The bank was organized by a small group of pioneer leaders of the region including John E. Elgin, G. W. Fulton, L. B. Randall, Virgo Koehler, R. H. Wood, James C. Fulton and J. M. Hoopes.

The original charter was received Sept. 30, 1890. The capital stock was \$60,000.

The bank first opened for business in a small frame building on Austin Street, moving in 1901 to a three-story building on Main Street.

In 1958 the present modern building at Main and Water Streets was completed.

With the installation of the savings department last year, First National became a "full service bank."

Present directors are Fred A. Bracht, Sr., A. C. Glass, F. W. Heldenfels, F. W. Heldenfels, Jr., James R. Heldenfels, Travis Johnson, Charles La Bounty, Thomas D. Picton and James H. Sorenson, Jr.

Officers are F. W. Heldenfels, chairman of the board; James H. Sorenson, Jr., president; Charles La Bounty, executive vice president and cashier; Tom Phillips, assistant cashier; and Mrs. Margaret Touchstone, assistant cashier.

Three Accidents Over Weekend

Three auto accidents occurred here over the Christmas weekend, according to Chief of Police Bob Hewes.

On Dec. 24, Ronald Newby was proceeding north on Highway 35 when he reached back to shut a back door in his car. The auto veered off the road and struck a Highway Department "Pavement Narrows" sign, causing \$200 damage.

On the same day cars driven by Ronnie Caldwell and C. A. Duck collided at Sabinal and Allen, resulting in \$250 worth of damage.

On Dec. 26, cars operated by James Crabb and Vera Kelsay collided at North and Magnolia. Damage was about \$25.

Chief Hewes said these three auto accidents were the only ones in December. Thus the December record was three accidents, \$475 damage and no injuries. In December of 1965 there were seven crashes, one person injured, and \$1,345 damage.

ELECTED OFFICIALS TO BE SWORN IN

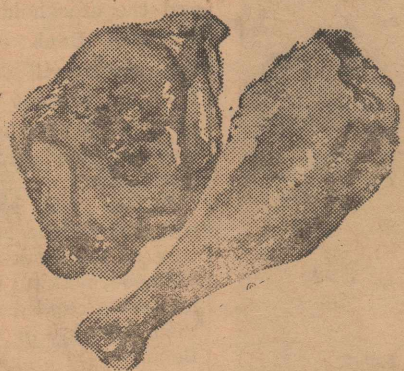

Officials elected at the Nov. 8 general election will be sworn into office Tuesday, Jan. 3 in County Judge John D. Wendell's office.

Those to be sworn in are Wendell, County and District Court Clerk W. E. Beasley, County Treasurer Ettoil (Duck) Harrist Eller, County Surveyor T. E. Griffith and Justice of the Peace Lawrence Miller of Precinct 1.

This and That
*
JOHN KINSEY

When I told the publishers of the Pilot I'd be glad to write a column every week, they said, "Fine, go ahead."

I thought this would be fun, that I'd never have any trouble thinking of something to write about that would be of some interest to the readers.

Well, I seem to be running out of steam. Right now I'm having a heck of a time thinking of something to fill this column.

About the only thought that keeps running through my mind right now is that I am grateful for many things, so I might as well write about them.

I am grateful: —For having a wonderful wife who is going to stop working in Corpus Christi the last of January to stay home. One of her reasons for quitting, as she put it, is "to really become a part of the Rockport community."

—For having a fine daughter and son, both of whom are happily married.

—For the fact that my 86-year-old Dad is not only still living, but is in excellent health physically and mentally, and is visiting us and considering moving to Rockport.

—For the fact that I live here. I like the Rockport area very much, and many people have been so friendly that we feel at home here.

For my job at the Pilot and the Chamber of Commerce, both of which I enjoy.

Among the things I'm looking forward to in 1967 are:

—Getting a dog.

—Learning how to fish and go crabbing.

—Improving my golf game so I can some day beat one of the Pilot publishers who does not drive a Thunderbird.

—Losing some weight.

—Paying off my loan at the bank.

—Remaining the same fascinating, delightful person that I am now.

—Continuing to do a bang-up job on humility.
