City On The Grow New Businesses To Open Soon

Prospects continue to look bright on the business scene with plans being made to open new businesses soon.

Penton & Son of Sweetwater, floor covering specialists in that city for a number of years who have had a number of Colorado City customers, are planning to open a shop in Colorado City on Hickory Street.

The building owned by Bob Dennis which did contain the Occasion and Joe Brown Carpets is the site of Penton & Son's new location.

Dennis said that he signed a lease recently with the firm's owner, Lynn Herndon, and that the building is currently being remodeled into one shop for the new business.

Salesperson for the month of September is Bea Smith at Eddie's. Announcement of the selection was made by the Merchants Committee of the Chamber of Commerce.

Commissioners

A short meeting is expected by Mitchell County commissioners for their regular monthly meeting at 1 p.m. Monday in the county courtroom.

After routine payment of bills and monthly reports, the commissioners will speak to a delegation from Loraine concerning the possibility of fixing up the Ag Barn there for use as a Community Center. Commissioners have discussed the possibility previously but the delegation is expected to give further information about the plan.

School Board

Regular monthly meeting of the Colorado ISD school board will be at 7 p.m. Monday in the Middle School library, the board dealing with a short agenda.

Items to be discussed include the following:

- Approval of the 1976-77 tax roll.

- Review and approval of the 1975-76 audit, presented by CPA Joe Morren.

- Discussion of lighting the football field.

- Reading of a letter from the Texas Education Agency confirming lowering the school's tax base from \$113 million to \$110 million over a two-year period. The reason for the reduction is the explosion at Texas Electric Service Company's Morgan Creek Power Plant which put the oldest boiler at the plant out of commission, thereby reducing the plant's valuation for tax purposes.

City Council

A number of items are on Tuesday's agenda for the regular monthly meeting of the City Council, set as usual for 7 p.m. in City Hall.

The agenda includes the following:

- Second reading of ordinance concerning franchise of Frontier TV Cable.

- Consider resolution authorizing transfer of ownership of Frontier TV Cable Co. to Landmark Cablevision Associates.

- Permission to advertise for bids for water main fittings.

- Permission to advertise for bids for sanitation truck and refuse packer.

- Consider payment of estimate to Price Construction Co. for street improvements.

- Consider approval of Police Department policy.

- Consider authorizing advertisement of \$400,000 Water and Sewer System Revenue Bonds for sale.

"I understand that Fred Butts, one of the Sweetwater employees, will manage the new shop here," Dennis said, "and I think he wants to move here if he can find a house."

The Penton & Son store will open Nov. 1.

Another store planning a Nov. 1 opening is the new Kirschbaum's, a men's wear store being opened by Joe and Brenda Kirschbaum. She is the former Brenda Bodine.

The store will carry a complete line of men's clothing and shoes in students' and adults' sizes. The Kirschbaums are currently re-doing the interior of the store on 2nd Street which

used to be an appliance store owned and operated by Kirschbaum's grandparents.

Another addition on the business scene is being planned by Billy Joe Wood for sometime between now and the first of the year--a family shoe store in the east end of Wood's Boots on I-20.

Wood said the store will be an extension of the boot store and will carry a complete line of family shoes for men, women and children with everything from dress shoes to tennis shoes.

Plans are also underway to open a new shoe store in the downtown store which was formerly Cowen's Shoes, but the Record was

unable to find out any details or when the store will open.

With these new businesses and the construction cur-

rent underway mentioned in the last edition of the Record at Producers Co-op, Bob and Bobby Nobles dirt

construction on I-20 and M&T Storage on East Hwy. 80, the city continues to be a place of growth.

Wolves Dominate Wylie Bulldogs

Colorado City's Wolves made it two wins in a row in District 6-AA to remain undefeated in district play as they downed a hapless Wylie Bulldog team 33-0 Friday here at Wolf Stadium.

However, the victory celebration didn't last long as the Wolves look ahead to next week in what is being called THE SHOWDOWN, the game with Coahoma that could very well decide the district championship.

However, the Wylie game provided a good tune-up for the big game as the Wolves put on a defensive show and all the younger Wolves got to play to gain experience and no one was injured for the Wolves.

The game was dominated by the Wolves, both on offense and defense with Wylie threatening to score only once, that threat coming late in the fourth quarter against the Wolves second defensive unit. However, that drive was stopped at the Wolves seven when a Wylie runner fumbled when he was hit hard after a long run.

Colorado High Coach Mike Farda was impressed by the Wolves performance and he was especially pleased that all of the players got a lot of playing time on the field. The younger Wolves got to show that they could do the job.

However, one thing that Farda was displeased with was the number of penalties the Wolves accumulated as they were set back 115 yards on eight penalties, nullifying three touchdown plays, one a sensational 50-yard run by Frank Sanchez, another on a 44 yard pass from Quarterback Craig Carter to Bill Jordan. After these plays were called back, the Wolves were stopped and forced to punt. One other touchdown was called back but the Wolves kept the drive alive and scored.

One of the highlights of the game was the passing of Torrez who hit four of eight for 57 yards and three touchdowns and no interceptions, Farda said. The coach said a great deal of the Wolves success in running was due to the lead blocking by Frank Sanchez who was

the Wolves leading ground gainer with 72 yards not counting a 50 yard run called back on a penalty. Torrez had 39 yards, Hulme, 38, Williams, 45, Hammond, 34 and Carter 13.

Another of the highlights of the game was the punting of the Wolves' Wayne McKee who punted five times for a 43 yard average, one punt covering 47 yards.

One impressive fact in the game was that the Wolves allowed only two first downs in the first half, one of which came on a roughing the kicker penalty as the Wolves attempted to block a punt.

The game started with the Wolves kicking-off to Wylie with Gerald Smith putting the foot into the ball in the absence of the injured Steve Belvin who did not suit up for the game because of a knee injury.

A Wylie runner was tackled for a loss on the first play, second play gained several yards and then on the third play the Bulldogs fumbled, giving the Wolves good field position on the Wylie 19.

The Wolves moved quickly into the end zone, with Fullback Gary Hulme getting the six points on a three yard plunge. On the extra point attempt, the snap from center was bad, so the holder, Quarterback Ray Torrez, picked up the ball, rolled out to his right and passed to Tight End Jackie Ellis in the end zone for two points, making the score 8-0.

Bulldogs Lose 14-6 To Eagles

The Loraine Bulldogs opened their District 3-B in Sterling City Friday and lost 14-6, the Eagles polishing the apple with a TD in the last 6 seconds of the game.

Sterling City scored first in the final seconds of the first quarter after a long drive and kicked the extra point to make the score 7-0.

Loraine capped a long drive with a short drive into the end zone and tried to run an option play for extra points but the Eagles read the play and it failed, making the score 7-6 about midway in the second quarter.

With first and goal inside the five yard line for the Eagles, the Bulldogs stiffened and held off another Sterling City score just as the half ended.

Bulldog Coach Ken Lightfoot said that at the half, the Bulldogs felt they could go on and score again in the second half but as it turned out, the teams fought evenly until a fumble with 20 seconds in the game gave the Eagles the ball on about the 10-12 yard line and a couple of plays later, the Sterling

City team iced the victory with seven more points.

Lightfoot said the team played very well with only a few breakdowns in the defense. Two players suffered twisted ankles during the game and may have to miss some action the next few weeks--Ricky Williams and Richard Garcia.

Lightfoot said that the team was hitting the bigger Sterling City team and named Jeff Merket, Richard Garcia, Rodney Taylor and David Munoz for outstanding defensive efforts. He also said that Oscar Vallejo, playing his first game as offensive guard, did an excellent job of blocking for the Bulldog offense.

Six New Members

Six employees of Texas Electric Service Company will be honored Wednesday night at a meeting in the Scurry County Coliseum.

To be inducted in the Quarter Century Club for completing 25 years of service with the company during the year will be Carl Bell, L. R. Craighead, Eldon Horton Jr., Kevven Jones and Santiago Luera, all of Colorado City, and B. J. Sledge of Sweetwater.

W. G. Marquardt, president of TESCO, will present award watches to the new Quarter Century Club members during the company's annual Quarter Century Club banquet.

BILL HOFFMANN has been appointed as Assistant District Attorney for the 32nd District, working since September 15 with District Attorney Frank Ginzler and Investigator Kenneth Crow. A native of Eastland, he and his wife, Karel, are living in Sweetwater and he said the main part of his duties will be from the Nolan County office. He is a May graduate of Texas Tech law school.

Ginzler Gets Assistant DA

District Attorney Frank Ginzler, serving the 32nd District of Nolan, Fisher and Mitchell counties, now has an Assistant District Attorney--Bill Hoffmann, a recent graduate of the Texas Tech law school.

Hoffmann has been working for the 32nd DA since Sept. 15 and Ginzler says he's "delighted to have the assistance of a capable man such as Bill."

In the short time Hoffmann has been Assistant DA, he has assisted in preparing cases and investigating cases for the 32nd District, but mostly in Nolan County, he said.

Hoffmann explained that so far he is doing investigation and preparation, "but when I find out how I did on the bar exams, then I can assist in trials as well."

A May graduate of Texas Tech law school, he took the bar exams recently and hopes to have the results and certification soon.

He is a native of Eastland and lives in Sweetwater with his wife of two years, Karel, a native of Waco. He attended high school in Eastland, participating in sports, quarterbacking the football team. Hoffmann

said he has been in Lubbock for the past eight years, attending undergraduate schools and the law school there.

Ginzler had applied for an Assistant DA through the Western Central Texas Council of Governments about a year and a half ago, citing an expanded caseload because of better law enforcement and higher crime rate.

With the appointment of Hoffmann as Assistant DA, Ginzler said "We're very pleased to have him and we think he'll be able to help us a lot with our work in the 32nd District."

Along with Ginzler, Hoffmann will be working with District Investigator Kenneth Crow and the two secretarial assistants, Mrs. Sue Compton in Mitchell County and Edith Dement in Nolan County.

Savings Branch Favored

Sweetwater Savings Association now has the way cleared to open a branch office in Colorado City.

The 3rd Court of Civil Appeals Wednesday affirmed an order giving the Sweetwater firm permission to open a branch office in the city.

Ed Aiken, president of the savings association, said that the initial application was protested by Snyder Savings and Loan and West Texas State Bank in Snyder. Texas Savings and Loan Commissioner W. Sale Lewis ruled in favor of the application, initiated about February, 1975, after a hearing in April. Lewis made his favorable ruling in May, 1975 but then the two protesters appealed the decision.

About April, 1976, a Travis County District Court upheld Lewis' decision but again the decision was appealed, this time to the 3rd Court of Civil Appeals which had been reviewing the case since about May.

Aiken said that the only recourse the protesting groups have is to appeal to the Supreme Court and there's a time limitation to file it, he said.

"We plan to go ahead with our plans for expansion just as soon as this last hurdle is cleared, in about 60-90 days," he said.

Aiken added that the savings association plans to build a building to house the local office but that no site has been chosen because of the protests and appeals.

"Sometime soon, we're going to be over there looking for a location," Aiken said.

When asked about the name, he said it would be the Colorado City branch of Sweetwater Savings Association.

CLYDE PARKER, 20, of Rupeville, is the new city patrolman at the Colorado City Police Department. His first day of duty was Tuesday. He and his wife, Becky, have two children: 2-year old Brian Keith, and Brandi Gay, one year old. They are currently in the process of moving to the city, looking for a house to rent. Parker has been a law enforcement officer for eight months, formerly associated with the Terry County Sheriff's Office and serving the city of Rupeville as City Marshal. He has completed the 320-hour Basic Law Enforcement course, one of his instructors being Fred McWhorter, the new Police Chief in Colorado City.

QUARTER CENTURY employees of Texas Electric Service Company will be honored during the company's annual Quarter Century banquet Wednesday in Snyder at the Scurry County Coliseum. Joining the club this year after completing 25 years of service with the company during the year will be the men pictured here. From left, they are Carl Bell, Kevven Jones, L. R. Craighead and Santiago Luera. Also joining but not pictured will be Eldon Horton Jr. of Colorado City and B. J. Sledge of Sweetwater.

day giving away a \$100, \$50 and \$25 prize.

Mrs. Free said that whatever the merchants wanted to do would be what the Chamber committee also wants to do "because that's the purpose of our committee—to do whatever we can to help the merchants."

She also said that the Christmas-On-Parade promotion will be similar to last year's, with the possibility of having storybook characters to entertain kids during the day.

The Merchants Committee report was only one of the reports given during last Monday night's meeting of the Chamber board of directors. Chamber executive vice president Sefton Pickens said that it was the largest turnout of directors in a long time and that the reports were good.

Jean Holbert gave a report on the Railroad Arts and Crafts Roundup held Sept. 25. Kenneth Beasley told directors that the Fair was excellent this year and that everyone who helped with it had worked hard to hold one of the best fairs in recent years. "I heard a lot of people say they enjoyed it and the booths and exhibits were real good this year," Beasley said.

Bobbie Steakley and Shirley DeLaney, co-chairmen of the Banquet Committee, are working on the possibility of having an entertainment type program this year instead of the usual banquet. Pickens said. They will give a report on this idea at the next meeting, he said.

Pickens also said that Larry Ivy's report on housing was enthusiastic about the possibility of remodeling the Baker Hotel into apartments to be controlled by the Housing Authority. "He recently talked to Phillip Anderson with the Republican National Insurance Co. of Dallas, owners of the building, and Anderson said the prospect looks bright for the application being ap-

proved by HUD. We'll know more about it if it is reviewed sometime soon," he said.

Luncheon Honors Legislators

State Representative Elmer Martin of Colorado City was one of the honored guests at a Thursday luncheon held at the Moody Center on the Hardin-Simmons University campus in Abilene.

Martin said that he and Mrs. Martin were accompanied to Abilene by Mr. and Mrs. G. D. Foster.

The luncheon was held to honor area legislators and those present included Joe Hanna of Breckenridge, David Stubbman of Abilene, Lynn Neighbors of Brownwood and Sen. Grant Jones of Abilene.

The three Abilene colleges united to sponsor the luncheon, Abilene Christian University, Hardin-Simmons and McMurry.

"God's Rescue Mission"

Rev. Carl Clinton
Pastor

Lorraine
First Baptist Church

This morning I sat and listened to the testimony of Charles (Tex) Watson, the convicted killer of Sharon Tate, and as I listened he shared how that Jesus Christ had come into his life.

It is amazing that God could love mankind so much that He would forgive a person that has killed, lusted, committed adultery and all kinds of evil things. But yet, as we look at the Bible we see that God has a desire to save every lost sinner on the face of the earth. For God's mission is to rescue all mankind from their sin. (John 3:16) "For God so loved the world that He gave His only begotten Son, that whosoever believeth in Him should not perish but have everlasting life."

First of all, God has provided provision for all mankind to be saved. That provision came in the person of His son, (Jesus Christ). There is no other name under heaven whereby a man can be saved. (Acts 4:12) No substitute will be accepted. No other name will be accepted such as: Confucius, Mohammed, Lenin, Marx or any other. There is no other way to be saved other than the shed blood of Jesus Christ. The Bible tells us that "Without the shedding of blood there will be no remission of sin." (Heb. 9:22, Heb. 10:1-12).

Therefore regardless of our sin, if we will turn from our wicked ways and accept Jesus Christ as Savior and Lord, we can be saved. "Not of works, lest any man should boast," but it is by grace through faith in Jesus Christ. (Eph. 2:8-10)

Secondly, God wants to give abundant living to all mankind. Satan perverts everything and makes life miserable and distorted. God on the other hand sent Jesus Christ to give a life of joy, peace and happiness. Christ himself said, "I come to give life and life more abundantly." (John 10:10)

Real life comes by knowing Jesus Christ, and enjoying the abundance of His life.

Charles (Tex) Watson testified that he had more happiness in Christ Jesus behind bars, than he had following Satan and the life of sin.

My question to you dear reader would be, "Do you really have abundant life?" If the answer is "no," then would you consider Jesus Christ as so many others have? He will give you the joy and love that you are seeking.

★ Wolves, From Page 1

with 8:54 left in the first quarter.

The Wolves again kicked off, held the Bulldogs and got the ball on their own 33. The Wolves were held this time, mainly on a penalty that nullified a long pass completion from Torrez to Benny Arispe, and had to punt. However, a Bulldog fumbled the punt and a Wolf pounced on the loose pigskin, giving the Wolves good field position once again at the Wylie 24. The Wolves went in for the score, but the play was called back. The Wolves came right back, got a first down and then Torrez hit Tight End Pete Parham who raced in two yards for the score right through several would-be tacklers on a play covering 11 yards. The PAT was no good, making the score 14-0

with 3:32 left in the first quarter.

In the second quarter, the Wolves took the ball on their own 34 and marched downfield to score once again, the score coming on a fourth down pass from Torrez to Split End Bill Jordan covering 18 yards. Gerald Smith kicked the extra point, making the score 21-0 with 6:03 left in the second quarter.

On the next Wylie possession, the Wolves Blake Hammond intercepted a pass and returned it to the Wylie 16. However, the Wolves were stopped and turned the ball over on downs.

Then the Wolves pressured the Wylie punter, forcing a bad kick, giving the Wolves good field position at the Wylie 33. The Wolves moved in to score, the touchdown coming on an 11-yard pass and run play to Frank Sanchez. The kick

was no good, making the score 27-0 with 24 seconds left in the first half.

The Wolves worked on a different offense in the third quarter and as a result, didn't get but one first down, with several good gainers being called back on penalties, including the 50-yard touchdown by Sanchez.

Wylie mounted their only serious threat of the game, part of which came on a pass that was intercepted by the Wolves Craig Carter but taken away from him in mid-air by the intended Wylie receiver. That drive was stopped on a fumble on the Wolves seven. Then the Wolves shoved the ball down the Bulldogs' throat on powerful running by Sanchez, Blake Hammond and Dobie Williams. With only a few minutes left in the game, Sanchez capped the 93-yard drive with a two-

yard plunge for the score. The kick for extra point was wide, making the score 33-0.

Desperation attempts by Wylie led to a pass interception later by the Wolves Benny Arispe. It was in the closing minutes that the Wolves Reserve Quarterback Craig Carter dropped back and threw a perfect spiral to Bill Jordan for an apparent touchdown covering 44 yards but it was all for naught as an ineligible receiver was downfield.

In comparison, Wylie lost to Coahoma last week 32-8. Coahoma won over Crane 10-0 Friday night in a non-district game.

In other District 6-AA action Friday, Stamford won over Winters 20-13; Merkel over Ballinger 12-7. Also, Slaton lost to Lubbock Roosevelt 19-12 and Sweetwater lost to Brownfield 20-19.
